## Kaj pravite!

V teh dnevih se suče v naši deželi največ govorica o ameriških bojnih ladjah, ki jih je dal predsednik Angliji v zameno za zrakoplovne in mornariške pristane po raznih otokih vse do Nove Fundlandije do Južne Amerike. Vlada pravi, da so bile te ladje (rušilci) stare in nerabne za ameriško mornarico, a bodo velike važnosti za obrambo Anglie.

Cloveku to ne gre v glavo, da bodo te ladje dobre za obrambo angleškega obrežja, pa bi ne bile dobre za obrambo ameriške obale. In prav zdaj izvršujemo program za obrambo Zed. držav, za kateri načrt je pripravljenih 15 bilijonov dolarjev. Torej nam bi teh 50 rušilev, ki smo jih dali Angliji, zelo prav prišlo. Zlasti še, ker trdijo, da so rušilevi še vedno uporabni, da lahko režejo valove po 30 vozlov na uro, da so zelo okretni v vodi in imajo napravo za bombardiranje podmornic v morski globini.

Kot rečeno, so dobile Zed. države v zameno pravico, da si smejo zgraditi na angleških otokih ob ameriškem obrežju pristane za zrakoplove in za bojno mornarico, da bodo tako Zed. države potisnile obrambeno črto daleč pred ameriško obalo. To je zelo dobra poteza, ki jo je napravil predsednik Roosevelt, kar se tiče obrambene strategije. Toda prav te angleške otroke bi morale Zed. države dobiti, ne da bi zato dale še bojne ladje v zameno. Pa ne samo, da so nam dali Angleži te otroke oziroma del otokov v najem za 99 let, ampak bi jih morali Angleži enostavno dati Ameriki za tistih sedem in pol bilijonov dolarjev, ki nam jih dolgujejo od zadnje svetovne vojne. Anglija je na ta dolg popolnoma "pozabilna." Najbrž ga je celo izbrisala za vedno iz spomina, ker niti obresti ne plačuje nanj.

Torej bi nam Anglija lahko dala teh par otokov v last in ne v najem, pa bi bil dolg plačan. Tako smo morali pa dati 50 bojnih ladij, da smo dobili "v rent" par pedi zemlje. Kot se vidi, bodo Zed. države zopet rešile Anglijo, kot so jo v zadnji svetovni vojni. Clovek bi ne imel nič proti temu, ker sta nazadnje oba naroda istega plemena, toda ko bi vsaj enkrat dala Anglija nekaj, ki bi ne bilo plačano. In če bomo pomagali Angliji do zmage, bomo imeli pa zopet toliko besede, kot smo jo imeli po zadnji svetovni vojni, to se pravi nič.

Kot v prvi svetovni vojni se je Anglija najprej stepila, ne da bi vprašala za nasvet Ameriko, ko ji pa začne presti slaba, pa zavpije preko Atlantika na pomagajte. Mi smo pa tudi takoj pripravljeni pomagati kot ubogljivi otroci.

Voditelji republikanske stranke v Columbusu priznajo, da jim je Martin L. Davey zelo nevaren. Kljub temu, da je skoro vse časopisje proti Daveyu, pa celo sami republikanci dvomijo o zmagi governerja Brickerja.

Clevelandski varnostni direktor Ness priporoča, da bi mesto postavilo ogromno garažo, kamor bi morali vsi lastniki avtov priti na gotove čase s svojimi vozili, da jih bodo pregledali, če so v dobrem stanju. Ker ti "nabori" za avtomobilke ne bodo zastonji, bi mesto dobilo kakih \$300,000 na leto od avtomobilistov. Dvomimo pa, da bi to kaj zmanjšalo prometne nesreče, pač pa bo to zopet nova invazija na žepo lastnikov avtov. Kakor bi bili oni, ki lastujejo kako karjolo, sami milijonarji!

