NO. 49 — ŠTEV. 49

CLEVELAND, O., 8. DECEMBER (DECEMBER), 1943

VOLUME XXIX. — LETO XXIX

28. KAMPAJNSKO POREČILO

Divizija 226 šeste armade je dosegla predpisano kvoto. Za divizije omenjene armade je določena kvota \$15,000.00 zavarovalnine. Divizija, oziroma društvo Kristusa Kralja, št. 226 (Cleveland, Ohio) je do sedaj vpisalo \$15,500.00 zavarovalnine. To je prva divizija šeste armade, kateri načeljuje generalka Mrs. Mohar, ki je določeno kvoto dosegla. Čestitamo!

Štiri divizije se sedaj ponašajo s častjo dosežene zavarovalnine. Te divizije so: 45, 156, 206 in 226.

Armada generala Germa, ki je precej časa zavzemala prvo mesto, se je morala premoci tretje armade umakniti. Tretja armada pod poveljstvom generala Math Pavlakovicha ponovno zavzema prvo mesto.

Zadnje čase so vse armade prav povoljno napredovale. Po-sebno se je odlikovala armada generala Zefrana.

Generalka Mrs. Mohar je pridno na delu in vse kaže, da bo tudi njena armada v kratkem dosegla \$100,000.00 zavarovalnine. Zelimo veliko sreče!

Iz porečila je razvidno, da tudi generala Lekšan in Cerkovnik delujeta na to, da čimprej tudi svoje armade privedeta na častno mesto.

Armade so sedaj razpostavljene po naslednjem redu:

3.	\$123,500
1.	120,750
2.	114,500
7.	113,000
6.*	81,750
4.	56,500
5.	46,250

Bratje in sestre! Še tri dobre tedne in kampanja bo zaključena! Porabimo to dobo v kampanjske svrhe in pridobimo kolikor mogoče novih članov in članic, da dosežemo zaželeni cilj — EN MILIJON ZAVAROVALNINE.

Josip Zalar, glavni tajnik.

KAMPANJA ZMAGE

naše Jednote traja samo 23 dni! — Hitite!

Prve ohijsko društvo doseglo kampanjsko kvoto

Miss Angela Mencin

Ko je bil lani v novembra brat John Mencin, tajnik društva Kristusa Kralja, št. 226 v Clevelandu vpoklican v armado, je tajniške posle prevzeli njegova sestra Angela. Da se izkaže vredno tega nasledstva, je to tudi izvršila v sedanji naši "V" kampanji. V današnjem uradnem kampanjskem naznamenu je njeni društvo omenjeno, da je doseglo predpisano kvoto \$15,500 in isto celo prekorčilo. Naši napadi bodo brezobirni in vedno večji.

Društvo Kristusa Kralja, št. 226 v Clevelandu je torej prvo Jednotino društvo naše Clevelandske metropole, tako tudi naše države Ohio, ki se lahko ponaša s to častjo. Dosej so že štiri države na tem častnem mestu: Illinois, Montana, Minnesota in Ohio. Kaj pa z ostalimi državami?

Pearl Harbor je bil tudi za Ameriko lepa šola, da je svojo bojno silo ojačila, saj znaša sedaj njena armada nekaj nad devet in pol milijona mož, ali petkrat toliko kot l. 1941. Bojni ladji imamo sedaj 800, tovornih 1,688, vsak mesec se izgotovi 9,000 bojnih letal najboljše vrste. V tem času je bilo ubitih na fronti 28,586 ameriških vojakov, ranjenih, pogrešanih in v vojnem ujetništvu pa 102,329. V trgovski mornarici 656 ubitih, pogrešanih 4,133, v vojnem ujetništvu 547; bojnih ladij izgubljenih 132, trgovskih pa 338. Stroški vojne znašajo vsak mesec 7 bilijonov dol.

Kakor smo dosedaj objavili slike še vsakega kampanjskega zmagovalca, tako vršimo to tudi danes. Z veseljem bo objavljen tudi slika prihodnjega zmagovalca ali zmagovalke, toda vprašanje je: katerega?

Naj bo pri tem še omenjeno, da je sestri Mencin in tej kampanji pomagala tudi njena mati, ki zaslubi zato enako povalno.

