STEV. LXVIII — VOL. LXVIII

Francija bi rada v svetu več pomenila

Položaj drugorazredne države Parizu ni všeč. Kot preje De Gaulle skuša sedaj G. Pompidou dvigniti francoski ugled in vpliv v svetu.

PARIZ, Fr. — Francija je bila navajena, da jo je svet cenil ne po njeni vojaški ali gospodarski moči, ampak po njenih nekdanjih zaslugah in uslugah, ki jih je delala sedaj tej sedaj oni državi. To se je po odhodu generala De Gaulle spremenilo. Mednarodna politika se ne ustavlja več v Parizu. Francoska vlada se je na primer čutila hudobno prizadeto, da ni sodelovala pri načrtu za premirje med Izraelom in Arabci. Ji tudi ni bilo prav, da so pogajanja med Zahodno Nemčijo in Sovjetsko zvezo potekala ne samo brez njenega sodelovanja, ampak celo brez njene vednosti. O njih jo ni informirala niti Moskva. Na drugi strani je nova angleška konservativna vlada naenkrat odkrila veliko simpatijo do Pariza. Politiki obeh držav imajo toliko sestankov, da jih politična javnost komaj sproti registrira.

Hudo je Francijo prizadelo, da se je predsednik Nixon na svoji zadnji poti po Evropi ravno tako izogibal Pariza kot nekdanji predsednik J. F. Kennedy. Zato je Pompidou sedaj šel v Moskvo s posebno željo, da obnovi nekdanje prijateljske stike. Kot se zdi, ima Kremelj podobne želje, saj se je zgodilo, da so francoskega gosta čakali na letališču ne samo Podgornij in Kosygin, ampak tudi Brežnjev, ki se po protokolu takih sprejemov ne udeležuje, ako naj ne pomenijo nekaj posebnega. Program 8-dnevnega obiska ne vsebuje posebnih točk, mislijo pa, da bo Pompidou rad obravnaval vprašanje vojne med Izraelom in Arabci in vojno v Indokini. Kremelj ni najbrže preje polagal dosti važnosti na te razgovore, sedaj je pa stvar drugačnejša. Naserjeva smrt je postavila tudi sovjetsko politiko v precepe, ki jih v Kremlju niso pričakovali. V Aziji je Kitajska zaplavala v novo zunanjo politiko, ki jo bo skušala izriniti tudi Francija. To lahko koristi tudi Sovjetski zvezi. Pompidou bo gotovo načel nekatera gospodarska vprašanja, posebno pa francoske investicije v sovjetski industriji. Ta problem je Moskva zadnje čase zanemarjala. Pompidou bi pa rad vedel, zakaj.

Pompidoujev obisk v Moskvi bo torej skušal zakrpati nekatere razpoke političnega in gospodarskega značaja. Spremenjen mednarodni položaj je v tem pogledu ugoden za francoskega državnik.

Če si brezobziren pri vožnji, ne pozabi, da se boš zaradi tega kesal!

Danes obnova razgovorov za konec štrajka pri GM

DETROIT, Mich. — Unija avtomobilskega delavstva in GMC sta se sporazumela, da se danes sestanejo njuni zastopniki na razgovor o rešitvi sporov, ki so privedli do štrajka. Ta traja že četrty teden. Predsednik Unije L. Woodcock je dejal, da so razgovori o krajevnih sporih že tako napredovali, da je možno obnoviti razgovore o splošnih vprašanjih. Gre za novo kolektivno delovno pogodbo, kjer sta si obe strani navzkriž tako glede urnih plač, oziroma njih povzicanj, posebnega dodatka za draginjo, kot glede pogojev za pokojnino.

Glavni zastopnik GMC Earl Bramblett je dejal, da je GMC vedno pripravljena na razgovore na vseh ravneh, na krajevni in na splošni. Izrazil je upanje, da je mogoče napredovati na obeh istočasno.

Predsednik Unije L. Woodcock je izjavil, da še vedno ne vidi konca štrajka takoj "za oglom". Štrajk se je začel 14. septembra, ko se Unija in GMC nista mogla sporazumeti za novo kolektivno delovno pogodbo.

Rus Solženicin dobil Nobelovo nagrado za slovstvo

STOCKHOLM, Šved. — Švedska akademija za slovstvo je podelila letošnjo slovstveno Nobelovo nagrado znanemu rusko pisatelju Aleksandru Solženicinu, piscu del "En dan v življenju Ivana Denisoviča", "Rakasti oddelek" in "Prvi krog". Nagrada znaša \$78.400. Nagradenec je izjavil, da bo šel osebno po nagrado, kadar bodo te podeljene.

Aleksander Solženicin je star 52 let in je bil nedavno izključen iz Zveze pisateljev Sovjetske zveze, njegova dela doma pa prepovedana, ker je pustil, da so bila nekatera njegova dela objavljena v tujini v "škodo dobrega glasu Sovjetske zveze".

Zadnji Rus, ki je dobil Nobelovo nagrado za slovstvo, je bil Boris Pasternak. Nagrado so mu naklonili za njegovo delo "Dr. Zivago". Pasternaku, ki je bil tudi v času podelitve nagrade v nemilosti pri oblastih, niso dovolili, da bi nagrado sprejel.

CLEVELAND, O. — Tito je v svojem govoru 21. septembra v Zagrebu napovedal, da ima za svoje nasledstvo že napravljen načrt, da ga bo pa objavil, ko pride primerna prilika. Vsi so takrat računali s tem, da bo do objave prišlo enkrat pozimi, pa so se motili. Tito je svojo skrivnost odkril že sedaj, toda ne sam, ampak po svoji trobenti Kardelju.

