CLEVELAND, O., 22. SEPTEMBRA (SEPTEMBER), 1937

LETO (VOLUME) XXIII.

Dosedanji uspeh naše kampanje: 1122 novih članov

SEDMO KAMPAJSKO POROČILO

V AVUGSTU PRISTOPILO 187 ČLANOV

Na uradni strani današnje izdaje so označena imena novih članov, ki so pristopili meseca avgusta; vseh skupaj je 187 in sicer 112 odraslega oddelka, 75 pa mladinskega.

III. OKROŽJE NA PRVEM MESTU

Sestra Likovich, načelnica III. kampanjskega okrožja je v avgustu zopet enkrat zmagała, nji se je kreditiralo 33 članov aktivnega in 39 članov mladinskega oddelka, torej skupaj 72 članov in članice.

Kakor za las, oziroma samo za enega člana (co) manj (71) novih je pridobilo II. okrožje s sestro Hochevar na čelu. Temu okrožju se je za avgust k dobrem pripisalo 47 odraslih in 24 mladinskih članov. Na tretjem mestu je sestra Gorišek s svojim I. okrožjem: 32 odraslih in 12 mladinskih; skupaj 44.

POSNEMANJA VREDNA DRUŠTVA

V avgustu moramo omeniti sledeča tri društva, ki so pridobila lepo število novih članov: Sv. Jožefa št. 56, Leadville, Colo.: 15; sv. Ane št. 139, La Salle, Ill.: 9, in društvo Kraljice Majnika št. 157, Sheboygan, Wis.: 8; druga pa sorazmerno manj.

II. OKROŽJE SE VEDNO PREDNJAČI

Tekom minulih pet mesecev kampanje je II. okrožje sestre Mary Hochevar pridobilo skupaj 415 novih članov in članice (252 aktivnih in 163 otrok), zato je na prvem mestu.

Njej pa sledi III. okrožje sestre Louise Likovich, ki ima samo 13 članov manj, ali 402, — 183 aktivnih in 219 otrok.

Na tretjem mestu je I. okrožje sestre Agnes Gorišek s 305 članicah oddelkih (180 aktivnih in 125 otrok).

DOSEDANJI USPEH

Od 1. aprila do 31. avgusta, odkar traja naša kampanja ženske enakopravnosti smo pridobili vseh skupaj 1122 novih članov in članice, 615 odraslega in 507 mladinskega oddelka. Povprečno znaša to na mesec 224 novih, kar je že precej lepo in povoljno število če vpoštevamo dejstvo, da se vrše kampanje tudi pri drugih podpornih organizacijah.

PRIZNANJA VREDNA DRUŠTVA. — STEV. 55

SE VEDNO NA PRVEM MESTU

Zopet moramo pohvalno omeniti vrlo društvo sv. Jožefa št. 55 v Crested Butte, Colo., ki se v tej kampanji ponaša že z 67 novimi člani.

Samo za 23 članov manj (44) jih je pridobilo društvo sv. Jožefa v Leadville, Colo., torej gresta baš ta dva coloradska društva z lepim zgledom naprej! Čast jima!

Tretje društvo z 35 novimi člani je tudi tamkaj na zapadu, društvo sv. Veronike št. 115 v Kansas City, Kans.

Njemu sledi z 30 novimi člani društvo sv. Jožefa št. 148 v Bridgeportu, Conn., temu pa društvo sv. Jožefa št. 169 Cleveland, O., z 28.

Druga društva, ki so do 31. avgusta pridobila več kot 10 novih so sledeča:

Po 25: štev. 108, 157, 163.

Po 22: štev. 81.

21 novih: štev. 2 in 187.

20 novih: štev. 162.

18 novih: štev. 59.

17 novih: štev. 139 in 153.

16 novih: štev. 72 in 150.

15 novih: štev. 113 in 194.

14 novih: štev. 4, 50, 111, 146 in 156.

13 novih: štev. 1, 7, 42 in 183.

12 novih: štev. 29, 30, 53, 63, 120 in 127.

11 novih: štev. 208.

Cenjeno članstvo! Več kot polovica kampanjske dobe je že za nami. Je še precej društev, ki se niso odzvala niti z enim novim članom. Na vsa taka apeliramo, da naj porabijo zadnje mesece kampanje, da dosežemo zaželjeni uspeh. Torej na delo!

KAM SO ŠLI PRISPEVKI ZA ŠPANIJO?

Washington, D. C. — Odkar se vrši vojna v Španiji, se je v Ameriki ustanovilo številno raznih organizacij, ki so zbirale prispevke za špansko vlado. Na podlagi ameriškega nevtalnostnega zakona so morale te organizacije predložiti svoja poročila državnemu departmentu. Iz teh poročil pa se razvidi, da so "priateljeli Španije" malo čudno ravnali z nabiranimi prispevki; povprečno je namreč skoraj enaka svota, kakor so jo poslali v Španijo, ostala njim "za administracijske stroške." Poročilo obsega čas od 1. maja do 31. julija in 23 organizacij, ki so pobira-

le prispevke, se je nakolektalo v tem času skupno \$376,926.91. Od tega je bilo poslano v Španijo le \$139,193.40, dočim so organizacije same porabile \$124,986.97 in ostalo imajo še na roki. Še bolj jasna slika "nesebičnosti" nabiralcev pa se pokaže, ako se pogleda v poslovanje posameznih organizacij. Za drastični vzgled naj služi Ameriški odbor za pomoč Španiji v New Yorku. Ta organizacija je nakolektala \$30,793.72 za "administracijo in publiciteto" in \$3,340.22 je imela 31. julija še na roki. — Pač dobičkanosni biznes, to kolektanje!

NOVICE IZ CLEVELANDA

Smrtna kosa

Minulo sredo popoldne, dne 15. septembra je preminul dobro poznani in ugledni rojak John Možina, ravno teden dni potem, ko se je podal na operacijo v Mt. Sinai bolnišnico, kateri je podlegel. Ranjki je stanoval na 1081 Addison Rd., poleti pa je bival na Nottingham Rd., kjer je imel lep prostor za balinčanje. Star je bil 56 let, rojen v vasi Zalog, fara Škofljica pri Ljubljani, kjer zapušta maceho Marijo Možina, sestro Marijo Jerina, brate Josipa, Alojza in Martina in še druge sorodnike, tukaj pa zapušta hčeri Mary poročeno Švigel in Julijo poročeno Muchitz, in Mimmie, sestre Frances Repar, Rose Piškur, Gertrude Kapler, brata Antona in več drugih sorodnikov. V Clevelandu je bival 34 let. Ranjki John je takoj po prihodu začel mesnico v Clevelandu, katero je vodil 15 let, in katero so pozneje kupili bratje Pintar na St. Clair Ave. V Nottinghamu se imenuje po njem cesta Možina Drive. Pozneje je začel trgovino z grozdem in vinom, kar je vodil vse do sedaj. Bil je mirnega značaja, priljubljen in pripravljen pomagati vsakomur. Pred tremi leti mu je umrla soproga, kar je bilo zanj velika izguba, kakor je sedaj zguba za ostale, ki so zgubili skrbnega očeta. Želimo mu mirno spanje v grobu, prizadeti družini pa naše globoko sožalje. — Po dolgi bolezni je dne 16. septembra popoldne umrla pionirka newburške naselbine Mrs. Ana Sadar, rojena Črček v starosti 74 let. Doma je bila iz vasi Mačkovec pri Žužemberku. Bila je članica društva sv. Vida št. 25 KSKJ., društva sv. Rešnjega Telesa in 3. reda sv. Franciške. Tu je bivala nad 46 let. Poleg žalujočega soproga Josipa zapušta štiri hčere: Sister Regina Clara, reda sv. Dominika, Mary Snyder, Frances Suhadolnik in Josephine. V domovini zapušta dva brata in sestro. Naj v miru počiva. Globoko sožalje prizadetim.

JEDNOTIN PIJONIR UMRL

Letošnje leto je naša Jednota izgubila kar dva svoja bivša glavna stebra, ali pionirja. Dne 31. januarja je v La Salle, Ill. nanagloma preminul brat Josip Stukel, soustanovnik in prvi Jednotin predsednik, dne 16. septembra je pa po daljšem bolehanju v Jolietu, Ill. v Gospodu zaspal brat Josip Panian v visoki starosti 81 let;

Josip Panian

bil je rodom Belokranjec, ali doma na Dolenskem.

Sobrat Panian je bil zelo vnet za ustanovitev naše Jednote. Ko so leta 1893 začeli izhajati članki in dopisi v "Amerikanskemu Slovincu" za ustanovitev prve slovenske podporne organizacije v Ameriki, se je brat Panian kot tajnik društva Vitezov sv. Jurija v Jolietu večkrat v istem oglasil. V št. 42 z dne 6. oktobra 1893 je priobčil svoje mnenje in nasvet, da naj se to name ravno novo podporno organizacijo imenuje Kranjska Jednota, kar je tudi obveljalo in se to ime rabi še danes. V št. 47 "A. S." z dne 10. novembra 1893 je zopet objavil oklic na razna samostojna slovenska društva z opombo, da je v Jolietu četvero takih društev pri volji pristopiti k Jednoti.

Pokojnik se je tudi udeležil ustanovnega zborovanja KSKJ. dne 2. aprila 1894 toda ne kot delegat, ampak kakor član pripravljalnega odbora za ustanovitev. Na tej konvenciji ni bil izvoljen v noben urad, pač pa na prihodnji izvanredni konvenciji, vršeci se julija meseca 1894 v Jolietu, kjer je bil izvoljen za podpredsednika.

Sobrat Panian je bil z dušo in telesom do svoje skrajne starosti vnet naš Jednotar; tudi tajniške posle pri svojem društvu je vestno vodil nad 30 let.

Zdaj sta samo še dva delegata ustanovne konvencije naše Jednote pri življenju, sobrat Stefan Stamfel v Jolietu in sobrat Math Brunski v Tiffin, Ohio.

Bodi pokojnemu sobratu Panianu ohranjen najbližji spomin! Lahka mu ameriška gruda!

KONCERT MLADINSKIH ZBOROV

Cleveland, O. — Minulo nedeljo popoldne, 19. septembra, je zopet triumfirala slovenska pesem naše mladine povodom 3. letnega skupnega koncerta v Slovenskem Narodnem Domu na St. Clair Ave. Dvorana je bila docela razprodana. Na odru je nastopilo 6 mladinskih pevskih zborov, ki so šteli skupaj 314 pevcev in pevk v starosti od 6. do 16. leta. Vseh skupaj je bilo na programu 22 pesmi, med temi 8 Emil Adamičevih.

Za iznenadenje ali nenapovedano sta zapeli ljubki štiri-letni Vidicevi dvojčici dve kitici neke znane pesmi in želi buren aplavz.

Zatem so s tremi popevkami kot gostje nastopili Barbertonski "Slavčki" (40 dečkov in deklic); dalje so bili na programu vsak s tremi pesmimi Mladinski pevski zbor s Holmes Ave. (71 pevec), "Kanački" (34 pevec); Mladinski pevski zbor z Waterloo Rd. (40 pevec); "Škrjančki" (62 pevec) in "Slavčki" (67 pevec); v skupnem zboru se je predvajalo štiri izbrane pesmi.

