JOHN GORNICK, glavni tajnik.

Pridite na važno sejo!

Člane in članice društva France Prešeren št. 17 SDZ se opozarjajo, da se gotovo udeležite seje, ki se bo vrnila 8. marca v navadnih prostorih in ob navadnem času. Za rešiti imamo več važnih stvari v korist društva in Zvez. In prav radi tega je vaša navzočnost na tej seji potrebna.

Nadalje opozarjam vse prisadete, katerih še nismo videli to leto, zaradi asesmenta. Prosim, da pogledate, če ste že dobili vašo plačilno knjižico. Če je še niste, potem to pomeni, da niste še plačali nobenega asesmenta letos. Jako težko je zame in tudi žalostno, ko pride 25. v mesecu, pa manjka polovica asesmenta. In vendar moram jaz poslati asesment na glavni urad o pravem času. Tako ukazujejo pravila. Glavni tajnik tudi pričakuje društveni asesment o pravem času, sicer je tudi on zadržan pri delu. Z vsakim, ki ne plača o pravem času, moram ravnati po pravilih.

Povem vam še to, da če ne bo ste bolj redno plačevali asesmenta, se bom jaz prihodnji mesec odpovedal za tajnika. — Kar je preveč je preveč. Zanaprej si dobite takega, ki bo imel dosti novaca, da vas bo zakladel.

Dalje apeliram na vas tudi, da ko se bo pričela kampanja pri SDZ, da stopimo skupaj kot bratje in vsak pridobi vsaj eno

Nekaj resnih besed

Prosim člane društva Clevelandski Slovenci št. 14 SDZ, da bi bili malo bolj točni za plačevanje asesmenta. Predvsem pa vas prosim, da ne nadlegujete tajnika na 28. ali 29. v mesecu. Zapomnite si, da so pravila na rejenja za vse člane, ne samo za tajnika, kakor si nekateri tolmacijo. Nekateri pravijo: Jaz bom plačal asesment jutri, saj jutri je zadnji dan v mesecu! Predvsem si zapomnite, da je zadnji dan za plačati asesment do 25., do 8. ure zvezčer. Tajnik mora imeti čas, da bo pravilno zaključil svoj račun vsak mesec. Torej si naj vsak zapomni, da vsak, kdor ne bo plačal svojih prispevkov do 25. dne v mesecu, bo vsak brez usmiljenja suspendiran, ne oziraje se.

ha levo ali na desno, naj bo, kdor hoče. Za posledice suspencije nimam nobenega usmiljenja od sedaj naprej. Pričakan sem, da vsak izmed vas ima rad mir in red in tako tudi jaz ljubim mir in red. Ponovno tukaj pribjem, da ne bo noben več plačal asesmenta pozneje kot 25. dne v mesecu do osmih zvezčer, zamera gori ali dol. Prosim vas, upoštevajte to. Pozdrav!

F. Končan, tajnik.

IZ EUCLIDA

Euclid, O.—Maškeradna veselica naših Škrjančkov dne 22. feb. je bila kar najbolj uspešna. Ljudje so se zabavali do pozne ure, tako da je bilo res prav lepo videti ljudi, ki so se tako neprisileno zabavali. Vsi so bili prav židane volje, brez razlike, starejši ljudje in mladina.

Kar se pa tiče društvenega življenja, je pa opaziti zadnje čase malo več aktivnosti, tako je tudi naše društvo Euclid, št. 29, S. D. Z. si umislilo, da predimno piknik dne 24. maja. Pravijo, da bo takrat že gorko, zato naj se nadejamo velike udeležbe.

Kar se pa tiče naših članov se pa ravno sedaj nekaj dobro drži kar se tiče plačevanja. Le tako se držite še zanaprej. Jaz sicer čakam dokler čakam, ampak na to da vam ni treba prav nič zanašati. Zadnji dan je 25. in dlje čakati je vaša rizika, torej varujte se suspendacije.

Nekaj je tudi takih, ki plačujejo za par mesecev naprej, in mnogo vas je, ki tudi lahko tako naredite. Se ni treba nič batiti, da bi bilo kaj narobe, saj dobite potrdilo zato, prihranite si pa skrb.

Rojakom pa, ki stanujejo v bližini, se priporočamo, da prestopijo k našemu društvu. Mnoho vas je, ki hodite celo v Cleveland plačevat in na seje, zakaj ne bi prestopili? Kjer vam je bolj priročno, tudi v slučaju bolezni. Večkrat se je zgodilo, da morajo obiskovalci hoditi čez celo mesto, da obiščejo bolnega člena. Zgodilo se je tudi, da je član prestopil od nas v Clevelandu. Take prestope bi pa morala pregledati Zveza sama, in poiskati vzroke zato, drugače ne bi smeli to dovoliti. Ne zaradi plačevanja, pač pa za slučaj bolezni ali smrti.

Two Members Got Nurse Certificates Last Week

Clairwood Bulletin

In Brief

Helen Lach and Johanna "Honey" Gornik were two SDZ members to get nurse's certificates last week. Miss Lach was at Glenville hospital, while Miss Gornik was at St. Vincent's hospital.

