Noben zaveden državljan naj ne opusti glasovanja

Vsek se več ali manj zaveda v kako kritični dobi človeške zgodovine živimo. Vsak čuti, da svetovni nemir in svetovna neurejenost lahko vsak čas vnameta plamene novih vojska, novih nesreč. Vsak ima kar nekako v kosteh, da sedanj čas ni mir, čeprav ni vojska, vsaj ne tu pri nas. Vse je nesigurno, vse se boji prihodnjega dne.

Vsek tudi čuti, da se razmere ne morejo ustaliti, ker se ne morejo urediti mednarodni odnosi, ki jih preprečuje Rusija oziroma mednarodni komunizem, ki hoče popolnoma drugi svet kot pa ga imajo pred očmi zapadne demokracije in narodi s krščansko kulturo.

Tu v Ameriki redkokledo ali pa nihče ni pričakoval, da bo po vojni borba s sovjetsko Rusijo tako težka in tako dolgotrajna. Nihče ni mislil, da bomo imeli opraviti z velesilo, ki bo mimogrede po vojni, ko smo jo mi appesali, gladili in se nismo mnogo brigali kaj počne, narastla za sto osmedeset milijonov ljudi, ki so ob našem spanju, z našo molčečno podporo, pa vendarle tudi v našim pristankom, postali žrtve komunističnega imperija, potem ko so zapadne demokracije izdala vse svoje prijatelje, kar so jih imele tam.

Nihče ni pričakoval, da bo tako v Evropi dvakrat povečana sovjetska Rusija kar naščudni dan brž dvignila kopito proti svojim dobrotnikom in organizirala vso ogromno zemljo, ki jo je dobila z našo dobroti ali brezbrinostjo — proti nam in da bomo postali v naslednji stopnji nosilci sporaz med zapadom in vzhodom in se bo ta spor za vse povprečne ljudi imenoval spor Rusija-Amerika.

Kar preko nas je vse to prišlo, ne da bi bili mi najmanj hoteli. Sedaj pa smo sredi tega in takega položaja. Je neizogben. Rusija je totalitarna imperialistična sila, ki se poleg tega hodi za posebno ideologijo, ki ji je Amerika s svojim načinom življenja in svojo svobodo na poti. Ameriška moč je tako velika, da Rusija ne more, niti misliti ne more, da bi uspela s svojimi načrti dokler demokratična Amerika stoji. Nujen je spor in od njegove rešitve zavisi bodočnost naša in posredno tudi ostalega sveta.

Na tem križišču se vrše naše predsedniške volitve. Vse nastopajoče stranke so že povедale svoje programe, vse so postavile svoje kandidate in vsi so razvili svojo zgovornost in križem Združenih držav povedal kako misljijo zgrabiti težko usodo naše domovine, da bi nas vodili prav in izpeljali iz sedanja mučnosti.

Na Wallace-ove progresivce se ne oziramo, ker jih smatramo za zavedne ali nezavedne izdajalce ameriške domovine. Republikanski in demokratski kandidat sta povedala kako hočeta uveljavljati ameriški vpliv v svetu. Truman je na svojih shodih govoril posebno o notranjih zadevah ameriškega javnega življenja, ker je na tem polju bilo največ napadov nanj. Z novo socijalno zakonodajo hočeo demokrati poboljšati standart življenja širokih šibkih slojev in zaježiti širjenje revolucionarnih misli med ljudmi. Tudi vzgoji je Truman posvetil precej svojih programnih izjav. Mi sodimo pa da še mnogo premalo. V Evropi se je izkazalo, da je s komunisti šel ves tisti del naroda, ki ni imel prave duhovne podlage, ki ni imel prave vzgoje in ki v tem posebnem sedanjem družbenem vprašanju ni bil poučen. Tu je velik, če ne največji del odgovornosti v bodočnosti. Mi pravimo, da se bomo proti komunizmu borili z amerikanizmom. Dobro, samo amerikanizem mora imeti vsebinsko. Ni dovolj da mu damo samo politično vsebinsko. Amerikanizem mora imeti socijalen kulturn in duhovni program, mora zadovoljiti celega človeka.

