

Profesor Louis F. Budenz razkril podrobnosti o zaroti in umoru L. Trockega v Mehiki

Kolovodja zarote je bil dr. Rabinovič, sovjetski zdravnik in kirurg ter predstavnik sovjetskega Rdečega križa v tej deželi. — Budenz ga je poznal pod imenom "Mr. Roberts".

NEW YORK. — Profesor L. F. Budenz s Fordham univerze je povedal, da je identifičial dr. Gregorija Rabinoviča, bivšega reprezentanta sovjetskega Rdečega križa v tej deželi, kot sovjetskega tajnega agenta, ki je skoval zaroto za umor Leona Trockega v Mexico City l. 1940.

Profesor Budenz je dejal, da je poznal dr. Rabinoviča od leta 1937 do 1939 pod imenom "Mr. Roberts". "V teh letih sem se večkrat sestajal z njim, dokler se ni vrnil leta 1939 v Sovjetsko zvezo," je rekel. "Ob tej priliki mi je sporočil, naj pridem iz Chicaga v New York, da se posloviva, kar sem tudi storil. On je bil vodilna in gonilna sila Trockijevega umora."

Profesor Budenz je dejal, da je bil od komunistične partije določen, da postreže "Mr. Roberts" z informacijami o trockističnem gibanju v tej deželi. Na željo "Mr. Roberta" je Budenz seznanil s sovjetskimi agenti neko komunistko, ki je bila v resnici le vohunka v trockističnem gibanju. "Mr. Roberts" je nato zadevo tako uravnal, da je sestra Trockijevega tajnika odpotovala v Pariz, baje k neki trockistični seji, kjer je bila seznanjena z nekim Frankom Jacobsonom, v katerega se je zaljubila. Ta sestra Trockijevega tajnika je potem spremljala Jacobsona v Mexico City, kjer je po njenem posredovanju dobil vstop v Trockijevo hišo, kjer je Trockega ubil.

Profesor Budenz je dejal, da je šele leta 1941 dognal, da so bi-

li manevri, v katerih je sodeloval, del zarote za umor Trockega.

O dr. Rabinoviču ali "Mr. Robertsu" je Budenz dejal, da je bil zelo sposoben in inteligenten človek z dolgoletnimi izkušnjami v delu tajne policije. — Njegov poklic zdravnika mu je pomagal zakrivati njegovo vlogo tajnega agenta. — "Glavna stvar pri tem je," je rekel Budenz, "ker je dokazano, da Sovjetska zveza izrablja celo tako humanitarno organizacijo kot je Rdeči križ za svoje zločinske namene."

Skoraj tri milijone za izgradnjo vojne mornarice

V programu je predvidena tudi ladja, ki bo nosila letala za prenašanje atomskih bomb.

WASHINGTON. — Dne 14. februarja je senatni odbor za vojaške zadeve soglasno odobril predlogo za \$2,740,092,000 za dovršitev mornariškega konstrukcijskega programa, v katerem je predvidena tudi izgradnja ladje, ki bo dovolj velika, da bo služila kot letališče bombnikov za prenašanje atomskih bomb.

Medtem sta se sestala tudi skupna odbora senata in poslanske zbornice, v katerih področju je skrb za atomsko oborožitev. Sestanek je bil sklican v namenu, da se dožene, kako daleč je napredovala zadeva za gradnjo podmornice z atomsko pogonsko silo.

Uslužbenci so vršili svojo gonilno tako, da so imeli nekega človeka, ki jim je proti majhnim nagradam "punčal" njihove časovne karte.

PREDLOG O 18-LETNIH V SENATU

Odobritev predloga za vpoklic 18-letnikov, toda najprej naj se vpokliče vse ostalo razpoložljivo moštvo.

WASHINGTON. — Senatni odbor za vojne zadeve je soglasno odobril predlogo, da se vpokliče 18-letnike v vojaško službo. Vendar je odbor odredil, da se naroči nabornim komisijam, da vpokličejo najprej vse druge razpoložljive obvezance in šele potem 18-letnike.

Odbor je odobril tudi amende, ki dajejo predsedniku ali kongresu pravico odločitve, kdaj se lahko s primerno varnostjo reducira 26-mesečna vojaška služba, in zahtevo, da morajo biti vsi vpoklicanci, ne glede na njih starost, deležni vsaj 4-mesečnega vojaškega vežbanja.

Demokratski politični odbor je sklenil, da ne bo dal predloge v razpravo, dokler ne bo v senatu rešena sporna zadeva pošiljanja čet v Evropo.

Z vpoklicem 18-letnikov bi se dobilo armado, ki bi štela 3,400,000 mož.

OKRNITEV GRADBENIH POSOJIL

Na posojilo za gradnjo trgovskih poslopij se zahteva 50 odstotkov naplačila v gotovini.

WASHINGTON. — Federal Reserve Board je določil 50% naplačila v gotovini na vse gradnje novih trgovskih poslopij, uradov, hotelov in drugih nestanovanjskih stavb. Ista določba se tiče popravil, razširjanja, predelav in sprememb že obstoječih trgovskih poslopij, ako nameravana dela presegajo 15% cenilne vrednosti poslopij.

Ta naredba je postala polnočna včeraj. Njen namen je, — borba proti inflaciji z nadaljnjo restrikcijo kreditov in s štednjo materiala in delovne sile za civilno obrambo.

VOJAKI ZDR. NARODOV POBIJAJO KOMUNISTE

Ena ameriška divizija je pobila za vsakega svojega izgubljenega moža 148 komunistov. — Pobijanje se vrši vse križem Koreje.

TOKIO. — Besno se boreča ameriška divizija je izvojevala včeraj zmago nad elementi devetih kitajskih divizij, ki so si prizadevale prebiti njeno črto na centralnokorejski fronti. Zavezniški so še vedno v oblasti krajev Čipjonga in Wonju-a, ko so razbili poprej štiri udarniške sovražne divizije.

TOKIO. — Ameriške pomožne kolone, ki so prihitele z juga, so strle v četrtek tridnevno komunistično obkroženje Čipjonga na centralni korejski fronti ter zapodile komunistične oblegovalne čete v beg.

Čete Zdr. narodov pobijajo vse križem Koreje kitajske in korejske komuniste v tisočih. Samo ena ameriška divizija je pobila za vsakega svojega moža, ki ga je izgubila, 148 komunistov.

Nadaljno zmago, sicer manjšega obsega, so izvojevali zavezniški napram neki severnokorejski diviziji, ki je hotela razbiti zavezniško črto ob reki Han, okoli Seoula.

V bojih v sredo so imeli komunisti na celotni fronti 10,593 mož izgub, s čemer znašajo njihove izgube od 25. januarja, ko so zavezniški začeli svojo "omejeno ofenzivo", 96,894 mož.

Neki visok štabni častnik je v četrtek izjavil AP poročevalcu Johnu Randolphu: "Do tega trenutka je zmaga naša. Preostane nam samo, da to zmago konsolidiramo, kar upamo storiti danes. Še vedno imamo vse svoje položaje in svobodo gibanja."

Kritični trenutek tri dni trajajoče bitke je bil prekoračen v sredo, ko je zavezniško topništvo razbilo dvoje kitajskih divizij, ki sta se poizkušali izmuzniti mimo zavezniškega levega krila na fronti ob Wonju-u. Dve nadaljni diviziji sta bili razbiti okoli Čipjonga.

Visok snež v Tokiju

Tri na dan

Komunist Tone Seliščar se oglašja iz Ljubljane ter piše v Prosveti, da Ameriška Domovina siplje smrt in žveplo na njih "socialistično domovino."

Na kratko: če kdo siplje smrti in žveplo nad "socialistično domovino," potem so to njih nekdanji tovariši, katerim je dal prekrasni Janko dovoljenje, da smejo obiskati staro kontro. Kaj pa zdaj pripovedujejo o njej, Janko in drugi presneto dobro vedo, ker jih za božjo prosijo, naj vendar še nehaajo.

Pa še to! Kdo je pa spremenil in s kakšno pravico — našo staro domovino v socialistično domovino? Kdo pa vam je dal to pravico, hostarji? Ali so bile kdaj kakšne volitve za to? In kaj mečete pesek v oči, da je to "socialistična" dežela, kot vsak otrok ve, da je komunistična. Tito se venomer baha, da je komunist, torej bo tudi njegova država isto, vsaj dokler ima on besedo. Po našem mnenju je pa med socialistično in komunistično deželo velika razlika, kot noč pa dan.

Duhovnikom, redovnikom in vernikom clevelandske škofije!

Sveti Oče je razširil sveto leto, ki se je v letu 1950 praznovalo v Rimu, na ves svet in sicer tako, da se moremo okoristiti od svetega leta izven mesta Rima do 31. decembra leta 1951.

Popolni odpustek za žive ali mrtve lahko dobi vsak, kdor opravi naslednje pogoje in sicer kolikokrat to opravi, tolikokrat more dobiti popolni odpustek:

1. — Opraviti veljavno sveto spoved.

2. — Prejeti sveto obhajilo.

Svetoletna spoved in sveto obhajilo ne more veljati obenem za že drugače predpisano sveto spoved in sveto obhajilo za velikončno dobo. Sveta spoved na smrtni postelji in sveta popotnica pa velja tudi za svetoletne odpustke.

3. — Predpisani obisk cerkve velja tako, da obiščemo štiri cerkve, kakor jih škof naštevajo za celo škofijo. Škof so določili za vsak večji okoliš škofije po štiri cerkve. Obiščemo lahko katerokoli skupino štirih cerkva. Obiščemo lahko vse cerkve na en dan ali pa tudi v zaporednih dneh.

