URADNO GLASILO JUGOSLOVANSKE KATOLIŠKE JEDNOTE — OFFICIAL ORGAN OF THE SOUTH SLAVONIC CATHOLIC UNION

Entered as Second Class Matter April 15th, 1926, at The Post Office at Cleveland, O., Under the Act of March 3d, 1879. — Accepted for Mailing at Special Rate of Postage, Provided for in Section 1103, Act of October 3d, 1925. Authorized March 15th, 1925.

SNO. 12 — ŠTEV. 12 CLEVELAND, OHIO, WEDNESDAY, MARCH 22D 1933 — SREDA, 22. MARCA 1933 VOL. IX. — LETNIK IX.

DRUŠTVE IN DRUGE SLOVENSKE VESTI

Skupna preslava 35-letnice J. S. K. Jednote in 35-letnice ustanovitve društva št. 4 JSKJ v Federalu, Pa., se bo vrnila na 4. julija v naselbini Pretna, Pa. Za to priliko bosta predela Zveza JSKJ društev v zapadni Pennsylvaniji in društvo št. 4 JSKJ velik skupen.

Desešetletnico svojega obstanka proslavilo društvo "Studente pod skalo," št. 138 JSKJ v Exmoorju, Pa., s piknikom, ki se bo zadržal 30. maja na L. Zupančičevi farmi. Omenjeno društvo sosedna bratska društva, ki bi na isti dan ne prirejala svojih veselic ali piknikov.

Kegljaški "team" društva št. 36 JSKJ v Jolietu, Ill., ki se je ne 19. in 20. marca udeležil tem American Bowling Congress v Columbusu, Ohio, se je soboto 18. marca ustavljal v Clevelandu ter se na Norwood vleglješu pomeril s clevelandskimi kegljači angleško poslujujošim društvom JSKJ. V tej tekmi Jolietčani dosegli 2722 točk, Clevelandčani pa 2635. V nedeljo so Jolietčani obiskali še nekatere znance in prijatelje v Clevelandu, nakar so se v dveh avtomobilih odpeljali proti Columbusu. Poleg šestorice kegljačev so bili v jolietski skupini tudi sobrat Frank E. Vranichar, ženski nadzorniki JSKJ, Mrs. Vranichar in Mrs. Papesh. Avtomobili, v katerem so se vozili, so bili časa za vključitev lahkih vin v predlog za legaliziranje piva.

V POSLANSKI ZBORNICI zveznega kongresa je bil po kongresniku L. T. McFaddenu iz Pennsylvanije vložen predlog, da se vpelje čekovni sistem pri poštni hranilnicami.

PREDSEDNIKU Rooseveltu je dal zvezni kongres skoro diktatorsko moč, da uvede popolnoma nov penzijski sistem za vojne veterane, po katerem bo mogoče znižati tozadovne zvezne izdatke za približno 400 milijon dolarjev letno.

Predlog administracije za odpomoč farmerjem, s katerim se zdaj bavi kongres, določa med drugim tudi licenciranje podjetij in agencij, ki se bavijo s farmerskimi pridelki, da se s tem znižajo profitti posredovalcev.

FINANČNA situacija v deželi se je tekom preteklega tedna znatno izboljšala, ker mnogo bank, ki so dobine licence od zvezne ali državnih vlad, zopet normalno in stoprocentno posluje. Klub temu je širok deželi že mnogo bank, katerih stanje je tako, da se niso mogle dobiti licence in plačujejo le od enega do pet procentov na vloge. Nekaterih teh bank se bodo morale reorganizirati, kar bo morda precej dolg proces, nekateri bodo pa prisiljene likvidirati.

VELIKO ŠKODO je napravila povodenj v spodnjem teku reke Ohio. V mestu Cincinnati, O., je 1,500 družin brez strehe. V Bellevue, Ky., je voda odnesla 700 domov. Prizadetih je še več drugih naselbin v državah West Virginia, Kentucky in Ohio. Poplave je povzročilo močno deževje.

NOVI DIPLOMATIČNI zastopniki Zedinjenih držav, kateri je pretekli teden potrdili zvezni senat so: Jesse Isidor Straus iz New Yorka za poslanika v Franciji; Josephus Daniels iz North Caroline za poslana (Dalje na 2. strani)

RAZNO IZ AMERIKE IN INOZEMSTVA

DOHODNINSKI DAVEK morati biti plačan najkasneje 31. marca. Prvotni rok za plačanje dohodninskega davka od dohodkov lanskega leta je bil določen na 15. marca. Zakladniški department je z ozirom na izredno finančno situacijo ta rok posudil do 31. marca. Do tega dne ali na ta dan je treba nopraviti prijavo in plačati vsaj prvi obrok, to je 25% davka.

TORNADO, ki je 14. marca proti večeru divjal preko držav Tennessee, Kentucky in Virginija, je ubil 40 oseb, nad 400 pa ranil. Tudi materialna škoda je znatna. K sreči je tornado zadel le ozek pas ozemlja; najhujše so bile prizadete pokrajine na vzhodni meji države pred dnem 29. junija 1906. Tem se torej odpusti pristojbina \$5.

ZAHTEVI PREDSEDDNIKA Roosevelt, da se takoj legalizira izdelava in prodaja piva, je vpravljano. Moji oče je postal ameriški državljan, ko sem bil še dete in sem z materjo še živel v starem kraju. Ko sem bil star 15 let, sem prišel v Združene države. Moji oče je umrl. Ali sem ameriški državljan? Ali morem dobiti svoje lastno državljansko spričevalo?

