Ko smo pregledovali zadnjo izdajo Glasila (št. 20), smo na tretji strani tudi opazili imena darovalcev in zahvalo našega člana Michaela Novosel za pomoč, ker mu je ogenj vse uničil.

Med pregledovanjem imen društev, ki so mu v ta namen kaj darovala, smo opazili, da je naše društvo sv. Alojzija št. 42 izpuščeno (mogoče po pomoti?). In zaradi naših članov bi radi, da pride v javnost, da je tudi naše društvo temu sobratu nekaj darovalo in sicer smo mu darovali za šest mesecev asesment, kar znača \$14.28. Upamo, da ni smo najslabše darovali.

Dragi mi sobratje in sestre! Naša jubilejna kampanja mladinskega oddelka je že pokazala lep uspeh, in nekatera agilna društva se že ponašajo z lepim številom točk. Zato reje apeliram na vse članstvo našega društva, da gremo VSI na delo. Pomagajmo kampanjskemu voditelju našega društva, da bo tudi naše društvo vpisano na častnem mestu. Posebno zdaj, ko sta dva mesečna asesmenta mladinskega oddelka prosta, izrabimo to priliko in pojdimo vsi na delo za večji mladinski oddelki.

Važno opozorilo! — Zadnjih pet let se je veliko članstva na a sesmentu zadolžilo pri društvu in Jednoti. Za nekatero so se časi nekoliko zboljšali, torej ste prizadeti uljudno prošeni, da bi začeli po malem dolg odplačevati, kajti s tem boste največ sebi koristili, da si rezervo ohranite za bodočnost, ker nihče ne ve, kaj še lahko pride.

Dalje prosim vse one, ki mi še niste oddali spovednih listkov, da to gotovo storite do prihodnje seje, dne 14. junija, ker takrat bo že čas, da pošljemo poročilo duhovnemu vodstvu KSKJ.

Se nekaj! — Dne 29. maja se bo proslavilo 25-letnico obstanka Slovenskega Doma v Pittsburghu; v ta namen bo ob 8. zvečer prirejena zanimiva igra "Bratranec." Vredno je, da jo vsake vidi, kateremu bo le mogoče; po igri sledi pleš in prosta zabava, vstopnina je samo 25c. Vstopnice lahko tudi pri meni kupite, ali pri vratih omenjeni večer.

Dolžnost nas vseh je, da to podjetje podpiramo, katerega smo vsi delničarji. Pridite vsi in se boste lahko prepričali, kako luštno bo ta večer. Vas obratno pozdravljam,

Math Pavlakovich, tajnik.

Cenjeni sobratje in sestre ste ponovno vabljeni na prihodnjo redno sejo, ki se vrši dne 7. junija ob sedmih zvečer v navadnih prostorih; to bo zadnja seja pred našo pravljavo ali pred piknikom; torej udeležite se VSI te važne seje; ako nas bo dosti navzočih, bomo lahko vse pravilno uredili. Znano vam je, da bo

mo imeli tudi banket s piknikom, kar zahteva veliko dela ali pomočnikov.

Ob enem vam tudi naznam, da bomo imeli skupno sv. mašo dne 14. junija, katero se bosta udeležila tudi ostala dva tukajšnja Jednotina društva in sicer sv. Jožeta št. 112 in Marije Vnebovzetje št. 203. Bolj podrobno bom o tem že v Glasilu poročal glede skupnega korakanja v cerkev. Torej ne pozabite priti na prihodnjo važno sejo dne 7. junija, kjer se bomo o tem domenili.

S sobratskim pozdravom,
Mike Cerkovnik, tajnik.

Vabilo na piknik

Kakor je bilo že poročano, priredita društvo Vitez sv. Jurija št. 3 in pa naše društvo sv. Antona Padov. svoj prvi veliki piknik v tej sezoni.

Dandanes se vse združuje, vse se konsolidira, vse je inkorporirano in spojeno da se več naredi z manjšim trudom. Tako sta tudi omenjena dva društva prišla na idejo, da organizirata "kompanijo," da bi bil boljši "biznes" in pa manjši "ekspenses."

Namen te "kompanije" je prirediti velikanski piknik v korist društvenih blagajn. Ta "Sv. Anton in sv. Jurij kompanija" bo pričela operirati s polno paro v nedeljo, dne 7. junija. Ta "kompanija" ima "licenc" za obratovati samo ta dan; zaradi tega je najela toliko rok, da bo vse delo opravljeno v tem dnevu. Mladi fantje in dekleta v predpasnikih bodo pridno na delu, starejši možje bodo pa kot izkušeni delavci za "bosse." Da bo pa šlo vse po "taktu," bo pa mužika spremljala vse to. To bo tako prijetno za ušesa in za pete.

Krona vsemu temu delu bo pa "kraljica," ki bo dala temu vsemu podjetju še poseben sijaj. Ker pa vsako podjetje potrebuje odjemalcev, zato tudi ta "kompanija" pričakuje napraviti "biznes" na ta način.

Dragi mi bratje in sestre, ter sploh vsi rojaki(inje) v okolici Jolieta! Prav uljudno ste vabljeni vsi na ta prvi naš piknik v tej poletni sezoni, ki se vrši v Rivals parku. Obiščite nas pri tej prilikai in mi vam bomo uslužno pozneje povrnili. Pomagajte tudi našim kontestantnjam, ki se trudijo na vso moč. Pomagajte eni ali drugi; najbolje seveda je pa, če pomagate vsem. Štiri lepa mlada dekleta so. Katera bo kronana za kraljico ta dan? Tu so njih imena: Miss Frances Krall, Miss Helen Metesh, Miss Frances Mutz in Miss Mary Strmec. Ob 8. zvečer bo konkurenca zaključen in ob 10. boste imeli čast pokloniti se naši slovenski jolčetski "kraljici" z vsem njenim dobrodošnjstvom.

