Peiping poziva ZSSR naj odpre drugo fronto

Rdeča Kitajska izjavlja, da bi Sovjetska zveza najlažeje pomagala rdečim v Vietnamu, če bi odprla drugo fronto v Zahodni Evropi.

CLEVELAND, O. — Rdeča Kitajska bi bila rada na čelu komunističnega revolucionarnega gibanja na vsem svetu, na druge strani bi pa rada potisnila Sovjetsko zvezo kot pomembno silo iz Azije. V Peipingu skušajo Moskvo umazati pred komunističnim svetom očitki, da na tistem podpira ameriško politiko, da je dejansko dogovorjena z Washingtonom o delitvi sveta njenemu vplivu, kar naj bi spominjalo očitno na dobo imperializma, ko so si posamezne velesile delile interesne sferne.

Kitajci trdijo, da naj bi bil Selepin v Hanoju poskušal vplivati pri mirjevalno, potem ko je v imenu Sovjetske zveze podpisal s Severnim Vietnamom dogovor o povečanju pomoči. Selepin je dosegel tudi, da je Komunistična partija Severnega Vietnamova obljubila svojo udeležbo na kongresu Sovjetske komunistične partije v prihodnjem marcu.

Ko se je Selepin vrátil preko Peipinga domov, naj bi mu tam predložili, da naj Sovjetska zveza povzroči napetost v Evropi, da Združene države ne bodo mogle od tam svojega vojaštva poslati v Vietnam, če ji je res do tega, da bi pomagala južnovietnamski "osvobodilni borbi".

Kitajski zunanjji minister Čen Yi je o tem, kako bi Sovjetska zveza lahko pomagala rdečim v Vietnamu s tem, da bi vezala oborožene sile Združenih držav drugod, z japonskim časnikarjem kar odkrito govoril. "Ljudski dnevnik", uradno glasilo Kitajske Komunistične partije, je zapisalo naravnost, kako more nekdo, ki trdi, da ljubi pravico, "gledati križem rok, ko ameriški napadalci morijo in pogizajo?"

Kitajska domača propaganda skuša delati vtis, da je splošna vojna v Aziji neizbežna in da se je treba na njo pripraviti in to ne samo na navadno, ampak tudi na atomsko.

Peiping in Hanoi pa- pežu nista odgovorila

VATIKAN. — V državnem tajništvu sv. očeta so opustili upanje, da bi dobili kak odgovor na poslanico papeža Pavla VI. Mao-Tsetungu in Ho-Ci-Minhu, v kateri je pozival vodnik Katoliške cerkve vodnika rdeče Kitajske in Severnega Vietnamu, naj pomagata pri naporih za končanje vojne v Vietnamu.

Verjetno sta oba rdeča vodnika podobnih misli, kot je bil pokojni njun tovarž Stalin. Ko so ga vprašali, kaj misli o podpori vodnika Katoliške cerkve stvari svobode, je Stalin odgovoril z vprašanjem: S koliko divizijami razpolaga.

Novi grobovi

James (Ignac) Cvelbar

Včeraj je umrl po dolgi bolezni James (Ignac) Cvelbar s 24431 Mavec Ave. Poprej je živel v bližini E. 60 in St. Clair Ave. Star je bil 80 let, rojen v St. Jerneju na Dolenjskem, od koder je prišel l. 1904. Tukaj zapušča sinove Josepha, Martina in Franka Garisek-a in Tonyja Cvelbar-ja in vnukje. Brat Louis, ki je živel v Johnstownu, Pa., je že umrl. Pogreb bo v ponedeljek zjutraj iz Zakraskovega pogreb. zavoda. Čas ni še določen. Truplo bo položeno na mrtvaški oder jutri popoldne.

Frank Gorjanc

Po več letih bolehanja je umrl v Huron Rd. bolnici 83 let stari Frank Gorjanc (p.d. Cermelak) z 19314 Arrowhead Avenue, rojen v vasi Cermelice pri Postojni, od koder je prišel v Ameriko pred 60 leti. Zadnjih 10 let je bil v pokolu, preje je bil zapošlen kot vrtnar. Pokojni je zastupil ženo Frances, roj. Sober v Toplicah pri Novem mestu, nečaka Franka Gorjanc ter nečakinj Anno Yakos in Josephino Higgins. Bil je član Loyalists No. 158 SNPJ, Clairwoods No. 40 SDZ, Kluba upokojencev na Recher Avenue in pevskega zabora Slovan. Pogreb bo jutri ob 10.30 iz Zeletovega pogreb. zavoda na E. 152 St. na Lakeview pokopališču.

Grška vlada bo dala prostost zadnjim par- tizanom

ATENE, Gr. — Tekom zadnje svetovne vojne in takoj po njej je divjala tudi v Grčiji državljanska vojna, ki so se v njej grški partizani odlikovali prav z isto krutostjo kot slovenski. Požigi, ropi, umori, mučenja itd. so bili tudi pri njih na dnevnem redu. Ko je pa bilo državljanske vojne konec, je takratna vlada odredila preiskave, ki so spravile menda okoli 10,000 "borcev za svobodo" v ječe. Precej jih je bilo obsojenih tudi na konfiskaciju na zapanjenih otokih.

