

Za materinski dan, 9. maja

Cvetja nasula je jasna pomlad,
ptički prepevajo sredi livad,
zlati leskeče nebesni se svod,
mamica naša praznuje svoj god.

Srca razvema otroška ljubav,
tiha molitev kipi do višav:
"Bog ti daj srečo, odvni bridkost,
pa bo žarela vsa naša mladost."

VESTI IZ SLOVENIJE

ODPOR ISTRIJANOV. — Pismo iz Istre govori: "Položaj tu je obupen. Ljudje so tako razočarani nad Jugoslavijo, ki jih gospodarsko uničuje in ki jim jemlje še zadnje ostanke svobode, ker je je fašizem še pustil, da se obnašajo kot pravi obupanci. Tako v Višnjaju, čisto hrvaški vasi, nasproti komunističnim funkcionarjem taje svojo hrvaško narodnost, češ da nocoj biti pod titovsko vladno, opozarja naj jim puste, da optirajo za Italijo. Do tega so strahotne šikane režima pripravile preproste hrvaške kmete."

V PIČNU HOČEJO KRIZ. — V sredi Istre leži mestece Pičen. Kakor drugod je tudi v Pičnu novi režim iz šole odstranil križ. Va so se neki dan ljudje v Pičnu opogumili ter šli v cerkev, tam vzeli neki križ in ga slovesno s procesijo nesli v šolo. Tam so učiteljci zabčali, da mora ta križ viseti v šoli. Tako skuša preprosto ljudstvo manifestirati svojo vero nasproti brezverskemu režimu.

PRST BOŠJI. — "Slovenski Primorec" pripoveduje sledeči resnični dogodek iz neke župnije v Soški dolini: Predsednik krajevnega odbora (po starem župan) gre k župniku. Tam slovesno izjavi: "Po nalogu višjih oblasti prihajam ter vam uradno sporočam, da se bodo odslej dalje vsi člani komunistične partije pokopavali samo civilno brez duhovnika. Dajem vam zadevni odlok s svojim podpisom." Duhovnik je vzel stvar na znanje. Kaj naj tudi stori? Zgodilo pa se je par dni popneje v oni župi.

Tri na dan

Trumanova Marjetka, ki misli, da zna peti, je sklenila, da ne bo podala nobenega pevskega koncerta pred predsedniškimi volitvami. Nekaj bo to že pomagalo k izvolitvi njenega ata.

V državi Ohio imamo smolo. Primarne volitve so minile in že smo mislili, da se bodo naša ušesa do jeseni odpočila, ko je prišla vest, da se bodo drugi teden pojavile koblice, ki nam bodo nekaj časa prepevale po drevju, da si bomo tiščali ušesa.

Nekateri ljudje v Ameriki pozabljajo, da imamo tukaj še vedno svobodne volitve in da vsak lahko voli, za kogar hoče in ne tako, kakor bi kdo ukazal.

Predsednik Truman je poklical železniške unije na razgovor

Preprečil bi rad stavko, ki je napovedana za torek 11. maja

Washington. — Predsednik Truman je poklical v Washington zastopnike treh železniških unij, ki hočejo izvesti stavko v torek 11. maja. Unijski voditelji se bodo sestali z John Steellom, ki je Trumanov pomožni tajnik.

Predsednik Truman bi rad poravnal spor pri železnicih in preprečil stavko. Reklo se je, da bo predsednik zasedel železnice v imenu vlade, ako ne bo mogel privedi do sporazuma unije in železniške družbe.

V Washington so povabljeni zastopniki sledečih unij: strojevodij, kurjačev in premikačev. Ni še znano, če bo predsednik poklical na razgovor tudi zastopnike železnic.

Predsednik ima po postavi, sprejeti ob času prve svetovne vojne, oblast, da zaseže železnice "ob času vojne." Uradno pa 2. svetovna vojna še ni končana, ker predsednik še ni razglasil konec sovražnosti.

Železniške družbe so že opozorile, da ne bodo sprejemale za prevoz stvari, ki se lahko pokvarijo, ker se boje stavke in zastoj obrata. Železniške družbe, ki bodo prizadele vsled stavke, so že obvestile delavce in uslužbenke, da bodo vsi morali ostati doma, če bo stavka pri vlakih.

Senat je odobril 3 milijone dolarjev za zračno silo

Poslanska zbornica je že prej odobrila sličen predlog za letalstvo

Washington. — Senat je večeraj z 74 proti 2 glasovoma odobril \$3,198,000,000, da se začne graditi zračno armado, ter jo opremiti z najmodernejšimi letali. Samo senator Taylor, ki kandidira za podpredsednika 3. stranke, in senator Cain sta glasovala proti.

Senat je glasoval potem, ko je senator Bridges povedal, da je treba zgraditi 70 skupinsko zračno silo, ako hočemo zavarovati deželo pred poskusom Rusije, da bi napravila na naši zemlji drugi Pearl Harbor.