Republikanski kandidat Dewey je mnogo več govoril o zunanj politiki. Razumljivo, da je to storil, ker je mož na tem polju nov. On je kot guverner imel priliko pokazati svoje zmožnosti na polju socijalne politike, javne uprave in državnih zadev ene največjih in najtežjih držav Amerike, na polje zunanj politike pa še ni stopil. Prav tam pa se bodo odigrale odločilne igre, ki bodo dočače tudi notranji in gospodarsko bodočnost Amerike. Dewey je bil hvaljeno jasen v svojih zunajnje političnih izjavah. Izbrisal je, republikanski izolacionizem in podal program najintenzivnejše skrbi za razvoj stvari v Evropi, kjer se sedaj bije glavna bitka med komunizmom in demokracijo.

Kakor vsak čuti tesnobo sedanjega položaja, tako stope tudi važnost volitev živo pred oči prav vseh, ki politično znajo misliti. Te ameriške volitve so važne, nad vse važne. Ameriška demokracija, ki bije glavni boj s komunizmom, nastopa za svoj prestiž in hoče pokzati svetu, da je ona najboljši način sodelovanja naroda v vladi, da je to vlasta naroda z narodom, da je to tako dragocena ustanova, da se narodom splača tudi veliko žrtvovati, da se obrani. Prva reč je, da pride ameriška demokracija iz teh volitev močna in živa. Dokazata mora, da v tej demokraciji sodeluje prostovoljno in zavedno ves narod. Sodelovanje v volitvah torej ponovno povdarjam. Udeležba pri volitvah je osnovno dobro demokracije, ki ga nihče ne sme zanemariti brez ozira na

to kateri politični grupe pripada. Visoka udeležba pri volitvah bo pričala svetu o zavednosti naroda našega, o državljanjski zavesti. Velika udeležba bo dajala ameriškim zastopnikom legitimacijo, da se sklicujejo na voljo vsega, svobodnega ameriškega naroda, velika udeležba pove, da se Amerikanci zavedamo važnosti in odločilnosti prav teh sedanjih volitev.

Tu je osnova našega ameriškega reda. Svobodno sodelovanje naroda v javni upravi je njegovo bistvo. Ali treba je da je res sodelovanje, sodelovanje vseh upravičencev vselej, posebno pa v zgodovinskih trenotkih domovine.

Newburške novice

Uganili ste. Danes je po glavljino naša 40-urna pobožnost. Ta velika farna slavnost je globokega pomena za vse kristjane v fari. Če rečem "kristjane" potem s tem mislim VSE, kateri žive kot kristjani, pa tudi one, kateri so iz enega vzroka ali drugega (namišljenega, seveda, ker opravičenega ni) postali tako mlačni, da vseh svojih dolžnosti napram Bogu in svoji nemurjoči duši več do celja ne spomnujejo; ne prihajajo k maši ob nedeljah, ne prejemajo svetih zakramentov in morajo tudi že molijo nič več. Tudi za te je 40-urna pobožnost velikega pomena, ker jih opominja na to, da v smeri, katero hodijo, ni zveličanja, kajti Gospod Jezus pravi: "Ne vsak, ki mi pravi Gospod, Gospod, pojde v nebesko kraljestvo, ampak tisti, ki spolni voljo mojega Očeta, ki je v nebesih, tisti pojde v nebesko kraljestvo." Ne zadostuje, da se samo imenujemo kristjane.

Prihodnjo nedeljo, ko sem videl v Ameriški Domovini, bomo imeli zopet enkrat nekaj lepega! Društvo Zvon nam obljudila koncert. Zato bo večerno cerkveno opravilo nekaj poprej, namreč točno ob 7. zvečer. Sv. Rešnje Telo bo izpostavljeni pri sv. maši ob 7:15 zjutraj. Po maši bo procesija in litanije vseh svetnikov. Slovensko pridigo v nedeljo večer bo imel Father Alojzij Rupar. V pondeljek bo angleška pridiga. Govoril bo Father Joseph Ozimek. V torek večer za zaključek pa bo zopet slovenska in to bodo imeli prevzeti škof Rožman, ki bodo do takrat zopet doma.

