Ameriška diplomacija je igračka v Stalinovih rokah

Ameriška javnost vedno bolj pritiska na svojo vlado, naj že vendar enkrat neha z apizanjem Sovjetiji in začne govoriti pravi ameriški jezik. Celo taki, ki so bili znani, da so imeli vedno prijazno besedo za rusko komunistično vlado, so začeli uvidevati, da bomo nekoč to svojo dobrohotnost drago plačali. Kot je videti bi naša vlada za vsako ceno rada ostala v dobrih odnosih z Sovjetijo, toda visoka je cena, ki jo plačujemo za to. Z apizanjem Moskvi je začel Roosevelt in njegov naslednik stopa verno po diplomatskih stopinjah svojega prednika. Moskva nas pa vrta, da je skoro sramotno za tako deželo kot so Zel. države, brez katerih bi osiše ne bilo nikdar na tleh in na katere zdaj ves svet zre za pomoč, da ne pogine lakote. Ameriški narod pa plačuje in si celo od ust pritrjuje, da bi pomagal, ne da bi dobil za to kako priznanje. Saj smo slišali zadnji Stalinov govor, tekom katerega ni niti z besedo omenil o kaki pomoči iz Amerike ali Anglije, ne tekom vojne ne pozneje. Miklavž Stric Sam pa ponižno molči in daje, daje toliko, da je že začelo boleti lastni narod doma.

Ruski narod je dober narod, to ve vsak. Tudi naši vojaki pripovedujejo, da so bili z ruskimi vojniki takoj prijazni, čim so prišli skupaj. Toda ruski narod nima nobene besede, kot je nima noben narod, kjer je na vladi boljševiška garda. Vojško-komunistična klika vlada Rusijo, kot vlada Jugoslavijo, Bolgarijo, Romunsko in Poljsko. Ta klika ima tako moč, kot jo je imela Hitlerjeva v Nemčiji. Kakor je Hitler potegnil narod v vojno z migljajem prsta, tako ga lahko Stalin, pa narod še vedel ne bo, zakaj je vojna. S tako kliko bi morali postopati z enakimi gestami, ne pa z apizanjem.

Spomnimo se samo nazaj na vojni čas, kaj vse smo dovolili Sovjetiji in kaj vse smo si pustili dopasti, pa še to drago plačati zraven. Mi smo dali Rusiji tanke, letala, truke in municijo, pa so se držali v Moskvi, kot bi s tem, da jemljejo od nas te vitalne potrebe, delali največje usluge.

Ko smo jim dali tako potrebna letala, jih naši piloti niso smeli niti voziti v Sibirijo. Pripeljati so jih smeli samo do Alaske, tje so pa prišli ruski letalci, ki so jih potem odpeljali domov. Niti enemu ameriškem letalcu ni bilo dovoljeno leteti nad Sibirijo in to niti v letalu, ki ga je Amerika podarila.

Amerika je poslala Rusiji na tisoče in tisoče trukov. Moskva nam je milostno dovolila, da smo jih smeli prepeleti čez morje v Perzijo, ampak dlje pa ne. Bog ne daj, da bi kak ameriški voznik zapeljal ameriški truk čez mejo v Rusijo. V Perzijo so dospeli ruski vozniki, ki so potem darovane truke odpeljali domov. Ruska zemlja je bila nedostopna ameriškim vojakom, niti po zraku niso smeli ameriški letalci frčati nad Sovjetijo. Lahko bi se namreč primerili z ruskim narodom in mu morda pri kozarcu vodke povedali o ameriški demokraciji. Kaj takega bi bilo zelo nevarno za rdeče oblastnike v Moskvi, ki drže ruske narode v kleščah.

To ne bo res, bo zavljal kak "veliki Slovan," saj smo imeli na ruskem ozemlju celo svoje letalske baze. Aha, le počakajte malo, da se pomenimo, kako je bilo s temi bazami. Res smo po dolgih dogovorih napravili dve letalski bazi na ruskem teritoriju z namenom, da bi tam naši bombniki počivali čez noč, kadar bi bombardirali po vzhodni Evropi in bi bilo predalet napraviti polet sem in tje brez pristanka na tleh. Res so parkrat naši bombniki tam pristali in počivali, pa ne dolgo. Kar nenadoma je prišlo iz Moskve povelje in brez vsakega pojasnila so Rusi pognali naše letalce s tistih baz in baze ameriškim bombnikom poslej zaprli. Strašno so morali biti ameriški letalci nevarni Sovjetiji, da jih niso pustili prebiti tam niti eno noč.

Vsak otrok v Ameriki ve, da lahko prihajajo Rusi sem skoro po svoji mili volji. V Sovjetijo pa ne sme niti kak ameriški orkester, da bi Rusom zaigral kake ameriške komade, ne da bi Sovjeti poprej natančno preiskali vsak boben, vsako trobento, vsake gosli in nazadnje morda celo odrekli vizo.

Taki odnosi med ameriškim in ruskim narodom se morajo nehati. To sumnjo, s katero nas gledajo Rusi, je treba odpraviti. Ruski narod morajo na kak način zvedeti, da ameriški narod ni slab, da ne gleda za nobenim novim ozemljem, da hoče živeti z vsem svetom, torej tudi z Rusijo, v miru. Ako ne bo ta sumnja odpravljena, potem je vojna med zapadnimi demokracijami in Rusijo neizogibna.

Da se Rusija pripravlja na vojno, ni nobena tajnost. Proti komu na vojno? Ali proti Nemčiji, ki je za mnogo let brez moči? Ali proti Japonski, katere vojaška moč je strita? Ne! Proti komu torej? Zadnje razkritje vojnške družbe v Kanadi, ki je hotela dobiti tajnost atomske sile v roke, vsakemu jasno pove, proti komu se Rusija pripravlja na vojno. Taka vojna bi bila porazna za vse, kot je vsaka. Zato jo je treba preprečiti in preprečiti se jo more le z odkritimi odnosi med Ameriko in Rusijo. Ameriški častniki bi morali prav tako prosto hoditi po Rusiji in govoriti z ruskim narodom, kot to lahko delajo Rusi v tej deželi. Potem bo prišlo lahko do odkritega prijateljstva med obema deželama in

vojna bo preprečena. To moramo mi Moskvi povedati iz oči v oči, in to ne s kako ponižnostjo ali strahom, ampak kot govori mož z možem. Tako govorico najbolj pozna Stalin in samo do moža s takim jezikom ima Stalin respekt. Vprašanje je samo, če imamo pri naši vladi može, ki bi znali govoriti tak jezik. Če jih ni, jih moramo dobiti, čim prej, tem boljše za vse.