Ali se spominjate, kako so pred leti napravili postavo, ki je zahtevala, da je moral vsak avtomobilist kupiti nove vrste steklo za luč? Na vsem lepem so morali vreči prejšne steklo proč in kupiti takega, kot je predpisovala postava. Rekli so, da nove vrste steklo ne meče svetlobo direktno v oči vozniku, ki vozi nasproti. Po nekaj mesecih je bilo pa zopet vse pozabljeni in nihče se ni zmenil več za to postavo. Ampak nekdo je pa le napravil nekaj milijončkov.

Prav tako je s temi licencami za avtomobiliste, ki stanejo po 40 centov. Čemu so te licence? Ne rekli bi nič, če bi moral vsak prestati izkušnjo, predno dobiti to dovoljenje voziti. Toda licenco lahko dobi vsak, ki je star 18 let in če ima v žepu 40 centov. Torej ni to nič drugega kot neke vrste nov davek za avtomobiliste.

Slovenski demokratski klub 32, varde že več mesecev prisega okrajnega načelnika Millerja za sestanek, da bi se dognalo, kakšno vlogo igra slovenski klub zdaj, ko sme biti uradno v vsaki vardi samo po en klub in ta ni izrecno slovenski. Načelnik Miller nimata časa, da bi se sestal z uradniki slovenskega kluba, kot pravi. Kar počakajte do drugega leta do primarnih volitev. Takrat vam bo vsak politikar na razpolago sedemkrat v tednu.

Dasi prerokujejo zmago republikanske glasovnice v okraju Cuyahoga, pa imajo demokrati za vsak urad tako dobre kandidate, da ne bodo imeli volivci nobenega vzroka voliti proti njim. Največja gonja je proti šerifu O'Donnellu, toda ta ima zaslombo pri narodnostnih grupah, ki bodo najbrže odločevale volitve.

## BESEDA IZ NARODA

### Ob štiridesetletnici zakonskega življenja

V vasi Volče, fara Bloke na Notranjskem se je pri Turkovih v preteklem stoletju rodil osmi otrok, katerega so v farmi cerkvi krstili na ime Jurija. Istočasni rojenček pri trdnemu notranjskemu kmetu je danes širom Clevelandia in okolice poznani in spoštovan prosvetni in društveni delavec, George Turek, ki lastuje obsežno posestvo na 16011 Waterloo Rd. Ob njegovi strani pa mu skrbno gospodinji zvesta družica in skrbnati, Mrs. Frances Turek, katera dekljško ime je bilo Krašovec.

Ker ravno jutri praznjujeta štiridesetletno zakonsko življenja, ne bo odveč, če se ob tem redkem slavju ozremo malo po njih življenju in opišemo kdo in od kje sta slavljenca.

Mrs. Frances Turek

Mr. George Turek je sin grunatarja, ki je v svoji mladosti pojavil v ljudsko štiri razredno šolo pod vodstvom nadučitelja Travna na Blokah. Ko mu je bilo šestnajst let življenja, se je pričel učiti mizarske obrte pri bratu Peteru. Po učni dobi se je hotel v mizarstvu izpolnilo zato, ker je bil najboljši življenje, da je poleg par domaćih mojstrov delo iskal in dobil v večjih mestih.

V svoji obrti in stroki se je izpopolnil v svetu, v mestu Gradcu, Trstu in Pulji. Ob času vojne dobe je bil dodeljen k trdnjavski artilleriji v Pulji. Po dovršeni triletni vojaški službi se je podal na dom in pozneje prevezel mizarsko dela pri poznani Kosslerjevi graščini v Ortenku in Kosslerjevi pivovarni v Ljubljani, katere lastnik je bil grščak Kossler. Kot izvežban mizarski del je zelo ugajal grščaku in še danes se Kosslerjeva grščina ponosa s pohištvo, ki je bilo izdelano po Georgevih pridnih in večjih rokah.

