LEP USPEH KAMPANJE-KVOTA \$1,000,000 DOSEŽENA

IZ GLAVNEGA URADA K. S. K. JEDNOTE

30. KAMPANJSKO POROČILO

Z največjim zadovoljstvom in veseljem želim poročati, da smo predpisano ali določeno kampanjsko kvoto nove zavarovalnine dosegli.

Kvota kampanje "Graditve novega Jednotinega urada" je bila določena na \$1,000,000 nove zavarovalnine.

V kampanjskem programu je bilo določeno, da kakor hitro se doseže predpisano kvoto \$1,000,000 nove zavarovalnine, se bo smatralo, da je zidanje novega Jednotinega urada dovršeno.

Od pričetka kampanje, 2. aprila do 7. decembra je bilo vpisane \$1,010,250 nove zavarovalnine.

S tem je bila predpisana kampanjska kvota dosežena in tako je bila s tem tudi "Graditev novega Jednotinega urada" dogotovljena.

V tednu od 29. novembra do 7. decembra je bilo vpisane \$51,000 nove zavarovalnine. To svoto so vpisala sledeča društva:

Odračunjena zavarovalnina pri društvih št. 56, 103, 115, 163, 218, 235 in 236. 4,500

Skupaj \$ 46,500
Zadnji izkaz 963,750

Skupaj \$1,010,250

Ta lepa vsota nove zavarovalnine je pripomogla, da je bila predpisana kvota ne le samo dosežena, pač pa da smo kvoto za \$10-250 prekoracili.

Sobrat Frank G. Petrovic, član društva sv. Jožefa, št. 2, Joliet, Ill., se lahko ponaša, da je bila ravno z njegovo zavarovalnino predpisana kvota \$1,000,000 dopolnjena.

Ravno tako se lahko društvo sv. Jožefa, št. 2, ponaša s tem da je bilo prvo moško društvo, ki je doseglo društvu določeno kvoto. Za to društvo je bila določena kvota \$70,000, toda do 7. decembra je društvo vpisalo že \$74,500 nove zavarovalnine.

Prvo društvo, ki je že pred davnim doseglo svojo kvoto, je žensko društvo sv. Neže, št. 206, South Chicago, Ill. Navedeno društvo gre z najlepšim zgledom naprej, saj je svojo kvoto že več kot podvojilo, oziroma doseglo 245%.

Vsem društvom, ki so pripomogla, da se je določeno kvoto nove zavarovalnine vpisalo, vsa čast in priznanje!

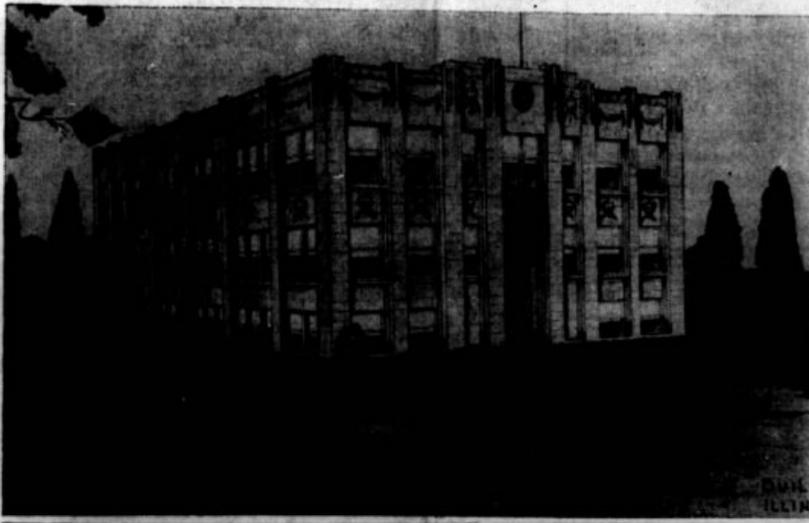

Kvoto smo dosegli. Nov Jednotin urad je dogotovljen. Kaj pa sedaj? Bomo li sedaj držali roke križem in zadremali?

Ne, dragi sobratje in sestre! Sedaj, ko smo kvoto dosegli, ne smemo dremati ali spati. Ravno nasprotno. Lepa, do sedaj vpisana nova zavarovalnina nam mora biti v vzpodbudo, da gremo naprej. Da še dalje delujemo in pridobivamo novo članstvo.