Kongres je s tem dovolil za zračno armado več, kot je pa vprašal predsednik Truman. Vsota, ki jo je dovolil kongres, je za \$822,000,000 večja, kot je pa vprašal predsednik Truman za nova letala.

Ne more jih prepričati, da mož še živi

London. — Mrs. Gooderham je v hudem pripiru z vojnim ministrom. Ta namreč trdi, da je njen mož padel pri napadu na Dunkirk. Ona pa trdi, da se je mož vrnil živ in zdrav še leta 1940.

Ženske lahko pokažejo na sodnika

Chicago. — Vrhovni vodnik Frank M. Padden vedno sam omije okna pri svoji hiši. Okna se svetijo kot demanti, pravi. Kot mlad fant je služil za omivalca oken in od tedaj se mu je to delo priljubilo.

DAJ BRAT, DAJ SESTRA, SPOMNI SE BEGUNCEV S KAKIM IMENOM

Otroci pri igri v Palestini. — So še premladi, da bi razumeli tragično stran bojev med Judi in Arabci in tako vidimo te malčke, ki se igrajo "Arabci in Jude," kot se naši ameriški fantički radi igrajo "cops and robbers." Slika je bila posneta v Jeruzalemu, kjer z lesenimi puškami "streljajo" drug na drugega, vmes pa je žična ovira.

PO 17 LETIH SE BODO ZOPET JAVILE KOBILICE PO VZHODNEM DELU OHIO

Enkrat prihodnji teden se bodo pojavile v vzhodnem delu države Ohio roji koblice, pred katerimi smo imeli 17 let mir. Pojavile se bodo iz tal, pele, delale škodo po mladem drevju, se parile, nato pa zopet izginile v zemljo za nadaljnih 17 let.

Zadnjič so bile tukaj leta 1931. Ta čas so pa živele pod zemljo na drevesnih koreninah. Največ škodo napravijo na mladem sadnem drevju, če se nahaja sadonosnik blizu kakega gozda.

Prvi roji se bodo prikazali okrog 13. maja v okrajih Pike, Meigs in Jackson. Kak teden pozneje se bodo pojavile pa v okrajih Cuyahoga in Lake. Pojavijo se v večernem mraku in se zapodijo po drevju, se parijo, prepevajo in se radujejo življenja. Samice znesejo jajčka v drevesno lubje in pomrjejo. Po 7 tednih se izvalijo bube, ki padajo na tla in se zarijejo v zemljo k drevesnim koreninam in tam potem čakajo 17 let, da pridejo zopet na površje, kar bo zopet v maju 1965.

He, he, heh. Torej Laušetov France je zopet enkrat pokazal, da se poštenost izplača. Ni dvoma, da je prav zato tako dobro uspel, ker je bil kot župan in tudi kot guverner pošten in neodvisen in se mu ni treba klanjati kakim gospodom, ki iščejo privilegijev za to, ker so "pomagal" za izvolitve. Je pa nekaj tudi na tem, da popolnoma neodvisen človek lahko postane nevarno v samsvoji, kar danes imenujemo totalitarne. Dobro je v Ameriki to, ker sta vsaj dve stranki, kateri druga drugo nadzorujeta. Upamo, da se bo naš France vedno zavedal, da je v demokraciji uradnik pa naj si bo guverner ali pa kaj drugega, sluga pokornih, ne pa tiran in autokrat. Naše čestitke in pa voščila za novembarsko zmago prav sijajno kot je bila ta.

V nedeljo med šolsko mašo bo prvo sv. obhajilo. Starši prvoobhajancev jih bodo sami pripeljali pred oltar in jih izročili Jezusu. Naj tudi goreče molijo, da bi jih Bog ohranil dobre in nedolžne celo življenje. Pa še nekaj: Prosite tudi za poklice v duhovniški in nuntijski stan. Slabo je, kadar ljudje mrjejo brez zakramentov radi pomanjkanja duhovnikov. In če ne bomo imeli sester, katoličani tudi svojih šol in bolnišnic ne bomo mogli vzdrževati. Kdor si je izmislil tisti rek, ki pravi: "šiba novo mašo poje," ni imel prav. Molitev staršev, ta pa ta. Poznal sem mater, ki je dolga leta prosila in se zatekala k Mariji, češ, "ti si imela le enega sina in se tega si dala Bogu. Jaz jih imam devet. Prosi svojega Sina, naj pokliče katerega, vsaj enega naj pokliče!" Dolga leta ni bila uslišana. Končno pa stopi tisti izmed sinov, od katerega je najmanj pričakovala kaj takega in pravi: "Mama, namenil sem se, da grem v šolo, da postanem duhovnik." Materi so se od veselja zasolile oči, "tok me je vendar uslišal Bog!" Da, molitev staršev, ta poje novo mašo.

"Boljša je slaba poravnava, kot dobljena tožba." Kdor je to rekel naprvo, je vedel, kaj govori.

