Knjig. Vsekakor pokrije do neke mere zgodovino in probleme Slovencev in južnih Slovanov od njihove priselitve iz Rusije do letnega poletja. V vsej tej tisočletni zgodovini so imeli južni Slovani le malo sončnih dni. Usoda v različnih oblikah jih je tepla vsa dolga stoletja in prav posebno jih tepe danes.

Vsak čitatelj, Slovenec ali trd Američan, bo lahko iz te knjige dobil marsikaj, kar mu bo razširilo obzorje z ozirom na probleme južnih Slovanov. Nidromva, da bodo posamezni deli vsebine tu in tam izvali tudi kritiko, toda to je pri obravnavanju takih pertinentnih problemov skoro neizogibno. Tega se je nedvomno zavedal tudi pisatelj, pa kljub temu ni vedno rabil rokavic. Časi so resni in realnost je dostikrat trpka. Prikriva jo, bi bilo zavajalno. Živi, misleči ljudje opazujejo vse, poslušajo vse in čitajo vse ter si na podlagi tega delajo svoje lastne zaključke. — "My Native Land" se dobi v vseh večjih trgovinah s knjigami in stane \$3.75 izvod.

Sveti Martin je bil vojak; tako pravi ustno izročilo. To se razume, da je bil vojak, predno je avanziral za svetnika. Če je imel kako saržo, predno je bil transferiran v armado doslužencev svetega Petra, ni znano. Tam, se zdi, mu je bilo poverjeno ministrstvo perutninstva, ki je razdeljeno v več pernatih strank. Vladno stranko predstavlja gosi, ki svojega visokega patrona reprezentirajo pri všakim primerih, posebno pa še na martinovanjih. Kot poroča tajnica društva št. 170 ABZ v Chicagu, bo tudi na njihovem martinovanju 13. novembra zastopan sveti Martin z goso. Baje je za Martinovo delegatinjo določena Hon. Miss Gaga, in, kakor poroča Associated Press, je med chikaškimi rojaki že zdaj velika tekma, kdo jo važi pod streho po slavnosti. Gre se za čast in mast in pointe.

## PRIVESKI V STRAHU

(Nadaljevanje s 1. strani)

Celo odgovorni krogi v Nemčiji niso več tako sigurni zmage kot so bili pred letom dni. Nedavna proslava obletnice osišča v Berlinu je bila zelo formalna in brezbarvana. Običajni stupni napadi na predsednika Roosevelta in na angleškega ministarskega predsednika Martina načrta. Nekoliko podprtih je bilo proti nevarnosti boljševizma, toda nikakih groženj glede osvete. Zdi se, da se tudi v Berlinu zavedajo možnosti, da bodo o usodi povojne Nemčije odločevala velesile: Zedinjene države, Anglija in Rusija.

Poraz Nemčije in konec vojne je morda še daleč, toda po svetu se bolj in bolj širi sluhinja, da ob koncu vojne ne bo prijetno za tiste, ki bodo imeli svoje čolničke trdno privezane k načijski ladji.

*My Native Land* se imenuje nova knjiga pisatelja Louisa Adamiča, ki je pravkar izšla v založbi Harper & Brothers v New Yorku. Nad 500 strani obsegajoča ilustrirana knjiga vsebuje mnogo podatkov o zgodovini in problemih Slovenije, Jugoslavije in Balkana sploh. V teh časih, ko so Slovenija, Jugoslavija in Balkan tako rekoč na svetovni pozornici, je knjiga posebno aktualna, zlasti za angleško čitajoče občinstvo, ki ima na splošno zelo medle pojeme o slovenskih deželah na Balkanu. Vsebina knjige je mnogostranska in je logično, da ne more izčrpno pokrivati podrobnosti. Za kaj takega bi bilo treba večje knjige oziroma več

bili mi prvi, ki bi pozdravili tako spremembo taktike. Na našo veliko žalost pa Mihajlovič še vedno služi interesom večnega sovražnika našega naroda. Po našem mnenju je skrajni čas, da bi ljudje, sedeči v raznih informacijskih uradilih, držali jezik za zobmi, ker so že itak povzročili dovolj škode našemu narodu.