Posebno ona društva, ki do sedaj še niso nič storila, naj se podajo na delo. Še je čas! Še je mogoče nekaj popraviti, kar se je v preteklosti zamudilo.

Torej na delo! Naprej, za večjo in močnejšo KSKJ!
Jošip Zalar, glavni tajnik.

GRADITEV NAŠEGA NOVEGA JEDNOTINEGA DOMA DOVRŠENA

Nas novi Jednotin dom je bil pravzaprav dovršen že letos začetkom aprila; saj se je naš glavni tajnik br. Jošip Zalar z vsem svojim štabom preselil vanj ravno ob 45-letnici obstanka Jednote, dne 2. aprila. Tako ste že tudi videli v 29. (jubilejni) številki Glasila veliko krasno sliko poslopja našega sedanjega glavnega urada.

Ker ama pa način letošnje jubilejne kampanje izdelali v smislu gradnje novega Jednotinega urada in do danes priobčili že več slik o poteku te gradnje, zato prinašamo v današnji številki sliko tega povsem do grajenega poslopja, ki je našim Jednotarjem že gotovo dobro znana.

Kaj ne, samo nekaj še manjka na tej sliki? Ameriške zastave. Isto se bo razobesilo po zaključku kampanje prvi teden meseca januarja. To čast bo pa doseglo dotično društvo, ki se bo postavilo z najvišjo svoto dosežene nove zavarovalnine.. Res, radovedni smo, katero društvo bo tako srečno?

12 NAJBOLJ AGILNIH KAKO SMO OD TEDNA DO TEDNA NAPREDOVALI DRUŠTEV

Nastopnih 12 agilnih društev je do 7. decembra že doseglo več kakor polovico predpisane jim kvote:

LISTNICA UPRAVNIŠTVA

Več naših članov z večjo družino prejema redno po štiri, pet, šest in celo več iztisov Glasila. Nekateri izmed teh so številno zmanjšali in pošiljajo zato en iztis kakemu sorodniku ali prijatelju v Jugoslavijo. Ker se tudi drugim nudi ta prilika, naznanjamo s tem način, kako je mogoče list pošiljati v zameno:

Za enega naročnika, ako se ga pusti, znaša celoletna naročnina, oziroma doplačilo za enega naročnika v Jugoslaviji \$2.16, za dva naročnika \$1.82, za tri naročnike v zameni 48 centov, za štiri pa ni treba nobenega doplačila.

Ako hočete torej komu list v Jugoslavijo na ta način pošiljati, naznanite upravništvu imena onih, katerim naj se list ustavi in označite naslov naročnika v stari domovini; seveda je treba pri tem priložiti tudi potrebno svoto.

AGITIRAJTE ZA MLADINSKI ODDELEK!

Ely, Minn.—Zdaj, ko se bližamo koncu leta 1939, gremo tudi proti zaključku naše jubilejne kampanje. Prav veseli moramo biti vsi Jednotarji ob čitanju zadnjih kampanjskih poročil, da se kampanja vrši v najlepšem teku in da bomo zaželjeno kvoto \$1,000,000 morda še pred Božičem dosegli. (Hvala Bogu smo jo že! Op. ured.)

V predzadnjem (27.) kampanjskem poročilu je bila omenjena tudi bitka med našim društvom št. 72 in društvom št. 203. Samo to rečem, da bo jako zagrmelo v par tednih in potem bodo naše Maričke gotovo debelo gledale, kaj vse Antoni zmoremo?! Rečem tudi, da se ne damo kar tako na lepem v kozji rog vgnati. Naš tajnik, brat Mike Cerkovnik, sedaj vse zelo pazno zasleduje, potem se bo pa že videlo, kdo bo deležen palmov vejice.

Vesele božične praznike vsemu glavnemu odboru in celokupnemu Jednotinemu članstvu.

S sobratskim pozdravom,

John Mehle,
zapisnikar društva št. 72.

LISTNICA UREDNIŠTVA

V zadnjem kampanjskem poročilu ni bilo eno društvo pri kvoti \$50,000 pravilno označeno. Namesto št. 156, bi se moralo glasiti št. 56, ki ima 50.6% kvote k dobrem.

