

Združene države so popustile, Kanada ne

Civilni a e r o navtični odbor je sporočil ameriškim letalskima družbama TWA in AWA, naj se ne izpostavljata kaznim s kršenjem mednarodnih dogovorov.

WASHINGTON, D.C. — Na posredovanje državnega tajništva je Civilni aeronavtični odbor odstopil od svojega prvotnega stališča in letalskima družbama American World Airways in Trans-World Airlines sporočil, naj se držita mednarodnega dogovora in predpisov v pogledu cen za polete preko Atlantika. Obe družbi sta nato objavili, da bosta vprašanje "proučili". Kanadska vlada L. Pearsona je med tem ostala pri svojem stališču in zahteva ohranitev starih cen za prekoatlantske polete.

Civilni aeronavtični odbor je prvotno sporočil ameriškim letalskima družbama, da računa s tem, da bosta ostali pri starih cenah. Ko pa je Velika Britanija začela groziti, da bo letala obeh držav zasegla na angleških letališčih ali pa jim prepovedala pristaneč, če se ne bodo držale dogovora o povišanju cen, sklenjenega lani na konferenci Mednarodne zveze za letalski promet, je popustil, čeprav je očitno, da velika večina letalskih družb pri poletih preko Atlantika zasluži že pri sedanjih cenah in da s temi dobički krije izgube na drugih progah.

V vladnih krogih trdijo, da nimajo po zakonu nobene možnosti, da bi zvišanje preprečili, da pa bo položaj drugačen, če Kongres sprejme zakoniti predlog, ki ga je izdelala Bela hiša.

Vprašanje višjih cen na prekoatlantskih poletih je začela včeraj obravnavati Mednarodna zveza letalskih družb (IATA) na nujno sklicani konferenci na Bermudih.

Krupp bo gradil v ZSSR

MOSKVA, ZSSR. — Veliko nemško industrijsko podjetje Krupp, ki je oborožilo Nemčijo za obe svetovni vojni, je zgradilo v Sovjetski zvezi v zadnjih dveh letih več popolnih tovarn, med njimi tovarne za umetna vlakna. Te dni se mudi tu glavni upravnik podjetja Berthold Beitz. Imel je tudi daljši razgovor s samim Hruščevom.

Beitz si bo ogledal tovarne, ki jih je zgradila njegova družba, pa tudi druge industrijske naprave ne samo v evropskem delu Sovjetske zveze, ampak tudi v azijskem.

Beitzova pot v Sovjetijo in njegovi razgovori z vodniki Sovjetske zveze so zanimivi v toliko, ker Sovjetska zveza stalno napada Zah. Nemčijo zaradi njenega oboroževanja in Združene države, da jo v tem podpira. Krupp je simbol nemške oboroževalne industrije, vendar je Hruščevu in drugim vodnikom Sovjetske zveze dobrodošel gost!

Čehi pretepli afriške študente v Pragi

PRAGA, Češka. — Sicer je malo pozno, pa vendarle ne prepozno, da za afriške študente morali spoznati, da je tudi med češkimi tovariši toliko "socijalistične zavesti" kot na primer v Sofiji in da znajo češki komunisti tudi kar sredi Prage pretepati svoje goste iz Afrike.

Pri tem Čehi niso bili poseben junaki. Poročilo namreč pravi, da se je kar 300 čeških študentov spravilo nad dva črna. Policija je hitro napravila red, toda napad se je menda ponovil v nekem hotelu sredi mesta.

Češki študentje so baje nezadovoljni, ker dobivajo črni gostje veliko večje podpore kot domači študentje. Na splošno pa Afričani niso priljubljeni med Čehi. Čehi so namreč prišli do prepričanja, da Hruščev vse preveč podpira Afričane, toda ne na svoj, ampak na češki račun. Češka mora tako močno podpirati afriške narode, da pri tem trpi celo življenjski standard njenega prebivalstva.

Cooperjev polet okoli Zemlje je draga stvar!

CAPE CANAVERAL, Fla. — NASA ceni, da znašajo stroški za Mercury program, ki je poslal astronauta Cooperja okoli Zemlje, okoli \$450.000.000. Ako bi polet ponovili, bi bilo dodatnih stroškov 10 do 12.000.000. Za Cooperja samega ima NASA izredno malo stroškov. Astronavt bo dobil za dvodnevni polet samo \$63.40!

Zvezna pomoč le šolam z načrtom za integracijo!

WASHINGTON, D.C. — Pododbor Predstavnškega doma za vzgojo je soglasno sklenil, naj dobijo podporo iz zveznih sredstev le oni šolski okraj, ki so izdelali načrte za integracijo ali jih bodo izdelali vsaj do 30. junija prihodnjega leta.

Združene države razdele leto okoli 350 milijonov dolarjev okoli 4.000 šolskim okrajem v 50 državah, v katerih je posebno veliko število otrok zveznega uradništva ali vojaštva. Od tega je preko 2.800 šolskih okrajem v 17 južnih državah. Od

Beli bojkot nasledil črnega v Birminghamu

Vodniki belega poslovnega sveta med podpisniki dogovora o končanju segregacije niso preprečili belega bojkota.

BIRMINGHAM, Ala. — V mestu vlada od nedelje sem na splošno mir, toda vprašanje je še vedno odprto, ali bo pri tem tudi ostalo. Črni upajo, da bo dogovor med vodniki belega poslovnega sveta in med predstavniki črncev o desegregaciji mesta in o izboljšanju položaja črnih uslužbencev izveden, del belega prebivalstva v guvernerjem države Alabama in načelnikom mestne policije pa je odločno proti temu. Guverner in policijski načelnik sta izjavila, da se njiju dogovor prav nič ne tiče ter da sta prepričana, da ne bo izveden.

Belo prebivalstvo je začelo bojkotirati trgovine in ustanove v središču mesta, ki so pristale na desegregacijo. Črno prebivalstvo, ki je preje bojkotiralo večji del trgovin v mestnem središču, se sedaj trumoma vrača vanje.

Obstoja še vedno upanje, da bodo nasprotniki integracije le popustili in izvedbe dogovora vsaj ne ovirali, če jo že ne marajo podpirati. Med podpisniki dogovora o integraciji je prvi Milton Andrews, bankir, ki je tudi načelnik državnega odbora za alkoholne pijače. Na to mesto ga je imenoval guv. Wallace. Drugi podpisniki so A. Boudlin, predsednik Alabama Power Co., industrijalec D. Comer Jr., bivši državni guverner F. Dixon, bivši mestni župan W. Cooper Green, izdajatelj lista Birmingham News C. Hanson in drugi. Imena podpisnikov sporazuma s črnci so bila objavljena v sredo v upanju, da bo to ugodno vplivalo na sprejem samega dogovora, ko sta se o njem tako neugodno izrazila državni guverner Wallace in policijski načelnik Birminghama Connor.

Potrebnosti so novi predpisi za rabo kemikalij proti škodljivcem

WASHINGTON, D.C. — Predsednikov posvetovalni odbor za znanost je predložil poročilo, v katerem poudarja potrebo po novi ureditvi prodaje in rabe raznih kemičnih sredstev proti škodljivcem v poljedelstvu. Poročilo poudarja njihovo koristnost, pa opozarja tudi na škodo in nevarnost.

Sedanja ureditev prodaje in rabe teh kemikalij ni primerna, potrebno jo je spremeniti in dopolniti v skladu s sedanjimi razmerami. Poročilo trdi, da zloraba teh kemikalij zahteva letno v Združenih državah okoli 150 človeških življenj.

Pokopali so ga v ponedeljek s pogrebno sv. mašo v tukajšnji katoliški cerkvi.

Občinske volitve v Vel. Britaniji napovedujejo zmago delavski stranki

LONDON, Vel. Brit. — Občinske volitve pretekli teden so povečale izgled delavske stranke pri bodočih parlamentarnih volitvah. Delavska stranka je dobila več novih odbornikov, kot jih je pri občinskih volitvah leta 1960 izgubila.

Splošno prevladuje v krogih političnih opazovalcev prepričanje, da bi delavska stranka zmagala, če bi bile parlamentarne volitve sedaj ali v nekaj tednih. Volitve morajo biti najkasneje do oktobra prihodnje leto, napovedujejo pa, da jih bo konservativna vlada razglasila še za letošnjo jesen.

Konservativci so od lanskega leta sem stalno izgubljali, to se je letos še poslabšalo, ko je De Gaulle zaloputnil Veliki Britaniji vrata v Skupni trg in je zaradi izredno hude zime, številno brezposelnih močno nastalo. V zadnjih tednih se je začel govoriti o splošni krizi, ki bi jo spodbudil položaj v deželi bolj šati in to utegne politično razpoloženje v deželi spremeniti. Nihče ne dvomi, da bo Macmillan razpustil parlament in razglasil nove volitve, če se mu bodo zdeli izgledi za uspeh pri volitvah dobri.

Sv. oče slavi 1100-letnico sv. Cirila in Metoda

RIM, It. — Sv. oče je naslovil na vse slovanske škofo poseben okrožnico, ki se v njej spominja življenja in dela slovanskih apostolov Cirila in Metoda. Okrožnica povdarja posebno idejo o enotnosti katoliške cerkve, kar smatrajo v Vatikanu kot ponovno zagotovilo, da pri morebitnih pogajanjih med Vatikanom in Moskvom dogme sv. katoliške cerkve ne bodo prav nič trpele.

Sv. oče je tudi nagovoril večjo skupino slovanskih romarjev, redovnikov, redovnic, duhovnikov in škofov in posebno podčrtal, da je Rim dovolil obema slovanskima misijonarjema uporabo staroslovenskega cerkvenega jezika v liturgiji kakor tudi organizacijo katoliških misijonov med Slovani.

Madžarska pustila pet škofov iz konfinacije

BUDAPEŠTA, Madžar. — Madžarska hiti z olajšavami za katoliške cerkev. Sedaj je dovolila petim škofom, ki so bili v konfinaciji, svobodnejše gibanje, vendar pa se še ne smejo vrniti v svoje škofije.

Madžarska ima vsega skupaj 11 škofij. L. 1956 je bila večina škofov zaprta ali pa poslana v konfinacijo. Nekaj jih je režim med tem že osvobodil, zadnjih pet je šele sedaj prišlo na vrsto. Večina škofov je že zelo v letih, so stari skoro 70 let, na drugi strani pa na nekaj škofij praznih. Vse to sili Vatikan, da bi dosegel z madžarskim režimom čim preje sporazum, da bi mogel imenovati nove škofo in pomožne škofo.

COOPER SE SREČNO VRNIL

Astronavt Gordon Cooper je 22-krat obkrožil Zemljo in se po 34 urah in 20 minutah srečno vrnil na njo, čeprav so odpovedale avtomatične naprave za povratek in je svoje vesoljsko vozilo moral upravljati mehanično z rokami.

