CLEVELAND, O., 13. OKTOBRA (OCTOBER), 1943

VOLUME XXIX. — LETO XXIX

Pol milijona zavarovalnine dosežene

22. KAMPANJSKO POROČILO

Od 23. septembra do 7. oktobra je bilo vpisane nove zavarovalnine za \$48,500. To je pripomoglo, da smo dosegli nad pol milijona nove zavarovalnine. Skupna vsota v sedanji kampanji vpisane zavarovalnine znaša \$506,000.

Tekom minulih dveh tednov (od 23. septembra do 7. oktobra) so vse armade povoljno napredovale. Posebno pa se je odlikovala armada generala Math Pavlakovicha, ki je pridobila za \$13,000 nove zavarovalnine. Ne le samo, da se je tretja armada, kateri načeljuje general Math Pavlakovich zadnje čase najbolje odlikovala, pač pa je tudi porazila, oziroma prekosila armado generala Germa. Zastava zmage vihra torej sedaj nad tretjo armado.

Armade so ta čas razpostavljene po naslednjem redu:

3.....	\$ 94,000
1.....	92,000
7.....	89,000
2.....	86,000
6.....	62,250
4.....	45,500
5.....	37,250

Za lep napredok, ki smo ga tekem zadnjih par tednov dosegli, gre javna poхvala vsem generalom, divizijskim načelnikom in sploh vsem, ki so že na en ali drugi način do tega lepega napredka pripomogli. Le tako naprej!

Sedaj nastne najvaženejše vprašanje: katera armada bo prva dosegla \$100,000 zavarovalnine? Drugo vprašanje je: katero društvo bo v najbližnji bodočnosti doseglo predpisano kvoto

JOSIP ZALAR, glavni tajnik.

K VOJAKOM

Brat Pezdirtz, predsednik društva sv. Jožefa, št. 169 v Clevelandu nam poroča, da bo sta dne 19. oktobra v ameriško armado odšla dva nadaljnja člana navedenega društva in sicer brat Charles Terček in brat Louis Ižanc, oba poročena, večletna marljiva člana društva, tudi sodelujoča pri društveni godbi. Kakor znano, je bil brat Terček duša te godbe ali kapelinik kar je vršil vedno brezplačno. Zdaj je že 150 članov navedenega društva v naši armadi, viševši pet članov-godcev.

Obema novima borcem Strica Sama želimo veliko uspeha in srečen ter zmagonosen povratak.

V NEAPLU JE UBILA BOMBA NAD 100 OSEB
London, 7. okt. — Reuterjeva časnikarska družba poroča iz Neaplja, da se je v glavnem pošti v Neaplju razpolila bomba, ki je ubila nad 100 oseb, med temi ženske, otroki in vojake.

To bombo so skrili Nemci pred odhodom v kleti glavne pošte. Bomba, ki je vsebovala več stotin razstrelijivih snovi, je bila napravljena tako, da se bo razstrelila sama v gotovem času.

Mnogo oseb, ki so se nahajale ob času eksplozije v poštnem posloplju, je bilo razstranjeno na drobne kosce. Ves cestni tlak pred pošto je detonacija pognaла visoko v zrak. Med žrtvami je tudi nekaj vojakov, katerih naravnosti še niso ugotovili.

Vitezovski radio pa je med tem sporočil, da je bil nemški poslanik v Berlinu novo kampanjo, da dokažejo svetu, kako potrebno je, zaščiti papeža.

DRUŠTVENA NAZNANILA

DRUŠTVO SV. CIRILA IN METODA, ŠT. 8, JOLIET, ILL.

Vabilo na sejo

Ker bo prihodnja seja v nedeljo, 17. oktobra, trimesečna, na kateri bodo nadzorniki poročali o finančnem stanju zadnjih treh mesecev, ste vsi člani vabljeni, da bi se mnogoštevilno udeležili te seje. Do sedaj so bile seje maloštevilno obiskane. Ker je vedno kaj važnega za rešiti, pa sam odbor ne more sklepati ali odglasovati za kako stvar, ki je na dnevnem redu.

Zatorej prosim, da bi se za naprej malo bolj zanimali in se bolj številno udeleževali rednih, posebno pa trimesečnih sej. Članice, ki ste zaostale z asesmentom, ste prošene, da svoj dolg poravnate brez posebnega opomina od tajnice.

Obenem se tudi naznanja, da se je na zadnji seji, katera se je vršila 17. septembra, odglasovalo, da se naše društvo korporativno udeleži slavnosti, katero bo priredila podružnica št. 20 SZZ v nedeljo, 24. oktobra povodom 15-letnice svojega obstanka. Ob 11. uri bo darovana sv. maša. Zatorej vas prosim, da se udeležite kar največ močne. In pridite ob 10:30 v Ferdinand dvorano, kjer se bodo društva zbirala, od tam bo malibohod, potem pa gremo v cerkev k sveti maši.

Sobrati pozdrav,
Math Buchar, tajnika.

DRUŠTVO MARIJE POMAGAJ, ŠT. 78, CHICAGO, ILL.

Članice našega društva so prav prijazno vabljene na prihodnjo sejo, ki se bo vršila v nedeljo, 17. oktobra v cerkveni dvorani. Posebno naj pridejo mlajše članice, ker bo prišla ena izmed glavnih odbornic, sestra Jean Težak iz Jolietia na to sejo in ima nekaj posebnega za mlajše članice za poročati.

Ta mesec smo zopet zgubile eno članico in sicer sestro Uršulo Kozarich. Pokojnica je umrla v domu pri sestrah v Lemontu 6. oktobra. Pogreb se je vršil v petek, 8. oktobra v Ottawa, Ill.

