LETO (VOLUME) XX

DRUŠTVO ŠT. 139, LA SALLE, PRVO DOSEGLO KVOTO

VELIKO VESELJE V LA SALLSKI NASELBINI

La Salle, Ill., 24. aprila.—V tukajšnji znani slovenski naselbini vlada veliko veselje, ker se je zvedelo, da je tukajšnje žensko društvo sv. Ane št. 139, v sedanji kampanji prvo doseglo svojo kvoto. Tekom zadnjega tedna so marljive delavke tega društva nabavile 1333 novih ton pšenice za Jednotino žitnico. Določena kvota je znašala 10,000 ton, toda vrle članice društva sv. Ane so celo to kvoto nadkrilile za 600 ton, kajti spravile so skupaj 10,600 ton žita.

Pri tem gre, naravno, lepo priznanje in hvala sestri Mrs. Jennie Bruder, kampanjski voditeljici št. 139, tako tudi njenim pomočnicam. Sestra Bruder, ki je zaeno blagajničarka društva, zatrjuje, da se z delom na farmi št. 139 še ne bo prenehalo; agilne članice bodo kampanjo še toliko nadaljevale, da dosežejo dvojno kvoto, 20,000 ton.

Iz glavnega kampanjskega urada je došla semkaj brzojavna čestitka društvu št. 139 zaradi dosege kvote; katera čast je baš to društvu dosegla med vsemi drugimi društvi. Tako se nam poroča, da prihajajo tudi iz raznih drugih mest razveseljiva poročila v Joliet, Ill., da bodo tudi nekatera druga društva kmalu dosegla svojo kvoto.

Joliet, Ill., 24. aprila.— Tekom zadnjega tedna se je v naši KSKJ kampanji boljnjih časov, označeni tudi v jubilejni kampanji, pridelalo okrog 63,000 ton raznih produktov. Tudi minuli teden je bil centralni zapadni okraj najbolj aktiven s približno tonažo 28,000 novega pridelka. Iztočni okraj kaže samo za 4000 ton razlike.

Zapadni okraj je na tretjem mestu v tej kampanji; temu okraju smo pripisali k dobrem za zadnji teden 11,000 ton.

Na žitnih poljanah Centralnega zapadnega okraja se je prav za prav zadnji teden pridelalo 27,986 ton žita, vsega skupaj pa 160,578 ton.

V razdobju treh tednov je Iztočni okraj prvič pokazal svoj lep napredek; iz tega je razvidno, da se je začel kosati s Centralnim zapadnim okrajem. Na iztoku se je te dni produciralo 23,940 ton, skupna tonaža tega okraja dosega pa znaša 110,408 ton; iz tega je razvidno, da so naše jeklarne in premogovniki na iztoku še za 50,000 ton v ozadju.

Tamkaj na raznih naših pašnikih zapadnega okraja se je tekom zadnjih treh tednov spravilo na trg 10,960 ton, dosedaj skupaj pa 70,792 ton.

Na podlagi semkaj došlih poročil iz raznih držav je sklepati, da se je začelo v mnogih krajih agilno delati na našem kampanjskem polju. Kakor je razvidno iz naših beležk ali rekordov, je sedaj že nad 100 krajevnih društev agilnih v tej kampanji.

Kakor že na posebnem mestu omenjeno, gre za slaba društvo št. 39 v La Salle, Ill. da je prvo doseglo svojo kvoto. Tudi društvo št. 112 v Ely, Minn., oziroma farma s to številko, se že bliža dosegu svoje kvote, kajti manjka ji samo še 1150 ton do 10,000. Pričakujemo, da bomo zamogli v tem pogledu označeni farmi že prihodnji te-

CENTRALNI ZAPADNI OKRAJ

Joliet, Ill., 24. aprila.—Kakor je bilo pričakovati, tako se je zgodilo. Kar se tiče delovanja naših farm v tem okraju, je zadnji teden Misouri farma prekosila vse druge farme s tem, da je spravila v žitnice 6,667 ton pšenice. Zdaj so delavci Misouri farme spravili skupaj že 15,555 ton žita; na ta način so takoj za farmami v Illinoisu, oziroma na drugem mestu.

Farmarji naše domače države Illinois se dobro držijo, kajti že tretji teden prednjačijo farmerjem tamkaj na severozapadu (Minn.). Zadnji teden so pridelali naši kmetovalci 2,976 ton žita, oziroma za 100 ton več kot njih severni sosedje; skupna tonaža v Illinoisu državi znaša zdaj 16,301 ton.

Minnesotčani so pridelali v zadnjem tednu 2,862 ton žita, skupni dosedanj pridelok teh farm dosedaj pa znaša 22,411 ton.

Tudi na farmah v Kansasu in Wisconsinu ni delo počivalo. V zadnji državi, ki je na petem mestu, imajo k dobrem 8,475 ton, ako se priračuna 1,725 ton zadnjega tedna. Kansas farme so na zadnjem mestu; pridelale so zadnji teden na novo 1,500 ton, skupaj imajo pa k dobrem 5,100 ton.