Grški levičarji so na komunistično pobudo stalno zahtevali za vse te partizane svobodo. Ker so bili vztrajni, so tekoma let dosegli, kar so hoteli doseči, tako je ostalo le še 96 partizanov v ječah. Da pridejo tudi ti na svobodo, je sedaj vlada predložila parlamentu poseben zakon o

Johnson bi rad naglo dobil nov davčni zakon

WASHINGTON, D.C. — Predsednik bi rad imel spremembno v davčnem zakonu, kot jo je predložil Kongresu, že odobreno na svoji mizi vsaj do 15. marca. Role ni posebno dolg, toda vsako odlaganje utegne biti draga.

Predsednik L.B. Johnson je načelniku finančnega odbora Doma kong. Millsu v spremnem pismu dejal, da ima administracija izbiro: ali se sprijaznit s 6.5 bilijona primanjkljaja v zveznem proračunu za prihodnje finančno leto ali pa s preureditvijo davčnega zakona dobiti nekaj novih sredstev. Johnson je sporočil Millsu, da se je odločil za povečanje dohodka potom davkov.

V upanju, da se bo mogoče izogniti splošnemu povišanju davkov, se je predsednik odločil za enkrat le za obnovo prometnega davka na prodajo avtomobilov in na obnovo davka za rabo telefonov. Odtegovanje davkov od plač bolj v soglasju z davčno levestvico naj bi v prihodnjem proračunskem letu pospešilo dotok sredstev v zvezno blagajno v taki meri, da bi primanjkljaj ne bil prevelik.

Predstavniški dom pokopal prvi zakon

WASHINGTON, D.C. — Sestan je primeroma hitro izglasoval svoj prvi večji zakon o zavarovanju bregov proti hudourinom in ga poslal predstavniškemu domu. Tam je zakon prišel avtomatično v roke odbora za notranje zadeve, ki mu načeluje kongresnik Aspinall iz Colorado.

Aspinall je hud nasprotnik zakona in je takoj izjavil, da ne ve, kdaj bo mogel dati zakon v razpravo, ker ima odbor "druga dela čez glavo". Zakon je torej po volji Aspinalla pokopan, tako pravijo na Kapitolu.

Predsednik ČSR v Moskvi

MOSKVA, ZSSR. — Predsednik Češko-slovaške republike (ČSR) Antoni Novotny je prišel v sredo sem na uradne razgovore z vodniki Sovjetske zveze.

amnestiji. S tem je izbila levica opoziciji iz rok očitek, da je "fašistična".

Združeni narodi sklenili največji podporni program

ZDROUŽENI NARODI, N.Y. — Upravni odbor razvojnega programa ZN, ki mu načeluje Amerikanec P. Hoffman, je sprejet skupni obseg pomoči v tem okviru za 104,8 milijonov dolarjev za prihodnje leto. Države, ki bodo pomoč prejele, bodo dale same toliko, da bo v načrtu vloženega skupno 255,6 milijonov. To je doslej največji obseg te pomoči v enem letu.

Zastopnik ZDA je izjavil svoje pridržke glede pomoči Kubi, zastopnik Sovjetske zveze pa je protestiral proti pomoči ZN v omenjenem okviru. nacionalni Kitajski, Južni Koreji in Južnemu Vietnamu.

Nekaj podlage je le bilo za govorce o uporu

SAIGON, J. Viet. — Preteklo soboto se je nekaj saigonških čet vračalo s fronte v prestolico. Nekateri vojaki so bili pijani; tik pred mestom je prišlo do prepira s policijo, ki je ostal brez posledic. Po mestu so se pa takoj začele širiti govorce, da je nova revolucija na vidiku. Govoricam je verjela ulica, ne pa tisti, ki poznavajo vietnamski politični položaj.

Nekaj je moralno biti na govoricah resnice, kajti general Ky je takoj postavil vojno letalstvo v stanje pripravljenosti; na zboru letalskih oficerjev, torej njegovih najzanesljivejših pristalov, pa je izjavil, da so neke osebe hotele nahujskati skupino oficirjev na upor, da pa je bila namerna v kali zatra.

Ta dogodek lepo slika napeto razpoloženje v Saigonu. Tam je vse nervozno, ker nihče ne ve, v katero smer se bodo zusakala prizadevanja predsednika Johnsona za premirje. V taki napetosti lahko vsak pustolovec začne akcije za upor, kajti ljudi, ki so v svojem obupu pripravljeni na vse, mu ni težko dobiti.

Sovjetska zveza noče posredovati za premirje

MOSKVA, ZSSR. — Japonski zunanji minister Etsaburo Shiina je povedal časnikarjem po razgovorih z zunanjim ministrom A. Gromikom, da je ta v imenu Sovjetske zveze odklonil japonski predlog, naj bi Sovjetska zveza posredovala za doseganje premirja v Vietnamu.

JOHNSON: RDEČI OVIRAJO KONEC VOJNE V VIETNAMU

Predsednik L.B. Johnson je včeraj v Independence, kamor je šel govorit ob ustanovitvi Trumanovega središča za pospeševanje miru, izjavil, da so Združene države pripravljene vedno na razgovore o končanju vojne, da pa so napadaci tisti, ki zavirajo mir v upanju, da bodo Združene države opustile svoja načela in se vdale pritisku.