Ali imate še kakoga novega člana(ce) za prihodnjo sejo?

VESTI IZ JUGOSLAVLJE

SLABA LETINA V SLOVENIJI Ljubljana.—Naš kmet in delavec, katera živita v odvisnosti zemlje, sta letu zabredla v težak položaj radi slabe letine. Celokupen donos pridelkov je za 50% manjši v primeru s...

me kmet v sedanjem času denar, kako naj oskrbi za slimo družino s potrebnejšim živim in obleko, kako naj poravnava svoje davčne obveznosti, obrok PAB itd., ko to, kar ima na prodaj, nima nobene primerne cene, ali pa je prodaja sploh onemogočena?

VINSKA LETINA, POLOŽAJ SLOVENSKEGA KMETA

Naribor.—Slovenski vinogradniki preživljajo težke čase. Dasi je bila letošnja vinska letina po nekaterih krajih odlična, po drugih zadovoljna in to po kvaliteti, kakor po množini vina, vendar ne spravljajo slovenskega kmeta iz težav, v katerih živi že več let po vojni.

Četudi so nekateri vinogradniki pridelniki po trikratni pridelki letanskega leta, vendar bo njihova borba za obstanek brzkone še hujša kakor lani. Edini, dohodek, ki ga ima od svojih pridelkov, so bila letos pabolka, katere je prodal v izredno veliki množini mestoma še po ugodnih cenah. Drugih pridelkov ni bilo veliko. Malo je krompirja, še manj pa fižola.

Dobro so obrodile letos tudi slive. Kmetje so jih namakali v ogromnih množinah. Zganjajo je toliko, da ga komaj pomnijo stari ljudje. V zidanicah so polovnjaki polni vinskega in jabolčnega mošta.

S kakovostjo in množino vina je slovenski vinogradnik zadovoljen, ni pa zadovoljen z ceno. V Slovenijo prihajajo vinski prekupeci ter ponujajo za liter najboljše vina po 4 do 4.50 dinarjev, dočim ponujajo za malo slabšo kvaliteto 3.50 dinarjev. Zato se upravičeno jezi slovenski vinogradnik, ker se njegovo delo prav nič ne ceni. V kolikor bodo res padle cene letošnjemu cvčku, kar je seveda težko pričakovati, bo glavni vzrok v dobri letini. Vinogradnik drži čeno cvčku od 4 do 4.50 dinarjev, boljše kakovosti pa po 5 dinarjev in morda še dražje.

Izseljenški duhovnik g. Ivan Camplin, ki se je pred nedavnim vrnil iz Francije, je postavljen za kaplana v Dolnji Lendavi. Izseljenški duhovnik g. Ivan Škafar javlja, da se bo v kratkem vrnil iz Nemčije, kjer se že pripravljajo transporti za odhod v domovino.

Splavarški praznik. Iz Sv. Ožbolta ob Dravi poročajo: V nedeljo 12. novembra smo slavili običajni splavarški praznik. Do Martinove nedelje se v glavnem vrši splavarstvo po Dravi in se ta dan zaključuje z zahvalno službo božjo, pri kateri se splavarji spominjajo predvsem svojih med letom pri nevarni službi ponesrečenih tovarišev. Dravski splavarji so večinoma organizirani v naši stranki in je bil na ta dan tudi občni zbor krajevne ustanove pri Sv. Ožboltu. Poročal je bivši narodni poslanec Gajšek iz Marenberga, ki se je posebno zavzel za naše splavarje, da so dobili polovično vožnjo; nadalje, da je dobil Sv. Ožbolt javno telefonsko govornico in železniško postajališče, katero služi prebivalstvu ne samo od Sv. Ožbolta, ampak cele občine Kapla, Gradišča in Sv. Duha na Ostrem vrhu. Predsednik novega odbora politične stranke pri Sv. Ožboltu je zopet delavni Tevže Čas, lesni trgovec in veleposestnik. Sestava odbora je gotovo jamstvo za dober uspeh.

