Inspektor je šel z dvema drugima, da bi si ogledal razbito letalo. Na potu so Amerikanci ubili policista in ranili njegovega spremljevalca. Drugi je zbežal in javil zadevo oblastem, ki so ujetnike pozneje ujeli. Bili so sojeni pri vojaškem sodišču in obsojeni na smrt."

Roosevelt je povabil v Belo hišo na posvet Wendell Willkie-ja

Washington. — Predsednik Roosevelt je povabil v Belo hišo na razgovor Wendell Willkie-ja, da se bosta pogovorila glede inozemskih zadev, zlasti pa glede mednarodne organizacije, ki bi zagotovila svetu trajen mir.

Mr. Roosevelt je Willkie-ju pisal tozadevno pismo, predno je odšel iz Washingtona na Havaje. Dan 21. avgusta je določen, da pričnо z razgovori glede take mednarodne organizacije in Mr. Roosevelt bi rad slišal o tem tudi mnenje odličnih republikancev.

Kot je slišati, se bo Willkie odvzal in prišel v Washington, čim se predsednik vrne domov.

Ta poteza Roosevelta je prišla tako nepričakovano, kot je prišlo nepričakovano leta 1940 njegovo imenovanje v kabinet republikancev Knoxa za mornariškega tajnika in Stimsona vojnim tajnikom.

Bo nekaj hladneje

Vremenski urad misli, da bo po severni Ohio danes nekaj dežja, da bodo popoldne sapice nekoliko ohladile ozračje in da bo padel toplomer nocoj morda celo na 60 stopinj. Včeraj popoldne je kazal toplomer v Clevelandu 96 stopinj.

Nad 100,000 Nemcev se skuša rešiti iz pasti v Normandiji. Feldmaršal von Kluge je ukazal nemški armadi umik.

Normandija, 11. avg. — Ameriška armada se vali proti Parizu v obliki ogromnega srpa, da sklene kolobar z angleško armado po Caenom. Več kot 100,000 Nemcev beži proti Parizu, da se reši, predno zavezniki sklenejo ta kolobar, kjer bi bila uničena vsa nemška armada v Normandiji.

Od leta 1940 ni pretil nemški armadi še tak poraz in vsi znaki kažejo, da je ukazal nemški vrhovni poveljnik von Kluge svoji armadi umik proti Parizu.

Ameriške oklopne čete in formacije pehote že naskakujejo predmestja Chartresa, ki leži komaj 37 milj južnozapadno od Pariza.

General Montgomery je danes izjavil, da je velik del nemške armade v zapadni Evropi v jako slabem položaju. "Na mnogih krajih smo mi že za njih hrbtom in možno je, da se nekateri ne bodo rešili," je izjavil izkušeni general.

Ob tem času se še ne ve, če bodo ameriške čete krenile severno proti reki Seni, s čemer bi bilo zajetih do 300,000 Nemcev ,ali bodo prodirale direktno proti Parizu, ali bodo prodirale južno pod Parizom ter mesto obšle. Ako bi se Amerikanci obrnili severno pred Parizom ter udarili preko reke Sene, bi s tem dosegli Rokavski preliv severno od pristanišča Havre ter ga dobili v pest z drugimi pristanišči brez boja. Amerikanci so tudi v poziciji, da udarijo mimo Pariza severno in južno, s čemer bi jim padla francoska prestolnica v naročje kot zrela hruška.

Daleč zadej za to fronto naskakujejo Amerikanci pristanišče Brest, katerega branijo tri nemške divizije v sedmih utrdbah. Toda mesto ne bo vzdržalo, ker ga imajo Amerikanci obkoljenega.

Pristanišče Lorient, južno od Bresta, je istotako obkoljeno. Nemška garnizija je očividno odločena, da brani to gnezdo za podmornice do zadnjega moža.

St. Malto, pristanišče na severnem obrežju Bretagne, še vedno branijo ostanki nemške garnizije, ki je štela 10,000 mož.

Pristanišče St. Nazaire na južni obali je tudi oblegano od ameriških čet.

Nemci hite z ojačenji iz Belgije, Nemčije in vzhodne Francije. Pota in železnice so neprestano pod bombardiranjem zavezniške zračne sile.

Zadušnica

V pondeljek ob 8:30 bo darovana v cerkvi Marije Vnebovzete maša za pokojna John in Rose Beck.

Zadušnica

V nedeljo ob enajstih bo darovana v cerkvi sv. Kristine maša za pokojnega Simona Bizjaka.

Raton, N. Mex. — Dne 9. jul. je umrla Frances Delost. Bolehala je pet let. Šla je do zdravnika v Denver, toda je v kratkem umrla, ko je bila v njegovi oskrbi.