4. — V vsaki cerkvi je treba zmoliti sledeče molitve:

a. Pet Očenašev, pet Zdravih Marij in pet Čast bodi Očetu.

b. Še en Očenaš, Zdravo Marijo in Čast bodi po imenu sv. Očeta.

c. Apostolsko vero — enkrat.

č. Tri Zdrave Marije s prošnjo "Kraljica miru, prosi za nas."

d. "Pozdravljena Kraljica" (Češčena bodi Kraljica) — enkrat.

e. Svetoletna molitev, ki jo je sestavil sv. Oče. Toda ta molitev ni nujna. Tudi brez te molitve se dobijo odpustki.

Tisti, ki ne morejo obiskati predpisanih cerkva (samostanske sestre, kaznjenci v zaporih, bolniki in tisti, ki bolnikom strežijo v bolnicah, delavci, ki ne morejo zapustiti svojega dela za daljšo dobo, kdor je nad 70 let star), lahko opravijo obiske v katerikoli cerkvi ali kapeli in tam opravijo predpisane molitve.

Globoko smo hvaležni Bogu Vsemogočnemu in njegovemu Namestniku na zemlji, da nam je dal možnost pridobivanja koristi svetega leta doma. Zato molimo po namenih svetega očeta za sveto leto, to je, za mir med vsemi narodi in vsemi posamezniki, za srčnost za tiste, ki so preganjani in trpijo mučeništvo, za srečen povratak na svoje domove vsem tistim, ki so bili pregnani iz svoje domovine, medsebojno ljubezen in bratsko soglasje med vsemi sloji, za obvarovanje pravic svete cerkve pred napadi od strani njenih sovražnikov.

Bližajoči se postni čas nas spet opozarja na osnovno krščansko dolžnost "da se spokorimo in povrnemo k Bogu s tem da opravljamo spokorna dela" (ApD 26, 20). To je primeren čas, da se spomnimo na dolžnost izpolnjevanja postne postavne na dneve, ki so za to določeni in še posebno v postnem času štiridesetdanskega posta.

ZAPOVED ZDRŽNOSTI veže vse, ki so dopolnili sedmo leto. Zdržati se morajo mesa in mesne juhe vse petke celega leta.

ZAPOVED POSTA veže vse, ki so dopolnili 21. leto in še niso stopili v 60. leto. Ti se morajo postiti vse delovne dneve postnega časa, torej se smejo samo enkrat na dan nasiti. Nasiti se smejo ali pri obedu ali pri večerji. Poleg tega glavnega obeda ali večerje lahko zavžijejo še dvakrat na dan kaj malega, toda brezmesnega. Skupna množina teh dveh nepolnih jedi mora biti znatno manjša kot je množina glavnega obeda ali večerje. Vmesno uživanje hrane ni dovoljeno.

ZAPOVED POSTA IN ZDRŽNOSTI (t. j. samo enkrat na dan se nasiti in brezmesno jesti) veže vse petke in srede 40 danskega posta razen v sredo velikega tedna. Na veliko soboto samo do opoldne, vse kvaterne dneve ter na pred dneve štirih praznikov: Binkošti, Vnebovzetje Marijino, Vsi svetniki in Božič.

Po posebnem dovoljenju sv. očeta smejo **DELA VCI** jesti meso enkrat na dan in sicer pri glavnem obedu ali pri glavni večerji vse dneve posta in zdržnosti v celem letu (razen na petke, na pepelnico sredo, na veliko soboto do opoldne ter na dan pred Božičem). Vse te olajšave veljajo tudi za družino delavca.

Vsi katoličani so pod smrtnim grehom dolžni izpolnjevati te postne zapovedi, če niso jasno izvzeti od te dolžnosti. Kdor ima utemeljen vzrok, da dvomi, če je dolžan se postiti ali ne, naj vpraša za pojasnilo župnika ali spovednika ali prosi, da se mu dovoli spregled, če je za to zadosten vzrok. Vsi duhovniki, ki imajo dovoljenje v tej škofiji spovedovati, dajo lahko delen ali popoln spregled od postne dolžnosti, če je za to zadosten vzrok.

To leto je za nas kakor sveto leto: to je čas molitve in spokornosti. Zato bomo to leto še toliko bolj skušali izpolnjevati postno zapoved ne samo po črki, ampak tudi po duhu. Prostovoljno si bomo naložili dela samozatevanja in spokornosti, da bi tako odvrnili kazni, ki bičajo sedanji človeški rod.

Rotimo vernike, da ne samo, da ne hodijo k zabavam in veselicam, ampak da če je le mogoče, hodijo vsak dan k sv. maši ter pogosto prejemajo sv. zakramente, zahajajo k postnim pobožnostim ter premišlujejo trpljenje Gospodovo.

Naj bi naša goreča molitev, spokorna dela in zatajevanja v tem letu dosegla, da bi se posamezniki in vsi narodi vrnili k Bogu.

Vaš v Kristusu
EDVARD HOBAN, škof clevelandski.

Newburške novice

Enkrat vsako leto prav gotovo pridemo do takozvanih "chain letter" verižnih pisem. Bolje bi bilo reči "vražja pisma." Kadar kdo tako pismo dobi, naj ga takoj vrže v peč. Kdor pa tako pismo prepiše in pošlje naprej drugim, se pregreši, ker pospešuje praznovanje. Nekateri mislijo, da je pismo zato važno, ker je neka molitev v njem. Moliti moramo. "Molite vedno," pravi Gospod. Toda na tak način, kot silijo ta "vražja pisma," ne in zopet NE! Še enkrat rečem, kdor tako pismo dobi, pa ga potem naprej razpošilja, greši. Taka zadeva se mora omeniti pri spovedi. Bodite pametni in ne trajte časa in ne pospešujte praznovanja. S tem se pravi Marijo zasmehovati. Tako reč začnejo elementi, ki hočejo vero v Boga in molitev smešiti.

Kakor gotovo pride Svečnica vsako leto okoli, tako gotovo pride tudi brat Anton O. F. M. iz Lemonta po naročnino za Ave Maria. Tudi letos bo prišel in vas bo obiskal, da vam ne bo treba pošiljati naročnino, ampak jo boste lahko oddali kar doma. Ave Maria je dober katoliški list, ki je posebno zadnja leta postal zanimiv od nabožne in kulturne strani. Kdor ga še nima, naj si ga naroči.

Pred kakšnimi 26 leti sem opazil, da se dva naših mladih prav rada vidita.

Ko sta tedaj 3. februarja 1926 prišla prosit, naj ju zvežem, si nisem prav nič pomišljal. Zvezel sem jih in Louis Supan in Anna Jančar sta odšla kot mož in žena vesela in srečna.

Čez leto dni je Louis prišel z nasmehom v farovž in mi razodel, da so kupili deklico, katero bi radi dali krstit in lepo ime Bernadette. To je zelo ljubko ime. Takrat naši mladi še niso toliko tiščali za Galijo, Lindijo, Shirlijo, Gleni in drugimi tujimi nekrščanskimi imeni.

Nekako leto pozneje, je Louis zopet prišel, še z večjim nasmehom. Še meni se je dobro zdelo, ko je povedal, da so Ljolkca vzeli na rejo. Jančarjeva in Supanova družina sta obe rodovitni.

Louis je potem prihajal, leto za letom do treh let nazaj. Za Lojzom je prišel Pavel, po-

tem Mariann, Mercedes, August, Rose Mary (ki je že odšla v nebesa), potem Barbara, potem Ančka, in nazadnje pa Charlotte (mislim, da sem vse naštel). Bernadette je zdaj Mrs. Ludwig Lekan. Vsi drugi razen zadnje pa pohajajo v šole. Louis je na Western Reserve univerzi. Vsi otroci so v katoliških šolah vzgojeni ali pa se vzgajajo tam. In vendar Supanova družina ni bogata. Ni bogata, pa je srečna, ker preveča v nji krščanski duh, ki veli otrokom spoštovati starše, in staršem pa skrbeti s pravo ljubeznijo za dušno in telesno dobrobit otrok.

A kar sem prav za prav hotel povedati — oni dan, 3. februarja je prišla vsa Supanova družina v cerkev, da se tam pokloni in zahvali Njemu, ki jih je skozi 25 let tako obilno blagoslovljal in dajal zdravje in zastopnost.

V današnjih dneh, ko vse drvi samo za udobnostjo, ne meneč se za božje zapovedi in dušni blagor, ima Supanova družina malo tekmecev. Naj jih Bog ohrani tudi v bodoče. Na mnoga leta!

Nekdo piše, da je v morju 14,345,856,100,000,000 ton soli. Če pa hočeš brati te številke, potem reci, 14 kvadriljonov, 345 triljonov, 856 bilijonov, 100 milijonov ton. Pa so se že nekateri bali, da bo soli zmanjkalo. He, heh. Pa ne da bi zdaj ženske kar brez skrbi solile.

Nekdo sprašuje: "Kolikokrat na dan smem jesti meso v ponedeljek, torek, četrtek in soboto, če sem radi dela postal oproščen?"

Če se vam ni treba postiti, smete jesti meso na omenjene dni razen kvaterne in Veike sobote pri vsakem obedu, magari trikrat na dan. Postne srede in kvaterne srede in sobote pa enkrat — če ste postal oproščena.

Iz Rima prihaja opozor glede "lažiprikazovanj," ki se pojavljajo po večih krajih, odkar se toliko piše in govori o Marijinem prikazovanju v Fatimi in na par drugih krajih. Ali se še spominjate, kakšno dirjanje je bilo zadnje poletje v gotovi kraj v državi Wisconsin? Mi smo že takrat vzeli vlogo neverjetnega Tomaža. Tudi ondodni škof Treacy je opozarjal, da ni na tem ničesar drugega kot domišljija neke ženske. Takih slučajev je bilo več po svetu in so še danes. Cerkev je zelo oprezna in šele tedaj, ko se po temeljitih preiskovanju dožene, da je res kaj nadnaravnega, šele tedaj, ko se znanstveno dokaže, da tukaj ali tam deluje božja

moč, se izreče. Ali ni že Zvečičar sam opozarjal: "Prišli bodo krivi kristusi in krivi preproki in bodo delali znamenja..." Bodimo oprezn! Sv. Peter pravi, da še hudič zna razlagati sv. pismo po svoje in v svojo korist, ljudem pa v pogubo.