Te dni je namreč imelo sejo Predsedstvo Zveze komunistov Jugoslavije, ki je po pravilih vrhovni partijski organ v deželi. Nad njim je še dejansko, pa ne formalno "izvršni biro", toda biro se peče le s tekočimi zadevami, ki se tičejo stranke in javne uprave. Za slovesne deklaracije je mesto v predsedstvu partije, ki ima svojemu pomenu primerno veliko število članov. Je podobno malemu parlamentu, mora se pa sprijazniti s tem, da praviloma odobrava le to, kar je bilo dogovorjeno v izvršnem biroju. Izvršni biro se namreč sestaja vsak

Izrael in Amerika bi podprla skupno Aman

Izrael in Združene države bi nastopili skupaj v podporo kralja Huseina v Jordaniji, če bi se sirjski brigadi ne umaknili.

CLEVELAND, O. — Včerajšnji New York Times prinaša obsežni članek o dogovorih in pripravah med Izraelom in Združenimi državami v dneh od 18. do 22. septembra, ko je sirjski poseg v državljansko vojno v Jordaniji spravljal v nevarnost obstoj vlade kralja Huseina. Predsednik Nixon je osebno vodil ameriške ukrepe in poteze v dneh, ko je visela nad svetom nevarnost atomskega spopada.

Izrael je mobiliziral del svojih sil in jih imel pripravljen za nagel nastop proti sirjskim oklopnim brigadam, če bi se te obrnile proti Amanu, da posežejo tam v boj proti kraljevim silam. Sirija je poslala preko meje v severno Jordanijo 19. septembra najprej okoli 100 tankov, v noči na 20. septembra pa še kakih 150. Huseinova oklopna brigada se je morala po težkih izgubah pred premočjo umakniti. Kralj se je obrnil na ZDA in na Veliko Britanijo s prošnjo za pomoč.

Predsednik Nixon je odredil pripravljenost nekaterih enot v Zahodni Nemčiji in nekaterih doma, pa poslal okrepitve tudi Šesti floti v Sredozemskem morju, ki se je začela zbirati med Kretom in obalo Izraela ter Egipta, istočasno so ZDA pozivale Moskvo, naj prisilne na Sirijo, da bo svoje tanke umaknila iz Jordanije. Kralju Huseinu so sporočili, da bo Izrael nastopil samo proti Sirijcem in da nima nobenega namena zasesti kak del Jordanije, če bi nastop bil res nujen.

Določeno je bilo, da bi Izrael napadel najprej sirjske tanke z letali in šele če to ne bi bilo dovolj, še z lastnimi oklopnimi silami. ZDA bi s Šesto floto čuvala Izrael pred napadom s čuvalci in hrbita, pa naj bi tega izvedli Egipčani, Sirijci ali Sovjetska zveza. Do vsega tega ni prišlo, ker se je posrečilo Huseinovim letalskim in oklopnim

dogovorih.

Novo predsedstvo bo kolektivno, ki ga bodo sestavljali vodilni člani posameznih republik, po 2 ali več iz vsake republike. Verjetno bosta imeli tudi oboje avtonomni pokrajini Vojvodina in Kosovo svoje delegate v njem, vendar z omejenimi pravicami. Polnopravnih in ravnopravnih članov bo pa 6, kolikor je republik. Predsedstvo bo imelo vsako leto drugega načelnika, ki bo zastopal na zunaj vso državo. Tako bodo vse republike prišle na vrsto, da predsedujejo "predsedstvu".

Ideja ni originalna, v Švici je celo preskušena in se dobro obnaša. Zato so jo skušale posnemati tudi druge države. Znan je na primer slučaj v Urugvaj. Tudi tam so imeli tako državno predsedstvo, pa se ni obneslo. Med člani predsedstva je bilo težko zmeraj doseči soglasnost, kar je pomenilo veto pravico vsakega člana. Člani so svojo veto pravico izrabljali v korist, ki niso ravno služile narodnim interesom. Zato je Urugvaj pred nekaj leti ukinil kolektivno predsedstvo in prešel na voljenega predsednika. Par podobnih slučajev se je še hitreje ponesrečilo v Evropi.

SENAT IZGLASOVAL NOV ZAKON PROTI NASILJEM

Bombni napadi na visokih solah, na sodišča in policijo, ki naj bi bili načrtno delo levičarskih skrajnežev, katerih cilj je revolucija, so vznemirili deželo in Kongres. Senat je pod tem vtisom izglasoval včeraj nov zakonski predlog z ostrejšimi kaznimi za organizatorje in izvršilce bombnih in drugih napadov.

WASHINGTON, D.C. — Seizirševalcev, ker bodo lahko povsod takoj posegle v preiskalstvo, med tem ko so imele sedaj to pravico le v slučajih, kjer je bilo rabljeno za napade razstrelivo prenešeno iz druge države. Javnost v naši deželi se je začela prebujati, spoznava nevarnost organiziranega nasilja in skupin ki hočejo obstoječi red ne izboljšati, ampak uničiti. Zateva zato odločen nastop proti vsem, ki uporabljajo nasilje proti obstoječemu redu, namesto da bi se za njegovo spremembo posluževali zakonite poti. Kongres je razpoloženje javnosti spoznal in se ravna po njem.

Krupanski imenovan za zveznega sodnika
WASHINGTON, D.C. — Predsednik Nixon je na predlog sen. W. B. Saxbe-ja imenoval zveznega javnega tožilca Roberta B. Krupansky-ja iz Clevelanda za zveznega sodnika za Severni Ohio namesto 71 let starega G. E. Kalbfleischa, ki posluje le v omejenem obsegu zaradi starosti.

Imenovanje mora potrditi zvezni senat. Trdijo, da pri tem ne bo nobenih težav. Krupansky, ki je star 49 let, bo imel \$40.000 letne plače.

Poleg Krupanskega je bil imenovan v isto sodišče tudi N. J. Walinski, okrajni sodnik iz Toleda. Na tem sodišču sta bili namreč prazni dve sodniški mesti.

