S kruhom obmetavajo jetniki v zaporih svoje stražnike

Columbus, Ohio, 9. maja. Jetniki v tukajšnjih državnih zaporih, ki so sprva trdili, da se ne pokorijo poveljem stražnikov v jetnišnici, pač pa zahtevajo, da vojaštvo vlada v zaporih, so postali tako predzniki, da sedaj ne sledijo niti poveljem vojaške oblasti. Včeraj je nastal tako hud odpor jetnikov, da je bil polkovnik narodne garde, Haubrich, prisiljen začeti streljati s strojnimi puškami nad jetnike. Pri tem sta bila dva ubita, kot je bilo že poročano. Ko so včeraj jetniki v stokadi dobili za kosilo in večerjo samo kruh in vodo, je nastal nov punt. Jetniki so dobili kruh in vodo iz vzroka, ker so dan prej požgali vse šotorje, ki jim služijo za prenočišče. Ko so stražniki prinesli jetnikom kruh, so jetniki začeli kruh metati v stražnike in jih "bombardirati" s kruhom in posodo za pitno vodo. Ko so bili jetniki posvarjeni, naj odnehanjo, so pometali kruh na tla in ga teptali z nogami. Več jetnikov pa je bilo lačnih, in ti so željno pobrali kruh in začeli jesti, nakar so jih njih tovariši tako pretepli, da so jih morali odstraniti iz stokade in prepeljati v bolnišnico. Kot kažejo vsa znamenja miru še dolgo ne bo v zaporih. Nevolja med jetniki je še toliko večja, ker sta včeraj dva jetnika ustreljeni, in nekaj ranjenih, ko je neki vojak na straži sprožil strojno puško, misleč, da nameravajo jetniki pobegniti. Strelenje se je pričelo potem, ko so jetniki požgali 88 šotorov. Sedaj morajo bivati na prostem, brez strehe, in ravnateljstvo zaporov se je izjavilo, da absolutno ne dovoli jetnikom novih šotorov. Ali naj gredo v celice, ali naj pa prenočujejo in bivajo na prostem, klub dežju. Jetnikom je videti vseeno. Sotori, katere so jetniki doslej požgali, so last narodne garde države Ohio, in so bili vredni \$35,000. Upor jetnikov v Columbusu velja dosedaj državo Ohio že nad \$200,000. In križem in težavam še ne bo kmalu konca.

Odhodnica društva Zvon svojemu pevovodji

V četrtek zvečer so pa enkrat potegnili Primoža Kogoja, glavnega tajnika Slovenske Dobrodelenne Zvezde, pevovodjo pevskega društva "Zvon" in znanega glasbenega voditelja preteklega slovenskega radio programa. Primož je izjavil željo, oziroma njezina boljša polovica, Mary, se je tako izjavila, da bi rada videla staro domovino, predno se posloviti od tega sveta. In Primož je rekel, da gre z njo. Člani društva Zvon, katerega dolgoletni učitelj in vodja je bil Primož, so za to zvedeli, in so mu priredili v četrtek zvečer prav lepo odhodnico, na katero se bosta Primož in soprona še dolgo spominjala. Primož, ki je Gorenec, je bil pri tako dobr volji pri tej "odhodnici," da je nazadnje misil, da je "kaplan iz Škofje Loke." Društvo "Zvon" je podarilo v znak priznanja neumorne delavnosti svojega pevovodja, lepo darilo Primožu.

Mož brez domovine in strehe

Miami, Florida, 9. maja. Al Capone, znani chicagski gangež, ki si je na ta ali oni način pridobil tekmo let milijone dolarjev, je bil včeraj ponovno aretiran v tem mestu. Na sodnji mu sicer niso mogli ničesar dokazati, toda povedali so mu, da ga bodo aretirali vsak čas, kadar se počaže na cesti, in je torej bolje, da gre iz mesta, ker v Miami ga ne bodo več trpeli. V enem tednu je bil že tretji aretiran. Capone je bil svoje čase načelnik razvite gange chicagskih zločincev, ki ima stotine umorov na svoji vesti.

