

## "RDEČA GONJA" NA PACIFIČNI O- BALI PONEHUJE

Prijatelji civilnih svobodščin  
so priskočili na pomoč žrtvam  
proti-delavske ofenzive.

SAN FRANCISCO. — Gonja proti organiziranemu delavstvu in radikalcem v Californiji je začela ponehovati. Javni sentiment proti nebrzdanim napadom na delavske pravice tekom generalne stavke, in potem, namreč postaja tako močan, da so lovci na "rdečkarje" moralno prenehati s svojo strupeno kampanjo.

Neka skupina liberalno mislečih državljanov, kateri stojijo na čelu škof Parsons, rabine Reicherts, Will J. French (desna roka NRA administratorja Creel-a v Californiji) in Louis Bertlett, bivši župan v Berkleyju, so dali v javnost izjavo, v kateri protestirajo proti "omejitvi svobodnega govorja, protizakonitemu vmeševanju v pravice posameznikov in proti vsaki manifestaciji družalskega nasilja in nepostavnosti, brez ozira, kdo tako početje izvaja ali proti komu se ga izvaja."

Izjava dalje pravi: "Ako smo pripravljeni spoštovati civilne svobodščine samo onih, s katerimi se strinjam, zanikujemo pa jih katerikoli nepopularni manjšini, potem sta zakon in red prenehala obstojati."

Svet stavbienskih strok v Santa Clara okraju je obsodil protodelavske pogone in deportacije v San Joseju kot "nevarnost za demokratično in redno obliko vlade" ter zahteva, da se člane takozvezanih vigilantskih skupin aretira in posadi na zatožno klop. V revoluciji se vigilante dolži, da skušajo reden proces zakona nadomestiti s fašizmom in diktaturom.

V mestni zbornici San Francisco je ordinanco, ki bi prepovedala zborovanja v James parku, dosegla drugo in končno čitanje, toda delavski predstavniki in liberalni duhovniki proti ordinanci močno protestirajo. Metodistični pastor Rev. Hubert Doran je ordinanco pred mestno zbornico ožigosal kot ne-ameriško in proti-ustavno.

## ZANIMIVE VESTI IZ ŽIVLJENJA NAŠIH LJUDI PO ŠIRNI AMERIKI

### LEGIJONARJI NAPADAJO TAJNICO PERKINS

SAN FRANCISCO, Cal. — Na konvenciji Ameriške legije je odbor za resolucije 14. avgusta ostro napadel delavsko tajnico Frances Perkins, kateri se očita da zanemarja svoje dolžnosti, ker noče odrediti deportacije tujezemskih komunistov in drugih "inozemskih zločincev." Ameriška legija nastopa kot da so edinole tujezemski komunisti krivi vseh stavk v deželi in da voda preveč milo postopa z njimi.

Miss Perkins je pred kratkim pojasnila, da pod obstoječimi zakoni se ne more deportirati tujezemcev, aka jih njih rojstne dežele nočejo sprejeti. Tako je na primer v Ameriki 80 ruskih komunistov, ki čakajo deportacije, ampak v Rusijo se jih ne more deportirati, ker med Ameiro in Rusijo ni nobene tozadne pogodbe.

V Meadowlands, Pa., sta se poročila Jože Tomažin in Ana Boben.

V Sheboyganu, Wis., je umrl Antonija Krašek, stara 25 let. Pred pol leta ji je umrla mati, pred letom in pol pa oče. V Illinoisu zapušča strica, v starosti domovini pa brata. V Ameriku je prišla pred devetimi leti iz Štajerskega.

## Adamič v obrambi 'Enakopravnosti' predstujerodnih delavcev

Nasilnosti v delavskih bojih niso krivi tujerodci, temveč je plod ameriških razmer.