Newburške novice

Vzroki prestane vojne, vojna sama in strašne njene posledice, imajo, kakor se kaže, vsaj en dober učinek. Svet je spoznal ali pa spoznava, da materialistična vzgoja, to se pravi vzgoja brez vere v Boga, ne zadostuje. Je vse zastoj — če človek nima prave vesti, ni zanesljiv, ni bil v preteklosti in ne bo v prihodnje. Nihče ne bo trdil, da Nemci niso bili tudi v zadnjih letih izobraženi, učeni. Morda ga ni bilo naroda, kateri bi jih bil znanstveno prekosil. Pa se je pokazalo, da so bili nemški brezverci prave zverine. Ruski rdeči fašisti so bili zadnjih 25 let vzgajani po novem sistemu. Vedo, znanstvo, industrija in vse drugo razen verskega pouka so imeli v njih solah. Pa ga ni bilo brezobzirnega, neusmiljenega in krvoločnega človeka pod milim soncem, kot je ruski komunist. Tudi Slovenci niso med zadnjimi glede izobrazbe. Pa so partizani uganjali tako grozno trpinčenje svojih žrtev, da so človeku gabi, ko bere o njih. Japonski pogani so svojim žrtvam lomili kosti počasi in jim iztikali člene z največjo slastjo. Kratko malo, človek brez Boga je zverina, pa naj bo še tako učen. Stanje današnje sveta nam kaže to jasno dovolj.

Elaine Marie Kortovich je nova faranka. Lenčka je hčerka profesorja Joseph Kortovicha in Elene rojene Giallanza. Prof. Kortovich je nekaj časa učil v javnih šolah izvan mesta, kot se sliši, bo prestavljen v Cleveland, čestitamo!

Pri Edward Rožniku so pa dobili prestolonaslednika, kateri nosi ime očeta Edwarda. Mati se je pred zakonom pisala Petche. Botrovala pa sta mu stric John Rožnik, kateri se je pred kratkem povrnil iz bojnega polja in Mrs. Rožnik, rojena Debelak. Naj bi bil mali v veliko veselje staršem kakor tudi starim očetom in stari materi, ki so prav za prav še vsi mladi.

Radio in razni listi te dni pogosto omenjajo nove kardinale, katerih je kar 32 na enkrat. To liko jih še ni bilo na enkrat izvoljenih v vseh 19 stoletjih odkar katoliška cerkev stoji. Sv. Oče je hotel s tem pokazati njegovo veliko skrb za božje kraljestvo na zemlji po vseh delih sveta. Ves svet se tega tudi veseli, tudi nekatoličani, razen ruskih komunistov, kateri so hoteli nagajati s tem, da niso pustili do zadnjega mažarskemu kardinalu v Rim. Prišel je končno en dan prekrasno. Pripeljal ga je s svojo zračno ladjo ameriški zastopnik v Budapešt.

Nas šest in pol čevljev visok John Larish Jr. bo igral pri prihodnji igri, 3. marca, lopova, zločinca, kateremu ni noben zločin prevelik v doseg svojega cilja. John bo svojo vlogo dobro izvršil. Njegova žrtev pa so v igri: Hiram Abernathy (Raymond Hrovat) in pa njegova "soproga" Sara (Miss Antonia Mally) in Melody Lane (Victoria Hočevan). Aurelia Abernathy (Mary Pucel) in Murial Atkins (Ludmilla Žagar) dočim je rešitelj te situacije Lucius Goodenough (Henry Paulin), to seveda s pomočjo šerifa (Hattie Kužnik). Največje veselje pa povzroči pričakovani gost (Louis Supan), kateri reši dom svojih staršev Hiram in Sara Abernathy. Zanimive vloge igra tudi Mary Ann Rajar kot indijanka in pa Anna Marie Perko. Igra vzbuja smeh in solze. Zlasti pa vam bo do ugažali kostumi, vzeti iz prejšnjega stoletja. Vstopnice si so-

dej na razpolago pri šolarjih in igračih. Imena pokroviteljev ("Patrons") bodo tiskana na programu. Kar bo dobila pri tem, pojde v nabavo dobrega čitva za otroke. Na svidenje 3. marca.

Westerner: "Pri nas ravnamo s posli, kot s člani družine."
Easterner: "O pri nas v New Yorku jih moramo pa spoštovati če hočemo, da ostanejo."

Nekdo sprašuje:
"Zakaj se moram spovedati svojih grehov duhovniku? Ali bi se ne mogel človek spovedati Bogu naravnost?"
To vprašanje je bilo že sto in stokrat stavljeno, pa tudi razloženo.

Spovedati se Bogu naravnost — da, to bi bilo lahko, če bi Bog ne bil drugače doščil. Toda Bog (Jezus) je določil kako naj se mi grešniki Njemu približamo. Torej, ni več odvisno od nas, kako bi kdo rad prišel nazaj k Bogu, če ga je zapustil z smrtnim grehom. Bogu se približamo po posredovalcu Kristusu, Kristusu pa po posredovanju onih, katerim je dal oblast, ko je rekel: "Prejmite svetega Duha. Katerim boste grehe odpustili, so jim odpusteni..." Je tudi vzrok zato, povprečni človek, ki se brija za svoje zveličanje, hoče sli-

O deklinini hoji po cesti in cestni hoji po puncu se nekam čudno čita in sliši. Zame nič novega. Sam na svoje oči sem že videl nekega urednika, kako se je težavo držal, da je hodil po obcestnih pločnikih in ne plo-

čniki po njem...

P. S.: Razume se, da urednik "Glasa" vleče uredniško plačo, pa naj bodo v deželi slane, suše, poplave, snežni viharji ali druge naravne ujme...

V slovo: uredniku Glasila K. S. K. Janez Zupanu, tudi jaz želim srečno pot in lepo vreme.

Zakaj jaz to pišem? Zato, ker je potrebno in nepotrebno in nepotrebno je pa potrebno!

Slava mučenikom!

Cleveland, O. — Najbolj me je pretreslo, ko sem čitala, da sta bila v stari domovini na smrt obsojena duhovnika Križaj in Cerkovnik, doma iz Trstenika, fara St. Rupret in župnik v St. Jerneju. Kar ne morem verjeti, da bi bila kašna zdajalca svojega naroda. Če sta pa povedala resnico, kar sta čutila, da se bo boril oče proti sinu in sin proti očetu, ali če nista držala s tisto stranko, ki je na vladi, nista se izdajalca.

Uboga oče in mati, če se živita. Koliko sta morala prestati in zdaj sta še ob sina, ki jima je bil največje upane v življenje. V zadnji vojni so izgubili 3 v enem mesecu in sicer sina Lojzeta v vojni, Lojzo in Ano pa doma za špansko flu. Leta 1930 jima je umrla pa še heč Marija, ki jima je pustila kar štiri male otroke.

Franka Cerkovnika sem poznala, ko je še študiral v škofskih zavodih v St. Vidu nad Ljubljano, kjer sem bila jaz za služkinjo tri leta. Videla sem, kako težko je postati duhovnik. Bil je vedno priden in ponižen, pa dober pevec. Srečni ste tisti, ki ne veste, kaj je moral reven študent prestati v domovini, predno je kaj postal. Bil je večkrat lačen kot sit. Zdal pa, ko so ti kmečki sinovi po tolikem trpljenju dosegli svoje cilje in so hoteli živeti samo za svoj narod, pa pridejo razbojniki in jih pobijejo kot največje zločince. Kaj bo sin kmetkega naroda izdajal svoj narod? Sramota za tiste, ki morejo tukaj sploh kaj takega verjeti in pa še za drugimi ponavljajo in vpijejo o nekih izdajalcih.

Kot čitam, so zavod sv. Stanislava prevzeli komunisti in ga bodo uporabili v svoje propagandne namene. Koliko bo slovenski narod s tem izgubil. Koliko fantov se je tam izločilo, koliko slovenskih deklet, se je tam navčilo gospodinjstva, da so potem postale dobre gospodinjke po kmetijah.