Vse točke je občinstvo z navdušenjem poslušalo in dajalo mladim pevcem svoje priznanje s ploskanjem; nekaj pesmi se je moralo vsled tega ponoviti.

Mr. Louis Šeme zasluži v resnici vse priznanje da je to mladino tako fino v petju izvežbal, istotako tudi vsi vrli dečki in deklice, ki s tem povzdigujejo sloves naše mile in krasne slovenske pesmi.

Med programom je nastopilo tudi 5 govornikov, kar je program precej zakasnelo.

V znamenje priznanja je prejel pevovodja Mr. Šeme 3 košarice rož in dvoje drugih daril; tako je bila izročena košarica rož pianistinji Miss Alice Artlevi.

V zborih je nastopilo tudi lepo število članov in članic mladinskega oddelka naše K. S. K. Jednote, tako je bilo tudi med poslušalci ali občinstvom mnogo naših Jednotarjev iz Greater Clevelanda, Barbertona in Loraina.

Živela slovenska pesem! Živel vsi naši mladi pevci in pevke!

Ali imate že kakega novega člana(co) za prihodnjo sejo?

DROBNA NAZNAJKA

Kampanjski glasovi

Barberton, O. — Pred par tedni sem brala v Glasilu kdaj in kako smo postale ženske pri naši Jednoti enakopravne s moškimi. V članku se navaja imena onih razsodnih mož ali delegatov, ki so s glasovanjem odobrili to zopetno idejo, ki je bila sestavljena in v listu priobčena po društvu Kraljica Majnika št. 157, Sheboygan, Wis. Tajnica in ustanovnica tega društva je bila vrla žena, katero pozna vse slovensko žensko v Ameriki, Mrs. Marie Prislund. Navedena rojakinja je že veliko dobrega storila za nas, žene v Ameriki, zaradi tega ji gre vse priznanje za njene zasluge in trudopolno delo za naše žensko. Bog živi Mrs. Prislundovo!

V spomin naše enakopravnosti je razpisana sedanja kampanja, ki lepo napreduje. Vsa čast in priznanje tudi našim možem, ki nam pomagajo pri tej kampanji, toda dolžnost nas žena, je da vsaka posameznica kaj stori v ta namen.

Nikakor pa ni prav pri društvu, da se vsa dela in skrb za kampanjo nalaga le uradnicam; pojdimo na delo VSE, ter pokažimo z novimi kandidati, da smo vredne biti enakopravne in da se zavedamo svoje dolžnosti napram Jednoti, saj vendar ženske smo še vsakikrat storile to, za kar smo se zavzele.

Žena je ravno tako bitje kot moški; v mnogih slučajih opravljajo ženske ravno tako naporna, odgovorna in važna dela kakor moški; celo v zdravniški praksi ne zastajajo. O tem se je nedavno prepričala naša članica Antonija, ki je hodila k tukajšnji zdravnici Dr. L. D., da jo je brez kakih operacij tako uspešno zdravila, da je naša rojakinja izven nevarnosti in upa kmalu doseči zopetno popolno zdravje, dasiravno je več let bolehal.

K sklepu ponovno apeliram na vse, da gremo na delo še teh par mesecev naše kampanje. Storitno kar je v naši moči, da pospešimo čast in ponos pri KSKJ.

S pozdravom,

Jennie Ozbolt,
tajnica št. 111.

MAGDALENE SO ZOPET ZACELE KEGLJATI

Cleveland, O. — Minulo sredo se je vršila na domu predsednice društva sv. Marije Magdalene št. 162 KSKJ. seja, da se je formiral odbor kegljačice za letošnjo sezono. Prijavilo se je takoj 19 članic, ki so se to zavzele.

V odbor so bile izvoljene: Miss Rozaline Jerman, predsednica; Miss Cecilia Kovačič, tajnica, in Antonija Zupan, blagajničarka.

Keglji se je začelo včeraj. Prvi "strike" je naredila Mrs. Mišmaš, drugega pa Mrs. Mally. V bodoče se bo kegljalo vsako sredo zvečer ob 7:30 na Norwood kegljišču, 6123 St. Clair. Katero članico veselje kegljanje, da bi se rada nam pridružila, naj pride pravočasno prihodnjo sredo na označeno kegljišče. Dobro nam došle! Morda se nam posreči za prihodnjo tekmo spraviti skupaj 10 kegljaških skupin ali teamov našega društva, kar bo delalo čast in ugled vsem Magdalenam! — Odbor.

Društvo sv. Genovefe, št. 108, Joliet, Ill.
Naznanilo

Članicam našega društva in drugim, ki imate vstopnice za Card party tega društva za 24. oktobra naznanjam, da se je premenilo datum na 17. oktobra namesto 24. Izvolite torej to vpoštevati, da se vrši ta

priditev en teden prej in s vstopnicami veljavne za ta dan. Card party se je prelošilo zato, ker bo šlo 24. oktobra več Jolietčanov v Waukegan na koncert, posebno pevci in pevke naše cerkve sv. Jozefa se pripravljajo iti tja; ker so pa večina vse pevke članice našega društva, zato se je datum naše prireditve premenilo.

Posebni odbor za to prireditev je: Julia Camp, predsednica; Mary Ambrozich, Theresa Kuleto, Jennie Bambich, Mary Tomazich in Caroline McGuckin, odbornice.

Seveda ta pripravljani odbor pričakuje od vseh članic sodelovanja in pomoči. Ako bomo vse sodelovale, nam je uspeh zagotovljen. Društveni in posebni odbor ne moreta sama dosti napraviti, ako jima ne boste tudi ve članice pomagale; en tikel naj gleda da ga vsaka vzame, ali ga pa proda.

Naša Card party se prične 17. oktobra, na nedeljo popoldne ob treh, tako da se bo iste vsake lahko udeležila in sicer v Slovenija dvorani.

Nekaterim članicam sem pisala kartice za dobitke ali prizes; prošene ste torej, da se odzovete ker je težko vedno ene in iste nadlegovati; ako ne bo ta prireditev pomagala naši društveni blagajni, bo treba društveno naklado zvišati, pa bo veljalo za vse enako; 5c mesečno ne krije vseh naših društvenih stroškov, zato moramo pa gledati, da pride še od kod drugod kaj v blagajno.

K sklepu bi vas tudi prosila, da se udeležite seje dne 3. oktobra. Ker so bile sedaj, v popoldnem času seje bolj slabo obiskane, zato se udeležite seje v večjem številu zdaj na jesen. Opozarjam tudi one, ki ste zastale z asesmentom, da dolg poravnate do 26. septembra, da se mi ne bo treba zopet izgovarjati pred nadzornicami, ki bodo pregledale račune in o tem poročale na seji 3. oktobra. S pozdravom,

Antonija Struna, tajnica.

Vabilo

Naznanjam članicam našega društva sklep zadnje seje, da pridemo "Wiener Roast," katerega čisti dobiček je namenjen za nabavo športnih uniform za dekleta in žene našega društva, ki kegljajo v letošnji sezoni. Dosedaj imamo že 4 skupine ali teame naših kegljačic, ki kegljajo vsak teden.

Ker pa taka stvar stane denar (treba je vedno plačati na kegljišču in postavljavce kegljev), zato ne moremo zahtevati, da bi te članice še iz svojega uniformne kupovale. Zato jim bo iste društvo preskrbelo z imenom in številko društva. To bo gotovo povzročilo več zanimanje za naše društvo osebno med mladimi članicami, ki radi kegljajo.

Na zadnji kegljaški tekmi v Clevelandu so imele kegljačice vseh drugih društev svoje uniforme, samo naše pa ne; torej jim moramo za leto na vsak način potrebne uniforme preskrbeti. Zato prijazno vabim vse naše članice in tudi druge Jednotarje in Jednotarice iz Newburga, da se udeležite te naše zabavne prireditve. Pridite v velikem številu kajti na Wiener Roast bo lušno. Ne pozabite torej prihodnjo soboto, 25. septembra, pričetek ob 7. zvečer na cerkvenih prostorih v Maple Gardens.

S sestrskimi pozdravi,
Mary Pucell, tajnica.

Društvo sv. Mihaela, broj 163, Pittsburgh, Pa.

Javljam članom, osebno onima, koji niste bili na prošloj sednici, a i onima, koji dođu

u naše piate, pak su sada doma ili u "skupu," a nekada čekali, da čuju što se na sednici radi; posle po skupu ili po kući vedite sednice i pravda. To ni lepo i pravo. Pak se posle kajete za nepravice; ali redi stara poslovica: Posle poče je kasno iti k sv. misli i tako posle smrti ne može pristupiti u društvo, nego se osigura dok si živ.

Braće! Koliko sam više opomenil za novo članstvo, da bi svaki po snagu novoga dopeljal u naše redove, makar za 20 godišnjicu našeg društva. Od svih članova (847) do sada samo tri su pridobili nekoliko novih članova, gdje su ostali?!

Dalje se razno govori kada se iz blagajne daje kakovu pomoć za sirotinu. Dajte, pomozite, bumo uz to dobili više članova. Imademo takove članove, koji su kod društva već 20 godin, pa niste još dopeljali nijednoga člana u društvo. Kako izgleda naša proslava 20 godišnjeg obstoja, če biti bolj mrtva. A vi, koji prigovarate, da se na sednici prav ne radi, pak se iste udeležite; imate pravo govoriti na vse predloge što se tiče društva.

Dalje još opomenjam sve, koji niste uplatili i koji duguje već mjeseci, da se požurite sa uplatama jer ovaj mjesec spada za trimesečno izvešće, da vam se ne bu dug prtil opet unaprej.

Sada bliža se 29. septembra, dan sv. Mihaela, patrona našeg društva; pak isto našim članom, odnosno bratim Mihovilim čestitam sretan, vesel i zadovoljan dan njihov god, osobito predsedniku društva, da bi sve sabral i skupa nam članom napravil Surprise party. Živeli svi Mihaeli!

Sobratki pozdrav,
Matt Brozović, tajnik.

Društvo Marije Pomagaj, št. 176, Detroit, Mich.

Členjenemu članstvu našega društva naznanjam, da smo na zadnji seji kar 6 novih članov pridobili za društvo in Jednoto. Hvala onim, ki ste pomagali nove člane pridobiti ne samo sedaj, ampak že od začetka kampanje; v tem času smo jih pridobili že 12 skupaj. Vljudno bi vas prosil, da bi še teh par mesecev, do konca leta, oziroma do konca kampanje šli na agitacijsko delo, da jih pridobimo še toliko, ali pa še morda več, kar se lahko izvrši če imate za to dobro volje; saj nas je že 130 članov in članic samo v odraslem oddelku. Ako pridobi vsak deseti član enega novega za ta al drugi oddelek, pa bomo dosegli uspeh. Koncem kampanje bom vsa imena priobčil v Glasilu, ki je kaj za društvo dobrega napravil, oziroma novega člana pridobil.

Ob enem bi prosil tudi one, ki ste že malo zaostali, da bi svoj dolg poravnali do konca septembra, da mi bo bolj lažje sestaviti 9 mesečni račun.