V prepred je strmoglavil. V soteski Boben pri Trbovljah se je nedavno pripetila nesreča, ki je zahtevala življenje 42-letnega rudniškega poduradnika Grozdinka Stanka iz Trbovelj. Grozdnik je šel s svojo ženo k svaku k Sveti Katarini nad Trbovljami. Tu je bil ves dan in šele proti večeru se je z ženo vračal proti svojemu domu. V soteski Boben blizu gostilne Plaznik se je nekoliko ustavil in se s hrbotom naslonil ob cestno ograjo, ki naj bi varovala potnike in voznike pred prepadom, ki sija pod cesto. Nesrečen slučaj je bil, da je ograja odpovedala in se zrušila v prepred. Grozdnik je strmoglavil v prepred, padel na skalo in si prebil lobanjo.

Prerokovanja o bodoči svetovni vojni

Usedlina kave, igralne karte, zvezde, let ptic in slične stvari so še dandanes načini, iz katerih skušajo ljudje razbrati bodočnost. Vedeževalke z bleščicami imeni in astrologi tudi danes ne trpijo zaradi brezposelnosti. Ljudi, ki verujejo v prerokovanja, in ki so radovedni, kakšna bo bodočnost, prav nič ne moti, da karte ali kavina usedlina, ali vedeževalke govorijo sedaj tako, drugič pa spet drugače. Sicer pa se tudi meteorologi in zdravniki v svojih napovedih in ugotovitvah razlikujejo in motijo.

Čim bolj je v svetu padala vera, tem bolj je raslo praznovanje. Človek je tako ustvarjen, da mora v nekaj verovati, če ne pravo, pa v neumno. Zato niso nikdar razni preroki in zvezdogledi bili tako upoštevani, kakor v današnjih časih, ki so baje obračunali z vsemi "nestvarnimi" ostanki nekdanjih dni in ljudi.

Čeprav to človeško norost, ki je samo potvarjanje globoke človeške potrebe po veri v Neznano, obojamo, moramo priznati, da je vsaka doba res imela tudi svoje preroke, vide, ki so napovedovali—včasih s presenetljivo točnostjo—bodočnost. Danes je čas, ko nas neizrečeno zanima vse, kar bi bilo v zvezi z bodočo usodo sveta in Evrope. Ta stara in nova prerokovanja je pred nedavnim zbral neki nemški pisatelj in jih izdal tudi v knjigi. To so prerokovanja o svetovni vojni v bodočnosti.

Ta pisatelj meni, da bo "svetovna vojna št. 2" v času med letom 1940 in 1950. Države, ki se bodo udeležile te svetovne morije, bodo preživele nepopisne strahote.

Ta prerokovanja so zelo slikovita in seveda polna nepomembnih podrobnosti. Nekatere izmed njih pa imajo celo vrsto točnih podatkov. Sveta Otilija je imela že pred letom 720 prived, da bodo Germani najprejilivejši rod na svetu. Vojne, ki bodo nastajale druga za drugo in, ki bodo vedno strahotnejše, bo izval človek, ki se imenuje Antikrist. Vojna bo izbruhnila na področju Donave in vojaki s krili bodo uničevali mesta in vasi. Po velikem zmagoslavju Germanov—nadaljuje njena prerokba—bodo propadli in njihova država bo razdeljena na 32 majhnih držav. Na koncu pa bo prišel veliki Antikrist, po vsem tem pa bo imela Germanija spet svojega kralja.

V 16. stoletju je prerokoval prior samostana Maria Lach, da bodo v 20. stoletju tri velike vojne, ki bodo vso Germanijo in obmejne zemlje spremenile v prah in pepel. Potem, ko bo Germanija že izgubila vojno, bo nastala še strašnejša vojna, v kateri pa bo Germanija popolnoma uničena. Strahoviti stroji bodo poteptali vso travo na poljih in ogenj in strupeni oblaki, ki so jih naredili ljudje, bodo na nebu. Tako bo propadel zli duh. Prior Leon Magnus je v 17. stoletju prerokoval, da bosta v

20. stoletju izbruhnili dve vojni in da bo v drugi vojni vse porušeno, kar je bilo postavljenega, da bodo nastali strupeni oblaki, premakljive trdnjave, letelne ladje in, da bodo ljudje ponoreli sami od sebe.

