

Sovjetija, ki je označila organizacijo NATO za sovražno in napadalno, hoče zdaj vanjo

Združene države so nemudoma gladko odklonile ta predlog z motivacijo, da je zgolj manevar, s katerim se hoče Sovjetija dokopati v notranjost obdijne skupne varnosti ter ga odznotraj na izven podkopati.

MOSKVA. — Sovjetska zveza je v sredo izjavila, da je pripravljena vstopiti v Severnoatlantsko obrambno organizacijo — (North Atlantic Treaty Organization — kratko: NATO), če zapadne sile pristanejo, in vstopijo v po Sovjetiji sponzoriran Evropski varnostni sistem, v katerega pa bi bil Nemčiji zabranjen vstop.

Istočasno je Sovjetija pozvala zapadne sile, naj prekličejo in zavrnejo svoj načrt za Evropsko obrambno skupnost, kateri bi tudi Zapadna Nemčija prispevala svoje čete.

To so glavne točke v desetih strani obsegajoči sovjetski notici o Evropski varnosti, ki jo je izročil sovjetski zunanji minister Molotov ambasadorjem Združenih držav, Velike Britanije in Francije.

(Francosko poročilo naznanja, da se nota tudi na široko bavi z grozotami bodoče vojne v sedanji dobi atomskih in vodikovih bomb in po neobhodni potrebi tesnega sodelovanja vele-sil, da se prepreči vojna).

Požar v šoli v N. Y.; 10 šolarjev zgorelo, 23 je bilo ranjenih

Ob pisanju poročila še niso ugotovili vzrokov požara, ki je vpepelil šolo.

CHEEKTOWAGA, N. Y. — V iz lesa zgrajeni Cleveland Hill šoli je nastal v sredo ogenj, v katerem je izgubilo življenje deset šolarjev šestega razreda. devetnajst nadaljnjih šolarjev in trije učitelji pa so dobili opekline, nekateri med njimi nevarne.

Stotine drugih šolarjev in učiteljev High School je srečno izbegnilo ognju, dasi so se nahajali v poslopju tik goreče stavbe, ki pa je zgrajena iz opeke. Trupla smrtno ponesrečenih so našli stisnjena ob zidu oziroma kar je ostalo od zidu sobe, ki je služila kot muzikalni razred. Vse na okoli je ležalo polno razbitih in napol zgorelih gramofonskih plošč.

Predsednik Eisenhower je podpisal zakonski predlog za znižanje sedanjih davkov v sredo ob 3:15 popoldne.

Mr. Eisenhower je dejal, da z veseljem in z vsem srcem podpiše to kompromisno davčno naredbo, ki pomeni takojšnje nižje cene za celo vrsto predmetov in stvari, potrebnih za gospodarstvo in gospodinjstvo, za krznino, zlatnino, telefon, telegraf in še mnogo drugih stvari.

Ta okrnitev je postala polnomočna včeraj, takoj prvi dan po podpisu. Ostali pa bodo še nadalje sedanjih davki na žganje, pivo, vino, gasolin, avtomobile, na cigarete in druge predmete, kateri davki znašajo v skupni vsoti okoli \$1.077.000.000.

Predsednik, ki je preje predlogu za znižanje davkov nasprotnoval, je podpisal listino brez vsakih ceremonij ob 3:15 popoldne.

Arabski legionarji se zlivajo v sveto mesto Jeruzalem

Legionarji se zakopavajo v zakope ob črti, ki deli sveto mesto v dva dela.

JERUZALEM. — Dne 31. marca je pripeljalo več tovornih avtov v Jeruzalemsko staro mesto mnogo arabskih legionarjev, ki so bili opravljeni v popolni bojni opremi in temu primerno oboroženi. Legionarji so pričeli nemudoma kopati jarkove in utrdbe ob razmejitveni črti, ki jo je začrtala komisija za premirje in katera deli mesto v dva dela.

Tuji diplomati, ki so prispeli v izraelski sektor skozi zgodovinsko Mandelbaumsko vrata, so povedali, da prebivalci beže iz svojih hiš in vasi, ki so razkropljene ob razmejitveni črti.

Kakor znano, je mešana komisija za premirje komaj dan poprej obsodila postopek Izraelcev, ki so v jordanski vasi Nahalin pobili 11 Arabcev.

Napetost je privrela do vrha, ko je prispela v mesto Arabska legija pod poveljstvom gen. J. Glubba.

Radioaktivnost v državi Massachusetts

CAMBRIDGE, Mass. — V državi Massachusetts pada že 21 dni radioaktivna dež, kar je posledica hidrogenskih detonacij na Pacifiku.

Instrumenti na strehi Državnega tehnološkega instituta so pričeli zaznavovati radiacijo radioaktivnosti dne 10. marca ter jo še vedno beležijo.

Razni komentarji senatorjev in kongresnikov

WASHINGTON. — Kapitol-ski grič se je v sredo zaprepaščen zgrozil nad strahovito razkrajajočo silo, ki je bila sproščena pretekli mesec na Pacifiku, kjer so razstrelili hidrogensko bombo. Zakonodajalcem je bilo namreč povedano, da je ena sama taka bomba sposobna uničiti mesto, kakršno je n. pr. New York.

Podrobno tozadevno poročilo je podal Lewis L. Strauss, predsednik komisije za atomsko energijo. Amerika in ostali svet sta sprejela to poročilo z mešanim občutjem: strahu se namreč pridružuje upravičena nada, da bo to strahovito orožje zelo oslabilo možnost tretje svetovne vojne.

Odgovori na vprašanja
Po podanem poročilu je Mr. Strauss dejal, da je razpoložljiv za vprašanja. — V odgovor na stavljena vprašanja je dejal, da se hidrogensko bombo lahko izdelava v vsaki velikosti, ki jo zahtevajo vojaške okoliščine; — lahko tako veliko in silno, da uniči celo mesto.

"Vsako mesto? Na primer New York?"
"Da, vsako mesto."
Pozneje je v Beli hiši dejal, da s tem ni mislil, da bi bilo mesto izbrisano, z zemeljske površine.

Naglašena dejstva
V svoji izjavi je Strauss naglašal zlasti sledeča dejstva: REZULTATI, ki so jih upali dobiti znanstveniki ob priliki teh zadnjih eksplozij, so bili v polni meri realizirani in "naši vojaški sil" je bila dodeljena ogromna potencialnost (moč) s tem, kar smo se naučili.

DOBRO SE ZAVEDAMO, da nimamo monopola na možnosti na tem polju.

PREIZKUŠNJA detonacije teh bomb ni v nobenem trenutku spolzela iz naše kontrole in njeni učinki so silnejši kakor se je pričakovalo.

DOSEZEN je bil tudi važen zaključek, da bomo kmalu bolj svobodni pri uporabi te strahotne moči v miroljubne svrhe doma in v inozemstvu.

K besedi so se glasili razni senatorji in kongresniki, ki so razlagali svoje mnenje. Senator Alexander Smith, republikanec iz N. J., je rekel, da je zdaj bolj jasno kot kdaj koli prej, da se moramo potruditi za mirno rešitev vseh mednarodnih sporov.

Kongresnik H. Preston, demokrat iz Georgije, je rekel, da te preizkušnje pomenijo, da verjetno sploh ne bo nobene tretje svetovne vojne.

Senator Francis Case, republikanec iz South Dakote, je rekel, da se moramo potruditi, da dosežemo sporazum in prijateljstvo z vsemi ljudstvi sveta.

Neki uradnik državnega departamenta je prebral časnikarjem izjavo, o kateri je dejal, da je formalna odklonitev predloga, ki ga je predložil v sredo sovjetski zunanji minister Molotov.

"Ta predlog Sovjetske zveze ne predstavlja zaupanja v oči-gled nenehanega železnega oprijema, ki ga izvaja Sovjetska zveza na podložne narode", je rečeno v ameriški izjavi.

"To je samo manevar za izposlovanje vhoda v notranjost obrambnega obzidja Zapada, da se podminira njegova varnost."

V ameriškem odgovoru je tudi rečeno, da pomeni ta predlog prizadevanje za popravno "diplomatske izjavitve", ki so jo doživeli Sovjeti na berlinski konferenci. Odgovor kliče v spomin "dvoje linij napada", ki jih je zasledoval Molotov na berlinski konferenci.

"Prvič, trdil je, da je NATO agresivna organizacija, zato bi morala biti razpuščena.

"Drugič, kot nadomestilo za NATO je predlagal varnostni pakt 32 narodov, iz katerega pa naj bi bile Združene države izključene."

Ker so se ti manevri izjalovili, Molotov "zdaj predlaga da se Sovjetija sprejme v ono isto organizacijo (NATO), o kateri je na berlinski konferenci zahteval, da se jo razpusti.

Mož, ki vodi upornike proti Francozom v Indokini

INDOKINA je danes predmet pozornosti in skrbi vsega sveta, predvsem zunanje politike Zdr. držav, ki se zavedajo njene važnosti za vso južnovzhodno Azijo, nad katero grozi zagospodovati internacionalni komunizem.

Zato ne bo odveč, če seznamimo naše čitatelje s možem, ki je duša tega upora, s sovjetskim agentom Ho Či-minhom na tem delu sveta.

Kakor pri vseh izvensovjetskih komun. poglavarjih, tako je tudi življenje samozvanega komunističnega diktatorja v indokitajski džungli polno pustolovščin. Ho Či-minh je bil rojen pred šestdesetimi leti v mali vasiči dežele Vinh v Anamu. Njegov oče je bil skromen anamitski knez in po očetu je mladi

He podedoval oboje temeljnih lastnosti komunističnih aktivistov: sovražstvo in zavist. Sovražstvo proti Francozom, zavist proti imovitejšim knuezom.

Z osemnajstimi leti je Ho Či-minh postal mornar in prepotoval skoraj vsa svetovna morja. Pri tem se je izučil raznih jezikov, seveda na način in v obsegu, kakor je to primer pri nešolanih ljudeh. Kot dvajsetletni rumenokoži Anamit neznatnega telesnega stasa, se je nastanil seveda v Parizu, ki je bivališče in vežbališče vseh pustolovcev.

Po končani prvi svetovni vojni je prišel na dan s svojim programom. Leta 1919 je mirovno konferenco v Versaillesu bombardiral s spomenicami in za-

hteval na podlagi 14 Wilsonovih točk, neodvisnost Indokine. Kakor mnogi drugi domoljubi, tako je tudi on ostal neusliššan. Zato se je obrnil h komunizmu.

Že kmalu po zaključku mirovne konference se je Ho Či-minh pojavil v Moskvi. Na Leninovi visoki politični šoli je končal revolucionarno šolanje, se izvežbal v sabotažnih podvigih in v likvidacijski tehniki komunističnih nasprotnikov.