WASHINGTON, D.C. — Sinoči ob 7.24 je astronavt Gordon Cooper srečno pristal štiri milje od letalonosilke Kearsarge pri otočju Midway sredi Tihega oceana v svojem vesoljskem vozilu "Faith 7" potem, ko je v 34 urah 20 minutah in 31 sekundah 22-krat obkrožil Zemljo. Polet je potekal odlično, dokler niso med 19. obkroženjem lučke v vesoljskem vozilu pokazale astronavtu, da so prekinjene zveze z napravami za avtomatično vrnitev na Zemljo. Treba se je bilo pripraviti na ročno upravljanje vozila, ki mora biti silno natančno izvedeno, če naj poteče srečno. Cooper je ob sodelovanju astronavta Johna Glenn, ki je bil na ladji nedaleč od Japonske z njim v radijski zvezi, opravil vse predpisane ukrepe in pristank je potekal v krasnem redu. Ob 7.24 je Cooper pristal na morju, ob 8.11 pa je bil s svojim vozilom vred že na letalonosilki Kearsarge.

Mornarji na letalonosilki Kearsarge so astronavta G. Cooperja ob povratku iz vesolja sprejeli z vsemi častmi. Ko je bilo vesoljsko vozilo srečno na ladji, je Gordon Cooper pognal ven vrata. Zdravnik mu je zmeril krvni pritisk, še predno je zlezal iz njega, nato pa še enkrat. Dogal je, da je astronavt v odličnem stanju. Ta je sam in smeje se šel preko krova. Godba mu je igrala, mornarji pa so zmago slavno vzklikali. Potovanje v vesolje, ki se je začelo v sredo zjutraj ob 9.04 in je bilo dolga preko 600.000 milj, je bilo sredno končano. G. Cooper po nevarnih trenutkih in preskušnjah na varnem.

Med prvimi, ki so Cooperju čestitali, je bil predsednik Združenih držav Kennedy. "To je bil velik polet", je dejal predsednik astronavtu. Nato je preko televizije spregovoril ameriški javnosti: "Mir ima prav tako svoje zmage kot vojna. To danes je ena izmed največjih zmag človeškega duha." Predsednik je telefoniral tudi Cooperjevi ženi v Houstonu, Tex., in jo povabil za ponedeljek z možem in hčerama v Belo hišo.

Amerika in Anglija bosta imeli skupno oporišče za podmornice

WASHINGTON, D.C. — Naša administracija in angleška vlada sta se dogovorili, da bosta na Bahamskih otokih postavili posebno skupno oporišče za podmornice. Tam bosta preskušali vsaka svoje podmornice, vendar pa to ne bodo nobene vojaške vaje. Vsaka podmornica bo predmet podrobnega tehničnega preskušanja.

Stroške za vzdrževanje si bosta delili. Pogodba je narejena za 20 let. Bahamske otroke so izbrali radi tega, ker je morje tam stalno zelo mirno in primerno globoko, dočim je pomorskega prometa zelo malo. Začetne investicije bodo znašale okoli \$100.000.000.

Kanadčani in Indijci so preprečili rdeči napad

VIENTIANE, Laos. — Gen. Kong Le, poveljnik nevtralističnih čet, je izjavil, da je samo prisotnost kanadskih in indijskih članov mednarodne komisije za nadziranje nevtralistične Laosa na Plaine des Jarres preprečila napad severno-vietnamske divizije na njegovo položaje. Po trditvah Konga Le je v Laosu šest severno-vietnamskih divizij, sestavljenih iz prekušenih borcev. Poleg tega so severno-vietnamski veterani deljeni še posameznim vojaškim enotam Patet Lao.

Rasni spori tudi v Vel. Britaniji

BRISTOL, Ang. — Prevozno podjetje je zavrnilo prošnjo nekoga vseljence iz Zahodne Indije za sprejem v službo kot sprevoznika. To so večji del črnci ali mešanci. Prevozno podjetje jih ima zaposlene v delavnicah in garažah, ne pa v samih avtobusih.

Visoki komisarji Jamaice, Trinidada in Tobaga v Londonu so zaradi tega protestirali pri vladni. Londonski "Times" je k tej pritožbi pripomnil, da rasno vprašanje v Veliki Britaniji ne bo postalo nič lažje, če zavzamejo oblasti in javnost od njega novejso politiko "skrivanja glave v pesek".

Michael A. Feighan

Od kar je bil 2. novembra 1942 Michael A. Feighan prvič izvoljen v Kongres, zastopa v njem neprekinjeno 20. volivno okrožje države Ohio. V tem volivnem okrožju živi več tisoč volivcev slovenskega rodu, ki so ves čas vneti njegovi podporniki.

Michael A. Feighan je bil rojen 1. 1905 v Lakewoodu, Ohio, obiskoval tamkajšnje farno katoliško šolo, graduiral na St. Ignatius High, nato študiral na Princeton University in končal študije na Harvard Law School. Svoje politično javno delo je začel v državni zakonodajni Ohia, kamor je bil izvoljen leta 1937. Dve leti kasneje je bil že vodja demokratske manjšine v poslanski zbornici. V Kongres je bil izvoljen prvič novembra 1942, nato pa redno vedno znova.

V Kongresu si je pridobil glas poštenega, vztrajnega in preudarnega zakonodajavca. Od leta 1943 je član pravosodnega odbora Predstavniškega doma. Prav tako je član pododbora za imigracijo, skupnega odbora Doma in Senata za imigracijo ter posebnega odbora za preiskavanje komunistične napadalnosti.

Michael A. Feighan je ves čas vnet zagovornik pravic delavcev do organiziranja v unijah in kolektivnega pogajanja z delodajalci. Zavzema se za javno gradnjo domov in stanovanj, ki naj pripomore vsaki družini v deželi do dostojnega doma. Podpira napore za delavske plače, ki naj omogočijo človeku primerno preživljanje, pa mu dajo tudi možnost, da bo dal kaj na stran za "deževne" dni in starost. Vztrajno se bori za socialno zakonodajo in zagovarja njeno razširitev in izpopolnitev, poudarja potrebo po pravični delitvi davčnih bremen. Skratka moremo reči o njem, da je pošten, preudaren in vesten zastopnik koristi svojih volivcev v Kongresu, ki pa zna vedno postaviti splošne narodne koristi nad koristi posameznih skupin ali predelov dežele.

To svojo lastnost je ponovno dokazal, zato je dobil tudi vrsto priznanj različnih ustanov in organizacij, prav posebno za svojo odločno borbo proti komunizmu in sovjetskemu imperializmu.

Slovenci imamo do kongresnika Michaela A. Feighana še poseben odnos. Ko je zavladal ob koncu druge svetovne vojne v Jugoslaviji komunizem in je nešteto slovenskih ljudi zapustilo svoj dom, so čakali v begunskih taboriščih, da se jim odpro vrata v svobodni svet, kjer bodo lahko začeli znova živeti človeka vredno življenje. Kongresnik Michael A. Feighan je podpiral v Kongresu zakone, katerih sprejem je nato omogočil stotisočim beguncev vselitev v Združene države, med njimi tudi več tisoč Slovincem.

Ko so bili zakoni že v veljavi, so prenekaterikrat nastale težave. Odhod slovenskih ljudi iz begunskih taborišč v Združene države se je zavlekel, dostikrat naravnost običal. V takih slučajih smo se obračali na kongresnika M. A. Feighana in ga prosili za posredovanje. Vedno je rad pomagal. Na desetine naših ljudi je prišlo v Ameriko po njegovem posredovanju, prenekaterim je pospešil odhod, ko so čakali mesece in mesece brez uspeha na potrebne papirje.

Polagama so se priseljenci uvajali v nove razmere in si uredili življenje, začeli so misliti na to, kako bi dobili za seboj v Ameriko žene in otroke, ki so jih ob odhodu pustili doma. Zopet se je pojavila vrsta težav in zaprek, zopet je bilo treba dobiti nekoga, ki je poznal razmere in vedel kje potrkati. V največjih primerih je bil to kongresnik Michael A. Feighan. Celotno pismo za posredovanje je dobival samo iz našega uredništva za nešteto naših ljudi, ki so obredili vse urade, pa skoro izgubili upanje na uspeh. Naš kongresnik se je lotil še tako težavnega vprašanja in ga pomagal rešiti, če je bilo to v mejah zakona in predpisov le mogoče.

Kongresnik Michael A. Feighan je posvetil veliko časa proučevanju komunizma in njegove nevarnosti za svobodni svet. Proučeval je delovanje komunistov v naši lastni deželi, še več pozornosti pa je posvetil delovanju komunizma v mednarodni politiki. V kongresnih razpravah je vedno znova opozarjal na komunistični imperializem, ki je spravi pod svojo oblast ne samo vrsto narodov v Sovjetski zvezi, ampak tudi v vzhodni Evropi vse do črte Stettin-Trst.

Ko so se nekateri v naši deželi še vedno zavzemali za sodelovanje z "zavezniško" Sovjetsko zvezo, je kongresnik M. A. Feighan opozarjal na komunistično nevarnost. Kasneje je v Kongresu ponovno opozoril na številne narode, ki težko prenašajo oblast rdeče Moskve in predlagal, naj naša dežela podpira njihove napore za narodno neodvisnost, za osvoboditev izpod sovjetsko-komunistične oblasti. Ni se bal zamere, nastopil je proti podpiranju komunističnih režimov v Jugoslaviji in na Poljskem, pa četudi bi mu to moglo pri delu njegovih volivcev škodovati. Po-

udarja načelno stališče, da brezpogojna pomoč komunističnim državam služi prvenstveno interesom komunističnih režimov in šele v veliko manjši meri narodom samim. Slovenski ljudje v Clevelandu, ki jim je kongresnik Michael A. Feighan na en ali drug način pomagal, so sprožili predlog, naj bi ga za njegovo pošteno delo, za njegovo dobro voljo in vedno pripravljenost pomagati, posebej počastili. Jutrišnja prireditve v Baragovem domu služijo temu namenu!

BESEDA IZ NARODA

Materinska proslava pri Mariji Vnebovzeti

Cleveland, O. — Materinska proslava se je pričela v cerkvi z blagoslovom, kjer so se matere in drugi verniki zbrali pri šmarnicah ter skupno peli litanije. Pred oltarjem so klečali Mr. Modic, Mr. Rigler in Father Godina ter zelo ubrano in blagoslavno intonirali slovesne litanije. Na koru je organist Mr. Rakar izbral najlepše Marijine odpeve in z njim je pela cela cerkev; mogočne pesmi so donele v čast Mariji, se odbijale od sten ter segale globoko v naša srca.

