

DROBNE VESTI IZ SLOVENIJE

(Došlo preko Trsta)

MOHORJEVA DRUŽBA. — In pokomunistena celjska Mohorjeva družba še upravičena do teh stvari na Koroškem ali ne. Koroški Slovenci so začeli spet s katoliško Mohorjevo družbo. Na to se nanaša sledeča zgodba.

ZGODBA IZ CELOVCA. — Čez Madžarsko in čez Dunaj je prišla v Celovec komisija, ki bi hotela prevzeti premoženje Mohorjeve družbe na Koroškem. V komisiji so bili profesor Kotnik, njegov brat Beno Kotnik, posestnik iz Kotelj in duhovnik profesor Trstenjak. Ta zadnji je znan po svojih surovih napadih na škofa Rozmana, ki niso bili dosti manj grdi kot napadi odpadlega Mikuža. Ta Trstenjak je še vedno komunistom na uslugo. Ker pa komunisti nikomur ne zaupajo, je imela "komisija" uradno spremstvo komunističnega majorja Primožiča, komunističnega (Dolje na 3. strani)

Francoska skupščina je odobrila Schumanov načrt za pobijanje inflacije

Pariz. — Zgodaj danes v jutro je francoska narodna skupščina odobrila program premiera Schumana za pobijanje inflacije. Schuman je predlagal, da se pobraje iz cirkulacije vse bankovce po 5.000 frankov, s čimer bo prizadet močan udarec črni borzi in inflaciji.

Komunisti so bili proti temu in nekaj časa je kazalo, da bodo proti tudi socialisti. Toda ti so slednjič potegnili z vladno in Schuman je zmagal. Schuman je ukazal zapreti vse banke, dokler je trajala ta debata.

Po Franciji je v cirkulaciji 66.000.000 bankovcev po 5.000 frankov in kdor ne bo mogel dati vzroka, kakaj ima v posesti tak bankovec ali bankovce, mu bodo vzeti. Ker bo s tem manj denarja v cirkulaciji, bo tudi inflacija zmanjšana.

S tem, da je zmagal v skupščini, si je Schuman utrdil stališče.

ALI MEDVED PRESPI ZIMO, ALI NE, JE SPOR MED LOVCI IN PROFESORJEM

Cambridge, Mass. — Profesor naravoslovja na Harvard univerzi, dr. Charles Lyman trdi, da so v zmoti tisti, ki trdijo, da medved prespi zimo. Profesor pravi, da medved res mnogo spimi, toda kadar zapade prvi sneg in bi prespal zimo, kot to delajo veverice, jazbeci in netopirji, ta je bosa, trdi učnjak.

John Germ

šestdesetletnik!

V ponedeljek 2. februarja bo praznoval svoj 60. rojstni dan John Germ, predsednik KSKJ, ugleden trgovec iz lepe slovenske naselbine — Pueblo, Colorado.

Rodil se je 2. februarja 1888 v vasi Zagorica, župnija Dobropolje na Dolenjskem. Leta 1907 je prišel v Ameriko in sicer naravnost v Pueblo, kjer je potem ostal vse čase. Tukaj si je ustanovil svoje ognjišče in s pridno ženo Mary sta začela uspešno trgovino.

Kmalu se je začel zanimati za društveno življenje, kjer je bil v raznih uradih. A gotovo mu je bilo pa najbolj pri srcu pevsko društvo Prešeren, kateremu je posvetil svoj čas. Petje in glasba sta mu bila vedno najljubša.

Leta 1938 je bil na konvenciji KSKJ v Evelethu izvoljen za gl. predsednika, ponovno leta 1942 in leta 1946 je bil zopet "potrjen" v Pueblu.

Kdor zasleduje delo, razvoj in rast KSKJ, te naše edine katoliške bratske organizacije na svetu, mora priznati, da jednota pod njegovim modrim vodstvom in s pomočjo finega gl. odbora zelo zgledno napreduje.

Mr. Germ prav krepko nosi svojih 60 let in kdor pogleda njegovo prožno postavbo ter vedno vedri obraz, bi mu teh let ne prisodil.

Ob njegovi 60-letnici mu izražamo iskrene čestitke in želimo, da bi še dolgo let zdrav in vesel, kakor je vedno, ostal med nami ter še naprej doprinal s svojimi vodstvom, besedo in glasom k dobremu imenu slovenskega naroda v Ameriki. Bog Vas živi, g. Germ!

Jeklarski delavci bodo vprašali pomladi za višjo mezo

Pittsburgh, Pa. — Jeklarska unija CIO bo vprašala pomladi za višjo mezo za svojih 850.000 članov. Za koliko bo unija vprašala, bo določil odbor, ki se bo sestel 18. februarja tukaj. Pogajanja z jeklarnami bo unija pričela okrog 1. aprila.

Tudi klavniški delavci, ki spadajo k CIO, bodo zahtevali približek pri mezi in sicer zaenkrat 29 centov na uro. Unija pravi, da bo potem vprašala za nadaljni povešek pri mezi in sicer toliko časa, da bo vsak delavec zaslužil \$3,425 na leto. Urad za delavsko statistiko je namreč nedavno ugotovil, da toliko potrebuje družina 4 članov v mestu, da se pošteno preživi.

Vlada zahteva kontrolo cen takoj, ne le racioniranje

Kontrolo cen zahtevajo tudi za maslo, sirovo maslo, perutnino in jajca

Washington. — Vlada zahteva od kongresa, da ji takoj dodeli oblast za kontrolo cen in racioniranje mesa in drugih živilskih potrebščin. Racioniranje brez kontrole cen ne pomeni nič, je izjavil pomožni poljedelski tajnik Brannan.

Toda kontrolo cen bo treba raztegniti tudi na druge stvari, kot na maslo, margarine, sirovo maslo, perutnino, jajca, ribe, mleko in sir. Ako bi imeli samo kontrolo cen za meso, bi ljudje segli po drugih stvareh in cena bi istim čez noč poskočila, je rekel Brannan. Zato je treba imeti kontrolo cen tudi nad drugimi produkti, ne samo na mesu.

Rekel je tudi, da če kongres izroči predsedniku oblast za racioniranje mesa, da bo vzel štiri mesece, predno se bo moglo to izvesti.

Kongres ima pred seboj predlog, da se dovoli predsedniku vpeljati racioniranje mesa, ako uvidi potrebo. Toda kongres zdaj še zaslusuje razne priče za in proti, predno bo glasoval o tem.

Republika Čile ima še ruskega poslanika

Obmejna straža. — Slika nam predstavlja bolgarskega vojaka na straži ob bolgarsko-grški meji v severovzhodnem delu, kjer na grški strani, okrog mesta Komitso, divjajo boji med grško armado in komunističnimi grškimi uporniki.

MORDA BODO ZDAJ ZAKURILI VOZOVE NA ULICNI

Ljudje, ki se vozijo na ulični železnici v Clevelandu se pritožujejo, kako da so vozovi mrzli. Prej, dokler ulična železnica ni bila last mesta, je bilo to vse drugače, boljše postrežba v vseh ozirih.

Zdaj se je zganila unija uslužbencev in predsednik Thomas Meany je včeraj zagrozil, da danes ne bo šel noben voz na ulico, ako ne bo v vozu vsaj 50 stopinj gorkote. Sprevedniki so dobili ukaz, da zapeljejo domov v premito vse vozove, ki ne kažejo toliko toplote.

To zlasti velja za progo na St. Clair Ave., kjer so še vedno v rabi tisti predpotopni vozovi. Mestna postava določa, da mora biti v vozovih ulične železnice najmanj 50 stopinj gorkote od 1. oktobra do 30. aprila.

Rusija protestira radi odprtje letalskih baz v Severni Afriki

London. — Zed. države so pred par tedni naznanile, da bodo odprle letalsko bazo pri Tripoli, ki so jo uporabljale tekom vojne. Ti kraji so pod upravo Anglije in ta je dovolila ta korak.

Takoj je prišla na dan Moskva s protestom, češ da je to kršitev italijanske mirovne pogodbe in da bi s tem Amerika in Anglija kontrolirali vzhodno in srednje Sredozemlje, kar bi ogrozilo dežele, ki so pod sovjetsko kontrolo v vzhodni Evropi.