"Matjašič in jaz sva bila na istem čolnu," je poročal Lucas po radiu za ameriško časopisje. "Štirikrat je poskušal naš čoln pristati na bregu, predno se nam je to posrečilo. Mnogo naših čolnov se je pri tem poskusil pogreznilo. Mnogo vojakov smo rešili iz vode, toda mnogi, ki so bili ranjeni, so utonili.

"Japonska topovska krogla je zadela tudi naš čoln. Sunek je vrgel Matjašiča po tleh. Končno smo pristali na bregu in se izkrcali med točo japonskih krogel. Marini so cepali okrog nas kot muhe.

"Ray in jaz sva odložila svoje pisalne stroje, torbe in daljnogled, pa planila na obrežje. Bila sva med prvimi, ki sta si izkopala jamo v pesek. Pokazalo se je, da je bil to najvarnejši kraj na otoku takrat. Pre (daleko na 6 strani)

Sklepi "velike trojice" v Teheranu

Teheran, Perzija, 6. dec. — V tukajšnjem mestu se je vršila te dni zgodovinska konferenca zastopnikov treh velesil, britskega ministrskega predsednika Churchilla, predsednika Združenih držav Amerike F. D. Rooseveltta in predsednika Sovjetske Rusije, Josipa Stalina. To važno zborovanje je trajalo vsega skupaj sto ur. Isteča se je udeležil prve dni tudi predsednik kitajske republike general Kajšek s svojo soprogo.

Dne 1. dec. podpisana deklaracija zastopnikov treh velesil, ali "velike" trojice zavzema sledeče važne točke z ozirom na sedanje vojne in povojske razmere:

1. Dosegli smo popolen sporazum in soglasje glede vojnih operacij, ki bodo podvzete na iztoku, zapadu in jugu.

2. Nobena sila na svetu nas ne more ovirati, da bi ne uničili nemške armade na suhem, njih podmornice na morju in z našimi letali njih vojnih prav. Naši napadi bodo brezobirni in vedno večji.

3. Priznavamo, da leži vse odgovornost na nas in na vseh združenih narodih za dosegla miru, ki bo uveljavljal dobro voljo med večino ljudskih mas širom sveta in da se bo s tem vojne grozote ter strah pred vojno odstranilo za več bodočih generacij.

4. Mi bomo pozdravljali vse one, ki bi želeli priti v svetovno družino demokratičnih narodov. Dobrodošli so nam vsi narodi, veliki, ali mali, ki imajo tako srce in voljo kakor mi, sami, da se odstrani tiranstvo, suženjstvo in nestrop.

5. Mi prihajamo tukaj z upajanjem in trdnim sklepom; od takoj se ločimo kot resnični prijatelji po duhu in našem namenu."

16. član KSKJ padel za domovino

Mrs. Louise Stopar, 3907 E. 96. St. je prejela brzjavno sporočilo, da je bil ubit v boju 9. novembra njen sin, korporal Frank

KAMPANJSKA BORBA ZA PRVENSTVO

Se teh par tednov (do 31. dec.) bo gotovo vsak Jednotar z zanimanjem zasledoval kampanjska poročila, da se prepriča o srečnih zmagovalcih, ali borcev za prvenstvo. Iste delimo v dvoje vrst: v armade, katerih je sedem in pa v divizije razdeljene v teh armadah, oziroma v krajevna društva.

Izmed armad so do 2. dec. že štiri (1., 2., 3. in 7.) dosegle \$100,000 zavarovalnine in celokupna zavarovalnina do označenega dneva je znašala \$656,250.

Stiri divizije ali društva so tudi že dosegla svojo predpisano kvoto in isto celo prekoračila: št. 206, 45, 156 in 226.

Tukaj pa navajamo najbolj agilno društvo ali divizije vseke armade:

1. Št. 169 - \$23,250; manjka mu še do kvote \$16,750.
2. Št. 108 - \$22,500; manjka mu še do kvote \$12,500.
3. Št. 156 - \$36,500; že daleč prekoračilo kvoto.
4. Št. 110 - \$8,500; manjka mu še do kvote \$16,500.
5. Št. 191 - \$12,500; manjka mu še do kvote \$7,500.
6. Št. 226 - \$15,500; že doseglo kvoto.
7. Št. 206 - \$16,000; že doseglo kvoto.