Leta 1794 je izšla tiskana knjiga naslovom "Prerokovanja iz samostana Marienthal." V tej knjigi piše, da bo en rod po veliki svetovni vojni izbruhnila še večja vojna in to s te in one strani tekoče vode. Napoveduje železne konje, puške na vozovih, ognjeni dim iz oblakov, ki pravzaprav niso oblaki, velike orle v zraku in krte, ki rijejo pod zemljo.

V prerokovanju iz leta 1811 je zapisano, da se bo dogodila velika nesreča, ker je v neki deželi v srednji Evropi nastalo nezadovoljstvo z njenim poglavarjem. Zmaga bo prišla z zahoda in to zmago bo izvajevala armada sedmih narodov. Glavna bitka bo na Renu in zmagal bo beli knez iz Francije.

Leta 1914 je prerokovala opatinja Katarina von Emmerich, da se bo 50 ali 60 let pred letom 2000 osvobodil Lucifer, da bo srce Evrope vedno večje in večje, da ga bo nato ranil beli knez in da bo neka država v srednji Evropi razpadla v več manjših držav.

Leta 1866 je neki župnik v Franciji objavil prerokovanje nekega francoskega vojaka. V tem prerokovanju zatrjuje, da bo v 20. stoletju izbruhnila vojna proti onim, ki ogrožajo svet, da bodo Italijani zahtevali Nice, pa je ne bodo dobili; Francija bo po velikih težavah prešla čez Ren in uničila zvezo v srednji Evropi in da bo Franciji spet zavladal kralj.

Predvsem je v teh prerokovanjih in tudi v mnogih drugih je zlasti zanimivo opisovanje novega, tedaj neznanega orožja; v tem so torej vsa ta prerokovanja točna. Dejstvo, da so o zrakoplovstvu že zdavnaj govorili, čeprav ga v tem času še niso poznali, igra v teh prerokovanjih veliko vlogo. Temu se ne smemo čuditi, ako se spomnimo starih slik in bakrorezov, na katerih so bile že upodobljene slične stvari. Na Durerjevem bakrorezu "Jata ptic" leti čudna jata ptic podobnih letalom.

Prav lahko smatramo, da so dotični duhovniki kot preroki poznali umetnost prerokovanja od svojih prednikov ali so pa vsaj čisto podzavestno razvijali dalje svoje privede.

Se bolj pa so zanimive glavne misli teh prerokovanj; vsa imajo isto vsebino; boje med dobrim in hudim, med svetlobo in temo, med pravico in krivico. Načelo "Dobrote" je knez v beli obleki, načelo "Hudega" pa poseebnja "Veliki" kot prikazen, ker je tujez v božjem kraljestvu. Na koncu vseh teh viđenj pa stoji sreča in mir. Novo nebo in nova zemlja.

Vsi privedi se vidijo okoli 20. stoletja, okoli reke Rene. Zakaj? Odgovor na to vprašanje prav za prav ni lahek. Vendar si lahko razlagamo, da so jasnovidci in preroki govorili to, kar so običajno delali umetniki, ki so slikali stvari iz Svetega pisma: svoje privede so postavljali v okolico, kjer so živeli sami.

Durer na primer je prikazoval Babilon kot staronemški grad. Kot največjo reko sveta so si pač predstavljali Ren. Ljudi je leto 1000 razočaralo, zato so preroki vzeli leto 2000 kot apokaliptično in usodno.

Moderni astrologi bodo seveda omalovaževali ta prerokovanja, kakor omalovaževajo današnji kemiki staro alkimijo. Nostradamus je bil bojda leta 1503 v južni Franciji in je spisal "skrivnostno knjigo," kakor jo imenuje Goethe. Nostradamus je prerokoval