Če umrje človek, katerega teže leta in izdelanost, se temu ne čudimo. Mike Filipovič pa je bil v najboljših letih, 41 let star, in vendar je moral zapustiti mlado soprogo in dva nedorasla sinova. Kako resnične so besede, "Bodite pripravljene, ker ne veste ne ure, ne dneva." Bog mu daj večni pokoj. In Bog naj tolaži ostalo družinico.

V nedeljo je skupno sv. obhajilo za vse člane društva Najsvetjšega Imena. Naši možje in fantje imajo mašo ob 7:15.

Tem potom izražamo zahvalo vsem, kateri so zbirali darove za "Catholic Charities." Pod spretnim vodstvom Father Praznika so pridno na delu. Če bi le tudi vsi ljudje spoznali, ali hoteli spoznati, da nabirali njim, ne pa sami sebi, delajo uslugo. Večina ljudi stori, kar more, z veseljem. So pa tudi drugačni...

Ni še veliko let, odkar sta praznovala zlato poroko Gregor in Franciška Blatnik. Gregorja je kmalu na to poklical Bog k sebi. Franciška Blatnik pa je ostala in žalovala še nekaj časa za njim. Zadnji teden je pa prišla tudi njena ura in odšla je, da se snideta zopet pri Bogu. Requiem aeternam dona eis, Domine. Otroci, molite za svoje starše.

Veste, čim dalje se mi zdi Marijina slika iz Brezji, ki kraljuje v naši kapelici, lepša in milejša. In to me spomni na nekoga, ki piše, da je bil postaj nebržen in se ni več menil za verske zadeve. Pa so se nekega dne spomnili njegovi sošolci, da se to leto zberejo na brezjah, ne radi kake pobožnosti, ampak zato, ker je kraj res prijazen. Tudi Jaz sem šel iz radovednosti pogledat v cerkev. la pokojnika za svojega. Zato je izdala ukaz, da se ga mora pokopati brez duhovnika. Odredili so, da pride k pogrebu godba iz Prvačine, partiji in pionirji polovico Brd ter razna odposlanci in partijski funkcionarji. Rekli so: "To ne bo pogreb, ampak manifestacija naše moči kot je še niso Brda videla"

Toda pokojnikova mati ni bila tega mnenja. "Jaz sem ga rodila, jaz sem ga dala krstiti, jaz sem ga poslala k svetem obhajilu in jaz ga bom po našu pokopala. Iztrgali ste mi sicer sina in ga pokvarili. Moj sin je bil grešnik pa se je skesal. Zato bo imel krščanski pogreb s križem in duhovnikom. Krajni funkcionarji so jo hoteli prepričati, da se mora pokoriti višjim ukazom, toda neustrašena mati je izjavila: "Ne dovolim, da bi truplo mojega otroka služilo brezverskim

stojim nekaj časa pri Marijini kapelici in gledam na Marijino podobo, se mi zazdi, da me Marija opazuje. Kamor sem se premaknil, se mi je zdelo, da se obračajo njene oči vame. Nobenega čudežnega spreobrnjenja ne mislim, toda danes molim in hvalim Marijo, da mi je izposila spoznanje, da človek ni brez namena na svetu. Zdal spet molim vsak dan." Marijina podoba iz Brezji ima res to lastnost, da se zdi človeku, kot bi se njemu oči obračale za njim. Le prepričaj se sam. Ko sem bil leta 1935 obiskal Marijino božjo pot na Brezjah in gledal te krasne oči, mi je prišlo na misel, da je 62 let poprej prav tam klečala moja mati kot 18-letno dekle in prosila Marijinega varstva ob slovesu iz domovine, na poti v daljini, takrat še tako nepoznani svet. Kolikokrat nam je pravila o tisti Marijini podobi...

Jožko, mlad pa neiskusni, je dobil nalogo, da brisačo posuši pri odprtem ognjišču: "Mama, ali je brisača suha, kadar postane rjava?"

Rožnikova Rozka se je namerila, da zapusti samski stan, ko ji je prišel iskat Matthew Gelfert iz sosednje fare. Adlerjeva Francka ji je zapela prav krasno "Ave Maria" ko sta klečala z enim in nevesta pred Marijinim oltarjem. Da bi bila vedno srečna. Pa je vendar od več, kako čas beži. Ali se mi zdi, kot bi bilo le par let, odkar sta prav tako klečala pred oltarjem njena starša John Rožnik in njegova izvoljenka, Franciška Penko. Morda sem pa res že tako star, kot se včasih počutim.

Takoj za to poroko pa sta prišla Wilbur Miller in Louise Kalister, da se zavežeta ljubiti se "dokler naju smrt ne loči." Lojzika je hčerka Kalisterjeve družine iz Way Ave. Naj bi bili srečni vsi. Če bodo hodili tisto pot, ki jo kaže Bog, bodo.