Amerika in Anglija odklanjata protest Rusije, ker s tem ne kršita nobenih pogodb ali zaključkov. Italijanska pogodba, ki jo je podpisala tudi Rusija govori, da ostane Tripoli pod angleško vojaško upravo, dokler ne bo rešeno vprašanje italijanskih kolonij in o tem ni bilo dozdaj še nobenega govora.

Komunizem - dedič fašizma

II.

6. Posameznik je brez moči napram arbitrarni državi

KOMUNIZEM. — V Sovjetski Rusiji ni bilo še nikoli takega obžalovanja ali preklica neupravičene ali zmotne aretacije. Okoliščinski dokazi pri onih maloštevilnih javnih obravnavah, ki so se vršile ali se vrše, so jako močni in merodajni.

FAŠIZEM. — Tako zvana "ljudska sodišča," ki jih je upeljala Nemčija, so bila izvzeta od obligacij, da bi se ravnala po pisanih zakonih. Sodišča so sodila na podlagi "javnega mnenja."

7. Razširjena uporaba suženjskega dela

KOMUNIZEM. — Sovjetski režim se je posluževal že v prvih mesecih svojega obstoja knocentracijskih sodišč za kaznovanje svojih političnih nasprotnikov. Število ljudi, ki so na prisilnem delu v takih taboriščih, je naraslo v milijone s prirastkov ne-Rusov, vojnih ujetnikov in civilnih izgnancev. Število teh suženjskih delavcev znaša nad deset milijonov duš.

FAŠIZEM. — Oba, fašizem in nacizem sta sledila sovjetskemu zgledu ter potaknila svoje resnične ali namišljene kritike in rasprotnike v koncentracijska taborišča. Italija ni nikoli v veliki meri uporabljala suženjskega dela. Nemčija pa vse do vojne bolj za kažen kot za ekonomsko eksploatacijo. Tekom vojne pa je bilo pri prisilnem delu okoli sedem milijonov ljudi.

8. Popolna kontrola vlade, produkcije in dela

KOMUNIZEM. — V Sovjetski zvezi lastuje vsa sredstva produkcije z bankami in trgovinami vred vlada. Skoro vsak državljan je v tej ali oni obliki na državni plačilni listi. Kmetje so pod kolektivnim sistemom pod absolutno vladno kontrolo ter jim je natančno predpisano, kaj in koliko morajo posaditi in posejati in kaj in koliko morajo oddati državi. Na čelu sovjetskih inij so stranki lojalni komunisti.

FAŠIZEM. — Podoben rezultat je bil dosežen v Nemčiji in Italiji. Lastnike tovarnen in veleposesstev se ni naravnost razlastilo, razen včasih zaradi plemenskih razlogov. Toda delodajalec je bil zaviran po veliki množini državnih in strankinskih direktiv in določb, ki so mu nalagale, kaj mora producirati in prodati, kam naj se obrne za surovine, koga naj najame, koga naj odslovi. Glavne pozicije v nemški Arbeitsfronti in v laških delavskih korporacijah so bile v rokah nacijev in fašistov.

8. Razširjanje subverzivne propagande v inozemstvu

KOMUNIZEM. — Komunistična internacionala od vsega početka poudarja dolžnost komunistov po vseh deželah, da delajo z vsemi sredstvi, legalnimi ali drugačnimi, za strmoglatenje svojih vlad. Komunistične stranke po vseh deželah si prizadevajo postati pete kolone sovjetske ekspanzije. Ena izmed metod komunistične propagande v Rusiji in drugod je širjenje laži v takem obsegu, kakršen je nemogoč v deželah, kjer imajo svobodo tiska, in bi postale kontradikcije ali nesoglasja takoj očitna.

FAŠIZEM. — Fašistične vlade so vedno izvajale močen pritisk na svoje državljane v tujih deželah, da bi postali slednji njihovi špijoni in petekolonci. Toda nikoli ni bilo še nobene internacionalne fašistične organizacije tako izborna organizirane in trdno povezane kot je komunistična internacionala. Nacijski agenti, ki so bili dobro založeni z denarjem, so delovali za razdor in razkol v državah, katere so nameravali zavojevati, da ubijejo med ljudstvom voljo do odpora. Kot zgled tega nam služijo Francija, nizozemske države in Norveška.

10. Kultivacija vojnega sumničenja inozemskih držav

KOMUNIZEM. — Inozemcu je silno težko dobiti dovoljenje za vstop v Sovjetsko Rusijo. Oni redki časniki, ki dobe to dovoljenje, so podvrženi strogi cenzuri ter so odrezani od vseh neodvisnih ruskih virov novic. Sovjetski državljani so hermetično zaprti napram zunanjemu svetu. Njim ni dovoljeno prejemati inozemskih listov ali knjig. Nevarno je tudi družiti se z inozemci.

FAŠIZEM. — Ker je zemljepisna pozicija Nemčije in Italije manj izolirana kot pozicija Rusije, nista mogla Hitler in Mussolini nikoli tako učinkovito odrezati svojih podanikov od ostalega sveta, kot je to učinkovito storil Stalin. Toda tudi v Nemčiji in Italiji je vladala stroga cenzura, izgoni in druge oblike pritiska. Nacijska in fašistična propaganda sta sledili vzoru sovjetske propagande ter sta slikali svoje dežele kot obrekovane in predstavljane v napačni luči v zunanjem svetu.

Trditve komunistov, da oni nimajo plemenskih predsodkov, ni resnična, kajti cele etnične grupe (Nemci ob Volgi, krimski Tatarji, Kalmiki in drugi) so bile izkoreninjene ter presejane. Komunizem je kot vladni sistem predhodnik fašizma. Hitler in Mussolini sta storila Leninu in Stalinu velik poklon s tem, da sta postavila svoje stranke in svojo vladno administracijo na temelje sovjetskih vzorov.

BESEDA IZ NARODA

Delniška seja Slovenske Zdrružene zveze

V nedeljo 1. februarja se vrši redna delniška seja Slovenske Zdrružene Zveze v Slovenskem domu na Holmes Ave. Pričetek ob eni uri popoldne. Seja bo važna. Slišali boste poročila in sklepanje predloge za letošnje leto. Voliteve nekatere novih direktorjev in tako dalje. Ako se boste delničarji udeležili v velikim številu in pokazali zanimanje, bo delniška seja lahko zanimiva in živahna. Ako pa bo na seji samo par ljudi, zopet samo eni in isti, pa od seje ni za pričakovati drugega kot eno in isto.

V sedanjih časih, ko vse govori o delavstvu in njegovi organizaciji, nikakor ne bi smeli pozabiti na eno in to je: Slovenska združena zveza. Pridite vsi delničarji! Skupimi močmi nam bo morda mogoče rešiti probleme, ki nas čakajo. Po seji bomo imeli priložnost za razpravo. Med tem pa premikajoče slike o združevanju. Časi so resni za nas vse, pridite v velikem številu, da se čim več pogovorimo.

John Pezdirtz, tajnik.

Novice iz La Salle

La Salle, Ill. — Pa tudi pri nas je bilo zelo mrzlo med -15, -16, -17 itd. Kar naprej je bilo "zero", da gospodje Jankovičevega orkestra vedo, da je tudi pri nas v La Salle mrzlo vreme. No, glej ga šmenta, ampak za ta mlade pa ni bilo premraz, kajti udeležba na plesu 16. januarja je bila nad vse pričakovanje. Narodni dom je bil skoro premajhen in kaj takega še ni bilo v naši nasebini. Naši ta mladi so bili zelo veseli in zadovoljni z godbo Jankovičevega orkestra. Se tuji pravijo, da je slovenska muzika najboljša. Sliši se že nekaj povpraševanje, če bomo Jankovičeve fante še kdaj povabili v La Salle, Ill. Naši "antje" se prav lepo zahvaljujejo g. Jankoviču in članom njegovega orkestra.

Tukaj je bil na obisku rojak

Frank Franko iz Peoria, Ill. in v spremstvu Joe Millavšiča je obiskal tudi Toneta. Prav lepa hvala obema! Mr. Franko je rekel, da še najraje obiskuje stare pionirje in pravi, da so velike spremembe v La Salle mestu, kjer so zdaj lepe ceste in bele hiše zdaj tu stoje. Da, res je in lasamo se tudi več ne, kot smo se nekdaj, ker smo sedaj menda bolj bratoljubni in so stare navade že davno pozabljene. Pace!

