ZDA pripravljene pristati na pogajanja s SZ o načrtovanem sistemu obrambe zoper misile – **Obisk Gorbačova v Angliji uspel**

WASHINGTON, D.C. – Včeraj je vplivni funkcionar Reaganeve administracije dejal, da so ZDA sedaj pripravljene na pogajanja s Sovjetsko zvezo tudi o sistemu obrambe zoper misile, ki ga nameravajo ZDA. Sovjeti so izrazili zaskrbljenost nad tem ameriškim načrtom ter grozili, da bodo sami začeli graditi tak obrambni sistem, ako nadaljujejo ZDA s tem načrtom. Načrtovan obrambni sistem predvideva tudi oborožitev vesolja, kar imenujejo nekateri »star wars«. Doslej so se ZDA zanimali v pogajanjih s SZ predvsem za omejitve oboroževanja na področju »ofenzivnih« oz. napadalnih misilov.

Neimenovani predstavnik Reaganeve vlade ter tudi državni tajnik George P. Shultz, ki se je srečal včeraj s člani zveznega kongresa, sta poudarila, da želijo ZDA osežna pogajanja s SZ o omejitvi oboroževalne tekme. Ameriški cilj je sporazum s soveti, po katerem bi ostali velesili v nekakšnem vojaškem ravnotežju. Sovjeti sicer trdijo, da išče Reaganeve administracijo vojaško prednost pred SZ, mnogi opazovalci SZ pa isto misljijo o sovjetskih vojaških načrtih.

Drugi človek v sovjetskem vodstvu Michail Gorbačov nadaljuje s svojim obiskom v Angliji. Kot kaže, je naredil Gorbačov dober vtis na angleško javno mnenje kljub temu, da je ostro zavrnil vsako kritiko o sovjetski kršitvi osnovnih človečanskih pravic. Današnji *Wall Street Journal* na primer objavlja pismo, ki ga je iz koncentracijskega taborišča poslal nek sovjetski oporečnik, v katerem le-ta poroča o nečloveškem ravnanju nad političnimi zaporniki v SZ.

Reševalci še iščejo 27 pogrešanih rudarjev v rudniku v Utahu – Veliko upanje, da so pogrešanci še pri življenu

ORANGEVILLE, Utah – Preteklo sredo je prišlo do požara v rudniku Wilberg, v osrednjem delu Utaha. V rudniku je bilo 28 rudarjev, od teh se je le enemu posrečilo, da se je rešil. Reševalci so mnenja, da so ostali rudarji še vedno pri življenu, ker so baje imeli dovolj časa umakniti se od požara. Pogrešani rudarji naj bi imeli dovolj zraka še za dva dni, sedaj pa vrtijo reševalci luknjo, po kateri naj bi rudarje oskrbovali z zrakom in vodo. Gasilci še kljubujejo požaru, njih delo otežujeta dim in strupeni plin.

Inženir v Kaliforniji hotel vohuniti za Sovjetsko zvezo, ker je bil v denarni stiski –

CERRITOS, Kalif. – Pretekli torek so agenti FBI arretirali 40 let starega inženirja Thomasa P. Cavanaughha, uslužbenca Northrup Corp., in ga obtožili poskusa vohunjija za Sovjetsko zvezo. Cavanaugh je baje skušal prodati »sovjetskim« agentom podatke o najnovejšem ameriškem bombniku »stealth«, ki bo neviden sovražnemu radarju. Agenti, s katerimi se je pa Cavanaugh srečal, so bili uslužbeni FBI, ne pa od sovjetskega poslaništva.

Kot kaže, je Cavanaugh sam telefoniral sovjetsko poslaništvo in povedal, da je pravilno prodati strogo zaupne podatke za \$25.000. Bil je v denarni stiski, kar je oviral njegovo napredovanje pri podjetju Northrup. Ako bi mogel napredovati, je Cavanaugh pojasnil agentom FBI, ki so se mu predstavili kot sovjetski državljanji, bi kmalu prišel do še bolj zaupnih podatkov. Te po-

datke bi pa prodal za zelo veliko vsoto denarja.

Kar Cavanaugh ni vedel, je bilo, da so prisluškovalne naprave FBI ujele njegovega pogovora z osebo v sovjetskem poslaništvu. Sovjeti se telefonskemu klicu niso odzvali, FBI pa je.

Načelnik FBI William Webster je rekel, da je bilo v zadnjih letih več takih primerov, ko so se posamezni Amerikanci javili sovjetom ter izrazili pripravljenost prodati SZ zaupne dokumente, predvsem o vojaški tehnologiji. Sovjeti se zelo zanimajo za take podatke in so imeli precej uspeha v zbiranju tajnega gradiva.

Pogajanja med Izraelom in Libanonom o umiku izraelskih enot iz južnega dela Libanona niso rodila uspeha

JERUZALEM, Izr. – Včeraj se je končalo 12. srečanje predstavnikov Izraela in Libanona, ki skušajo doseči sporazum, po katerem bodo izraelske enote zapustile južni del Libanona. Pogajanja niso rodila uspeha in je načelnik izraelske delegacije dejal včeraj, da ako Libanonci ne popustijo, bo Izrael prekinil pogajanja. Izraelci namreč zahtevali, naj mirovne enote Združenih narodov zasedajo predele Libanona, ki jih bodo zapustili Izraelci, libanonsko stališče pa je, da mora v omenjene kraje priti libanonska vojska, saj vendar gre za libanonsko ozemlje.

OPEC države brez uspeha kljubujejo neenotnosti v svojih vrstah – Cena nafte na svetovnem tržišču še upada

ŽENEVA, Švi. – OPEC države niso mogle izoblikovati enotnega stališča o omejitvi količine nafte, ki ga prodajajo dnevno na svetovnem tržišču. Prav tako organizacija ni enotna glede cene nafte. V zadnjem času cena nafte upada, vsa prizadevanja OPEC držav, da bi to ustavile, so bila brez uspeha. Težave za OPEC povzročajo nekatere izvoznice nafte, ki niso člane OPEC, na primer Norveška in Anglija. Nekatere OPEC države same pa ne spoštujejo uradno postavljene cene nafte in pošiljajo več nafte na trg, kot bi po OPEC sporazumu smelete.

Opazovalci svetovne naftne industrije so mnenja, da je OPEC v silnih težavah. Prav tako soglašajo, da bo cena nafte še vedno upadala.

– Kratke vesti –

Beirut, Libanon – Danes je na dvorišču sole v osrednjem delu Libanona, kjer živijo Druse muslimani, eksplodirala bomba, nastavljena v šoli. Prva poročila govorijo o velikem številu ubitih in ranjenih, med njimi zelo veliko šolarjev.

Islamabad, Pak. – Pakistanski predsednik gen. Mohammad Zia ul-Haq je baje dobil kar 98 odstotkov vseh oddanih glasov na volitvah oz. referendumu, kjer so Pakistanci glasovali za podaljšanje njegove mandatne dobe ter soglašali, naj bo Pakistan izrazito muslimansko državo. Opozicija je kritična in trdi, da volitve niso bile svobodne, ker opozicija ni mogla biti aktivna. Predsednik Zia ima podporo zahodnih vlad, ker je njim naklonjen.

Louisville, Ky. – William J. Schroeder, človek z umetnim srcem, sedaj zopet uspešno okreva in se dobro počuti. Včeraj je dobil v svoji sobi plastično drevesce.

Moskva, ZSSR – Sovjeti so že štirikrat poskusili novo vesoljsko letalo, ki je podobno ameriškemu. Zadnji polet je baje uspel, čeprav na tem letalu ni bilo kozmonavta.

Notranje doživetje božiča

Božičniki prazniki sami in vse priprave za njihovo praznovanje so se v našem času prelevili iz njihove duhovne vsebine v košato zunanjščino dajanja in pridobivanja materialnih, svetnih dobrin ter na ta način izgubljajo svoj pravi karakter.

Ko človek opazuje predbožično hajko po vseh mogočih trgovinah, mora dobiti občutek velesejma. In res je trgovini, zlasti ameriškemu businessu, uspelo dobro priprave na božič spremeniti v velesejem. Trgovinske izložbe opremljajo z božičnimi okraski in ornamenti, čez ceste obešajo rane okrasne loke in transparente, od vseh strani udarja na uho pretirano glasna in vsiljiva božična glasba, ki svete božične melodije o rojstvu Odrešenika sveta spreminja v propagandno blago za večji trgovski uspeh. Vse to se dogaja z namenom, da bi pretirano hlepenje po trgovskem dobičku - čim večjim dobičku - izrabljalo lepo in blago nagnjenje v človeku, napraviti veselje in srečo družinskim članom in prijateljem z obdarovanjem. Navada polagati darove pod božično drevo ima svoje korenine v svetopisemskem poročilu, da so v božični noči pastirji prinesli čudovitemu Detetu v jaslicah ovčke v dar in da so trije Modri novo rojenega Mesijo obdarili z zlatom, kadilom in miro.

