»GOSPOD JE MOJA LUČ IN MOJA REŠITEV!«

Z današnjim praznikom zaključujemo božično dobo v širšem smislu, čeprav smo jo liturgično že zaključili. Misli nam še enkrat poromajo k Jezusu — Detetu. Štirideset dni starega sta ga namreč Marija in Jožef prinesla v tempelj in ga darovala, zato nam svečnica kliče, da je Odrešenik vse življenje vzel kot dar, ki mu ga daje Oče — in spet kot dar, ki ga On vrača Očetu.

Z darovanjem v templju so spolnili starozavezno postavo, naj bo vsak moški prvorojenec darovan Bogu. Spolnitev postave je bila za Jezusa priložnost, da se v templju sreča s svojim ljudstvom, ki ga je verno pričakovalo. In res! Sprejela sta ga Simeon in Ana. Spoznala sta v Jezusu Odrešenika.

Ob spominu na ta dogodek bogoslužje vabi vernike, naj gredo naproti Kristusu v božjo hišo. Našli ga bodo pri evharističnem slavlju. Tu naj ga pozdravijo kot svojega Odrešenika in mu prinesejo v dar živo vero, gorečo ljubezen, podobno veri in ljubezni Simeona in Ane, in končno naj ga sprejmejo ne v naročje, pač pa v svoje srce. Hodimo s prižgano lučjo krščanskega življenja, ki mora biti svetel odmev njegovega sijaja.

Če smo spoznali Jezusa za svojega Odrešenika, ker se je popolnoma izničil in vzel nase podobo hlapca, iz tega sledi, da tudi mi, ki hočemo biti njegovi učenci, krenemo na pot darovanja za druge, na pot izničenja, da bomo s tem doživeli odrešenje in pokazali sebi in drugim, da smo odrešeni.

»Luč, ki sveti ti zvesto, božja je beseda; bolj jo ceni, bolj jo ljubi kot zlato!« To je odlomek pesmi: »On rešuje mene, on rešuje tebe, on ne bo dopustil, da se izgubiš.« In nadaljuje: »Če le njega boš iskal, glas njegov poslušal, svojemu življenju boš vsebino dal!« To pesem želi priklicati v spomin vsakega človeka resnico, da je le v Jezusu Kristusu človekova sreča in človekov smisel življenja.

Ko sem razmišljal, kako bi vam to resnico, čim bolj jasno in živo predstavil, mi je prišel na misel dogodek, ki se je razodel nekje v Dalmaciji. Starejši možakar je vodil na vso moč otovorjenega oslička. Za njima je po cesti pripeljal velik mercedes, ki je bil tako širok, da ni mogel naprej. Voznik se je začel razburjati in jeziti nad to nerodno prikaznijo, češ ravno tebe je bilo treba tukaj! Po nekaj kilometrih vožnje se je avto nekaj pokvaril in čez dobro uro čakanja je prisopihal mimo spet tisti možakar z osličkom. Seveda. Sedaj je bil pa osliček dober, da je potegnil avto do bližnjega mehanika.

Danes je Jezus Kristus mnogim spotika in ovira na poti njihovih samovoljnih in samoljubnih ciljev. Zdi se jim, kakor da ga prav sedaj ne bi bilo treba. Toda prej ali slej spoznajo in priznajo, da je bilo pravzaprav njihovo ravnanje in iskanje v napačni smeri. Jezus je luč, ki nam sveti, ki razsvetljuje vsakega človeka, ki pride na ta svet. Ne zapirajmo se v temne prostore in ne iščimo luči tam, kjer je ni, ampak se neprestano usmerjajmo k Jezusu, k luči, ki se daruje za nas.

Tudi današnjemu človeštvu se dogaja nekaj podobnega. Srečo in smisel išče v vseh mogočih rečeh, ki si jih človek še more predstavljati in izmisliti. Povsod jo išče, samo tam ne, kjer jo stoodstotno more najti. »Luč v razsvetljenje poganov in slavo Izraela, tvojega ljudstva« je verz, ki ga pojemo na praznik Jezusovega darovanja. Jezus je naša luč in cilj. In samo v tem cilju moremo najti zadovoljstvo. Pisatelj Ksaver Meško pravi v svojem delu Na poljani: »A srečni ljudje čestokrat ne vidijo sreče. A mi, ki je nimamo, jo vidimo. Mi, ki jo iščemo, verujemo vanjo. Ker čemu iskati, česar ni nikjer, čemu hrepeneti po nemogočem, ne bivajočem?«

»Gospod je moja luč in moja rešitev!« pravi božja beseda. Svečnica nas spodbuja k razmišljanju, zakaj je sveča človeku tako pri srcu? V sebi nosi bogato vsebino.

Redke so živali in še manj je rastlin, ki ne težijo za svetlobo. Pravzaprav brez nje sploh ne morejo živeti. Še bolj kot zanje, velja to za človeka.

PRESENTATION OF THE LORD

Response: The Lord of hosts, he is king of glory!

FIRST READING: *Malachi 3:1-4*

The Lord will send the Christ as he promised; be patient and faithful.

SECOND READING: *Hebrews 2:14-18*

The sinless Christ shares fully in the human condition and takes away the sins of the world; trust in him.

GOSPEL: *Luke 2:22-40*

The Christ Child is presented in the Temple and is the light for both Gentiles and Jews. We rejoice.

“My eyes have seen your salvation that you have prepared in the presence of all peoples, a light for revelation to the Gentiles, and for glory to your people Israel.”