Nikar se ne čudite, če je katoliška Cerkev preganjana, obrekovana in sovražena. To je dva tisoč let stara vojna, ki jo bojuje satan proti Kristusu. Čudno, da se nič ne nauči. Tudi v Ameriki ima svoje pomagače, kateri so, zlasti v tem času, zelo aktivni. Zato zopet rečem, bodimo oprezn!

Ko sva s Father Edwinom dobila ključke za najini kabini, zgrajeni iz smrekovih hlodov, sva še malo posedela v prodajalni za spominke.

"Kam gresta? V park ali iz parka?" je dejal lastnik.

"Sva že bila v parku. Zdaj sva obrnjena na vzhod proti Minnesoti."

"A, potem vaju pa čaka kos nevarne poti. Do Billings, Montana, bosta šla po poti, ki se smatra za najbolj slikovito na vsem svetu."

"To bo pa najbrž baharija," sem pošepnil Father Edwinu, na glas pa sem vprašal: "V čem je pot tako izredna, da bi slovela kot najbolj slikovita?"

"V tem, da se vije okoli visokih gora in čez gore. Razgledi so naravnost sijajni. Prav zato pa je pot zelo nevarna in je radi tega odprta le par mesecev poleti. Čez par tednov jo bodo že zaprli, ker bo sneg zapadel in bo pot prenevarna."

"Kaj, sneg bo zapadel? Saj je danes šele deseti september."

"O tukaj to nič ne šteje. Pri nas pade sneg zgodaj. Smo zelo visoko nad morjem."

Poslovila sva se in odšla vsak v svojo kabino, kjer sva napisala nekaj razglednic, potem pa se vlegla k počitku. Mene je malo zaskrbelo glede poti. E kaj, sem končno dejal, če drugi pridejo, bova tudi midva, vsekako pa sem rekel angelu varhu, naj jutri dobro pazi na naju, zlasti na Father Edwina, ki kratko malo ni dal kolesa iz rok.

Ko se drugo jutro zbudim in pogledam skozi okno, sem kar odskočil, SNEG! Vse pokrito s snegom! Pa prav danes, ko morava voziti po najbolj nevarni poti!

Ni pomagalo nobeno premišljevanje. Drugam se tudi ni mavela, obrniti. Ali naprej, ali pa nazaj. Nazaj ne bova šla. Po malem zajtrku, sva se zelo previdno odpravila naprej proti mestu Billings, pa naj bo pot taka ali pa taka.

Ko sva obrnila na glavno cesto, sva videla, da je vozil nekdo že pred nama. Zelo previdno je vozil Father Edwin, tako previdno, da sem še jaz po malem zgubil ves strah in nervoznost. Sijajni razgledi so tudi pomagali, da sva prav kmalu pozabila na nevarnost.

Nedeljska Ligina prireditve

Cleveland, O. — Zdi se, da je potrebno še posebno pojasnilo, da je nedeljska Ligina prireditev v SND na St. Clairju v Clevelandu tako, da je v lepem skladu s postnim časom. DOMAČIJA OB VISLI je žaloigra, ki se dogaja prav v postnem času. Kaže nam družinsko življenje dokaj premožne poljske družine. To življenje je za grenko. Zavest greha — poneverba testamenta — ga kot strašna mora tlačiti k tlom. Kot svarilna postna pridiga je ves potek igre.

Vabljeni ste, da se prireditve udeležite v kar največjem številu. S tem podprete tudi Ligo

delo. Stari in novi naseljenci imajo pri takih prireditvah lepo priliko, da se srečajo s svojimi prijatelji in znanci.

Darujmo za slovensko cerkev v Torontu

Brooklyn, N. Y. — Ne bi pisala, saj sem mislila, da bo vsa stvar ostala bolj tiha, pa mi je Rev. Jakob Kolarič tako kadalil. Še pisati Vam nisem marala prej, Father Kolarič, in Vam tako povzročila toliko potov in skrbi. Oprostite! Naj križ, ki ste ga tako lepo opisali, služi Vam in vsem Slovincem v Torontu v tolažbo. V zadregi ste se obrnili na našega Father Bernarda. Prav ste naleteli, saj oni res vedo vse naše skrivnosti. Trudijo se za vsakega izmed nas, za vsakega imajo odprto srce. Koliko dobrega so storili samó "novim", ki so morali zapustiti svojo domovino, da so se rešili komunističnega nasilja. Pomagali so na vso moč, da so jih čimveč spravili preko morja v Združene države. Res dober gospod so!

Dragi rojaki, prispevajte, v kolikor le morete, za slovensko cerkev v Torontu. Koliko stvari še potrebuje. Morda ji kupite kak kip, morda kelih. Ali ne boste srečni, če se bo v Všem kelihu spreminjalo vino v sveto rešnjo kri Gospodovo? Morda lahko kupite monštranco, morda svečnike ali mašni plašč. Če se boste Vi spomnili Njega, tudi on ne bo na Vas pozabil ob uri sodbe. Dobra dela so edino, kar pojde z nami na oni svet. Mislimo vedno na to in storimo, kar je v naši moči za večjo čast božjo.

Pozdrave uredništvu Ameriške Domovine, vsem rojakom po svetu, posebno pa Rev. dr. J. Kolariču in torontskim Slovincem pošilja

Podr. št. 6 S. M. Zveze

Cleveland, Ohio. — Tretja nedelja v tem mesecu pade na 18., pa tudi seja naše podružnice bo tisti dan. Seja se prične šele ob 1:30 pop. To omenjam samo zato, da bodo tudi drugi vedeli, da se ob takih prilikah radi shajamo v teh časih, ko je vse tako pusto in dolgotrajno. Vse prilike porabimo, da se malo razvedrimo, med seboj pogovorimo in tudi kakšno novo uganemo. To sejo pa še posebno; bomo tako naredili, da bomo po seji še kaj jedli. Pa morda bo tudi kakšen kozareček v kotu? Ne da bi vabil, le mimogrede omenjam, ker vem, da vsi že težko čakate, da se v bratski družbi malo prezračimo. Ko nas bo pa gorko sonce začelo obsevati, bomo pa že kaj drugače uganili.

Mraz pa smo imeli tukaj, da nikoli tega. Mi, starejši naseljenci še ne pomnimo takega mraza tukaj. Brrr... Naš vsakdanji opravke je zdaj: v hlev in nazaj k peči. No, drug mesec bo že sušec in z njim pride pomlad. Ampak do takrat je pa

lahko še prav pošalensko mraz. Pozdrav vsem skupaj, Lud. Perushek, zast.

—Do pred nekaj leti so izdelavali steklo za okna na ta način, da so najprej naredili steklene valje, nato pa jih razrezali in stegnili v velike plošče. Zdaj pa delajo obratno. Najprej izdelajo plošče, ki jih potem po potrebi krivijo. To krivljenje stekla za izločena okna in slične potrebe je pridobitev najnovejše dobe.

CIGANKA ZALKA

(NOVELA)

Starec se je za Zalko vse bolj in bolj zanimal. Da, prišlo je tako daleč, da mu je že bilo hudo, da ne more dati svojega privoljenja.

Po kosilu sta prijatelja odšla na vrt. Komaj sta bila zunaj, sta pa tudi zagledala Hermana, ki je preko rame prihajal po cesti.

Župnik je stopil do žive meje in je mladega gozdarja prijazno pozdravil. Kakor so zdaj stvari, je bil položaj precej mučen; tega si nista prikrivala ne nadgozdar ne njegov prijatelj. Zalka v hiši, Herman z očetom tu, tukaj — skoraj bi si kdo mogel misliti, da jih je kdo namera spravil skupaj.

Nadgozdar je bil odkrite in iskrene narave, zato je takoj sklenil, da spravi vse reči v pravi tir.

"Herman," je dejal, "če ti je prav in nisi preveč truden, bova šla takoj domov."

"No, zakaj pa spet to?" se je začudil župnik.

"Le pusti mi mojo voljo, stari prijatelj. Herman me bo gotovo razumel, če mu povem, da je po nekem . . . slučaju . . . Zalka v tej hiši in bi nam bilo vsem mučno, če bi se srečali."

Seveda se je tudi Herman začudil, da je njegova ljubica tukaj; vendar pa se mu z odhodom še malo tako ni mudilo ko njegovemu očetu.

"O, sta torej le že govorila o nji?" je vprašal. "Gospod župnik, vas sem hotel še posebej prositi, da bi mojemu očetu povedali, kako zelo je Zalka vredna ljubezni vsakega poštenega moža."

Nadgozdarju se je celo stemnilo in povedil je oči, župnik pa je bil v veliki zadregi. Zelo rad bi se potegnil za sina in bi se na kak način tudi mogel, vendar pa je moral vpoštevati tudi očetove razloge.

Herman je hitro spoznal, da njegove ljubezni še zdaj ne sprejemata ugodno. Šlo pa je zdaj za njegovo najdražje na svetu, zato se je hotel boriti do kraja. "Oče, proti tvoji volji ne bom ravnal; vendar pa mi dovoli, da ti prej nekaj povem, kar bo podrla tvoj najvažnejši ugovor zoper mojo zvezo z Zalko."

Nadgozdar ga je živahno pogledal. Saj bi bil tudi sam srečen, če bi mogel reči "da". "Pravkar sem bil pri ciganki Leni," je začel Herman. "Ta pot zame ni bila lahka. Hotel sem jo pregovoriti, naj bi se od Zalka ločila; seveda bi jaz v ta namen ne vem kaj žrtvoval."