Obdarovanje samo je torej lep običaj, dokler je v pravih mejah in nosi v sebi elemente ljubezni in božičnega duha. A tega duha je malo, če sploh kaj; obdarovanci pričakujejo, podneteni od učinkovitih trgovskih oglasov od darovalca dostikrat več kot je ta s svojimi sredstvi zmožen kupiti. In če ne dobijo, razočarani nosijo v trgovine nazaj prejete darove in izbirajo druge. Ali je v tem sploh kaj božiča? Ali ni zgolj potrošniški materializem? In slednji zleze v kosti že malim otrokom, ki nastavljajo nogavice (v Ameriki) na okvire ognjišč - daljni odmev sv. Miklavža, katerega je nasledila odvratna figura, imenovana Santa Claus.

Svetnika, predhodnika božičnih praznikov, je nadomestil star, dobro rejen in zapit možic v čisto trgovsko-reklamni opremi, ki ima na razpolago vsega, česar si otroško (in celo odraslega) srce poželi. Je imaginarni čudodelnik, povsem tuj pristnemu božičnemu razpoloženju, in vendar je postal osrednji in bistveni simbol božiča ter ga danes najdeš široko razkoračenega na božičnih kartah, v izložbah in javnih lokalih in celo na razsvetljenih hišah. Mogočno je Santa podrl jaslice in vsak drug spomin na pomen božiča ter zmagovalno kraljuje nad »sezono«, ki ni več praznik, marveč zgolj sezona.

Na ta način spreminja sodobni svet (ne samo Amerika) najbolj intimno prazniško doživetje, iz božje ljubezni porogene bližine do človeka v bučen, komercialen hrušč in direndaj. Iz človeške ljubezni do bližnjega porojeno nagnjenje to ljubezen izraziti z vnanjim znakom daru, je trgovska grabežljivost naredila komercialno vzdušje grobega potrošništva, v katerem je pravi božič utonil.

Ali ni več kot razumljivo, da se slovenski človek na tujem s svojim spominom rad povrne v nekdanjo ljubo domovino (dalje na 4. str.)

SVETI MIKLAVŽ NA OSMI V NEW YORKU

Ta cerkvica mi je pri srcu.
Nebesa so kot ogledalo:
kar je lepega na sveti,
ostane lepo v nebesih,
kar pa na svetu ne velja -
nihče v nebesih groš ne da!
Zato je vse na božji dlani,
kar se je godilo lani
ob cerkvi Svetega Cirila.
Za ta večer
izbrali smo vam zgodbe take,
ki razkrivajo napake
in kreposti,
so v spomin in opomin
za mlado, staro,
in značilne za to faro.

Danes sem ves v čipkah, zlatu,
v težkem škofovskem ornatu.
Ko pa med letom grem na svet,
v gosto se meglo zavijem,
da ostanem vsem neviden;
le če v vašo cerkev pridem,
k patru Robertu v gosti,
mi meglice treba ni:
ovijejo me od las do pete
sivi dimi cigarete.
Ker župnika imate radi,
naj odpove se tej navadi!
Sicer ga bomo dali v koš
in poslali ven iz Rima,
tja, kjer je vedno dosti dima!

Kostanjski, mežnar pri Cirilu,
ne čepi le v farni lini,
postal je pravi Paganini!
Devetero prstov mu je zmlelo,
en samcat prst mu je ostal,
pravijo tisti, ki kaj vejo,
da z enim bolje je igral!

Kdo v fari dela, kdo pa spi,
Sveti Miklavž prav dobro ve.
Ko tehtam faro z vseh plati,
Judit prvo mesto gre!
In tudi v njenem interesu
je Sveti Ciril na prvem mestu,
na tretjem mož, na drugo pa -
kdor ni od muh bo koj ugani! -
se je Sveti Miklavž postavil.
Tudi svetnika kdaj zamiče
lep angelček brez perutnice!

V nebesih letnih časov ni,
zato seve ni pasjih dni.
Ko pa prebiram Domovino -
prej ko podam se v to dolino
solzá - mi reče Kodrolašček:
»Miklavž, kar pusti plašč v nebesih!
Poglej, kaj piše Domovina:
pri Cirilu strašna je vročina!«
»Tako se zdi mi, pasjih dni
letos ne kraja ne konca ni,«
pristavim,
»starikavim pa so zdravilo.
Zares, pa plašč doma pustimo!«
Zdaj pa se bridkó kesam,
ves sem premražen in bolan.
Tako jo lahkoverni skupi,
zdaj Tonček naj mi suknjo kupi!

V starih bukvah to se bere:
tiha voda globoko dere.
Vinko Burgar - na videz janček -
pa je, bogme, fant od fare,
z enim prstom oreh stere,
v tretje že plenice pere!

Ne mikajo me le otroci,
nedolžni, mladi, rajske cvet,
prihajam tudi za starino
na ta moj dragi, lepi svet.
Včasih me posebej vleče
iz sinjih, žegnanih višav,
dolgo tejerat in obljuhe,
ki ta in oni jih je dal.

Predragi v Miklavžu!
Ne le dobre, verne žene,
marsikdo živi v utvari,
ko misli, da tam nad oblaki
jesti, piti nam ni mari.

Kot je na zemlji, je v nebesih:
kdo ne razume mere prave,
z želodecem rad ima težave.
Je bojda več kot eno leto -
bilo je na moj predvečer -
po polni mizi, sodčku vinca,
bolan sem in ves neprespan,
in strašna me vročina kuha.
»Naj pride vendar sveti Luka,
patron zdravnikov!« Pride. Reče:
»O, ti ubogi božji sin,
zdaj ne pomaga aspirin,
morda kamilice in med,
pomagal pa bi Tagamet.
V nebesih tega najti ni.
Pa saj greš danes na zemljo:
tam sredi Newyorškega mesta
boš srečal doktorja Silvestra.
On bo predpisal ti zdravilo,
pa te bo ščipanje minilo!«
Sem srečal doktorja Silvestra
tam sredi Newyorškega mesta.
Prešlo je več kot leto dni,
recepta pa še vedno ni!

Kako se mi je res prilegel,
ko v svoji kamrici čepim,
ležalni stolček. Nanj sem legel
in trudne si noge spočil.
Imel sem ga, mi zlomek poči!
Le poslušajte me otroci!
Pokličem Jožefu, rednika,
pa mi takole govoril:
»Saj veš, Miklavž, da sem tesar,
železne robe ni mi mar.
Ko drugi pot greš na zemljó,
pa vzemi stolček s sebo.
Tam mojster Babnik kuje, vari,
on ti gotovo stol popravi!«
Sem storil kot je Jožef rekел,
pa sem se pošteno spekel.
Deveto leto je minilo,
še ni končano popravilo.
Žena vogle tri podpira,
slovenski rek lepo uči,
na stolu pa, ki ima tri noge,
ve vsakdo, težko se sedi!

Bilo je na volilni dan v vaši deželi.
Kar prisopihata Sveti Florjan:
»Vstani, vstani, Sveti Miklavž
in na zemljo se ozri:
slovenska cerkvica gori!«
Oko mi peša, vzamem leče,
in pravim: »To so vendar sveče!«
Oblečeva se brž v meglo,
nevidna greva na zemljó.
Ni ura ure še odbila,
in že sva v cerkvici Cirila.
Glej čudo:
tam ves skesan Klezin kleči,
krog njega pa sto sveč gori.
»Tej stvari prideva do dna,
sleciva meglo, pa v župnišče!«
Naju pater Robert koj spozna.
»Sta zgodnja,« pravi, »Franjo, vina,
salame, sira, ocvrto piško!«
Si mislim: To pa ni meniško! -
in pravim: »Korlek me skrbi.
V nebesih je v veliki časti,
zdaj pa se zdi v peklenki pasti.
Pokaj se neki mož kesa,
mu mari žena je ušla?«
»Ni tisto!« pater Robert pravi,
»je zgodaj vstal, šel na volišče,
je v zmoti zmešal aparate
in v zmoti volil demokrate!
Na duši čuti strašno pezo,
koj pride v cerkev po odvezo.
- Iz tega zrnja ne bo kaše,
za takô reč ne berem maše, -
ga podučim. - Poskusi sveče,

Misijonska srečanja in pomenki

644. BOŽIČNI PRAZNIK

Rojstva Gospodovega je pred nami. Po celem svetu bodo verni prepevali: »Božji nam je rojen Sin, veselimo se...« Vse sodelovanje v gibanju MZA - CMA bi bilo brez smisla, če ne bi misijonski pionirji in pionirke živeli iz vere in skušali prinesi Luč Evangelijsa, veselo oznanilo Kristusovega odrešilnega poslanstva množicam, ki za smisel življenja ne vedo.