ZAPADNI OKRAJ Pueblo, Colo., 24. aprila.

Se vedno so naši pašniki v državi Colorado na prvem mestu. Iz tega je razvidno, da so ti naši pastirji marljivi pri svojih čredah na pašnikih. Pričakovati je, da bo država Colorado zmagala.

O pašnikih v Montani ne moremo nič kaj posebnega o velikem uspehu poročati.

Coloradski pašniki so poslali na trg 1,364 ton drobnice, montanski pa 1,111 ton. Prvi imajo dosedaj 10,819 ton k dobrem, drugi pa 2,222 ton.

Iz države Wyoming nismo dobili od tamkajšnjih pastirjev nobenega poročila, menda tam že ni po nekaterih travnikih vse zeleno. Prosimo pa naše sosede iz te države (Wyo), da naj kmalu postanejo aktivni, da ne bo prekasno!

Odkar se je začela Jednotina kampanja boljnjih časov, so postale baš zadnji teden naše jeklarne Ohio Steel korporacije zelo razočarane, ker jih je Pennsylvania premogovna družba v proizvodnji prekosila; slednja je namreč v tem tednu spravila na površje 4,245 ton premoga ter spravila s tem svojo skupno tonažo na 12,171 ton.

Ohio Steel korporacija je zadnji teden nabavila 1,191 novih ton jekla, vsled česar znaša njena tonaža 11,851 ton ali za 1,300 ton manj.

DRUŠTVENA NAZANILA

Društvo sv. Janeza Krstnika, št. 11, Aurora, Ill.

Na zadnji redni seji je bilo sklenjeno, da se v bodoče naše redne mesečne seje vršijo tekom poletja vsak prvi četrtek v mesecu. Torej bo prihodnja seja dne 3. maja ob 7:30 zvečer v navadnih prostorih.

Dragi mi bratje in sestre! Na tej seji je bilo tudi določeno, da naše društvo obhaja Jednotino 40letnico dne 24. junija, na nedeljo ali praznik našega društvenega patrona.

V ta namen bomo priredili veselico. V ta namen bomo dali na tikete Philco radio aparat v korist društvene blagajne. K sklepu vas še enkrat vljudno vabim na prihodnjo sejo dne 3. maja; udeležite se iste polnoštevilno!

S pozdravom,
August C. Verbič, tajnik.

Te dni sem prejel od glavnega odbora naznanilo, da se od sedaj naprej ne sme posojati denarja članom za assessment, ker njih certifikati nimajo nobene rezervne vrednosti. Jaz tudi ne morem zkladati, torej naj se vsak pomuja in plača svoj assessment redno, sicer ga moram suspendirati. Pa ker naša Jednota izdaja novi certifikat, kateri nosi rezervno vrednost, se prosijo člani, naj zamenjajo sedanje certifikate za nove. Assessment je gotovo malo višji, pa v slučaju takih časov, kakor smo jih imeli zadnji dve leti, pride tak certifikat toliko vreden kakor denar na rokah. Naj to vsak dobro premisli, ker bo vsakemu posamezniku v korist. Na drugi seji vam lahko nadalje pojasnim o tej stvari.

Sedaj pa še par besed radi konvencije, katera se vrši to leto. Ako bo naše društvo poslalo kakega kandidata ali ne, je na vas ležbe; torej tudi to je v korist vsakega člana, ker stroški bodo plačani z assessmenti vred. Ako ima kak član kako resolucijo, naj jo prinese še pred konvencijo na društveni seji na dan, ne pa potem, ko bo že prepozno. Ako pravila potrebujejo kako izpremembo in ako član vidi, da bo to v korist članstva, naj se sedaj oglasi, da se popravi, ako mogoče.

Sedaj se naredi, kar je potrebno, ker taka stvar potrebuje premisleka. Ali bo kdo na izgovor, če bo meni v dobiček? Na konvenciji mora biti vsa stvar tako pripravljena, da se kar streme, ker tam so drage urice in jih mora plačati članstvo. Torej vas še enkrat prosim, da se bolj redno udeležujete seji in tudi mladijo bi rad videl od sedaj naprej. Povejte jim, ako vsak ne vidi, da drugače ne morete plačati svojega assessmenta; pa to lahko poravnate na mojem domu vseeno kadar vam je mogoče, kakor ste doslej; ampak na sejo pa še vendar lahko greste in pripeljite s seboj svoje otroke, naše mlade člane, da se seznanijo in mogoče jih dvakrat ne bo treba vabiti, ker bodo sami z veseljem prišli.

Sklenjeno je bilo tudi, da se to leto vrši veselica; kje in kdaj, se mora še skleniti. Torej malo premislite in se pogovorite med seboj pred sejo in naj vsake pove svojo idejo za to zabavo. Seveda to se bo vršilo v korist društvene blagajne, ker se je naša blagajna osušila in moramo gledati, da se red-

no plačuje bolniška podpora. Do sedaj, hvala Bogu, se ni še noben član jezil, če je moral en mesec čakati na bolniško podporo, do katere je vsak upravičen, in upam, da bodo tudi za naprej potrpežljivi vsi, ker drugače ne moremo delati. Razmere veste vsi, kakšne so, torej mi ni treba še enkrat tu iste omenjati.

