Vsi drugi pa, ki se zavedamo, da smo dr- žavljani te velike Unije in da moramo dobiti s Pacifika naše može in fante, kupimo vsaj še en bond več. Naša vlada potrebuje denar, da naglo konča to vojno. Ne pozabimo naših fantov, ki pogumno zro smrti v obraz tam na daljnem Pacifiku. Dajmo denar, da bodo imeli orožje in municijo, da se bodo lahko branili. Pomagajmo s posojilom vladi, da bodo prišli naši borci srečno nazaj in to čim prej.

Truman pravi, da bo na Pacifiku armada 7,000,000 mož

Washington. — Ameriška ar- mada bo štela na Pacifiku kma- lu še enkrat toliko mož kot jih šteje zdaj, je rekel predsednik Truman. Bo tudi mnogo večja, kot je bila v Evropi. Predsed- nik je poročal kongresu, da so naši poveljniki odločili, da bo naša armada zadala Japoncem končni udarec, kadar bo štela do 7,000,000 mož, kar se bo zgodi- lo enkrat drugo leto.

Predsednik je pohvalil morna- rico in zračno armado, ki sta do- segli že tako lepe uspehe na Pa- cifiku. Toda armadni poveljni- ki so na nasvet generala Mac- Arthurja in admirala Nimitza odločili, da moramo imeti na Pa- cifiku armado 7,000,000, če ho- čemo poraziti Japonce.

Mr. Truman je tudi zatrdil, da bo vsak sposoben vojak, ki še ni bil preko morja, poslan tje, kakor hitro bo izvežban in kakor hitro ga more nadomestiti vete- ran, ki se bo vrnil z onstran morja.

U. S. LETALCA SO POBILI DO SMRTI

Nemški kmet priča, da je videl tri Nemce po- biti ameriškega letalca

Ahrweiler, Nemčija. — Nek nemški kmet je pričal pred ameriško vojaško sodnico, da je bil priča, kako so trije Nemci lanskega avgusta pobili nekega ameriškega letalca do smrti, ko se je spustil na tla iz zadetega letala.

To je prva obravnava proti nemškim vojnim zločincem na nemških tleh, vodena po ameri- ški vojaški sodnici.

Obtoženi so: Peter Kohn, star 32 let, ki ima samo eno roko; Mathias Gierens, star 37 let, de- lavca na železnici in Mathias Nospes. Izpovedal je, da je vi- del, kako sta Kohn in Gierens pobila letalca do smrti potem, ko je nek drug Nemec dvakrat streljal nanj, pa ga ni ubil. Ta dva sta pa potem zločinsko delo dokončala.

Nospes je trdil, da je Kohn mahal po letalcu s kolom, dočim je Goerens udrihal po njem s kljavom.

Kmet dalje trdi, da je stalo okrog kakih 20 oseb, ki so zle- na poboj. Ko je bil letalec mr- tev, mu je lokalna policija ukazala, da ga je slekel, truplo zavil v slamo in pokopal na polju. Truplo so sicer izkopali, toda dozdej se jim še ni posrečilo, da bi ga identificirali.

JETNIKI SO ZANETILI SVOJ ZAPOR

Do 1,900 vojaških jetni- kov se je uprlo v Fort Benjamin Harrison

Indianapolis. — V četrtek večer je zrevoltiralo v Fort Ben- jamin Harrison 1,900 vojaških jetnikov. En stražnik je bil ustreljen in trije jetniki so bili ranjeni.

General Collins, poveljnik ta- borišča, je poročal na vojni od- delek, da so imeli zaprti vojniki pred dogovorjeno revolto. Med pobuno je v več poslopjij naen- krat izbruhnil požar, ki je na- pravil do \$100,000 škode. Devet poslopjij je pogorelo do tal.

Tu so zaprti ameriški vojniki radi raznih prestopkov. Mnogo izmed njih je bilo kaznovanih v zapor radi raznih prestopkov v službi onstran morja, odkoder so bili poslani sem v zapor.

Ime ubitega stražnika je Pvt. Elton Hendrix iz Kentucky. Poveljnik taborišča sodi, da ga je zadela krogla iz puške kakega drugega stražnika, ki je streljal na izgrednike. Štetje pozneje je pokazalo, da ni noben jetnikov ušel tekem izgredov.

General sodi, da so se vojniki uprli in začeli z izgredi, ker se jim je naložilo nekaj več dela.