Pred meno so najnovejše številke Katoliških misijonov iz Argentine, Misijonskega lista iz Celovca, Misijonskega življenja iz Gorice, Družine iz Ljubljane, Ave Marije iz Lemonta, Božje besede iz Toronto, Misli iz Melbourna in Ameriške Domovine iz Cleveland. Vsi poudarjajo važnost misijonskega sodelovanja in širijo misijonsko ljubezen na najrazličnejše načine med svojimi sotrudniki in bralci.

Mimo tega je polno glasil, ki jih vodijo redovne skupnosti, kot so oo. jezuitje, lazaristi, frančiškani, salezijanci, uršulinke in drugi, ki se omejujejo na svoje ude in ožje sodelavce. Mislimo tu na lazaristovskega Prijatelja, frančiškanska Srečanja, salezijanski Vestnik, jezuitsko Iz sončne Zambije in podobna glasila, ki nas redno bogatijo.

Misijonska Znamkarska Akcija vrši že leta svojsko akcijo v pomoč vsem našim misjonarjem in misjonarkam, ki garajo po vseh kotičkih zemeljskih oble. Ta univerzalnost podpiranja vseh je za MZA značilna. Nihče, ki ga poznamo, ni izpuščen ali prezrt. Imamo včasih težave za koga najti zadnji naslov, ali ga dolgo ne moremo doseči, kljub temu, da vemo, kje naj bi ga iskali. Pravkar smo na primer

izvedeli, da je misijonar Louis Rink za stalno prišel nazaj v ZD in ga ni več v Afriki. Meni trenutno študira na njihovi Notre Dame univerzi v South Bendu, Indiana.

PRAVKAR RAZPOŠILJA MZA POMOČ

na teren po vsem misijonskem svetu. Od vseh početkov smo skušali ostati v stiku z bivšimi misijonarji in misijonarkami, ki so se vrnili v zaledje. Pomagati jim želimo, če spoznamo, da so v kaki potrebi. Navadno redovne Družbe v redu poskrbijo za svoje člane. Sem in tja pa vemo, da je za koga težko kam pisati, če nima vsaj za poštino denarja.

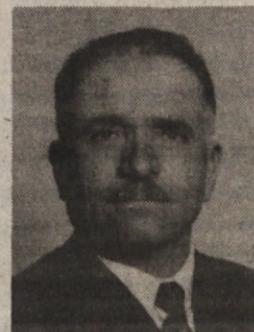

Tako je predsednica Tusharjeva poslala po \$100 sr. Lidiji Krek na Koroško, sr. Methodi Fabič v Italijo in sr. Frančiški Flajšman, v pokoju v Paraguaju.

V zaledju so še: Brat France Pregelj (Anglija), sr. dr. Agnes Žužek (Anglija), sr. dr. Terezija Žužek (Anglija), sr. Silva Žužek (Združene države), sr. Mojca Karničnik (študira v Evropi), sr. Štefana Sever (Avstrija), sr. Ernesta Kosovel (Italija), sr. Kalista Langerholz (Francija), sr. Ana Zidarič (Francija), sr. Ivanka Pokovec (Slovenija), g. Andrej Majcen (Slovenija). G. Majcenu je MZA odločila ponovno \$500 za vzdrževanje vietnamskih kandidatov za duhovniški poklic in za njegove reveže v bivšem misijonu Južnega Vietnam. Odpolano bo direktno na Daljnji Vzhod po salezijan-

Slovenski misijonarji, ki so se vrnili domov v nova službena področja, kot o. Jože Kokalj in svetni duhovniki iz bivšega delokroga na Madagaskarju, niso pomoči potrebni.

Na praznik Brezmadežne

8. decembra je bil v ma-
šnika posvečen diakon Gaspar
Masawe iz škofije Kakamega v
Keniji. Vzdrževal ga je g. Janez
Mrzlikar v Clevelandu.

Bogoslov Gaspar je 27. junija
poslal za svojega dobrotnika
pismo, kjer se mu za vzdrževanje
zahvaljuje, potem ko

ga je škof prosil, naj se do-
brotniku oglasi. Omenja, da je
na večji župniji za pastoralno
prakso. Veliko mora hoditi po
dalnjih naseljih, kjer poučuje
sv. pismo, pripravlja na krst in
poroko, vodi diskusije o veri
in slično.

Župnik g. Jože Božnar od
sv. Vida nam je za njemu po-
slano zahvalo vzdrževanca po-
slal tole pripombo: »G. Mrzlikar
je pred 4 leti umrl in ker ni
tukaj imel nobenih svojih,
tega tudi vam niso sporočili.
Pismo pa so meni dali iz Bara-
govega doma, kjer je rajni

stanoval, s prošnjo, da naj
vam odgovorim. Ranjki je bil
dobra duša, in vaše pismo je še
ena potrditev tega, kar smo
prej o njem vedeli. Bogu hvala!«

Rajni je vzdrževal domačega
bogošlovca kot "Neimenovani".
Naj mu bo Bog večno
plačilo in nam vsem spodbuda

imela svojo večno vrednost.

Obširneje bomo poročali

o razdelitvi MZA pomoči
našim misijonarjem in vrsti
škofov za domače bogoslove, ki
jih formirajo, v bodočih
člankih.

Tajnica MZA gdč. Ferjanova
je pripravila kupe misijonskih
pisem za razpošiljanje na
teren in v zaledje mnogim do-
brotnim dušam, ki sodelujejo
pri naših skupnih akcijah.

Pri razdeljevanju upoštevamo

pošljejo za določenega posameznika,
ki ga osebno poznajo. Običajno vnesemo v ček
tudi tiste zneske. Posamezne
večje darove za posameznike
pa navadno odpošljemo čim-
preje naprej. Tudi vse, kar
dobrotniki za bogoslovskega
kandidata osebno darujejo,
gre kmalu na teren. Sedaj
okrog praznikov je došlo več
takih darov. Škofovi nas seveda

— METODOVO LETO —

LEMONT, Ill. - V letu 1985 obhajamo Metodovo leto. Sv. Metod je umrl 6. aprila 885. Njegovo ime je nerazdružno z imenom njegovega brata, ki je znan zgodovinarjem pod imenom Konstantin, v cerkvenem koledarju pa z redovnim imenom Ciril. Njuno delo je bilo do nedavnega zelo malo znano.

Zadnjih dobrih sto let sta zaslovela v Cerkvi zaradi gibanja za zedinjenje kristjanov. Največ zasluge pri tem imata papež Leon XIII. in božji služabnik škof Anton Martin Slomšek. Ni še raziskano, koliko in kako je Slomšek vplival na začetek dela za zedinjenje kristjanov v prejšnjem stoletju. Za delo slovanskih blagovestnikov se zanimajo zgodovinarji in slavisti.

Med Slovenci je začel opozarjati zgodovinar dr. Josip Gruden na nekatera dejstva, ki bi morala vzbuditi posebno med Slovenci zanimanje za sv. Cirila in Metoda. Največjo zaslugo za pravilno ocenjevanje dela apostolov Slovanov ima med Slovenci dr. Franc Grivc.

vec. Najnovejše njegovo delo je drobna knjižica, ki jo je leta 1951 izdala filozofska fakulteta ljubljanske univerze. Knjižica ima naslov »Žitja Konstantina in Metoda«, pojasnil in prevedel dr. Grivec. Njegova zasluga je, da vemo, da so »Žitja Konstantina in Metoda« zgodovinski opis njunega dela in ne le legende v današnjem pomenu besede. Mednarodnemu svetu je dr. Grivec priobčil zaključke svojega raziskovanja v nemški knjigi »Konstantin in Method: Lehrer der Slaven«, 1960, Otto Harrassowitz, Wiesbaden.

Med obhajanjem Metodovega leta ne smemo pozabiti na pokojnega predsednika KSKJ. Leta 1963 smo obhajali 1100-letnico prihoda slovanskih blagovestnikov na Moravsko. Tedaj mi je pisal profesor Janez Sever: Ali je kdo v Lemontu sposoben napisati življenjepis sv. Cirila in Metoda?