Zanimiv slučaj je sledeči, ki kaže, da so božja pota res čudna in neizvedljiva. V Dallas, North Carolina, sta si pred leti dva protestanta, Mr. in Mrs. J. B. Lay napravila svoj dom. Zakaj neki, to ne ve niti sama danes, žena je hotela, da nad sprednja vrata pritrdita križ. To je tem bolj čudno, ker protestanti niti na cerkvi navadno nimajo križa. Prišel pa je v ta kraj katoliški misijonar in ko je videl križ, je mislil, da je prišel h katoliški družini. Seznanil se je z družino Lay in jih končno začel poučevati o verskih resnicah. Danes je vsa družina Lay katoliška in tudi sosedje. Za cerkev pa so samo podarili hišo in pustili križ, ki danes kaže da je tam katoliška cerkev.

manifestacijam. Tu doma naj ostane, tu segnijo, toda ven ga ne ponesete brez duhovnika."

Vaški funkcionar je šel v Solkan prosit partijo, naj vendar dovoli cerkveni pogreb. Mati je zmagala in stranka je le dovolila cerkveni pogreb, ki se je vršil takole: Spredaj so nesli rdečo zastavo, toda zvito, sledili so uniformirani pionirji, nato venci stranke, skupina partijcev in prvaška godba. Zadalj v primerni daljavi je sledil krščanski pogreb: križ, vaški možje, duhovnik, krsta, sorodniki, ženske. Vse, kar je bilo pred križem ni stopilo v cerkev in niti na pokopališče, dokler se ni duhovnik odstranil. Sele na to so se vsuli na pokopališče, kjer so potem držali svoje govore. — Najbolj ganljivo je bilo, ko se je obrnila mati k tem novim paganom in jim zaklicala: "Vsaj en očenaš, ljudje božji, vsaj en očenaš zmolate za mojega Vladka, ki je bil velik grešnik." Nešteti so prišle solze v oči, ko so videli borbno matere za krščanski pogreb in za dušo sinova.

Isto uro so pokopali partijca Sirka v Hlevniku brez križa. Druga polovica Brdov je morala na ta paganski pogreb. Dva sveta, krščanski in komunistični. Ni je sprave med njima. Eden bo poražen.

KAJ BI JUGOSLAVIJO O-SREČILO. — V Jugoslaviji so kakor znano zabranjeni vsi časopisi, ki ne pišejo za komunistem. Zato si dajejo ljudje duška svojim mislim o Titu in njegovih privržencih z raznimi šalami, ki jih pripovedujejo drug drugemu. Ena teh je: "Ko je bil letalski dan v Belgradu, se je Tito vozil v aeroplanu nad Belgradom in okolico. Z njim je bil Kardelj in pilot, ki je vodil letalo. Pa zagleda Tito daleč pod seboj skupino otrok, ki se igrajo. Obrne se h Kardelju in mu pravi: "Oh, ko bi jaz imel sedaj malo čokolade, da bi jo vrget tem otrokom doli. Kako bi jih napravil srečne." Kardelj zagleda na trgu pod seboj skupino deklet in reče Titu: "In če bi jaz imel nekaj nylon nogavic, da bi jih zagnal doli. Kako srečna bi bila ta dekleta." Pilot pa pravi sam za seboj: "In če bi jaz vrget ta dva doli, bi napravil srečne vse Jugoslovane."

Pri kraljici

Kraljici se je predstavil eden naših najbolj znanih pesnikov, kateremu je odprla pred kratkim španska akademija svoja vrata.

Naš pesnik je bil oblečen v uniformo, določeno za osebe te literarne korporacije, ki obstoja, kot znano iz jopiča kavine barve in je obrobjena z zelenimi svilinimi čipkami, prepletanimi z zlatimi listi.

Čudne so barve te uniforme, reče kraljica akademiku z značilnim nasmehom, ki se je zdel nagovorjenemu nekoliko zloben.

Zares, Velikanstvo, v tej obleki smo kot papeževi nunciji. Kljub temu, odvrne kraljica, mi vendar mnogo bolj ugaja od vseh velikih uniform, katere vidim vsako uro v naši palači.

In zakaj, Velikanstvo?

Ker teh uniform ne morejo rabiti tepci.

Petrinka

IVAN MATIČIĆ

"Oče!" — "No, si prišel?" — "Lovre," se smeje de-
Ves je okoren Petrin, ko po-
daja sinu žuljevo roko. In se
nekaj hipov gledata. Dreje bi
rad kaj rekel, oče se mu zdi
tako nekam postaran in reven,
očetu pa se zdi sin čisto tuj in
gospodski. Da, Dreje je gospo-
sik, v temni modni obleki, obraz
čisto bel pa gladko obrat, a na
belem ovratniku ima pisano
kravato. Saj to je gospod!

Polonica mu ponuja roko,
Dreje jo pa gleda — "Kaj ne
poznaš Polonice?" reče mati.
"To je polonica?" se čudi Ame-
rikanec. Kako naj jo pozna,
saj takrat je bila še v zibel!
In Lovre mu tudi ponuja roko:
"Kdo si pa ti? Tevžu si podo-

ben." — "Lovre," se smeje de-
čko.

