## Konferenca bratskih podpornih organizacij

Svoječasno smo poročali, da so unijski uradniki, ki organizirajo jeklarske in avtomobilске delavce v veliko unijo, skušali priti v stik z različnimi podpornimi organizacijami med našimi ljudmi, da zainteresirajo naše organizacije, kot tudi hrvatske, češke, slovaške in druge v velikem delu organiziranja delavcev.

Pred par tedni se je v Pittsburghu vršila velika konferenca naših bratskih podpornih organizacij, ki se je pečala samo s kampanjo organiziranja jeklarskih delavcev. Konferenca je enoglasno odobrila program C. I. O. odbora, ki se je zavzel, da bo storil vse v njegovi moči, da se pridobi jeklarske delavce za industrijski unionizem.

Na konferenci so bile zastopane v prvi vrsti podporne organizacije različnih narodnosti in političnih idej, in to po svojih glavnih in lokalnih zastopnikih, ki so vsi pozdravili program, kakor je bil predložen.

Organiziranje delavcev v velike unije pomeni veliko korist za naše bratske podporne organizacije. Cilj organiziranja jeklarskih in avto delavcev je, da se zmanjšajo delovne ure, da se zvišajo plače in se vpeljejo bolj zdravstvene razmere v tovarne in delavnice.

Kdor o tem premišljuje bo kmalu pronajdel, kako ogromnega pomena je to ne samo za posameznega delavca, pač pa tudi za naše bratske organizacije v splošnem. Krajše delovne ure pomenijo manj napadov bolezni, daljše in bolj zdravo življenje, torej manj bolniške podpore in manj izplačil za razne nesreče in poškodbe. Tudi umirali ne bodo delavci tako zgodaj, ako ne bodo garali, kot so garali pred 30. in 20. leti, ko so delali v krvavem potu svojih žuljev po 12 in 14 ur dnevno in so upeli na potu svojega življenja v najlepši dobi svojega bivanja na svetu.

Na konferenci v Pittsburghu je bilo zbranih nekako 500 zastopnikov bratskih podpornih organizacij. Glavni govornik na konferenci je bil Phillip Murray, znani delavski vodja, ki je v svojem govoru natančno opisal porast unijskih aktivnosti tekom kampanje, ki nadkriljuje vse dosedanje kampanje za ogromno organiziranje ameriškega delavstva v jeklarski industriji.

Ravno tako je Murray na mojsterski način očrtal način sile velikih jeklarskih korporacij, ki segajo izven tovarne v mestne, državne in v zvezno vlado. Te vlade imajo v svojem področju vse postave, ki se nanašajo na civilne svobodščine in demokracijo ameriškega naroda.

Murray je poudarjal kot glavni vzrok nesporazumov v delavskih vrstah dejstvo, da se je vedno posrečila propaganda velekapitalistov, da so namreč sejali sovraštvo med plemen, v verskem prepričanju, da so si medsebojno nasprotovale, da ni bilo mogoče misliti na skupno delovanje med delavci za delavski napredek, in ali kadar se je šlo za splošne delavske pravice.

Toda v dosledni kampanji med delavci, zlasti odkar je prišel na vlado predsednik Roosevelt, ki je bil vedno naklonjen dvigu delavskega gibanja, se je odstranilo mnogo osebnih mržnje med delavci in danes lahko pričakujemo, da je narod popolnoma zrel za organizacijo, ki je edino sredstvo za izboljšanje delavskega položaja.

Vsi delavci se morajo zavedati, da razcepani vsak za sebe, ali pa v malih stranicah ali v kompanijskih unijah ne moremo ničesar doseči. Potrebna je organizirana moč, katere se poslužujejo vsi veliki podjetniki in to je vzrok, da so do danes tako sijajno uspevali, dočim je ostal delavec tam kjer je bil.

"Ameriška Domovina" je vedno ves čas svojega obstanka povdarjala važnost in ogromno potrebo organiziranja v delavskih vrstah. V združenju je moč, v združenjem pride sporazum in s sporazumom pride uspeh.

## Ob 25-letnici društva sv. Ane št. 4 SDZ

Piše John Gornik, gl. tajnik

Največje slovensko žensko, podporno društvo pri S. D. Zvezi, največje žensko društvo v slovenskem Clevelandu, in smelo trdim, največje žensko društvo v Združenih državah, je doživelo pet in dvajset let svojega obstanka.

