### Sodišče je odločilo v koris Dixon - Yates

Zvezno prizivno sodišče za odškodnino je priznalo veljavnost pogodbe zvezne vlade z Dixon-Yates in obsoledno zvezno vlado na platičlo \$1,867,545 odškodnine.

WASHINGTON, D. C. — L. 1954 je predsednik Eisenhower naročil Atomske komisiji podpisati pogodbo z privatno družbo Dixon-Yates za graditev velike elektrarne v Memphis, ki naj bi dovalja TVA električno silo v nadomestilo za ono, ki bi jo ta dajala na razpolago podjetjem Atomske komisije. Republikanska administracija se je hotela na ta način izogniti potrebi novih investicij v javno ustanovo TVA. V Kongresu je prišlo do ostrih debat.

Naslednje leto, ko je prišlo na dan, da je delal v proračunskem oddelku vlade, ki je stavil predlog za pogodbo neki Wenzell, ki je bil istočasno povezan s skupino Dixon-Yates, je moral predsednik v smislu zakona pogodbo odpovedati. Ker je privatna skupina že začela nekatera dela za novo elektrarno, je zahtevala od zvezne vlade tri in pol milijona odškodnine. Stvar je prišla pred sodišče, ki je sedaj odločilo.

Borba za in proti omenjeni pogodbi je Eisenhowemu v javnosti precej škodila in je igrala veliko vlogo tudi pri nedavni odklonitvi L. Straussa za trgovinskega tajnika. Strauss je bil v onem času predsednik Atomske komisije.

### Priprave za sporazum Washingtona in Pariza

WASHINGTON, D. C. — Ameriška jet letala, sposobna nositi atomske bombe, so zapustila francosko letališča, med tem ko se vrše tod priprave za nov sporazum s Francijo, ki naj poveča francoski ugled v svetu in utrdi Severno - atlantsko obrambo zvez.

V načrtu je predlog, ki naj omogoči izročiti Franciji načrte za atomsko podmornico Nautilus in pomaga Franciji tako ustvariti atomsko mornarico. Združene države bodo pomagale Franciji vežbati njeno vojaštvo v rabi atomskega orožja. Administracija bo predložila Kongresu spremembu zakona o atomski sili tako, da bosta lahko Vel. Britanija in Francija nadzirali malo taktično atomsko orožje in glave vodljivih izstrelkov.

Predsednik Eisenhower je na tiskovni konferenci dejal, da stane se z De Gaullom že davno zedinila, da se bosta ob prvi priložnosti pogovorila o vsem, v čemer se ne strinjata, in pregledala, kaj je v tem pogledu mogoče napraviti.

Bodi previden in pazljiv, pa se bo izognil marsikateri ne-

### Ladij iz južne Afrike v Gani ne bodo prekladali

AKRA, Gana. — Zveza delavskih unij, ki ima preko 300,000 članov je na svojem kongresu sklenila, da njeni člani ne bodo ne razkladali ne nakladali ladij iz Južnoafriške unije, ker je v tej državi z zakonom določena stroga ločitev belih in črnih ter ostalih barvnopoltih.

Kongres je pozval vlado, naj v bodoče prekine vsake trgovinske zveze z Južno Afriko v znak protesta proti zapostavljanju črncev. Lani je Gana uvozila iz Južne Afrike za nekaj nad \$2,800,000 blaga, kar predstavlja 18% njene celotne uvoza.

Gana je neodvisna afriška črna država v britski Skupnosti narodov. Svojo neodvisnost je dobila še pred dvemi leti.

### Z nekdanjim sijajem

Francija je slavila napad na Bastillo, svoj veliki narodni praznik, z vsem sijajem nekdanje veličine. — De Gaulle je bil srednješče.

PARIZ, Fr. — V Franciji so že od nekdaj praznovali 14. julija svoj narodni praznik z velikimi svečanostmi. Takoj po vojni je praznovanje nekoliko popustilo, deloma tudi po krivdi vlad, ki so bile večinoma brez prave autoritete. Režim generala De Gaulleja je spravil praznik zoper do veljave, ker smatra, da v njem lahko izraža francosko slavo in ugled. Lani se mu to ni posrečilo, pač pa letos. Po vsej Franciji so bile patriotske slavnosti največja seveda v Parizu, kjer so meščani lahko občudovali tako veliko vojaško parado, kot je niso videli že desetletja.

Slavnosti so seveda motile mili na državljansko vojno v Alžiriji. De Gaulle je sicer pomnil 5,000 alžirskega domačinov, ki so morali živeti za žico v koncentrijskih taboriščih, toda to ni doli pomagalo tistim Francozom, ki misljijo.