BELA KRAJINA—BISER SLOVENSKE ZEMLJE

Zjutraj ni kazalo prav posebnost, a to nas ni oplašilo. Vlak je bil že na Selih pri Otovcu, kjer smo mi vstopili, popolnoma natrpan. V Črnomlju, Gradacu, Dobrovicah, poln peron ljudi, dočim so iz Metlike že odšli peš. Preko 20 voz je izšlo romarje na zadnji slovenski postaji—Rosalnicah, ki so komaj četrte ure oddaljene od Treh far. Polna cesta ljudi se je vila proti tej starodavni božji poti, odkoder se je že šlo glasno kričanje. Tu so zbrani skoraj vsi Belokranjci, mnogo jih je prišlo že v soboto večer in so po cerkvah spali, daleč s Hrvaškega so prišli romarji peš in na vozovih, pa tudi Kranjcev iz Novega mesta in Ljubljane ni manjkalo. To vam je direndaj. Človek se komaj gane, taka gneča je. Skoz ob cesti sede berači in pohabljeni in pojoče prosijo miloščine. Iz gostilni prihaja kupce k stojnicam, na travniku meketajo ovce in čakajo za zakolj, mesarji, ki so prav številno zastopani, ponujajo pečeno bravino in svinjino, zvonovi veselo pritrkavajo, da vam doni po glavi, otroci se sukajo okoli vrtiljakov, piskajo in se vozijo. Žalibog so Tri fare že mnogo izgubile na romarskem značaju, kajti od toliko ljudi jih gre le malo v cerkev, največ ženske, dočim se mladina zabava pozno v noč. Pravili so mi, da skoraj vsako leto, če ni le pregrado vreme, poje ta ogromna množica ljudi nad sto jancev in zalije te s približno 60 hektolitrov vina. Nekaj je že.

Narodni običaji

Malokje v Sloveniji je ohranjenih toliko narodnih navad kakor ravno v Beli Krajini. Tu mislim na Zelenege Jurija, Tri kralje, različna kola, Kresnice itd. Zeleni Jurij, ki ga Zupančič tolikrat opeva v svojih pesmih, polagoma izumira. Odkod je ta običaj prišel, ali je domačega kova, ali so ga Belokranjci vzeli od Hrvatov, mi ni znano. Včasih se je ta navada vršila bolj hrupno in v večjem številu. Zbralo se je kakšnih 15

svetovno vojno, porušenje stolnice v Reimsu, bitko na Marni, rusko revolucijo, propad Češke. Kakor pravi Maurice Privat, prerokuje Nostradamus veliko vojno v letu 1944. Vojna bo v Sredozemskem morju, v njej bosta igrala veliko vlogo papež in Anglija.

OBRAMBNA MOČ EVROPSKIH VELESIL

Nastopnih pet evropskih držav ima svojega vojaštva pod orožjem, kakor sledi:

fantov, ki so v narodni noši, ki pa takrat pravzaprav še ni bila narodna noša, ampak vsakdanja obleka. Takrat so namreč še vsi nosili belo obleko. Enega izmed njih so okrasili z zelenjem, z vencem, ki so jih spletla dekleta, v roko pa so mu dali veliko brezovo vejo. Brezova veja je namreč simbol, oziroma prvo znamenje pomladi v Beli Krajini. Med tem ko so ostali grozdovi še popolnoma goli in brez življenja, je videti med stelniki cele komplekse lepih zelenih brez. Ti fantje so torej hodili okrog po vaseh, peli pesmi in znano Jurjevo pesem, v kateri žele, da bi sv. Jurij prinesel vasem in ljudem srečo, nato pa se obrnejo na dobro srce gospodinje, ki jim brez dvoma nikoli ne odbije prošnje. Seveda so postale te procesije včasih zelo nadležne, ker je prišlo več takih "Jurijev" v vas. Zato Belokranjci gotovo preveč ne žalujejo za Zelenim Jurijem.

Podobna navada kot Zeleni Jurij so "Kresnice." Ime imajo po žuželkah, ki v poletnih nočeh letajo in se svetijo. Ta dekleta "Kresnice" hodijo v vsaki vasi tisto noč pred sv. Janezom Krstnikom, K vsaki hiši, kjer imajo kakšnega Janeza, ki ima drugi dan god in poejo. Obenem po obesijo na vsako hišo venci iz rož in žitnih klasov. Isto noč tudi Belokranjci, kakor tudi po nekaterih drugih slovenskih krajih, kurijo kresove. Zelo lepo je videti, kako v poletni noči žare povsod svetle točke, kresoviti. Ob kresovih se zbere velika množica fantov in deklet, ki navadno poejo in plešejo kolo. Tudi skakanje čez ogenj je še precej v navadi, vendar pa s mejo skakati le fatje, ki so odslužili vojake. Kresove pa kurijo Belokranjci tudi v noči med veliko soboto in Veliko nočjo. To navado pa so prevzeli od svojih sosedov Hrvatov, ki so jo že deloma opustili. Tudi Belokranjci že ponehujejo, vendar pa se je pod vplivom duhovščine posebno v metliški fari še v lepi meri ohranil.