Kot izučen revolucionarni strokovnjak je organiziral podtalna gibanja v Bangkoku, Bataviji, Rangoonu, Delhiju in Saingonu. V tem času je tudi ponovno spremenil svoj priimek. Okrog leta 1930 se je pojavil v Bostonu, kjer je veljal kot konzularni uradnik sovjetskega gen. konzulata.

Kmalu zatem so ga poslali nazaj v Azijo s čisto določenimi podtalnimi direktivami. V mestu Hong Kongu so ga Angleži obsodili na dve leti zapor. S posrečenim begom pa si je kazeno znatno znižal.

Po kremeljskih navodilih je organiziral oborožen odpor proti japonskim zavojevalcem, karbal v sabotažnih podvigih in v likvidacijski tehniki komunističnih nasprotnikov.

Priporočamo vedno in povsod veliko pazljivost, to ni dobro samo za druge, ampak prav tako za nas same!

Marec ni prinesel dostiboljšanja

Marec mesec je čas, ki naj bi po besedah predsednika Eisenhowerja pokazal, v kako smer gre naše gospodarstvo. V tem mesecu so splošno pričakovali preobrat na boljše, povečanje gospodarske delavnosti in zmanjšanje števila brezposelnih.

Marec je za nami, vendar kakega občutljivega zboljšanja ni opaziti. Kljub temu pa zgleđa, da federalna vlada nima za zdaj nobenega namena poseči v gospodarski tok. Slika je zdaj še vse preveč nejasna.

Število brezposelnih se v preteklem mesecu, kot vse kaže, ni povečalo, čeprav so bila nekatera nova mesta proglašena za okrožja "z odlično delovno silo." Trgovinski tajnik Sinclair Weeks sodi, da končno število brezposelnih v marcu ne bo doseglo februarjskega 3,700,000.

Življenski stroški so se od srede marca do srede februarja za malenkost znižali. Trgovina na drobno je za dva do tri odstotke manjša v primeri z lanskim letom ob istem času. Poznavalci gospodarskih razmer trdijo, da je to mogoče v zvezi z letošnjo kasnejšo Veliko nočjo, ko ljudje ponavadi kupujejo precej preko običajne mere.

Industrijska proizvodnja se je ustalila, je pa za približno eno desetino manjša od lanske v istem času.

Znižanje nekaterih federalnih prodajnih davkov, ki je stopilo včeraj v veljavo, se bo gotovo poznalo na cenah blaga. Ljudje so na to znižanje čakali.

Brezposelnost je neprijetna zadeva, to vedo posebno tisti, ki so doživeli veliko gospodarsko krizo v tridesetih letih. Prav te slabe skušnje iz preteklosti bode v marsikomu velik strah pred bodočnostjo.

Federalna vlada je obljubila, da bo storila vse, kar je v njeni moči za preprečitev večjega gospodarskega zastoja in porasti brezposelnosti. Po mnenju vlade sedanje stanje ni toliko resno, da bi morala seči po posebnih ukrepih. Šele, kadar bi bilo od vsakih sto rednih delavcev šest ali sedem brez posla, bi nastopil trenutek, ko bi morala po mnenju gospodarskih strokovnjakov oblast poseči vmes. Do tega položaja nismo več posebno daleč, kot kažejo statistike.

Optimisti in zagovorniki vladne politike opozarjajo na dejstvo, da smo v času največje gospodarske delavnosti imeli okoli dva milijona brezposelnih in trdijo, da sedanje število ni nevarno. Po njihovem mnenju moramo dober del brezposelnih računati med take, ki so delo sami pustili in iščejo nove boljše zaposlitve ali pa so se morda selili v drug kraj. Ti ljudje bodo kmalu spet delali, zato bodo pa na njihovo mesto prišli drugi.

Dokler je mogoče delo v kratkem času premenjati, je vse v redu. nesreča nastopi šele tedaj, ko nekdo, ki je delo zapustil ali ga zgubil, ne more tedne in tedne najti nove zaposlitve.

Kadar v nekem kraju naraste število brezposelnih preko šest od sto, tedaj označi Delavski oddelek ta kraj za "okrožje z občutno odlično delovno silo." Število krajev s to označbo se je v teku enega leta podvojilo. Od 149 velikih delavskih področij jih je danes v označeni skupini 34. Oni, ki radi navajajo številke, nas tolažijo s tem, da živi v predelih z omenjenim številom brezposelnih komaj 13 od sto vsega ameriškega delavstva, med tem ko živi tri četrtine ljudi v krajih, ki brezposelnosti skoro niti ne čutijo.

Vse te številke morejo biti lepa tolažba onim, ki jih preračunavajo, delavcu pa, ki hodi od vrat ene tovarne do druge, ne nudijo nobene opore.

Ne smemo pozabiti, da niso vsi brezposelni upravičeni prejemati brezposelnost podporo. Prenekateri jo je že izrazil, drugi pa morda do nje ni bil opravičen. Od tri in pol milijona brezposelnih, kot jih navaja vlada, jih prejema podporo za brezposelnost samo okrog dva milijona in četrt.

Zelo je poraslo v zadnjih mesecih tudi število samo delno zaposlenih, ki ne prejemajo nobene podpore in jih statistike ne štejejo kot prizadete po gospodarskem zastoju. Velik del teh ljudi je delno zaposlen čisto iz osebnih razlogov, tega gotovo ni mogoče zanikati, veliko pa jih je tudi, ki so samo delno zaposleni proti svoji volji. Od decembra lani pa do letošnjega februarja je število delno zaposlenih narastlo od 8 na 11 milijonov. Iz tega skoro lahko sklepamo, da je vsaj tri milijone takih, ki niso delno zaposleni po svoji volji.

Sedanji gospodarski zastoj pa kljub vsemu pisanju po časopisju in kljub vsem skrbem onih, ki dela nimajo, še ni dosegel onega pred štirimi leti.

Običajno vsako leto v marcu zaposlenost poraste; podjetja dopolnjujejo svoje zaloge, tovarne imajo dosti dela. Od marca pa vsaj do junija ali julija ni velikih sprememb.

Pri presojanju števila zaposlenih, oziroma nezaposlenih moramo upoštevati tudi to, da se število delovne sile v Ameriki vsako leto z rednim prirastkom prebivalstva poveča za več kot pol milijona. Če bi gospodarstvo ne napredovalo in se širilo, bi število brezposelnih stalno naraščalo.

Marec v splošnem torej veliko sprememb letos ni prinesel, federalna vlada pa bo nemara vseeno še počakala kak

mesec, preden bo kaj ukrenila. Z ozirom na jesenske volitve je računati, da bo posegla vmes šele sredi poletja ali celo kasneje, da brezposelnost ne bo občutna v času volitev. Oni, ki bodo brez dela, bodo za svojo nesrečo dolžni vlado in bodo volili njene nasprotnike. Zato je razumljivo, da se bo ta v onem času potrudila, da bo število nezadovoljnih tedaj čim manjše.

Pa ne samo zaradi volitev, vlada se bo potrudila preprečiti vsak večji gospodarski zastoj tudi zaradi mednarodnega položaja in velikega vpliva, ki bi ga imel tak zastoj v Ameriki na ves svobodni svet.

Za zdaj torej še ni treba nikomur zgubljeni poguma.

BESEDA IZ NARODA

Cleveland, O. — V nedeljo jutraj pri osmi maši se bo začel v cerkvi Sv. Vida v Clevelandu sv. misijon. Misijon bo trajal ves teden. Vodil ga bo med ameriški Slovenci dobro poznani "pojoči misijonar" Rev. Odilo Hanjšek. Vsi govori bodo v slovenskem jeziku. Spored bo sledeč:

ZAČETEK v nedeljo dne 4. aprila ob 8. uri jutraj. Večerne pobožnosti skozi ves teden ob 7:30. Svete maše med tednom s kratkim nagovorom ob 5:30 in 8:30 jutraj.

SKLEP sv. misijona: v nedeljo 11. aprila ob 2:30 uri popoldne. Pri sklepu pete litanije Matere božje, papežev blagoslov in obnovitev krstne obljube.

Dr. Mihi Omanu v spomin

Sv. Štefan, Minn. — "Zakaj smo pripeljali pokojnikovo truplo 1,000 milj daleč?" je dejal Tvoj brat, msgr. Oman, v svojem poslovnem govoru, potem ko je v Tvoji dušni mir opravil pogrebno peto sveto mašo.

Zakaj? Tu pri sv. Štefanu si se rodil, tu si skakljal po livadah, tu si začel hoditi v šolo. Tu si živil toplo ljubezen svoje mame Terezije, svojega očeta šimna ter svojih bratov in sestra. Bil si ljubljencek svojih dragih, pa si želel, da poleg njihovih trupel počiva tudi Tvoje.

In tako bi s pesnikom dejal, da se Tebi je želja spopolnila, "v zemlji domači da truplo leži."

Pokojnikovo truplo so pripeljali k Sv. Štefanu v torek, 16. t. m., popoldne in ga položili na mrtvaški oder v župnišču, kjer mu je pokojnikov nečak, župnik g. Edvin Oman pripravil zadnje počivališče.

Zgodaj popoldne so začeli prihajati sorodniki iz rodu Omanovih in Blenkuševih ter drugi, da se poslovo od svojega brata, strica, bratranca. Prihajali so drugi, da se poslovo od svojega prijatelja in znanca. Prihajali so od blizu in daleč, da podajo izraz spoštovanja pokojniku in toplo besedo tolažbe preostalom.

Pokojni dr. Miha Oman je bil najmlajši izmed 11 otrok Terezije in šimna. Ljubezen, ki jo je živil doma, mu je pritisnila poseben pečat: bil je zelo vesele in dobrovoljne narave, pri tem pa izredno znatizeljen in natančen. Komaj se je naučil brati, že je prebrskal vsako knjigo in vsak listič, ki ga je dosegel. Takšen je ostal vse svoje življenje tako v študiju kot v praksi. Zato so ga njegovi pacienti ljubili in spoštovali. Zato ga je K.S.K.J. postavila za svojega vrhovnega zdravnika. V svojem poklicu se je posebej posvetil porodništvu. Koliko dobrega je v tem svojem delovanju storil materam in novorojenčkom, ko je v trdi uri bolečine lajšal s svojim znanjem in s svojo vednostjo!

Pred nekako 30. leti je tudi sam zaželel, da si ustanovi družino. Stopil je do svojega brata Johna, ki je bil župnik pri sv. Lovrencu v Clevelandu in mu odprl svoje srce.