Odgovor: Postali ste ameriški državljan onega dne, ko ste bili pripuščeni v Združene države. Ako vam je sedaj več kot 21 let, smete dobiti svoje lastno državljansko spričevalo (certificate of derivative citizenship). Pojdite na naturalizacijski urad ozirno, pišite tja. Pokažite svoje rojstno spričevalo, poročni list staršev in navedite podatke o očetovem državljanstvu. Pristojbina za spričevalo stane \$10.

PROBLEMI PRISELJENCA

Spričevalo o prihodu Vprašanje: Ali je spričevalo o prihodu (Certificate of arrival) potrebno toliko za prvi kolikor za drugi papir? Ali treba plačati pristojbino \$5 zanj zoper pri prošnji za drugi papir?

Odgovor: Od 1. julija 1929 so morali vsi oni, ki so zaprosili za prvi papir, plačati \$5 kot pristojbino za spričevalo o prihodu. Vsi oni, ki so torej dobili svoj prvi papir po 1. juliju 1929, imajo že svoje spričevalo o prihodu in za nje ni treba plačati \$5 pri vložitvi prošnje za drugi papir.

VSE PLEMENITE vrstne vrtnice so vzgojene iz divjih vrtnic ali šipka, ki raste skoro povsod v Evropi in Ameriki. Med divjo rozo in njenom gospodsko sorodnico plemenito vrtnico je velika razlika. Vrtnice so neštivilnih velikosti, oblik in barv, medtem, ko so divje roze le rožnate ali bele barve in preprostega cvetja. Divja divjih rož je močnejša kot vdomačenih vrtnic.

Vrtnice gojijo ljubitelji cvetlie le za lepoto in okras, in razen trgovskih vrtnarjev nihče ne misli pri tem na dobiček, oziroma zaslužek. Drugačnega pomena pa so rože za naše balkanske brate v Bolgariji. Tam se nahaja prava Rožna dolina, kjer je nad 12,000 akrov sveta posvečena kulturi rožnih grmečev in rožnega cvetja.

Tamkajšni kmetje so za svojo eksistenco prav takoj odvivni od rožnega cvetja, kot v drugih krajih, na primer, od pridelka pšenice, grozdja ali od živinoreje. Tamkajšna rožna industrija producira tri četrtine svetovnega pridelka rožnega olja in rožnega parfuma sploh.

Roze, ki jih tam gojijo, so prav za prav divje vrtnice ali šipek (rosa damascena). Cvetje je po večini rožnato ali tudi skorobelo. Cvetje mora biti potrgano, predno se popije popolnoma razvezete, in to delo se mora vršiti v zgodnjih jutrišnjih urah, ko je še rosa na cvetju. Natrgano cvetje se v vrečah ali košarah nosi v distilerije, kjer se v velikih kotlih kuha ali distilira na podoben način kot vinarine, iz katerih se kuha žganje. Razlika je le v tem, da tam iz kotlovin cevi ne pridejo žganje, ampak rožna voda. Na površini takoj pridobljene rožne vode se kot smetana napravi rožno olje, ki je podlagata za rožne dišave ali parfum.

Ta rožna esence se večinoma proda tovarnarjem parfumov v Francijo in Ameriko. Izgotovljeni rožni parfum vsebuje poleg rožne esence še več dodatnih dišav živalskega in rastlinskega izvora. Splošna svetovna depresija je močno prizadela tudi rožno industrijo, kajti dišave so pač luksuzni predmeti. Povpraševanje po rožnem olju je manjše in cena je padla. To je vzrok, da se so v nekaterih krajih Rožne doline v Bolgariji rožni grmi morali umakniti vinski trti, ki obeta boljše dohodke.

GNOJILO OD ZGORAJ Da, smete vložiti prošnjo za drugi papir na podlagi pokojnikovega prvega papirja, aka to ni še sedem let star. Morali boste plačati \$5 za svoje spričevalo o prihodu, in ako pokojnik sam ni še plačal te pristojbine, boste morali plačati še dodatnih \$5 za njegovo spričevalo o prihodu.

STAROST ZA VLOŽITEV NATURALIZACIJSKIH PROŠENJ

Vprašanje: Koliko mora priseljenec biti star, da vloži prošnjo za prvi oziroma drugi papir?

Odgovor: Vsak inozemec, ki je vsaj 18 let star in je bil zakonito pripuščen v Združene države, sme vložiti prošnjo za prvi papir. Da se vloži prošnja za drugi papir, mora priselite vsaj 21 let star.

ROŽNA INDUSTRIJA

Roža ali vrtnica se poetično imenuje kraljica cvetlic. Njeni lepoti in dišava sta bili cenjeni že v davnih časih. Neka legenda pripoveduje, da se je prva roža porodila iz morske pene, druga trdi, da je zrastla iz krvi ranjene Rozalije, katero je ranila lepa Diana.

DOHODNINSKI DAVEK

Rok za plačanje dohodninskega davka je bil letos vsled izredne finančne situacije podaljšan do 31. marca. Normalno je moral biti vsaj prvi obrok dohodninskega davka plačan 15. marca pred polnočjo. Zakladniški departement v Washingtonu je 14. marca podal izjavu, da je možno plačati dohodninski davek do 31. marca vključno.