Dne 13. novembra 1910. se je ustanovila v Clevelandu bratska podporna organizacija S. D. Z., katere namen je bil organizirati v podporna društva može in žene, živeče v državi Ohio. Zgodovina S. D. Zveze nam izpričuje, da je poteklo skoro leto dni predno se je organiziralo prvo žensko društvo Svob. Slovenke in se priklopilo meseca junija 1911 k S. D. Zvezi.

Dne 22. novembra leta 1911 se pa je ustanovilo drugo, danes največje žensko društvo, sv. Ane št. 4, ter se priklopilo k domači bratski podporni organizaciji.

Prihodnjo nedeljo dne 22. novembra, bo to naše največje žensko društvo pri S. D. Zvezi, obhajalo praznik srebrnega jubileja. Izvanredno pomemben dan za naše članice, obhajal se bo praznik v znamenju resnične sesterske ljubezni dolgo vrsto let, v znamenju prave sloge in složenega dela, znak izvanredno velikega napredka v članstvu. Naše vrle žene in dekleta, članice društva sv. Ane s prvim novembrom štejejo 922 v odraslem in 274 v mladinskem oddelku, skupno 1.196 članice. To je rekord, na katerega je ponosna vsaka članica. Celotni gl. odbor in vse članstvo S. D. Zveze je ponosno na naše veliko in vsega spoštovanja vredno društvo. Glavni odbor

tem potom bilježni društvu sv. Ane, ob njih izvanredni slavnosti petindvajset letnice, najlepše častitke ter kliče velikemu društvu živele članice še na mnoga leta! Delo, katero ste vršile pretečenega četrstoletnja v korist članstva in Zveze, je nad vse hvale vredno, moč, katero imate pri vašem društvu za nadaljno delo, je izvanredne veljave za našo domačo podporno organizacijo. Članice le še tako naprej, S. D. Zveza vam je poznan, isto spoštujete kot dobro mater, porabite vašo veliko moč in vpliv za njen napredek, kjer ste včlanjena in zavarovana vi, tam naj bo tudi vaš soprog, vaš sin in vaša hči.

Da je naše društvo sv. Ane vedno in vselej rado pomagalo do večjega napredka na vseh krajih, prispevalo povsod, kjer je šlo za napredek in boljši ugled našega naroda, in prepričani smo, da ostane kot tako še v bodoče.

Na udeležbo izvanredne jubilejne slavnosti prav vladno vavijo vse članice vse cenjeno občinstvo od blizu in daleč. Brez dvoma je za ta dan pripravljen in zamišljen posebno zanimiv program in sicer predstavljena bo lepa igra "Carovnica," katere vloge so v rokah najboljših naših igralk izmed aktivnih društvenih članic njih moč in sinov. Med izpremembami nastopijo naše članice pevke solistinj in druge, kakor tudi moški kvartet pevskega društva sam. Zarje. Poleg izvanredno lepega programa popoldne, kateri se prične točno ob pol tretji uri ter se nadaljuje zvečer ples in prosta zabava, v velikem auditoriju S. N. Doma na St. Clair Ave. Maja vstopnina k popoldanskim predstavam samo 35c, zvečer za ples 25c.

Članice bodo kot po navadi vsem udeležencem pošteno postregle, skrbne matere in njih hčerke bodo pripravljene za najboljšo postrežbo. Hvaležne bodo vsem posetnikom in ob priliki povrnile.

Konečno bilježimo vsem še žižecim ustanoviteljicam najskrenejše častitke ter smo istim hvaležni za sad, katerega je obrodilo njih delo ustanovitve društva Sv. Ane. Kličemo vsem na veselje svidenje.

Družba Slovenski narodni dom priredi zabavni večer v soboto 21. novembra zvečer pri rojaku Jelusiču na Miller Ave. Nudi se nam prav lep in prav domač večer in prvi te vrste letošnje sezone. To nam bo zelo prav prišlo v teh časih, ko se potikamo le doma za pečjo. Ne morem reči "na pečji," ker tukaj v Ameriki ne poznamo tistih velikih peči, da bi se mogli spraviti nanje in sanjati lepe sanje o domovini tam za velikim oceanom.

Po malem snegu nam je zopet sonce posijalo in zato nam je še lepše.