Na drugi strani so azijsko-afriske države počastile francoski narodni praznik s tem, da so predlagale ZN, naj jesensko zadevanje zoper obravnavo alžirske državljanske vojne in jo obsoji. Imajo kot lani že toliko držav na svoji strani, da bo resolucija s tako vsebino gladko izglasovana. Francija je povedala že naprej, da je alžirska politika nujna notranja zadeva, ki se ZN nič ne tiče.

Blatnik je načelnik pododbora za reke in pristanišča v Domovem odboru za javna dela. Za njegove zasluge je ta odbor predložil, naj se po njem imenuje ena izmed novih zavrnican na Sault Sainte Marie.

### James Hoffa unije ne bo nikdar očistil ...

Predsednik senatnega odbora McClellan je označil predsednika Unije voznikov za vir korupcije, ki unije ne bo nikdar očistil.

WASHINGTON, D. C. — James Hoffa, predsednik Unije voznikov, je bil zoper pred se natnim odborom za preiskovanje poštenega vodstva unij in podjetij. Ob zaključku zasliševanja, ki Hoffa niso pokazala ravno v najboljši luči, je predsednik odbora, sen. McClellan izjavil,

da bodo morala nalogo očiščenja unije prevzeti sodišča, ker Hoffa sam tega ne bo nikoli storil.

McClellan je dejal, da je Hoffa "vir korupcije, ki ne bo nikdar očistil velike Unije voznikov."

Hoffa po senatorjevih besedah kljub objubji in zagotovilom ni edstranil iz unije znanih zločincov in zloglasnih značajev.

"Pričanje je kristalno čisto (pokazalo), da je Hoffa v neodjeljivem boju za oblast ponovno potisnil na stran koristi in dobrobit članstva unije, ko je sklepal dogovore z večjimi poslodavci in prevozno industrijo ... On

je priznjal kar za celih 4,600,000. Po zadnji vojni smo imeli tako ugodno stanje samo dvakrat, l. 1947 in 1. 1952.

Narastlo je pa tudi število brezposelnih na 3,982,000 radi priliva dijakov na delovni trg.

Delo je namreč iskal in po večini tudi dobilo par milijonov študentov in študentk. Ako odjibimo dijaški priliv, bi število brezposelnih padlo precej pod tri milijone.

**Zdravje**

(Nadaljevanje z 2. strani)

Ijanke smo pač pametnejše od Vas. Poleti nosimo ovce kožuhe z dlako na ven, da nas branijo pred vročim solcem. Tudi drugače smo pokrite. Pozimi pa

obrnemo kožuhe z dlako na vznoter, da nas čuvajo pred mrazom. Tako o smo vedno zdrave in ob vsakem vremenu lahko delamo doma in na polju. "A ve, kakor da prodajate pečen meso, katerega nihče pame-ten ne bo kupil!" A poleg tega

imate še tako tesne in tenke obleke, da se Vaše telo vidi kot golo. Me se sramujemo za Vas, ker nas so učile matere, da morajo biti dekleta in žene oblecene, da ne govorim o moških, ki bi nas pretepli, če bi hodile kot ve. V nobenem oziru ne delate prav!"

Besede Makedonke so dobro zadele. Slovenke in Hrvatice so se z nekaterimi moškimi vrnilne v Skoplje, pa so bile klub temu že cel teden vse opečene in sla-

bo razpoložene, ker jih je vse bolelo. Moški smo se povzeli na vrh Vodna, kjer smo občudovali planinske orle iz velike bližine...

Mislim, da v isti meri tudi za clevelandski ženski in moški svet velja: Tudi poleti se je treba zadostno obleči in s tem preprečiti kožne opekline in še marsikaj drugega. Kopalne obleke so za kopanje, plavanje in drugi vodni sport.

**Hruščev stav na Nixonu**

WASHINGTON, D. C. — Predsednik sovjetske vlade Nikita Hruščev je v razgovoru z bivšim newyorškim guvernerjem Harrimanom pokazal, da je skor popolnoma gotov, da bo Eisenhower v Beli hiši sledil Nixon.

Harriman je to sporočil v enaki obliki državnemu tajniku Herterju, med tem ko je Hruščev napovedoval razgovoru s časniki, ki kot demokrat nekoliko "omilil." Harriman je Hruščevu dejal, naj napiše na listki imena demokratskih kandidatov, jih vrže v klobuk in nato potegne enega iz njega. To njegovo ugibanje o bodočem predsedniku Združenih držav da bo prav tako vredno kot katerokoli drugo.