V soboto 17. januarja so Mrs. Anton Jenko, Mrs. Mary Furar, Mrs. Christine Weygand in Miss Wanita Shimkus privabili okrog 300 ljudi na lep "surprise party," ki so ga priredili za Mr. in Mrs. Charles Simkus za njuno 25 letnico poroke. Da, ta dva slavljence sta čislana med Slovenci, zato ju pa tudi ljubijo in oba tudi vselej rada pomagata tako pri cerkvi kakor tudi pri Domu. Zato pa tudi jaz poudarim: Svoji k svojim! — saj me razumete. Na slavnosti sta bila dva kratka govora v počast slavljenca in sicer v angleščini je govoril Rev. Kolem Kasovici in Anton Strudel v slovenščini.

Ta večer smo se srečali v veselju z Mrs. Janetta Tezak iz Joliet, Ill. in z Mrs. Louis Klemencic iz Gary, Ind. Mrs. Klemencic je zapela par slovenskih pesmi slavljenca v počast in prav tako tudi Miss Rose Klobučar v angleščini ter Mr. Robert Manahan bariton. Za plesalce je skrbel Mr. L. Spleit Jr. Pri mizah pa so stregle: Mrs. Frank Kastigar, Mrs. August Brate, Miss Anna Palko, Mrs. Frank Kobilšek in Mrs. Anton Klopčič. Potrebna je bila izvrstna, kajti mize so bile obložene z vsemi dobrotami tega sveta, da so komaj držale. In pri bari so se pa prav pridno sukali: Anton Jenko, Frank Struna, Frank Kastigar, Mr. in Mrs. Shimkus pravita: vsem skupaj najlepša hvala!

Kolikor mi je znano, ju je poročil sedaj že pokojni Rev. John Plevnik, takratnik župnik pri fari sv. Jožefa v Joliet, Ill. in sicer 27. decembra 1922. Slavljenca pa kličem: še na mnoga leta in Bog vaju ohrani zdrava in vesela vsaj še do zlatega poroka!

Naš č. g. župnik Father Stefan Kasovici se je moral podati v bolnišnico v Chicago, Ill., kjer je že nad tri tedne. Farani želimo dobremu župniku, da bi se že skoro zdrav vrnil k sv. Roku v La Salle.

V bolnišnici je tudi Mrs. Mary Kastigar in sicer že dalj časa. Tudi tej blagi ženi želimo skorajšnjega in popolnega zdravlja. Posebno pa ji to želijo članice Družbe sv. Družine, katere članica je že več let.

Pustni čas je tu, pa prmej dvakrat se fantje kaj počasi želijo. Noja, saj jim tudi ni sedaj zamere, ker se najbrže bodo gotovo v poletnem času bolj pridni, kaj ne?

Mislil, da je za danes dovolj, bom pa še prihodnji teden prinesel še kaj novic. Prejmite vsi Slovenci pozdrav od Toneta s hriba.

Naročnica iz Milwaukee piše

Milwaukee, Wis. — Cenjeno uredništvo! Ker vidim, da nam je naročnica za Ameriško Domovino potekla, vam pošiljam celoletno naročnino za naprej. Povem vam, da bi ne mogli biti sedaj brez tega lista,

ki tako vse po pravici pove. Mi dva z možem vedno težko čakava, da dobiva list in dolga bi nama bilo, če bi ga več ne dobila.

Se prav posebno pa ga težko čaka moj mož, ki ima dosti časa za branje, ker ne more več delat in tako vsaj izve razne novice in kaj se godi po svetu. Se prav posebno pa se od srca nasmejeva, ko bereva kolono "Če verjamete al pa ne" in že kar težko čakava, kako bo Jože takel pred tisto medvedovo kožo. Tudi jaz bi rada videla da bi Micka vsak teden kaj napisala. Saj to vem, da je to samo za špas, pa vseeno dam tistemu čas, ki to piše, kajti imeti jih mora že precej pod kapo, ker drugače bi ne mogel tako zabavno pisati. Oh, na koliko stvari me spomnite iz starega kraja. Jaz sem namreč doma iz Dobrove in moj mož pa iz Notranjih gor, fara Brezovica. Najlepše pozdrave uredništvu, Bilčku in tistemu, ki bo doma imel ter sploh vsem cenjenim čitateljem tega lista.

Beseda o Baragi

Cleveland, O. — V razgovoru z Rev. Julius Slapškom na seji Zveze Najsvetejšega Imena so mi omenjeni gospod povedali, da je bilo 19. januarja ravno 80 let, odkar je umrl ta naš veliki in zaslužni čenji, ki je pridobil nam Slovincem v Ameriki in širom dežel tako zaslužno ime. Ako kedaj je sedaj čas, da se naše ljudstvo zateka k njemu, ki bo, nedvomno posredoval za svoje ljudstvo, ki je danes preganjeno, razkrojeno na vse strani dežel in trpi pomanjkanje, preziranj, zaničevanje, največ za to, ker ni hotelo sprejeti režima svobodnjaštva, kakršnega katoličani, kot taki, sprejeti ne morajo.

Baraga, ki se je po vzgledu in navdihnjenju, kot misijonar, odločil zapustiti domovino in vse svoje komodno življenje in udobnosti, svoje ljube domače in je šel v tujino, da išče in najde duše ubogega, nevednega ljudstva zapuščenih indijanskih rodov, da jim pridobi za vero, za Kristusa; bo tudi v teh časih, ko se gre za naš narod, da se ga "razbremenijo" po novem nauku komunizma, verskih verig, kar je ravno v nasprotju z odločitvijo in dejanji Baragovega misijonstva, žrtvovanja in zatajevanja, ki ga je doprinesel kot apostol vsa svoja leta, da bi razširil ubogemu ljudstvu luč vere in pa kulture ubogim, nepoučenim, narodom, kakor je naloga vseh oznanjevalcev in misijonarjev sveta. Ta Baraga, ki je izšel iz našega rodu, bo v teh časih, če se kot taki zavzamemo vsi, tukaj in kjerkoli se nahajajo naši katoliški rojaki, bilo v stari domovini in drugod razgnani, obrnemo na njega, bo prirošnik in pomočnik v teh tako žalostnih razmerah, verskega preganjanja naših katoliških družin.

Za to je prav, da je Zveza Najsvetejšega Imena sklenila se vdeležiti baragovega romana na njegov grob, pridružen Baragovi Zvezi, enkrat v juliju, ob enem pa tudi tukaj praznovati našega velikega misijonara.

V Franciji je bil nedavno obsojen mlad tat na dolgoletno prisilno delo. Ko mu je predsednik sodnega dvora prebral sodbo, je dejal: "Prosim odpustiti, saj sem bil v tujini, da je s trpljenjem in trudom pridobil srca siromašnih narodov Bogu. Član Baragove Zveze, Anton Grdina.

ČE VERJAMETE AL PA NE!

"Jaz sem skušal razbrati z obrazov domačih, kaj kuhajo zoper mene, ki vsi tako molčijo,"

tako sem nadaljeval svoje zgodovinske spomine iz pastirskih let. "Ampak vsi so strmeli v skledo, kot bi tam iskali kakšen šac, ali kaj takega. Vedno bolj tesno mi je bilo pri srcu, ker toliko sem že takrat imel soli v glavi, čeprav moram na žalost priznati, da so mi je veliko premalo stresli tam pri sv. Jerneju, ko so me potrdili za pravovernega kristjana, — da brez nič ne bo. V normalnem razpoloženju je ta ali oni katero zini, če ne prej, pa takrat, ko je spravljen usta polno žlico, potem jo je pa z roko naslonil pod uho, da dobi pričko naslednji priti v skledo.

"Če bi se mi kaj takega prišlo v današnjih letih, bi si rekel: en hudič je, pa naj bo že tak ali tak ... takrat sem pa samo menal po kolopi za mizo in tudi nekajkrat pogledal, če je pot do vrat prosta navlake, kamor bi prašil, predno bi me pograbila okorna očetova roka za ta sladke. Dasi sem navadno segel v skledo trikrat, predno je mogel kdo drugi enkrat, sem tisti večer samo mehnično suval v skledo in nosil iz nje komaj pol žlice močnika, pa še od tistega se mi je s tresoč roko precej počofalo po mizi. Veste, strah zlomi človeka, da nikdar tako.