V kratkem se poda v zakonski stan naša mlada Slovenka, Mary Glivar, Ohio State Walz šampionka. Mary Glivar se je udeležila valčne tekme tudi na svetovni razstavi v Chicagu in je dobila drugi prostor.

Torej v soboto se nam obeta dobra postrežba in imeli bomo tudi fino godbo. Ženske, ki bodo imele v oskrbi večerjo, so izbrale najboljše kuhinjske recepte in že sedaj se kuha, cvre in peče. Jaz sicer že sedaj vem, kaj bo za večerjo, toda moram držati prst na ustih, vsled zapovedi višjih. Sicer boste pa itak zvedeli v soboto zvečer sami. Samo ne pozabite priti k Jelusiču na Miller Ave. K udeležbi ste vabljeni vsi, od blizu in daleč. Pozdravi!

T. M. Filipis.

Hamburg - American Line North German Lloyd bo priredil ponovni božični izlet v Jugoslavijo. Letos se bo izlet vršil na Lloydovem deluxe ekspresnem parniku BREMEN, ki odpluje iz New Yorka dne 16. decembra.

Za božič potujejo radi domov posebno oni, ki imajo tam še žive sorodnike in prijatelje. Težko si je predstavljati kaj bolj veselega kot so ta božična svidenja družin, čijih člani živijo v tujini. Ena glavnih svrh teh božičnih izletov je, da se omogoči to veselo svidenje.

Izlet je namenjen tudi onim ljudem, ki žele preživeti božične počitnice drugače kakor po navadi. Malo potnikov se je vozilo preko oceana pozimi. Potovanje meseca decembra nudi marsikaj novega, česar bi ne smeli zamuditi tisti, ki si lahko tako potovanje privoščijo. Največje veselje bo pa za one, ki bo potoval decembra, da opazuje Slovence, kako praznujejo božične praznike.

## IZ PRIMORJA

—Novo občinsko poslopje v Premu. Reka, sept. 1936. — Kot po drugih sedežih občin v reški pokrajini so se tudi na Premu, ki šteje komaj nekaj okrog 1.600 prebivalcev, že delj časa bavili z mislijo na zidanje občinskega poslopja. — Pred kratkim pa je bilo sklenjeno in od merodajnih oblasti tudi potrjeno, da dobi premška občina novo poslopje za

1936 CAMPAIGN

občinske urade. V ta namen so se pogodili za zemljišče pod Premom, kjer se bo bajé že letos pričelo z gradnjo. Vse take iniciative bi bile pozdravljene, če bi finančne razmere občine in pa gospodarsko stanje občanov te, za današnje razmere luksuzne načrte, lahko brez vsakršnih žrtv preneslo. Toda naše vasi je fašistični režim z vsakovrstnimi davki in dajatvami tako zelo obremenil in našega kmeta tako izžehl, da je podobna obremenitev zločinska.

—Zaplemba vtihotapljenih volov. Trst, oktobra 1936. — V Divači so pred kratkim zaplenili znanemu gostilničarju in živinskemu prekupevalcu Rebecu 10 volov, češ, da so bili vtihotapljeni. Zaradi tega je bil starejši sin dalj časa v zaporu, a kazen dosedaj še ni bila izrečena. Rebec je star prekupevalec in je zato skoro nemogoče, da bi bil sum, ki je padel nanj, resničen.

—Karabinjerska kasarna v Vremski dolini. Postojna, oktobra 1936. — V Britofu, mali vasi v Vremski dolini, so sezidali novo, precej veliko karabinjersko kasarno, v kateri so uredili zlasti precejšnje število zaporov. Čudno izgleda sicer, da niso v tem kraju, kakor sploh v okolici, postavili in uredili šole, ki je v precej slabem stanju, vendar pa je tudi razumljivo, ker za vso Vremsko dolino niso imeli dozda niti primerne kasarne, zlasti pa ne primernih zaporov, ki se nahajajo šele v Sezani oziroma v St. Petru.

—V Lomu pri Kanalu je zgorela hiša Andreju Mraku. Požar je napravil 8.000 lir škode. — Senik je zgorel Francu Uršiču v Bukovici. Uršič je oškodovan za 5.000 lir. — Stanovanjska hiša je zgorela Stefaniji Voncic-novi v Trnovem na Trnovski planoti. Zgorelo je tudi precej sena in lesa. Škode je okrog 8.000 lir. — V Slapu (Vipava) je požar upelil senik Ivana Uršiča. Zgorelo je 12 kvintalov sena in poljedelsko orodje.