Cleveland Workers' Revue

By Joey Brodnik

It was decided at our monthly meeting Sunday that post cards be sent out to all the younger members of our lodge, asking them if they want to represent our lodge in the SDZ Bowling Tournament to be held at Pozelnik's Clair-Doan Alleys, April 25 and 26; also in what class, the open or the handicap. The handicap will give a break to anybody who has or has not bowled:

The date and place of our picnic to be held this summer was also made—August 23d at Pintar's farm. Arrangements will be made later on to bring the Lorain Buckeyes to the picnic to play our boys in a baseball game. Our boys are hoping to beat them this time as we lost last year in Lorain, 6 to 5.

We have a new member in the person of Thomas Maglich. We hope he likes being a member of our lodge and hope he becomes very active.

Dr. F. J. Kern: HEALTH TALKS

ALLERGY

During recent years, the medical profession has given more and more attention to a number of conditions which they group under the term, allergy. Allergy is defined as an idiosyncrasy or sensitivity to some substance, which in general, is not toxic. These substances, which are known as allergens, may produce a wide variety of symptoms in the persons who are abnormally sensitive to them. Allergens usually produce some swelling or irritation of the skin or mucous membranes, and the symptoms produced depend upon the part of the body which is affected. The most commonly recognized diseases which are due to allergy are hay fever and asthma. More recently, however, many other conditions have been attributed to like causes, and much research and experimentation has added to the knowledge of diseases of this type.

An outstanding piece of research in this particular field has been accomplished right here in Cleveland at the Brush Foundation, under the direction of Dr. T. Wingate Todd. He has made many observations on children who are allergic to various substances and has found that all children who are so affected have certain traits in common. By extensive x-ray studies, he has shown that their bones contain less calcium, and there is also a characteristic change in the white blood cell count in these children. The latter finding is substantiated in adults who have allergic diseases, but the bone changes are not so easily demonstrable in older persons.

As the result of this and similar research work, and increased clinical experience, the methods of diagnosis and treatment of allergic diseases have constantly improved. All this has been a great boon to the many sufferers affected by these conditions. Formerly, a per-

Basketball

Last Sunday the Sanders celebrated the christening of their son, David Paul Sanders. Albin and Charles Grainer are the godparents of this latest Clairwood protege. This important event sadly crippled the bowling league.

The Clairwood reporter asked Lou Zust for news and he replied: "It is Spring!"—Aha! In spring a young man's fancy lightly turns to thoughts of love.

Al Novak, brother of Lou, kept score (and how!) for the Cowboys and the White Hawks last Sunday. His scoreboard looked like a modern drawing by a crazy artist.

One of our most ardent bowling fans is little Buddy Segal, who says he roots for all the teams alike. Clairwood players are all "stars" to him.

Mary Messe, Clairwood's ace bowler, will undergo a minor operation next week. Her many friends wish her a speedy recovery. The White Hawks are going to miss you, Mary.

Joe Kogoy wins the cake again! His games were 189, 254 (his best game yet) and 221 for a total of 664 (his newest record). The Kogoy's manage to keep the honors in the family—Min Kogoy broke her record too. Her games were 144, 157 and 195 for a total of 496, an increase of 29 pins in her previous record. Congratulations to both of you!

Bowling

Modern Crusaders' bowling teams have been revised to six teams. The reason for this was to let several members join in.

Joe Verderber constantly hammered that 1-3 pocket for 186, 232 and 175 scores which totaled 593, to lead his Sharpshooters to victory over the Indians. Joe's big game of 232 not only was the highest bid for the bowl of beer, but this also set a new single game record. He did not surpass the three-game record of 630 held by Otto Zimmerman. Fred Keller of the losers scrambled a 545-pin series and Frank Kuhel splintered the maples for 207.

Pin Busters, not having lost a game, are in first place. They took all three games from the Ramblers. Nosan smashed a 515 total, which included a high game of 189. Zimmerman shot a 504 series. Having the best bowling form of the girls, Albina Baraga also set a record by rapping the pins for a 170 high game.

Strikers vs. Aces resulted with each taking one game. In the final game the Strikers nosed out their rivals by one pin. In this section "Skang" Goodwin included a 190 game in his 517 series.

Box scores will be found elsewhere on this page.

Leaguers Give April Fool Party March 30

When the SDZ Junior Leaguers meet again it will be at Gornik's Hall, on March 30th. Those who will dish out the entertainment are Sophie Kozely, Marge Vidmar, Emil and Frank Gregoric, Joe Brodnik, William Vicie, and Pauline and Frances Strumbly.

United Junior Choruses Led by SDZ Members

Officers of the United Junior Chorus for the year 1936 are SDZ members. They are John Globokar, president; Jos. Trebec, vice president; Anne Traven, secretary; Joseph Zele, treasurer; Mrs. Zalar, recording secretary.