Dohodninski davek mora biti plačan v tem mesecu dohodninskega leta 1932. Vsaka samska oseba ali poročena oseba, ki ne živi skupaj z ženo ali možem in je imela v letu 1932 čistega dohodka \$1,000 ali več, mora svoj dohodok v letu 1932 izplačati do 31. marca vključno.

Poročena oseba, ki je konec leta 1932 živila skupaj z ženo ali možem in je imela \$2,500 čistih dohodkov, mora prijaviti svoje dohodke.

Samska oseba ali poročena oseba, ki ne živi z ženo ali možem, plača dohodninski davek od vsega dohodka, ki je znaten nad tisoč dolarjev na leto. Od tega pa se odvije \$400 za vsakega otroka pod 18. letom, katerega tako oseba vzdržuje, na 1 mesec strogega zapora;

New Era

ENGLISH SECTION OF
Official Organ
of the
South Slavonic Catholic Union.

Nova Dobá

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

CURRENT THOUGHT

Contributors Respond

Lately, the number of members contributing articles to New Era has increased. This factor may be attributed to two reasons: Either the members took cognizance of a recent editorial urging them to take advantage of their Official Organ, or they became lodge-conscious. In either case, credit must be given to such members for injecting stimulants for more activities in the local branch.

Why should English-speaking members show at any time only passing interest in New Era? This question is hard to answer, especially when one considers the fact that the English section was published principally in the interest of the E. S. members.

Why should any member hesitate to express himself in the columns when he, himself, contributes to the cost of publishing the Official Organ?

One member wrote in his contribution: "I notice that the editor asked more members to express themselves through these columns... although I am a member of fifteen years' standing, have never submitted my thoughts and ideas for publication. This is my first contribution."

To which one may say: "Better late than never," with the hope that this member will continue to act as publicity man for his local branch.

Two contributors express themselves to the effect that their lodge is not dormant, although one could draw such a conclusion, judging by the publicity given their local branch in the past. These two members further add that their lodge in the future will be strongly represented in New Era with some degree of consistency.

On many occasions this column deplored the members' indifference to keep their lodge in the limelight. On this occasion the column must commend the members' zealous efforts to inject new life through the many contributing articles submitted late.

SPORTS IN LODGES

Sport activities in our lodges have been an encouraging item this period of depression gloom. Lodge bowling and basketball teams have kept up the local interest in sports during the last four months. Dart baseball, an indoor sport which is something new to many lodges, has attracted the attention of Lorain, No. 222, SSCU, of Gowanda, N. Y. According to reports, dart baseball is a sport in which many people can participate, and unlike the regular game of baseball, does not require special skill. Dart baseball could be employed to great advantage in our lodges because it is a sport that anyone can play without much previous training.

Ping Pong Tournament

An elaborate, novice ping-pong tournament will be staged at the St. Clair Bath House, Cleveland, O., the second week of April; the exact date to be decided upon later.

Edward Kovacic, sponsor of the tournament, announces that there will be a 5-cent entry fee charged. From this a trophy will be purchased and presented to the champion of the local pongers, while the runner-up will be the recipient of a smaller trophy.

The only required stipulations regarding the eligibility entering, are, that all persons must be over 18 years of age and that they shall have participated in any other ping-pong tournament to date. The entry list will close on Friday, April 7. Anyone desiring to enter can do so by registering with the person keeping the counter at the St. Clair Bath House, 6250 St. Clair Ave. Under no circumstances will the entry fee be returned after an entrant signs.

The number of entrees will be published in the local papers from time to time. Watch newspapers for further notices concerning this novel tournament. Enter now!

APPLE

Many people eat apples without knowing just what they are consuming. They know it is a fruit, a delicious fruit that is supposed to be an excellent food. But that is about all. This fruit consists of 82 per cent water, 12 per cent starch-sugar, 3 per cent ash, 2 per cent cellulose and 1 per cent acids.

B. R. Prepare for Dance April 28

Cleveland, O.—Well, well, well! Here we are on the air again. Station B. R. telling you all about our dance, which will be held at Slovenc Workingmen's Home on Waterloo Rd. Friday evening, April 28, at 7:30 o'clock.

The Betsy Ross members have combed the city for a good orchestra for the occasion, and the lot fell to Bob Geltman's orchestra. The orchestra is good and plenty warm. Having played a whole season over Station WJAY, they are quite a group of radio stars. The tickets will be 35 cents and a good time is guaranteed.

Remember, Betsy Ross members, the lodge is what you make it and the first requisite of a good lodge is a substantial membership. Get your friends into our lodge, so that they can also enjoy the benefits of our society. Get out and get rid of those tickets. Don't delay any longer. Please come around that you may learn the set-up for the dance. The committee has probably assigned you to some position for part of the night. Let's co-operate and don't be spongers, letting a few do the work that wouldn't cause any hardship if distributed properly.

The Betsy Ross Lodge sincerely extends its whole-hearted invitation to one and all. We sure would like to see some of you Lorain and Barberton bunch and other lodges near here. Maybe, huh? Yours, while the depression is on,

Betsy Ross News

Cleveland, O.—Betsy Ross Lodge, No. 186, SSCU meeting held on March 17 had a large attendance. A social was held after the meeting, which was very well attended by the members and their friends. All in attendance had a good time.