Vam pa, Frank Cerkovnik in Križaj, slava vama! Vajina srčna kri ni bila zastoj prelitja. Vajina žrtev bo govorila še poznim rodovom, ker umrla sta iz ljubezni do Boga in slovenskega naroda.

Ana Sribar.

Slikovna predstava v Newburghu

Cleveland, O. — Cenjeno občinstvo iz newburške fare je prav vljudno vabljeno, da pride v nedeljo 24. februarja v cerkveno dvorano ob treh popoldne, kjer se bo kazalo premikajoče slike. Slike bodo več vrst in vse bodo zanimive. Ta slikovna predstava se vrši pod pokroviteljstvom društva Najsv. Imena. Da, ti možje so sklenili, da je treba nekaj storiti za te nesrečne rojake begunce.

Cenjeno občinstvo, vam vsem je že znan ta žalostni položaj naših ubogih rojakov beguncev. Vi vsi, ki citate poročila Lige Katoliških Slovencev, vidite tam črno na belem, v kako žalostnem položaju se ti reveži nahajajo. Imejmo usmiljenje srce do njih in jim pomagajmo, kolikor pač moremo. Edino ti in jaz, ki katoliško mislija jim moreva pomagati. Zakaj, ki ti ubogi rojaki v tujini, ti je tudi gotovo že znano; bežati so morali, da si rešijo golo življenje, kajti preganjani so bili le zato, ker se niso strinjali z vlado, ki je komunistična in bili so preganjani samo zato, ker so katoličani in ker so ostali zvesti Bogu in Cerkvi. Iz tega vzroka se niso mogli strinjati z načeli komunizma. Privoliti v komunizem in služiti Bogu, to ne gre.

In danes, glejte spoštovani rojaki, kako se je ta komunistična golazen razlezla tudi med našim narodom v tej deželi. Koliko je med nami rojak v, ki napačno mislijo in pravijo, da ti begunci niso vredni nobene podpore in poleg tega pa še pravijo, da so si sami krivi. Obžalovanja je to vredno, to ni bratsko in še manj pa da bi se to strinjalo po katoliških načelih, kajti pred Bogom smo vsi enaki.

Zato pa rojaki in rojakinje, ki vam še v prsih bije slovensko srce in ki sočustvujete s temi begunci, prosimo vas pomagajte jim kar največ morete. Podpirajte Ligo katoliških Slovencev. Darujte vsak po svoji zmoglosti. Pridite v nedeljo v cerkveno dvorano in za malo vsoto boste videli krasne slike, ki nam jih bo pokazal Mr. Grdina in če napolnimo dvorano, se bo nabralo par sto dolarjev in to jim bo že nekaj pomagalo. Beguncev je na tisoče in vsi brez izjeme so vredni podpore. Kakor sem že prej rekel, edino ti in jaz jim moreva pomagati, ker razumeva njihovo bedno stanje. Med njimi so mladi in stari, cele družine, ki imajo še majhne otroke.

Premisli torej, dragi rojak, kakšno skrb povzroča to skrbna materi, ko vidi svojega ljubljence brez obleke in poleg tega pa še glad trpi. Skrbni oče pa gleda v bodočnost, kako bi mogel preskrbeti svojo družino. Slova mu igra v očesu, ko vidi pred sabo samo skrbi in temno bodočnost. Celo od svojih rojakov — partizanov — mu preti le smrt, če bi se kdaj vrnil v svojo rojstno domovino, katero je tako ljubil. Človek bi moral imeti srce trše od kamna, če bi se ne usmili teh nesrečnejev in jim ne bi pomagal sedaj, ko so najbolj potrebni naše pomoči. Bodimo usmiljeni,

Bomo se katero rekel, niti, ki smo ravno pri...

da bomo tudi mi uspešno dosegli. Na svidenje v nedeljo popoldne v cerkveni dvorani sv. Lovrenca.

Gozdarjevi spomini

Spisal Jos. Kostanjevec.

Odzval sem se njegovemu vabilu ter stopil v mračno dobroznan svet. Cerkovnik je prizigal sveče pred oltarjem Brezmadežne, in ljudje so prihajali od vseh strani, natihoma in sklonjeni. Zabučanje so orgle in ne dolgo potem se po vsem skrivnostnem prostoru odmevala Marijina pesem, prepletajoča pete litanije Matere božje. S takimi čustvi je še nisem poslušal do tistega dne! — Lahko mi je bilo pri srcu, ko sem se poslovljal od tega svetega kraja z lepimi mislimi in s hvaležnostjo v duši. In danes me priganja neka neodoljiva sila, da zabeležim tudi to v te svoje spomine...

Na Veliki Šmaren zgodaj je bil pripravljen voz, ki me je odpeljal od doma, prvič v življenju tako rekoč za vedno. In o tej misli se mi je storilo nehoti inako. Za vedno! Kaj naj so namreč še trenotki, najsi bodo tudi dnevi in celo nekateri tedni, ko se mi bo morda posrečilo priti v hišo očetovo, da se odpočijem za hipce od truda in skrbi, ali pa morda celo samo zato, da tam začelim sklepečo rano, ki mi jo vseče nezgoda. Izgubljen je dom zame, moj delež je tujina. Kako hudo bi se le bilo, ako bi bila ta tujina tudi celo last ljudstva, govorečega tuj mi jezik, da ne bi slišal več one sladke govoric, ki je duši moji najljubša na svetu in tolažba srca moje žalosti. Izgubljen je zame dom, moj delež je tujina. In Bog ve, kje bo zašlo solnce mojih dni, kje se bo sklonila trudna glava k potrebni počitnici!

Črna! Kje je to? Kakšen je kraj sam na sebi in kakšni so ljudje tam? Kakšni bodo tam moji dnevi? Cesarji gozdovi so naokoli, to je edino, kar je gotovo. Toda kakšni so ti gozdovi, kod se razprostirajo in kaj krije in hrani zame njih globočina, kdo bi mi vedel povedati vnaprej? Človek potrebuje po napornem delu počitnice, potrebuje človeka, da se včasih opre nanj, potrebuje družbe, da ne zaostane, potrebuje toliko in toliko

šati, hoče imeti zagotovilo, da so mu grehi, ki ga težijo, odpuščeni. "Pojdi v miru. Odpuščeni so ti tvoji grehi. Jaz te odvedem od vseh tvojih grehov v ime Očeta in Sina in sv. Duha." To so besede, ki dajo mir našemu srcu, tisti mir, ki ga svet ne more dati. Tisočkrat hvala Gospodu, ki nam je dal ta način, po katerem se greha oprostimo.

Kdor še ni bil prepričan, da so slovenski komunistični partizani največji hinavci in bratomorci ter lažnjivci, naj bere pismo dekana Škerbca iz Kranja v št. 36 Ameriške Domovine. To so tisti izdajalci slovenskega naroda, ki so potisnili vso Slovenijo v sedajni peklo. Kdor pri vseh jasnih dokazih izdajalstva še trdi, da so partizani in komunisti osvobodili Slovenijo, je ali sam komunist, ali pa mu manjka precejšnji kos pameti. Kake druge poti izida ni.

