## Roosevelt je izkazal veliko čast poslaniku Anglije

### Šel mu je naproti prav do ladje, s katero je dospel poslanik

Annapolis, Maryland, 24. jan. — Predsednik Roosevelt je dospel sem danes popoldne, da pozdravi Lorda Halifaxa, novega angleškega poslanika za Zed. države. Halifax se je pripeljal z bojno ladjo King George V. do tega pristanišča. To je nova bojna ladja, ki je napravila zdaj prvo vožnjo preko Atlantika.

Predsednik Roosevelt se je odpeljal na predsedniški jahti Potomac do angleške bojne ladje, kjer je pozdravil Halifaxa in njegovo soprogo. Angleški poslanik se je potem podal na predsednikovo jahto, ki je krožarila eno uro po morju, predno je zopet pristala na obrežju. Nato se je vrnil predsednik s poslanikom in drugim spremstvom v avtu nazaj v Washington.

To je bilo prvič v zgodovini, da bi šel predsednik Zed. držav pozdravit kakega inozemskega poslanika ob prihodu.

## Ameriški odposlanik na posvetu z jugoslovanskimi vladnimi uradniki

Belgrad, 23. jan. — Polkovnik Donovan, katerega je poslal predsednik Roosevelt, da študira položaj v južni Evropi, se je danes posvetoval z regentom Pavlom, ministrskim predsednikom Cvetkovičem, zunanjim ministrom Markovičem in dr. Vladko Mačkom, vodjem Hrvatov. Polkovnik kot vlada molčijo o njegovi misiji. Časnikarski poročevalci so ga oblegali z vprašanji, toda polkovnik se je spretno izognil odgovorom.

Donovan namerava odpotovati iz Belgrada v Grčijo, od tam v Turčijo, potem v Palestino in zatem v Egipt. Rooseveltu bo lahko prinesel natančni položaj na Balkanu.

### Citizens liga priporoča za mesto samo 15 koncilmanov

Citizen liga je prišla na dan z načrtom, da se spremeni mestni čarter Clevelanda v toliko, da bi imeli samo 15 koncilmanov in sicer naj bi se jih izvolilo 10 iz vard, 5 pa iz vsega mesta. Liga grozi, da če mestna zbornica ne bo dala načrta volivcem na glasovanje, da bo začela pobirati podpise in dala predlog na glasovanje volivcem. S tem, trdi liga, bi se prihranilo mestu do $50,000 in dobili bi boljše zastopnike v zbornico. Deset koncilmanov bi se volilo za dve leti, pet pa za štiri leta.

## Romunski ministrski podpredsednik je vodil vstajo in vlada ga sedaj išče, da ga kaznuje

Bucharest, 24. jan. — Romunski svet ministrov je razglasil, da bo zadela težka kazen ministrskega podpredsednika Horia Sima, načelnika železne garde, ki je vodil zadnjo pobuno v Rumuniji proti vladi. Njega in druge vodje vstaje vlada sedaj išče. Koliko je padlo žrtev v tej vstaji ni znano, toda govori se, da več kot 2,000. Teroristi so vdirali v hiše, vlačili ljudi v kleti in jih morili. Načelnik vlade, general Antonescu, ki je strl s pomočjo Nemcev vstajo, je ukazal sodbo in kazen za vstaše.

Dočim vlada v glavnem mestu red in ima vlada položaj v rokah, se pa poroča iz raznih mest po deželi, da ima tam železna garda še vedno nadmoč. Vlada je poslala vojaštvo v te kraje, da razbijejo gardiste.

### Nemci se klanjajo Lindberghu

Berlin, 24. jan. — Nemški uradni krogi so vzklikali: "Klobuk doli pred Lindberghom radi njegovega poguma pred kongresnim odsekom. Vzpričo moralnega terorizma, ki ga izvajajo intervencionisti, je njegov pogum zgleden." (Kot znano, je Lindbergh izjavil, da je proti vsaki pomoči Angliji, zato ni čudno, če so Nemci tega tako veseli).

### Šole so v nevarnosti!

Defiance, O. — Delavci so podirali tukaj tri stara šolska poslopja. Delo je šlo bolj počasi od rok, dokler niso delavci naleteli v vogelnem kamnu pri enem izmed poslopij na steklenico žganja, ki je bila vzidana tje leta 1898. Potem so pa krampi in lopate vse drugače pele, ker so mislili, da bodo pri vseh šolah dobili kaj takega, toda ničesar več niso našli. Čudno je pa to, da se noben izmed teh delavcev ne more "spomniti," kam je zdaj zginila tista steklenica.

## Italijanski poveljnik je šel strahoma v Albanijo

Belgrad. — Novi vrhovni poveljnik italijanske vojske v Albaniji, general Ugo Cavallero, je šel v Albanijo preko Jugoslavije. Tako se z vso zanesljivostjo poroča iz Črne gore. Zakaj je šel Cavallero preko Jugoslavije na svoje novo službeno mesto ni znano. Toda sodijo pa, da radi tega, ker se je hotel "izogniti" sovražnim letalom in pa bojnim ladjam na Jadranskem morju.

Kot se poroča, je Cavallero prestopil jugoslovansko mejo pri Sušaku iz Reke zadnji torek. Potoval je s potnim listom, na katerem je bil označen njegov poklic kot "inženir."

# Naprej za Italijani, je cilj angleške armade v Afriki

## POROČILA Z RAZNIH DRUGIH BOJIŠČ

Kaira, 24. jan. — Angleška armada, ki je počistila Tobruk Italijanov, kjer je zajela kakih 20,000 Mussolinijevih vojakov, se je zapodila naprej po severni Libiji. Armadi pripravljajo pot bojna letala, ki so bombardirala laške postojanke v Appoloniji, Derni in Marau. Bombe so zanetile mnogo požarov, pripovedujejo avijatičarji.

Angleške predstraže so že pri Derni, ki leži 95 milj zahodno od Tobruka. Nevtralni opazovalci so mnenja, da se bo angleški poveljnik Wavell pognal mimo Derne in udaril naravnost proti pristanišču Bengazi, 150 milj zahodno, kjer je zbrana glavna italijanska sila.

Od etijopske meje se poroča, da se Italijani tam še vedno umičejo na vsej črti. Angleški letalci so poleteli daleč v Etijopijo in bombardirali italijanske postojanke 120 milj južno od Addis Ababe.

***Haile Selassie je prišel v Etijopijo***

Kaira, 24. jan. — Bivši abesinski cesar Haile Sellasie, ki ga je vrgel leta 1936 Mussolini s prestola, se je pripeljal z angleškim letalom v nek skrit kraj v Etijopiji. Okrog njega so se zbrali njegovi zvesti poglavarji in prisegli zvestobo cesarju in svoji nekdanji zastavi. Cesar je izdal na svoj narod oklic, naj se dvigne proti sovražniku ter ga izžene s površja Etijopije. Cesar se je nato postavil na čelo svojim četašem ,ki se s pomočjo angleških čet bore proti Italijanom.

***Lepše vreme pomaga Grkom v Albaniji***

Atene, 24. jan. — Mnogo lepše vreme je podžgalo Grke, da so se vrgli z novo vnemo na Italijane. Severno od Klisure se vrše najbolj vroči boji, kar traja vojna v Albaniji. V tem sektorju, ki se nahaja v sredini albanske fronte, so izvedli Italijani nekaj močnih izpadov, toda Grki so jih vrgli vselej nazaj. Potem so pa Grki sami naskočili in zasedli nekaj italijanskih postojank.

***London je že štiri noči brez napadov***

London, 24. jan. — London je danes zjutraj vstal potem, ko je preživel že četrto noč brez napadov nemških bombnikov. To je najdaljši presledek brez vsakega napada od zadnjega septembra.