SPOMENIK ŠKOFA BARAGE URADNO ODOBREN Cleveland, Ohio, 21. aprila. — Na sinočni seji Jugoslov. kulturnega vrta, ki se je vršila v S. N. Domu, je bilo uradno odglasovano, da se postavi spomenik škofu Irenej Friderik Baragi. Glasovanje se je vršilo potem, ko je deset dobro stopnikov, ki so uradno poročali, da so njih društva na svojih sejah sklenila, da se postavi spomenik v Jugoslovskem kulturnem vrtu zaslužnemu pionirju ameriških Slovencev in Jugoslovanov, pokojnemu škofu Baragi. Predlog je bil soglasno sprejet ter vsesplošno odobren. Dalje je bilo odobreno, da delujemo skupno za Jugoslovanški vrt, ter da se ne cepimo. Tako sem ostal res doma pri družini, kjer sem opravljaj razna dela, vozil z volmi drva za kurjavo, kole za vinograd, opravljaj sem tudi živino.

Na spomlad leta 1881 smo začeli orati po polju; na Cvetno nedeljo smo sadili krompir in tedaj je bila naša draga mati zadnjič na njivi, kjer se je hudo prehladila. Bili smo vsi otroci v velikih skrbeh zanjo. Jaz sem rekel, da grem po bližnjega zdravnika, kar so tudi svetovali vsi naši sosedje. Vendar mati v to ni privolila, pač pa me je poslala k bližnjim sosedam po razna domača zdravila. Mati je postajala vsak dan bolj slaba. Na Veliko sredo pred Veliko nočjo grem vseeno po zdravnika dr. Pavlina v Črnomelj; k nam je došel še neki zdravnik v njegovem spremstvu. Oba sta pregledala našo drago bolano mater in pri tem opazila tudi sedem malih otrok okrog bolniške postelje. Dr. Pavlin je omenil, zakaj nismo že prej ponj poslali, da je sedaj že prekasno, ker se je materin prehlad obrnil in pretvoril v hudo pljučnico. Na Veliki petek zvečer je revica izdihnila svojo blago dušo.

Jaz sem se podal že en dan prej v Črnomelj, da sem brzojavil očetu v Strasswaldchen, Gornja Avstrija, da mati umira.

Sprevid ali pogreb se je vršil v nedeljo ob 4. popoldne v cerkvi k sv. Ivanu in na ondotno pokopališče. Moja pokojna mati je bila doma iz Petrove vasi, rojena Grahek.

Oče je došel domov v pondeljek, drugi večer, toda matere ni bilo več, kajti počivala je že v grobu. O, žalosten in strašen sestanek! Sedem malih otrok nas stopi pred očeta; nastal je nepopisen jok ter vpitje; otroci smo bili stari od 9 mesecev do 16 let.

Oče ni vedel, kaj bi naredil.

Potrebovali smo dekle, da bi čistila in oskrbovala otroke; prosil jih je več, toda ni ena se ni hotela odzvati. Vsled tega so sosedje svetovali očetu naj se oženi. In res, prišlo je več nevest na ogled, toda vsaka se je prevelike naše družine ustrašila, kar bi povzročilo preveč dela pri tolikih otrocih. Končno pride še ena; bila je tudi dekla, ki je služila pri svoji sestri; bila je zdrava ter veselega značaja, skrbna in tudi delavna. Rekla je, da je pri volji poročiti se z našim očetom. Bila je tudi obče spoštovana. Očetu je bila ta ponudba tudi po volji in poroka je bila določena za Križev teden. Toda kdo bo očetu za tovarša, nevesti pa za tovaršico? Nevesta si je izbrala hčer svoje sestre, Anko iz Stanske vasi, oče je pa izbral mene za tovarša. In tako se je tudi izvršilo.

Vsi otroci smo bili veseli ko smo dobili čez tri tedne novo mater ali mačeho, toda ta doba se nam je zdela kot tri leta. Naša nova mati je v resnici zelo skrbela za nas, kakor za svoje lastne otroke in je nas imela zelo rada.

Isto jesen je naš skrbni oče začel zopet računati kako bo v zimskem času; živeža se ni dosti pridelalo; treba mu bo zopet iti krošnjarij na Nemško, da nas preživi; jaz sem pa ostal doma pri hiši in opravljal razna dela, saj sem dopolnil že 16. leto. Isto zimo sem zvedel za naslov mojega strica Josipa Stuklje v Nashville, Iowa, Amerika, kjer je s svojimi sinovi obdeloval veliko farmo. Pisal sem mu torej kar na svojo roko s prošnjo in željo, da tudi mene veseli iti v Ameriko, kjer bom spoznal strica in bratrance; dalje, da sem zdrav in da se razumem na vsa farmarska dela. Seveda v ta namen sem prosil strica, naj mi kmalu pošlje karto za Ameriko, če tudi samo od Bremena pa od tam naprej; dalje sem omenil v pismu, da mu želim za karto odslužiti. In res v prvem

pismu mi je stric poslal karto za Ameriko.