V Indiji vlada krvava borba za svobodo

London, 9. maja. Neuradna poročila, ki so dospela sem, nazzanajo, da so bili včerajšni boji v Sholapur mnogo bolj resni, kot se je prvočno domnevalo.

Ubitih je bilo v boju s policijo najmanj 40 oseb, poleg tega so bili tudi trije policisti umorjeni. Uporniki so se polastili trupel policistov, jih polili s petrolom in javno začeli na cesti.

Na borzi se dvigajo cene delnicam

New York, 9. maja. Mnogo vpraševanj je danes dospelo na borzo po delnicah. Radi obilne zahteve so se cene delnicam takoj dvignite. Špekulantki so profitirali \$200,000,000.

Tisoče Kitajcev zopet ubiti v novem bratom nem boju

Nanking, 9. maja. Težki boji so nastali med Kitajci, ki je Severna vojaška zveza, oziroma nje armada začela s pogonom proti Nankingu, ki je glavno mesto nacionalistične vlade na Kitajskem. 5000 ranjenih nacionalističnih vojakov je dospelo danes v Suchow iz raznih vojnih front, in 2,000 nadaljnih ranjencev so pripeljali v to mesto. Kotliko nacionalističnih vojakov je bilo ubitih, pa kitajska vlada ni pustila, da pride v javnost. Nacionalistična armada ima sicer dovolj vojaštva na razpolago, toda nov uporni duh med prebivalstvom, ki sicer samo ne ve, kaj zahteva in želi, naznanja veliko nevarnost za obstoječe kitajsko vlado. Uporniki se z naglej blizu Nankingu, ki je glavno mesto obstoječe kitajske narodne vlade, in od katerega so samo še petdeset milij oddaljeni. Vodja uporniške armade je Yen Hsi Shan, governer Shansi province, ki je izjavil, da je njegov namen strmoglaviti sedajno nacionalistično vlado. Domnevna se, da ima v tem mnogo podpore od strani ruskih boljševikov.

Osem mrtev, enajst zasutih v silni tovarniški katastrofi

St. Joseph, Mo., 9. maja. V mesarskem podjetju Armour & Co. v tem mestu je nastala razstrelba, ki je zahtevala silne žrtve. Osem oseb je bilo ubitih in enajst pokopanih pod ruševinami poslopja, kjer je nastala razstrelba. Devet oseb je bilo nadaljnji ranjenih radi eksplozije. Poslopje, kjer je nastala eksplozija, obsegata šest nadstropij, in je radi razstrelbe popolnoma uničeno. Očividci, ki so se nahajali ob času razstrelbe v bližini, trdijo, da je eksplozija dignila poslopje visoko v zrak, in takoj potem se je hiša porušila kot bi bila narejena iz papirja. Dočim natančno še ne veda pravega vzroka eksplozije, pa je policija mnenja, da so eksplodirali kotli z amonijakom. Radi eksplozije ni nastal ogenj, kot je običajno, toda strupeni plini amonijaka so se razprstirali daleč naokoli. Ob času eksplozije je bilo zapošljjenih približno 35 dekletr v 5. nadstropju, toda večina njih je zapustila poslopje, predno je bilo poslopje porušeno. Ognjegasci bodo morali kopati najmanj dva dni, da dobjijo iz razvalin trupla ponesrečenih, od katerih bo mogoče par še pri življenu. Tриje ognjegasci so padli v nezvest pri reševalnih delih. Rdeči Križ je poslal svoje moštvo na lice mesta, in celi železniški vozovi so začeli takoj odpeljavit ruševine.

Vreme

Števni urad zvezne vlade je pozabil preštejti družino Mr. Primož Kogoja. Ni čuda, da Cleveland nima milijon prebivalcev!