Zagrebski nadškof obsoja vsake vrste totalitarizem

Iz Rima poročajo, da je zagrebski nadškof Alojzij Stepinac v svojem govoru na dan zmagave govoril in obsodil vse oblike današnjega totalitarizma, to je fašizem in komunizem.

Izjavil je: "Ne bojim se javno ugotoviti, da hrvaški narod zameta vsak totalitarizem. Tisočletna hrvaška katoliška tradicija se ne more sprijazniti z nobenim totalitarizmom, ki uničuje človeško svobodo. To velja za levčarje prav tako kot za radikalne desničarje. Vlada, ki bi hotela uvajati take oblike, ne bi nikdar mogla računati s podporo hrvaških mas. To javno izjavljam, če tudi bi me mogel kdo za to imenovati "vojni zločinec."

Katoliška Cerkve se trudi na vsa moč, da prepreči vsako krivico brez ozira na raso, narodnost ali socialni razred. Zgodovina bo dokazala, da je bila hrvaška duhovščina nasprotno lažem, klevetam in zlonamerni obrekovalni kampanji zvesta svojemu apostolskemu poslanstvu. Kake posamezne izjeme med duhovščino ne morejo spremeniti osnovne linije zadržanja katoliške Cerkve na Hrvaškem."

Ta govor izrečen v sedanjih pol — komunističnih razmerah, v katerih se je znašla Jugoslavija, spominja na neustrašeno stališče, ki ga je zavzel nadškof Stepinac za vlado fašista Ante Paveliča, ko je rekel: "Lahko ima kdo veliko armado, katera ima najboljše orožje, lahko obvlada vse radijske postaje in vsa prometna sredstva, toda vse te armade ne morejo obvladati človeških duš, ki so v božjih rokah."

Tako poročilo iz Rima. Dvoje sledi iz tega poročila. Prvič, da nadškofa Stepinca, ki so ga komunisti vsega sveta proglašali za vojnega zločince in izdajalca, le niso upali novi oblastniki v Jugoslaviji kar brž zapreti. Drugič pa je iz tega govora tudi jasno, da bo neuklonljivo jugoslovansko katoličanstvo pretrd oreh za komuniste in da si bodo na njem polomili svoje zobe. Po začetnem divjanju bodo morali odnehati.

Zgodba Father Brauna

Bilo je nekaj naivnih duš tudi med katoličani, ki so mislili, da se je ruski komunizem spremenil v svojem zadržanju proti katoliški Cerkvi. Zlasti, ko je bila razpuščena takojimenovana "Komintern", moskovska centrala svetovnega komunizma, so mnogi mislili, da se bo komunizem v svojem boju proti Cerkvi vnesel. Tisti, ki poznajo komunizem do dna, seveda na odkritosrčnosti takega razpusta nikoli ni so verjeli. Sedaj se je pokazalo, kako prav so imeli tisti, ki so trdili, da je komunizem še vedno tak sovražnik vsega božjega kot je bil.

V Moskvi živi ameriški duhovnik Leopold Braun iz reda asumpcionistov. Prišel je v Moskvo, l. 1933 ko je Amerika obnovila diplomatske zveze s sovjetsko Rusijo. Amerikanci so hoteli poskusiti, koliko velja beseda "verska svoboda" v komunistični državi. Zahtevali so, da mora Rusija pustiti v Moskvo ameriškega katoliškega duhovnika v zvezi z ameriškim diplomatskim zastopstvom. Tako je prišel v Moskvo father Braun, ki je postal znan po celem svetu po tem, da je edini duhovnik, ki je smel javno maševati v cerkvi po katoliškem obredu v vsej ogromni ruski državi. Ni pripadal ameriškega poslaništva, vendar je bil vedno v tesni zvezi z vsemi diplomatskim zastopstvi.

Tega fathra Brauna bodo spravili v Moskvi pred sodišče, češ, da je razžalil nekega Rusa. Tako poročajo listi v zadnjih dneh.

Za vsakega pa je jasno, zakaj mora ta duhovnik pred sodišče. Samo zato, da se ga iznebe. Iznebe se neprijetne priče, ki pozna vse razmere. Iznebe se pa tudi edinega duhovnika, ki je na Ruskem smel javno v cerkvi maševati. To je toleranca, to je svoboda pod komunizmom.

