**Teden za zavarovalnino**

V časopisu smo čitali te dni, da je župan v Clevelandu, Harold Burton, razglasil tekoči teden kot "teden za zavarovalnino." Nam ni znano, ali je mislil župan Burton pri tem na zavarovalne kompanije ali pa na bratske podporne organizacije, ker njegov razglas tozadeno ni točen.

Kar se tiče našega naroda bomo sledili pozivu župana Burtona v eni izmed redkih dobrih idej, ki jih ima. Skušali bomo tekom tega tedna, kolikor ga še preostaja, pregoriti čim več naših ljudi, da se zavarujejo proti bolezni, za posmrtnino, proti poškodbam in nesrečam in za starostno zavarovalnino.

Slovenska Dobrodelna Zveza, ki je ena najboljših zavarovalninskih organizacij v državi Ohio, ima tudi kampanjo, toda ne samo za en teden, pač pa vse do 30. septembra. Namen te kampanje je pridobiti čim več novih članov in članic za Zvezo v obeh oddelkih, v mladinskem in odraslem oddelku.

Cas je prišel, da se zopet enkrat zavedamo, da nam je zavarovalnina silno potrebna. Tako za slučaj smrti kot za slučaj nesreče, poškodbe, bolezni ali starosti. Tisoče in tisoče rojakov je v Clevelandu in po ostalih mestih države Ohio, ki niso nikjer zavarovani za enake slučaje. Vendar pa mora sleherni razsoden človek razumeti, da je živiljenska in bolezenska zavarovalnina enako potrebna kot vsakdanji kruh.

Slovenska Dobrodelna Zveza in vse enake bratske podporne organizacije so bile ustanovljene v namenu, da potom skupnega zbiranja mesečnih doneskov spravimo skupaj dovolj močan sklad, ki naj garantira plačila v slučaju bolezni ali smrti. Slovenska Dobrodelna Zveza je tekom nad 25 let svojega obstanka zbrala skupaj v svoji blagajni en milijon in tristotisoč dolarjev, in ta svota je pripravljena vsak čas za vsa izplačila, do katerih so člani Slovenske Dobrodelne Zveze po pravilih upravičeni.

Zal, da je toliko naših ljudi, ki ne razumejo dobrot bratske podpore in organizacije, ki jih delijo naše organizacije v vseh slučajih, kadar naš človek najbolj potrebuje denar. Vse preveč imamo v tej ali oni naselbini, bodisi kjerkoli v Zedinjenih državah slučajev, ko umrje rojak, zapusti družino, otroke, nesrečno ženo, pa ni pri hiši niti toliko, da bi se plačalo za pogreb.

Pred dvajsetimi, petnajstimi ali celo petimi leti so naše organizacije drugače poslovale kot poslujejo danes. Člani in članice so plačevali in plačevali dolga leta, in ko je prišla kriza in depresija, pa ni bilo zasluga, in asesmenti niso mogli biti plačani, so bili vrženi iz jednotne ali iz zveze, kamor koli so spadali, in ves denar vplačan v dolgi letih je bil seveda izgubljen. Danes se je tozadeno položaj pri naših bratskih organizacijah popolnoma spremenil.

Vsek član in članica sleherne bratske podporne organizacije, zlasti pa Slovenske Dobrodelne Zveze, dobiva z vsemi letom, ko je član svojo organizacijo, gotovo rezervo, in če vi plačujete pet, deset ali več redno svoje asesmente, se vam ustvarja gotova rezerva.

Ako vas doleti nesreča, da zgubite delo in zaslужek in vam je nemogoče plačevati redne asesmente, tedaj vas ne morejo vrči iz organizacije, kot so to delali prej, dokler ni vaša rezerva izčrpana.

Slovenska Dobrodelna Zveza vam nudi zavarovalninske police za vsakovrstne mogoče svote in z dobrimi rezervami. Danes ni treba več ljudem zavarovati se pri tujcih, ker vam bratske podporne organizacije nudijo enake dobre ugodnosti zavarovanja kot najmočnejši denarni zavodi.