Admiraliteta poroča, da je angleška podmornica Pathian potopila neko italijansko transportno ladjo južno od Italije. Ladja je očividno vozila potrebščine armadi v Libijo.

*

Berlin, 24. jan. — Nemški bombniki so včeraj bombardirali štiri angleške trgovske ladje zapadno od Irske. Ladje so se ali potopile, ali so bila pa zelo poškodovane.

## Temni oblaki nad osiščem

Prvo vojno posvetovanje diktatorjev Hitlerja in Mussolinija je bilo lanskega marca na prelazu Brenner. To je bila preludija za invazijo v Norveško in potem blitzkrieg Nemčije proti zahodu. Drugi sestanek je bil v juniju v Monakovem. Tukaj sta diktatorja pirovala na zmagah, ki sta jih izvojevala dotlej. Na 4. oktobra se je vršil drugi sestanek na prelazu Brenner. Iz tega se je izcimila nemška diplomatska ofenziva za "novi red" v Evropi. Prihodnji sestanek je bil v Florenci na 28. oktobra. To je bilo potem, ko se je vrnil Hitler z diplomatske ture v Franciji in Španiji. Posledica tega sestanka je bila italijanska invazija v Grčijo.

Pred nekaj dnevi sta se diktatorja zopet sestala. Berlin je tajil sestanek do zadnje minute in ko je priznal sestanek, ni hotel povedati kraja, kjer se je sestanek vršil. Rim je bil takrat prekinil vse telefonsk zveze z ostalo Evropo, da ne bi prišla kaka važna novica predčasno v javnost. Kakor sta diktatorja prej vse sestanke javno razglašala, se je vršil zadnji sestanek v največji tajnosti. Kaj naj to pomeni? Nič drugega kot da se je začel pomikati politični voz osišča navkreber.

Italija je zdaj v sredini pozornice. Mussolini je doživel poleg poraza v Albaniji in Libiji še znaten poraz v vzhodni Afriki. Fašisti se umičejo na vsej fronti ob Sudanu.

Nemški bombniki so dosegli nekaj uspehov v Sredozemlju, ko so napadli angleške ladje in jih nekaj poškodovali. Toda ta uspeh meče senco na Mussolinijevo zračno silo, ker so nemški bombniki uspeli pri prvem poskusu, dočim italijanski niso mogli pri ponovnih in ponovnih poskusih. Taki nadaljni uspehi nemške avijatike bodo več škodili italijanski kot angleški morali.

Značilno je tudi to, da je šel fašistični propagandist Roberto Farinacci, eden najhujših fašistov in največji zagovornik nacijev, v Albanijo, kjer bo skušal dvigniti moralo v italijanski armadi. Poroča se, da bodo v kratkem stopili tudi drugi odlični fašisti v armado, da pokažejo italijanskemu narodu, da se fašisti niti vojne nevarnosti ne izogibljejo. Baje bo šel sam grof Ciano, zunanji minister in Mussolinijev zet, v armado.

Toda vzrok zadnjega sestanka diktatorjev je bila predvsem pomoč Zedinjenih držav Angliji. Trenutno so se naciji potuhnili in se ne kažejo izzivane radi Rooseveltove politike. Toda, da Nemci niso ravnodušni radi ameriške politike in da pod navidezno mirnim površjem tli, kaže slučaj, kako je nemško časopisje izbruhnilo, ko so oni dan ameriški mornarji v San Franciscu razrezali nemško zastavo. Italijansko časopisje je pa zavpilo, da bo Nemčija v teku 70 dni udarila s tako silo na Anglijo, da bo prišla ameriška pomoč prepozno.

Eno je gotovo in to je, da se Hitler boji ameriške pomoči Angliji. Ta prihaja v vedno večjem obsegu, toda še daleč ne dovolj. Zato pa Hitler zdaj študira, če ne bi kazalo udariti na Anglijo prej, kot bo dobila kaj več potrebščin iz Amerike. Zato lahko rečemo, da se vrši zdaj dirka za Anglijo in sicer med Nemčijo in Zedinjenimi državami. Kdo bo prišel tje prej: ali pomoč iz Amerike, ali Hitlerjeva armada? To bo pa pokazala bodočnost.

## Graziani je v stiski

Zdaj, ko je padel Tobruk, prodira angleška armada proti Derni, 100 milj zahodno. Kot se poroča, je italijanski poveljnik Graziani zbral večjo armado, da se postavi Angležem v bran, predno se bo umaknil dalje proti Bengazi in morda še dalje proti Tripoli. Graziani se je izkazal kot zelo slabega strategista. Pustil je v utrjenih pristaniščih po nekaj divizij, z glavno armado se je pa umaknil daleč nazaj. Pa so prišli Angleži in jemali te utrdbe in garnizije, drugo za drugo. Za Sidi Barrani je padla Bardija, zdaj je padel Tobruk in z vsako trdnjavo so Angleži zajeli poleg ogromne zaloge vojnih potrebščin tudi garnizije. Če bi bil postavil Graziani skupno fronto vse svoje sile in se z isto počasi pomikal nazaj, bi Angleži ne mogli pokazati takih uspehov. Ker je pa svojo silo razdelil, je glavno armado oslabil, a Angležem je dal priliko te posamezne dele sproti jemati.

Ali more Nemčija kaj pomagati? Ne dosti! Kar Graziani zdaj potrebuje je vojaštvo, oklopne edinice, prevozne truke, topove in živež. Tega mu pa Nemčija ne more poslati po zraku s kaj prida uspehom, druge poti pa ni, ker na morju je še vedno gospodar angleška bojna mornarica.

Nemški bombniki, ki zdaj razsajajo nad Sredozemljem, ne spremenijo prodiranja angleške armade, ker napadajo samo anglško mornarico. Angleška armada lahko kljub temu prodira naprej. Zračna sila nima nobenega pomena brez armade na tleh. To so izkusile podjarmljene dežele v Evropi, katerih zračne sile so bile brez pomena, ko je Hitler enkrat zajel njih armade.

Tak je tudi položaj v Afriki. Nemški bombniki bodo morda imeli nekaj uspehov sem in tje in morda potopili kako angleško ladjo, toda to ne bo spremenilo težkega položaja, v katerem se nahaja italijanska armada v severni Afriki. Graziani je izgubil dozdaj že do 100,000 mož in ogromno zalogo vojnega materiala in živeža. Kdo mu bo to nadomestil? Izgleda za pomoč ni. Torej je usoda italijanskega imperija v Afriki že toliko, kot zapečatena, in s tem tudi usoda fašizma!

# BESEDA IZ NARODA

## Vesel rojstni dan gospod predsednik

Vpišite se v narodno obrambo proti kruti bolezni otroške paralize. Pomagajte prizadeti mladini okrog vašega lastnega vojala. Taki in podobni napisi so razpostavljeni v izložbenih oknih trgovin in javnih prostorih, da bi se stem vzbudila pozornost splošnega naroda. S tem se vabi in prosi finančne pomoči za pobijanje že omenjene bolezni.

Na poziv našega velikega predsednika Roosevelta, kmalu potem, ko je bil prvič ustoličen pred osmimi leti, ko je apeliral, da naj bi ameriški narod v prvi vrsti gledal in delal nato, da se ohrani ljudstvu zdravje, katero je največje bogastvo vsakega posameznika. Kot lojalen ameriški narod svojemu voditelji sledi. njegov opomin upošteva in vselej z dejanjem podpre njegove nasvete in navodila.

Običajna navada splošnega naroda v tej deželi je, da se določi za vsako skupno dobro delo gotov kratek čas, v katerem naj se delo kar največ mogoče dobro izvrši. Za nabiranje prostovoljnih doneskov za pobijanje bolezni otroške paralize, ima ameriški narod v spolšnem določen čas, nekaj dni pred in pa na rojstni dan našega predesdnika 30. januarja vsakega leta. Naši Slovenci in Jugoslovani so brez dvoma vsako leto po svoji moči kot posamezniki podpirali in darovali za omenjeni sklad kot celota slovenskega naroda pa so se prvič sijajno odzvali lansko leto.