## IZ DOMOVINE

—V Kranju je umrla Helena Pavšlan posetnica.

—Orehova vas v požarni nevarnosti. Ono jutro je izbruhnil v gospodarskem poslopiju posestnika Franca Mesariča v Orehovi vasi št. 45 ogenj, ki se je z bliskovito naglico razširil na vso domačijo. V kratkem času so ognjeni zublji zajeli tudi go-

spodarsko poslopje sosedja Jakoba Megliča in je bila velika nevarnost, da postane vsa vas žrtev plamenov. O požaru so bili takoj obveščeni mariborski gasilci, ki so takoj odbrzeli v Orehovo vas ter preprečili katastrofo. Na kraj požara so prihiteli tudi gasilci iz Hotinje vasi, Bohove in Pobrežja, ter se je gasilec posrečilo, da so požar omejili. Obema posestvikoma sta zgoreli domačiji z vsemi letošnjimi pridelki ter inventarjem in znaša škoda nad 100.000 dinarjev. Kako je požar nastal, se še ne ve, sumijo pa, da je bil ogenj podtaknjen.

—V Ljubljani je umrl v visoki starosti 82 let Franc Jenko, meščan ljubljanski, zidarski mojster, ustanovitelj ter častni predsednik Slovenskega zidarskega in tesarskega društva.

—V bolnišnici je umrl g. Karaj Vester, postrežek.

—V Trzinu je umrl Jakob Čmetič, absolvirani jurist.

—V Ljubljani je umrl g. Fr. Uršič, višji davčni upravitelj v poklju. V splošni bolnišnici je umrla gđc. Novy Marija, stara šele 20 let.

—V Lescah je umrla v najlepši dekliški dobi Pavla Trip-lat.

—Na Selih pri Šumberku je dne 16. oktobra umrla ga. Jera Ozimek, po domače Tomaževa mati, v starosti 77 let. Pred dvema letoma je umrl njen mož Jože Ozimek, posestnik, gostilničar in dolgoletni župan občine Sela - Šumberk, sedaj pa je odšla še ona za njim, da prejme za svoje zgledno življenje plačilo od Najvišjega.

—V Gornjih Podpoljanah, v župniji Vel. Lašce, je umrl posestnik Anton Tomšič, zaveden katoliški mož. Bil je od ustanovitve član nadzorstva Hranilnice in posojilnice v Vel. Laščah, večkrat v odboru bivše občine Sv. Gregor, vzoren, varčen gospodar, pa odprtih rok za cerkev, misijone in uboge.

—Nenadoma se je raznesla po Ribnici in okolici žalostna vest, da nas je zapustil splošno znani in povsod priljubljeni posestnik France Burger. Bil je to eden od onih naših starih podeželskih grč, ki je kljub slabim časom znal vedno izpričevati svoj izrazito katoliški značaj. V tem duhu je vzgojil tudi svoje otroke. Ima tri hčere in dva sina, od katerih je eden notar v Celju, drugi pa direktor gimnazije v Kočevju. Dočakal je visoko starost 97 let in je bil do zadnjega časa čil in svež.

## Če verjamele al' pa ne

Oni dan sem zagledal v uglednem časopisu, Ameriški Domovini, razveseljivo vest, da se v Zed. državah vsako minuto rodi pet otrok. Torej sveta se ne bo tako kmalu konec.

Pri tej novici me je zaskrbelo, kaj bi bilo, če bi bile vse matere članice naših podpornih organizacij, ki plačujejo porodno nagrado, po \$15.00 od vsakega otroka. Cenjeni gl. tajniki lahko izračunajo, koliko bi nakazali vsakih 24 ur.

Pri nekaterih afriških plemenih je običaj, da se ob porodu otroka oče vleže v posteljo, žena mu pa streže. Jako lep običaj je to, bi rekel. Če bi bil tak prekoristni običaj tukaj med nami, bogve, če bi tudi očetje dobivali porodno nagrado. O tem naj bi razmislile naše konvencije.

Farmer najame hlapca in mu razlaga njegove dolžnosti in opravi. Med drugim tudi farmer reče hlapcu:

"Da veš, jaz nimam rad dosti besed. Če ti migmem s prstom, to pomeni: Pridi sem!" "Mi je prav," reče hlapec. "Tudi jaz sem tako na kratko ustvarjen. Če odklimam z glavo, pomeni: Ne pridem!"