IZ BOJNE FRONTE

(Sobota 12. avgusta)

FRANCIJA — Neuradna poročila danes zjutraj zatrjujejo, da so ameriške čete že v predmestjih Pariza. Ameriški tanki so prebredli reko Loire, ki je zapreka proti južni Franciji in so prodrli 10 milj onstran reke.

RUSIJA — Rusi so v Estoniji prebili nemško linijo v dolžini 43 milj. Tukaj stoji nemška armada 300,000 mož, katero Rusi zdaj obkoljujejo.

PACIFIK — Ameriški bombniki so napadli neko japonsko tarčo komaj 750 milj od Tokia.

V ZRAKU — Nad 2,000 zračnih trdnjav je napadalo nemške postojanke vse od Belgije do Bretagne.

ROOSEVELT JE UKAZAL ZASEČI VSE PREVOZNE DRUŽBE

Washington. — Predsednik Roosevelt je izdal ukaz, da vlada zaseže vse prevozne družbe v osmih državah, kjer so vozniki na stavki že osem dni. Družbe, ki operirajo postrežbo s truki, zaposlujejo več kot 25,000 uslužbencev.

Družbe v sledečih državah so prizadete: Iowa, Nebraska, Minnesota, Missouri, Kansas, North in South Dakota ter Wisconsin.

Uslužbenci so na stavki, ker jim družbe nočejo primakniti 7 centov na uro, kot je to ukazal vladni delavski zbor.

Na obisku iz mesta

Mrs. Mary Tomšič in njen sin, 5211 Luther Ave., sta na obisku pri družini njene hčere Mr. in Mrs. Joseph Juričič v Jolietu, Ill.

Barantanje za Poljsko

Ruska armada je stala pred Varšavo in Moskva je priznala kot edino postavno poljsko vlado Poljski osvobodilni odbor. Poljska vlada v Londonu je stala tedaj pred največjo krizo, kar jih je še doživela v pregnanstvu. Tedaj je pa premier Stanislav Mikolajczyk na 27. julija pogabil svojega zunanjega ministra Romerja in odletela sta z avijonom v Moskvo, da se pogovore z Stalinom oči v oči, kako je prav za prav z vso stvarjo.

To je bila drzna poteza od strani premierja Mikolajczyka. Saj je Stalin ponovno in ponovno ostal gluh na zopetne diplomatske zveze s poljsko vlado v Londonu, ki so bile pretrgane 26. aprila 1943. Tudi ni bilo gotovo, če bodo poljski državniki dobrodošli v Kremlju ali ne. Toda, da so bili pri Stalinu sprejeti gre kredit ameriškim in angleškim diplomatom.

Mikolajczyk je požrl svoj ponos in izjavil, da je pripravljen iti v Moskvo, kadarkoli bi bil Stalin pripravljen, da ga sprejme. Tedaj je podvzel akcijo premier Churchill in postal na Stalina apel, naj zasliši poljskega premierja, ker ako se ne reši poljsko-ruski spor, bosta Anglija in Amerika prisiljena priznati poljsko vlado v Londonu, dočim Moskva podpira poljski osvobodilni komitej. To bi bilo zelo nerodno, da bi trije zavezniki priznali vsak drugo poljsko vlado.

Stalin se je podal in odgovoril, da je pripravljen poslušati Mikolajczyka v Kremlju. Anglija je upala, da bo prišlo v Moskvi do kakega sporazuma med poljsko vlado v pregnanstvu in od Rusije odobrenim komunističnim komitejem in da se bo iz obeh vlad izcimila skupna vlada, sprejemljiva za poljski narod in za vse tri zaveznike.

Kot vemo, niso imela posvetovanja v Moskvi nobenega uspeha. Oni dan so jih prekinili in si obljubili, da bodo nadaljevali s posvetovanji, kadar bo osvobojena Varšava, prestolnica Poljske. Stvari stoje torej danes prav tako, kot so stale poprej in Poljaki imajo dvojno vlado: ena je v Londonu, katero podpirata Anglija in Amerika, drugo pa podpira Stalin in ki je bila organizirana v Moskvi iz raznih elementov, predominalno komunističnih.

Kakšna je ta poljska vlada, ki jo prizna Stalin in ki naj bi bila takozvana "ljudska vlada," lahko vidimo iz naslednjega opisa.

Načelnik poljskega osvobodilnega komiteja in komisar za zunanje zadeve je Edvard Boleslav Osupka. Star je okrog 40 let, ki je bil nekdaj član socialistične stranke, pa se je pozneje pridružil komunistom.