Važno! Skupna zavarovalnina navedenih sedem društev znaša \$134,750, ali eno tretjino svote vseh društev skupaj. Važno je tudi dejstvo, da so pri petih izmed teh društev tajnice v uradu, ki gotovo najbolj delujejo v kampanji; torej gredo naše vrle Jednotarice z lepim zgledom naprej, za kar jim vsa čast in priznanje!

Samo že 23 dni traja naša "V" kampanja! Torej na delo!

K. S. K. J. ŽENSKA LIGA ZMAGE V MATCH GAME PITTSBURGH, PA.

V nedeljo, 2. novembra, ob 2:30 popoldne je kegijala K. S. K. J. ženska liga z Armstrong ligo na Lawrence Recreation Alleys. Bilo je deset deklek z našimi desetimi skupaj — in naša K. S. K. J. liga je zmagala ter dosegla sveto 2907 podprtih kegljev, Armstrong pa 2606. Žene in dekleta, katere so kegijke v tej tekmi, so vredne posebne zahvale zato, ker so v resnicu zelo dobro kegijke, in to so: Blondie Stayduhar, Rose Modrich, Nettie Owen, Violet Senjan, Ann Senjan, Zella Paris, Katherine Rogina, Mary Turk, Mary Solomon, in Ruth Danko.

Armstrong liga je zelo fina družba kegijačic in upamo, da bomo kmalu zopet kegijke z njimi v njih prostorih v Dornament, ko bomo vrnili igro.

Cestitke vam, kegijačicam, za fino delo in upamo, da boste ravno tako dobro kegijke v boičnih igrah.

Frances Lokar.

Opustite potovanja o praznikih

Od Zahvalnega dne pa do božiča se ponavadi poda na pot največ ljudi, ki delajo obiske in druga nepotrebna potovanja. Letos je treba to omejiti, sicer bodo železnične in avtobusne linije med mestni prenapojene, in ne bodo mogle dati zadostenja vsem potnikom.

Neglede na nepotrebno obtežitev železničnega materiala, kadar civilno prebivalstvo preveč potuje, je treba pomisliti tudi na to, da se lahko pripeti tisoč vojakov, pomorsčakov in marinov, da ne bodo mogli iti domov na dobro zasljen dopust, ali pa celo, da bodo, ki odhajajo preko morja, da ne bi mogli še zadnjic obiskati svojih domačih. Nememšljeni civilisti, ki delajo načrte za potovanja za odmor in razvedri, v periodi od Zahvalnega dneva pa do božiča, bodo morda čisto po nepotrebni preprečili svidenje mater, očetov, žena in zaročenih s svojimi, ki se nahajajo v oboroženih silah in so tik pred tem, da odidejo preko morja.

Poleg tega pa je tudi umestno, da obvestite vsakogar, da trenutna potovanja niso pravni prijetna, pa bodisi da gre za poselno ali počitniško potovanje. Vlaki so prenapojeni, in često tudi imajo zamudo zaradi vojaških zahtev . . . jedilnih vozov mnogi vlaki ne vozijo več s seboj, a kjer so, je vedno jako težko najti mesta v njih. Potniki morajo včasih stati na hodniku skozi stotine milij potovanja dočim je njihova prtljaga vsa križem razmetana po vagonu.

Ako si odrečete potovanje, pomagate prihraniti nujno potreben transportni prostor in železnični material. Ako ne potujete, je tudi našim vojakom življenje bolj prijetno. A to življenje je itak dovolj trdo že samo na sebi.

Omejitev potovanj bo ostala potrebnata skozi vse mesece, ki leže pred nami, in prav do Konca vojne. Radi tega se ni rečeno, da si ne smete privoščiti potovanja na počitnice, ako to zares potrebujete, toda v vsakem slučaju morate počakati vsaj novega leta.

Odpošljite zgodaj svojo božično pošto

Amerikanci, ki letos kupujejo in razpošljajo svoja božična darila, naj ne pozabljajo, da je njihova pošta in vsa transportna sredstva, že težko obremenjena z vojnimi delom. Ravnonkar so s težavo dokončali ogromni posel razpošljanja neštetičnih ton božičnih darov našim fantom onstran morja.