S sobratimi pozdravi,
Michael Zunich, tajnik.

DOPISI

Koncert "Barbertonskih Slavčkov"

S tem vas, velečeni rojaki, odbor v imenu mladinskega zbora "Barbertonskih Slavčkov" vabi, da se udeležite njihovega drugega, povsem še lepšega koncerta, ki ga "Slavčki" priredijo v soboto večer dne 25. septembra v domači dvorani samostojnega društva "Domovina" na 14. cesti v Barbertonu.

Zanimanje za naše malčke, spadajoče v mladinski zbor "Barbertonskih Slavčkov" in njih petje razveseljivo raste že od njih prvega javnega nastopa zadnjega februarja, kar obeta biti drugi nastop "Slavčkov" na gori imenjenemu dnevu pred publiko višek njih hvalevrednega učenja in vežbanja na polju vokalnega udejstvovanja v dobi par mesecev.

Program, ki ga je sestavil in uredil naš neumorni, požrtvovalni in skoraj neprekosljivi slovenski glasbenik, g. Louis Šeme, vsebuje klasično komponirane mladinske skladbe, sestoeče iz solosplov, duetov, in pesmi, ki jih izvaja celokupni zbor s spremljevanjem na klavir pod nadzorstvom gđ. Mary Gorence, pianistinje. Točke, izbrane za ta koncert, so povsem še primerne za mladino in bi morale to vzbuditi še posebno čutilno pozornost in ljubezen v srcih naših rojakov do slovenske pesmi.

Petje je že od potomstva po naravnem zakonu od Stvarnika instinktivno polagano v arce človeškega bitja in ako hočemo ta naravni dar še nadalje izpopolnjevati in smoteno urediti, da bo nam v največje veselje, se moramo še toliko bolj potruditi in si podčrtati temeljite namene, da dosežemo zaželjeni cilj in s tem, da podpremo in po svoji moči vzdržujemo še to, kar imamo narodnega in to so pevski zbori, zlasti pa še mladinski, ko je vendar glas nedolžnega malčka še toliko bolj iskren in prisrčen, ki prihaja naravnost iz njih čistih src.

Mladinsko veselje in brezskrbno življenje so že tolikokrat znali opisovati prečustveno v pesmih in poezijah naših velikih mladolinoljubov in v zadnjem stoletju, na primer Prešeren, in malo kasneje še Gregorčič, in v današnji dobi so se še zlasti od-

likovali in si velike zasluge pridobili v vedrini in lepoti slovenske pesmi P. Hugolin Sattner, ki je sprejemal glasbeni svet še poleg njegovih narodnih del, tudi se navduševal za njegove bolj obsežne skladbe, na primer slovenske opere, ki se jih je lotil in uspel, latinske maše; ena bolj znanih in izvirnih kompozicij je Missa Solemnis, s čemer se bo ime Hugolin Sattnerja ovekovečilo na veke. Enako pa tudi sedanja Stanko Premrl, prelaj in nadorganist v stolni katedrali v Ljubljani, in naš clevelandski mojster in glasbenik, g. Ivan Zorman, ki sta oba poznana po svoji veliki ljubezni do mladine in z njih umetniškimi deli, ki so jih že dali v slovenski svet.

Torej v soboto 25. septembra zvečer, bo kakor že gori omenjeno koncert in dan posvečen naši mladini—"Barbertonskim Slavčkom," da posetite njihov koncert in čujete njih histro izveščane in talentirane glasove in z vašo navzočnostjo podprete gmotno to narodno in kulturno ustanovo.

Z izrazom naše iskrene dobrodošlice blagovoli, da vas ponovno opozarjamo in pozivljamo, barbertonski Slovenci in drugi Slovenci v clevelandski okolici, povsem pa zvrgoletči "Slavčki," "Škrjančki," "Karnarčki" in "Črički" in ostali člani mladinskih zborov in njih stari, rojaki v Akronu (Kenmore), Girardu in drugi bližnji okolici, zabeležite dan 25. septembra, da se udeležite koncerta "Barbertonskih Slavčkov."

V nadi, da se prav za gotovo vidimo v Barbertonu na ta dan, vas vse naši "Slavčki" najlepše in najiskrenejše pozdravljajo!

V imenu odbora "Barbertonskih Slavčkov":

AVTOMOBILSKA NEZGODA NA WILLARDU

Willard, Wis. — Ko se je pretekli teden vračal Mr. Fr. Gosar s svojo družino iz mesta proti domu, je na nekem križišču prišlo do nesreče, da je njegov avto kolidiral z nekim trukom, ki je pridrvel od strani in se zadel v njegov avto. Mr. Gosar in njegovi dve hčerki so dobili le majhne poškodbe, dočim je Mrs. Gosar, ki se je tudi nahajala v avtomobilu, dobila hujše notranje poškodbe, vsled česar je bila potrebna takojšnja zdravniška pomoč. — Mrs. Gosar je že več let priljubljena tajnica društva Marije Pomagaj št. 174 KSKJ. In njene sestre, članice omenjenega društva, tem težje čakajo da zopet zdrava prime za svoje delo v uradu njej tako priljubljenega društva.

Vzglezni rojakinji iz srca želimo da čimprej okreva.

Poroke v Jolietu, Ill.

Joliet, Ill. — V zadnjem času naši mladi fantje in dekleta pridno stopajo v zakonski stan kar je veselo znamenje za našo faro. Pismo

"Rad berem Vaše pomenke in se mi zde zanimivi. Mislim si pa večkrat, zakaj katoliški časopisi — angleški in slovenski in menda tudi drugi — toliko pišejo o veri in verskih rečeh. Saj take reči slišimo ob nedeljah v cerkvi. Jaz mislim, da časopisi niso za to ustvarjeni, da bi samo o veri in pobožnosti govorili. Posebno dandanes mislim, da bi morali vsi listi in časopisi, posebno taki, ki jih delavci naročamo, pisati veliko več o delavskih rečeh. Jaz sicer nisem eden tistih, ki bi odobral pisanje naših brezverskih listov, ki toliko mahajo po veri in duhovnikih. Tisto se meni prav umazano zdi. Jaz sem jim že pisal, da naj prenehajo s tistimi brcami in treskanjem po veri. Seveda mi niso nič odgovorili, moje pismo je šlo gotovo kar naravnost v uredniški koš. Mislim pa, da bo tudi tole moje pismo šlo v koš, ki ga imate zraven svoje pisalne mize. Ampak naredite, kar hočete, svojo misel Vam bom pa vseeno povedal. Po mojih mislih je namreč vera zelo dobra reč; če jo človek res ima. Ampak delavskim težavam se s samo vero ne bo moglo dosti pomagati. Jaz bi zelo rad bral kake liste, ki se pečajo samo z delavskimi vprašanji, vere pa ne mešajo vmes ne tako in ne tako. Naši slovenski listi so pa vsi taki, da ali tolčejo po veri, ali jo pa zagovarjajo. Nekateri mislijo, da bo vse delavsko vprašanje rešeno, kadar bi vere več ne bilo, drugi pa zopet, da je sama vera že dosti odgovora na vse delavske zahteve. To je nekaj takega, kar bi se morali enkrat pogovoriti, da bi vedeli, kje smo. Če se Vam zdi prav, pa enkrat pišite o tem v katerem našem listu, kako se Vam dopade ali pa ne dopade moja misel. To ni pisano iz hudobije ali nagajivosti, samo rad bi, da bi se o tem pogovorili..." Itd.

Odgovor

Navada je, da vsak več ali manj pretirava, kadar se zavzame za stvar, ki mu je pri srcu. V Vašem pismu je nekaj zdravih misli, marsikaj pa ste povedali preveč pristransko. Motite se, ko pravite, da katoliško časopisje misli, da je sama vera dovolj velika pomoč v delavskih zadevah. Tudi to nikakor ni res, da bi v katoliških listih in časopisih ne našli drugega ko pisanje o veri. Poznam veliko katoliških listov in časopisov med nami v Ameriki, zlasti v angleškem jeziku, ki se zelo na široko in na globoko bavijo z delavskim vprašanjem. Zavedajo se, da je to njihov poklic. Saj jim papeži sami dajejo to nalogo, posebno sedanji papež Pij XI., ki je sam spisal in poslal v svet več takozvanih enciklik, v katerih se bavi z delavskim vprašanjem tako na globoko, da bo ostal v zgodovini zapisan kot največji delavski papež poleg svojega slavnega prednika Leona XIII.

Ta dva papeža nikakor nista

misli, da je s samo vero že vse pomagano. Verska načela se ne nanašajo na samo molitev in pobožnost. Pa saj Vam mora biti znano, kakšni so nauki, ki gredo po svetu v imenu vere. Moli in delaj, pravi eden. Pomagaj si sam in Bog ti bo pomagal, govori drugi. Ljubi bližnjega kakor samega sebe, se glasi tretji. In tako dalje. Sploh je ves Kristusov nauk od začetka do konca socialen nauk in lahko rečemo — naravnost delavski nauk.

Morebiti je res v naših slovenskih katoliških listih premalo pisanja o teh zadevah. Lahko bi ga bilo več, ne rečem, da ne. Toda tega menda vendar ne želite, da bi katoliški listi začeli uganjati demagogijo in kar naprej hujskali delavca zoper druge stanove ter podžigali takozvano "razredno zavest" delavstva? Tega gotovo z mano vred ne verjamete, da bi ne bilo nikjer drugje pomoči delavskemu stanu kot edino v končnem cilju socializma, v "diktaturi proletarijata"? Ali mislite, da so samo tisti listi "delavski," ki samo o teh rečeh govorijo?

Poglejte po svetu in se vprašajte, kako je delavsko vprašanje "rešeno" v tistih krajih, kjer so socialisti in komunisti dosegli svoj cilj.

Vse drugo nima pomena, pravijo, treba se je boriti edino za večji kos kruha. O tem lahko berete dolge dopise v takozvanih naših "delavskih" listih. Toda vprašanje je, če z večjim kosom kruha pride res tudi večja zadovoljnost v delavski vrste. Gotovo je, da je tudi po krščanskih načelih treba skrbeti za večji kos kruha, ali to še davno ni vse. Iz Vašega pisma spoznam, da ste prišli tudi Vi iz starega kraja in torej gotovo veste, kako velika je razlika med položajem delavstva v starem kraju in tu v Ameriki. Ako bi prišel kak starokrajski delavec, recimo tam iz Trbovelj, na obisk k svoji mu tovarišu sem v Ameriko, bi se mu ameriški tovariš zdel vse preveč gosposki za proletarca. Naj bi samo pogledal po hišni opravi ameriškega tovariša, posebno pa v njegovo kuhinjo in na mizo. Kakšna razlika!

Ne mislite, da s tem hočem kaj očitati. Bog da našim delavcem še več teh časnih dobrot. Ampak point je v tem, da hočem vprašati: Kje ste našli več notranje srčne zadovoljnosti med delavstvom — tam doma ali tu? Gotovo so izjeme na obeh straneh, ampak v splošnem je tako, da človek ni nikdar zadovoljen, pa naj še toliko ima, ako mu je v mislih in besedah samo to, kako bi si izboljšal gmotni položaj.