Večkrat sem na seji omenila, da bi sestre pregledale svoje certifikate, če sotaki kot one že lijo in ne čakati, da pride huda bolezen in šele takrat se zmisli. Ta mesec smo zopet zgubile eno članico in sicer tistemu, ki bo imel vaš počenje v oskrbi, da takoj naroči tajnici društva, da tajnica lahko vse potrebitno uredi. Veste, vzame čas, predno se nosilke dobi, karte razpoložje in vse

PRIREDITEV ZA NAŠE VOJAKE

(Nadaljevanje z 2 strani)

Ziščno darilo vsem sinovom naših članic, ki so preko morja. Ker je bivališče naših vojakov tako nestalo, smo sklenili, da jih pogostimo, ko se vrnejo in jim poklonimo mal dar v znak, da smo jih vedno v mislih z ljubezljivo spremjale na vseh njih težavnih in nevarnih potih, s srčno željo, da se vsi povrnejmo zdravi in veseli, kot junaki znamovalci.

Lia Menton.

IZDANJE NOVAKOVEGA BESEDNIJAKA ODLO-ZENO

Ker se v teh razburkanih časih tisku in papirju cena neprestano viša in se s tem seveda večajo tudi tiskovni stroški, smo sklenili, da se bo izdanje Novakovega besednjaka odložilo vse dotlej, dokler se svet ne pomiri in ne pride zopet v normalni tir, a denar pa, ki so ga nam naša društva, klubi, krožki in posamezniki poslali za to prepotrebno knjige vnaprej, vrne v polnih zneskih. Ta denar se je začel vračati dne 8. oktobra.

"Upamo tudi, da bo Kongres strokovnih unij počačal zahtev za rasnično drugo fronto in materialno in moralno pomoč za ljudsko osvobodilno armado in partizane v Jugoslaviji ter da bo zahteval, da se ne bo reakcionalni skupini jugoslovenskih benguncev v Londonu več dovoljevalo izrabljati svobodnega in demokratičnega ozemlja Britanije za organiziranje boja proti ljudskemu osvobodilnemu gibanju v Jugoslaviji.

"Naš odbor je z veseljem izvedel za navzočnost sovjetske delegacije na vašem kongresu. Delavski razred Sovjetske zvezde nam daje zgled, nas navdušuje v boju zoper okupatorje in nam daje upanje, da bodo demokratične države s skupnim naporom dosegle popolen polom sčvrščnika."

To poslanico so podpisali: France Svetek za Svobodne strokovne organizacije in za socialno demokratično stranko, France Leskovšek za komunistično stranko in Tone Fajfar za krščansko socialne strokovne organizacije.

To pa ne bo edina slika, da si je vredna sama enovečernega programa. Pokazane bodo še druge slike, kakorše niso bile pokazane. Take predstave naj nikde ne zamudi. Vršila se bo Slovenskem domu, Holmes Ave., začetek bo točno ob 7:30. Glasba začne v dvorani že ob 7. uri. Pridite točno, zaključek predstave bo ob 9:30.

Sestra Frances Gregorich, tajnica društva št. 211 v Chicagu, Ill. nam je poslala nastopno pismo svojega nečaka Jakoba Petriča, tudi člana omenjenega društva, ki služi v ameriški armadi že od 19. nov. 1941 in se sedaj nahaja nekje v Oranu, Alžirija, Afrika. Naš list Glasilo, kaj rad prebira, dasiravno dobi včasih po 10 številki skupaj vsled neredne poštne zveze.

Jack je bil rojen v Forest City, Pa. Ko je bil tri leta star, so ga starši vzeli v Evropo. Leta 1937 je prišel nazaj v Ameriko in sicer iz vasi Lipsen pri Cerknici na Notranjskem. Tukaj je bival ves čas do vpoklica pri omenjenih sorodnikih v Chicagu. Na Eveleth, Minn., ima tudi teto, Mrs. Debevec; v Barbertonu, O., ima strica, Mr. Petriča, in tetu, Mrs. Grum; v Forest City, Pa., ima teto, Mrs. Marnik. Jack je bil prvi svetoštefanski vojak, ki je bil ranjen v boju. Bil je odlikovan z medaljo škratnega srca.

Pismo se glasi:

Draga teta in stric: Sovražni Nemec je dosti mladih fantov pobil. Nemci so streljali s kanoni, potem so nas pa še bombardirali. Imam košček šrapnela, ki ga hraniš za spomin. Ravno nad členkom na levi nogi mi je tisti kos priletel in me ranil, pa ne hudo. Seveda me ni nič ustavilo; sem kar naprej šel in se ni sem nič zmenil; ravno tako sem ečutil, kakor če bi me kaka muha

pičila. Potem so nas še bombardirali. Bomba je padla — lahko rečem — pet korakov od mene, pa ni nobenega nič pobil. Srečnega se počutim, da sem prestal ta boj z eno samo manjšo prasko. Bil sem v bolnišnici od 12. aprila do 31. maja, potem pa so me poslali nazaj k staremu oddelku. V bolnišnici jih je bilo doli z zlomljenimi rokami in nogami, pa tiste pošljeno v Ameriko. Ne skrbeti. Vojna v Afriki je končana.

Kar zmeraj piše pisma domov. Kar se tiče oficirjev, jih tukaj zmeraj spremišljajo. Nekateri so mlađi in neizkušeni. Za posleni smo zmeraj. Delamo vsake vrste telovadne vaje, gremo na pohode, včasih tudi na nočne vojaške vaje. Zjutraj vstavemo 15 minut do šestih. Kosilo imamo ob šestih zjutraj. Delo se prične ob osmih. Delamo po navadi pol dneva. Pred enim jednom smo bil ponoči večinoma zunaj. Včeraj sem moral stati na straži. Nahajamo se bližu Orana. Vsako popoldne se gremo kopat v Sredozemsko more. Tukaj je lep kraj in dosti razvedrila. Tudi hrano imamo zelo dobro. Ni slabu tukaj, doma je pa veliko boljše.

Dragi stric in teta, zmeraj mislim na Vaju. Daleč sem od doma, v mislih pa zelo bližu. Srečen sem, da imam tako dobro teoto in strica. Prav iskreno vas pozdravljam iz tujine, tako tudi vse moje druge sorodnike, vse sosedne in znance fare sv. Stafana v Chicagu. — Vajin ljubec nečak.