We were glad to see Brother John "Ham" Laurich, the former president of the Collinwood Boosters attend our social. We hope that we will see you and other members attend our socials frequently.

Sister Elizabeth Hafner, a very active member of the lodge, is planning on leaving for Florida soon, to make her permanent residence there. Sorry to see you leave, we hope that you will have a lot of success in your future in Florida.

All arrangements have been completed for our coming dance, which will be held on April 28,

at the Slovenc Workingmen's Home, 15335 Waterloo Rd. Admission to the dance will be 35 cents, with checking free of charge. Do not forget and reserve that day for our dance, as a good time is assured.

Music will be furnished by the well known Geltman Radio Orchestra. A good many of you have heard the orchestra play over the radio daily, so now all of you have the privilege of seeing Geltman's radio orchestra in person, as well as dance to his melodious tunes.

The various committees of the Betsy Ross lodge have given the public the best of entertainments in the past affairs.

We can make this a great dance with the co-operation of the members and the friends. All members are urged to do their utmost in making this dance a real success, by selling as many

Collinwood Boosters' Bits

Collinwood, O.—This is station S-A-P-S broadcasting the weekly report of the two Ham and Eggers.

Howdy, folks, we're sure glad to be with you again. Well, friends, we're sorry we haven't much news concerning our lodge at the present. But will have some next week.

To Frank (Lefty) Jaklich: Thanks, Lefty, we sure are sorry we disappointed you, but if it's all the same to you we'll take the cash instead of the floral wreath.

You asked me if I recall about the Chicago cinder pile.

Well, I think the only time is when I see you or a load of cinders (and you know that's very often in this neck of the woods).

About the giggle water, we guarantee you that it will melt a frozen face. If it's good for the kidneys we couldn't tell you, but we know ours are still normal. (Drop around some time, Lefty.)

Yes, Lefty, it did occur to me about the never-to-be-forgotten city and our city (I hope you don't mean the big disposal plant you read so much about in the local paper).

At the last meeting Brother Frank Zellar was appointed as third trustee of the lodge, replacing Sister Anna Vidmar, who has failed to be present at the last three meetings held.

TO PRESIDENTS OF AFFILIATED SOCIETIES

Editor's Note: National Fraternal Congress of America calls to the attention of all fraternal benefit organizations of America a move under way in Congress to declare a moratorium in the payment of interest and principal of bonds held by municipalities. Such a move is unfair to the holders of such bonds, many of which are held by fraternal benefit organizations. The Wilcox Bill H. R. 3083, introduced in the House of Representatives, provides for the bondholder as well as the municipality, before any readjustment can be made as to the payment of principal and interest. All lodges should consider it their duty to urge their congressmen to pass the Wilcox Bill H. R. 3083, either by telegram or by letter.

The following letter, written by Thos. H. Cannon of N. F. C., was sent to our Supreme President Paul Bartel, who in turn forwarded it for publication in our Official Organ.

If you have not already been informed, your attention is hereby directed to the fact that during the late hours of the closing session of the recent United States Congress there was a strenuous attempt made to pass what was known as the McLeod-Norris Bill. This bill was an amendment to the National Bankruptcy Act, permitting municipalities which were unable to meet interest and principal on their bonded indebtedness to go into the Federal Court and, under certain conditions mentioned in the bill, to empower the Court to declare a moratorium of not less than two years, which might be increased to ten years, in the settlement of either the principal or interest on their bonded indebtedness. This McLeod-Norris Bill would have a very serious affect upon the fraternal orders and all others, holding municipal securities.

While the bill died in the late session of Congress, this vicious piece of legislation has been revived by introduction during the present session. To offset the provisions of the McLeod-Norris Bill, which was strenuously urged by the City of Detroit and some other municipalities in like condition, there has been introduced in the House of Representatives what is known as the Wilcox Municipal Debt Financial Bill, designated as H. R. 3083.

It seems certain that some measure will be enacted by Congress to grant relief to those municipalities which are in trouble over their bonded indebtedness and, in order to prevent the enactment of the McLeod-Norris scheme, the Wilcox Bill H. R. 3083 is advanced. This bill will permit municipalities to arrange plans for re-financing under terms and conditions which will not be unfair to the holders of their bonds. At least 50 per cent. in amount of the holders of said bonds will have to be in accord before any plan for composition or readjustment to finance is considered by the Federal Court.

In addition to that, 75 per cent. of the owners of these defaulted or unsettled municipal securities must agree to the final plan of readjustment before it will become effective by order of the court.

The writer today had a telephone conversation with David H. Wood of the firm of Thomsan, Wood and Hoffman, outstanding among the attorneys of the country in approving municipal bonds. Mr. Wood is of the opinion that the fraternal societies and all other owners of municipal bonds should get behind the Wilcox Bill so as to prevent the more dangerous legislation provided in the McLeod-Norris Bill. It is evident that some relief will be provided by Congress for municipalities in financial trouble. Mr. Wood regards the Wilcox Bill as a measure that will give such relief as they are fairly entitled to and at the same time will safeguard the interests of the municipal bond holders. In addition Mr. Wood informs me that the Wilcox Bill has the approval of the large insurance companies of the country, the American Bankers Association, and the leading financial authorities of New York and New England.