Po šmarnicah so se matere, otroci in prijatelji Slovenske šole napotili v Solsko dvorano; razsvetljena dvorana se je ogrnila v temo in zagrinjalo na odru se je polagoma razgrinjalo in pričela se je proslava z uvodnim prizorom — Pozdrav materam s cveticami. Na odru so se znašli trije angeli, ki so z velikimi, zlatimi trobentami glasno pozivali otroke s celega sveta, naj se zberejo ter naj gredo nabirat rože in cvetje za Materinski dan. Kot bi trenil, je na poziv angeljev privrelo na oder vse polno otrok, na stotine jih je bilo, in odkod so se vzeli, nihče ni videl. Otroci so se razleteli ter hiteli po planjavah in livadah nabirat cvetlice materam v počastitev. Ta prizor je bil originalna zamisel Fathra Godina — že sam ob sebi globok in ganljiv, je bil na odru naravnost učinkovit. Marsikatero materino oko se je orosilo, ko ji je otrok veselo prinesel šopek cvetlic.

Nato so zapeli vsi otroci "Kakor slavčkov naša pesem"; sledila je recitacija višjega oddelka "Slavospev materi", ki je vzbudila mnogo aplavza. Za tem je nastopil otroški vrtec Slovenske šole ter s petjem v prizoril "Mamičina očala", "Gizdalinka in Mila", "Mila lunica". Gromovitno ploskanje je spremljalo te malčke, ko so odhajali z odra. Ko se je šumenje nekoliko poleglo, so nastopili trije šolski oddelki ter v počastitev navzočega župnika č. g. M. Jagra zapeli večnolepo ter ganljivo "Lipa zelenela je", ki je zelo občutno in milo odmevala po dvorani ter vzbujala vridilne misli njenega besedila. Nikdar ni ta pesem izgubila priljubljenosti, peli smo jo kot otroci, peli smo jo študentje v veseli družbi in peli jo bomo še kot dozoreli možje.

Sledil je presenetljiv prizor: Izza velikega, temnordečega zagrinjala se je prikazal v žarki svetlobi prav mali fantiček, ki je s praznim otroškim glasom pozdravljal navzoče matere; bil je to tri in pol letni Knezov Milanček, ki je tako ljubko izvajal svoje pozdrave; iznenaden občinstvo ga je poslušalo z navdušenim ploskanjem. Dasi ni bila ta točka na programu, je vendar povzročila viharje ovacij ter občudovanja. Zadnja točka pred odmorom je bila namenjena v počastitev 1100-letnice sv. Cirila in Metoda; na odru smo občudovali prekrasno sliko slovenskih blagovestnikov, umetniško delo kiparja Mr. Franca Gorseta, ki je bila brezdvomno najlepša slika, kar smo jih doslej videli. Okrog nje so bile razvrščene rože in cvetlice in dva oddelka Slovenske šole; pred sliko so se vršile deklamacije, ki so jih izvajali J. Rigler, J. Miklavcic in A. Osredkar, otroci so pa za-

ključili prizor z občutno pesmijo.

Father Godina se je nato v vznesenih besedah zahvalil občinstvu za lepo udeležbo, zahvalil se je župniku č. g. Father Jagru v svojem imenu ter v imenu udeležencev; gđeni. Jožici Pavli, nadzornici Slovenske šole, ki se je največ trudila v zamisli za Materinski dan, a se dan leži v bolnišnici že tri tedne težko bolna; učiteljici g. Ivanu Riglerju, na čigar ramenih je visela vsa teža prireditve, pri kateri je bilo petje glavna vloga; gđeni. Marinki Petrič, učiteljici otroškega vrtca za njeno velikodušno skrb, da je pripravila malčke za nastop na odru; vsemu učitelstvu za požrtvovalno delo, ki ga vrši na Slovenski šoli. Učitelstvo Slovenske šole sestavljajo: nadzornica gđena. Jožica Pavli, g. Alojzij Bajc, g. Ivan Rigler, gđena. Marinka Petrič, gđena. Ivica Tominec in gđena. Mojca Novak. Nadalje se je Father Godina zahvalil električnemu inženirju g. Ivanu Petriču, ki je skrbel za razsvetljavo, kuharicam in vsemu osebju, ki je sodelovalo, da je proslava tako sijajno uspela. Ni pozabil pohvaliti tudi otroke, ki so odlično izvajali vse točke programa ter se prav imenitno obnašali. Obiljubil je vsem otrokom v dvorani, da bodo prejeli za nagrado "Ice Cream", ki se jim bo delil na odru.

Po odmoru so zapeli trije oddelki "Vrste hribi in doline", na kar se je pričel ganljiv prizor "Fatimska naročila", ki so ga izvajali Julka Zalar, Zinka Kokal, Bernardka Mejac, Franci Stanonik in Marija Kete. Prizor je zamislila ter spisala gđena. Jožica Pavli, ki se je tudi izvajal po njenih navodilih. Ob zaključku je zapela cela dvorana "Spet kliče nas venčani maj" in proslava se je z navdušenjem končala.

Father Godina je vse pohvalil ter se zahvalil, ampak se niti omenil ni, da je nadomestoval bolno nadzornico Pavli in je zategadelj bil tisti, ki je vodil vso prireditev ter jo privredil do popolnega uspeha; naj mu bo tu izrečena najlepša zahvala!

Vabilo na odbojko!

Cleveland, O. — Vsak človek se rad po delu malo razvedri z raznimi stvarmi. Veliko ljudi rado zahaja v parke na "sveži zrak". Nekateri zato, da si tam ohladi svoje "živce". Če že ravno niso živčni, pa pridejo v zavetje proti hudi vročini — katere začasno še ni, toda brez katere to poletje ne bo minilo. Še drugi pridejo radi igranja raznovrstnega športa, ravno za te je ta članek.

Sportni odsek dramskega društva "Lillije" vabi na odbojko vse člane, njih prijatelje, kakor tudi vse tiste, ki radi igrajo čubojsko ali pa samo gledajo. Tekme se bodo pričele v torek, 21. maja, nato vsak torek, dokler nas mraz ali tema ne prežene nazaj v domove. Da se ne bi našel kdo, ki bi rekel da ne ve, kje da odbojko igramo, naj pa tu omenim, da v Metropolitan Parku na Highland Road.

Pripeljte s seboj tudi svoje družine, kajti prostora je dovolj za vsakogar! Pride naj torej vse kar "leze in gre". Na svidenje v torek, 21. maja, — če Bog da lepo vreme. Športni referent "Lillije" J. S.

Planina se je postavila

Cleveland, O. — Koncert pevskega zbora Planina preteklo nedeljo v Slov. nar. domu na Stanley Ave. je krasno uspel. Dvorana je bila polna in občinstvo je bilo od točke do točke sporeda bolj in bolj navdušeno nad petjem. Najbolj je navdušila "V boj". Morali so jo ponoviti. Na splošno je bil spored odlično pripravljen in tudi prav dobro izvajen.

Prav čudil sem se pevkam in pevcom, katerih glasovi so se tako ubrano zivali v melodije. Marie Mates in Lillian Sadovčič sta s svojim dvosplovom ljudi naravnost navdušile. Morala sta ponoviti.

Pevskemu zboru, vsem pevkam in pevcom, prav posebno pa pevovodji k uspehu iskrene čestitke. Prepričan sem, da bo nedeljski uspeh dal vsem novega veselja, novega navdušenja in vztrajnosti, da bo slovenska pesem v SND na Stanley Rd. še dolgo živela.

Po koncertu je bila domača zabava. Kuharice in njihove pomočnice so postregle z okusno večerjo, natakariji pa s pijačo. Vse je bilo veselo in razigrano volje.

IZ SLOVENIJE

Neizkoriščena možnost

Neki Vojko Černelič se v ljubljanskem listu "Delo" pritožuje, da je premalo zanimanja za obnovo in ureditev Ljubljanskega gradu kot ene najvažnejših turističnih točk v vsej Sloveniji. Po številu obiskovalcev je takoj za Postojnsko jamo. Trdi, da o preureditvi Ljubljanskega gradu že dolgo razpravljajo, ker se zavedajo njegovega pomena ne samo za turizem, ampak tudi za samo zgodovino Ljubljane.

Zidovi gradu so na večih krajih razpokani in zrahljani v taki meri, da je njihova obnova nujna, če jih hočemo ohraniti in z njimi seveda tudi grad sam. Kljub temu živi v stavbi gradu še vedno okoli 200 ljudi, med njimi tudi večje število otrok. Pisec trdi, da je življenje v gradu življensko nevarno in da je čas, da grad izpraznijo.

Obnova gradu bi stala po načrtih Zavoda za ureditev Stare Ljubljane preko 456 milijonov dinarjev, okoli četrtilijarde dinarjev pa bi bilo treba vložiti v gradnjo stanovanj za prebivalce, ki žive sedaj v gradu. Skupno je torej potrebnih za ureditev celotnega vprašanja okoli 750 milijonov dinarjev, ki jih pa trenutno ne vedo kje dobiti.

Preureditev naj bi bila izvedena v petih fazah, torej v petih letih, kadar bodo pač našteti gotovi in denar na razpolago.

Adamičev muzej v Blatu

V nekdanjem domu Louisa Adamiča v Praprečah pri Grosuplju bodo v kratkem uredili spominsko sobo in s tem ustvarili prvi zametek Adamičevega muzeja v domovini. Na tej hiši, podobni mali graščinski hišici, je Slov. izseljeniška matica že leta 1954 vzidala spominsko ploščo z napisom v slovenščini in angleščini "Iz tega doma je odšel v svet naš nepoznani Louis Adamič (1899-1951). Svojo pot je dopolnil pogumen in velik kot žrtev za pravice ljudstva".

Po uradni ugotovitvi krajevnih oblasti je Louis Adamič napravljal samomer, med tem ko skušajo nekateri njegovi prijatelji javnost prepričati, da so ga "umorili". Kdo naj bi ti morilci bili, ne povedo.

Bratec in sestra

"Zakaj pa pretepaš sestrico?" "Ker slepari pri igri!" "Kako te je pa osleparila?" "Ko sva se šla igrat Adama in Evo, je sama pojedla jabolko, namesto da bi me z njim zapeljala."

Strah pred smehom

Nekdo je živel mož, ki je s sinom in oslom šel po cesti. No, saj gotovo že veste, kaj je bilo potem: Srečala sta popotnika, ki je obstal in rekel: "No, kaj takega pa še ne! Čemu imata pa osla? Kako, da ne posadite fanta nanj?"

Mož si ni dal dvakrat reči in je bil prav zadovoljen, ker sta lahko zdaj hitreje šla. Pa pride ta mimo nekega mlina; mlinar je pravkar legel pod okno in ni imel drugega opravka, kot da se je ujedal nad ljudmi. In zavpil je nad njima: "Kaj ni fanta prav nič sram, da gre oče peš, sam pa sedi na oslu? Tak sramota!"

Fanta je polila rdečica in kar vrglo ga je na tla. Zajahal je oče in sta nadaljevala pot. Bliizu mesta ju pa sreča mož, ki nesi kapo z napisom: "Društvo za varstvo živali..." Ogorčen stopi k njima in pravi: "Ali vas ni nič sram, da mučite ubogo žival? Kaj pa bi pač rekli, ko bi žival takole čepela na vas?"