Značilno poročilo Associated Press iz Londona je bilo priobčeno v listu Cleveland, Press dne 27. oktobra. Poročilo se glasí: "Radio Svobodna Jugoslavija javlja danes, da je bilo 17 agentov generala Draže Mihajloviča, obsojenih in usmrčenih od Slovenskega ljudskega tribunala (partizanov) zaradi so-delovanja z osiščem. Trije drugi pristaši Mihajlovičevih četnikov so bili obsojeni na do-smrtno ječo, eden pa je bil izpuščen zaradi pomanjkanja dokazov. Radijsko poročilo pravi, da so sodišče tvorili dobro pozani sodniki in pravne avtorite najvišjega ugleda. Vsak otoženec je imel svojega lastnega odvetnika. Dva "agenta" sta priznala svojo krivdo in eden nadaljnji je izvršil samomor po obsodbi, pravi poročilo. Jetniki so bili oboženi, da so ovadili tisoče Slovencev, ki so se borili proti italijanskim okupacijskim četam v okolici Ljubljane, in da so pomagali Italijanom lovit patriote, pri čemer je bilo mnogo slednjih ubitih. Stoterih teh patriotov so bili pozneje ustreljeni ali pa zaprti kot talci."

Podrobnejše poročilo o tem je 27. oktobra poslal United Press iz Londona. Tam je navedeno, da sta bila med obožencami dva komandanta Mihajlovičevih belogardistov, namreč Marjan Strniša in Pavel Bozna. Šef fašistične policije v Ljubljani, Rudolf Marinčič, se je priznal krivim. Istotako se je priznal krivim Fran Malovrh, ki je izročil Italijanom in belogardistom stotine slovenskih patrijotov, ki so bili potem aretrirani ter ustreljeni ali zaprti kot talci.

Ameriški reporter C. L. Sulzberger je dne 24. oktobra poročal iz Kaira listu The New York Times, da so poročili jugoslovanske zamejne vlade Mihajlovičevi četniki osvojili Bokovo Kotorsko, da kontrolirajo mesta in okolice mest Bilek, Gacko, Nevesinje, Kalinovik in Avtivac v Hercegovini in da v Srbiji kontrolirajo vse ozemlje, z izjemo mest in glavnih komunikacij. Korespondent Sulzberger pravi, da je to poročilo izdano od jugoslovanske zamejne vlade v Kairu in da je tiste novice "baje" sporočila Mihajlovičeva radijska postaja, imenovana "Demokratična novinska agencija," ki po-sluje nekje v "gozdih in gorah Jugoslavije." Sulzberger omenja, da so mu jugoslovanski vladni krogi v Egiptu zatrivali, da taka radijska postaja ne eksistira, toda iz drugih, dobro informiranih virov je izvedel, da take radijske postaje sploh ni. Ako bi bilo slednje resnica, bi pomenilo, da so bila tista poročila o zmaga skovala pri jugoslovanski zamejni vladi v Egiptu. Sulzberger tega ne trdi, ampak navaja le obenomožnosti.

Isto poročilo navaja tudi slednje: "Informacijski urad jugoslovanske zamejne vlade v Kairu naznanja, da so Nemci v Jugoslaviji pobili mnogo tisoč nebojujočih se moških, žensk in otrok, kakor tudi ujetih vojakov, zaradi njihove vdanosti generalu Draže Mihajloviču, ki je vojni minister kralja Petra. Informacijski urad beleži 24 posameznih slučajov, da so bile vasi požgane in razdeljane do tal po napadnih letalih, da so bili vaščani živi sežgani ali ustreljeni ali odpremljeni v koncentrične kempe. Tak teror izvajajo Nemci, da bi "disciplinirali" prebilavstvo. Računa se, da samo Srbov je bilo ubitih skoraj pet tisoč."

Posebno poročilo listu New York Times iz Kaira, datirano 27. oktobra, omenja radijsko oddajo partizanov, ki vztraja v trditvi, da general Mihajlovič še ni nič izpremenil svoje taktike napram partizanom, kar je trdil informacijski urad jugoslovanske zamejne vlade. V tej oddaji partizanov je bilo med drugim rečeno: "Če bi te vesti odgovarjale resnici in če bi se Mihajlovičevi četniki res borili proti nemškim tlačiteljem, ni nobenega dvoma, da bi

Pred tremi leti je ameriška vojna mornarica števila 1076 ladij vseh tipov, od katerejih jih je bilo 383 pravih vojnih ladij. Mornariških letal vseh vrst smo takrat imeli 1744. Zdaj, kot že omenjeno, ima ameriška vojna mornarica nad 14,000 ladij vseh tipov, od katerejih jih je nad 700 pravih vojnih ladij, mornariških letal pa ima nad 20,000.