Samsko življenje pa našemu Georgu ni dopadlo, zato se je večkrat peljal v Vel. Lašče in si izbral pri Krašovcovem družini hrhko in pridno dekle, katero so sklicali za Francko. Stela je dva in dvajset let, ko je George peljal pred oltar dne 8. septembra 1900 ter ji obljudil večno prenovil in lično opremil, tako da kaj pripravnjega in udobnejšega za privedite se težko dobi.

Prezgodaj prišel je Mr. Turek kraljica pri SDZ to radi tega, ker je že dvajset štiri zaporedna leta društveni tajnik pri št. 5 SDZ. Znano nam je, da je pri SDZ eden najstarejših društvenih uradnikov. V tajniških poslih je zelo natančen in gorje onemu, ki bi upal krvico delati članu, ki spada k njegovemu društvu.

Takov izpočetka je bil aktivnen pri akciji in graditvi Slovenskega narodnega doma na St. Clair Ave. Zapisniki tega doma govorijo, da je kot član gospodarskega odbora in direktor korporacije marsikaj za ustanovo dobrega storil. Korak njegovega življenja ni nikoli prehitel. S preudarkom, samozavestjo, opirajoč se na svoje bogate izkušnje je vedno prav odločil in druge svaril da ne zaidejo v strapotje.

Mr. Turek je ponizna družica svojemu možu in vzgledna mati svoji družini. Od zgodnjega jutra pa do poznega večera dela in gospodinji v dobrini volji, da vse to dela iz ljubezni do moža in lepo vzgojene družine. Otroci, čeprav so že vso poročen razven gospodinje Vere radi prihajajo k očetu in materi ter gojijo do staršev največjo ljubezen in

in vojaška doba je bila lepa toda najsrcejša doba v življenju pa mi je bila, ko sva si s mojo pridno ženo kupila lastno ognjišče in v srečnemu zakonu delila sladkosti in težave." Po kratkem pomislu je nadeljeval:

"Amerika je na svetu najboljša dežela za onega, ki ima pridne roke, pamet, zdravje in delo. Tudi v še večjem brezidelju najde odpomoček, da se preživi, če te ne tepe bolezen v družini. Meni je bila usoda v Ameriki naklonjena in nimam se ničesar pritožiti. Bog je čuval nad mano in družino."

Ker je Mr. Georg Turku pričela postajati domovina tesna družina pa vedno večja in pa vojna nevarnost pred pragom, se je odločil, da gre v Ameriko, tja kamor jih je pred njim že mnogo odšlo iskat srečo. Dospel je v Clevelandu sredi meseca februarja leta 1913. Dobil je kot izvežban mizarski delo pri cestni železnici ter delal pri družbi polnih 14 let.

Mr. Frances Turek je prispevala z svojim možem v Ameriko dne 30. avgusta leta 1913. ter s seboj prpeljala hčerko Albino. Sin Frank in hčerka Justina sta pa

Mr. George Turek

ostala v stari domovini ter pojavila v Ljubljani v višje šole. Po dovršenih studijih pa sta prišla po vojnem času k očetu in materi v Ameriko.

Najhujši udarec za Turkovo družino je bil, ko jim je v stari domovini umrl v starosti dva in dvajset let točno na njen rojstni dan in najstarejša hčerka Marija, uslužbenka uradnika na glavnem poslu. Lovski šport mu je bil najljubši šport v življenju.

Kot samostojni obrtnik se je veliko udejstvoval v raznih rokodelskih organizacijah. Obrtni rekordi v domačem kraju beležijo, da je bil načelnik Rokodelske zadruge za občino Nova vas in sicer: Mr. Anton Grdin, bider društvene zastave; prva glavna podpredsednica SZZ, Mrs. F. Rupert; Mr. Joe Grdina, State Senator William M. Boyd, ki bo tudi otvoril program; župan mesta Euclid, Mr. Kenneth J. Sims; solicitor, Mr. Paul Torbet; direktor za javno postrežbo, Mr. Michael A. Spino; dr. Mally, jugoslovanski konzul v Clevelandu in njegov trud najlepšo pismeno zahvalo.