WHERE FRIENDLINESS INSURES  
SUCCESSINTERLODGE TO TREAT MEMBERS,  
FANS TO FREE THANKSGIVING HOP

A record-breaking attendance is expected at the Free Dance sponsored by the Inter-Lodge League at the Slovene National Home, 6417 St. Clair Ave., Thanksgiving Eve, Nov. 25 (Wednesday evening).

The League is expecting a grand galaxy of its baseball, basketball and social followers. There are several reasons for this:

The dance is free to all Inter-Lodge boosters. The only condition of admission is an Inter-Lodge booster tag which will be sold from 4 p.m. on the day of the dance at the box office of the National Home. The price of the booster tag is only 10 cents.

Two popular Cleveland orchestras will play in the upper and lower halls of the Home. Johnny Pecon's orchestra and Frankie Yankovich's unit have been booked to furnish rhythm.

The dance will be up to "Inter-Lodge Standards." Anyone attending Inter-Lodge affairs for the past seven or eight years knows what "Inter-Lodge standard" means. Top notch national bands, decorations of the unusual, refreshments that please the most discriminating clientele, guest sports and stage stars, and the dance where everyone meets everyone else.

Inter-Lodge dances have been hailed as community reunions. The large attendance has been responsible for creating the fact that if at no other affair, Slovenes, Serbs and Croats are certain to be at the Inter-Lodge affairs, which spells surprises in meeting long-unseen friends, acquaintances and produces the congenial spirit of good fellowship and friendship, so important to any social affair. The League is not bold in guaranteeing everyone a social event long to be remembered and worth remembering for the next social affair of the League.

Special Patron tickets which are necessary to purchase the booster tags are being distributed thru merchants and English - conducted lodge secretaries. They may be procured for the asking at Blatnik's, 6304 St. Clair Ave.; Birk's, 6225 St. Clair Ave.; Makovec's, St. Clair Nat'l Home; Slovene Home, Holmes Ave.; Mandel's Drug Store, 15702 Waterloo Rd., and the Enakopravnost, 6231 St. Clair Ave. They are going rapidly and the supply is limited to the capacity of the two halls, so it is advised that they be procured early.

Past Inter - Lodge affairs bear witness to the fact that long before the event, tickets were as rare as Caesar's auto-

graph. This is certain to happen for the Free Dance.

Three SDZ teams are active in the Inter-Lodge at present. They are the Lorain Buckeyes, Clairwoods and West Side Sočas. They are participating in the Inter - Lodge Basketball League which has games every Wednesday in the St. Clair Bathhouse.

## THE CORRECTION OF VISUAL DEFECTS BY GLASSES

The only means of helping the optically imperfect eye is by the use of glasses. In these finely polished curved pieces of glass are all the precision and skill gained through countless experimentation and research. It is a far cry from today's specialized product to the first piece of glass, which enabled a Chinese mandarin to improve his vision centuries ago, or through which Nero is said to have watched the conflicts of his gladiators. In those times, glasses were regarded as miracles, because wise men realized that their eyes were their power, and to improve them was worth a fortune.

Today we take adequate eyesight and efficient eye-glasses for granted, and there are many among us who are able to lead normal lives only because of proper lenses. Despite the obvious advantages, there are many who offer objections to the use of glasses because of sentimentality, prejudice or ill-conceived personal pride. The arguments are varied. "Glasses are not natural." "I never needed them before." "The child is too young." Some persons consider the wearing of spectacles a mild disgrace, a cosmetic detriment or a confession of old age. One may fully understand and sympathize even with human frailties and foibles, but common sense, together with the pursuit of comfort and health, and the prevention of economic and social waste must ultimately outweigh these flimsy arguments.

Near-sighted persons of any age should take exceptionally good care of their eye-sight, and should have their eyes examined at least once a year. The diseases to which near-sighted eyes are naturally predisposed begin to show themselves as the result of neglect in youth.

