Zanimivo pustolovščino so doživeli in preživel nedavno trije ameriški "Robinzoni," ki so se bili pretekel spomlad na mali, lahki jadrnici iz pristanišča v mestu San Diego, Cal., na odprt Pacifik. Celih šest mesecov ni bilo od nikoder glasu o njih, in vsi tisti, ki so jih poznali ali so slišali o njihovem odhodu, so bili prepričani, da so na odprt morju potreseli.

Narodnostne sestavine prebivalstva

Amerika je nedavno predstavljal sliko zmesi raznih plemen in narodnosti. Zadnje ljudske štete pokazuje, da živi v Združenih državah približno 12 milijonov črncev, skoraj milijon in pol Mehikancev (ki so pretežno indijske krv), 332,000 severo-ameriških Indijancev in več kot 250,000 Azijcev (Japonev, Kitajev in drugih). Belci predstavljajo 88,7 odstotkov vsega prebivalstva in Crni 9,7 odstotkov.

Na Rožičkem vrhu pri Sv. Juriju ob Ščavnici je dne 11. oktobra pogorela viničarija Lóvrenca Krambergerja iz Okoslavcev.

Pogorelo je poleg gospodarskega orodja, sodov in kadi tudi vse letosne seno. Ogenj je nastal vsled prezakurjenje peči. Poslopje je bil zavarovan le za 150 dinarjev, dasi znača škoda nad 18,000 dinarjev.

V Ravnah pri Kočevju je dne 1. oktobra pogorela parna žaga g. Cvara iz Zamosteca pri Sodražici. Teden pozneje pa je pogorelo leseni skedenj Alojzija Černeta. Pogorelo je okrog 3,000 kilogramov sena. Černe ima občutno škodo, ker je bil zavarovan le za 150 dinarjev.

V Humboldt countyju, California, raste redwood-drevo, ki je visoko 308 čevljev: premer debla pet čevljev od tal meri 20 čevljev, 230 čevljev od tal pa še 12 čevljev. Iz tega drevesa, če bi ga razzagali na deske, dobili bi 360,000 kvadratnih čevljev stavbnega lesa, iz katerega bi lahko zgradili 20 nadgradnih hiš. V nadgradem gozdu vzhodnih držav bi komaj na 15 akrih sveta dobili toliko stavbnega lesa, kot bi ga moglo dati eno samo redwood-drevo. V mestu Santa Rosa, California, imajo precej veliko cerkev, ki je zgrajena iz lesenega samega redwood-drevesa, toda dotično drevo ni bilo največje.

Redwood-gozdovi, ki so nekdaj pokrivali večino pacificijskih obali Zedinjenih držav, so v mnogih krajih že popolnoma uničeni, kajti les tega drevesa je lep, izredno trpežen in se da lahko obdelovati. Pred nekaj desetletji so se ljubitelji naravnih lepot vendar zdramili in so preprečili, da ni bilo to lepo dreve popolnoma uničeno. Danes so veliki kompleksi teh gozdov protektirani kot gozdne rezervacije.

To lepo igličasto, nekoliko smrekam podobno dreve, ni znaten samo vsled tega, ker doseže veliko starost, visokost in debelost, ampak tudi zato, ker se smatra za najstarejšo drevesno vrsto na svetu. Redwood-drevo je danes tako, kot je bilo pred milijoni let.

CLASS B DEATH BENEFIT

An excellent plan to help out members of our Union unable to meet their lodge dues was brought out by Bro. A. J. Terbovec, manager of Nova Doba, in his editorial that appeared in issue of Oct. 14. His plan is to have such members transfer their policies from the regular Class A to the more recent Class B. Class A policies provide for straight life insurance, in addition to benefits for which the member pays in his monthly dues, depending upon amount of benefits. Should he fail to pay his dues the secretary of the local lodge must necessarily spend the member for one month, as provided for in our By-Laws and Constitution.

Class B policies provide for 20-year payment of monthly dues depending upon the amount of insurance. This applies to the death benefit only. After 20 years the member is free from paying any further mortuary assessments. But during this time a reserve fund has been growing from which the member may draw upon.

Therein lies the advantage. A member insured in Class B is necessarily expelled from the Union for non-payment of dues, since he has a reserve fund from which our SSCU can use monthly lodge assessments.