"No, kaj pa ona?" "Zelo mi je olajšala posel in je takoj razumela, kaj hočem. Še na misel ji ne prihaja, da bi živela skupaj z Zalko, je dejala; saj sama vidi, da bi to bilo neprimerno; je že sama napravila svoje načrte, ki si jih ne da prekrizati od nikogar. In ti načrti so taki, da na noben način ne ite z Zalko."

Prijatelja sta si oba globoko oddahnila. Nadgozdar je pogledal župnika, ta pa je tudi zrl vanj, kakor bi ga hotel vprašati: "No, imaš zdaj še kak pomislek?"

Zdaj se je tudi staremu nadgozdarju obličje razjasnilo in vzkliknil je: "Pa naj bo v božjem imenu! Herman, dajem ti svoje privoljenje in blagoslov. Naj ti še Bog daje svojega!"

"Oče, oče, ali prav slišim: ti mi dovoljuješ?" je vzkliknil Herman in se vrgel vrlemo možu na prsi.

"Ali morem ravnati drugače? Tebi ne morem nobene reči odreči, tvoja čarovnica pa mi je tudi pri pričji vžgala staro glavo."

"Potemtakem vendarle ni bil samo slučaj, šmetlin!" je dejal častitljivi župnik in bil globoko ginjen. "Torej je tudi v tem

slučaju bila božja previdnost." Herman se je že obrnil, da čim prej pove svoji ljubljenci veselo novico, a mu je že oče krepko zaklical: "Stoj!"

"Se vama tako zelo mudi? Bi rad videl, da tvoje dekle pride kar naravnost v raj? Ne bo nič! Jo pa le hočem prej še dobro preskusiti. Začarala me je, zato hočem tudi jaz njo. Kaj pa ti praviš, stari prijatelj?"

"Bodi ji milostljiv, šmetlin!" ga je poprosil župnik. "Kar tiho bodi, ti teh reči ne razumeš. Kakor nalašč sama prihaja semkaj . . . Zdaj pa, gospod gozdar, lepo pridno ubogajte, prosim!"

Zalka se je približala župniku, da bi mu nekaj sporočila, in še slutila ni, kaj jo čaka. Zagledala pa je Hermana in lepo lice ji je zalila izdajalska rdečica; komaj si je upala ljubemu prikimati vpricho drugih.

"Kaj pa ima, dekle, zakaj si tako zardela?" je vprašal nadgozdar osorno. "Hej, poglej mi v oči in povej, kdo sem! In pazi, da se ne zmotiš!"

Zalka se je ozrla v robatega moža s svojimi lepimi rjavimi očmi, potem pa dejala: "Ne poznam vas, gospod."

"Aha, ne poznaš me. Ali pa tudi tegale tukaj ne poznaš, kaj?"

"Pač, njega poznam," je odgovorila Zalka plaho.

"Tako torej, njega poznaš? Glej, sem njegov oče in bi te rad vprašal, zakaj si mu zmešala glavo. Se kaj takega spodobi, kaj praviš?"

Zalka se je v strahu zdržnila, ko je tako nepričakovano stala strašnemu očetu svojega fanta nasproti. Njegove zadnje besede pa so ji spet vžgale njen pogum.

"Oprostite, gospod nadgozdar . . . če že morate rabiti hude besede, le kar tako naprej; saj beseda ni konj. Da, moram priznati: jaz sem vsemu kriva; vendar pa mu nisem mešala glavo. Prav gotovo tega nisem nameravala. Vidite, srečala sva se v gozdu, ne da bi to hotela; kako je do tega prišlo, sama ne vem. Potem . . . potem pa . . ."

"Potem pa sem jaz Zalki povedal, da jo imam rad," je vkinil Herman, da bi trpinčenemu dekletu priskočil na pomoč.

"Ti fant, kar lepo tiho bodi!" je zagrmel starec. "Dekle, ti imaš besedo."

"Da, potem je slučaj tako nanesel, da sva se še večkrat srečala."

"Pa spet, ne da bi hotela, kaj?"

"Prve kratke, potem pa ne več. Kmalu sva namreč spoznala, da se imava rada, zato sem se mu rajši izogibala."

"Zakaj si se mu izogibala?" je napeto vprašal nadgozdar.

"Glejte, gospod, čutila sem, da ga imam zelo rada, da mi je postal ljubši ko vse drugo na svetu. Hotela sem se ga ogibati, ker je bilo to najbolje. Saj kaj bi komu koristilo, da jaz, ciganka Zalka, ljubim gospoda gozdarja? Ljubezen pa sem pridržala v srcu, nikomur je nisem razodela in je tudi nikomur ne bi bila, četudi on zanj ne bi nikoli izvedel."

Dobri gozdar se je imel za bolj močnega, nego je v resnici bil. Zelo se je moral premagovati, da ni pokazal, kako zelo je ginjen.

"Torej sama uvidiš, da o poroki med vama ni mogoče govoriti? . . . Herman pa lahko stori, kar hoče; lahko te tudi vzame. Jaz svojega privoljenja ne dam, ti pa ga le vzemi, če se ti tako zdi prav."

Velike Lašče v znamenju srpa in kladiva

(Nadaljevanje)

S tem je pojasnjena vsa krivda teh 60, kruto pomorjenih ljudi! Kot verni in poštene ljudje niso mogli po svoji vesti iti s komunizmom. Spoznali so veliko nesrečo, ki jo prinaša komunizem narodom, kjer pride do oblasti; iz ljubezni do Boga in naroda so odklanjali komunizem, za to morali v smrt!

Drug množični pokolj v Velikih Laščah

Po zlomu Italije so prevzeli v roke oblast Nemci tudi v takozvani "Ljubljanski pokrajini." Da zavarujejo svoje zveze s fronto v Italiji in na Balkanu, so priredili pozno v jeseni 1943 nekako ofenzivo ali pogon za komunističnimi tolpmi, ki so po zlomu Italije svobodno izvrševale teror po Dolenjskem in Notranjskem. Ta ofenziva je bila zopet podobna pesem kot pri Italijanih. Komuniste so preganjali Nemci, ki so bili sovražniki slovenskega naroda in so to priliko porabili, da so pobijali nedolžno prebivalstvo in požigali slovenske vasi. Pobitih je bilo več nedolžnih kot pa komunistov!

Nemcem ni bilo mar, kaj se godi po deželi, če komunisti ropajo in more! Tudi sedaj, kakor prej pod Italijani, je prebivalstvo jasno videlo, da okupator ne bo skrbel za mir in red ter varnost življenj, če si sami ljudje tega ne bodo zavarovali z orožjem. Ni bilo drugega izhoda, ali umreti pod komunističnimi krvniki, ali se izseliti, ali pa prijeti za orožje in se braniti pred morilci!

Nemška ofenziva je to dosegla, da so se v morju komunistične poplave mogle ustanoviti

vsaj v nekaterih krajih domobranske postojanke, kamor so se mogli zateči oni, katerih življenje je bilo ogroženo po komunistih.

Tako se je v naglici ustanovila tudi v Velikih Laščah domobranska postojanka, ki je štela kakih 150 lahko oboroženih in slabo izvežbanih domobrancev, med katerimi so bili nekateri, ki so sploh prvič imeli puško v rokah.

Partizani so se pred nemško ofenzivo poskrili. Ko so se pa umaknili nemški vojaki, so se pa zopet opomogli od prestanega strahu in se pričeli zbirati ter napadati domobranske postojanke. 2. decembra so z veliko premočjo napadli nezavarovano in nepripravljeno in komaj dobro ustanovljeno postojanko v Velikih Laščah. Ker so domobranci vedeli, da postojanke ne bodo mogli držati, so se skušali umakniti proti Ljubljani. 80 mož od postojanke se je prebilo skozi partizane in se rešilo. Drugi pa, ki niso tvegali tega, so se poskrili rajše po Velikih Laščah.

Partizani so udrli v trg. Ranjence so najprej sicer obvezali, nato pa pa čez nekaj ur vse na njih ležiščih postrelili. Ostale, ki so se skrili, so razen enega vse naenkrat in vse takoj postrelili. Le eden, ki se je ranjen zavlekel v liko porabili, da so pobijali nedolžno prebivalstvo in požigali slovenske vasi. Pobitih je bilo več nedolžnih kot pa komunistov!

Tudi odlični župan Paternost Ivan je tisto strašno noč izgubil. Nobenega sledu ni bilo več o njem! Isti večer so zajeli tudi občinskega tajnika Stojana Plantariča in ga dva dni kasneje na Polici nad Višnjo goro ustrelili.

Ko so ljudje po groze polni noči 3. decembra prihajali polagoma iz hiš, so se jim nudili strašni prizori. Povsod so ležali mrličji. Tudi na cerkvenem pragu so ležali trije mrtvi domobranci v mlaki krvi. Vseh žrtev je bilo nad 60! Okrog 5 jih je

padlo v boju, vse druge so komunisti kasneje postrelili!

Toda komunističnemu besu vse to še ni bilo dovolj. Naslednji dan so zažgali še poslopje, v katerem je bila sodnja in občinska, nadalje poslopje, kjer je bila na daleč okrog znana gostilna "Vatikan," šolsko poslopje pri cerkvi in državno skladišče ali silos pri kolodvoru.

Vsa ta tragedija se je izvršila v noči na prvi petek v decembru 1943. Bilo je namreč splošno znano dejstvo, da komunisti najraje napadajo domobranske postojanke zvečer pred prvim petkom v mesecu. Med okupacije je slovensko ljudstvo prihajalo v velikem številu k spovedi in k sv. obhajilu na prve petke v mesecu. Tudi tisti prvi petek so prihajali zjutraj mnogi župljani iz zunanjih vasi v Velike Lašče k zakramentom, pa so se z grozo vračali nazaj, ko so videli po cestah polno mrličev, v trgu mesto domobrancev komuniste in cerkev zaklenjeno, da ne bi bila oskrunjena.