Torej na veselo svodenje v nedeljo, 7. junija v Rivals parku!

Paul J. Laurich, pred. dr. št. 87.

Društvo sv. Petre in Pavla, št. 91, Rankin, Pa.

Vabilo na sejo

Na zadnji seji dne 10. maja je bilo zaključeno, da bi tudi naše društvo priredilo kak piknik letosno sezono in sicer v korist društvene blagajne ker je že skoro izčrpana.

Glede piknikovega prostora sem zvezel, da se istega lahko dobi 29. julija, 2. avgusta, 16. avgusta; torej te tri nedelje so nam na razpolago za piknik in sicer samo do prihodnje seje, dne 14. junija.

Torej vas prav lepo prosim, da prideite prav vti na prihodnjo sejo označeni dan, da se o tej važni točki kaj sklene in določi, kar bo v korist naše društvene blagajne.

Torej dragi mi bratje in sestre! Poprimimo se tega dela, pa bomo lahko vse izvršili. Poprimimo se še enkrat one sloge, kakoršna je vladala med nami pred 25 leti, pa boste videli, kaj vse se zlahkoto naredi če smo složni. Torej upam, da vas bo veliko število na seji dne 14. junija nazvoči.

S sobratskim pozdravom,
F. J. Habich, tajnik.

Vabilo na Slovenski dan

Tukajšnja Zveza slovenskih društev se zopet pripravlja za novi Slovenski dan. Zakaj Slovenski dan? Zato, ker se smidemo skupaj približno vsi Slovenci in bratje Hrvatje iz Rockdale, Jolieta in drugih sosednih naselbin. Ta prireditev se vrši v domaćem cerkvenem parku Oak Grove na velikem pikniku, katerega prijava gori omenjena Zveza s svojimi društvami. V to Zvezo spada tudi naše društvo sv. Treh Kraljev.

Odbor se marljivo pripravlja, da bo postregel vsem došlim najbolje. Zato že danes vabim vse Slovence in Slovence, ter naše priatelje brate Hrvate da nas v velikem številu obiščejo, ker znam, da ne bo nobenemu žal, saj se bo počutil med nami kakor doma v nepozabni nam Sloveniji.

Pa tudi naše dekleta se dobri pripravljajo in obiskujejo vsako posamezno družino. In ker se ne sme nič pisati o sreči in dolarjih, zato vas naštihoma prosim, da jim grestete na roko po svoji moči.

K sklepu vam iskreno kličem: Na svodenje na Oak Grove dne 28. junija na našem Slovenskem dnevu!

Vabilo na skupno slikanje

Kakor vam je že gotovo znano, bo naše društvo obhalo letos 30-letnico obstanka in sicer dne 18. oktobra.

Na zadnji seji je bilo sklenjeno, da se damo skupaj slikati; to se vrši dne 14. junija, ravno na nedeljo, ko društvo zboruje.

Pridite vse, brez izjeme in pripeljite tudi ta mlade; čim več nas bo na sliki, tem lepša bo ista. Kako bi se lahko povstavile, tako bi prišlo vseh 70 članic!

Toliko za danes, da se veste ravnat. Se oglastim še pred sejo.

ski oddelek; poleg tega so pa še denarne nagrade. Ta dva meseca imate res najlepšo priliko za agitacijo. Zdaj je pri našem društvu v odraslem oddeku 198 članic, v mladinskem pa 226; torej če jih dobite še 26, bo še tako naše skupno članstvo 450, kar bo gotovo lepa svota za to društvo. Torej le korajšo!

Dalje opozarjam one članice, katere imate še doma spovedne listke, da mi jih pošljete ali prinesete na dom, kajti duhovni vodja jih bo zahteval od mene.

K sklepu vam še prosim, da od zdaj naprej redno vsak mesec plaćate svoj asesment, društvo je že preveliko, da bi vsak mesec iz naše blagajne zakladale za 50 ali 60 članic. Torej poravnajte svoj dölg, potem pa plačujte redno vsak mesec, kar bo bolje za vas in zame; ako tega ne vpoštivate, boste suspendirane iz društva in Jednote, kajti jaz se moram natanko ravnavi po pravilih.

ZAHVALA

Prav lepo so moram zahvaliti mojim priateljem, ki so me na takto zvit način izvabili iz hiše za mojo 50-letnico, kar se je zgodilo 25. aprila. Ravno isti večer sem rekla mojemu soprogu, da se nič kaj dobro ne počutim in da mi najbolj diši postelj. Seveda, ker je bila mojemu možu vsa afra dobro znana, me je kar nekako zadrževal in govoril, da bo že bolje in da bomo šli vse skupaj k počitku.

Kar naenkrat prisopila Mr. Ogrin na vso naglico, rekoč, da se morava hitro odpraviti, ker bi naju radi videli neki prijatelji, ki se nahajajo pri Svetku,

mesec junij in julij ne bo nobenega asesmenta za mladini.

svojo piano - accordion harmoniku pokazal svojo zmožnost in nadarjenost kot mojster. Deset otrok je deklamiralo "Mladati" in "Materine solze." Mlade Buchar je zapela "Siroto;" zares ima prav lep in mili glas. Znano krasno koroško narodno pesem "Gor čez jezero" so zapela otroci šole sv. Trojice in sicer tako korajšo, kot bi vedeli,

če moja hčerka Vera mi je rekla, le pojdi, mama, bom še jaz šla, ker bi rada videla twoje prijatelje. Rada ali nerada, pa sem šla! Kmalu smo bili privabljeni za odhod.