Oče je seveda zlezel z uboge oslička in šli so v mesto vsi trije. Tu se pa z vseh strani zgrnejo otročaji in se dero za njima: "Najbrž je osel že oča vrgel ob tla, drugače bi je cepca ne brisala sama peš!"

Na koga meri ta zgodba, lahko uganete. Na ljudi, ki nikoli nimajo poguma, da bi ravnali po svojem prepričanju. Pri vsakem svojem opravilu, naj delajo kar koli, vedno pomišljajo, kaj neki porečejo ljudje in ali se jim ne bo kdo morda posmehoval. Vendar ne sprevidijo, da je ni stvari, ki bi se zaradi nje ljudje ne smejali ali se ob njo spotikali — pa stori kakor hočeš. Samo če se sploh ne meniš ter mirno in stanovito delaš, kar ti velita razum in srce, si polagoma pridobiš spoštovanje.

Kajti vse, kar je značajnega in stanovitnega, zbudi končno pri vseh ljudeh spoštovanje — pa naj se še tako upirajo.

Kaj naj oblečejo močnejše ženske?

Kljub temu, da se je o tej temi že veliko pisalo, morda ne bo škodovalo, če zopet malo pokramljamo.

Verjetno je glavni vzrok temu, da so nekatere močne žene neprimerno oblečene, prav dejstvo, da si kar nočemo priznati, da se nagibamo k debelosti. Res je, da so mnogim obline celo zelo všeč, a če so pa te le preveč občutne, jih moramo skušati s pravilno izbrano obleko ublažiti.

Česa naj se močne žene predvsem izogibajo? Začnimo kar z barvno lestvico. Prav gotovo ne boste izbrali kričavih barv, prav tako tudi ne velikih upadljivih vzorcev in svetlikajočih se kvalitet. Črta to blago je prikladno za vas, vendar pozor — črte morajo ptekatati vertikalno. Prav tako se boste odrekli širokim pasovom in pretiranu ozkim krilom. — "Princes-kroj" je zelo primeren za vas. Verjetno veste, da je v plisiranim krilu močna ženska prav smešna, medtem ko v dobro krojenem kostimu zelo privlačna. Izogniti se morate tedaj sedaj modnemu redingot kroju. Tudi hlače raje prepustite drobnim dekletom. Če pa okoliščine zahtevajo, jih boste pač oblekli, le vetrovka ali pulover naj bosta daljša, sedanja moda vam je itak v tem pogledu naklonjena, saj so silno moderne kazak jopice. Pri močnejših nogah ne boste segale po-

salonarjih z izredno visoko peto, zadovoljili se boste z nekako srednjo visoko. Izognite se vsem upadljivim detajlom, si cer bi naj to upoštevale vse žene, posebno pa še močnejše. Upravičeno pa lahko nosite širšo verzičo.

Umetnost likanja moških oblek

Predvsem naj ne bo likalnik nikdar prevroč!

Če se na hlačnicah poznajo odtisi od kolen, položite ju na likalno mizo tako, da gledajo šivi navzven, nato pa potisnite blago na kolenih, kolikor se da skupaj. Prelikajte hlače z vlažno krpo, nato potolčite blago na kolenih z drugo stranjo krtače.

Upogib pri vratu in obliko suknjica likajmo na blazini in pazimo, da ne bomo zalikali roba. Ta mora ostati ovalen.

Tisti del suknjica, na katerem so gumbi, likajmo od desne strani. Ko krpo odvezamemo, zopet potolčemo polikano mesto z obratno stranjo krtače, da se para odstrani. Pod poklopec žepov vstavimo vedno kos papirja, da ne bo na spodnji strani odtisov. Gube na ramenih likajmo prav tako na blazini.

Sočivje in zelenjava ne smeta stati predolgo v mrzli vodi, ko ju peremo, pa tudi ni dobro, če ju poparimo, ker voda izvleče iz njiju vse dragocene snovi. Le fižol se lahko namaka dalje časa, da se celulozno stanice zmehča. Suhe gobe pa lahko poparimo, da se napno.

Zobni kamen

Da si bomo ohranili zdravo zobovje in zdravo ustno votlino, se bomo borili vsak dan proti nadlogi — zobnemu kamnu, ki povzroča različna vnetja dlesni, krvavitve iz dlesni, slab duh iz ust in tudi parodontozo.

Znano je, da ima več kot 80% ljudi zobni kamen, torej so le redki tisti srečniki, ki so brez njega.

Nastajanje zobnega kamna je povsem normalen, fiziološki pojav, a posledice so vsekakor bolezenske. V vseh dobah človekovega življenja pa ne nastaja na zobeh samo zobni kamen, temveč tudi razne obloge. Barva oblog je različna, odvisna pa od bakterij, ki se jim pridružijo. Obloge se pojavljajo na zobeh vsak dan, a posebno ponoči. Na robovih dlesni jih navadno opazimo zjutraj. Obloge so navadno blede rumenkaste, vlečljive in zaudarjajo. Zobozdravniki opažajo, da imajo tisti ljudje, ki hrano dobro žvečijo in redno umivajo zobe, dosti manj oblog, kot tisti, ki uživajo v glavnem mehko hrano in ne umivajo zob.

Bela obloga je dobra podloga za nastajanje zobnega kamna, zato je važno, da že otroka naučimo čistiti zobe, zvečer pred spanjem in zjutraj.

Največ zobnega kamna se nabere na mestih, kjer so izvodila žlez. Zato je predvsem ob spodnjih zobeh ob zobnem vratu, raste proti korenini in draži dlesen.

Proti zobnemu kamnu se naj uspešneje borimo s tem, da ga preprečujemo. Otroka moramo opozarjati na to, da bo hrano vedno dobro prežvečil. Z zvečenjem se otrokovi zobje avtomatično čistijo.

Vsaj vsako leto moramo iti na pregled k zobozdravniku, da nam mehanično odstrani zobni kamen, še preden se začne pojavljati posledice njegovega kvarnega vpliva.

RALPH J. PERK

CLEVELAND, O. — Okrajni avditor Ralph J. Perk se je v kratki dobi, od kar je prevzel svoj položaj izkazal za sposobnega in vestnega javnega uradnika. Z zvišanjem davčne vrednosti trgovinskih poslopij v središču mesta, pa tudi nepremičnin v drugih predelih Clevelanda in drugih občin v okraju je oskrbel nova finančna sredstva za kritje nujnih javnih potreb. V zadnjih dneh je ponovno poudaril, da trenutno ne obstoji nobena potreba po uvedbi mestne doklade na dohodninski davke ali kako drugo davčno zvišanje, ker bo nova ocenitev nepremičnin za davčno osnovo odpravila finančni stiski v večjem delu okraja Cuyahoga.

R. J. Perk je na drugi strani pokazal željo po varčevanju javnih sredstev, ko je vrnil pet avtomobilov, določenih njegovemu uradu, okrajni upravni komisiji. Ta korak je vsekakor vreden posnemanja od strani drugih vodnikov javnih uradov, le žal, da doslej o čem takem od drugod nismo slišali.

Greater Cleveland Civic Committee, ki ga sestavlja veliko Perkovih prijateljev in zastopnikov raznih organizacij, je sklenil pripraviti 8. junija Perkovo v čast svečano večerjo v Sheraton-Cleveland hotelu.

Njegovi prijatelji bi mu radi ob tej priložnosti izkazali svoje prijateljstvo, pa tudi priznanje za uspešno vodeno volivno borbo lansko jesen. Na čelu omenjenega odbora je polk. W. Holzinger, nekdanji dolgoletni poveljnik krajevne organizacije veteranov. V odboru so poleg poslovnih ljudi tudi zastopniki narodnostnih skupin.

Glavni urad odbora je v 200 Perry-Payne Building. Vstopnice je mogoče dobiti s telefoničnim naročilom na SU 1-8304. Pričakujejo, da bo nova plesna dvorana Sheraton-Cleveland hotela prenapolnjena s prijatelji novega okrajnega avditorja, ki si je v tako kratki dobi pridobil že toliko zaupanje in podporo javnosti.

Evropski komunisti se ponujajo v ljudske fronte

PARIZ, Fr. — V Italiji sili komunistični voditelj Togliatti z vso silo v socialista Ljennija, da bi obnovil z njim ljudsko fronto. Podobno željo imajo tudi francoski komunisti, le da jo skušajo doseči po ovinkih.

Na zadnji seji Zveze francoskih delavskih unij, ki je pod komunistično kontrolo, je namreč njen generalni tajnik komunist Frachon sprožil idejo, naj rdeča Zveza predlaga Zvezi svobodni sindikatov in Zvezi katoliških sindikatov neke vrste konfederacijo, ki naj bi z združenimi močmi branila delavske interese. Ta ideja ni nova, jo komunisti ponavljajo v eni ali drugi obliki že nad 30 let. Obe zvezi sta zavrnila sodelovanje s komunisti v predlagani obliki.

Da so začeli francoski komunisti misliti na stike z drugimi delavskimi gibanji, imajo prav tehten razlog. Ugotoviti so namreč morali, da jih njihovi pristaši ne ubogajo več v političnih štrajkih, dasiravno zmeraj glasujejo za komunistične kandidate. Francoski komunisti so tako zgubili najnevarnejše orožje, ki so ga imeli v francoski notranji politiki. Zato bi se ra-

Hrušev odložil sejo glavnega odbora KP

MOSKVA, ZSSR. — Precej nepričakovano je zvedel svet, da je seja glavnega odbora komunistične partije, ki je bila napovedana za 28. maj, odložena za dober mesec, če ne za več. Počemu, bo Hrušev moral šele povedati.

Mislijo, da je novi datum za sejo v zvezi z razgovori med Moskvijo in Peipingom. Hrušev jih je predlagal za 15. maja, Mao jih je kar na svojo roko preložil na začetek junija in pri tem še Moskvijo grdo napadel. Sedaj so v Peipingu rekli, da naj bo sestanek šele v juliju. Nekaj ni torej v redu med kitajskimi in ruskimi tovariši tudi v takih malenkostih.

Adenauerjeva zgodba

BONN, Zah. Nem. — Nemški kancler dr. Konrad Adenauer se je dolgo upiral sestavi svojega življenjepisa. Za sebe je trdil, da nima časa za pisanje, da bi pa to delo kdo drugi opravil, pa tudi ni maral. Sedaj je delno popustil. Znani nemški zgodovinar dr. Hans Buchheim iz Muenchena bo dobil na razpolago vse dokumente in druge vire, ki so v zvezi z javnim delom kanclerja.

Dr. H. Buchheim je dejal, da bo potreboval tri do pet let, da bo delo končal in pripravil "Adenauerjevo zgodbo" za objavo.

Koliko žen ima naš senator?