Article 35, Section 6, of the By-Laws and Constitution reads as follows:

"Should a member (insured in Class B) fail to pay his mortuary assessment at any time after he has been paying assessments over two years, his insurance shall be extended without regard to the certificate for so many years and days as it is provided in the certificate according to the reserve, less 1 per cent of the total insurance, taken as a single premium, which reserve shall be based on the mortality and interest assumption provided in Section 2 of the article," etc.

Section 7 of Article 35 reads further as follows:

"Should a member fail to pay his assessment at any time after he has been paying such assessments for three full years, he may be given instead of automatic extended insurance, as provided in Article 6 of this article, a new certificate for such smaller sum as there is reserve, less 1 per cent of his original insurance for covering expense taken as a single premium," etc.

It must be clearly understood that the foregoing provisions apply only to mortuary or death benefits, and not to sick and disability clauses.

Such a procedure would cause an enormous amount of extra work at our headquarters in Ely, Minn., should a number of members decide to make transfers into Class B insurance. But the event that a member must choose to either make the transfer or withdraw from the Union, it is obvious that the procedure would be preferable.

The writer would suggest such action only in cases of emergency. Bro. Terbovec's plan was brought before the Supreme Board at its special meeting held in Chicago on Oct. 19 and 20. However, the Supreme Board decided that such an important change should best be made at the general convention that is to take place in July, 1932, at Indianapolis, Ind.

There is an idea to help out needy members during this unemployment crisis. The entire membership would do well to give serious consideration between now and next July, and instruct our delegates accordingly.

But for the present time another plan has been decided upon by our Supreme Board to assist the lodges with the monthly assessments. The sport fund is to be used for this purpose. Financial assistance for athletic equipment, transportation expenses to decide sectional and national champions in various sports, prizes—in fact the entire sport program has been suspended until the next convention, in order to concentrate the sport fund upon direct relief.

INDIAN SHORTS

Chicago, Ill.—Our other correspondent, Ed Kubik, has a broken thumb, or was it a broken arm or leg. Anyway, there's something broken, and that is the reason Indian Shorts was missing in last week's column.

While on the subject of Indian Lodge cagers are determined not to eat crispy rolls because the team bearing that name failed to appear last Friday for a basketball game.

Socials are held every Friday evening. A few changes were made and here they are: Members in good standing free. Suspended members and friends 10 cents each. Bring around your friends. The more, the merrier.

Illini Stars Portray Spirit of Our SSCU

Chicago, Ill.—During the month of March, 1930, 22 people met in one of their homes and organized the Illini Stars, No. 211, SSCU.

The lodge was organized because of its insurance, social and athletic features. It was organized to meet the demands of the youths for an English-conducted lodge which was able to provide to its members insurance against the risk of death, sickness and accident at lower costs than could be obtained in old line life insurance companies; to provide social contact among themselves, either at their lodge meetings, dances, picnics and other doings; to provide a medium for expression of athletic ability and entertainment among the Slovene youths; and finally to furnish to the youths a forum for self-expression.

We find that the Illini Stars of the South Slavonic Catholic Union are amply satisfying these human wants. The SSCU has a sound legal reserve and is more than 100 per cent solvent. The character of its investments, when compared with those of other Jugoslav fraternal orders, are high grade and excellent. Only about \$10,000 worth of bonds are not earning the regular interest rates, whereas in some other Jugoslav fraternal societies more than half a million dollars' worth of bonds are not earning one cent of interest. The SSCU athletic organization excels in activity and finance those of all other Jugoslav fraternal societies.

The Illini Stars, although having only 40 members, have a basketball, indoor baseball and hardball teams. It is a real privilege and honor to belong to such a sound, liberal, democratic and athletic-minded fraternal society as the South Slavonic Catholic Union and its subordinate lodge, the Illini Stars.

Young American Boosters to Hold Dance Nov. 14

Prize Award to Best Waltzer

Walsenburg, Colo.—Another one of those big dances will be given by the Young American Boosters, No. 216, SSCU, on Saturday, Nov. 14, at Pavilion Hall.

The committee in charge is working hard in preparation for this affair. So take heed, joy-seekers of Walsenburg and vicinity, and be sure to come to our dance.

A prize of \$5 will be awarded the best waltzing couple. This should induce many expert waltzers to try their feet on the smooth dance floor to the tune of excellent music to be furnished on that day.

Why not come to our dance? Anna Verbich, Sec'y.