Ko pridevo na 200. cesto do Jakšetove gostilne, ustavi Mr. Ogrin svoj avto, rekoč, da naj malo počakamo, ker bo takoj načaj. V nekaj minutah se vrne in pravi: "Rupert, nekdo bi te rad videl, pojdi in stopi za par minut noter. Zakaj pa ne? Tudi Mrs. Ogrin je svetovala, naj gremo vsej noter, da spijemo par kozarcev pive. V gostilni se vsedemo za mizo in prinesli so nam pivo. Seveda, Mr. Ogrin, ki je igral glavno vlogo pri tem, ki je stopil

Rdeči načelnik Škuro

Nemški inženjer Wm. Burger, ki se je kot inozemski strokovnjak delj časa mudil v sovjetskih tovarnah in se je pred kratkim vrnil, piše sedaj v "Allgemeine Katholische Korrespondenz" o zgodbi znanega mu rdečega načelnika Škura:

"Iz tebe bom naredil še dobrega boljševika," mi je večkrat dejal moj načelnik Škuro, kadar sva se menila o Rusiji in njenih razmerah. Škuro je bil poprej stotnik donskih kozakov, pravoboritelj boljševiške stranke, boril se je proti carski vladi, boril se je zoper bele, zoper Kerenskega. Vkljub nizki izobrazbi je postal polkovnik rdeče armade. Njegovo telo je bilo pokrito z brazgotinami. Bojeval se je z uporniškimi tolpmi, jih pregnal ter požgal še tiste kmetije, katere so uporniki pustili cele. Na neki kmetiji je lastnorčno ubil gospodarja, potem pa iz goreče hiše rešil njegovo mlado hčerko ter se z njo poročil. Svojega sina je neponisno ljubil.

Boljševiška stranka skrbi za svoje ljudi. Zato je Škuro bil imenovan za načelnika v tovarni za ribjo moko v Taganroju z mesečno plačo 120 rubljev. Njegova naloga je bila, da pomaga spraviti tovarno v obrat. Kmalu pa so ga kot polkovnika rdeče armade počitali na trimesečne vojaške vaje. To pa je preprečil ravnatelj tovarne, češ, da Škura potrebuje tovarna da ji preskrbuje živež. Škuro je moral za tovarno v nov boj, ki sicer ni bil krvav, ki pa je vendarle ubogemu kmečkemu prebivalstvu prinesel smrt. Škuro se je vrnil s svojimi ljudmi in prinesel s seboj le malo plena, katerega je pobral le največim siromakom. Na moje vprašanje, kako se mu je godilo, mi je odgovoril le tole:

"Jesti nismo dobili nič, nobenega prenosiča, le uši na pretek!" O boljševizmu ni več govoril. Mrk in potrt se je potikal, bil je bolan ter duševno in telesno strt. Vendor so ga še drugič poslali, da je nasilno od kmetov rekviriral žito za kruh. Tokrat je moral iti v svojo domovino v Doniske gore, kamor se ni mislil več vrniti, ker se je bil sprl s svojimi brati, kateri so bili še verni kristjani in niso marali za boljševizem.

Cez 14 dni se je vrnil, sam, brez plena, niti svoje žene in svojega sinčka ni iskal, ampak je stopil naravnost k ravnatemu Klosmanu. Tam si je potrgal z obliko znake svoje stranke, jih vrgel pred Klosmanom in mu dejal:

"Vedno sem se v prvih vrstah boril za boljševizem. 17 buržujev sem z lastno roko ubil. Duhovnika sem ubil v cerkvi pred oltarnimi stopnicami. Kmetom sem vzel zadnje grizljaje brez vsake koristi za se. Ko sem zadnjikrat šel rikviriral žito za kruh, sem kmeti pobral zadnjo koruzzo, katero si je bila prihranila za svoje lačne otroke. Iz obupa je ta ženska vrgla svoje tri otroke v vodnjak, kjer so umrli, da bi jih rešila smrt za lakoto. Nato se je ženska iz obupa obesila. Po vsem tem sem sedaj prišel v svojo domovino. Tam sem zvedel, da sta dva moja brata že umrli za lakoto, tretjega pa sem nasiel takoj rekoč umirajočega, ker od samega stradanja ni mogel več glave premikati. Sedaj uvidevam, da sem se boril za prazne pene. Srčno radi bi z nohti svojih rok izkopal trupla svojih žrtev iz zemlje, ko bi jim s tem mogel vrniti življenje in bi mogel svoja dejana popraviti."

Na podlagi teh besed je načelnika Škuro prevzela OGPU v svoje varstvo ter ga prepeljala v Rostov ob Donu. Tam nji-

so ga zaprli v norišnico, češ, da je znotrel. Kmalu nato pa Škurovi ženi odpovedali stanovanje, češ, da kot nekdanja buržuka nima več pravice do stanovanja.

Neronova zlata palača

V zadnjih letih v Rimu vneto izkopujejo starine, katere so skrite v zemlji. Na ta način so odkrili že mnogo zgodovinskih spomenikov. Med drugimi so izkopali tudi palačo cesarja Nerona.