"To smo videli pri Gašperju, ko je opletal okrog smreke in lovil medveda za rep," primakne vati Baragov dan s katoliškim shodom v kulturnem vrtu, kjer se je vršilo že toliko svečanosti in velikih manifestacij našega slovenskega vernega ljudstva.

Cenjeni rojaki! Čas nas kliče. To leto se moramo odzvati klicem naših bratov v domovini in drugod razgnanim po svetu. Tudi oni se obračajo do Barage, prireajo shode, opravljajo molitve in druge pobožnosti. Pridružimo se jim in pridruževali. Naš narod je bil in mora ostati veren in to tudi pokazati v javnih nastopih, kakor nam narekuje verska dolžnost. Baraga je naš in bo v teh težkih časih prosil da se našemu narodu vrne, kar se mu je že vzelo in se mu namerava vzeti še več.

To leto naj bo leto polnega zaupanja do Barage. ob 80 letnici njegove smrti. On živi na svojih zaslugah in bo imel pred Bogom besedo za svoje ljudstvo, ki trpi na tem, za kar se je on podal v tujino da je s trpljenjem in trudom pridobil srca siromašnih narodov Bogu. Član Baragove Zveze, Anton Grdina.

BOLNISKI AVTO NA RAZPOLAGO

Sin mrtvega

ROMAN
Karel Mauser

Jernej pride vsak večer vso-
vat. Z Minco govori že skoraj
tako možato kakor z ženo. In
z Bregarjem modrujeta. Polje
sta že vse precenila.

"Umetnega gnoja si več na-
roči kakor Klevž. Na Pernaci
je prst še na prevrto drema-
va."

Na Veliko noč je Minca Jer-
neju zadnjikrat pripravila pir-
he kot dekle. Ko je bila zye-
čer sama v kamri, se ji je kljub
vsej sreči težko storilo. Vaso-
val pa Jernej ne bo nikoli več.
In vendar je bilo ravno v vaso-
vanju toliko lepega. Nekateri
večer Minca sloni na oknu in
božja angeljine.

So pa dekliska leta le tudi
lepa. Šele ko minejo, jih veš
prav ceniti. Toliko sanj ne bo
nikoli več, kot jih je bilo, tudi
hrepnenja bodo druga.

Vendar Minca le ne more bi-
ti prav žalostna.

Kako le ob Jerneju?

Grapa je bila pripravljena in
je čakala na novo gospodinj-
stvo. Jernej je dal vse prebeliti, le
kamre, v kateri je ležal Klevž,
se ni dotaknil. Bolnik naj ima
mir. Ravno zavoljo tega tudi
ni mislil povabiti goste. To-
da Klevž jo je zahteval.

Bela nedelja je bila v Grapi
vsa v puščicah. Svatov je bilo
za šest vozov. Ženina in neve-
sto je vozil Kodranov Matevž.
Minca in Jernej sta tako želela.

Vrste so se skoraj mislile
razklati od samega ukanja. Še
čez Slemen so padali vriski.
Kodranov je dal najboljšega
fanta iz svoje družine. Prav,
da se tudi na zunaj vidi.

Klevževa hiša je komaj spre-
jela vse goste. Kar na drepju
so bili. Klevž je ukazal, da so
odprli vrata v kamro. Ko mu
je prišla Minca stisnit roko, je
bil Matija ves v solzah. Samo
kimal je in s prsti nekaj ka-
zal. Minca pa ga ni mogla ra-
zumeti.

Pod noč so fantje dvignili
pesem.
"V Kani galilejski ohcet je
b'la..."

Vesolja kar ni zmanjkalo. Ko
so godci počivali, so jo vzdig-
nili pevci, ko so se še pevci
utrudili, je pa Kodranov take
kresal, da so se mize tresle.

"Veste, kako Kroparji konja
obrnejo?"

"Ne! Matevž, daj no poveda-
ti."

Od vseh strani vpijejo.

"V Kropi so ceste tako ozke,
da se dva človeka ne srečata.
Pogljajno oče, ki jih nekaj je,
bi se še sami med hišami za-
basali. Kroparjem je bilo ne-
rodno zavoljo konj, ker jih ni-
so mogli obračati. Pa se ti
spomni Kavsov Karel: Ej, zlo-
mek. Takole bo pa šlo. Pori-
ne roko konju skozi gobec do
repa, prime konja za rep, ru-
kne in konjska glava je tam,
kjer je prej bil rep. Če ni res,
sem se pa zlagal."

"Da ne bo moko pod mizo",
briše Bregar solze od samega
smeha.

Prmejduh, Kodranov, ta pa
ta!

Ure tako bežijo, da človek
raje ne pogleda na steno. Pa
se je nazadnje le treba poslo-
viti. Ženin in nevesta sta zmu-
čena in Klevžu tudi ne smejo
vzeti vse noči.

Grapa je tiha sredi noči. Na
vasi so še redki vriski, Minca
je Klevževa.

Bog daj, da bi srčno orala
z Jernejem.

Bog daj.

Dober teden po poroki so zju-
traj dobili Klevža mrtvega v
postelji. Tako je ugasnil sredi
noči. Kot lunin krajec, ko se
nebo zaoblaci.

"Dotrpel je, mama", je tola-
žila Minca Nežo.

"Dosti je preстал, Bog ve, da
res, pa vendar vseeno..."

In Klevžarica je spet v veku.
Jernej gre po krsto, Pon-
kvarica pa pripravlja pare.

Prvi kropilci bodo nemara
kmalu prišli. Jernej mora ku-
piti še tobaka, da bo za tiste,
ki bodo mrtvega stražili.

Minca je gledala na vse strani.
Pomagala je nanositi rož,
prte in sveče. Klevžarica se je
komaj premikala.

Zdaj leži Klevž na parah.
Nič ni grozen videti, čeprav je
suh, da ga je komaj poznati.
Na očeh mu ležita kovanca,
pred krsto akodelica z blago-
slovljeno vodo in oljčno veji-
co. Kropilci se kar nabirajo.

Pod noč jih je polna vsa hi-
ša. Na mizi slivovka, kakor se
spodobijo za to priliko, kozarček
hleb črnega kruha in tobak za
možarkaje.

Najprvo Ponikvarica odmoli
rožni venec. Tega je duša naj-
bolj potrebna. Potlej tudi kak-
šno nedolžno veselje lahko pri-
de. Mrtvi ne bo zameril. Noč
je dolga.

Med zvonjenjem so Klevža
spremili k farni cerkvi. Naj-
močnejši fantje so ga nosili. Je
presneto daleč iz Grape do cer-
kve.

Spodobno so ga zagrebeli, po-
kropili, mu povišali večni mir
in pokoj in se razkropili. Zad-
nji so odšli Neža, Jernej in
Minca.

Jernej je tudi za očeta dodal
očenaš.

Na mizi stoji križ. Poleg
njega goreča sveča. Okrog mi-
ze in pri klopih kleče domači
in nekaj ljudi iz vasi, Bregar,
Ožbovc, Devs, Ponikvarica, Gre-
gelnova dva in še nekaj žensk.

Za rajnega Klevža molijo.
Morda je potreben molitve, da

je ne bo po spominih prosil.
Sedem dni bodo tako molili, se-
dem dni bo gorela sveča in z
vaščani vred prosila Boga, naj
odpusti gospodarju Klevžu zna-
ne in prikrit grehe, da bo vre-
den milosti božje, ki jo je po
svojem trpljenju zaslužil.

"Češena si Marija, gnade
polna, Gospod je s teboj, žegna-
na si med ženami, žegnan je
sad tvojega telesa Jezus, ki naj
se usmil in njegove duše."

Na glas moli stari Gregel, na
glas odgovarjajo molilci.

"Bog mu daj večni mir in po-
koj."

"In večna luč naj mu sveti—
Amen."

(Konec)

—Sloveči pisatelj in pesnik
Herman Bahr je leta 1917 zapi-
sal: "Vojna ljudi ne bo spre-
menila, sreča jih ne spreminja
in tudi trpljenje ne. Nič jih ne
spremeni. Od zunaj jih ni mo-
goče ozdraviti. Karkoli se z nji-
mi zgodi, jih ne poboljša, do-
kler se v njih samih ne zgodi
čudež. In če se je čudež zgodil
v njih, potem je vseeno, kaj se
z njimi dogaja od zunaj."