Njegov prvi minister je Andrej Witos, ki je bil svoje čase član poljskega parlamenta. Ko so Rusi okupirali Poljsko, so ga aretirali in poslali v Sibirijo. Tam se je "spreobrnil" in izpustili so ga leta 1941.

Član komiteja je tudi Mihael Zymierski, star 54 let, veteran prve svetovne vojne. Leta 1920 je postal načelnik armadnih orožarен. Leta 1926 je bil aretiran in obsojen na pet let ječe radi poneverb. Pozneje je bil izgnan iz dežele in naselil se je v Parizu. Leta 1939 se je pridružil gerilcem in gledal v Moskvo za inspiracije. Zdaj je postavljen vrhovnim poveljnikom poljskih čet v Rusiji.

Potem je član komiteja Emil Sommerstein, poznan in vpliven v poljsko-židovskih naseljih. Tudi on je služil prej v poljskem parlamentu in leta 1939 so ga Rusi pri okupaciji aretirali ter poslali v Sibirijo v izgnanstvo. Nekateri so mnenja, da v njegovi glavi ni vse v redu, odkar je bil v sibirskih koncentracijskih taboriščih.

Potem je, seveda, važna članica komiteja znana komunitska Wanda Wasilewska, ki se je najbolj trudila, da se je ta komitej organiziral v Moskvi in da ga je Stalin priznal kot edino pravo poljsko vlado.

Vsega skupaj ima poljski osvobodilni komitej petnajst članov, ki jih je vsilila Moskva poljskemu narodu kot "edino" pravo vlado. Res je, da imajo moč, dokler bodo ruske armade na Poljskem, toda pri večini naroda pa nimajo nobenega vpliva. Ako bo Stalin vztrajal na stališču, da je to edina prava vlada, ki bo upravljala civilne zadeve dežele, bo slabo. Težko, da bi predsednik Roosevelt kdaj priznal ta odbor, ker ima zlasti do premierja Mikolajczyka največje spoštovanje. Zavezniki bodo morali najti kako srednjo pot in kak sprejemljiv izhod iz zamotane zadeve, drugače na Poljskem ne bo miru.

Stalin je organiziral in priznal poljski osvobodilni komitej in ga vrgel Poljakom v naročje. To se pravi, da poljski narod nima pri tem nobene besede, hoče li to vlado ali ne, vzeti jo mora. To je pa v direktnem nasprotstvu s principi ameriške vlade, ki stoji za tem, da naj se nobena vlada ne vtiče v notranje zadeve kake druge dežele, ampak naj si narod sam izbere vlado. Ne verjamemo, da bi v tem kaj popustil ameriški državni tajnik Hull ali da bi kako drugače mislil predsednik Roosevelt. Torej nekdo bo moral odnehati: ali bo odnehal Stalin in umaknil podporo svojim lutkam, ki so v osvobodilnem komiteju, ali pa bosta odnehala Roosevelt in Churchill, drugače bo tam gori na poljsko-ruski meji nekaj narobe in nekaj narobe zna priti tudi med Moskvo, Londonom in Washingtonom.

Tem potom pozivljam vse članice podružnice št. 32 Slovenske ženske zveze v Euclidu, da se gotovo udeležite redne mesečne seje v pondeljek 14. avgusta ob osmih zvečer v navadnih prostorih. Posebno pa vabim vse tiste, ki ste zaostale že več mesecev s svojim asesmentom, da sedaj pridete na sejo in poravnate ali pa se zglasite na mojem domu.

Cenjene sosestre, storite svojo dolžnost napram podružnici in celotni organizaciji Slovenski ženski zvezi, saj veste, da moram poslati denar vsak mesec pravočasno v glavni urad. Sodelujte z odborom, da se tako prepreči vse nepotrebno delo, skrbi in stroške.

Na razpolago imamo tudi še precej voščilnih pisem in kartic za prodaj in jih lahko dobite na seji ali pa na mojem domu. Saj veste, da je težko hoditi po hišah, ker v največ slučajih se ne dobi nikogar doma in pa tudi časa ni dovolj na razpolago. Glejte, da ne bomo me v Euclidu vedno med zadnjimi.

V Zarji je bilo zadnjič poročano, da je večina podružnic v malih naselbinah kar hitro razprodalo vse kartice, ki so jim bile poslane.

