PREGLED NAJPOMEMBNEJSIH NOVIC

Gospodarske razmere gredo na bolje

Podatki o gospodarskih razmerah v ZDA, ki jih ima na razpolago zvezna vlada, sedaj jasno kažejo, da ni več mogoče govoriti o gospodarskem zastoju. V januarju je indeks vodilnih ekonomskih kazalcev napredoval za 3,6 odstotka, kar je največji napredek za en mesec vse od 1. 1950. Prodaja novih enodružinskih hiš je bila višja v januarju za 9,9 odstotka. Povprečna prodajna cena teh hiš pa je tudi bila rekordna: \$75.500.

Cene delnic na newyorški borzi so ta teden na najvišji ravni v zgodovini borze. Opazovalci borze soglašajo, da bodo šle cene še višje v naslednjih mesecih. Gibanje cen na borzi jasno kaže, da so investitorji in finančniki uverjeni o tem, da se je večletni gospodarski zastoj v ZDA res končal v decembru ali januarju.

Med drugimi kazalci, ki pričajo o oživitvi gospodarstva, so nižje obrestne mere, nižja cena nafte in naftnih derivatov ter trenutno zelo nizka inflacijska stopnja. Znižane obrestne mere so veliko prispevale k pospeševanju prodaje hiš in avtomobilov. Tako v avtomobilski industriji pričakujejo, da bo letošnja prodaja najboljša v zadnjih letih. Kljub vsem tem veselim podatkom, dejstvo je, da je še vedno zelo veliko nezaposlenih delavcev. Celo v Reaganovi administraciji priznavajo, da ni mogoče pričakovati, da bo zelo veliko teh delavcev našlo zaposlitev. Delovna mesta, ki so jih imeli mnogi brezposelni, sploh ne obstajajo več.

Janez Pavel II. v Centralni Ameriki

Preteklo sredo je prispel v državo Costa Rica papež Janez Pavel II. Costa Rica je med redkimi državami na tem območju Latinske Amerike, v kateri niso aktivni komunistično usmerjeni gverilci. Na letališču so papeža pričakali najvišji državni in cerkveni predstavniki, več sto tisoč Costaričanov pa je pozdravilo Janeza Pavla II., ko se je peljal v glavno mesto San Jose.

V nedeljo bo papež obiskal El Salvador. Gverilci so izjavili, da bodo spoštovali premirje v času, ko bo Janez Pavel II. mudil v El Salvadorju.

Barney Clark vesel, da je živ

Barney Clark, prvi človek z umetnim srcem, je prvič govoril javno o svojih čustvih. Intervjuval ga je njegov zdravnik in izumitelj umetnega srca dr. William C. DeVries. Na dan intervjuja je namreč živel Clark z umetnim srcem 3 mesece.

Clark je govoril precej razločno, a vidno s precejšnjo težavo. Rekel je, da je vesel, da je še živ. Vesel je tudi, je pripomnil, da je prispeval k napredku zdravstvene znanosti, kar bo nedvomno v bodoče pomagalo drugim bolnikom.

Zdravnik DeVries je svojega pacienta vprašal, kaj bi svetoval drugim bolnikom glede vsaditve umetnega srca. Ako je izbrala takšna, da bo bolnik brez te operacije umrl, je odgovoril Clark, svetoval mu bi, naj pristane na operacijo.

Umetno srce dela brezhibno, je dejal Clark, 62-letni upokojeni zobozdravnik, in nič ne boli. Nič se ne boji, da bi srce odpovedalo, je še pristavil.

V bolnišnici, kjer zdravijo Clarka, govorijo o možnosti nove takšne operacije v naslednjih mesecih. Kdo bo drugi človek z umetnim srcem pa nočejo povedati.

Volitve v Zvezni republiki Nemčiji

Najnovejša javna povpraševanja o razpoloženju zahodnonemških volivcev na pragu parlamentarnih volitev, ki bodo prihodnjo nedeljo, kažejo, da bo vladajoča krščansko-demokratska stranka prejela 43% vseh glasov, socialno-demokratska stranka 42 odstotkov, medtem ko bo svobodno-demokratska stranka dobila 6 odstotkov.

Analitiki teh podatkov poudarjajo, da je v zadnjih povpraševanjih vidno nazadovala krščansko-demokratska stranka. Povsem jasno je, pravijo, da bo treba sestaviti koalicijsko vlado, v kateri bodo zopet igrali veliko in morda celo odločilno vlogo svobodni demokrati.

Podatki kažejo, da bo nova protivojna stranka "zelencev" tudi dobila okoli 6 odstotkov vseh glasov in s tem tudi najmanj 25 sedežev v novem parlamentu.