Congress is enacting legislation rapidly these days. Prompt action on our part is, therefore, necessary. You are urged to immediately telegraph as many senators and representatives as you believe will be influenced by your wishes to oppose the McLeod-Norris Bill and to support the Wilcox Bill H. R. 3083. It is not enough for us merely to oppose the vicious McLeod-Norris Bill. We must offer a workable substitute which will be fair to the municipalities and fair to us as bond holders, as provided by the Wilcox measure.

We hope you will give this matter immediate attention and bring all possible pressure to bear upon the Senate and the House of Representatives.

Fraternally,

THOS. H. CANNON,
Secretary-Treasurer, N. F. C. of America.

for us, we advise you to ask Mr. Maxwell.

Well, Lefty, you may wait half-anxiously because Eggs is a groom, but has not reached his doom, so you may wish it on me.

We kindly thank you for your invitation to the G. W. card party. The giggle waiter is all gone and seeing we are not camels we must sign off.

Hope we hear more from you. So long, Washington, see you in Collinwood.

The tickets for the prize awards are going fast, so get yours while the getting is good. Will hear more later. Signing off till next week.

"That may be," said the judge, but when you're paying out money you have to be careful."

CAREFUL, JUDGE

A judge, failing of re-election, was made cashier of the local bank. A man presented a check to be cashed.

"Don't know you," greeted the new cashier.

The customer produced a Wall Street credit card, a business card, and a lot of letters addressed to himself.

"Not sufficient proof of identity," said the cashier, pushing the check back.

"Why, Judge," protested the man, "I've known you to hang a man on less evidence than that."

"That may be," said the judge, but when you're paying out money you have to be careful."

Gophers Trounce Rangers

Ely, Minn.—The Gopher basketball team scored one of the most incredible upsets when they trounced the league leading (internationally known) Rangers by a score of 33 to 29 on the local hardwood on Feb. 17. Since our game was changed from Friday to Thursday, it meant that two of our regulars were to be out of the lineup, namely Mrack and Alec Kosir. Well, we put in two of our substitutes and the big game was on.

There isn't much to tell about the first half. Most of the people left the stands at the end of the first half, but we were so sorry to disappoint them. The score at half time was 23 to 6 in favor of the Rangers. Little did they know what we Gophers would do to those big, husky brutes—ahem! Came the dawn—I mean the second half. Fitger began to feel sorry for the Gophers, although I still don't understand why, do you? Seeing that he felt sorry, we forgave him for his kindness at the end of the game.

Well, seeing he really was sorry for us he put his second team in the game and instructed them to try with us (the good old Santa Claus). But—well, the first team got restless, so Fitger sent them in to further embarrass us (although I found out later that he told them to practice the Globe Trotter method so as they could avenge an earlier defeat by the Globe Trotters).

Well, coming back to the hardwood, we find Mikalich, Gorshe and Frank Kosir teaming to bring the score way up, and the Ranger score closer and closer. I became so interested in the Ranger players that I watched every move they made. (Bobby Nickolis was practicing his Hula Hula dancing.)

The Gophers made a basket! I looked at Cap Gerzin; he was waving to (what's her name, Cap? I forgot)—another basket!

Hank Pluth stopped to powder his manly brow. Still another basket!

Tub Banovetz smiled shyly—you can't fool me, Tub. I caught you winking at her! Still another basket! Louis Zgong had quite a few baskets, and Stiff S., he must have eaten "klobase." I wonder if that had any effect on him. Anyhow, he was superb!

Well, meanwhile our boys had accumulated a lead the Rangers could not overcome (the score was 27 to 27), and it was 30 seconds to play! The time clock went around once more for good behavior, and Mikalich showed his appreciation by bagging two more baskets, to make the score 33 to 29. As the watch hated to record the time of this massacre, it stopped of its own accord—tsk, tsk!

After the game was over, all the Rangers were happy as we had won the game—tsk, TSK!

The Gophers who played and whose names will remain on the lips of everyone are Mikalich, Al Gorshe, Foxy Kosir, Kusma and Luddie Mestick.

The boys that beat the Rangers!

VALUABLE

A robust woman lost her thumb in a trolley accident.

"But why?" asked the company's attorney, "do you think that your thumb was worth twenty thousand dollars?"

"Because," she replied, "it was the thumb I kept my husband under."

The New Deal!

Springdale, Pa.—Prior to the presidential inauguration of March 4, the incoming administration pledged itself to a new deal. This, to be more explicit, called for a "general cleanup" in the government and the banking institutions. Some would have us believe that it was just a pledge and nothing more, but the new leader's policy following his oath of office sufficed for its sincerity.

The inaugural address as delivered by Franklin D. Roosevelt is one that will not be forgotten in generations to come; such is the opinion of our most influential writers of the day. It has stirred not only the masses of the universe, but also the hard-hearted columnists and reporters of the press who have expounded their interpretation of its contents. It revealed the innate characteristics of the president; namely, to face the truth, express the will of the majority and not of the few, and to do it with action instead of mere words. How well we recall his deliverance, for it still rings in our ears.

"Practices of the unscrupulous money changers stand indicted in the court of public opinion." Thus he is condemning the practices of wildcat banking which played an important part in bringing about of the existing upheaval; practices which were criminal in the eyes of the public, but not in the eyes of the law. Federal legislation now to be enacted, we trust, will make it so in the future.