Župan Paternost.

Preko 500 mladih življenj je uničila kmunistična blazna obsedenost v občini Velike Lašče in med temi je bil tudi odlični župan Ivan Paternost!

Ivan Paternost je bil pravzaprav Amerikanec po rojstvu. Rojen je bil namreč pred 50 leti v Pueblu v Colorado. Ko je bil pokojni komaj 4 leta star, so se starši vrnili domov v Gornje Retje pri Velikih Laščah. Iz Amerike je prinesel Paternost ime "Žan," ki ga je dobil tu pri krstu in ki se ga je držalo celo življenje.

Njegovi starši so imeli v Gornjih Retjah, v prijazno vasi nad železnico Ljubljana — Kočevje, manjše posestvo. Tam je v skromnih, toda zdravih razmerah, v družbi treh sestra, ki so zdaj vse redovnice in treh bratov rastle mladi Žan. Že v svoji šolski dobi je kazal veliko veselje do knjig in željo po izobrazbi.

Patrola je zajela vjetnike. — Sgt. Thos. Jefferson iz Alexandrije, Va., čuva dva izmed desetih ujetnikov, ki jih je zajela patrola na izvidniškem pohodu v okolici Wonju. Ujetniki trdijo, da so jih komunisti nasilno mobilizirali.

Največji rožni venec. — Člani Young People's Cluba pri cerkvi Sv. družine v Cincinnatiju molijo na rožni venec, ki ga prav lahko smatramo za največjega na svetu. Jagode so pripravljene iz trdega lesa. Poklonil jih je v ta namen neki mož, ki je kupil 30.000 lesenih krogel iz vladnih skladišč, pa ni vedel, za kaj naj bi jih uporabil. Rev. Alfred Powers od cerkve Sv. družine je prišel na misel, da bi se dale lesene kroglice porabiti za rožni venec. Vsak član drži eno jagodo.

Charles Dickens:

Velika pričakovanja

Na nekem vogalu so stali trije moški in dve ženski; ena od žensk je jokala v svoj umazani šal, druga pa jo je tolažila, jo ogrnila s svojim šalom in rekla: "Jaggers z njim drži, Melia, in kaj hočeš še več?" Ko sem postopal tam okoli, je v slepo ulico prišel tudi majhen Jud zardelih oči, z njim pa še drug majhen Jud, katerega je nekam poslal s posebnim naročilom. Ko je sel odšel, je ta Jud, očitno zelo razburljiv človek, od zaskrbljenosti menceal pod svetilko in kakor na trnju mrmral: "O Jaggers, Jaggers, Jaggers! Vsi drugi so šušmarji, dajte mi Jaggersa!" Vse to je pričalo, kako priljubljen je moj varuh; to je name napravilo močan vtis, da sem ga vedno bolj občudoval.

Ko sem čez nekaj časa še gledal iz slepe ulice v Little Britain, sem zazrl Mr. Jaggersa, kako stopa čez cesto naravnost proti meni. Istočasno pa so ga zagledali tudi vsi drugi, ki so nanj čakali, in so zdaj kar planili proti njemu. Mr. Jaggers mi je položil roko na ramo, ne da bi mi kaj rekel; in ko sva korakala vstric, je govoril svojim ljudem, ki so mu sledili.

Najprej je vzel na piko oba skrivnostna moza.

"Vama nimam nič povedati," je dejal Mr. Jaggers in sunil s prstom proti njima. "Ne maram vedeti več, kakor že vem. Uspeh je čisto negotov. Saj sem vama že prvič povedal, da bo tako. Sta plačala pri Wemmicku?"

"Davi sva zbrala denar, gospod," je ponižno dejal eden od njiju, medtem ko je drugi skušal razbrati Mr. Jaggersa obraz.

"Nisem vas vprašal, kdaj sta ga zbrala, kje sta ga ali če ga sploh sta. Ga je Wemmick prevzel?"

"Da, gospod," sta odgovorila oba hkrati.

"Prav. Zdaj lahko odideta. Ne, nočem slišati nobene besede več!" je rekel Mr. Jaggers in zamahnil z roko, naj se odstranita. "Če mi rečeta še eno besedo, bom vajino zadevo odklonil."

"Misliha sva, Mr. Jaggers — je dejal eden in se odril.

"Saj sem vama povedal, da ravno tega ne smeta," je dejal Mr. Jaggers. "Vidva sta mislila! Jaz mislim namesto vaju, to naj vama zadostuje. Če vaju bom potreboval, vaju bom že znal poiskati, ne maram, da bi vidva lazila za menoj. Zdaj pa mir z besedi."

Možaka sta se spogledala, ko jima je Mr. Jaggers še enkrat pomignil, naj se odstranita, in sta ponižno ostala zadržani.

"Zdaj pa vi!" se je Mr. Jaggers na mah ustavil in se obrnil proti ženskama v šalih, in so se moški krotko odmaknili od njiju. — "O! Amelija, ali ne?"

"Da, Mr. Jaggers." "Ali se pa tudi zavedate," je spet dejal Mr. Jaggers, "da b danes ne bili tu in ne bi mogli biti, če bi mene ne bilo?"

"O da, gospod!" sta vzkliznili obe hkrati. "Bog vas blagoslovi, gospod, kako dobro se tega zavedava!"

"Čemu pa potem hodita sem-kaj?"

"Zaradi mojega Billa, gospod!" je jokaje rekla prva.

Slišite, nekaj vam bom povedal! Enkrat za vselej. Če se ne veste, da je vaš Bili v dobrih rokah, pa to vem jaz. In če me še enkrat pridete nadlegovat s tem Billom, bom vas in vašega Billa kot strašilen zgled pustil na cedilu. Ste plačali Wemmicka?"

"Kajpada, gospod! Vse do vi-narja!"

"Potem je vse v redu. Svoje dolžnost ste izpolnili. Zdaj pa recite samo eno besedo še — eno samo besedico — in Wem-

mick vam da denar nazaj."

Ob tej strašni grožnji sta se ženski takoj umaknili. Zdaj je ostal samo še razburljiv Jud, ki je že doslej večkrat dvignil škric Mr. Jaggersove obleke k ustnicam.

"Dragi Mr. Jaggers. Lastni brat Abrahama Lazarja."

"Kdo je to?" je vprašal Mr. Jaggers. "In pustite mojo suknjo pri miru!"

Prosilec je še enkrat poljubil rob obleke, preden jo je izpustil, in dejal: "Abraham Lazar, ki so ga osumili zaradi srebrnega pribora."

"Prišli ste prepozno. Ta reč je že opravljena."

"Nebeški oče, Mr. Jaggers," je kriknil moj razdražljivi znanec in prebledel. "Pa menda vsaj niste nasprotnik Abrahama Lazarja!"

"Da, sem, in zdaj mir besedi! Pojdite svojo pot in mene pustite!"

"Mr. Jaggers! Samo pol trenutka! Moj bratanec je pravkar šel k Mr. Wemmicku in mu bo ponudil kakršne pogoje hočete. Mr. Jaggers! Samo pol četrtinke trenutka! Ako bi hoteli biti tako dobri in se dati odkupiti od nasprotnih strank — za kakršno ceno koli — denar ne igra vloge! — Mr. Jaggers! Mister —!"

Moj varuh se je otesel prošnjika z vzvišeno brezbriznostjo, ta pa je še naprej plesal po hodniku, kakor da je na razbejenem železu. Ne da bi še kdo ustavil, sva prišla v urad ter am našla pisarja in moža v žanetu in kučmi.

"Čaka vas Mike," je dejal pisar, vstal in se zaupno približal Mr. Jaggersu.

"Oho!" je rekel Mr. Jaggers in se obrnil k možu, ko si je ta pulil las iz srede čela, podoben Bullu v Cock Robinu, ki vleče za vrv pri zvoncu. "Vaš moza-k pride ta popoldan, ne?"

"Da, Mr. Jaggers," je odgovoril Mike, kakor da bi bil prehlajen, "dolgo sem iskal takega, da bo za rabo, preden sem ga našel."

"Na kaj hoče priseči?"

"Dejal bi, Mr. Jaggers," si je Mike to pot obrisal nos s kučmo, "da priseže na kar hočete."

Mr. Jaggers se je na mah strašno ujezil. "Že prej sem vas svaril," je rekel in proti preplašenemu možu sunil s prstom, "da vas napravim za strašilen zgled, ako si boste drznili na tem kraju tako govoriti. Vražji potepuh, kako si upate kaj takega reči meni?"

Prosilec se je zdel prestrašen, pa tudi začuden, kakor da se ne zaveda, da bi bil rekel kaj napakega.

"Mevža!" je dejal pisar polglasno in ga dregnil s komolcem. "Butecl! Vam je treba čvekati take reči?"

"Vprašam vas torej, bedak trapasti," je rekel moj varuh zelo osorno, "vprašam vas še enkrat in zadnjikrat: Na kaj želi priseči človek, ki ste ga pripeljali semkaj?"

Mike je pogledal mojega varuha, kakor da mu hoče z obraza

razbrati odgovor, in je počasi odgovoril: "Kakšnega značaja da je obtoženec, ali pa, da je bil v njegovi družbi in se tisti večer ni ganil od njega."

"Zdaj pa pazite: Kakšnemu stanu pripada ta vaš človek?"

Mike je pogledal svojo kučmo, pogledal na tla, pogledal proti stropu, pogledal pisarja in pogledal celo mene, potem šele je začel nemirno odgovarjati: "Oblekli smo ga kot —" ko ga je moj varuh ostro prekinil:

"Kaj? Ali bi me radi, bi me?"