INDEPENDENCE, Mo. — Predsednik ZDA je prišel včeraj sem, da bi bil navzoč pri ustanovitvi Trumanovega središča za pospeševanje miru, večmilijske ustanove na kampusu Hebrejske univerze v Jeruzalemu. Središče je dobilo svoje ime po 83 let starem bivšem predsedniku ZDA Harryju Trumanu. Predsednik Johnson je v svojem govoru tod v Trumanovi knjižnici dejal, da bo prišlo do miru v Vietnamu, kadar bodo napadaci pripravljeni na to. "Vrata do miru morajo biti vedno odprta vsem, ki se žele izogniti vojni, toda vrata napada morajo biti zaprta in zabitia, če naj človeški rod sam obstane," je dejal Johnson.

"Mislim, da vsak šolarček ve, da mir ni enostranski, za podpis vsakega dogovora je potreben vek kot eden. Izgleda jasno, da to, kar zadržuje ustvaritev miru v svetu danes, niso Združene države. Kar zadržuje mir, je napadna sodba napadateljev, da bomo mi opustili svoja načela, da bomo mi morda popustili pritisku ali zapustili naše zavezničke ali pa se končno utrudili in odšli. Na dan, ko se bodo drugi odločili nadomestiti nasilje z razumom, ko bodo rabili pero namesto ročnih bomb, ko bodo ščuvanje nadomestili s stvarno logiko, tedaj bo mogoče začeti potovanje k miru..." je dejal predsednik Združenih držav.

Premirje le delno

SAIGON, J. Viet. — Komunističete puščajo domače vladne enote v miru v smislu objave štiridevnega premirja ob novem letu, ki se je začelo včeraj, napadle pa so ameriške postojanke na raznih krajinah in prav posebno hudo danes polozajo južnokorejskih enot. Rdeči so se približali postojankam, ki jih čuvajo južnokorejske čete tako, da so gonili pred seboj civilistike.

PARIZ, Fr. — Francija je izdala mednarodno tiralico za aretacijo marokanskega notranjega ministra Mohameda Oufkirja in dveh njegovih sodelavcev, ki naj bi bili odgovorni za ugrabitev maroškega opozicionskega vodnika Ben Barka v lanskem oktobru v Parizu.

WASHINGTON, D.C. — Po uradni objavi Pentagona je v preteklem tednu padlo v Vietnamu 68 ameriški vojakov.

S tem je število mrtvih v Vietnamu ob leta 1961 naraslo na 1750.

Anglež Harold Wilson optimist glede Rodezije

LONDON, Ang. — Angleški ministrski predsednik Wilson je na sestanku članic britanskega imperija v Lagosu rekel, da ima pripravljenih še nekaj akcij proti uporni beli rodezijski vladni in da je prepričan, da se bodo belli Rodeziji kmalu spamečovali. Zato mu je sestanek dal pol leta časa, da izvede svoje načrte. Članice imperija se bodo zopet sestale v pozinem letu.

Med tem pa angleške gospodarske sankcije proti Rodeziji že kažejo svoj vpliv. Življenje je že postalno draga in mučno v vsej rodezijski deželi, manjka posebno naftnih izdelkov.

Sedaj je v Londonu predsednik najvišjega rodezijskega središča, ki ne prizna uporne bele vladne. Vlade ga pa ne upa preganjati, ker je bil na svoje mestu postavljen s kraljevinu ukazom. Wilson se je že in se bo še pogovarjal z njim. Na prvem sestanku mu je povedal, kako vse misli pritisniti na Rodezijo z novimi akcijami.

Ameriški jet letalo padlo na tla na Tajske: 16 domaćinov mrtvih

BANGKOK, Taj. — Ameriški F-105 jet letalo je padlo na Nakhon Phnom, vas z okoli tisoč prebivalci ob reki Mekong na sproti Thakheka v Laosu. Pilot je skočil iz letala in se rešil, letalo samo pa je padlo na vas in povzročilo požar. Uradno poročilo trdi, da je bilo vsaj 16 vaščanov mrtvih.

ša transportna letala Zambiji, saj ji vsak dan pripeljejo nad 100 ton bencina. Afriški politiki so tudi zelo zadovoljni, ker je naša federacija prepovedala prodajo in dovoz naft v Rodezijo. Seveda pa naša diplomacija podpira tudi angleško stališče, kjer ga le more. Tudi Amerika je zainteresirana, da vlada v južnem delu afriškega kontinenta mir, četudi je na trhih nogah.

OTROŠKI KOTIČEK

Strašno sva oba z muckom zaspana. Zunaj veter raznaša drobne snežinke, da se kar kaže po cesti. V pečici prijetno poje ogenj in naju greje. Nič hudega nama ni. Pratiko sem nekaj listal in vidim, da bo čez mesec dni že sv. Valentín, ki ima, po starem reklu ključ od korenin. To se pravi: čez mesec dni bo že zavrelo v zemlji in sovki bodo šli v korenine. Kmalu po tistem bom nemara že našel kakšno vrbovo mačico, da si malo olepšam tole svojo šendico. Tako na hudimanovo sem jo zanemaril, da bi moja stara mati, če bi še živel, prav gotovo rekla: Fant, tako imas kakor pri ciganih. Pa je že tak, pri teh letih kakor sem in zraven še pečlar, res ne morem veliko nadrediti. Revmatizem me krivi, vidim čedalje bolj slab, pa naj špičim kuko, kakor hočem. Vse se zgublja nekam v meglo.

Pisemca gredo h koncu. Za drugo bart bo komaj še kakšno. Pa upam, da se me dotej kakšen potrošnik ali kakšna dečlica usmilji.