Vsled tega pa bo velikanska naloga obvladati obsežne kolичine božične pošte, sprejeti, prenesti in oddati vse pošiljke naslovljene ljudem, ki se nahajajo doma, edino le takrat izvedena o pravem času, ako bo vsak posameznik sodeloval na naslednji način:

1. Pošiljati po pošti čim manj obsežne zavoe . . . najbolje je oddajati vojne bonde, ali pa varčevalne znamke.

2. Oddati na pošto vse zavoe čim prej mogoče.

ADVENT

Advent! Čas priprave za duhovno prerojenje; da se pripravimo na prihod Odrešenikov v naše duše. Čas, da znamo slovesno in javno izpovemo, da mora priti in vladati svetu Odrešenik, da vpostavi na zemlji zopet mir in pravičnost. On, ki je Luč od Luči naj prizre svetu luč, ki bo svetila v tem današnjih dneh.

Saj je danes vse na okrog same tema, sama stiska in beda. Saj bi radi vsi klonili v obupu in nas morijo črna dejstva

IZ URADA
Slovenskega Ameriškega narodnega sveta
3935 W. 28th Street, Chicago, Ill.**Glavni zaključki s seje SANSA**

14. novembra

Seja se je vrnila v Slovenskem narodnem domu na St. Clarju, Cleveland, O., 14. novembra. Navzoči so bili sledenje: častni predsednik Louis Adamic, predsednik Etbin Kristan, prva podpredsednica Marie Prisland, drugi podpredsednik Janko N. Rogelj, pomožni tajnik in zapisnik Mirko G. Kuhel, blagajnik Josip Zalar, oddornika Vincent Cainkar in dr. F. J. Kern, namestnika Katka Zupančič; kot gost je prisotnoval tudi Sava Kosanović.

Obljubljena je bila Združenemu odboru finančna pomoč v znesku \$1,500 mesečno za dobo pol leta. Vsa kampanja za zbiranje prispevkov med Slovenci za Združeni odbor se bo vrnila le po SANSA. Ugotovljeno je, da so slovenski interesi v Združenem odboru večji nego hrvaški, srbski, bolgarski ali macedonski in radi tega je SANSA pripravljena podpirati ga v polni meri. Odstranitev italijanskega generala Roatta iz Bagdolijevske kabine je delna zasluga Združenega odbora.

Poleg tega je bila resignacija iz odbora od Rev. Aleksandra Urankarja in Rev. Johna J. Omana. Izraženo je bilo obžalovanje, da je prišlo do tega koraka. V odboru sta bila sodelovala slišno potrjena od kongresa izvoljena namestnika: Katka Zupančič in John E. Lokar.

Vincent Cainkar je bil izvoljen za zastopnika SANSA v Združenem odboru jugoslovenskih Amerikanov. Na tej seji je bilo ugotovljeno, da vzroki za odstop iz SANSA omenjenih dveh ne drže ter da se je ekskutiva SANSA ves čas držala

vsakdanjega življenja. Tehnika napreduje, kultura pada. Sami novi izumi preganjamajo drug drugega, ljudje pa nimajo kruha. Zabavališča se polnijo in požirajo težko prisluženih denar, cerkev pa se praznijo, ker ljudem ni več za utehu duha. Vse drvi za denarjem, duhovne vrednote pa se mečajo na cesto. Telesna kultura napreduje, nega duha trpi škodo. To je duhovna stiska, ki je dala pečat naši dobi in našemu rodu.

Mesija, Odrešenik naj pride! Oznanjevalec boljših časov, ki bo razgnal to temo in ustvaril pogode za svetlejšo rast človeštva.

Pa saj je že med nami. Med nami živi s svojo zapovedjo v ljubezni in pravici. Samo očititi je treba duhovne oči, da ga bodo videle, duhovna ušesa, da ga bodo slišale, srce, da bo do njega mogel glas njegove ljudstva.

ZUPAN ŽAGAR

Povest iz prve svetovne vojne

Spisal Slavko Slavec

Ob koštem vrbovju, rastočem kraj potoka, je sedela v solncu na pokošeni travi sključena postava. Na tleh poleg človeka je ležala dolga, spodaj okovana, zgoraj v blazinast polkrožec končavajoča se bergla. Clovek se je oslanjal z levim kofolcem na tla, z desnico pa je zabadal iglo v svoj levi hlačnik nad koleno, in natezal dolgo nit proti kačjim pastirjem, ki so obletovali vrbovje.

"Ali se solniči, Tinkatonka?" Je vprašal župan.