Učiteljica, ki je tepla otroka, zahteva sedaj od staršev odškodnino

Elyria, Ohio, 9. maja. Mrs. Myrtle Bradley, 22 let stara učiteljica iz New Oberlin, ki je bila pretečeni teden oproščena od potote, češ, da ni kriva, da je preteplila 6 letno Mary Gerhartinger v njeni šoli, ker se je slednja nespodobno obnašala, je danes vložila tožbo za \$25,000 odškodnine proti staršem mlade učenke. Državni poslanec Charles Summers, ki je odvetnik oproščene učiteljice, navaja v svoji prošnji na sodnijo za odškodnino, da je Mrs. Gerhartinger, mati tepevne enke, nalači in zlobnim namenom raztrzila v javnosti vest o tepezu, in da je iz zlobnega namena dala aretrirati učiteljico, samo da bi ji škodovala na dobrem imenu. Obtožnica nadalje izvaja, da je Mrs. Gerhartinger namenila javni škandal in sramoto za učiteljico, in jo je radi svojega gorova in nastopa toliko osramotila, da je učiteljica mnogo trpela na ugledu. Zato zahteva učiteljica \$25,000 odškodnine od staršev tepevnega otroka. To bo ena prvih enakih obravnav na javni sodniji, s katero se bodo sodniki v Elyria, Ohio, pečali telekom nekaj tednov. Pri vsem tem slučaju se bo dognalo, ali je učiteljica upravičena natepti otroka, ki se nespodobno obnaša v šoli, ali ni? What you say?

Slab fant

Harry Le Roy, star 22 let, je s svojim avtomobilom povozil 9 letnega Robert Sunagel. Namesto da bi obstal na mestu in se pobrigal za nesrečo, je hitro odpeljal naprej, in potem, ko je oddalil za nekaj blokov, je avto ustavljal in odšel ter policiji sporočil, da mu je bil avto že par ure prej ukrazen, misleč, da ga ne bodo mogli dolžiti da je povozil otroka. Toda policija mu je privela na sled, in ga je obdolžila treh zločinov: nemarne vožnje, ustavljanje in, ko je povzročil nesrečo, in naredil je napaken report policiji. Fantu bo slaba predala.

Zupan se pritožuje

Zupan mesta Lakewood, ki je pravzaprav del Clevelandu, se je pritožil na zvezni števni urad, češ, da zvezni števni niso naredili pravice Lakewoodu, in da so našteli premalo oseb. Lakewood izkazuje glasom najnovejšega štetja nekaj nad 69,000 oseb, a župan Wiegand pravi, da so se števci vsteli za najmanj 4,000 ljudi. No, vsakdo bi bil rad velik.

HONOR MOTHERS TOMORROW WITH ANNUAL PROGRAM

LAUSCHE-UDOVICH SING

Mother's Day Program to Be Given by Orels at National Home Tomorrow Evening

In keeping with the spirit of the day the Orels will present their third annual Mother's Day program at the Slovenian National Home tomorrow night. The program throughout will be arranged and devoted to the interests of mothers and will consist of gymnastic drills, playlets, singing and recitations.

The program opens with a group picture of representatives of all the Orel gym classes in a number called, "To You, O Mother!" This will be followed by a short address on the meaning of Mother's Day by the Rev. M. J. Jager.

As the next feature, our well known singers Josephine Lausche-Welf and Mary Udrovich, who so graciously donated their services to help properly celebrate the day, will sing two numbers. Dr. William J. Lausche will accompany them at the piano. This will be followed by a recitation given by Miss Frances Kasunic on, "All Good Mothers' Day." The smallest Orel girls will then give a singing and dancing presentation entitled, "Our Good Mamma." "The Letter," playlet taken from everyday life, will close the first part of the program.

A recitation, "Our dear mothers, what kind there are," by Josephine Modic will open the second half of the program. This will be followed by the "Dance of the Stars." This drill with illuminated Indian clubs is being repeated because of the numerous requests for it. However, many new effects have been added to it since its first presentation. The popular sisters, Vic and Olga Kopore, will sing two songs in honor of the mothers present. The program will be closed with a two-act comedy, "Punished Vanity." The two plays are under the direction of Mr. Frank Sodnikar. During the intermission the Orel Tamburica orchestra will play appropriate numbers.