Krščansko-demokratska vlada, ki ji načeljuje Helmut Kohl, je v težavah predvsem zaradi večletnega, globokega gospodarskega zastoja. Trenutno je v Zvezni republiki Nemčiji brez dela 10,5 odstotka delavcev.

Sen. John Glenn bo res kandidiral

Ni več nobenega dvoma, da bo ohijski demokratski zvezni senator John Glenn napovedal svojo predsedniško kandidaturo. V zadnjih mesecih je Glenn vneto sestavljal svojo kampanjsko organizacijo ter potoval po ZDA in iskal sodelavce, seveda tudi denar.

Vodilni demokratski kandidat je bivši podpredsednik Walter F. Mondale, ki zagovarja liberalno politično ideologijo. Sen. Glenn bo iskal podporo tako med zmernimi liberalci in konservativci kot sredinci. Sen. Glenn sam pripada sredini in je uverjen, da mu bo to tudi prineslo končno zmago na strankini konvenciji, potem na predsedniških volitvah.

Sen. Paul Laxalt iz Nevade, republikanec, ki je zelo blizu predsednika Ronalda Reagana, je izjavil, da bo Reagan ponovno kandidiral. Laxalt in drugi republikanci so postali optimističnejši v zadnjih mesecih predvsem zaradi oživitve ameriškega gospodarstva. Prepričani so, da bo Reagan ponovno izvoljen novembra 1984, naj bo demokratski nasprotnik kdor koli.

Volitve v Argentini oktobra letos

Argentinski predsednik, gen. Reynaldo Bignone, ki načeljuje vojaški vladi, je dejal, da bodo volitve 30. oktobra letos. Dne 30. januarja 1984 bo prevzela politično oblast v Argentini civilna vlada.

Argentinska vojska je izvedla državni udar 24. marca 1976 in s tem strmoglavila peronistično vlado predsednice Isabel Peron. Takrat so bili zelo aktivni gverilci in je vojska skupaj s policijo vodila kruto borbo zoper le-te in jih končno tudi premagala.

Ekonomske razmere v državi so pa težavne. Inflacija lani je bila kar 210%; okoli 15 odstotkov vseh Argentinec nima zaposlitve.

OPEC države še iščejo kompromis

Šejk Ahmed Zaki Jamani, minister za nafto saudske vlade, trdi, da bodo OPEC države le našle pot do kompromisne rešitve glede cene nafte, ki jo izvažajo na svetovni trg. O novi ceni nafte šejk Jamani ni hotel nič reči, opazovalci OPEC pa menijo, da bo nekje med 27 in 30 dolarjev za sod.

Skof Dr. Gregorij Rožman, D.D. 1883-1959

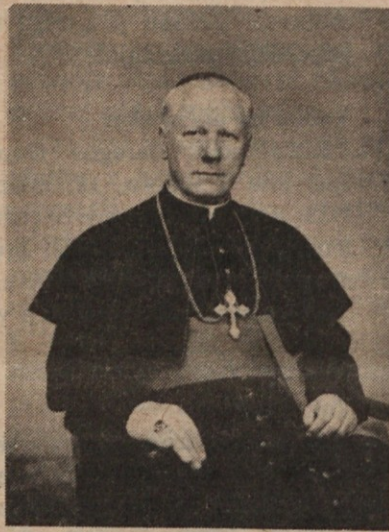

Prihodnjo sredo, 9. marca 1983, bo sto let, kar je bil rojen v Dolinčičah št. 1., po domače pri Pongracu, župnija Smihel nad Pliberkom v Podjuni na Slovenskem Koroškem, poznejši ljubljanski škof dr. Gregorij Rožman. V mašnika je bil posvečen 21. julija 1907; pomožni škof ljubljanski s pravico nasledstva je postal 17. marca 1929; v škofa je bil posvečen 14. julija 1929; ljubljanski ordinarij pa je postal 1. avgusta 1930. Umrli je kot škof-begunec, kar se zgodi izjemno redko, 16. novembra 1959 v Clevelandu, Ohio, ZDA; njegovo truplo počiva začasno na samostanskem pokopališču slovenskih oo. frančiškanov v Lemontu, Ill.

Podpisani bi se danes v zvezi s škof-Rožmanovo stoletnico rojstva rad na kratko pomudil pri zgodovinskem veledelu, ki nosi naslov "SKOF ROZMAN" s podnaslovom "Duhovna podoba velike osebnosti na prelomnici časa". O tem našem znanstvenem delu se je namreč kot celoti doslej pisalo med nami še zelo malo.