Za one, kateri skušajo spolniti vse, kar jim vera in Cerkev veleva, je ta pobožnost nekaka pozivitev v krščanskem življenju; v spolnjevanju dolžnosti, ki jih nihče nalaže in božje zapovedi splošni. Spovedovanje za 40-urno pobožnost se prične že v petek zvečer po rožnem vencu. Nadaljevanje v soboto zjutraj med mašami, v soboto popoldne ob 3. naprej in zvečer dokler kdo pride, če pride pred deseto uro. V nedeljo jutro

Svet potrebuje več moralnosti, ne manj!

Cleveland, O. — Zadnje čase se mnogo piše o neki zakulisni politični kupčici, ki jo baje že nekateri ameriški krog sklenitis Francovim fašističnim režimom v Španiji. Arhitekti tem moralne avanture, med katерimi je najvidnejši republikanski senator Chan Gurney, se izgovarjajo z vojaškimi ozirom, če da bi nam bila Španija krvavna potrebna v slučaju sovjetskega vdora v zapadno Evropo. Zdi se, da isti ljudje, ki ostro obsojajo Sovjet, ker se drže machiavellskega načela: namen posvečuje sredstva, sami flirtajo s tem nemoralnim principom. Rod "državnikov" Chamberlainovega kova očividno ni še izumrl; o tem dovolj jasno pričajo najnovješji poskusi "zblijanja" med Washingtonom in režimom fašističnega diktatorja in Hitlerjevega in Mussolinijevega pajdaša generala Francisca Franca.

Za one, kateri so omrzni v spolnjevanju svojih dolžnosti napram Bogu, bo pa ta pobožnost, ako ne zamudijo časa, prilika, da se povrnejo nazaj na varno pot življenja. Nič ne moremo mi zemljani reči, da bomo "jutri," "drugi dan" se povrnili k Bogu. Kaj, ko pa ne vemo ne ure ne dneva, kdaj nas Bog pokliče. Čakajte, naj vam to bolj konkretno navedem: Bil je človek, kateri je opustil nedeljsko mašo in zakramente. Dolga, dolga leta ni bil pri spovedi in sv. obhajilu. Pa se je vdal na prigovaranje svoje dobre žene in je šel na božjo pot in tam zopet enkrat opravil spoved in prejel sv. obhajilo. Srečnega in veselega se je počutil. Nekako dva meseca po tem je naglo umrl. Tudi vas vabi do dneki v 40-urni pobožnosti Zvezličar in vam kliče: "Pridite k meni vsi . . ." Ali se boste odzvali temu klicu, da občutite tudi vi, kako sladko je počivati na božjem Sreu? Ali pa boste šli še tako naprej v nevarnosti večne pogube? Ni se treba batiti, če morda tudi 30 ali 40 let nisi bil pri spovedi in pri mizi Gospodovi. Vsa spovednik ti bo z veseljem pomagal, da boš opravil brez vsake težkočete. Samo dobro voljo je treba imeti in se

kot smo je doslej pokazali mi sami—mnogo več! Potreben je, da si zapomnimo, da se resnica ne more braniti z lažjo; in da bratenje z razbojniki ne privlači.

Ameriško razmerje do Francovega režima mora temeljiti na enakem pogoju kakor razmerje do Titovega režima: na vrnilne polne politične svobode zatiranemu ljudstvu. Dokler ta pogoju ni izpolnjen, takodaj ne maramo nobenih zvez s Španijo.

VESTI IZ SLOVENIJE

(Nadaljevanje s 1. strani)
2800 takih jugoslovenskih fantov iz češke. Naložili so jih na vagonne in poslali nazaj Titu.

BOLGARI se radi spora med komunisti ne počutijo nič dobro. Na komando od zgoraj morajo vptiti proti Titu. Morali so tudi zapreti mnogo ljudi, ki so osumljeni, da so za Tita. Toda na splošno se čuti v Bolgariji, da jih ravno tako kot Jugoslovane moskovski komunistični jarem preveč žuli in to težko prenašajo. Baje so bili v Sofiji, glavnem bolgarskem mestu, zatenoti zatrotiki, ki so hoteli tudi bolgarske komuniste potegniti k Titu. Po teh poročilih je policija v Bolgariji zaprla večje število ljudi radi tega.