Če je imelo tako napovedovanje demokratske zmage od strani Harrimana na Hruščeva kak vpliv, ta ni pokazal.

**Kako si obvaruje zdravje**

G. John Shimo iz Meadville, Pa.

Dragi gospodje: Celih 35 let sem delal v rudnikih in sedaj sem že 73 let star. Moje zdravje je hvala Bogu odlično... Zakaj?... Zaradi tega, ker stalno pijem zeliščne čaje, ki so najboljše sredstvo za moje zdravje. Vedno jih imam pri roki in ne dopustim, da bi se bolezen naselila v razpasla po mojem telesu. Če slučajno nimam redne prebave in se slaboo pocutim, uživam čaj št. 1. Od premogovnega prahu imam oslabela pljuča in če se prehladim in pričem kašljam, vzamem takoj čaj št. 2. Prepričan sem, da je čaj št. 3 poseben praporčljiv za starejše ljudi, ki čutijo svoja leta in tudi čaj št. 4 in 5 odlična. Vsakdo me vpraša, kaj delam in kaj uživam, da sem pri takih moči, tako sveč in imam za svoja leta mladostni izraz. Moj odgovor je: "Toda čaj" — naravno zdravilo, katerega praporčam vsakomur. Z najlepšimi pozdravi.

John Shimo.

Zarja ljubezni

Paleči žarki junijskega sonca jeli so oslabljevati. Cedre, pine in skale delajo so velike sence in veličastno dnevno svetilo se je vtapljal v temnodne valove Sredozemskega morja.

Italijansko poletje se je bilo ravnonak začelo. Zelenje dreves in travnikov še ni bilo podeleno in porumenelo, kar karakterizuje južno poletje; žgoči sončni žarki še niso iz močvirij vzdignili nezdrevih parov, ki povzročajo malarijo, in Genua, ki je dobila ime "veličastna", se je ponosa v vsem svojem blesku sredi svoje divne okolice, kjer je slednji kot bil napolnjen z dišavo cvetnic.

Po ozki gorski stezici, katera je vodila iz enega genuiških predmestij k morju, mimo vrat sv. Andreja šla je mlada devojka. Tenka, lepa postava, gibčna hoja, in zamokel obrazek so se kazali še otroci, a temne, udre oči so izražale netoško gorje in žalost, dokazovale so, da so zarjo njene mladosti že omračili kaki temni oblaki.

Male njene nožice so hitro a trdo stopale. Kmalu je devojka prišla na morski breg in usedla se je na prvi kamen. Pogled, ki se je razkrival pred njenimi očmi, je bil očarevan. Na desni je stala Genua, kakor ogromen amfiteater z njenimi prekrasnimi marmornimi palatami, na levi so se videle primorske planine, obrašcene z

vojki.

— Filipa, moja ljubezen, moje življenje! — Zaklical je in podal ji roko. — Že cel teden te nisem videl: bil sem odpovedoval... A sedaj me je prva pot pripeljala k tebi, — glas srca me ni goljufal... našel sem te.

Pri besedah tega glasu je mlada deklica skočila kvišku, kar bi bila elektrizirana; potorec se prvemu vtišu je seveda skočila v naročje mladeniču, a naenkrat je zopet povesila roki in rahlo so zardela lica njena. Njen pogled, ki se je bil za trenutek zjasnil, se je zopet pomračil.

— Radi Prečiste Marije Device, Matere Božje — vzliknil je mladenič, — povej mi Filipa, kaj je s teboj? Kako si me sprejela? V tvojih očeh so sole... Kaj je s teboj, kaj to menja?

Z viteško nežnostjo in rahločutno ljubezni je z roko potegnil po očeh mlaode deklice; obriral ji solze in stisnil jo k sebi.

— S strahom se mu je iztrgal!

— O sveta Mati Božja! zaklical je. — To je neumnost... To je greh. — Zakaj sem prisla semkaj... Mej nama in za naju je vse končano. Krištof!

Mladeniču se je popolnoma spremenil obraz.

— Kaj to pomenja? — vprašal je skoro z grozo, stopil k njej v strašni borbi čustev.

— Naju loči vse, — odgovorila je ona, stegnila roke, kakor

bi mu hotela zagraditi pot k nji — vse "kar more svet postaviti ovir mej dve ljubeči srci!"

— Jaz te ne razumem, Filipa, — odgovoril je mladenič. — Kaj more razdeliti naju? ni mogče, da bi v nekaj tednih se O Filipa, Filipa! je strastno nadaljeval — me li hočeš pustiti?... Jaz tega ne verjamem... Mar zarja najine ljubezni ni namenjena razviti se, mar se bode najina pomlad tako hitro zamenjala z jesenjo, in srca naša tako otrpnela kakor cvetlice, kadar pride mrzla zima?