Komunisti so precej opleli v Beli hiši

Vse tako kaže, da so medeni tedni, ki so jih imeli ameriški komunisti v Beli hiši malodane minili, odkar je tam nov predsednik. Dočim ni predsednik Roosevelt napravil skoro nobene poteze v delavskem gibanju, da ni prej vprašal za nasvet Sidney Hillmana ali Filipa Murraya, pa dela predsednik Truman razne spremembe, ne da bi se prej posvetoval s tem ali onim gori omenjenih. Mr. Hillman je, kot znano, predsednik Komiteja politične akcije, ki je organizacija levčarjev, rojena zadnje predsedniške volitve, dočim je Murray predsednik unije CIO, pri kateri imajo glavno ali vsaj veliko besedo komunisti.

To je Mr. Truman zlasti pokazal, ko je imenoval za delavskega tajnika v svojem kabinetu Lewisa Schwellenbacha iz države Washington. Ta je sicer znan kot velik prijatelj delavstva, toda obenem velik sovražnik komunistov. Znano je namreč njegovo mrženje vodje komunistov na zapadni obali, Harry Bridgesa, in drugih voditeljev CIO tam okrog. Kot znano je bil Bridges že parkrat na tem, da bi rad komunističnih agitacij izgnan domov v Avstralijo, pa

je bila stvar vedno potlačena na višjih mestih, odkler je bil na vladi predsednik Roosevelt.

Javna tajnost je bila, da bo Sidney Hillman nadomestil delavske tajnice, gospo Perkins, ali pa da bo vsaj diktiral, kdo bo dobil to važno mesto. Toda Mr. Truman je imenoval v ta urad Schwellenbacha, ki je znan prijatelj Ameriške delavske federacije, s čemer je dobila CIO precej občutno klofuto.

Da bomo pa razumeli vzroke temu, moramo vedeti, da se je Hillman potegoval na demokratski konvenciji za Henrya Wallacea za podpredsednika, dočim je unija A. F. of L. stopila takoj v začetku na Trumanovo stran.

To nas uči, da če se delavske organizacije spuščajo v politiko, kar ni nikoli priporočljivo, morajo zadeti pravo struno, ali pa sploh ne poskusiti breknati. Toda zadeti pravo v politiki je toliko kot staviti v loterijo. Zato je prav imel tisti, ki je trdil, da se mora delavec boriti za izboljšanje svojega položaja v prvi vrsti in v to potrebuje prijatelje v vseh strankah. CIO je igrala samo na Rooseveltovo karto in je zdaj, ko ga ni več, izgubila vse prijatelje, ali vsaj take, ki nekaj štejejo.

BESEDA IZ NARODA

Četrta dogodivščina gospoda Lojzeta

(Za oba spola potrjeno branje)

Omedlevice gospoda Lojzeta je bila globoka in resna. Dolgo ni nič vedel ne sam zase ne za grdi svet. Takega je našel njegov tajnik in nemudoma poklical zdravnika. Tako je prišel gospod Lojze počasi k sebi in je imel potem zelo mnogo opraviti sam s seboj.

Hujše je bilo, ko se je domislil, kaj ga je prav za prav spravilo za nekaj ur s tega sveta. In ko se je tega spomnil, ni imel opraviti le sam s seboj, ampak tudi s Clevelandom in svojimi prijatelji tam. Res pa je, da je imel s tem opraviti samo v mislih.

Kaj bi zdaj, kako bi, kdaj bi? Misli in premišljeval je cela dva dni. Že se je odločil, da napiše prav lepo pismo svojemu prijatelju umara ajnc. Z eno besedo, že se je vsedel, vzelo pero v svojo desno roko, ga pomočil v tinto, . . . ko . . .

je prišla pošta in mu prinesla iz Clevelanda pismo in sicer Special Delivery. Takoj je opazil, da je bilo pismo od prijatelja umara ajnc. Glasilo se je:

"Dragi Lojze: — Prav žal mi je, da Ti moram danes še vse povedati kot sem Ti povedal oni dan. Prišel sem namreč na sled še vse hujšim in stokrat bolj nevarnim zarotam kot zadnjič. Poslušaj, to se pravi, beri, premisli, razmisli in ugani, kaj ti želi za vsò to stvarjo.

Pa kako in kje naj sploh začnem? Morebiti takole. Neke sumljive osebe so se pojavile v Clevelandu in sprašujejo ljudi zelo sumljive reči. Takoj moram povedati, da te omenjene sumljive osebe ne izgledajo kakor kakšni zvezni detektivni, pa kdo ve, če so ali niso? Nič se ne predstavijo ljudem, samo čista sumljiva vprašanja postavljajo. Ljudje pa potem naprej pripovedujejo in zdi se mi, če se čisto skoz in skoz ne motim, da je ves Cleveland poln teh govoric.