"Ti si Lovre? Takrat si bil
v plenicih!"

Tinče si pa ne upa ponuditi
nepoznanemu bratu roke; zato
mu pomaga mati. "Kaj pa te-
ga poznaš? To je Tinče." —
"Tinče? Ga ni bilo še na sve-
tu!" Japček pa z nekim stra-
hom gleda gosposkega tujca.
"Na, tu je pa Japček," reče ma-
ti ter potisne najmlajšega brat-
ca predenj.

"Japček? O, kako je fleten?"

Medtem zlože fantje kovčge
z voza — in družina odide v hi-
šo. Drejcu se zdi vse tako tu-
je, revno in umazano, vse se
mu zdi izpremenjeno, dasi se

ni v resnici spremenilo niti za
trohico. Veža je tako pokrev-
ljana, pa kuhinja, oh, vse je
tako strašno črno in sajasto!
Pa vse tako nizko, kakšna hiša
je to! Pa se je le nasmešnil,
ko je stopil v hišo pa uzre veli-
ko lončeno peč in veliko belo
mizo. Da, to je tista peč, po
kateri je toliko let koprnel, to
je tista miza, ki ga je tako ne-
znansko vlekla iz tujine. Da,
tu je dom, tu je rodni krov, po
katerem je mrl Drjec vsa ta ne-
sknočna leta. In zdaj je doma!

Ves je ginjen dreje, vse vriska
in njem, dasi ne more spraviti
nobene besede iz sebe. Samo
gleda drugega za drugim te svo-
je nepoznane bratce, ki jih pr-
vič vidi. Oni pa gledajo njega,
njegovo obleko, kravato, čev-
lje. Tje: ijoj, kako je vse to lepo
in dragoceno, ali Bog ve, kaj
lepega je še vse v kovčgih!

Mati brž veli Polonici, naj
ocvire jajec, pa pleče naj na-
reže in ga zavre vmes! Ne,
mati sama bo to pripravila in
postregla sinu z najboljšim,
kar premore, sinu, ki ga toliko
jet ni videla.

Amerikanec se medtem raz-
govarja z očetom. Kako je po-
toval po morju, kako po suhem,
skozi dežele in države. No, Pe-
trin malo tega razume, on se
spozna samo do Ljubljane, pa
še to ne kaj posebno, kar je
delj, je njemu španska vas.

"Rezika!" Brž jo je spoznal
Drjec, ko je vstopila, dasi ima
enega v naročju, dva se je dr-
žita za krilo, tudi ta dva hočeta
videti strica iz Amerike.

"O, tak gospod si, da bi te
skoro ne poznala!" Rezika sa-
ma je tudi taka in močna, da jo
Dreje kar ogleduje.

Prijetno je zadišalo po hiši,
ko je mati postavila na mizo
cvrtih jajec. Saj Dreje ni bil
lačen, a je vendar malo dregnil
z vilicami, vsaj materi na lju-
bo. Pa mu je venomer uhajal
pogled na mater: ne bi si bil
mislil, da so ji lasje že posiveli,
obraz ji naguban in roke ko-
ščene. Nak, predstavljal si jo
je še vedno močno in veliko ma-
ter, kakor je bila, a je postala
sirota kar nekam drobna in
upognjena. To je Drejca pre-
sunilo, prav tako tudi pogled na
očeta. Tak junačen mož je bil,
silen ko hrast, zdaj je kar sla-

boten pa ves siv. Pa otroci, uh,
kako so vsi umazani in raztri-
gani!

O čem naj govorijo, kaj naj
načnejo? Ko je pa toliko sno-
vi. No, še vse bodo načeli, o
vsem se pogovorili, samo da je
srečno prišel. Saj pri Petrino-
vi hiši se ne bo nihče lotil dela
ne danes, ne jutri in morda ves
teden ne. — Kako pa Nežika in
Tevž? To je bilo prvo vpra-
šanje. Nu, oba sta zdrava in
vse srčno pozdravljata. Neži-
ka se bo možila, prej še prosi
maternega blagoslova in očeto-
vega privoljenja. Urbanov iz
Slivine jo prosi za roko. Tevž
pa pravi, da bo prišel domov
po nevesto. Sicer jim bo Dreje
še vse natančno povedal, kako
je tam, on hoče najprej vedeti,
kakor je bilo doma. Nu, vse mu
bodo pojasnili polagoma, danes
ne, jutri nekaj, vsega hkrati
ne morejo, je preveč in pre-
hudo.

Dreje odpira kovčeg: "Tega
je napolnila Nežika," reče, "te-
ga Tevž, tega pa jaz." Najprvo
razloži Nežikinega: oblačila za
mater, Polonico, Reziko in nje-
ue otroke ter igrače in sladka-
rije za male. Iz drugega in
tretjega kovčega pa razloži mo-
ška oblačila, perilo ter razno
orodje in darila. To gledajo
Petrinovi, saj bodo še ob pamet.
"Ijoj! Ijoj! Ijoj!" Za vsakega
je nekaj, na nikogar niso poza-
bili skrbni Amerikanci. Do solz
so ginjeni Petrinovi.