Jaz čez deset let

Cez deset let bom stara že triindvajset let in moje življenje bo postalo bolj resno. Priše bodo skrbi. Če se moje sanje izpolnijo, bom tedaj bolniška sestra. Pomagala bom v bolnikom in stregla slabotnim. Morda bom imela že svoja družino.

Lepo Te pozdravlja

Fanika Kristanc

Draga Fanika!

Eh, punčka, ko sem bil jaz trinajst let kakor Ti danes. Tak sem bil kakor iz vetra narejen. Povsod me je bilo dosti, na fižolovi preklji sem se podil po cestah, bos in smrkov (robcev razen tistih velikih redčih nimmo imeli na vasi), lasje so mi štrleli na vse konce in kraje in stari očanci so moji materi rekali: Iz tega betina ne bo veliko. Še za pastirja ne bo dober. Pa sem se z leti nekam unesel, delal sem in poglej: v takih letih sem, da se menda sam Bog cudi, da sem iz tako trdrega lesa.

Ce bož res za bolniško sestro, boš lahko veliko dobrega napravila. Pa še to pomisli, kako bo lepo, če bož takrat še slovensko znala. Če kakšnega takega pečlarja privlečejo v bolnico kakor sem jaz, ga boš vsaj po domače lahko oštrgljal. Tisto, kar si nazadnje zapisala, se pa tudi lahko zgodi, saj si zala dečlica, kakor vem. Pa mamo in ata mi pozdravi, oba poznam. In lep pozdrav Tebi.

Moja prijateljica

Svojo prijateljico imam zelo rada. Skupaj hodiva v šolo in obe imava dosti dela. Zdihujeva, ker imava dosti naloge in še mami morava pomagati. Prijateljica mora poleg tega še paziti na majhne otroke in tako ne more skoraj nič k meni. Drugo leto bo šla že v gimnazijo in tudi jaz bi rada hodila v isto šolo, da bi bili spet skupaj. V slovensko šolo hodi moja prijateljica zadnje leto in pravi, da zjutraj zelo težko vstane. Slovenska šola je namreč na soboto in nam je včasih kar odveč. Toda nekoč bova morda imeli korist od nje, ker bova znali brati, govoriti in pisati v jeziku staršev. Ti nas vedno opominjajo, da morava znati slovensko.

Lepo Te pozdravlja
Marija Vidmar
Draga Marija!
Saj razumem, mlad človek rad

kolifira in sobota bi bila tako pripravna, kajne? Toda eno Ti rečem: nič ne veš, kje boš še slovensko besedo potrebovala. Kakšno sitnost mora vsak vezti na ramo, ker brez muje se še čevalj ne obuje. Veš, mlad človek se mora navaditi reda in odgovornosti, da bo v življenu kdaj kaj pomenil. Vem, da v šolo redno hodis, čeprav včasih malo pogodrijaš. Saj jaz včasih še nad muckom zarenim, če preveč drencija okrog mene. Pismo je kar čedno napisano. Vesel sem ga bil.

Lepo Te pozdravljam.

Moja prijateljica

Imam prijateljico, s katero se zelo dobro razumeva. Vsak dan greva skupaj v šolo in tudi iz šole. Ko imam čas, jo večkrat pokličem po telefonu. Včasih pa tudi ona mene. Ob nedeljah pooldne pride k meni, da igrava plošče. Zelo prijetno je, če ima človek dobro prijateljico. Upam, da bova dobrì tudi še v naprej.

Lepo Te pozdravlja
Veronika Peklar
Draga Veronika!

Imaš prav: dobra prijateljica je zlata vredna. Jaz sem imel nekaj zvestih prijateljev, pa je skoraj že vse odšlo. Enega je stisnila pljučnica, enemu je srce kar na hitro nehalo biti, enemu je rak zgrizel jetra in iz dneva v dan postajam bolj samoten. Premišljam v tej svoji šendici minljivost tega življenja in lepoto dobrega prijateljstva. Kar vesel bom, če jo kdaj mahнем na nebeška vrata (seveda, če me Bog pogleda skozi veliko okno!) in jih najdem. Kakšno veselje bo! Še kakšno pesmico dvignejo kakor v mladih letih na vasi, ko nam je kri v žepu vrela.

Le zvesti si bodita. Dobro se imejta in obe lepo pozdravljam.

Pevec je stopil iz klopi in se postavil. Njegova žena je sklenila roke v svojem kotu in ga prošeče pogledala.

Zdaj je začel peti. To se sliši tako voto in žalostno, kakor da bi nekdo pel iz kleti. Je li to poročna pesem?

"Samotno ležiščo so v ječi ledeni mu dali; v St. Polten so ubogega fanta iz Zalesja peljali."

sobi so začeli kričati.

"Kajpada, dober da nam je bil, kakor mačka miši. Igra se z njo, potem pa jo požre, — In ti, Landersperger, ali veš, kaj to pomeni? To je rebeljon proti cesarju in državi!"

"Ječa v St. Poltnu ni noben cesar in nobena država," je stopil Landersperger z znojnimi licem proti izzivcu. "Možje, kdo gre z menoj? Možje, v imenu Jezusa Kristusa!"

Winkler je dejal z zamolklim glasom: "Če bi bil nedolžen, mi vsi. Pa je psoval Mater božjo in raniji duhovnika."

"Winkler, Winkler, vsi smo ljudje! Ali nisi nikoli preklinjal in nikomur, ki te je siloval, privočil smrti? To je vendar isto!"