Ko je Neron dal začeti Rim ter potem poziga ob dolžil kristjane, da jih je lahko preganjal, so zgoreli trije mestni okraji tedanjega Rima, sedem pa je bilo več ali manj poškodovanih. Če pomislimo, da je tedanjem poganskim Rim imel 14 okrajev si lahko predstavljamo, kako je požar divjal. Na pogorišču je potem Neron na najlepših krajinah postaviti svojo cesarsko palačo. Palača naj bi bila orjaška zgradba, polna razkošja in vsa poplačena. Toda preden je Neron svoje delo končal ga je doletela kazen. Palača so grajali štiri leta. Ko je Neron umrl, je bila že skoraj dograjena. Raztezala se je z rimskega griča Esquilina do Palatina. Vhod vanjo pa je bil na Glavnem trgu, tam nekje, kjer danes stoji cerkev sv. Frančiška in slavolok cesarja Tita. Površino te palače so že precej natančno izmerili in ugotovili, da je bila dvakrat večja kakor pa je sedanje ozemlje Vatikana skupaj s cerkvijo sv. Petra. Znan je epigram rimskega pesnika Suetonija ki je rimskega senatorja svetoval, naj se izselji v Etrurijo, da se na ta način umakne cesarski palači, če morda cesarska palača ne bo segala celo v Etrurijo.

Palača sta gradila rimska gradbenika Severa in Celerus. Palača je vsa z zlatom okrašena, zaradi česar so jo imenovali "zlata hiša." Kakor poroča Suetonij, je bilo v palači več dvoran ki so imele strope iz slonove kosti. V te slonoščene stropne so bile vdelani dragoceni dragulji. V palači je bila tudi dvorana, katera je imela obliko zemlje ter se je vrtela noč in dan kateror zemlja. Freske na stenah je slikal rimski slikar Fa-bullus. Okrog in okrog palače so bili prekrasni vrtovi, v njih pa polno eksotičnih živali. V predvečju, ki se je odpiralo na rimski forum je stal ogromen kip cesarja Neron, visok 120 čevljev. Glava je bila okrašena s krono, ki je predstavljala solnčne žarke.

Komaj pa je to čudo bilo dograjeno, se je že pogrenilo v pozabljenje, in cesarja Neron je zadela jeza božja. Poznejši rimske cesarji so izmeli ogromne vste denarja, da bi palačo dogradili. Toda rimske ljudstvo ni več dopustilo, da bi žrtvovalo tako velik del mesta za to palačo in za razspinost svojih cesarjev. Cesarski vespazijan se je uklonil volji rimskega ljudstva. Od nekdanje palače je ostal ohranjen le majhen del, vse drugo je bilo razdejano. Iz kipa cesarja Neron je naredili kip boga sonca. Na tistem kraju, kjer je nekoč stala Neronova "zlata hiša," je cesar Domitian dal zgraditi svoja kopališča, katera so danes znana pod imenom cesarja Trajana. Vrtove so zopet odprli ljudstvu.

Skozi te vrtove lahko danes prideš v velike podzemeljske hodnike v katerih se že mnogo stoletij kupičijo razvaline. V teh podzemeljskih hodnikih so začeli kopati in bodo še dolgo kopati. Vendor so pa že odkrili zidove, kateri niso več obdani z marmornatimi ploščami, kar so bili prvotno, in tudi v dolbinah ni več prekrasnih kipcev, toda nji-

hove orjaške mere začudijo iz solnčnic, kar stane tri rublje 3 kopajke in morda še pol funta rib na teden, kar stane 87. kopejk. Če računaš za čaj, sladkor, sol, tobak in drugo drobnarje štiri rublje 50 kopejk na teden, je ruški delavec od svojega tedenskega zasluga 30 rubljev 90 kopejk za tako skromno prehrano že izdal 22 rubljev 52 kopejk.

Ostane mu še 8 rubljev 41 kopejk na teden. Kaj naj si kupi s temi? Ali morda slanine, ki je novembra meseca 1. 1935 v Kijevu v državni prodajalni veljala 18 do 20 rubljev kilogram? Ali naj kupi gnjati, ki je veljala 18 rubljev kilogram? Ali naj kupi klobaso, katera je po uradni ceni meseca septembra 1. 1935 veljala 9 do 25 rubljev kilogram? Vsakdo bo uvidel, da si s to plačo ruski delavec tega in takega ne more privoščiti.

Toda za tistih tedenskih 8 rubljev 41 kopejk mora skrbeti še za obleko, čevlje, stanovanje, kurjavo in razsvetljavo. Kako? Naj sledi uradne cene iz državnih prodajalnih v Kijevu meseca novembra 1935: Ena obleka stane v državnih prodajalnih 120 rubljev, na prostem trgu pa 300 do 800 rubljev. Navaden plaz stane 150 do 200 rubljev, na prostem trgu pa 200 do 260 rubljev. Navadni čevlji stanejo 80 do 150 rubljev, na prostem trgu pa 150 do 250 rubljev. Za pleteno jopico iz navadnega bombaža mora plačati 80 do 200 rubljev. Ali je potem eduno, če tuji obiskovalci sovjetske Rusije, celo tisti, katere uradna sovjetska postavila v Litiju nad 50 mlajev, katere so vrli litijski fantje postavili po trgu, ki se je spremenil v gozd zelenih smrek. Dekleta iz Podsentjurja, Brega in Tenetiš pa so pridno pletle zelene vence in ž njimi prav razkošno okrasile župno cerkev sv. Nikolaja. Pa tudi industrijski Gradec ni zaostal za Litijo. Predilni delavci so postavili številne mlade, katere so dobili deloma v predilniškem gozdu, deloma pa so jih dali graški posnekli.