Opozarjam starše, katerih otroci, zlasti dečki, uhajajo na železniške proge, naj strogo prepovedo otrokom hoditi po železnici. V tem je velika nevarnost za otroke. Prav ta teden sem čital o dečku, kateremu je vlak odrezal obe nogi. Poleg tega pa je prišla tudi pritožba od železniških čuvajev, da paglavci mečejo kamne v vlak, kar je zopet nevarno, da se zgodi nesreča. Ste mar pozabili, da sta pred leti zgrubila dva izmed naših otrok življenja pri igranju okoli vlakov?

Župnik beraču: "Ali si res zadovoljen s tem, da hodiš dan za dnem okoli in beračiš?"

Tramp: "O g. župnik, nisem zadovoljen, ne. Kolikokrat sem si že želel avtomobila."

Nekdo pravi, znak civilizacije niso velika poslopja, tudi ne velika mesta, ampak značaj ljudi. Postopanje enega naroda z drugim je merilo, s katerim merimo civilizacijo. Ameriški vojaki so v splošnem zapustili dober vtis kjerkoli so bili.

Monsignor Fulton J. Sheen, kateri govori po radio vsako nedeljo ob 6 zvečer, je danes smatran najboljši govornik v Ameriki, morda na svetu. Odkar je začel svoje govore po radio kakih 15 let nazaj, je spreobrnil številne znamenite ljudi take kot: je bil Heywood Brown, poznani kolonist, ki je pred par leti umrl; Louis Budenz, nekdanji urednik komunističnega dnevnika "The Daily Worker," Henry Ford II., sin poznane izdelovalca Ford avtomobilov; Horace Mann, kateri je bil komaj par let nazaj velik nasprotnik katoličanov, John Moody veliki finančar v New Yorku in prav zadnji teden Mrs. Clare Luce iz ameriškega poslaništva v Washingtonu, in soproga urednika velikega mesečnika "TIME MAGAZINE." Vsi ti poleg številnih drugih, kar nam priča, da ima resnica veliko moč, samo, če ji damo pravo pot. Pa, ali nimamo zgledov že iz prvih časov krščanstva? Sv. Pavel, je bil velik nasprotnik kristjanov, katere iz dna srca čutil pa je postal največji oznanovalec Kristusovega nauka. Njegovih spreobrnencev je bilo na deset tisoče. Od katoliške vere odpadejo le taki, kateri krščanskih resnic sploh nikdar zadositi poznali niso, ali pa jim je bil Kristusov nauk trn v peti radi nepravilnega življenja.

Preteklo sredo je Helen Hočvar, hči Louis Hočvarjeve družine na Reno Ave., postala Mrs. Kazimir Wasilewski. Mladi imajo še vedno dosti poguma, da se zvežejo za celo življenje. Naj bi se oba skozi celo bodoče življenje spominjala tega dneva, ko sta klečala pred oltarjem in si obljubila trajno zvestobo in božjo pomoč. Mi jima želimo srečo na potu skupnega veslanja po morju zakonskega življenja.

Prihodno nedeljo po blagoslovu, to je nekako o pol 3, bodo kazane zanimive slike. Društvo sv. Imena vabi vse na to predstavitev, ki jo prirejajo po prijavnosti Antona Grdina. Nekaj slik bo tudi od požara, ki je pred letom in pol uničil del slovenske naselbine in povzročil veliko gorja pa tudi smrt številnim ljudem.

Neki list pripoveduje o ženski, ki je ukradla nad \$2000 dolarjev, da jih je dala tako zvani "Fortune Teller" ženski vedeževalki. Kdaj se bodo ljudje spametovali glede takih sleparjev in sleparic!

Tukaj je pa ena za moške. Neki pisec pravi: "Moški, ki se ne briga, kakšna je bila preteklost ženske, ki jo misli poročiti (ako jo od mladga ne pozna, seveda) se tudi za njeno prihodnost ne bo pobrigal."

Nekateri ljudje so strašno hudi, če jih kdo naslaka take, kot so in ne take, kot mislijo, da so.

Naši ameriški ta rdeči so kot tiste opice, ki so krošnarju kape pokradle čez noč in splezale na drevo. Da bi kape dobili nazaj, je vzel svojo kapo z glave in jo vrnil v zrak. Vse opice so storile isto in kape so popadale na zemljo, da jih je krošnar lahko pobral in odšel. Tako je tudi z njimi. Stalin kihne, naši levčarji kihajo — Stalin zajeci, naši ječiji.

Stalin z lažjo napade papeža, naši ta rdeči ga napadejo. Stalin zmira Španjo in Francijo, naši naredijo prav tako. Stalin trdi, da je napreden, naši trdijo, da so napredni. Stalin je Hitlerja hvalil, naši so ga hvalili. Stalin je Hitlerja napadel, naši so bili grozno ogroženi. Kdo bo še trdil, da človek ne prihaja iz opice?

Doživljanje slovenskega duhovnika

Msgr. Škerbec Matija, dekan v Kranju
(Konec)

Nemški komisar pri Rdečem križu v Ljubljani je nekoč očital pred menoj, da pošilja Vatikan ogromne podpore, ki se porabijo za ilegalno akcijo proti nemškimi oblastem! Ta očitek je mogel leteti le na škofjsko dobrodelno pisarno, ki je prejela podpore iz Vatikana! Večkrat so me tudi od strani okupacijskih oblasti izpraševali, kje dobivamo tako denarnih sredstev! Treba je bilo na vsak način skriti dejstva, da dobiva naša pisarna denarna sredstva iz inozemstva. Radi tega sem najel pri Ljudski posojilnici v Ljubljani in za škofjsko dobrodelno pisarno na tekočem računu do zneska 2.000.000 Lir. Obtožnica očita Ljudski posojilnici, da je bilo dano to posojilo brez kritja. Revizija tega zavoda, o kateri poroča obtožnica pa bi bila mogla dognati, da je bilo to posojilo krito po interno z enako vlogo hranilnih knjižic, ki jih je vložila škofjska dobrodelna pisarna.

Naravnost zločinsko pa je lažniva trditve obtožnice in obsodbe, češ, da se je ta denar porabil za podpiranje "Bele garde." Vsi računam, kam se je porabil denar te ustanove, so shranjeni v Ljubljani in jih je moglo dobiti v roke vsak čas slavno sodišče za zaščito narodne časti! !

Resnica je, da je Ljudska posojilnica poleg s posojili podprla škofjsko socialno akcijo tudi z večjimi darilnimi zneski, kakor so to sicer v manjši meri storili tudi drugi denarni zavodi v Ljubljani. S to akcijo je Ljudska posojilnica napravila okupatorju mnogo reskirala, da pride pred okupatorjevo sodišče in bi radi tega zaslužila pohvalo od vsake količkar socialno čuteče vlade, ne pa obsodbo in zaplembo premoženja, kakor se je to zgodilo temu zavodu!

Nehote se človeku vsiljuje

vprašanje logike, čemu OF sedanja komunistična strahovlada v Sloveniji tako blati delovanje škofjske dobrodelne pisarne in podpisane, ter vse, ki so pomagal tej človekoljubni akciji?

Odgovor na to vprašanje naj bo le v tem, da je vse delo škofjske dobrodelne pisarne objektivna priča strahotnega nasilja komunizma oziroma OF, nad vsem slovenskim narodom! Večina podpisancev škofjske dobrodelne pisarne in ljubljanski pokrajini je bila žrtev komunističnega nasilja in se priče tvorijo strahotne obtožbe proti komunizmu oziroma njegovi organizaciji OF. Samo po sebi in nehoti se je zbralo v naši pisarni nebroj dokazov in prič o nasilju in o kolaboraciji OF z okupatorjem za uničenje slovenskega naroda.