Ker ima naš slovenski in jugoslovanski narod dobro čuteče blago srce, radodarne roke in trdno voljo vzdrževati kar prične, je radi tega ta narod prišel zopet skupaj, da se zopet odzove kot celota klicu našega predsednika. V ta namen sta se vršila dva sestanka naših zavednih in dobrosrčnih mož in žena, kateri so pripravljeni ponovno storiti vse, da se narod zopet postavi med prve vrste, ter ponovno dokaže, da pride na pomoč, kjer je potreba.

Na omenjenih sestankih je bil izbran številni odbor, nad sto mož, fantov, žen in deklet, izmed katerih se je med seboj razdelil v različne potrebne odseke, da se završi zopet letos velika narodna veselica in prijateljski sestanek v Slovenskem narodnem domu na St. Clair Ave. dne 30. januarja. Posebno izvanredno pester bo eno uro trajajoči program s petjem in godbo. Vsi najboljši slovenski pevci in godbeniki bodo sodelovali pri programu, enajst naših domačih orkestrov bo igralo pri plesu v obeh dvoranah. Vljudno se vabi vse naše ljudi in naše prijatelje na udeležbo. Vstopnina je samo 35c k programu in plesu, vsak bo imel dovolj moralnega užitka in obenem finančno pripomogel narodni blagajni, iz katere se rabi denar edino le za pobijanje krute bolezni. Pridimo na omenjeni dan v Slov. nar. dom, postavimo se vsi v močno obrambno vrsto v naši slovenski in jugoslovanski metropoli. Odprimo srce, dajmo ponovno dokazati drugorodcem, da hočemo storiti vse za korist zdravja in narodnega blagostanja.

Vljudno se vabi k udeležbi vse, ki hočete pomagati v dvorani na dan prireditve. Pomnite, da se vrši seja v uradu Zveze v pondeljek zvečer dne 27. januarja pričetek ob pol osmi uri.

Za pripravljavni odbor prireditve v korist sklada otroške paralize,

John Gornik, preds.

## Mladina vas vabi

V petih letih se pri večji skupini, posebno če je mlada, precej izpremeni. Pred petimi leti so bili naši mali pevci še deklice in dečki, sedaj pa so že dekleta in fantje z novimi željami in hrepenenji na poti življenja. Tako bo po preteku te dobe ista sprememba pri mladem naraščaju, samo osebe bodo druge.

Pred petimi leti je bil mladinski pevski zbor na Holmes Ave. ustanovljen z velikim navdušenjem in dobro voljo, kot se navadno navdušujemo za vsako novo stvar. Med tem časom pa so nekateri izostali in zopet drugi pristopili, tako se je zbor ohranil pri Slovenskem domu na Holmes Ave. do današnjega dne.

V nedeljo 2. februarja ob pol štirih popoldne bodo pa ob priliki petletnice priredili ti naši mali pevci igrico in koncert. Vstopnina bo samo 40 centov za popoldne in zvečer.

Igra je zelo lepa, kar nam pove že naslov "Čista vest" in to je dovolj povedano, da jih pridite pgoledat, kako se bodo sukali na ljubljanskem trgu kot branjevke. Tam bodo imeli pač vsega, kar se na "placu" prodaja.

Vstopnina za ples zvečer pa bo samo 25 centov. Za godbo bo skrbel Malovašič in njegovi fantje. Torej pridite!

Ivan Kapelj, preds.

## Podružnica št. 41 SŽZ vabi

Vsi smo potrebni veselja in zabave in če je človek dobre volje, pa se mu zdi vse bolj priklano in prijazno. Vse to pa dobimo na naših veselicah, kjer se snidemo znanci in prijatelji, kadar tako nanese prilika. Taka prilika pa se vam nudi nocoj v Turkovi vorani na Waterloo Rd. Pričetek bo ob sedmih zvečer.

Članice podružnice št. 41 Slovenske ženske zveze so sklenile, da priredijo "card party" in ples. Cenjeno občinstvo je prav prijazno vabljeno, da se udeleži. Vstopnina je zelo nizka, a razvedrila pa bo za vse dovolj. Oddanih bo tudi več nagrad. Članice vam bodo postregle z prvovrstnim prigrizkom in izvrstno kapljico.

Torej nikar ne zamudite te prilike. Vabljene ste v prvi vrsti vse članice kakor tudi vse cenjeno občinstvo, da se udeležite v velikem številu. Na svidenje,

Anna Stopar, tajnica.

## Važen sestanek

V pondeljek večer se vrši važna seja vseh odbornic podružnic in vežbalnih krožkov (drill teams) Slovenske ženske zveze v Clevelandu in bližini, to so: št. 10, 14, 15, 18, 21, 25, 32, 41, 47, 49, 50, 53 in 73. Sestanek je v Slovenskem domu na Holmes Avenue, začetek ob osmih zvečer.

Upam, da boste vse brale to naznanilo in prišle na sejo ne da bi pričakovale še posamezno obvestilo. Vseeno sem pisala do vseh predsednic, da povabijo svoje odbornice in poskrbijo, da pridejo na to sejo. Razmotrivati imamo o bodočih načrtih za prireditve in razstavo ročnih del, ki se vrši v pomladi pod pokroviteljstvom SŽZ. Torej pridite prav vse odbornice, da boste podale svoje sugestije in potem poročale o sklepih na svojih sejah. Na svidenje v pondeljek ob osmih zvečer! S pozdravom,

Albina Novak.

## Iz hvaležnosti na krsto

Helen (Lenčki) Lukanc

Žalostnim srcem smo sprejeli težko vest, da je nam vsem priljubljena Lenčka umrla.

Manjka mi besed, da bi sedaj ob tem udarcu mogla kaj več napisati njej, katera mi je bila draga ter ljuba prijateljica vse od časa, ko sem prišla iz domovine.

In ko danes prinese list tele vrstice v javnost, bo truplo naše Lenčke ležalo na domu 698 E. 159. St., to je v hiši, za katero je tako skrbela in med družino, katero je tako ljubila, in danes ne sliši več žalujočega soproga, ter njenih ljubljenih hčerk in sina, kateri zastonj kličejo mamamama. Njeno telo je hladno — mrtvo, žalostni klonimo glave Tvoji številni prijatelji ob pogledu na Tvoje hladno obličje.

Dobra si bila soprogu, ljubeča mati si bila hčerkam in sinu, Tvoje materinsko srce je bilo kakor velika posoda ljubezni. Ali sedaj na klic božji si vse zapustila in Tvoja duša potrudapolnem delu v večnem miru si bo odpočila.

Nisi imela srce samo do Tebi najdražjih, tudi siromakom je bilo Tvoje srce vedno odprto, kjer osrečevaje druge si Ti sama bila srečna, zato Ti plačilo bodi Bog sam ljubezen večna.

Vsem nam, kateri zremo v tvoje hladno obličje, pa nemo govoriš: poglejte prijatelji vi, kar vi ste zdaj — to bla sem jaz, kar jaz sem zdaj to čaka vas.

Draga ter nepozabljena Lenčka odšla si od nas, ne samo Tvoji najdražji, tudi jaz ena iz neštetih prijateljev grenko žalujemo za teboj. Mir Ti bodi tam v višavi ,večni mir v nebeški slavi.

Vsem ostalim iskreno sožalje, naj vas tolaži vera, na svidenje nad zvezdami. Tvoja žalujoča prijateljica

Metka.