Ker se boljševiška svetovna revolucija ni hotela uresničiti, je sovjetski diktator Stalin hotel v svoji sovjetski Rusiji zgraditi "podlugo za svetovno revolucijo." V ta namen je bilo treba toliko vojaških in vojaško-gospodarskih priprav, da bi se sovjetska osamosvojila od inozemstva in posegla v tok svetovne zgodovine. Vse to pa je naložilo na ramena ruskega ljudstva toliko gorja in žrtev, da se mora človek zgroziti. Tato, da so sovjetti mogli zgraditi tak vojni instrument, kakršnega imajo danes, ki naj ogroža svet, je bilo žrtvovanih milijone ruskih ljudi.

V dokaz, kako danes živi sovjetski industrijski delavec — razmreje sovjetskega poljedelskega delavstva so še mnogo slabše — naj služijo naslednje številke, ki so vzete iz sovjetskih virov:

Povprečna mesečna mežda ruskega delavca znaša 174 rubljev. Od tega zasluga pa je treba odšteti celih 20 odstotkov za davke in za razne dajatve za strokovne organizacije, prisilna posojila, obrambno organizacijo itd. Povprečnemu ruskemu delavcu torej ostane na mesec 139 rubljev 20 kopejk, ali na teden 30 rubljev 93 kopejk. S tem denarjem se mora ruski delavec preživljati in oblačiti.

Kakšne pa so cene? Najvažnejši živež ruskega delavca je pač kruh, ki stane 75 kopejk kilogram. Če ruski delavec vsak dan porabi 1 kilogram kruha, plača na teden 5 rubljev 25 kopejk. Ruski delavec potrebuje na dan najmanj 1 funt zelja po 25 kopejk, kar znesa na teden 1 rubljev 75 kopejk. Nadalje porabi ruski delavec vsak dan kakih 200 gramov ajdove kase, kar znesa na teden 6 rubljev 2 kopejki. Slednjič si mora ruski delavec vsak dan privočiti kakih 300 gramov krompirja po 35 kopejk za kilogram, kar znaša na teden 73 kopejk. S tem je pa tudi že vse povedano, kaj si ruski delavec za svojo hrano sme pri vočiti. Poleg tega sme kupiti še zakuh pol funta olja

iz solnčnic, kar stane tri rublje 3 kopajke in morda še pol funta rib na teden, kar stane 87. kopejk. Če računaš za čaj, sladkor, sol, tobak in drugo drobnarje štiri rublje 50 kopejk na teden, je ruški delavec od svojega tedenskega zasluga 30 rubljev 90 kopejk za tako skromno prehrano že izdal 22 rubljev 52 kopejk.

Trije delavci utonili v Dra-vi. — Pri St. Janžu na Dravskem polju regulirajo Dravo. Ker urejajo bregove s kamnjem, so delavci dovajali kamnje v čolnih z drugega brega, z vurberškega. Tudi v četrtek pred 1. majem so delavci peljali v čolnu kake tri kubi metre kamenja. V čolnu je bilo šest delavcev. Nenadoma je vrtinec zasukal čoln in ga potegnil v globino, s čolnom vred pa tudi vseh šest delavcev. Trije so se rešili, tri pa je vrtinec pogolnil. To so: 32 letni Ivan Pekol, 32 letni Alojz Krajnc, oba iz Loke in 35 letni Friderik Pečnik iz Rošnje. V smrtni nevarnosti je bil posebno Tone Brodnjak, ki se je ujal za veslo in kakih 10 minut boril z vrtincem, dokler ga niso rešili delavci, ki so priheli z drugim čolnom. Trupel ponesrečenih delavcev še niso našli. Vsa nesreča se je zgodila tako naglo, da delavci niso mogli pomagati.

In the "Millionaire" Class**PENNSY FORGES TO FIRST PLACE IN DRIVE****MARCHING ARMY TURNS OUT AS SQUAD FOR PUEBLO MITT SHOW**

Pueblo, Colo.—Boys, it's out! The greatest sensation since man first soared into the air. Once more the inimitable upholder of law and order, Mr. Nikola Mikatich Jr., shows his ingenuity by presenting a spectacle up to now equaled only by Madison Square Garden.

Once more St. Joseph's Society, No. 7, will present its membership another evening of enjoyment, which will unquestionably go down in history as the most pleasant and greatest of programs ever presented.

My dear fellow members, I feel proud to be one of the few who have had the inside track to all of these doings. It happened like this: I, being one of a nature who retires at an early hour (p. m.) and rises with first gleam of the sun, was fortunate to be awake and enjoying the quietness of a spring dawn, when suddenly, as I watched through the bedroom window, I beheld a sight which appeared to me as the Italian army advancing upon Addis Ababa. Upon more careful observation I was relieved to note that it was not the enemy advancing upon our fair city, nor was it the redskins whom we so often see in these parts. No, it was a group of loyal and active members of St. Joseph's Society, No. 7. At the spearhead of this group of about 40 men, who were attired in violent colored sweaters and dirty slack trousers, was our promoter, Nick Mikatich, flanked on one side by "Speed" Zivna and on the other by "Turk" Zupanic. It appeared to your lowly scribe that these proceedings were quite unusual, nevertheless they were immediately forgotten—forgotten till the following morning, when, lo! the same identical spectacle was witnessed.

Being of a curious nature, I thought it would be advisable to discuss the matter with my adviser, Mr. "Algy" L. G. Stebley. After a very earnest discussion of these most unusual sights, we decided to make a very thorough investigation of the situation.

True to my expectations, "Algy" once again uncovered facts which led to the solution of these mysterious events. After confronting our worthy director of athletics, Mr. Mikatich, with this evidence, the following confession was obtained. It came from his lips as he, Mr. Stebley and I were seated in the clubrooms, surrounded by soft light, spare muggles of beer, and our own, on-the-spot bartender, Jim Zupanic, with the passing of each stein of beer, and incidentally both Mr. Stebley's and my finances (you realize Mr. Mikatich is a big man and he likes beer), more and more of the truth was laid bare before us.