GRKI so itak stari sovražniki Jugoslavije. Grška protokomunistična vlada se je vedno trudila, da bi Jugoslaviji katero zgodila, posebno, ker je Jugoslavija podpirala grške komunistične upornike, katerim grška vladar kar ne more blizu. Nekateri sicer trdijo, da Grčija noče popolnoma premagati svojih komunističnih upornikov, ker bi se potem ustavila ameriška izredna pomoč, če bi enkrat bil komunizem premagan. Pa naj bo že kakorkoli, Grki so Titu gorki. Tako je Grčija očitala, da so jugoslovenski vojaki prestopili grško mejo in tam hoteli pomata.

gati upornikom. Pri tem je bilo baje 20 Jugoslovanov ubitih. Jugoslavija trdi, da se ti niso bojevali na grških tleh, ampak da so tja le v megli zašli in bili nenadno napadeni in pobiti. Težko bo določiti, kaj je resniča, ker so tudi Grki mojstri v lagunji.

GRKI PRIPELJALI 6 KOMUNISTOV

na jugoslovanska tla. Na vsak način je zanimivo,

da je grški aeroplani 12. decem-

PRIBLIZANJE ZAPADU?

Težko je presoditi, koliko se Tito resno približuje zapadnim velesilam, kakor mu drugi komunistični očitajo. To vemo, da se je poravnal z Amerikanci radi zlata in plačal 17 milijonov odškodnine. Tudi z Angleži name-

Začeli smo s poukom otrok,

kateri pohajajo v "public high

od pol 7. do pol 8. Vsi otroci

od 8. pa do 12. razreda so dol-

žni prihajati. Otroci v "high

pouka in vodstva, kakor pa ot-

roci nižjih razredov. Tisto

menjenje, da so otroci teh letih

preveliki za krščanski nauk je

tako zastarelo in nazadnjaško,

pot je vera o copričnik, ali pa

mnenje, da je svet ploščat.

Izgubljeni svet

ROMAN

Sicer ni bilo mogoče hitro teči po raskavih, težavnih tleh, a v svojem obupu sem zaledal razločno začrtano, dobro izhajeno stezo, ki je baš križala mojo dosedjanjo pot. Bila je to ena izmed bližnjic, ki so se jih posluževale različne divje živali, in smo jih večkrat srečali pri naših izletih. Mogoče bi me utegnil rešiti, ker sem bil dober tekāč in zdaj posebno lehak. Vrgel sem torej stran nepotrebno puško in drevel kaže pol milje kakor nikoli prej ali pozneje. Sklepi so mi pokali, prsa težko valovala in občutil sem, da mi stokajoča sapa kar trga pljuča, a strašilo zadaj me je vedno in vedno po-

dilo naprej. Slednjič sem se ustavljal, ker sem popolnoma onemogel. Trenutek se mi je dozdevalo, da sem se ga otrezel. Na stezi, ki sem jo gledal, je povsod vladala tišina. A potem se je nandno zopet razleglo prasketanje in lomastenje, peketanje pošastnih šap in sponjanje orjaških pljuč, zverina mi je bila zopet za petami. Bil sem izgubljen.

Kako prismojen sem bil, da sem se tako dolgo obotavljal, preden sem se spustil v beg! Poprej je vodil pošast samo voh, in zato je prišla tako počasi naprej. A v trenutku, ko sem zbežal, me je morala zagledati. Zdaj ji je pri zasledovanju pomagal tudi vid: saj je kazala steza smer, po kateri sem zbežal. Zdaj je priletila z naglimi skoki okoli grmovja in se prikazala izza vogla. Razločil sem v mesečini plamteče, izbuljene ogromne oči, odprto žrelo z vrsto grozovitih zob in strahovite, lesketajoče kremlje na mogočnih sprednjih šapah. Z obupnim krikom sem se zasukal in besno zletel po stezi naprej. Za seboj sem slišal vedno bolj glasno piskajoče dihanje strašila. Težko peketanje njegovih šap se je razlegalo tik mene. Vsak trenutek sem pričakoval, da se mi spustijo njegovi kremlji na mrežo. A zdaj je nekaj nenadno zaprasketallo — zrušil sem se v nek prepad, in vse naokrog je postal temno ter mirno.