## Predpustni ples Glasbene matice

Nocoj, v soboto 25. januarja, bo imela Glasbena matica plesno veselico v Slovenskem narodnem domu na St. Clair Ave. Da bo ta veselica prava posebnost in da se bo vse, staro in mlado, vrtelo in da bo res tako, vam jamčijo Vadnalovi fantje. Oni v resnici človeka tako razveselijo, da pozabi na vsé križe in težave.

No, pa kaj bi vedno žalovali in skrbeli, saj je tudi razvedrilo zelo koristno človeškemu zdravju in vedno doma čepeti pa tudi ni prijetno posebno v današnjih časih. Da Glasbena matica vrši kulturno delo naprej, kot prej Samostojna zarja, so nam v dokaz vse prireditve, katere so bile podane na odru Slovenskega narodnega doma. Ta zbor vam je jasen dokaz koliko se pevci in pevke žrtvujejo za to preljubo kulturo. Kdor se le malo udejstvuje v našem kulturnem življenju, ta bo že vsak sam vedel koliko se je treba žrtvovati in navadno pa jo taki ljudje dobe še pod nos.

Res smo Slovenci po številu majhen narod, zato pa bi se morali toliko bolj držati skupaj in skupno delovati in ne gledati na osebne ambicije. Zbor kot je Glasbena matica, prej Samostojna zarja, in taka dela kot so bila že podana na naših odrih, so po mojem skromnem mnenju v ponos vsem ameriškim Slovencem.

Žal pa med nami ni odkritega priznanja. Toda Glasbena matica bo šla naprej po začrtani poti in bo skušala podati našemu narodu kar bo pač mogoče in neoziraje se na to kaj se sušlja za hrbtom. Da je pevcem v resnici za petje, so nam bile najboljši dokaz številne prireditve. Pevci Glasbene matice se vsem posetnikom iskreno zahvaljujejo za vso moralno in gmotno pomoč.

Upamo, da nas boste še v bodoče podpirali in mi pevci pa se bomo potrudili, da vam bomo tudi v bodoče podali kar najlepše programe mogoče. Seveda, da pa nam bo kaj takega mogoče, zato želimo, da se vsi udeležite plesa Glasbene matice, ki se vrši nocoj v Slovenskem narodnem domu. Na veselo svidenje vam kliče,

Članica Glasbene matice.

## Pismo iz Kalifornije

Cenjeno uredništvo Ameriške Domovine, prosim vas, da mi najprej oprostite, ker ne morem kaj več poslati za naročinno kot do sedaj. Imam namreč veliko stroškov in malo zaslužka. Poleg vsega tega pa me še zobe bole, da bi ne privoščil takih bolečin tudi hudemu psu.

Zobozdravnik me je potolažil, da me ne bodo več dolgo boleli, ker mi je tri že izdrl in sedaj mi jih bo pa še sedem, potem mi bo pa napravil nove, ki bodo stali najmanj $50. Vse to bi bilo dobro, samo vprašanje je sedaj, kje naj vzamem denar, ko pa tako malo zaslužim. Saj si sami lahko mislite, kaj je na WPA in poleg tega nam pa še dež nagaja, ker pada vsak dan.

V več tovarnah sem že vprašal za delo, toda nikjer ni dela zame, ker pravijo, da sem že prestar in pa ker sem še samski. V unijo me tudi ne sprejmejo, ker je tukaj tako več unij kakor delavcev. Pa kaj naj mi unija koristi, če pa nimam denarja in ne dela.

Med naše Slovence tudi bolj malo zahajam, ker sem precej oddaljen od njih (skoro tri milje), drugič pa so tudi jako dobri zmano, tako da me vselej napoje in nasitijo, kadar sem med njimi. Vse to zastonj in me je že sram, čeprav sem snažno oblečen kot sem bil v Clevelandu. Edino v nedeljo še vidim kakega Slovenca, ko grem k maši ob pol desetih, ko je slovenska pridiga in jako lepo slovensko petje, kar me zelo razveseli.

Kakor čitam v Ameriški Domovini, imate pri vas jako mrzlo vreme in sneg. Tukaj pa ne poznamo snega. Sedaj je v parkih že dosti regrada. Zadnjič mi ga je prinesel neki moj prijatelj toliko, da bi ga bila krava sita. No, pa kaj mi pomaga, ko ga pa jesti ne morem, ker nimam zob. Zame je le kakšna mehka solata, kava in pa juha. Če mi Bog da zdravje, bom prišel nekaj tja enkrat v juniju v Cleveland in bom mogoče tam dobil kako delo ter bi se potem tam za vedno naselil.

Končno pa iskreno pozdravljam vse čitatelje in čitateljice Ameriške Domovine in želim veliko novih naročnikov.

## Karte za hrano so pozname pred 3000 leti.

Karte za hrano, ki jih imajo mnoge države med vojno, so kakor niso sodobna iznajdba. Za primeru slabe letine so nekatera mesta že v srednjem veku razdeljevala hrano s pomočjo kart. Zlasti so služile karte za preprečevanje in porazdelitev kruha. Najstarejše karte za prosto so bile uvedene 1100 let po Kristusom, in sicer na Španskem. Tedaj je poplava povzročila skoro vse riževe nasade. Radi tega in zavoljo tega vladalo v deželi veliko pomanjkanje riža. Tudi danes je bil riž tudi takrat dragocena kitajska hrana. Vladar takratski je dal narediti kitajski sar majhne barvane koščke. Te koščke so razdelili med ljudstvo. Samo za to palico riža je dobil vsak določeno količino.

Ali je petek res nesrečen dan? V zgodovini je najsrečnejši. Dokaz: V petek 3. avgusta 1492 leta je Kolumbus odplul proti Ameriki; v petek 12. oktobra 1942 je odkril; petek, 22. maja 1493 se je spet podal na morje; v petek, 5. marca 1496 je Henrik VIII. pooblastil Cabota, naj se udeleži odprave Severne Amerike; v petek 9. novembra 1620 so se izkrcali v Ameriki; v petek 22. februarja 1732 se je rodil Washington itd.

Še nikoli nisem slišal, da bi kdo povedal pravi vzrok, zakaj se je oženil. Ženske se navadno hvalijajo, da si niso mogle pomagati, ker da je toliko časa za njimi tafiri, da se ga ni mogla rešiti drugače ,kot da ga je vzela. Moški navadno pravijo, da so se zato, ker so bili neumni. Pa to ni noben odgovor, pač pa že res ali ne.

Kolikor vem, je dal v Ameriki le edino pravi odgovor, vzrok svoje ženitve Mr. Glass iz Virginije, ki je umrl nil lansko leto. Rekel je poročil samo zato, da bi izognil vojaščini. Ker je revno žensko, ki jo mora on preživljati, bo vojaščina. Zlasti še zato, ker je polkovnik pred par meseci svoj 83. rojstni dan. Tudi kanistre nosil, če kaj

***Dve važni seji***

Dve zelo važni seji se bosta vršili v nedeljo. Prva je seja celotnega cerkvenega odbora, ki se vrši ob 11. dopoldne. Vsi novo izvoljeni pomožni in glavni odborniki, kakor tudi vsi, kateri imajo še eno leto službe, naj se gotovo in točno ob 11 zberejo v cerkveni dvorani. Prva seja je zelo važna, zato naj nikogar ne manjka. Tudi vsi gotovo želijo, da bi bila seja do poldne končana. Zato prosimo, pridite točno ob 11 ali malo poprej—VSI! (Ravno 50 vas je).

***Shod društev Najsvetejšega Imena***

Popoldne ob 2 se pa vrši letni shod Zveze društev Najsvetejšega Imena. Tudi tukaj bi radi točno ob 2 začeli. Zato prosimo, da se zberete pravočasno v cerkveni dvorani in potem pridete lahko točno ob 2 v cerkev, kjer se vršita kratek angleški in kratek slovenski govor. Zatem molimo litanije Najsvetejšega Imena in ponovno obljube, da se bomo zopet vsi že spominjali čez leto, zakaj tudi v tem društvu. Temu sledi blagoslov in takoj za tem se prične shod v cerkveni dvorani.