Following his address, which called for drastic but much needed reforms, he exemplified his call for action by a proclamation for a universal banking holiday. There were several reasons which prompted him to take such action, such as foreign raiders on our gold supply, domestic hoarders, and unsound banks, but the basic reason, I might say, was for the banking system as a whole. This banking holiday should have been instigated as long as a year ago, followed by such reforms as will now take place under the new administration. If this had been then accomplished, many banks that have closed their doors would remain open upon reorganization; but no, the bankers wished to speculate without stringent rules to comply with, hence the banking lobbyists forbade any such legislation.

Upon issuing the banking proclamation, our president called for an emergency relief bill that would permit the resumption of sound banks and for the reorganization of the insolvent banks. The bill giving government control over banks and broadening the powers of the Federal Reserve Banks found immediate enactment, in fact less than eight hours after commencing its consideration in the lower house of Congress. In less than a week following his inauguration, the president has sent two messages to Congress which were of vital importance to the general public and secured the passage of a banking bill that was long overdue; thus substantiating his call for action. To curtail any recurrences in the future of such ghastly acts by the money changers will require serious deliberation and will probably resume in the special session. Too long has the American public accepted the mistakes incurred by financiers from such as the Insull industries.

The action taken by the president and those he may take soon to restore employment find instant approval among the proletarians, and we members of the South Slavonic

Springtime and Youth

Cleveland, O.—The old adage that "Time and tide wait for no man" seems to manifest itself most strikingly as one season gradually melts into the next, and presently we shall be saying, "There's a touch of spring in the air," whereas only a few months ago we proclaimed the winter season, at the same time looking forward to and welcoming the happy holidays which winter always brings.

We reflect on the phrase, "A touch of spring," and find that it holds an affection and fondness for us because it hints of the newness of life. It speaks to us of green meadows, budding trees, delicate blossoms, sunshine and showers, singing and twittering birds, and the many joys of springtime.

How beautifully the spring compares with the inspiring vision of our South Slavonic Catholic Union as held in connection with youth!

Happy youth which does not think about yesterday, but only of tomorrow; courageous youth that holds in its hand a page of delicate white, upon which will be written its future history:

"Inspiring youth that will write our future books, paint our pictures, compose our music and sing our songs; industrious youth which has a valuable work to do in turning the wheels of industry and exploring our scientific fields.

Our work today is truly to pave the way for tomorrow, and when doing this we may rest assured that youth will not fail us any more than will the plants and flowers that have been protected and nourished by Mother Earth during the winter days and nights.

The future of the South Slavonic Catholic Union does not lie in the hands of the adults, but it does lie in the hands of the youth who must carry on.

Our S. S. C. U. juveniles will be the leaders of tomorrow, and my suggestion is this, that each and every lodge of the S. S. C. U. start a juvenile drive for new juvenile members and no time is more appropriate than the present. Start your drives for new juveniles with the beginning of April and carry on for three months. Bear this in mind, "Youth will lead."

Start your juvenile drive now! Which lodge will come out on top? This is a good way to find out the most active lodge in our S. S. C. U. Which lodge will win? Let's get started 100 per cent.

"What do you think! A bandit jumped on the running board of my car last night and demanded five dollars."

"Why didn't you have him arrested for impersonating a village constable?"

Catholic Union are just a portion of the whole mass who have awaited the outcome of the new deal and its possibilities. The Union has suffered the consequences like many other organizations; likewise its individuals. The sooner we get a new deal, the sooner we are able to expand and increase the membership. We may expect many reforms or changes during the current administration, but we shall have little cause to complain; the complaints, if any, will be lodged by the few who shall be restrained from milking the public through its banks or any other facilities. Be alert and be informed, so they say. Many happenings are and will take place nationally and internationally.

What the Mailman Brought in by Mistake**The Secretary's Retort**

Gowanda, N. Y.—To Anna Jaklich, kuharca of George Washington Lodge, No. 180, SSCU.

Moja prijateljica:

I never did expect to see anything as interesting as your letter in the Nova Doba last week. That mailman that made the mistake surely must be a peach of a fellow (the apple of my heart). Have you been noticing the trends of the articles in the Nova Doba? First it was kranjske klobase, then it was godla, and now we find that Collinwood Boosters have gone ham and eggs. The only thing I'm afraid of is that they are going to run out of material before very long.

Anna, maybe it was your articles, but anyway, have you noticed that other girls have finally summoned enough courage to write a few lines for Ye Editor. Last week certainly found quite a group of talented writers. Girls soon get tired writing, don't you think so?

Now don't get angry at what I'm going to say, because I don't know for sure what relation Frank (Lefty) Jaklich of your lodge is to you. Last week in his special article he just about convinced me to come to your meeting on March 15 and to enjoy the card party afterward. Then when I came to the end of his article, he had written "No Admission." That's like having rabbits running all over the place and then find a sign "No Hunting." That's the way it always turns out; you are never allowed to attend a good thing. Or was it used as an incentive to make your members all show up by telling them there was "No Admission"?

After reading your article, I could sleep okay. The only thing was I snored so loud that I had to sleep in the other room so that I wouldn't wake myself up.

I want to clear something for you about Gowanda people not being hungry. It seems that at our dances everyone is more thirsty than hungry. Gowanda

has the largest glue factory in the world, and so we have a right to be stuck up. However, I can't quite make out how you Clevelanders can be so particular about the looks of your foods, especially during this depression.

Thank you very, very much for correcting my historical error about old Georgy. I always was dumb in history anyway. Pressing business forces me to cancel my imaginary trip to Cleveland, but I'm wondering how the population has grown in "Chinatown" over in the Collinwood damps.