II. DEL MOJE POTOVANJE V AMERIKO

Dne 25. marca 1882, na praznik Marijinega oznanenja v postnem času, sem se podal v Ameriko. Isti dan me je z doma spremlil moj dve leti mlajši brat Janez, da mi je pomagal nositi prtljago čez trg Semič. Na severni strani Semiča se prdstira vas Kal; tam je stanovala teta moje matere, po imenu Skala, po domače "pri Jakopinovih." Že en teden prej sva se domenila z njenim sinom Jakobom, da bova skupaj razjela v Ameriko, saj je tudi on dobil karto od svojega brata Matije, živečega v Wabasha Minn. Ko sva korakala skozi neko malo vasico proti Kalu, kjer so bile hiše z izredno nizkimi okni, zapazi moj brat ne-

kega moža, ki naju je radovedno gledal skozi tako okence; imel je pa precej debelo glavo. Janez mi veli, da bi malo postala, da vidiva, kako bo ta mož svojo veliko glavo nazaj skozi okence potegnil. Radoveden mož je imel res sitnosti, da se je spravil zopet v sobo; sukal in pomikal se je s celim telesom na vse strani v hiši, da bi svojo glavo, ki je bila zunaj, spravil na varno. Skoro da je bilo okno manjše kot pa njegova glava. Končno se je za-

sukal še trikrat na vse strani in se izmuzal iz okna. Naravno, da sva se temu možu z debelo glavo na vso mož amejala. To je moža menda dovedlo do tega, da se je kmalu pojavil na pragu hišnih vrat in nama začel nekaj pridigovati; ker sva se ga zbal, jo kreneva hitro naprej, vedno se oziraje nazaj, če morda ne teče za nama. To je bilo že pred 52 leti, pa imam ta prizor še vedno v živem spominu.

BOWLING SCORES

Results of the recent KSKJ bowling meet will appear in the next issue.

If all the folks would do the few simple things they know they ought to do, most of our big problems would take care of themselves.

SPILLS 300

Waukegan, Ill. — One Waukegan KSKJ member has achieved the height of perfection in the bowling kingdom by rolling a perfect score of 300.

John "Hack" Marinsek of the St. Joseph Society, No. 53, bowled a perfect score April 12, while rolling a practice game at the Waukegan Recreation bowling alleys.

His bowling during the past season has been very consistent, having held averages of 193 and 195 in two Waukegan bowling leagues. He bowls with the St. Joes KSKJ Sport Club team in the KSKJ tournament. "Hack" has been and still is one of the finest sport lovers and players of the St. Joes group, being actively interested in the organization's baseball, bowling as well as basketball teams. In the past years with the lodge, he has shown himself to be a real "Jack of all Sports."

GRADUATE

Barberton, O.—Among the graduates of Norton High School is Sophie Palcic, prominent sodality member.

Rose Nedoh, junior in the same school, won third honors in an oratorical contest held by rural schools. She was to enter the finals last Wednesday.

MUSHBALL, PITTS' TOPIC; CLUB WILL PLACE TWO TEAMS

Albert Benec, Frank Lokar to Pilot Teams

157 TILTS PLAYED

Parish, Lodge Will Back KSKJ Players

Pittsburgh, Pa. — Mushball is again the main topic of the Pitt Kay Jays. After the placing of their last year's team as one of the Big Five in Western Pennsylvania, enthusiasm runs higher than it ever was anticipated.

This year there will be two teams, one sponsored directly by the club, the other to be sponsored jointly by the club and St. Mary's Church. The latter will be entered in the Diocesan Mushball League.

Albert Benec will manage the purely KSKJ team, while Joseph Adlesic will be captain and Sylvester Snelar, coach. Frank J. Lokar will manage the St. Mary's team.

The club team, formulated from last year's junior team, looks very promising, and has on its this year's books two practice wins. The team is composed of players who have been playing together since school days, five years ago. In that time they played 157 games, losing but 16.

Last year juniors played a schedule of 28 games, losing

TWO LODGES PLAN BOOSTER CLUBS; SENIOR MEMBERS PLEDGE SUPPORT

CLEVELAND GROUP FOREST CITY SETS TO DISCUSS CLUB MEET DATE MAY 13

Cleveland, O.—The next regular meeting of Mary Magdalene Lodge will be held Monday evening, May 7th at 8 p. m., St. Vitus School hall. It behooves each and every one of you young members of our lodge to be present at this meeting. There has been a movement to organize a KSKJ booster club for our girls. The older members are willing to do their part, if you younger members show any enthusiasm about this movement yourselves. So come on, girls, show us older ones that you are interested in a club of this sort, which sponsors athletics etc., by being present at the next regular meeting May 7. It is solely up to you.