Ameriška vojna mornarica se je v tej vojni že večkrat sijajno izkazala na Pacifiku, tako s površinskim ladjama kot s podmornicami. Na Atlantiku pa je užugala nemške podmornice, da ameriški konvoji brez večjih izgub dovažajo vojne potrebečine in vojake v Evropo in Afriko. ## November Thoughts

The cool days have rolled around again. This means fewer outdoor activities and what leisure time we do have will be spent mostly indoors. For lodge members it is an opportune time to attend lodge meetings regularly. Although many members find it difficult to attend these lodge meetings because of their war work schedules, there are many members who do have the time and still fail to do so.

Meetings this time of the year are very important. Next month we will again elect lodge officials and make plans for the coming year. Also we must keep in mind that our AFU convention will be held next year and now is the time for lodges to discuss plans to be presented at the convention for the progress and future of our Union.

Since many of our men have been inducted into the service of our country, the women members should take upon themselves to carry on the work of fraternalism. Our boys and men depend upon us for our support on the home front for war production, however, just as important is the work of fraternalism which means helping one another. We must not let our servicemen down! Keep your lodge active so when the boys return they will find that their lodges have progressed and kept faith in fraternalism.

One of the chief necessities of progress of lodges is the enrollment of new members. Only by adding new members can the future of these lodges be assured. The present membership campaign is a good time in which to do your share for your lodge and your Union. Help make the AFU 45th anniversary year a successful one by enrolling as many new members as possible.

Our campaign this year ends on November 11th. This means one more week in which to step up our efforts in enrolling prospective members.

Today we hear much talk about inflation. Our government also agrees that one way in which to keep inflation away is by putting your money into insurance dollars. The AFU has a past record which speaks for itself as being one of the best. Investing your money in a sound fraternal organization such as the American Fraternal Union assures you of a secure future. Dollar for dollar you get your money's worth when you are a member of the AFU. We should consider it a privilege to be able to belong to our Union. Think of the enslaved countries where people have lost everything while we, in the United States, are still free to help ourselves, to plan our futures knowing that they shall be secure ones.

By belonging to our Union we are entitled to all the benefits our Union offers. The money invested in insurance in the AFU is part of the plan for better living and security. Take advantage of the privilege of belonging to the AFU and tell your friends about it. You invest your money wisely when you put it into life insurance in the American Fraternal Union. Remember that your fraternal "mother" the American Fraternal Union safeguards you and your family against all the emergencies of life.

### Thought For The Day

No man or woman of good will can sit passively by and watch the war effort handicapped and the peace sabotaged by racial and cultural prejudice.

### Lodge No. 138, AFU Loses a Faithful Member

Here I am again in behalf of Lodge No. 138, AFU of Export, Pa. with news of our lodge.

With heavy and saddened hearts we laid to rest one of our faithful lodge sisters, Mrs. S. Berandinelli, 48 years old. She was the mother of five sons of which three are in the service and two still attend school. Sister Berandinelli was ill only a few days and following an operation passed away the next day. Many relatives, friends and lodge members accompanied her to her last resting place which was the Grandview Cemetery in Export, Pa. Our lodge wishes to thank Mrs. Ella Kovacic for reading the farewell address in behalf of our lodge. We wish to express our sincere sympathy to Mr. Berandinelli, his sons and other relatives. Our member has left us but she will not be forgotten and her memory will long remain in our hearts.

### American Slav Congress to Celebrate Its 2nd Anniversary

The American Slav Congress of Michigan will mark its second anniversary with an All-Slav Pearl Harbor Day Rally and concert on Sunday, December 12, 2 p. m. in the Auditorium of Cass Technical High School.

Louis Adamic, famous writer, will be one of the principal speakers. He will bring to Detroit the dramatic story of the amazing Tito's Partisans of Yugoslavia. Adamic has been in close touch with the underground movement in the Balkans. Recently he was elected President of the United Committee of South-Slavic Americans, with headquarters in New York, 1010 Park Ave.

Vilim Simak, prominent Czechoslovak violinist of New York, will take part in the musical program. His appearance in Detroit on Dec. 12 is expected with great interest.