Naj vas opozorim tudi na to, da naša podružnica obhaja to jesen 15 letnico svojega obstanka. Zato je pa vaša navzočnost nujno potrebna na prihodnjih sejah. Saj vročina je sedaj že minila in je kar prijetno se malo sprehoditi. Kakor je povsod, tako je tudi pri nas, da čim več je članstva navzočega na seji, tem več se lahko kaj koristnega ukrene za korist in napredek podružnice in naše Slovenske ženske zveze. Pozdrav,

A. G., tajnica.

Lokalni odbor št. 2 JPO-SS

Hitro, mogoče še hitreje kakor si pa mi mislimo, prihaja čas, ko bodo Hitlerjeve horde premagane. Da, takrat bo napočil čas, da se pokliče sokrivce te krvave vojne pred sodni stol, kjer naj dobijo, kar jim po vsej pravici tudi spada.

Bližajo se časi, ko se bodo zopet osvobojeni narodi podal v mirno življenje in med temi bo tudi naš trpeči narod onkraj morja. Težak bo njegov začetek, pomorjene cele družine, pohabljenih na tisoče in tudi oni, ki bodo ostali nepohabljeni, bodo skoro strti od trpljenja, ker gorje, katerega bodo prestali, bo težka posledica za naš narod.

In mi tukaj, v Ameriki, zdravi, močni, siti, nobenega pomanjkanja? Vprašanje nastane: ali boš ti Slovenec in ti ponosna Slovenska zadovoljna, ko ustaneta od mize sita in ko bosta imela v mislih pred sabo trpeči slovenski narod onstran morja? Ako imata v sebi še pravi slovenski ponos, ne prezrita tega. Priskočita jim na pomoč in to še danes. Bodimo pripravljeni za čas, ko jim bomo lahko pomagali. Prispevajte in ne čakajte, da bi vas moral kdo k temu še nagovarjat. Prinesite svoj dar v Slovenski narodni dom, kjer sem vam na razpolago vsak petek večer v sobi št. 5 (staro poslopje, zgoraj). Tudi vsi zastopniki vam bodo prav z veseljem postregli in prav lahko in brez skrbi jim zaupajte.

Za danes imam sporočiti imena sledečih darovalcev: po $10 — društvo Cleveland SNPJ, Joseph Antolovich iz Detroit, Mich,, društvo Napredne Slovenke št. 137 SNPJ (dvakrat po deset dolarjev), društvo Clevelandski Slovenci št. 14 SDZ, Ciril Kren iz Detroit, Mich. je daroval $20; Anton Nosan je daroval 11 dolarjev.

Po $5 so darovali: John Zavrl, John Tavčar, (tajnik S. N. D.), Frank Rich, ki ima popravljalnico avtov na 61. cesti, blizu St. Clair Ave., Mrs. Mary Spehek, Mrs. Mary Spelich, Frank Wirant, Louis Judnich, Mrs. Anna Erbežnik in Mrs. Mary Bradač, tajnica največjega društva Slovenske dobrodelne zveze.

Po $2 so darovali: Andy Baskar, Frank Sivec, Frank Suhadolnik, Frank Jazbec, Math Kushar in Anton Supan.

Prav lepa hvala onim, ki ste se potrudili in nabrali to vsoto, seveda najlepša zahvala v imenu trpečega naroda v domovini pa gre onim, ki so tako velikodušno prispevali.

Le tako naprej, bratje in sestre, mogoče pa se končno vzdramijo še drugi, oni, katerih imen še nimamo dosedaj v naših knjigah.

Z narodnim pozdravom vam kličem: brat in sestra, pomagaj! Vaš

Joseph Okorn, blagajnik.

Izkoreninjeni milijoni Evrope

Poleg ostalih zverinskih zločinov, s katerimi so Prusijaki osrečili današnjo Evropo stoji vsekakor v ospredju tudi nasilno množenstven preseljevanje narodov. Število izgnancev s svoje rodne grude je morda večje kakor pa je prebivalstvo Anglije in Walesa. To ogromno številko so ugotovili pri zasedanju mednarodne konference dela v Filadelfiji.

Ko so prusijaške tolpe vdirale v sosedne nemške države se je domače prebivalstvo Razbežalo pred tevtonskimi morilci in mnogi izmed njih so se zatekli v nevtralne države ali v take, ki so kasneje prišle na vrsto prusijaškega naskoka. Ko je prusijaška soldateska zasedala tuja ozemlja so se ž njo navlekle številne horde gestapa, germanskih biričev in kramarskih izkoriščevalcev. To je bil ponavadi največji moralni izmeček germanske družbe. Posiali so jih zato, da čimprej germanizirajo nova ozemlja.

Leta 1940, so Nemci pričeli s takozvano "repatriacijo" Nemcev v rajh. Takrat je Hitler dejal: "Samo solidni obroč nemških naseljencev lahko zgradi trajno narodnostno mejo okrog tretjega rajha." V ta "obroč" so se vlivale množice Nemcev z vseh tistih pokrajin, ki so jih zasedale prusijaške horde.