Asker: What do you think of the moratorium?

Dumbley: Haven't seen a picture of her yet. Is she anything like the Mauritania?

Relax: Did your son show any particular athletic tendency at college last year?

Reflux: Oh, yes, he was very good at running through my money.

Oswald: But, dear, a kiss speaks volumes.

Matilda: Well, I'm not fond of books.

BRIEFS

Bro. Anton Zbasnik, newly appointed supreme secretary of our Union, assumed his duties Nov. 1 at Ely, Minn., SSCU headquarters. An impressive farewell banquet was held in Pittsburgh Thursday, Oct. 29, in his honor, prior to his leaving, in which many supreme board officials of various Slovene fraternal benefit organizations attended.

Gen. Douglas MacArthur, chief of staff of the United States Army, linked the American and Jugoslav armies in his speech made recently while visiting Jugoslavia, and said in effect that there is a liaison which united the two armies in eternal sentiments of spiritual friendship, and which extends beyond the bonds of distance. The Fascist newspaper Tevere took exception to MacArthur's statement and blamed Jugoslavia's excellent sparkling quality banquet wine as being responsible for Gen. MacArthur and finance those of all other Jugoslav fraternal societies.

The Illini Stars, although having only 40 members, have a basketball, indoor baseball and hardball teams. It is a real privilege and honor to belong to such a sound, liberal, democratic and athletic-minded fraternal society as the South Slavonic Catholic Union and its subordinate lodge, the Illini Stars.

NEWS OF JOLIET

Joliet, Ill.—In the past week bowling was very pronounced. Our JSKJ No. 66 regulars played two series with the Lockport All Stars.

On Sunday, Oct. 25, they journeyed to Lockport for a three-game series and were defeated in a very hard fought match. Captain Frank Ramutta again shot in mid-season form, one of his games being 234.

While the JSKJ regulars were having it out in one corner of the bowling alley, the JSKJ reserves were having a hot three-game argument with the Lockport reserves. But the pins just wouldn't fall for the Joliet boys on Sunday and they also were defeated.

On the following Wednesday the Lockport team came to Joliet for a return engagement. They came down confident of another victory, but our boys, still smarting from their previous defeat, came out to the Rivals Club alleys full of revenge and showed some of their championship bowling by evening the series.

Frank Ramutta was not present because of a rehearsal for the play given by St. Anne's, in which he plays a part. But even with the captain out the boys could not be stopped. High honors for single games were taken by Horwath with a 245, by Kubinski with a 210 and 211, and by Kobe with a 203. In the near future the final series of the championship games will be played between these teams. It will be a good game. Don't miss it, folks!

Ralph Lovshin of Chisholm, Minn., playing end position on University of Wisconsin football team, is considered one of the regulars on the varsity team, having played to date almost the entire periods of each game.

John Hurt, sports editor of the Jackson (Tenn.) Sun, compliments Tury Oman's abilities as football mentor of Jackson, Tenn., high school. This is Oman's first year as football coach at Jackson, but his popularity and ability have gained him numerous friends and admirers. Over fifty players reported this year, the largest ever to turn out at Jackson. Tury Oman is from Chisholm, Minn., where he starred in athletics in high school and at University of Wisconsin.

In the November issue of the American Boy magazine appears an article by Slovene in the person of John Dreshar, assistant football coach of Western Reserve University and former captain of Carnegie football team. The article explains why Notre Dame won the 1930 football championship.

Prof. Michael I. Pupin of Columbia University and Jugoslav scientist who made the long-distance telephone possible, was awarded the John Fritz Gold Medal recently. This medal, significant of the highest engineering honor in America, is awarded annually by a board representing the four national engineering societies with a membership of 60,000.

SPORT FUND IS SUSPENDED; TO BE USED AS RELIEF MEASURE

Supreme Board Makes Ruling at Its Special Meeting Held in Chicago on Oct. 19

To assist the members in time of need has been the predominating policy of our South Slavonic Catholic Union. With this idea in mind, our Supreme Board decided, at its special meeting held in Chicago on Oct. 19, last, to suspend the administration of the sport fund for the present time and transfer that amount available into the disability fund. This money will be used to help out needy members unable to meet their lodge dues and who face the possibility of voluntary withdrawal or expulsion from our Union.

The sport fund will be available only for mortuary assessments, details of which will be arranged at our headquarters in Ely, Minn.