Vsek, kdor je bil kdaj bolan, ponesrečen ali poškodovan, dobro ve, kako dobro pride zavarovalnina in podpora, kadar jo človek najbolj potrebuje. Zavarujte se, dokler ste zdravi in močni, kajti bolnega in ponesrečenega ne sprejme nobena organizacija v svoje vrste. Slovenska Dobrodelna Zveza, ki ima svoj glavni urad v Slovenskem Narodnem Domu v Clevelandu, vam lahko točno raztolmači, kako se lahko zavarujete pri tej milijonski organizaciji na bratski način, za male mesečne svote in z obilno podporo v slučaju nesreče.

**Tajniška kampanja in pokojnina pri S. D. Zvezzi**

V zadnjem Zvezinem glasilu z dne 14. maja je bil priobčen apel za pridobivanje novega članstva na naše pionirje in ustanovitelje, to se pravilno vse one, kateri so gradili to našo bratsko organizacijo od njenega rojstva in katere na predelki jim je še danes vedno pri srcu. Apel k napredku in uspehu tajniške kampanje za novo članstvo hočem ponovno v naslednjih vrsticah

Razumljivo je dejstvo, da so ti prvo pristopili možje in pri srcu. Apel k napredku in uspehu tajniške kampanje za novo članstvo hočem ponovno v naslednjih vrsticah

za pridobitev naše mladine. — Brez dvoma je in se razume, da so vsi oni, ki so pristopili v Zvezu prvih deset let, temelj, stebri, voditelji in bortniki od začetka za njen obstanek in napredok.

Razumljivo je dejstvo, da so med njih so dosegli že starost nad 70 let, katera opravičuje napisati in dokazati, zakači naj naši ustanovitelji, naši prvi boritelji ponovno prično agitirati za novo članstvo, za potest in napredok organizacije,

članov in članic starih nad 70 let, ter 6 članov, ki še niso dosegli po pravilih določen starosti, katera opravičuje vsakega člana Zveze do pokojnine, ako je isti brez sredstev. Pokojninski sklad Zveze premore koncem meseca maju okroglo 850 tisoč dolarjev, mesičnih dohodkov za asesment je približno \$800.00, poleg obresti omenjenega kapitala, ki znašajo gotovo \$150.00 mesečno. Na podlagi dohodkov in stroškov še vedno sklad finančno napreduje, vendar pa je prišel čas, da se članstvo že vnaprej opozori na dejstvo naših starejših članov in članic, kateri prihajajo v starost 70 let, kateri po pravilih avtomatično pridejo na pokojnino.

Cas prihaja, s časom tudi penzionisti, mnogo tudi izmed onih, ki so bili ustanovniki ali so pristopili prvih deset let ustanovitve naše organizacije. Da obdržimo naš pokojninski rezerviran sklad nedotaknjen, je dolžnost vsakega posameznega člana in članice pridobiti v tajniški kampanji vsaj enega novega člana, zlasti penzionisti, ustanovniki in pionirji, katerih pride v prihodnjih petih letih veliko število na prejemno listo pokojnine.

Napredek, novo članstvo in vpis ter pristop v organizacijo naše mladine, to je tisto sredstvo, katero bo obdržalo, da ne bo naša rezerva pokojninskega sklada dotaknjena. Cas je zdaj, ko je v tenu kampanja, katera plača lepe nagrade, katero vodijo naši društveni tajniki in tajnice. Bratje in sestre, zavarujte svoje sinove in hčere pri organizaciji, kamor vi spadate, kajti korigišči od tega boste imeli vi in vse članstvo S. D. Zvezze. — Vprašajte za informacije vsega tajnika ali tajnico, ali pa vprašajte na gl. urad, in pridobite vsaj enega člana za vše društvo in S. D. Zvezze.

John Gornik, kampanjski načelnik.

Dalje ste prošene, da ne pride ste same, ampak povabite tudi svoje soproge; naj tudi oni pridejo, ker se morate zavedati tega, da morate ve iti na njih pridritev in ni lepo, da bi možički izostali od naših pridritev. Tačno boste imeli tudi s kom plesati.