Napisal ga je slovenski misijonar-lazarist dr. Jakob Kolarič, rojen v Radomerju pri Ljutomeru na Stajerskem 20. 7. 1902. Ta je med nami v ZDA in Kanadi dobro poznan kot ustanovitelj prve slovenske r.k. župnije v Torontu, Ontario, Kanada. Njegovo delo o škofu Rožmanu pa je nastalo v St. Jakobu v Rožu na Koroškem, kamor se je bil njegov avtor preselil zaradi svojega šibkega zdravja k slovenskim šolskim sestram, ki imajo tam slovensko strokovno dekliško gospodinjstvo šolo.

Dr. Kolarčev delo "SKOF ROZMAN" je izdala in založila Družba sv. Mohorja v Celovcu, ki se je tako na najdostojnejši način oddoločila svojemu velikemu rojaku.

Preden je šlo delo v tisk, je rokopis pregledal dr. Jože Jagodic, ljubljanski škofijski kancler v času Rožmanovega škofovanja. S tem je avtorjevo

delo pridobilo samo na svoji vrednosti. Pri zbiranju gradiva pa so mu poleg koroških rojakov zlasti pomagali tako južnoameriški kako tudi severnoameriški Slovenci.

Dr. Kolaričeva zgodovinska študija obsega tri dele (knjige): prvi je izšel l. 1967 in obsega 382 strani; drugi del je izšel 1970 in obsega 542 strani; tretji in zadnji del z 992 strani pa je izšel l. 1977. Potemtakem obsega celotno delo 1976 strani. Pisal pa ga je, če se prav spominjam, dobrih 14 let.

Tudi v interesu bralcev je, vedeti, po katerih principih je dr. Kolarič napisal svoje delo. Glavno načelo, po katerem se je ravnal, nam je povedal v uvodu v prvo knjigo: "Življenjepis ni modrovanje, še manj pisateljeva domišljija; življenjepis so nepotvorjena dejstva. Zato mora v življenjepis govornik človek, ki ga življenjepisec opisuje, govoriti mora s svojimi lastnimi besedami, ki jih je napisal ali govoril; govoriti morajo njegova dejanja, njegove stvaritve. Poleg tega pa smejo govoriti tudi tisti, ki so njegovo življenje gledali iz neposredne bližine, pa tudi ti samo tedaj, če so ga gledali brez predsodkov, z očesom pravičnosti in brez sovraštva. Dober življenjepis mora zato poskušati, da tudi iz teh šodb izlušči košček resnice, če ga vsebujejo." Življenjepisec dr. Rožmana se je po tem načrtu

Beseda iz naroda ...

Slovenik v Rimu

PARKERS PRAIRIE, Minn. — V svojem letnem poročilu zastopnikom po svetu, Slovenikov rektor, prelat dr. M. Jezernik poroča o dogodkih in uspehih zavoda v preteklem letu.

Glavna novica je pač ta, da je najemnik v pritličju — delavnica za lestence — izpraznil prostore v prijateljskem vzdušju, in je sedaj na vodstvu, da preuredi le-te po lastnih potrebah. V pritličju nameravajo urediti novo kapelo, dvorano za romarje, večjo obednico in knjižnico. G. Jože Kregar je njihov arhitekt.

Ker vlada v Italiji huda draginja, saj je en dolar že 1300 lir, računajo, da bodo stroški dosegli kar \$200,000. Nekaj denarja res imajo na roki, prihranjenega od prodaje zemljišča in darov, polovico vsote pa bo kljub temu treba iskati drugod: pri vernih in narodno zavednih rojakih po svetu.

Letos bo zavod obhajal 10. obletnico blagoslovitve. V tem času je 65 duhovnikov končalo svoje študije na rimskih univerzah in so sedaj v pomoč slovenski Cerkvi.

Pred kratkim so trije končali svoje študije: dr. Joško Pirc, ki je doktoriral iz teologije na Lateranu in je bila njegova tematika "Aleš Ušeničnik" in sedaj v Kopru vodi pastoralni urad na škofiji, in Lojze Pirnat iz Maribora, ki je sedaj špirtual v Mariboru. Dne 10. januarja pa je branil svojo tezo še dr. Nace Potočnik na Urbaniani.

Vse kaže, da bodo letos končali še nadaljnji trije študenti. Slovenikovo skupnost pa sta pomladila Tone Mlinar iz Ljubljane, ki študira moralko na Alfonsianumu, in Ivan Štuhec iz Maribora, ki študira na Gregoriani. Kot znano, Slovenik vzdržuje te duhovnike brezplačno, saj slovenski škofje nimajo sredstev, da bi zanje plačevali, kot je to bilo pred vojno.

zvesto ravnal in je tako dobilo njegovo delo vsestransko veljavo in pomen.

Za sklep teh svojih spominskih vrstic ob dr. Rožmanovi stoletnici rojstva, pa citiram iz tretje knjige naslednje: "(Dr. Kolaričovo delo obravnava škofovo ideološko borbo proti komunizmu. Skof Rožman se je boril proti ideologiji komunizma, komuniste pa je vedno ljubil s tisto krščansko ljubeznijo, ki zmoto zavrača, tistega ki se moti, pa skuša pripeljati k resnici. Dokazov za trditev bo njen bralec našel v knjigi dovolj."