Every mother attending the performance will receive a little souvenir of the occasion. Tickets for the program are now on sale at Kushan's Candy Kitchen.

BOWLERS' FROLIC

Members of Inter-Lodge Bowling League Hold Party to Climax Season

As a fitting climax to the successful season, the members of the Inter-Lodge Bowling League staged a lively, informal party at the Slovenian National Home, Saturday, May 3.

The major portion of the evening was spent in dancing, music for which was supplied by Louis Spehek and Joe Mihalic, accordion and banjo duo. At midnight a luncheon of sandwiches and coffee was served the guests.

The delightful informality of the affair and sociability of all attending helped to make the evening a most enjoyable one.

Representative

Miss Theresa Gorenec and Miss Mary Stark were elected by the Young Ladies Society of St. Vitus Church as representatives to the Catholic Charities Corporation meeting and banquet at Hotel Statler, on Monday evening.

Just Married

Mr. and Mrs. Frank Stuper, 6913 Hecker Ave. announce the marriage of their daughter Rose, to Ralph Schaar, son of Mr. and Mrs. Ralph Schaar Sr., Breckley Ave., at St. Aloysius Church, Saturday, on Monday evening.

You're Next!

And now that another of the community's younger generation has gone down in undying fame in these dizzy portals of the B. A. T., we'll focus all our attention on the young lady who is to be in the swim next Saturday. Be sure and watch for it!

A RARE TRAIT

After a long, long search, this column conie finally found what he was looking for—a fellow who could blush when praised! Modest and accomplished is today's entry.

EDWARD J. KOVACIC

Schools are his weakness, having attended, at one time or another, St. Vitus, East Madison, Wilson Junior High, East High, Broadview College at Phillips, W. Va., and at present is tracking down a coveted Ph. B. at John Carroll where he is Sophomore.

Very athletic and all that sort of thing, having won football, basketball, baseball and swimming letters at the schools he had attended. Is slated for a guard berth on the Jay See Blue Streaks of next season.

Is very bashful, doesn't smoke, drink or pet and true to the collegiate code doesn't wear garters.—Likes all types of girls except the gabby kind, and this class he hates with a double vengeance.

Likes to travel and meet people and do things, even if he has to "hitch-hike" his way. Pulled a thumb jerking trip to Columbus in zero weather to see the Illinois-State football game last year and beat the train down. Which should just about make him a Knight of the Highway.

Is pretty easy to get along with and dislikes only one person besides all the gabby women and that's Judge Alva B. Corlett, who sent him to Warrensville for a six-day vacation for speeding. Now his secret ambition is to keep out of the place.

Bananas are his favorite food, with or without cream and he hates to "dol up," preferring to dash around in an old comfortable sweater. Leans toward the real man type in all his actions, likes and dislikes.

Thinks Victor McLaglen is the last word in movie cave men, and goes for him because of his crude mannerism and tough actions. And if he has to sit through a picture featuring a female, he'd just as soon have the femme be little Janet Gaynor. (Just like about a million and two other fellows, Eddie!)

Even though he is able to read all by himself without a bit of assistance whatsoever, he prefers the noisy, tinny types and likes his music dished up to him popular with the accent on the jazz. Gets a big kick out of watching ice hockey because it is so fast, rough, tough and nasty.

Takes his literature in a lighter vein leaning toward the novels, though his heavy favorite is Keats' Poems. Is the baby of the family and says he is already "two uncles." His elder brother and sister both being married and having a child.

Is a blonde when his hair is washed and a brunette when it isn't. Brown eyes are set in a frame 5 foot and 7 1/2 inches high weighing 165 pounds. He thinks the only thing the American Home Junior needs to improve, is a flock of more space.

Is a member of the Slovenian Young Men's Club and was chairman of the committee in charge of their recent Fourth Annual Dance. Also had his fingers in the boxing show they pulled off last fall.