"Butecl!" ga je spet dregnil pisar.)

Mike je še malo nemirno menceal, nato pa se mu je posvetilo in je dejal:

"Oblečen je kakor spoštovana vredna kuhar. Neke vrste slaščičar."

"Je prišel z vami?" je vprašal moj varuh.

"Sedi nekje na stopnicah okrog vogala."

"Naj gre z vami mimo tegale okna, da ga vidim."

Pokazal je na okno v pisarni. Vsi trije smo stopili tja in gledali skozi zaveso iz žice. In že smo videli našega klienta, ki je kakor slučajno spremljal velikega človeka z morilskim obrazom v kratkem suknjiču iz platna in z belo kapo. Nedolžni slaščičar je bil vse prej kot trezen, pod očesom pa je imel

buško v zelenem stanju, le da so mu jo bili belo preslikali.

"Recite mu, naj takoj odstrani to pričlo," je dejal moj varuh pisarju z največjim gnusom, "in ga vprašajte, kaj vendar misli, da mi vlačí semkaj take pričle."

Moj varuh me je zdaj peljal v svojo sobo. Stojte je kosil iz škatlje s prigrizki in iz žepne steklenice šerijo (jedel je tako, kakor da bo še prigrizke nahljil.) Obenem pa mi je pravil, kaj vse je zame ukrenil. Šel bom v Barnardovo gostilno v sobo mladega Mr. Pocketa, kamor je že dal prinesiti zame posteljo. Z mladim Mr. Pocketom bom ostal do ponedeljka. V ponedeljek pa me bo ta peljal v hišo svojega očeta na obisk, da se prepričam, ali mi bo všeč. Povedal mi je tudi, koliko bodo znašali moji mesečni prejemki bili so kar zares obilni — potem pa je iz nekega predala vzel seznam trgovcev, pri katerih si lahko kupujem vsakovrstno obleko in vse drugo, kar bom po pameti potreboval. "Spoznali boste, Mr. Pip, da imate čedne dohodke," mi je dejal varuh, čigar steklenica šerija je dišala, kakor da bi bila cel sod, kadar se je v naglici pokrepčal. "Jaz bom pa na ta način lahko nadzoroval vaše izdatke in vam priskočil na pomoč, če bi bilo kdaj premalo. Kajpada jo boste kdaj polomili, a ta ne bo moja krivda."

Summer Comes Early To Cleveland

The 1951 edition of the annual Cleveland Home and Flower Show, at Public Hall February 24 through March 4, promises to be even more spectacular than any of the previous Shows.

Here is an artist's conception of the appearance of the Main Arena which will be transformed into a mid-summer floral garden scene. The entire stage end of the vast hall will be woodland vista with a thirty-foot waterfall and large pool against an evergreen and flowering shrub background.

Ten or more practical flower gardens will be created by growers of this area in popular competition with the many floral arrangements and displays.

Last year's Cleveland Home and Flower Show attracted more than 200,000 visitors from all over the middle west and an even greater attendance is expected this year.

All space in Cleveland Public Hall, 195,000 square feet, will be occupied by exhibits of home and garden equipment, appliances, and all of the things that go to make up the modern home and its setting. Three full-sized houses will be built indoors in the Homeland Section of the Show.

CONDENSED NEWS FROM OUR HOME FRONT

Cleveland, Ohio

The well-known Frank Jagodnik, Jr., of 15226 Holmes Ave., has safely undergone an operation at Doctors' Hospital. We wish him a speedy recovery.

Father and son saw each other for the first time in 20 years with the arrival last week of Jos. Jalovec, Jr., at the home of his father, Joe Jalovec, Sr., on Glass Ave. Joseph, Jr., was born in America but in 1929 the family went to Yugoslavia and the following year Joe, Sr. came back to America alone.

Duluth, Minn. — Recupercating at Saint Mary's Hospital are George Rogina and Math Mihalovich, both of Gilbert, Minn. We wish them a speedy recovery!

Los Angeles, Calif. — Thos. R. Anderson won a divorce after testifying that his wife not only addressed him as "You fool," but taught their parrot to say it, too.

Rochester, N. Y. — Private John B. Smart, home on furlough, signed a telegram that reported him missing in action in Korea. Sometimes the war news is greatly exaggerated.

Camden, N. J. — The Courier reported that "the value of stolen property in the township (Pennsauken) during the year (1950) was \$35,348, while Pennsauken police recovered \$44,608."

Chicago, Ill. — After feeding without charge the cops and firemen who were battling a blaze near his restaurant, Al Lee found a parking ticket on his car.

Pekin, Ill. — Somebody filched a 300-lb. tombstone from the Abel Vault & Monument Co. You'd probably call this "grand larceny."

Kansas City, Kans. — James Baker and Howard L. Hatfield were arrested for speeding while hurrying to a police station to post bond for a speeder friend.

San Pablo, Calif. — City Councilmen Ernest L. Wampler and Palmer S. Myhre signed petitions that would put their recall from office up for voting.

Detroit, Michigan. — Three wives filed non-support suits against their husbands, all 3 of whom, the complaining women testified, had gone off with the one and same woman — a Mrs. Lorraine Brandon.

Syracuse, N. Y. — While an usher was looking for an extinguisher to quench a fire in a wastebasket, movie goers put out the flames with artificial orange juice from an automatic drink dispenser.

Seattle, Wash. — Theodore F. Sharp, humiliated by the petty charge of drunkenness, protested to the police: "Why, I am more important than that. The FBI is after me."

Dallas, Tex. — When the porter at a motel awakened one of the guests at 6 a.m., as requested, the guest got up, followed the porter to the office, pulled out an automatic, drove away with the night's receipts.

Toledo, O. — George Welch does not feel too vexed about the loss of \$80 worth of clothing to a burglar. In his basement, he found a gold watch and chain and a \$200 diamond ring, which the thief had apparently dropped.

Waterloo, Ia. — Ernest Voy, in court because he took a pair of gloves from a Waterloo store, told Municipal Judge George J. Sager why he did it. Voy said the store failed to reward him after he turned in a shop-lifter. Voy got 7 days for petty larceny.

Salt Lake City, Utah. — Mrs. Alice Beverly is worried about her pet cat. The animal seems to have developed a "sympathetic strain." Instead of keeping the Beverly home free of mice, the cat goes hunting for field mice and carts them into the house to set them free. "My home is teeming with them," Mrs. Beverly said.

Houston, Texas. — A youth was ready to enlist in the Navy when he learned that \$40 would be taken from his check every month for his wife. He grabbed his hat and started for the door. "Where are you going?" asked the recruiting officer. "Don't you still want to enlist. 'Yes' the recruit answered, 'but I'm going to get a divorce first.'"

Danville, Ill. — Mrs. Ruby Pridemore, 33, was annoyed when her husband declined to battle a man who made an insulting remark to her in a tavern. His lack of chivalry so angered her that she hit him on the head with a beer bottle. The fine was \$5.

Mr. and Mrs. John Kocovar of Chicago, Ill., were in Cleveland last week to attend the funeral of Andrew Slogar, who was a brother of Mrs. John Kocovar.

Home from Florida is Mr. John Potokar, owner of the Double Eagle Bottling Co. While in Florida, he stayed with Mr. and Mrs. Frank Modrian in Tampa, Fla.

Albert Martic of 1562 E. 45 St., has safely undergone an operation in St. Luke's Hospital. We wish him a speedy recovery!

Mary Jane of 473 E. 142 St., went to Mt. Sinai Hospital for an operation. We wish her a speedy recovery!

Dorothy Lokar, wife of Rudy Lokar, a daughter of the Znidarsic family, 6617 Schaefer Ave., is recuperating at home after a major operation.

Urges Gov. Lausche For President

Columbus — Members of the Ohio Legislature returned for a final splurge of bill-offering in the House to find a Lausche-for-president drive under way.

Representative Robert W. Reider (D-Ottawa), weekly newspaper publisher, launched what he termed a one-man campaign to send three-term Governor Fr. J. Lausche to the White House in the 1952 election.

The vehicle was a signed page-one editorial in a special "Capitol edition" of his Ottawa County News.

Left for Service

On Feb. 5th, Jacob J. Zeleznik, son of Jacob and Rose Zeleznik of 1075 E. 68 St., left for the service of Uncle Sam. Good luck and a safe return!

Easter Seal Drive

Nearly two million Ohio families will receive Easter Seals thru the mail in a week or so, Chas. J. Starkey, president of The Ohio Society for Crippled Children, announced today. The seals will be accompanied by an appeal for funds to help crippled children and adults "lead more normal, useful lives."

Held annually the month preceding Easter Sunday, the 1951 nationwide drive opens Feb. 25th and continues thru Mar. 25th. It is sponsored by the National Society for Crippled Children and Adults, and affiliated units in all states.

Last year, the societies for crippled children and cooperating units spent more than \$378,000 in Ohio to provide some sixty different types of service. The major portion of funds came from Easter Seals augmented by redemption of sales tax stamps, memberships and special gifts.

The Ohio Society for Crippled Children was founded in 1919 at Elyria by the late Edgar F. "Daddy" Allen. Today, 70 affiliated county units in Ohio provide direct services to disabled persons in their areas.

THE EUCLID SCENE

By MICHAEL BOICH

Prices of potatoes and gelatin desserts served in Euclid schools cafeterias drew fire Monday night from the Parent-Teacher Associations. A delegation of PTA members told the Euclid School Board they objected to the price of 8 cents a dish for potatoes, which they received by the schools as government surplus food. They said gelatin also cost 8 cents a dish, while a package of the dessert mix cost only 8 cents in the stores and could serve 6 people. They argued that the school cafeterias are not to make a profit on school children but to break even.