Ameriška kritika ni prezrla dejstva, da pisatelj Louis Adamič v svoji knjigi "Dynamite" pobjava staro ameriško navado, da se v času krize skuša vedno vso odgovornost za stavke in nasilja napraviti na rame tujezemcev. Tako piše tednik "Literary Digest":

"Izbruhi stavkovne nasilnosti v San Franciscu, Seattlu, Toledo in Minneapolisu se vidi jo pohlevni, kadar človek prečita Louis Adamičovo burno zgodovino ameriške nasilnosti v preteklosti. Niti ni mogče tujezdec dobiti odgovornosti za ponavljajoče izbruhe krvolitja, akoravno je postala naša narodna navada, da se zvraca krivo za vse, kar je narobe v deželi, na tujezdece. Kot opozarja Mr. Adamič v svoji knjigi, je new-yorški "Journal of Commerce" že leta 1836. pojasnil, da je krvolitje v Allegheny list uradno prepovedan.

Res žalostna je usoda našega naroda! Celo na svoji zemlji je postal popoln suženj—le mi, ki smo šli s trebuhom za krovom v daljno Ameriko, se svobodno dihamo.

Ker nova izdaja knjige "Dynamite" dobiva velik krog čitalcev v javnosti, je upati, da bo s tem mnogo pomagano, da se pobije to tujezemcem skrajno škodljivo domnevo. Knjiga "Dynamite" je že dva tedna v Clevelandu med "best sellerji," kot je bila poprej skozi več mesecov "The Native's Return."

### Bender bo vodja?

V republikanski stranki v Clevelandu obstoji že dalj časa napeto razmerje med županom Davisom, ki je titularni načelnik stranke in pa med večino ostalih strankinih voditeljev. Splošen vtis obstoji, da bo na prihodnji seji precinknih odborov izvoljen za voditelja stranke bivši državni senator George H. Bender. Nasprotniki župana Davisa so te dni tudi izkopalni neko staro odločitev bivšega državnega justičnega tajnika Bettmana, glasom katere je bil Davis sploh nepostavno izvoljen načelnikom stranke, ker takrat ni bil član strankinega okrajnega odbora. Izgleda, da je večina voditeljev in članstva v stranki za Benderja, ki se je znano češke narodnosti.

### Zbor "Slavčki"

Domu, St. Clair Ave. Vstopina bo \$1.00, rezervirani sedeži, ostali pa 50c, za otroke pa po 15c.

### "Jadranov" izlet

Občinstvo je prijazno vabljeno, da jutri obišče pevce in pevke zborja "Jadran," ki se vrši na prijazni Stuškovi farmi. Prijaznega razvedrila bo dovolj za vse. Truck bo vozil izpred SDD na Waterloo rd. ob 9. uri dopolne ter ob 1:30 popoldne. Pridite!

## 'Enakopravnost' predstovana v Jugoslaviji

Ljubljansko "Jutro" z dne 5. avgusta poroča, da je "Enakopravnost" v Jugoslaviji prepovedana. Tozadnevo je priobčena v dotičnem listu kratka notica, ki se glasi: "Z odlokom notranjega ministra je v naši državi prepovedano širjenje lista "Enakopravnost," ki izhaja v Clevelandu, USA."

Notranji minister v Beogradu je naš list očividno prepovedal zato, ker ga smatra "nevarnim" režimu, kar ni seveda niti najmanj presenetljivo. Enako postopajo vse diktatorske vlade, ki se boje, da bi prebivalci zvezdeli resnico o svojih vladarjih. Saj diktatorski režim v Jugoslaviji cenzuriра celo spise čehoslovškega predsednika Masaryka.

Naročniki "Enakopravnosti" v Jugoslaviji so list še dalj časa zelo nereditno prejemali, ker so očividno kar na pošti metalni proč izdaje, v katerih je bilo kaj takega, kar so cenzorji diktatorskega režima smatrali za "nevarno državi." Zdaj pa je torej list uradno prepovedan.

Razmere v predilnicah svile in rajonu so iste kot v bombažnih predilnicah," je izjavil Frank Schweitzer iz Pattersona, N. J., ki je predložil resolucijo za stavko v rajonskih predilnicah. "Odkar je prišla NRA, so razmerni v svilnatih industrijih slabši kot kdaj prej."

Delavski delegati na konvenciji so izjavili, da je v predilnicah volne zaposlenih 150.000 delavcev, v industriji sistentične svile pa 50.000. Vsi delavci pa niso člani unije.