On jej je podal roko, a ona se je zopet tiho obrnila od njega.

— Ne govoriti tako, Krištof! — rekla je s tresočim glasom. — Ne muči me. — Jaz ne morem biti žena tvoja...

— Toraj ti mene ne ljubiš, Filipa? — je rekel ji mračno.

Povej mi naravnost, da je najina ljubezen bila le slepotija, da je vsa najina ljubezen bila le sanja bedaka.

— Tega ti ne morem reči in ti tudi rekla ne budem — je sečla v besede — lagala bi, jaz nikdar ne lažem, pristavila je.

— Zahvaljujem te, stvarnik! — zaklical je mladenič, stopivši k svoji tovarišici in nežno je objevši. — — Torej me ljubiš? — ljubiš Filipa?

— To čustvo nikdar ne ugasne v meni, Krištof, prisegam pri solzah, katere je prelila sv. Devica v podnožju križa!

— Potrdila je ona tiko in osvobodila se njegovih rok. — Pa jaz ne morem in ne smem pozabiti,

da sem hči italijanskega velika-

ša Jerneja Monis de Perestello, da življenje moje je lastnina mojega oceta, a on...

Tu je devojka umolknila, moga ni dalje govoriti. Mladenič stal je pred njo držeč roke križem na prsih, vzdignivši glavo se je stegnil..

Kaj se obotavlja, Filipa? — vprašal je s tresočim glasom, glasno se smejoč. — Govori da je, ali morda jaz sam uganem namere tvojega oceta? Ti si hčer kavalirja, ponosnega patriacija, ki se je bojeval pod infantom Henrikom Portugalskim, hčer pogumnega mornarja, o snovatelja naselbine na otoku Porte Santo, kateri spada v više sloje in gleda kot na onečaščenje na tvoj zakon s sinom revnega gradiščarja volne Dominika Kolumba.. Povej ali imam prav?

Filipa ga je žalostno pogledala in rekla mu s svojim zvonkim, prijetnim glasom:

— Ne budem se lagala, zagojavljati ti nasprotin, Krištof! Moj oče hoče utrditi mojo srečo, oženivši me z bogatim človekom... On sam je beden in želi zeta, ki bi mu nadomestil, kar je njemu odrekla sreča...

In jaz... kot ubogljiva hči, sem moram pokoriti!

— In ti bodeš ubogala? — zaklical je, mladenič, ves tresoč se.

— Izbral mi je ženina... odgovorila je žalostno Filipa. — Če se budem pokorila tej izberi, to veamo sv. Devica.

Povej mi njegovo ime, Filipa! — je jezno zaklical mladenič.

Le povej mi ga, z lastnimi ro-

kami zadavim onega, kateri mi hoče vzeti moje veselje, moje življenje!

— O sveta Mati Božja! Pomisi, Krištof, ne žali tvojega svetega priprošnika, hoteč omadeževati svoje roke v krv. Oče moj me more prisiliti, da ne morem slediti svojemu srcu, a ne more me dati kateremu koli človeku.

— Ti in samo ti, Krištof, morebiti moj mož in nikdo drugi. Pri teh besedah se je mu razjasnil obraz, oči so mu zažarel, in v strasti pal je pred njo na kolena.

— Filipa, ljubezen moja. Ti se li ne odrečeš meni? Bodeš li moja? Me li počakaš, bodeš li meni zvesta, dokler si ne naredim poti, da budem vreden two-

jega očeta prositi tvoje roke?

Proseč je pomolil roke in hrepeneč pogledal svojo ljubljeno.

Filipa je položila roke na glavo mladeniču in ga gladila.

— Krištof, zaklical je s tresočim glasom, tvoja sem za zmiraj! Čakala in nadejala se budem, dokler se ne omeči oče in nju blagoslovil.

## Visitors

Mr. and Mrs. John Smeker of 6414 St. Clair Avenue are looking forward to July when their daughter Ann and son-in-law Hal Lindberg will visit them.

Ann "Smeker" Lindberg left Cleveland in 1941 to join her husband in San Francisco. He was with the Cleveland Naval Reserve stationed there waiting to ship out. She waited there until he returned from South Pacific and now they are so-called natives of California. Ann had attended the local James Madison school; Wilson Jr. High and Interstate School of Commerce; was employed for a number of years by the Jos. A. Kysela Insurance Co. Hal Lindberg attended East Tech; Fenn College and graduated from Woodbury College in Los Angeles with a B.A. degree in Industrial Art; now he is a Scientific Illustrator for the U.S. Naval Ordnance Test Station, China Lake, California. This is the largest Ordnance base in the United States with a population of 12,000 civilians and military personnel.