If you want a booster club, be at the meeting. If you don't show up, then we will take it for granted that our girls do not care for a booster club. I am sure that you will be present 100%. Will be seeing you. Mary Hochevar, Sec'y.

Forest City, Pa.—At the last regular meeting on Sunday April 8, it was resolved to start a booster club for the members of St. Joseph's Lodge No. 12. There already is an athletic club flying KSKJ colors in our town, but we cannot support it financially because under the KSKJ rules it is not eligible for our support.

The members of the booster club now in the making will all be members of the KSKJ and of the St. Joseph Society of Forest City. As I stated in another part of this issue for the members who can't read English, we had 71 members before and 16 joined last month who are of the age when a booster club would be to their interest. If such a club can be started, the older members are willing to go along hand in hand and help with the expenses involved so that the young folks can have their social gatherings and such affairs which they want.

There are such booster clubs all over the country, and it is time Forest City was put on the map as a real Slovenian town where the young men and women gather and work as a unit for the betterment of our members. If this club materializes it will be possible to start athletics if the members so desire. The main point is that it is time the young members took the load of work for the society off the shoulders of the old and help to carry it. Let the older members sit back and take it easy for a while, and the young put their shoulders to the wheel and keep it turning as our fathers and mothers are doing now.

It was decided that the society sponsor a picnic or some other kind of a gathering this summer, so please come to the next meeting and help with some of the arrangements as there will be work enough for everyone, if it is to be a success which I hope it will be. Let's all get together for a good old time meeting on May 13 in Muchie's hall at 2 o'clock in the afternoon. I expect you there, so please don't fail me, as the work of getting you to attend this meeting was given to me. I thank you all in advance for the attendance, and I hope that we can start the ball rolling then.

Valentine Maleckar, Sec'y.

Pittsburgh, Pa.—Who is it that plays at the William Penn Hotel for Pittsburgh business men, at the Willows for the elite of Pittsburgh, at Kenwood Park for the pleasure-seekers of Western Pennsylvania? The Eighth Candle Glows

By JOHN ZNIDARSICH (Continued from a previous issue.)

Considerable space in the paper was devoted to settle some heated arguments arising between Bridgeport and Cleveland on the question of the winner of the Eastern division. The Presidents were declared the winners and played Waukegan, Ill., in Cleveland a series of three games for the KSKJ championship. This was won by the Presidents.

Barberton, under the guidance of the Rev. Fr. Bombach, was also very active in basketball and defeated Cleveland in a series of three games.

The St. Florian Boosters were also organized in this year, thus starting the many booster clubs now in existence. St. Vitus sports and the girls from the Mary Magdalenes also formed a social club of their own known as the "We Boosters," and held some very entertaining socials, besides accompanying the Presidents on their many trips around the baseball circuit.

The St. Vitus Sports held an initiation of new members in the St. Vitus' School basement by a newly organized degree team. All these activities were the direct outgrowth of the support extended by the Supreme Board and the co-operation of Our Page.

In the beginning of this year the editor was forced to run the "Ten Commandments for Married Men," by Judge Alva Pearson of Cleveland, but by the end of the year contributors were many and already rumors were being spread for an extra

page for this organ. Gee Dee and Dox Krax were the pen names of two new columnists to appear on these pages. Some of the contributions were novel.

The Tattler, another column, appeared toward the end of the year, but perhaps the best one we have read in a long time was submitted by some unknown contributor, who described a mid-summer social event in the following fashion: "It sure was hot. The hostess with streams of perspiration on her face was trying to appear nonchallant, while the host peeled off his coat and ran around the hall in his shirt-sleeves, and was soon copied by the rest of the guests. It sure was hot," and that reminds us that it's time to peer at the—

Third Candle—1929

Demands increased for a larger English section. Our Page obtained the sanction of the Supreme Board to use the smaller, 8-point type. The KSKJ then numbered some 33,000 members.

The second KSKJ bowling tournament broke the previous record in the number of attendance and the good sportsmanship shown at Waukegan. The Chicago Five carried off the honors in this meet. Bowling proved that it is one of the most favored sports among the members, both young and old.

Christ the King Lodge, formed in the latter part of 1927, was very active socially, and also entered a Class D baseball team in the Cleveland Muny League and emerged as champions.

Our Page conducted a contest for the best letters on

"Why you should join the KSKJ." Matt Slana of North Chicago won first prize, second honors going to Michael Cerne of Lorain, O., and Rose Strak of Braddock, Pa., winning the third prize. Joliet, Ill., began to break into the news rather consistently.

The Union celebrated its 35th anniversary. The Presidents, this year under the management of William Vidmar, again won the title in the Eastern league and traveled to Joliet to engage that local team, winners of the Midwest league, for the championship, and returned victorious.

The girls were beginning to awaken to KSKJ sports, and so we see a picture of the St. Mary's No. 80 Athletic Girls, and a pretty picture they make, too.