Ko sem se zopet zavedel — mislim, da sem bil brez zavesti samo nekoliko minut — sem zavohal neznosen, zoprni smrad. Iztegnil sem roko in otipal v temi nekaj, kar je bilo slično debelemu kosu mesa, dočim je zgrabil druga roka velikansko kost. Zgoraj sem zagledal krog zvezdnatega neba in torej sklepal, da ležim na dnu globoke jame. Pačasi sem se dvignil na noge in si otipal ves život. Bil sem lesen, in od pet do glave me je vse bolelo, a noben ud mi ni odpovedal in sem jih lahko premikal. Ko mi je predločil zopet pretreseni spomin vse okoliščine mojega padca, sem prestrašeno pogledal navzgor v pričakanju, da bom videl sredi bledega neba črno senco pošastne glave. A strašila ni bilo videti in od zgoraj se ni razlegal noben glas. Stopil sem počasi okoli jame in povsod otipaval stene, da kaj pozivemo nepričakovanim kramom, kamor sem se tako srečno zvrnil.

Kakor sem omenil, je to bila jama s strmimi stenami in gladkim, kakih dvajset čevljev širokim dnem. Tla so bila posnjana s cunjam debela meša, ki se je po večini popolnoma razkrnjalo. Zato je bil tak obupno strpen. Skakal sem in se spotikal ob teh smrdljivih kupih mesa ter nenadno otipal nekaj trdega in sledišči spoznal, da je bil to sredi ame trdno zabit navpičen kol. Bil je tako visok, da mi roka ni segala do vrha, zdelo pa se je, la je ves prevlečen z maščobo. Zdaj sem se bliskoma spomnil, da imam v žepu škatlico voženih vzgladic. Pričkal sem mo in ugotovil, kam sem parallel. Takoj mi je postalo jano, čemu služi ta jama. To je jila past, ki so jo naredile človeške roke! Kol na sredi je jih kakih devet čevljev dolg, na

koncu zaostren in ves črn od strnjene krvi zveri, ki so se bile nanj nabodle. Okoli razmetaneunce mesa so bile ostanki pleme, ker so moral ijdje razkosati svoje žrtve, da pripravijo prostor za nove, ki se bodo zvrnile v jamo. Spomnil sem se, kako je pripomnil Challenger, da ne morejo na planeti bivati ljudje, ker ne bi bilo šibko orožje kos pošastim, ki bi jih napadale. Zdaj pa je bilo jasno, na kak način so si znali pomagati. Nisem sicer ničesar vedel o teh domaćinih, vendor pa so jim nudile jame z ozkim vhodom zadostno zavetišče, kamor niso mogli orjaški laževci, njih bolj razviti razum pa je izumil jame ob stezah, koder so hodile živali: znali so jim torej priti do živega klub njih velikosti in moči. Tudi tukaj se je izkazal človek kot zmagovalec.

Spretnemu človeku ni bilo pretežko splezati po pošveni jamski steni na prosto, a dolgo sem se obotavljal, preden sem se vnovič upal v bližino grozovitega nestvora, ki mi je malo ven. Zvezde so ugasaše, nebo je bilo verjetno, da bi se slično omejeno bitje, ki je sledilo edino svojemu krvolčnemu nejasnemu nagonu, prej samo malo začudilo, potem pa pustile lov, ker sem jaz izginil, pa se napotilo iskat drug plen? Splezal sem do kraja jame in pogledal na krov, ki je zdanilo. Ni dvoma, da so

je obledelo in jutranji sveži vetrč mi je zapiral prijetno v obraz. Nikjer ni bilo ne duha ne sluga o mojem sovražniku. Počasi sem zlezel ven in se uvedel za trenutek na tla, v slučaju nevarnosti takoj pripravljen, planiti nazaj v svoje zavetišče. Potem sta me pomirila popolna tišina in naraščajoča svetloba in sem se toliko opogumil, da sem odtaval nazaj na stezo, po kateri sem prejšel. Spotoma sem pobral puško in kmalu zopet do potoka, ki jih ni pustila, da bi se prilagodili izpremenjeni okolici.