Both Ann and Hal will be attending the International Toastmistress Annual Convention in Minneapolis, Minnesota July 19 thru 22. Delegates from almost every state, Hawaii, Alaska and Canada will be attending; Ann is this year's ITL—Resolutions Chairman and delegate of Indian Wells Valley Toastmistress Club.

## Cultural Gardens Sponsor Seaway Tribute

The St. Lawrence Seaway will be hailed at a program in Cleveland stadium at 2 p.m. Sun. Aug. 9. Sponsor will be the Cleveland Cultural Garden Federation.

The program will include a band concert, nationality singing groups and dancing in native costumes.

A specialty written script will emphasize the aim of the Cultural Gardens to "exemplify the spirit of true Americanism."

All who have nationality costumes should plan to attend the affair in costume. Altho admission is free, there will be a special reserved section for all wearing costumes. They will also take part in the Grand March.

Leo Weidenthal is president of the federation and Mrs. L. W. Phillips is chairman of the "One World Day" celebration.

Mrs. Antonia Mah of 1062 Mozzina Dr., has returned home from the hospital and wishes to thank all who visited her or sent her gifts or cards.

Mrs. Caroline Bobnar of 3579 E. 81 St., fell down the steps at her home recently, injuring her right leg. She was taken to St. Alexis Hospital. We wish her a speedy recovery.

From Duesseldorf, Germany, came Johnny Grm to visit his father, John Grm of Lorain, O. All necessary details for the trip were taken care of by the Bled Travel Service.

Mrs. Lupsina of 4203 E. 146 St., has returned home from the hospital and has expressed her thanks to all for visits, gifts or cards.

Milwaukee, Wis.—Bob Johnson is band director at Nicolet High School and his assistant is David Johnson. Around the school they are known as "Johnson and Johnson, the Band-Aids."

Tulsa, Okla.—A radio newsman, broadcasting traffic conditions from an airplane over the city, announced a terrific jam in one small area. Then he quickly corrected himself. He had sighted two used car lots.

Morrisville, Vt.—When the headlights on Leslie Fleming's car suddenly went out, he stopped to investigate. As he stepped out of the auto, it toppled over an embankment.

## Deadline for Softball Teams:

Members of the Amateur Softball Ass'n. are eligible to compete in the Metropolitan Cleveland qualifying tournament, but must enter before the July 25th deadline. Entries will be accepted in East Pitch, Men's Open, Women's Open, Men's B, Industrial, Slo-Pitch Open and Slo-Pitch Industrial brackets. It costs \$2 per team to enter and rosters should be filed at Room 8, City Hall.

## Archie Moore Fight Delayed:

Montreal — The return light-heavyweight bout between Archie Moore and Yvon Durelle has been postponed from July 15th to 29th. Jack (Doc) Kearns, Moore's manager, requested the fight be set back 2 weeks when the 43-year-old champion bruised a heel doing road-work. Eddie Quinn, who is promoting the bout at Montreal's Forum granted the delay after Edward Williams, Montreal Athletic Commission physician, examined Moore and recommended the delay.

Golfer's Drive is in the Bag:

Pittsburgh—Golf balls, like footballs, sometimes take mighty peculiar bounces. Veteran professional Peter Cooper, of Lakeland, Fla., came up with a real oddity July 11th in the third round of the Western Open golf championship. Cooper's drive on the third hole hooked, the ball flew into the crowd and disappeared. Just as Cooper was about to drop another ball for a two-stroke penalty, a lady spectator rushed up to explain she had found the ball in her large straw handbag. Cooper dropped the ball in the rough and finished the hole with a par 5.

## Trotters Can't Play Russians:

There will be no basketball game, either in private or in public, between the Harlem Globetrotters and the Russian national team in Moscow. Abe Steinhardt, owner of the Trotters said there were too many technicalities and too little time before the team left Monday for Vienna. Approval of the International Basketball Federation would have to be obtained to permit the Russian amateurs to play the U.S. Professionals.

## Indians' Game for CYO Fund:

The Knights of Columbus will conduct a special sale of tickets for the Indians - Orioles double-header Aug. 2nd for the benefit of the Catholic Youth Organization. The occasion will be called K of C-CYO Day. Reserved seat tickets \$1.75 apiece, will be sold by the 12,000 members of the Greater Cleveland Chapter of the K of C.