In tako je v poročni knjigi župnije sv. Tomaža v Clevelandu zapisano, da je župnik John Oman poročil svojega brata Miho z Evelyn McDonald. Poroč-

stvo med sv. mašami, dokler bodo spovedanci, vsako popoldne od 3 do 6 ure, vsak večer po pobožnosti.

Ne zamudite misijona v tem svetem Marijinem letu, ki naj bo leto posebnih milosti za naše duše. Pripeljite tudi svoje znanke in prijatelje. Posebno tiste, ki se držijo stran od cerkve. Vsak bo dobrodošel in bo z ljubeznijo sprejet.

Sporočite na župnišče naslove tistih, ki se zaradi starosti ali bolezni ne bodo mogli udeležiti misijonskih pobožnosti v cerkvi. V času misijona bodo lahko na domu prejeli sv. zakramente.

Father Baznik.

ni priči sta bila dr. Mali in njegova soproga. Novoporočenca sta ostala brez otrok, kar jima je grenilo veselje.

Pokojni je zelo rad prihajal v svoj rojstni kraj. Vselej je obiskal grobove svojih roditeljev in sorodnikov, poslednjičkrat ob zadnjem božiču. Zdal je še sam legel poleg njih.

Pogrebno peto sveto mašo je daroval pokojnikov brat Msgr. John Oman, asistiral pa sta: pokojnikova nečaka domači župnik g. Edvin Oman in g. Matija Blenkuš, župnik iz Denverja, Colo., ter ljubljanski kanonik g. Koretič, sedaj duhovnik v Breckenridgu, Minn.

Domači pevski zbor, v katerem je sodelovalo pet pokojnikovih sorodnikov, je ob koncu zapel žalostinko "Blagor mu, ki se spočije." Toda globljejša od te žalostinke je oni del Predglasja (Praefatio) v črni sveti maši, ko mašnik zapoje:

"... Vita mutatur, non tollitur..."

Da, dragi Miha, v tem je naša tolažba: življenje Ti ni bilo odvzeto, le drugo, večnostno obliko si je privzelo.

Kakor si Ti sedaj spet našel svojo mamo, svojega očeta in druge, tako bo Tebe nekoč spet našla Tvoja Evelyn! Našli Te bodo spet Tvoji bratje in Tvoje sestre, Tvoji nečaki in Tvoje nečakinje ter vsi drugi, ki zdaj žalujemo za Teboj, kajti: "Vita mutatur, non tollitur!"

Počivaj v miru, dragi naš zdravnik dr. Miha Oman!

Naj še omenim, da so domačini po pogrebu gostoljubno pogostili pogrebce z izvrstnim kosilom. Ob tej priliki so si pokojnikovi bratje in sestra, nečaki in nečakinje, vsaki in vsakinja, vsi drugi sorodniki, prijatelji in znanzi iz Ohio in Illinois, Minnesota in Colorada ter Californije iskreno želeli, da bi se tu pri sv. Štefanu sestali vsaj enkrat še, preden neizprosna, ledeno mrzla bela žena spet poseže med nje!

Slovenske knjige

Cleveland, O. — Opozarjam, da ima Slovenska pisarna na Glass Ave. na zalogi še precej knjig lepega življenjepisa škofa Jegliča. Knjiga je vezana zelo okusno in tako polna življenja, da se bere kot kak roman. Prav tako je na razpolago še več izvodov življenjepisa p. Leopolda, ki so ga mnogi z veseljem prebrali. Preprosto in globoko življenje pionižnega patra napravljajo na človeka globok vtis.

"Med Scilo in Karibdo" je knjiga morda z malo čudnim naslovom, toda v njej je opisano življenje študenta Lovrenčiča, ki se je z muko in težavo prebil skozi šole in stopil v krog slovenskih pisateljev. Ne bo ti žal, če boš prebral te strani, ki so zelo toplo pisane.

Post je, čas, da malo pozabiš na svetne težave in premisliš, kako so bili povezani z Bogom David in cerkveni pesnik. Cerkevna pozicija je knjiga, ki bi ne smela manjkati v nobeni slovenski hiši.

K. Mauser.

— V Združenih državah porabijo letno med štirimi in petimi milijoni unč kinina, zdravila, ki ga uporabljajo prvenstvo proti mrzlici.

spevkom, ki ga darujemo za Katoliški dom, jih podpremo ne le materijalno, ampak jim nudimo tudi moralno oporo v njihovem prizadevanju: ohranjevati in uveljavljati med slovenskim narodom katoliška načela in slovensko kulturo. Tuje sile se dobro zavedajo važnosti njihovega obstoja: saj je to košček slovenske zemlje, ki ni pod komunističnim jarmom. Bolj kot kdaj koli prej se številni nasprotniki zaganjajo v njih! Na eni strani je italijanska vlada, ki noče razumeti dejstva, da je to slovenska dežela, kateri bi mogla priznati vse tiste pravice, ki jih uživajo narodne manjšine drugod po svetu. Drugi nasprotniki je komunizem ruske in jugoslovanske oblike, ki s pomočjo denarja in drugih sredstev skuša prepričati naše ljudstvo o pravičnosti njihovega pokreta. Tretji in najnevarnejši nasprotnik pa je čisto nova spletka jugoslovanskega režima, ki se na hinavski način skuša uriniti v katoliške organizacije in tako zapeljati katoliške Slovence na stran pota.

Zato ne pustimo naše brate na Primorskem omagati; z našim prispevkom pokažimo, da Ameriški Slovenci stoje na njihovi strani.

Prispevke pošiljajte na: Sklad za Slov. kat. dom v Gorici, 7505 Myron Ave. Cleveland 3, Ohio.

Mi pristoji?

To vprašanje stavljamo zelo rade svojim prijateljicam, kadar kupujemo obleko, obutev, pokrivala ali karkoli drugega za nošo.

Iz leta v leto prihajamo bolj in bolj v nekako enotno povprečno nošo, ki nas napravlja v javnosti in doma, vsaj kar zadeva zunanost, vse bolj in bolj enake. Razlika bo skoro omejena le še na vrsto blaga, iz katerega so obleke narejene. Ta pojav je posebno opazen v Ameriki, kaže se pa tudi drugod po svetu. Tako so na primer vsi krojilci pariške ženske mode določili za letošnjo pomlad neke vrste mor-nariški ovratnik, čeprav je vsak od njih ustvarjal za zaprtimi vrati in svoje stvaritve čuval kot največjo skrivnost. Podobno je v barvah. Pri vseh prevladujejo leta letos roza in modra.

Izbira v narejenih krojih in vzorcih je vedno manjša in zelo težko najdemo kaj takega, kar bi popolnoma odgovarjalo vsem našim zahtevam in željam. Na vse zadnje hoče vsaka izmed nas imeti nekaj takega, kar druge nimajo, kar nismo že videle sto in stokrat na cesti. Žena ali dekle s samostojnim značajem pokaže to svojo svojost tudi v svoji noši. Po čem se pri tem odločamo?

Neka Angležinja si je naročila pri šivilji oziroma krojaču nekaj praktičnega za potovanje. Ta ji je napravil čeden kostum in odgovarjajoč plašč ter ji priporočil mali, glavi se prilagojuči klobuk. Pri tem je dejal: "In prosim — ja nobenih peres! Z letalom letite lahko tudi brez peres!"

Takih in podobnih pripomb slišimo v modnih trgovinah dosti, čeprav nam hočejo prodajalke vriniti in prodati vse mogoče stvari.

Elegantna obleka je eno, ljubka je drugo. Elegantne obleke so verjetno za večino nas predrage, ljubko pa smo lahko oblečene vse, če le znamo.

"Mi pristoji?" To je važno vprašanje. Še važnejši pa je odgovor nanj. Vsaka izmed nas ima svoj okus, ena boljšega druga slabšega. Predno se torej za kako stvar končno odločimo, premislimo dobro, če je v skladu z našo pojavo, pa tudi leti in kar je najvažnejše, če nam je všeč. Važno je, da je obleka všeč nam, ne naši prijateljici. Me jo bomo nosile, pa si pri tem morda večkrat jezile, če smo se pri nakupu ravnale po prijateljici-nem okusu namesto po svojem. Ne pozabimo tega, kadar sprašujemo: "Mi pristoji?" — Poslušajmo mnenje, ravnajmo se po svoji glavi!

Najdebelejša mandarina

V Bodrumu na Turškem so imeli nedavno kmetijsko in sad-jarsko razstavo, kjer so ljudje posebej občudovali čez pet funtov težko mandarina, ki je zrasla v nekem skrbno oskrbovanem pomarančnem nasadu. Bila je debela skoro celih 12 palcev. Vsekakor lepa debelina in vendar bi skoro ne dvomila, da je kaj takega mogoče doseči tudi v Kaliforniji ali Floridi.

Banane so se udomačile šele koncem preteklega stoletja

Banane štejemo danes med sadeže, ki so posebno pri nas v Ameriki večkrat na mizi. In vendar še ni tako daleč čas, ko jih navaden Amerikanec sploh poznal ni. Na trgu so se pojavile pred nekako 70 leti.

Dotlej so bile banane divje rastline, za katerih sadeže se ljudje niso menili. Domačini na Jamaici in okoliških otokih so nabirali njihovo listje in si z njim pokrivali dolnji del telesa. Pred sedemdesetimi leti je pripeljal neki pomorski kapitan prvi tovor banan v Ameriko in ga dobro prodal. Novi sadež se je naglo priljubil. Sedaj goje banane v velikih dobro oskrbovanih nasadih tropskih dežel. Ni so pa vse vrste banan užitne, zato pa služijo njihovi listi v industriji kot odlična surovina.

Razno

Česen ne smemo nikoli predolgo pražiti. Dovolj je, če ga le nekoliko popečemo, nato pa zalijemo, sicer jed nima prijetnega okusa.

Dr. Val. Meršol:

Bolečine v prsih (Nadaljevanje.)

Mehurčasto živčno vnetje ali herpes zoster (shingles) je pravzaprav dvojna bolezen: bolezen kože in živca. Zato se razlikuje od drugih vnetij živcev, pri katerih je bolan samo živec, koža pa je čista in brez kožnega izpuščaja.

Mehurčki na koži se le počasi celijo: najprej je njihova vsebina prozorna, čez par dni navadno postane motna, gnojna. Nato se mehurčki začno sušiti, njihova višina se zmanjša, končno je vidna samo krasta, gnojna vsebina pa se je razšla. Cel kožni potek boleznij traja na v a d n o okrog 3 tedne. Kraste se posušijo in odpadejo, na njihovem mestu pa so še več mesecev ali celo let vidne majhne brazgotine, posebno, če je bolnika jako srbelo in se je praskal.