Before the Euclid Zoning Board this week is a 115-suite apartment project on the south side of Euclid Ave., near E. 250th St., costing \$1,250,000. There will be 32 apartment buildings with 4½ and 5-rm suites. This lay-out will cover 10 acres of ground.

This and That from Washington

By Congressman Frances P. Bolton

FIRST let me thank the many of you who have written me your thinking on the possible drafting of our 18 year old lads. I hope the writing has eased the burden on your hearts, even as it has given me a sense of contact that helps as I try to weigh this from all sides, as I do other critical problems.

Mrs. Bolton

Because of the tremendous volume of your letters I am asking you to let me use this medium of my Weekly News Letter to answer you.

No longer can we refuse to face the cold facts that because of our unreadiness the situation we face is grave, nor is it one that will be brought speedily to a conclusion. We must therefore, use both judgment and wisdom as we gird up our loins and set ourselves for the long pull. Were it an emergency that could be overcome by pouring in a tremendous strength in a short moment, then there would perhaps be every reason to dip way down into our young man power with little counting of cost. But this is not our case. We must meet an emergency, yes, but we must settle in for a period the length of which cannot be foretold. These youngsters are our future strength—dare we turn it into a military channel at this point? To me this would be great unwisdom, it would be action without foresight, which would lead

us into even more difficult situations later on.

I think we have a right to insist that before such a drastic step be taken the Army revamp itself. Let it take inventory and make a proper job analysis, that every conceivable job short of combat be filled by men who have been grouped as 4-F, by men who are partially disabled, by women enlisted "to relieve men for combat." We have a right also to insist that the Army make more efficient use of the men it must retain. When we know all this has been done, then and only then should we be asked to cut so deeply into our future generation.

My own sons are far beyond their teens, but I have not forgotten those years, and I can assure you an understanding of the anxieties your letters reflect. At the moment I see no justification for drafting lads of 18. There might be a way of taking them at 18½, as has been suggested by many, for training only, until they become 19. Then, if the need is still upon us, combat training at that point—but not at 18!

Legislatively the Army's proposed 18 year draft is only in the hearing stage. It will have to be justified before the Armed Services Committees of both House and Senate. The Committees will write the Bills finally presented to the Congress for consideration. Even at this point changes will be possible through amendment. At the moment, although there is sentiment for an 18 year old draft, my judgment is that a very substantial group, in the House at least, feel as I do—that 18 is too young, that we must not squander the only real riches we, as a nation, possess: our youth.

Pope Asks Children to Aid Needy

Rome — (RNS)—An appeal to American Roman Catholic school children to help the orphaned and needy children of the world was made by Pope Pius XII in his third annual Lenten message to them.

Declaring that in many parts of Europe and Asia, children are weeping and dying before their time, Pope Pius said:

"Perhaps you will give up some sweets and pleasures so that you can fill the mite boxes more quickly; or even you will do without some comfort and added finery you expected to have, so that a shivering child may have at least a warm dress."

The Pope's appeal was embodied in a recorded address which will be broadcast to the United States during Lent. He especially asked the American children to contribute toward the "Bishops' Fund for Children" which is being sponsored by the National Catholic Welfare Conference thru its War Relief Services.

The child-aid fund is supplementary to a drive being sponsored by the American hierarchy's Emergency Relief Committee for 1951 to raise \$5,000,000 for overseas relief. Some 2,000,000 parochial school children throughout the United States were expected to take part in the relief campaign during the Lenten season.

Red Cross Campaign Starts Soon

Due to the international situation, the year 1951 is destined to be a period of great uncertainty. The armed forces are steadily increasing, war is raging and threatens to spread, possibly to our own shores. The Red Cross, as always, is on the job in these dangerous times. Its "Mobilize for Defense" campaign, March 1-17, is a call for \$85,000,000 to keep its vital services in operation. The people of Greater Cleveland are asked to contribute \$1,182,240 as their share in the goal. The local chapter will retain \$569,540. The remainder, \$613,700, will be sent to National Headquarters for national and international activities. Of this amount, \$235,000 will be expended locally for the installation and operation of the Regional Blood Center to be located in Cleveland.

The Chairman of the local 1951 drive is James A. Foltz, Business Manager of the Cleveland Press. Vice Chairmen are: E. Perkins McGuire, Managing Director of Sterling-Lindner-Davis and William H. Quayle, Assistant Vice President of the Central National Bank. Sidney B. Congdon, President of the National City Bank of Cleveland, has been appointed treasurer.

Teacher: "Joseph, how do you spell caryophyllaceous?" Joseph: "Wrong."

FALSE FACES

Sometime ago a number of Junior Chambers of Commerce in a southern state inaugurated a "Democracy versus Communism and Socialism Week" to tell the people about the inherent dangers of communism and the creeping socialism which is insidiously paralyzing the economy and undermining our freedoms. Each day was given a name of its own — Citizenship Day, Freedom of Press and Communication Day, Youth Day, and so on.

A release describing the purpose of the Week said this: "Communists and socialists wear many false faces; they have more colors than a rainbow, more disguises than Ed Wynn has hats. The socialists and communists hide behind high ideals — freedom, equality and security, but their record is one of frustration, want and slavery . . . History shows that when government controls enough things, it becomes communistic or socialistic automatically, whether the people want it or not. And then freedoms are lost."

A Week such as this should be observed in every section of the nation. It should be supported and promoted by all who cherish freedom — labor and industry, agriculture and civic groups, the biggest business and the smallest business. For, as we move steadily on toward a war economy, the danger of control simply for control's own sake becomes ever greater. There can be no doubt that communists and socialists and their fellow travelers are seeking to use the crisis to promote their old ideological ends. And their best hope of success would lie in a lethargic public which was asleep to the menace.

Long ago it was said that power always corrupts and absolute power corrupts absolutely. Then freedom dies.

SPECIAL NOTE

All Holy Name Seniors who attended this month's meeting, are reminded, that the Social planned, will take place tomorrow night (Sat.) as announced at the meeting. Be at the destination by 8:15 at the latest.

ANNUAL WOMEN'S RETREAT

The annual Lenten retreat (in English) for the women of St. Vitus parish and their friends is scheduled to be held at the DIOCESAN RETREAT HOUSE, 18485 Lake Shore Boulevard the weekend of MARCH 16-18.

The retreat exercises begin on Friday evening at 7 o'clock with dinner and are concluded on Sunday afternoon with a Holy Hour at three o'clock.

Anyone interested is urged to make a reservation AT ONCE, at the rectory office, since this weekend, preceding Holy Week, is one of the most well-attended in the entire year. Both married and single women may attend this retreat.

OVER THE FOOTLIGHTS

Sunday evening, February the fourth . . . eight o'clock . . . St. Vitus auditorium . . . capacity audience . . . five minute chime . . . footlights glow . . . the curtain parts and we find ourselves in the cozy living-room of the Carhart's home. We settle back comfortably in our seats . . . hmmm, this looks like it might be a swell play! The title sounds appealing, "GOING ON SEVENTEEN" . . .

Well, if it isn't ELSA, the maid (Lillian Sterk) singing away, sometime "on" and sometimes "off" key . . . getting into "bombastic" BUDDY'S (Giambetro) hair — seems to me he knows the family "situation" so well . . . it's so difficult being a stern Mom, isn't it, (MRS. CARHART) Mitzie Lach — but you certainly hold your own with the "kids" . . . now big sister, FLORENCE (Donnie Cesen) knows why she'll NEVER EVER again play a role against her girl friend JOAN (Anne Lipold) — they just couldn't stop crying — oh, dad! . . . can CRAIG VINCENT (Ken Tomick) wear clothes (bet he consults Oscar Bergman) . . . TOM WILLIAMS (Albin Orehek) — actually blushed when FLORENCE bid you bon voyage — of course, you ARE supposed to be the "shy" boy friend . . . PAUL (Edward Sterle), I hold my breath each time you SINK into the divan . . . I expect to see TONY SAJOVIC, the stage manager, dash onto stage to keep it from collapsing . . . SHRIMP (John Cesen), is that REALLY peanuts you are eating??? . . . LILLMS (Mary Arko), I never knew you wore high heels — and you do look ever so nice in that Kelly green outfit . . . there must be a reason why you "brought down the house" on entering the stage, FRANK CARHART (Anthony Baznik) — YES, YES, we were impressed by your serious demeanor . . . is that Madeleine Grdina's nose peaking out of the scenery? — bet she's "book-holding" . . . you must have silent admirers in the first row, Geraldine Hrovat, 'cause we catch you glancing their way every now and then . . . swish, swish, if it isn't Pauline Poklar, in her rustling taffeta party dress — pretty Polly . . . and, Lillian Zupancic, we like the way you put across your bit of girlish gossip in your lines . . . oh, the doorbell (wonder if it isn't James Glavich buzzin' back-stage — they tell me he's the "props" man . . . SOS . . . calm, unperturbed, Father Baraga, play director, is seen "dashing" out of the hall (I found

out later that the actors had locked themselves out of the dressing-room — just another behind-the-scenes emergency) . . . bet that's Father Rupar of St. Mary's parish, guffawing up in the front row — sounds just like him — gee, he MUST be enjoying himself . . . o-o-h, things are getting exciting on stage — must be nearing the end of the play — and so it is, for the curtain has drawn on "GOING ON SEVENTEEN", presented by the St. Vitus Theatre Guild. I dashed backstage to congratulate the cast after the curtain calls, and guess what ??? I found Frank Zupancic STILL clutching the "ropes". A good job, well done, folks! All credit to you and to Father Baraga, your director. Here's to more such pleasant "dramatic" evenings at St. Vitus!