Our Supreme Board should be commended for taking such an important step, in spite of the fact that financial assistance from the sport fund so eagerly sought by our lodges active in athletics, will be wanting for the present time. During this period of depression a number of members of many years' standing face the dire predicament of expulsion for non-payment of dues; not through any fault of their own, but unemployment has caused them to spend all immediate income, and in some instances savings of many years. They are at the end of their resources. What are they to do?

According to our By-Laws and Constitution, a member failing to pay his or her lodge dues for three successive months is dropped from the roll, to be admitted only under the terms required for admission of new members.

Imagine yourself in such a predicament. For instance, there is a member who has been of good standing for the past 20 years; he has always made it a point to pay his dues. But alas, the present crisis hit him so hard that he has barely enough to exist on. What is he going to do?

Our Supreme Board comes to his rescue with an emergency issue, that of using the sport fund to pay his mortuary assessments, and thus prevent a voluntary withdrawal or expulsion from the ranks of our Union.

We, the English-speaking members, must sacrifice the sport fund for the present time. Undoubtedly many a lodge made plans for athletic activities with the hope of financial assistance from the sport fund. Such lodges may experience disappointment. But what are such disappointments when compared with the beneficial work the fund will do in being used as a relief measure?

We must abide by the principle of fraternalism, that of helping brother and sister members in time of need.

I was feeling somewhat wretched,

So I went to see my doc;
He thumped me with a vengeance,

And he gave me quite a shock
As he glared at me and grunted;

"There is not the slightest doubt
That your tonsils cause this mischief,
So we'll have to yank 'em out."

Though I followed his suggestion,
I didn't seem to mend.

Then he scratched his head and muttered:

"We'll extract your teeth, my friend;
They are causing all this trouble."

But before the doc was through,
He had worked upon my liver
And my poor appendices, too.

Though I suffered untold tortures
From the things he did to me,
I just clamped my jaws and sweated

Through those days of agony;
But my nerves all went to pieces

And I more than howled my fill;

And he got my goat completely,
When he let me have his bill.

Now, if you folks and your other brother-sister members of our fraternal order, will just sit down and turn the pages of our official organ, the New Era, you will find some very interesting news and editorials, among which will be, as always has been, real "News of Joliet." Get the habit of reading and contributing some yourselves.

Highlights Present at Zbasnik's Farewell Banquet**Wristwatch Is Presented as Token of Many Years' Friendship**

Slovenes of Pittsburgh, Pa., gave a farewell banquet Thursday, Oct. 29, at the Slovenian National Home in honor of Bro. Anton Zbasnik before he left for Ely, Minn., to assume the important duties of supreme secretary of our SSCU.

And a grand affair it was, for many of the Pittsburgh's highlights of Slovene fraternal benefit organizations were present. Supreme board members of SSCU, SSPZ, KSKJ and even SDZ, an Ohio organization, were on hand.

Four Clevelanders made the trip to Pittsburgh last week to attend Zbasnik's farewell banquet and are as follows: Bro.

Betsy Ross Hit 1008

Cleveland, O.—Our SSCU lodge bowling teams need not take any back seats in the Inter-Lodge League. This was proven conclusively last Sunday, Nov. 1, when all three English-speaking units took two games each out of a series of three.

Which goes to show how highly esteemed Bro. Zbasnik is not only to his immediate associates of Pittsburgh and other cities of Pennsylvania, but Ohio as well.

Many good wish and best of luck farewell speeches were made that evening by the Cleveland delegation; Mrs. Gorisek, supreme board member of KSKJ; Bro. Balkovec, third supreme trustee of SSCU; Mr. Kosto Unkovic, Yugoslavia's honorary consul; Mr. Krotec, supreme board member of SSPZ, and others. Dr. Arch, SSCU supreme medical examiner, presented a wristwatch to Bro. Zbasnik as a token of friendship from his many admirers of Pittsburgh.

Bro. F. J. Kress, chairman SSCU Athletic Board, represented the English-speaking units of our Union at the banquet along with Bro. L. Kompare, both members of Pittsburgh Lodge, No. 196, SSCU. All of the Pittsburgh SSCU lodges were represented.

Singing Society Preseren, of which Bro. Zbasnik is a member, sang a few songs as their farewell token.

Father Skur was toastmaster, and a very clever one. His long memory enabled him to introduce each speaker with great pomp and splendor, as it was necessary to remember the many titles that went along with many distinguished speakers.