Nazadnje pa položi Dreje še
šop dolarjev na mizo. "Tole je
dala Nežika. Pravi da se mora
kupiti v Kuteževem dolu še za
eno ogrado sveta. In ta orga-
da naj se imenuje "Nežikina
ograda", čeprav je morda niko-
li ne bo videla. Tole pa daje
Tevž. Pravi, da grunt ne more
biti brez gozda. Na vsak na-
čin se mora kupiti en delež, sa-
mo ne v Suhem grabnu, pravi.
Jaz si bom pa ogledal hlev. Če
ni volov, jih bomo na prvem
sejmu kupili."

Družina molči, nihče ne mo-
re do besede. Petrin strmi v
dolarje, v grlu ga nekaj tišči,
mati pa joka. Da, Petrinka se
nič ne ozre na denar, samo gla-

vo skloni in zaihti. "O, otroci
moji, kaj nam dajete! Ne go-
vorite mi, saj vem, koliko trp-
ljenja se drži teh denarjev! Ne
dolarje, vas hočem imeti, samo
vas!"

"E, se tudi tam težko zaslu-
ži!" vzdihne Petrin.

"Težko in lahko, kakor se
vzame," reče Dreje. "V tovar-
ni je mnogo bolje ko v jami, a
v jami se več zasluži."

Triple Bill To Feature Adria's Spring Program

Euclid, Ohio. — A triple bill augments the spring concert of the Adria Choral Club to be presented May 16th 1948 in the Reicher Avenue Hall. The program includes a play, concert and dance.

First curtain is set for 4:00 p.m. and will reveal before the foot-lights an all-star cast in a hilarious one-act comedy titled "Moz Gospodinja."

The plot revolves around a housewife who day after day drudges, cleans and works for the "marea." Complications set in when the "stari" learns that a woman's work is no cinch and is never done. The comedy, under the direction of John Stebbins with Val Grill, Diana Mersnik, Olga Zakrajsek and Joe Ivanic comprising the cast, is bound to please the audience.

The choral concert, annual spring feature of the club, will include a variety of popular classics and melodic tunes with Adria's soloists and 50 chorists following the baton of director Frank Vauter. Frequent rehearsals have been held during the past month to bring the chorists in to prime shape for the program.

The triple-bill will be climaxed with dancing to the lilting tunes of Al Struke's popular orchestra.

Came Home

On Tuesday, May the 4th the remains of Sgt. Anthony J. Gollner arrived home for burial. Sgt. Gollner met his death on Ascension Island in the Azores on April 13th 1943. He was 23 years old then and a member of the Engineers Corps 808. He was temporarily buried at the scene of his death and then later his remains were moved to Porto Rico, from where at the request of his parents his remains will be reburied in Calvary Cemetery in the Soldiers Section.

Sgt. Gollner was born in Cleveland the son of Frank and Catherine (nee Gjuran) Gollner who reside at 21071 Arbor Ave. in Euclid, Ohio. Besides the parents six sisters and four brothers survive: namely, Anna Dobrowski, Rose Fink, Mary Riebe, Martha Gregorin, Frank, John, Catherine, Margaret, Carl and Donald. Military services were conducted by the Euclid Post No. 343 of the American Legion of which Joseph Gorce is commander. Burial was this morning. Requiem High Mass was sung at St. Christine's Church on Bliss Rd. at 9:30 a.m. today.

May he rest in peace!

Last season Telich won the Mid-American Discus Championship at Detroit, Michigan.

John lettered in football this past fall, having played tackle on the Red Cat eleven.

Young Telich will graduate a year from this June. He is married to Janet Town, a schoolmate at Euclid Shore and they make their home at 10115 Superior Ave.

John is the son of Mr. and Mrs. Michael Telich, 64 E. 211 St., Euclid.

THE GHOST STORY

A Tribute To Mother

When Mother's Day comes around I suddenly wake up to the preciousness of her being always around when I need her. Her twinkling eyes see my every need and she hastens to fulfill my every wish. If I'm in pain, her gentle hands ease the pain while her soft voice calms and comforts me.

Why am I so thoughtless the rest of the year? How many steps could I have saved her! When she was sad, did I take the trouble to find out what was wrong? I am making a firm resolution, here and now, that it will be Mother's Day for me every day and act accordingly. How about your mother?

BRODNICKS CONTINUE TO LEAD AS GRDINAS SPURT IN LAST MINUTE DRIVE

Don't look now, but take a look at the standings and see who is in second place! Grdinas, with the end in sight, are putting on a last-minute drive to repeat as champs. They whitewashed the Clover Dairies to climb within only two points of the leading Brodnicks who also continued their winning ways by taking three points from the Cerne Jewelers.