Mayor Proclaims  
Navy Week

The week of July 16-27 was this week proclaimed "Navy Week in Cleveland" by Mayor Anthony J. Celebrezze in honor of the first visit here of ocean-going warships of the U. S. Navy.

The fleet units will bring approximately 4500 officers, midshipmen, sailors and marines to Cleveland over the 12-day period during which time Clevelanders will have ample opportunity to get a close look at the ships and equipment that are helping maintain national security and world peace.

The visit is part of "Operation Inland Seas" under which part of the Atlantic Fleet is entering the Great Lakes for the first time in conjunction with the opening of the St. Lawrence Seaway. Capt. Lawrence Smith, SC, USN, Commanding Officer of the U.S. Navy Finance Center here, is in charge of all arrangements for the Cleveland visit.

The Navy ships will arrive in two groups, the first of which will be here from July 16 thru July 20. It will consist of the heavy cruiser USS MACON (CA 132) and seven vessels of the amphibious forces of the Atlantic Fleet which will conduct a public demonstration on Saturday, July 18 at Edgewater Beach.

The second phase will be the visit of the destroyer leader USS W. A. LEE (DL-4) accompanied by a division of four destroyers, and a submarine. The ships will be under the command of Rear Admiral Edmund B. Taylor, Commander Destroyer Force, Atlantic Fleet.

Proclamation  
Navy Week in Cleveland

WHEREAS, the City of Cleveland has been chosen as one of the major Seaway cities to be visited by fleet units of the United States Navy during "Operation Inland Seas;"

WHEREAS, this is a signal honor for Cleveland and fitting recognition in this Seaway Year of its stature as an industrial center and a world port; and

WHEREAS, Cleveland has given the United States Navy down thru the years thousands of its youth; and

WHEREAS, the City of Cleveland recognizes the unselfish contribution of the preservation of world peace and those ideals which we as a nation hold sacred; and

WHEREAS, the visit of Task Force 47 engaged in "Operation Inland Seas" will afford the people of Cleveland the opportunity to witness demonstrations of this important force in action;

THEREFORE, be it resolved that I, Anthony J. Celebrezze, Mayor of the City of Cleveland, do hereby proclaim the week of July 16-27, as "Navy Week in Cleveland" and extend the hospitality of the City to the officers and men of Task Force 47.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the corporate seal of the City of Cleveland to be affixed this June 11, 1959.

ANTHONY J. CELEBREZZE,  
Mayor, City of Cleveland

## People Read, Remember, and Buy

A recent nationwide survey shows that more than three-quarters of the nation's retailers expect their summer business to exceed last year's, Editor & Publisher reports. Only 20% anticipate no change, and a mere 2% look for a decline.

It will take a lot of good advertising to bring the expected results about. And it's significant that newspapers will continue to be the retailer's foremost advertising medium. The survey finds that 72% of the stores surveyed plan to invest 80% or more of their summer advertising spending in the papers. And 57% will allocate at least nine-tenths of their ad budgets to the papers.

All advertising media are in tough competition these days, with newspapers, magazines, TV, radio, and direct mail scrapping for a large share of the ad dollar. But newspapers, despite the new media, hold their own—simply because newspaper ads get results. People read, remember, and buy.

ST. VITUS HOLY NAME  
Weekly ReviewCensus Bureau to Make  
Survey on Consumer  
Buying Plans

Special questions on consumer plans to purchase automobiles, television sets, washing machines, and refrigerators will be asked in the July Current Population Survey. Director John E. Tharaldson of the Census Bureau's regional office in Detroit announced this week.

The special questions are in addition to the regular inquiries on employment and unemployment which are asked each month in the Current Population Survey. The information is being collected for the Federal Reserve Board for use in a national study of consumer buying trends.

The questions about television sets, washing machines, and refrigerators cover present ownership and date of purchase of any of these items, as well as plans to purchase one in the next three or six months. For automobiles, information will be obtained not only on ownership and buying plans, but also on methods of financing, outstanding indebtedness on the car, and recent repair costs.

The Current Population Survey will be conducted locally and in 329 other areas of the country during the week of July 20. Information will be collected here by certified numerators.

## Births

A baby boy was born on July 4th to Mr. and Mrs. James Slapnik Jr., of 6620 St. Clair Ave., and on July 3rd, a baby girl was born to Mr. and Mrs. Donald Mausser of Eddy Rd., Willoughby Hills, O. These blessed events make Mrs. Ann Slapnik of 6620 St. Clair Ave., grandmother for the 5th time, while Jack Karish, who will be 88 years old on July 14th, is grandpa for the 7th time. Congratulations to all!