Nova moda ženskih klo-
bukov za spomlad. — Kot
vidimo na sliki, bodo ženski
spomladanski klobuki res
okusno okrašeni, da se bodo
marsikomu kar slane cedile,
ko bo videl tak lep grozd
rdečih črvenih na ženskem
klobuku.

Studentje na delu. — Dijaki in dijakinje, nekateri iz londonske univerze, dobijo uni-
sko plačo za delo v prostem času, ki ga vršijo pri obnovi Londona. Kupe peska in razva-
lin so bili na tem Queen trgu še iz začetka vojne in so jih šele zadnje čase odstranili.

En las dvesto frankov

Neki brivec v Parizu je stri-
gel starega elegantnega gospo-
da. Tedaj pride v brivnico le-
pa deklica in ponudi brivcu
svoje krasne črne lase; zahte-
va zanje 60 frankov; pravi, da
je mati hudo bolna in mlajši
otroci lačni. Brivec gleda lase
in ji ponudi dvajset frankov,
češ da so črni in takih da je ve-
dno dovolj naprodaj. S treso-
čim glasom prosi dekle, naj ji
da vsaj 40 frankov, toda brivec
noče. Že se je dekle v obupu
odločilo, da proda lase za dvaj-
set, ko stari gospod vstane. Po-
slušal je z zanimanjem ves po-
govor in zdaj ponudi deklici
dva bankovca in pravi: "Ali
prodaste svoje lase meni za ta
denar?" Ona takoj pritrdi, ne
da bi natančneje pogledala po-
nujeni denar. Stari gospod vza-
me brivčeve škarje in odstriže
dekletu en sam dolg las; spravi-
ja ga v svojo listnico, ponudi
dekletu roko v slovo in odide.

Zdaj šele pogleda deklica oba

bankovca natančno in vidi, da
je dobila dvesto frankov za en
sam las. Hiti na cesto, da bi se
blagemu gospodu zahvalila.

Brivec je menil, da bo to kak-
angleški čudaški lord ali kaka
navadna prisnoda. Gospod je
zavil v prvovrsten hotel in vra-
tar je deklici povedal, da to ni
noben lord pa tudi ne čudak,
ampak slavni nemški učenjak
Alexander Humboldt, ki se je
takrat mudil v Parizu v politič-
nih zadevah.

DROBNE VESTI IZ SLOVENIJE

(Dolje preko Trsta)

(Nadaljevanje s 1. strani.)

izvedenca za koroško vprašanja
in nekega Ribnikarja.

**SESTANEK POD NADZOR-
STVOM.** — 30. novembra je ta
"komisija" naprosila prelata Va-
lentina Podgorca, kanonika v

Celovcu, ki si je v zadnjem času
pridobil silnih zaslug za obnovi-
tev Mohorjeve družbe na Koro-
škem in dejansko uspel, za sesta-
nek in razgovor. Na sestanek sta
prišla poleg članov "komisije"

tudi imenovana zastopnika jugo-
slovske vlade. Prelat Podgorc
je bil mnenja, da nimata ta dva
prav nič iskati pri tem sestanku.

"Na Koroškem ni komunizem na
vladi in pri bratovščinah ni vla-
dnih špiceljnov kot so bili nek-
daj pod nacisti", je rekel Pod-
gorc. Toda zaupnika komunistov

nista zaupala "komisije" same
prelatu in se nista ganila, čeprav
sta postala rdeča ob kanonikovih
besedah. Nato je Podgorc re-
kel: "Imel bi pravico, da vaju vr-
žem ven s policijo, pa ni treba.

Kajti jaz radi vajine navzočno-
st ne bom niti ene besede dru-
gače postavil." Nato se je raz-
govor začel. Glavno besedo je
imel Trstenjak.

**ZAHEVI "KOMISIJE" STA
BILI DVE.** — Prva je bila, da
se ne sme izdati na Koroškem
nobena knjiga Mohorjeve dru-
žbe, ker da je samo ena Mohor-
jeva družba in sicer tista v Ce-
lju. Na to zahtevo je prelato Pod-
gorc odgovoril: "Mohorjeva dru-
žba je res samo ena in ta je na
Koroškem. V Celju Mohorjeve
družbe ni več; ostalo je samo
ime. Drugače pa je v Celju vse
pod državno kontrolo. Tista Mo-
horjeva družba ne sme več tiska-
ti knjig, ki bi jih morala. Vaše
knjige mi odklanjamo, ker smo
katoličani in ne komunisti." Do-
dal je še, da ima Mohorjeva dru-

žba v Celovcu že 7.000 naročni-
kov, kar je za začetek lepo šte-
vilo. V nadaljnjem je Valentin
Podgorc poval "komisijo" naj
pošlje na Koroško dobrih knjig
in jih bodo Korošci radi brali.

Naravnost prosil je, naj pošljejo
katekizmov, sveto pismo in mo-
litvenike. Tega koroškimi Slo-
venci pritiska silno manjka.

"Komisija" je samo obžalovala,
da žal s takimi knjigami ne mo-
rejo postreči. Prelat jim je od-
govoril: "Razumem, da ne more-
te. Kaj takega v komunistični
državi ne morete in ne smete ti-
skati." Tako je pač najbolje do-
kazano, da nova komunistična
Mohorjeva v Celju ni več stara
Slomškova Mohorjeva.

DRUGA ZAHEVA pa je bi-
la, naj Koroška Mohorjeva dru-
žba izroči svoje premoženje celj-
ski Mohorjevi družbi. Gre se za
nekaj hotel in štiri hiše. Na to za-
htevo je stari prelato odgovoril:
"Čelo življenje sem delal za ko-
muške Slovence. Sedaj pred smrtjo
pa naj bi napravil narodni

zločin in narodno premoženje iz-
ročil mednarodnim komunisti-
čnim zločincem." Potem jim je
našel, kaj so vse storili komuni-
sti proti katoličanom. Prišel je
tudi na to, koliko duhovnikov in
najboljših katoliških izobražen-
cev je moralo bežati. Rekel je:
"Bojim se, da čaka Ljubljano
in Zagreb še težka kazen, ker sta
ti dve mesti obsodili svoje škofe.

Kaj takega se ni nikoli zgodilo v
zgodovini slovenskega naroda.
Niti nemški okupator si ni upal
seči po škofih." Na to je Trste-
njak začel z znano komunistično
frazo: "Zakaj so pa bežali. Pa-
stir ostane pri svoji čredi." Ka-
nonik mu je rekel: "Ker ste pri
sv. pismu, vedite, da je tudi pi-
sano: 'Kjer vas ne sprejmejo in
vas preganjajo, otesite prah s
svojih čevljev in bežite v drugo
deželo.'"

Kanonik jim je še to povedal,
da so jugoslovanski komunisti
oropali tudi celovški kapitelj,
kjer sta tudi dva Slovenca. Tr-
stenjak je nato povabil Podgor-
ca v podržavljeni vinograd na
štajersko. Prelat pa je odgovo-
ril, da ne gre v Jugoslavijo, ker
bi rad umrl naravne smrti.

Tako se je končal ta razgovor
brez vsakega uspeha. Komisija
je prišla in odšla.

En las dvesto frankov

Neki brivec v Parizu je stri-
gel starega elegantnega gospo-
da. Tedaj pride v brivnico le-
pa deklica in ponudi brivcu
svoje krasne črne lase; zahte-
va zanje 60 frankov; pravi, da
je mati hudo bolna in mlajši
otroci lačni. Brivec gleda lase
in ji ponudi dvajset frankov,
češ da so črni in takih da je ve-
dno dovolj naprodaj. S treso-
čim glasom prosi dekle, naj ji
da vsaj 40 frankov, toda brivec
noče. Že se je dekle v obupu
odločilo, da proda lase za dvaj-
set, ko stari gospod vstane. Po-
slušal je z zanimanjem ves po-
govor in zdaj ponudi deklici
dva bankovca in pravi: "Ali
prodaste svoje lase meni za ta
denar?" Ona takoj pritrdi, ne
da bi natančneje pogledala po-
nujeni denar. Stari gospod vza-
me brivčeve škarje in odstriže
dekletu en sam dolg las; spravi-
ja ga v svojo listnico, ponudi
dekletu roko v slovo in odide.

Zdaj šele pogleda deklica oba

bankovca natančno in vidi, da
je dobila dvesto frankov za en
sam las. Hiti na cesto, da bi se
blagemu gospodu zahvalila.