The Slav Congress of Michigan was founded two years ago on the very day of the Japanese attack at Pearl Harbor. More than 1200 Slav leaders were gathered at a Banquet in Masonic Temple to promote the sale of defense bonds. It was at that unforgettable banquet that they first heard of the cowardly attack on our country.

A dance will be held by Lodge No. 75, AFU of Meadowlands, Pa. on Saturday, Nov. 6th. Les Faulk and his orchestra will provide the music. Members of neighboring lodges and their friends are invited to attend.

### Health and Defense

By F. J. Arch, M. D.  
Supreme Medical Examiner

Manpower, the human resources available for both civilian and military pursuits, is the greatest factor in national defense. The effectiveness of manpower depends more on physical and mental fitness than upon mere numbers. There must be the will to live the lives of free men; and there must be the physical stamina, as well as the mechanical resources, to back up that will against any threat that may challenge it.

Because of the increasing importance of maintaining a constant flow of production of essential war materials and commodities necessary in daily living, the diseases of older persons, such as heart disease, kidney disease, cancer, apoplexy and digestive disturbances, relatively uncommon among actual fighting men, will be of greater importance. This is true because of their occurrence in industrial workers and those who move in to fill the places vacated by men selected for actual military service.

On a typical winter day, one person out of every twenty-two is ill. At any one time several millions of people are unable to work, attend school, or carry on normal activities on account of illness, injury or defect resulting from disease or accident. Nearly half of these people suffer from chronic diseases such as rheumatism, heart disease, cancer and tuberculosis. About one-fourth are laid up because of colds, 'flu,' pneumonia or tonsillitis. The remainder are unable to engage in their normal activities because of accidents, contagious diseases, stomach ailments and other acute illnesses.

A large part of the waste caused by ill health could be avoided if proper medical care, preventative as well as curative, were applied to the solution of the problem. Fundamental in the maintenance of the national health is nutrition. Malnutrition is perhaps the most widespread deviation from health in any people. In time of war as well as in time of peace, the nutrition of the people must be maintained. This involves not only an adequate supply of necessary foods, but also a knowledge of how such foods should be used, and a disposition to use them intelligently and without waste.

In order to make a contribution through health toward national defense, we need not establish any new machinery for the distribution of health facilities until we have learned fully to use that which exists. This includes public health departments, voluntary health associations, medical, dental and nursing professions, and public and private hospitals now functioning. In the last analysis the health and physical fitness of the individual in our modern life is a personal responsibility. It depends on diet, personal habits of living, utilization of preventive medicine, and the prompt and effective treatment of disease.

### Explanation of Yugoslav War Chest Relief

New York, N. Y.—In the last few weeks, as president of the United Committee of South-Slavic Americans, Louis Adamic has received hundreds of inquiries about giving to the National War Fund. These inquiries, coming from Yugoslav American organizations all over the United States, were motivated not by any misgiving about the National War Fund as a whole but doubt as to who will have control or influence over the \$2,300,000, which sum has been allocated for United Yugoslav War Relief.

Mr. Adamic looked into the matter and issued today the following statement:

"The amount of \$2,300,000 will be given for the United Yugoslav War Relief regardless how much Yugoslav Americans contribute to the National War Fund. This money will be used for relief in Yugoslavia under the supervision and influence of the United States government and the International Red Cross. I have been assured that the distribution of this relief will be a fair and non-political as possible.

"However, the money now being collected by the National War Fund campaign, whose goal is way over one hundred million dollars, has been allocated to numerous other purposes, including Russian and Chinese war relief and many domestic American needs.

"Each of the purposes is a worthy one, and I hereby appeal to the hundreds of thousands of South-Slavs represented by the United Committee to contribute to the National War Fund as generously as possible. There is no need of earmarking the donation. Just give to the National War Fund. And give generously."

## CARDINAL HIGHLIGHTS

Hello members, here I am again after a few weeks of absence with more news of our members in the service.

First of all we want to extend our congratulations to Steve Milliosin who was promoted to Sergeant. Sgt. Milliosin is now stationed at Los Angeles, Cal. Also to Jene Mikolic who was promoted to Sergeant and is the only member from our lodge serving in the WACS and is now at Loury Field, Denver, Colo.