Cele vasi so prihajale s prošnjami za pomoč v škofjsko dobrodelno pisarno, ki so jih požgali in porušili komunisti ali pa okupator radi komunistov! Pred vami, ki so bile odločno komunistične so bande OF namenoma napadale bodisi italijanske ali nemške vojake, da so ti ardi komunističnega brezpomembnega napada požgali cele vasi. Dokazanih je bilo več takih slučajev, ko so komunisti grozili prebivalstvu, da bodo pred njih vasio napadli okupatorske čete samo radi tega, da bodo te požgale nedolžno protikomunistične vasi! V našo pisarno so se zgrinjale tisočere množice izpropanih, katerim so komunistične bande izropale vso obleko, celo čevlje so jim trgali z nog, celo otrokom so jemali plenice, pokradli do zadnjega zrna vse žito, vsa živila, vso obleko, vso živino in končno požgali še tisoče in tisoče domov! Cele vasi so komunisti požgali in porušili, kjer narod ni odobral njih nasilja! Pobili so na tisoče očetov, žena, sinov, hranilcev nesrečnih družin, ki so potem prihajale v škofjsko dobrodelno pisarno prosit pomoči kot strahotne priče komunističnega nasilja! In še nekaj so pripovedovali ti nesečni izgnanci, begunci, izropani in požgani: kako pobijajo partizanske komunistične tople celo angloameriške padalce, ki niso soglašali s komunističnim nasiljem. Škofjska dobrodelna pisarna je bila nehoti s svojim delom največja priča vsega strahotnega gorja, nesreče in krivice, ki so prišle nad nesrečni slovenski narod od strani okupatorja in komunističnega partizanstva. Vse gorje, je živa priča, kako sta oba okupator in komunist, kakor po tem dogovoru uničevala premoženje in življenje slovenskega naroda! Dokazov za to bi lahko navedel cele knjige! Za to je treba oblatiti i škofa i podpisane, vse delo škofjske dobrodelne pisarne in vse, ki so jo podpirali, da bi se tako zabrisala pred javnostjo strahotna uničevalna vloga komunizma v Sloveniji.

Ker so me že večkrat skušali komunisti ubiti, ker so trosili o moji osebi in o škofjski dobrodelni akciji polno laži in blatenja, sem pač dobro vedel, kaj me čaka, če pridem v roke takozvani OF, saj so mi pogosto grozili, da me bodo razsekali na kosce, kakor so storili narodno čutečim Slovincem! Radi tega sem pač moral zapustiti domovino s 25 tisoč narodno čutečimi Slovinci, ki so zbežali pred komunističnim terorjem.

Sedaj bi Vam v begunskem taborišču v Lienzu, kjer sem na razpolago vsakemu objektivnemu sodišču, da dokazem svoje trditve in obtožbe proti komunističnemu terorju v Sloveniji.

ŽIVI VIRI

IVAN MATIČIČ

Na vasi je legla tišina; bila so zametene skoro do streh. Le dim nad hišami je znanil življenje. Ali iz molka se je izvil vzdih, ki ga ni nihče čul. Ljudje so tičali po hišah, nemi so buljili v ognje, a v njih je vpilo koprnenje po vesni. Bili so kakor v ječi, v brezdelju, a med njimi krivogledi, v vsaki hiši ovaduh. Slehera beseda je bila otipana od vseh strani, sleherni grizljaj obohan liki mrhovina. Toda ljudje so morali kazati trajno prijanzlo lice, dasi sila težko. Pa so si želeli svetega božičnega časa in zimskega sončnega obrata. In prišel je, a so bili prav tako žalostni. Liguri so bili tu, strašna siba božja.

Liguri pa niso bili spričo tega niti malo žalostni. Kar naprej so tičali za devčkami, zalezovali jim vsako stopinjo: za ognjišči, v hlevih, v kamrah. In starši so bili v skrbeh, pogorski dečki nemirni.

Tu in tam je planil kdo iz hiše, kakor brez uma. Zagnal se je v sneg — pa je grazil, v zamete, brez cilja, brez kon-

ca, do omaganja.

Pred pustom ni bilo nobene svatbe, ne rajanja. Pogorske krčme so bile po večini zaprte vrata zabita kar z deskami. Vito točili samo Liguri, odprli trgovine in plesišča.

Toda blaga vesna je dahnila na zemljo — in ljudje so planili iz ječ. Ni bilo še zeleno, edino samolesovje je znanilo vigrad. Kmalu pa se je zbudila pomlad, in življenje se je vračalo iz zemlje. V svetoviški hrib so se spenjale dekleta in žene. Imele so pisana krila in bele predpasnike; na glavi so nesle lepe opisane jerbaze in z belimi prtiči je bil pokrit velikonočni žegen. Voljne in vedre so nesle to dobro, močno dišečo breme, ki ga je vse tako željno pričakovalo. Kmalu potem pa je pri Svetem Vidu na vso moč pritrkavalo. K vstajenju! Dolga procesija se je vila gor po Svetovitu in praznja množica je vroče molila pa dvigala k nebu svoje priprošnje in reve. V vetru so vihrala velika bandera, a fantje v črnih gvanth so jih nesli pokonci, držali jih trdo, nakljub vetru. V višinski trojki Bran, stasit in zal; v zoranjski Vid Živojev, bledičen, mrk; v jasinjski Velij Bršlinov, junačen, silovit. Pokonci so stopale trojke s prapori, ki so mogočno vihrali in živahno tleskali. Za njimi so se pomikale množice, verujoče v silo božjo.

In za praznikom prebujenja je planila iz zemlje rast, nov kruh je odganjal Pogorju. In je rasel iz toplega znoja pogorskih oračev, njih močna vera ga je oblagoslovila, njih ljubezen ga osladila. Trda je bila zemlja pogorska, a bil je v nji dih božji.

S kruhom je rasel dan, razmahoval se v Vidov praznik. In ljudje so se zgrinjali znova na Svetovit, k tolažbi. Že od velike noči ni bilo službe božje, in zdaj so uzrli zopet svojega pastirja in videli njegovo trpko

vdanost. Povrnili se je bil iz ječe. Pač jih je vabil medtem ligurski duhoven, ali cerkev svetega Vida je bila prazna sleherni nedeljo; ljudje so bili za njegovo vabo gluhi. Danes pa so šli vdani in voljni k veliki maši, h kateri je pristopil zopet pravi pastir.

Žara je na vso moč hitela. Vidov dan je na Pogorju samo enkrat v letu, zato se treba tem spodobneje pripraviti nanj. Nihče ne bo gledal na ta dan okrog hiše polomljenih košev in košar, razpeljanih voz, stelje, kravjekov in podobne šare, ki jemlje sloves velikemu dnevu. In preden je Žara vse to pospravila in počedila poleg ostalih brig in poslov, je povabila pri Svetem Vidu že v drugo. Tedaj je šele pomislila nase in je pohitela v kamro. Pisano krilo za žegnanje, moder živetek, nizka avbica, s črnim žametom obšita, franže, zlate uhanne pa šolne. Hitela je iz hiše, Šimenca je z dopadanjem zrla za hčerjo. Tedaj je že vabilo v tretje. Doli od Pečinke je videla gručo moških, ki se je valila proti cerkvi. Spoznala je, da niso domači; bi utegnili biti gostje iz Doljane, ki niso še pozabili pogorskega žegnanja.