In November, the Flashes, girls' basketball team, were entered in the Cleveland Interfrat League. Members of the team were recruited chiefly from the members of St. Helene and Mary Magdalene lodges.

St. Mary's Lodge of South Chicago celebrated its silver anniversary with much ceremonies.

The Minnesota lodges organized a hockey league, but, as we have mentioned, the chief point of interest this year was the activity displayed by the feminine members in all forms of sports and social activities.

The Cleveland Gossip, a new column, gave the editor some concern as to what he was going to do with all the contributions as we swung into another year, and a look into—

ILLINOIS FIELD NO. 139 GOES BEYOND QUOTA

Midwestern Section Adds Another 4,000 Tons to Margin Held Over Eastern Section in Recovery Drive

Wheat Growers Have Stored 160,578 Tons; Industries of Eastern Section Compile 110,408 Tons; Western Section Totals 70,792

Joliet, Ill., April 24.—Nearly 63,000 tons of cattle, wheat, coal and steel were added to the ever growing total of the K. S. K. J. National Recovery Program during the past week. The major portion of the gain went to the Midwestern and Central sections, which reported approximately 28,000 and 24,000 tons, respectively.

The Western Section, third factor in this race for national leadership, reported nearly 11,000 tons, dropping further into last place.

Midwestern Lead Grows
The wheat growers of the Midwestern Section, current leaders in the contest, added another 4,000 tons to the advantage previously held over the Eastern industries. The Midwesterners stored 27,986 tons in the graineries during the week's activities and now boast a total tonnage of 160,578.

For the first time in three weeks, the Eastern Section was able to come close to matching the great advance of their rivals from the Midwest. The industries this week added 23,940 tons to raise their total to 110,408. The mark is a little more than 50,000 tons short of the leaders' total.

Westerners Drop
The Western cattle raisers, emerging from their lethargic slump of the last three weeks, picked up 10,960 tons. The gain gives them a total of 70,792 tons.

The strong steady advances of all the industries showed favorably in the K. S. K. J. Market Reports, which reflected the week's activities, showing many changes in the standings of the various states.

The week was also heightened by the entrance of many more industries, fields and ranches in the Recovery program as outlined by the K. S. K. J. National Recovery Administration. [The latest reports reveal that more than 100 are now taking an active part in the movement.

Self-Expression Is Inadequate Guide for Life

"Self-expression alone is inadequate as a guide for life because of its ambiguity," Dr. Dom Thomas Verner Moore, professor of psychology at the Catholic University of America, Washington, D. C., told a distinguished audience at the Carlton Hotel in a recent illustrated lecture on Dante Gabriel Rossetti. Dr. Moore, in presenting a character study and evaluation of Rossetti's philosophy of life, called attention to the fact that in his later life Rossetti had conceived self-expression as the purpose of life and in doing so had abandoned the high ideals of his youth to a method of living dictated according to his emotions.

Commenting further upon this philosophy of self-expression, Dr. Moore stated: "There are two selves within us all, the higher and the lower: the perfect man, the image of God, and the fiendish ego in which there is no vestige of divinity. Rossetti truly saw that we must be like God, but he slipped into the fallacy of confusing His image with the imperfect human being on earth. If we avoid effort (and all his life Rossetti shrank from effort)—we shall never become like God, but

MILWAUKEE CLUBS BILL PROGRAM TO GLORIFY MOTHERS

Three Lodges Will Sponsor Mother's Day Program

Milwaukee, Wis.—A Mother's Day program will be sponsored May 13, in the South Side Turner Hall, by the KSKJ, lodges of Milwaukee, Nos. 65, 173, 273.

The program will start at 3 p. m. and will include a banquet scheduled to start at 5 p. m. The evening program will include dancing.

All Knights and Ladies of Baraga should attend this event for the following reasons:

Mother's Day awakens in the minds of young and old, the many memories of sad and happy moments of their lives, but recalls in particular those impressionable childhood days, when mother meant everything. Mother—a word so full of meaning. Mother—a personification of love and devotion, patience, and understanding of sympathy and kindness.

Do you ever think why you are a man or lady worth living and loved by every one because of your strong character. It was because mother so carefully and patiently guided her uncertain child's footsteps, and who led the way to remove those harmful obstacles in life's path.

It was Mother who taught us the faith, which even years of weary travel in foreign lands cannot entirely erase from our souls. Because we are all rather forgetful, it is only on Mother's Day that we are reminded to pay dutiful homage to her, who has not spared herself in providing for us.

Baragites, is there any other more beautiful opportunity than this to grasp? Of course not! Just to show mother how much we appreciate her and all she has done for us, bring her to this banquet and treat her. It may be your last and final chance. For those whose mothers are resting at peace, bring some other mother and treat her as you would your own.

Helen Bremsek.