Russell Wood, predsednik delavsko unije v svilnatih industrijih, je pred sprejemom resolucije izjavil, da će se ne odredi stavke, bodo delavci v svilnatih predilnicah vseeno iz simpatije do delavcev v bombažnih tovarnah odšli na stavko.

Thomas F. McMahon, ki je bil danes ponovno izvoljen predsednik United Textile Workers unije, je izjavil:

"Predsednik Roosevelt je edini človek na svetu, ki je sposoben preprečiti generalno stavko. Pod mandatom, ki ga je dala konvencija včeraj, ni nobenega dvoma, da bo stavka okljana, razen če predsednik prisli voditelje tekstilne industrije, da se skupno z zastopniki unije vsedajo za konferenčno mizo."

Kar se administratorja Johnsona tiče, je McMahon izjavil, da nima dovolj vpliva med delavstvom, da bi njegovo posredovanje kaj zaledlo.

### 21-letnica poroke

Mr. in Mrs. John Plut, stanuje na 1040 E. 72 St., praznuta danes 21-letnica zakonskega življenja. Oba sta dobro poznana in priljubljena ter spoštovana pri prijateljih in znancih. Ves čas živita v Clevelandu ter sta naročnika "Enakopravnosti." Prijateljem in znancem se tudi mi pridružujemo ter kličemo: Še na mnoga leta!

## Generalna stavka v tekstilni industriji odrejena

Akcija unijске konvencije pomeni, da se stavko raztegne tudi na volnene in rajonske tekstilne tovarne. Predsednik unije pravi, da je edino Roosevelt sposoben preprečiti stavko.

NEW YORK, 17. avg.—Kon-

vencija United Textile Workers, ki je včeraj odglasovala za stavko v bombažnih predilnicah širok deželi, je danes odglasovala, da se stavko razširi tudi na volnene, rajonske in druge tekstilne tovarne, kar pomeni, da ako se konvenčni sklep uresniči, bo to splošna stavka na celotni tekstilni industriji.

V bombažni tekstilni industriji je zaposlenih okrog 500.000 oseb, v drugih tekstilnih občinah pa okrog 325.000, skupaj bi bilo od generalne stavke delovcev in delavcev v deželi. Sklep za generalno stavko je bil sprejet z veliko večino.

"Razmere v predilnicah svile in rajonu so iste kot v bombažnih predilnicah," je izjavil Frank Schweitzer iz Pattersona, N. J., ki je predložil resolucijo za stavko v rajonskih predilnicah. "Odkar je prišla NRA, so razmerni v svilnatih industrijih slabši kot kdaj prej."

### Kroničen nadležnež

George H. Holan, star 28 let, je bil že sedemkrat obsojen v prisilno delavnično, ker je v kinogledališčih nadlegoval zraven njega sedečem ženske. Toda vseh sedemkrat je iz ječe pogrenil. V tork se je ga je zoperaretiral, ko ni dal miru nekemu dekletu v gledališču. V četrtek je prišel pred sodnika Green, ki mu je naložil skrajno kazeno, ki je mogoča za prestopek—dobil je tri leta zapora v prisilni delavnični.

**Zaroka**

Snoči sta se zaročila Mr. John Kovach in Miss Pauline Znidarsič. Miss Znidarsič je hčerkica družine Mr. in Mrs. Mathew Znidarsič iz 1146 E. 72 St. Mr. Kovach pa je sin Mr. Antona Kovacha, iz 1158 E. 61 St. Čestitamo!

## OB TEDNU

Čitali smo, da je zvezna sodnija v Minneapolisu zavrgla tožbo podjetnikov, ki so zahtevali injunkcijo proti governerju Olsonu, ki vojaštvo državne milice neče rabiti za protekcijo stavkolumstva, temveč ga rabi za to, za kar je milica namenjena, za vzdrževanje reda in miru. Stavka voznikov, ki se je začela pred štirimi tedni, se med tem nadaljuje.