Was born in good ol' Cleveland on Feb. 17, 1910, and has lived here ever since, now residing at 1060 E. 113th St. Address all fan mail there. Is quite a pen pusher and is responsible for many of the sport articles appearing in the American Home Junior. When active play in sports is out of the question he resorts to fishing and thinks it's great.

Scouts Plan Community Night Program

COMMITTEE APPROVES

Demonstration of Scout Activities to Be Staged at St. Clair Library May 27 and 28

Now that final approbation has been made of the tentative plans for the "Community Night" program by the tribe governing committee, Tribe Guide, Felix A. Danton is rapidly making further arrangements for the program to be presented at the St. Clair Library on Tuesday and Wednesday, May 27 and 28. Assisting him are the Tribe Chief John C. Aister Jr. and the other junior leaders of the tribe.

The purpose of the program is to acquaint the people of the community with just what the scouts really do and to present to them an interesting demonstration of some of the activities of the Boy Scouts of America.

Scout Alvin Mayer will be the main figure in the tableau which opens the evening's program. The tableau will present living examples of the points of the Scout Oath and Law. Scout Mayer, selected because of his deep and well carrying voice, will herald each presentation. He is a member of the Temendigne Lodge and has been with the tribe since June, 1929, and will become a second class scout at the June 24 Court of Honor. He is an honor roll student at St. Vitus School.

Other features of the evening include demonstrations of three kinds of signalling, first aid, a cowboy stunt and a campfire scene.

St. Ann's Team Holds Balloon Dance Tonight

Members of Basketball Team in Inter-Frat League Sponsors

The girls of the St. Ann's basketball team of the Inter-Frat League are going to show the folks of the neighborhood there is one thing they can do as well as sinking baskets from the center of the court and that is holding dances.

Their first venture into this field will be a balloon dance to be held at Grdin's Hall tonight, and it is expected that a large crowd will be on hand to show the girls their appreciation for the wonderful night they staged in the league, when after dropping three games in the first round they came back and were only counted out of the running in the very last game of the season.

Johnny Gribbons and his Jazz Joy Boys will take care of the musical end of the affair and intend to present at least one of their popular feature numbers. Other attractions besides the balloons have been arranged for and the committee is leaving no stones unturned in order to insure everyone a most enjoyable evening. Admission is 50 cents.

BRIDGE PARTY

Miss Mary Turk Holds Party at Her Home, Tuesday Night.

Miss Marie Turk, 9809 Yale Ave. gave a bridge party at her home Tuesday, which was attended by the Misses Fay and Agnes Lunder, Ruth Fisher and Messrs. Anthony Kramer, Frank Fabian, Joseph Bokar and James Jones.

The highest score was made by Miss Fisher and she received bath salts as a prize. Refreshments were sandwiches, coffee cake and ice cream.

Particularly interesting was the bridge party last week at which Miss Turk entertained eight girls, each one representing a different nationality. It might have been termed the League of Nations bridge.

MOTHER

It's a wonderful thing a mother
Other folks can love you
But only your mother understands
She works for you,
Looks after you
Loves you, forgives you
Anything you may do.
And then the only thing
Bad she ever does to you
Is to die and leave you.

THE ANSWER

To the Mystic Inquirer:

You know now that you mentioned myself I have been wondering myself why I put "Lud" Mandel's name in quotes. Did I do it because I thought it was a nickname, or was I just in an artistic mood? I don't know. But anyway, a good reason is that's every woman's standby "Just Be cause."

SAMO ZA EN LAS

Spisal GABRIOU
za "Ameriško Domovino"
A. SABEC.

"Zakaj si ugriznil Mihaela?"
je nadaljeval župan.
Kokolo ni odgovoril.

"Ali veš, da je gospod Boiskoran zaprt zato, ker si ga ti obdolžil zločina?"

Se vedno nobenega odgovora.

"Ah," je rekel Mihael, "saj ga ne velja izpravljati. Lahko ga pretepe do jutra, pa bo rajši poginil, kakor pa zinil besedico."