Najlepša navada pa so narodni plesi, posebno metliški in črnomljski. To kolo izhaja že iz leta 1470. Bilo je ravno na velikonočni pondeljek, ko so v Metliki na takozvanem Pungrtu plesali Metličani in Metličanke kolo. V najlepšem razpoloženju so jih dobili Turki izven mesta. Navalili so nanje, jih mnogo poklali, druge pa odpeljali v sužnost s seboj v Turčijo. Torej od takrat pa do danes se vsako leto na velikonočni pondeljek pleše ob zvokih metliške godbe, ki je zelo znana, to narodno kolo. Ta dan vse hiti na Pungrt. Pleše jih pa po več desetini. Seveda ne v narodni noši, kakor bi to moralo biti, ampak poleg navadnega sukna stoji gospod s pravo angleško obleko in poleg bele narodne noše, gospodična v vijoličasti crepe de chine obleki. Druge belokranjske igre so: most, rešeteč, bočeci, kurji boj, turn ter črnomljski koto-most.

Na Belokranjski ohceti

Posebno srečo sem imel, namreč to, da sem bil povabljen na ohceti, ki jo v Beli Krajini na prav poseben način praznujejo. So pa ti različni običaji malo pretirani. Ohceti obhaja Belokranjec zelo razkošno in nepremišljeno. Tu ne sme ničesar manjkati, pa naj bo potem sam celo leto lačen. Posebno se takrat ne gleda na vino. Če nima denarja ali mu ga zmanjka, gre seveda posodit in izda za stvari, brez katerih bi lahko prebil. Svata traja tri dni, to se pravi po dnevi in ponoči. (Dalje prihodnjič)

JOLIET JOSEPHS GO OVER GOAL AS LODGES PASS MILLION MARK

SECRETARY ZALAR URGES LETHARGIC LODGES TO JOIN DRIVE FOR THE WINDUP

"Our members can do it!" was the contention in speculating on success when the KSKJ Building Membership Campaign was opened April 2 and scheduled to run until the end of this month. Not only was the opinion correct, but it even surpassed expectations, because the members not only DID it, but they DID it ahead of time.

The official report released by Secretary Joseph Zalar as of the week Nov. 29 to Dec. 7 netted \$51,000 in new insurance and brought the drive over the MILLION DOLLAR goal set at the opening date. With weeks to go before the curtain is lowered on this already successful campaign, the total now reads \$1,010,250.

In the grand march "over the line" 28 lodges supplied the necessary push for the particular week. Outstanding was St. Joseph's No. 2 of Joliet, with \$8,000 giving the Josephs a total of \$74,750 or 106.50 per cent quota. The Joliet lodge was the first of the 70 thousand class to make quota. St. Anthony Society, No. 72, of Ely, Minn., again appears in the news with its additional \$6,500 register.

Sharing honors with the Joliet lodge is the St. Agnes Society No. 206 of South Chicago, the first to attain quota. Not only did the Agnes ladies go over the mark, but they contributed another \$6,000 for the current report to give them a 245 per cent rating.

Bro. Frank G. Petrovic's enlistment as a member of St. Joseph's, Joliet, fulfilled the million dollar quota.

"Highest commendation goes to all the societies who aided in attaining the goal," says Mr. Zalar in making the official announcement.

"We have made goal. The new home is built. Shall we sit back now and twiddle our thumbs? No, dear members, now that we have reached our goal, we should not go to sleep. On the contrary! The grand success that we have achieved should serve as an inspiration and encouragement to continue.

"Those lodges which have not to date signed one member are urged to contribute their share. There is still time!"