Da je Mr. George Turek užival veliko zaupanje pri uglednih osebah naj omenimo, da mu je bilo izročeno po bratih Loyd, lastnikov parobrodne družbe v Trstu, nadzorstvo in oskrbništvo občine Nove vasi. Bil je v svojem poslu več upravnik svojih poslov. Lovski šport mu je bil najljubši šport v življenju.

Kot samostojni obrtnik se je veliko udejstvoval v raznih rokodelskih organizacijah. Obrtni rekordi v domačem kraju beležijo, da je bil načelnik Rokodelske zadruge za občino Nova vas in sicer: Mr. Anton Grdin, bider društvene zastave; prva glavna podpredsednica SZZ, Mrs. F. Spino; dr. Mally, jugoslovanski konzul v Clevelandu in njegov trud najlepšo pismeno zahvalo.

Velikokrat je za svojo aktivnost in podvetnost v izboljšanje domačega kraja v obrtnem in gospodarskem oziru prejel črno nevhalevnost, toda bodrila ga je zavest, da bo prišlo spoznanje in priznanje, ko bo delo dovršeno.

Ni se motil, občani so mu bili in so mu še danes hvaležni. Preko trdnjeve poti ga je življenje peljalo na rožnatih travnik.

Mr. Turek lastuje v Novi vasi lepo hišo, v kateri je nastanjena trgovina in v prvem nastropju pa stanovanje. Poleg hiše je tu di precej zemlje, katera je dolgo zavrhnila.

Parada se prične točno ob treh popoldne in bo šla po Arms Ave. do 232. ceste in načaj po Ivan Ave. v cerkev, kjer bo ob 8:30 blagoslovitev bandera, nato pa se podamo v dvorano, kjer se nadaljuje program.

Predstavljanje načelnic pri SDZ je tudi vredno, da bo načelnična kadetinja postregla gostom. Pravijo, da lačen in želen ne sme biti noben na takih slavnostih, zato bomo že za vse

spoštovanje. Očetova beseda je med njimi še vedno nepisana postava po vzgledu naših pradevodov, ki so se v sebi nosili neuklonljiv narodni značaj in ponos na svojo družino.

Ob priliki lepega slavlja se tudi pripravljajo poleg otrok zakoncem in jima iskreno čestitamo in klicemo še na mnoga leta zdravja in veselja.

Tadej se je zvijal in potem je krevljasto mlinsko hotel dolgo v tem njenem tudi Matej mu je pokazal, da je včasih črnih barvah posledno se bo ustavljal, posebno da bi morala kot dva pravilna paglavca oditi z očetom do predlog.

Naslednjega dne, ki je od nekdaj kmečkih oblik, sta oblekla Grčarjeva županja, zjutraj svojo boljšo obliko lovratila sta vse dopoldne včasih eno precej obilnem stol, da se odpravila občina snubitev. Matej za Tadeja, Tadej za Mateja. Ta eno smer, oni v drugo.

Slavnost se prične že takoj zjutraj ob sedmih s peto sv. mašo za žive in mrtve članice. Ob tej priliki bomo skupno prejele sv. obhajilo. Prosi se vse članice

## WINNETOU

Po nemškem izvirniku K. Maya

"Da! Sioux so ga ustrelili. Tangua ga smrtno sovraži, zato seveda zelo vesel ko bo zvezel novico o njegovem smrti. In še pol naklonjen bo Mr. Santerju, mu bo prvi prinesel novico. Zato se je Santer tudi potrudil krenil s poti. V hribovju Highburworth se spet sestanemo, tako je domenjeno.

Verjemite, pošten človek je, pogatiti nas hoče! Tudi vam bo, na prvi pogled vam bo dejal, prepričani bodite!"

"Upajno! Toda previdni bo vkljub temu!"

"Previdni? Do koga?"

"Do njega?"

"Ni vzroka za previdnost! Santerju smete posloma zaupati!"