Added to the list of our members in the service is Stan Pogacnik who has joined the Navy. His family received word that he is stationed at Great Lakes. The best of luck always from all the Cardinals, Stan.

Three Cardinals home on leave in the past few weeks were Corp. Emil Mikolic, Pvt. Gallas Mikolic and Corp. Pete DeLost. They all look swell and had a nice time visiting their friends and relatives.

Pfc. Steve Babich writes from Seattle, Wash. telling us about the swell time Mary Balint and AFU members there showed him on his visit to Enumclaw, Wash. It's nice to know what the AFU members are doing for the boys. He also saw in person Cpl. George Montgomery and Capt. Wayne King.

Best regards to Cardinal members comes from Pvt. Frank Vlosich. He would enjoy hearing from you. How about it, members? You can write to him at this address: Pvt. Frank Vlosich, 35310512, Co. B, 98th Q. M. Bkry Bn. S. C. 2407, A.P.O. 475, c/o Postmaster, Seattle, Wash.

Glad to hear Louis Pogacnik is getting better and we hope it won't be long before he is up and around again.

### Wedding Ring Graft

Remember the campaign staged by the Italian Fascist Party during the Ethiopian campaign to collect the wedding rings of Italian housewives?

According to the Swedish newspaper Ny Tid, published at Goeteborg, a huge number of wedding rings collected in that campaign were recently found in the homes of Fascist leaders in a search conducted by Marshal Pietro Badoglio's government. The paper said that 66 pounds of gold rings had been in the home of the leader of the Fascist party in Turin alone.

won't be long before he is up and around again.

Pfc. John Pogacnik sent his parents a photograph taken in Sicily. He certainly looks handsome with a mustache.

In closing I want to remind you to please pay your lodge dues on time and attend the lodge meetings. The next meeting will be held on November 14th. Regards to all.

Jennie Milliosin, Sec'y  
Lodge No. 229, AFU

### Inside the Axis

#### Munitions Black Market

According to the often produced Nazi Stockholm Aftonbladet, some of the Italian occupation soldiers in Yugoslavia have established a black market for the sale of arms and military equipment to Yugoslav patriots. The paper, which said that an average of 1,000 rifles was sold weekly, listed typical prices at five dollars for a rifle and one dollar for a steel helmet, payable in American or British currency.

#### Anything Can Happen Here Department:

The other day one of our FBI girls, wearing a smock used for cartographic work, stepped out of the FBI building. No sooner had she done so than a man rushed up and demanded a newspaper from her. For a while the young lady was at a loss for words. It so seems the fellow thought the manpower shortage had come to such that the girl was selling newspapers. The smock had convinced him I guess. All the young lady received when she attempted to explain was a "mean" glare!

Any visitor to our fair city during the last week may have wondered why the city is practically void of "man's best friend." A rabies scare is causing people to shun even the mildest little poodles. Yes, the dog pound is doing a thriving business.

Next week will bring more news from Washington, D. C. so keep your eyes on Washington News Flashes!

In Flint, Michigan, there is a Junior War Workers Safety Corps, composed of children who are helping save lives and win the war by noticing and reporting accident hazards at school, at home, on the streets and in public places. These youngsters are setting an example, says the Greater Cleveland Safety Council, for every American, young or old, to help stop the pain, sorrow, expense and manpower waste of accidents.

Fall is open season against out-of-doors fires, warns the Greater Cleveland Safety Council. So, be extra sure those cigarettes and matches are extinguished before tossing them aside. Scorched earth won't help America win the war!

## WASHINGTON NEWS FLASHES

### By Florence D. Startz

Whenever Washington, D. C. is mentioned, I wonder what picture comes into the minds of various people. Is it of beautiful, wide lanes and people scurrying about on secret and urgent government missions? Or is it a more down-to-earth picture of "No Vacancy" signs and waiting lines? Put them all together, dear reader, and you have our nation's capital. Each day that passes finds yours truly liking the city more and more—because it truly is a fascinating place to live in nowadays!

\* \* \*

You've all heard of the celebrated Pentagon Building which houses the War Department workers from our capital. Well, sir, the other day a near riot occurred there. Causing all the commotion were hundreds of women workers. The center of interest? Captain Clark Gable, feeling somewhat embarrassed when police had to come to his rescue! By the way, the Pentagon Building is quite a place to see! Included in it is everything from a drug store and barber shop to fashionable dress shops and post office. That's mentioning just a few!