"Winkler, ta je upornik. Ne govori z njim!" se je vsajal Wachter.

"Domov pojdi, Landersperger!" je dejal Winkler, "Nič ne boš opravil za svojega Jeseja, le samega sebe spravlja v nevarnost."

"Kaj naj pogine? O ljudje, ali imate kamnitna srca?" je zavpil Landersperger ves obupan.

"Ka—ko, kaj pa je to, ka—kaj?" je bilo slišati neki krušični glas od mize, kjer je dotele nekdo ležal kot žival in smrčal. Weinmaister se je dvignil in zjal neumno krog sebe.

"Jezus, Marija, Jožef," se je pokrižala Landerspergova žena. "Zdaj je vse proč!"

Stekla je k svojemu možu, tresoča se po vsem telesu, in ga objela.

"Kaj pa se je zgodilo? Kakšen nemir pa je to?" je vprašal vinski titan in se vzdignil s svojega sedeža.

"Ta tu dela nemir!" so stopili meščani iz Starega Pechlarna pred svojega gospoda in možstra.

"Kdo ta, a seveda, Land—dersperger?" je mekal Weinmaister. "Nemir? Ti malovredni pes, — zato, ker te še

nismo obesili! Tu — sem!" je zaprt."

Landersperger se je približal; imel je svoje gosli v rokah in zdaj dvignjene glave pred pijačem.

"Nemir delaš za morilca Jeseja, kot slišim?"

"Za svojega plemenitega gos-

poda in viteza, ki je po krivici zaprt."

"Ha — ha — ha!" se je rezgelo starci, kakor da je slišal dobro šalo. "Po krivici, seveda, to je. Deželni svetniki, teli, ti teperi. — Po krivici, seveda, po krivici. — Pa najs bo to kakorkoli, ti si zdaj po pravici ujet! Poj-

dite po mestne čuvaje. V turn s tem psom!"

"Visoki gospod, milostni gospod," je ječala Kristina. Zdržala je na kolena pred grozoviteža. "Marijanica, prosi visokega gospoda! Gospod, usmilite se mojega ubogega moža! Ves je sirotan; bolan je. Na pljučih je bolan."

"Tega vzemite in ga peljite na grad!" je zapovedal Weinmaister. — "Ziegler! Kje je Ziegler?"

Naznanilo in Zahvala

V globoki žalosti, potrih src, pa vdani v božjo voljo naznanjamо našim dragim sorodnikom, prijateljem in znancem, da je dne 25. decembra, prav na božični dan 1965, v Gospodu preminula nasra preijuba, nepozabna mati, stara in prastara mati in sestra

MARY HRASTAR

ROJENA MODIC

Ljubljena pokojna je bila rojena dne 16. julija 1891 v vasi Podcerkev, občina Stari Trg pri Ložu na Notranjskem, Slovenija, Jugoslavija. V rojstni domovini žaluje za njo sestri Kristina Slak in Marijeta Rupnik s svojimi družinami in drugi daljni sorodniki. Že pred njo sta v Sloveniji umrla sestra Neža Mlakar in brat Anton Pavlič.

Pred 50 leti je prišla v Ameriko. Tu so ji umrli: hčerka Marie, sin Joseph, sestri Rose Krasovec, Johanna Kezele in leta 1927 tudi soprog Joseph Hrastar.

Pokopali smo jo dne 29. decembra 1965. Iz Zakrajškevoga pogrebnega zavoda na St. Clair Ave. smo jo v pogrebnu spreduvodu prepečljali v župno cerkev sv. Vida, od tam pa po opravljenih žalnih obredih na pokopališče Kalvarija, kjer smo jo položili k poslednjemu počitku.

Našo najiskrenježo zahvalo naj prejme velečnosti gospod prelat Alojzij Baznik, ki je za pokojno daroval slovensko pogrebno sv. mašo, opravil žalne svete obrede v pogrebnu zavodu in molil začijo ob grobu. Hvaležni smo mu za vso naklonjenost in duhovno tolazo. Istotako naj prejmeta našo topo zahvalo Rev. Jošt Martelan in Rev. Edward J. Schneider, ki sta asistirala.

Iz sreca smo hvaležni vsem, ki so ob krsti molili skupni sveti rožni venec.

Prav lepo se zahvalimo Materinskemu klubu pri sv. Vidu in Drustvu Upokojencev za področje St. Clair, za vso počastitve pokojne članice. Hvala vsem članom in članicam, ki so prišli moliti za pokojno v pogrebnu zavodu in se v tako velikem številu udeležili njenega pogreba. Prisrčna hvala dobim možem, ki so nosili kersto.

Naj dobr Bog stotero povrne vsem, ki so darovali za sv. maše in druge dobre namene, kakor tudi vsem, ki so poklonili cvetje in vence ter dali na razpolago avtomobile za pogrebni sprevod.

Zahvaljujemo se vsem, ki so prišli kropiti,

Ushisi, Gospod, naše vroče prošnje in sprejmi dušo naše predobre matere in sestre v rajsko veselje.

Počij od hudih, težkih let, preblago mamino srce; ko zadnje trombe zadone, veseli snidemo se speti.

Zahvaljujoci:

NAZNANILO IN ZAHVALA

Potrih src naznanjamо sorodnikom, prijateljem in znancem, da je nagloma umrl naš dragi in nepozabni soprog, oče in stari oče

Frank Slavec

ki nas je zavedno zapustil dne 18. decembra 1965.