"Kakor hočete! Povem vam, se vam bom sicer pridružil, pa bom vkljub temu vsaj jaz previden."

"Zakaj neki?"

"Kdor ustreli dva človeka, ki nista ničesar storila, in saj s seboj, tak bo hladno, tudi nas ustreli, ko bo vkljub temu vsaj jaz razdelil — samo da tudi naše deobi v pest."

"Mr. Jones — kaj..."

"Ni skončal stavka, ves osupel je gledal. Tudi Clay in Sumner sta vsa prestrašena strmevali v mene."

"Da!" sem pravil. "Ni le samogoc, ampak čisto verjetno, da bo tako! Najel vas je vekidi pravilni! Tudi tedaj je Santer obojanja vreden in nevaren človek!"

"Nikakor ne!"

"Pa vendar! Poslušajte! Pravite, da ni morilec, ker je ustreil poglavljajoča Apačev in njegovo hčerko. Denimo, da je to vaš mnenje pravilno! Toda vpravljajte se, zakaj ju je ustreil!"

"Zakaj? No, radi zlate. Rad bi bil zvedel, kje leži."

"Ne! Radi tega ju ni ustreil."

"Ampak?"

"Ze prej sem vam povedal, da bi bil lahko, mirno pustil Apače oditi, pa bi bil vkljub temu zvedel, kje leži zaklad. Treba bi mu bilo samo stopiti po njihovi sledi in skoraj gotovo bi bil našel skrivališče. Saj je sam pravil, da so se hitro vrnili. Če pa kdo hiti, ne utegne sledov zabrisati seboj, vsaj tako temeljito ne, da bi za bistro oko ne bili več vidni. Apačem tudi treba ni bilo take previdnosti, saj so bili prepričani, da so sami na Mugworthu."

Sled Apačev bi bila Santerja čisto gotovo peljala k zakladu. Ustreliti mu Apačev radi tega ni bilo treba. To je tudi sam dobro vedel. Ustrelil jih je torej iz drugega razloga."

"Vseeno je, zakaj jih je ustreil. Ne razumem, kako mislite s temi svojimi duhovitimi izvajanjimi podreti moje mnenje in mišljenje o Santerju, Mr. Jones!"

"Koj vam bom povedal kako, Mr. Gates! Ni ustrelil Apačev radi tega, da bi našel zaklad, ampak da bi se polastil nuggetov, ki so jih imeli pri sebi."

"Kakor hočete! Je vseeno!"

"Da, za Santerja in za ustreljene Apače je vseeno. Za nas pa ne."

"Zakaj ne?"

"Koj vam bom tudi to povedal! Kaj pač mislite koliko zlatja je bilo v skrivališču? Malo?"

"Mnogo, zelo mnogo! Tega sicer ne morem dokazati, pa mislim si lahko."

"Vam bom pa jaz povedal."

"Vi?"

"Da!"

## SLOVENSKA LOVSKA ZVEZA

temu ne uvidim, zakaj bi bila smrt dveh rdečkarjev tak velik greh?"

"Ne uvidite?"

"Ne! Zadevo je treba presojati s praktičnih vidikov."

"In kateri bi bili tisti 'praktični vidiki'?"

"Saj priznate, da so rdeči smrti zapisani? Prej ali slej bo do izginili."

"Žal je res."

"No, in če morajo izginiti in če so brez pomoči izgubljeni, je pri vseeno, ali dva izmed njih pogineta prej, nego jima je usojeno. Taki so tisti praktični vidiki, ki z njih presojam vso rezervno. In po tem mojem naziranju ni morilec tisti, ki ju je ustrelil, le njuno usodo je nekoliko prehitel."

"Prečudno je tisto vaše stališče! Ne uvidite?"

"Morebiti. Pa nič bi vam ne škodilo, če bi si ga tudi vi osvojili!"

"Well! Torej tudi jaz vas smem ustreliti! Umreti mora vsak človek in če ga ustrelim, le prehitim njegovo usodo, kakor ste pravkar povedali."

"Tako je prav, fantje, tako korakajmo naprej in premagali bomo vsake ovire, ki bi se nam nastavljale na pot. Da se je pa tekma vršila, gre zasluga v prvi vrsti našemu izvrstnemu predsedniku J. Lekšanu, ki zna tudi navduševati fante, da so sorazmerno, vsi brez izjemne, zelo povoljno streljali."

DEADLINE FOR ALL COPY WEDNESDAY NIGHT

## BARAGA GLEE CLUB ENTERTAINS CATHOLIC KNIGHTS OF OHIO

Baraga Glee Club, which is composed of some fifty voices of girls ranging in age from 16 to 20, will present an hour's entertainment exclusively for members of the Catholic Knights of Ohio, who are at present holding their convention in Cleveland. They will perform in Chef Boiardi's Grill on Prospect Ave., at 6:30 p.m. following a luncheon for members of the convention.

Dressed in their stunning new Slovene national costumes, the lassies will sing by special request "The Rosary", "Barcarolle" from the Tales of Hoffmann, and "Romona". "God Bless America" is to be sung by everyone in the hall. "Roza", a Slovene song will give the program a bit of foreign, Slovene tang. The accompanist and director is Miss Eleanor Karlinger.

This is a fitting honor to one of the better Slovene choirs, which, in general, has long been over-looked. The invitation testifies to the excellent performances which the girls have given in St. Vitus Auditorium while under the direction of Rev. M. Jager, since its organization.

All arrangements were made by Mrs. Jennie Yeltz of St. Agnes Lodge, who is prominent in the Knights' executive committee.

### ATTENTION HOLY NAMERS INTERESTED IN BOWLING

An attempt will be made to organize a bowling league for St. Vitus Holy Name members. If you are interested, talk it over with your friends who are also interested and come to the next social meeting, Tuesday, Sept. 17. If there will be enough demand, a league will be formed, otherwise social bowling will be sponsored by the club twice or more a month depending on the members.

Holy Name Juniors will receive Holy Communion in a body tomorrow at the 7 a.m. Mass.

### ATTENTION BARAGA GLEE CLUB

Come to rehearsal in full costume at 9:00 a.m. Sunday, Sept. 8. Please be sure to come at that time for a group picture before the school. For the evening performance, be in front of the school at 5:30 p.m. that we may leave promptly for Chef Boiardi's.

### CURTAIN CALL

St. Vitus Dramatic Club members please keep Sunday, Sept. 15 open. An outing is being planned for that day. All arrangements will be published in next Saturday's edition. Just to be sure all members will be contacted notices will be sent thru the mail. This will be our last outing for the year, so let's get together for a good time!

Committee

When Father Jager left our parish, the several activities which he had charge of seemed doomed to failure. For Father Jager had been the spirit, the energy, the guide in all these undertakings. Like the Baraga Glee Club, for instance, the Dramatic Club found itself suddenly cut off from its most vital head. Members felt that a decline was now inevitable.

Father Jager had already planned the coming season. Several innovations were to be put into effect. He together with Mr. Stanley Frank and Edward Bradach had arranged to clean the walls and in general tone up the atmosphere of the hall. A comedy and drama in Slovene had been chosen. A number of improvements in staging had also been suggested in collaboration with Joe Zelle.

It seemed that with Father Jager gone, all this would collapse. However, even before leaving, he instilled a spirit of enthusiasm into the entire group, so that plans went forward almost normally. Our pastor, Msgr. Ponikvar gave the "OK" sign on the understandings and before long, the walls, ceiling and floors were washed spick-and-span. The woodwork and stage-machinery is being installed under the new plans.

Although our stage is one of the best equipped, the several changes are being made to correct certain defects. For instance, a special prompting device is being designed and installed which will help actors to hear all over the stage, and at the same time prevent the audience from hearing the prompter. Amber lights will add a fourth color to the lighting system and will provide all the range of color desired. Again, under the revised stage setting, it is hoped that the time between acts will be sharply cut, although pauses now do not last more than 10 or 12 minutes at the very most, the average is five.