Poleg kožnih znakov boleznij je važno tudi vnetje enega ali dveh ali celo treh medrebrnih živcev, ki povzročajo bolniku hude bolečine, ki trajajo včasih tudi več tednov ali celo mesecev. Bolečine čuti bolnik včasih v poteku celega živca, od hrbtenice, od koder izhaja živec in poteka ob rebro, vse od sredine hrbta do prsnice ali prsne kosti spredaj. Vsak medrebrni živec oddaja v svojem poteku vsaj 2-3 krajše živce, ki prinašajo gibalna živčna vlakna okolnim mišicam in pa občutna živčna vlakna koži, ki se nahajajo na površini telesa, ki je dodeljena dotičnemu medrebrnemu živcu.

Zato ni čudno, da pri mehurčastem vnetju medrebrnih živcev bolnik čuti silne bolečine ob celem potoku živca, zlasti pa v bližnjih mišicah in na koži. Te bolečine v večini primerov bolnik čuti še mnogo tednov in mesecev potem, ko je koža že postala zdrava in ni tam ne mehurčkov, ne krast.

Prav radi tega, da bi se bolezen čimprej pozdravila in da bi se živčne bolečine ne vlekje v nedogled, je potrebno, da gre bolnik, ki ima mehurčasto vnetje živca, čimprej k zdravniku, da točno ugotovi bolezen, da da potrebne injekcije in čedri ostalo zdravljenje, ki je potrebno, da se bolezen čimprej in čim popolnejše pozdravi. Sedaj imamo posebno v Ameriki izvrstni B vitamin ali thiamin, ki je odlično zdravilo za razna živčna vnetja. Zanimivo je, da ta vitamin mnogo hitreje deluje, če ga da zdravnik bolniku v obliki injekcije pod kožo, ali bolje v žilo (potrebno je v večini primerov 3-6 injekcij, po ena vsak drug dan), kakor pa, če bolnik B vitamin ali živčni vitamin uživa v tekočini ali v obliki pilul med hrano.

Dr. Josip Gruđen:

Zgodovina slovenskega naroda

II. Doba državnega absolutizma in centralizacije

Od Ferdinanda II. do Leopolda II. (1619-1792)

4. Kruci na Štajerskem. Jožef I. in Karel VI.

Za vlade Karla VI. je bila tri hčere, Marija Terezija, Marija habsburška oblast na vrhuncu. Na Ogrskem so se nje meje razširile do Save in Donave, v Italiji in na Nizozemskem so se ji pridružile nove pokrajine, in po najoddaljenejših morjih je vladala avstrijska zastava. Tembolj je moral Karol skrbeti za to, da združi te raznolike dele svoje monarhije v stalno, nerazdružljivo celoto in zagotovi svojim potomcem nemoteno nasledstvo v vseh kraljestvih, krovovinah in deželah, ki niso imeli doslej nič skupnega, kakor le vladarsko hišo. To se je zgodilo s pragmatično sankcijo.

Ze cesar Leopold je l. 1703, ko je odhajal njegov sin na Špansko, sklenil z obema bodočima vladarjema, Jožefom in Karolom, rodbinsko pogodbo, po kateri sta imela oba brata s svojimi potomci po zakonu pravo rojenstva pravico nasledstva za vso habsburško monarhijo in istotako njune hčere, ako bi ne bilo potomcev. V tej pogodbi so uveljavljena vsa tista načela, ki jih je pozneje proglasila pragmatična sankcija.

Za Karla je bilo nasledstveno vprašanje tem važnejše, ker je bil zadnji moški Habsburžan. V prvih letih njegove vladavine potreba še ni postala nujna, tem manj, ker je cesar l. 1716. dobil sina Leopolda, čigar rojstvo so avstrijski narodi z veseljem pozdravili. Ko je cesarjevič čez nekaj mesecev umrl in nje so se mu pozneje rodile le še

kler boe hkrati tudi avstrijski.

Hrvatska pragmatična sankcija torej poudarja tesno zvezo hrvatske kraljevine z avstrijskimi deželami ne glede na svoje zaveznike Ogre. S tem saborskim ukrepom se je nasledstveno vprašanje sprožilo tudi za druge dežele, dasiravno je preteklo še precej časa, preden se je končno rešilo. Treba je bilo dolgotrajnih pogajanj s stanovni posameznih dežel.

L. 1720. je predložila osrednja vlada deželnim zborom besedilo pragmatične sankcije z zahtevom, do jo sprejmejo kot neizpremenljivo, za vso bodočnost veljavno pravilo, po katerem se je treba ravnati v vseh okoliščinah. Hkrati je bil označen njen glavni namen, namreč stalna in nerazdružljiva zveza vseh kraljestev in kronovin.

Stanovi Notranje Avstrije so se meseca junija zbrali v svojih deželnih zborih in soglasno sprejeli predloženi jim zakon. Kranjci so izjavili, da se jim zdi "nerazdružljiva zveza monarhije od božje previdnosti dana odredba". Korošci so izrazili nado, da pragmatična sankcija ne boe v kvar njihovim deželnim svoboščinam. Isto so poudarjali Štajerci, ki so še predlagali, naj bi se zakonitim potom proglasila tudi katoliška religija za edino priznano veroizpoved.

Pomladanski koncert Glasbene Matice

Cleveland, O. — Kot že oznanjeno bo Glasbena Matica podala svoj pomladanski koncert 11. aprila ob 4. pop. v Slovenskem nar. domu na St. Clair Ave.

Danes naj se seznanimo z enim najlepših delov sporeda tega res odličnega koncerta. Višek sporeda bo brezdomno kantata "Jefftejeva prisega," delo priljubljenih pesnika Simona Gregorčiča in skladatelja Hugolina Sattnerja.

"Jefftejeva prisega" nam govori o zgodovinskem dogodku iz 12. stoletja pred Kristusom, bitki med Izraelci in Amoniti.

Junaka Jeffteja epična hrabrost in očetovo žrtvovanje nista mogli biti bolj realistično opisani ko ju je vpisal naš pesnik Simon Gregorčič. Poglejmo si jo:

Jefftejeva prisega

Na boj, na dirje Amonite,
sovražnike rodu srđite,
je Jeffte hrabro četo zbral;
na meji, glej, sovražnih tal
kleči glavar na travi rosni,
da zmago bi mu Večni dal,
v usodni vojski smrtonosni.

Molitev

O čuj me, bojnih trum Gospod,
usliši mojo ti molitev,
otmi svoj sveti rod!
Ti vodi ga v zmagalno bitev,
dodeli srečno mu vrnitev.
In to prisezam! Prvo stvar,
ki po dobljeni slavni zmagi
me sreča na domačem pragi,
zakoljem tebi v žgalni dar,
usode vojske gospodar!

Tako priseza vodja trum,
Glavarja čuje hrabra četa
in srca že popreje vneta,
navdihne nevkrečen pogum.

Boj

Kadar se v gori vtrga plaz
kedoli mu zastavi gaz?

Ko tenke bilke trdni hrasti
se morajo vloniti, pastil!
A stokrat huje od plazov
se Jeffte s četo zadrvi na vrste,
Amonske sinov.

Kako so tam kovala jekla,
je kri v potocih tekla,
na črna tla junaška kri.
Kot za žanjico snopi
leže vojakov tropi
požela jih je srepa smrt
sovražnik je pobit in strt.
In zmagovit na tla domača
se Jeffte s hrabro četo vrača,
Oj to ti je ponosen god
za te, o Jeffte in tvoj rod.

Proslava Jeffteja

Slavi te Izrael vesel,
ker sveti dom si mu otel,
Do meje ti naproti vreje,
nastilje palmove ti veje.
In vrsta venčanih devic
na cesto troji ti cvetic
in poti polja in vasi povsodi,
mrgole ljudi:

visoki, nizki, stari, mladi,
zmagalca videli bi radi,
ki trume je sovražne zmel.

Izmej ljudi na mlado rame
tu mati malo dete vzame:
Glej, on je Izrael otel!

In starček od veselja plaka,
gledaje slavnega junaka
in sto glasov grmi:
Rešitelj Jeffte naj živi!

Vse sveti se domači krov,
zidovje se beli naproti
in zdaj v mogočni prelepoti
pred njim stoji ves dom njegov.

In glej mladenek zbor,
slavilno pesem prepeva,
srebrne strune prebira,
privre čez prag na beli dvor.

Pred njimi pa v obleki snežni
v naročaj Jeffteju hiti
kot na perutih angelj nežni,
otrok njegov, edina hči.
Jeffte, glej, je mrtvobled,
iz lic je preč življenja sled!
Ne kroži se očetu roka

v ohjem pristrčnega otroka.
Junak, ki groze ne pozna,
kaj zdaj kot listje trepetaj?
"OH, NE PREMIŠLJENA
PRISEGA!"
Obupno oča zaječi,
da grozno se okrog razlega,
da mraz pretresa vsem kosti.

Jeffte

Joj, ti nesrečni otrok moj,
še bolj nesrečen oča tvoj,
ki kriv brezmejnega je zlega!
Umreti moraš, hči, umreti
v življenja polnem cveti:
prisegel sem, da prva stvar,
ki po dobljeni slavni zmagi,
me sreča na domačem pragi,
Bogu bo dana na oltar;
in tebe, o j otrok predragi,
nebo izbralo si je v dar!

Veliko terjaš o nebo,
veliko od očeta!
Odpusti dete mi ljubo,
zgoditi mora se tako:
Prisega grozna je, pa sveta!
In izvrši prisego oče,

in pade dekelce mlado
a oče in ves narod joče.

Ali ni res mično besedilo? Prav tako lepa je glasba!

Toliko za danes, še več o programu prihodnjič! Ne pozabite na vstopnice. Dobe se kot navadno pri članih Matice, v Orazmovi slaščičarni in pri pevovodju Anton Šublju v SND na St. Clair Ave.

Tito podpira kitajske komuniste

Jugoslavija je nedavno otvorila pomorsko zvezo med Reko in Hongkongom na Kitajskem. Titovci so menda napravili tajni dogovor z Madžarsko in Českoslovaško, da bodo prevažali njihovo blago na Kitajsko. Vest sta prinesla časnikarski družbi AFP in "United Press." Ker je vzbudila na zahodu precej pozornosti, so se titovci začeli izgovarjati, da trgujejo s komunistično Kitajsko tudi druge zahodne dežele.

Naznanilo in Zahvala

Z globoko žalostjo v naših srcih naznanjamo vsem sorodnikom in prijateljem tužno vest, da je kruta smrt nenadoma iztrgala iz naše srede našega nadvse ljubljenega soproga, očeta in brata

VINCENT PRPROVICH

Blagopokojnik je nepričakovano umrl, zadet od srčne kapi, dne 19. marca 1954. Dotični dan je še delal in domov prišedši se je vsedel, da bi čital časopise, ko je nenadoma omahnil in izdihnil svojo dušo.