Dragi pokojnik je bil rojen leta 1901 v Baču pri Illirske Bistrici. Zadela ga je srčna kap. Pogreb se je vršil 21. decembra iz Železovega pogrebnega zavoda na 152. cesti v cerkev Marije Vnebovzetje na Holmes Ave., kjer je bila dorovana sv. maša za pokoj njegove duše, od tam pa na Calvary pokopališče, kjer je bilo truplo položeno k večnemu počitku.

Pokojnik je prišel v Ameriko leta 1920, in sicer v Trinidad, Cel. Delal je v premogovnikih pet let, potem pa se je preselil v Cleveland, kjer je ostal ves čas.

Na tem mestu se želimo najprej zahvaliti Rev. Jagru za obisk v pogrebnu zavodu in za daritev sv. maše za pokoj njegove duše. Dalje hvala nosilcem krste, katerih imena smo, žal, izgrevšili. Hvala vsem, ki so prišli pokojnika pokropiti, in enim, ki so prispevali v denarju za mase. Hvala našim dobrim sosedom za krasni venec in za dobrohotno pomoč ob uru naše velike žalosti.

Prisrčna hvala vsem, ki so položili krasne vence cvetja ob njegovem krstu. Enako lepa hvala vsem, ki so dali na razpolago avtomobile za spremstvo na njegovem zadnjem poti na pokopališče. Hvala tudi pogrebnu zavodu Jos. Žele in sinovi za lepo vodstvo pogreba in vso prijazno poslugo.

Ti, dragi in nepozabljeni soprog in oče, počivaj v miru in lahka naj Ti bo ameriška zemlja.

Zahvaljuj:

JENNIE, sopraga, STANLEY in WILLIAM, sinova, ROSE in ALICE, snahi, vnuki in vnukinje, ANTONIJA IAVEC in MARGARET OSTROSKAR, sestri, MARY VRH in FRANCES SKOČAJ, nečakinja, dva brata in dve sestri v Sloveniji ter drugi sorodniki tukaj in v starci domovini.

Griddle-Hot From The Kitchen

Fight chilly days with piping hot food! Corn muffin pancakes and saucy sausage spell golden goodness for those vigorous days ahead.

This fabulous family treat is as simple to create as it is irresistible to eat. Using a corn muffin mix you can quickly come to the rescue of your family's need for food that satisfies. Served with sautéed apple slices, they're a real flavor treat. —And just look at the different ways you can make these Hearty-Day Cakes, too! Four different ideas with just one practical muffin mix.

As the temperature drops, add variety and vigor to breakfasts and lunches with Hearty-Day Cakes.

HEARTY-DAY CAKES

Makes 6 servings

One 12-oz. pkg. (2 cups) 1-2/3 cups milk
Flako Corn Muffin Mix 1 lb. pork sausage meat,
1 egg cooked and drained

Empty contents of package into bowl; add egg and milk, beating until fairly smooth. Pour about 1/4 cup batter for each pancake onto a hot, lightly greased griddle. Sprinkle with sausage. Bake, to a golden brown, turning only once. Serve with butter and syrup.

Variations:
Corn Cakes: Using above recipe, omit sausage. Sprinkle each pancake on griddle with drained whole kernel corn before turning.
Blueberry Cakes: Using above recipe, omit sausage. Sprinkle each pancake on griddle with fresh, frozen or canned blueberries, drained, before turning.

Cheese Cakes: Using above recipe, omit sausage. Add 1/2 cup grated cheese to batter before baking.

Commissioner Moves Office

To Fifth Ave. in New York
New York, N.Y. — With a new commissioner, baseball also has taken a new office, moving to the Mets' former quarters at 680 Fifth Avenue, January 18. The office had been located in the RCA Building West, 30 Rockefeller Plaza.

The staff increase for Commissioner William D. Eckert made the change necessary. The new site has 4,600 square feet as compared with 3,000 in the former location.

The commissioner's office is taking over the Mets' lease. However, a provision has been added to permit the termination of the lease in the event baseball goes through with plans to erect its own building or to consolidate the commissioner's office with that of the National Association, now in Columbus, Ohio.

Ford Signs 60G Pact, Sees

'3 or 4 More Years' on Hill
New York, N.Y. — Whitley Ford, a quality pitcher in the upper pay bracket, is looking forward to another productive year on the mound for the Yankees. The veteran left-hander, 37 years old but with no thoughts of retiring, says he would like another "three or four years" as a big league pitcher.

Ford, who first came up to the Yankees in 1950, signed his contract, January 13, in the plush surroundings of Phil Linz' Mr. Laff's, New York's most successful new spot.

Linz, who now is in the employ of the Phillies, hosted his first press conference with all the aplomb of a skinny Toots Shor.

Ford described himself as happy and pleased with the contract (around \$60,000) and the quality of the food.

Orioles Take a Bride — Joe

That Is — as P. R. Director
Baltimore, Md. — The Orioles have found a public relations director after a two-month search during which they screened more than 100 applicants.

He is Joe Bride, 29, who comes to the Oriole front office from the Los Angeles bureau of Life Magazine.

As a student at Notre Dame, Bride worked under Charlie Calahan, former Irish sports publicist, then wrote for a Louisville newspaper before joining Life.

Like Jerry Sachs, who resigned as the Orioles' P. R. director in November, to go with the Atlanta Braves, Bride will be involved primarily in promotional and community relations work.

Medicare

On July 1, 1966 Medicare will go into effect. Medicare is the program under Social Security that will help pay hospital and medical bills for people age 65 and over.

To be eligible for these benefits a person must enroll before March 31, 1966. This is very important. If a person 65 or over does not sign up before March 31, 1966 he will not be able to sign up until October of 1967, and the cost of the voluntary insurance plan (the plan that helps pay your doctor bills) will be increased.

If you have not enrolled for Medicare, phone or call in person at your nearest Social Security District Office. There are three offices in Cleveland. One is downtown at 1370 Ontario St. in the Standard Bldg.; another is on the West Side at 2012 West 25th St. and the East Side office is at 10613 Euclid Ave.

He lives at 1139 Norwood Road.

Nursing Careers
Open House

What does an Army nurse do? What are the opportunities for advancement in nursing? What courses should a future nurse study in high school? How long does it take to become a registered nurse? Can nurses choose their own types of duty?

The answers to these and many other questions about nursing as a career are supplied by the speakers and films scheduled free of charge by Nursing Careers, 3300 Chester Avenue, Cleveland 14.

If your club, class or PTA meeting would like to have a speaker or a film about nursing, call Nursing Careers in Cleveland at 432-0555, and a program of your choice will be scheduled for your group at no cost or obligation.

The Nursing Careers office is sponsored by the Cleveland Hospital Council and Council and League for Nursing as a free community service.

Coast Guard Reserve
Offers Commissions

WASHINGTON, D.C. — The U.S. Coast Guard is seeking college graduates for its February 1966 class at the Officer Candidate School, Coast Guard Reserve Training Center, Yorktown, Va.

Successful candidates will be commissioned as Ensigns in the Coast Guard Reserve upon graduation. They will be required to complete three years on active duty after receiving their commissions.

To qualify, the men must be between 21 and 26 years of age and must be college graduates or seniors who will graduate before Feb. 13, 1966.

The officer candidates will receive 17 weeks of intensive, highly specialized training in navigation, seamanship, gunnery, damage control, anti-submarine warfare and other subjects.

In addition graduates will be eligible for flight training.

The newly commissioned ensigns will join the 3,000 Coast Guard officers who serve world-wide in a variety of interesting duties. These duties include oceanography, search and rescue, law enforcement, and merchant marine safety.

For complete information write Commandant (PTP-2), U.S. Coast Guard, Washington, D.C., 20226.

THE RAILROAD SITUATION

Nineteen sixty five has been a big freight year for the nation's railroads — the best since the war year of 1944 and the fourth consecutive year in which freight traffic has shown a significant increase. It has also been a year in which railroad spending for new plant and equipment is expected to reach an all-time high of some \$1.6 billion.

The reasons for this encouraging record have been listed by the president of the Association of American Railroads. They include the general national prosperity; the massive railroad modernization program; the influence of many new services such as piggyback, rack cars and unit trains; and, finally, increased volume resulting from lower freight charges. And, on the average, these charges are still going down — a fact which is of pocketbook interest to every consumer and shipper in the land.

What are the prospects for 1966? The spokesman said that, if the economic climate remains favorable as just about everyone expects, railroadmen are confident that the industry will continue its growth of traffic and service. Then he added this all-important observation: "Yet the rate of its progress will depend heavily on 1966 developments in the vital field of public transportation policy — on government's meeting long-standing needs for equality in its treatment of all transport modes." And, he went on, there are signs of progress, among them being recent presidential statements that transportation will be among major domestic issues to be taken up in the next session of Congress.

Let us all hope that this will happen — and that the railroads will be relieved of the totally obsolete laws and policies which now burden them and impose unnecessary costs on consumers everywhere. Fair competition in transportation — instead of excessive and stifling regulation — is the way to the ultimate in service at the lowest cost.

Ohio Federation
AFU Meeting

The Ohio Federation AFU will hold a meeting on January 30, 1966 at 10:00 A.M. at the Slovenian National Home on St. Clair Ave. All representatives are urged to come.

Reporting from Washington

FRANCIS P. DOLTON • Congressman, 22nd District, Ohio
600 E. 10th Street, Washington D. C.

THE OPENING DAY. Section 2 of the 20th Amendment to the U.S. Constitution says: "The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3rd of January, unless they shall by law appoint a different day". By law, the first session of the 89th Congress (which adjourned October 23rd) opened January 10, 1966 as the day on which the second session would convene. Thus, at 12 noon on Monday the House of Representatives and the Senate of the United States were called to order signifying the official opening of the second session. Unlike the first session when all members took the oath of office, only those members elected in the interim to fill vacancies were sworn in. This included Representative Clarence Brown, Jr. (R-O.) and Representative Thomas Rees (D-California). The party line-up remains substantially the same as the first session; in the House: 233 Democrats, 140 Republicans and 2 vacancies; in the Senate: 68 Democrats, 32 Republicans.

There is always a certain excitement over the reconvening of the Congress. This year is no exception although the seriousness and uncertainty of the Vietnam conflict permeates the atmosphere. Dominating every consideration during the coming weeks and months will be such problems and imponderables as escalation of the Vietnam war, increased defense spending which must cut heavily into domestic programs, and the threat of inflation. No major legislation was scheduled for the opening week; however, the

Committees which are organized and ready to function scheduled many meetings.

TAX BOOKLETS. The first of the year brings with it the unpleasant but necessary task of filing income tax forms. To assist in this endeavor the Internal Revenue Service has published the following new booklets: **Your Federal Income Tax**, a 160 page booklet, is designed primarily to help individuals prepare their 1965 reports. It includes a sample filled-in return with entries keyed to pages in the text where explanations of the treatment of each item may be found. The Federal tax laws applying to individuals are discussed in detail, and in plain, everyday language. Fully spelled out are the taxpayer's rights and his responsibilities. Important changes in the law and regulations are thoroughly covered in the 1966 edition. **Tax Guide for Small Business** explains Federal tax requirements as they pertain to sole proprietors, partners, partnerships and corporations. Income, excise, and employment taxes are discussed in non-technical language and many examples are provided. Both publications are for sale by Internal Revenue field offices or can be ordered from the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402. The price is 50 cents per copy.

ARMY ROTC SCHOLARSHIPS. The Army will award 1000 ROTC scholarships to outstanding high school graduates who will enter college for the first time during the

1966-67 school year, and to selected college students now in their second year of the 4-year Army ROTC Program.

Four hundred of the new scholarships will be awarded for four years and 600 will be for two years. Each scholarship pays for tuition, textbooks and laboratory fees, and provides a \$50 per month subsistence allowance for the duration of the award. During a six-week summer training camp, usually attended between his junior and senior years, the student receives \$147.30 per month.

Applications must be made beginning on January 15 and postmarked not later than March 1, 1966. Students applying for the 2-year awards will do so with the professor of military science at their present college or university. Fascinating Story Of American Automobile Viewed In Exciting New March Of Time Special

Goggles and ankle-length dusters, Sunday spins, crank-up engines and round-seated roadsters, the road-hogs and joy-riders.

A time when drivers were imperilled by rutted roads, stray cows and irate farmers is revisited in a "March of Time" television special about the American automobile sponsored by Society National Bank as a public service.

Produced by David L. Wolper Productions in association with Time-Life, the light-hearted adventure of America on wheels is narrated by William Conrad.

Retracing past changes and achievements of motordom, "And Away We Go" is more than a history of the automobile. It not only recaptures the flavor of Americana in each stage of its evolution, but also examines the striking impact of the self-powered vehicle on our social, economic and industrial structures.

By the turn of the century there were 8000 cars in the U.S. Today there are more than 85 million. In the years between the automobile e-shaped the face of a nation, altered our expanding economy, changed our concepts of time and distance, and revolutionized the living patterns of three generations.

Henry Ford is shown becoming a tamed hero of auto production. His massive output of flivvers is seen putting a nation on wheels.

Viewers will be treated to a fascinating look at what American motoring was really like during the '20s.

In reviewing the evolution of the automobile, "And Away We Go" records its historical role in war, romantic courtship and industry. For the first time armies traveled by truck. Cars were often labelled "vehicles of sin." Trucks began to revolutionize short-haul transport.

The program focuses on the auto-

mobile in leisure and sports activities. The rise of road racing, weekend speeders in their foreign sports cars, are covered by film.

For by this time the industry had become a main brace to the national economy. Detroit is seen in 1941 as it undertakes the most prodigious wartime production effort in history.

Following World War II, cars rolling out of Detroit have new shapes. They appear bigger, longer and brighter than those of the late 1920's and mid-1930's.

Small cars by the thousands were imported from Europe in the mid-1950's, during which some 700,000 Americans bought these German and British models. How the U.S. auto industry coped with this foreign invasion and the new sports car craze is revealed by the program.

Today's world is depicted by the documentary as one of car advertising, auto shows displaying the chrome-encrusted wonders of Detroit. And a world of used-car lots and crushed metal in a junk yard.

All of these off-springs from the horse-and-buggy days are entertainingly unfolded in "And Away We Go" — on the "March of Time."

Zapustil nas je in odšel v večnost
dne 21. januarja 1956.

Spomini so veriga zlata,
ki smrt ne stare je nikdar,
ljubili Tebe, dragi ata,
mi srčno bomo vekomaj.

V miru božjem sladko snivaj,
dragi, nepozabni nam,
v nebesih srečo uživaj
do snidenja na vekomaj!

Safety in Bathrooms And Powder Rooms

Highlights of new and remodeled homes are the modern bathrooms that combine beauty and convenience. But in the midst of this functional glamour, we often overlook the safety factors that allow us to enjoy these facilities to the fullest.

According to the Cleveland Plumbing Information Council, the following safety points for bathrooms should be followed:

(1) Every bathroom and powder room should contain grab bars placed in strategic locations around the bathtub. Acting as an extra measure of security, grab bars should be secured to the studding of the back and side walls of the bathtub.

(2) Never use plumbing or heating pipes as a ground for electric wires. Such a practice is doubly dangerous. Not only could you and your family suffer severe shocks, but also the electric current in the pipes will cause corrosion to the piping and any connected tanks.

(3) Electrical appliances should never be used near the tub where they may be touched or where they may actually fall into the water.

(4) Glass bottles and containers should not be placed on the bathtub. When your eyes are full of soap and water, bottles could be knocked off too easily, and serious cuts could result.

(5) A modern styled medicine cabinet should be placed in every bathroom and powder room to store medicines and other items that may be harmful to children.

Any questions you may have concerning plumbing problems in your home will be answered by writing the Cleveland Plumbing Information Council at 55 Public Square, Cleveland 13, Ohio or calling 861-3137.