A good time was had by all. But to many it was a sad farewell, for Bro. Zbasnik was looked upon as an exceptional great leader among the Slovanes. His parting leaves a gap that will be hard to fill in Pittsburgh. And the more so, since he has been associated in the work among the Slovanes for many years.

Let's Figure It Out

East Palestine, O.—We often hear a young Slovane say, "I think I'll join an American lodge. They have more to offer one for his investment." Just where, may we ask?

Of course, their dues are not quite as much as those we pay to the SSCU. But we must remember the benefits derived are not as great either. Where you get more you pay more.

Then, from a social standpoint, they can't put more butter on your bread than the Slovane lodges. If the Slovane youths are not getting plenty of social activity, the reason usually lies at their own feet. They are not demanding it.

Most American lodges pay very small sick and death benefits. Some pay nothing. And money does come in so handy in times of distress.

Joe J. Golicek,

Professor: Frankly, Madam, what your son lacks is brains.

Lady La Dedah: Well, obtain them for him immediately and send the bill to me. Nothing shall stand in the way of my son's education.

Betsy Ross Hit 1008

Cleveland, O.—Our SSCU

lodge bowling teams need not

take any back seats in the In-

ter-Lodge League. This was

proven conclusively last Sun-

day, Nov. 1, when all three En-

glish-speaking units took two

games each out of a series of

three.

Betsy Ross, No. 186 walked

away with the Spartans, and

showed sufficient power to be

made real contenders for this

season. Skufca and Marzlikar

were the big noise with series

of 596 and 586 respectively. So

engaged were the Flagmakers

in losing the second tilt by

mere 18 pins that in the final

stanza they rolled 1008 to take

third high in single game team

high. Incidentally, the two

wins put the Betsy Ross' in

triple tie for second place in

the league's standing.

at the expense of Sokols, after

losing the first setto by 23

pins. Blasting out a 2851 se-

ries the Cherry Tree Choppers

emerged into a triple tie for

first honors in the league.

Old reliable Lindy Kotnik came through with a 625 series. On his heels was Kralin with 558. Peck collected 187 and 183 in his two games, and was relieved by Birch Kromar, who made his initial appear-

ance this season, with a score of 199.

Laurich, captain, set the pace

by blasting out a 636 series on

DOPISI

(Nadalevanje iz 5. strani)
poslhi, kakor tudi vsem, ki so se veselice udeležile in na kakoršenki način pripomogle k dobremu uspehu veselice. Naše društvo je lahko ponosno, da ima toliko prijateljev, ki so priznani nam pomagati, kadar koli je treba. Torej, še enkrat najlepša hvala vsem!

K sklepnu vabim članice društva Zvezda, št. 170 JSKJ, da se polnoštevilno udeležijo naše prihodnjije seje, ki se bo vršila 18. novembra v običajnih prostorih.

Slišale bodo poročilo veselicega odbora in v kakšnem stanju je naša društvena blagajna. Vse članice so prošene, da skušajo poravnati zaostali dolg na asesmentu, kakor tudi za vstopnice od majniške veselice, dokler ni blagajna popolnoma izčrpana. Potem ne bo druge pomoći kot suspendacija, katera pa ni nikomur ljuba.

S sestrskim pozdravom,
Agnes Jurečić,
tajnica dr. št. 170 JSKJ.

Rockdale, III.

Člane in članice društva Vit. sv. Mihaela, št. 92 JSKJ, ki kaj dolgujejo na asesmentu, prosim, da pravočasno poravnajo.

Leto se bliža koncu in ako se bodo nekateri člani tako malo menili za plačevanje svojih asesmentov, jih bom primoran suspendirati. Torej naj vsi prizadeti poštovajo ta opomin, da ne bo prepreno. — Z bratskim pozdravom,

Louis Urbančič, tajnik.

Frank Goleher, tajnik.

Upam, da mi bo sobrat urednik oprostil, če ga malo nadlegujem z mojo neokretno pisavo. Naj ima nekoliko potapljenja in naj popravi napake v pisanku. Saj vem, da že po pisavi pozna, da je moja roka bolj vajena krampa in lopate kot pa persa. Torej naj vpošteva potapljenje, o katerem pravijo, da je božja mast, same tisti da so reveži, ki se morajo z njo mazati. Nekateri se s to mastjo mažejo le včasi, jaz se moram pa vedno. Vem tudi, da se mora dobro z njo namazati sobrat urednik, če vsak teden dobri v obdelavo par takih dopisov kot je moj.