Ce bi name zverina čakala,

je opazili mojo odsotnost. Misliš li so najbrž, da sem zašel v gozd in oddali strel, da mi pokazujejo smer proti taborišču. Sklenili smo sicer, da na noben način ne bomo streljali, a so način napredovali tako hitro, ka-

BOWLING LEAGUE**

After six weeks of bowling, Orazem Confectionery holds the lead in the tight race for first place while the Brodnick Brothers dropped into a tie for third with the Arctic Air Refrigeration team. There was some hot bowling but the leaders in the high score divisions held their positions. High team series for the night of Oct. 7th, was hit by the Malenek Brothers entry. Their high single game of 233 which also took honors for the night helped them to come up with a good 256 total. William Kvacic came through with a terrific 615 series for the Norwood Men's Shop but he already was on the board by a previous 618 series. Tony Lunder and Al Meglich put up a stiff fight to take high single game honors but the fellow wound up in a dead heat with a pair of 227 games. Both of the bowlers are averaging in the 145 neighborhood and they really helped their team out with their high games.

The Malenek Brothers' took two games and total pins from the Norwood Appliance five to jump into second place. Joe Vidmar blasted a 221 game in his 584 series as he paced Bob Koenig 503, 519, Stan Stokel 502 and the rest of the Malenek boys. Rudy Brancal knocked out a good 516 series to take the top spot for the Appliance team which took the second game of the series with an 877 game.

After dropping the first game to the Jimmy Slapnik Florists, Cimperman Market came back to take the last two games and total pins for three points. Berne Schultz 212, 552 and G. Skufca were the big guns for the Marketeers who pounded a nice 912 game to end the night. Ed Avesc came up with a fine 539 series to walk away with top honors for the Florists.

The hottest fight of the night took place between the league leading Orazem Confectionery five and the red hot Arctic Air team. Orazem's took two of the games and hit a 896 game which was high for the two teams but the consistent bowling of the Air boys showed up in total pins. At the end of the series the Refrigeration team

"Floridian Club"

The fourth meeting of the "Slovene Floridian Club" was held on Sunday, Sept. 26th, at John Mihelich's farm in Leroy, Ohio.

The weather proved ideal and we spent a very relaxing and enjoyable day amid the beautiful flowers and trees. The evening meal was also provided outdoors in this setting. The main course was homemade Slovenian Sausage with Sauerkraut. The variety of cookies was the piece-de-resistance. There were about twenty-five different kinds and when we got through tasting each, we were ready to burst. To our hosts we say "Well Done!"

At the business end of the meeting the following were a few discussions attended to:

A motion was made to send a bouquet of flowers to member Frank Rača, who was ill at Cleveland Clinic Hospital. Member, Bertha Cerniglo extended an invitation to the members to attend an "Open House" at her home on Sunday afternoon, Oct. 3rd.

It was announced that the next meeting will be held on Sunday, Oct. 31, at Perrotti's Rathskeller and it will be

a Masquerade Party. All member must be in costume and mask. Our hosts for the day will be Mr. and Mrs. John Perrotti, and Mr. Joseph Kuncic.

The entertainment part consisted of a visit to the Seminole Indian Reservation. We all enjoyed a trail hike through the jungle. When in a beautiful clearing surrounded by majestic trees and a spring-fed lake at one side, we suddenly came across the Indian village with an appropriate campfire and tepees. Here we saw several beautiful Indian Squaws, braves, and puppies. Leader of the group was

(Chief Horse Feathers) John Bukovnik, the others were: Brav (Sitting Tight) Rudy Gregorich, Squaws (Course Hair) Jennie Demshar, (High Brows) Emma Gregorich, (Three Feathers) Anna Mihelich, (Four Roses) Antonette Bukovnik, (Ache & Ache) Pauline Lirk, Indian maid; (Hop Scotch) Nancy Bukovnik, (Knee High) Joanne Demshar and (little Burp) Eddie Demshar.

Chief Horsefeathers had a display of Indian wares which were sold to the guests. Also, inspection of the teepee revealed why the Indian squaws never leave home.

A community songfest was held here also. Then we proceeded back to the house where we stayed late into the night. We are all indebted to our hosts, the John Bukovniks, John Mihelichs', Rudy Gregorichs' and Frank Zakrajska for a full and complete day, long to be remembered.

In attendance were: Mr. and Mrs. John Birk, Carolyn Budan, Mr. and Mrs. John Bukovnik, and Nancy, Mr. and Mrs. Joseph Demshar, Mrs. A. Filipi, Mr. and Mrs. Albert Glicker, Mr. and Mrs. Frank Gilmek, Mr. and Mrs. Rudolph Gregorich, Mrs. Bertha Cerniglo, Mr. and Mrs. Joseph Kozan, Mr. and Mrs. Frank Kramer, Mr. and Mrs. Harold Demshar, and children, Mr. Joseph Kuncic, Mr. and Mrs. Daniel Stachik, Mrs. John Perrotti, Mr. and Mrs. Frank Mayer.

