Novi tovarni zakon.

Novi zakon glede uravnave železni-

ških tovarnih cen je izdatno razširil

delokrog komisije za meddržavni pro-

met. Vpliv novega zakona bo pred

vsen odvisev od komisije in sedaj je

le želeži, da bi ta komisija rabila ve-

dno vsa svoja pooblastila. Za časa

dosedanje komisije se za določbe zve-

zinega prometnega zakona čestokrat

ni nihče zmenil, tako da so se zamogle

mirno in neovirano vršiti vsakovrstne

goljufije na polju prometa. Novi fo-

zadni zakon ni nič drugega, nego le

nekoliko razširjenje dosedanjega in

njegova najnovejša določba je gotovo

ona, ktera podeljuje komisiji moč do-

ločiti tovarne cene, kakor hitro se

kaka stranka radi teh cen pritoži. Na

ta način zamore komisija odpraviti

množico krivic, ktere so se vršile do-

sedaj v trgovinskem prometu.

Kmalom potem, ko postane ta zakon

pravomočen, se bode pokazalo, za-

more-li priti komisija s svojimi odred-

bami do veljave, ali je bode tudi v

tem ovirala sodna revizijska po komisiji

določenih tovarnih cen. Toda tudi

ako se to dogodi, zamore komisija na

podlagi drugih pooblastil mnogo ne-

pravilnosti odpraviti, kterim dosedaj

ni bilo mogoče priti do živega.

Z jedno besedo: zvezina prometna

komisija zamore sedaj vsaki rabat

pri razpisiljanju blaga in vsako pre-

doznanje kakor tveganje v škodo druge

odpraviti. Baš z ozirom na to mora

nova komisija skrbeti, da se dosedan-

je prometno poslovanje spremeni. Vsaki

rabat je bil tudi dosedaj zakonito pre-

veden in kaznjiv, toda za tozadevne

določbe se ni nihče zmenil.

Ako pa nova komisija svojih dolž-

nosti ne bode izvajala resneje, kakor

dosedanja, potem od nje nimamo pri-

čakovati nič drugega, nego od dose-

danja.

"Bratje, v kolo se vstopimo" in "Lu-

na sije".

Potem smo odkorakali na dirkali-

šče, kjer se je vršila kresna veselica

v korist koroških Slovencev. To

vam je najlepši prostor za take pri-

reditve. Ograjen je z vseh strani,

okrog in okrog ima nizke nasipe; ves

prostor je amfiteatralen. Tu se je

zbralo sila mnogo ljudi. Sodeč po

vstopnicah, ki so se prodale, in po

tem, da so vsa društva in še mnogo

drugega občinstva bila vstopnine

prosta, lahko trdimo, da se je na tem

prostoru zbralo več nego osem tisoč

ljudi. To je nekaj! Naše brate

je pogled na to množico očaral. Vse

je bilo navdušeno. Zabava je bila

finca in nepriljena. Sokoli so telo-

vadili, pevi so peli, godba je svirala,

seveda vse to se je vršilo po vrsti.

Pred paviljoni je vse vrelo, kakor

pred čebelnjakom. Družestne dame

so ti ponujale izborna pijača in v kus-

ne jestvine. Dobili si vse, kar si le

požele. Se celo hrenovke in kresni

guljaš je bil na razpolago. Kavarnar

Krvarič, rodom Hrvat, pekci je na

razniju deset jancev. Imel si torej

vsega dosti in vse po solidni ceni.

Pred očmi pa smo vedno imeli ko-

roške brate. Nismo jih puščali sa-

mih. O polnoči so nas mislili zapu-

stiti in se vrniti na Koroško. Tedaj

pa smo se začeli poslavljati v govorih.

Govor se je vršil za govorom in nismo

se mogli ločiti. Še mnogo smo si imeli

povedati. Saj se še nikdar nismo vi-

deli. Objubili smo, da bomo gmotno

podpirali društvo "Drava" in da se

sko vidimo na Koroškem. In da

se geslo se sedaj glasi: Le dalje na

naše meje, dalje iz Ljubljane, na Ko-

roško, na Štajersko, očitno pa na

Koroško. Tam nas čaka delo, tam je

nevarnost, tam še moramo kaj rešiti.

Gotovo pa je to, da je na Koroškem

več in težje narodnega dela, nego

na Koroškem. Kadar pade Koroško,

pride na vrsto Kranjsko. Torej le na

Koroško! Tam delajmo narodne trd-

njave, tam vzbujajmo rojake, tam je

bojišče.

Tako smo se navduševali. Ne samo

besede, delo naj bode naše geslo. De-

lati je treba. Na vsem Koroškem

imamo le jednega slovenskega učite-

lja, ki je res naroden, to je g. Elar,

vsii drugi so Nemci ali nemurci. To

je žalostno! Kaj more eden učitelj

stori? Slovenskega uradništva na

Koroškem nimamo. V Beljaku je bilo

dostojnih 12 slovenskih uradnikov.

Osmerico so premestili drugam, na

progo med Beljakom in Trstom, in le

četvorica ostane v Beljaku. Ti želo-

niški uradniki so se shajali vsak ve-

čer v gostilni, tvorili so takozvano

"beljaško omizje". Dobri Slovenci

so vidijo, kako Nemci tlačijo Slove-

nce na Koroškem, kakor jih zatira

vлада, in zato so stopili na noge, osno-

vano so društvo, ktero se imenuje

"Drava" in o katerem sem že prej

poročal. Tako je peščica Slovencev,

beljaško omizje, zasnovo zdravo mi-

sel, a naša skrb bode, da se krasna

misel iz