Delavske razmere v tej okolini so prav slabe. V nekaterih premogorovih se dela le po en dan na teden, po nekaterih po dva do tri. Razume se, da je pitel zaslužek pri taki zaposlenosti.

Tolažimo se s pregovorom, da po dežju vselej sonce sije, in pa z zabavami, ki jih od časa do časa priejemo. V poletnih dneh so na programu pikniki, v tej sezoni pa se prično razne prireditve v dvoranah. Nedavno smo delničarji tukajšnjega Slovenskega doma sklenili, da povabimo dramski klub "Nagelj" iz Exporta, da nam vprizori zanimivo igro "Andrej in njegov zločin." Klub se je povabil odzval in igrat se bo vršila v tukajšnjem Slovenskem Domu 28. novembra o poluosmih (7:30) zvečer.

Osebe, ki nastopajo v igri "Andrej in njegov zločin," so sledče: Andrej Korenčan, kmet na Lužah (Joe Beniger); Rezika, njegova hči (Hedyka Skerlj); Jakob Pristavec, kmet na Visokem (Leopold Pristov); Urša, njegova žena (Josephine Jenko); Ivan, njun sin (Frank Jelovčan); Anica Križavčeva pri Korenčanu (Josephine Jenko); Katra, kočarica (Rosie Skerlj); Meta, dekla na Visokem (Mary Goličič); Matija, hlapec na Visokem (Frank Kern); pastir na Visokem in na Lužah (John Fatur).

Osebe, ki bodo igro predstavljale, nam jamčijo, da jo bo res vredno videti, zato je upati, da jo bo občinstvo te okolice v obliki števil posetilo. Vabljeni so vsi rojaki in rojakinje bližnje in daljne okolice, da pridejo pogledati to prireditve na včer 28. novembra. Po igri bo ples in prosta zabava do polnoči. Ves čistti dobiček je namejen v korist Slovenskemu Do-

mu. Vstopina za moške bo 75 centov, za ženske pa 25 centov. Upamo na mnogoštevilni posest in vabimo tudi sobrata urednika, da pride, ker najbrže ga še ni bilo v tej naselbini. Ako pride, sem prepričan, da se mu bo dopadlo med nami. Vsem posestnikom zagotovljamo, da bodo imeli mnogo duševnega užitka, o tem pa tudi jamčimo za dobro pestrežbo. — Za pripravljalni odbor:

Louis Kaferle.

Uniontown, Pa.

Člane društva sv. Roka, št. 55 JSKJ pozivljam, da se bolj številno udeležujejo društvenih sej. Žalostno je, da se člani in članice tako malo zanimajo za društvene seje; saj naše društvo šteje okrog 80 članov v odraslem delku, na seje pa jih pride navadno komaj en ducat. Na dnevni red pridejo včasi zelo važne zadeve, katere pa je pri tako malih udeležbi članstva težko rešiti. Saj ima naše društvo sposobne in preudarne člane in članice, ki pripadajo tudi drugim organizacijam in se tam udejstvujejo; prav bi bilo, da ose zanimali tudi za društvo št. 55 JSKJ, posebno v tem slabem času.

Leto se bliža koncu, zato apeliram na članstvo, da poravnava svoj dolg na novembarski sej, to je 8. novembra 1931, da se zmorejo knjige v pravi stan spraviti in dati nadzornemu odboru v pregled. Društvena blagajna je prazna in še zadolžena. — Na svidenje na seji 8. novembra.

PRAZNIK JUGOSLOVANSKEGA UJEDINENJA

Vsek narod ima svojo zgodovino. Zgodovina je povestnica narodov, njih dela in udejstvovanja v življenju sveta. Zgodovina vsakega naroda je dokument njegovega življenja, njegovega dviganja ali padanja.

Ali težko je najti narod, ki bi bil ponosen na svojo zgodovino, na vsaj gotovo prizore v toku njegovega življenja. Tudi Jugoslovani imamo pestro zgodovino svojega naroda, pa tudi zgodovinske momente svojega naroda. Dan prvi decembra je en takih dni sicer najvažnejši zgodovinski dan Jugoslovjan.