Time, Newsweek, American Magazine, American Mercury, etc., evidence the national stature and eminence which have come to Frank J. Lausche as a result of his outstanding public service.

From "Inside U.S.A." we glean the following excerpts of the Lausche story as told by Mr. Gunther:

"Frank J. Lausche, governor from 1945 to 1947, of one

of the great master states, Ohio, is a character like no other

in American public life. What he seems to possess above all

is a quality both mysterious in origin and of inestimable value

to a politician—a very considerable personal vote-getting capacity.

"Frank was born in Cleveland on November 14, 1895. His

father worked in the steel mills, and died when his son was

twelve. Frank found that he was pretty good at baseball, and

he became a semi-pro. Then he got a job as a third baseman

with Lawrence, Mass., and later with Duluth, Minn.

Lausche was learning to be a soldier at Camp

Gordon, Ga. Lausche was discharged from the Army in January 1919 (as a second lieutenant) and had to decide whether or not to accept the Atlanta offer and formally adopt professional baseball as a livelihood. He went back to Cleveland, attended law school . . . was admitted to the bar in 1920, placing second highest in the state examination, and practiced until 1932. He was then appointed to a judgeship in the Municipal Court to fill an unexpired term; the next year . . . he was elected to the Cleveland bench (he led the ticket) and served till 1937, when he moved up—also by election—to the Court of Common Pleas . . . He held this post till 1941, when he became mayor . . . by a thumping 61 per cent majority . . . the biggest vote in the history of the Cleveland mayoralty. In 1943 he ran again, and was even more thumpingly re-elected; he received 71 per cent of all votes cast, which is probably a record for any big city election in our time.

"Then, the next year came the first race for governor.

All told, in the 1944 race he spent only \$27,162.75, a minuscule sum for Ohio. His Republican opponent, together with the statewide Republican party, spent not less than \$988,000—and lost! . . . Lausche won the governorship by 112,000.

"Lausche married a girl of Scotch-Irish descent . . .

named Jane Sheal . . . a highly competent woman . . . of the

most signal service to his career, and a strong liberal influence . . .

"What distinguishes him most is probably his compelling

sympathy for the underdog . . . What does he believe in most?

First, honesty. Second, the spirit of American institutions.

What does he stand for most? The principle that public office is a trust . . .

INDIANS WIN WORLD TITLE

Bearden Halts Rally To Save Lemon's 4-3 Victory Over Boston Braves

The ball sailed toward left field at the major league's only unbeaten team in world series warfare.

It may be said that the decisive blow was struck by Gordon, for he slammed a home run over the left field fence against the Braves' Bill Voiselle in the sixth round. Or it may be said that a double by Boudreau in the third against the same right-hander, driving home Dale Mitchell, produced the winning run.

A moment later Manager Lou Boudreau and Joe Gordon were hugging each other near second base. Gene Bearden was being carried off the field by a mob of deliriously happy teammates and the whole world acclaimed the Cleveland Indians the champions of the sixth round.

It took Cleveland fans a while to get going to celebrate the Cleveland Indians' second world championship—but when they did, ZOWIE!

Windows along Public Square and Euclid Avenue fairly trembled with the vibration of automobile horns, boat whistles, cannon fire-crackers, shouts, cheers.

Most of the celebrators were young sprouts. Some were driving their father's cars, and some were driving their own. They made a regular circuit down Euclid Avenue, around Public Square and out Euclid again.

Short Sketch Of Our Own Frank J. Lausche

"Frank Lausche . . . is obviously a man to watch. The United States doesn't have so many capable and honest men in public life that it can afford to neglect any native son, particularly if he comes from Ohio. Lausche . . . seems to be a political natural."