Ko je Hitler 1941. podjarmil že vso Evropo in se pripravljal za vdor na Sovjetsko Rusijo je dejal: "Danes smo na tem, da lahko mobiliziramo človeške delovne sile skoro cele Evrope. To bom napravil tako marljivo, da mi lahko verujete." V prvih devetih mesecih leta 1941 je bilo v Nemčiji že nad 3,700,000 tujih delavcev ,bodisi vojnih ujetnikov bodisi civilistov. Danes znaša to število okrog 7,000,000. Te ljudi vrniti njihovemu domačemu ognjišču, bo mogoče največje delo prve povojne dobe. Gotovo ne bo treba teh ljudi šele spraševati ali si žele povratka, pomisliti pa moramo, da bodo morali biti pred tem primerno nahranjeni, oblečeni, mnogi telesno in duhovno ozdravljeni in tudi prepeljani, mogoče na tisoče kilometrov dolgo pot. Med tem časom pa bo treba za te ljudi pripraviti vse potrebno za njihov povratek; če organizacija ne bo perfektna, bodo vse poti natrpane, in vlekle se bodo ravno take procesije kakor takrat, ko so ljudje bežali pred prusijaškimi strojnicami.

To delo spada v takozvano obnovo Evrope. Že sedaj uživajo številni begunci gostoljubje nekaterih držav na Srednjem vzhodu. Na Cipru, v Turčiji, v Siriji in v Egiptu je nad 25,000 grških beguncev. 35,000 Poljakov je prispelo v Iran. Na tisoče in tisoče jugoslovanskih beguncev je na Srednjem vzhodu. Človekoljubna zavezniška organizacija M. E. R. R. A. skrbi danes za okrog 100,000 beguncev.

M. E. R. R. A. je danes sestavni del U. N. R. R. A.-e. Praktične izvušnje, ki jih je ta organizacija pokazala že sedaj v teku vojne bodo izredno dragocene v povojni dobi.

Naša skica nam nazorno prikazuje "nasilno preseljevanje evropskih narodov," ki ga je z vso brutalnostjo izvajal Hitlerjev tretji rajh. Mogoče ne bi bilo napačno, če bi se ga po vojni poslužili vsi tisti evropski narodi, ki so bili deležni Hitlerjeveba "blagoslova" samo zato, ker so v svojih mejah gostoljubno tolerirali prusijaške vsiljivce. Verujemo pa, da s tem poslom ne bo imela dela U. N. R. R. A., ker bodo posamezni narodi kar sami opravili . . .

Slovenske dežele so bile še prav posebno deležne Hitlerjeve izseljevalne politike. Relativno je naša dežela tudi v tem pogledu dosegla rekord. To je nov dokaz, kakšne načrte je imel Hitler s slovenskim narodom, ki stoji že petnajst stoletij na poti germanski samogoltnosti. Naša skica nam zgovorno tudi dokazuje, kako težke naloge čakajo Slovence po končani vojni. Vsi, prav vsi do zadnjega bomo morali zavihati rokave in delati, krvavo delati, da zopet zberemo vse svoje narodne dele, ki jih je Hitlerjev barbarizem razgnal na vse štiri strani sveta, in da tako ustvarimo pogoje za nadaljno rast našega naroda. Slovenci se ne smemo samo opajati nad lepimi programi in se tolažiti, da je že itak vse storjeno, pač pa moramo imperativno zopet nazaj na trda tla stvarnosti, da bomo uresničili tisto, za kar prelivajo naši možje, naši fantje, naša dekleta in žene svojo kri. Vsebina programa je delo, to vedo oni tam v slovenskih gozdovih in gorah in tega se moramo zavedati tudi mi tu v tujini. S koristnim, trdim in uspešnim delom bomo svojim bratom več koristili, kakor z vsemi še tako lepo zvenečimi frazami. Slovenski narod je svojo samobitnost ustvarjal v prvi vrsti s pridnostjo svojih rok in razumnostjo svoje pameti. Poprimimo zopet ta izročila svojih dedov in bodočnost nam bo zajamčena; kričavosti in fanfaronade pa prepuščajmo tistim narodom, ki mislijo, da ž njimi lahko izhajajo.

Izkoreninjeni stotisoči naših ljudi nam zapovedujejo, da delamo ,delamo in še enkrat delamo!

IZ BOLGARIJE

London, 3. avg. (ONA) — Turčija je sedaj za gotovo na zavezniški strani in njen sosed Bolgarija bo najbrže tudi pristopila k združenim narodom. Bolgarska vojska je maloštevilna toda še nedotaknjena in nemške sile so se zmanjšale v nekaj divizij. Poleg tega naraščа v Sofiji ruski vpliv.