Illustration

Simeon and Anna are a Gospel reminder of the dignity of old age and the blessings associated with older people. Today many families rely on grandparents to help look after the children, collect them from school and assist in many practical ways. They are also a source of support and provide a sounding board for their own children and grandchildren. Many elderly people age gracefully and develop a wisdom for others. Such good grandparents are a blessing. Our churches are full of women like Anna and men like Simeon who serve the Church with fidelity and daily commitment. The COVID pandemic showed us how much we rely on these faithful people because they were told to isolate and suddenly disappeared,

something which everyone found very difficult. Today's feast reminds us that the light of Christ shines out in people like Simeon and Anna every day.

Gospel teaching

The prophet Malachi points to the coming of the Christ in the Temple. This is fulfilled when, following Jewish law, Jesus is presented in the Temple on the fortieth day after his birth. The rituals involved the offering of sacrifice and the consecrating of the first-born to God as well as a Jewish rite of purification of the mother. Jesus, as a firstborn son, is offered to God or set apart for him as a thanksgiving for the Passover and redemption of God's Chosen people from slavery in Egypt. This offering of Jesus to the Father is a sign of his future life; his constant prayer "Thy Will be done"; his surrender to the Father in the garden of Gethsemane and his handing over of his life into the embrace of the Father on the cross: "Father, into your hands I commit my spirit". As Jesus does the will of the Father, his mother, Mary, will bear the sword of pain through her heart so that she can support all who suffer.

The letter to the Hebrews reveals that Christ's self-offering on the cross becomes the means of our salvation and freedom from sin. He bears our sins in his love on the cross so that we can have new life. He becomes the compassionate and trustworthy High Priest who replaces the sacrifices of the Old Testament. Christ, the sinless One, knows the power of human temptation and helps us overcome the daily temptations we face. We are called to trust in him.

This feast is associated with the blessing of candles for the New Year. The processions of people carrying candles into the Church in the darkness of early morning are part of this

day. It is a beautiful tradition reminding us that Christ is the light of the world and that his light dispels the darkness of suffering, evil and death. The lighted candles symbolise Simeon's

exclamation that this child is the Saviour who is "a light to enlighten the pagans and the glory of your people Israel". Christ comes to save all peoples. He is the light of the world.

On this day, many dioceses celebrate Mass with gatherings of religious women and men to thank God for their religious life and renew their vows and promises of poverty, chastity, and obedience. Their consecrated life witnesses to Jesus Christ through lives of prayer and service.

Application

This feast, only occasionally celebrated on a Sunday, is a reminder that our baptism is a beginning of a new life with Christ. At the centre of this life is the call to imitate Jesus in love of others, in self-sacrificing service and prayer. Christ is not only a model for the baptised life, but more deeply, we enter and deepen our relationship with Christ through our baptismal and sacramental life. We hand ourselves over to him so that we might live and move in him. St Paul reaches into the depths of his life of Christ and writes, "I have been crucified with Christ; yet I live; and yet no longer I, but Christ lives in me: and that life which I now live in the flesh I live in faith, the faith which is in the Son of God, who loved me, and gave himself up for me." For married people, this sacrifice is lived in the daily commitment to spouse and families. For priests, religious and clergy, it is lived in service to the pilgrim Church. All of us are called to be the light of Christ in the world showing forth love and mercy.

HEART TO HEART - BISHOP DOUGLAS, OMI

FEBRUARY IS KNOWN AS THE MONTH OF LOVE, but love needs to be part of our thinking 24/7!

Love is an action word, so take time to reflect on your own contribution to your married relationship. Do you use kind words, compliment your spouse, apologize when necessary, show love through action in the things you do, pray for your spouse daily and make the time to be together and share your day?

These will all build love and keep it strong.

(Marriage Tip 146 from the Diocesan Family Ministry Office)

GOD ŠKOFA IN MUČENCA SV. BLAŽA

Legenda, ki se opira na zgodovinsko jedro, namreč opisuje, da je bil sv. Blaž najprej zdravnik, potem pa škof v mestu Sebaste v Armeniji. Živel je med 3. in 4. Stoletjem, mučeniške smrti pa naj bi najverjetneje umrl leta

316. Ko je začel cesar Licinij kristjane preganjati, so prijeli tudi Blaža. Peljali so ga pred sodnika. Nasproti mu je prihitela vdova s svojim edinim sinom ter jokaje prosila svetnika, naj ji reši dragega edince gotove smrti, saj je požrl ribjo kost in se je skoraj zadušil. Sv. Blaž je pomolil, mladeniča blagoslovil in ozdravljenega vrnil srečni materi. Sam je šel naprej v trpljenje in mučeniško smrt.

V povezavi s tem čudežem Cerkev vsako leto podeljuje Blažev blagoslov. Škof, duhovnik ali diakon slovesno blagoslovi sveči za blagoslov, ju med seboj poveže v obliki križa ter ju približa grlu vsakega vernika, ki želi prejeti blagoslov.

Blažev blagoslov je eden od mnogih blagoslovov, ki jih deli Cerkev ob različnih priložnostih za različne namene. Blagoslov je zakramental, to je sveto znamenje, ki posnema zakrament in označuje predvsem duhovne učinke, ki jih verniki prejmejo po priprošnji Cerkve (prim. B 60). Pri podeljevanju blagoslovov Cerkev navadno uporablja blagoslovljeno vodo, ki nas spominja na krst, zakrament očiščenja in prerodenja v moči Kristusove smrti in povelčanja. Tudi sveče, ki jih duhovnik uporablja pri Blaževem blagoslovu, simbolizirajo luč in zmago svetlobe nad temo, dobrega nad hudim.