Ob tem vprašanju sem se razjel. Sposobnih za to delo je bilo več ne le v Lemontu, ampak tudi drugod. Preden bi

koga pridobil za to delo, bi moral biti življenjepis napisan. Zato sem brez odlašanja odgovoril, da bom sam izvršil to delo. Imel sem zadnje spise dr. Grivca, kar mi je delo omogočilo. Pokojni Joseph Nemanich, glavni predsednik KSKJ, je leta 1963 izdal v Clevelandu, Ohio, knjižico »Sv. Ciril in Metod apostola Slovanov«. Pokojnik je imel veliko razumevanje za prosvetno delo med ameriškimi Slovenci.

Politične razmere v času sv. Cirila in Metoda

V Metodovem letu bom bralce AD seznanjal o pomenu dela svetih bratov za naše čase. Za presojanje dela sv. Cirila in Metoda je pa treba poznati mednarodni položaj v času njunega delovanja.

Ciril in Metod sta bila dolčena za politične službe v tedanjem bizantinskem cesarstvu. Zato jima je oče preskrbel najvišjo izobrazbo, ki jo je tedaj lahko nudil cesarski dvor v Carigradu. Oba sta začela državni službi. Metod je bil upravnik med slovanskimi ljudstvi. A njuno srce je težilo po meniškem življenju.

Tedaj je bilo v sedanji Mali Aziji veliko samostanov, v katere so se zatekli menihi iz dežel, ki so jih zasedli mohamedanski Arabci. Najbolj znani so bili samostani na gori Olimp, ki se v jasnih dnevih vidi iz Carigrada. Menihi z Vzhoda so prinesli s seboj knjige svetega pisma, pisateljska dela vzhodnih cerkvenih pisateljev, in bogoslužne knjige v raznih jezikih.

Te knjige je prebiral Ciril, ki se je kakor njegov brat Metod zatekel iz šumnega sveta v samostansko samoto. Tudi v samostanu je bil Ciril še vedno na razpolago cesarskemu dvoru za razna opravila, posebno za poslanstvo v druge države.

Bizantinski cesar je bil po poslancih pozvan, naj pošlje med mohamedanske arabske znanstvenike poslanca, izobraznega moža, ki bo sposoben braniti krščansko resnico o sveti Trojici. Ciril je moral potovati v tedanje arabsko prestolico v bližini Bagdada. Njegovo poslanstvo je bilo uspešno. Pozneje je bil z bratom Metodom poslan med Hizare na severni obali Črnega

vedno prosijo, da ne smemo kandidatov razvajati, kar upoštavamo.

Po Njem in ob Marijinem spremstvu naj vsi naši misijonarji(-ke) in MZA sodelavci(-ke) doživijo blagoslovjen Božič in naj bo nam vsem novo leto 1985 polno rasti in trajnih uspehov!

morja, da je tam branil krščanstvo pred judi in mohomedanci, ki so Hazarom vsiljevali svojo vero.

Med obojnim poslanstvom je Ciril spoznal nevarnost, ki preti Evropi in krščanstvu od fanatičnega mohamedanskega sveta. Na cesarskem dvoru so bili mnjenja, da je treba Slovane pokristjaniti, zakaj mnogi so se izseljevali v arabske dežele in tam postali mohamedanci. Tako so krepili arabsko državo.

Sv. Ciril je izdelal načrt za pokristjanjenje Slovanov. Njegov načrt je bil popolnoma nekaj novega v misijonskem delu katoliške Cerkve. Med slovanske robove so tedaj prihajali nemški duhovniki, ki so hotele ali nehote s krščanstvom tudi utrjevali nemški vpliv med slovanskimi ljudstvi. Slovani so si prav v tistem času priborili svobodo, hčemer je pripomoglo razdeljeno nemško cesarstvo. Duhovniki med podložniki slovanskih svobodnih knezov so bili pa še vedno Nemci.

Cirilov načrt

Ciril se je zavedal, da bo mogoče Slovane pridobiti za krščanstvo, ako bodo oznanjevali evangelij primerno slovenski duševnosti in v njihovem domačem jeziku. Tedaj so bili Slovani še brez vsake književnosti. Ciril je sestavil abecedo za staroslovenski jezik in izblagolglasnega jezika staroslovenskih kmetov in pastirjev izoblikoval knjižni jezik.

Sv. Ciril in Metod sta začela prevajati sveto pismo v staroslovenski jezik in prav tako bogoslužne knjige. To sta vršila še predno je prišlo v Carigrad poslanstvo moravskega kneza Rastislava s prošnjo, naj jim pošljejo sposobnega učitelja (duhovnika), ki bo oznanjal njegovemu ljudstvu evangelij v razumljivem jeziku. Ko sta sveta brata I. 863 prišla na Moravsko, sta bila pripravljena za misijonsko in dušnopastirske delo. Sprva je Ciril maševal po bizantinskem obredu v staroslovenskem jeziku, ko je pa spoznal, da Moravska in Panonija spadata pod Rim, je začel maševati v rimskem obredu v staroslovenskem jeziku.

Njun načrt za misijonsko in dušnopastirske delo med Slovani je potrdilo, da ju je Previdnost klical k popolnoma novem načinu oznanjevanja evangelija in upostavljanja Cerkve med Slovani. Blagovest sta oznanjala v razumljivem jeziku in pripravljala za Cerkev med Slovani upravo neodvisno od nemških škofov.

Njun načrt za bogoslužje v staroslovenskem jeziku je ute-

meljen v svetem pismu. Vesoljna katoliška Cerkev je na drugem vatikanskem koncilu sprejela vse govoreče jezike za bogoslužne jezike. Slovanska blagovestnika sta to izvršila za slovanske narode že pred 1100 leti. Je torej dovolj razlogov, da sta bila sv. Ciril in Metod proglašena za sopatrona Evrope v našem času. Iz Vzhoda sta prinesla na Zahod bogato vzhodno duhovnost. Danes prav z Vzhoda prihajajo največje nevarnosti. Ni brez počna, da Cerkev spominja Zahod, da sta tudi slovanska blagovestnika vplivala na kulturni razvoj Evrope. Njuna duhovnost more navdihovati Zahod k večemu razumevanju Vzhoda, odkoder sedaj prihajajo največji problemi, ki bremenijo ves svet.

Ker se nisem mogla udeležiti zadnje seje, se najlepše zahvalim Helen Levstick za podatke, ki sledijo.

Seja je bila kratka, ker je v decembru po seji večerja in zabava za člane. Po seji sta zapečala Jennie Fatur in Frank Kokal, potem pa skupno s člani tudi sezonske in večno lepe narodne pesmi. Nato so servirali večerjo kakim 450 članom in članic. Povedali so mi, da gre čast in zahvala klubovi kuharici Mary Ster in njenim pomočnicam. Hrana je bila izvrstna, postrežba točna.

Pretekli mesec sta umrli Martin Resnik in John Fakult. Sožalje družinam.

Povrnitev zdravje želimo Josephu Zupančiču, Louise Hlad in Pauline Tekaucic.

V pogrebnu zavodu bodo zastopali klub g. in ga. Buchar ter James Koss in soproga.

Pri žrebanju so bili srečni Ann Price, Ann Kokal in Joseph Zak.

Prihodnja klubova seja bo dan po Novem letu: 2. januarja 1985.

Takrat bomo že imeli na razpolago vstopnice za našo glavno »veselico«, večerjo s plesom in zabavo za vse. To bo 17. februarja 1985, v Slovenskem družvenem domu na Recher Ave.

Vsem našim članom, prijateljem in čitateljem Ameriške Domovine voščim res veselje božične praznike ter veliko sreče in dobrega zdravja v novem letu!

Notranje doživetje božiča

(nadaljevanje z 2. str.)

In se pomudi pri razmišljaju in doživljaju slovenskega božiča? In če je kdo med nami, ki bi se ne zavedal dovolj globoke resnice, da smo Slovenci naravna skupina ljudi, ki ji pravimo narod, naj samo pomisli na tipično, čisto slovensko praznovanje božične dobe od prve adventne nedelje do Sv. Treh Kraljev, pa bo moral priznati, da nas ravno božični čas tipično karakterizira kot samostojno ljudsko skupnost.

Naj iz davnih spominov izpred več kot dveh generacij, za letošnji božič na tem mestu ponatisnem odlomek iz svoje knjige »Podobe iz otroštva Mandrškega Ludveta« (izdala Mohorjeva v Celovcu, 1969), ki jo je s slikami mojstrsko opremil akad. kipar France Gorše. Takole stoji v knjigi: »V skromni kmetski hiši so otroci in odrasli vsi zatopljeni v postavljanju jaslic. Edini fantiček Ludve med številnimi sestricami kar žari od navdušenja in veselja, ko oče slovensko vzamejo iz kota razpelo in namestijo tja deščico, na kateri bodo stale jaslice. Mah se je že dolgo sušil pod streho in je pripravljen. Ko je policička v kotu gotova in so pastirci in ovčke iz papirja tudi že pregledani in popravljeni, začno z delom. Hribec iz mahu je hitro napravljen. Težje gre z razmeščanjem ovčk in pastircev. Vsak hoče bolj prav vedeti. Vendar se končno vse uravna v splošno zadovoljstvo. Pod hribcem je hlevček z Detetom, Marijo in Jožefom. Preostanejo samo še sv. trije kralji. Kaj in kam z njimi?«

Dečko se z vso svojo zgovornostjo zavzema za to, naj pridejo trije Modri takoj k jaslicam. Kako bi bilo mogoče pustiti jih – pa čeprav samo za štirinajst dni – v škatli in jih ne postaviti v kot, ko imajo pa tako čudno lepe konje! Zakaj konji so bili malemu junaku vedno nekaj posebnega... Prerekjanu zavoljo sv. treh kraljev in njihovih konj napravijo konec oče: »Le pusti, saj ostanejo do svojega praznika lepo v škatil Zvečer pojdeš z menoj k Štrukljevom. Tam boš videl sv. tri kralje na konjih še vse drugačne, kakor so pri nas. Če boš priden, jih pojdeš k sosedovim še večkrat lahko pogledat...«

In sta šla... Pri Štrukljevih je iz kota žarela prečudna rdečkasta svetloba... jaslice so imele štalico postavljenico na vrhu hribca, a sredi hribca – čudo prečudno! v rdeči luči so se premikali na iskrih konjih sv. trije kralji, gibali so se, kakor bi bili živi. Vmes je pa drobno cingljalo, kakor da bi pozvanjali z zlatimi zvončki sami nebeski angelci. Deček je obstal in se zamaknil v prečudne jaslice. Ni črhnil besedice, le pritajen vzdih občudovanja: »Joj, kako je lepo!« se mu je izvil iz prsi.«

Tako je nekdaj Ludve doživel božič, in z njim na podoben način vse ljudstvo po slovenski zemlji. Vse priprave so vodile k hlevcu z božjim Detetom, malokatera ali nobena h kramarju v štacuno po nepotrebne stvari. Srce in misel sta bila pri sveti družini in treh Modrih, ne pa pri računanju, koliko lahko izdam za darila. Bilo je notranje doživljaj božiča, ki ga ni nič več.

Ali se ne bi slovenski človek vsaj deloma mogel vrniti k takemu notranjemu praznovanju? Bil bi srečen.

Pretekli mesec, 16., 17. in 18. novembra 1984, se je vršil v vseh prostorih MECCE 41. »Holiday Folk Fair« - mednarodni velesejem, pri katerem je sodelovalo 54 etniških skupin z naravnimi nošnami in plesi, z raznimi kuhinjskimi dobratami ter razstavami domačih in umetniških delov. Temu festivalu je prisostvovalo 57 tisoč ljudi obojega spola in si lahko prisluhnili govorici iz vseh koncov sveta.

Tudi to pot je nastopila v naravnih nošah in plesih triglavsko plesna skupina, ki jo vodi z vso spretnostjo Biba Kralj-Bambičeva. Za njih res lepo izveden narodni ples so prejeli toplo priznanje in navdušen aplavz. Na razstavnem slovenskem paviljončku pa so nam predstavili Kurenta v nošah in maskah za časa pustovanja na Dravskem polju.

Maske, posebno tista, priobčena v časopisu *The Milwaukee Journal*, pa so po mojem mnenju in mnogih drugih, sličile bolj afriškemu izvoru kot kurentovanju. Naj takoj dodam, da sta naša dva velika pisatelja Janez Trdina in Ivan Cankar prikazala Kurenta v čisto drugačni luči, v luči veselja, prešernega smeha in neugnanega plesa.

Po Cankarjevi razlagi, je mati Kurenta, še predno ga je rodila, prosila Boga, da bi mu podaril tri dobrote ob rojstvu: Naj bi bil v tisti umetnosti, ki ga bo najbolj veselila, mojster, da svet še takega ni videl; naj bi ga ljudje, kamor bo prišel, radi sprejemali, in naj bi v svojem življenju vsak toliko dobrega storil, da bi mogel priti v nebesa, če ostana pray samo za vrati.

Prošnje so se ji izpolnile in bil je velik direndaj, kjer so pele Kurentove gosli. Kdor je to violino le od daleč zaslišal, je začel plesati in peti, naj je bil mlad ali star. In četudi ni hotel, je plesati moral, ker so mu jele noge kar same drencati in poskakovati.

Pisatelj Janez Trdina pa pove o Kurentu: V nedeljo je pop ljudi ostro svaril, da naj se skrbno ogibljejo nevarne družbe negodnega Kurenta. Kurent to zve, pa hajdi pred cerkvijo. Bilo je ravnó veliko opravilo. Komaj je začel gosti, popadajo ljudem bukve in brojanice (molki) na tla in vsa cerkev se spremeni v plesišče. Zagodi nam Kurent, upijani nas že jene, veselja daj žalostnim... Tak je bil Kurent in tak je še danes...

Jugoslovanski Sokol v Ameriki je v soboto, 1. decembra, v prostorih restavracije »Stari grad«, spominjal in s tem praznoval »Prvi decembar«, državni praznik v stari Jugoslaviji, dan zedinjenja Slovencev, Hrvatov in Srbov. Danes v starem kraju slavijo državni praz-

znik 29. novembra.

Spominskega večera 1. decembra se je tudi to pot udeležilo veliko število sokolskih članov in članic ter prijateljev iz vseh delov Jugoslavije, ki živijo v Ameriki. Takoj po odlični večerji je spregovoril starosta br. Dimitrije Kralj, pozdravil vse navzoče ter ob prilik 50-letnice smrti bivšega kralja Aleksandra opisal njegovo bogato življenjsko pot vse do zadnjega kraljevskega domovanja na Oplencu.

Glavni govornik tega prvo-decembrskega večera je bil bivši aktivni višji častnik jugoslovanske vojske, br. Nikola Kosić, ki je jedrnato orisal zgodovinski in življenjski pomem bivšega državnega praznika Jugoslavije. Pozdrave je prinesel tudi br. Marko Sunara. Zaključni govor je imel br. Jerko Geršković iz Indiane, ki je z vsem ognjem in navdušenjem, tako, kot zna samo on, orisal bivši jugoslovanski državni praznik 1. december.

Po sporedu se je razvila prijateljska zabava in razgovor. Bil je lep sokolski večer in spomin na prvi december. Hvala lepa vsem za udeležbo in lepa hvala vsem onim, ki so s svojim denarnim darom podprli sokolsko blagajno. Zdravo!

Naj bo vsem nam, ki imamo rojstne praznike in godove v tem mesecu, prijetno pri srcu, in vsem vesele in zadovoljne božične praznike! A.G.

Pismo iz Minnesota

ELK RIVER, Minn. — Spoznani urednik! Tukaj Vam pošiljam ček za naročnino za leto 1985, ostalo je dar listu.

Danes (14. decembra) imamo prvi snežni dan. Upam, da ga ne bo preveč zapadlo. Letos je res zima nam res prizanesla, saj lansko leto smo imeli že veliko snega ta čas.

Novic ni posebnih, ker smo sami tukaj. Konec oktobra sva bila s starejšim sinom za en teden v Sloveniji, ravno za praznik Vseh svetnikov. Grobovi na pokopališčih so bili krasno okrašeni. Ne vem pa, koliko so ljudje res molili, zdelen se je vse bolj posvetno. Meni je bilo nekam tesno pri srcu, kjer je Slovenija res eno samo veliko pokopališče. Seveda so sveče gorele tudi pri spomenikih padlih partizanov, kar človeka kar zabolje pri srcu. Mnogi še verujejo, da so imeli zmagovalci prav, ampak resnica počasi le prihaja na dan.

Pismo iz Minnesota

(nadaljevanje s 6. str.)

Mogoče bom kaj več napisala v prihodnjem letu in, če Bog da zdravje, se morda še osebno oglasila pri Vas v pisarni.

(Veseli bi bili srečanja z Vami. Upamo, da nas boste mogle res obiskati tu v Clevelandu. Seveda bomo z veseljem objavili Vaš naslednji dopis! Ur.)

Prav lepo pozdravljeni vsi, ki se tako trudite, da bi ohranili list, kar seveda ni lahka naloga. Jaz bom skušala ostati naročena nanj, dokler bom mogla brati. Otroci ga gotovo ne bodo naročali za meno, saj razen starejšega, nobeden dobro ne razume slovenskega jezika. O novicah, ki mene zanimajo, oni nič ne vedo. Sploh nismo imeli prilike, da bi prišli dosti skupaj z ostalimi na severu Minnesota. Je škoda, ampak človek ne more vsemu kaj.

Potovati okrog tudi nismo mogli. Otroci so bili v šoli, poleti pa so si morali poiskati službo, da so mogli nadaljevati in končati šolanje. Maja meseca letos je zadnji dokončal univerzo v St. Cloudu, pa še ni dobil prave službe. Dela, a ne v njegovi stroki. Včasih je pač potrebno dalj časa čakati, da prideš do prave, primerne službe.

Ob koncu vočim vesele božične praznike ter srečno novo leto vsem dragim bralcem!

Pozdrav!

Christmas Dinner Served to Pensioners

By JOSEPH GORNICK

Our annual Christmas Dinner was held on Dec. 12. We were served a delicious family style dinner prepared and served by Julia Zalar with all the trimmings, including liquid refreshments of your choice, funded by the club treasury.

Officers for 1985 are: Joseph Ferra who has served as President since 1967, Gus Petelinkar, Vice President. Molly Sege succeeds Mae Fabec as Recording Secretary. She did a splendid job while in office. Re-elected was our hard working Secretary-Treasurer, Mary Lavrich. Auditors are Christine Boldin, Mary Gornik, and Elsie Wasson.

Three cheers for the outgoing cooks who kept us filled: Mary Volcansek, Fran Nemanich, and Frances Somrak. Taking over are Mimi Koelberl, Rose Rodgers, and Josephine Zager. Hank Kersman volunteered to assist the ladies in the kitchen.

Representatives to the Federation of Slovenian Clubs are Joseph Ferra, Gus Petelinkar, Mr. and Mrs.

Frank Fabec, Hank Kersman, and Emily Kersman as alternate.

Head bartender is Gus Petelinkar. Behind the bar are Tony Boldin and Eddie Delly. Sgt.-at-Arms is Alice Struna. Joseph Gornick is reporter.

The Slovenian Homes Pensioners Club meets every second Wednesday of the month at the Collinwood Slovenian Home, 15810 Holmes Ave.

Donations were given to the Slovene Home for the Aged, Collinwood Slovenian Home, and American Home Publishing Co.

The original bylaws of 1962 were revised. Membership is limited to 300. Accepted are retired persons, either spouse must be Slovenian, between the age of 60 and 70. Any member who attends four meetings a year is eligible for the Christmas dinner.

Dues for 1985 must be paid by the end of March, one month earlier. Anyone not paying will be suspended.

Many thanks for arranging travel trips to our Tour Guide Mary Fende.

Trips on the agenda for 1985

are: Niagara Falls Feb. 23, Carousel Theatre "Fiddler on the Roof" on March 16. If interested, contact Mary at 943-0202.

Following dinner a 50-50 raffle was held, half of proceeds donated to those members who are bedridden and in nursing homes. Another raffle of two dolls in native Slovene costumes were donated by Joe and Ruth Kolenc. Proceeds went into the treasury.

The evening continued with dancing to the music of Chuck Krivec and Hank Kersman.

Bishop's Christmas Mass Schedule

Bishop A. Edward Pevec's Mass schedule for the Christmas holidays is as follows:

Midnight Mass at Mt. Saint Joseph, 21800 Chardon Rd., Euclid.

Dec. 25 — 9:30 a.m. St. Christine, 840 E. 222 St., Euclid.

Dec. 25 — Noon — St. Paul Church, 1231 Chardon Rd., Euclid.

Slovenian Christmas

By JOSEPH ZELLE

"I don't believe in Christmas anymore," I answered her almost flippantly, during a chance meeting on St. Clair Avenue, almost in the shadows of St. Vitus Church.

"What?" she exclaimed above the traffic noise, her blue-green eyes flashing in incredulous, stunned shock.

"I mean," I instantly countered, seeing her horrified face, "all this stupid exchanging of gifts, this running around, sending out batches of Christmas cards..."

"But it's Christmas, it's the spirit..." was all she could think of saying.

"It's all too commercialized! Like all the other Catholic feastdays, Easter with its bunnies and Easter eggs, St. Valentine's with its boxes of chocolates... Christmas has lost its true meaning. Why they've even X-ed Christ out of Christmas."

There she had stood in her full-length gray fur coat, in high heels, a glow in her cheeks from the cold December air, looking like a doll. Obviously I had offended her, probably she would never speak to me again.

But I was thinking of the "good old days," if you will pardon the cliché. Perhaps it was because we were small children more than half a century ago. Unlike today there was no money.

Unlike today, there was religion. According to our Slovenian custom, gifts came on St. Nicholas Day, Dec. 6. So as we approached the 25th, the excitement of Christmas was reaching a climax.

On Christmas Eve, no lights were lit at dusk. Slowly, early in the afternoon it began to get darker and darker in the house. Pa came home from work tired, washed up, and we had a simple homemade meal cooked by ma: beef noodle soup, lettuce with vinegar and oil, and the boiled beef perhaps with homemade horse-radish.

After a while it was time for prayer. Mother would go from room to room blessing each with copious sprinkles of holy water. Then we knelt down in the front room and prayed the rosary. All three mysteries! Ma and pa took turns praying the beads. But that was not enough! We groaned on our knees. Then mother said the litany, "Lavertanske," is that how you say it? This litany was followed by the one to the Sacred Heart, and then All Saints. Would it never end? Our youthful knees were

creaking with old age.

But there was finally an end. Before long it was time to repair to church for the midnight Mass. Pile into a car and drive? No. Are you out of your mind? There were no cars in those days, at least not for us working folks. No. We walked all the way from East 43 Street (Žužemberk, the old folks used to call the area) down St. Clair to Norwood where our original wooden church stood at Glass Avenue and Norwood. We trudged through the snow and finally arrived in church which was beginning to fill to capacity.

Midnight Mass was entirely in Slovenian, with Lira singing Slovenian Christmas songs. "Vi Oblaki" was always the first song, and we heard it only during Lent.

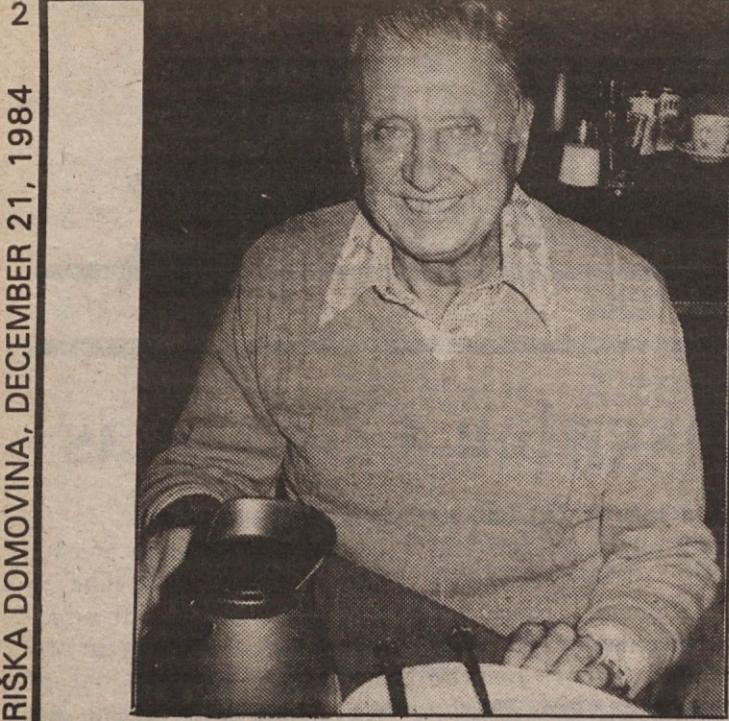

Then we had to trudge back all the way home. Now we had a chance to see our Christmas tree in the front room, all lit up with real candles burning all over the tree. And we had Slovenian potica (po-tee-tsa), and krofe, and piškote (Peesh-kote), and šunka (shoong-ka), and želodec (zel-lo-dets) and suhe klobase, and... and... gee!

On Christmas morning we had to trudge to church all over again. The weather was still cold and inside the church it was still cold. But there was a warmth of spirit, especially after Mass, outside of church.

It was truly a Slovenian Christmas! It was a time in which the miseries and hardships of a tough living in a strange country for the moment were replaced by a rich and fulfilling spirit of love and Slovenian camaraderie. This was the Christmas spirit which our pioneers brought from Slovenia, from their forefathers, from the tradition of Christianity going back hundreds of years. (Did you know that the Slovenians were the very first Slavic nation to become baptized in the holy Catholic Church some fifteen hundred years ago?)

This is why I do not believe in Christmas anymore, the American commercialized kind. That is what I was trying to tell the young lady, the beat of my heart, as her shapely form slowly receded down St. Clair in the cold December air. But how could she know or understand? She had never been hungry. She had no idea what the Great Depression was like. She probably had a vague idea that her ancestors were Slovaks.

XMAS DOES NOT EQUAL CHRISTMAS!

America's Polka King Frank Yankovic finishes a meal at Frank Sterle's Restaurant on the Friday after Thanksgiving. He was there with a group of polka players and fans.

Waterloo Home Sets Eve party

It is time to think of what happened during the year, and what lies ahead.

Activities at the Slovenian Workmen's Home on Waterloo Rd. continued to bring together persons from not only our community but from all parts of the city and from Slovenia. A highlight of the year was the concert performed by the Ljubljana Octet.

A Get Well Thank You

By CHARLES A. TERCEK

What an unusual 75th birthday I had: The shingles on my right leg. This has damaged the nerve ends so very badly that I cannot walk without the aid of a walker.

Up to this point I have been mostly in bed, since the pains were so severe. Now I'm getting physical therapy and was told this will take several more months, as this is a very slow process in the healing of damaged nerves.

Believe me, I would rather keep the shingles on the roofs and not on my leg and foot.

It is said you count your wealth by the number of friends you have. Since it is impossible for me to thank each one personally, I do thank everyone very much: all my friends and clubs, for the close to two hundred Get Well cards; also thanks for the flowers and phone calls.

"Slavček" Ensemble From Slovenia Guests at Sterle's Sunday

Frank Sterle, owner of Sterle's Slovenian Country House on E. 55 St. in Cleveland, announces that the "Slavček" Ensemble from Novo Mesto-Semič, Slovenia, will make a special guest appearance this Sunday evening at his restaurant.

The ensemble has been on a tour in Canada. Sterle heard them perform and invited them to Cleveland.

The concert performance will begin at 8:00 p.m. on Sunday. Reservations for dinner and the concert are \$10.00 and may be made by calling the Slovenian Country House at #81-4181. Dinners will be served prior to the concert. There is no admission for the concert only, but Sterle says there will be no guarantee of seating in that event. So call for your reservation at once!

"20 Beautiful Songs" for piano and accordion Volumes I, II, III by the World's Polka & Waltz King Slavko Avsenik

Available Now From Av-Mar, Inc., 879 Rokeby Rd., Eastlake, OH 44094

Lodges and clubs sponsored dinners and other events not only to raise funds, but to bring members and friends together for an enjoyable evening.

The loss of a family member or good friend is always a sad experience. One of special significance to Slovenian Workmen's Home was the death of Frank Kristoff, not

only because of the amount of time and talents he contributed to the home, but because of his genuine good-nature and friendliness. He shall indeed be missed by the entire community. We of SWH will cherish his memory.

The New Years Eve celebration planned by the Directors of SWH will help us to forget our troubles and get into the spirit of good cheer for the coming year. A delicious dinner, hats, noisemakers and all the amenities for a really good time are being arranged for your pleasure.

Make your reservations while they are still available by calling our Secretary, Millie Bradac, at the hall 481-5378, or at home 481-0047, Ceil Wolf at 261-0436, or contact any Board member.

We hope to see many of our supporters and friends for a really gala party!

Cecelia M. Wolf

It does seem to help, knowing your friends care. So thank you again. It is appreciated and I wish everyone Happy Holidays and Healthy 1985.

In Loving Memory

OF OUR BELOVED WIFE, MOTHER,

Anna Papesh

died December 18, 1983

Eno leto te zemlja krije,
V tihem grobu mirno spiš.
Srce tvoje ne bije,
Bolečin več ne tripiš.

Nam pa žalost srca trga,
Rosijo solze nam oči,
Dom je prazen in otožen,
Ker te več med nami ni.

Your memory to us is a keepsake,
With which we will never part.
Though God has you in His keeping,
We always have you in our heart.

Kent State Again Offers Slovene Studies

By Madeline Debevec

Kent State University is the only university in America which offers an annual Slovenian Studies Award at its Honors Day Convocation to the best Slovenian Studies student and where Slovenian Language and other Slovenian Studies courses have been available on a regular and continuous basis for over a dozen years. Registration varies from semester to semester, yet all courses are offered regardless of the number of students registering at a particular time.

During the coming Spring Semester, KSU will again offer at least three Slovenian language courses, which are being taught by Prof. Edward Gobetz as a voluntary

overload and without pay (in addition to his regular sociology courses). As an added incentive, all registered students also get free Slovenian Language Manuals and six Slovenian language cassettes (which, unfortunately, are not available outside of the university, as they simply lack the necessary funds to publish larger quantities commercially).

In addition to Slovenian language courses, qualified students can also study for credit topics dealing with Slovenian and Slovenian American culture, history, etc.

Open registration will be on the KSU Main Campus in Kent, Ohio, Jan 9-11; last day for late registration is Jan. 14. For information, please consult Bulletin-Undergraduate 1984-85 KSU Catalogue, page

290, or call Professor Edward Gobetz at (216) 944-7237.

deHaas-Tomsick Engagement

Announcement is made of the engagement of Mery Beth deHaas, daughter of Mr. and Mrs. Thomas B. deHaas, 1857 Braeburn Park Drive, Euclid, to Richard David Tomsick, son of Mr. and Mrs. Clarence Tomsick, 21271 Chardon Road, Euclid.

The bride-to-be is a graduate of Cleveland State University where she was an Al Ostrow Grant recipient and on the dean's list. Her fiance is a graduate of Case Western Reserve University in Cleveland and the Franklin Thomas Backus School of Law where he received his

juris doctor degree. He is vice president of Cleveland Theta Chi Alumni Chapter and member of the American, Ohio State, Cuyahoga County and Cleveland bar associations. He is an attorney and counselor at law with Lynch & Lynch Co. LPA in Euclid.

A September 1985 wedding is planned.

On Thanksgiving Day Anna Tomsic of E. 154 St., Cleveland was discharged from Euclid General Hospital where she was being treated for heart failure.

Now, back at home, she has already baked 15 poticas and sent them to her grandchildren in California and New York. She plans to bake 20 more for

gifts.

We must never underestimate the endurance of our Slovenian Women.

Church Christmas Services

St. Vitus Church

E. 61st and Glass Ave.

Dear Parishioners:

The beginning of our redemption from sin and death, Christmas Day, is only a few days hence. The entire Advent Season speaks of God's unrelenting love for each and every person, and of His persistent invitation to each man and woman to accept the ultimate gift, the gift of Love itself. Christmas Day is for this reason, a day of giving and of receiving, and a day of gratitude for all Christians who in faith understand the tremendous gift God has bestowed on the world in the birth of His Son, Jesus Christ.

Since God has given His very dearest gift to us, are we prepared to do what we can and must in order to receive this great Gift on Christmas Day?

It is our prayer that the light of Christ's presence within you will bring peace and happiness to you and your loved ones during this Holy Season and every day of the coming year 1985.

Your priests at Saint Vitus,
Father Joseph Boznar
Father John Kumse
Father Joseph Simcic
Father Julius Slapsak

Dragi farani!

Začetki našega odrešenja, prazniki Gospodovega rojstva, so pred vrti. Adventni čas nas opozarja na izredno božjo ljubezen do slehernega človeka in o njegovem nenehnem pozivu vsem ljudem, naj sprejmejo ta največji dar njegove ljubezni - Ljubezen samo. Božični prazniki so prav zaradi tega prazniki darovanja in prejemanja ter hvaležnosti za vse kristjane, ki v veri dojemajo ta izredni dar, katerega je Bog svetu podelil z rojstvom svojega Sina Jezusa Kristusa.

St. Mary's Church

15519 Holmes Avenue

Dear Parishioners:
May the peace and joy of Christ fill your hearts!
This is our prayer for you and your loved ones at this Christmas.

In the midst of trouble in the world, discontent in our nation, the only source for peace and joy is still the Word Made Flesh — Our Infant Savior.
We are most grateful to

God for the blessings on our parish. We are grateful to you for your continued prayers and cooperation.