J.S.

V letu 1982 je Slovenik prejel sledeče darove (v dolarjih):

Argentina \$108;

Ekvador \$10,000;

Kanada \$30;

ZDA \$4750;

Koroška \$1575;

Slovenija \$95;

Švica \$285;

Gorica \$87;

Trst \$780;

Rim \$4270;

Ostalo \$27.

Torej skupno \$22,007.

Darove kakor tudi morebitna posojila za prezidavo pritličja v Slovenskem zavodu v Rimu lahko pošljete na: Dr. Maksimilijan Jezernik, Pontificio Collegio Sloveno, Via Appia Nuova, 884-00178 Roma, Italija.

Svoje delo o Prešernu je prof. Cooper razdelil na poglavja: kronologija, zemljevid Slovenije, kulturno in

Ni treba posebej omenjati, da bo večerja prvovrstna, program veder in pester, odličen orkester bo skrbel za dodatno zabavo; cena vstopnic: \$12 po osebi. Lahko si jih nabavite pri članih zbora, ali pa pokličite Olga Klančič, 289-1227 za rezervacije. Dolores Sierputowski

Pomladni koncert zbora "Jadran"

CLEVELAND, O. — Zima se približuje h koncu, bila je precej mila, pomlad je takorekoč na pragu, vsi jo težko pričakujemo.

Toda pevci in pevke Jadrana niso počivali v zimskih mesecih, marljivo so vadili za pomladni koncert, ki bo v soboto, 19. marca, torej na pragu pomladi; z vedrim petjem bodo pevci in pevke pozdravili nastop pomladi.

Koncert bo v Slovenskem delavskem domu na Waterloo Rd. Prvi del programa obsega pesmi, v katerih boste slišali celotni mešani zbor, slišali boste duete, oktet; v drugem delu bodo podali opereto Valček ljubezni; pričetek programa ob sedmih zvečer; od devete ure dalje bo ples.

Vstopnina je samo \$4, pridite in pozdravite pomlad ob poslušanju lepih slovenskih viž, ki razvedrijo še tako čemerno in otožno srce. Vsem, ki so nam dolga leta zvesti, se zahvaljujemo za zvestobo in se še nadalje priporočamo; vabimo vse, ki ljubijo petje in ki radi zapojejo, da se pridružijo zboru, kajti nove moči so potrebne za nadaljnji obstoj in delovanje zbora; imeli boste prijetno zavest, da boste preživeli nekaj ur tedensko v prijetni domači družbi.

duhovno ozadje, Prešernovo življenje, Prešeren in intelektualno življenje v Sloveniji, slovenske pesmi, nemške pesmi, zaključki, zapiski in viri.

Prof. Cooper je tudi napisal uvod, v katerem trdi, da je to delo nov doprinos k števili študijam tega velikega pesnika, ki ne pripada le slovenskemu narodu, temveč celotni svetovni literarni skupnosti.

Čeprav ni slovenskega rodu, obvlada prijazni prof. Henry Cooper odlično slovensščino. Na univerzi Indiane predava med drugim tudi srbohrvaščino. Ta univerza je že dobrih 20 let med najboljšimi v ZDA na področju slovenskih študij.

Osem držav v osmih dneh

Preteklo sredo je nastopil sv. oče Janez Pavel II. svoje 17. apostolsko potovanje v tujino. Vodi ga v naslednje srednjeameriške države: Kostariko, Gvatemala, Honduras, Nikaragvo, Panamo, Salvador, Belize in Haiti. Sedemindvajset milijonov prebivalcev živi v njih, 90 odstotkov jih je katoliške vere. Sv. oče bo v osmih dneh prepotoval z letalom ali helikopterjem 30.000 kilometrov. Povsod ga bo spremljalo budno oko varnostnih služb. Prva grožnja z atentatom nanj je bila že izrečena.

Uradni protokol bo v vseh državah skrčen na najmanjšo možno mero. Povsod je po pristanku letala predviden pozdrav in sprejem papeža in tudi obisk pri državnem voditelju. Papež bo tri noči prenočeval v Kostariki, tri pa v Gvatemali. Iz teh dveh držav bo odhajal na obiske v sosednje države.

“ZVEZA Z RIMOM JE BOLJ POTREBA KOT DOLZNOST”

Ljubljanska Družina od 27. februarja prinaša daljše poročilo o uradnem obisku jugoslovanskih škofov pri sv. očetu, ki vsebuje med drugim tudi, kaj sodi papež o jugoslovanskih krajevnih Cerkvah. Uradni, tako imenovani “ad limina” obisk morajo škofje opraviti vsakih pet let.