A lot of our gang around here are anxious to hear something about yourself. Maybe you can get Lou Kolar to publish your picture in the Nova Doba. They are inquisitive to know just what you do. How about enlightening the gang? Of course, I'm not inquisitive myself. S pozdravom,

Ernest Palic,
Secretary, No. 222, SSCU.

Gophers

Ely, Minn.—Hello, folks! Hold everything! Lil and Stan are on the air again, with a detailed description of our last Gopher meeting. So here goes!

Our guests for the gala occasion were the charming Shepel sisters. (Thanks to Frank Bachar and Angela Pechek.) They rendered about six or seven vocal selections in English and Slovene, and did we like 'em! Well, they sure brought the encores! Mary Seme then got on the floor and, to the flying fingers of the Shepel gal at the piano, gave her version of "Somebody Stole My Gal." (She's good, too.) Stick close, gals! We'll call on you again.

The entertainment then shifted to card games, jigsaw puzzles and wink 'em. You know that wink 'em is a swell game? Alex Kosir and Joe Pryatel were a little bashful—at least I think so. By the way, I'll give anybody a full description of wink 'em if they will write in for it—ahem!

Then we heard the call of "Come and bring it!" It was not from the chefs, but from the gang, who became ravenously hungry—and did they devour the peanut butter sandwiches and the hot cocoa! Hot Cha! No sooner done than the gals, seeing such a huge accumulation of dishes, thought they'd give the guys a break by letting them do the dishes. Did they like it? I should say so! We were about half through with the dishes when who should come in but Joe Champa. We promptly handed him a towel and made him wipe the rest of the dishes (there was a spoon left). Društvo sv. Srca Jezusovega, št. 2 JSKJ je na svoji redni seji dne 12. marca vzel v pretres iniciativni predlog društva št. 6 JSKJ v Lorainu, O. Društvo št. 2 JSKJ je prišlo do zaključka, da omenjenega iniciativnega predloga NE podpira. Člani našega društva so soglasno sklenili, da se vpoštevajo sklep 14. redne konvencije in da se z gradbo jednotinega urada ali doma nadaljuje, ker to bo v korist celokupnemu članstvu J. S. K. Jednote. Od več strani se je začelo nazaj tlačiti elyško naselbino, in še od takih, katerim ni dosti znano o tem mestu, zato je naša dolžnost, da se zagovarjam in odbijamo take proteste. Da je to mesto primerno za jednotin urad, gotovo bolj vemo mi, ki živimo tukaj že po 30 ali 40 let, kot pa tisti, ki so bili na Elyju le par dni, ali pa sploh nikoli. Vsled tega apeliramo na članstvo, da se vpošteva pojasnila tistih, katerim je naselbina dobro znana. Ako bi članstvo JSKJ, bivajoče tu na Elyju, videl, da to mesto res ni primereno in pripravno za jednotin urad in da bi bilo v škodo članstvu, če bi se urad tu zgradil, bi se gotovo ne trudilo in ne priporočalo, da se zgradi urad tukaj v mestu Ely. Toda članstvo tukajnih društev JSKJ vidi in je prepričano, da bi bilo v korist vsemu članstvu JSKJ, če se jednotin dom tukaj zgradi, zato isto priporoča. Priporočamo tudi drugim društvtom J. S. K. Jednote, da vpoštevajo sklep 14. redne konvencije in glasujejo, da se zgradi jednotin dom v mestu Ely, Minnesota.

V moji prvi razpravi glede lastnega jednotinega doma, ki je bila priobčena v Novi Dobi, št. 10, sem omenil, da že vsled tega ni umestno zidati lastne uradne prostore, ker smo skoraj pred vratmi združenja. Da me ne bo kdo napačno sodil, naj povedam, da jaz osebno sem bil vedno proti združenju in bi bil tudi sedaj, ko bi bil na vidiku kak drug izhod. Toda, ker tega dan in tudi najbrž ne bo, ne bomo moral, radi ali moral, uda-

ti usodi in se združiti.

Danes hočem govoriti o neki drugi, še bolj važni točki, zakaj ni priporočljiv lasten dom. Za vzugled si vzemimo domove drugih slovenskih organizacij v Ameriki. Vzemite v roke zapisnike zadnjih konvencij, pa bo ste videli, koliko dragocenega časa se je potratilo pri debatah glede lastnega poslopja. Organizacijo, ki imam v mislih, sta ne lastno poslopje vsled raznih razprav na konvencijah in izven nje, nadalje razna popravila in preurede najbrž desetkrat več, kakor bi se lahko danes prodalo. Kaj lahko se pričeti, da bi bilo z našim lastnim poslopjem isto. Nihče ne more jamčiti, da bo organizacija ostala na sedanjem velikosti, da bi bili prostori primerni. Za slučaj, da se zmanjša, bodo prostori preveliki, oziroma stroški za vzdrževanje preveliki. Ako se pa organizacija poveča, pa ne bodo prostori dovolj veliki. Sledile bodo drage razprave, ki lahko stanejo več, ali vsaj skorotoliko sveto, za katero bi lahko eden ali drugi posameznik svojo hišo po svojem okusu preuredil. To je ena izmed važnih točk, katero bi moralo članstvo dobro premisliti, pa ni bilo še nič govorjenja o tem. Vsled tega sem jaz napisal te vrstice, čepravno že nekoliko pozno.