Sedemčemu je desnica omahnila navzdol in navzven, kakor bi se mu bila v ramenu izvinila, obraz se mu je dvignil in spačil ter se obenem krtevito povesil proti levemu ramenu, usta so zazijala in iz njih je švitnilo skozi zobe:

"In-an."

Županu se je zdelo, da je hotel oni odgovoriti: "Šivam."

Hromec srednjih let, ki so mu bili otroci po enakomernem, biniklajočem premetavanju ob bereli vzdeli Tinka-tonka, je bil občinska sirota, od rojstva pohaben, z desno nogo zvito v kolenu in krašjo od leve, z božjastnim obrazom in nepokornim jezikom, ki se mu je rajši zapletal v živalske glasove nego v človeške. Vaščani so bili njegovega lajanja vajeni in so iz njega precej razločno slišali besede, ki bi jih drugi ne bili razumeli.

Iza vrbovja se je svetlikala voda. Župan je odmaknil veje in stopil na izpodjedeno grivo. Z nje se je ustrelil v kamenito strugo, ki je bila za dobro koleno nižja in več ko do polovice suha. Njegovi hreščeci koraki so begali najmlajše ribice po plitvih tolminčkih ob strani. V ravnih rojih so švigale iz obrobnih, v solncu ugretih plitvih v temnejše, zelenkaste osrednje valove. Žuželke so brnele po grmovju, ki se je tu in tam sklanjalo nad vodo. Veliki rumeni metulji, manjši beli in še manjši modrasti so priletali s travnikov in polj, se poigravali s snopji žarkov nad vodo ter se neslišno izgubljali na drugi breg. Iz lapanovja se je priplazil kuščar, pomigal z repom in z glavo po belkasti skalici ter se zaril v visoko travo pod nizko brežino.

"Dost! nas je še, ki ne žežimo," je pomisliš župan, "več ne go tisti, ki so odšli." Po shojenem travnatem koncu med njivami in potokom je krenil proti vasi. Od tiste strani se je videlo bolj ozadje vasi. Strehe so se spuščale z visokih slemen nizko dolni do hlevov in staj, prizidanih h glavnim poslopjem. Iza trhlih ograj so štrelji gornji konci prislonjenih, različno dolgi lat in nepozaganih kolov, sršeče so visoko zložene butare, plezali so slakovi in se prepletali s srobotjem. Ob njih so zeleni latniki in še niže so do pasu segajoče vrtne ograje tonile v živem zelenju vrtnih zelišč in domačega cvetja.

Župan je bil vajen tega pogleda. A še nikoli niso objemale njegove oči vseh podrobnosti s takim ugodjem kakor tisto jutro, še nikoli ga ni napolnilo tako živo občutje, da je vasica podobna najlepšim jaselcam in bilo greh motiti to ubrano uporost in rušiti tiko srečo, zapredajoč neznatne krove čarobne nego slakovi in trte, cvetje in srobot.

Na prvem križišču je razgledal gospoda župnika, prihajajočega iz vasi. Odkril se je od daleč in mu šel naproti.

"Cerkve je še celi?" je vprašal.

"Danes še. Kaj bo jutri, kdo ve?" je skrbljivo potožil dušni pastir.

"Ljudje odhajajo. Glavna cesta jih je polna. Tudi naši so

ubijač po svetu. Prosjačit ne moremo mislit, kako je bilo še nedavno težko potovati, ko še nismo imeli vlaka, avta in letala. In vendar je bilo vprav vprašanje prostornim in skrajšanjem pohodov vedno temeljno sveta in nemara se nihče ne spomni tega, da bi imela Evropa drugačno lice, če bi bili nekdaj narodi imeli take pripomoke.

"Kaj pa družina?"

"Z mano bo. Dva domova bo imela; enega tam," je pokazal hišico pred seboj, "drugega tu" je za spoznanje privzgnil po končno toporišče in potrkal s koncem lopate po zrahiljanem grušču pod seboj. "Sulec zna, to bolje nego cesarski, ki si nad skalami neke rove izbravljajo. Sulec je viden ameriške rudnike in ve, da se tudi pod zemljo dobro živi, če se nad njo ne more ali ne sme. Ko bi le dinamita imel, da bi ne bilo treba vsega na roke rahljati."

"Bog varuj, Sulec! Z dinamitem nam ne boš vasi raznašal."