The Kollanders and Norwood Appliances split their series altho four of the Norwoods hit over 500 series. The Cerne Jewelers were knocked out of any further first place aspirations by the Golden Gophers who took them for all 14 points. The Orazems climbed to eighth place as they cleaned up all four points from the early pace-setters, the Malensek Bros. The Jimmy Slapniks took three points from the General Roofers.

With only one more week to go the question is: Who will be the 1948 league champions? We'll know soon, now!

TONY BRODNICK SLAPS OUT 223 GAME IN 592 SERIES

Our secretary Tony Brodnick went on a rampage with 223 - 201 - 502. In the team events the Norwood Appliances hit the highest game, 802, and highest series, 2547, as four of the five hit good series. Ed Koporc hit 538, Ed Kovacic 523, Tony Urbas 510, J. Saver 504.

Very few other good keging scores were on tab. Here are the exceptions: Ray Suhadolnik 201 - 550, Bart Lenchman 508, Ed Vidmar 541, L. Godic 521, Joe Starin 516, Joe Marinko 513, Joe Ambrosic 503, Vic Melle 205 - 562, Joe Vidmar 221 - 543, and B. Plavan 523.

The schedule will have been completed with the maples last night. Next Wednesday and Thursday, May 12 and 13, the league's annual tournament will be held. Wednesday the doubles and singles events will be rolled, while on Thursday evening the team events will be held. Immediately after the keging has ceased, on Thursday, a banquet will be held in the school hall. At the banquet all prizes will be distributed including league prizes and tournament prizes.

ST. VITUS MOTHERS CLUB

Mr. Kolenc has made us an attractive sign announcing our first Bazaar. The sign specifies the time and place. We wish to thank Mr. Kolenc for his generosity.

"When will the Mothers Club have 'Krofe' for sale?" This question has been asked us very often. We are happy to say that there will be some at the Bazaar. Mrs. Lumar has offered to make the Krofe for us. There has been much talk of the good old five cent cup of coffee and that is just what we are going to serve. No kitchen is complete without a luscious roast beef sandwich with gravy, and the ever popular Hot Dog.

Food has always been the way to a man's heart and to interest the men further, we have a couple of very beautiful ties which have been offered to us by Mr. John Kovacic, president of the Norwood Men's Shop, Inc.

YOUTH NOTES — On the children's ticket drawings, the girls won three prizes. Jeannette Mercin of the 5th Grade won the baseball glove. Marilyn Zakrajsek of the 6th Grade won the large doll and Rosemary Strumble of the 4th Grade the second doll.

Mother

There's a little bit of stardust
In her hair of raven hue,
And the cloudless sky of noonday
In her laughing eyes of blue.

The lacework on her fingers
Is traced like pencil line
Upon the now white parchment
That wifehood brought with time.

There's childhood in her features,
And a mother's joyful face,
She resembles close her Mother,
The Rose, the "Full of grace."

The roses that have faded
Will bloom in Heav'n anew
And she'll smile and gaze at Mary
With her laughing eyes of blue.

This and That from Washington

By Congressman Frances P. Bolton

A bill of particular importance to the 22nd District came to the House floor on April 30, H. R. 5992, "A Bill.

Mrs. Bolton

To confirm and establish the titles of the States to lands beneath navigable waters within State boundaries and natural resources within such lands and waters and to provide for the use and control of said lands and resources."

This is of far greater moment than would at first appear. As pointed out by one of the committee, it upholds our dual form of government that no matter how strong the central government it must never encroach upon the states.

The principle involved is very grave, the Supreme Court decision being interpreted as a first step towards national socialism. This decision has been described as "confiscation without compensation" and caused untold confusion so that action by the Congress to clarify was imperative.

Our own Attorney General Hugh S. Jenkins submitted a splendid statement to the committee. He called attention to several important facts: Ohio's 184 miles of shore line and the estimated 3,540 square miles of submerged lands upon which improvements, mostly port facilities, are valued at about \$500 million. We can be proud of his share in the final bill.

The vote was overwhelmingly for the bill.

CORNELL University is to have an interesting experience from August 2 to 13, thanks to a program sponsored jointly by the University and the British Embassy here. Thirty representatives of British business and industry will have a course of classroom and field work covering contemporary American life. The idea is to enlighten Britishers stationed in the United States as to our ways; an orientation course, as to speak. Sounds like a good idea.

REALIZING her Baku oil fields could not supply future needs, the U.S.S.R. has been prospecting for oil with apparent success. According to various reports the largest single center of oil production, the "Second Baku" includes the Kuibyshev fields on the Volga, the Bashkirian fields between the Volga and the Ural, and the Molotov fields in the northern Ural. To the east are the oil fields of Sakhalin, and in the Far North beyond the Arctic Circle in the extreme northeast corner of European Russia is the rapidly growing petroleum industry at Ukhita. If you have a globe it's very revealing to mark the places well.

It is reported by the Department of Agriculture that the wheat reserve on June 30th, probably will be double that of 1947, but still not as great as prewar average. The carry-over at the end of June 1947 was about 84 million bushels, prewar average carry-over about 235 million bushels.