Papež sprejme vsakega škofa posebej, nazadnje pa še vse skupaj. Zaenkrat je v glavnem sprejel že vse hrvaške škofo, slovenski pa bodo predvidoma sprejeti med 14. in 18. marcem.

Hrvaške škofo je vodil kardinal Kuharič. Papež jim je govoril v italijanščini, ker je večina tako želela. Njegov govor je bil razmeroma dolg, pa zanimiv. V hrvaškem “Glasu koncila” bo gotovo v celoti priobčen, kjer ga lahko dobite, če se zanj zanimate.

Ob koncu avdiencie je sv. oče skupaj s škofi blagoslovil vse vernike v Jugoslaviji.

LJUBLJENEGA IN NEPOZABNEGA
OCETA IN STAREGA OCETA

JAMES DEBEVEC

ki je zaspal v Gospodu dne 6. marca 1952.

Minulo je že 31 let,
odkar si ločil se od nas,
kako tožno je življenje,
ker Te več med nami ni.

Cas beži, a rane nam ne celi,
spomini dnevno nam hite —
k Tebi — dragemu očetu,
ter nove nam odpirajo solze.

Le počivaj v božjem miru,
kjer ni gorja, kjer ni solza,
in trudapolna pot na svetu
naj nas pripelje k Tebi vrh zvezda.

SVETOVNI POPOTNIK PRIPOVEDUJE

Začuden in presenečen je nisem spoznal, ko je zajokala in vzklkala moje ime od veselja. Samo enkrat poprej sem jo videl, pri kratkem obisku, ko mi jo je pokojni nečak Frank pred štirimi leti predstavil kot svojo zaročenko. Pozno v večer sva se razgovarjala. Dejala je, da se je po Frankovi smrti vpisala v Rdeči križ, služila po bolnišnicah in tik za frontami ter da si je to izvolila za življenjski poklic. Verjel sem ji, da izgube dobrega Franka ni prebolela. V poznejših letih sva si dopisovala. Iz Rdečega križa za armado je izstopila in postala civilna bolničarka.

Večino delegacij na konferenci v Frankfurtu so predstavljali odlični in dobro poznani profesorji iz civilnega življenja. Težko bi bilo verjeti, da je v armadi mogoče zbrati in preobleči v uniforme izvedence z glavnih univerz, ne več mlade profesorje političnih ved, ekonomije, sociologije in javnega prava. Osebo sem se tu seznanil z učenjaki, katere sem prej poznal samo po imenu in njih spisih, predavatelje z univerz Harvard, Princeton in Yale. Večina teh je po vojni sodelovala pri sestavljanju novih začasnih mestnih in deželnih uprav v Italiji in Nemčiji, mnogi med njimi so upravljali začasne vlade.

komande imele nalogo vzdrževati red in skrbeti za pomirjenje prebivalstva, so se G-5 nastavljeni brigali za prehrano, stanovanjsko oskrbo in brezdome, obenem pa za čimprejšnjo obnovo rednih civilnih uprav. Konferenca je razpravljala o sistemih začasnega vladanja in uprav ter izdelala program za opisno in statistično zbiranje podatkov za potrebne bodoče študije o povojnem obnavljanju prizadetih držav.

Prispevki zastopnikov G-5 iz držav pod kontrolo sovjetov so bili negativni. Jaz sem, kakor tudi glavna delegata iz Romunije in Madžarske, mogel govoriti samo o sovjetskem uvajanju režima po njih kovu. Razlagal sem v zadostnih podrobnostih, kako so oddelki državne vlade in krajevnih oblasti navidez mirno, v resnici nasilno, stopnjema predelali začasno vladno diktaturo.

Navedel sem posamezne primere o penetraciji političnih strank, kako je na primer neznatna manjšina dobila premoč nad večino v političnih strankah in kako so bile slednje razbite ali začasno izkoriščane z gesli o demokraciji, končno pa izpodrinjene zaradi diktature pod eno edino, od okupatorjev priznano stranko.

Z ozirom na vladno upravo, ministrstva in uradništvo sem opisal strategijo za uvedbo novega režima: najprej zavzete ministrstva za notranje zadeve, osvojitve kontrole nad policijo z uvedenjem politične milice, nastavitve političnih komisarijev v armadne edinice in slične poteze v državnih in krajevnih upravah do občinskih odborov, vse po načrtu.

AMERIŠKA DOMOVINA

SLOVENIAN MORNING NEWSPAPER

Ameriška Domovina, March 4, 1983

So Long, Everyone

Tuesday, Feb. 22 was my last day on the job. Within a month I would be dead and buried.