Ni utegnili pamišljati o tem, kajti bila je zadnja in ne bo prijetno prerivati se noter skozi moško gnečo.

Ko je prisopihala na vrh, je pa začudena obstala. Pred cerkvenim vhodom je bilo nenavadno prerivanje, vrišč in gneča. Žara je videla Ligure, kakšne so s puškami suvali ljudi, ki so silili iz cerkve. Pretep liki pred krčmo. Žara je bila na tem, da jo ubere nazaj po bregu, ali bilo jo je sram, bežati pred obličjem božjim. Kaj bi se moglo pripetiti? Saj svetišče ni beznica! Stopila je bliže — in že jo je pograbil Ligure, jo pritegnil k vohodu, tu jo pa drugi sunil noter, da se je kar čudila. Ne more biti kaj pri- da tam, kamor s silo pehajo ljudi Liguri, si je mislila in se znašla medtem že na sredi cer-

kve. Ozrla se je na leco. Tam se je drl ligurski duhoven tako silovito, da je skoro udušil glasno ihto ljudi. Vseprek kričanje kakor na sejmu. Posebno glasen je bil zagrikan glas nekoga moža, ki je na ves glas molil, tako rekoč kričal žalostni del rožnega venca, kakor bi kiel. Nalašč, vsemu na kljub ga je gnal venomer, dasi mu ni skoro nihče odgovarjal. Žara se je ozrla in videla starega Skuka, ki je klečal v pruki, ob pesti si opiral glavo pa grmel svojo.

Iskreno hvala vsem, ki so pokojnemu okrasili krsto s krasnimi venci v zadnji pozdrav. Enako tudi vsem, ki so darovali za svete maše, da se bodo brale za njegov blag-pokoj, kakor tudi vsem, ki so darovali v gotovini. Pristrčna hvala vsem, ki ste ga prišli kro- pit na mrtvaškem odru, kakor tudi vsem, ki so se udeležili pogreba ter ga spremili k zadnjemu počit- ku, še posebno pa nosilec krste. Lepa hvala vsem, ki so dali svoje avtomobile pri pogrebu brezplačno. Najlepša hvala vsem, ki ste nam bili v pomoč in tola- žbo v teh žalostnih dneh.

Lepa hvala Zakrajšek pogrebnemu zavodu za vsestransko najboljšo poslugo in lepo urejeni po- greb.

Tebi, dragi soprog in oče pa kličemo, počivaj mirno v hladnem grobu.

Spomin na Te bomo ohranili v naših srcih do svi- denja nad zvezdami.

Shore Winning Streak Broken

by JOE MAILANDER

After clinching a tie for the Eastern Conference title Friday, Shore Bas finally dropped from unbeaten ranks by a range University School quintet, the following night.

The Admirals whipped Orange, 46-23, to gain their eleventh straight victory, and sixth in conference competition, at Orange.

High point man was Jack Obert, who tossed in 11 points. Dick Lanese and Dex Rolla followed him with seven apiece.

University overcame Shore's first quarter margin of 10-9, as they raced to a 20-12 half lead, at Shore auditorium, Saturday night.

From that point on, the Admirals were unable to find the hoop, many long shots bouncing off the rim.

The tall Preppers also controlled much of the backboard play, and upset Shore's fast-break offensive, as they triumphed 45-31.

SPORTS

Though they were beaten, 3 to 2, the Barons played one of their best games of the season Sunday night at Buffalo. The contest was a bruiser, and Danny Sprout, the Barons' star defense man, came out of the melee with seven stitches in his scalp, the result of having been banged into the end of the rink by huge Mike McMahon. After being sewed up Sprout returned to the game.

This was the last game between Buffalo and Cleveland for the regular schedule, with the Bisons holding a six-to-two edge, and they will not meet again unless the third-place Barons should reach the finals in the playoffs. Buffalo may not be there, either, for with McKay out, the Bisons, leaders of the eastern division, will have tough going in the title eliminations.

In the last days of the war, the Japanese radio reached heights of almost hysterical confusion. One commentator, attempting to describe a great naval victory, shrieked:

"Much damage was done to the American convoy. The extent has not been determined, as none of our planes has returned."

"Are you laughing at me?" demanded the irate professor of his class.

"No," came the answer in chorus. "Well," insisted the prof, "what else is there in the room to laugh at?"

An old woman from the hills, when informed of her son's return on furlough, jumped to her feet and exclaimed, "Lawsy me! I don't trust them furloughs. He'd better come home on a train!"

SHAKESPEARE WAS ALL WET!!

Yes, Shakespeare was all wet when he said, "What's in a name, a rose by any other name would smell just as sweet?" There may be some slight semblance of truth to this quotation from Shakespeare, if we completely ignore the meanings attached to names.

When taking Shakespeare's quotation in reference to the Holy Name, as he headline above states the Bard of Avon was all wet; for the Holy Name is the Symbol of our Salvation.

The Lord has said, "Amen, amen, I say unto you ask anything in my Name and My Father will give it to you." Pretty strong words! Not the words of a "Peanut Politician" eager for a few extra suckers to vote for him on election day. But rather the words of a Friend who has been around and knows the value of proper contacts.

The Eternal Contact Man is ready to get this valuable contact upstairs for you on Sunday, March 10 at the Holy Name Communion Mass at 11:30.

JUNIOR HOLY NAME JOURNAL

SNEAK ATTACK

That "social" meeting held last Wednesday evening really turned out to be one.

As soon as all the Junior novices had entered the Holy Name room, the "initiation manager" Don Hlabse took the floor to announce the startling news "that this night will be initiation evening."

Lumps as big as Caledonia's head (well, maybe not quite that big) appeared in the throat of each and every eighth grader present. If the floor had opened and had swallowed these youngsters, I think they would have appreciated that experience in comparison to that of the initiation.

From this enterprise we all became aware of the fact that our fellow "Nimmers" were great sportsmen.

I asked an eighth-grade full-fledged member what his reactions were to the initiation. His answer was, "I'm glad it's over with, and doubly happy to think that next year I'll be able to be an 'INITIATOR' instead of one who is to be initiated."

This answer seemed to bear out the thought of everyone who has ever had a similar experience.

So, congratulations to all you eighth grade good guys who are now full-fledged members.

St. Mary's Weekly Flashes

Often do we wonder why some youths seem to age so rapidly, not in stature but in spirit. On the contrary, we are amazed at the youthfulness of some of our elders, what could be the reason? Ah, an answer we have found at last, at least we think so. Here we reprint an article recently published in one of our bi-monthly magazines:

"YOUTH is not a time of life—it is a state of mind. It is not a matter of ripe cheeks, red lips and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions; it is a freshness of the deep springs of life.

"Youth means a temperamental predominance of courage over timidity, of the appetite of adventure over love of ease. This often exists in a man of fifty more than in a boy of twenty.

"Nobody grows old by merely living a number of years; people grow old only by deserting their ideals. Years wrinkle the skin, but to give up enthusiasm wrinkles the soul.

"Worry, doubt, self-distrust, fear and despair—these are the long, long years that bow the head and turn the growing spirit to dust.