This is the glowing tribute John Gunther, famous author of "Inside U. S. A.", pays to former Gov. Lausche as he devotes nine pages of his best-seller book, read by millions of Americans, to detailing Lausche's career as athlete, soldier, lawyer, judge, mayor and governor. SNOODLES

This and That from Washington

By Congressman Frances P. Bolton

EACH FALL this letter has attempted to discover what shipments have been—whether there will be an adequate supply on hand by the time navigation closes. Investigation shows that we are several million tons ahead of last year's record at this stage. With favorable weather between now and December 1st we should top the 1947 record of 77,898,089 tons by 7 million tons.

Mrs. Bolton The stock piles at lower lake ports and furnaces should be sufficient to supply our great steel industry until carriers move north again next spring. The general feeling seems to be that although it is still a bit of nip and tuck, the odds are in favor of adequacy.

YOU WILL probably be as relieved as I am to know that the closing of rather a goodly number of consular posts does not mean that our foreign service position is suffering from overmuch economy. A State Department release advises the closing of seventeen offices was, to a great extent, due to the shift in importance to other areas. Some of these places will be staffed with Consular Agents. To balance closures, fourteen new offices have been opened. Some are in territories that have regained pre-war importance, some in new regions where strategic materials, increase in shipping or establishing new means of communications make it necessary for us to go. Three represent the birth of new nations: Pakistan, Israel and Korea.

A DEFINITE factor in keeping America a nation of free men is Small Business, a factor which this Letter has stressed for years. Examination of the present situation in this field shows small business appears to have maintained its numerical strength, but has lost some ground in the proportion it does of the nation's business. Safety for the country would seem to lie in keeping this proportion up

met the housekeeper Sister Marcina. The sisters said good night before the meeting got under way. You are all welcome to come again and please do soon.

A group of new members were also presented to us, and we hope to get better acquainted in our future meetings together. Mrs. Strublak has been conspicuously missing at our last few meetings. It was brought to our attention that she has met with a slight accident. Drop her a card at 1233 E. 60 St.

It was decided that on Wednesday, the 26th, at 7:30 the mothers will come to the Sodality room where we will be instructed in the making of corded Rosaries.

The door gifts were won by Mrs. Ann Slapnik and Mrs. Paletic. It was amazing how our hostesses were able to anticipate that such a large number of mothers would be present and they were well prepared with more than enough donuts and coffee for all. Mrs. Elgar, and Mrs. Solomon, our hostesses, served us well. Thank you very much.

Mrs. Foye "done it again"—made another afghan. Just can't remember how many Mrs. Foye has already made for the Mother's Club. Our sincere appreciation to you Mrs. Foye.

To defray the expense of the next affair, Mrs. Foye baked a cake and offered it to the club. The mothers were very eager to win this cake with the dish included. It was well worth the try. Mrs. Foye won.

Frank Yankovic and his Yanks from Cleveland, Ohio, invaded New York City when they landed an engagement two weeks ago at the famous "Village Barn" night club at 52 W. 8th St., between 5th and 6th Avenues.

On Thursdays they can be heard on NBC from 12:05 to 12:30 a. m. and on Sundays on the same station from 1:30 to 2:00 a. m. On Tuesdays on NBC from 12:30 to 1:00 a. m. and the same day on WOR from 1:00 to 1:15 a. m.

DO YOU GET VITAMINS?

Of course you do. Everybody does. Couldn't live if they didn't. The question is, do you get ENOUGH Vitamins? A good many people do not, and as a result, eat low protein foods.

Following the election of the present Governor, Thomas J. Herbert, to the office of Attorney General of Ohio in the fall of 1938, Hanna accompanied him to Columbus as an Assistant Attorney General. He returned to Cleveland in Oct. of 1939 to form with Charles F. Carr the firm of Carr and Hanna. The firm served in many cases as Special Counsel to the Superintendent of Banks and to the Superintendent of Building & Loan Associations in the liquidation of financial institutions. The firm was dissolved in 1941 when Mr. Carr was appointed Liquidator of The Guardian Trust Company.

On March 31, 1948, he was appointed by Governor Thomas J. Herbert judge of the Cuyahoga County Court of Common Pleas to fill the unexpired term of Judge Stanley Orr. Judge Hanna is married and the father of three children: Harry, Jr. aged 8, Kathleen, aged 6 and Margaret Ann, aged 3½.

He served as President of the John Carroll Alumni Association from 1933 to 1936 and it was during his incumbency that the drive to collect pledges was conducted which resulted in the raising of enough funds to resume the building program and make available