Pravito je, da imam premoč v zraku, mnogo premoč.

Tako po obstreljevanju iz topov mornarice, so se izkrcali britanski komando oddelki, ameriški rangerji in tehnične čete mornarice. Commander pravi: "Ti so vedno prvi. Komando oddelki in rangerji so pospraviti z gnezdroj strojnimi puški in baterijskimi pozicijami, strelec, ki so se vkopali in z možnarji, vse to že dolgo, predno se je naša poglavitna sila sploh izkrcala."

Prvi nemški protinapad se je začel ob desetih zjutraj in je bil, kar je commander imenoval "lulu" tiger tanki, kakor jih imenujejo Nemci, ki streljajo iz svojih hudobnih 88-milimetarskih topov, so se pognali naravnost dolni proti morju, v sredo, preko in vse naokoli naših mož, ter so razbijali povsod na majhne koščke naše ljudi in njihovo opremo."

Nemški napad je pregazil, poroča comander, britanske in ameriške vojake, ko da je "valjlar za drobljenje kamenja." Vojaki so se umaknili, toda komando oddelki, rangerji in tehnične čete so se zagrizeno držale na obali. "Takorekc obdesedno z zobmi so se zagrizeli v kamenje in z nohti izgrebli luknje, v katerih so se skrili povsod, kjer jim je uspelo, da se infiltrirajo v gričevje."

Skupina angleške infanterije, kateri se je posrečilo, da se vkopijo, se je nahajala v svojih lisicijih luknjah ob zidovju italijanske mlekarne. Nemški napad jih tam presenetil in poveljnik je z naslednjimi besedami opisal, kaj se jim je pripetilo:

"Eden od nemških tiger tankov je šel tam skozi ponoči preko morja, sem bil doslej vedno varen, zato Vam tudi v tej dolgi dobi nisem pisal; toda zadnji čas se je pa moj položaj spremenil. Jaz nikakor nisem pričakoval, da bom umrl v tej vojni — cesar tudi nihče drugi ne misli, — toda sedaj vedno bolj in bolj računam na mojo srečo ali pa usodo, samo če ista ne bo zadržala, boste to pismo prejeli.

"Ne omeni bi še smrti, če bi se ne zavedal v kako nevarnem kraju smo sedaj, gotovo Vas bo to v srce ganilo, zato me to zelo skrbi. V duhu gledam na srečne in zadovoljne dni ob Vaši strani in drage ženice, če bi prišel domov; saj ste mi dali najboljšo vzgojo, da bi imel lepo bodočnost."

"Čeč čas sem zatem prenehel misliti na smrt, toda zdaj je pa vse drugače, ker sem smrtno ranjen, zdaj sem pa na smrt pripravljen. Rad bi še dočakal konec in zmago naše vojne, pa bi se vrnil k Vam in moji ljubljeni ženi.

"Dobro se zavedam, čemu se borim, tudi če bi lahko, bi v tem času nerad doma ostal. Sedajna vojna se vrši za dosegovanje svobode in demokracije.

"Če torej umrem, bom umrl v zavesti, da sem se prenehal misliti na smrt, toda zdaj je pa vse drugače, ker sem smrtno ranjen, zdaj sem pa na smrt pripravljen. Rad bi še dočakal konec in zmago naše vojne, pa bi se vrnil k Vam in moji ljubljeni ženi.

"Dost sem videl. Verjetno je, da bom imel priliko iti na Balkan in morda mi bo mogoče tudi v Evropo. Leta 1941 sem dočakal moj položaj spred doma, sedaj pa vse dočakam v Afriki. Tukaj je lep kraj in dosti razvedrila. Tudi hrano imamo zelo dobro. Ni slabu tukaj, doma je pa veliko boljše.

"Prosim Vas, da ne žalujete vselej moje smrti; pomnite, da Vam to pismo pišem z nasmem in dobro voljo tukaj na morju. Zadovoljen sem, da lahko izvrzim to, kar je moja dolžnost.

"Bodite dober fant. Sovražni Nemci so dosti mladih fantov pobil. Nemci so streljali s kanoni, potem so nas pa še bombardirali. Imam košček šrapnela, ki ga hraniš za spomin. Ravno nad členkom na levi nogi mi je tisti kos priletel in me ranil, pa ne hudo. Seveda me ni nič ustavilo;

APEL NA KRAJEVNA DRUŠTVA

Da se naše ameriško ljudstvo v resnicu zaveda domoljubja in sedanjih resnih časov, je to zopet jasno pokazalo v baš zaključeni kampanji ali razpisu tretjega vojnega posojila. Uradno se iz Washingtona poroča, da je bilo tega vojnega posojila, oziroma teh bondov prodanih za 17 bilijonov dol., torej za dva bilijona več, kakor zahtevano.

Brez dvoma in prav gotovo so tudi naši domoljubni slovenski Američani ali rojaki k tej zmagi s svojimi deleži in prispevki prišli, saj je samo naša jednota iz svoje blagajne kupila teh bondov za \$355,000.

V glavnem uradu bi radi sedaj vedeli, za koliko teh bondov je kako naše podrejeno društvo sedaj kupilo, tako tudi znesek kupljenih bondov od strani članstva dotičnega, oziroma vsakega našega društva. V to svrhu so tajniki(ce) društev naprošeni, da naj to naznanijo na naš gl. urad. Pri sestavi nakupa posameznikov, ni treba imen istih navajati, ampak, celokupen znesek, saj je to čast in ponos društva. Izvolute torej tozadne željo glavnega odbora zanesljivo vpoštevati!

Po programu se vrši ples v obeh dvoranah. Takoj po programu se bo servirala okusna večerja; torej se vam ni treba bati, da boste lačni, kajti tudi v tem oziru je odbor preskrbel vse potrebitno. Torej ne skrbite glede večerje, pridite v dvorano in večerja bo za vas tam pripravljena.