Brivec je menil, da bo to kak-
angleški čudaški lord ali kaka
navadna prisnoda. Gospod je
zavil v prvovrsten hotel in vra-
tar je deklici povedal, da to ni
noben lord pa tudi ne čudak,
ampak slavni nemški učenjak
Alexander Humboldt, ki se je
takrat mudil v Parizu v politič-
nih zadevah.

Rotija

Poveš

Sonce je sijalo čez Jelovco, enakomerni udarci kladiv so padali po kamenju. Na desno je ležala še ena, prav taka bajta.

"Dolčas mi ne bo", je pomislila Rotija. "Nemara bo ljudi še preveč."

"Rotija! Rotijaaa!" Po glasu je spoznala Kovačovo iz Podlonke. Sedela je na majhnem stolčku in s kladivom tolkla pa kamenju.

"Si prišla k nam?" jo je pozdravila. "Gozdar nam je že povedal, da boš pri nas delala. Veš, ni prav nič težko. V enem tednu se boš vsega navadila. Kaj pa je na Prtovcu novega?"

Rotija se je kojo počutila domačo, posebej, ko je med delavkami našla tudi Čotovo Maričko z Jamnika. Kar pozabila je, zakaj je prav za prav prišla sem gori. Vsa dekleta so jo prijazno pozdravljala, tudi tista, ki jih ni še prav nič poznala.

"V prvi bajti boš, kajne? Na vrhnjem pogradu. Zraven mene, veš" je bila Čotova vesela.

Rotiji se je dobro zdelo. Z Maričko sta si bili prijateljici, čeprav sta si bili močno vsakebi. Od Prtovčka do Jamnika ni kratka pot, toda na vsakem žegnanju sta se našli. Samo na zadnjem selškem ne. Škoda. Ko bi Maričko dobila, bi ne šla s Tinotom v gostilno in vse hudo bi ji bilo prihranjeno.

"Delo ti bomo pa tudi počasi razkazale. Kamenje tolči ni najbolj prijetno. Pogozdovalec"

se saditi pa prav prijazno. Pogozdovanje je tudi bolj pusto, posebno če je jasa zaraščena s trnjem. Mimogrede si vsa opraskana. Večer je pa le vsak naš. Ko se zmračí, emu same svoje. Sedemo, največkrat kakšno zapojemo, potem se pa lotimo kuhe. Saj mislim, da na ponev nisi pozabila. Večer za večerom natepavamo žganice. Ti ne veš, koliko so boljše kakor v dolini. Pa mleko hodimo na Lipniško planino. Vsak dan druga. Kar mimogrede je teden k kraju. V soboto gremo domov, ker delamo do dvanajstih. V nedeljo

Cleveland, O., 30. jan. 1948.

Dekleta so koj poprijela:

Varuj me ti nočoj,
angelček moj . .

Rotiji se je zdelo kakor v cerkvi. Marička jo je sunila s kolenom: "Po!" Zdaj šele se je zdrnila.

Bog, ki je Stvarnik moj,
ustvaril me je na svet . .

Rotijin alt je mehko zaplaval. Nenadoma jo je petje prevzelo, jo potegnilo za seboj in Rotija je pozabila na vse in čutila ob sebi samo Maričko, ki je pela visoko, da je rezalo

zrak. Dekleta so se zagledala nekam predse, z rokami sklenjenimi v naročju in pela, kakor da zanje razen glasov ni ničesar več na svetu.

Marička je že vzdignila novo:

Dekle, zakaj tak žalostno,
povešaj mi oči . .

Rotijin alt je postal žalosten kakor nekam zasanjan:

Al' usahnili ti je rožmarin,
al' nagelj se suši?

Gozdar Lovrenc je slonel pred kočo, poslušal in kadi pi-

po. Saj je vsak večer poslušal to dekleto petje, toda vsak večer znova ga je prišlo. Sam ni vedel kaj: ali hrepenenje po ženi, ki je bila v Radovljici ali hrepenenje po dolini, ki je ležala tam spodaj.

"Dobro pevko ste dobile", je zaklical, ko je bilo pesmi konec. Rotijo je obšla rdečica. Kar pozabila je, da ni več ne dekle, ne žena. Ali sploh sme sedeti med temi preprostimi dekleti z žuljavimi rokami, ki mislijo na svoje fante in na nedeljso mašo, kjer se bodo dobile z dragimi? Ali ni greh, da sedi s svojo skrivnostjo todle in poje, kakor da je ne teži nobena skrb?

Gospod Lovrenc je zaklical od koče: "Tisto zapoje: Vsi se prihajali . ."

Čotovi ni bilo treba dvakrat reči. Pesem je že plavala čez jaso.

. . njega ni b'lo, ni b'lo . .

Rotiji je nenadoma postalo hudo. Vse v njej se je razlotalo. Nikdar več ga ne bo, čeprav je še živ. Osramotil me je in zginil. In čeprav pride, pred moje oči ne sme stopiti. Sredi pesmi je obmolnila. Marička je stresla z glavo in jo

ježno pogledala. Morala je pe-
ti. Pela je brez srca, brez vo-
lje in svoj glas je čutila, kakor
la prihaja iz velike globine, iz
prepada z ozkimi golmi stenami,
po katerih se ne bo mogla
nikdar dvigniti.

Mesec se je dvignil na nebo
in nekje pod bajtama je lajala
lisica. Njen hripav glas se je
zadiral v petje kakor krohota-
blaznega človeka.

"Pozno je; spat gremo." Ma-
rička se je vzdignila in z njo
vsa dekleta iz prve bajte. Ro-
tija je kar pijana omahovala
ob Čotovi.

"Ni b'lo, ni b'lo", se je zadi-
ral lisjak.

AMERICAN IN SPIRIT
FOREIGN IN LANGUAGE ONLYSLOVENIAN
MORNING NEWSPAPER

This and That from Washington

By Congressman Frances P. Bolton

ANOTHER week of concentrated work on the European Recovery Plan has accentuated the determination of both Senate and House committees to go deeply into all the problems involved.

The method of administration continues to hold a central point of discussion. In addition, questions are being asked as to the role that the World Bank and the Monetary Fund were created to play in stabilizing currencies and providing loans.

A very serious problem looms in the slowing down of the Arabian Oil development. All witnesses before the House Committee on Foreign Affairs have stated that the fuel requirements in the program for Western Europe are based upon the anticipated supplies of oil from the Near and Middle East. I advised you earlier of the Syrian Parliament's refusal to ratify the pipeline agreement. A rerouting could have been arranged, but a general Arab resistance presents a very serious situation. Word from the area is that the already constructed pipelines have been cut in two places. Study of known oil sources has revealed that our hemisphere can supply our hemisphere needs with very little if any to spare for other parts of the world. Oil from the Arabian peninsula was therefore crucial to the recovery of Western Europe and the development of the Near and Middle East. Russia, meantime, stands by

waiting. Word from the powerful King Ibn Saud who is doing all possible to stem the Arab tide, is that the first American soldier (and there is no difference in his mind between Army and the Marine Corps) will be the end not only of oil concessions and pipeline agreements, but of all friendly contacts, for even he could not hold back the fury that would be unleashed. These are dangerous days.

OHIO'S delegation in Congress is made up of fine people doing consistently hard and thoughtful work. The House has just passed H. R. 2575 introduced by Charles E. Houston of Cincinnati. He is a top-flight lawyer who believes in fairness and in justice. It is very much in character that he should bring out for successful House passage a measure "to improve the administration of military justice, to provide for more effective appellate review, to insure the equalization of sentences, and for other purposes." Congratulations, Charles!

REPRESENTATIVE MICHAEL J. KIRWAN, long a member of Congress from Ohio has been elected to replace the late Patrick M. Drewry of Virginia as chairman of the House Democratic Congressional Campaign Committee. Honorable Leonard W. Hall is chairman of the House Republican Congressional Campaign Committee upon which Congressman "Bill" Hess of Cincinnati represents Ohio.

A subcommittee of the Senate Interstate and Foreign Commerce Committee has reported on its study of the freight car shortage. Among other things it stated that construction of 10,000 freight cars a month for at least two years is needed to lift the present car shortage. This will increase the boxcar and open car supply by 200,000 units.