Pogreb se je vršil dne 23. marca iz pogrebnege zavoda Frank Zakrajšek in Sinovi, kjer so se vršili pogrebni obredi, in nato smo položili njegovo truplo v naročje materi zemlji k večnemu počitku na pokopališču Calvary.

Pokojnik je bil star 66 let. Doma je bil iz sela Karlovac, okraj Krizovlan, odkoder je prišel v Ameriko pred 47 leti. Bil je član društva sv. Josip št. 99 H.B.Z., kluba Ljubljana v Euclidu, in podr. št. 5 Slov. moške zveze, ter dramskega društva "Naša zvezda" in delničar Slov. nar. doma na St. Clair Ave. ter Ameriško jugoslovanskega centra na Recher Ave. Zelo se je zanimal za društveno in kulturno delo ter je rad sodeloval in pomagal za dobrobit naroda.

V dolžnost si štejemo, da se tem potom iskreno zahvalimo vsem onim, ki so položili krasne vence cvetja h krsti blagopokojnika njemu v zadnje slovo, nam pa je bilo v dokaz, da ste ga ljubili in spoštovali ter v tolažbo v naši tugi.

Iskrena zahvala bodi izrečena vsem, ki so darovali za sv. maše, ki se bodo brale za mir in pokoj njegove duše.

Prisrčna hvala vsem, ki ste prišli pokojnika pokropiti, ko je ležal na mrtvaškem odru.

Hvala vsem, ki so dali svoje avtomobile brezplačno v poslugo pri pogrebu.

Lepa hvala pogrebem, ki so nosili krsto, kakor tudi vsem onim, ki so pokojnika spremili k večnemu počitku na pokopališče.

Zahvalo naj sprejmejo vsi oni, ki so darovali v gotovini za razne dobrodelne namene.

Dalje bodi zahvala izrečena članom društev za vso naklonjenost in izraze sožalja ter za spremstvo pokojnega na pokopališče.

Enako najlepša zahvala tudi Rev. Varga za opravljene pogrebne obrede v pogrebem zavodu.

Bodi vsem sorodnikom, prijateljem in sosedom, ki so nam bili v pomoč in tolažbo, ko nas je zadela kruta smrt, izrečena naša iskrena zahvala. Hvala vsem onim, ki so izrazili svoje sočutje, pismo ali osebno, kakor tudi vsem, ki so izkazali svoje prijateljstvo na en ali drugi način. Hvala vsem stotero za vse, kar ste nam dobrega storili.

Posebno zahvalo tudi izrekamo Mr. Victor Chase iz New Yorka, Mr. John Savarin in Mrs. Borak Ščurič iz Pittsburgha, Pa., ki so prišli na pogreb.

Tebi, preljubljeni soprog in oče ter brat, pa kličemo: počivaj v miru v svobodni ameriški grudi. Tako naglo si se moral posloviti od svojih dragih, ki si jih ljubil in ki so Tebe ljubili. Zaman se oziramo, da bi Te zagledale naše oči, a dragega pokojnika ni od nikoder. Žalostna so naša srca, a tolažimo se, da enkrat se vsi skupaj zopet snidemo tam gori nad zvezdami za vekomaj.

Počivaj v miru — snivaj sladko večni sen!

NAPOLEON

ZGODOVINSKI ROMAN

DRUGA KNJIGA
HUDOURNIK

Zdaj zasede Dunaj drugič brez boja, nastani se v Schoenbrunn v istih sobah kakor pred leti. Ali vojna še ni končana.

Kajti, kar se med tem dogaja v njegovih prostranih državah, se obrača zoper njega in daje sovražniku pogum. Iz Španije prihajajo neprijetne vesti, v Gornji Italiji se Eugene bojuje nesrečno in ker mora hkratu Murat udariti iz Neapolja, opravi rimski cesar z Rimom tako na kratko kakor nekoč Hohenstaufenc. Pred štirimi leti je prav pri tej pisalni mizi z eno potezo uničil neapoljsko kraljevsko hišo. Zdaj stori s papežem prav tako. Ker mora njegov meč sekati na vse strani, se cesar ne vprašuje več po moralno-političnih posledicah in tvega ta nevarni edikt skoraj samo zaradi tega, da lahko združi svojo italijansko armadi.

A tudi iz jeze. V početku leta se je sredi Španije domislil, kako ga je Rim užalil: "Vatikan je bil lansko leto tako nesramen, da nam ni poslal blagoslovljenih sveč, ki jih pošiljo drugim vladarjem. Pišite v Rim, da jih poslej ne želimo več ne zase ne za ostale tri kralje naše hiše. Zaupajte sveti stolici, da

prejemam ob svečnici blagoslovljene sveče od svojega duhovnika in da škrlat in oblast ne dajeta vrednosti tem stvarim. V deželi senc bodo prebivali prav tako župniki kakor papeži! In sveča, ki jo je posvetil moj duhovnik, bo prav tako sveta stvar kakor papeževa! Ne maram njegovih sveč in vsi principi moje hiše jih morajo odklanjati!"

Tako pribija kakor kak protestant, kakor kak revolucionar. To je bil Napoleon sredi močvirja španskih poti in bojev. V Schoenbrunnu zdaj kratko malo odstavi svetega očeta kot posvetnega kneza, ga omeji na Vatikan in mu določi dva milijona rente.

Marsikdo v cesarjevi okoliici se prestraši; med njimi je mnogo pobožnih katoličanov in čez pet dni je sveti binkoštni praznik. Ali ni to izzivanje Boga? Kdor vero stopnjuje v praznovanje, lahko kmalu najde takim čuvstvom potrdila: čez pet dni, na binkoštno nedeljo je Napoleon prvič premagan.

Bitko pri Aspernu in Esslingu je moči smotrati za neodločeno, nikakor pa je ni mogoče šteti med uspehe. Če se je tu med bojem podrl veliki donavski most, se je podrl prav tako slučajno in prav tako neslučajno, kakor so se vršile vse tiste božje improvizacije, s katerimi je zmagal pri Lodi, Rivoli in Marengu. Eden izmed njegovih mladostnih prijateljev, maršal Lannes, pade. Cesar hiti k umirajočemu in pripoveduje se, da so pogledi in besede starega tovariša sovražno merili nanj. Tisti večer sedi dolgo sam in nem pred svojo večerjo, nikogar ne vidi.

"Premagan? Premagljiv?" si misli in strmi predse. Ali je strel rnil Ahilu samo peto? Strelec je bolje meril nego Talleyrand. Ne, sam sem kriv. Prekoračiti reko vprico sovražnika: preveč tvegano! Lannes je imel prav, bil je že napol onkraj. Kaj pravi Pariz? Kako poročati o bitki v Pariz? Nemiren se vrne v Schoenbrunn. Ogronomni, samotni grad sredi sovražne dežele. Poljakinja! Če bi imel pri sebi lepo Walewsko! Ona sedi tam daleč, globoko na Poljskem, v gradu in je v mislih pri njem.

Lansko leto le ni dobila otroka. In pošlje ponjo.

Tedaj pride iz Rima čudna vest. Ko je moral papež izročiti svojo posvetno oblast, je takoj odgovoril s tem, da je Napoleona preklel. Ali se cesar tega ustraši? Smeje se. Smeje se temu katoliškemu srednjemu veku. Kot vojak in kot mož, ki se je ustvaril sam, si misli:

"Maščevanje za to, ker sem v Notre-Dame sam posegel po kroni, dočim je sveti mož upal, da jo bom vzel iz njegovih rok? In kaj je sveto? Dvomljivo je, ali je Kristus kedaj živel; gotovo je samo to, da se da izkoristiti. Prekletstva pa se v teh vse preveč prosvitljenih časih boje samo otroci in dojlje Ali me niso proglasili za brezpravnega že 18. Brumairja in tudi že na Korziki? Take komedije prinašajo srečo!"

V vidno posvečenem razpoloženju pripravlja sovražniku udarec na Moravskem polju in premaga vnovič, kakor že v tridesetih bitkah, pobožnega nadvojvoda Karla s svojim prekletim orožjem. Proti koncu te dvodnevne bitke, ko vse poteka v lepem redu in ko čuti, da njegove prenapete moči pojejo, mu razgrne Mameluk na bojišču medvedji kozuh; Napoleon mu ukaže, naj ga čez dvajset minut prebudi, in vstane osvežen točno ob uri. Zdaj je vojna končana, premirje sklenjeno. Prihodnji dan sporoča ženi o novi zmagi in pristavlja: "Čisto sem ogorel." Znova okrepjeno, pomlajeno razpoloženje.

Ko se vrne v Schoenbrunn, najde Poljakinja. Koliko lepši žensk je že tu huškalo skozi tajna vrata in skozi molčeče sobe tega neskončnega gradu, da so poživiljale Habsburžane! Zdaj zove pustolovec od sredozemskega morja grofico, ki stanuje v bližini, vsak večer k sebi in vsak večer zabičuje svojemu komornemu slugi, naj gleda, da se ji ne bo na slabi poti kaj primerilo. Tako prebije z njo drugi tri mesece. To je obljubil sebi in nji v Fineckensteinu, le kje in kdaj, je bilo odvisno od svetovne zgodovine, ta pa ni vedno odvisna od njega.

Čez nekaj tednov začuti Walewska, da bo mati. Ali mu bo storila uslugo, ki jo že dvanajst let prosi od žensk in ki jo je prejel samo enkrat? Tako dobi idila novo vsebino. O polnoči 15. avgusta pričakuje svoj štirideseti rojstni dan in njenem objemu in premišlja, kako bo do jutri v Parizu in v vseh deželah njegove oblasti topovi in zvonovi slavili ta dan, na katerega je nekoč uslužni papež prestavil god svetega Napoleona.

In zdaj se morda vendarle nekoliko čudi, da je danes njegov prvi gratulant dvajsetletna lepotica, ki ne govori nobenega izmed njegovih dveh jezikov pravilno in ki sploh lepše govori z očmi nego z glasovi. Morebiti premišlja, kako je natanko pred desetimi leti odrinil iz Egipta in vso svojo usodo izročil igri valov, v kateri ga ni mogla zajeti angleška mreža. Danes je drugi človek, ali srečnejši ni, zakaj suženj je "narave stvari."

Tudi je drugi, nego je bil pred dvema letoma v Finckensteinu. Zdaj ni več graditelj svetovnega cesarstva, kateremu od zahoda in iztoka pošiljajo kralji svoje sle; zdaj ga mora braniti in celo zmago sme izkoristiti le zelo previdno.