"Whether seventy or sixteen, there is in every being's heart the love of wonder, the sweet amazement at the stars and the starlike things and thoughts, the undaunted challenge of events, the unfailing childlike appetite for what next, and the joy and the game of life.

"You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair.

In the central place of your heart there is a wireless station; so long as it receives messages of beauty, hope, cheer, courage, grandeur and power from the earth, from men and from the infinite, so long are you young.

"When the wires are all down and the central place of your heart is covered with the snows of pessimism and the ice of cynicism, then are you grown old indeed and may God have mercy on your soul."

Have we found the answer? What do you think?

YOUNG MEN'S HOLY NAME SOCIETY

"Sad Sack" Satan had a bad day last Sunday, when he saw sixteen new members being enrolled into the Holy Name Society. "With the grace of God, we do promise" they all said, as they took the pledge to keep sacred the Holy Name. What a sight to see so many fine "He-Men" together in a body in church.

Well, it all started Sunday morning at the eight o'clock Mass when a large turnout of members received Holy Communion in a body. What a fine example for all the other young men of our parish to join this Society. Twenty-three members are veterans of the war, ex-servicemen who knew what they fought for and are now reaping the results by practicing their religion.

It surprised not a few, when two members appeared in Uncle Sam's uniform to assist Father Tomc at Holy Mass as servers. They were Joe Novak and Iggy Novak, two capable fellows who did a grand job and we're proud of them. They went about their duties with such calm, it seems they must have kept in practice by serving for many a Chaplain in the service.

The afternoon reception in church for receiving the new members into the Society was a huge success. The old members prayed with the new and renewed the Holy Name pledge. Father Celestnik, our spiritual director, conducted the service and delivered a beautiful sermon. It was also very nice of Father Vic. to join us in the services for which we thank him very much.

After the services, a social for members was held in the church basement. The Holy Name Seniors were invited as special guests. This, too, was a big success, since all had an enjoyable afternoon well spent. A pleasant surprise was the appearance of Rev. Msgr. V. Hribar who mingled with us at our card party. At the party, you would have seen the following goings-on:

The K. P. crew working in aprons and rolled up sleeves included Mike Anzlin, Joe Novak, "Ike" Kocin and Frank Lesjak.

The menu was that old favorite with plenty of mustard. There was plenty of everything for everyone, thanks to the above mentioned.

The music was kept going via recordings by the quick change artists, Stan Zidar and Emil Kozel. The latter played the "Broken record" on the floor. Everybody agreed that the Slovenian polkas sounded best.

We wonder how many hot dogs Chuck Kurnik ate. How about that "Draga"? That was quite a game of solitaire Joe Market had. Who won, Joe? Iggy Novak says it's surprising how much people worry about his hair-do. Maybe they're wondering where you will part your hair, Iggy. Oh well, as long as the girls like it. Looks like Father Vic had a good time at the social. He seemed to be in the thick of things all the time. That fellow can eat a lot for his size, believe me. Just wait until we raid one of your Sodality parties, one of these days. And where did everybody get those cigars? Ike Kocin's was most protruding. That was quite a conference Jimmy Grdina had with Father Celestnik. Some big plans for the future forthcoming, maybe? The way all the fellows go for pinocchio, it seems like we ought to have an intracub tournament or sumpin'. Everybody was glad to see Joe Brodnik there. We all hope he will be as active with us Holy Namers, as he was with the St. Vitus Holy Name Society.

Now for the more serious side, we honor this week two former members who will not be with us again bodily, but in spirit only. They paid the supreme price for freedom so that we may live in peace. Our Society will

always remember them both and especially next week when on Feb. 25, Holy Mass will be offered for the soul of Stanley I. Rossa and on Thursday, Feb. 28, Holy Mass will be offered for the soul of Stanley Brodnik. Time of Mass will be announced at all the Masses this Sunday. As many Holy Name men as possible should attend the Masses for Brothers Rossa and Brodnik. Because of them we can still go to church.

F. O. STAN ROSSA

Flight Officer Stanley I. Rossa, 24, entered the service in June, 1943, received his wings in August, 1944 and went overseas in February, 1945. A month later on March 15, 1945, Stan was killed while piloting his bomber near the China coast. The Purple Heart was awarded Stan posthumously. May he rest in peace.

S/SGT. STAN BRODNIK

Staff Sergeant Stanley Brodnik, 30, 15704 Trafalgar Ave., entered the service on February 3, 1941 and went overseas in May, 1942. Three years later, on May 11, 1945 Stan was killed on Luzon. The Purple Heart was awarded Stan posthumously. May he rest in peace.

JUST A WEEK AND A HALF AWAY

That long awaited Pre-Lenten Social of March 5th is coming closer and closer. Plans are being carried out to the T. The movie scheduled for the evening, beginning at 7 p. m., is "The Fisherman's Wharf," featuring Bobby Breen. Locally famous orchestra leaders have promised their services for that evening. And the refreshments are being donated by our very interested friends.

We have obtained the price of a good share of our Slovenian "Krofe" in the pastry line.

Our donors of refreshments for the bar till now were:

KUNCIC PERROTTI CAFE
POZELNIK ALLEYS
MINT TAVERN
ROYTZ CAFE
JOE ZABUJKOVIC CAFE
WALLAND CAFE

Frank Brodnik, a laborer, presented us with a quart and his best wishes for the success of our party. Thanks, Frank. However, we will be able to use more for the benefit of our Athletic Club. Anyone wishing to make a donation can call Father Vic, L.I. 1166. We will call for your gifts to our good cause. Our needs are the following: Liquor, Beer, Pop, Roast-beef, Bread and Sweets. Do you have to give? Will you make the Benefit Pre-Lenten Social a success, that we would like to make it?

BANDS TO BE REPRESENTED
Our latest reports tell us that Joseph Miklavcic, star string instrument player and accordionist, promises his services for March 5th. "Lefty," his brother, no less popular in our neighborhood, intends to do what his brother has planned. Thanks for your offer, boys.

Although it is yet a rumor, we heard that Johnny Pecan expects to do us the favor of being with us on that evening. Aren't your toes itching to dance to a few, swell Slovenian polkas played the way Johnny knows how? See you March 5th! Be sure to buy your ticket in advance!

DESERVING OF PRAISE

Blowing of the strong, cold, northern wind the past week caused many boys and girls to stay home from school. This was not the truth in all cases, for Frank Prijatelj of E. 185th St., Ralph Strnad of E. 175th from across the bridge served the early Masses in spite of the terrible weather. Also, Paul Spelic of E. 174th, just a "pee wee" braved the winds all the

way to St. Mary's at E. 156th and Holmes. Truthfully, we don't understand why the wind didn't pick up this "little kid" and blow him away. Probably, because Paul is too tough.

In short, this praise ought to be given to the ones who deserve it. "Abe" Lincoln said, "All the good that I possess, I owe to my mother." Mothers of these fine lads, "take a bow."

MOVIE TONIGHT, FOR FREE

If you want to spend about an hour of your time with us tonight in fun, come to the Portable to see the movies. On the list, we have: "The Adventures of Bunny Rabbit," "As Our Boyhood Is," "Animals of the Zoo," and "West Wind" (color). All who care, may come!