CONDENSED NEWS FROM OUR HOME FRONT

Cleveland, Ohio Friday, Jan. 30, 1948

Sioux Falls, S. D. — Farmer Richard Lowe tried to sell a Holstein cow in 1930 for \$30 but there were no buyers. The farmer kept her and she gave him calves and milk. Recently he sold her for meat at 22 cents a pound and received \$390.

Pez, Morocco. — Mohammedans are using their privilege of having more wives in their harems and less. Due to the high cost of living, they feel lucky if they can afford one wife. In times gone by, they could buy a wife for 5,000 francs, today they are from 100,000 to 200,000 francs.

Mrs. Thomas Kraic of E. 63 St., is visiting her daughter, Mary, in Los Angeles, where she will stay until May to help her recover her health.

Gallipoli, O. — This little town of 8,000, lying along Ohio River, decided to take over the care of some French town of the same size. Gallipoli was founded by French immigrants in 1790. The government will pick out a town in France and the citizens of Gallipoli will take care of all the needy. Many have relatives in France now.

The family of Mr. and Mrs. Frank Benedict, and two daughters of 14821 Hale Ave., left for California last week. They intend to make California their permanent home.

Elmvale, Canada. — Mrs. Annie Smith, 42 years old, died recently. She was the Canadian woman who won \$100,000 for giving birth to the most children in 10 years. Lawyer Charles Miller ordered that amount given to the mother who bore the most children within 10 years. Mrs. Smith gave birth to 9 children between 1926 and 1936 and received the \$100,000.

Brooks, Oregon. — Betty Lamar, 40, black-haired and lively, obtained a divorce from her 15th husband. She said she's through with married life but will not promise absolutely because someone

might come along, over whom she might lose her head.

Washington. — Senator Wherry of Nebraska accused Senator Flanders of Vermont of first having filled up his freezers with great quantities of meat, and that now he is agitating for meat rationing because it will make no difference to him.

Sandusky, O. — Otto Keis was a war prisoner in U. S. In 1945 he was sent back to Germany with the rest. But he saw that life in America is much nicer, even as a prisoner, than being hungry in Germany, so he sneaked back. He landed in Portland, Me. and made his way to Sandusky, O., where he found work on a farm. But the authorities found out about him and now he is awaiting their decision in jail.

Winchester, O. — Dr. Lewis Berry was 96 years old recently. For his birthday he received a check from the insurance company on a policy which he took out 40 years ago. He never expected to enjoy his own insurance policy. Up to his 85th birthday he practiced medicine.

From Arizona come greetings to all the friends of Mrs. P. Dole (nee Anne Lazar) of E. 69 St. She will probably settle there permanently.

Camden, N. J. — Mrs. Hoyle came in tears to the judge and told him that she broiled a steak for her husband, but it was not an inch and a half thick as he wants it. In his anger, the loving husband took up the steak and "rubbed" her face with it. And she added hurriedly, it was hot!

Clevelanders got no less than 44,980 new automobiles last year, — the year before it was 27,197.

Washington. — William Green, president of AFL, proposed a 45 hour week, 40 hours at straight time and 5 hours at time and a half. He told Congress that this would stop in-

flation and raise production.

Bend, Oregon. — Cecil Snyder, 11 years old, poisoned his father by putting strychnine in his food. The boy was sent to a correction school in Nebraska. He said that his father threatened many times to kill him.

Chicago. — The American Association of Hospitals reports that during 1946 there were once as many patients in the various hospitals all over U. S. as there were in 1936. During 1936 there were 7,600,000 and in 1946 there were 15,263,000. Figures for last year are not as yet known but they are sure to be over 16,000,000.

Washington. — The Political Action Committee of CIO administered a blow that was felt by the Leftists (Communists) in its own ranks, when it voted 7 to 2 endorsing a resolution which demands full support of the third political party. This means that CIO is against the candidacy of Henry Wallace.

New York, N. Y. — Margaret Truman has rejected Truman's offer to do her singing in a Times Square restaurant, the "Royal Chicken Roast." Other plans prevented her from accepting.

Washington. — War widows whose husbands died in active service between Dec. 7, 1941 and Jan. 1, 1945, are entitled to refunds on any income taxes they have paid during those years, according to information given out by the Gold Star Society of American War Widows and Orphans.

Brussels. — The village of Kyal has become a center of pilgrimage for Catholics from many parts of Europe following a reported apparition of the Virgin Mary to three small children.

Anton J. Pavlovic of 5600 Prosser Ave., has returned home from the hospital. He will be very happy to receive visitors at his home.

CATHOLIC PRIEST HAS NEW CHURCH—AND NEW CAR!

ROLLA, N. D.—It was a very merry holiday season this year for Father A. H. Rondard Pastor of the St. Joachim Catholic Church of Rolla. Parishioners this year completed a new frame church shown to the background and in late-December Father Rondard received delivery of a sparkling new 1948 Chevrolet presented him by Hymen's Productions of Hollywood Calif. as first prize in their Endorsement Letter contest on the highly educational motion picture "Mom and Dad."

More than half-a-million letters praising "Mom and Dad" have been received by the film's producers and in 1947 judges decided Father Rondard was the most sincere and outstanding of all. About the famous picture the Catholic priest said, "Your picture 'Mom and Dad' teaches what I myself have been preaching to my parishioners! I enjoyed the film and it has great educational values!"

Father Rondard is shown above accepting the new car as first prize from Hygienic's representative, Bill Mitchell, who delivered it direct from the factory to him in Rolla, North Dakota.

Frank Doljack, Ex-Indian, Is Dead

Frank Doljack, one of Cleveland's most illustrious sandlot graduates and a professional baseball player for 18 years, has been called out on strikes by the most infallible umpire of them all.

The 40-year-old Liquor Department employee died suddenly of a heart ailment Friday night at his home, 1408 E. 45th St. His family includes his father, John; four brothers, John Jr., Rudolph, Joseph and Anthony, and two sisters, Mrs. Mary Primrosch and Mrs. Jean Zevnik.

Doljack, who starred for the Tellingens on the sandlots here before entering pro ball, was stricken Friday night at 10:40 after returning from a visit with his bride-to-be, Miss Anne Erste of 6230 Shade Ave. They were to have been married in the spring.

Doljack had been under treatment for a rheumatic condition of the heart for some time. The fire department resuscitated him after he was found unconscious.

The popular Melody Pilots have been engaged for the evening and will serenade you with the type of music you will really enjoy listening and dancing to. Many other surprises await you at this dance. Notes from Adria

The rapidly progressing Adria Choral Club which provides cultural and social entertainment for its 50 young members is known to the public for its pleasing concerts. In order to acquaint the public with the members who are now rehearsing for their Spring Concert, a glimpse of these personalities in their off-stage moments will be given from time to time.

We start off-stage moments by introducing one of Adria's newest members, Olga Zakrajsek. Olga is a music lover and at present is taking classical vocal from Lola Breeman. While at Euclid Central High School of which she is a graduate, she won Second Rating in the Greater Cleveland Contest as a solo soprano and a Medal for her solo work.

Although she spends much time cultivating her soprano voice, she also finds time to keep in trim doing domestic duties and above all getting the crust just right on the apple strudels she bakes. She also takes pride in her pottery and souvenir collection, each item of which has a story.

Polka dance music rates high with her. Olga earns her living as a secretary with Tapco and resides at 20954 N. Mann Avenue, Euclid, Ohio.

HOLY NAME SENIORS WILL MEET TUESDAY

A very important meeting of the St. Vitus Holy Name Society will be held this coming Tuesday, February 3rd. A program for most of the year will be outlined and definite plans made for several of our affairs. These include a Post-Easter Dance, Baseball and Football Movies and plans for the coming Monte Carlo. The definite date for this, our annual church benefit, is Sunday, May 2. See you at the meeting, promptly at 8:30 in Room 4 of the school.

Dance To Be Given Feb. 1

The Holy Name Juniors aren't gone forever yet, the cast is sponsoring a get-together dance this Sunday at 8:00 in the school auditorium. Since the last dance was such a success, another is to be given Sunday. All the youth clubs of St. Vitus are invited, such as the Baraga Glee Club, the Junior and Senior Sodality, the Holy Name Choir and the rest of the youth clubs not mentioned. We hope you'll all be there.