Na vagramski dan je doživel v Rimu zaradi nespameti svojih ljudi poraz, za katerega izve še le zdaj: "Zelo sem nejevoljen, da ste aretirali papeža, to je bilo res neumno! Morali bi bili prijeti ... kardinala, papeža pa mirno pustiti v Rimu." Zasmehoval je simbolično moč prekletstva, ker je neotipljiva prazna beseda, ki jo francoski škofje nazadnje lahko prezro, kaj po pomenita ta zapor in ujetništvo, pa politiki začuti takoj; zdaj je v krivici on, kajti pregnani papež, je moralno močnejši nego papež, ki izobčuje."

Poleg teh vesti leže pisma iz Španije, kjer so si Angleži med tem opomogli. Vidno nevidni narod pa se je zvezal z njimi in se v gozdovih krepko postavil Francozom po robu. Hkratu javlja Pariz, da je Fuche prekorajčil povelje, ki mu je bilo dano, in da je povsod mobiliziral narodno gardo: očitno zato, da bi deželi vcepil strah pred Angleži in da bi razdražil mobilizirano moštvo, ki pričinja mrmrati.

Kakšen položaj! In kako ne-

varno se ponavlja na vedno širšem območju! Te brzojavke iz Rima in Pariza so stare osem dni, španske celo šestnajst dni, preden prispo nova povelja iz Schoenbrunn v Valladolid, bo že vse spremenjeno. Če bi imel na razpolago sredstvo, da bi svojo voljo lahko pošiljal v svet na svetlobnih valovih, bi iz tega kabineta lahko vladal ves svet! Zdaj je treba pospešiti pogajanja, ki jih Avstrija zavlačuje, kajti Anglija in Ogrska ji obljubljata pomoč. Ko je zadnjič zmagovalec zahteval tretjino monarhije z devetimi milijoni prebivalcev, je bil zavrnjen; zato prične drugače. (Dalje prihodnjič)

MORNING NEWSPAPER

HOLY NAME MEMBER-SHIP DRIVE

In the past week, our Spiritual Director sent the following letter recently-contacted to our prospective members:

Dear New Holy Name Men:

Congratulations! I am very happy that you have made the decision to join our Holy Name Society. I would like you to feel welcome and that you really belong.

Next Sunday, April 11th, I ask that you receive Holy Communion with the Society at the 8 a.m. Mass and also be officially enrolled as a Holy Name man at the meeting after Mass.

The Holy Name Society has a fine program in which you are invited to participate. However, always remember that your first obligation as a Holy Name Man is to receive Holy Communion on the second Sunday of each month at the 8 a.m. Mass. Remember, too, pray each day for the success of the Holy Name.

Looking forward to receiving you into the Holy Name Society next Sunday, I am,

Yours sincerely in the Holy Name,

REV. VICTOR N. TOMC
Spiritual Director

If you wish to join our Society, to receive all its spiritual benefits, please join us at corporate communion on Sunday, April 11th, which will be followed by breakfast and a meeting in the school hall. We're anxious to enroll each and every man in the parish, in this fine spiritual organization!

CALENDAR OF EVENTS

Not only our younger set, but also our adult parishioners are looking forward to a busy, active Post-Easter social whirl, which will extend into the picnic season. Before Lent, we busied ourselves procuring funds by sponsoring various projects and socials. Now, after Easter, we should show the same zeal and unified spirit in performing our duties.

Just take note of our future events! Rather numerous, eh? But they will be real fun, if we really unite our efforts in promoting these affairs. Remember — "In unity there is strength!"

Our calendar reads as follows:

April 19th — Easter Monday Ball for our CYO teen-agers.

April 25th to 27th — Forty Hours Devotion — prayer time for all.

May 2nd — First Holy Communion.

May 9th — Mother's Day: CYO members honor "Mom" at a social.

May 16th — Movie on Our Blessed Mother, since May is HER month. Isn't this a nice way to instill greater love for Her, who is Mother of our God?

May 23rd — Dads and Moms jointly sponsor a Card Party to benefit our Youth Program. Our goal — 500 card players in attendance. Let's "jam" the church hall for this occasion.

May 30th — Initiation of the St. Vitus School Graduates into the CYO group.

June 6th — Graduation Day — "It won't be long now, boys and girls!"

Whew! — what a line-up! No chance for a "breather" until the second week in June. Then we can start planning out outdoor events.

LAST CALL FOR WOMEN RETREATANTS

If you are hesitant about turning in your reservation for the parish retreat for women, which will be held at the Diocesan Retreat House, 18485 Lake Shore Blvd., the weekend of April 9th to 11th (over Palm Sunday), please decide at once! There are only a few more reservations available. Those interested, are asked to call the Rectory office (EN 1-2624) anytime during the day. We have always had a fine representation from our parish, and hope to maintain this record this year, also.

Think it over, ladies — don't you think you could manage to spend just Two Whole Days with Our Lord in peace, in prayer, in solitude? If you have never made a retreat in your life, you can't possibly imagine what a golden opportunity is yours for the asking. Those who have attended retreats previously KNOW the value and worth of spending such a week-end away from the cares and anxieties of the world.

Sodality News

On behalf of all the officers and sodalists, we wish, at this time, to thank all of our many friends,

who came down to the Roast Beef Dinner. Needless to say it was a success. You know, when you prepare for an event such as the Roast Beef Dinner, there is quite a bit of work connected with it, but after all is done and you see the friendliness and cooperation given by everyone, its most inspirational.

We would like to thank all the girls who served for the dinner and a Special Thank You to the Juniors who did such a wonderful job in serving. I'm sure they will make good Senior Sodalityists.

Just a reminder to keep the following dates in mind: The Annual Retreat from April 9 to 11, at the Retreat House, and the Day of Recollection on April 11, at the Holy Family Parish.

Monthly Mass and Communion is this Sunday at the 9 o'clock Mass. PUB. CHAIR.

ST. VITUS MOTHERS CLUB

Gains Sight After Years of Total Blindness

How does it feel to live in a world of darkness for 18 years and then receive the gift of sight? This question will be answered by Mr. George Campbell who will relate an autobiography of his experiences of life in two worlds. He will speak at the St. Vitus Church Hall on April 7th at 9:30 p. m. Everyone is welcome and admission is free.

A reminder for our members. Annual group Communion on Passion Sunday at the 7 o'clock Mass. The Mass is for the living and deceased members of our club. This is an appropriate time to make your Easter Duty. We hope to see all the members at this Mass. No excuse, because you will get home in time to send your children to their Mass.

Regular monthly meeting on Wednesday at 8 p.m. Mr. Campbell will be our guest speaker. We assure you that you will be glad you came. Invite your friends.

Lack of Civilian Volunteer Plane Spotters Leaves Vital Observation Posts Vacant

The United States is faced with the ever-present danger that in the event of World War III, Soviet Russia will strike our top cities with atomic weapons. At this very moment the Kremlin has nearly 1,000 long range bombers capable of striking almost any place in our country.

Our Air Force and Army Anti-Aircraft personnel are working round the clock to prepare themselves for their share of the Air Defense job, and they grow stronger every day.. Our radar network is in constant operation to warn us of approaching danger, but our present radar is most effective only against high flying aircraft. Planes flying low could sneak under our radar and deal us a shocking blow.

As a volunteer plane spotter in the Ground Observer Corps, your eyes and ears are needed to detect and report these low flying aircraft. Attacking planes must be detected and tracked to be destroyed. Join the more than 300,000 of your fellow Americans who are now serving in the Ground Observer Corps. Won't you serve your country for two hours a week?

Call your Civil Defense Director at TO 1-4600.

Slovenia Comes to You

BY JOSEPHINE MISIC

Natural, historic, religious and traditional life of beautiful Slovenia will be combined in Glasbena Matica's spring concert on Sunday, April 11, 1954 at the Slovenian National Home, 6417 St. Clair Ave., Cleveland, Ohio.

The two and one half hour program will take you to the Adriatic waters which inspired Franc Vihar to write his immortal "Mornar."

The happy "drinking song" sung in the vineyards of Belo-krajina near the Slovenia-Croatia border will contain the dialect of its natives.

Expressions of love by shouting carters who drive their ox-drawn wagons over Styria's dirt roads will be interpreted by the Glasbena Matica chorus.

From underneath the snow-capped mountains of Slovenia's highlands comes a melody describing the heroic battles against the invading Turks of medieval times.

Glasbena Matica will sing of Slovenia's countryside: The happiness of courtship and marriage and the sadness of death found inside a peasant home will reflect itself in folklore. The soloists and chorus will sing of the linden trees, the pink carnation, flower of Slovenia, and the rosemary flower, symbol of maidenhood.

Ljubljana's plush opera house continues to sell out its yearly performances of Slovenia's only opera "The Nightingale of Carniola." The "Ave Maria" from this heartwarming opera will appear in the concert program.

The penetrating poetry of clergy Simon Gregoric which was set to stirring music by clergy-composer P. Hugolin Sattner identifies itself as Jettejeva Prisega. This biblical cantata makes its first appearance on the American-Slovene stage.

All of the careful planning and untiring work of director Anton Schubel will again reproduce itself in this rich concert. Accompanied by a string ensemble, the forty-voice chorus will give to him and to their audience an appreciative response.

Certain time is 4:00. Tickets may be secured at the box-office prior to the performance. Price of tickets is \$1.00, \$1.50 and \$2.00. All seats reserved.

Mr. Anton Grdina, President of the Yugoslav - Slovene Garden group, will be strolling with his movie camera, in his usual unassuming surprises throughout the evening. A real social has been carefully planned for the pleasure of the guests. We are expecting you.

The Committee.

SHORTS on SPORTS

By JIM DEBEVEC

Army Invited to Play Irish Here:

Washington. — Senator Thomas A. Burke proposed recently that when Army and Notre Dame renew their football series the first game be played in Cleveland. Burke said in a letter to Army Head Coach Earl Blaik that Cleveland has a stadium seating 80,000. He said he already had discussed the proposal with Notre Dame officials.

Lopez to Use Naragon:

That's the recent attitude of Al Lopez. . . . It is another clew to how valuable the Rookie Hal Naragon may be. Lopez' plan is to alternate Jim Hegan and Naragon, or maybe Joe Ginsberg, against left and right handed pitching. "I think Naragon has looked good enough so we don't have to worry about another man," said Lopez.

One-And One Free

Throw Rule changed: Kansas City — Basketball's controversial one-and-one free throw rule was re-written recently to place a premium on good shooting and at the same time make it tougher on the offender.

The new free throw rule, gives a second free throw after each successful free shot on all common personal fouls for the first 37 minutes of the game. If the first toss is missed the ball is in play. Two free throws in the last 3 minutes, same as last season, still go. A common foul is one committed while the player fouled is not in the act of shooting.