MISSOURI FARMERS ENTER FIGHT FOR SECTIONAL HONORS

Enjoy Prosperous Week to Challenge Midwestern Leaders

ILLINOIS GAINS Minnesota Farm Continues to Set Pace for Wheat Growers

Joliet, Ill., April 24.—A third figure this week entered the brilliant battle now being waged for recovery leadership in the Midwestern Section. That party is the Missouri Farm, which this week stored 6,667 tons of wheat to take the play away from the Minnesota and Illinois Farms.

The addition gives the Missouri farmers a total of 15,555 tons and puts them right on the heels of the Illinois farmers, now holding second place.

For their part, the workers of the Headquarters State did rather well for themselves, cutting into the Minnesota Farm's lead for the third consecutive time. Their gain this time, however, was only a slight one, their tonnage of 2,976 for the week being slightly more than 100 tons over the Minnesota mark. The addition gives them a grand total of 16,301 tons.

The Minnesota Farm, leaders of the National Recovery since the outset, added 2,862 tons to their graineries during the week. Latest wire reports from the grain markets credit the Minnesotans with 22,411 tons.

The two other farms of the Midwestern Section, the Kansas and the Wisconsin, likewise added to their grain holdings during the week, though their advances hardly matched those of the three leaders.

The Wisconsin Farm, in 4th place with 8,475 tons, picked up 4,725 tons during the week. The Kansas Farm, in last place, added 1,500 tons to raise its total to 5,100.

Plans Set For Baraga "Campaign Dance" Bill

Milwaukee, Wis., April 22.—With but a few days remaining before the Knights and Ladies of Baraga Campaign Dance to be held at the South Side Turner Hall Saturday, April 28, the Dance Committee is happy to announce that all is in readiness for this biggest social event on the Baraga calendar. The big feature of this affair will be continuous music by two orchestras who will play a program of modern and old-time tunes, especially arranged to please young and old alike.

Tony Yank, whose stellar nine-piece band made such a hit at the recent Sports Dance will be assisted by the peppy Rhythm Rascals in providing continuous music from 8 p. m. to 12:30 a. m. As an added feature, free beer will be given to the first 25 patrons.

The committee is particularly desirous of having the old folks present at this affair and has arranged to have tables for those who want them. Invitation is extended to everyone and especially to members of the following organizations: St. Ann's, St. John's, St. Mary's and St. Joseph Lodges KSKJ; Badgers, Cardinals, Forwards, Jolly Allis and Lilya. Tickets may be procured from any Baraga member for but 25 cents in advance or 30 cents at the door. Dance Committee.

Colorado Range Maintains Lead Meets Advance of Montana Rangers

Pueblo, Colo., April 24.—And still the Colorado Range rules the West! Afforded practically no opposition during the past month, the Colorado Rangers have taken advantage of the opportunity to pile up a tremendous lead in fight for sectional recovery honors.

The past week, however, saw the Montana Range getting back into the fray and though they were unable to cut down the Colorado's advantage, they did succeed in preventing them from adding to it to any great extent.

The weekly cattle figures showed the Colorado Range gaining 1,364 tons, while their rivals from Montana tacked on 1,111 tons. The additions give the Colorado and Montana Ranges totals of 10,819 and 2,222 tons, respectively.

The Wyoming Range, third factor in the Western Section, has not yet made its first report and supporters of the Western Section in the race for honors in the K. S. K. J. National Recovery are anxiously awaiting word from them.

Despite the fact the Wyoming Range's absence from the sectional standings leaves it an open fight between the two, the Colorado and Montana Ranges join the K. S. K. J. National Recovery Administration in urging the Wyoming Rangers to mount their steeds and begin rounding up the cattle.

Through a typographical error, the year of Mr. Zupan's birth was given as 1879 in last week's issue of Our Page. It is 1875.

"The Foundling," a True Story, Stranger Than Fiction

Joliet, Ill.—Truth is stranger than the wildest fairy-story . . . and more interesting. That is why "Najdenček" (The Foundling) lost little time proving itself an interesting play to the young American actors of St. Joseph Parish.

The story of its hero is authentic history; Peter Pavel Glavar fits into the life-history of the Slovenian nation like a composite of Juniper Serra, Edison, and Burbank would fit into ours in America. He was at once priest, agriculturist, and humanitarian. But to reach this threefold career, Divine Providence led him through another "Odyssey" by land and sea which the Joliet players attempt to portray in drama.

This country's Slovenian youth would truly forfeit a rich education not to know more about Peter Glavar. And there is not an American boy or girl whose parents speak at least a little Slovenian at home who can say the language of this play is beyond them. Remember: it is written and acted by young Americans, to be understood by young Americans.

Even without the play, the musical concert deserves the ticket-price. St. Joseph Band will play original numbers not found anywhere else in the world.

Remember the dates: May 6, afternoon and evening; and the evening of May 8.

RECOVERY LEAD IN EASTERN SECTION TAKEN BY MINERS

Pennsylvania Mining Co. Pushes Ohio Steel Out of First

MICHIGAN GAINS Steel Corporation Takes Third From N. Y. Exporting Co.