Dick Hrovat and his orchestra will play for the dance. Since so many comments on his good playing have been heard, he has been obtained to play that swell variety of songs again Sunday. Refreshments will be served and everyone present is guaranteed a good time. I'm sure since the last dance was such a success, this one will be even more so. A committee has been appointed for decorating the hall by Father Tomc. The Holy Name acknowledges the hard work he has done for the club and the show and the success it has become and hopes he will help us again next year.

The Holy Name show is not altogether finished for the year. St. Mary's in Collinwood asked to see the show on Feb. 8. If the results are good, the show will go traveling to the other Slovenian parishes. It has just been approved of the going to St. Mary's, but the rest is still in question. The Holy Name is urging the youth clubs to come to have a swell time Sunday and we hope that the dance will be (which I am sure) a huge success. We extend our invitation to all the young clubs and want to be sure every one comes and has the time of his life, dancing to the music of Dick Hrovat and his orchestra. If you come in Sunday and notice the decorations, remember the boys who put them up for they surely have to work hard in making them presentable. Don't forget, Sunday, 8:00, St. Vitus Hall, for a swell get-together!

ST. VITUS PARISH BOWLING LEAGUE THURSDAY JAN. 22, 1948

KOLLANDERS BACK IN SECOND PLACE AFTER SUNDAY, JAN. 19, 1948

The Kollander Agency staged a comeback to soundly trash the Malensek Bros. in all 3 games to gain 4 points and second place. The Cimperman Markets retained first place by trouncing the slipping A. Grdina and Sons in two games and taking 3 points. The Norwood Appliances and the General Roofing teams staged a see-saw series. The first game was won by the Norwoods by over 100 pins. They also took the second by only 3 pins. Then it happened. The Roofers went to town while the Appliances Salesmen folded up. When the final game sums were totaled, they showed the Roofers winning the last game by a landslide, which also gave them total pins and 2 points. The Cerne Jewelers took three points from the Golden Gophers. The Orazem Confectionery and the Clover Dairy teams had a sociable evening that ended with each having 2 points. The Jimmy Slapnik Florists stayed in the race and moved the Brodnick Bros. in third place by scalping them for three points.

SODALITY SCRIBBLES

Did you make your reservation for the Sodality Union's Annual Day of Recollection on Sunday, February 29? If not, you'd better hurry as time is running short! Rev. Richard L. Rooney will have charge of the Day of Recollection at Marymount Academy. The fee is \$2.75. As for transportation, there will be busses marked "Garfield Heights" running from Public Square direct to the Academy.

Another date to remember is Friday, March 18th. That evening will begin a weekend of closed retreat for which Fr. Baraga has arranged for the Sodality and other girls of the parish. It will continue through Sunday afternoon and the fee is approximately \$10, however, if you wish to attend and can't afford this sum, see our Prefect, Olga Turk. The retreat will be held at the Diocesan Retreat House, Lake Shore Boulevard, and Fr. Francis Johns will be the Retreat Master.

This is a wonderful opportunity for you to attend both the Day of Recollection and the Retreat during the Lenten season. Place your reservation today! (Continued on Page 6)

THE CIRCUS IS COMING

Boys and girls of Cleveland, some of them not too small, who have been growing steadily more anxious as winter moved along, without an announcement of the annual Al Sirat Grotto Circus, can now set their minds at rest, for the 19th edition of the big show is scheduled to open Monday night, February 9th, at the Public Auditorium. It will run for thirteen days with matinee daily except on Mondays and Tuesdays, and each night with the exception of Sunday. No performances will be given on Sunday.

NEW LOOK HAIRDOS—To fit the popular close-cropped coiffure for wear with fashion's New Look creations, Joseph Fiescher, manufacturer of pin-on hairpieces, recommends the pin-on braid (left), a glamorous coronet for evening wear, reminiscent of the Victorian era; or the pin-on curls, a modernized version of Madame Recamier's hair style.

After the show, there will be dancing to the music of Dick Hrovat's orchestra. All this takes place at the Slovenian Home on Holmes Ave. Tickets have been distributed and are 75 cents. There is a limited number of them, so first come, first served. Next week's column will carry a further story.

BALLOONS WITH PRIZES ARE TALK OF TOWN

Balloons... Prizes... Sonny Michaels Orchestra... Music... Dancing... What is it? Why the PTA benefit dance, of course.

And, so help us, with all the wonderful people working on this project, the dance is almost sure to be a success. The only thing that has to be done yet, is to make sure that there are plenty of people there.

Talking about wonderful people helping the dance chairman is Mrs. Joseph Zorko. Assisting her are the Room Mothers, Mrs. Opalko, Mrs. Novosel, Mrs. Sternisa, Mrs. Osolin, Mrs. Koketec, Mrs. Petelnikar, Mrs. Krasavcic, Mrs. Gilha, Mrs. Sullak, Mrs. Lavrich, Mrs. Spelling, Mrs. Tercek, and the officers Mrs. Mooney, Mrs. Maylin, Mrs. Jevnikar, Mrs. Mickovic and Mrs. Somrack.

The dance will last from 8:00 p. m. until 11:00 p. m. Refreshments will be served. Mrs. Zorko, PO 2385 or Mrs. Mooney, MU 8772 will be glad to sell you tickets.

SEW WHAT?

That's no pun, either. At least, not to the Campfire girls, it isn't. They are taking up sewing as their latest project. Among the articles the girls are making are cloth toys for the children, caps and hats of various kinds, and lapel pins.

The toys are shaped like bunnies or kangaroos (complete with pouch). The same patterns, only smaller, are used for the lapel pins. Some of the girls decided to be different, and they are taking up knitting and crocheting as a part of this new project.

CALLING ALL PARENTS

So much complaining is heard about juvenile delinquency. Everybody is all for stopping it. We have made some progress, by getting up various organizations within the parish which will keep the children and young people occupied in their spare time, and will

Baraga Glee Club

"NOW IS THE HOUR" and similar current hit tunes followed our regular rehearsal this past Tuesday evening—just for a little diversion. Yes, girls "Now Is the Hour" for all good members to get on their toes and start a little activity, for our Pre-Lenten and Shrove Tuesday socials are only a short time away. Our Pre-Lenten "table" affair will be somewhat of a homecoming, for our Sextet of "other days" now only a quintet, since one of the members is living out-of-town, has promised to "tune up" and render a few vocals that evening. Dolores Hlasek, one of our newer girls, will make her vocal debut with "One Kiss". We're still awaiting word from our TRIO... The Four Feathers Quartet will dash over to St. Vitus from St. Mary's that night to give us a bit of close harmony... and if one STEP of the Four Steps of Harmony recovers from an illness, they'll "send" us with a few of their specialties. (We're praying awfully hard, Lizzie you better get well in a hurry, 'cause it won't be a Pre-Lenten without YOU there!) Maybe I shouldn't be telling you this—but our Glee Club organizer and former moderator, Fr. Jager says he'll be here "with bells on" if the elements and other circumstances permit! With such an assemblage of grand people, talent and congenial company, our social is bound to be a success. Here's an invitation to our "married gals", some of whom we have not seen for a good long time. Let's make a date for February 8th—we'll even reserve a "section" for you all, with your husbands bring the kiddies, too—we'll EVEN take good care of them for you! This means you—them and Mrs. Frank Slapnik, Frank Slapnik and Mrs. Frank Slapnik.

Why not have some of the fathers and mothers, too, come down and get together with the kids? They enjoy your company. They need your supervision. We realize that you are busy, too, but sometime... maybe once a month, you could surely manage to come down to one of the Boy Scout or Campfire Girls meetings.

The Bluebirds division of the Campfire Girls is planning a garden at the moment. If some mother has the time to spare, or even if several women got together and took turns, the girls would be much better off. Come down and enjoy yourself with the kids! YED

Tito Asks Release of \$50,000,000 for Purchase of Machinery

Paris — Premier Tito of Yugoslavia has made a new proposal to the United States in an effort to obtain the release of frozen gold funds in America which formerly belonged to the Royal Yugoslav Government and which are estimated at 70,000,000.

This suggestion, it is understood, was made orally Jan. 4, in a conversation between the Yugoslav Chief of State and the United States Ambassador C. Wendell Carr.

Marshall Tito proposed that all but \$20,000,000 worth of the blocked funds should be released immediately to the Belgrade Government.

Premier Tito said this money would be employed for the purchase of machinery and other industrial equipment in the United States. He proposed that the remaining \$20,000,000 be held by the United States until the dispute over the blocked funds was entirely adjudicated.