Brissie Guides Legion

Baseball: Indianapolis — Lou Brissie, former Cleveland Indian pitcher, was named recently as commissioner of the American Legion Junior baseball program. Brissie said that as junior baseball commissioner he hopes to repay part of the debt he owes the sport for what it did for him. He will supervise a program in which one million boys participate.

Fight Tickets Going Fast:

Although the window sale of tickets for the Rocky Marciano-Ezzard Charles world heavyweight fight at Yankee Stadium, June 17, does not open until May 10, mail orders now are being filled. Tickets are pegged at \$5, \$10, \$20, \$30 and \$40.

Motley Signs '54 Contract:

Marion Motley has signed again with the Browns for 1954. Motley, one of the five 1946 originals still with the club, no longer has the jet pick-up and speed that made him the running terror of the gridiron, but Paul Brown still considers him as a mighty useful man. For two seasons, big Marion had knee trouble, but, in 1953 he was again in top shape.

Race Motorboats Need

Bow Numbers Coast Guard Says:

The United Coast Guard reports that many racing motorboats are violating the numbering act of June 7, 1918, as amended, in that they do not display the numbers assigned to them by the coast guard, on each bow of the boat.

The law contains no exemptions in favor of racing craft other than that afforded every undocumented vessel not exceeding 16 feet in length and temporarily equipped with a detachable motor.

Owners of motorboats subject to the act, who have not already done so, should make immediate application for certificate of award of number at the local coast guard office.

THE EUCLID SCENE

By MICHAEL BOICH
Counsellman of Ward 3

Concrete islands with warning lights will be installed at the busy E. 222nd St. - Lake Shore Blvd. intersection, Mayor Kenneth J. Sims said. The permanent installation will replace temporary guide cones now in use.

Pedestrian signals also will be installed and boulevard lights synchronized, he said.

He said the police department will sell three cruisers and 2 motorcycles and buy three new station wagons and five sedans.

Father Andrey Celebrates Silver Jubilee

Father Andrew A. Andrey is celebrating his Silver Jubilee of his ordination this Sunday, April 4. Father Andrey had been an assistant at St. Vitus for 17 years before being named pastor of Our Sorrowful Mother Church in Peninsula, Ohio. Now he is pastor of Our Lady of Mt. Carmel Church in Wickliffe, Ohio.

He will offer up a Solemn High Mass of Thanksgiving for reaching his Silver Jubilee at 12:00 o'clock noon. All his friends are invited to attend the reception between 5:00 and 8:00 p.m. in the church hall.

Our Lady of Mt. Carmel is located at Rt. 20 (Euclid Ave.) at E. 296 St. Our hearty congratulations.

"Testing Program in the Elementary Parochial Schools"

Sister M. Ambrose, C.S.J., principal of St. Vincent De Paul School, 13422 Lorain Ave., Cleveland 11, Ohio, has taken upon herself a challenging but enlightening program for April 3rd, 1954, at 6:30 p.m. on "Inside the Catholic Schools," seen over WEWS, channel 5. It will be the testing program in the elementary schools of the Diocese of Cleveland.

Sister will use third grade students and show them taking a standardized achievement test. This will be followed by a discussion of the types of tests given in the Diocesan elementary schools and the diagnostic use of them (their interpretation and application).

A conference with the parents of one of the pupils will bring out part of the acceleration program whereby a pupil is advanced a grade to work at a higher level according to his ability.

Appearing on the program will be the following teachers from St. Vincent De Paul School: Sisters Augustine, Frances Joseph, Gregory, Frances Regis, Malachi, Rosarie, and Aloise.

Slovenian School Program

American children, who attend the Slovenian Saturday School at St. Vitus, will present a program Saturday, April 3, at 7 p.m. in the school hall. The program should prove very interesting with the children showing how much they have learned in a few months. Tickets may be bought at Orazem's.

April Fool—No Santa?

Yesterday was April Fool's Day. But Friday, April 30th will be "Dollars in Value Galore Day", the day when the St. Clair Businessmen's Ass'n. presents its "GOOD WILL" DANCE with the spirit of Santa Claus in the welcome hand of every merchant at the Slovene Auditorium, E. 65th and St. Clair.

Music by Johnny Pecon and Lou Trebar's Orchestra. Admission is \$1.00. You can save 50c by visiting a merchant displaying a "Good Will" Dance sign on St. Clair between E. 55th and E. 68th. You don't have to buy any merchandise either! Just tell the merchant you would like to be his guest at the dance and pay 50c for a ticket. The merchant will pay the other half.

This and That from Washington

By Congressman Frances P. Bolton

YOUR TAXES. I am writing this during the seven-hour debate on the new income tax bill.

Mrs. Bolton

This bill represents an absolutely fantastic job of work by the Ways and Means Committee and its staff. It gives us a long overdue re-vamping of our whole tax structure, removing endless injustices which have been piled one on top of the other for generations. Every taxpayer in the land will benefit by these revisions.

There is one item in the bill in which we women can take particular pride, for it was through a woman's effort that it was included. I told you sometime ago that Mrs. Anna Coleman, widowed herself, came to Capitol Hill and personally saw the important Ways and Means Committee members to urge passage of my bill, H. R. 379, to remove the income tax from widows' pensions.

So potent was her smile and her good common sense presentation that the idea was incorporated in the big tax bill. Some 700 police

and fire widows in Greater Cleveland will benefit. In addition, retired teachers and other receiving retirement income will have the first \$1,200 exempted from tax.

This is typical of a great many items in the bill. Next week I shall tell you more about this legislation.

OHIO NAVY NURSE. A distinguished Ohioan and a woman known to Clevelanders is soon to become Director of the Navy Nurse Corps. Commander Wilma Leona Jackson, of Union, Montgomery County, will take over that post on May 1st.

Clevelanders will remember her for the dramatic speech she gave at the Opera House shortly after the war. She had just been repatriated after seven months as a Japanese prisoner of war. We shall never forget her story about how she stood in the doorway of the Naval Hospital on Guam in December, 1941, as the Japanese lowered the American flag and victoriously hoisted the banner of the Rising Sun. In her quiet voice she portrayed to every member of that audience the crushing depression of that awful moment.

The Navy Nurse Corps, one of the nation's great services, can be justly proud of its new Director.

Modern Slovenian Literature: Ivan Pregelj

By E. A. KOVACIC

Ivan Pregelj, born in 1883 in the village of Most near Tolmin in the Soča River North of the City of Gorica, became the outstanding Slovenian writer during the first decade after World War I. The author received his secondary education in Gorica (at present in Italy) and his academic education in Vienna, where he graduated with a Ph.D. in Slavic studies from the university. As a professor he served at different Slovenian secondary schools, at last in Ljubljana, where he is still living as a retired professor.

As a student in Gorica and Vienna, Pregelj started to write Slovenian poetry, but his first published book was German — "Adria-Klänge" (Adriatic Tunes), a translation of Gregorčič's poetry into German. In 1910, the author published a collection of his own poetry "Romantika," full of religious motives and medieval legends.

Although Pregelj never ceased to write poetry, his artistic nature found a more convenient expression in the epic and lyrical prose. Shortly before World War I, he published a novel "Mlada Breda" (The Young Breda) and prepared an outstanding historical trilogy dedicated to his native Tolmin. The novels bearing in the final form published after World War I the titles "Tolminci" (People From Tolmin), "Stefan Golja in njegovi" (Stefan Golja and His Adherents), and "Plebanus Joannes" (Priest John) had the peasants' revolt of 1713 as background of the story. The heroes of the first two parts were the people of Tolmin suffering under feudal lords, while the story of the third novel took place a few centuries earlier, but represents the artistic point of view a logical conclusion of the first two.

Pregelj's native Tolmin was the place of a number of different short stories as well as the biographical novel "Anton Muznik," describing the famous native of Tolmin who was a surgeon in the time of Empress Maria Theresa. With his later biographical novels "Smonca iz Pras" (Simon from the Village Pras), describing the poet Simon Jenko, "Peter Pavel Glavar" etc., Pregelj became the greatest Slovenian writer of fictional biography based on a careful historical study. As a biographer, he accepted even obsolete words and phrases that had been actually used in the described period. As a master of the Slovenian language and an expert on its historical development, he created a certain historical style pertaining to the period.

Pregelj's novels "Bogovec Jernej" (Theologian Jernej) and "Magister Anton" (Teacher Anton) took place during the time of the Reformation in Slovenia, while his two realistic novels full of color and sunshine "Otroci sonca" (Children of the Sun) and "Gloriosa" described the life in the more recent period in Slovenia. His much disputed novel "Usehli vrelci" (Arid Fountains) gave an account of the author's autobiography and the Slovenian cultural life in the period after World War I. "Umreti nočejo" (They Refuse to Die), another Pregelj's novel in a more popular style, was the writer's dedication to the problem of the Slovenians in Carinthia who refused to be germanized, although being under an enormous German pressure in Austria.

An outstanding Pregelj's personal poetry became his "Balade v prozi" (Ballads in Prose) full of darkness and mystery with an accent on the cultural life in the past.

As a dramatist, Pregelj created a wonderful biblical drama "Azazel" (angel of evil in the Old Testament) from the life of Our Lord with an interesting pure fictitious psychological explanation of Judas' treason. Pregelj was also the author of shorter plays "Berači" (Beggars), "Emaus" (To Emaus), a dramatic description of poet Prešeren's funeral, and "Ave virgo Catharina" (Hail Virgin Catherine or Students from Ljubljana), an interesting approach to the life of students in Ljubljana in the 17th century.

In addition, Pregelj translated a great number of poems, wrote critiques, as well as books and articles dealing with literary theory proving to be not only a great artist, but also a scholar in the field of literary theory with an excellent background of the world literature.

After Cankar's death and during the first decade after World War I, Pregelj became the leading Slovenian novelist. His language was extraordinary rich and colorful. In the history of the Slovenian literature his literary works will prove of the climax of the Slovenian expressionism in prose.

Barbecue the Easy Way With a Modern Electric Range

Like the flavor of outdoor cooking?

You don't have to wait for the next sunny Sunday morning if you've got one of the new electric ranges that bring the appeal of outdoor cooking right into your own kitchen.

Some models, for example, feature a built-in rotisserie that ignores bad weather when you feel like putting on a good old-fashioned barbecue. Besides being the last word in convenience, smokeless infra-red broiling turns out roasts, seafood and fowl at their juicy best—every time.

For griddle enthusiasts, new ranges feature thermostatically controlled griddles that plug in over surface cooking units, give you perfectly prepared ham 'n' eggs in a matter of minutes. They clean up in a jiffy, occupy a minimum of storage space when not in use.