K temu shodu vabimo vse rojake, katerekoli fare v državi Ohio. Iz Barbertona jih pripelje Father Jager cel voz. Tudi iz Loraina jih pričakujemo in tudi iz Madisona. Vse mestne slovenske fare pa bodo itak zastopane, se razume, ker so že tudi zvezi. Na shodu se bo razpravljajo marsikaj interesantnega. Po shodu pa bo še nekaj "notranje zadeve." Rebra morajo biti podprta, da človek v kupu ne pade. Pridite v obilnem številu.

***Kdor se hoče nasmejati . . .***

Smeh je zdrav za človeka. To pa ni napačno, da se ljudstvu pa tam prav temeljito nasmejejo. V nedeljo bo taka prilika, ko bodo tri enodejanke igrane na našem odru v Narodnem domu na 80. cesti. Igre so sicer angleške, toda ker pri gibanju sledimo, bo torej vzrok lahko razumel in igri sledil. Igrali bodo popoldne ob 3:30 zvečer pa pol osmih in zopet v pondeljek o pol osmih. Mogočo profita gre za cerkveno opravo. Zato prosimo, da se preležite v obilem številu.

***Kdo si ti?***

Ali si TI tudi eden tistih, kateri posojenih reči ne vrne? To je slaba navada in včasih dalekosežna. Na primer: Nekdo si je izposodil dežnik, katerega je potem držal doma mesece. Lastnik dežnika je moral nekega deževnega dne po važnem opravku iti na daljšo pot. Bil je premočil, zbolel za pljučnico in—umrl. Da je imel dežnik, bi se ne bil premočil in ne zbolel in ne umrl. Kadar si izposodiš kako knjigo, orodje, ali kaj drugega, bodi vedno toliko marljiv, da boš posojeno tudi nil takoj, kakor hitro mogoče.

***Kar pelji nas v skušnjavo . . .***

Ta teden se vrše v naši šoli, kakor tudi po drugih katoliških krajih skušnje, katere postanejo za take učence, ki se niso dobro potrudili med letom, prave skušnjave—da bi prepisovali od soseda. Že na njih hoji jih opazite, kdo so ti. Tisti, ki so si svesti, da bodo uspešno prišli skozi, to se pravi, tisti, ki so se učili med letom, ti hodijo lahkega obraza in pokonci kakor petelinčki. Oni pa, ki so poprej čas izgubili in lenarili, pa hodijo, kot bi imeli hlode privezane na pete. Pridnost se izplača povsod.

***Hitra rast***

Kalifornijčan: "Pri nas zrastejo tako veliko drevo v enem letu. Kako dolgo pa je tebi vzelo, da tako velikšno drevo vzgojiti?"

Floridčan: "Ne vem kako dolgo ravno je vzelo. To vem, da ga včeraj še ni bilo tukaj."

Nekateri ljudje imajo to slabo navado, da vidijo pri drugih vse samo slabo. Na sebi pa vse dobro. Tak človek nima prijateljev. Priznaj, kar je dobrega, pa magari če je tvoj nasprotnik ali sovražnik. Pazite na nasprotnika vere. Kar sv. Cerkev stori, kar papež priporoča ali stori, je vse nič in še manj kot nič, pa magari če se pri svojih trditvah še tako osmešijo.

***Skavti***

Malo število skavtov imamo. Ne vem, kako je to, da se večina staršev tako malo zanima za skavte. Ta organizacija je brezdvomno najboljša za dečke in jako koristna tudi za deklice. Pri tej organizaciji se učijo poštenega življenja in pa samostojnosti. Tukaj se učijo pomagati sami sebi iz raznih zadreg, v katere človek pride, kadar ima opraviti s stroji, z vsakdanjim orodjem itd. Na farmah smo se učili takih reči mimogrede pri delu. Prav tako smo znali razločevati med rastlinami in raznimi drevesi, med ptiči in živalmi. V mestu tega ni na razpolago in mestni otroci dostikrat pri vsej svoji učenosti, "high school," "college," ali pa še višje, poznajo malo ali nič naravnega sveta. Čul sem o dečku, kateri je prišel iz mesta k stricu na farmo in se je čudil, da stricevi dobivajo mleko od krav in ne od "milkmana." Drugi pa je vprašal, ko si je hotel namolzti nekaj mleka: "Stric, kateri pa je za smeteno?" Tako je z otroci, ako so vedno le v mestu. Naravnih lepot ne poznajo, ker nimajo prilike, da bi jih spoznali. Skavti pa imajo izlete ven, v gozde in na travnike, kjer se potem učijo raznih potrebnih reči. Ravno sedaj vpisujejo nove člane. Dečki, ki bi se vpisali, naj se zglasijo pri Anton Suhadolniku, ali pa naj pridejo naravnost v šolo kak večer, ko imajo skavti svoje vaje. Ali h skavtom ali pa h godbi.

***Nekaj teh malih***

Pri Lawrence Suhadolniku so dobili novega člana družini, kateremu so dali ime James Martin. James Martin, by the way, je zelo imenitno ime. James (Jakob) je bil apostol, Martin pa je bil vojaški poveljnik. Za botra si je izbral ta Martinček strica Frank Suhadolnika in teto Julijo. Frank Suhadolnik je poznan daleč po mestu med višjimi sloji, ker je že dolgo vrsto let knjižničar za John Carroll univerzo.

Bolj nenavadno ime med Slovenci je pa Timothy, katerega je prejel Joseph Prosenov novoprišlec. Timothy je bil spremljevalec sv. Pavla, in je torej dobro poznan, ker ga Pavel omenja večkrat v svojih pismih. Timček si je zbral za botre strica in teto, Mary Grden in Joseph Barleta.

Poleg teh dveh malih gumbcev, je pa prišla princezinja Catherine Frances iz Joseph Železnikove hiše in iz Mervarjevega rodu, tista, ki je prejela nagrado od Ameriške Domovine zato, ker je prva po novem letu prišla v Ameriko. To sta spremila h krstu istotako stric in teta, Frank in Alice Železnik. Bog daj srečo s temi in obilo veselja.

***Kdo je bil izvoljen?***

Nismo prišli še osebno v dotiko z onimi, kateri imajo večino glasov, zato jih danes še ne objavimo, pač pa prihodnji teden. Po volitvah hočemo najpreje izvedeti, če prevzamejo svoj posel. Že od nekdaj smo delali tako, da je izvoljen šele tedaj, ko kdo obljubi, da bo prevzel službo in delal marljivo za korist fare. Cerkveni odbor bo objavljen prihodnji teden.

***Nekaj nasveta***

Kadar otroka oblačite za pot v cerkev h krstu, ga nikar pod vratom ne zavežite in zapnite tako trdno in tolikokrat, da ga pri krstu ni moč odvezati in odpeti. Oblekca otroka pripravljenega za krst, naj bo pod vratom ***samo povita*** in ne petkrat zavezana in zapeta. Otroka se mora pri krstu maziliti na ***prsih*** in na ***hrbtu.*** Zato je potreba, da je oblekca napravljena, da se more pravilno maziliti na prsih in ne samo na bradi, in na hrbtu in ne samo na glavi. Prosimo, da se to vzame na znanje in se otroke tako doma pripravi, da ni treba botrom pri krstu odvezovati, odpenjati, trgati in vlačiti z vso silo oblekco narazen, da se pride do otroka. To smo hoteli že večkrat povedati in smo tudi povedali, pa ljudje zopet pozabijo.