Zvezne sodnije navadno niso naklonjene delavstvu, vendar v tem slučaju je odločitev, ki je podprla postopanje farmersko-delavskega governerja, na korist delavcem.

Če pa stvar malo premislimo, odločitev vendar ni tako presenetljiva. Sodniki, ki so imeli slučaj v rokah, so pač vedeli, da v ogromni večini slučajev governerji rabijo vojaštvo, da z njim zlomijo delavski otpor v stavkah, ne pa proti podjetniškim interesom. Če bi torej sedaj prepovedali enemu governerju rabo vojaštva v stavki, bi se na stežaj oprimlo vrata sličnim injunkcijskim tožbam v vseh podobnih slučajih in to, kar zahtevajo podjetniki to pot v Minnesota, bi lahko zahtevalo delavske unije drugod! Z drugimi besedami povedano, zvezno sodišče v Minneapolisu ni hotelo ustvariti precedenta, ki bi ogrožal rabo vojaštvo v industrijskih konfliktih na splošno, ker s tem bi delavstvo dobilo v roke orožje, kakršnega dolejše ni imelo.

\* \* \*

Sodna odločitev je torej s stališča delodajalskih interesov povsem logična. Je pa ena druga stran te stavke, ki je skrajno važna in zanimiva in iz katere bi se ameriško delavstvo lahko mnogo naučilo. Minnesota ima governerja, ki politično ni udinjen starima dvema strankama, vsled česar je prost, da nastopa kolikor toliko pošteno in neodvisno. Edino temu se imajo delavci v Minneapolisu zahvaliti, da se ni zgodilo z njim tako kot se je zgodilo s pristaniškimi delavci v Californiji ali kakor se godi delavcem po drugih državah, kadar si skušajo s stavko priboriti izboljšanje razmer.

Ameriško delavstvo ima v svojih rokah ogromno politično moč, če bi jo hotelo in znalo rabiti sebi v prid. Kaj vse bi doseglo, če bi imelo v državnih zbornicah in v eksekutivnih uradih svoje ljudi!

Delavcem bi ne bilo treba moledovati in prosjačiti "uslug" niti trošiti svoje energije in celo prelivati kri v krvavih stavkah.

\* \* \*

Zgodovina delavskih bojev v Ameriki je zgodovina izdajstev napram delavstvu od strani političnih oblasti, katere je delovno ljudstvo samo izvolilo. Tudi Rooseveltova administracija v Washingtonu, ki je sicer delavstvo trenotno omamila z visokodonečimi frazami, prinaša delavcem le razočaranje. Klavzula 7-A, ki je imela delavstvu jamčiti pravico do svobodne delavske organizacije, so washingtonski funkcionarji tako spretno "raztolmačili," da služi v prvi vrsti le delodajalcem in njihovim kompanijskim unijam. Kadaj bo delavstvo te dežele spoznalo, da brez močne in samostojne politične organizacije, zanj ni rešitve?

### Posrečen skok iz višine 8100 m

Kaj pripevuje ruski pilot Evdokimov

Ruski pilot Evdokimov je tedeni skočil iz letala v višini 8100 m in je v 142 sekundah srečno dosegel zemljo.

Na ta skok se je pilot privljal letos od marca. Pri odskoku iz aeroplana se je poslužil tudi aparata za kisik, ki je prav dobro izkazal. Ko je letalo doseglo višino 8100 m, je letalec napravil nekaj krogov.

Dvosedežni aerooplan, v katerem je čakal Evdokimov na izvršitev svojega poskusa, je bil

namreč obdan od oblakov. Ko

sta se pilota dvignila, je bilo

lepo vreme, ki pa se je mahoma spreminilo na slabše.

Ko je Evdokimov skočil proti zemlji, ga je močan zračni val obrnil, da je padal z glavo

proti zemlji. V tem položaju je postal do višine 3000 m. Prvih

400 m padanja, pripevuje Ev-

dokimov, sem se vrtel z neznan-

sko brzino okoli samega sebe.