Nixon bo segel v volivni boj
WASHINGTON, D.C. — Ko se bliža volivni boju koncu, se pripravlja poseči vanj tudi sam predsednik R. M. Nixon. Trdijo, da bo nastopil v državah, kjer kandidirajo dosedanj kongresniki v senat po njegovem nasvetu ali prigovarjanju. Med temi naj bi bil tudi R. Taft v državi Ohio.

Ako člani predsedstva ne bodo imeli veto pravice, bosta Slovenija in Hrvatska hitro preglasovani ravno v takih vprašanjih, ki so za obe republiki izredne važnosti. Ideja o predsedstvu bo tako hitro prišla ob ugled in bo državo poglaval v še hušajo krito, kot se v njej sedaj nahaja.

Sicer je pa treba počakati, kako bo pravno formulirana ta osnovna ideja. Kaj tragičnega se do Titove smrti tako ne more zgoditi. Tito ostane namreč še naprej "dosmrtni" predsednik po zakonu in po veljavi.

Zanimiva je Kardeljeva izjava: Ako se sistem novega predsedstva ne bo obnesel, pride ne samo ustava, ampak vse država v krizo, kakršne do sedaj še ni doživela. Opažovalci sedaj ugibajo, na koga leti ta puščica.

Sedanje predsedstvo partije je naravno Kardeljeva izvajanja z navdušenjem odobraval, kot se pač spodobi za organ vsake diktature.

Ali se bo v Jugoslaviji kolektivno vodstvo obneslo? Vse je odvisno od tega, ali bodo člani predsedstva imeli veto pravico ali ne. Če jo bodo imeli, bo reforma prišla iz dežja pod kak, kajti vsak član bo hotel svojo veto pravico čim dražje prodajati. Naj ima tako predsedstvo še tako moč, z delom ne bo prišlo v tek zaradi notranjih trenj. Jugoslavija ni Švica in še dolgo ne bo.

OTROŠKI KOTIČEK

Tak dan je zunaj, da ga je lepo pogledati. Veter je razgonil oblake in nebo je tako modro kakor lan, ko cveti. Na salamensko mi težko dene, ker sem tako star, da nisem za nobeno rabo. Jemnasta, ko bi bil zdajle v pravnih letih! Klobuk malo postrani, kamižolo samo ognjeno in bi jo kresnil čez ozare mimo. Obramove košatije čez Taborski grič proti Gobovcem. Na hudičmanovo me že nekaj časa drži podbreška preprostost in mladost, ki sem jo tam na tistih ozarah pustil. Ne vem, kaj naj to pomeni. Da mi je koj samo dolgočas, ali pa mi zemlja že tako od blizu diši. Pri teh letih je zadnje zelo mogoče. Zorana strnišča, vrane nad njivami, duh po pečenem kostanju s travnikov ob Bistrici, večerni glas zvona iz šiljastega zvonika Taborske cerkvice — tak je bil oktobrski večer v Podbrezjah. In tale danes me kar spominja nanj. Zato sem nemara nekam na otožno ubran kakor orglice starega berača.

Posrtarja to pot ni bilo in sem kar malce v zadregi. Dvoje pisemc imam, obračam kuverto, ki sem jo dobil zadnjo pot, toda le dvoje pisemc je in amen. Veter v času vse omaje: šen-dice in ljudi. Škoda.

Dragi Kotičkov stric!

Šola se je začela in počitnice so prišle. Vse je tako lepo. Vsak dan smo šli na sprehod v gozd. Tako lepo in mirno je v gozdu. Popoldne smo se šli za tri ali štiri ure kopat. Okrog šestih smo šli gledat kraj, kjer se pa-sejo srne. Upam, da si tudi Ti imel lepe počitnice in Te prav lepo prosim, če bi se tudi letos spet oglašil v svojem Kotičku. Vsi radi beremo Tvoje vrstice. Lepo Te pozdravlja

Barbka Štrancar

Draga Barbka! Lepo si zapisala, ko si rekla, kako lepo in mirno je v gozdu. Drevo pri drevesu, mah, praprotni živalice, ki jim je gozd dom. Ko sem bil še otrok, sem mnogo ur prebil v gmajni. Vem, da me je bilo včasih skoraj strah, če sem bil sam. Nobenega glasu od nikoder, včasih šum vejice, če je ptica zletela z nje, včasih šum grmiča, če se je zajček splašil. Drevesa zgoraj tako gošta, da niti neba nisem videl. Tudi zdaj, na stara leta rad za-

idem v gmajno. Ljudje ostanejo neke daleč, stvari dobe čisto druge oblike, vse je lepše in mirnejše. Vedno me gozdni mir spominja na večnost.

Se lepo zahvalim za pisemce in še kdaj se oglaš. Pa lep pozdrav.

Dragi Kotičkov stric!

Spet se je začela šola. Počitnice so prišle in spet odšle. Ko je imel oče počitnice, smo vsi šli v Pensilvanijo k Conneaut jezzeru. Lepo jezerce je to. Cel dan smo se kopali, igrali in se sončili. Od tega jezera smo šli še k enemu, na poti proti domu pa smo se ustavili v restavraciji. Ali si tudi Ti imel lepe počitnice? Vsi Te prosimo, da bi se spet oglašil in odgovarjal na naša pisma. Vsak petek grem hitro domov, da lahko berem pisemca v Tvojem Kotičku. Lepo Te pozdravlja

Joži Meglič

Draga Jožica!

Počitnice so prišle in odšle, si zapisala. Draga moja, v življenju je v vsako stvarjo tako — pride in gre. Življenje samo je prihajanje in odhajanje. Rožica požene kal in cvet, odcevti in se posuši. Le pogled zdaj na travnike. Nekaj mesecev nazaj se regrata, med travo mali rjavci, Marijini laski, marjetice — zdaj še trava rjavi, od cvetja ni več sledu. Prišlo je in odšlo. Pride pomlad in odide, prišla je jesen in bo prav tako odšla. Pride človek in tudi odide. Tako je in tako vedno bo.

Pa ne bodi žalostna, če počitnic ni več. Šola je, ki Ti bo dala nekaj, kar ne mine — bogastvo duha. Duh je tisti, ki vse preživi, ki nikoli ne umrje in kar v duha položimo, tisto ostane z duhom vred. Ne pozabi na to in bodi vesela, da imaš možnost hoditi v šolo. Koliko je ljudi na tem božjem svetu, ki te možnosti nimajo.

Hvala Ti za pisemce in kadar boš imela spet kaj časa, pa mi pošli kakšno vrstico. In lepo Te pozdravljam.

Tako, dragi otroci, to sta bili zadnji pisemci. Upam sicer, da bo v tem tednu spet kaj prišlo in da se bo poštar vesel oglasil na mojih durih. Če se ne bo in bo dež, ležem na pograd, ki ima novo slamo, vzamem v roko knjigo in bom bral, dokler me spanec ne zmaga.

Bog vas varuj na vseh vaših poteh in lepo vas vse pozdravlja vaš Kotičkov stric

Človeški poleti v vesolje naj bodo opuščeni?

WASHINGTON, D.C. — Dva svetovalca predsednika ZDA za raziskavanje vesolja sta izjavila, da bi bilo nadaljevanje človeških poletov v vesolje nesmiselno, ker je mogoče z aparati rešiti večino nalog ceneje in zanesljivejše. Slično stališče so zavzeli že preje trije senatorji, dva demokrata in en republikanec.

Ni jim bilo ljubo

VATIKAN. — Ko je pretekli teden predsednik ZDA Nixon obiskal sv. očeta, je po končanem obisku odletel v vojaškem helikopterju s trga sv. Petra. To visokim vatikanskim uradnikom, ki poznajo predanost papeža Pavla VI. naporu za vzpostavitev svetovnega miru in njegova utrditev, ni bilo prav nič ljubo. Tudi omenitev moči Šeste flote v zvezi s primerjavo duhovne moči papeža tekom televizijskega prenosa Nixonovega obiska pri sv. očetu ni bila posebno posrečena.

Sovjetsko vodstvo se upira vsem spremembam

PARIZ, Fr. — Povprečna starost 11 članov prezidija Centralnega komiteta Komunistične partije ZSSR je 62 let, povprečna starost 195 polnih članov Centralnega komiteta pa nekaj nad 60 let. Dopolnjen tukajšnji znanega dnevnika "Le Monde" v Moskvi Michel Tatu pše, da je vodstvo sovjetske zveze občutno na koncu svoje poti, pa noče dati mesta mlajšemu rodu in ne mara sprejeti nobenih sprememb, ki jih ta hoče.

To povzroča napetost, piše Tatu, ki postaja nevarna za trdnost režima. Opozicija postaja bolj in bolj radikalna, nevarnost izbruha odpora vedno večja. S to presojo položaja v ZSSR se strinja tudi večina ostalih poznavalcev Sovjetske zveze in se-

danjega razpoloženja v njej. Seveda ne misli pri tem nihče na kako protikomunistično revolucijo, ampak le na določene spremembe v obstoječem redu, ki jih novi rod ne more več prenašati, ko zahteva za sebe boljše življenje.

Pred ameriško-ruskim sodelovanjem v vesolju?

CONSTANCE, Z. Nem. — Po več letih zavračanja ameriških predlogov za sodelovanje v vesolju, se zdi, da je Sovjetska zveza spremenila svoje stališče in je pripravljena proučiti možnosti povezave svojega vesoljskega vozila z ameriškim v vesolju kot priprave in preskušnje za morebitno pomoč pri reševanju vesoljcev.

NASA je sredi tedna priznala, da se razgovarja o srečanju ameriških in sovjetskih vesoljskih strokovnjakov, na katerem naj bi se dogovorili o sodelovanju obeh držav v vesolju.

Naznanilo in Zahvala

Z globoko žalostjo v naših sreih naznanjamo, da je po dolgi bolezni umrl naš ljubljani oče, stari in prastari oče, očim in tast,

LOUIS ŠIMENC, st.

Previden s sv. zakramenti je odšel k Gospodu 10. septembra 1970 leta.

Rojen je bil 19. junija 1893 v Kamniku na Gorenjskem, odkoder je prišel v Ameriko 1. 1909.

Pogreb se je vršil 14. septembra 1970 iz pogrebnega zavoda A. Grdina in Sinovi v cerkev Marije Vnebovzete, kjer je sv. mašo zadušnico daroval Father Victor Tomc. Potem pa smo pokojnega truplo prepeljali na pokopališče ALL SOULS in ga tam položili k večnemu počitku.

Pokojnik je bil član društva sv. Jožefa št. 169 KSKJ, društva Katoliških borštnarjev št. 1640 in društva št. 22 Collinwoodske Slovenke ADZ. Bil je med ustanovitelji Slovenskega doma na Holmes Ave. in dolgo let tajnik društva sv. Jožefa št. 169 KSKJ in član cerkvene sveta pri fari Marije Vnebovzete. Bil je tudi veteran prve svetovne vojske in preko 40 let zaposlen v delavnicah NYC železniške družbe.

S tem se iskreno zahvalimo Father Victor Tomcu za molitve v pogrebnem zavodu, za darovano sv. mašo zadušnico in za spremstvo na pokopališče. Father Raymond Hobartu, Father Louis Pizmohtu ter Father Anthony Rebol za udeležbo pri sv. maši, č.g. duhovniku, ki je pokojnika obiskoval v bolnišnici in mu podelil sv. zakramente in zadnja tolažila sv. vere. — Father Celestniku, župniku fars sv. Kristine se zahvalimo za prihod v pogrebni zavod in kropitev pokojnika. Naša prisrčna zahvala gre veteranom prve svetovne vojske, ki so se udeležili sv. maše zadušnice in spremili pokojnika na pokopališče. Ravno tako hvala kadetkinjam društva sv. Jožefa, ki so držale

Cleveland, O., 9. oktobra 1970.

ALEXANDRE DUMAS:

Grof Monte Cristo

Komaj je vstopil g. Morrel, že odpošljejo soglasno Danglarsa in Caderoussea na proti ženinu. Imela sta nalogo, obvestiti ga o prihodu važne osebe, katere pojav je napravil tak utis, in imela sta ga tudi opomniti, naj se podviza.

Danglars in Caderousse odhitata, toda ko hodita komaj sto korakov, zagledata prihajati na griču mimo skladišča smodnika majhno družbo.

To družbo so tvorile štiri mlade deklice, Mercedine prijateljice in Katalonke, kakor ona, in nevesta sama, katero so spremljale in jo je vodil za roko Edmond. Blizu neveste je šel Dantesov oče, in kot zadnji je šel Fernand s svojim zlobnim smehljajem.

Niti Mercedes, niti Edmond nista videla tega zlobnega Fernandovega smehljaja; uboga otroka sta bila tako srečna, da nista videla ničesar kakor sebe in lepo nebo, ki ju je blagoslovljalo.

Danglars in Caderousse izvršita svojo poslansko nalogo. In ko stisneta in streseta močno in prijateljsko Edmondu roko, se pridruži Danglars Fernandu in Caderousse Dantesovemu očetu, središču obče pozornosti.

Starec je nosil staro tofetovo suknjo z velikimi, kupasto brušenimi jeklenimi gumbi. Njegove suhe, toda žilave noge so tičale v krasnih nogavicah iz bombaža, ki so dišale miljo daleč po blagu, vtihotapljenem iz Angležke. Na njegovem trioglatem klobuku so frfrali modri in beli trakovi. Mogoče bi ga bilo smatrati za gizdalina, kakoršni so šetali leta 1796. po novo odprtih vrtovih Luxembourg in Tuilerij.

Poleg njega se je vrnil, kakor smo že povedali, Caderousse, katerega je pridobilo upanje na dobro pojedino zopet popolnoma za Dantesa; Caderousse, ki se je nedoločno spominjal tega, kar se je godilo prejšnji dan, kakor se spominjamo, kadar se zbudi-mo, sanj pretekle noči.

Danglars, ki se je približal Fernandu, je vpri oster pogled na nesrečnega zaljubljenca. Fernand je šel za zaročencema, popolnoma pozabljen od Mercede, ki je imela v svojem mladostnem, čarobnem samoljubju oči samo za svojega Edmonda. Na Fernandovem obličju sta se menjavali bledoba in rdečica, vendar je nadvladala vedno bolj bledoba. Zdajpazdaj se je ozrl na Marseille, in pri tem je njegovo telo nehote nervozno vstre-

petavalo. Zdelo se je, da pričakuje ali vsaj vidi že naprej kak velik dogodek.

Dantes je bil oblečen priprosto; v službi pri trgovinski mornarici je nosil obleko, katere kroj je bil nekako v sredi med vojaško uniformo in civilno obleko; in ta obleka je pristojala izbornu njegovemu obrazu, ki je žarelo veselja nad lepoto svoje neveste.

Mercedes je bila s svojimi ebenovinastimi očmi in koralnimi ustnicami lepa kakor Grkinja s Kipra ali Keja. Imela je lahko, prosto hojo kakor Arlezijke in Andaluzijke. Meščanka bi bila morda poskušala, prikriti svoje veselje s pajčolanom ali vsaj z zametom svojih oči; Mercedes pa se je na vso svojo okolič ozirala smehljaje, in njen pogled in smehljaj sta govorila jasno, kakor bi mogle govoriti le besede: "Če ste moji prijatelji, se veselite z menoj, kajti resnično, jaz sem zelo srečna."

Brž ko je bilo mogoče videti iz krčme zaročenca in njune spremljevalce, jima odide na-proti gospod Morrel s pomorščaki in vojaki, pri katerih se je mudil do zdaj ter jim ponovil obljubo, ki jo je dal že Dantesu, namreč, da postane ta kapitan. Ko ga Edmond vidi prihajati, izpusti roko svoje neveste ter jo popelje h gospodu Morrelu, ki jo spremi pred vsemi drugimi po lesenih stopnicah, ki so vodile v slavnostno dvorano ter donele pet minut pod koraki gostov.

"Oče moj," pravi Mercedes, obstavši ob sredini mize, "prosim vas, sedite na mojo desnico; na svojo levico vabim še tebe, ki si mi bil zvest brat," pravi s sladkim glasom, ki prodre v Fernandovo srce kakor sunek bodalca.

Njegove ustnice izgubijo svoje rdečice, in pod rjavo barvo njegovega obraza izgine še enkrat vsa kri, kipeča proti srcu. Tekom tega časa napravi Dantes isto, gospoda Morrela posadi na svojo desno. Danglarsa na svojo levo stran ter namigne nato z roko, naj sede vsak, kakor se mu poljubi.

Ze prično svojo pot okoli mize različne jedi, različni morski raki, kratko vse one delikatese, ki jih puščajo za seboj na peščenih bregovih morski valovi in jih imenujejo hvaležni ribiči sadove morja.

Lep molk!" pravi starec, srkaje kozarec vina, rumenega kakor topas, iz steklenice, ki jo je postavil oče Pamfil svojeročno pred Mercedo, "kako naj bi mislil, da je zbranih tukaj trideset veselih ljudi?"

"Ej, oženjen človek ni vedno vesel," pravi Caderousse.

"Jaz sem ta hip presrečen, da bi mogel biti vesel," pravi Dantes. "Veselo učinkuje mnogo-krat na nenavaden način in leži na srcu kakor žalost."

Danglars opazuje Fernanda, katerega občutljiva narava je izražala na njegovem obrazu njegovo sleherno čustvo.

"Hej, ali se vam je česa bati, prijatelj?" pravi. "Zdi se mi, da vam gre vse, kakor si želite."

"To me skoro plaši," odvrne Dantes; "zdi se mi, da človek ni ustvarjen, da bi tako lahko postal srečen! Sreča je jednaka palačam začaranih otokov, katerih vrata čuvajo zmaji, ki jih ni mogoče premagati brez boja, in jaz res ne vem, s čim sem si zaslužil srečo, biti Mercedin soprogo."

"Soprog, soprog!" pravi Caderousse smeje. "Se ne, dragi moj kapitan. Poskusi igrati vlogo soproga in videl boš, kako naletiš!"

Mercedes zardi.

Fernand se premika na svojem stolu semtertja, kakor bi sedel na iglah, ter si obriše zdajpazdaj debele potne kaplje, ki so se lesketale na njegovem čelu kakor prve kaplje velikega naliva nevihte.

"Pri moji duši, sosedi Caderousse," pravi Dantes, "ne izplača se, da mi zdaj še vedno odrekate to ime; res je sicer, da Mercedes zdaj še ni moja žena," — pri tem pogleda na uro — "toda v poldrugi uri bode že."

Vsi gostje razun starega Dantesa se začudijo, a starec se nasmeje ter pokaže pri tem svoje še vedno lepe zobe. Mercedes

STOLP MIRU — "Cerkev popolne svobode" je postavila v Osaki na Japonskem tale Stolp miru, visok 600 čevljev, posvečen padlim vseh narodov.

ne zardi nič več. Fernand se dotakne nehote držaja svojega noža.

"V jedni uri?" vpraša Danglars ves bled. "In kako to?"

"Da, prijatelji," odvrne Dantes, "po vplivu gospoda Morrela, moža, ki sem mu dolžan za svojim očetom največ kvaležnosti na svetu, so odstranjenne vse zapreke, in ob polu treh naju pričakuje v mestni hiši marseilski župan. Ker je torej že bilo četrta na dve, menim, da se ne

motim, če trdim, da se bode imenovala Mercedes v jedni uri in tridesetih minutah gospa Dantes."

Fernand zapre svoje oči, se opre ob mizo, da ne omahne na tla, ter kljub vsemu prizadevanju ne more zadržati globokega vzdihla, ki se izgubi v smehu in čestitanju družbe.

"To je izvršeno krasno," pravi stari Dantes, "to se pravi izriniti čas. Včeraj dopoldne priti in biti danes ob treh oženjen!

Človek mora biti pomorščak, da tako hiti z vrejevanjem svojih zadev."

"Toda druge formalnosti?"

pravi Danglars boječe. "Pogodba, listine?"

MORNING NEWSPAPER

Snack Scores Success

Teen spirits are high after the high school football game, and win or lose, there's always lots of enthusiasm for a party. These Corny Wiener Puffs are just right for a warmly informal gathering on a chilly fall evening.

Wiener chunks dipped in corn meal batter, fried crisp and brown and served with cheese sauce for dipping, appeal to appetites sharpened by fresh air and excitement. And the teen hostess will like the convenience of preparation, too; the corn meal batter takes just moments to mix because it starts with convenient corn muffin mix.

Serve Corny Wiener Puffs to armchair quarterbacks who enjoy the games via TV, too. They'll score with all the fans!

Corny Wiener Puffs

Makes 12 servings

- | | |
|--|--|
| Wiener Appetizers:
Two 1-lb. pkg. wieners
One 12-oz. pkg. Flako
Corn Muffin Mix
1 cup milk
1 egg
Sauce:
2 tablespoons butter or margarine | 1 tablespoon all-purpose flour
1/2 teaspoon dry mustard
1/2 teaspoon salt
1/2 teaspoon pepper
1/2 cup milk
One 8-oz. pkg. processed cheese spread, cut in cubes |
|--|--|

For wiener appetizers, cut each wiener into 4 pieces. Place corn muffin mix, milk and egg in bowl. Blend only until dry ingredients are thoroughly moistened. (Batter should be slightly lumpy.) Place wieners in batter, stirring to coat well. Drop one at a time into hot deep fat (375°F.). Cook until lightly browned, about 1 minute. Drain. Serve warm with cheese sauce (see below).

For cheese sauce, melt butter in medium-sized saucepan. Gradually stir in flour, mustard powder, salt and pepper. Add milk and cheese, stirring constantly until cheese is melted and sauce is thickened. Keep warm until ready to serve.

NOTE: To keep wiener appetizers warm, place on rack in a shallow baking pan in preheated warm oven (200°F.).

WORLD SERIES IN CHINESE

NBC-TV announced that for the first time in history the World Series will be broadcast in the Chinese language.

The series, beginning Oct. 10, will be transmitted by the China Television Co., via delayed video-tape in color to Taiwan.

DRUGS ARE BASEBALL'S PROBLEM, TOO

No one wants to talk about it, especially for publication, but one of the biggest problems confronting baseball is the use of marijuana and drugs at the minor league level. It has been

reported that the Dodgers recently released a better-than-average prospect who not only was a user but a pusher as well.

BASEBALL WRITERS DO THE SCORING

Baseball alone, of all the major sports, puts the scoring burden on the sportswriters. In the other sports, officials other than writers, make the decisions and the scribes merely record what is done.

In baseball, however, the writer-scorers make the rulings on almost all matters, with the exception of balls and strikes, fair or foul, safe or out and a few other umpire prerogatives.

Cleveland Trust's new symbol is mark of future

CLEVELAND TRUST

One of the best known symbols in banking is being retired after 75 years, with the first appearance this week of a new Cleveland Trust corporate identification mark.

The new design combines a bold, multi-dimensional use of the initials "C" and "T" with a distinctive type style for the name of Ohio's largest bank.

"The Bank's mark represents a commitment to the future," wrote Chairman George F.

Karch in announcing the change to nearly 4,000 employees prior to its first public use. "We mean this to be a sign of our commitment to finding new ways to do more for our customers and for our city."

"The mark is the most visible element of a comprehensive corporate identification system," he added. The program is the result of three years of painstaking study and experimentation to find a design which will unify and modernize the Bank's visual communications.

Cleveland Trust has computerized customer services and no-charge checking, daily interest on savings and a photo-identification BankAmericard.

Good advice that can really help if blood pressure is much too high

If you have high blood pressure — hypertension to the physician — you are not alone. Says the Northeast Ohio Chapter of the American Heart Assn. Millions of Americans are afflicted with this disorder, and most of them are getting along well after having consulted with a physician.

Many drugs are available to the physician to help him tailor treatment to a patient's particular needs and condition. Certain prescribed diet changes and rest also are useful.

However, apart from this, there are a half dozen general rules that most patients with high blood pressure should follow.

The U.S. average is 54.02.

★ Chicago, Ill. — A candy company suspended the manufacture and shipment of all its products recently after the Food and Drug Administration said that more than half a million Oh Henry Nut Rolls were possibly contaminated with potentially hazardous bacteria. The manufacturer, Williamson Candy Division of Warner Lambert Pharmaceutical Co., agreed August 27 to recall any remaining Oh Henry bars of the suspect lot from trade channels nationwide. All Oh Henry bars are made in a Chicago plant, as are three other candy brands — Choco-Nuts, Salted Nut Roll and Nut Clusters. FDA said bacteria salmonella was present in Oh Henry bars produced on June 18 and June 26.

low. Depending on the patient, some will be more important than others. The hypertensive individual is urged to ask his doctor which of these is important for him.

1.) Try not to worry. Worry, nervous tension, and emotional storms help to push blood pressure higher.

2. Don't put on excess weight. Overweight is a hazard to good health.

3. Regulate use of tobacco and alcohol as your doctor specifies. Smoking can raise blood pressure; alcohol doesn't, but some people react poorly to it.

4. Follow a regular pattern of rest stops during the day. Taking time out, even before you become tired, will help you to avoid the tenseness and irritability (to be avoided by the hypertensive person) that go with fatigue.

5. Get plenty of sleep. During sleep, blood pressure falls to its lowest levels. It rises on waking.

6. Choose sports that are not competitive. Exercise is good for you. But overexertion can lead to complications. Avoid sports where you can't stop if you become tired.

CEREALS AND NUTRITION

(NOTE: The manufacturers answer federal charges that cereals in some instances do not contain very many vitamins.)

Makers of dry breakfast cereals have been subjected to a kind of consumer protectors' numbers game. It seems that most of the dry cereals measured by an ambiguous rating system are found wanting in nutrition. It is claimed they contain "empty calories". However, as a spokesman for a large food processing concern points out, the rating of the cereals was done in a way that would make a lot of food fall into the empty calorie category — including eggs and bacon.

If, as the investigators infer, every cereal should be fortified to the maximum with nutrients, it is doubtful people would eat them. Noted the food concern spokesman, "Obviously, to load up the breakfast meal with all the nutrients for the day without regard to those that will be consumed at other meals would be illogical... Our view is that we should fortify only to the level that is consistent with the meal occasion and not attempt to solve the whole day's diet problem with one dish at one meal. Our point of view is supported by many nutritionists."

The investigators of breakfast cereals, like the investigators of most products, can never quite come to grips with the real world. They overlook what should be a primary consideration. Consumers purchase dry cereals because they like them. In doing so, they exercise their right of free choice. If they wish, they can turn to other food products. It is just that simple.

SLAK CLEVELAND VISIT LEAVES FOND MEMORIES

Cleveland, Ohio. — The Lojze Slak Slovenian Folk Ensemble of Ljubljana, Slovenija, arrived in Cleveland, Ohio on Friday, Sept. 4, departed on Friday, Sept. 11, and left an indelible imprint on the hearts and souls of over 5,000 people who attended or heard these unforgettable concerts. This was their first tour of the U.S. and Canada.

The entourage was housed at the Howard Johnson's Motel, on the shores of Lake Erie, on 55th St. and North Marginal Dr. The Slak Concert Committee of Cleveland gave a welcoming reception for the Ensemble Friday evening, Sept. 4th at the Slovenian National Home Annex at 6409 St. Clair Ave., with huge signs of Welcome in English and Slovenian and posters of the Ensemble on the walls. They received a red carnation boutonniere and the ladies corsages from the Welcoming Committee.

Tony Petkovsek, M.C., introduced and welcomed them. There were many famous people of the cultural, fraternal, musical and civic worlds. Councilman Edmund Turk presented a resolution from the City of Cleveland. A nice buffet supper was served, with Slovenian sausages, various breads and condiments, delicious various home made pastries, donated by the ladies of the Committee, plus hot coffee and other liquid refreshments.

A beautiful ribbon sheet cake was made and decorated by Jo Trunk and daughter Sally Furlich. Dobrodošli, "Welcome" was imprinted across the top of the cake, in the center a blue expanse of water and two maps, one of the U.S. and the other of Slovenija, between them a miniature jet plane with Slak ensemble on it, winging its way to the U.S. It really was lovely and original. The ladies were complimented on their masterpiece. Another cake, depicting the 20th Anniversary of Izseljenška compliments of Mr. and Mrs. Kaferle, also graced the main table.

Richie Vadnal's Band played for dancing, also 10 yr. old Ray Strumbly played his accordion and received a big hand. The Slaks also gave us a sample of their delightful folk songs. It was a gay and exciting evening.

Saturday and Sunday, concerts were held at the Slovenian National Home on St. Clair, with nearly 2,000 guests in attendance. Tony Zak gave the welcoming address Saturday. The stage setting, a little corner of Slovenija, the back drop pictured the front of a village tavern, and on one side, a trellis depicting a vineyard, with hanging grapes rožmarin, and a wine barrel on the side with a string of garlic draping over it, while on the other side, an authentic kozolec (hay rack), with hay drying on it, and bales of hay flanked by the wooden large size statues of a Slovenian man and woman which were sent here 2 years ago from Slovenija. The front of the stage was draped in the Yugoslav colors, blue, white and red.

The rendition of the beloved old Slovenian folk songs and also new ones, captivated the audience. The handsome quintet "Fantje iz Praprotna" with their beautiful blending of voices, accompanied by the musical Slak Trio, was unforgettable, and tugged at your heart strings. They received standing ovations, and flowers were presented to them. Tivoli Enterprises had a record stand and featured Slak's premiere new L.P. album, "High Above the Clouds" and others of their albums, all

on sale there. Their new album is great.

On Saturday after the concert, Duke Marsic's Band played for dancing. On Sunday Al Mars played, also the Slaks. Jennie Fatur gave the welcoming speech on Sunday. Of course, food and refreshments were served.

On Monday (Labor Day) a beautiful day, the open air Slak Concert Festival and Picnic was held at the renowned lovely recreation center of AMLA in Leroy township; it was the crowning success. The grounds were transformed into a picnic area like in Slovenija. A carnival atmosphere prevailed, with many flags and colorful pennants waving in the breeze, a gaily decorated bandstand and dance floor which was installed for this occasion, the red and white funway booths dotting the area, the picnic tables and seats, a pig and lamb roast going on, while the people, bringing their own lawn chairs and blankets, sat on the slopes, looking down on the concert; all this looked like a stadium. What a colorful sight, from the main gate!

The bewitching hour of 3 approached, and all eyes were focused on the barn, which was down the road ways, looking for the surprise, and coming into view were a pair of decorated handsome horses trotting and pulling a blue, red and white decorated flat top hay wagon and among the straw was the Slak Ensemble in their colorful authentic Slovenian costumes, playing and singing, with the main committee accompanying them, also singing and laughing themselves silly, happy that everything turned out as they planned.

All the crowd was really surprised and went hysterical, laughing, crying, shouting, yoo-hooing, you never saw a happier crowd of Slovenians, believe me! The group all got off in front of the bandstand, and what a welcome they received. Mr. Susnik, president of AMLA gave the official welcome to them in Slovenian. The kiddies then all piled on the wagon for a free ride back to the barn.

As the concert was in progress, a plane flew overhead and circled the area twice, with a pennant flying, saying, "Welcome Slak, Bob Timko". What a lovely surprise from Bobbie Timko, the band leader. The concert ended with much applause and ovations. In the meantime John Pecon's Band with Lou Trebar were also brought in by wagon and they played a couple of hours for everyone's dancing pleasure. Then the Slak band played the rest of the evening. Everybody just stayed around and danced, visited, had food and refreshments, bought records. The winner of a gift — a \$50 plaque, was Bertha Peterle, a tourist member of our first Polka Party Tour to Hawaii with Tony Petkovsek. The plaque was made by Tony and Ann Kapela. TV station channel 3 came to televise some of the events, which was shown that evening at 11 p.m. Also the Scoop newspaper of the Collinwood area gave a beautiful writeup and pictures galore on this great Festival.

I never saw such happy faces and nice comments that people made as they left the grounds for home. It was a grand and glorious day for everyone.

The Committee escorted the Slak group on sight-seeing tours of Cleveland, visited our Slovenian taverns and night clubs, were wine and dined in Slovenian restaurants and even visi-

ted a few private homes. The red carpet was out all week for them.

Tuesday a large group of Committee ladies and friends had a luncheon at Fritz's Lounge honoring the two charming ladies of the Ensemble, Jana Osojnik, program entertainer, and Vera Valenci, representative of Slovenska Izseljenška Matica. After a most delicious meal, several ladies spoke, each representing a fraternal or cultural group. Cecelia Valencic presented a gift to Jane and Vera from all the ladies present — beautiful charm bracelets, with a charm of Cleveland, and Cecelia hoped that each concert city or town they visit, will add charms to the bracelets, so when they go home, they will have a lasting remembrance of their first tour to U.S.A. and Canada.

The ladies thanked us and said they shall always remember us. The Slak boys dropped in and rendered a few nostalgic songs for us. Thanks, fellas, it's a joy listening to you.

Wednesday the troupe visited the Slovene Home for the Aged on Neff Rd., and entertained them. There wasn't a dry eye in the place. The old folks were so touched and happy it brought back memories of their childhood in Slovenija.

Thursday afternoon their final concert was held, sponsored by the Pensioners Clubs of Cleveland, at the Slovenian Society Home on Recher Ave., in Euclid, Ohio, with a full house. There they also received a standing ovation. They also played for dancing with accordionist Frank Novak joining them. Everyone had a lovely time. The Slak Ensemble received a proclamation from George Voinovich, representing Governor Rhodes of Ohio, also a resolution from the Mayor and Councilmen of Euclid, Ohio.

Tony Petkovsek and John Pestotnik, Chairman, gave them plastic plaques to put on their cars when they are traveling around. All too soon it was time to say adijo — Friday morning.

Now to our officers of the Cleveland Slak Committee, Tony Petkovsek and John Pestotnik, Cecelia Valencic and Eddy Kenik, Alice Kuhar, Pat Bashel and June Price, who realized a dream come true, and to so many of the hard working Committee of close to 100 good people of all walks of life, representing all groups, who volunteered their services and helped in this tremendous undertaking, which turned out so successfully — to all you fine people who participated in this great cultural affair: you should be mighty proud to be of Slovenian heritage. To all the other ethnic people who came to listen to our beloved music, we thank you and hope you enjoyed it.

To the Slak Ensemble: We were so proud to have you with us, you make such beautiful and haunting music together, we all enjoyed it, to the depths of our souls and will always remember and play your recordings, to bring back a little of your visit to our shores. God be with you, as you journey thru-out our beloved country and Canada. Na svidenje!