It was a snow-less chilly evening and the work-place was empty except for me and my boss, Jim who had come in to be with me that final night. We had worked hard many evenings together. But shortly I would be put on the scrap heap—a useless antique who had served its time, and now the young upstart was coming in to do my job.—And by all I can see, he can do it better, and faster.

But it was not always thus. I remember years ago when I first came to the American Home Publishing in 1924. I had worked elsewhere first, getting my first job in 1907. But the Slovenians were anxious to see me perform. I was fast and perfect then. But they were not used to my style and it took them a few months to get accustomed to the way I worked.

Ah, but soon the company employees and I became used to each other and they were real proud of my production.

I remember John Jadrich at my side, helping me do my best. We learned together what the Slovenians wanted, and we gave them something remarkable and lasting—their own newspaper to record their events and the nation's and the world's in their own language.

Joseph Andolsen was also at my side in later years. We printed over 2 million newspapers a year. The Ameriška Domovina was published five times a week. We also did newspapers for fraternal lodges. It was not uncommon to print 20,000 newspapers with eight full-length pages in one day. We really worked hard then. I don't know how those guys did it.

I wonder where they are now. I fondly recall Mike Kolar, Vic Knaus, Jerry Knaus, Vic Jadrich, Ed Debevec, Phil Pagon, Frank Sustersic. We had a good team. There were lots of heartaches, but in the end the finished product showed our devotion and skill.

And those writers. My, how everyone hung on to their words. There were Louis Pirc, James Debevec, Vinko Lipovec, Frank Turek, Anton Sabec, and hundreds of contributors of articles. Then when James Debevec died in 1952 his wife, Mary, took over the operation of the place for 25 years until 1976 when you, Jim, took over. After Lipovec retired, Rudolph Susel became the editor.

My eyes are becoming dim now. I guess it's part of the hazards of working with the written word so very

often—eyestrain. I haven't been feeling too well lately. I've had many operations in the past five years. Doctors tell me my system won't stand any more strain.

At night, when no one else was around I began chatting with that bright golden stalion standing a few feet away from me. I guess he's all right. They say, "Youth must be served," and he seems well equipped to handle the job. Although he stands regal and proud right now, a few years down the road, we'll see how he fares up under the strain of constant work. I bet he won't last over 70 years like I did!

Now we're printing the Our Voice for American Mutual Life Association. Everything seems to be going smoothly. Maybe I won't give Jim too difficult a time this last night. We have gone through a lot together and have a keen understanding of each other's feelings.

"Hey, what's going on now." There's the door opening and coming in is a group of persons who call themselves "Friends of Ameriška Domovina". I see Paul Kosir, John Dejak, Ivan Hauptman, Rudy Kolaric, Mario Percic, Tony Lavrisa. This is my proud moment. I will show them I can still do my stuff.

Wait a minute. Those guys are paying too much attention to the new fellow sitting confidently over there. Oh, my gosh, now they're starting him up. Holy cow, this is supposed to be my final night and they have left me by myself.

It's been fun, we've had our share of ups and downs, and now it's time for us to go our (if you will excuse the expression) parting ways.

So long, everybody. We have had our share of laughs, sorrow, crisis, and fond remembrances. Keep telling the truth and make the Slovenians proud of their heritage. Good luck with the new kid--And farewell.

Madison's Make Mellow Music

Recently the Madison's Orchestra played for a dance and social at St. Stephen's on Lloyd Road and did a great job on both the polkas and modern plus dance music. The group "Madisons V" is consisted of Bob Vicic on bass and vocals, Harry Mayes, the leader, on sax and clarinet, plus three Sominchs--Ron on guitar-banjo, Ray on Percussion and vocals, and Paul on accordion and organ.

Met a lot of congenial people at the St. Stephen's event which also featured the popular St. Stephen's Button Box Club.

Lou Trebar became the third major musician to be hospitalized in the last two months. Following a routine checkup it was found an irregular heart-beat necessitated his having a pacemaker installed. He was scheduled to be released from St. Vincent Hospital just in time for an all-star polka cruise to Mexico. Richie Vadnal was also released from Euclid General Hospital, but will continue taking therapy.

Trebar will be honored in Youngstown on March 27 by the Penn-Ohio Polka Pals, a group of the area's leading polka musicians.

Movies Filmed in Yugoslavia.

The much publicized mini TV series "Winds of War" was filmed primarily on location in Yugoslavia, in the Zagreb-Croatia area. Recently a film premiered on Broadway called, "Twilight Time" which was completely done in Yugoslavia with Karl Malden and Jodi Thelan.

The Avsenik Ensemble's 30th anniversary concert will take place in Lake Bled in the Slovenian Alps on April 6. We're taking a ski group departing from Cleveland on March 31 and returning on April 15 giving us the opportunity of spending our time during the Easter holidays and meeting and seeing Europe's greatest entertainment group.