DAY OF RECOLLECTION

In order to accommodate the women of St. Vitus parish, who because of business or home obligations are never able to make a week-end retreat, we have arranged a Lenten DAY OF RECOLLECTION. This will be held at the DIOCESAN RETREAT HOUSE, on WEDNESDAY, MARCH 14th. A Wednesday was chosen in particular, because many of the local business establishments are closed.

The schedule of exercises, beginning at 9 o'clock will consist of confession (optional), Holy Mass, breakfast, several conferences, group recitation of the rosary, lunch, and will be concluded with a Holy Hour in mid-afternoon. Both married and single women may attend this Day of Recollection, which will be conducted in English.

The fee for the entire day, including meals, is nominal.

If you haven't ever made a Day of Recollection or a retreat, you are urged to avail yourself of this wonderful opportunity of seeking God's special grace. Perhaps it will necessitate a bit of "arranging" on your part — getting a "baby-sitter" for the youngsters, or preparing your family supper in advance, or perhaps even taking a day off from work. Business women may have to substitute help for Wednesday morning. Your efforts will be amply rewarded, for God's blessings in abundance, are always merited by sacrifice and self-denial. Then, too, what better way is there to prepare for Holy Week and the significant feast of Easter than spending a day "alone with God"?

We urge you to make a reservation for the Day of Recollection AT ONCE, at the rectory office. We especially recommend this spiritual opportunity to members of the MOTHERS' CLUB, OUR LADY'S SODALITY, and C.W.V. LADIES AUXILIARY who are unable to make the week-end retreat.

JUST A REMINDER

That Stations of the Cross are held in English each Tuesday evening in St. Vitus Church for the young people of the parish.

ST. VITUS MOTHERS CLUB

The Mothers' Club held its monthly meeting on Wed., Feb. 7, at which new officers were installed. In spite of the bad weather the attendance was fairly good. Our newly elected president, Mrs. Trunk, thanked the retiring officers for their untiring efforts in the past year. We can be confident that, with her ambition and leadership, she will fulfill her duties to the best of her ability.

Our thanks go to Mrs. Syzmandski who so generously donated the door gifts and also to the officers

This and That from Washington

By Congressman Frances P. Bolton

Mrs. Bolton

CONGRESS has been in session more than a month and as yet House Committees are not in running order. The most far-reaching of the delays is in the great Appropriations Committee headed by Clarence Cannon of Missouri.

This Committee apparently staged its own little revolt against dictatorial methods by objecting to the procedures initiated in the 81st Congress on the part of its Chairman. In its first meeting in this 82nd Congress, the Committee abandoned the Omnibus or "single package" plan by a vote of 31 to 18, with 13 Democrats against it. Having disposed of this, the Committee proceeded to restrict the power of the Chairman by reserving to the membership the right to veto sub-committee appointments by the Chairman. Drastic also was the abolishment of the Deficiency Sub-Committee which the Chairman has headed.

If this gives us a more thorough searching out of the cold facts and the implications of departmental budgets, and permits intelligent cuts in departmental demands, it should compensate in some measure for the delay in getting to work. As yet appointments to sub-committees have not been made.

THE Interstate and Commerce Committee is another case where internecine battles are in progress. The Chairman has announced that there will be no sub-committees, that all matters will come before the full committee. This method has its good points—but with the unbelievable number of bills needing study and review it is really a physical impossibility to give them attention except by subcommittee consideration.

THE Foreign Affairs Committee is in a very different position. The moment the House Committees were appointed we were called to organize on a basis of area and functional committees. As yet no legislation has been sent up by the State Department for our consideration. This, however, has not kept us idle, rather has it given opportunity for invaluable off-the-record meetings for general discussion of the many world problems that as a Committee we must deal with, and for meetings of the Area Committees with the top area men in the Department.

You will be interested to know that the State Department is beginning to consult with our committee, as well as with the Senate Foreign Relations Committee, before action is to be taken. Our sub-committees have the responsibility for these meetings, but all committee members are urged to attend as it means first hand information that is all-important.

In the matter of closer contact with the Senate Foreign Relations Committee a good beginning has been made with meetings, such as one this week, with Under-Secretary Dean Rusk on Asia policy.

Another very important joint meeting was that of the House Committee on the Armed Services and the Committee on Foreign Affairs with General Eisenhower. We had had the joint meeting of both Houses in the Auditorium of the Library of Congress of which you have read. Here he could do no more than emphasize the basic thoughts with which he had undertaken his truly stupendous job. With us in Joint Committee, however, he was utterly frank in answering our many questions, giving us valuable background for the course that lies ahead. He has no illusions about the difficulties nor does he mince words... the inspiration of his own belief in freedom and faith, as essentials to the survival of mankind, transmits itself to all who hear him.

Ed Salomon had the best 3 game total of the night 563 while Tony Orazem's 211 was high single. Johnny Lach had the makings of a high series as he hit 210 and 209, then ran into a lot of splits in the final game for a measly 127 game and 546 series.

The Mar-Ket Coals walloped the Chas. and Olga Slapniks for 3 points. They were led by their star anchorman Tony Orazem 211-556, with Whitey Persin 503 and Fred Marinko 502 assisting. Ed Salomon led the losers with 563, Joe Merhar 203-522 and Tony Brodnick 503 helping.

Asks 25c for Penny Statuettes

A man who calls himself the "Religious Culture Co." is asking Catholics — some of them in this area — to mail him 25 cents in exchange for a tiny plastic religious statue estimated to be worth less than one cent.

Church authorities, as usual, advise those who receive such mail either to throw it away or to keep the statue if they wish, but to refrain from sending any money for it.

A spokesman for the Post Office said that although there is nothing in postal regulations to prevent the "Religious Culture Co." sending the statues, there is also nothing to require anybody to pay for them or to send them back. He added: "You can keep the statue or throw it away, just as you please."

The Religious Culture Co. is registered under the Fictitious Names Act in the Prothonotary's Office in Allegheny County "Pittsburgh, Pa.) as one Murray Kram, who gives his home, 5726 Hobart St., Pittsburgh, as his business address.

The tiny plastic statues sent out by the "Religious Culture Co." are accompanied by a card with a slit in it the size of a quarter, and a printed prayer to the Miraculous Infant Jesus of Prague.

On the card is printed: "This statuette is being sent to you in hope you will find it worth keeping. If so, please insert 25 cents and mail in the enclosed enclosed envelope. If you do not wish to keep your statuette you are under no obligation."

But Post Office authorities emphasized that nobody is under any obligation even if they decide to keep the statuette and their 25 cents, too.

Save 10,590 Dimes

Pueblo, Colo. — When the Frank Javornick family bought a new auto, more than 75 lbs. of dimes helped pay for it. Members of the family saved the dimes — 10,590 of them — more than a year.

Respiratory Diseases

The current influenza epidemic in England has been a source of grave concern in this country. Many Clevelanders have called the Division of Health about this situation seeking information and assurance.

Mild upper respiratory diseases are the most common of all human ailments. In 1950 and thus far this winter Cleveland has been fortunate in having an unusually low incidence of both influenza and pneumonia.

Colds — The common cold is considered a virus infection. Colds occur throughout the year in out-breaks and rapidly spread from person to person. No specific method of prevention has as yet been discovered. There is no substantial evidence that a true cold is influenced by antihistamines. Treatment is symptomatic — rest, local applications and general sedatives. Antibiotics are not effective against the true cold.

Influenza — Influenza is generally caused by two types of virus — Virus A. and Virus B. Variant types are known. It generally occurs in epidemics, which appears in some years and not in others. Epidemics usually sweep over the country, lasting about six weeks. The incubation period is very short (24 - 72 hours) and a favorable situation may change very rapidly.

Vaccination against this disease is still in the experimental stages but may be highly effective when used in controlled groups. An attack of influenza generally

begins with severe headache, aching bones and flushed face. Influenza is seldom fatal, but in the course of the disease serious secondary infections may arise. The antibiotics are effective against secondary infections but not against the primary disease. Prompt medical and nursing care greatly safeguards the patient.

Pneumonia — Pneumonia is an infection involving the lung in whole or in part. It is not a single disease. The inflammation may be due to any one of a number of bacteria. Some infections are relatively mild and others highly virulent. The majority of pneumonia cases are caused by organisms of the pneumococcus group. There are about 40 types of these organisms. Organisms of the streptococcus group also cause pneumonia. Both types respond to antibiotic treatment.

In 1950 about 5 percent of the recorded cases of pneumonia in Cleveland were atypical. The atypical pneumonias do not generally yield to antibiotic treatment and prompt diagnosis and careful nursing care are especially important.

Although no specific vaccine has been discovered which is satisfactory in immunizing against pneumonia a great deal can be done to avoid it. The disease often attacks a person who is run-down or overtired, or who has had influenza or a cold.

Tattoo Satisfactory Way to Identify Rabbits

by A. N. Kuelper, Manager, Rabbit Unit, Purina Research Farm

It is sound management to keep records of breeding rabbits and the litters. Hatch records should be kept in duplicate to record the date of breeding, date of kindling, number in litter, number weaned and date of weaning.

Financial records should be kept separately—that is records of all receipts and operating expenses. If accurate records are not kept it is difficult to tell whether or not profits have been realized.

In order to keep records it is necessary to identify breeding rabbits by giving each a number. Tattooing the numbers in the ears is satisfactory and will not disfigure animals when properly done.

Rabbits should be handled as little as possible, yet it is advisable occasionally to stroke or pat the hand on young rabbits which are kept for breeders as it helps to accustom them to being handled. They should never be lifted by the ears or legs because handling in this manner may cause injury.

Fryer rabbits or small rabbits may be lifted and carried by grasping the loin region gently, yet firmly, with the heel of the hand toward the tail of the animal. Avoid bruising the flesh or damaging the skin.

Medium-weight rabbits may be lifted and carried by grasping with the right hand the loose skin over