Bolgarski Badoglio, ki bo vodil svojo deželo v zavezniški tabor je Ivan Bagrianov, kmečki ministerski predsednik, kakor pravijo tukajšnji bolgarski krogi, ki pravijo, da že uporablja zvijače, da bi izvil svojo deželo iz Hitlerjevih krempljev.

V potrdilo svoje trditve so ti krogi poudarili, da ni Bagrianov, odkar je nastopil ministersko predsedništvo, niti enkrat rekel, da je za zavezništvo s Hitlerjem in da je nasprotno včeraj kategorično zanikal, da bo šel v Hitlerjev glavni stan.

Ti viri poročajo, da cela vrsta dejanj Bagrianova nezmotno kaže na katero stran se nagiba. Ukazal je likvidacijo vojne ekonomije pod pretvezo, da mora zmanjšati državne izdatke, čeprav pomeni to uničenje urada, potem katerega so Nemci dobili od Bolgarije vse kar so rabili za svoj vojni napor. Še bolj izvanredno pa je bilo razpuščenje urada narodne propagande, ki je bila leta in leta portiruska.

Dva glavna nacijska časopisa "Danes" 'in "Večer" sta bila ukinjena, medtem ko so bile posebne kazni za partizanske družine ukinjene. Ta poslednji ukrep bo imel za posledico osvoboditev kakih 20,000 internirancev v skoro vsaki vasi Bolgarije.

Znano je, da so odnosi med Bagrianovom in regencijo prepojeni z globokim nezaupanjem in sovraštvom. Osebno sovraštvo vlada med njim in Bogdanom Folovom, bivšim ministrskim predsednikom, med tem ko princ Ciril pomni, da je bil Bagrianov vržen iz kabineta od kralja Borisa zaradi svojih načrtov za državne agrikulturne kolektive.

Če bi kraljevska družina mogla preprečiti bližajoči se prelom z Nemčijo, bi že davno vrgli Bagrianova iz ministerskega predsedništva.

Prelom z Nemčijo pa ne bo takoj sledil prelomu Turčije z Nemčijo, prišel bo polagoma, kot mislijo tukajšnji Bolgari. Ruski glas ,ki se stalno dviga v Sofiji, se izogiblje prevelikih zahtev od Bagrianova in Rusi so na mesto tega zahtevali ukrepe, kot prej omenjeno. Oni so pokazali skrajno potrpežljivost z Bolgarijo odkar je bila pod Hitlerjevo peto, vendar pa bodo dosegli svoj cilj, da se bo njih slovanski sosed popolnoma oprostil Hitlerjevega biča. Njihovo podpiranje "Domovinske fronte" je bilo kaj pametno. Ta sestoji iz delavske stranke, agrarnih progresivcev, demokratske stranke in republikanske lige oficirjev.

Po mnenju sovjetov je Bagrianov sposoben voditi Bolgarske zadeve skozi prihodnjo dobo, do časa, ko bo svoboda obnovljena in bodo ljudje pripravljeni za intervencije in odločiti usodo svoje dežele.

Bolgari se dobro zavedajo, da je bila njihova armada do sedaj ohranjena in da bi jo lahko porabili za udarec, ki bi jim zagotovil njihovo svobodo.

Zato ti bolgarski krogi mislijo, da turški prelom ne bo spremenil bolgarsko - turških odnosov. Sam Bagrianov izhaja iz turških krajev, govori gladko turško in ga smatrajo za turkofila. Njegov poslanik v Ankari, Nicolas Balabanov, spada k isti skupini bolgarskih diplomatov kot Nicolas Momčilov, zadnji poslanik v Londonu, ki je nasprotoval Filov ekspanzionistični politiki.

Bolgari se tudi zavedajo, da so nemške sile v deželi jako slabe in vedo, da ker kontrolirajo obalo Egejskega in Črnega morja, lahko vprašajo za pomoč od Rusov ali pa od

ST. CHRISTINE NEWS

THIS 'N' THAT

It's a boy at the home of the Max Gerl's of out this way. The young man's (sigh now girls) mother is our organist at the 11 o'clock mass. Congratulations folks and the best of luck to the newest addition . . . Congratulations to Miss Mary Golinar and Marine Corporal Stan Gregorin who recently became engaged. Seems the Marines can't get away from the popular phrase, "The Marines did it again," ask Marty! Speaking of the Marines, see Cpl. Johnny Vidmar is home on furlough and the Vidmar family is all too excited about the whole affair . . . More congratulations are in order to our newly-weds, Miss Vida Jackomin and Johnny Forgac. Wishing you all the luck and success always and in all ways . . . Staff Sgt. and Mrs. Edward B. Moore were visited by the stork recently whose bundle was "Junior." The Sgt. and the family are making their home in Panama City, Fla., where he is now stationed. The mother was the former Miss Ann Dragozett. Congratulations to the proud papa and mama.