V Jugoslaviji, v njenih državah je 1. december razglasen za najvišji državni praznik. Mi izseljenici v tujem svetu 1. decembra ne moremo proglašiti praznikom. Tudi na ta dan, ki pada na delavnik, mnogi delajo in bi ne bil praktičen za nas na tujem, da bi obhajali naše ujedinjenje na ta dan. Zato je potrebno, da prenesemo pravslavo obletnice Jugoslovenskega ujedinjenja na nedeljo in sicer na 29. novembra 1931.

Proslava jugoslovenskega ujedinjenja v Chicagi je torej dolgočasna za nedeljo dne 29. novembra t. l. Vršila se bo v znani prostornem Ashland Auditorium, na vogalu Ashland Boulevard in Van Buren ceste. Vsi Jugoslovani brez razlike prepričanja so na ta večer vabljeni, da pridejo v največjem mogičem številu na pravslavo. Vstopina bo 50c za osebo. Program vsestransko bogat. Čisti dobiček te prireditve pa bo šel v podporo revnih brezposelnih Jugoslovenskih rewežev v Chicagi in okolici. Torej tudi v tem oziru plemenit namen, ki bo pomagati našim revnim bratom v Chicagi in okolici.

Jugoslovani! Ta dan moramo vse na plan. Gre za to, da vidijo tudi Amerikanci, ali se mi kot taki kaj zanimamo za svoje lastne zadeve, ali nič. Ako bodo nas v nedeljo 29. novembra našli zlasti ameriški časnarski poročevalci v ogromnem številu v Ashland Auditoriumu, tedaj bodo nas sodili in upoštevali kot zavedne ljudi, ake ne si sami lahko predstavljate, kako bodo sodili o nas. Na tej pravslavi bo navzoči odlični mestni uradniki. Jugoslovane bo pozdravil tudi chicagski župan Čermak. Navzoči bodo tudi razni predstavniki raznih

plačali za svojo narodno in politično svobodo, ki je prišla potom ujedinjenja v samostojno narodno državo. S potoki krvi in z nezaslišanimi žrtvami je kupljena narodna in politična svoboda naše domovine Jugoslovije.

Bodimo po zasebnem prepričanju karkoli hočemo. Vsak ima pravico, da misli in je prepričan, kakoršnega sam hoče. Ampak vsak, ki je rojen Slovenec, Hrvat ali Srbe, ne more tajiti svojega slovenskega značaja in kot tak hoče ali noče je sin jugoslavanske matere in je po krvi Jugoslovan.

Bodi kdo kar hoče, za to ali ono forme vlade, za to ali ono formo politike, tudi to ne sme ovirati nikogar, da bi ne upošteval kot Jugosloven velike važnosti narodnega in političnega ujedinjenja Jugoslovan, ki je in bo največji zgodovinski spomenik Jugoslovan.

Dan 1. decembra je v Jugosloviji to, kar je v Združenih državah 4. julij. Kdor je kaj časa v Ameriki, ta ve, s kako častjo in veliko narodno zavestjo slavijo Amerikanci svoj praznik osvobojenja in neodvisnosti. Pomniti je treba, da v Ameriki pravljajo ta svoj zgodovinski praznik ljudje vseh prepričanj enako. Pa je treba tudi razločevati, da Amerikanci ne pravljajo svoj 4. julij radi tega, ker je na krmilu ta ali ona stranka, marveč radi tega ker upoštevajo važnost narodnega osvobojenja in neodvisnosti od tujih nadvlad.

Tudi mi, vsi, ki so nas rodile slovenske, hravtske ali srbske matere, smo po ujedinjenju Jugoslovan. Po narodnosti smo Jugoslovani bratje. Kot tak narodno nedeljni. Po zasebnih ali strankarskih prepričanjih pa smo zopet kar vsal sam hoče in to ne spada sem. Kot Jugoslovani pa smo dolžni spoštovati to, kar je naše, kar je Jugosloven. Zemlji, ki je nas rodila moramo spoštovati vsi.

Zato dragi brat, ki to le čita, bodi kakoršnega karkoli prepričanja hoče, ako te je rodila jugoslovenska mati, si Jugoslovan in kot tak sigurno spoštujesz zgodovino svojega naroda, pa tudi zgodovinske momente svojega naroda. Dan prvi decembra je en takih dni sicer najvažnejši zgodovinski dan Jugoslovan.