WASHINGTON, D.C. — To vprašanje je bilo postavljeno senatorju Ellenderju, ko je potoval po Afriki. Ko je bil v Ugandi pri ministru za poljedelstvo, je dobil brzojavko od doma, da je dobil še enega vnuka, kar je seveda takoj povedal ugandskemu ministru.

Minister ga je vprašal, koliko

Afričani se jezijo nad ameriško radio postajo v Abesiniji

ADIS ABEBA, Abes. — Še med zadnjo svetovno vojno je naša armada postavila v severni Abesiniji blizu Asmare močno radio postajo, kjer je zaposlenih okoli 1.200 naših državljanov in 1.600 domačinov. Abesinija ima od postaje vsako leto nad 3 milijone dolarjev koristi, zato se radi nje nihče ne razburja.

Ta popravek je očitno padel na nekaj tujih afriških delegacij, ki so že prišle na znano konferenco afriških držav, ki se bo začela v par dneh. Delegatje nimajo nobenega pametnega dela, zato so se pa razburili, ko so zvedeli za ameriško radio postajo. Leteli so k abesinskega cesarju in protestirali, da se tako blizu konference nahaja "imperijalistična postojanka ameriških kapitalistov". Abesinski cesar jih je hitro odpravil, obenem pa sporočil našemu poslaniku, naj se ne razburja, kajti on (cesar) bo že našel pot, kako potolažiti svoje črne goste.

Naser ni umaknil čet iz Jemena

WASHINGTON, D.C. — Egipčanski Naser se je obvezal umakniti svoje čete iz Jemena, če bo Saudska Arabija prenehala podpirati odstavljene kralja Al Badra. V Jemenu je imel Naser preko 25.000 vojakov, ki dejansko služijo skoro za edino oporo revolucionarni vladi.

Naser je dal to obljubo v decembru lani Združenim državam, kasneje pa tudi Združenim narodom. Sedaj je prišlo na dan, da je Naser poslal tja kvečjemu še nove čete. V kolikor je kaj čet od tam umaknil, jih je takoj nadomestil s svežimi iz Egipta. To utegne povzročiti nova nesoglasja, čeprav je Washington dejansko z Naserjem potrpežljiv preko mere.

Kennedy predlaga nov zakon o podpiranju brezposelnih

WASHINGTON, D.C. — Predsednik Kennedy je poslal Kongresu zakonski načrt o zboljšanju podpiranja brezposelnih. Koristi od tega bi imelo do tri milijone brezposelnih, ako bi Kongres načrt odobril.

Bistvo zboljšanja je v tem, da federacija omogoči podpiranje

brezposelnih tudi po 26 tednih, ko so izčrpane podpore državnim občin. Seveda so temu primerne spremenjeni tudi pogoji za podpiranje, da bi se preprečile vse morebitne zlorabe.

Franco in Salazar sta se pogovarjala v Meridi na Španskem

MADRID, Šp. — Španski in portugalski diktator imata navado, da se vsakih par let sestane na meji za politične pogovore. Letos sta si v ta namen izbrala obmejno špansko mesto Merida.

Pogovori so trajali poldrugi dan, vendar ni bilo o tem objavljeno nobeno uradno poročilo.

Lišpovec

V nekem gostišču se je ravno vsedel za mizo neki gost srednje starosti. Že prišli k njemu natak, z lepo zganjenim prtom čez roko, se lepo dostojno prikloni in vpraša: "Ste že naročili, gospod?"

"Se ne", odgovori gost.

"Kaj želite, prosim?" — ga z malim poklonom vpraša natak.

"Čakajte malo, da premislim, kaj prav za prav želim. — Torej, predvsem bi rad imel ducat ostrig Majhnih ostrig. S paradižnikovim narastkom."

"Prosim, gospod!"

"Potem bi rad omleto z gnato, zraven drobnjak in parmazanski sir. Toda sir mora biti pristni, italijanski parmazanski sir, veste!"

"Prav, gospod!"

"Za meso jed si želim rost-bif, dobro prepečen mora biti in da bo masten. Razumete? Dobro prepečen! In ne masten!"

"V redu, gospod!"

"Zraven bi rad dvojno porcijo opraznega krompirčka, pa veliko svežega masla. In če rečem veliko, se to pravi kar cel kos!"

"Prosim!"

"Za k mesu prinesite nekaj rezin praženega domačega kruha."

"Dobro, gospod!"

"Ob koncu bi rad jabolčni zvitek, kozarek benediktina in črno kavo. Potem še malo sira in banano. Imate banane?"

"Seveda, gospod!"

"S sladkornim poprhom! Vidite, vse to-le bi rad. A moj zdravnik pravi, naj za kosilo iz-pijem kvečjemu kozarec hladnega mleka in en prepečenec. In tudi to mi nazadnje prinese!"

SRCE IN KRI

ROMAN

"Štefan, ti si brat. Nisem te še poznal."

Nobene druge nežnosti ne pri enem ne pri drugem. Da ju ne bi motil s svojo navzočnostjo, sem se hotel od gostitelja posloviti. Pa mi ni pustil.

"Ne, gospod odvetnik, kar lepo ostanite! Lahko nama kaj svetujete, znano vam je pa tudi vse. Je tako, Mihael?"

Ta je pokimal in jaz sem sedel nazaj. Jožičin mož je spet rekel, a bolj tiho, kakor da gre za zaupne reči:

"Se zdaj lahko govori, Mihael?"

"Lahko."

Uganil sem, da hočeta govoriti o zločinu. In res nista nič slepomislila.

"Izvedel sem od žene. Ženske ne znajo molčati."

"Nekatere pač", ga je zavrnil Mihael in oči so se mu zasvetile, "so take, ki znajo."

"No prav. Če bi ga ti ne ubil, bi ga jaz. Zaradi Jožice sem otroka vzel za svojega. In zdaj je kakor vsi moji. Človek se navadi."

"Jožica je dobra ženska", se je vnel Mihael.

"Seveda je, zato sem jo vzel. Zdaj se ni vrnil, postava je torej mrtva. Z ljudmi si opravil, Mihael; ali pa si tudi z Bogom?"

Priznavam, da sem se vedno bolj čutil. Še na misel mi ni prišlo, da bi se utegnil ob kotlu, ob siru in kruhu srečati s tolikšno dušno veličino. A navsezadnje tudi Jezusovi učenci na obalah Genezareškega jezera v Galileji niso bili nič drugega ko preprosti ljudje in ne bi od njih pričakoval drugačnega razgovora ko kramljanje o lovu in gošpodarstvu. Jaz sem strmel, ne pa Mihael Gallice, ki je menda vseh deset let pripravljaval svoje odgovore:

"Vse je opravljeno, Štefan; med vojsko, na večer pred naskokom, ko smo stali pred Ar-rasom. Pred naskokom pomisliš na vse, na kaj takega pa še prav posebno."

In naenkrat je razodel skrb, ki sem jih pri njem zaslutil na Lovitelu, preden smo v koči sodili, čeprav mi vse tudi zdaj še ni postalo jasno:

"Spravljal sem denar, groš za grošem. Jutri pojdem čez sedlo Carro v Ceresole. Dodal bom še

svoj del pokojnine in delež pri živini, ker ga ti ne maraš, Štefan. Čeprav bi vse skupaj najrajši pustil Jožici."

"Po kaj pojdeš v Ceresole?" sem ga vprašal.

Sledil je svoji misli in mi ni odgovoril naravnost:

"Vi ne bi hoteli z menoj, gošpod odvetnik?"

"Rad, zakaj ne. Poznam ta prelaz."

"Pot je dolga, a v tem letnem času ni slaba. Vi jima boste neli denar."

"Komu za božjo voljo?"

"Komu? Miliovi materi in sestri! To jima po pravici gre. Dolej ga še nisem mogel oddati zavoljo karabinerjev in sodni-je. Obljubil sem, da se sam ne bom izdal. Miliovi materi in sestri sem obljubil."

Zdaj se mi je zjasnilo vse. Zločinec je dan na dan odkupljaval svoj zločin. Sleherni groš, ki ga je privarčeval v svojem skromnem in samotarskem življenju, naj bi šel za odkup krvi. Ali je potemtakem sploh še na kaj drugega mislil ko na svojo krivdo?

"Se boš potem vrnil semkaj?" je vprašal Štefan Beard, ne da bi izrekel svoje mnenje o Mihaelovem ravnanju.

"Saj moram tod mimo."

"Boš ostal pri nas? Hiša je tvoja."

"Nazaj grede ti bom povedal, Štefan, če bom ostal."

Starec je vstal in položil svoje težke roke s štrlečimi žilami svaku na rame, kakor da jih hoče s svojo silno močjo streti. In ne da bi se zavedal, kako vzvišene so njegove besede, je njegov sklep odobril:

"Fant moj, tako je prav. Res si Gallice."

Jaz pa sem samo dostavil:

"Torej velja, Mihael, šel bom s teboj."

Odšli smo vsi trije venkaj k Jožici, ki je sedela na novi klopi pred hišo in lupila krompir, mali svet njenih peterih otrok pa se je igral s kokošmi, s psom in s kozličem, ki so ga imeli posebno radi. Mihael jih je dolgo gledal. Vzdignil je drugega za drugim, najprej najmlajšega. Ko je prišel do najstarejšega, do Tomaža, se ni mogel odločiti. Ali mu ni ubil očeta? Štefan Beard mu je s pogledom sledil in je gotovo opazil njegovo razburjenje. Dal mu je otroka in rekel:

"Moj otrok je kakor vsi drugi."

Tudi Jožica ni odtegnila svojih oči od tega prizora. Njen mož, njeni otroci, njen brat, vsi so lepo skupaj. Nihče ne manjka. Glas harmonike je bil tako daljen in šibak, da se ni več slišal.

XIII.

Blagoslov hiš

Z Mihaelom sva ostala na Eco-tu še naslednji dan, da bi se udeležila blagoslova hiš.

To je star savojski običaj. Kak dan avgusta ali septembra, kakršne so pač muhe sonca, pride iz doline župnik z roketom in stolo vrh talarja, z njim pa kle-

riki in mnogo ljudstva in blagoslavlja po hribih raztresene baj-te. Tu se mu priključijo še drugi: zbrali so se namreč pastirji in njihove črede. Tako se torej tudi živina udeleži obreda pod milim nebom.

Krave s svojimi zvonci na vr-tu pozvnanjo kakor mašni strež-niki ob povzdigovanju. Družin-ski glavarji ponudijo na pragu svojih hiš duhovniku kruha in soli, ta pa naredi nad pragom in nad podboji vrat križ in ju pokropi z blagoslovljeno vodo. Njegova kretanja miru sega tudi na strehe, pokrite s slamo ali s škodlami. Pastirji pa so mnenja, da prihaja še dalje, noter do nji-hovih čred, ki jih pasejo v bližini in jih le zato niso prignali semkaj, ker je njihova vloga premalo pomembna.

Za časa revolucije so se v tej ali drugi pokrajini Francije kmetje zase prav dobro razumeli z duhovniki, ki so vladi prisegli; a vendar so zastavljali življenje in ponoči po skrivali-

ših iskali takih duhovnikov, ki so prisego odrekli, jih vodili na svoje njive in jih prosili, da blagoslove njihove bodoče žetve. Za svojo zemljo so hoteli pravih in pristnih božjih zastopnikov, kaj-ti zemlja je sveta!

S ploščadi pred hišo Gallice, strmo ždečo nad Arcom, smo od daleč gledali, kako prihaja procesija iz Bonnevala. Izbrala si je levi breg, ker je tamkaj boljša pot. Šla je čez mostič nad zeleno vodo grgrajočega hudournika, se vzpela na rezane plošče, se za hip ustavila pred kapelico Ma-tere usmiljenja — toliko, da bi v tem zmolil očenaš in zdrava-marijo — se stisnila na ozki ko-lovoz zaselja Ecot, na vrhu pa se razmahnila okoli kapele. Ta kapela je zelo stara in na živi skali zidana. Njena romanska apsida ni brez umetniške vred-nosti in krije kip ranjenega sv. Boštjana. Izklesal ga je eden ti-stih Clapiarov, kiparjev in sli-karjev, ki so krasili vse cerkve visoke Maurienne, od Lansle-

bourga do Bessansa in Bonne-vala, in so njihove umetnine hudo prvobitne, preproste in to-ge.

Pridružili smo se množici, ki se je gnetla okoli kapele, da se udeleži maše ali pa vsaj ujame kak del, okoli njih pa je stala živina, raztresena po redkih paš-nikih in po klancih med poboč-jem in hudournikom. Ves prizor se je vršil v žarkem jutranjem soncu, še vedno toplem, čeprav je bilo že pozno, in ob vsem si-

jaju jeseni, ki spreminja gore v pester vrt z rdečimi barvami mirt, zlatimi od praproti, vijo-ličnimi od skal in moren. Nad nami pa so se ledeniki Levanne zdeli obešeni na sinje nebo.

CONDENSED NEWS FROM OUR HOME FRONT

★ Mrs. Mary Ullé was taken last week to Euclid Glenville Hospital. We wish her a speedy recovery!

★ Frank Brinsek of E. 67 St., was taken recently to St. Vincent Charity Hospital. Wishes for a quick recovery!

★ Mrs. Dorothy Ferra of 444 E. 152 St., underwent a major operation at Euclid Glenville Hospital. Wishing her a swift recovery!

★ Mary Bradac, who lives with Frances Candela in Geneva, Ohio, was taken to Geneva Memorial Hospital and wishes to have visitors. We wish her a speedy recovery!

★ Visiting her sister, Mrs. Mirko Klamie, 1251 E. 61 St., is Miss Angela Papez. All necessary details for the trip from Yugoslavia were arranged by General Travel Service, 6516 St. Clair Ave. Welcome!

★ Bowling Green, O. — A lost watch presented to Warren Scholler, new basketball coach at Bowling Green State University, when he was a member of the 1939 state high school basketball championship team, has been returned, the coach reported. Scholler lost the watch in 1943 at an army air corps base in Alabama. It had been presented to him by the citizens of Hamilton, O. James Burch of Warner Robins, Ga., said the watch was given to him by his father who bought it in a Macon, Ga., pawn shop years ago. Burch, curious about the inscription, wrote to the Ohio State university athletic department in Columbus. A member of the public relations staff advised Burch of Scholler's position and new address.

★ West Memphis, Ark. — A casket manufacturing company here is conducting its own traffic safety campaign. The firm's delivery truck carries this sign: "Drive carefully or you may be in our next load."

★ Morristown, N.J. — "Vice chair-lady is an awkward phrase inclined to tangle on the tongue." So says the vice chairlady of the Morris County Republican committee, Mrs. Frances H. Fake. She wants to take the "lady" out and settle for plain old vice chairman. "It has embarrassed me," Mrs. Fake said, "to be introduced as vice lady, chairman's lady, vice chairlady, and even chairlady of vice."

★ Chicago, Ill. — When John F. Keely and Fred H. Bartz met for the first time, they celebrated the occasion with an exchange of gifts. Keely, 65, an assistant corporation counsellor here, gave Bartz his 1957 Ford, which he had driven off by mistake. And Bartz, 61, owner of Harry Baird Corporation, typographers at 112 W. Kinzie St., with a tongue in cheek gave Keely a copy of a book he had just printed — "You Can Stay Well." Keely, his mind evidently on his job, got into the wrong car at the Illinois-La Salle parking lot and drove to Springfield before he discovered the mistake. (Customers usually leave their keys in the ignition lock.) "Our cars don't even look alike," said Bartz. "Keely's Ford has plastic seat covers and a great big hole in the window." ★ Springfield, Mass. — The city

tax collector received a letter recently from a former Springfield resident, now living in Michigan, explaining why he no longer will pay Massachusetts taxes: "My family and my autos are no longer in your state. I gone March, 1962; Ford gone March, 1962; Simca gone July, 1962; family gone same time. Taxes too high, pay too low. God-by. Don't bother me. I no have money in bank or pocket. I and family and autos in Michigan now... Taxes not so high, pay not so good, either."

★ Carson City, Nev. — The Nevada assembly passed a bill that would allow "no contest" decisions in boxing matches where one fighter is unable to continue because of a proven low blow.

★ Mobile, Ala. — City fathers have asked police to investigate the theft of a brick wall and brick garage from a house owned by the city. The city learned of the loss recently when a prospective buyer reduced the purchase offer \$2,000 because the wall and garage disappeared after an earlier inspection of the property. Police Commissioner George McNally said his men would get right on it.

★ London, England. — The Evening News reported that Mrs. Adele Freeman, wife of an Australian importer, lost a \$2,800 diamond ring in the shaggy hair of a poodle when she stopped to pet the dog near Leicester Square. A man took out a pocket comb, groomed the dog and located the ring. He got a \$140 tip.

★ Duluth, Minn. — A bunch of the girls were talking it up in a beauty salon when one mused, "This town! I don't think it matters what a girl wears. Nobody pays any attention." Diane Marie Peterson, 21 and shapely, wondered. She decided on a test. With the temperature at 20, she strolled downtown in a one-piece swim suit. Diane was noticed. Police said traffic stopped. A little old lady offered Diane her coat. A kind young man offered to see Diane home. A gentleman offered to buy her coffee.

★ Boston, Mass. — The Massachusetts Supreme court has ruled that two participants in a game of Russian roulette are, in effect, guilty of manslaughter when a third player is killed. The court recently upheld the convictions of James Atencio and James Marshall, both of Boston, who were playing Russian roulette with Stewart Britch in his room here Oct. 22, 1961, when Britch was killed. The defendants contended in their appeal that the game was like three separate games of solitaire with each player solely responsible for his own fate. But the high court said, "The defendants were much more than merely present at a crime... There could be found to be a mutual encouragement in a joint enterprise."

★ Washington, D.C. — Before Jim Newman went out to serve the Orioles as their bat boy on opening day, Sports Editor John Steadman of the Baltimore News-Post went up to Jim Gentile in the clubhouse. "Jim, for gosh sakes, don't throw any bats today because that boy you have works for our paper and he is the father of three children," pointed out Steadman. Gentile laughed good-naturedly and said, "Okay, don't worry."

SHORTS on SPORTS

Mets Lead in Gate Derby—Average 23,500 Per Date: The amazing Mets, by drawing a standing-room-only crowd of 53,880 for a May 5 Sunday double-header with the San Francisco Giants, showed a home attendance total of 235,004 for ten dates. That gave them an average of 23,500, highest in the major leagues at that stage of the season. The Los Angeles Dodgers at the same time were next with an average some 250 cash customers less at Dodger Stadium.

The Mets had a tremendous weekend crowd-wise with the Giants. In the series opener, Willie Mays Night, the Polo Grounds jammed in 49,431. For a single game the next afternoon, there were 25,674. Then came the onrush on Sunday; making for 128,985 paid for the series.

The police reported that at least 5,000 fans were turned away Sunday for lack of room.

The 53,880 was the largest turnout of the season in both leagues.

Hurler Lifted, Never Faced Batter, But Protest Useless: Ever hear of a relief pitcher being legally replaced before he ever officially faced a batter?

Seattle did it in a game here, April 30, and while Manager Jack Tighe of Denver protested the move, it was obvious he didn't have a leg to stand on.

With two out in the last inning, George Spencer pulled a muscle in his shoulder. He left with a 3-and-2 count on Eddie Haas.

R. G. Smith replaced Spencer. His first pitch was ball four for Haas. Manager Mel Parrnell then summoned Pete Smith, who wrapped up the 7-6 Seattle victory.

Tighe's protest of the lifting of R. G. Smith was based on the fact that he hadn't actually faced a batter (Scoring Rules). However, under section 3.05 (b) of the Playing Rules, the move was strictly legal.

Flag-Winning '50 Whiz Kids Will Hold Reunion in Philly: The Phillies' 1950 pennant-winning Whiz Kids will be reassembled, June 5, for an abbreviated game against the 1963 Phillies, who will then play the Cardinals in a regular game, which will start at 8:30 p.m.

The Atlantic Refining Company, sponsors of Phillies' broadcasts for 28 consecutive years, in co-operation with the Phillies, will bring back every member of the '50 team who can make it for the reunion. Commissioner Ford Frick and National League President Warren Giles are also expected to be on hand.

Loses Good Conduct Badge: It was a rare eviction for Bob Kennedy, the Cubs' head coach, when he was booted by Umpire Lee Weyer here, May 3, for disputing a balk call against Jim Brewer. Kennedy said it was the first time he had been banished from a game in his 19 seasons in the majors.

Do you receive dividends or interest?

If so, the organizations paying you the dividends or interest will ask you for your social security number, Melvin J. Burton, Director of Internal Revenue for the Cleveland District, said.

Some corporations and savings institutions, such as banks, savings and loan associations, credit unions, etc., have already asked their shareholders or depositors for their numbers, Mr. Burton said. Others will make such requests in the next few months in order to comply with a new law requiring use of the account numbers.

Mr. Burton emphasized that the law requires you to promptly furnish your number to the organization paying you interest or dividends when they ask you for the number. If you do not have a social security number, you should obtain one by following the instructions included with the request form.

Petkovseks' Celebrate 35th Anniversary

On the 25th of May, Anton J. Petkovsek or Tony Petkovsek Sr., will celebrate his 35th Anniversary in the tavern business.

Mr. Petkovsek was born in Cleveland on January 17, 1903. He was raised at 965 Addison Rd. (then East Madison Rd.). He attended St. Vitus and East High School. Later he moved to Richmond Rd. Richmond Heights, on the family farm and stayed there from 1922 to 1923.

He returned to 965 Addison Rd. and took over the tavern formerly operated by his parents, Lawrence and Theresa Petkovsek on Memorial Day, May 30, 1928. He obtained a license in the early thirties and named the tavern "Birch Bar". In 1956 he moved next door to 961 Addison Rd. and purchased the building from Frank Zak.

Mr. Petkovsek has been on the Advisory Board of Trustees of the Cuyahoga Tavern and Liquor Dealers Association for about 25 years. He is also an active member of the Euclid Rifle Club, Fraternal Order of Police, SDZ No. 9 Loska Dolina, St. Vitus Holy Name, and is member of the Perry Home Association and the Perry Fund, Inc.

Mr. Petkovsek married Mary Golob in 1938. His wife passed away in September of 1959. Tony Jr., his son, is very active as an announcer on WXEN-FM radio station, co-hosting the "Slovenian Varieties" program.

The celebration of Saturday, May 25 will include a chicken dinner with reservations available by phoning EN 1-3823. Music will be furnished by Frankie Kramer's "TV Polka Varieties" orchestra. A guest appearance by harmonica virtuoso, Andy Blumauer is also scheduled.

Several of Cleveland's most illustrious artists will appear during the quarter-century "Pops" celebration. Vronsky and Babin, hailed as "the most brilliant two-piano team of our generation", will be spotlighted in the opening Viennese Night, June 29. Other illustrious hometowners serving up aural delights are Eunice Podis, Theodore Lettvin and Ernest Kardos.

Two different evenings will be devoted to the composing team of Rodgers and Hammerstein, July 6 and Aug. 14. Instrumental and vocal treats by Lerner and Loewe, of "Camelot" fame, will be served up on July 13. "Broadway Night", July 17, includes enchanting hits from three long-run musical comedies. The nostalgic creations of Kern and Hammerstein are scheduled for July

Chairman of the dinner and revue is Mrs. Francis A. Coy, an officer of the Goodwill Women's Auxiliary. The revue has been written and staged by Mrs. Clement L. Bryan and Mrs. G. Robert Klein, both associated with the Cleveland Playhouse. Goodwill's president, Chalmers F. Lutz, will make the introductory remarks at the dinner and will conduct the election of officers.

The public is invited to the dinner and revue. Tickets are \$2.50 each with reservations to be made in advance by telephoning Goodwill.

"Salute to Cleveland" observes the 60th anniversary of Goodwill Industries in America. The anniversary celebration — Operation 60 — began October, 1962 and ends October, 1963. The first Goodwill was begun in Boston by a dedicated young missionary, Dr. Edgar J. Helms who collected old clothing for the needy of his parish. Destitute women earned a little money by mending the clothes.

The movement with its service program began to spread throughout the country and came to Cleveland in 1917. Dr. Frank Baker was the first director here, who began his work in an old carriage house. Today the agency offers a professional program of vocational rehabilitation to an average of 200 mentally and physically handicapped people daily.

Strategy
"I have prepared a terrific selling point to insert in our mail order ad", the manager announced to the advertising staff, "but how can I get every married woman in the city to read the message?"
"That's simple," spoke up one of the group. "Just address all the letters to their husbands and mark them 'Private and Personal.'"

DO YOU LIKE BARGAINS?

Here is a chance to get a real one — a bargain in better, safer living for you, your family and your community.

For only one dollar you can become a member of your community safety council, which is in business for only one reason — to prevent accidents.

The Greater Cleveland Safety Council and 18 community safety councils in Cuyahoga County are conducting their annual membership campaign. It is called the Blueprint — Green Cross drive. Its goal is 150,000 members — and, of course, some cash.

It is true that many demands are made on your generosity for many worthy causes. But no cause can be more important or worthwhile than the saving of human life and limb through better accident prevention.

The accident toll is one of the great unsolved social problems facing America. It cannot be solved by vaccine, miracle drug, treaty or act of Congress. It can be solved only by you and your support of organized safety.

Last year 565 men, women and children lost their lives in Cuyahoga County in fires and accidents that could have been prevented.

It is this toll that the safety council wishes to cut down.

Join your Community Safety Council and this united effort to save lives by giving a dollar — and by stepping up your personal care, caution and common sense in whatever you do.

It's the biggest bargain in better and safer living you'll run across in a long while! Remember — the life you save may be your own, or that of someone near and dear to you.

Silver Anniversary of "Pops" Concerts

"Pops" Concerts, burgeoning afresh in Cleveland every year since 1939, have attracted nearly 1,500,000 delighted listeners to establish this series as a festive warm-weather tradition. Entering his 12th year as maestro of the "Pops", Louis Lane today announced plans to make the 1963 edition, the Silver Anniversary Season, a banner year. Many outstanding entertainment personalities, he disclosed, have already been signed and there are more to come.

Conductor Lane and the 79 members of The Cleveland Summer Orchestra launch the 25th annual "Pops" series on Saturday evening, June 29, at the Public Auditorium. Fifteen gala events are in the offing twice a week through Aug. 17.

Among the many names to conjure with is native Clevelanders Henry Mancini, for two consecutive years the Academy Award-winning composer. Peter Nero will burnish his soaring reputation for Clevelanders by unleashing his fleet-fingered jazz piano with his trio, July 20. The romance, color and fire of the Iberian Peninsula will regale "Popsgoers" when the internationally famed Lola Montes Spanish Dancers perform on July 25.

Mail order reservations for season tables are now being accepted at Severance Hall, 11001 Euclid Ave., Cleveland 6, O. Special group discounts are available to clubs, industries, churches and other organizations. For information, phone CE-dar 1-7300 and ask for Miss Bliss.

FOR GOD FOR COUNTRY FOR HOME

CWV St. Vitus Post 1655 Regular Monthly Meeting May 21, Post Club room, 8:00 P.M.

All members are requested to be present. There is an important issue to be passed on at this meeting.

Sunday May 19 CWV of St. Vitus will again be selling poppies at all the masses, 6:00 thru 11:30 mass. Members who have in the past or who would like to help, contact Lou Novsak or meet in the Post Club room from 5:30 A.M. on.

HOW'S YOUR GUEST ROOM?

Have you tried your guest room lately? If not, it might be a good idea to sleep in it one night. If you wake up with that "broken back" feeling, it's time to scan the papers for mattress sales.

Were the bed clothes adequate? It's a good idea to have an extra blanket for a sudden change in the temperature during the night. A standing towel rack doubles nicely as a blanket stand, eliminating the storage problem where space is limited.

On the subject of blankets, light fluffy blankets made with Creslan acrylic fiber, are a good purchase as they can be machine washed and will keep their colors fresh and bright. Also, they are mildew and mothproof and can be left out in town or country.

Reporting from Washington

FRANCES P. BOLTON • Congress, 22nd District, Ohio
430 HOUSE OFFICE BUILDING, WASHINGTON 25, D. C.

THE FEDERAL PAYROLL. When Congress passed the Federal pay raise bill last year, it was with the understanding that the various Government agencies and Departments would absorb much of the increased costs by "attrition" and holding down on jobs. But what has actually happened since President Kennedy "ordered" the agencies to absorb the pay raise? Last year's Federal payroll was \$14 billion. This year it will be \$15 billion. Last June 30, there were 2,484,654 employees. There will be 2,534,041 this year, an increase of 49,387. Now the Administration is asking Congress for funds in the Budget to add another 36,492 employees.

Last year the Secretary of Commerce stated he could cut 10 per cent off his payroll without damaging the efficiency of his Department. However, instead of a 10% reduction, the Commerce Department payroll is up 15.5 per cent. Other agencies show a similar increase. Although rural residents are down by a million, the Department of Agriculture employees are up by 10%; the Department of Health, Education and Welfare is up 15.5 per cent; NASA, the Space agency, has leaped up by 29.7 per cent; Department of Labor is up 21.9 per cent; Treasury up 19.4%; General Services up 19.2%; Housing and Home Finance up 11.6%; Interior up 16.6% and USA up 12.5 per cent. The total net increase in Federal civilian employment since President Kennedy took office is 132,901.

These figures show significantly how our Federal government has expended. With the highest budget in history and a predicted deficit of \$12 billion, is there any wonder that many of us are insisting that every effort be made to reduce spending wherever possible?

CLEVELAND INTERNATIONAL PROGRAM

Once again the City of Cleveland will be host to a group of 89 foreign youth leaders and social workers under the auspices of the Cleveland International Program. Representing 40 countries in Europe, Africa, Asia, and South America, the visitors will spend the summer in this country on a work and study program. During their first six weeks they will be guests of families while attending classes at Western Reserve University, introducing them to American life. Then they will be assigned for ten weeks to work at various places such as the Juvenile

Court, YMCA, Society for Crippled Children and neighborhood centers. This marks the eighth consecutive year of the Cleveland International Program which was founded by Henry Ollendorff. It is an operation which has contributed greatly to the promotion of mutual understanding between the people of this country and those abroad. The citizens of Cleveland may be proud of their participation in this excellent program.

GREAT LAKES

SHIPBUILDING CONTRACT

With a bi-partisan group of House members from the Great Lakes area, I attended a meeting at the Department of Commerce last week with Clarence D. Martin, Under Secretary for Transportation. Under officials of the Maritime Administration. Our purpose was to make a strong and united appeal for action to rescue and maintain the shipbuilding industry on our Great Lakes. The Maritime Administration recently opened bids for the construction of three ocean-going vessels for Gulf and South American trade. The bid was \$10 million. The bid of American Shipbuilding Co., which has executive offices in Cleveland and yards in Lorain and Toledo, was just slightly higher than that of the Avondale Company of New Orleans. However, the Avondale Company already has more than \$120 million in government contracts whereas the shipyards of the Great Lakes region are threatened with extinction for lack of work. In the Merchant Marine Act the Congress made it clear that it is in the national interest to provide and maintain a adequate mobilization of shipbuilding facilities and experienced manpower at strategic points in the country for national defense reasons. Furthermore, the Secretary of Commerce was granted authority for allocation of contracts (in cooperation with the Department of Defense) for ships built under the Merchant Marine Act as a direct means to maintain such facilities. Congressman Charles A. Mosher who represents the Lorain area and Thomas L. Ashley of Toledo, both of whom are Members of the Committee on Merchant Marine and Fisheries, spear-headed the meeting at the Commerce Department. We hope very much that action will be taken to award the contract to the Great Lakes Company as the work is vitally needed to maintain shipbuilding facilities in our area.

dence, Ohio VFW Band will make its 14th annual trip to the Stadium and provide between-games entertainment. A Baseball Clinic that will attract more than 4,000 Ohio high school baseball players will be staged on Saturday morning, June 1, at 10:00 a.m. The Indian players and coaches will serve as instructors to the young players, and the entire clinic is being conducted by the Tribe Farm Club Department. A band from Keystone High School in LaGrange, Ohio — 120 strong — will provide between-games entertainment on June 2 when the Yankees are in Cleveland, and a Radio-TV Game featuring Cleveland air personalities will be played prior to the game against the Tigers on Tuesday night, June 4. Another annual event — Barber's Night — will be observed on Wednesday night, June 5 and this affair attracts about 6,000 area barbers.

For Cleveland Indian fans the lengthy home stand will afford them first looks at the much-talked about Kansas City green and gold uniforms. Additionally, area fans will have their first look at Wayne Causey, the A's red-hot hitting shortstop who has been flirting with a .400 mark since he broke into the lineup.

The Athletics, who dropped their first two games of the season, began a gradual climb in the AL race and enjoyed the league's top place for most of the past three weeks.

The White Sox, who made a trip into Cleveland for one game and had that rained out, will make it up on May 16 and unveil their slugging outfielder Dave Nicholson. The husky youngster had trouble at Baltimore, but seems to have found his place with the White Sox.

Two of the league's top surprises of the 1962 campaign, the Minnesota Twins and the Los Angeles Angels, invade during a seven-day span.

Minnesota, second to New York last year, split a two-game series with Cleveland when the Tribe opened the season at the Twins' park. Jim Grant won the opener by a 5-4 score and Minnesota's Jim Kaat took a 5-3 decision the next day.

The Angels, who finished third last season, met the Tribe on the West Coast earlier this month and the Indians swept a three-game series.

Baltimore's high-flying Orioles, rated by many experts as the team that could take it all this year, will have Luis Aparicio in an Oriole uniform, and also Al Smith, ex-Indian obtained by Baltimore in a winter trade with the White Sox.

These two men have been big sparks in the Baltimore's first division performance.

New York's World Champions will provide the last week-end opposition until the White Sox revisit the Stadium on June 22. The Yankees will make their first Cleveland

land trip since winning the 1962 World Series in an exciting seven-game series from the San Francisco Giants.

The Tigers — with Kaline, Colavito and Cash — close out the home stand.

Census to Collect Facts on "Second" Jobs of Employed Persons

Questions designed to provide information on the number of persons who have more than one job will be asked in the May Current Population Survey, it was announced today by Director Robert A. Yerkley of the U. S. Census Bureau's regional office at Detroit.

Information will be collected on the type of work done on a second job compared with the regular job, the number of hours worked at the second job, and whether the work was done at night or on weekends.

Previous surveys indicate that about three million workers hold down more than one job. This is about five percent of the total employed.

The questions on secondary jobs will be in addition to the regular inquiries on employment and unemployment asked each month in the Current Population Survey. All of this information is being collected by the Census Bureau for the Bureau of Labor Statistics, U. S. Department of Labor.

The Current Population Survey will be conducted here and in 356 other sample areas of the country during the week of May 20.

"Enlist" Owls To Police Hangar Pigeons

COLUMBUS. — Pesky birds have the U. S. Air Force on the run at its Lockbourne base near here, and they are calling on one of nature's original bombers to come to the aid of the new, sleek jets. Two great horned owls, supplied by the Ohio Division of Wildlife, are now perched in a cage high in one of the great maintenance hangars, and are already scaring pigeons and English sparrows out of the place.

Some five stories high, the upper recesses of the hangars offer perfect homes and roosts for pigeons and sparrows. Cleaning up the floors and the aircraft from their filth is a constant job, especially in the winter when flocks of from 200 to 300 birds live in the structures. All manner of control methods have been tried, and all have failed.

Then two winters ago a snowy owl took up residence in one of the hangars, and the problem birds moved elsewhere. Sgt. Robert Potteiger noticed this and has been wondering ever since if owls could be enticed to live in the hangars.

"The owls would save us thousands of man hours of cleaning per month if they would stay here," said Sgt. Potteiger, who is in charge of production control for field main-

tenance shops for the 301 Field Maintenance Squadron. A request from Maj. John S. Lappo, maintenance officer, to the division led to the delivery of two owls.

The owls will be given a period to become acclimated to the noise of their new surroundings, and then they will be released. Sgt. Potteiger feels that barn owls would be better for this purpose, as they stay naturally in such structures. Great horned owls may prefer to fly back to the security of a woodland. Additional owls will be made available to the Air Force if they prove satisfactory, according to Hayden W. Olds, chief, of the Division of Wildlife.

Men of the 301st have already selected the names of John and Jim, and they have great interest in the aircraft protectors. It was not revealed how the names came about, but apparently they are namesakes of officers who keep their eyes on things around the squadron.

Someone has put a sign with 'owl' on it by Sgt. Potteiger's desk, and he gets phone calls asking for the owl expert. But he takes the kidding with a laugh, knowing he will have the last laugh if his idea pays off.

But for right now, the owls sit looking down on a streamlined B-47 jet bomber — the old and the new striking contrast. They both have a job to do in this space age; the trick will be to get the owls convinced of this. The "clean-up" brigade and Sgt. Potteiger have their fingers crossed.

Zip-Code Program

Cleveland, Ohio is one of 554 cities designated as "sectional centers" — focal points in the Post Office Department's revolutionary ZIP-Code mail system to be unveiled July 1st.

"Cleveland was chosen as a sectional center in the National ZIP-Code Program because it serves as a main focal point of air, highway and rail transportation in this immediate vicinity," Postmaster Sundermeier said.

The ZIP-Code will enable a large mailer to pre-sort mail — through the use of electronic data processing equipment, right down to this city from anywhere in the country.

The five-digit ZIP-Code (Zoning Improvement Plan) numbers are currently being assigned throughout the country, and will be available July 1.

able July 1.

The ZIP-Code numbers applied during addressing and pre sorting of large volume mail by electronic data processing equipment used by mailers will speed mail service throughout the country by bypassing several manual sortations.

Mr. Sundermeier emphasized that ZIP-Code is "for places, not people," but he urged the public to use the new code system on its return addresses.

Mr. Sundermeier noted that the use of ZIP-Code by the individual mailer in other than large quantities would have no great impact on sorting and handling requirements. However, widespread use of ZIP-Code by the public as part of the individual's return address will permit large mailers such as banks, insurance companies, magazine publishers and others to utilize ZIP-Code more effectively, and the end result will be faster mail service for everyone.

From the Indian Teepee

The Cleveland Indians, after more than holding their own on their longest road trip of the year, returned to home grounds May 14th with the hope of picking up more ground in the American League pennant race.

Kansas City was here on the nights of May 14-15; the Chicago White Sox for a make-up game on the night of May 16 and Minnesota is here for a night game on tonight May 17, a day game on the 18th and a doubleheader on the 19th. Los Angeles follows with three right contests on May 20-21-22 and Baltimore invades for a week-end series on May 24-25-26, the Sunday date being a twin-bill.

The Indians then travel to Pittsburgh for an exhibition date on Monday, May 27, and fly to Chicago for a Tuesday night game and a holiday doubleheader on Memorial Day. They return the next day for a week-end series, May 31, June 1-2, with the New York Yankees on Friday night, Saturday afternoon and two games on Sunday. The Tigers wind up the stand with a pair of night games on June 4-5.

Additionally, the Cleveland management has announced that several special events will be taking place at the Stadium during the home stand. The second Ladies Day and Golden Age Day will be marked on Saturday, May 18, and the two groups will be admitted at Gate C for the service charge only. Under a new Indians' policy, both groups are entitled to general admission accommodations. This same treat applies to all home Saturday dates.

On Sunday, May 19, Armed Services Week will come to a close when the annual ceremony of Blessing of the Colors is staged between the two games against the Twins. More than 100 Color Guard men from every branch of the military — and the 83rd Infantry Band — will participate in the colorful affair that has become an annual event at the Stadium.

The following Saturday — May 25 — is another Ladies Day and Golden Age Day. It is also the annual Safety Patrol Day when area youngsters — some 15,000 of them — will watch the afternoon game against the Baltimore Orioles.

GETTING THE MOST... FROM YOUR GARDEN

by Dr. W. A. Liddell

Director of Information, Asgrow Seed Company

HERBS FOR FLAVOR AND FRAGRANCE

Back in the dear dead days of "do-it-yourself-or-do-without", most gardens had at least a corner for herbs. Their aroma served for perfume and their flavor added zest to humdrum meals. Commerce and chemistry have changed all this, and except with families newly arrived in our country, herb gardening went out of fashion. It is now having a deserved revival, thanks, perhaps, to the restoration of the gardens at Williamsburg, Mt. Vernon, Old Sturbridge, and other historical projects. The fact is, none of our artificial flavorings are the same as the natural, and the old fashioned fragrance of lavender, rosemary, or thyme is not replaced by the expensive bottled goods at the perfume counter.

In general, herbs are the least demanding of garden plants, since they are hardy, thrifty, and largely free from insect pests and diseases. All they need is reasonably fertile soil, and plenty of sunlight, with, of course, enough hoeing or mulching to control weeds. In colonial times and long afterwards, it was customary to arrange the herb plots in rather fancy patterns, but this is not at all necessary. More important is a sunny location near the back door or in the vegetable garden, to which they will add variety and charm. Many kinds of herbs can be grown in the garden. Here are some of the most popular.

Basil. Also deservedly known as sweet basil, since its fragrance, somewhat clove-like, perfumes the air. Annual. A dozen plants, 9" apart. Neat little bushes with yellowish-green leaves about 2 ft. high. When the terminal spikes of small flowers are in bloom, the plants are cut back, bunches are dried. Green or dried, the leaves are excellent for seasonings and for making delicious jelly.

Chive. A small, mild onion grown for its slender, hollow leaves about 8" long which are cut as required and renew themselves. Bulbs come in clumps of about a dozen. Separate and set each 6" from the next. They multiply and will need to be separated every second or third year. A neat edging to the plot and very useful.

Dill. The plants grow to about 30" from seeds sown in the open. The lacy leaves and later the seeds are used in making pickles and vinegar, and as a good addition to fish sauce. Three or four plants will serve most families. Annual.

Lavender. The most pleasant of aromatic herbs, a perennial growing to 30" from seeds or cuttings. The spikes of small, lavender-blue flowers are preserved for their fragrance.

Mint. There are many kinds, spearmint being the most common. Usually started from pieces of root-stock, which will spread widely unless checked by sunken tile or the like. The plants stand 12" to 15" high, picked as needed for juleps or mint jelly and sauce. Clipped when they fade in winter, they reappear in spring.

Rosemary. A small shrub with leaves of distinctive and grateful odor, also to be chopped for use in sauces and sprinkled over roasts.

Lovely Coat

The greatest enemy to the life of your coat, whether it be a fur coat or cloth coat, is leaving it around the house all summer. Moths, moth larvae, excessive moisture or extra dryness, mold and mildew destroy beautiful finishes and textures in a short time. Proper cleaning and storage will preserve your coat's loveliness for years. And here's how we provide that protection.

Our specially designed and constructed storage vault constantly circulates cool, fresh air around your coat for the entire time it's in storage. Furthermore, every fur or woolen garment is fumigated before it enters our vault.