Torej drage sestre, pride in pokažite, da ste še vedno dobre članice in tudi aktivne. Ne pozabite tudi, da sedaj vrši kampanja za nove članice pri SDZ kot tudi za mladinski oddelek.

Naše geslo v tej kampanji naj bo, da vsaka članica privede novo članico v društvo, pa boste veseli uspeha ob zaključku kampanje. In tudi za nagrade, katero nudi Zvezda, je vredno, da se zanjte potrudite. Ne oizrajte se na društveni odbor. Odbor

**Piknik društva Euclid št. 29 S. D. Z.**

Smo že tukaj! Vročina že prisika in sili ljudi ven na sveži zrak, da se malo ohladijo in obenem razveselijo ter zabavajo s prijatelji zunaj na prostem. Sejdaj imate prvo priliko navziti se svežega zraka in biti deležni sončnih žarkov in drugih dobro po tolikih mesecih te dolgočasne zime.

Društvo Euclid bo prvo priredilo piknik v tej sezoni in sicer v nedeljo 24. maja na vrtu Slovenskega društvenega doma v Euclidu. Ne bom omenjal, kaj vse se bo godilo tam, ker dobro veste, da na pikniku je vsega dosti, posebno tistega, ki se potrebuje v vročini in tudi sončnih žarkov ne bo manjkal. Postreženo bo ljudem v vseh ozirih kot so spodobi. Dočim se bodo eni zabavali pri zvokih dobre godbe, drugi pri kozarcih dobrega piva, bodo tretji metali kroglice kot za stavo. Seveda tega sporta ne smemo pustiti, ker imamo pri društvu precej Krascev in tudi našim trgovcem, ki so z blagom priskočili na posočje in zadele z vročino.

Rad bi videl, da bi se poskusili med seboj Kraševci in Jugoslovani. Ali bo kaj? Vrt Slovenskega društvenega doma je tudi prijazen in kot nalašč za piknike v tem času. Pa še nekaj pravilno ne bo, ker dobro vstreženo bo tam, česar pa ne smem tukaj povedati.

Torej vsi na piknik društva Euclid št. 29 SDZ v nedeljo 24. maja, začetek ob dveh popoldne. Na svodenje!

F. Požar.

**Bili smo v Lorainu**

Cleveland, O. — Morda bodo rekli: No, kaj pa je takšega, če ste bili v Lorainu! — Da, da, bilo je že nekaj novega in kaj nekaj novih.

Sedaj bomo pa komaj čakali na to, da je živel 25 let v srečnem zakonskem stanu, velika novost. In ravno to je bil vzrok, da smo jo ubrali v Lorain in se veselili z drugimi. Prišla nas je povabil Mrs. Anton Tomše, ki je doma iz Preserja. Povabilo je vse znance

## 2000 ATTEND GRAND OPENING OF SDZ FARM; PICTURES FUTURE

By Rudy Lokar

Last Sunday all SDZ was out to see a project almost completed, something wanted by the membership for a long time and at last a reality. After demands flooded the Supreme Office and after many snappy articles appeared on this page, the executive board of SDZ finally closed the deal a few weeks ago and has everything completed, except the colony of tents and cabins to be built so that the kiddies of city may come out and vacation and enjoy the country atmosphere.

Back to the history making event of SDZ.—While a big band played the national anthem, the mass of people removed their headwear and stood in silence, after which they applauded when the Supreme President, after an introductory speech, promptly broke a bottle of champagne on the pillar of the dancing pavilion that can accommodate 200 people with ease.—After other official acts of opening the SDZ grounds were completed, the crowd split up, the dance-goers went to the dance hall where already a wonderful orchestra was presenting popular songs of the day.

The older folks corralled their friends and then sat down at picnic tables where they ate and made merry. The kiddies were last seen going in the direction of the ole swimming hole, while over on the athletic field a large crowd watched two baseball teams fighting for the supremacy of the SDZ throne. After this championship was decided a large group of girls and boys came on the field to participate in the biggest track event in fraternal history, the SDZ Olympics. But before the gun went off for the start of this affair the loud shrieking sound of sirens was heard. The crowd murmured, "There they come," and right they were. Coming thru the entrance of the SDZ farm were a group of scantly clad figures running down the stretch of a fifteen mile marathon. They were preceded by a corps of motorcycle police that escorted the boys throughout. The track events then got under way and it was wonderful to watch our own boys going thru the motions of the Paddocks, Tolans and Thorpes, and the girls running almost as fast as Stella Walsh and other great track stars.