Cleveland, O., April 24.—The joy that has been prevalent throughout Ohio since the opening of the K. S. K. J. National Recovery Program was somewhat dulled today when it was announced that the Ohio Steel Corporation surrendered recovery leadership in the Eastern Section to the Pennsylvania Mining Co.

Continuing their brilliant work of two weeks ago, where-in they cut heavily into the lead held by the Ohio steel workers, the Keystone State miners swept into first place by mining 4,245 tons of coal in the past week. The gain, one of the largest ever reported by any industry, gave the Pennsylvania Mining Co. a total of 13,171 tons.

The Ohio Steel Corporation, still in the throes of the slump which set in two weeks ago, was able to increase their yard inventories by only 1,191 tons of rolled steel. The company's total of 11,851 tons is about 1,300 tons short of the Pennsylvania mark.

This, however, was not the only change recorded in the Eastern Sectional standings in the week's activities. The Michigan Steel Corporation took advantage of the inactivity of the New York Exporting Co. to move past that organization and take over third place. Producing 1,880 tons of steel during the week, the Michigan steel rollers now boast a total of 6,280 tons. The New York Export Company has a 4,582-ton total.

The Indiana Steel Corporation, likewise inactive, remained in last place with a total of 1,463 tons.

1,333 Ton Gain in Week's Drive Gives La Salle Farmers Honor of Being First to Reach Contest Goal

Field No. 112 of Minnesota, Mine No. 241 of Pennsylvania Mining Co. Lead Others Who Are Nearing Quota in KSKJ. National Recovery

La Salle, Ill., April 24.—The whole city turned out today in a gala celebration greeting the announcement that Field No. 139 here of the Illinois Farm had earned the distinction of being the first to go over quota in the KSKJ National Recovery Program. Storing 1,333 tons during the week, the Field totaled 10,600 tons to go well over the mark set for them.

"LAST MILE" IS ON KNIGHTS' DOCKET

Brooklynites To Present Former Broadway Record Holder

Brooklyn, N. Y.—The Knights of Trinity have been organized since November, 1930. During the course of the last three years there have been quite a few interesting events fostered by these fast stepping boys.

Starting with a Chinese Night, these boys followed closely with baseball, socials, bus ride, dances, annual communion breakfasts, Knights nights, where only the Knights gathered and attended night baseball games, wrestling matches and other things too numerable to mention.

There is, however, one thing missing. This thing that is lacking is dramatics. While impromptu acts at various gatherings were enacted there has been no serious attempt at dramatics as yet.

The Knights of Trinity will, on Saturday evening, May 5, at 8:30 sharp, present the "Last Mile."

This play had a record breaking run on Broadway a few years ago, to be followed later by a motion picture by the same name. The Knights will produce a one act version, arranged by John Wexley, the author.

The "Last Mile" is being staged under the direction of Anthony J. Staudohar, who has been pleasantly surprised by the large amount of talent that prior to this occasion remained undiscovered.

One interesting and gratifying feature connected with the staging of this play is that of the twenty-one members in the club, sixteen have parts in it, and every rehearsal to date has been 100% in attendance. It is truly amazing, considering that some of the boys travel more than one hour each way to attend the rehearsals.

The committee, in behalf of all the members, invite all those who possibly can attend, to come down, for we can safely say that it will be an evening well spent, for following the play, there will be dancing to the music of none other than our own Jerry "Prof" Koprivsek and his orchestra.

This affair is being staged at the American Slovenian Hall, on Bleeker and Irving, Brooklyn, and the Knights hope for the utmost co-operation of all the Slovenian people in Greater New York to make this performance a success. The tickets are only fifty cents apiece and can be procured from anyone of the Knights.

Charles Staudohar.

that you are going to meet with success and then you can write the business.

—Selected.

Showing consistent gains each week since the Recovery program was adopted, the No. 139 farmers climaxed their drive on quota by storing 1,333 tons of wheat during the past seven days, to push their Field 600 tons over quota.

Hope to Double Quota
In commenting upon the success of the Field under her management, Mrs. Jennie Bruder expressed her appreciation of the splendid support given her by the workers and further prophesied that Field No. 139 was still far from being finished with its work and that the close of the Recovery program would find it with a total of 20,000 tons.

And while the K. S. K. J. Recovery Administration was extending its congratulations to Field No. 139, they were awaiting reports from other sources which would indicate that others had likewise gone over quota.

No. 112 Has 8,850 Tons
Principal among these was Field No. 112 of the Minnesota Farm, which at present is just 1,150 tons short of its 10,000 ton quota and seems destined to go over the top within the week. At any rate, Joseph Peschel, Field Manager, was confident his Field would be the first in the Minnesota Farm to go over the mark. Another Minnesota Field nearing quota is No. 203, which at present has a mark of 7,000 tons.

Mine Nears Quota
From the Pennsylvania Mining Co. comes word of the outstanding success of Mine No. 241. Latest reports show that this mine, managed by Foreman Anton Malesic, has already mined 8,500 tons of coal and is expected to reach 10,000 tons in the very near future.