Space saving 30-inch ranges—many of them push button models

—feature ovens that roast the largest turkey you'll buy, bake ten loaves of bread at a time. New high-speed surface units cook bacon to a tempting texture in two minutes, soup in three minutes.

There's a range that "remembers" with an electronic device to prevent burning on surface units and many models with improvements on electric cooking's greatest gift to modern women—automatic oven timers.

As for beauty—the new pastel shades in acid-resistant porcelain are a decorator's delight. If you've got that redecorating gleam in your eye, see the cool colors available in ranges for a shade to keynote your new kitchen decor.

For precision cooks there's even a thermostatically controlled plug-in heat element for the well cooker to give you deep fat frying with professional results. When not in use, the unit stores away while the well cooker converts to an extra surface cooking unit.

This and That from Washington

By Congressman Frances P. Bolton

Here are a few more details about the important tax bill just passed by the House, which I was able to mention only briefly last week.

Mrs. Bolton

There be a provision to encourage the proper day care of children.

CHILD CARE. The new bill will permit a single parent (widow, widower, divorced or married to a handicapped person) to deduct up to \$600 for the care of their children while they are working. That is a great improvement for which many of us have been fighting for many years. Only last June, I wrote to the Ways and Means Committee urging that there be a provision to encourage the proper day care of children.

MEDICAL EXPENSES. Medical expenses will be deductible when they exceed 3 per cent (instead of the present 5 per cent) of your income. My son, Congressman Oliver P. Bolton, had introduced legislation to allow deduction of all medical expenses. The bill passed by the House is a step in the right direction. For example, under the present law a family that has an income of \$3,000 and spends \$150 on doctor bills cannot deduct anything. Under the new bill, they can deduct \$60.

Also, pay checks you receive for sickness or accidents will be tax-free up to \$100 weekly.

FAMILY BENEFITS. Widows will be granted relief under

income-splitting benefits now accorded married couples.

It will also permit parents to claim a \$600 exemption for children regardless of the child's income. A full exemption may also be claimed by one of the joint supporters of an aged person or other dependent, and this exemption may be rotated each year among the joint supporters.

STIMULANTS TO OUR ECONOMY. To encourage the replacement of vital machinery (as lathes and generators) more of the cost of new machines can be written off in their earlier years.

Double taxation on dividends was reduced by a modest amount to encourage people to save and invest their savings.

Other provisions would stimulate foreign trade by Americans, close many tax loopholes and bring tax laws up to modern accounting standards.

All of these provisions are designed to further the growth and expansion of business and industry to create jobs and to produce more products at lower cost for the consumer. It should be noted that we did not permit the 52% income tax rate on corporation income to drop to 47% as the law provided. The higher corporation tax rate will pay for many benefits gained by individuals.

EFFECTS OF THE BILL. You can see that this bill attempts to aid both the worker and the employer, both the consumer and the producer. It is yet another step in the Eisenhower Program to help the nation approach a productive, peacetime economy geared to the needs of all Americans.

te's "Divina Commedia" into Slovenian in the original terzians verse and contributed numerous articles on philosophy, literature, and critique to the periodical magazines.

The numerous novels and short-stories by the parish priest Pavel Perko gave a clear picture of the life in the country not neglecting the psychological background, although written with the intention to develop idealistic literature.

Izidor Cankar, born in 1886 and living at present in Slovenia, became a priest, but abandoned that profession. Due to his study of history of art in Belgium and Vienna, he became a professor at the university and joined later the Yugoslav diplomatic service as an ambassador to Argentina.

In the literature, he tended to follow an "expressive realism" demanding from the writer to create a literary work as objective as a sculptor with technical means. His most important contributions to the literature were his two books "Obiski" (Visits), portraits and interviews with the contemporary leading personalities of the Slovenian culture, and "S poti" (From the Travel), a reminiscence of his travels in Italy with discussions in art and history of art.

After World War I, when he became professor of the history of art, he devoted his work to the

writing of scientific research works in the field of history of art in Western Europe. In the United States, Izidor Cankar became known thru his contribution of the article on his cousin, novelist Ivan Cankar, in the "Columbia Dictionary of Modern European Literature."

Ivan Lah (1881-1938), professor of Slovenian in Ljubljana, born in the village of Trnovo near Ilirska Bistrica in the Slovenian Coastland, was the author of a number of historical novels. His most important work was the novel "Brambovi" (Defenders) and the drama "Noč na Hmeljniku" (Night on Hmeljnik) showing the political, military, and cultural life during the French occupation of the Illyrian provinces. His novel "Angelin Hidar" was an approach to the early history of Carinthia, while the novel "Sigmovo maščevanje" (Sigma's Revenge) dealt with the period of Turkish invasions.

The author devoted his activity also to the cultural cooperation between the Slovenians and other Slavic nations, especially the Czechs. With his anthology of Czech poetry, Lah proved to be a good translator of Czech poetry into Slovenian.

Pope Pius XII

Excerpts from the encyclical letter "IN GRUENTUM MALORIUM" Sept. 15, 1951

Since we were raised to the supreme Chair of St. Peter, by design of Divine Providence, seeing the advancing evils, we have never ceased to entrust to the most powerful protection of the Mother of God the fate of the human family, and, for this aim, as you know, several times we have written letters of exhortation...

Yet, everywhere we see souls upset by hatred and rivalry, while threats of new bloody conflicts still hover over the peoples. To this, one must add the violent form of persecution, which, for a long time, has been unleashed against the Church, saddening it very cruelly with calumnies and miseries of all kinds, making the blood of martyrs flow again.

Nor can we pass over in silence a new crime to which, with utmost sorrow, we want earnestly to draw not only your attention, but the attention of the clergy, of parents, and even of public authorities. We refer to the iniquitous campaign that the impious lead everywhere to harm the shining souls of the children. Not even the innocent age has been spared. On the contrary, audacious efforts are unfortunately made to snatch, with a gesture, from the mystical garden of the Church even the most beautiful flowers, which constitute the hope of religion and society. Considering this, one cannot be surprised if peoples groan under the weight of the Divine punishment, and live under the nightmare of even grater calamities.

We well know the Rosary's powerful efficacy to obtain the maternal aid of the Virgin. By no means is there only one way to pray to obtain this aid. We consider the Holy Rosary the most convenient and adequate means, as is clearly suggested by the very origin of this practice and of its nature.

What prayers are more adopted and more beautiful than the Lord's prayer and the angelic salutation, which are the flowers with which this mystical crown is formed? Adding to the vocal prayers the meditation on the Sacred Mysteries, there emerges another very great advantage, that all, even the most simple and least educated, have in this a prompt and easy way to feed and keep their own faith.

And truly, from the frequent meditation on the Mysteries,

the soul draws and imperceptibly absorbs the virtues they contain, and lights up with extraordinary hope of the immortal virtues, and become strongly and easily impelled to follow the path which Christ Himself and His Mother have followed. The recitation of identical formulas, repeated so many times, rather than rendering the prayer sterile and boring, has on the contrary the admirable quality of infusing confidence in him who prays and makes a sweet compulsion toward the maternal heart of Mary...

But it is above all in the bosom of the family that we desire the custom of the Holy Rosary to be everywhere adopted, religiously preserved and ever more intensely practised. In vain is a remedy sought for the wavering fate of civil life, if the family, the principle and foundation of the human community, is not brought back to the norms of the Gospel.

To undertake such a difficult duty, we affirm that the recitation of the Holy Rosary is a most efficacious means. What a sweet sight — most pleasing to God — when, at eventide, the Christian home resounds with the frequent repetition of the praises to honor the Queen of Heaven! Then the Rosary, recited in common, assembles before the image of the Virgin in an admirable union of hearts, the parents and their children, who come back from their daily work. It unites them piously with those absent and those dead. It links them more tightly in a sweet bond of love, with the most Holy Virgin, who, like a loving mother, will come among her children bestowing upon them an abundance of the gifts of concord and family peace.

Then the home of the Christian family, like that of Nazareth, will become an earthly abode of sanctity, and a temple, where the Holy Rosary will not only be the particular prayer which every day rises to Heaven in an odor of sweetness, but will also form the most efficacious school of Christian life. This meditation on the Divine Mysteries of the Redemption will teach the adults to live, admiring daily the shining examples of Jesus and Mary, and to draw from these examples comfort in adversity, striving towards those heavenly treasures "where neither thief draws near, nor moth destroys" (Luke 12, 33). This meditation will bring to the knowledge of the little ones the main truths of the Faith, mak-

ing love for the Redeemer blossom almost spontaneously in their innocent hearts, while, seeing their parents kneeling before the majesty of God, they will learn from their very early years how great is the value of prayers said in common.

We do not hesitate to affirm again publicly that we put great confidence in the Holy Rosary for the healing of evils which afflict our times. Not with force, not with arms, not with human power, but with Divine help obtained through the means of this prayer, strong like David with his sling, the Church undaunted shall be able to confront the infernal enemy

If the evils and the assaults of the wicked increase, so likewise must the zeal of all good people increase and become ever more vigorous. Let them strive to obtain from our most loving Mother, especially through the means of the Holy Rosary, that better time may quickly return for the Church and society.

The Origin of our Dollar Sign

Most authorities believe the symbol "\$" evolved from the Mexican or Spanish "Ps" for pesos, piasters, or pieces of eight. Early manuscripts show that the "S" gradually came to be written over the "P", pro-

Scouting enriches the life of a boy. Religion complements the program of scouting. In an effort to bring the boy to a realization of his full potential, America must learn that religion is an absolute necessity if it is to exist in the form that we cherish. Every true American institution must be based on this belief.

We the leaders of the scouting program of St. Mary's have always realized that the scouting activity is not merely an instrument to develop natural talents, but spiritual is well. It has been our obligation to bring all our efforts into play so that the spiritual development of the boy supersedes the natural.

Modern Slovenian Prose

By E. A. KOVACIC

Beside the outstanding contribution to the modern Slovenian prose given by I. Cankar, F. S. Finžgar, K. Meško, and I. Pregelj there were a great number of authors contributing to the Slovenian literature.

Matija Prelesnik (1872 - 1905), writing under the pseudonym Bogdan Vened would have probably created Slovenian historical novels in Sienkiewicz's style, if he would have lived longer. He wrote an epic poetical fiction "Ingov pir" (Duke Ingo's Entertainment) and a novel "Zemitev Ferdulfa vojvode" (The Wedding of Duke Ferdulf) describing the early history of the Slovenians and their fight against the Langobards and Friulians. Due to the early death of the author, his trilogy on the history of the Western Slavs at the Elbe River remained unfinished.

Jože Debevec (1867-1938), a priest and doctor of theology, born in Begunje near Cerknica, was the brother of James Debevec, the deceased popular editor of the "Ameriška domovina".