Predh Ti povem, kaj je na stvari, naj omenim, da to pot po mojem prepričanju n. majo s to zadevo nič opraviti kakih klerikalci. Meni se vse zdi, da je stopil na nogo sam Mc Cormick, kateremu si v svojem pisnu lahkovernim Clevelandčanom pošteno stopil na kurje oko. Vse izgleda, da se je dedec zarotil proti Tebi in mu ni dosti, da se Te je privoščil le v svojem uvodniku oni dan — saj si gotovo bral, kako Ti je Tvojo stoprocentno agitacijo za Tita vrgel pod nos.

Kot rečeno, zdi se mi, da to še ni vse. Jaz seveda ne vem, kje je dedec zvedel še kaj več, zakaj gotovo je, da se v Clevelandu ta reč ni izlegla. Nisem mogel dognati, če so jo one sumljive osebe prinesle sem ali iz Chicage ali iz Pittsburgha. Vredno bi bilo res preiskati, če

gel kaj, da ne bi povedal še temu in onemu, da je gospod Lojze bolan in zakaj je bolan. Tako je prišlo še do pete dogodivščine gospoda Lojzeta, o kateri bo še poročal podpisan

Ampaksenevekd.

Veselo snidenje

Granville, Ill. — Naj mi bo dovoljeno, da tudi jaz malo napišem, kako se imamo v teh krajih. Vreme je letos res od muh. Mesec marec je bil tako topel, da smo obsejali naše vrtove, aprila in maja pa je pritisnilo deževje in slana, da je tudi pri nas dosti pozabelo in še sedaj noče biti gorko.

Včasih smo rekli: ljubi maj, konec zime je sedaj — letos je pa ljubi maj, a mrzlo je še zdaj. Tako je še vedno najboljše pri zakurjeni peči sedeti. Dne 19. maja pa nas je prišel obiskat brat mojega moža Anton Verbič in njegova hčerka. Brata se nista videla že 39 let, čeprav sta že pisala na vse Verbiče, pa se nista mogla najti toliko let.

Brat mojega moža, Anton Verbič, živi že 25 let na farmi v Painesville, Ohio. Slučajno sem videla njegov naslov v Ameriški Domovini. Pisala sem na tisti naslov in kako smo bili vsi veseli, ko smo dobili odgovor, da je on pravi brat Jerneja Verbiča. Sedaj si pa lahko mislite, kako sta bila brata vesela, ko sta si po tolikih letih zopet stisnila desnici. Le žal, da nam je tako kratko odmerjen čas vse prehitro potekel, ker je danes vsak tako silno zaposlen, sta se že naslednjega dne zopet vrnila domov. Zelo se je bil tudi začudil, ko je videl pri nas na mizi Ameriško Domovino. Saj vem, da bo tudi on čital te vrstice. Zelo nam je bilo vsem težko pri srcu, ko smo se morali zopet posloviti. V srcih nam je ostala samo ena želja, da bi se kaj kmalu zopet videli. Prav lepo te pozdravljamo Tone in tvojo družino.

Veronika Verbič in družina.

Zahvala

V prijetno dolžnost si štejeva najlepše in najprisrčnejše se zahvaliti vsem našim sorodnikom in prijateljem iz Clevelanda, Barbertona, Madisona in drugih krajev, ki so nama priredili tako velik "surprise party" ter naju tako lepo po-

Nad polovico denarja iz tega fonda gre našim vojakom potom organizacij kot je USO, United Seamen's Service, War Prisoners Aid in American Field Service. Preostanek pa je razdeljen raznim reliefnim agencijam.

Cenjeno občinstvo v svinjaku je bilo nemirno. Govorica na borjaču v tako zgodnjih jutranjih urah je bila sumljiva in ni nič kaj prida obetala. Pravijo, da vsaka živa stvar slutijo, kadar se ji bliža kaj nepripravnega, samo ocvca je, ki vdano vzame svojo grenko usodo nase, prismođa prismođena.

"Katerega pa bomo?" bi rad vedel Herblan.

"Ona je rekla, da bi naj-častili za najino 25 letnico zakonskega življenja.

Najlepša hvala vsem za tako lepa darila, čestitke in vse drugo, kar ste žrtvovali za naju na en ali drugi način. Vemo, da je v teh časih to velika naloga za tiste, ki to pripravljajo in to še posebno radi racioniranja raznih stvari.