"Ne boj se, žagar, saj ga niman. Še tebi napravim vilu pod zemljo, če želiš. Pa zdaj še ne. Tri dni bom tukaj rinil v zemljo. Mati zemlja je trdega srca, a ko ji ga omečiš, te rada sprejme in dobro skrije."

"V treh dneh bo lahko že pol vasi natleh," je dejal ščetinast, plečat kmet iz gruče. "Prepočasi delaš."

"Počasi, kako pa — počasi," je pljunil Sulec v dlan. "Če bi tudi vi dregnili s krampon ali z lopato, bi šlo hitreje. Pa rajši zjala prodajate."

"Le kopliji, Sulec," mu je žagar položil roko na ramo. "Če se tvoja vila obnese, bo tudi pri meni kaj zasuška. In vi — ostaneš v hišah?" se je obrnil h gruči.

"Ne vemo," je odgovoril sunhoten starec v sredi. "Težko je pod bombami in težko je po svetu."

"Kdor lahko ostane, naj ne hodi z doma," je opominjal župan. "Zdaj še ni sile."

"A vaši so odšli," je očital starec.

"Z ženskami in otroki je križ. Jaz pa ostanem," se je opravičil župan.

Domov grede je viden za Polnjevim skedenjem četo vojakov. Sedeli so na praznem vozlu za seno, po branah in plugih in drugem orodju. Nekateri so čepeli ob odprtih nahrbnikih ter si iz njih rezali kruha in prigrizka;

črugi so razgrinjali plašče, sukne in plahte po travi in sedali nanje. Blizu kopriv, rastoch ob zidu, je sedel na otepku slame zataven korenjak v visečimi brki, natezal širok, debel usnjen pas in ga prebadal z dolgo iglo. Pred njim je stalno borno oblečeno, bokato in prsato dekle, stiskalo konce svoje rdeče rute na prsh in si smejočim licem ogledovalo korenjakov posel.

"Tako se to šiva. Zdaj bo držalo," je razlagal vojak z nerodno govorico in se včasih oblastno ozrl v dekle.

Prostor v zgodovini

Kdo bi v tej dobi tehniko pomisil na to, kako težko je bilo prav do najnovejših časov pre-

motiti velike razdalje zemlje. Komaj si moremo mislit, kako promet. V najkrašem času preleti kako pismo neznanske razdalje po suhem in po morju. Radi letala in radia sploh ni več mesta, ko še nismo imeli vlaka, avta in letala. In vendar je bilo vprav vprašanje prostornim in skrajšanjem pohodov vedno temeljno sveta in nemara se nihče ne spomni tega, da bi imela Evropa drugačno lice, če bi bili nekdaj narodi imeli take pripomoke.

"Ameriške izgube v vsej bojni sili"

Washington. — Vojni tajnik Stimson naznana, da ima armada do 15. novembra 94,918 izgub v moštvu, s čemer je narasla izguba vseh ameriških bojnih edinic na 126,969 mož.

Mornarica poroča izgub 32,051 mož in sicer pri mornarici, marinah in obrežni straži. Od teh jih je bilo 13,160 ubitih, 5,740 ranjenih, 8,926 pogrešanih in 4,225 ujetih.

Pri armadi je bilo pa ubitih 14,321, ranjenih 32,690, ujetih 23,417 in pogrešanih 24,490. V vojnem ujetništvu je umrl do zdaj 1,610 ameriških vojakov, največ v japonskem ujetništvu.

Pri peti ameriški armadi v Italiji je bilo dozdaj 1,811 ubitih, 7,091 ranjenih in 2,670 pogrešanih.

"V pomoč našim vojnim ujetnikom"

Cleveland, O.

Od šest do sedem milijonov ujetih vojakov samuje ob tem času po raznih taboriščih širom sveta.

Ti se zdaj obračajo na naša dobra srca za pomoč, ne sicer za denarno pomoč, ampak, da bi jim poslali kakе glasbene inštrumente, knjige in razne atletske predmete.

Ti nesrečni, ki samujejo za življem ogradjami in tam čakajo zapuščeni, daleč od svojcev, da bodo smeli po končani vojni zoper domov, si preganajo dolge ure z raznimi razvedrili, sko imajo za to potrebne stvari.