WHILE WE'RE AT THE TYPEWRITER

May is Mary's month, and we paid her a little of the honor she deserves at the May Crowning last Sunday. But that is only an external symbol—a symbol of the love we have for Mary. Or do we?

The May Crownings, Forty Hours, etc. are sources of inspiration and devotion if kept in their rightful places. But there are too many "Catholics" who shed tears at the May Crowning and at Forty Hours, but who just get under the Trinity Sunday deadline for Easter Duty.

In this case, the May Crowning either does not serve its rightful purpose or else it is not properly received. We're inclined toward the latter opinion.

Religion is not sentiment or emotion. It is not something to shed crocodile tears over. Such ceremonies as the May Crowning were instituted to help increase devotion. If they are productive of nothing but wet hankies, then it's time we examined our conscience.

Our Faith is compared by St. Paul to a battle. "I have fought the good fight," I have kept the faith. We must live our Faith: fight the battle of sin always. Weeping at ceremonies, just barely getting to Mass, backbiting, and slandering: these do not fit in with St. Paul's definition of the life of Faith.

Ignorance is when you don't know anything and somebody finds it out. Some cause happiness wherever they go—others whenever they go.

Triglav's First Concert

On Sunday, May 9th you are invited to spend the afternoon with us at Sachsenheim's Auditorium, 7001 Denison Ave., across from the West Side Slovene Home.

The newly organized singing society "Triglav" will open their first concert with the mixed chorus singing "Kukavica" and "Ljuba si Pomišljava". Many other well liked numbers will be on the program, including Oscar Strauss' "My Hero" by the ladies chorus, Jennie Skully and Ella Samanich presenting Ivan Zorman's arrangement of "Prod Slovencem" in a duet, and featuring Jennie Skully as soloist, rendering the beautiful song "Of Rosemarin".

The men's chorus will then offer many favorite selections, among them the well-known "Gored Ogenj". The mixed chorus will conclude the program with their rendition of the club's theme song, "Triglav". Verna (Milavec) Stelko will be the accompanist for the afternoon.

The Singing Society is doing nicely and here I would like to mention a word of thanks to our fine and able president, Mr. Jacob Jesenko, who had done all he possibly can to make this group as successful as it is.

The cooperation of all the club members with Mr. Jesenko, has proven very beneficial and here's hoping that progress will be ours here on in. New members are still being sought and we hope that our next concert will be bigger and better. Singers and music lovers, join this fine group and sing with us as our next concert!

Now in closing, I wish to also mention that without the fine supervision and direction of Mr. Frank Vauter, our Singing Society would not have presented this concert. We trust that his untiring and patient work with our group, will result in a Singing Society, Triglav, that will be to his credit and beneficial to the Slovenes of greater Cleveland!

Be sure to attend this concert Sunday, May 9th, 1948 at 4:00 p. m. in Sachsenheim's Auditorium, 7001 Denison Ave. We'll be looking for you!

Warns Veterans on Bonus Checks

All Ohio veterans who will get bonus checks were cautioned by Courtney E. Kirby, assistant director of the World War II Compensation fund to observe the following:

That a check may be endorsed only by the person to whom it is payable; that there is a 60-day limit on cashing the check, and that if the eligible veteran has died, the check must be returned to Columbus and the nearest kin must file on "Form 2."

Bonus checks are now being mailed at a rate of 2,000 daily. More than 610,000 applications have now been received. The check-writing will soon be accelerated to about 6,000 daily, Kirby said.

Regarding Unemployment Compensation

Columbus, Ohio, May 2.—In a series of three decisions, the Bureau of Unemployment Compensation's Board of Review today ruled that individuals who quit their jobs without just cause and those who do not have valid reasons for refusing to accept a referral to a job opportunity cannot draw unemployment compensation.

One of the cases was that of a Columbus man who became angry, picked up his tools and walked off his job because his foreman reprimanded him for his irregular attendance. The Board ruled him ineligible for benefits for voluntarily quitting his job without just cause.

In a similar ruling the Board suspended a Columbus woman's rights to draw benefits. The woman, a stenographer, stated that she quit her job because she was dissatisfied with her salary since men who performed the same work received a higher rate of pay. The testimony, however, revealed that her wage rate was higher than that of other women stenographers.

A Portsmouth shoe worker was denied benefits when the Board decided she was not justified in refusing to investigate a job opportunity offered by the Ohio State Employment Service, a division of the BUC. The job paid 40 cents an hour as a guaranteed minimum, with an opportunity to earn more under the piecework system.

The woman testified that she was not interested in accepting the job because the pay was too low and she could draw more in unemployment benefits. The Board, however, ruled her ineligible for benefits because she was reasonably fitted for the work and the rate of pay was substantially the same as that prevailing in her locality. After the decision was made the Board was informed that the woman accepted a job with the shoe company to which the Employment Service had originally referred her.