### KID SALVAGE

## Juvenile Voices

Ely, Minn.—Hello folks: The month of October is nearing its end and our school held a Hallowe'en celebration on Oct. 30th. A movie was shown and dancing followed.

What's going on in Ely? Well, as always, Ely is right up in front and in step with all other cities in doing its part in all that it has undertaken. The Third War Loan drive was put over the top very successfully. This job was no more than over when other war efforts were undertaken.

One of these was the X-Ray Project. Nothing like this survey, planned to X-ray every resident, has ever been attempted anywhere in the nation before. So Ely, Minn. may be the starting place from which the fight against tuberculosis will be won. The Nopeming Tuberculosis Association is sponsoring the project and the expenses are paid from the Red Cross fund. A mobile unit tours the city and in this unit X-Rays of the chest are made. The schools were the first to be X-Rayed, then the 110 victory aides, next the rest of the residents.

The drive for the War Relief Fund has also begun here and the quota for Ely is \$6,000.

Somewhere in the Mediterranean war zone, a jeep is going into battle with the name of "Ely, Minn." inscribed upon it. Pfc. Joe Micklesh, a Soudan, Minn. boy, wrote that he saw the jeep speed by but was unable to flag it down. Micklesh after being stationed at Great Britain, took part in the invasion of North Africa and the conquest of Sicily. His present location is unknown.

My cousin, Virgie Golobich is working at Briggs factory. She is living at 6468 Irquois Ave., Detroit 13, Mich.

Miss Dorothy Rom of West Suburban Hospital, Oak Park, Illinois graduated on Oct. 28th and is now a registered nurse. Congratulations, Dorothy!

Since I am so busy with lots of school work I shall say goodbye until next time. Regards to everyone.

### USE DISTRICT NUMBERS ON CHRISTMAS MAIL!

The 250,000 overseas Christmas parcels mailed by Clevelanders were promptly handled and are now on their way to destinations.

The next gigantic task of the local post office is to promptly and expeditiously handle Christmas mails.

Six hundred and fifty-four trained employees of Cleveland Post Office are in the Armed Services of our country, and the task of handling the Christmas mails will be greater than ever before.

Clevelanders will contribute materially in the prompt handling of Christmas mails if they will use the Delivery District Numbering System in addressing their gifts and greeting cards.

If you have not already ascertained, and are not using the Delivery District number of your friends and relatives to whom you intend to send gifts and greeting cards, please hand your Christmas mailing list for local delivery to your mail carrier before November 15th, and the post office will furnish the correct delivery district number for each address without charge. This number should then be included as part of the address on your Christmas mailings, as for example:

• John Doe,  
15200 St. Clair Ave.,  
Cleveland 10, Ohio.

Be sure to place your name and address on your list so that it may be promptly returned to you.

## Chicago AFU Liberty Bell Bowling League

Plenty of excitement was going on last Friday at the bowling alleys. As previously reported, no team made a clean sweep of three games this season, so Gottlieb Florists put their heads together and made up their minds to win all three games. Everything was going smoothly during the first and second games. During the first game, Louis Andreasich rolled a 209 game and with the help of three other keglers rolled a 653 game and won from the Andrew Spolar's Fox River Hotel with a margin of 156 pins.

At the second game, Bill Dolmovich came around with 203 and another game was won.

Up to about the middle of the third game everything was in favor of the Florists, but that was too much for Joe Gomilar with the Fox River Hotel team.

He said, said he: "If my nephew, Louis Andreasich, can do it, so can I," and he came out with his strikes. Did you keep them up your sleeve all evening, Joe? You rolled a mere 220 game, and the odd game was won by the Fox River Hotel team by 33 pins. So it still

was two to one, but the Florists not only won the high game for this season up until now, but knocked out their own high series by three pins. The results of the other two teams were:

Anton Golenko's Maryton Cafe won two and John Hujan's Hujan Tavern won one game. William Laben was high for the Marytons with a 187 game and 493 series, and for the Hujans, John Bundek registered a 184 game and 482 series.

See you next week, I hope.