Torej dragi rojaki in rojakinje, Slovenci in Slovenke in Jugoslovani sploh, potrudite se označenega dne in napolnite obe dvorani Slovenskega delavskega doma na Waterloo Rd. Namen te prireditve je vzvoden ker bo ves čisti preostanek šel v namen, za kar smo organizirani—namreč, da zbiramo dobeske za naše trpeče ljudi v Sloveniji, oziroma v Jugoslaviji, in naši rojstni domovini, iz katere prihajamo vi.

Vstopnina je samo 50 centov, kar je zelo nizka, v primeri s bogatim programom. Torej ste ponovno prošeni vsi in vse, da si preskrbite vstopnice ob pravem času. Prošeni ste tudi, da prideš točno ob 3:30 popoldne v dvorano. Priredite zadnje čase so zelo redke med nami, zato smo prepričani, da se boste gotovo poslužili te prilike.

Cilj naše postojanke je zbrati \$1,000; če se vsi zavedamo svoje narodne dolžnosti, bomo tudi kaj z lahka to dosegli. Pomnite, da odbor in zastopniki sodelujočih društev, ki se trudijo in delajo, ne delajo zase, pač pa za trpeče ljudstvo. Kri voda in to naj bi imeli vse v zavesti.

Vse društvene tajnike in tajnice prosim, da vstopnice, katerih imate v predprodaji, izročite podpisanim pred prireditvijo.

Ravno tako tudi tiste prodajajoče listke mi izročite ob času. Med tem časom pa hitite in razpečavajte vse, kar imate v oskrbi.

Zato priliko smo si poskrbeli

tudi lično programsko knjižico, kjer je označba vsporeda programa in tudi nekaj oglaševanja, katera je določena samo 50 centov. Program bo bogate vsebine. Na primer nastopili bodo razni naši talenti. V solospievih, duetih zborih. Na primer ga. Grill-Ivanush, Milavec-Levstik, Vera Milavec-Slejko na piano. Vprizorjena bo tudi živila slike "Simbol trpeče Slovenije," pod pokroviteljstvom Progresivnih Slovensk. Dalje nastopi mladinski pevski zbor SDD. Hafmoniko solo mladi Al. Bajc iz Fairporta, O. Pevski zbor Zarja nastopi v pesmih "Plava Donava," izvedeč iz operete "Četnik v gozdom" po poznavajo politične razmere med Jugoslovani, tolmačijo razpustitev Informacijskega centra kot zma-

go ambasadorja Konstantina Fotiča, kateremu že dolgo očitajo, da podpira pan-srbske interese na škodo Jugoslavije.

Odkar je bil pred dvema letoma ustanovljen Informacijski center kot urad, ki je imel poslovati neodvisno od ambasade, so vladali hudi spori med temu uradom jugoslovenske vlade. Fotič, ki je Center vedno napadal, češ, da njegove funkcije po vsej pravici spadajo v območje ambasade, je trdil, da se je Center bavil mnogo več s političnim rovarejem kot s svojo nalogo, da razdeljuje nepristranske informacije.

Osebnosti Centra pa so obtoževali ambasadorja, da zlorablja svoje funkcije kot predstavnik jugoslovenske vlade v izgnanstvu s tem, da podpira interes pan-srbskega pokreta, katerega vpliv prevladuje v vladni sami, ki je te dni prenesla svoj sedež iz Londona v Kairo. Te obtožbe podpirajo tudi liberalni krogovi ameriških Jugoslovanov.

Krogovi, ki so ambasadorju na-

sprotni, se grenko pritožujejo

nad tem, da je bil Center razpuščen in eden od teh govornikov je celo izjavil, da je bila

njim razpuščena edina democra-

tična institucija v tej deželi, tako da imajo zdaj pan-

srbski elementi vso oblast v rokah.

XIV.

Petelinščini še niso zapeli, ko se je Jaka že napravil. Tudi mati se je že vrtila pred ognjiščem, nič ni čutila zaspanca, saj pojde sin v službo in ima pred seboj dolgo, dolgo pot.

V daljavi se je komaj za spoznanje pordečilo nebo in oškropilo z bleščavo vrhove hribov. Jaka je bil že globoko v grapi, ko se je izra gora dvignila krvava obla in stopila temo.

V tovarni je kar hitro opravil. Odzakali so mu delo, ki ga pa ni utrujalo, celo poživljalo ga je, saj se mu je zdelo, da dela od slej ne le zase, ampak tudi za Rezo.

V opoldanskem odmoru je dobil polno starih znancev. Najbolj vesel je bil še Dorčeta, čeprav ga je zazeblo, ko se je spomnil na njegove papirje; pa tudi ta je misil, da mu bo Jaka očital. To da nič ni bilo tega. Iskreno sta si segla v roke in govorica je na nesla tudi na zapor, na Ceneta, da, celo na Rezo.

"Saj bo tako še najbolj srečen," je menil tudi Dorče, ko mu je Jaka razdelil, da se misli priženiti na bajto.

"Jaz pa ostanem samec. Če me zapro, ne bo za meno ničče žaloval," je žalostno dodal Dorče. Zavila sta v gostilno, kjer sta se že nekdaj shajala.

"Kaj, kako se svet obrača!" je menil Dorče.

Jaka ga ni razumel in mu ni vedel odgovoriti.

"Hhm!" je zamoljal.

"Kar dobro mi de, da sva se spet našla," je Dorče zaobrnil pogovor. "V teh časih je težko dobiti zanesljivega prijatelja, ti si pa eden tistih, ki mu človek že prvi dan lahko vse zaupa."

Jaka je zazeblo.

"Sam si delavec in na svoji koži poskuša vse dobre delavskega stanu. Mi smo na slabšem kot hlapi, tako tudi povem. Poglej te tovarne. Lastniki si kopijo milijone, mi pa stradamo in se ubijamo za nekaj piškavih dinarjev. Drugod bi se delavci že zdavnaj upri. Pa saj se bomo tudi takuj, če bo šlo po sreči. Ti boš z nami, Jaka, to že vnaprej vem. Zdaj bomo poskusili brez orozja, dosti nas je, ustrashila se bodo podjetja in tudi oblasti. Seveda, če bi bilo treba, se bomo znali tudi braniti. Vedeni moramo, da ni gibanja brez žrtev," mu je razlagal Dorče in ga popolnoma osvojil. Jaku se je zdelo, da je ni sile, ki bi mogla prekrizati Dorčetovo načrte. Zgrabilo ga je in brez besed mu je segel v roke.

"Jaka, za štrajk je že vse napeljano; imam same zanesljive ljudi, ki znajo molčati in ki stvar tudi razumejo. Ko bo prvi sestanek, te bom že obvestil, da boš bol natančno vedel, kako in kaj. Eno pa je, gledati bomo morali na red in snago. Oblasti bodo na nas pazile in če bomo kaj zagrešili, jim bomo dali povod za vmešavanje. V tovarno bomo prepovedali prinašati žganje in vino, pa tudi sadje bi utegnili skoditi. Naju se razpase griža, ves naš trud bi bil zastonj in kapitalisti bi nas še bolj prisili," je Dorče nadaljeval in kar kipelo je v njem, ko je videl, da je Jaka popolnoma njegov.

Na noč se je Jaka vračal domov. Glava mu je bila težka, preveč ga je zbelal Dorče in nov svet se mu je odpiral pred očmi. Navduševala pa ga je misel, da bodo delavci ugnali tovarnarje in sami določili plače, ki jih bodo morala podjetja odobriti. Kar veličasten se se mu je zdel prizor, ko bodo delavci zasedli tovarne, njih pisarne, zaplenili knjige, se usedli k telefonom, če treba zaprli ravnatelje in poslovodje. Sam ni vedel, kdaj je premeril gra-

njihovih rokah. Toda bojim se, kleta so ležala nepremično. Motor je ropotal, da je stresalo gruče na cesti.

"Peljite čez nas! Me se ne ganemo!" so dekleta vzklikal.

"Živila naša dekleta, živila!" je zarjula množica v tovarnah, na cesti, še otroci so kričali in starke, ki so jih varovali.

Avt je mirno stal komaj meter pred ležečimi telesi.

"Fej! Fej!" je množica obdelovala oblastnike.

"S tujim kapitalm drže," je kričal Bende.

"Fej!" je odgovarjala množica.

Avt se je nenadoma obrnil, dekleta so pa še zmerom ležala čez cesto. Ko ga oči niso več ujele, so vstala in tovarisce so jim steple prah z oblike.

Vse gruče so se zgrnile okrog junakinj.

"Tako je treba, takol!" je vzklikal Bende. "Pet vreč krompirja vam bom še kar prideljal."

"Dekleta, le korajžo! Ce bo treba, tudi vola pošljem iz hleva!" se je junacičil polgruntar Tavek, ki je imel med stavkujočimi brata in sestro.

Jaka in Dorče sta bila od sile navdušena, vendar pa je Dorčeta čez nekaj trenutkov zasebno.

"To se pravi, štiri tisoč nediscipliniranih koštrunov. Dvajset žandarjev nas ukroti, da bo veselje. Pri nas namreč. Drugod ne!" je ugovarjal Petru.

Zenske so bile najbolj glasne in navdušene.

"Mislil"

"Ne samo mislim, tudi vem!" je preprečeval Dorče. Drugič jih pride pet avtomobilov, si je misil, spoznał pa je že mišljene, ki se je naselilo med stavkujoče. Nekaterim je postal štrajk nekakšna igrača, drugim burka, nekateri so ostali že kar doma, češ, kaj pa mene štrajk briga; le nekaj jih je bilo, ki so se pomena svojega početja zavedali in ki so stopili v štrajk iz preprica in žive potrebe. Še nekaj dni in vrste se bodo bolj in bolj redil in vsa odgovornost bo prevajena na pleča pešice; ta bo tudi trenačka vse posledice, če se štrajk izjavovi.

Jaka tako daleč ni misil, ker

"Žandarji se peljejo!" je viknila prva straža.

"Žandarji! Žandarji!" je šlo od ust do ust.

Po klancu navzgor je sopal tovarni avto in na njem so sedeli žandarji. Bajoneti so se svetili v poletnem soncu. Na cesti so se ljudje ustavili, hipoma so se jele zgoščati gruče: kolesarke, svoji štrajkajoči, kmetje z vozmi, delavske izvidnice, zidarji, tesarji, otroci in starci. Iz množice se je razlegnil žvižg, drugi, tretji. Avto se je počasi bližal tovarni.

Deset, dvanaštdeklet iz tovarni se je vrglo na cesto kar v prah.

"Peljite čez naša telesa. Pejite! Tu smo!" so vpile, avto pa se je počasi ustavljal. De-

On this occasion 45 junior cadets of the SWU will make their debut in their new uniforms. This new junior drill team has been organized last December. BOMBS FROM HEAVEN

Pvt. Louis C. Verch sent us Hitler's favorite song. Pvt. Verch, at present stationed in the land of "midnight sun" suggests that members sing it.

Here it is:

Number One Song on Hitler's Hit Parade:

Bombs From Heaven

Every time it rains, it rains bombs from heaven.

I know each cloud contains planes from heaven.

I'll find my armies taking a beating on all fronts.

My armies will be ready when invasion comes.

Trade Nazism for a package of Democracy and Freedom.

So when I hear roaring of planes,

I'll get under shelter, 'cause it's bombs from heaven For my people and me.

There are no "rookie" dollars. Send yours to the front! Buy U. S. War Bonds and Stamps!

The following lodges have contributed splendidly: Nos. 169, 108, 156, 153, 191, 226, 206.

There are 79 more days to the close of the drive. There is still time for the 49 lodges that did not contribute at least one new member.

OUTSTANDING ST. JOSEPH MUSICIANS WILL LEAVE FOR ARMED FORCES

Cleveland, O.—St. Joseph's Society, No. 169, will lose two of its very active members Oct. 19 when they leave for the armed forces.

They are Charles Tercek, a director of the lodge band, who has aided in making the Joseph Blue and Gold band one of the outstanding units of its kind in the city; and Louis

Izanec, versatile musician, who also cooperated in the perfection of the band. Both are married. Needless to say, the lodge will miss them. They have the best wishes of the lodge with their hopes for an early return.

St. Joseph Society now has 150 in the services, including five members of the band.

Joliet, Ill. — John Azman's 625 series, with a 264 game, highlighted the events of the fourth session of the Joliet K. S. K. J. Men's Bowling League. Tezak Florists Whitewash the White Front Liquors

JOLIET LADIES IN BOWLING CURTAIN RAISER; LEAGUE TO BE CLOSE

Joliet, Ill. — The Joliet K. S. in the second game and mark-K. J. Ladies' 1943-44 bowling ed up a 411 series. For the season was officially opened losing team Jo Ramuta was last Thursday night at 7 by high with a 436 series. Capt. Jean Tezak, Supreme Officer, Ann Vertin of the Gorsich and Helen Keith, president of team scooped up a lot of wood

first balls rolling down the alleys. We expected a couple of strikes but they fooled us and left a few pins standing.

Spectators packed the alleys to watch the ladies get off to a flying start and what looks like another successful season. The crashing sound of falling pins and the ringing of the foul bell by that eagle-eyed foul boy kept all the bowlers on their heels striving to make this their best season.

It looks like there will be plenty of tough competition this season. Only one team scored a three-game victory. The Joliet Engineers overpowered the Peerless Printers three games to take the lead in the league. Not only are they high in team standings, but also won for themselves the first place in team high series with 1588.

Top honors for the winners go to Capt. Jule Camp who tallied a 441 series. If Jule keeps up that good bowling she'll be on top of the list in averages in a short time. Florence Benedick did her bit for the winners too with a 425 series. Jennie Juricic, a new bowler with the league this season, was consistent in hitting games in the 120's. Chris Azman started the season with three good games and was high for the losers.

Considering it was the first week of bowling, the girls had some really good games. High games of the night: Mayme Umek 150, 159; Marge Dolinshek 173, Ann Vertin 163, Jo Ramuta 159, Vida Zalar 156, Jule Camp 159, 163, Florence Benedick 158, Gen Lauric 167, Helen Keith 167, Donna Wilhelm 162, Doris Fabian 165.

Schedule for Oct. 14: Avsec Printers vs. Joliet Office Supply with a series of 424. Vida Zalar was close behind her with a 415 series.

LET PARENTS BE EXAMPLE TO THEIR CHILDREN

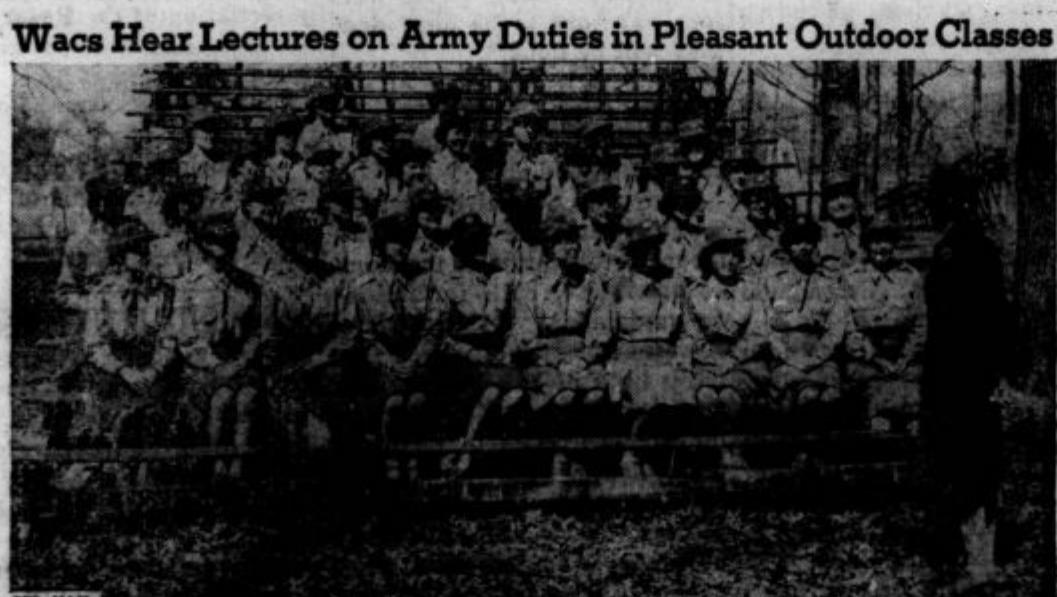

Juvenile delinquency points to "a disorderly home and to parents who have fallen down on the job," Dr. Roger F. Sondag, past assistant surgeon of the U. S. Public Health Service and presently an official of the Florida State Board of Health, says in the September issue of "Florida Health Notes," monthly publication of the State Board.

"There would be no need for curfew laws to keep girls off the streets, or liquor laws to keep them out of bars, if parents had the courage and stamina to tell their children to stay home where they belong," Dr. Sondag says. "The parents of our young boys and girls are primarily responsible."

"The American home and a well-ordered family life are essential to the well-being of the nation. There is no real reason for 12, 13 and 14-year-old girls, or any girl under 18, running around the streets all hours of the night, but they are doing it and parents are doing little to stop it. Mother and dad can settle this problem quickly if they will, but a good many parents derive the same pleasure from 'juking' and therefore actually contribute to the delinquency of their children, instead of taking a firm stand against it."

"The necessities of war have practically made orphans of a great number of teen-age boys

La Salle, Ill.

The following recipes have been compiled to help home-makers stretch the family's meat allowance as far as possible.

Since whole-grain and enriched flours, cereals, and breads are superior in food value to refined ones, every effort should be made to use them in these recipes.

Five Layer Dinner

1 lb. ground beef, 4 medium potatoes sliced, 1 medium onion sliced, 2 cups canned tomatoes, 1 small green pepper cut in rings, 2 teaspoons salt, pepper to taste.

Brown meat in small amount of beef suet. Arrange in layers in a flat greased baking dish in the following order—meat, potatoes, tomatoes, green pepper, and onion. Season each layer. Bake in a moderate oven for about 1 hour. Makes 6 servings.

Oatmeal Meat Loaf

1 lb. ground beef or pork, 1½ cups uncooked rolled oats, 1 egg, 1¼ cups milk, 2 teaspoons salt, 2 tablespoons minced onion, 2 tablespoons minced celery or celery leaves, ¼ cup grated carrots.

Combine all ingredients, mixing lightly. Shape into a loaf and bake in a moderate oven for 1 hour. Serve with tomato sauce. Makes 6 to 8 servings.

Kidney Stew

1 pork kidney or 4 small lamb kidneys, 2 tablespoons bacon fat, 2 tablespoons chopped onion, 1 teaspoon salt, pepper, 2 tablespoons flour, nutmeg or curry powder, 1 teaspoon parsley, minced, 1 teaspoon Worcestershire sauce.

Combine all ingredients, mixing lightly. Shape into a loaf and bake in a moderate oven for 1 hour. Serve with tomato sauce. Makes 6 to 8 servings.

Split kidney and remove the white tubes and tissue. Cut into half inch pieces. Cover with cold water to which 1 teaspoon of salt has been added for each quart, and let stand for 30 minutes. Drain and rinse in cold water. Put in sauce pan, cover with boiling water, and simmer for 1 hour. Drain. Put bacon fat and onion into a pan; add kidney, salt and pepper; cover and cook for 20 minutes. Add 1 cup of water and the flour mixed with a little cold water to a smooth paste. Simmer for another 10 minutes. Add the nutmeg, parsley, and Worcestershire sauce. Serve with boiled potatoes, hominy or steamed rice.

Mexican Chili Con Carne

1 cup kidney beans, 1 lb. onions, sliced, outside stalks of 2 bunches of celery, 2 tablespoons fat, 1 lb. hamburger, ¼ teaspoon cinnamon, 2 teaspoons salt, ¼ teaspoon paprika, ½ teaspoon dry mustard, ¼ teaspoon cloves, 1 tablespoon chili powder, 1 quart canned tomatoes.

Cover beans with water and soak overnight. Cook until tender. Cook onions and celery in fat until lightly brown; remove from pan. Mix meat with seasonings, cook in fat, tossing with fork until brown and crumbly. Add onions and remaining ingredients; simmer slowly for one hour. Allow to stand overnight. Reheat and

A WAVE ON THE BEAM!

Editor's note: The following contribution was forwarded by Dorothy Udovich, A. S., former reporter to Our Page for the Eveleth, Minn. Booster Club. Dorothy reports that the club has temporarily disbanded because so many of the fellows left for the services, while the girls are enrolled in schools or have departed to take jobs elsewhere.

Here's some "scuttlebutt" (gossip) on the Navy WAVES.

We girls, training at Hunter College, in the Bronx, New York City, have been thrown into our new life with the vigor and decision which is characteristic of our Navy. The first day, we became acquainted with our "sisters" for three or four weeks. — Imagine, ten girls in one apartment. These girls are all from the Middle West, and are great fun!

The next day we received our navy gear — GI nylons (cottons), navy blue hats, and shoes. "These shoes were designed for service, not beauty," we were told by the supply

WOUNDED IN MEDITERRANEAN AREA

Cleveland, O. — Pvt. Albert W. Hosta, son of Mrs. Mary Hosta, 13224 Carrington Ave., was slightly wounded in the Mediterranean area on Sept. 10, according to word received here Oct. 11.

A graduate of West Technical High School, he has been in Africa since April. He worked at the Warner & Swasey Co. until his enlistment on December 3, 1942. He has three brothers in the service who are all stationed overseas. Private John is a paratrooper, Private First Class Louis just left for overseas and Shipfitter Martin is with the Seabees.

Then in quick succession we received out anti-typhoid, cow-pox, tetanus shots, gym class, drill classes, lessons in naval courtesies, until we're eager to "hit the sack" every night by 9:30, when bed-check is taken.

For three weeks or so, during our boot-training, we arise at 5:30, and all day are occupied until 9:30. During this period we must stay at the post. After this indoctrination, we'll receive our uniforms and get a Saturday and a Sunday afternoon in downtown New York. Meanwhile, we're hopefully trying to keep from acquiring "demerits," keeping our quarters clean, for captain's inspection, and having a lot of fun.

RECOVERING AFTER AIR CRASH

Cleveland, O. — Sgt. Walter B. Kasunic, 22, adopted son of Mr. and Mrs. Daniel Kasunic of 15301 Hale Ave., is recovering in a hospital in the South from injuries suffered in the crash of an Army Air Corps bombing plane near the Army Air Base at Dalhart, Tex., recently.

In the crash, which cost the lives of six other crewmen and injury to another, Sgt. Kasunic suffered internal injuries and severe burns on his left hand. His condition was reported as not serious, however.

Sgt. Kasunic, whose parents are dead, entered service on Feb. 7, 1941. His father was a brother of his adopted father, Daniel Kasunic.

FLAG SONG

Starry banner waving brightly in the sky,
Every storm a-braving, helped from heaven on high!
Loved by all the nation, with affection true,
Beautiful creation, the red, white and blue.

Stars and stripes the fairest over land and seas,
Flag of ours the rarest, rippling in the breeze,
Telling us the story; like the stars we view
Shining in their glory; the red, white and blue.

Stars that shine in splendor, stripes that never fade,
Courage thy defender, e'er in freedom's aid
May our love be ever staunch and true to you
And to fail thee never, the red, white and blue.

Stars and stripes of beauty, love we give to thee
In our loyal duty, flag of the land of the free.
Freedom's emblem shining glory old and new,
In the breezes twining, the red, white and blue.—Rev. J. B. Crowe.

Maybe This Helps . . .

Last week an observer noted a one-foot high sign painted on a store window: Commando Knives for Sale.

The same observer was in a store when a mother with her 7 yr. old son purchased three packets of BB's for the boy's air rifle. After the mother and son departed the store-keeper said, "She ought to have her head examined. The kid was in here before, but I refuse to sell such stuff to kids."

No remarks necessary!

THEY SAID LAST WEEK

General George C. Marshall, Army Chief of Staff:

"For most of the past year and a half we have been engaged in establishing bases for future operations. Comparatively speaking, large combat forces of the ground army have not yet been engaged. Our shipping has been largely employed in getting our air forces into action and in building up the tremendous installations required all over the world, both to maintain the combat forces already moved into the various theatres and to provide for the very much larger forces to come. These preparations have now been practically completed . . . Now at last we are ready to carry the war to the enemy, all overseas, thank God, with a power and a force that we hope will bring this conflict to an early conclusion."

General Douglas MacArthur, Chief of Command in the Southern Pacific:

"My strategic conception for the Pacific theatre contemplates massive strokes against only the main strategic objectives, utilizing surprise and air and ground striking power, supported and assisted by the fleet. This is the very opposite of what is termed island hopping, which is the gradual pushing back of the enemy by direct frontal pressure, with the subsequent heavy casualties which will certainly be involved . . . Island hopping, with its extravagant losses and slow progress — some press reports indicating victory as late as 1949 — is not my idea of how to end the war as soon as and as cheaply as possible."

John B. Martin,
Deputy Director of the Office of Civilian Defense:

"In the case of natural disasters Civilian Defense forces have done a recurring and remarkable job. They were on hand in organized force at the wrecks of the Congressional Limited and the Twentieth Century. They were ready recently to deal with the worst fire which Houston has had in years. They have served in a hurricane in Akron, in the Cocoanut Grove Fire in Boston and their hands carried relief and comfort to the flood disaster victims of the early summer. In these ways and many others they have proved their worth. They are citizen soldiers. They must and will carry on . . . Other home front needs are arising constantly. Additional reserves of salvage are going to be needed. A vast conservation program will need the support of millions of Civilian Defense volunteers. The successful attack at home on the whole food shortage problem will depend upon their cooperation and enthusiasm. The problems of adequate child care for children of working mothers, to stop an increasing problem of child delinquency, must be met. These war jobs have got to be done and they will be done."

William Green,
President of the American Federation of Labor:

"Our first objective must be to keep America free. That means preservation of freedom of enterprise, both for industry and labor. It means less Government regulation of the daily lives of our people and it means flat rejection of totalitarian short-cuts to prosperity, whether they be of the Nazi, Fascist or Communist variety. To accomplish this objective, America must prepare now for a peace-time production program which will provide jobs for the millions of soldiers and sailors who will be demobilized and for the millions of workers now employed in war industries. This can and should be done without delay. I have no patience with those who feel that a post war depression is inevitable. On the contrary, the opportunities for nation-wide revival of activity in the construction manufacturing and service fields are enormous. It is incumbent upon us to take full advantage of them. We should always remember that the American way of life depends upon a high standard of living." —FLIS.

More than one million copies of these publications have been printed and distributed. The House of Representatives has, on three different occasions, unanimously passed resolution requesting that these documents be reprinted.

Can a Member of Congress fence of our country, just the transmit free of postage anything to foreign countries that same as money spent directly he can transmit free of postage through the mails in the United States?

Yes; to Canada, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, Guatemala, Haiti, Honduras (Republic of), Mexico, Newfoundland (including Labrador), Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela. Likewise mail entitled to pass in the domestic mails in any of these countries free of postage is entitled to transmission free of postage to the United States. This privilege does not include air mail.

Can a soldier, sailor or marine in the armed service of the United States in time of war vote in elections?

It depends upon the laws of the State of the residence of one in the armed forces, who desires to vote. If a State has an absentee voting law, members of the armed forces may vote if the laws of a State permit it even though they are outside of the State of their residence or even the country during the time of election. Voting privileges depend upon the State of residence.

Let fathers and mothers of families especially be an example to their offspring. When at the end of day all have returned home from their work and their business, let them kneel before an image of our heavenly Mother, and with one voice, one faith, one mind, let the parents lead their children in the recitation of the Holy Rosary.

America is heeding those words which the aging Pope Pius XI addressed to the Universal Church in the autumn of 1937.

For in this month of October 1943, more Americans, more American families will pray the Rosary—and pray it more fervently—than perhaps ever before.

The story of Father Peyton is but one of many:
Students of Visitation High School in Chicago, working under the inspiration of Monsignor Daniel Byrnes, have, by door-to-door canvasses and by letters, succeeded in introducing the daily family Rosary into 40,000 homes.

Spreading through the West is the "Army of Prayer," whose moving spirit is Monsignor Michael Sullivan of Paso Robles, Cal. Only a few months old, the movement claims 200,000 members reciting the Rosary daily for those in the armed forces and for world peace. Catholic universities and Newman clubs in state universities have enlisted in the "Army."

In the deep South, Father Charles Marin is conducting a series of radio broadcasts from Lafayette, La., to enlist family Rosary pledges.

The Superior Council of the Society of St. Vincent de Paul has distributed throughout the country more than a half million leaflets appealing for family recitation of the Rosary for the men and women in the armed forces.

For, as the same Pontiff wrote:

. . . such, in the words of St. Bernard, "is the will of God, who has wished us to have all things through Mary."

Should investments in postal savings be considered as valuable in our war effort as the purchase of defense bonds and stamps?

Do Members of Congress pay income taxes?