## Now You Know

"Iceland," said the schoolteacher, "is about as large as Siam."

"Iceland," wrote one of the pupils afterwards, "is about as large as teacher."

Whether she's wearing short shorts or short skirts, a lady's legs are definitely "on view" in summer. For attractive, velvety-smooth legs, Trushay-lotion them daily, and keep them free of hair. Treat problem areas like ankles, knees and the backs of the heels to an extra dollop or two of lotion. To soothe and relax tight, aching calf muscles, gently massage backs of legs. Using Trushay to keep skin soft and pliant, knead muscles gently but firmly; then stroke upward from ankle to knee in long, continuous movements.

**SAFELY TO PORT**—This 28-foot replica of the Constellation, the U.S. Navy's first warship, sailed into Manhattan after a four-day voyage from Baltimore, where the original vessel is berthed. Built exactly to scale, the craft carries a full complement of square-rigged sails and a battery of 10 one-inch cannons which fire shotgun shells. It's on a fund-raising coastal tour to help restore the original Constellation, built almost 200 years ago.

## Reporting from Washington

FRANCES P. BOLTON • Congressman, 22nd District, Ohio  
450 HOUSE OFFICE BUILDING, WASHINGTON 25, D. C.

**CONGRATULATIONS, DOCTOR!**  
Dr. John L. Caughey, Associate Dean of Western Reserve University School of Medicine was recently appointed to the National Advisory Council on Vocational Rehabilitation. The 12-member Council has the responsibility of reviewing applications submitted to the Office of Vocational Rehabilitation for Federal grants from sponsors of research and demonstration projects, and recommends approval of those who show promise of making valuable contributions to the rehabilitation of disabled persons. In addition to his work as a clinician and medical school administrator, Dr. Caughey has had extensive experience in rehabilitation with the National Foundation for Infantile Paralysis and with a number of professional and community health programs in Cleveland.

## FRESH WATER FROM THE SEA

Secretary of the Interior Seaton told the American Watered Congress meeting here recently some surprising things about water. In 1957, he said over 1,000 communities, the hometowns of one-seventh of our entire population, endured water shortages to some degree varying from minor inconvenience to an actual absence of water to drink. For some towns there apparently is no choice other than to suffer stagnation of growth or move out, because their water supplies are running out, with no help in sight. Secretary Seaton says in the next twenty years the population of the United States is expected to grow another hundred million, and our water needs nationally will be two or three times what they are now.

To help meet the needs for additional sources of water, the Government is now preparing to build five saline water conversion plants to develop methods of producing fresh water from the sea and from inland brackish water. There are encouraging indications that conversion of salt and brackish water can be made

cheap enough for industrial and domestic use. Incidentally, this is being done in that tiny country of Kuwait at the north end of the Persian Gulf. Until they began to sell their oil every drop of water was brought in by boat and peddled on the streets. Fancy that!

## SERVICE ACADEMIES

At the time of this writing I have had 50 applicants for the Service Academies (Annapolis, West Point and the Air Force). These young men will take the Civil Service competitive examination to be given in Cleveland next Monday, July 13th. Over the years I have found this to be the fairest and best method of making my selections for the Academies as it gives all young men in the 22nd District who are interested an equal chance to be nominated.

In the almost 20 years that I have served in the Congress it has been exciting and satisfying to watch one after another of the appointees make good. Sometimes they serve several times before the standard of their work is sufficiently high to make possible their consideration. Yes, it takes a high scholastic standing to qualify. But even more, it takes character that shows itself in high morale, loyalty and honor. 22nd District men have a wonderful way of making good.

## WHITE HOUSE TOUR

For those visiting Washington who would like to see a bit more of the White House than can be seen in the public tours, arrangements for the special early morning tours may be made by writing me here in Washington or contacting my Cleveland office in the Federal Building. Each Congressman is allowed only five such permits per tour so reservations must be made a week or 10 days in advance. When requesting admission, each name must be given in full. You will receive complete instructions when you come to my Washington office.

## East Side Social Security Office Moving

## Office Moving

Your east side Social Security office is moving to 10613 Euclid Ave. this week-end. Mr. A. W. Boehringer, district manager, made this important announcement. Beginning July 20th, the new office at 10613 Euclid Avenue will be the place to go for information about the social security program, to obtain an account number card, or to apply for monthly old age retirement, dependents' or disability checks under the federal law.

Mr. Boehringer added that the office at this new location is on the street level, and will better serve the needs of the people of this community.

The telephone number will remain the same, namely SW 1-6050.