***Pa še prosimo, naj se vzame na znanje***

Vsi farani naj si zapomnijo, da bomo imeli slovenski misijon v naši cerkvi ot ***tihe*** pa do ***cvetne*** nedelje vključeno. Father Aleksander iz Lemonta je izvrsten govornik, ki nam bo božje resnice tako razložil in povedal, da se bo prijelo. Zato se pripravite vsi za temeljito premišljevanje skozi osem dni tega, kar je človeku najbolj potrebno.

***Za koga je misijon potreben?***

Za vse ljudi, brez izjeme, in najbolj pa za one, kateri mislijo, in morda tako tudi govorijo, kot da ga njim ni potreba. Če so za duhovnike, kateri so verske reči in vse božje resnice temeljito proučili in premišljevali; če je celo zanje potreba duhovnih vaj, pri katerih se vsako leto, ali pa vsaj vsake dve leti večne božje resnice znova vzame v pretres, ali ne bo laiku, kateri ni imel toliko pouka v krščanskih resnicah in kateri živi obdan z številnimi rečmi, ki človeka vlečejo stran od Boga in sliši toliko klevetenja o veri, o Bogu in drugih resnicah; ali ne bo njemu potreba včasih postati in se povprašati: "Kam greš? Kaj delaš? Ali si na pravi poti?" itd. Treba je, zlasti dandanes je treba misijona. Kakor gotovo pride smrt, tako gotovo pride sodba božja, pri kateri ne bo vprašanja, kaj je ta ali pa oni protiverski list pisal, kateremu si morda nespametno sedel na limance. Nič te ne bo izgovarjalo. Poučen si bil enkrat o verskih resnicah. Zakaj tega nisi držal? Zakaj nisi molil? Zakaj se nisi posluževal virov božjih milosti —svetih zakramentov? Zakaj si poslušal preje sovražnike Kristusa, kot pa Kristusovega namestnika? To bo vprašanje. Bodi pameten!

# IZ DOMOVINE

—Huda borba na Glavnem trgu v Mariboru. Na nedeljo zvečer okoli 9 je bil Glavni trg prizorišče hude vojske. Iz gostilne Pri Roži na Koroški cesti je gnal stražnik neko žensko, ki je bila izgnana iz Maribora, v policijske zapore. Ženska je na vse pretega kričala in stražnika zmerjala ter je s tem privabila veliko radovednežev. Pred gostilno Purgaj je stala v gruči neka ženska, ki se je zavzela za aretiranko ter kritizirala stražnika, neki izvošček pa ji je odvrnil, da se aretiranki prav godi. Za odgovor pa je dobil zaušnico, ki jo vrnil, nakar je ženska planila v gostilno ter poklicala svojega moža ter še štiri njegove prijatelje. Za fijakerja sta se potegnila dva njegova tovariša in tako se je razvnela borba med tremi fijakerji na eni ter šestimi nasprotniki na drugi strani zmagoviti so bili fijakerji, ki so potisnili nasprotnike s tako silo, da je eden kar skozi debelo, kakih 1000 din vredno izložbeno šipo priletel v gostilno. Konec pa je napravila bitki policija.

— Nesrečni padci, Ljubljani. V Švabičevi ulici je padel s kolesa 32-letni delavec Smrke Alojzij in se hudo potolkel. — Gospa Trost Klara je na Lepem potu tako nesrečno padla, da si je zlomila levo nogo. Isto se je zgodilo Mariji Aplenc iz Janševe ulice, ki se je pri padcu hudo potolkla po glavi. — S kolom po glavi pa jo je dobil 38-letni posestnikov sin Korošec Franc v vasi Tavžlje v občini št. Vid pri Cerknici, ko se je s sosedom sprl zaradi mejnikov. Vsi ponesrečenci se zdravijo v ljubljanski bolnišnici.

week, when death called Frank Ausec, 65, of 1413 E. 57th St. Funeral took place from St. Vitus Church at 11:00 this morning. Members are asked to remember him in their prayers.

**WEDDING BELLS**

This morning at 8:00 o'clock, Mr. Frank Ambrozic, 1150 E. 71 St., one of our active members was joined in Holy Wedlock to Miss Olga Simonich of Lockport, Ill. The ceremony was performed at St. Joseph's Church in Joliet, Ill. Our heartiest congratulations to the young couple who will reside in Cleveland.

**BARAGA GLEE CLUB**

**R. I. P.**

We, the members of the Baraga Glee Club, wish to express our deepest sympathy and condolences to Mary Repar, in her recent bereavement, the loss of her dear mother.

Eternal rest grant unto her, O Lord, and let perpetual light shine upon her. May she rest in peace!

**REHEARSAL**

It is imperative that all the girls are present at rehearsal on Tuesday evening at 7:15, as definite plans will be made and committees appointed for the two Pre-Lenten socials Feb. 23 and Feb. 25. A new unit of vocal study will also begin in preparation for these events.

A gentle reminder, girls—do you recall the new ruling concerning dues? Lest you forget, there are ticket returns to be made also!

**UNITED LODGES**

Regular monthly meeting of the United Lodges of St. Vitus Parish was held last Wednesday night. Discussion was held about the coming dance and entertainment on Feb. 22.

Secretaries of the various lodges are asked to send the names of their newly appointed representatives to the U. L. to Mrs. Mary Otonicar, 1106 E. 66 St. In this way, all representatives can be notified of meetings.

There will be a picnic sponsored by the United Lodges of our parish on Sunday, July 13. Other organizations should keep this day in mind so that not two picnics will be held on the same day. Both groups suffer by lack of attendance and loss of enthusiasm.

**ATTENDING PLAYS**

He further insisted that every member of the dramatic club be forced to come to every play that is put on. A complimentary ticket would be given to each member for each play. Following the performance, a "bull session" should be called as soon as possible, preferably the next night. Here everyone would criticize and discuss the entire play, from the actors and actresses to the staging of the play. Those who were discussed could reply and thus the discussion would go back and forth until the whole evening's show had been thrashed out. Needless to say, those members who were in nowise connected with the play will certainly be just as involved and experienced as the actors themselves. As long as such a session is reasonable, only good can be gotten from it. So much the better will be the next play, for both actors and commentators will profit by the public discussions. Time spent in the theater and the sessions, again, would be recorded on the timecard.

This member continued by demanding that after each meeting members have a short entertainment in which some from our own ranks would perform. This would help actors and stage-hands in many ways. At the same time, it would offer "time" for the hours contributed to the club.

**RADIO PLAYS**

Likewise, it was desired to use these after-meeting shows for producing radio plays. Our member insisted that before twenty years would pass the whole theatre world as we know it would disappear and television and radio would be had right at home. Therefore, even now it is quite late, but still nothing finer could be done for our younger Slovenian generation than to instruct them in the art of radio and television.

The most revolutionary suggestion, however, was the last one. Here the member said that most of the members only came to short club meetings and once or twice a year had a role in some play. During the rest of the time, they were absolutely isolated from the club. Was it any wonder there was not greater enthusiasm?

**SHOP TOUR**

To counteract this, all members should be taken on a tour after the meeting to show all the improvements that had been made during the month. Really only the stagecrafters and technicians were fully informed and always present before, during, and after each play, together with the director. For instance, how many of the members, excepting the stagehands, knew of Room 13? Here members should be taken and shown everything that was done. Look at the stage: Members were always marveling and asking questions during recent plays, because so many changes had been made. The drops had all been removed and taken up to Room 13; the hooks used to secure the ropes of the drops have disappeared; for the last Slovenian play, a new set of ropes was put in use for the curtain and the curtain so adjusted that it opened clearly from the proscenium and closed completely; costumes have been sorted to some extent; new English and Slovenian plays have been reviewed and some even scheduled. ALL THIS THE MEMBERS KNOW NOTHING ABOUT! Even though it is read in the minutes, it does not have that impression which an actual visit and discussion can make.