Our khaki clad lads recently home were S/Sgt. Henry F. Bogotay and Pvt. Anthony Golc. Nice seeing you around boys, builds up the girls' morale. . . . Pvt. Johnny Miklavcic, is also home, coming from down Texas way. He returns Aug. 10 to his post . . . Envy of all the girls for her beautiful sun tan is Irene Habic, our vivacious blonde. Irene is guarding at the Forest Hills pool . . . Have you noticed what a sparkling beauty our church altars have recently acquired. For this newly acquired beauty we owe many thanks to Mr. Edward Pryatel and Mr. Anthony Linc, who devoted their time to the painting of this project. Some hidden talent brought forward, gentlemen . . . Adding to the outside beauty of our parish surroundings are these young boys, who are under the supervision of the Rev. A. L. Bombach. Our pastor is the paint mixer while our young men do the "work." Nice work if you can get it. The staff of workers include: Eddie Baehr, Bud Brodnik, Tony Plesnicar, Joe Luzar, Bernie Metro, Johnny Golinar, Frankie Vidmar and Eddie Hocevar. Good work boys, "artists of the painting profession." . . .

Results proved that contributions made by parishioners on the feast of St. Christine, proved to be very successful, and that alone is due to you parishioners. Much appreciation is expressed to all who helped in achieving this success. Thank You . . . Our attractive female athlete, Louise Recher, has been bringing in many victories for the baseball team, the Rangers, for whom she pitches. Last week she did her team a victory favor by handing St. Mary's a shut out, resulting in a 8-0 score. Her pitching baffled many a Mary player, for her strike-out totals weren't a small number. Good work, Lou. . . . Has our sleek young man, Frankie Pierce taken a fancy toward the opposite sex, or are my eyes deceiving me? . . . Ralph Hirsch seen cruising around town in that "sleek jeek." . . . Betty Gole, member of the assembly line at the Bryant Heater plant . . . Fran Intihar still takes a fall now and then on skates . . . Dot Papesh, the girl with the Pepsodent Smile . . . Bill Stopar getting in practice for football season. After the ceremony, Connie sat in the dugout and watched his A's lose a 1-0 decision to the New York Yankees.

Cleveland's Indians, on their last extended trip of the season, in which they play 22 games, started off in Chicago last Thursday for a three-game series. All three games were won by the White Sox, making a total record of the Indians winning but three of the twelve games played against the White Sox so far, as compared to 15 out of 22 played last year.

Continuing on their trip at St. Louis, the Indians handed this three-game series to the Browns on a silver platter. The outfielders were the most guilty offenders in the Chicago series, but the goat of the St. Louis invasion was Ray Mack, who officially was charged with six errors in three games, but who actually was guilty of seven. He committed four boots and was charged with three in Saturday night's game.

The soreness in Allie Reynolds' pitching arm which has troubled him for nearly a month, has been traced to a hemorrhage in the bicep. He will be out of action for at least 10 days. Jeff Heath accompanied the team for the start of its last long road trip of the year, and said he was ready to take up a role as pinch-hitter in spite of an announcement that he would undergo an operation, perhaps within ten days, in an attempt to correct his leg ailment. But it is hoped that the operation can be postponed until the end of the season, as otherwise his services will be lost completely for this season.

Sleeps in Foxhole With Jap He Killed

Ever spend a night sleeping in the same foxhole with a dead Jap soldier you have just killed?

That is the experience Pvt. Stanley Erzen, 25, son of Mrs. Mary Erzen, 975 Addison Rd. N. E., recently wrote home about. It all happened during the bloody fighting on Saipan where Pvt. Erzen fought.

"I was engaged with the enemy," the soldier's letter reads, "and got rid of nine of them, most of them right between the eyes.

"I spent many nights and days in foxholes. One night I even slept with a Jap I had shot. He tried to bayonet me and I shot him. With a bullet between his eyes, he fell in my hole and I couldn't put him out, so he stayed all night in my hole—dead, of course."

Pvt. Erzen worked for Richman Brothers Co. before entering the army in November, 1941. He is a graduate of St. Vitus' School. His mother is also a Richman Brothers Co. employee.

Child at Play Finds Gem Lost 17 Years

Albuquerque, N. M.—Mary Ann Scholes, 11, was making mud pies. She stuck in her thumb and pulled out a plum—a $400 diamond.