## Traffic Safety and the Law

which the driver was aware of, he must stop and give his name and address upon request.

The fact that the other person was at fault, makes no difference under the ordinance. Drivers involved in accidents must identify themselves to those who request the information.

Under Ohio's point system law, anyone who is guilty of this ordinance is charged 6 points against his driving record. A charge of 12 points in a two-year period makes it mandatory for the registrar to petition the court to suspend the driver's license for one year. Thus, one-half (6) of the allowable 12 points are used up on this conviction. Only three other violations invoke a 6-point charge; they are: 1) driving while under the influence of intoxicating liquor; 2) driving while the license is under suspension; and 3) manslaughter resulting from the operation of a motor vehicle.

The vast majority of cases, the failure to stop after an accident is inexcusable. In an area where over a million people live, we realize that there will be accidents causing damages and injuries. But to run away to avoid identification is a serious charge that is not dealt lightly in our courts.

## Whodunit Medicine

"Whodunit Medicine", an exhibition of the work done for the people of this community by the County Coroner's Office, will be on display at the Cleveland Health Museum, 8911 Euclid Ave., from July 8 thru Aug. 30. It shows how information gathered by the pathologist is used in maintaining public health, training law enforcement officials, preventing accidents, and administering justice.

The displays, designed by Mr.

Leon Gordon Miller, show what kind of cases go to the Coroner; how identification is made; how the cause, manner and time of death are determined; and how evidence is used in the courtroom.

This evidence is vital information for many legal matters such as settling of wills, allowing survivor to remarry, solving homicides.

The visitor can play the Coroner in one exhibit by trying to guess from the clues given if the death was due to violence and, if so, what sort. A laboratory and equipment actually used in an autopsy will be on display.

The exhibit is presented with the cooperation of the County Coroner's Office, Western Reserve Uni-

versity School of Medicine, Western Reserve University School of Law and University Hospitals Institute of Pathology.

Programs about "Whodunit Medicine" will be presented Sundays at 3:30.

## ADVICE TO THE WISE

from the American National Red Cross

## IF YOUR CHILD SWALLOWS A POISON

DO Dilute immediately with large quantities of water or milk. Keep calm. Call a physician.

DON'T Pick the child up and rush him to a doctor or hospital. Delay in diluting the poison could be fatal.

## Duty to Stop After an Accident

Another serious traffic violation is our so-called "Hit Skip" law. This characterization came from the fact that the violator "hit" the person or car and then "skipped" before he was identified. For this violation, the penalties may reach \$500 and imprisonment up to 6 months.

In brief, the ordinance requires that in any accident upon the road due to the operation of an auto

Some people can hold more alcohol than others because of their size, weight, tolerance, mental attitude, tiredness, whether food was eaten, etc.

The law does not require that one must be "drunk" to be guilty — it simply says, "under the influence of intoxicating liquor." Thus, if the driver's condition is such as to hazard lives and property (including his own), the police apprehend him. It is done for the own safety and that of his family, as well as that of the public.

Alcohol and Gasoline — is one cocktail that we must not mix!"

## OHIO in the CIVIL WAR

Prior to and during the Civil War, Ohio places and Ohio people had prominent parts in shaping the paths of history. Rankin House at Ripley, on the bank of the Ohio River in Brown County, in full sight from the Kentucky shore, stood as a "beacon of liberty" to the fugitives from slavery. This was the first station on the "Underground Railroad" and the home of the Rev. John Rankin. Here, Eliza is said to have crossed the ice to become the inspiration for Cincinnati Harriet Beecher Stowe, who wrote "Uncle Tom's Cabin." Today Rankin House, on a 20-acre tract, is a museum maintained by the Ohio Historical Society. It attracts thousands of motorists who are interested in Civil War history.

John Brown, whose abolitionist raid on the government arsenal at Harper's Ferry in 1859 led to his being hanged at Charles Town, grew up in Ohio at Hudson, near Akron. This was one of the acts of violence that led to the Civil War.

## After Swimming — A Smooth Finish

After a day of swimming at beach or lake or pool, be sure to shower before dressing to go home — or on to other pleasurable activities.

A refreshing shower is the perfect way to end a day of fun in the sun. But to prolong its cooling, cleansing, invigorating effects, you should follow it up with the same good grooming routines you practice at home: clean clothing, a dusting of talcum or splash of toilet water, the use of an effective deodorant.

ant like Mum, to insure your continued daintiness. In packing your beach bag, therefore, take care not to overlook these items. Also, for your appearance's sake, remember to take along a comb and brush, extra bobble pins, and hand lotion in addition to your regular cosmetics.