Prvo plast oblakov je predrl v

višini 5500 m nad zemljom. Po-

tem je letel nekaj časa skozi

prazen prostor, v višini 4000 m

je prišel zopet med oblake ter

je letel 500 m skozi megleno

morce v globočino.

Pogled navzdol pa sta mu

močno ovirala maska za kisik in

naočniki, zato je oboje strgal z

obraza. Šele 700 m nad zemljijo

je priletel iz oblakov in megel.

Kakor je sam pripevoval, ni

ves čas padanja izgubil oblasti

nad svojimi živci, kajti če bi

se bilo to zgodilo, bi priletel na

zemljivo mrtev. 142 sekund pot-

pri padalo. Potegnil je za vrvi-

## Fascists and Their Deeds

### The Fascist Character of Unions

By ROBERT GRANT

At the second last meeting during the Cleveland Fisher Body strike we kept waiting so long that we wished the meeting would start and be sped through even if without results.

The stage was heavily decorated with American flags, and on a small table was a loud speaker. Mr. Olson, a red-faced stubby Swede of about forty, evidently a foreigner ("like all radicals are") took the floor and began to pour out radical phrases. He was very radical indeed. He was even more radical than the "Bolsheviks."

Some of the audience began to look peevishly at the speaker and call him off the floor, for he was making a fool of himself and communism. A few from the audience shouted: "Get that guy off the floor!" The chairman: "Let him finish!" A man in the audience: "He's a communist, that's what he is!" But I knew better. I as well as a few others who perceived this comedy-in-tragedy, burst out laughing. Mr. Olson called the capitalists and their press the most ugly and insulting names—he was very unfair. A few days later the "Daily Worker" exposed this "radical monger."

The last strike meeting was well attended. It was on Sunday and nice people spoke—some of them expert comedians. We were much amused, except some of the audience who had a terrible grin on their faces. Yes, and their language was so mild, so harmless. They said that we must be fair with the employer. "Why he'd go bankrupt!" they exclaimed. A man sitting next to me exclaimed, "Oh! What does that mean? Foreshadowing?" A little later the speaker said, "And tomorrow (Monday) brothers, everyone of you must go back to work. March into the plant like soldiers, like real union men." Evidently it was a sell-out. No concessions had been won and the discrimination was likely to follow. All the nicely of attitude on the part of officials turned out to be irony. Those who didn't see it along had later learned that this leadership was nothing but a well rehearsed play. Whenever a questioner stood up to ask embarrassing questions, he was cut short by some neat trick. He was either out of order or the audience became noisy all of a sudden or the amplifying system static would swallow up his voice.

At this last meeting we voted whether or not we should go back to work Monday. Quite a democratic procedure! But as we later learned, the news that the strike was over was given to "The Cleveland Press" two hours earlier than we voted. And similarly the A. F. of L. goes about its work everywhere. It has a Fascist character thru and thru. Directly or indirectly the A. F. of L. endorses the idea of the corporate state, which is a Fascist state.

### The Press Goes Fascist

Recently the capitalist newspapers have taken to obvious demagogic. They carried the most vicious reports about the Toledo and Frisco strikes—trying to create public opinion to the interest of capitalists—but they have not succeeded very well. However, by all efforts they succeeded in breaking these strikes. The newspapers came out with headlines similar to the following: "General Strike Threatens Frisco With Starvation," "Rioters and Hoodlums Stopping All Traffic," "Citizens Ask Martial Law," ("What citizens?" "Reds Use Strike As Key to Revolution.") During its strike, the Frisco papers wrote several times: "The Strike Is Settled; Men Return to Work Tomorrow." But this was only an attempted trick, and the strikers managed to be wise to it.

In Cleveland during the F. B. strike, a prominent paper carried a trifling report about this strike, while a few pages ahead, in the same paper was a big write-up about a dog which was sentenced to life imprisonment. In the center of the upper-left corner of the page was a picture of the dog and around were the witnesses and defenders—so that it occupied one-fourth of the page. About the strike, which involved not less than 8000 men directly and more indirectly, and which had the germs of a general strike, but a trifling was written.

General Johnson who is a bitter enemy of the working people, and whom radicals hate like poison was praised and quoted a lot by the newspaper.