The stone was found in the backyard of the residence the Scholes family rents from State Supreme Court Justice T. J. Mabry. It was returned to Mrs. Mabry, who lost it from her engagement ring—17 years ago.

Sabotage?

LOS ANGELES—Robert W. Brown, a war plant machinist, reported the theft of a saxophone. He said he tootled it in his room for relaxation.

Engagement

Mr. and Mrs. Frank Golinar of 21071 Arbor Ave., Euclid, O., announces the engagement of their daughter Martha to Cpl. Stan Gregorin of the Marines, son of Mr. and Mrs. Jack Gregorin of 19001 Abbey Ave. The bride-to-be is a graduate of Villa Angela Academy and her fiance is a graduate of Euclid Central High School. The engagement ring was given to Miss Golinar by his father, as Corporal Gregorin had been sent overseas without a furlough.

In a camp in the Pacific area a hand-lettered sign tacked to the officers' bulletin Board reads: "Hats altered to fit any promotion."

The war is setting new standards for terseness. Latest example is the communique of a New Guinea native who was asked to describe an American bombing attack on a Jap encampment. His report: "Plenty dead, plenty wounded, plenty good."

Tombstone Dealer (after several futile suggestions): "How would just a simple 'Gone Home' do for an inscription?"

Widow: "I guess that will be all right it was always the last place he ever went."

The other day when the boys were lined up for inspection the lieutenant walked up and down the ranks and stopped in front of one yardbird and said: "Do you know, Jones, you remind me of General Grant."

Jones was so surprised that all he could say was, "Do I, Sir?"

"Yes," said the lieutenant, "he didn't shave either."

Down in a small Southern town a physician had attended a miserly old planter through a long illness without receiving a cent of compensation.

One day when the miser was well on the road to recovery, he said: "Doctor, we have known each other such a long time and are such good friends that I won't insult you by settling your account in cash; but I have put you down for a handsome legacy in my will."

The doctor reflected a moment.

"Allow me," he said, "to look at your prescription again. I wish to make a slight alteration in it."

When Abraham Lincoln was resting in a hotel lobby with his campaign manager, he was approached by a bunch of village cut-ups. One of them bolder than the others, stepped up to him and said:

"Mr. Lincoln, we thought your speech was very good, but there were some points beyond our reach."

"Then, my friend, I'm sorry for you. I once had a dog that had the same trouble with fleas."

A Frenchman appeared at an office recruiting workers for the Reich and told the attendant:

"I'd rather work 12 hours a day for the Germans than two hours a day for the French."

The attendant rushed him to the Nazi commandant.

The commandant, highly pleased, asked the Frenchman: "What kind of work do you do?"

"I'm a grave digger, Herr Commandant," he replied.

Legendary is the U. S. serviceman's desire not to stay put, his constant requests for transfers. Latest story about that habit concerns the group of seamen who got to Heaven. "What kind of sailors are they?" asked St. Peter. "They're American," replied his assistant. "Oh, well, let 'em in," said St. Peter. "They'll want a transfer in six months anyway."

NEWS FROM OUR BOYS IN THE AR...

Dear Editor: Somewhere in the Haw...

I have been getting the American Home regularly... months now, and would like to express my deep app... Many thanks is due to you and the Staff for making it... for us fellows so far away from home to read about... gang" back home. Yes, sir, it really feels grand, after... in a hard day's work to settle down on my bunk and... an issue of the American Home. It takes me far away from all these surroundings and for moments after, my mind is at ease. There is only one setback though—it has a strong tendency to make one feel homesick, but that's soon overcome.

You know, I have quite a lot of fun when I read the Slovenian section. The majority of these fellows have never heard of us and wonder from where we originated. Gee, you should see their blank faces when I read out loud to them. "Say, thar, Baz, what in the Sam hill air ya readin'?" someone would ask. Others are under the impression that I'm very brilliant being able to understand another language. It sort of makes a fellow feel proud being the sole representative of the Slovenian people, as there isn't another one in this outfit. I don't think there are many guys from back home in the Seabees. Boy! what an outfit! There isn't a thing which we can't do, because practically every trade on the earth is represented.

We have plumbers, carpenters, machinists, welders, riggers, truck drivers, concrete workers, crane operators, school teachers, farmers, etc., why I've even come across a guy who used to be a florist. If a thing can't be done, Brother, it really must be a tough job.

At the present time our job is nearing completion over here. Sure wish we were heading back to the States, but I doubt it.

I've got a slight change in my address, not much, but I thought I'd let you know. Been promoted to a third-class petty officer, namely Carpenter's Mate, third class.

Give my regards to all my friends back home and here's hoping that I will see them soon again.