The new Zak-Cosic Funeral Home in Willoughby Hills really had a "grand" opening as the Euclid Sr. Citizen Rockettes appeared along with Lou Trebar, Eddie Kenik and the Don Slogar Trio, and the Glasbena Matic Singing Society. Over 4,000 persons visited during the two day open house.

Polka Mass 10th Anniversary.

On April 24 the tenth anniversary of the "Polka Mass" will

be commemorated with a special Polka Mass at St. Peter's Basilica in Vatican City celebrated by Father Frank Perkovich of Minnesota. His two record albums were two of the most popular sellers in the 1970's. The Mass was originated by Father Balasko in Ohio but popularized further through Perkovich's many appearances including Hawaii,

Las Vegas, Yugoslavia, Caribbean, and various other parts of the world. ABC Network News covered the story in 1976.

Two Cro's Lounge at 731 E. 185 St. had a "ChiliBurnoff" on Thursday, Feb. 24. It was a contest for the best homemade chili submitted by patrons. I was honored to be one of the judges.

Mark Telich Opens Law Office

The Slovenian business community welcomes its newest addition with the opening of the law office of Mark S. Telich, at the L&M Building, 782 East 185th Street.

Although new to law, Mark is not new to the world of business. His father, grandfather, and uncle have been well-known tavern owners and businessmen on Cleveland's east side the past 60 years.

Mark graduated in the early 70's from St. Joseph High School and John Carroll University. Prior to entering Cleveland-Marshall School of Law, he spent 4 years as an officer in the U.S. Coast Guard, serving on the Great Lakes and in the Captain-of-the-Port Office in Cleveland. During this time he continued his education in the evening, taking postgraduate work leading to a Masters in Business Administration.

Released from active duty in 1979, Mark voluntarily joined the Coast Guard Reserves. He now serves part-time as officer-in-charge of the Coast Guard Search and Rescue Station at Fairport Harbor.

Mark belongs to St. Mary's Church (Collinwood) and is an active member of the Euclid Lion Club and Junior Chamber of Commerce. Professional memberships include local, state, and national Bar

Associations. He also serves as auditor to Lodge 5 of AMLA, which his grandfather Frank was a charter member, over 70 years ago.

Mark's present plans do not include specializing, as his goal is to provide complete legal aid to the community. A partial listing of services offered through his office include the areas of civil and criminal litigation, probate, real estate, domestic relations and income tax.

Where Is Youth

Editor:

It is really unfortunate that our youth is so little interested in our vital Slovenian newspaper, which brings us news of our community's activities, of Slovenia and the world, all of which interest us and is in our native language.

In my opinion it would not be unprofitable to appeal to those

parents who still subscribe to the Ameriška Domovina to secure subscribers from among their grown children who aren't receiving the newspaper. Perhaps in this way the financial crisis affecting the paper could somewhat be alleviated.

With sincerest best wishes

David Swope In National Financial Contest This Weekend

David R. Swope, Assistant Secretary-Loan Officer of Independent Savings Association, is representing the State of Ohio in the Institute of Financial Education's National Speech Contest to be held in Chicago on March 6th at the U.S. League of Savings Associations' National Convention.

David presented his speech in May, 1982, to win the district contest and again in Cincinnati at the State Contest. The Institute is the educational arm of the savings and loan industry and requires the speeches to be on a current topic of interest to the general public pertaining to the savings and loan business.

David's career in the S and L business began in 1976 after graduating with a BA degree, majoring in finance and economics at Mimi University, Oxford, Ohio.

When Independent Savings opened for business in March, 1979, David, son of Independent's president, Harold R. Swope, began as a loan officer and in December, 1980, was transferred to Independent's first branch office at 920 E. 185 St. as branch manager.

Currently, David holds the office of President of the East 185th Street Businessmen's Association; he is chairman of

the Old World Festival and is active in the revitalization of E. 185th St. business district. David is also a member of the Northeast Roundtable, the Mortgage Processing Society and holds the office of treasurer of the Wickliffe United Presbyterian Church.

David, along with his wife, Sally, and their three children reside in Euclid.

IN LOVING MEMORY

ON THE SEVENTH ANNIVERSARY OF THE DEATH OF OUR BELOVED WIFE, MOTHER AND GRANDMOTHER

Mary Zupancic

who died March 6, 1976

A million times we've needed you,
A million times we've cried
If love alone could have saved you,
You never would have died.

In life we've loved you dearly,
In death we love you still.
In our hearts you hold a place,
That no one else can fill.

It broke our hearts to lose you,
But you did not go alone.
For part of us went with you,
The day God took you home.

On Thursday, March 10 at 7:30 p.m. in the school cafeteria of St. Mary School on E. 156 St., Frank Dillion will be the guest host.