Zatorej najlepša za hvala Mrs. Pauline Stampfel, moji ma bratoma John in Stanley Eržen ter njih soprogo za vsò požrtvovalnost in trud, da so zvalili toliko število ljudi skupaj, da so nas tako presenetili in počastili. To nama ostane v prijetnem spominu. Ob priliki se vam bova vsem skušala izkazati hvaležna. Sprejmite iskrene pozdrave od

vrta. "Gospod, odprite!" Vikar je odprl okno in pogledal skozi križe. Zunaj je stala neka ženska, ki je v mraku ni mogel prepoznati. "Kaj pri nas nimamo vrat, da skoz okno siliš v hišo?" je vprašal nejevoljno. "Luč sem videla, pa sem potrkala." "Kdo pa si?" "Beta. Razpetova Beta." "Kaj hočeš?" "Da bi šli spovedat." "Ob tej uri? Ali je taka sila?" "Moj Bog, hudo je sila," so Beti zatrepetale ustnice. "Prav na koncu je z njim." Vikarju se je šele tedaj posvetilo, z dlanjo se je udaril po čelu. Saj bi si bil lahko takoj mislil.

A Voice from Hawaii

May 17, 1945.

Dear Editor: I understand that your paper had a picture of my husband and myself. I'd like to know if I could have a couple of copies of that particular paper.

SPORTS

GOLF Twelve thousand sightseers, accompanied by Bob Hope, Bing Crosby, Gov. Frank J. Lausche and Golf Professional Henry Picard, made a tour of the Acacia Country Club Sunday afternoon.

The four celebrities carried golf clubs, which they occasionally were able to manipulate on their nine-hole journey.

The other 12,000 members of the unrestrained group carried pencils for autographs, cameras for candid-shots, and worshipful expressions, all of which they manipulated every minute of the two-and-one-half-hour excursion.

Since Hope, Crosby, Lausche and Picard could not see the greens, even if they had been given enough room to swing, what was scheduled as a golf match for the benefit of war veterans quickly became a walking vaudeville show.

"HARTIEST CONGRATULATIONS ON A JOB WELL DONE." No words of mine can add to the glory you have brought to American arms by your exploits in as difficult terrain and against as bitter resistance as troops could be called upon to meet. You not only met them, you whipped them. It was a magnificent piece of work.

None of us will ever forget the day when our flag finally burst out above the Citiunan Hills. (Signed) Hanford MacNider, Brigadier General, U. S. Army, Commanding.

Concert Tomorrow A concert will be given by Bernice Novak, daughter of Mr. and Mrs. John Novak, and grand-daughter of Mr. and Mrs. Joseph Kremzar, at the Kremzar Furniture Store, Sunday evening, June 3, 1945, at the Slovene Auditorium, St. Clair Ave. at E. 65 St., at 7:30, it will be followed by a dance with Johnny Vadnal's Orchestra. Miss Novak resides at 9414 Yale Ave. Tickets on sale at Mtkovec's.

Let's Not Forget! During the 7th War Loan Drive let us not forget that the sick, wounded and disabled men will require medical attention and care. Many millions of dollars will be required for mustering-out pay and benefits voted by Congress to help our veterans get started again in civilian life. So the least we can do in return for what your sons, husbands and sweethearts have done for us is to buy your extra War Bond today from your Bond dealer. In this way you are helping the Boys to come home soon.

April 30, 1945. Germany.

Dear Editor: At this time I take great pleasure to write you a few lines, and I also want you to know that I'm receiving the American Home regularly. I enjoy reading it very much, as it keeps me informed of happenings and

St. Mary's Weekly Flashes

MONTH OF THE SACRED HEART: Mary's month admirably serves as a prelude to the month of Jesus' love, for Mary always brings souls to Christ. No one can love the Mother without loving the Son. The axiom "Through the Mother to the Son," gives us a sure stepping stone to the love and service of Jesus Christ.

OUR BASEBALL ITEMS: Last Sunday our Girl's Team played St. Lawrence at Latin's field. Wow! what a game! We beat them 18 to 0, but both teams were real sports and had a grand time out of the first game of the season. If we mentioned any

names, the article for once would be too long. However, we can't help tell you that Mercedes Zagarc, new short center, will develop into a great ball player.

DAMSELS FINISH BOWLING SEASON: Well, we finally wound up our season of bowling. Doggone! I had many a laugh on these Saturday afternoons. All good things must come to an end, so with our past fun to the alleys.