May the peace and joy of Christmas remain with you always. On Christmas morning you will be remembered in all my Masses.

Devotedly yours in Christ,
FATHER VIC TOMC, pastor

HOLIDAY NIBBLE MIX

1 cup shelled almonds
1 cup pecan halves
1 cup walnut pieces
1/2 cup raisins
1/2 cup diced mixed candied fruits

Toss all ingredients to mix evenly. Store in tightly covered containers. Serve in small bowls.

BOURBON BALLS

2 1/2 cups crushed vanilla wafers
1/3 cup bourbon
1/2 cup honey
1 pound pecans, ground confectioners' sugar

Combine crushed wafers, bourbon, honey and pecans in a bowl and mix thoroughly. Shape into balls with a 1-tablespoon measure. Roll balls in confectioners' sugar. Store in a covered container to ripen for a few days before using.

About 4 1/2 dozen candies.

MAGIC WINDOW COOKIES

3/4 cup shortening (part butter or margarine, softened)
1 cup sugar
2 eggs
1 teaspoon vanilla or 1/2 teaspoon lemon extract
2 1/2 cups flour
1 teaspoon baking powder
1 teaspoon salt

About six packages "Lifesavers" candy (use wild cherry, tangerine, fancy fruits, five flavors, cryst-O-mint, or butter rum for best colors.)

Mix shortening, sugar, eggs and flavoring. Blend in flour, baking powder and salt. Cover; chill at least one hour. Heat oven to 375°. Roll dough 1/8" thick on lightly floured cloth covered board. Cut into desired shapes, using cutters of two sizes to obtain cut outs or design your own patterns, and cut around with dull knife.

Place cookies on aluminum foil covered baking sheet. For larger cookies transfer to baking sheet before cutting out designs. Place whole "Lifesavers" candy in cutouts. Small cutouts may require that the candy be broken into smaller pieces (place between paper towels and tap lightly.) Fill cutouts until candy is just level with dough. If cookies are to be hung, make hole in each 1/4" from top with end of plastic straw.

Bake 7-9 minutes or until cookies are very light brown and candy is melted. If Lifesavers have not spread within design, immediately spread with metal spatula.

Cool on baking sheet. Gently remove cookies.

Makes about six dozen three-inch cookies.

Happy New Year

Congratulations to **Jack Longar** of Eveleth, Minnesota upon his graduation from the Cleveland Institute of Electronics of Cleveland. He received his diploma in Electronics Technology with Laboratory.

Our electronics whiz, **Bob Mills**, K8TTZ, of Bonna Avenue, got the thrill of his life when he talked via amateur radio satellite OSCAR to several hams in Tokyo and Nagasaki, Japan. The satellite was moving over the middle of the Pacific Ocean, which made radio signals from Cleveland to Tokyo and the reverse favorable for a couple of hours. Nice work, Bob!

Three pro-life teachers of Almont, Michigan have refused to pay their union dues to the National Educational Association. One of the teachers is **Bob Glavich**, who objects his dues being used by the NEA to oppose teaching about creation of the world and voluntary school prayer. Annual dues amount to \$340. Unless the teachers pay their dues, they may be discharged from

the Almont school system. The dismissal will be appealed and a complaint has already been filed with the federal Equal Employment Opportunity Commission.

Recently the Plain Dealer, in reporting the Ohio legislature's pay-raise of \$10,000, included the names of Slovenians **Frank Mahnic, Jr.** and **Ron Suster**. While you and I are haggling about a 3 1/2 cent raise per hour, these legislators voted themselves a whopping almost 50% raise. They will thus be earning a hefty \$32,000 per year for meeting once a week, on Monday nights, to try to unravel the State of Ohio's business. Judges, who earn some \$60,000 a year will also benefit from a similar pay raise.

When NBC during its evening newscast presented a short feature on the Hispanic problem at Elgin, Illinois, **Richard Verbič**, mayor of the city was interviewed. The newscast was carried on channel 3 in Cleveland, NBC's local outlet.

Poinsettia Christmas Flower

Plants and people alike rely on environment for good health and contentment. This is an important consideration as we receive Christmas gifts of potted flowers — the foremost being flamboyant poinsettias with bracts of red, pink, white or even mottled pink-and-red.

Strangely enough, the true flowers are those little yellow "buttons" in the centers of petal-like bracts. But it is simpler to refer to the bracts as blossoms.

Excellent tips on poinsettias care come from the Paul Ecke Poinsettia Ranch of Encinitas, Calif., prominent grower of this traditional Christmas flower and developer of choice strains.

While in bloom, poinsettias need full daylight for prolonged, best appearance. Low light conditions cause green leaves to drop prematurely. Keep the plant near a window, if possible.

heroines from Yugoslavia were visiting our community last summer, they were formally received by the Mayor of Cleveland, **George Voinovich**. At that time they were presented the key to the city in the mayor's office. The whole story is extensively reported in a Yugoslav magazine.

The committee for the Bishop Rožman Memorial Fund has been discussing a plan to tour Carinthia and especially a visit to the Student Center in Celovec. By that time the formal portrait of the exiled bishop of Ljubljana, Slovenia, should be in place in the library of the student center. Tourists will be able to visit the center and Carinthia in general. A week will be allowed for tourists to make trips to other parts of Europe, such as Yugoslavia, Germany, Italy, France, or whatever places the tourist wishes to make.

The Družba sv. Mohorja in Celovec has announced a contest for a biographical novel. The story must be concerned with a famous person in the Carinthian Slovenian history, for example, Prince Borut, Bishop Modest, or Dr. Joško Tischler.

The manuscript must be at least 80 pages but not more than 150 pages. Triple typewritten copies must be sent to the society before the end of this year. The name of the author should be submitted in a separate envelope, with a pseudonym on the original copies.

COMING EVENTS

Sunday, Feb. 17

St. Mary's Parish Annual Venison Dinner at the Slovenian National Home, 6417 St. Clair Ave., to benefit the Slovene Home for the Aged. Dinner is served from 3-5 p.m., followed by music and entertainment.

Soil should feel slightly moist, but not soggy, at all times. Do not permit it to go bone dry. If the pot is wrapped in decorative outer covering or foil, be sure to make a hole in the bottom of it so excess water can drain through and into a receptacle beneath.

Always use lukewarm water when watering.

Normal household temperature settings of 68 to 72 degrees are fine. Higher temperatures can cause flower color to fade sooner. Poinsettias cannot tolerate conditions below 50 degrees.

Other bad situations are dry air and cold drafts. To help add humidity, mist the entire plant with lukewarm water frequently. Keep the plant away from the heat or appliances, hot air registers and drafty doorways.

Poinsettias do not require fertilizer during the holidays.

Plant breeders have made excellent strides with poinsettias. One of their accomplishments is longevity of bloom. It is no longer unusual to enjoy the bright colors through spring and even summer. But plants will deteriorate in a short time if neglected.

If your plant looks poorly prematurely, say in January or February, the advice from Ecke is to prune it back, leaving two or three leaf nodes per stem (nodes are places where the leaves grow), place it near a window and keep it evenly moist, but not wet. As warm weather arrives, growth will resume.

Spring and summer are the growing seasons. During that time plants can be pinched or pruned back to control size and maintain symmetry.

The botanical name for poinsettia is *Euphorbia pulcherrima*. It is a member of

the spurge family of plants, distinguished by the milky white latex that exudes from broken leaves or stems.

Euphorbia is Latin from *Euphorbus*, a first century physician credited with healing nobility by using spurge. *Pulcherrima* is Latin for "very beautiful."

Length of night is the regulator for flower setting. It is a "photo-period" plant because it responds to the changing length of nature's light periods. On Oct. 1, when winter night darkness is about 13 hours, poinsettia bracts start to develop color over a 10-week period.

The poinsettia poison myth originated in 1919 when a two-year-old child of an Army officer living in Hawaii died of poisoning — the cause incorrectly assumed to be a poinsettia leaf.

Research conducted at Ohio State University determined the poinsettia plant is not toxic. Results of this project published in 1971 concluded that it is not harmful to people or animals, and the United States Department of Agriculture verifies the poinsettia is harmless.

Of course, since the poinsettia is a non-food substance, eating it could cause some discomfort.

Poinsettias are native to Mexico. The Aztecs of central Mexico cultivated it long before the arrival of Europeans. They derived a reddish-purple dye from the bracts and a medicine for fever from its latex.

The poinsettia is a beautiful and long-lasting Christmas flower that can be found in most Slovenian homes during the holiday season and through the year.