Many of you may remember him several years ago as being the big winner twice on the TV program, "Joker's Wild". Mr. Dillion is sponsored by the Cleveland Plain Dealer and he will host a program similar to the TV Joker's Wild.

The contestants will be

students from St. Mary School. Eighth graders Brian Crisman, Joseph DeNardo, Christine Ivancic, Walter Majer, Diana Muzina, Christine Reichhardt, Craig Sack and seventh grader Emily Gorshe are the students who will be participating in the program with Mr. Dillion.

Admission is free and light refreshments will follow the program.

Everyone is most cordially invited.

School Aid Petitions Available

By STAN J. KUJAR

The most important concern is to have computer language programs, referred to as "software," for nonpublic schools. Competency and familiarity of computers will be essential for today's students, as was a basic understanding of blueprints and mechanical equipment for students of past generations.

Parishioners and friends of St. Vitus will be able to make their opinions known during the next two weeks. A petition will be available at all church door exits for signing after each mass on the weekends of March 5-6 and March 12-13. Petitions will also be available in the auditorium for those attending the annual dinner sponsored by the St. Vitus Slovenian Language School (March 6) or the annual parish bake sale on March 12-13.

SWU Meets March 8

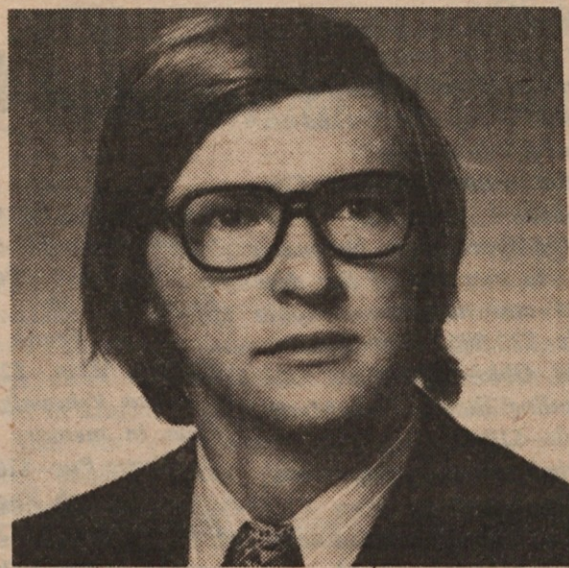

The next meeting of the Slovenian Women's Union, Branch 25 will be held on Tuesday, March 8th at 1:30 p.m. in the St. Vitus Social Room. Dues will be collected one-half hour before the meeting.

IN MEMORY OF THE SECOND ANNIVERSARY OF THE DEATH OF OUR BELOVED SON

JOHN N. AMBROSIC

who passed away March 5, 1981

He left us his smile and his sweet memory,
That the passing of time just endears.
He left us his laughter to ring in our hearts,
And comfort us all thru' the years.
He left us his faith in the goodness of life
And his courage to see it as such
And tho' we are grieved that he left us
We are grateful he left us so much.

United Altar Society Holds -- Ave Marie Benefit April 10

The United Altar Society in Cleveland is calling on you, dear friends, from near and far, to receive our members graciously with a kind and warm heart, who are approaching you with benefit dinner tickets for the 75th anniversary of "Ave Maria", which will be held on April 10 from 11 to 2 p.m. in St. Vitus Auditorium.

There will be plenty of good roast beef, or chicken dinners. No one will go away hungry or disappointed.

Father Boznar is gracious enough to let us have the big hall and kitchen and plenty of parking space free.

Please try to make this 75th

Anniversary of Ave Maria a day of appreciation and love for all that the magazine Ave Maria has done for our Slovenian people.

Let us also pay tribute to editor, Father Fortunat Zorman, and to his predecessors and helpers who have through the ages given us so much beautiful spiritual teachings, beneficial to body and soul.

Let's open our hearts and pocket-books and help Fathers to continue publishing "Ave Maria"-our Slovenian heritage.

Likewise, let Ameriška Domovina flourish, especially now that we have new machinery.

Happy 100th Birthday to Josephine Okleson

Our dear mother, Josephine Okleson will be 100 years old on March 9.

She was born in Dolenjsko, Slovenia, Yugoslavia in 1883 and came to the U.S.A. in 1913. She has been a widow since 1928.

She is the mother of Anna, Angela, Edward, Olga, and Harold; plus three deceased sons, Joseph, Peter and Rudolph. She is also the grandmother of 11 and great-grandmother of 12; and aunt of

Dorothy Skedel Cecelic. Mom has a sister Marija Marc, age 85, living in Yugoslavia.

Children and friends think it is great she made 100 years, but she thinks being this old is no fun, especially when you are helpless and can't do things for yourself.

We thank God we have a mother so many years and that we can take care of her.
