Kampanja, ki je bila zaključena z mladinsko konvencijo in atletično konferenco, pa je bila za našo Jednoto tudi velikega reklamnega pomena. V prvi vrsti smo zainteresirali veliko število naše mladine za njeno in našo organizacijo. Delegati mladinske konvencije in atletične konference ne bodo nikdar pozabili lepega izleta, ki jim ga je Jednota naklonila kot plačilo za njihovo dobro kampanjsko delo ter za delo njihovih staršev, bratov, sester in prijateljev. Izlet v rojstno mesto Jednote je to mladino prepričal, da je cenjena in upoštevana ter pri organizacijskemu delu zaželjena; prepričal jo je pa tudi, da je naša Jednota spoštovana in upoštevana, ne samo v mejah slovensko-ameriškega življenja, ampak tudi izven istih.