Vzemimo samo eno praktično primerko. Kako so v starem kraju delavske družine skrbno gojile svoje vrtničke za hišo, kjer so bile tako srečne, da so jih sploh imele. Vsak košček je moral biti zasajen z zelenjavo, cveticami in tako dalje. Ali ste opazili tu, zlasti med mlajšimi, kako jim za primeroma krasno hišo leži precej velik "yard" zakopan v plevel? Niti solate, niti peteršilja si ne goje. Vse mora iz "štor" v kuhinjo, ker je — ceneje! In denar mora biti poleg tega za

sto drugih reči, ki njihovim delavskim tovarišem po svetu niti na misel ne pridejo. Ako ga ni, je tarnanja in pritožb nad slabimi časi na koše.

To je ena primera, kako se lahko zaide, ako si domišljujemo, da je delavsko vprašanje samo vprašanje želodca. Želodec je simbol komodnosti. Ako je delavsko vprašanje samo vprašanje komodnosti, povejte, če morete, kje je rešitev delavskega vprašanja! Svet je vedno bolj poln novih iznajdb in izumov, vse to mnogo bolj za komodnost telesa nego duše. Kar danes pomeni nekaj velikega, bo v kratkem šlo med staro šaro.

Duševne dobrine so nekaj stalnega. V iskanju in najdbi duševnih dobrin je rešitev problemov za marsikak stan, tudi za delavski stan. Potrebe človekove duhovnosti so prve. Kdor teh ne pusti iz oči, ne bo pretiraval in se zaletaval v skrajnosti. Je pa dandanes takoj na svetu, da človekovo duhovnost skoraj samo vera še goji. In v prvi vrsti katoliška vera. Kjer ne vpoštevajo vere, zdronejo v samo telesnost, materialnost — želodec, kos kruha, good time... Zato morate priznati, če stvar dobro premislite, da se s pisanjem o veri in verskih rečeh tudi — čeprav ne samo s tem! — jako dobro rešuje delavsko vprašanje.

lahko še imenitna pevka, taka je bila sodba vseh, ki so jo slišali.

Nekaj izrednega smo videli pri tej poročni slavnosti, namreč, da je nevesta s svojim spremstvom sama šla do oltarja in ondaj je sprejel ženin, bil je jako lep prizor. Tovariši ženina so bili: Albert in Joseph Skul, brata dvojčka in Frank Živet, nečak neveste. Nevestine tovaršice so bile: Elizabeth Živet, sestra neveste, Lucille Živet, nečakinja in Frances Skul, sestra ženina. Cerkev je bila lepo okrašena in velika udeležba prijateljev in znancev pri poročni sv. maši je pričala, kako čislana in priljubljena sta ženin in nevesta v naši fari. Ženitovanjska svatba se je vršila na domu staršev neveste ob veliki udeležbi domačih od obeh družin in sorodnikov ter raznih odličnih gostov. John Živetzva kakor tudi Skulova družina uživajo splošen ugled in spoštovanje v naši naselbini, kakor tudi med drugorodci v Jolietu radi njih aktivnosti na civilnem, društvenem in narodnem polju in povsod, kadar gre za korist naše fare in čast naselbine. Upamo, da bosta mlada novoporočena tudi v bodoče sledila zgledu svojih staršev v narodnem in verskem duhu.

Iskrene čestitke novemu zakonskem paru izraža tudi poročevalec. Božji blagoslov in sreča mila naš Vaju spremlja do konca dni Vajinega zemeljskega življenja!

Istotako želi poročevalec vsem ostalim ženinom in nevestam v naši fari. Kakor sem čul v cerkvi oklice predzadnje nedelje, 12. septembra, jih je zopet kar sedem parov na pot v zakonski stan, in zgleda, da je po dolgem času tudi v tem

oziru depresija minula in so nastopili lepši časi tudi za naše farno življenje.

Na obisku med rojaki v Bridgeport, O.

(Piše M. Hočevar)

(Nadaljevanje.)

Pohvalno moram omeniti, da se tudi naši rojaki jako zanimajo za svoj društveni dom na Boydsville, ter so mnogo žrtvovali, da so ga v zadnjem času moderno prenovili in izboljšali, kar dela čast društvu, ki ga lastujeta in vsem Slovincem v bridgeportski naselbini. V splošnem Slovenci tam na društvenem polju složno skupaj delujejo ter imajo lepe uspehe pri raznih prireditvah in pričakujejo še boljših sedaj ko imajo moderno urejene prostore. Le tako naprej, v slogi je moč in uspeh!

Zlasti me je pa veselilo videti, kako se poleg starejših članov in članic tudi mladi vrlo zanimajo za društvo sv. Barbare št. 23 in sv. Ane št. 123 KSKJ. Vsi so ponosni na svoja društva in na KSKJ. In prepričan sem, da je obstanek in napredek društvu sv. Barbare in sv. Ane tudi v bodoče zagotovljen. Društvo sv. Barbare št. 23 je najstarejše društvo v tamošnjem kraju, ustanovljeno je bilo v letu 1895 in posluje že nad 42 let; bilo je tudi prvo društvo v državi Ohio, ki je pristopilo h KSKJ. Kakor oba društva tako je tudi KSKJ, splošno čislana tudi pri drugorodcih. Od več tuje-rodnih znancev sem čul pohvalo, da je KSKJ. najbolj točna v plačevanju smrtnine in raznih podpor, kar je gotovo častno priznanje za KSKJ. In gl. uredniki, osobito za br. Zalarja, gl. tajnika in br. L. Železnikarja, gl. blagajnika, ki to delo vršijo.

Ker je bil med nami tudi rojak Jos. Papesh iz Joliet, ki še ni videl kako se premog koplje, smo se z bratom Antonom neko popoldne podali v neki premogorov v bližini mesta Bridgeport. Vozili smo se kako miljo daleč pod zemljo, premogovnik so nedavno zopet odprli, zato ni bil vhod "Entrance" v posebno dobrem stanju, radi tega so švigali električni žarki od stroja, ki nas je vozil, na vse strani, kot bi se sam peklenšček peljal, vsekakor pa je bilo jako zanimivo, zlasti ko smo si ogledali prostore ali "rume" kako na novejši način sedaj premog pridobivajo. Ker že nisem bil 15 let v "jami," je bilo tudi zame marsikaj zanimivega za opazovati, tembolj pa seveda za Joca, ki je prvič v življenju videl kako se dela globoko pod zemljo.

Na dan 24. avgusta smo se pa namenili, da obiščemo naše sorodnike in državi Pennsilvanija. Brat Anton je prevzel vlogo soferja. Na potu tja smo se ustavili na zapadni strani mesta Wheeling, W. Va., na prijaznem romantičnem griču Mt. Carmel, kjer imajo sestre karmeličanke svoj znamenit samostan, krasna kapela je posvečena sv. Tereziji. V samostanu tukaj hranijo truplo sv. Pavle, mučenice iz prvih časov kristjanov, ki je bila v to svetišče prepeljana pred kakimi 20 leti naravnost iz Rima. Ob istem času so se vršile tukaj velike pobožnosti in slovesnosti, katerih smo se udeležili tudi Slovenci, ter smo imeli priliko videti to mlado mučenico za sv. vero, ki leži v lepi opravi na krasni blazini s palmo v roki; bil je globoko ganljiv prizor, ki ga ne bom nikdar pozabil. Če svetnico še katerikrat pokazati to mlado mučenico za sv. vero, ki leži v lepi opravi na krasni blazini s palmo v roki; bil je globoko ganljiv prizor, ki ga ne bom nikdar pozabil.

Kakor vselej, treba bo tudi to nedeljo povedati po slovensko: Mi smo slovenske krvi in če hočemo, se lahko vedno postavimo. Če hočemo. To je ravno. Za programske točke slovenske je že poskrbljeno. Treba nam pa je predvsem slovenskih ob-

se pripravili v varstvo sv. Pavle, da nam izprosi stanovitost v sv. veri, kakor jo je ona imela, ko je dala svoje življenje za Gospodove nauke. S tega svetega kraja smo nadaljevali svojo pot visoko v hribe in smo v par urah srečno dospeli v mesto Washington, Pa., kjer živi naša sorodnica Johann Gregorčič, poročena Kraker. Po več letih je bilo svidenje nad vse veselo. S pravo domačo ljubeznijo sta nas sprejela in nam postregla, počutila sva se v veselji njih družbi kot v prejšnjih letih, ko je pri nas živela. Prav veselilo je naju, da ima dobrega, pridnega sorodnika in zalo, ljubko hčerko, in da se nahajajo vsi pri zdravju in v dobrem stanju. Tukaj smo se tudi pozdravili z našim starim prijateljem John Krakerjem in njegovo soprogo. Ker sva z ženo ob tej priliki želela obiskat tudi naselbino Finleyville, kjer sva bila ravno na ta dan pred 41 leti poročena v mali cerkvi v bližnjem Gastonville, smo se po kratkem oddihu v družbi naših sorodnikov proti našem cilju odpeljali in po kratki vožnji dospeli v označeno mesto. Koliko spominov se človeku obudi, ko po dolgi letih zopet vidi kraj, kjer je preživel nekaj mladih let. Čas je tudi tukaj napravil mnogo sprememb, cerkvice, kjer sva bila poročena ni več v Gastonville, pač pa smo videli lepo zidano cerkev v Finleyville, kjer je v tisti dobi ni bilo. Kot sem opazil tudi premogorovov ni več. V najuno presenečenje sva pa videla še hišo ob železniški progi, kjer sva nekaj časa živela, dokler se nisva preselila v drugi kraj. Na Hackettu se mi je zdelo, da še stoji Proštova hiša, kjer se je vršila najuna svatba. Prav rad bi bil prišel v dotiko s kakim rojakom in poizvedel, če še kateri tačasnih rojakov tam živi, pa žal, nam ni čas dopuščal se dalje muditi. Vsekakor sva bila vesela z ženo, da sva še enkrat videla kraj, kjer se je najuna zakonska pot pričela. V spominih na prijazne tačasne rojake in na blagopokojnega Father Jos. Zalokarja, ki smo tukaj skupaj nekdaj uživali vesele čase, smo se odpeljali nazaj v Washington, kjer smo se zopet dobro okrepčali, nakar smo se poslovili od dragih sorodnikov in se podali proti domu. Prav lepa hvala Edvardu in Johani za vso potrebo in prijaznost, ki sta jo nam izkazala kakor tudi Mr. John Krakerju in soprogi. Želim vama in hčerki vse najboljše in na svidenje v Jolietu. Prav žal mi je bilo, da ni čas dopuščal obiskati še moje stare prijateljke v Canonsburgu in Strabane. Pošiljam pa vsem tem potom vljudne pozdrave. (Konec sledi.)

PRIDITE NA NAŠ JUGO-SLOVANSKI DAN!

Chicago, Ill. — Pripravljani odbor ima veliko dela, da bo vse potrebno uredil za naš Jugoslovanski dan, dne 26. septembra v Armory Hall na 34. in Wentworth Ave.