Here, my friends, is the reason for the peculiar happening early every a. m.: Mr. Mikatich has gathered around him one of the finest assortment of boxers and wrestlers ever before

assembled in this part of the country. He assembled a group of stevedors, steelworkers, cow punchers, and fuller brush men and took upon himself the burden of training them and getting each and every man in shape for the first annual boxing and wrestling program to be presented by the St. Joseph's Society, No. 7. This gala event will be presented on May 27 in St. Joseph's Hall. There will be boxing, wrestling, hair pulling, and eye gouging galore!

I will make a short resume of the attractions which will be presented in the boxing division. With the odds of 1000 to 1 on the winner, Frank Perko vs. Bill Mikatich, my prediction is that the best man will win. The No. 2 attraction will be the "fisticuffs," displayed by Alex Prelesnik vs. "Speedy" Egan. Here we have the situation of speed against power, and again I predict the best man to win.

No. 3, Matt Novak vs. Joe Krasovec. It's a toss-up. I believe this bout will be framed. Loser to be the real winner.

No. 4, Frank "Turk" Zupanic vs. "Pedro" Petkovsek. My prediction: Three rounds of blistering glove throwing, with the winner given the decision.

No. 5, battle royal. John Germ, Louis Stebley, Al Godec, Jim (Bartender) Zupanic, Nick Mikatich; Jim Zupanic declared winner—the others declared punch drunk.

Your scribe could continue indefinitely on the merits of this affair, but you worthy readers have already an idea of what a gala event this will be on May 27 in St. Joseph's Hall at 7:30 p. m.

Aye E. Gee.

Cleveland, O.—A rocket was shot to the moon last Thursday and its passengers and crew were the graduating class of Collinwood High School.

The interplanetary machine zoomed off the school auditorium stage before a full house in a four-scene vehicle titled "June on the Moon," written by Lawrence "Curly" Zupanic, member of the class and St. Vitus' Society, No. 25.

The cast of 150 was assisted by the school orchestra in a background of elaborate scenery arranged with the aid of faculty members.

Other students of Slovenian parentage who participated were Pauline Sezon, Rudolph Krall, Olga Lukanc, Viola Tuttina, Helen Valince, Ann Galinc, Richard Ivanc, Joe Zakrajsek, Jack Jenc, Helen Zegarac, Ana Simic, Olga Princic, Leonarda Slabe, Bob Kranz, Joseph Puskacic, Rudolph Malekar, John Kozel and Anthony Vadic.

The playwright, feature writer and columnist of the school's paper, Spotlight, is the son of Mr. and Mrs. Ivan Zupanic.

Here, my friends, is the reason for the peculiar happening early every a. m.: Mr. Mikatich has gathered around him one of the finest assortment of boxers and wrestlers ever before

OPENER WILL TEST STRONG KSKJ TEAMS**Florian-Waukegan Joes Tussle Acid Test**

South Chicago, Ill.—With the Midwest KSKJ baseball curtain rising this Sunday, May 31, on a field of five teams competing for the coveted KSKJ honors, the spotlight will shine on an important opening tussle between the champion St. Florian Boosters and the strong St. Joes of Waukegan at Calumet Park at 3 p. m. Games between these nines have always been hard fought and well played. Sunday's contest will not merely be just a ball game, for too much is at stake and a win or a loss for either team will have definite bearing on chances in the future.

The St. Florian team, though almost the same in roster strength, will come on the field a bit more experienced and nicely groomed for intense competition. With the pitching staff bolstered by the return of "Lefty" Benkovich to form, and the addition of Eli Peterlich to aid him and Eddie Kucic and Charlie Jackowski in pitching assignments, the team stands ready to compete in both KSKJ and Calumet region senior leagues.

In accordance with customary arrangements on opening day, the St. Florians will tender a reception to the visiting St. Joes of Waukegan after the game in St. George's Church hall. The social committee extends an open invitation to all local boosters to be on hand for a festive evening. There will be refreshments and dancing, music to be supplied by a popular orchestra. Admission by invitation only.

Sees Pennsy Association As Active, Growing Group

Pittsburgh, Pa.—That the Western Pennsylvania KSKJ A. B. C. is growing is evident from the recent organization of the Presto KSKJ Booster Club. The new group will be affiliated with the association shortly.

All due credit must be given to the zealous Prestonians who with their KSKJ spirit have achieved a goal such that it keeps us all on the move toward the heights to which our Kay Jay purpose aims.

To John Bevec, president of the association, and to Peter Svegel, secretary, go honors and praises for their aid to the new group in its present success.

JOE SIMS WILL FEATURE FOR AMBRIDGE JAYS**Western Pennsy Jays to Attend**

Ambridge, Pa.—The Ambridge Kay Jays feel fortunate in being able to introduce Joey Sims' Orchestra as the musical feature on their first anniversary dance May 30 (Decoration Day).

Joey Sims' band is unquestionably one of the most popular orchestras in the Pittsburgh and Ambridge vicinity, having been featured at western Pennsylvania bright dance spots, as the Plaza Cafe, Hotels Roosevelt and William Penn and various large parks.

The stage is all set and Ambridge hospitality is open to western Pennsylvania Kay Jays. Canonsburg, headed by John Bevec, who has yet to miss one of our socials or any other KSKJ activity, is sure to attend with his host of friends.

John Yager and his Aliquippa cohorts fall in the same category.

Our new friends of the Presto KSKJ promise to be in attendance and to align themselves with the other booster clubs in western Pennsylvania activity. Ambridge welcomes you, Presto!

Beaver Falls as yet have not tried Ambridge's hospitality. Why not make the booster club representation complete, Beaver Falls?

Pittsburgh boosters, no doubt, can be counted on to be represented, to repeat the revelry of earlier days.

Ambridge will be the center of activity on Decoration Day, with various booster clubs making predictions about the ABC mushball league winners, etc., so be at Ambridge with your pre-season dope!

A last note: Thanking the Cleveland Boosters for the happy association during the Cleveland tournament, and especially for the hospitality of the Chapic family tendered to a group of Ambridge Jays.

No. 119 of Illinois Heads List of 50 Campaign Leaders

Gaining nearly 4000 points in the past week the Pennsy KSKJ societies aided primarily by Society No. 41 and its 1800 point contribution, climbed from third place to lead the campaign according to the report published this week.

Minnesota who had been leading the drive since the inception of the campaign was also overshadowed by Illinois, mainly by the work of Society No. 119, state leader and first place lodge in the field of 50 now entered in the lists.

Ohio, last week's second place holder fell into fourth place, the report showing no gain over that recorded last week.

The campaign is swinging into fast action and predictions as to the winners are a toss-up with every state making rapid spurts and only a thousand points separating the four leaders. When a state is shoved from first place to third in a week's time, or from second to fourth in the same time, it means that competition is keen. It also means that any of the cellar-berth societies may work themselves up to the leading position in short time. What state will take the lead next week?

Thought for the Month

By Frances Jancer

(Each month the writer will Spiritual Director of our KSKJ and President of the Bishop Baraga Association, is a saint—a saint of their own nation. Taking all of Bishop Baraga's works here in America into consideration, his zealous work in furthering the culture of our early predecessors here, it is therefore our duty to step in line and go hand in hand with our elders in the progress of this great work. The only way we can get ahead is to storm heaven with prayers so that eventually Almighty God will hear our prayers and meditations and with one stroke sweep away the clouds that are bordering our aim, and get our final result, a Slovenian saint.

The following prayer has been considered as appropriate for our English speaking members, being translated from the Slovenian:

"Almighty God, Father of Light, from Whom comest all things, and Who sent us the great Bishop, Priest and Teacher, Frederick Baraga, Hear us in our prayers and raise him to the throne of Heaven, so that Holy Mother the Church can honor him on its altars, For Christ our Lord. Amen." Three Our Fathers, three Mail Marys, Glory be.

The Bishop Baraga Association which was organized for the purpose of furthering the interest of our Slovenian people in placing Bishop Frederick Baraga upon the Altars of the Roman Catholic Church, is working hard to attain their aim. If they do attain their aim, other Catholic nationalities will look up to the Slovenians and point to them with pride, for having done so great a thing as having a priest and bishop placed upon the altar of the church.

Aside from Bishop Baraga there is also a program on foot, that is in Jugoslavia, for the canonization of Bishop Anton Martin Slomšek, another Slovenian. Jugoslavia has been cooperating with her brethren here in America in its efforts to canonize Bishop Baraga, so it seems only fitting and proper that American Slovenians should spread the devotion to Bishop Slomšek here in America. Especially those colonies here that have as their inhabitants people who came from his beloved section of Jugoslavia (Stajersko). These people should get together and perform some gathering of one kind or another in his honor.

The difference between Bishop Slomšek and Bishop Baraga is that one labored in a foreign country while the other labored right here in our midst. Bishop Baraga worked in America, educating the uncouth and lowly Indian, converting them into Catholics, teaching them to be kind and patient. Is this not enough, including his hardships and starvation—enough to us American born Slovenians to take an active interest in his holy works?

The wish and earnest desire of our Slovenian clergy and lay people, especially the Rev. Father John Plevnik, who is Supreme

FIVE TEAMS TO OPEN MIDWEST BASEBALL CURTAIN SUNDAY

Second Round Gets Under Way July 12; Official Balls Only to Be Used in Circuit

The Midwest KSKJ Baseball League is ready to start the ball a-rolling across the baseball diamond Sunday, May 31, with five teams at the starting line set for a round robin of games by each team.

For the opener date, Waukegan St. Joes travel to South Chicago to meet the St. Florians, and the St. Michael aggregation travels to Chicago to meet the St. Stephens, No. 1. Each team draws one bye in every round, with the St. Aloysius team of Chicago drawing the first bye May 31.

Team managers are requested to note the following important regulations of the league. Complete roster of all teams must be with the secretary before first game is played. All changes in roster must be made before start of scheduled game, notifying both the visiting team and the umpires.

No change can be made in the team roster after the first round of play is completed. Second round play begins on July 12. Ten days' notice must be given to the league secretary and opposing team must mutually agree to any postponement.

Changes in schedule due to lodge picnics or programs should be made as soon as possible, if any are necessary.

Scorekeepers are kindly requested to send in results of all games to the secretary, Joseph Zorc, as soon as game is completed, so that a complete record can be made of each week's playing. Statistical information will be taken care of properly if every scorekeeper will co-operate in sending in the results just as promptly as they did in the 1935 season. Last year's scorekeepers are to be commended for their attention to this detail. Keep up the good work during 1936!

Athletic Commissioner Frank Banich will provide all teams with baseballs this year and only KSKJ official baseballs will be allowed in play by the umpires during official KSKJ

games in the Midwest League. In the event of rain on any playing date, if enough rain falls to make the grounds too wet for play, please notify the league umpire by telephone at Spaulding 1461, Bob Hildreth, so that it will not be necessary for him to make the trip. Likewise each team should extend this to the visiting teams and try to contact the visitors and the umpire before 11 o'clock on playing date.

Entry fee of \$5 should be sent to the secretary. All correspondence and baseball information regarding the Midwest League should be mailed to: Secretary Joseph Zorc, 1045 Wadsworth Ave., North Chicago, Ill. The secretary's phone number is North Chicago 868.

VETS OUTSCORE ROOKIES IN CHI STEPHENS CAMP

Chicago, Ill.—Behind the tight hurling of Walter Smyth, who in five innings allowed no runs and only four hits, St. Stephen's regulars on May 17 defeated the secondary team, 4 to 2, in the first practice game of the season. Henry Basco twirled for the losers.

In a game marked by impressive showing of several players on both nines, the regulars easily led and outplayed the secondary, which in most part consisted of youngsters battling for berths on the auxiliary nine.

Despite losing the tilt, handicapped as he was by the weak hitting power of the No. 2 team, Basco still displayed his old pitching ability by retiring many of the opposition via the strikeout route. Tony Terselich did the catching, showing considerable improvement since last year.

The regulars scored early in the game and retained their lead throughout. In the sixth inning Edward Besowshek, a newcomer of promising ability on the mound, replaced Smyth, who pitched shutout ball during the previous five frames. After a rather shaky start, during which he yielded two runs, Besowshek settled down and kept the regulars in check. His showing definitely stamps him as of fine pitching caliber. Assisting him behind the bat was his brother, Al, who caught the entire game.

As a result of this first practice tilt, one important change may be made in the probable starting lineup of the No. 1 team when it meets St. Michaels of South Chicago here on May 31 in the league opener. Tony Bartell, a youngster who distinguished himself in center field, may replace Johnny Sinkovec, holder of that berth during the past several years. In the matter of pitching choice for the opener, either Henry Basco or Walter Smyth may get the call.

It was formerly stated that six KSKJ nines would participate in the 1936 league, but is now definite that only five teams will compete. Milwaukee has notified the league that it will not be a member this year. This will leave but five teams rotating in the midwest circuit—two nines from this city, two from South Chicago and one from Waukegan.

Em Kay.

KSKJ MARCHES ON

Vida and Mary.

Through the facilities of the booster points with a grand total of 7332, followed closely by Illinois and Minnesota.

According to an article in the Fraternal Age, fraternal insurance had its inception in the state of Pennsylvania and even to this day ranks first among all the states in fraternal members with a total of over 950,000 members. As if realizing the status of Pennsylvania, Illinois and Minnesota are challenging the present leaders in the booster campaign at this time, and because it is in situations such as these that the competitive spirit of the boosters asserts itself, we are keenly anticipating the outcome of this hotly contested race.

Will a dark horse forge to the front at any moment with a garrison finish and overtake the present leaders? Or will Pennsylvania, Illinois and Minnesota go unchallenged?

And this winds up the tenth edition of our Campaign Journal until next week and with "Orchids to Pennsylvania" we remain, your Supreme Office Correspondents, who think that the Pennsylvania boosters have shown their true mettle so much so that even the floods could not "dampen" their progress in MARCHING ON!

FOUR TEAMS IN PENNSY MUSHBALL CIRCUIT; PLAY SET FOR JUNE

Pittsburgh, Pa.—Four mushball teams revolve in a circuit sponsored by the Western Pennsylvania Associated KSKJ Booster Clubs. Play will start sometime in June.

ONE STRIKE AND TWO SPARES

Secret Agent No. 431 Annex

One strike and two spares. First comes one strike. Next time the Chicago Boosters get the midwest tournament we hope that they will hire a hotel big enough to house all the Kay Jays who believe in having some honest-to-goodness fun, and quit chalking up honest people unto a blacklist. Nevertheless, the condemned (as you call them) even though they knew nothing of it, found some quiet and restful peaceful sleep within the serene and spacious portals of the Rosemoor Hotel. "Sinky" may have been polite, but ask him about the one-hour telephone call he had from Little Audrey.

Two spares. The first was good, but the second one we failed to pick up. It was caught somewhere out in Cleveland, Ohio, when a certain Canonsburg Booster, handsome, curly, black-haired chap, decided the proceedings in the hall were getting rather dull, so preferred to issue forth an amorous onslaught for the benefit of Jay W. Em and a few Illinois Boosters, not forgetting the tiny chap standing alongside looking on. Almost missed the last bus to Pennsylvania, patiently waiting for the little pink slip written out by Jay W. Em.

Two spares. Aside from the strikes and spares there are the gutter balls. The biggest gutter ball was the one at Room 927, Allerton Hotel, Cleveland. The ball missed its mark and landed in the swimming pool. It barely missed the lady that used too much aspirin that was swimming below. Guests fled to 935 to avoid being splashed, called up 1040 and getting no answer decided the inhabitants must have drowned in the deluge.

Last line: Guess what Jay W. E. stands for

Training camps in Canonsburg, Ambridge, Presto and Pittsburgh report that it is to be the best and fastest league ever contemplated.

The Pitt team, last year's champs, has its last year's winning combination with a few additions. The twirlers will be Albert Bevec and Sylvester Sneler. Frank Garasic and Edward Gasper will work behind the bat, while the first sack will be held down by veteran Joseph Adlesic. Joseph Bahoric and Eddie Adlesic will supervise second base and Frank Kompare will endeavor to hold down the shortstop position. Eddie Bahoric will be assigned to third base. Taking care of the gardens will be Charles Flajnik, George Sutej, Henry Mravinc, John Cesnik, John Hudak and John Coghe.

In a recent practice tilt the rookies and the veterans tied, 13 to 13, the game being called on account of darkness.