## Did You Know That

The original Uncle Sam was an actual, living fellow-American who lived in upstate New York (Troy on the Hudson). He was a brickmaker, house-builder, farmer, gardener, distiller, storekeeper, captain of a line of river boats, and—last, but not least, the most famous meat-packer in history. It seems strange that so few know anything about the man who served as the model for the face and figure of America. Samuel Wilson's transformation into Uncle Sam is a characteristic American transformation of the common man into a hero.

He had 12 brothers and sisters and when he went through the streets of Troy, Samuel's nieces and nephews clung to his coat-tails calling him Uncle Sam. The whole town soon adopted this name for him.

Do 11. novembra lahko dobite še nekaj članov. Takrat se zaključi naša kampanja ob 45-letnici Ameriške bratske zveze. Deset drušev, ki so dosegla zmago, so se dobro zavedala pomembnosti naše občinitve; druga so skušala pridobiti vsaj nad deset točk, da je bilo društvo priobčeno v tedenskem poročilu. Kaj pa druga društva?

V teku enega tedna bo kampanja zaključena. Končno poročilo bo pokazalo, kje smo imeli dobre društvene voditelje in pridne delavce ob sedanjem kampanji.

Janko N. Rogelj,  
glav. predsednik ABZ.

## Razsodbe gl. porotnega odbora A. B. Z.

200-424.

Priziv brata Joe Dragusha, Sr., člana društva št. 200, Ely, Minnesota, ker mu je bila odklonjena zahteva za bolniško podporo od dne 24. aprila pa do dne 26. junija 1943. Zahteva mu je bila odklonjena vsled tega, ker je gl. urad prejel poročila, da je prizivnik kršil dolobce v točki 339 v naših pravilih, katere prepovedujejo članom na bolniški listi obiskavati javne lokale, zabave in druge kraje.

Prizivnik se ne prizna krimiv in trdi, da je upravičen do podpore za prej omenjeno dobo.

Podatki, katere je prejel gl. porotni odbor, in pa izjave prič, potrjujejo, da je prizivnik vsaj trikrat kršil prej omenjene dolobce v prej omenjeni točki v prej navedeni dobi njegove bolezni, in gl. porotni odbor je razsodil na podlagi prej omenjenih podatkov in izjav prič, da prizivnik ni upravičen do bolniške podpore za prej omenjeno dobo njegove bolezni.

Anton Okolish, Frank Micek, Rose Svetich, Steve Mauser, Ignac Zajc, porotniki (ica) ABZ.

## Iz urada Združenega odbora južnoslovenskih Američanov

New York, N. Y., 25. oktobra 1943. — Louis Adamič, predsednik Združenega odbora južnoslovenskih Amerikancev je prejel iz Sydneya, Avstralija, od J. Kosoviča, tajnika Jugoslovanske izseljeniške zveze v Australiji, brzojavko, ki se glasi:

"Avstraliski Jugoslovani pozdravljajo edinstvo Južnoslovenskih Amerikancev in visoko cenijo Vaš doprinos ameriški in zavezniški stvari in Vaše zanimanje za pomoč južnoslovenskim narodom v starri domovini. Delamo vse, kar je v naši moči, da obvezamo avstralsko javnost o pravi situaciji jugoslovenskega naroda in delovanju Narodne osvobodilne vojske."

S spôsobovanjem,

LOUIS ADAMIČ.

## Poročilo iz Londona

New York, N. Y., 25. oktobra 1943. — Louis Adamič predsednik Združenega odbora južnoslovenskih Amerikancev je prejel od predsednika jugoslovenskih žurnalistov, Mihajla Petroviča, iz Londona sledenje:

"Skupno zborovanje Jugoslovenske mornarske unije, Zveze jugoslovenskih žurnalistov v Londonu, Zveze za svobodno Jugoslavijo in Zveze Kolo Jugoslovanov v Veliki Britaniji je soglasno sprejelo resolucijo, v kateri smo poslavali dobitnikom jugoslovenskih žurnalistov, želimo, da dobimo informacije od Vas in Vaših tiskovin, posebno Vaši zadnji dve knjigi o Jugoslaviji. Pošiljam Vam pismeno vse detajle."

New York, N. Y., 27. oktobra 1943. — Tekom zadnjih par tednov, je Louis Adamič, kot predsednik Združenega odbora južnoslovenskih Amerikancev prejel stotine pisem, v katerih ljudje povprašujejo za podatke o prispevanju Nacionalnemu vojnemu fondu (National War Fund). To povpraševanje za informacije je bilo v največji meri od strani jugoslovenskoamerikanskih organizacij iz vse Amerike, in ni izhajalo iz kakršne nezaupanja v Nacionalnemu vojnemu fondu (National War Fund). To povpraševanje za informacije je bilo v največji meri od strani jugoslovenskoamerikanskih organizacij iz vse Amerike, in ni izhajalo iz kakršne nezaupanja v Nacionalnemu vojnemu fondu (National War Fund).

"Jugoslovensko vlado se kritizira, ker ni obsodila italijanskih generalov Roatta in Ambrosio, ker ni pomagala Narodni vojski in ljudstvu, na obvezenemu ozemlju; ker ni obvezala zaveznikov o borbi naroda in ker je dovolila uradniki širiti nepoštena poročila in ker so bili imenovani v vlado ljudje, ki so spadali k nepopularnim diktatorskim režimom.

"Resolucija zahteva, da jugoslovenska vlada pripozna Narodne osvobodilne vojske in da ji nemudoma pošlje potreščine, hrane in obleke. Apelira tudi na jugoslovenski relifni fond v Londonu, da pošlje zbrani material v osvobojene kraje, predno nastopi huda zima. Resolucija tudi apelira na prijatelje Jugoslavije v Britaniji, da intervenerja, da zavezniki pošljajo potreščine, orožje in hrano v najkrajšem času, posebno, ker je velik del dalmatinske obale bil pristopen že več kot mesec dni.

Mr. Adamič je preiskal stvar in je danes izjavil sledenje:

"Vsota \$2,300,000 bo dodeljena Združeni jugoslovenski vojni pomoči brez ozira na to, koliko bodo jugoslovenski Amerikanci prispevali za Nacionalnemu vojnemu fondu (National War Fund). To povpraševanje za informacije je bilo v največji meri od strani jugoslovenskoamerikanskih organizacij iz vse Amerike, in ni izhajalo iz kakršne nezaupanja v Nacionalnemu vojnemu fondu (National War Fund)."

## DOPISI

Chicago, Ill. — Malo pozno je že pisati o našem poletnem izletu v Minnesota, kajti zdaj smo že sredi jeseni. Pa boljše je pozno kot nikoli. Bili smo tam ob času, ko so elyška društva Ameriške bratske zveze priredila lep banket v proslavu 45-letnice. Pri tisti priči smo se sestali z lepim številom tamkajšnjih že živečih ustanoviteljev ABZ in seveda z drugimi prijatelji. Mi trije, namreč podpisana dva in najniča hčerka, se nismo dolgočasili, dasi se je takrat vršilo zborovanje gl. odbora in so bili gl. odborniki zaposleni. Podali smo se doli k Silver Rapids, kjer imata Mr. in Mrs. Jenko lepo letovišče. Tam smo se zabavali z ribolovom in Mr. in Mrs. Jenko sta nam bila na razpolago z vsemi mogočimi uslugami in postrežbo. Ribiška sreča nam je bila naklonjena, pa tudi za tisto se moramo v znatni meri zahvaliti Jenkotovim. Bilo je prijetno tam, pa tudi v Chicagu so bile malovljene ribe še kar prijetno duhteče.

Včasih so ljudje verjeli v strahove in duhove; mi danes ne več. Toda kar smo našli v sobi v hotelu v Elyu, bi nas bilo skoraj prepričalo, da včasih še vedno duhovi uganjajo svoje burke. Saj je res čudno, če imas ključ od svoje hotelske sobe v žepu in ko se po nekoli odsotnosti vrneš v sobo, najdeš tak red, kot bi bili tam

gospodarili mladi hurikani iz Texasa. Vsekakor, po prvem presenečenju smo se od srca nasmajali. Najbrž so se na tistem simejali tudi tisti, ki so bili odgovorni za razdejanje viharja v sobi. Tako je bilo na obe strani prav. V teh resnih časih je itak premalo vzrokov za smeh, zato bi moral biti prav za prav biti hvaležni za vse, kar nam more pričarati smeh na obraze. Seveda, vsako posojo mora biti vrnjeno, zato, če tisti nagajivci kdaj pridejo v Chicago, jim bomo skušali povrniti, če bo prilika. Do takrat pa naj bodo prijateljsko pozdravljeni. Upamo, da se drugo leto spet snidemo na Elyu.