Dkor bi ondi smrčal v spanju močno in tako glasno,

da bi s tem soseda motil hiše bližnje — "šrafan" bo.

V Južni tamkaj pa Dakoti posov ne smete ščuvati,

da bi grizli se na cesti, javno nikdar pljuvati.

V Houston, Texas pa na cesto ne smeš iti s palico,

policaj te prec zagrabil in zamrežil dobro bo.

Naj bo petek ali svetek če tja v Arizona greš:

starih žab in "krot" ondotnih nikdar ubijati ne smeš.

Zadnja teh postav pa pravi v mestu New York vsem veli:

Da dežnika tam na cesti pred konjem — ni odpirati!

V spomin. — Mnogi Amerikanci so na prostoru westminsterske opatijske v Londonu postavili male lesene križe v spomin padlim tovarišem. Slika nam predstavlja dva ameriška vojaka in sicer levi je mornariški električar Leo Barron iz Arkansasa, Texas in desni pa je Sgt. W. H. Donnelly, Flushing, N. Y., ko postavljata take križe.

okraju Cuyahoga, naj pomaga po svojih močeh. Vsak je naprošen, naj pogleda po omarah in na podstrešju, če ima tam kak glasbeni instrument, ki je še za rabo, kak predmet zaigranje žoge ali kako dobro knjigo.

Te stvari lahko oddaste na bližnji postaji požarne brambe v tem okraju, ali pa v uradu Y. M. C. A. Sprejme se tudi ročne gramofonske aparate, toda ne sprejema se plošč.

Faktična kampanja bo od 9.

do 12. decembra, toda galske postaje že sedaj sprejemajo take predmete. Ako bo potreba se bo te predmete popravilo, potem pa odposlalo v New York, kjer se jih bo potem odbral in odposlalo na razna ujetniška taborišča.

Zastopniki mednarodnega

Rdečega križa in Y. M. C. A. bodo gledali, da bodo ti predmeti prišli v ujetniška taborišča in oddani ujetim vojakom.

V tej kampanji ne nabirajo denarja, ker tudi denar zdaj v vojnem času ne more kupiti takih stvari. Zato gre pa apel na narod, naj daruje take stvari, ki jih ima doma, pa ki jih morda ne potrebuje več, ali ki jih lahko pogreši.

Torej ozrite se okrog po hiši, poiščite kako dobro knjigo, kak glasbeni instrument, kak atletski predmet, morda desko, na katero se igra "čekerje" in kaj podobnega. Vse to bo pomagalo ujetim vojakom, da bodo ložje čakali konca vojne tam za žičnimi ograjami, daleč od ljubljenejših svojcev.

ZABAVNI KOTICEK

TRAPASTE POSTAVE

(Križkraž.)

Čudne, smešne res postave se v deželi še dobi,

mešajo ki ljudstvu glave,

da jim kar verjeti ni!

Naj navedem tukaj ene teh postav v zabavo vsem, ce spolnjujejo se — mene ne vprašajte — ker ne vem.

V neki trg, Conn. priti moraš, in prepričaj se:

"Ob nedeljah tukaj briti nihče se nikjer ne sme!"

V Wilmingtonu, Delaware ljudstvo koz se vse boji, ker po mestu koze stare gnati dovoljeno ni.

V Alabami dol državi, pa postava pravi to:

"Ob nedeljah da igratim tam ne sme se — domino."

Istotam da tekmo noči — pa postava še veli:

Oslav, mul in konj nobenih se ne sme prodajati.

V Indiani se čez teden vedno lahko kregate,

toda kreg pa ob nedeljah strogo prepovedan je.

V Severni tam Karolini — v Asheville mestecu se pa kihati ne sme na cesti,

tam usekniti na tla.

PITT. JAY GIRLS MATCH VICTORS

Pittsburgh, Pa.—On Sunday, Nov. 28, at 2:30 p. m. at the Lawrence Recreation Alleys, the K. S. K. J. Women's League bowled the Armstrong League—ten against ten. The KSKJ women emerged winners with a total of 2907 to the opponents' 2606. The girls who bowled in the match game deserve honorable mention, because they surely did bowl their best. They are: Blondie Stayduhar, Rose Modrich, Nettie Owen, Violet Senjan, Ann Senjan, Zella Paris, Katherine Rogina, Mary Turk, Mary Solomon, Ruth Danko.