There are many other novel ideas which are being incorporated into the St. Vitus Theater and Dramatic Club. In a large measure, credit must be given to Mr. Stanley Frank, director of American plays and Edward Bradach. Both have been appointed to take over the direction of the Slovene plays. Their enthusiasm, already shown, assures us that the dramatic club will continue to succeed.

Father Jager may well be proud with the establishment and group which he has left behind him. Through his added enthusiasm, he has kindled the imagination of his members, who are imbued with the ardor to perpetuate his work at St. Vitus. To thank him for all his untiring work, our dramatic club appointed him honorary director and invited him to attend any rehearsal and performance sponsored by us. Furthermore, he promised to serve in an advisory capacity.

The loss of our dramatic club is Barberton's gain. We hope to hear of a very active dramatic group there soon.

## ST. MARY'S NEWS

Comparing the Irljija of 1925 with the Irljija of 1940, brings many interesting things to light. For example, those cupboards of 1925 were much like those of Mother Hubbard's while those of 1940 are filled to overflowing, representing many years of painstaking work on the part of Mr. Rakar to fill them. Of the group that made up Irljija of 1925 only five remain, Mr. Louis Izanc, Frank Jurečić, Mary Gorick and Pauline Turpock, (nee Znidarsic) and Mr. Rakar; yet there are close to fifty members in the choir today. It must be said though that the singers of 1925 were much more enthusiastic about singing and working toward the majority of the singers of 1940. Throughout its fifteen years Irljija has had but two presidents, first, Frank Kovacic who resigned when he changed residence and now Charles A. Tercek.

On October 27, 1940 at the Slovene Home on Holmes Ave., St. Mary's choir will present a concert commemorating fifteen years of progressive work under one conductor.

**POSTLUDE:** Stan Brodnik and Ed. Planinsek spending the week-end in Joliet and Lemont. . . . It's very seldom that Stan Brodnik or Joe Novak miss a rehearsal. Wouldn't it be grand if more of us could have such perseverance! That, indeed would be Mr. Rakar's Utopia. . . . Our very active treasurer, Lou Opalek, busying himself with real estate among other things. . . . Olga Zupanac surprising everyone with a diamond which she received from Tony Seday, one of our tenors. Congratulations! . . . Candy was passed to both boys and girls at rehearsals Friday. A gift from the former Paula Blasko. Thank you! Mary Gornik has returned to our fold.

The last three games on the schedule will be played at Gordon No. 6, the following Sundays.

### PROFESSOR

Cuyahoga County Judge Frank J. Lausche is one of the twenty-eight professors appointed to teach at John Marshall Law School, which begins classes on September 19.

"I can't see why, because a woman marries a man, she should take his name," remarked a lady.

"Just so. The poor fellow ought to be allowed to keep something he could call his own!" replied her lesser half.

A lawyer who was sometimes too forgetful, pleading the cause of the offender at court, began by saying:

"I know the prisoner at the bar and he has a reputation of being one of the worst crooks I know."

But somebody quickly whispered to him that the prisoner was his own client, so the lawyer finished his sentence by saying:

"But what great and good man ever lived who was not culminated by many of his own people?"

"Well, it takes two to make a quarrel, so I'll shut up," said the peace-loving husband.

"That's just like a contemptible man. You'll sit there and think mean things," whimpered his better half.

Next week, the results on the team standings will be given.

Hear ye and read, ye! Did you notice where the Dean Corners are heading for? Yes, sir, your right, they're heading for the championship of the city. Our smart pitcher, Joe Ozinek, pitched a no-hitter a couple of weeks ago and his pitching record stands at ten wins and no losses. That's a pitcher we should have. But for the moment let's watch that race and let's all hope the boys from East Boulevard will get that trophy. So long.