### SKSJ Opens 18th Convention Monday

Primary election returns proved good and bad for the various Yugoslav men who were running on Democratic and Republican slates. William Boyd (Boich) Croat who is at present a member of the State Legislature was nominated to run for the same office in November, as was Joseph J. Ogrin, Slovene attorney, who once previously ran unsuccessfully for the Legislature. John Fabec, Collinwood Slovenia lost out for that office. All these were on the Democratic ticket.

The lone Republican Croat to run for the Legislature nomination, Wesley Mickovic didn't pull through. Of these returns, Democrats will have two Yugoslav candidates in November. Republicans none, and Socialists, two, the names of which will be released officially soon.

### Croat Decorates On Hollywood Films

Niksa Rendic Is Old-Time Artist Employed By Paramount Studios; Recently Did Work For De Mille.

HOLLYWOOD, Cal. — A Croat is an old-time employee with the moving picture industry, it was discovered here this week. He is Niksa Rendic, a decorator who has done much work for the Paramount Studios. Recently he worked on the colossal decoration of the production "Cleopatra" which was produced by Cecil De Mille. Later he also worked on Marlene Dietrich's picture "Scarlet Empress."

Rendic is married, has three children and is interested in all Slav affairs going on in California. He writes that he'll vote for Upton Sinclair for governor of California, because all the rest of the candidates "are a bunch of morons."

The biggest surprise is the report that George Milinkovich, Notre Dame star of two years ago is back at the South Bend institution. Sammy Papich who made last year's All-Yugoslav is threatening to become the star of Northwestern. Another who will be heard from this year is Danny Lazarevich who subbed at Washington University last year as end.

Orel baseball players were given a beer party last Saturday and drank two kegs of beer... some hot spots around town that neighborhood lads visit here and there are the Bowery and Popeye's Inn out Hough and 40th, the Nutt House on East 55th and the Wayfarers' Lodge in Collinwood. "Bill" Cummings' uncle takes care of the entertainers at the Bowery... St. Vitus Hollow Namers picnicked at Cedar Point recently at the same time that the Richman Bros. girls went there. Orels will hold an outing on August 25 most probably at Kosteles' farm... the Družina brothers are leaving Cleveland friends... John left for Europe yesterday while Anton will leave for Washington after the weekend... don't be surprised if a neighborhood college lad gets a connection with local NRA Board soon... have you noticed that when a couple of lovers quarrel they usually call each other "dear"?

Excerpts from a letter written by a girl to her boy friend: "Upon my word of honor I promise to act like a good sport and do all you ask me to..." You needn't be afraid to come down for I have no serious thoughts for the future regarding you. I merely want you as a good friend or someone to play around with... another girl writes letters advising her B. F. to trust in Jesus, forget religion and look only to Jesus for salvation... her letters have all sorts of scriptural quotations and references to biblical passages... Steve Lunder, Jr., sends his regards from Chicago... they had a party at Balish's for the departing school mam Miss Mary Haffner... she's leaving to teach school in El Dorado, Minn., which gets us back to the fact that they'll be going back to schools pretty soon.

Stanley Kromar will be marrying "Pep" Sprajc in October, so it's said.

Erste's on Schade served for a delightful informal gathering last week.

At great time we had singing Slovene, German, English, French, Czech and Welsh songs... and discussing Slav culture... the discussion was topped off by singing the Austrian National Anthem... several Slovene girls attended the finale ball held last night at Danceland on the occasion of the Artists' Curb market... they were dressed in the national costumes.

George (Schneider) Znidarsic, 1220 Norwood road, was one of the 69 new coppers added to the Cleveland force this week... Leo Kushlan, attorney, is back from Idaho and the stockholders' conclave of the Comeback Mining Co., held there... Mr. and Mrs. Charles Slapnik are honeymooning in New York city... Rudy Kalister is looking over the Eastern states... Tony Grdina will attend an undertakers' convention in Conneaut Lake next week.

Johnny Barbic, the Spartan hurler, featured the contest. Kenny Greenwald pitched another steady game for the winners.