"La-lačen sem," je zajecjal Kokolo.

Mladi odvetnik je pogledal okoli sebe in rekel:

"Ah, če se pomislis, da se je na podlagi izpovedi tega reveža sestavilo obtožbo!"

Stari baron je bil v zadregi in je vprašal:

"Ampak kaj naj počnemo sedaj z bencem?"

"Jaz ga bom odvedel v bolničo," je rekel župan. "Sam bom šel ž njim in obvestil zdravnika dr. Seigneboosa in državnega odvetnika."

Dr. Seigneboos je bil ekscentričen človek, to je res, toda obenem je bil tudi izborni zdravnik. Ko so torek ostali gospodje odšli iz ranjenčeve sobe, je spet vzel svoj nož in gobo in je s pomočjo grofice Klavdijeve odstranil zadnjo šibro iz grofovega telesa. Ob devetih zjutraj je bilo delo opravljeno.

"Menim, da so vse šibre zunaj," je rekel, "če pa je slučajno še kakšna ostala v telesu, bom moral počakati, da se pokažejo simptomi, iz katerih bom mogel ugotoviti, kje tiči."

Kakor je zdravnik vnaprej povedal, tako se je zgodilo: ranjenec je postal nato mnočo slabši. Zdeto se je, da se ne zaveda, kaj se godi okoli njega. Nastopila je mrzlica in bilo je očvidno, da bo grof zapadel v delirij, predno nastopi mrak.

"Vseeno mislim, da ni nobene nevarnosti več," je rekel zdravnik grofici. Nato ji je svetoval, naj nikogar ne pusti k soprogovi postelji, najmanj pa državnemu pravdniku Galpinu.

To svarilo ni bilo nepotrebno, kajti v tistem trenotku je stopil v sobo neki kmet, ki je dejal, da je zunaj neki mož iz Sauvaterre, ki želi govoriti z grofico.

"Recite mu, naj pride noter," je rekel zdravnik, "ga bom jaz povprašal, kaj hoče."

Ta mož je bil Tetard, bivši orožnik, ki pa se je odpovedal svoji službi ter se posvetil trgovini z nagrobnimi spomeniki. Poleg tega pa je bil tudi zastopnik neke zavarovalne družbe, kakor je bilo razvidno iz njegove posetnice. V tej lastnosti je sedaj tudi prišel sem. Obveščen je bil namreč, da so v Valpinsku pogorela poslopja, ki so bila zavarovana pri družbi, katero je on zastopal. Zdaj je želel glede te stvari govoriti z grofom Klavdijem.

"Svetujem vam, da se takoj izgubite!" mu je dejal dr. Seigneboos z gromovitim glasom.

Gospod Tetard je izginil, ne da bi izgubil nadaljnjo besedo. Ko je zavarovalni agent odšel, je zdravnik skrbno zbral šibre, ki jih je potegnil iz grofovega telesa, jih spravil, nato pa se obrnil h grofici in ji namignil, naj stopi ž njim pred hišo.

"Preden odidem, madame, bi rad vedel, kaj si mislite o vsem tem?" jo je vprašal.

Uboga žena, ki je bila od utrujenosti in strahu bleda ko smrt, je odvrnila:

"Ah, saj sama ne vem, gospod. Kako naj si zberem svoje misli po vseh teh grozotah, ki sem jih preživel?"

"Vendor ste izpravljali Kokolo."

"In kdo bi ga ne, ko je bila

ter odločno zahteval, naj se takoj zapre Kokolo-a.

Orožniki pa so iskali b e b a brez uspeha in dr. Seigneboos je videl, kako slabo je vse to za Boiskoran. Ko so ga te skrbi najbolj mučile, je prišel neke sobote zvečer ob desetih k njemu župan Senešal in rekel:

"Kokolo-a so našli!"

Zdravnik je naglo vstal, vzel palico in klobuk ter vprašal:

"Kje pa je?"

"V bolnici. Sam sem poskrbel, da so ga zaprli v posebno sobo."