An interesting thing about allergy, or abnormal sensitivity to certain substances, is that it tends to run in certain families. If a father or mother is

Bowling Message To Entrants

To the members of SDZ:

In order to determine the champion bowlers of SDZ the SDZ Junior League in conjunction with the Athletic Committee appointed by the Supreme Board will sponsor a Bowling Tournament at the Clair-Doan Alley (Pozelnik's), 10322 St. Clair Avenue, Cleveland, Ohio on Saturday and Sunday, April 25th and 26th, 1936. The tournament will consist of two divisions: the straight bowling tournament with cash prizes, trophies and medals and a handicap tournament with trophy and medal awards only. The contest is open to all SDZ members as of February 3d, 1936 or both men and women, the women having separate tournaments. The events will be five person teams, doubles and singles.

The entry fee for the straight tournament is \$1.00 per event in advance out of which the committee will pay the bowling fees so that upon paying \$1.00 per event the entry in this division will pay nothing further. The balance over the regular bowling fees will be distributed as cash prizes. There will be seven prizes in money for each event, the amounts depending upon the number of bowlers who enter this division. A trophy will be awarded the five person team and a medal to each of the members of the winning team. In the doubles two medals will be awarded and in the singles one medal. These medals will signify that the winners are the SDZ champions in the respective events.

Knowing that there is a large number of SDZ members who would like to participate in the tournament but feel that they are unable to successfully compete with the leading SDZ bowlers the committee is also holding a handicap tournament. The entry fee is 25¢ in advance regardless of the number of events entered. However, the bowlers will pay 20¢ a line to the treasurer at the alley.

The handicap will be determined as follows: All entries in this division will submit to the committee some truthful evidence of their general bowling average, as for instance, their average in any league or from some alley where they are accustomed to bowl or any other evidence which will truthfully represent their average. This average in the case of the men's bowling tournament will be subtracted from 190, and 70% of the balance will represent the handicap. A concrete example is as follows: a bowler has an average of 140 pins. This amount is subtracted from 190, leaving a balance of 50 of which 70% is 35. This bowler's handicap is 35 pins so that if in the tournament 35 pins will be added to each line which he bowls. Both tournaments will be regulated by the ordinary rules of bowling tournaments. The base figure in the ladies' tournament will be 160, and the handicap figured in the same manner.

Each and every member of SDZ is requested to enroll. Kindly send in your averages as an entry in the handicap tournament to the SDZ executive offices or call personally. Please also give us the information as to which division you will enter, the name of your lodge and the events in which you will compete. There is no limit to the number of mem-

Crusader News

By Joe M. Vraneza

The Modern Crusaders would like to introduce all the members that have joined since last October. James Fatur, the nice young man that married Josephine Udovich. He's a real sportsman and will be in a lot of sports activities, if I know Emmy well enough.

Dr. L. J. Perme, Mirko Rovcar, and Mary Zimmerman, all joined in the month of November. We also have Dr. Uranter with us. Now if anything should ail you, you can go to a doctor that belongs to the SDZ organization.

Mary Morel, Anthony Oblak and Harry Brule joined in December. The latter two are very much interested in sports. How about it, fellows?

In January the Crusaders were lucky because they received two of their best bowlers. They are Dick Goodwin and Joseph Verderber. Thanks to Steve Rackar for that, and we are hoping that he gets in a few more members that are jolly as these two fellows.

In the month of February we had a few more new members that wanted action. Are they going to get it? You just watch the Crusaders in the future. The new members are: Fred Woodhouse (an Englishman who wants to bowl and sing Slovenian songs), Joseph Grossel (a banjo player), Billy Dryfuse (likes basketball), Matthew Mihalec (a saxophone player), Justine Nagel (Jack's sister, and wants to sing in the Glee Club), Anna Laurich (she's from the village and the sister to Bertha Laurich, also a Mod. Crusader), and Elsie Markic (the girl who likes most anything that's worth anything).

That's getting in some new members, folks, let's see if we can keep up this pace. Now I'd like to name off some of the transfers to the Crusaders; they are: Anna Johnson (from the Martha Washingtons No. 38), Albina Baraga (from the Collinwood Slovenske No. 22), Rose and Joseph Glavic (from Blejsko Jezero No. 27), and Frank Prah (from No. 59, the lodge that very few people can pronounce the name of right).

A Blessed Event

Mr. and Mrs. Harry Gray were greeted by the stork not very long ago, that left them a lovely little daughter. They have named her Margaret Ann. A nice little tot, don't you think, Josephine? — Mrs. H. Gray was formerly known as Josephine Strumbly of the M. C.'s.

M. C. Glee Club News

Glej, glej, kaj mimo gre. No doubt you have heard those words before. Yes, they are

verses or teams which a lodge may enter.

It is suggested that each lodge appoint a committee to arrange the details for their lodge. The Clair-Doan Alley is ideally located near East 105th and St. Clair Avenue and readily accessible via either St. Clair or East 105th Street car lines. Special plans have been made for the entertainment of the contenders.

Enter the tournament regardless of your bowling ability. Meet the SDZ members from all parts of the state and enjoy some keen competition and entertainment.

For further information, kindly communicate with the Bowling Committee at the SDZ executive offices.