A very enjoyable time was had by the cheering section too and the Armstrong girls were a grand group to be with. We intend to return the match within the next few weeks at the bowling alleys in Dormont, where the Armstrong League bowls. We are all looking forward to this event.

Again congratulations, girls, for doing such a good job, and don't forget we will be depending on you again for the return match game.

PROGRESSIVE, PATRIOTIC STRABANE

The good people of Strabane are launching another program of service which will be appreciated by all of the young men and women of the community who are in war service and also will be of benefit to the people at home.

Through the leadership of the Strabane Civic Club, a complete list of the young men and women in the war service has been compiled, together with their present address. These lists are available to all who want them and will mean that a great increase in mail will be going out to the boys and girls who need mail as much as they need food.

In addition, this list is going to be the nucleus for a community Roll of Honor to be somewhere in the community.

The Strabane Civic Club and the organizations which are allied with it in the present movement, is doing a good turn for the community is one of the most progressive and desirable unincorporated villages in the country.

The fact that 258 young men and women are in the service from this community of approximately 1,800 population, is an evidence of the proportionate share that Strabane plays in the general program of worthwhile things.

Out of a population of about 1,800 people, this community has sent 258 to war service, which indicates its high ratio per capita.

Another interesting feature of Strabane is that at least 95 percent of the people own their own homes. They have property valued at about \$885,000 and within recent years added sewer and street improvements which cost approximately \$100,000, mostly paid for on footage base. It also has perhaps the lowest tax delinquency record in the county.

All of which accounts for the civic consciousness of the community.

Would that there could be more Strabanes in the county.

URGE CHRISTMAS SEAL SALE

Cleveland, O. — Looking ahead 10 years to the time when tuberculosis can perhaps be made as rare as typhoid fever is today, Col. A. R. Sweeney, chief medical officer of the U. S. Marine Hospital here, and chairman of the Christmas of the county to do their share Seal Sale, urged all residents in buying seals so the fight against this disease may be carried to ultimate victory.

"Everyone who buys seals sells this year," Dr. Sweeney says, "will be assured that benefits will come back into their own homes through saving of lives as well as through a basic attempt to lower taxes."

Dividends in the form of future lower tax payments because of early discovery of active cases are fairly sizable according to national reports that each case found early and cured save the community ten thousand dollars.

PITTSBURGH LODGE ANNOUNCES NEW BY-LAWS ARE READY FOR DISTRIBUTION

Pittsburgh, Pa. — Members of Mother of Seven Sorrows Society, No. 81, are notified that we now have the new Lodge By-laws. We would like each member to have a copy in order that they may acquaint themselves with the rules and regulations of the lodge and govern themselves accordingly.

The by-laws pertain mostly to the sick benefit division of the lodge, since we pay sick benefits from our own treasury; other than this we abide by the laws of the KSKJ.

Just as soon as possible, we would like the members to return the books that have been distributed among you during

MANY CATHOLIC EMPLOYERS ANYTHING BUT CATHOLIC

Arising out of all the blackness and discouragement of these war days is a brilliant star of hope. Like the Star of Bethlehem it is shining on the family. Unlike the Star of Bethlehem, however, it is shining on the delinquent child—and the parents are not at home.

Properly directed the soul-searching in which so many parents are engaged today, can further the progress of Church and state to an incalculable degree. There is very real danger, thought, that these gatherings may become solely clinics for the delinquent. It is important, of course that we know why Joe and Mary are delinquents. It is more important that prospective parents learn how to raise a family of good boys and girls, and this implies that those prospective parents know and live their Catholic faith.

A sisterhood which specializes in taking the parish census for busy pastors states that its community statistics show that from one-third to one-half the number of baptized Catholics in most parishes are not living up to their faith. And this same sisterhood gives as the reason—inadequate religious instruction. From these families emerge the major number of our delinquents, for, to quote the same source, when faith stands in the way of world ambition, or comfort, or illicit love, or selfish enjoyment, the poorly instructed will discard their faith as they would old shoe.

It is important that parents foregather to hear experts tell them the startling facts and figures of juvenile delinquency. It is more important that they gather in small neighborhood groups and discuss the tenets of their faith and the practical living of that faith in their daily lives in their homes, offices, factories, social gatherings. Such groups bring powerful pressure to bear on Catholics who profess one thing and live another.