At the same time, the chairmen in their various capacities, while displaying and explaining the changes, could also recall plans and discussions, which would provide further changes and improvements. The stagecrafters plan to rebuild the footlighting system, the prompting system. There has been much talk and no action about forming a sewing club for costumes. If each member saw or read one play that he considered possible material for our stage, there would be at least fifty plays with some kind of recommendation. THINK HOW MUCH TIME AND WORRY WOULD BE SPARED THE DIRECTOR AND HIS

**LAKE SHORE POST NEWS AMERICAN LEGION**
**BY JOHN WENZEL, JR.**

The members of Lake Shore Post and their unit at this time wish to express sincere thanks to you all for your attendance to our New Year Party. With your presence this affair was able to enjoy a great success. This opinion is attested by the very fact that the merry makers did not begin to disperse until the year of 1941 was four hours young. While we are extending our appreciation, we must not overlook Mr. Matt J. Grdina, our member of long standing for his tireless efforts in transforming the stage and color scheme of the lights which was very artistic and appropriate for the occasion; also the entire entertainment committee and last but not least Mrs. Skok, the overseer for the nice golden brown turkies.

Monday, Jan., 13 the regular meeting was called to order at 9 p.m. by our commander, Joe Mohar. The meeting was short and snappy and very interesting. It was also good to see our past commander and past finance officer, Mr. Skok, at this session. After adjournment, we went to the auxiliary quarters to see how they were progressing. They had just completed their meeting with the exception of Mrs. Mohar, their finance officer, who was trying to balance her books and Mrs. Gregorich, their secretary, repacking her brief case. Here our eyes met a certificate with a red seal on it. So we questioned about the presence of that testimony. After prolonged coaxing, these modest ladies told us that they had received the citation last October from the North District presiden, Mrs. Frederick G. Ruffner of the American Legion Auxiliary department of Ohio, for their 1941 membership quota, with the greatest percentage that led the district, 114 percent. "Ladies, we are proud of you for this achievement, why keep such secrets?"

We might also add that the luncheon that was served us was excellent. You ladies are masters when it comes to the culinary art. During the luncheon we enjoyed the serving of Mrs. Princic, the experienced Mrs. Mihelich and Mrs. Posch, as she tried to make connection with some orchestra.

During this luncheon a dance was planned and it will be held on George Washington's Birthday, Feb. 22. Mark a hatchet on your calendar so you will remember you have a definite date with us. We will all be happy to see you.

**Valentine Dance by Susel Cadets**

The Frances Susel Cadets, No. 10 SWU, are sponsoring a Valentine Dance on Sunday, Feb. 9, at the SNH on Holmes Ave. This dance will mark the fourth anniversary of the Cadets.

Music will be furnished by that popular Frank Yankovich and orchestra. Admission is only 30 cents. All neighboring drill teams and their friends are invited to come and have a good time.

Valentines of all kinds will be sold at the dance. There will be a real post office where you can mail your valentines and several postmen to distribute them while the dance is in progress. The Cadets will act as hostesses with the captain, Miss Frances Susel, and the president, Miss Rosemary Rossa, greeting the guests at the door.

Souvenir hearts will be presented to each person upon entering.

The dimmed lights, lovely decorated hall, and the music you like will guarantee everyone a good time.

READING COMMITTEE. And all this could be marked on the timecard!

In this way, all members would become vitally interested in the organization. They themselves would "know all about the doings" and would not have to shrug their shoulders or look surprised when a stranger tells them something about their own club. Nor would they have to look up to the man explaining improvements or plans during a play or a meeting.

Another idea was the annual award of a kind of "Academy Award" to the outstanding player. The suggestion itself was first told to this member by Mr. Frank Kuret. Our member adds, though, that if such an award will be made, it should be given only those years when a really outstanding performance is given. Even so, the practice was frowned upon as possibly stirring petty jealousies and thus destroying the unity of the club.

It is evident from these several remarks that a sincere effort is being made to realize mass participation, to realize a unity and set purpose. Granted the continued patronage of our audiences, together with our pastor's zealous support, the St. Vitus Dramatic Club will rise to new heights of achievement. J.Z.

The meeting begins promptly at 8 p.m. so girls please be on time as we have many items of importance to discuss.

In case it has slipped your mind, I might add that we have a turnout on Sunday, Jan. 26, at Swiss Hall on W. 25th and Walton Ave. at 8 p.m. sharp. The event—public installation of officers of the Woodmen Circle. It is essential that all officers of our grove be present to participate in this installation as well as the team girls in uniform who will assist in the drill planned for that evening. Dancing is to follow the installing of officers, so we can all have a gay time. Members and friends are cordially invited.

Last but not least—ladies and team members—do not forget our valentine party on Meeting Night, Feb. 4, at the Slovenian National Home Club Rooms. If you miss anything by not coming, blame only yourself as the committee has planned a program that will be followed by refreshments. We do wish you would all come, not only because of the party but also to discuss plans for our 25th anniversary celebration to be held in November. We can count on your coming, can't we?

## NEWBURG NEWS

**MASQUERADE**

At the meeting of the church council it was decided to have an entertainment on Sunday night, Feb. 23, in the Slovenian National Home E. 80 St. This will be the last pre-lenten affair and will please young and old alike. Of course, masks and costumes will be the order of the evening. Councilmen likewise thought it a gesture to offer rewards for the best make-ups that will appear on the scene that evening. The person adjudged as the best will receive $10, second award will be $5, and third $2.50. Admission to the whole evening's fun is only 35 cents.

**NEW FUNERAL PARLORS**

were dedicated by Mr. Louis Ferfolia. The Colonial structure, designed by Architect George Voinovich, who also designed our church, is one of the finest examples of funeral parlors in our city. The Ferfolias will live upstairs, while the first floor will be used for its proper purposes. We hear that everyone is wild about the upstairs rooms, although no one has been anxious to use the ground floor. At least not just yet.

**WHO DOES THE MOST FOR THE CHURCH?**

It would be hard to decide. Take the councilmen, for instance, who are always on hand to help the church affairs. Then again, we could tell you how four of our girls, Frances Gliha, Agnes Slamnik, Mary Winter, and Justine Supan, for the last fifteen years have opened some 120,000 church envelopes and marked the amount, then counted the money and recorded all that in the books, without pay, then you can say that these four patient workers have done an enormous job for the parish. Thank you, girls. May God reward you richly some day for that.

**ADDITIONS**

must be recorded for two local families. The Frank Kocjan's recently acquired a bundle which they have named Robert Frank. Victor Kic and Rose Skocaj were godparents.

At the Charles Novak residence on Goodman Ave., the news was broadcast of the arrival of a daughter. Geraldine was the name given to the little girl and Mr. and Mrs. Anton Tomasello were sponsors. Mrs. Tomasello was formerly Sophie Zupancic.

**CONVALESCENT**

due to an auto accident is young Patricia Bykowski, who had to be rushed to a hospital with a broken leg although there is no danger.

Others on the sick list include Theresa Perko, daughter of Joseph and Theresa Perko of Mansfield, O., who was operated on recently; Mrs. Joseph Konik, Anton Arko and Francis and Jerry Shuster all have been under doctor's care.

**AN IMPORTANT MEETING**

for all councilmen will be held at 11 a.m. tomorrow in the church hall. This is the first meeting of the newly elected members. Please be early so that the meeting will be ended by noon.

**THE HOLY NAME UNION**

will be our guests at 2 o'clock in the afternoon. Delegations from Barberton, Lorain, Madison as well as the Cleveland parishes are expected. Members will meet in the church hall promptly and short talks in English and Slovenian will be given. Litany of the Holy Name, renewal of the pledge, and benediction comprises the program.