"Tako grem tja."

"Kaj, ob tej uri?"

"Ali nisem morda eden izmed zdravnikov bolnice? In ali mi niso vrata bolnice odprta noč in dan?"

"Usmiljene sestre bodo že spale."

Zdravnik je skomignil z rameni in rekel:

"Ah, saj res, kakšno hudo delstvo, prekiniti spanje sester, teh dragih usmiljenih sester! Ah, moj dragi župan! Kdaj napoči vendar tisti čas, ko dobimo posvetne bolničarke in strežnice v bolnico, ki bodo zamenjale te sestre ženske?"

Zupan je že prevečkrat debatiral z zdravnikom o tem vprašanju, zato ni zdaj ničesar odgovoril. In to je bilo modro, zakaj zdravnik je sedel, vzduhni petal:

"To je nekaj nezaslišanega! Pri vseh tristo hudičih, videl bom, 'in ob teh besedah je zdaj' iz sobe, zvihral preko dvorišča kakor izstreljena puščica in izginil v smeri proti sodišču. Ob istem času je vstal gospod Paubigeon, ki je bil kaj slabše volje, ker je slabo spal radi Boiskorane zadeve, ki mu je povzročala mnogo skrbi. Bil je tudi on Calpinovih misli, da mora Boiskoran biti kriv."

"Torej pa počakam do jutri."

V nedeljo zjutraj, nekoliko pred osmo, je stal vratar bolnice na dvorišču in pušil iz svoje piče, ko je videl prihajati dr. Seigneboosa. Zdravnik je korakal hitreje kakor običajno, klobuk je imel potegnjen nizko na čelo in roki je tišal v žepih; vse to je pomenjalo vihar. Mesto da bi stopil, kakor navadno, najprej v lekarino bolnišnice, je šel zdaj naravnost gor v sobo usmiljenke-prednice. Tamkaj je po kratkem pozdravu vprašal:

"Sestra, kaj ne, da so snoči priveli sem nekega pacienta, nekega bebca, po imenu Kokolo-a?"

"Da, gospod doktor."

"V katero sobo so ga deli?"

"Župan sam je videl, da so mu odkazali stransko malo sobo."

"In kako se je bebec obnašal?"

"Popolnoma dobro; sestra, ki je imela službo, je rekla, da je bil miren."

"Hvala vam, sestra!"

"Bil je že na pragu, ko ga je sestra-prednica poklicala nazaj in za vas. V tej koči ni niti najpotrenejšega, kaj še udobnosti."

"Ali grešte gor, pogledat uboga reveža, doktor?"

"Da, sestra. Zakaj vprašate?"

"Zato, ker ga zdaj ne morete eden drugemu naznanijo. (110)

videti."

"Ne."

Radi državni pravnik je namreč ukazal, da ne sme nihče h Kokolo-u, izvzemši sestre, ki mu streže; nihče, doktor, niti ne zdravnik, razen, seve, v slučaju neobhodne potrebe."

Dr. Seigneboos se je ironično nasmehnil in rekel:

"O, tak tako je ukazal? Nu, moja draga setra, jaz vam pa povem, da se za ta njegov ukaz takoli nemim, kakor za lanski sneg. Kdo mi more zabraniti, vidi pacienta? Povejte, kdo?"

Državni pravnik naj ukazuje na svojem sodišču, kolikor mu draga, toda v bolnici Sestra, jaz grem h Kokolo-u."

"Gospod doktor, toda res ne morete k njemu, kajti pred vratu stoji otožnik."

"Orožnik?"

"Da, prišel je danes zjutraj in on ima stroge ukaze."

Zdravnik je skomignil z rameni in rekel:

"Ah, saj res, kakšno hudo delstvo, prekiniti spanje sester, teh dragih usmiljenih sester! Ah, moj dragi župan! Kdaj napoči vendar tisti čas, ko dobimo posvetne bolničarke in strežnice v bolnico, ki bodo zamenjale te sestre ženske?"