Bratje Hrvati in Srbi pričakujejo od svoje strani obilno udeležbo, tako imajo vse niti razpredene, da se bo vse kar je jugoslovanskega, ujemalo. Pravijo naši bratje, kjer le morejo: Slovenci, to so ti pare. Ti najbolj znajo. Kadar je bilo kar narodnostnega, smo se v preteklosti res primeroma dobro odrezali. Da bi le še to nedeljo lahko rekli naši narodni bratje: tudi to pot so se Slovenci pokazali.

Kakor vselej, treba bo tudi to nedeljo povedati po slovensko: Mi smo slovenske krvi in če hočemo, se lahko vedno postavimo.

Če hočemo. To je ravno. Za programske točke slovenske je že poskrbljeno. Treba nam pa je predvsem slovenskih ob-

MIHAJLO PUPIN

PROFESOR ZA ELEKTROMEKANIKO NA COLUMBIA UNIVERZI V NEW YORKU

OD PASTIRJA DO IZUMITELJA

PREVEL PAVEL BREŽNIK

"To je orožje, katerim drže ljudje tvoje vrste ljudi enake meni v sužnosti," je dejal v šali neki dan in pri tem menil moje zanimanje za stroje v kurilnici in moje občudovanje velikih industrijskih začetnikov, kojih življenje sem študiral in kojih delo sem videl in občudoval na philadelphijski razstavi. Včasih se mi je zdelo, da se je vznemirjal radi tega, kar je imenoval moje občudovanje malikov, in da ga je to sililo, da stori vse, kar je bilo mogoče, da me spreobrne. Moje občudovanje njegove učnosti je bilo veliko, toda moje sočutje z njegovo nesrečo še večje. Nekoč ga je zagrabil stroj in je zbog tega postala večina njegovih prstov trda in zakrivljena, tako da so bili podobni jastrebovim krempljem. Ostre poteze, zakrivljen nos in izbuljene oči pa so ga napravljale še bolj podobnega jastrebu. Imel je tudi ploščate noge in je hodil nerodno, tako da je bil podoben jastrebu s polomljenimi krili ne glede na njegovo ostalo nesrečo, ki ga je tudi v duševnem pogledu napravljala za pohabljenega jastreba.

Zdelo se mi je, da je vedel mnogo več o pripetljajih z Jano, kot mi je hotel priznati. Ko sem nekoga dne govoril o njej, sem jo imenoval Minnehaha Cortlandt Streeta. "Minnehaha, smejoče se voda," je vzkliznil Bilharz, "odkod pa imaš to, ti kurilniški ščurek?" in smejal se je, kot da v svojem življenju nikoli ne bi bil slišal smešnejše stvari. "Od Jima, kurilniškega puščavnika, pa do Longfellowa, enega največjih ameriških pesnikov, je velikanski skok, salto mortale, kot ga imenujejo v cirkusu," je dejal Bilharz, potem pa je postal resnejši in zamišljen ter je pristavil: "Res, čudovito je, kaj vse zmorejo ženske oči. Podobne so zvezdam na nebu, ki nas uboge smrtnike navdušujejo, da stremimo v nebeske višave. Toda marsikatera raketa leti k zvezdam, a se ne nadoma znajde v blatu. Taka raketa sem jaz, ti pa ne, in zato se moraš zahvaliti pravčasemu posredovanju naklonjenega božanstva." Menil je Jima. Nato je predaval na svoj običajni dramski način v latinsčini Horacijevu odo, v kateri govori pesnik o mladčniku, ki je zaupal v žarki ob raz svoje izvoljenke, kakor zaupava mornar v solnčnem sijaju lahni valov mirnega morja, ki jih pa nenadoma razburka izdajalski vihar. Mornar se reši in hvaležno žrtvuje svo-

razom med občinstvom. Vsem rojakom so namenjena ta pisma te dni. Pridite v obilnem številu. Pri tej prireditvi ne gre toliko za vaš denar in osebnostni dobiček, gre bolj za stvar. Zaostati nečemo za drugimi, nočemo, da bi drugi s prsti kazali za nami: nočejo in ne morejo. Prostora je dovolj v Armory dvorani. Da bi se le vsi Slovenci odzvali našemu pozivu.

Kličemo, kličemo, kličemo. Zdj se pokaži slovenska beseda, slovensko ime, slovenski jezik!

Po programu bo igrala John Kochevarjev Merrymakers orkester. Nadalje bodo za lačne okusni prizgizki in za žejne hladno pivo.

Jos. Ziherte, predsednik; Jos. Kukman, blagajnik.

jo mokro obleko Neptunu, bogu morja. Ko mi je prevedel odo in razložil nje pomen, mi je svetoval, naj obesim svojo najboljšo obleko v kurilnico kot hvaležno žrtve Jimu, božanstvu, ki me je otelo iz izdajalskih valov "Minnehaha, smejoče se vode." "Ti si naj-srečnejši med smrtniki, dečko moj," mi je dejal Bilharz, "a nekoč boš vzbudil zavist bogov in temna Nemesis te bo zasledovala s svojo osvetlo." Tedaj sicer nisem popolnoma razumel pomena tega klasičnega namigavanja, toda Bilharz mi je dejal, da bom to nekega dne že še razumel. Rekel sem Bilharzu, da se imam zahvaliti za svojo srečo, o kateri je tako pogosto govoril, občevanju s tako učenim možem, kakršen je on, in da bi po mojem mnenju on moral biti profesor v Nassau Hallu na Princeton-skem vseučilišču. Odklonil je to čast, a mi predlagal, da pripravi mene zanj; in jaz sem to ponudbo sprejel.

Bilharz je bil zelo čemer in včasih več dni ni z nikomer spregovoril besede, celo z menoj ne. Saj se tudi nihče ni zanj zanimal, ker ga nihče ni razumel, samo jaz sem se brigal zanj. Ko je spoznal, da sem iskreno občudoval njegovo znanje ter se zanimal za njegovo čudno osebnost, je postal pristopnejši in včasih skraj človeški. Govoril je izborno angleško, zato sem ga vprašal za njegovo mnenje o svoji izgovorjavi. Z otroško odkritostjo mi je odgovoril, da govorim silno slabo, da bi pa lahko svoj izgovor izboljšal, če bi posejal kak večerni tečaj, kot mi je bila že svetovala vila na delawarski farmi. "Tako pohabljen kot sem, ne morem biti tvoja vila," mi je dejal in pri tem menil svoje skrivljene prste in nerodno hojo, "toda prav rad hočem biti tvoj satir ter te učiti ne samo glasov človeškega jezika, temveč tudi, če želiš, petja ptic v glasov žuželk. Satiri znajo to izborno." Vedel sem, da to lahko stori, kajti večkrat zvečer, če sem čital v zapuščeni tovarniški spalnici Mayflower-ski pogodbi, izjavjo nezavisnost Zedinjenih držav, ameriško ustavo, govore Patricia Henryja ali Daniela Websterja in Lincolnov govor v Gettysburgu, je Bilharz, če ni imel več veselja, da bi recitiral grške in latinske pesmi, posnemal glasove vseh vrst ptic in žuželk. To je bila njegova edina zabava in veselil se je, če je vedel, da ga nihče ne posluša; samo z menoj je napravil izjemo. Slednjič sva začela s poukom, ki ga je imenoval pripravo za Nassau Hall. Ni še potekel mesec in že sem predaval Bilharzu izjavo nezavisnosti Zedinjenih držav, ameriško ustavo in Lincolnov govor v Gettysburgu. (Dalje prihodnjik.)

Posebne navade nekaterih
znanih Amerikancev

James A. Farley, generalni
podatni mojster ne pije nobene
alkoholne pijače in tudi ne ka-

prežvekovalnega gumija, kate-
rega porabi po 5 zavrtkov dnev-

da svoje ime podpiše vedno :
zeleno tinto.

Walter P. Chrysler, avtomob-

Henry Morgenthau Jr., za-
kladniški tajnik Združenih dr-
žav je hotel nedavno pogostiti
skupino žogometnih igralcev,
pa je bil brez cvenka. Da je
račun plačal, mu je nekdo po-
sodil potrebno svoto. Tudi
Henry Ford, multimilijonar ni-

sebi.

Karitonist in risar **Arthur

riše v zmedenosti slike živali,

mačk ima ta umetnik doma

ZABAVNI KOTIČEK

CIBROVA
ŠPELA

Zadnje dni sem bila pa že
tako bizi ali zaposlena, da že
dolgo ne tako. Med volilci 23.
varde tukaj v Klevelandu sem
namreč nabirala podpise za ne-
kega kandidata, ki je povsem
uverjen, da bo zmagal letos v
novembru pri kancel manskih
volitvah, saj je že obljubil ne-
kemu listu tavitent dolarjev let-
ne podpore ako zmaga. Pravi,
da je \$3000 nove plače na leto
zanj malo preveč. Tako bo
morda tudi meni kaj odšel?

ako pride do tega stolčka. Me-
ni je vseeno kaj delam, samo
da se kaj zaslužim; araven tega
se pa držim že gesla: Svoji ki
svojim! Vseeno se pa malo
bojim, da ta račun ali baran-
tija na medvedovo kožo ne bo
dobro izpadla.

Glede tega sem imela ono
soboto še en sličan slučaj: Bi-
la sem pri našem znanem mo-
stru cvetličarju Slapniku Sr-
če ima kaj kranjskega rožma-
rina in roženkravta za mojo
novo sobico. Obljubil mi ga je
za Miklavža. Tam je sedel
tudi znani šenklaški Polde,
ki je delal neke skopce in pa-
sti. Na moje vprašanje mi je
omenil, da pojde kmalu na lov
na dihurje, jazbece in veveri-
ce na neko farmo v Šardon in
da bo nalovil toliko dihurjev,
da jih bo dosti za mojo zimsko
suknjo ali kožuh. O, seveda,
taki kožuhi, katerim pravijo
Amerikanci "skunk," so precej
dragi.

Tako se mi je Poldetova po-
nudba dopadla, da sem ga ta-
koj peljala v Šornov restav-
rant, pa sem ga tretala s tremi
bateljni Liza ječmenovca, jaz
sem pa spila eno Koka Kolo.
Pila sva torej likof na dihur-
jevo kožo.

Ker sem že pri volitvah, naj
tukaj navedem neko lušno pes-
mico iz nekega ljubljanskega
tednika, ki se glasi:

POSLANEC

Bliža se volitve čas,
domovina kliče vas,
da izberete moža
za poslanca, kot sem jaz.

Komur je za službo mastno,
ta naj zame glas odda,
jaz mu obljubim častno,
vse dobil bo, to naj zna!

Komur je za javna dela,
ta naj zame glas odda,
nihče več ne bo brez dela,
vse dobil bo, to naj zna!

Davek šteješ zdaj težko,
vse birič na boben zene,
toda izvolite mené,
—davek trikrat manjši bo!

Hočete li novo cesto?
Dobro! Kar volite me.
Jaz imam neke za cesto
shranjenih milijonov dvesto.

Hočete li kje podpore?
Jaz lahko jo preskrbim!
Vi pa dajte mi opore,
da kak stolček kje dobim.