**OUR SCHOOL CHILDREN**

are having a tough week, what with the semi-annual examinations. Those who studied hard have no worry, but those of you who took it kind of easy, oh boy!

**BOY SCOUTS**

are an honor and a credit to a community. St. Lawrence Parish boasts of such an organization, so why do you not join? Parents, a fine character builder is the troop, besides teaching your boy to use the natural gifts given to him by God.

**A NEWCOMER**

by the name of James Martin is making his home with Mr. and Mrs. Lawrence Suhadolnik. Jimmy picked as his baptismal sponsors his uncle, Frank Suhadolnik and aunt Julia. Frank Suhadolnik has been librarian at the John Carroll University for many years.

Mary Grden and Joseph Barlet were godparents for little Timothy, son of Mr. and Mrs. Joseph Prosen.

And 1941 winner as the first Slovenian girl, Catherine Frances, daughter of Mr. and Mrs. Joseph Zeleznik, was baptized in the presence of her uncle and aunt, Frank and Alice Zeleznik.

**A MISSION**

will be conducted for the parishioners lasting from Passion to Palm Sundays. Rev. Alexander of Lemont, who is an excellent speaker, will be the missionary.

## Yugoslav Spirit Hailed At All-Nations Expo

Saturday was Yugoslav Day at the International Exposition, held in Public Hall, and more than 9,000 attended this highly successful exhibition. Various Yugoslav organizations participated in a program which received the highest compliments from all who were present.

Dr. Konstantin Fotic, from the Yugoslav Legation at Washington, delivered the main address of the evening, being introduced by Consul Dr. James W. Mally. "Today, in this European tragedy, Yugoslavia stands united and strong for her liberty and defense," uttered Dr. Fotic with intense feeling.

Halik's tamburitza orchestra accompanied Miss Vinko Ellesin, who sang several folk songs to start the entertainment of the evening. Njegos Choir represented the Serbs, while the combined choruses of Zvon and Slovenija, directed by Ivan Zorman voiced the Slovenian spirit at this all-Yugoslav performance.

**THEN CAME THE DANCES**

Not to be outdone, four couples of young men and women from St. Vitus Parish, all gaily decked in Slovenian costumes thrilled the audience and demonstrated that Slovenians had their rhumbas and jives, too. Ignatius Hace accompanied the pairs of dancers with his accordion, boldly taking the on-lookers to a Slovenian village across the Atlantic.

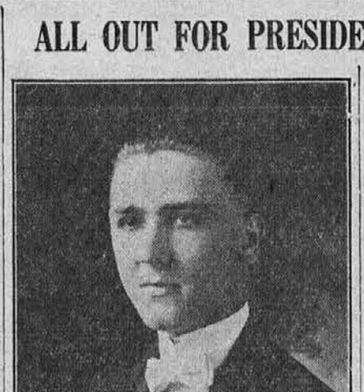
There were other dancers, too. Junior members of the Slovenian Women's Union, branches No. 10 and 14, all dressed in national costumes and dancing to the music of young Vinko Globokar, created a riot of excitement in the audience. People simply went into raptures at these lassies skipping about on the light fantastic toes.

Greatest attraction was evoked by Tini and Lillian Ulle, two youngesters who went spinning around the stage like two old-timers doing the polka and waltz and what not. To add to surprises, the boy and girl went to the legation boxes and pinned a carnation, the symbol of Slovenian love, on the lapels of Ambassador Fotic and Consul Mally. Both recepients were visibly affected.

As a fitting close to the entire evening's performance, the Baraga Glee Club of St. Vitus Parish, representing about fifty feminine voices ranging in age from sixteen to twenty years, sang a number of characteristic folksongs in Slovenian. The group is under the directions of Miss Eleanore C. Karlinger. Lastly, the young ladies burst into "God Bless America" and as the rafters rang again and again with this beautiful American song, the curtains fell and a tremendous ovation from the audience indicated that the whole Yugoslav Day had been pleasing and well satisfying.

Without doubt, the Yugoslav Day was the best at the exhibition and much of the credit is due to Yugoslav Consul, Dr. James W. Mally, for his untiring work in rounding out a program. At the same time the participants and the spectators contributed their share to make the day an unforgettable one.

## ALL OUT FOR PRESIDENT'S BALL THURSDAY



**Dr. William J. Lausche arranged the entire program for the President's Ball, next Thursday night. He will conduct the orchestra during the stage show.**

**John J. Grdina, local wizard, was chosen to be Master of Ceremonies for the variety show which begins at 7:30 p. m. He has promised some magicry.**

In these critical times, when the country is torn asunder by heated discussions on preparedness and war, it is soothing to note that the American people are unanimous in their decision to make the miles of dimes a success. The nation is determined that neither politics nor world turmoil shall deprive the victims of infantile paralysis of a chance for cure and rehabilitation. As in former years, the people of the country are now carrying on a campaign to raise funds for this purpose. This great drive will culminate in every part of the country on January 30th, with celebration of President Roosevelt's birthday.

Last year, the Slovenian people of greater Cleveland sponsored, for the first time, a dance in commemoration of President Roosevelt's birthday. It was a huge success. More than five hundred dollers were raised and sent to President Roosevelt for aid to victims of paralysis. This event clearly indicated that the Slovenian people were willing to help the poor unfortunates and also indicated the high esteem in which the President is held by them.

This year, the committee has again been organized under the chairmanship of Mr. John Gornik Sr., to sponsor a like celebration. It has been decided that a dance to be held on Jan. 30th in the Slovenian National Auditorium, 6417 St. Clair Avenue. The committee is firmly convinced that the people will again be glad to respond for this worthy cause.

It is hoped that this year's celebration will be even greater and more successful than the last one.

The writer personally hopes that the response will be spontaneous and in large numbers. A large attendance will not only enable the committee to forward to President Roosevelt a greater sum of money for the relief of victims of infantile paralysis, but will also convince him that the Slovenian people appreciate his interest in the common people. It will be a means of expressing our vote of confidence in his leadership during these trying times.

Therefore, let us set aside Thursday evening, Jan. 30th, for the purpose of attending this celebration. You will enjoy the splendid program which is being arranged for by the committee and at the same time porform a worthwhile act.

JOHN L. MIHELICH,
Attorney, Former Councilman and member of Regional Claims Board of Industrial Commission of Ohio.

## Belleire "Get-Together" Tonight at SNH, E. 80th

Final preparations for the Belleire Club's "get-together" dance were being made by the dance committee in readiness for tonight's swing session at the Newburgh National Home on E. 80th St. off Union Ave.

Dancing enthusiasts will "swing and sway" to the sweet rhythms of Eddie Zay and his orchestra. The name Zay is reminiscent of other successful affairs held at this hall.

Committee members decided that tickets for the dance will sell for thirty-five cents and patrons will dance from 8:30 to 12:30

**Zumberaks 43, Croatians 27**

The CFU Zumberaks loomed as the team to beat for the I-L crown as the flashy red and white streaked up and down the hardword floor to smother a tough Croatian quintet by a 43 to 27 score. King led the improving Zumberak five with a 14 point attack to pace them in their most decisive victory of the season. Taking the lead early in the game, the Zumberaks, with their fast attack and smooth defense, kept the losers back on their heels during most of the game. Stan Hostnik contributed 13 markers to the lost cause.

**Liths 55, St. Joes 13**

With speedy Elmer Mazieka parting the meshes with a continuous bombardment of neat shots, the Lithuanians trounced the young Collinwooders from St. Joseph's by a lopsided 55 to 13 score. While holding the youngsters to 2 points during the second half, the Liths managed to drop a total of 28 tallies through the hoop. Bard and Pesky aided the winners with 10 points apiece, while B. Osolin, Krajec, and R. Osolin had 5, 4, and 4 respectively for the losers.

The standings:
