ZAPISNIK. 14. REDNE KONVENCIJE

(Nadaljevanje iz prve strani)

vsakega člana preimevanega odbora, ki bi raznašal sklepe tega odbora med delegati in drugod, dokler ni bilo poročilo odbora podano celotni delegaciji.

Bila je tudi sugestija, da sovražniki obtožencev tudi ne smejo biti člani odbora za pritožbe in prošnje.

Stavljen, podpisan in sprejet je predlog, da se pošlje pozdrave iz 14. redne konvencije sledečim: Guvernerju države Indiane, zavarovalniškemu komisarju države Indiane, zavarovalniškemu komisarju države Minnesote in županu mesta Indianapolis.

Prečita se zapisnik dopoldanske seje ter sprejme kot čitan.

Konvenčni predsednik prosi, da bi konvenčni pripravljali odbor v Indianapolisu sporočili njemu vse želje in prošnje, ki bi bile v stiku s konvencijo, da se jim olajša delo ob času konvencije. Obenem se konvenčni predsednik na prošnjo delegacije zahvali delegatu Fr. Vranicharju za podarjene konvenčne delegatske številke.

Konvenčni tajnik čita poslano brzojavko od Slovenske narodne podporne jednote v Chicagu, od Samostojnega društva Slovenski Orel, Pittsburgh, Pa., in od društva št. 2, Ely, Minn.

Preide se na vprašanje, kdaj bi zborovali posamezni konvenčni odbori. Sledi sugestija, da naj odbori ostanejo po zborovanju v dvorani ter si sami določijo zborovalni čas.

Apelira se na vse delegate, da izročijo odborom dodatke k pravilom, da se jih more uvrstiti. Govori se nadalje, da bi se tem konvenčnim odborom določilo plače. Mnenje konvencije je, da se po končanem delu teh odborov določi nagrade ali honorar, ko bomo videli, koliko in kakšno delo bodo završili.

Konvenčni predsednik zaključuje sejo ob šesti uri zvečer s pozivom na delegate in odbornike, da naj bodo točno ob 8:30 zjutraj v dvorani.

MATT ANZELC, JANKO N. ROGELJ,
predsednik. zapisnikar

Tretja seja dne 26. julija 1932 dopoldne

Konvenčni predsednik Matt Anzele otvori sejo ob 8:30 zjutraj. Opozarja zbornico, da je že to drugi dan zborovanja ter da je potreba malo pohiteti, da se ne bomo preveč dolgo zamudili na konvenciji. Denarja ni kaj dosti na razpolago, a rabimo ga v današnji krizi za naše brezposelne člane, ki ne morejo plačevati asessmenta.

Delegat Frank Velikan, ki je obenem predsednik društvenega pripravljalnega odbora za konvencijo v Indianapolisu, apelira na konvencijo, da naj se vse prošnje prinašajo k njemu, ne pa na konvencijo.

Stavljen, podpisan in sprejet je predlog, da se pošlje brzojavko Adolphu J. Fritzu, tajniku delavske organizacije za državo Indiano.

Sledi čitanje imen glavnih odbornikov in delegatov. Pri čitanju imen se ni oglasil delegat Anton Modich od društev 143 in 207.

Cita se zapisnik druge seje, katerega se sprejme v celoti z malo spremembo, da ni bil stavljen predlog, da sovražniki obtoženih ne morejo biti člani odbora za prošnje in pritožbe. Bila je konvenciji podana le sugestija v tem smislu.

Glavni tajnik stavi nujni predlog, da se telegrafira na Ely, Minn., po jednotine knjige, da jih pregleda posebni nadzorni odbor, ki naj bi ga izvolila konvencija. Svoj predlog utemeljuje s tem, da je bilo izrečeno na prejšnji seji, da knjige niso v redu. To je važna zadeva, in če se hoče dobiti knjige, vzelo bi najbrže dva dni ali več.

Predsednik nadzornega odbora pojasnjuje, da on ni podpisal knjige, ker je glavni tajnik izplačal \$500.00 v tožbi z Ivanom Tauzeljnom. On je namreč pisal tajništvu, da se ne sme izplačati. Ob enem on tudi poudarja, da je rekel, da se mora knjige poslati na konvencijo, ko v nasprotnem slučaju trdi glavni tajnik, da to ni resnica. Predsednik nadzornega odbora tudi poroča, da prvi nadzornik tudi ni podpisal knjig z odgovornostjo svojega imena, ampak je podpisal knjige z rezervacijo, ako jih konvencija tudi potrdi.

Član delegacije opominja zborovalce, da naj pohitimo in delamo složno v korist Jednote.

Stavljen in podpisan je predlog, da konvencija zasliši še ostale odbornike nadzornega odbora, da podajo v kratkih besedah, koliko je resnice na tem, da knjige v glavnem uradu niso v redu.

Stavljen, podpisan in sprejet je predlog, da se debatiranje o tem zaključuje.

Glavni tajnik opozarja zborovalce, da je to važna zadeva in da se mora izčistiti na tej konvenciji.

Predlog, da poročajo še ostali odborniki o pregledovanju knjig, preide na glasovanje ter je bil z veliko večino glasov sprejet. Prvi odbornik nadzornega odbora poroča, da so knjige v redu, le da je prišel protest od strani predsednika nadzornega odbora, radi izplačanih \$500.00 v tožbi med Ivan Tauzelj-in-Jednoto. Da pa je on podpisal knjige pri zadnjem pregledovanju s pridržkom; ako jih potrdi tudi konvencija, je napravil to zato, ker je bila konvencija tako pred durmi.

Drugi odbornik izjavlja, da so knjige v glavnem uradu v lepem in vzornem redu, da je vse vknjiženo pravilno in da ni nobenega pogreška. Nered je le pri tem, da jih ni podpisal predsednik nadzornega odbora.

Tretji nadzornik poroča, da se pridružuje poročilu in izjavi drugega nadzornika, ki poroča, da so knjige v pravilnem in natančnem redu.

Četrti nadzornik poroča, da so tajnikove knjige kakor tudi blagajnikove, vse v točnem in lepem redu. Vprašuje, zakaj nekateri odborniki hodijo tritati čas na Ely, Minn., mesto da bi gledali tajnikove knjige.

Na glasovanje pride predlog, če se telegrafira po knjige glavnega tajnika. Na preje podana poročila štirih nadzornikov delegacija odglasuje, da naj knjige kar ostanejo v glavnem uradu, ker so v redu.

Od delegacije je stavljen nujni predlog, da se pripozna Anton J. Terbovca, urednika-upravnika uradnega glasila "Nove Dobe" kot polnomočnega člana 14. redne konvencije z istimi pravicami in dolžnostmi kot jih ima vsak drug delegat. Predlog je podpisan, nakar pride na glasovanje. Sprejet s pretežno večino glasov.

Poverilni odbor poda poročilo o volitvi odbora za pritožbe in prošnje. Volitve so izpadle sledeče: Kramar 28 glasov, Zalar 73, Mertel 42, Kosoglav 48, L. Balant 56, Porenta 87, Spolar 75, Pezdur 61, Muhvich 36, Zigman 55, Korenčič 32, Orehek 45, Schutte 66, Maček 35, Petrič 27, Krefel 39, Benkse 7, Sneller 55, Pečnik 35, Kern 72, Mauser 28, Sestra Champa 51, Kompere 47, Klemenčič 25, Vogrich 56 in Zunic 16.

Izvoljeni so sledeči: Zalar, Kosoglav, Balant, Porenta, Spolar, Pezdur, Zigman, Schutte, Sneller, Champa, Vogrich in Kern.

Poročila glavnih odbornikov

Glavni predsednik poda sledečo pisano poročilo:

Cenjeni glavni odborniki, delegatje in delegatkinje:— Moje poročilo 14. redni konvenciji se bo nanašalo za dobo, odkar sem postal vaš glavni predsednik, to je od 1. novembra leta 1930. Cenjeni delegatji je znan položaj, v katerem se nahaja ves civilizirani svet. Depresija, kakoršne ne pomni zgodovina, je silno tudi prizadela naše narodne ustanove, naše organizacije.

V takih razmerah sem prejel v roke vodstvo JSKJ, da jo vodim s pomočjo ostalih glavnih odbornikov. O pridobivanju članstva v teh razmerah ni bilo govora. Glavni naš namen je bil, da obdržimo Jednoto na enakem številu članstva. Poleg depresije, naselile so se v Jednoto razne druge nepravilnosti, kot bolezen ter smrt sobrata Pishler-ja, smrt pomožne tajnice, sestre Agnich, bančni polomi, itd.

Največ težkoč pa nam je napravila smrt sobrata Pishler-ja ter poznejša nastavitve glavnega tajnika. Gotovi elementi so si tolmačili naša pravila šele po nastavitvi sobrata Zbašnika glavnim tajnikom, v prilog sobratu Tauzelju, ter se je z različnimi spletkami hotelo mene kot novince v glavnem odboru uničiti. Ta afera je razpredla svoje mreže že po različnih naselbinah. Ter ves rezultat hujškanja je bil, da je sobrat Tauzelj končno vložil tožbo proti JSKJ. Rezultat tožbe vam je že kolikor toliko znan, ter se je izvršilo tako, kot sem vedno priporočal, da naj v tej zadevi odloča konvencija. Torej ta zadeva je sedaj v vaših rokah, ter upam, da jo boste rešili v splošno zadovoljnost.

Z nastavitvijo sobrata Zbašnika glavnim tajnikom, dobili smo v urad zmožnega in kompetentnega moža, kateri nas je obvaroval različnih nam pretečnih nepravil, ter spravił jednotno poslovanje zopet v pravi tir. Od strani glavnih odbornikov sem prejel vsoko kooperacijo, katere je bila neobhodno potrebna v teh težkih časih, izvemši od predsednika nadzornega odbora, kateri me je v njegovem okrožnem pismu na glavne odbornike proglasil nezmožnim zato, ker iščem raznih nasvetov od članstva naše Jednote.

Cela zadeva proti meni se je vršila iz osebnih ambicij, kar pa nikakor ni priporočljivo v bratskih organizacijah. Moji nameni so čisti, in to je tudi vzrok, da še gotovim osebam ni posrečil njih nameni.

Dolžnosti mojega urada opisane so natančno v jednotinih pravilih, in moja prva skrb je bila, da sem jim skušal povsod in v vsakem slučaju zadostiti. Odgovarjal sem točno na vsoko korespondenco, katero sem prejemal iz glavnega urada ali od ostalih glavnih odbornikov, ter isto sem storil v številnih drugih slučajih, kadar so se člani obračali do mene za razna pojasnila.

V našem glasilu Novi Dobi sem odklonil par dopisov, kateri so bili osebnega značaja ter napadi na naše članstvo ter glavne odbornike. Naše glasilo ni tukaj za prepir ter razne spletke, pač pa v informacijo ter izobrazbo članstvu naše Jednote.

Udeležil sem se različnih društvenih prireditvev ter sem se na vsako povabilo radevolje odzval, zavedujoč se, da so taki poseti od strani glavnih uradnikov agitacijskega pomena za organizacijo.

V vseh ozirih sem gledal za napredek in ugled naše organizacije ter sem vedno poskušal pomirjevalno vplivati na razburjene duhove.

Cenjeno delegacijo opozarjam na to, da bo ta konvencija morala dati glavno pozornost, prvič, mladini, ker mladina je edina nada, oziroma naša bodočnost organizacije; drugič, kako obdržati članstvo v Jednoti, ker zaradi dolgotrajne brezdelnosti ne more plačevati obveznosti napram organizaciji, in tretjič, bolniški sklad. Ako hočemo te tri probleme pravilno rešiti, pa vam jamčim, da je bodočnost naši organizaciji zagotovljena.

Ob zaključku tega poročila želim izraziti svojo najiskrenejšo zahvalo vsem članom glavnega odbora za njih naklonjenost in sodelovanje. Bili smo si bratje v pravem pomenu besede, ter smo, z malimi izjemami, delali složno v korist JSKJ.

Želim, da bo delo te konvencije obrodilo obilo dobrega in zdravega sadu za našo organizacijo. Ako bomo dalekovidni, se bo ugled in prestiž naše Jednote še povečal, da bo Jednota uživala isti ali pa še večji ugled med našim članstvom, kakor tudi med ostalimi narodi po civiliziranem svetu.

PAUL BARTEL, glavni predsednik JSKJ.

Poročilo glavnega predsednika se vzame v naznanje.

Poročilo glavne podpredsednice se glasi:

Cenjenim sobratom glavnim odbornikom, delegatom in delegatkinjam 14. redne konvencije:

Tukaj vam podajam kratko poročilo delovanja kot glavne podpredsednice pri naši J. S. K. Jednoti.

Dragi bratje in sestre, delo, ki je spadalo v moje področje, ni bilo veliko, toda v času mojega uradovanja sem prejela veliko prošenj iz glavnega urada od članov, kateri so prosili za pomoč iz sklada onemoglih.

Udeležila sem se zaslišanja, ko je bila Jednota tožena po sobratu Ivanu Tauzelju, članu društva Slovenec, št. 114, J. S. K. J. v Ely, Minn. Ta obravnava se je vršila aprila meseca 1932. v Virginii, Minn. Zaslišanja so se tudi udeležili glavni tajnik

VSAK PO SVOJE

(Nadaljevanje s 1. strani)

da k tej pohvali lahko še mnogo, mnogo lepega dodamo.

Na konvenciji je včas pred določenim zaključkom seje na razpolago še nekoliko časa, toda ne dovolj za kakšno daljšo razpravo, zato se vzame v pretes kak manjši problem, da se takorekoč izpolni določeni delavni čas. Nekaj podobnega je s to kolono. Napolniti jo je treba, pa naj se vzame gradivo kjerkoli. Samih duhovitosti se pa tudi ne more pričakovati od človeka, ki ves dan posluša razprave, predloge in protipredloge, potem pa pozno v polnočnice ure sestavljati zapisnike. Toliko že v naprej morebitnim kritikom sledečih odstavkov.

Solnčnih rož in altej je v Indijani prav toliko kot v državi Ohio, koruze in tobaka pa znatno več; to pomeni, da je Indijana za par procentov bolj ameriška kot nekatere severne države, kajti koruza in tobak sta ameriški rastlini. Stanovanje, katero je meni in mojim prijateljem preskrbel pripravljalni odbor, je v vseh ozirih zadovoljivo, le to me moti vsako jutro, da ne vem, iz katere pipe teče gorka voda in iz katere hladna. Včas jo dobim na pipi, ki je označena "hot," včas pa na drugi. Moram se učiti vsako jutro iz izkušnje in poskušnje. To je seveda popolnoma v redu, ker izkušnja je najboljša učiteljica.

Prvi dan konvencije med omorom so me skoro nekoliko prestrašili. Eden glavnih odbornikov je prihitel v dvorano z naročilom, da moram takoj "doli." Ubogal sem seveda brez ugovora, nakar sem bil prideljen k skupini glavnih odbornikov, ki je stala ob zidu. Spomnil sem se mehiških generalov, ki jih ob solnčnem vzhodu postavljajo k zidu, in nekoliko nerodno mi je bilo. Na vogalu je stal policaj, mlada dama pa je šla od enega do drugega, vprašala vsakega za ime, poklic itd. Samo odtisov prstov niso zeli, drugače pa je bilo vse zelo policijsko-uradno. Končno so nas fotografirali, nakar so nam dovolili, da se razidemo. Jaz še danes ne vem, zakaj je bila vsa tista procedura, dasi sem na večer istega dne izvedel, da je bila slika pribočena v lokalnem angleškem listu in da je bila moja slika še izmed vseh najboljša. Če je to res, sem radevoden, kakšne so bile druge slike!

Danes popoldne so prijazni rojaki v Indianapolisu insistirali, da se dajo delegati in glavni odborniki fotografirati, da ostanejo vsaj na sliki trajno med njimi. Tudi jaz sem moral z njimi na sliko, dasi nisem niti delegat niti glavni odbornik, ampak samo nekaka ciganska sirota, ki pravzaprav ne pripada nikamor. Po fotografiranju se je vsa slavna delegacija z glavnimi odborniki vred odpeljala na ogled mesta in okolice, jaz pa sem se natihoma izmazal, da sem napisal to kolono.

TUDI JUBILEJ

Nedavno je poteklo 250 let, odkar je benediktinec don Perignon iznašel kipeče vino, ki je znano pod imenom šampagne. Njegova iznajdba je prinesla francoskim vinom svetoven sloves, pokrajini Champagne pa veliko blagostanje.

Anton Zbašnik, glavni blagajnik Louis Champa in glavni porotnik Joseph Mantel. Več podrobnosti o tem bo gotovo poročal glavni tajnik.

Na vsa pisma ali prošnje, katere sem prejela, sem kolikor mi je bilo najhitreje mogče odgovorila. Želim vsem zborovalcem 14. redne konvencije J. S. K. Jednote najlepšega uspeha in mnogo koristi za članstvo J. S. K. Jednote.

S sestrskim pozdravom,
ROSE SVETICH, glavna podpredsednica.

AMPLIFYING THE VOICE OF THE ENGLISH SPEAKING MEMBERS

Current Thought.

NEWCOMERS

Many of the English-speaking members never attended a convention of our fraternal benefit organization. At the 14th regular convention held at Indianapolis, Ind., were present many delegates who witnessed and partook in the discussions for the first time in their lives.

And what an experience for the youthful delegates. Rubbing elbows with leading fraternalists of our SSCU enabled "beginners" to hear various views and opinions of invaluable assistance to the local lodge. Let us hope that some of the splendid ideas brought forth at Indianapolis will bear fruit back home.

Our convention did have some drawbacks. A few elder representatives were anything but a credit to our Union, judging by the manner in which they conducted themselves. It could be clearly seen that these few individuals came out for a good time, and not to work in the best interest of our organization. In fact some were utterly oblivious as to what was going on, being satisfied to let the bulk of the work rest upon the other man's shoulder.

To say that the proceedings were carried on in the most orderly manner would be false; during the first day it appeared as if the order of business would never be disposed of. Bitter feelings between individuals ready to jump at each other's necks gradually gave way to a friendly feeling, much of which was due to the many pleas made by delegates to work in harmony as brothers and sisters. Many an English-speaking representative went home retaining that picture of true fraternalism so nobly displayed by some of the elders.

Although practically all of the English-speaking delegates understood Slovene, yet a practical working knowledge of our mother tongue, so necessary to understand completely the proceedings, hindered many from participating in all the issues. Consequently, many had to be satisfied to take part in what they understood.

As years go on and more and more American-born Slovenes will form the integral part of our Union, a question arises: Will the proceedings at the convention be continued in the Slovene language, or will both English and Slovene be used? To interpret all business brought before the floor from Slovene into English means that more precious time has to be consumed.

To the credit of the delegation, it must be said that the value of time was a prime consideration in the deliberations. Useless and irrelevant ideas brought before the floor were soon eliminated by the voice of many protests uttered on the convention floor.

Many of the readers may be under the impression that attending a convention is like taking a vacation. We hear so many of our friends say: "I would like to represent my lodge. Just look at the good time I can have." Quite the opposite, my dear friend. Thrills of staying in a new town soon wear away into the same monotonous routine experienced at home. Eight hours of daily concentration soon puts all thoughts of "just another vacation" into grim realization of hard and conscientious work.

A number of changes have been made in the by-laws governing the destinies of our Union. Time alone will tell whether these changes will prove of material benefit to our organization.

However, the English-conducted lodges should carry on with renewed effort, for on the face of what transpired at Indianapolis youth was given consideration; and most of the delegates were of the opinion boys and girls, young men and women, should be given all the encouragement possible. Let us respond to their earnest efforts and show our appreciation by not only justifying their expectations, but also surpassing them.

Even we, the youth, may surprise ourselves at what can be done.

Betsy Ross Plans Wiener Roast

Here we are, folks! Back to tell you that the Betsy Ross Lodge will hold a wiener roast on Saturday, Aug. 6.

With only a few days left before the big day, I would like to take this opportunity to invite the Boosters, George Washingtons and the outsiders to this affair. Being the first wiener roast this year, Betsy Ross is planning to make a great success of it. I know it will turn out all right (at least I hope it will), because I told a fellow that I wouldn't drink.

Come on, Betsy Ross, help me pull this affair through; you don't want to lose a member, do you? Please get in touch with me before Saturday, so that I can get enough food and transportation for everyone.

Hold on, folks! The admission will be 50 cents per person. We will meet at Bro. Jazbec's home at 18003 Neff Rd., between 7:30 and 8 p. m.

EXTEND SYMPATHY

In behalf of the members of the George Washington Lodge, No. 180, SSCU, and myself, I extend deepest sympathy to the family of Sister Mary Markovich.

At the age of 21 years, Sister Markovich passed away on Aug. 1, after an illness of about 14 months. The best medical care and nursing were given her, but all these efforts proved fruitless, and while to human thought, it may seem that the life of a young lady at the promising age of 21 was nipped in the bud.

Sister Markovich was an organizing member of the George Washington Lodge and the first to pass away of that group of fellow-sister organizers of the lodge. In the lodge circle, she was very active, and could always be counted on for help whenever needed. Sister Markovich was well liked by all, and her fellow-members of the George Washington Lodge will certainly miss her presence as they did during her period of illness. At one time Sister Markovich was also a member of the George Washingtons girls basketball team of the Inter-Frat League and this league

A Varied Program of Entertainment Held Each Day for Delegates

Indianapolis, Ind. — Words cannot express the cordial greeting and accommodations given to the delegates of our SSCU upon arriving in Indianapolis. After many weary hours of tedious train riding, the delegates were thankful for the accommodations.

The committee in charge of the arrangements here in Indianapolis had every detail and plan completed in a systematic way. After the delegates were escorted to the school auditorium where they registered for their rooms, they were taken to the various homes, and then accompanied back to the convention headquarters to make acquaintances with fellow delegates.

The beautifully decorated arch outside the hall and welcome signs in every window and automobiles, the banners suspended in the air welcoming the delegates of our SSCU made an impressive sight. It was not until they entered the hall that even a greater surprise awaited them. Flags, bunting in red, white and blue, and more large welcome signs, both in Slovenian and in English were placed artistically about the walls of the convention meeting hall.

On Sunday evening, July 24, a large parade was held with lodges of many different organizations participating. Beautiful cars decorated in flags were used for accommodating the supreme board members and the city officials during the parade, while the rest marched in front.

Mayor Sullivan of Indianapolis in presenting the key to the city to Supreme President Paul Bartel gave a short address. Speeches were also given by Mr. Fritz, secretary of labor of Indianapolis, Supreme President Bartel and Supreme Secretary Anton Zbasnik.

Each day entertainment was provided for the delegates. Dances, concerts and plays were held in the school halls. On Wednesday, July 27, a sight-seeing tour was sponsored by the SSCU lodges of Indianapolis. Delegates were shown the state capitol, monuments, parks and most interesting of all the auto race tracks which are known the world over. Visitors were given a ride around the Indianapolis race track. What a thrill it was to go speeding around this track where so many records were broken. Only this year an American won the 500-mile race and made a new record.

Our delegates well deserved such recreation after a day of hard thinking and debating. Words of thanks are not enough for the SSCU members here in Indianapolis. All the delegates have been well pleased with preparations made by Slovene people of Indianapolis and when they get home, will have only good words and thoughts for them.

Fannie M. Kolar.

also extends sympathy to the family.

To you, Sister Mary Markovich, who passed away at the budding age of womanhood, may you rest in peace. Your spirit of grit and enthusiasm and activity will live in our hearts forever.

BRIEFS

A telegram of congratulations and best wishes was sent to Anne Govednik, member of the U. S. Olympic swimming team, by the delegates to the 14th convention held at Indianapolis. Anne, who hails from Chisholm, Minn., broke the world's record for the breast stroke and has every chance of finishing as a point winner.

Three aldermen, comprising 50 per cent of the Ely (Minn.) City Council, are present at the 14th SSCU convention at Indianapolis. They are Steve Banovetz, Lodge No. 1; Ivan Tavzelj, No. 114, and Joseph Koschak, No. 184. Delegate Koschak represents Lodge Arrowhead, an English-speaking unit.

Delegate George Matekovich of Keewatin, Minn., representing lodges Nos. 109 and 123, was unexpectedly called home from the SSCU convention due to the death of his brother. A telegram was received from him later in the week asking the delegation to consider a proposal to increase assessments from 2 to 5 cents in order to help members unable to pay.

Carmen Barth is the only Cleveland fighter on the U. S. Olympic team. He is a middleweight and earned his right on the team after winning four battles.

Among the many greetings sent to the SSCU convention was one from Mr. F. J. Kress, Pittsburgh, Pa., chairman of the National SSCU Athletic Board.

Pathfinders Lodge, No. 222, of Gowanda, N. Y., will hold its first annual picnic on Sunday, Aug. 14, at Mentley Grove, at Hidi. A varied program has been prepared by the committee in charge, which will assure all guests of a good time. Public is invited to attend.

Seeking the "pen" for a home, an Ohio State University student recently approached Warden Thomas of the State Penitentiary with a request that he be permitted to "lodge" at that institution while attending the university. The erstwhile "jailbird" ascribed his plight to the fact that his funds would merely cover his board and tuition expenses. His request is now under consideration.

Plans for Interlodge Day at Mervar's, Aug. 14, are being speedily formulated, with bigger and better ideas coming to the foreground. "Heinie" Martin, one of the many "Washingtons," is plugging along, with all his might, to make it a big day. Let's help him make it a push-over.

The Olympiad is on in full force and progresses each day.

Colorful Parade Includes Many Fraternal Organizations

Indianapolis, Ind. — A grand parade, headed by Mayer's band, opened the program of entertainment Sunday, July 24, prepared for delegates to the SSCU convention by members of Indianapolis. The local papers reported that approximately 3,000 people participated, that included delegates, supreme board members, Mayor Reginald Sullivan, members of 40 local lodges that belong to the following denominations: SSCU, KSKJ, SZZ, SNPJ, SHS, SSPZ, Hungarian Arpad Sick Benefit Society, and various independent lodges.

A message extending a welcome to the city was given by the mayor, followed by greeting from Adolph J. Fritz, Indiana Secretary of Labor in behalf of the labor organization. Supreme President Paul Bartel and Supreme Secretary Anton Zbasnik accepted the welcome in behalf of the SSCU.

Committee on arrangements consisting of Frank Velikan, chairman (who is also a delegate from lodge No. 45), Frank Krefel and Louis Znidarsic certainly accommodated the delegates. Upon arriving in Indianapolis Sunday preceding the convention, each delegate was provided with transportation to the school auditorium, headquarters of the convention. Next each visitor was provided with sleeping quarters. Meals were served in the school basement.

Heated Meteorites

Scientists believe that all meteorites which fall from space to the earth are raised to high temperature by their passage through the atmosphere. It has not been proved, however, that all meteorites are actually hot when they reach the ground. The subject has some bearing upon the theory that the earth may have received its animal and plant life from germs brought to it from space by meteorites.

with more color and more brilliance. The world is looking toward new marks, new records and new names to be emblazoned upon the plaque of the victorious. For the first time in history has this event been brought to our country, to Los Angeles, Cal. When the sun sets upon the final day of friendly rivalry among contesting nations and their representatives, much will have been done to further the spirit of true sportsmanship among the peoples of all nations.

Annual air classic will take place at the Cleveland Airport the latter part of this month. The annual national air races are expected to do much for Cleveland by promoting increased business turnover through increased sales of commodities and services which will be required to care for the thousands of visitors, local and out-of-town, who will attend this attractive classic.

The St. Clair Merchants' Improvement Association's outing at Conneaut Lake Park, Pa., last Sunday was a big success. A large Cleveland delegation enjoyed the train journey and day at the park. Let's make our Interlodge outing as great, if not greater, a success than Sunday's excursion. We'll all be there, won't we?

American Experience Table of Mortality, Additional Sick Benefit, Twenty-Year Endowment, and Members 65 Years of Age, Are High Spots of Convention

HOME OFFICE BUILDING TO BE ERECTED

Indianapolis, Ind. — The 14th regular convention of our SSCU came to the assistance of many members unable to meet assessments by providing a new Class AA death benefit certificate subject to American Experience Table of Mortality. Those who are insured in the present Class A death benefit may transfer to the new class. Further particulars about transfers will be published in subsequent issues.

The AA class certificate will have a cash reserve value recognized by actuaries, which our members can use in payment of assessments. The amount of cash reserve value is directly proportional to the number of years' membership, but a minimum of three years' membership is necessary before any reserve is possible.

Present Class A certificates based on National Fraternal Congress Table of Mortality have no recognized cash reserve value, and for this reason it was necessary to switch to the AA certificate. Although this new policy will have a higher rate of assessment, ranging from 16 to 30 cents on each \$1,000 of insurance, it will enable members to draw on the cash reserve, and further, such an arrangement will put our Union on a stronger foundation of solvency. Those who wish to retain their present Class A certificates need not make the transfer.

SICK BENEFITS

To take care of members and future candidates for membership who do not wish to insure themselves in the \$1 a day sick benefit, requiring an assessment of 75 cents a month, convention agreed to institute an additional sick benefit of 50 cents a day, covered by assessments of 40 cents a month. Because the \$2 a day sick benefit fund has been automatically eradicated, delegation felt duty bound to provide more than just one class of sick benefit. These two sick benefits will have a common fund and not separate, as has been the case of the \$2 and \$1 classes in the past.

SPORT FUND

Sport fund clause in the by-laws has been retained, with the added stipulation that the Supreme Board could utilize such funds for needy members during periods of economic depression. Many delegates were under the mistaken impression that 5 cents of each member's monthly assessment went into the sport fund. Only 2 cents each month per member goes into the sport fund.

NEW HOME OFFICE BUILDING

Many delegates were surprised to hear that our Union did not own its own home office building, but was paying \$70 a month rental for quarters. All delegates, with no exception, were of the accord that immediate plans should be made to start work on a new home office following the convention. It was agreed that up to \$20,000 could be used for this purpose, the money to be taken from the Juvenile death benefit fund, since this class has a high surplus. It was further agreed that an architect should be consulted so that a building worthy of our Union, with its membership of 20,000 and a reserve of \$1,500,000, would be erected.

MEMBERS OVER 65 YEARS OF AGE

What to do with the older members unable to meet assessments? Those who have been members of our Union at least 10 years and are over 65 years of age, and who further have exhausted a reserve cash value on their Class AA certificate (a transfer would have to be made first by such members having Class A certificates into Class AA), would be entitled to a \$250 death benefit, the assessments of which would be paid by our SSCU.

JUVENILE AGE EXTENDED

Age limit of juveniles has been extended to 18 years before a transfer must be made to the adult division. No doctor's examination will be necessary for those insured up to \$500 death benefit and sick benefits.

20-YEAR ENDOWMENT

To meet the many demands of membership made in recent

Delegates Honored at Banquet

Indianapolis, Ind.—At some time or another during the progress of a convention, a banquet is held. It would be unusual for such an affair to be omitted since it brings together all the delegates and friends to a meeting place where they get in contact and hear speeches of notable men and women.

At our 14th regular convention held in Indianapolis, Ind., such a banquet was held in honor of our supreme board, official visitors and delegates Wednesday, July 27, 1932. The hall was filled to capacity and many had to be turned away from the door. For those who have never attended a fraternal banquet it was a sight for the eyes, the hall being especially decorated for the occasion. Rows upon rows of tables were neatly set and decorated with gladiolas.

Our supreme board members and the many noted visitors were seated at the executive table. As these people marched in after all others were seated a loud applause was given them, but when our Supreme Secretary Anton Zbasnik made his entrance, the crowd became wild and cheered.

The waitresses who served the many people were dressed in the Slovene costume of their ancestors. In their gay colored cretonne skirts and black vests they went winding among the tables and made a pretty picture. Each wore a ribbon on her head in red, white and blue with JSKJ on it. Food was plentiful and wholesomely prepared by the women members of SSCU lodges in Indianapolis, Ind.

While the dinner was being served a picture was taken and the Slovene singing society of Indianapolis entertained with several songs. Many were surprised when Mr. John Germ from Pueblo, Colo., accompanied the male group and sang several songs. Returning from the KSKJ semi-annual meeting of the supreme board in Joliet, Ill., he made this visit to the convention on his route home. He is also a member of our SSCU.

After the appetites were satisfied, chairman Anton Bernish of the Indianapolis SSCU committee gave a short speech and then announced the Speakers. Secretary to the Governor of Indiana, Harry G. Leslie, gave the governor's regrets of his inability to attend and welcomed the delegates to the State of Indiana.

Dr. G. Kolombatovich, from Chicago and General Counsel of Yugoslavia, Mayor Sullivan of Indianapolis, Mr. Fritz, secretary of labor of Indianapolis followed with addresses. Supreme President Paul Bartel took the opportunity of thanking all the members in Indianapolis for their hearty welcome, and, especially, the cooks who Mr. Bartel said, were the most important of all.

The guests were indeed surprised by the speech given in English by Supreme Secretary Zbasnik. He brought out that the duty of our organization was to retain and protect members in our Union and do everything and anything to do so.

Mr. Vatro J. Grill of Cleveland, O., who is supreme president of SSPZ and editor of Enakopravnost, addressed the group in Slovene. He, too, gave encouragement and the best wishes of progress for our Union.

Among the many other highlights who were present and introduced was Senator Bensaw.

Engage yourself in the work of the lodge, and thus help increase the interest.

Convention Highlights

Monday and Tuesday,
July 25 and 26

Indianapolis, Ind.—Much heated debate characterized the first day of the convention, but gradually diminished on the second day. As in every gathering of this nature, the fire of enthusiasm slowly gave way to common sense and logical discussions.

A few personal items brought to the floor (which were all out of order) contributed most fuel toward the almost ungovernable delegation. Time and again the convention chairman pounded the gavel on the table as delegates became unruly. Only after each and every delegate expressed his or her views on matters before the floor were the "hungry and blood-thirsty" satisfied. In some instances as many as 25 members were listed to speak in order, delegates being referred to by lodge numbers and not by names.

Chairman Anzele certainly was "the man of the hour," for on many occasions his unusually strong and impressive voice was called upon to exert itself to the utmost. And when the chairman raised his voice each and every delegate could not help but pay strict attention to the proceedings. Endowed with a strong physique, Chairman Anzele made "them" listen and take notice.

If telegrams and letters of greetings are an indication of outside interest in our Union, we can rightfully and proudly say that our SSCU is one of the leaders in the fraternal field, for twice each day many such messages were read by the convention secretary, Anton Zbasnik.

Supreme Secretary Zbasnik always commanded attention when he arose and expressed himself. The crowd was with him, and on several occasions he was given rounds of applause.

Following the customary procedure to send telegrams, convention sent greetings to: Governor of Indiana, Mayor of Indianapolis, Secretary Federation of Labor of Indiana, Insurance Commissioners of Indiana and Minnesota. Anne Govednik, competing on the U. S. A. Olympic team at Los Angeles, was also sent a telegram of greetings.

Editor-manager of Nova Doba, Anton J. Terbovec, was given due recognition as having the same rights of a delegate or a Supreme Board member.

And then came the seemingly endless reports of Supreme Board members. One by one were disposed of rather smoothly until the report made by the chairman of Supreme Board of Trustees, that hit a snag. Approximately an hour and a half was consumed by this report and 30 minutes more for comments. However, later in the day all reports were accepted as read except one, that required alteration.

That the reading public may not receive the wrong impression all delegates did not come to the convention with fire and hatred in their eyes. Majority were in favor of party harmony, some making pleas to keep in mind the fraternal spirit and to act as brothers and sisters. Many an English-speaking delegate looked up to such exponents of brotherly and sisterly love with more than passing admiration.

Upon the splendid suggestion of Editor Terbovec, the excerpts of the convention were to be published both in the English and the Slovene sections of Nova Doba. Minutes of the convention are to be published in Slovene both in book

Pathfinders' Picnic

Gowanda, N. Y.—Pathfinders, No. 222, SSCU will hold their first annual public picnic and gala day Sunday, Aug. 14 at Mentley's Grove at Hidi. A big program of dancing, games, races, prizes and with music of the best is now under way to make this affair the biggest and best affair ever to be undertaken in Gowanda—an affair that you will always remember. Come with your friends and relatives and enjoy a good time.

The Pathfinders baseball team made it two in a row over the strong Villanova Chautauqua County baseball team by a score of 8 to 4 on last Sunday afternoon at the Tannery diamond. Not long ago the Pathfinders defeated this same team in a hard struggle by a score of 9 to 8.

The Pathfinders softball team is now also making itself known in the American Legion Softball League. As the next few games are against the strongest in the league, Pathfinders will have to go some in fighting to come out at the top of the heap. Twelve teams make up the league, with the teams scheduled to play until the middle of September. This softball team is being sponsored by the Wallace's Man's Store of Gowanda, N. Y. Come on, Pathfinders, you're fighting for the SSCU so get out there and show us that you are real fighters.

form and in the official organ.

When Supreme Secretary Zbasnik made a report of the two dollars-a-day sick benefit fund, a number of comments were made because of an evident misunderstanding; however, Mr. Zbasnik enlightened the matter to the satisfaction of all.

A question arose as to why a license had not been procured in the state of Wisconsin to establish lodges belonging to our SSCU. Here again the convention secretary shone with his characteristic brilliance by pointing out to the delegates the exorbitant demands made by the state law of Wisconsin, which, if accepted, would involve considerable outlay of money and considerable expense. It is most unfortunate that our Union did not secure a license before this stringent law was passed.

Pity the poor convention committees. Most every evening special meetings were called by various chairmen. Petition and grievance committee had by far the largest number of members—12 in all.

It was necessary to call attention of one delegate that if he would not follow the accepted rule of order befitting a convention that he would face whatever punishment was due him.

Already bids were made for the SSCU convention in 1936. Two telegrams from Pittsburgh urging the delegates to select that town for the next gathering were received on Tuesday, the second day of the convention.

A visitor in the person of Supreme Vice President John Germ of KSKJ, who lives in Pueblo, Colo., expressed the good wishes and greetings in behalf of Supreme President Frank Opeka.

Dr. Kolombatovich, Yugoslav consul at Chicago, gave a short talk in the Croatian language on the Yugoslav nations, and also sent his best wishes and greetings to the convention.

Convention Blah

Indianapolis, Ind.—In this week's issue you see more or less of the serious side of the convention—if it were possible that it should ever be taken very seriously. I wish to take this opportunity to express my heartiest congratulations to the George Washington lodge for sending to this convention Louis M. Kolar. We owe to him and indirectly to the Geo. Washington lodge our sincere thanks because he aided the English Speaking delegates to understand the important questions at the convention. When I first heard of Louis, I pictured him as single, but when I saw him standing in the Cleveland Terminal Station, holding an umbrella, I knew I was wrong.

It was his duty to see that delegates who wished to speak at the convention were given the floor. Louis M. Kolar was accused of not being able to see half of them, because he was looking at his wife in the corner most of the time. Oh, well, I don't blame you, Louis.

I didn't know whether or not he wished to run for some office at the convention or not. Nevertheless, as I happened to be in his company from Cleveland to Indianapolis, I soon became aware that he was passing out cookies. I knew right away that he was trying to bribe us. Of course, I didn't let on that, I knew Louis' game. Then when the convention came, he was chosen second-vice chairman. Gee, they certainly were good cookies even if I had to vote for him.

Then to the Betsy Ross lodge I owe most of my pleasant stay in Indianapolis. It was my good fortune to find that its delegate, George Kovitch, and I were roommates. One night George was standing in front of the convention hall when someone came up and asked him for a cigarette. George stroking his chin, asked the would-be-cigarette chiseler if he could see something white on his chin. When the reply was in the negative, George promptly said that he thought that this chiseler mistook him for Santa Claus with a white beard.

Of all the dumb fellows, I guess we took the front rank. With Indianapolis known for its many fair sex, George Kovitch and I had to take Paul Yaklich of Cornwall, Pa., home one night. I didn't kiss him good night, but I don't know about George.

On the first day of the convention Paul didn't know many of the delegates and so when their names came up for election to committees, he had an ideal scheme. He would first go through and pick out the easiest pronounced names and then he would sort of fill in the rest that were needed. That's probably why Louis M. Kolar got elected, too. (That is, besides the women votes, because he got all theirs on his beautiful curly hair).

One thing, however, that I have to complain of is why in the case of Andrew Spolar, weighing in the neighborhood of four hundred pounds or less, and representing three English-conducted lodges, he has not given at least three votes. Come to think of it though, Chicago would get too many votes then because Bill Laurich also is no plaything. When Bill first introduced himself to me, he said he was the biggest man in the convention (but I found out that it was only in size).

I noticed also that almost without exception all the members elected to the Union offices were at least six footer and weighed at least two hundred pounds. Wherefore, if you wish to have someone from your lodge as the head ones of this

Rangers Have Annual Outing

The annual outing of the Rangers, which was held last Sunday at Sandy Point, was a success beyond expectations. The committees found their work gratifying and wish to thank all the Rangers and their friends for their appreciative participation.

Our regular meeting was held before matters of a lighter vein were indulged in. Joseph Muhvich, alias "Dock Muck," was elected "Chief Ranger" to assist Joseph Mantel Jr., who is unable to remain at that post because his pursuit of knowledge will take him away from Ely. We all wish Joseph Mantel Jr. a lot of luck at college. We appreciate the loyalty and perseverance of our illustrious ex-pilot. So long, Joe.

Joseph Spreitzer Jr. came out second in the race for the helm, which made him Vice-Chief Ranger.

After the meeting, the clan was entertained by a "Kangaroo Court." Many side-splitting remarks were furnished. Jimmy's antics and wit surely furnished a gold mine of laughter. After many stomachs were upset, they were aright by a regular Old Country feed. We admire the co-operation used in consuming the food. The stomachs were no sooner righted than they were again upset by the violent shuffling, hopping and skipping on the dance floor. The Rangers White-Caps Orchestra kept the dancers busy until 9:30 p. m., when the lighting system went on the "blink." A few could not be consoled over this misfortune. 'Stoo bad that our capering was cut short like that.

Our next meeting will be held at the Community Center Wednesday, Aug. 24, at 7:30 p. m. We'll have another surprise in the bag for you.

Joseph Spreitzer Jr.,
Chairman Rangers Publicity
Committee, Ely, Minn.

Collegians to Hear Convention Report August 7

Canonsburg, Pa.—Members of the Jefferson Collegians Lodge are reminded that the regular monthly meeting will be held on Sunday, Aug. 7, at the home of Mr. Pete Karmelowe (the barber) at 11 a. m. All members should be present, as I have the convention report to make before the lodge.

It should be considered as a serious matter, and all should be present to hear it.

Louis Polaski Jr.,
Delegate, No. 205, SSCU.

Wet and Dry

A lady in a railway station with two babes in her arms was trying to get at her purse to buy a ticket. An alert redcap, standing near, offered to hold one of the babies. The ticket bought, the woman relieved him with a smile of thanks.

"Are those twin babies?" asked the redcap.

"Yes," replied the woman, "they were born on election day. We named one Smith and the other Hoover."

"Well," said the redcap, "I guess I was holding Smith."

Too great economy as far as our SSCU is concerned, because of the current depression is particularly dangerous to the welfare of growing lodges.

Union choose delegates to future convention that have plenty of beef.

Indianapolis certainly has made our delegates want to stay here forever and from the way the meetings progress, I believe they will be here forever anyway.

years the convention voted to accept a 20-year endowment certificate known as Class C. After 20 years' payment of certain monthly assessments the insured member is entitled to a certain cash withdrawal.

ADDITIONAL OFFICERS

An assistant supreme secretary, a second vice-president, who will also be athletic commissioner when the Supreme Board decides to reinstate the sport fund into its original purpose, and addition of two offices to the supreme judiciary committee were made. Assistant supreme secretary and the second vice president will have particular jurisdiction over English-speaking members.

A position of attorney for the Union was also created, who will advise the Supreme Board on matters requiring interpretation of legal counsel. However, this position will be covered by a salary of only \$100 a year.

Hooditch Beauty Parlor

By F. S. Tauchar

SCENE TWO

The lodge was already in session when Bro. Hooditch arrived. Brother recorder was reading the minutes of the previous meeting. Bro. Hooditch made some disturbance by walking rather clumsily through the aisle to a chair close to the presidential platform, while most of the members glanced at him unpleasantly for the annoyance at a time when quiet is greatly desired.

When reading of the minutes was over, brother chairman asked what is the pleasure of the meeting as to correctness of the minutes.

Bro. Hooditch (raising his hand): "Brother president."

The Chair: "Brother Hooditch has the floor."

Bro. Hooditch: "Crother Chairman, brothers and sisters. I was a little late, so I didn't hear all of the minutes of the previous meeting. I wish to know if that donation my wife sent for the lodge's social meeting is mentioned in the official records."

Members look at each other in amusement.

The Chair: "Yes, it's written in, Brother Hooditch. Thanks—and don't forget your lodge next time—also try to be here in time, as we always start our meetings promptly. Real brotherhood is exercised by good attendance, dues payment on time, propaganda for fraternalism and self-sacrificing work for expansion of your lodge. You seem to neglect some of the duties ascribed to all front-line fraternalists in this lodge."

The chairman happens to be none other than Bro. Jones himself . . . a perpetual candidate for delegate, who already served in this capacity three times straight—and once was almost elected to a minor position on the Supreme Board of the society. The lodge proceedings continue and Bro. Hooditch is very quiet and thoughtful. By the time nominations are made he forgets what he had prepared to say in behalf of his own candidacy. However, he is able to rise and manages to make a short talk, mumbling something of accepting the nomination. He resembled an impersonation of a total miserableness of the century, while Bro. Jones made a much better impression on the audience. He discussed "great problems of the hour" with ease, fluently, and to the point. It appears that only friendship could save Hooditch, which, in matters of lodge affairs, should not be exercised.

The Chair (Vice President, as Bro. Jones is a candidate, loudly): "Now the membership will vote—and vote for one only, be it Jones or Hooditch! Our conventions are very important, and I urge you to be extremely careful whom you vote for. Vote for the man you believe he will effectively present and advocate your demands on the floor of the convention. We want for our delegate a man who possesses courage, ability and undisputed leadership! Chair-warmers and nodders are not desired. So, may the right man win!"

When the votes were counted by the election committee, Vice President again rapped for order.

The Chair: "The result is—Brother Jones 33 votes, Brother Hooditch 13 votes. The Chair, therefore, proclaims Brother Jones legally elected for our delegate to the next convention." (Applause.)

Members: "Speech!"
Bro. Jones (rises, bows generously, and begins authoritatively): "I thank you, brothers and sisters, for your great confidence in me. I assure you that I will do my best for the welfare of our organization."

And so on . . . for twenty minutes. Bro. Hooditch couldn't stand this any longer, slowly rises and goes home. A heartbroken man . . . But that isn't all. How can he explain to the wife his crushing defeat? . . .

(Poor brother Hooditch. He may be home by the next issue . . .)

Joliet, Ill.

Že je minulo nekaj časa, odkar so iz Joliet prenehali dopisi in poročila v Novi Dobi. Kaj je temu vzrok? Ali morda ni novic? Dosti je istih, ker se vedno kaj zgodi kar bi bilo važno za javnost. Morda so pa tudi pri dopisovanju vzrok slabi časi? Seveda, ker ni dela, tudi ni veselja, ne korajže do nobene stvari. Svoječasno je bilo opaziti mnogo veselja med pridnimi delavci dasiravno so težko delali, toda stalno; zdaj se pa sestajajo na cestnih vogalih, da preganjajo dolgočasje. Pri vsakem je opaziti slabo razpoloženje in žalost, ker nihče ne ve, kaj nam bo še bodočnost prinesla.

Tako je tudi pri društvih, kakor pri enem, tako pri drugem. Vse bolj žalostno kakor veselo. Težko je za člane ko ne morejo redno plačevati svojih prispevkov; še bolj težko je pa za tajnika, ko čaka in čaka, ter plačuje za člane asessment Jednoti v upanju, da bo dobil vrnjeno od članov, kar mu dolgujejo. Pa ker ni nikjer vzeti in ga tajnik ne more več zalagati ne iz svojega žepa, ne iz društvene blagajne, ne kaže drugega, da dotičnika suspendira.

Nekaj let nazaj je pri našem društvu sv. Petra in Pavla št. 66 bilo vsak mesec sprejetih nekaj novih članov; društvo je tedaj napredovalo v vseh ozirih; žal, zdaj je pa vsak mesec veliko suspendiranih. So pa še člani, ki imajo veselje ter ponos do društva. Tako bo tudi letos naše društvo priredilo svoj piknik dne 28. avgusta v zeleni naravi. To bo zopet dan duševnega in telesnega razvedrila ter zabave. Članom in drugim, ki so prijatelji našega društva se je zelo dopadlo na našem lanskem pikniku; zato se bo nekaj sličnega in še bolj privlačnega priredilo tudi letos. Bolj podrobno bom že pravočasno v Novi Dobi naznanil.

Naj pri tej priliki še opišem naše potovanje iz Joliet v Indianapolis, Ind. Dne 28. julija ob štirih zjutraj smo zapustili naše mesto: br. Anton Nemanich, slovenski pogrebnik, br. Jakob Selega, blagajnik našega društva in podpisani tajnik. Po megli štirinajstih urah smo dospeli v Indianapolis do konvencije dvorane, kjer zborujejo delegatje 14. konvencije. Pozdravili smo se z glavnimi uradniki in raznimi delegati. Na njih obrazih se je bralo veselo razpoloženje ter zadovoljnost ker se vrši zborovanje v lepem redu. Vdeležili smo se v konvencije seje dopoldne in popoldne; res isti dan je bilo zborovanje mirno ter složno v vseh stvareh. Vsa čast delegatom in glavnim odbornikom. Potem smo si ogledali veliko in lepo šolsko dvorano kjer se vrši konvencija, tako tudi slovensko naselbino ter veliko prometno mesto Indianapolisa. Ob 4 popoldne smo se pa zopet vsedli na toletoveto karo in se vrnili proti Jolietu, ob 9. zvečer smo bili že vsaki na svojem domu. Mesto Indianapolisa nam ostane v prijetnem spominu, tako tudi ondi zbrani delegatje in odborniki JSKJ.

Mrs. Mary Kochevar, žalujoča soproga. Edward, Arthur, Leon, Raymond, sinovi. Dolores, hči. V Chisholmu, Minn., dne 25. julija 1932.

Ljubljana, 15. julija '32.

Dragi mi bratje in sestre, in ravno tako prijatelji in prijateljice!

Ker mi je nemogoče, da bi vsakemu posebej pisal o mojem potovanju na svojem povratku iz staro domovino, se pa poslužim glasila naše dične Jednote. Na ob enem vsem naenkrat spoštovanim, kako sem potoval na parniku Vulcania in potem naprej do cilja.

Označeni parnik je lep in modern, motorni parnik, in ima pripravljen prostor za vsako vrstne zabave za potnike, ki se vračajo vsak dan. Da bi vse to bolj podrobno opisal, bi vzel preveč časa in preveč prostora v listu, zaradi tega bom vse bolj površno omenil.

Vožnja je bila zelo lepa; morje ni povzročalo morskoga duha. Niti ene osebe ni bilo na parniku, katero bi trla znana morska bolezen; vse je bilo zdravo in veselo do Trsta.

Parnik se je šestkrat ustavil, predno smo dospeli v Trst, in sicer v Gibraltarju, Algeriju, Cannes, Napoli, Dubrovniku, Benetkah in naposled v Trstu. V vseh teh mestih je parnik stal po več ur, da si je šel lahko vsakdo ogledat dotično mesto. V vsakem mestu so bili že pripravljeni bussi in avtomobili, ki so nas po mestu vozili, ter se je nam razkazovalo vse zanimivosti, seveda, za plačilo, kar je bilo pa malenkostno. Kar je pa človek videl, je pa velikega pomena in mnogo vredno. Lahko bi o teh mestih človek napisal celo knjigo.

Naj pri tem omenim, da se parniki te družbe vedno v teh mestih ne ustavljajo; naš parnik se pa je, ker so se na njem vozili večinoma turisti. Iz New Yorka do Trsta je vozil 14 dni.

V Ljubljano se nas je pripeljalo samo troje odraslih oseb in ena pet-letna deklica. Kar se pa Ljubljane tiče, pa moram reči, da se z vsakim dnem večja in lepša; v resnici zasluži, da se jo lahko nazivlja "Bela Ljubljana."

Kar se tukaj živeža tiče, je jako poceni, da stradati ni treba nobenemu, in tudi dela še ne primanjkuje; če ni enega, je pa drugo; ampak Ljubljanci so jako izbirčni v tej zadevi; vsakemu je pod čast, če bi se lotil kakega drugega posla izven svojega poklica. Kar sem v tem kratkem času tukajšnjega bivanja opazil, moram omeniti, da če bi bile tam v Ameriki take razmere kot so tukaj, ne bi nihče smatral, da je kriza, ampak da se le bolj polagoma dela; to bi bilo vse. Da je pa nekaka nezadovoljnost tukaj, jepa vzrok ta, ker so ljudje res malo prikrajšani, da ne morejo tako razkošno živeti, kot so vajeni. Torej ako še kaj hujšega ne pride, ne bo treba še nobenemu od gladi umreti, posebno letos ne, ker letina tako dobre kaže.

V nedeljo, dne 17. julija se pripelje v Ljubljano ena skupina ameriških izletnikov. Časopisje poziva ljudstvo, da jih primerno sprejme, seveda v godbo na čelu. Tudi jaz jih pojdem čakati, da bom zamogel kakemu znanцу zopet v roko seči. Kakšen bo sprejem, vam bom kasneje poročal.

Torej dragi mi vsi! Zdaj vam je znano, da sem srečno prispel v svojo domovino in da se še nimam nič pritožiti. Če bi tam imel to, kar imam tukaj, bi še ne šel iz Amerike; kako bo nadalje, bo pa bodočnost pokazala.

Zdaj pa pošljem iskrene pozdrave in vam vsem želim, da bi tudi vam kmalu zasijalo solnce izboljšanja vašega položaja.

Ostajam vam udani sobrat in prijatelj:

Ivan Varoga,
Stari trg, št. 21, Ljubljana,
Jugoslavija.

PLAČANI PATENTI

Vlada Zedinjenih držav bo odškodovala nekatere državljane Avstrije in Madžarske za izrabljanje njih iznajdb od začetka vojne do 13 let po zaključku iste. Ti patenti so se v Zedinjenih državah izkoriščali pod državnim licenco. Vlada Zedinjenih držav je večkrat pozvala iznajditelje, da naj predložijo svoje zahteve. Ker se niso odzvali, je zdaj vlada oficijelno naznanila, da bo plačala \$912,000 nekaterim iznajditeljem v Avstriji, \$35,000 pa nekaterim v sedanji Madžarski. Najdražje plačan bo patent, nekega Avstrijca, s katero iznajdba je mogoče zaslediti bližajoče se sovražne podmarnine.

LOVSKA SREČA

Država Oregon plača 20 dolarjev za vsakega ubitega gorskega leva ali puma (cougar), ki povzroča veliko škodo med drobnico, pa tudi med srnami in drugo divjačino. Raymond Sherman Smith, ki sta bila že dalje čase brezposelna, sta nedavno ubila pet pum, ter jima je državna nagrada v znesku 100 dolarjev zelo prav prišla.