Komur je za boljše čase,
ta naj zame glas odda,
v rokah bom imel vse kase,
polne samega zlata!

Včeraj sem prejela od neke-
ga Mihata Podpiha iz Volkego-
na pismo sledeče vsebine:
Ljubljena Špelica:

Vem, da so Te Tvoje prija-
teljice iz Barbe Tona razžali-
le, posebno pa še ona Marička
in Johanca. Pa si ne beli glave
zato! To je sama fofšija, da
bi jim kakega zauber Barber-
tončana ne izpeljala.

Prvič ko sem zagledal Tvo-
jo sliko v listu, sem kar od ve-
selja poskočil. Vem, da se
me morda še spominjaš, ko si
bila za kuharico pri Figabirtu
v Ljubljani, jaz sem bil pa za
ta velikega hlapca v štali. Ali
Ti nisem nekoč kupil židano
ruto za god in pa lecta? Se-
veda, Ti si se me bolj branila,
ker si imela že nekega drugega
na piki. Pa nič za to! Zdaj
je zopet čenč. Jaz sem Miha
Podpiha doma iz Širij, saj sva
se tudi tam enkrat na žegna-
nju videla. Jaz sem se že na-
veličal pečlarskega stanu, pa
Te kar tukaj vprašam, če me
hočeš. Pri meni Ti ne bo tre-
ba več žajfe prodajati. Jaz
imam jako lušno pečlarsko
kajžico vse plačano pa tudi do-
sti denarja v naši slovenski po-
sojilnici. Za zabavo hodim na
jago in lovim ribe, pa bom še
Tebe navadil kako se strelja
divjačino. Zdaj redim doma
tri srebrnkaste lisice, katere

bom na zimo s kože djal in Ti
dal narediti lep kožuh, kakor-
šnega nima nobena milijonarka
v Ameriki. Samo to te pro-
sim: Tisto čudno kikeljco sle-
ci, pa kako lepo rožasto obleci,
pa klobuk na glavo s perjem
pava, da bom vedel, da si ta
prava!

Vse kaže torej, da bom ima-
la za letošnjo zimo nov kožuh,
pa naj si bo že iz dihurjevih
ali pa lisicjih kož.

V onem ljubljanskem listu
je bila priobčena tudi nastop-
na pesmica, ki opisuje veselice
v starem kraju:

VESELICA

Polnoč ura s stolpa bije,
zdaj za mir bi bil že čas.
Toda, kje pa nekdo vpije,
kaj pa se godi pri nas?

Tam pri "Žalostni Marjanci"
je nocoj še vse živo,
menda neki se pijanci
tam prerekajo, tepo?

Mož si vina še natoči,
žena spravlja ga domov.
"Ljuba ženka, nič ne joči,
pij na zdravje vseh bogov!"

V kotu nekaj čudno škriplje,
to bo menda muzika.
Doli Nace na vse kriplje
meh svoj stiska in rahlja.

Tam vrti se mlada tropa,
vsem mudi se nekam res,
vsak po tujih prstih stopa,
temu pravijo pa — ples.

Zdajci temno noč preseka
glasen vrisk in "auf!" nato,
vse kriči že in vse teka;
kri bo tekla — nič zato!

V bolnico so jih peljali,
nekaj v keho ričet jest,
drugi, kajpak, so zbežali,
ujeli so jih samo šest.

Jaz pa brž povprašam strica,
kaj je prav za prav bilo.
"Krivček, to je veselica,
ti lahko bi vedel: to..."

Pozdrav! C. S.

Explains Fraternal Societies Subject to Social Security Act

The Fraternal Monitor reports:

The following letter has been sent out by Secretary Hyman D. Landy of the Colorado-Wyoming State Fraternal Congress to its affiliated societies to clear up some of the misapprehension that seems to exist relating to the operation of the Social Security Act as it applies to fraternal benefit societies:

Many of the constituent members of the Colorado-Wyoming State Fraternal Congress and numerous fraternalists throughout the country are laboring under an erroneous impression that fraternal benefit societies are not subject to the operation of the Social Security Act. Accordingly, they have totally disregarded the provisions of the act, and have failed to file returns and pay taxes in compliance therewith, in the belief that they were exempt.

Positive Ruling Is Made

Ralph A. Nicholas, collector of internal revenue, has just obtained a positive ruling from the Treasury Department at Washington, D. C., on the question that fraternal benefit societies must file returns under the Social Security Act, and pay the taxes in order to avoid possible penalties.

H. D. Landy, secretary of the Colorado-Wyoming State Fraternal Congress, has examined the rules and regulations of the Internal Revenue Department and studied the problems confronting the fraternal beneficiary societies in connection with the Social Security Act. He has also taken up some of these matters with the Internal Revenue Department, with the hope that he might be of some assistance to the members of the congress.

The Department of Internal Revenue has definitely held that fraternal benefit organizations as such, are not considered to be organized and operated exclusively for one or more of the purposes specified in Section 811 (b) (8) and 907 (c) (7) of the Social Security Act. Accordingly, the parent organization and its employees, and the local subordinate bodies and their employees, are liable for the taxes imposed under Title VIII of the Social Security Act. The liability of each subordinate body is to be determined separately and without regard to the liability of the parent organization. Each local subordinate body is considered a separate unit under the ruling and must file separate returns. The parent organization cannot file returns for the subordinate bodies under its jurisdiction, although it must make its own independent return.

Should File at Once

If the parent organization and affiliated subordinate bodies have not filed employer's application for identification numbers on Form SS-4, they should do so at once; and, if employees of parent organizations and of local subordinate bodies have not filed applications for account numbers with respect to other employment,

each such employee should file an application for an account number on Form SS-5; otherwise they may be subjected to penalties provided for by the act.

Under Section 1101 (a) (6) of the Social Security Act, the relationship of the employer and employee exists between the Society and its officers. The nature or duration of the services which may be required of an individual in his capacity as an officer or the fact that services may be required of an officer only in the event of circum-

The Man of Wisdom

A wise man is one who has a correct conception of what he should know and knows how to appraise his deeds and his manner of thinking by the standard of eternal values. He understands how to fashion his life in a way worthy of that conception. A wise man differs from a learned man in this, that added to his knowledge of much, he knows practically how to apply his knowledge for the better guidance of his own life and that of others. To be wise one must have an opportunity of acquiring knowledge

SCHOOL CHILDREN NEED CLOTHING

Cleveland, O.—The need for clothing for school children is urgent and immediate. Right now at least 15,000 school children cannot continue in school unless clothing is provided within the next few weeks. Several hundred more cannot start to school at all until they are entirely outfitted. Supplies at the different social agencies are mainly for adults or are summer garments inadequate for fall weather. Of shoes, stockings, underwear, and boys' trousers there are none at all with only a few coats, girls' dresses, overcoats and sweaters on hand. Relief funds available to the city of Cleveland are totally inadequate for food and shelter and can in no way be stretched to cover clothing.

You can help by donating any kind of warm garments in good wearable condition, for children from 5 to 16. Children's shoes and stockings are urgently requested.

Clothing may be left at the Associated Charities Sewing Center, 2525 Euclid Ave., rear; Salvation Army, 2304 E. 9th St.; Goodwill Industries, 2416 E. 9th St., or at any neighborhood relief branch, at the stage door of the Public Auditorium, E. 6th St., or at fire stations.

For truck, telephone Associated Charities, MAin 8560; Salvation Army, CHerry 6934; Goodwill Industries, CHerry 7115.

Constitution Sesquicentennial Brings To Mind Two Noted Catholics

Washington, D. C.—The announcement of the U. S. Constitution Sesquicentennial Commission that on Sept. 17, the anniversary of the signing of the Constitution, the graves of the signers and other deputies who attended the convention in Philadelphia 150 years ago will be decorated, calls to mind the fact that two of the signers to this notable document were Catholic patriots of the Revolution—Daniel Carroll of Maryland and Thomas FitzSimons of Pennsylvania, both influential personages in the founding and building of the new republic.

Pitt Boosterets Issue Call for Bowlers

Pittsburgh, Pa.—The bowling season is here again and the Pitt KSKJ Booster Girls are anxious to start rolling those balls down the alleys with an eye for strikes and spares that are so helpful in piling up a neat score.

In order that we may get together and arrange a schedule and outline a program of bowling which will be satisfactory to all, all bowlerets are asked to be present on Tuesday, Sept. 28, at 8:15 p. m. in the Lawrenceville Recreation Alleys, 53d and Butler St.

All girls who have bowled with us in previous years are cordially invited to join us again this year and to show the new girls some of the tricks of bowling and also the bowling outfits which were purchased for the girls last season.

Stephany Eulert, vice president of the league, was in charge of securing the outfits, and she is to be commended for her selection.

Nothing has been decided on, as yet, regarding the evening that would be preferable for bowling, nor any rules or regulations. We are leaving this up to you to decide when you come to the bowling alleys Sept. 28. Join us and bring a friend along. The only requirement is, as usual, that you are a member of the KSKJ.

Try to think up some good ideas which you can bring up before the group which you think would help to increase the interest in bowling among the girls. We have always had a grand group of girls, but we are always anxious to increase our number.

Let's all meet and arrange a program which will tend to make at least one of the evenings of the week, during the long winter months, enjoyable and happy for ourselves.

We have been bowling now for a number of seasons and each year we have tried to better our program and we are sure that this year you girls will be able to make up a program which will exceed all others.

We will be very pleased to have a number of new girls join our bowling group this season. The girls from the North Side of Pittsburgh are especially invited.

Let's meet at the bowling alleys.

Frances Lokar.

Daniel Carroll was born in Upper Marlboro, Prince George County, Maryland, July 22, 1730, the son of Daniel Carroll of Marlboro and Eleanor Darnall. Educated abroad, he was 20 years old when his father died, leaving six children: John, who became the first Bishop and Archbishop of Baltimore; Ann, who married Robert Brent, whose son, Robert, became the first mayor of Washington, also Mary, Eleanor and Elizabeth.

Daniel led the life of a country gentleman, and aided financially the patriotic cause throughout the war for independence. From 1780 to 1784 he served as a member from Maryland in the Continental Congress and was a delegate from Maryland to the Philadelphia convention, May 14 to Sept. 17, 1787, which framed the Constitution of the United States. On his return to Maryland he argued for its adoption by that colony, declaring the instrument to be "the best form of government which has ever been offered to the world." For four years, in the new Congress under the Constitution, Carroll represented his native state, from 1789 to 1791.

Gave Land for Capitol

He was next appointed one of the first commissioners to lay out the capital city, resigning from that post in 1795. An extensive land owner, both in the vicinity of Forest Glen, Md., and in what is Washington, he deeded a portion of his land for the site of the capital building.

Early in Gen. Washington's second year in the presidency, Daniel Carroll and three other laymen presented him with "an address from the Roman Catholics of the United States," felicitating him and pledging their loyalty. Most biographical sources indicate that Daniel Carroll died in 1796. He is buried in St. John's Catholic Cemetery at Forest Glen, Md., on the outskirts of the capital city, which he helped to establish.