Dusk soon settled after the completion of the above events but lo and behold the floodlights were turned on and the farm was all lit up so well that the kiddies of SDZ could participate in a baseball game, the two teams consisting of the pick of Cleveland's juveniles against the pick of the out of town lodges. This correspondent was one of the last to leave but very happy in one respect and that was knowing that the SDZ Farm is a reality at last and as well as a real success.

**Friends of the SDZ, all the above can come to be if only you at your next lodge meeting will bring the SDZ Farm question up for discussion and demand of the Supreme Board that you want a farm and that your lodge is for it. Send articles to this page, discuss-**

ing pro and con the advantages of an SDZ Farm, as well as the disadvantages. Will we have an SDZ Farm by September? Your lodges hold the answer to this, let's hear one answer and 61 echoes. What say?

Martha Washington, No. 38

The regular monthly meeting will be held Friday evening, May 22nd, at 7:30 p.m. at St. Vitus old school building (first floor).

Just to be different, let's make the attendance at this meeting 100%—How about it?

#### Champs

After a long and hard-fought battle, the Clairwood Cowboys emerged the victors in Clairwood's Bowling League Tournament. The team is made up of Ray Breskvar, capt., Josephine Segal, Valeria Ferluga and Joe Surtz. Hearty congratulations!

#### Personals

Congratulations to Julius Bokar, who we understand is going to tie the "knot" and leave the rank of Bachelors on June 20. Bring the future "Mrs." to the meeting tonight, Julius.

The busiest man during the past bowling season — Ray Breskvar — which might account for his many strikes. He said he was too busy to have to throw the ball twice. By the way, he finished the season in fine style—hitting over 600—he says he does that at least once each season.

Attention! Jennie Kokal, Howard Cerne, Fred Krizman —there's a meeting tonight. I expect to see you there. Also our recent new members — Mildred Novak, Anthony Spelko, Adolph Kopach, Russ Kennedy, Val Ferluga, Frank Hocavar and Joe Brodnik.

#### BASEBALL MEETING

A baseball meeting will be held again next Tuesday, May 26th at 7:30, Supreme Office on St. Clair Ave. May 26th is the deadline for entering teams in the SDZ Indoor League.

## FIRST ROUND-UP AT MANCHUDA'S

I'm heading for the First Roundup, yessiree, to meet the friends of the Modern Crusaders and Eastern Stars. The latter two groups will play the role of hosts and hostesses at the first combined affair held by these Collinwood lodges, Saturday, June 13th.

The scene of this affair will be Manchuda's Farm on Green Rd., exactly one mile south of Euclid Avenue. There will be free transportation from the Slovene Workmen's Home and the Slovene Home on Holmes Ave. directly to the dance and all-night outing. Refreshments will be served at reasonable prices and further surprises will be announced soon.

Admission will be 25 cents, an average of four cents an hour, for dancing will last until four or five o'clock in the morning.

So the combined committee will be expecting you and tell your friends. Tickets can be obtained from any member of the Eastern Stars or Modern Crusaders. Get yours now.

### Cerkniško Jezero Holds Important Meet Tonight

By Rose Dusa

The next meeting of Cerkniško Jezero No. 59 is tonight, May 21st at 7:30 in the Slovenian Workingmen's Home on Waterloo Rd. Come all and bring a new member along, so we can win the great campaign that is in progress. We won the last campaign and can do it again.

All young male members interested in baseball should attend this meeting and give me your name, so I may enter a Cerkniško Jezero team in the Jr. League's Baseball League.

Anyone interested in both Slovenian and American singing should come to the Modern Crusaders' Glee Club rehearsals at 7:30 on Tuesdays, Waterloo Home. You don't have to be a Jeanette MacDonald or a Lawrence Tibbett to sing. We have a capable teacher. Come all you singers and attend. I'll bet you certainly could outdo me when it comes to singing. It just costs a small fee of 10 cents, one dime a month. That will not break your purse for four nights full of enjoyment.