INTERMEDIATES LOST THRILLER TO OUR LADY OF MT. CARMEL, 20-19

Struggling to continue their three-game winning streak our fighting St. Mary's five lost a thriller of a game to Our Lady of Mt. Carmel, 20-19. It was a neck and neck score all through the game, at the quarter, it was St. Mary's 8-7 and at the half 12-12. (Wow.) At the third quarter it was Mt. Carmel, 14-15 and at the end, well it wasn't St. Mary's. Total attendance was 125 spectators. (I wonder how many St. Mary's fans were there? 2?)

BOWLING NEWS! SVETEK FUNERAL, PRINCE-BURKE, NOTTINGHAM CLEANERS SCORE UPSETS

Upsets were plentiful Sunday evening. The most surprising feats of the evening were performed by the Svetek Funeral Home, Nottingham Cleaners and the Prince-Burke quint as they upset the Dave's Shoes, Kocin Decorators and the Don Bosco Saints.

The Svetek Funeral Home quint had the broom working in fine form, as they made a clean sweep of the Dave's Shop five. In subduing the Shoemen, the Funeral Men belted the maples for a 2667 count, their best for the season thus far.

Although the Nottingham Cleaners are holding down the cellar position, they put on an exhibition of bowling that would make one sit up and take notice. The Cleaners downed the Kocin Decorators for all three games. The three wins made it five straight for the Cleaners and put them within striking distance to overtake the Zlate's Market for seventh place.

In another encounter which can be labeled as a surprise upset, was the Prince-Burke five clean sweep over the Bosco's Saints. The three setbacks pushed the Saints out of fourth place.

In the encounter which was not decided by the clean sweep method, the Acme Cleaners halted the Zlate's Market five as they gained a two-game win. Although Acme Cleaners won two out of three their third place lead was again sliced for one game.

ZAGORC AIDS SVETEK FUNERAL HOME

S. Zagorc with his 617 series let the Svetek Funeral Home team to their three-game sweep over the Dave's Shoes quint. The rejuvenated Funeral Home men were also aided by M. Zlate with 588 and H. Kersman's 528. For the Dave's Shoes, Captain J. Kurnik, with a 539 total, was high.

NOTTINGHAM CLEANERS TAKE THREE!

With Gus Fortuna and L. Pizmoht leading the barrage on the maples the Nottingham Cleaners crew was finally able to halt the Kocin Decorators. G. Fortuna had a 547 series and L. Pizmoht totaled 464. B. Torbenator with 464 series was high man for the losers.

BURKE-PRINCE QUINT GOING UP?

In dumping the Don Bosco Saints for three games the Prince-Burke five demonstrated some real consistent bowling. The Politicians were held by J. Rotar who hit a game of 214, 168, 159 for a 541 count. The Saints were led by F. Ferra in their three reversals.

W. KOSS HELPS ACME CLEANERS
With the propelling aid of W. Koss the minerlite formed the portside for a 481 total, the Acme Cleaners were able to down the Zlate's Market five for two games. Majec and C. Osolin with 460 for the Marketmen. B. Storar with a count of 474 enabled them to win one game.

TRIP TO K. C. STATE BOWLING TOURNAMENT

J. Somrak, H. Kersman, S. Jankowski, A. Svetek, S. Barba, T. Colnar, B. Osolin, S. Zagorc, M. Zlate.

The 28th annual tournament of the Knights of Columbus Bowling Association of Ohio opened very pompously Saturday evening with 68 teams having their try at the pins. In the two main events, Nick DiCicco and Mike Zlate of Northeast Council easily led the pack with 1228, greatly aided by Zlate's 243 game.

Stan Zagorc and L. Marabits also of Northeast, were second with 1188 and H. Kersman and B. Osolin were seventh with 1139.

In the solo event Bob Osolin of Northeast was well out in front with 629.

After bowling in the 5-men event, A. Svetek remarked in the hotel lobby, if anyone had seen M. Zlate lately, a cab driver overhearing the conversation said he had seen a bowler running for the Miami River. Bith his bowling bag. Was your bowling that bad, Mike???

The Dayton Daily was on the loose for a few honest candidates, for J. Somrak, B. Osolin, and T. Colnar got their pictures snapped in the Mirror-ed Kittyhawk room (dining room in the hotel).

Hank Kersman brought everything back but the elevator girls. However, if S. Barba and S. Jankowski had used a little more persuasion, that, too, could probably have been arranged.

ST. VITUS

(Continued from page 5)
for the Valentine dance, sponsored by the club?

What may have been your response? Did you find yourself wearing a lovely red face, that you know definitely should not have come upon this scene, or did you stutter, maybe you were at a loss for words, or you could have stood and just pondered the question, whatever may have been your reaction, is now a thought of the past to both you and the gal.

It was Sunday, February 10, that you found yourself hurrying down to the St. Vitus school hall... maybe you had been doing this, just a few weeks previous, or could just be coming down the stairs, have brought back unforgettable memories of the years past? Strange, that this thought should enter into your mind... You walked on, and then passed as you stood in the entrance, and couldn't help seeing that the hall was dressed in red and white, especially for this great occasion... You thought the white silhouette of a boy and girl on red hearts, a grand idea, indeed... You knew that the pillow shaped heart strung high above your head, as also the lace effect around the hearts adorning the walls, must have been made with the cleverness of added feminine touch... I'll bet you then looked at the crowd now dancing to a lively polka, and just wondered, gee, do I know anyone here? No doubt you later laughed to yourself, and said, "now that was a silly question to ask"... Well, look who's here?

You turned, and there was Joe, Johnny, Lou, Frank, Rudy, Stan, Ed, Ray, Rich, Lenny, Tony, or Al it really didn't matter then because before long you noticed that they were all down enjoying the evenings fun... From that moment on you practically danced your shoes off, to either polka, waltz, or jitterbug, and just formed the habit of extending your hand to an old buddy you hadn't seen since way back when... Mid-way between the dance you joined others as they formed a circle, and accompanied by Matt Milnar, and Miss Kay, you lent your voice in harmony with the community sing, that started out, rightly with the song, "Hail, hail the gan's all here"

Gee, you never knew there were so many lovely Slovene medleys and favorite English songs, but you could have continued on forever... By now you may have found yourself looking at your watch for fear that time was running short, as you were hoping the night would never end... You held to this belief until the strains of the last song, told you that time goes on, and this melody, meant Good-night... Why it couldn't be, to you, the evening had just begun... You told your friends you would be with them again in the school hall... And as you went your way, you kept repeating to yourself, "My but I had a won-

derful time, and to think I almost missed it!" If it weren't for your meeting a member of the club you may have... Those may have been the thoughts of the Glee Club member who had sold you the ticket... although I'm afraid I must admit her joy was greater than yours... The girls and Miss Kay wish to thank all who made this dance the success it was... our friends who attended, the orchestra, and all who served and helped the club in any way that evening... We also extend an invitation to everyone of you to our future affairs... won't you join us?? This was another date placed within the folds of our book of memories, to us it truthfully was a servicemen's homecoming as also a reunion with friends... Thanks loads for just everything... G. I. had a wonderful time???

How about you, fellows, and golly, I almost forgot the gals!

The question, "Will I ever find the center of the alley?" my, but the gutters are distracting... Ace of the League Vida Koprivic and Alice Hraster bowling fine balls... Gals slightly surprised at the crowd of male spectators... Thanks to the Holy Name Juniors, we'll do the same for them, come Thursday night.