Thomas FitzSimons, the only other Catholic signer of the U. S. Constitution, was born in Ireland in 1741. He came to America some years before the war for independence. In 1763 he married Catherine, daughter of Robert Meade, a prominent merchant in Philadelphia, and entered partnership with her brother, George, himself a successful merchant and shipowner of Philadelphia. It was this firm of George Meade & Co. which supplied the money for provisions for Gen. Washington's troops. Thomas FitzSimons was commissioned to a captain in the state militia and served in the defense of the approaches to Staten Island. He participated in the battle of Princeton and was held in high esteem by Washington.

Elected to Congress

In 1782 FitzSimons was elected to the Congress of the Confederacy, and in 1787 was a delegate to the convention which framed the Constitution. He was elected a member of the first Congress of the United

224 MEMBERS PER MONTH IS AVERAGE

The current KSKJ Women's Equal Rights Campaign has not been suspended as might be the inference from the lack of reports in the Our Page. On the contrary, campaign workers are going about their work and doing a splendid job.

The recent report as of Aug. 31 shows 1,122 members were enrolled since the inception of the drive April 1, an average of 224 new members per month. Of the total 615 are adults, 507 juveniles.

In last month's work 187 were enrolled, with Sister Likovich's section contributing 72, while Sister Hochevar's territory enlisted 71. Sister Gorishek's field added 44.

Leading the drive for general results is Sister Hochevar's unit with an addition of 415, followed by Sister Likovich with 402, and Sister Gorishek with 305.

The units, as outlined at the start of the campaign, are assigned to three women Supreme Board members.

FOR GOD, HOME AND COUNTRY.

By FATHER KAPISTRAN

O. O. McIntyre, among other things, recently said: "... at any moment television is liable to burst upon the world—with all the suddenness of radio—and that will put something of a crimp in the movie patronage."

Such a sentence cradles thoughts of future fruits.

Movies may buy up television to prevent its popular market. Movies over the radio would keep folks at home and thus become a factor in rebuilding the Christian home and family.

A paragraph would be added to moral theology text-books reminding us that Holy Mass heard and seen over the television does not satisfy the obligation of assistance at Mass.

New words will fatten our dictionaries. Producers will regret that the word "telescope" is already engaged.

Fashions will change more rapidly and more often than at present. Ladies today copy movie actresses weeks and sometimes months after the stars have been filmed. Henceforth, Mazie on the farm will see what Marlene Dietrich is wearing in Hollywood at 2 p. m.; and before 3 p. m. Mazie will have bought herself the same frills.

This will speed textile markets; start a new C. I. O. problem and strike. It will also keep Mazie's father broke financing the seven-gowns-a-week schedule.

New relations, exchanges, business knots, suits, trials, evidences in court, modes of advertising, and copyright problems will arise.

Couples seeking divorce will arrange television evidence. A husband will let himself be seen rubbing noses with a strange woman. A court trial will prove he wasn't merely acting. The public will pay the court costs. The radio officials will begin making new rules about who may or may not tele-vi-dramatize. Also how, if, and when.

Imagine the new plots, in life and novels, that will arise. Gangsters will give tip-offs by television winks. Gang-busters will broadcast illustrated clues. Goo-foo, the Hindu, will hypnotize his victims over the radio by his looks. Add: television romances and sacrilegious television weddings.

Is there a moral? Yes, there is.

Material science is multiplying its products by hundreds. The spread of religious safety-valves is multiplying only by twos.

Television will create hundreds of new temptations, hundreds of new occasions to sin, hundreds of new ways to cheat, lie, quarrel, sue, misunderstand. It will also give birth to new reasons for neglecting God.

Destroy television?

No. The Catholic Church did not produce blue laws and prohibition.

No. We must, by increasing our knowledge of the faith and by increasing our self-control through religion, prepare ourselves to solve and withstand these problems before television destroys US.

stances which, seldom, if ever, occur, is immaterial.

The amount, measure, method, or designation of remuneration, payable to any such officers or the fact that the officer does not receive any remuneration, is also immaterial. Such an officer is considered to be in the employ of the society on each of the calendar days during the period in which he holds office. Section 811 (a) of the act provides that the term "wages" means all remuneration for employment, including cash value of all remuneration paid in any medium other than cash. Thus, if any of the officers of the local subordinate bodies receive remuneration in anything other than cash, such as a remission of an officer's lodge dues, such dues constitute "wages" within the meaning of Title VIII of the act at the time such dues are credited. Therefore, in making the returns, all officers must be counted as employees, even though they do not draw any salaries, but merely receive a remission of dues, as such dues are taxable as wages.

Title VIII of the Social Security Act, commonly called "The Old Age Benefit Tax," imposes a tax on every employer and employee without regard to the number of employees, if one or more, and further there is no provision which exempts part time labor. The employees' tax is measured by the amount of wages actually or constructively received on and after Jan. 1, 1937, with respect to employment on and after such date. The tax on the employee is collected and reported by the employer together with the tax paid by the employer. On and after Jan. 1, 1937, the employers must pay a tax of 1 per cent on wages paid and an employee must pay a tax of 1 per cent on wages received. These percentages are to increase during subsequent years to a total of 3 per cent for each by 1949. Returns are due and payable monthly at the office of the Collector of the Internal Revenue on Form SS-1 and taxable

EDUCATION

All of us look forward with some degree of expectancy to success. We visualize ourselves standing on the top rung of that ladder that is so difficult to climb—every step is an obstacle to get over, a trial to surmount, a temptation to over, come. And, yet, many of us scorn one of the biggest stepping stones to the threshold—Education.

Think of an education that has taken ages of tradition and research to build. It is given to us as a shovel, sometimes as a prod, and then again as a means of defense against those unforeseen dangers that make every journey a hazard.

That shovel was sharpened by the wit of ancients who used tradition as their Mercury to carry their beliefs and knowledge from generation to generation; it was strengthened by the research of scientists and by the experience of mankind.

And just because this tool is so sharp and strong we can use it to help others complete their ladder of success; and finding the rock of our path, softened, we can mould our stairway with more ease and beauty, to lead us straight up to the Mansion prepared for us in Heaven.

Lorraine Kalcic, in Hail Mary.

Where thou hast honors due, hard by Obedience stands, and chastity. —Aubrey De Vere.

THE PATRONESS OF CATHOLIC UNIVERSITY

(Continued from page 7)

To be truly wise one needs the help of God.

The Seat of Wisdom

Mary Immaculate, the Patroness of our Catholic University, should be our model and our aid in the pursuit of wisdom. She had the greatest Master of wisdom as her Teacher and she had the best mental capacity for that wisdom. For thirty years she enjoyed the company of Him in Whom are all the treasures of wisdom and knowledge. She kept in her heart and pondered the words that flowed from the fullness of the heart of Christ. To no other were more opportunities of acquiring wisdom afforded than to the Mother of Christ. God indeed spoke to Moses more intimately than to any of the prophets, but this intimacy was little in comparison with that accorded the Mother of the Word Incarnate. No Apostle was so intimately favored as was she to whom they looked to supplement the knowledge they had from contact with the Master. Not only did Mary have the most unique chance of gaining divine wisdom, but she had, of all the children of men, the mind most fitted to understand the things of God. The innocence that was hers because of her Immaculate Conception and the sinlessness that was hers through life placed her at the very head of all the wise as Queen of Prophets and as Queen of Apostles.

Our Guide and Help to Wisdom

Truly does Mary Immaculate merit the title "Seat of Wisdom." Full of grace and intimately associated with the Incarnate Wisdom, prepared by purity surpassing that of angels, her intellectual and volitional faculties undulled by the weakness of sin, she stands without a peer. To her we must go as to the Seat of Wisdom to achieve true knowledge, understanding and wisdom. In this pursuit there will be many perplexities. The problem of life is so much involved in intricacies. Even in the natural order there are so many things that are mysterious. The ways of God are not always our ways and our finite minds cannot comprehend the infinite. We do not at times even understand our very selves. Talented though we may be, we meet with many handicaps in the way of learning. Virtuous though we may be, there are obstacles to be surmounted. To our Patroness, the Immaculate Virgin, we can go with confidence and she will not fail us. Learn from her example how to learn the wisdom of her Son. Ask her to aid you in the pursuit of learning that you may be wisely enlightened by Him Who is the Way and the Truth and the Life.

CHANGE MEETING DATE

Waukegan, Ill.—St. Anne's Society, No. 127, has changed its regular meeting date to the fourth Sunday of every month at 2 p. m. in the school club-rooms. The next meeting will be held Sept. 26. This change follows the usual procedure of the lodge in changing the meeting date during the summer months.

Honor is like the eye, which cannot suffer the least impurity without damage. It is a precious stone, the price of which is lessed by a single flaw. —Bossuet.

When honor comes to you, be ready to take it; but reach not to seize it before it is near. —John B. O'Reilly.

OUR PAGE COOKING SCHOOL

By FRANCES JANCER

The blue grape season is almost here. Many a housewife will find a demand for recipes and methods of using a surplus of blue grapes. It is hoped that the following will come in handy.

Grape Juice (Cooked)

Use clean, well ripened but not over-ripe grapes. Pick over and wash grapes. Place in kettle, barely cover with water and boil until seeds are free. Strain through cheesecloth bag without squeezing. Measure the juice and replace on fire and bring to a boiling point. Add one-half cup sugar to each quart of juice and let mixture boil five minutes. Pour into hot jars and seal immediately.

Grape Jelly (Without Cooking)

Take very ripe grapes; stem and wash; mash slightly. Place over a slow fire until all the juice is extracted. Strain off the juice and to 2 cups of boiling juice add 3 cups of sugar. Leave on fire only until sugar is thoroughly dissolved (perhaps two minutes). Pour into jelly glasses and cover with paraffin.

Grape Tarts

One cup grapes, 1 cup sugar, 1/2 cup grape juice, 1 teaspoon cornstarch, 1 cup whipped cream, pie dough.

Cover inverted oval patty pans or muffin tins with pie dough, and prick thoroughly with a fork so it will keep its shape. When baked a delicate brown, remove from the pan, and fill with grape mixture, made as follows:

Make a syrup by boiling together sugar, water and grape

States, serving on the important committee on ways and means. He was re-elected to the second and third Congress, and was one of the first to advocate a protective tariff system. In 1790 FitzSimons, with his co-signer of the Constitution, Daniel Carroll, was one of the committee which presented President Washington with the address of congratulations from the Catholics of the new republic.

In the cause of Catholic education, Thomas FitzSimons was a liberal donor. With his brother-in-law, George Meade, he assisted materially in obtaining subscriptions for the establishment of Georgetown College. In life, FitzSimons was ruined financially by the speculations of Robert Morris. But, still held in high esteem by his fellow merchants, he was elected president of the Philadelphia Chamber of Commerce in 1809. He died in 1811 and was buried in St. Mary's Catholic Cemetery, Philadelphia.

juice. Moisten the cornstarch to a smooth paste with a little cold water and stir in as a thickening. Remove seeds from the grapes and put the grapes in this syrup. Simmer until the grapes are soft and syrup is thick.

At serving time, fill the shells with this filling and top each one with whipped cream and a single uncooked grape laid open in halves. This recipe will serve 6 to 8 tarts.

Spiced Grapes

Seven pounds of grapes, 4 pounds of sugar, 1 quart mild vinegar, 1 tablespoon cinnamon, 1/2 tablespoon ground cloves, 1/2 teaspoon white pepper.

Pulp the grapes; and cook gently till the seeds are separated. Rub through a sieve; and add the skins, sugar and vinegar. Cook an hour and a half or until the skins are tender. Add the spices; and cook ten minutes. Seal in hot sterilized jars while still boiling hot.

Grape Pie Parisian

Three cups grapes, 3/4 cup sugar, 1 tablespoon flour, 1 egg, rind 1/4 lemon, 1/2 teaspoon cinnamon, pie pastry.

Remove the skins and seeds from the grapes. Steam the pulp for 20 minutes, in the top of a double boiler; and rub through sieve. Combine this pulp with the skins, the sugar, flour, the egg, well beaten, the lemon and the cinnamon. Transfer to a pie plate lined with pastry; cover the top, lattice fashion, with narrow strips of dough, pressing the edges down securely; put in a hot oven, 400 degrees F., and bake for ten minutes. Then reduce heat to moderate, and bake 20 minutes longer.

Grape Mallobet

Twenty marshmallows, 1 cup grape juice, 1/4 cup orange juice, 2 tablespoons lemon juice, 1 tablespoon sugar, 1/4 cup egg whites.

Melt marshmallows in the grape juice, add other juices and set aside to stiffen. Add sugar to egg whites, whip them stiff and combine with juice mixture. Freeze in mechanical refrigerator tray without stirring.

Grape Juice Punch

Two cups water, juice of 2 lemons, juice of 1 orange, 1 cup of sugar syrup, 1 pint grape juice, crushed ice.

Squeeze the juice from the orange and lemons, and strain to remove the pulp. Add the water, grape juice and sugar syrup. Fill iced tea glasses 1/2 full of crushed ice and pour in the punch. Carbonated water may be used and makes this a delightfully effervescent drink. This recipe makes 1 1/2 quarts; increase as needed.

Sugar Syrup (for Punches)
Four cups boiling water, 4 cups sugar.

Dissolve the sugar in the boiling water and cook for at least ten minutes. Pour into hot sterilized jars, seal, and keep in the refrigerator to use when needed.

Grape Pie

Three cups blue grapes, 1 1/2 cups sugar, 1 tablespoon lemon juice, 1 tablespoon flour.

Separate grape skins from pulp, heat pulp until seeds are loosened, then press through coarse sieve to remove seeds. Combine pulp and skins, add lemon juice. Add flour to sugar, mix together, and add to grapes.

Line pie tin with pastry and pour grape mixture into it. Cover top lattice fashion with strips of pastry. Bake 30 minutes in a hot oven.

EDUCATION

All of us look forward with some degree of expectancy to success. We visualize ourselves standing on the top rung of that ladder that is so difficult to climb—every step is an obstacle to get over, a trial to surmount, a temptation to over, come. And, yet, many of us scorn one of the biggest stepping stones to the threshold—Education.

Think of an education that has taken ages of tradition and research to build. It is given to us as a shovel, sometimes as a prod, and then again as a means of defense against those unforeseen dangers that make every journey a hazard.

That shovel was sharpened by the wit of ancients who used tradition as their Mercury to carry their beliefs and knowledge from generation to generation; it was strengthened by the research of scientists and by the experience of mankind.

And just because this tool is so sharp and strong we can use it to help others complete their ladder of success; and finding the rock of our path, softened, we can mould our stairway with more ease and beauty, to lead us straight up to the Mansion prepared for us in Heaven.

Lorraine Kalcic, in Hail Mary.

Where thou hast honors due, hard by Obedience stands, and chastity.

—Aubrey De Vere.

THE PATRONESS OF CATHOLIC UNIVERSITY

(Continued from page 7)

To be truly wise one needs the help of God.

The Seat of Wisdom

Mary Immaculate, the Patroness of our Catholic University, should be our model and our aid in the pursuit of wisdom. She had the greatest Master of wisdom as her Teacher and she had the best mental capacity for that wisdom. For thirty years she enjoyed the company of Him in Whom are all the treasures of wisdom and knowledge. She kept in her heart and pondered the words that flowed from the fullness of the heart of Christ. To no other were more opportunities of acquiring wisdom afforded than to the Mother of Christ. God indeed spoke to Moses more intimately than to any of the prophets, but this intimacy was little in comparison with that accorded the Mother of the Word Incarnate. No Apostle was so intimately favored as was she to whom they looked to supplement the knowledge they had from contact with the Master. Not only did Mary have the most unique chance of gaining divine wisdom, but she had, of all the children of men, the mind most fitted to understand the things of God. The innocence that was hers because of her Immaculate Conception and the sinlessness that was hers through life placed her at the very head of all the wise as Queen of Prophets and as Queen of Apostles.

Our Guide and Help to Wisdom

Truly does Mary Immaculate merit the title "Seat of Wisdom." Full of grace and intimately associated with the Incarnate Wisdom, prepared by purity surpassing that of angels, her intellectual and volitional faculties undimmed by the weakness of sin, she stands without a peer. To her we must go as to the Seat of Wisdom to achieve true knowledge, understanding and wisdom. In this pursuit there will be many perplexities. The problem of life is so much involved in intricacies. Even in the natural order there are so many things that are mysterious. The ways of God are not always our ways and our finite minds cannot comprehend the infinite. We do not at times even understand our very selves. Talented though we may be, we meet with many handicaps in the way of learning. Virtuous though we may be, there are obstacles to be surmounted. To our Patroness, the Immaculate Virgin, we can go with confidence and she will not fail us. Learn from her example how to learn the wisdom of her Son. Ask her to aid you in the pursuit of learning that you may be wisely enlightened by Him Who is the Way and the Truth and the Life.

Honor is like the eye, which cannot suffer the least impurity without damage. It is a precious stone, the price of which is lessened by a single flaw. —Bossuet.

When honor comes to you, be ready to take it; but reach not to seize it before it is near. —John B. O'Reilly.

OUR PAGE COOKING SCHOOL

By FRANCES JANCER

The blue grape season is almost here. Many a housewife will find a demand for recipes and methods of using a surplus of blue grapes. It is hoped that the following will come in handy.

Grape Juice (Cooked)

Use clean, well ripened but not over-ripe grapes. Pick over and wash grapes. Place in kettle, barely cover with water and boil until seeds are free. Strain through cheesecloth bag without squeezing. Measure the juice and replace on fire and bring to a boiling point. Add one-half cup sugar to each quart of juice and let mixture boil five minutes. Pour into hot jars and seal immediately.

Grape Jelly (Without Cooking)

Take very ripe grapes; stem and wash; mash slightly. Place over a slow fire until all the juice is extracted. Strain off the juice and to 2 cups of boiling juice add 3 cups of sugar. Leave on fire only until sugar is thoroughly dissolved (perhaps two minutes). Pour into jelly glasses and cover with paraffin.

Grape Tarts

One cup grapes, 1 cup sugar, 1/2 cup grape juice, 1 teaspoon cornstarch, 1 cup whipped cream, pie dough.

Cover inverted oval patty pans or muffin tins with pie dough, and prick thoroughly with a fork so it will keep its shape. When baked a delicate brown, remove from the pan, and fill with grape mixture, made as follows:

Make a syrup by boiling together sugar, water and grape

CONSTITUTION REMINDS

States, serving on the important committee on ways and means. He was re-elected to the second and third Congress, and was one of the first to advocate a protective tariff system. In 1790 FitzSimons, with his co-signer of the Constitution, Daniel Carroll, was one of the committee which presented President Washington with the address of congratulations from the Catholics of the new republic.

In the cause of Catholic education, Thomas FitzSimons was a liberal donor. With his brother-in-law, George Meade, he assisted materially in obtaining subscriptions for the establishment of Georgetown College, by Bishop John Carroll. Late in life, FitzSimons was ruined financially by the speculations of Robert Morris. But, still held in high esteem by his fellow merchants, he was elected president of the Philadelphia Chamber of Commerce in 1809. He died in 1811 and was buried in St. Mary's Catholic Cemetery, Philadelphia.

juice. Moisten the cornstarch to a smooth paste with a little cold water and stir in as a thickening. Remove seeds from the grapes and put the grapes in this syrup. Simmer until the grapes are soft and syrup is thick.

At serving time, fill the shells with this filling and top each one with whipped cream and a single uncooked grape laid open in halves. This recipe will serve 6 to 8 tarts.

Spiced Grapes

Seven pounds of grapes, 4 pounds of sugar, 1 quart mild vinegar, 1 tablespoon cinnamon, 1/2 tablespoon ground cloves, 1/2 teaspoon white pepper.

Pulp the grapes; and cook gently till the seeds are separated. Rub through a sieve; and add the skins, sugar and vinegar. Cook an hour and a half or until the skins are tender. Add the spices; and cook ten minutes. Seal in hot sterilized jars while still boiling hot.

Grape Pie Parisian

Three cups grapes, 3/4 cup sugar, 1 tablespoon flour, 1 egg, rind 1/4 lemon, 1/2 teaspoon cinnamon, pie pastry.

Remove the skins and seeds from the grapes. Steam the pulp for 20 minutes, in the top of a double boiler; and rub through sieve. Combine this pulp with the skins, the sugar, flour, the egg, well beaten, the lemon and the cinnamon. Transfer to a pie plate lined with pastry; cover the top, lattice fashion, with narrow strips of dough, pressing the edges down securely; put in a hot oven, 400 degrees F., and bake for ten minutes. Then reduce heat to moderate, and bake 20 minutes longer.

Grape Mallobet

Twenty marshmallows, 1 cup grape juice, 1/4 cup orange juice, 2 tablespoons lemon juice, 1 tablespoon sugar, 1/4 cup egg whites.

Melt marshmallows in the grape juice, add other juices and set aside to stiffen. Add sugar to egg whites, whip them stiff and combine with juice mixture. Freeze in mechanical refrigerator tray without stirring.

Grape Juice Punch

Two cups water, juice of 2 lemons, juice of 1 orange, 1 cup of sugar syrup, 1 pint grape juice, crushed ice.

Squeeze the juice from the orange and lemons, and strain to remove the pulp. Add the water, grape juice and sugar syrup. Fill iced tea glasses 1/2 full of crushed ice and pour in the punch. Carbonated water may be used and makes this a delightfully effervescent drink. This recipe makes 1 1/2 quarts; increase as needed.

Sugar Syrup (for Punches)

Four cups boiling water, 4 cups sugar.

Dissolve the sugar in the boiling water and cook for at least ten minutes. Pour into hot sterilized jars, seal, and keep in the refrigerator to use when needed.

Grape Pie

Three cups blue grapes, 1 1/2 cups sugar, 1 tablespoon lemon juice, 1 tablespoon flour.

Separate grape skins from pulp, heat pulp until seeds are loosened, then press through coarse sieve to remove seeds. Combine pulp and skins, add lemon juice. Add flour to sugar, mix together, and add to grapes.

Line pie tin with pastry and pour grape mixture into it. Cover top lattice fashion with strips of pastry. Bake 30 minutes in a hot oven.