Again I want to say: May 21st, Waterloo Rd. and a New Member. If every one brings one new member, the cup is ours and wouldn't we all like that!

### Two SDZ Members Make Film Tour

Anton Grdina and John Dolcic of Girard, Ohio will make a tour of Illinois and Wisconsin with films of the Old World. Mr. Grdina's films are a lot of fun, as those who have seen them can testify. Why not have him come to your meeting some day and show them to your reached.

### Mir, Bled, Kraljica Miru Collect Dues Saturday

Mir No. 10, Bled No. 20 and Kraljica Miru No. 24 secretaries will collect assessment this coming Saturday, May 23 at 7 p.m. at the Slovenian Home on 80th Street.

#### THE DUCTLESS GLANDS AND THEIR DISEASES

The endocrine or ductless glands are among the most important organs in the body. Although they are all relatively small, they manufacture the various chemicals or secretions which regulate the organism and keep it functioning normally. These secretions are called hormones. Each one of the ductless glands secretes one or more hormones, and each of these hormones has a specific function.

It is only during the last fifty or seventy-five years that these tiny glands have been studied intensively, and while much has been learned about these organs and their diseases, a great many problems in this field have yet to be solved. It is probable that when the function and interrelationships of these various glands are understood thoroughly, some of the diseases that are still baffling the medical profession may be conquered.

In research institutions all over the world these glands and their diseases are being studied by doctors and chemists, and constantly more and more is being learned about them. It is a fascinating field of study, for the ductless glands are responsible for most of the vital functions in the body and the results of treatment of diseases of these organs by means of extracts of the gland involved are among the most spectacular in the whole field of medicine.

The most important endocrine gland is the pituitary, which is situated at the base of the brain. This gland is the master of the series, for its function is related to that of all the other glands of internal secretion. The thyroid is the gland in the neck which, when it becomes enlarged, is called a goiter. The thyroid regulates the rate at which food is utilized by the body. The parathyroids are small glands which are situated behind and beneath the thyroid, and their function has to do with the proper utilization of calcium and phosphorus. The suprarenal, or adrenal glands, as they are more commonly called, are located above each kidney. These glands are necessary to life and have much to do with the regulation of energy output and muscular development. Then there are the small specks in the pancreas, called the islets of Langerhans, which secrete the insulin that regulates the burning of sugar in the body. The gonads, or sex glands, in addition to their reproductive function, also secrete hormones which regulate the secondary sexual characteristics, such as growth and distribution of hair, body build, voice and so on.

The thymus, which is a large gland situated low in the neck, is also sometimes regarded as a gland of internal secretion, although its function, which has something to do with growth, is not clearly understood. The thymus is largest in children, and gets smaller as adult life is reached.

(To be continued)

#### FIRST ROUNDUP

All members of the committees arranging the plans for the "First Roundup" are requested to attend the meeting to be held in the library of the Slovene Workmen's Home this Monday, May 25. Please be on hand early.

## "IF I WERE STARTING AGAIN"

Vash Young, nationally known author and insurance salesman, has some excellent theories about selling and contacting his public. Unlike

before me the fact that under all circumstances people need more money.

7. I would make it easy for individuals to buy modest amounts of money from me through the different forms of insurance policies.

8. After getting a client on my books I would then do programming and special service.

9. When things went wrong I would learn to go right, by keeping bravely on the move in face of discouragements.

10. I would use no tricks or subterfuges in the conduct of my business.

11. Instead of getting ugly and disagreeable with secretaries and "buffers" I would try to be so engaging in my manner that they would all like me.

12. Instead of complaining when prospects were hard to see I would increase the honesty and efficiency of my interview-getting methods.

13. My quotas would be based upon constructive work rather than upon how much business I hoped to write.

14. I would work each day as though it were the last day to be allotted to me.

15. I would join and be an active member of my local underwriters' association even if I had to borrow the money to do so.

16. Finally, I would be entirely sold upon the proposition that I was in the finest business in the world — the Fraternal Insurance business.

—The Radiator.