Na redni mesečni seji društva Zvon, št. 70 JSKJ, ki se je vršila dne 15. marca, letos, smo razpravljali o iniciativnem predlogu društva sv. Alojzija, št. 6 JSKJ, Lorain, O. Sklenili smo, da naše društvo PODPIRA ta iniciativni predlog. Članstvo se naj potom splošnega glasovanja izraziti za ali proti zidavi jednotnega doma.

Dom Jednote in iniciativa društva št. 6 JSKJ sta v ospredju med člani JSKJ, in prav je tako. Vsaka stvar, na primer hrašč, ki jo človek lastuje, potrebuje včasi kakšnega popravila ali predelave, pa človek odlaša, kar najdalje more, posebno sedaj, ko so časi taki, da o južnemu dnevu prav tako malo vemo kot o svoji smrti.

Predno nadaljujem, naj izjavim, da mi je pred očmi samo blagor JSKJ in nič druga. Moje osebno prepričanje je proti domu kot takemu, poudarjam: kot takemu! Dom, ki se namerava postaviti, ne bi bil nikak dom, ampak le nekaka pisanja. Ako smo ponosni na naša mater Jednote in ji v resnici hočemo dobro, delajmo v tem smislu in se nikar ne prenagliamo.

Naglica ni nikdar dobra. Mi bi morda zdaj v naglici kaj naredili, pologama pa bi se morda začele kazati napake, katerih bi se bili lahko izognili, da smo stvar prej dobro premisili.

No, prostor je že kupljen, približno za štiri tisočake. Skoraj neumljivo mi je, kako je mogo biti to izvršeno tako hitro po konvenciji. Ne morem se spominjati, da bi bili kateri drugi konvenčni zaključki tako hitro izvršeni. Zakaj je bil ravno ta? No, nekaj pojasnila je bilo o tem in to moramo seveda vzeti za merodajno. Seveda, slučaj je ravno tako nanesel, pa se je kupilo. Ali dobri slučaji so jasno redki. Vsekakor lahko tu enega zabeležimo. In s tem slučajem se zdaj skuša najbolj na članstvo vplivati, kar se mi nikakor ne zdi pravilno. Bratje in sestre, nečem nikogar žaliti, toda rečem toliko, da nekateri ljudje so včasi pripravljeni vedno proti združenju in bi bil tudi sedaj, ko bi bil na vidiku kak drug izhod. Toda, ker tega dan in tudi najbrž ne bo, ne bomo moral, radi ali moral, uda-

bi videli posledice, ki pridejo. Casi so resni, zato je najboljše, da tudi mi postanemo resni in vsako stvar dobro pretehtamo, predno se je lotimo.

Zato, bratje in sestre, ko pride iniciativni predlog na dnevnih red seje, podpirajte ga in mu tem omogočite, da pride na splošno glasovanje. Pozabite na tiste štiri tisočake, saj niso izgubljeni, ampak so samo investirani v zemljišču. In dobro so investirani, namreč vsaj kazalo se nam je tako. Ako pa niso, bomo o tem pozneje razpravljali.

Zdaj je prišel čas, da pokažeмо ali znamo biti hladnokrvni in premljeni. Ako bomo v ne-premljenosti napravili pregal korak, sem skor prepričan, da ga bomo pozneje obžalovali.

Morda bo kdo dejal, da ne morem biti za napredek Jednote, ko tako pišem. Povedano naj bo, da prav to je vzrok, da se oglašim, ker želim Jednoti

zadnje čas.

Torej, bratje in sestre, podpirajmo iniciativni predlog društva št. 6, da pride na splošno glasovanje. Naj ima vse članstvo priliko izreči se, če je za zidanje doma ali ne. Moje prepričanje je, če se postavi dom, naj bi se postavil tak, ki bi bil vreden tega imena in na katerega bi bila JSKJ lahko ponosna. Nisem pa za tak dom kot je sedaj na programu. Če hočemo to pravilno imenovati, imenujmo nameravamo stavbo dom uradnikov ali pa pisarno JSKJ.

Pred vami, bratje in sestre, je odločitev. Od vas je odvisno, kako boste odločili. Ako ste proti iniciativnemu predlogu, ste za tisto, kar sem zgoraj omenil. Ako ste za iniciativo, bo nam po isti pot odprta naprej, da se ideja lahko dobro in premljeno vresniči.

Z bratškim pozdravom,
Frank Hostnik,
član društva št. 144 JSKJ.

Vsek teden zasledujem v našem glasilu mnenje našega članstva glede zidanja jednotnega doma, in tem potom sem se tudi jaz napisati par besed. Resnica je, da vsi ne bomo nikdar istih misli in dejanj, zato je tudi nemogoče tako delovati, da bi bilo vse članstvo raztrolačeno za kaj se gre in je zidanje jednotnega doma, obvezno pa vsi nekateri organizacije pa vsak dopisnik izogni pikrih izrazov. Po mojem mnenju je bil dopis glavnega blagajnika, sobrata Champe, čisto na mestu in ni bil nikako "metanje peska v oči članstvu." Zadnja konvencija je imela to zadevo pred seboj in je bilo dovolj jasno raztrolačeno za kaj se gre in je zidanje jednotnega doma, obvezno pa vsi nekateri organizacije pa vsak dopisnik izogni pikrih izrazov.