During the most active period of growth, in children to the age of fifteen years, the eyes should be re-examined for the possible need of change of lenses at least every two years, no matter for what reason glasses are being worn. If there is any complaint or inability to see, the examination should be sooner. In cases in which there is a tendency and a threat of progressive near-sightedness, it may become necessary to have the child's eyes re-examined at regularly stated periods of three to six months. In this grave condition, the oculist is concerned not only with the condition of the eyes at the time, but with the problem of their future usefulness. In older persons, an examination and an increase in the strength of the lens is required approx-

## HOBBIES REVITALIZE YOU IN ANY BUSINESS; MAY DEVELOP INTO PROFITABLE ENTERPRISE

(Conclusion.)

You can't possibly think of the cares and worries of your daily occupation while you are engaged in carving out a fine bit of inlay work. You are carried away by the creative urge. If you are down on your knees with hands in the dirt engaged in cultivating roses or other growing things your mind is far removed from the hub-bub and din of the busy marts of trade. You are resting both mind and body with a change of activity which is just as beneficial as any vacation rest you ever enjoyed. How can anyone carry themselves farther from the hard realities of life than in the perusal of rare first editions of the bookmaker's art or stamps from the isles of the seven seas? There is education, relaxation and exaltation in pursuing a hobby and there is a wide field to choose from, to meet the small purse or fat one, depending alone upon the individual interest.

Your hobby may be golf, amateur dramatics or collecting diversified things from deformed peanuts to antique furniture. Whatever it is, it brings you a mental and physical relaxation which acts as a tonic to your activity in the business and social life of

your work-a-day world. A man with a hobby is an interesting man to meet, because his conversation is not confined to "shop," and he usually is equally interested in the hobby experiences and success of the "other fellow." If you haven't a hobby, pick up one, for without one you are missing a lot of the spice of life.

## Buckeyes Lost First Game, Challenge Local Bowlers

The Buckeye basketball five lost its initial game of the season in the Interlodge league after a hard and thrilling game. But from the looks of things, the Bucks are in for a big year. Notice to members: Come along to these games and root for the team.

There is still a good deal of need for education in regard to optical lenses. Although often it is not apparent to the naked eye, there is a decided difference in spectacles. Optical glass is not pure window glass, but is a highly specialized product which is constantly being improved.

When the patient is fitted with glasses, he should always acquire instructions as to the proper method of caring for them, in order to secure the best results. He should be told of the necessity for keep-

ing them adjusted accurately, and the need for cleanliness should also be dwelt upon. It apparently never occurs to some persons that their glasses require cleaning, and a supposed visual defect often proves to be nothing more than soiled lenses. When such glasses are worn persistently, the strain in an effort to see may give rise to irritation and inflammation of the eyes.

## Campaign Manager

John E. Lokar, Lindy, as he is better known by his numerous friends, recently won his second big campaign when Municipal Judge Frank J. Lausche ran for Common Pleas Court. He was campaign manager when Judge Lausche ran and was elected to the Muny bench.

Lindy Lokar has led a colorful life, having at one time or another been bus driver, radio expert (he has his own service store), superintendent of the Dell Ave. yards in the Department of Public Service under the Miller administration, and other important positions.

All this while he was active in the fraternal field, holding supreme board and other offices in several Yugoslav fraternal organizations. He is a member of the Modern Crusaders.

## Kollander Exhibit Shows Yugoslav Economic Rise

Mr. August Kollander, 6419 St. Clair Ave. graciously loaned the showcase exhibit now at St. Clair Branch Library.

A boy doll dressed in native Yugoslav costume was brought by Mr. Kollander, less than a month ago, from Ljubljana, the capital of Slovenia. The doll, and wooden-ware, which comes from Sodražica, Slovenia, were gifts to him from two friends.

In 1928 crossing from Yugoslavia to the United States, Mr. Kollander had the pleasure of meeting for the first time the young lady who painted wooden-ware for him during the summer of 1936, at home in her native land. Candy boxes, butter plates, salt and pepper containers, odd plates, toys to gladden a little girl's heart, clay whistles, topped by a hand painted water bottle, are all gaily painted in warm colors and interesting designs, floral and figurative. "V spomin," Slovene for "In Remembrance," painted on the wooden-ware charges one to recall the background from which these objects came.

At present new buildings and roads mark a Yugoslav slight economic swing upward, apartment houses are built with balconies from which flower boxes trail green leaves and gay flowers, says Mr. Kollander. Modernistic furniture shows more true beauty in Europe than we have seen, fine woods are used in a neo-classic style. It would seem that the European love for warmth and grace has challenged us in modern architecture and art.