EXPECT RECORD TURNOUT FOR SMASH-HIT TOURNEY TO DECIDE CAGE CHAMPS IN THREE DIVISIONS

So. Chicago Promises New Entry in Girls' Bracket

ENTRY DEADLINE JANUARY 17

Retain Same Rules and Regulations Of Past Meets

Waukegan, Ill. — The decision of Joliet to play host to the Seventh Midwest KSKJ basketball tournament has met with universal approval as we surmise from the favorable comments received from all quarters. Waukegan as usual is already in full swing and all the local lodges are making preparations for this gala coming event. All the representatives present at the recent confab of the Midwest Basketball Association on Sunday, Dec. 3 at Waukegan were enthusiastic about making this another of those smash-hit tourneys. The response was most gratifying and gave every indication that this Kay Jay event will fulfill all our expectations. Because the Lenten season comes so soon this year, the dates of the tourney were set for Saturday and Sunday, January 27 and 28.

Presiding at the meeting was Rev. M. J. Butala, president of the association. Besides the delegates representing Milwaukee, Waukegan, So. Chicago and Joliet, was Mr. Joe Zorc, Athletic Commissioner of the KSKJ. Rev. M. J. Hiti, pastor of the Mother of God Church, was present to offer his wholehearted support in any capacity.

With Joliet's acceptance of the tourney came also the surprise announcement that So. Chicago would enter a girls' team in competition in this coming tourney. This is just what everyone has been looking forward to, and it is with enthusiasm that the KSKJ basketkeeters welcome this new addition to the girls' division. The Joliet, Chicago and Waukegan girls have a new threat to overcome! We are eagerly awaiting the advent of this girls' team and might venture to predict that they may surprise everyone by capturing the highest honors in this cage classic.

From all indications, the schedule may be heavier than ever this year, due to the increasing number of team en-

tries. Indianapolis may enter again and perhaps be represented by more than one team.

We are assured of our regular standbys: Chicago St. Stephens, So. Chicago St. Michaels and St. Florians, Waukegan St. Joes, St. Marys and St. Annes, and Milwaukee Baragas. Joliet, of course, playing host to the visiting teams, will without doubt have a record number of entries.

The same rules and regulations governing past tourneys will be observed. Entry fee remains at \$1.00 per team, lightweight limit is 143 lbs.

The KSKJ will furnish the trophies as well as meeting the expenses of the official referees.

We would like to call to the attention of all teams that all entries must be in by the 17th of January at noon; a meeting to draw up the schedule will be held in Chicago on the same evening, Jan. 17 at 7:30 p. m. Frank Banich has graciously offered his home as the site of this meeting.

We are again inviting any KSKJ teams from other Kay Jay communities desiring to participate, to send in their entries.

The same officers were re-elected for another year. The Rev. M. J. Butala as president and treasurer, and Miss Marie Grom, secretary. The board of trustees consists of one representative from each lodge or club competing.

Remember the deadline for entries is Jan. 17th! Let us unite again to make this another memorable event in the history of KSKJ basketball!

Marie Grom,
Secretary.

PRESTO CONFAB

Presto, Pa. — The Presto KSKJ Booster Club will meet January 7 at Kreks, commencing at 2:30 p. m. Election of officers will take place at that time.

All members are urged to attend, especially those interested in bowling.

It's Not Too Late to Co-operate Yet!

**ZEFRAV TAVERN LEAD NARROWED;
KORENCHANS RETAIN EVEN PACE**

Chicago, Ill. — Zefrav Tavern lead in the Steve's league was again cut down when Tomazin Tavern took a pair of games from them. Tomazins were aided by a 48-pin handicap which enabled them to take the two games. The winners were led by "Butch" Kremesec with 575, and Mike Trinko who came up with a 493 series. Frank Gottlieb was high for Zefrav Tavern with 563.

Korenchan Grocers added two more victories to their win column by winning two from the Monarch Beers, thereby gaining one game on the league leaders. The Grocers are now only four games behind the leaders. The Grocers had some steady bowling as Tony Prah hit 519, Jeray 514, and Vic Prah 513. Darovic topped the Beers with 535.

Park View Laundry picked on the poor Fidelity Electricians for three games which put them into a tie for third place with Tomazin Tavern. The Electricians have had the worst luck so far, losing one

close game after another. They lost the first game by two pins. "Red" Grill was top man for the Laundrymen with 563, while Eddie Pekol's 215 game gave him a 520 series. Carl Strupeck was high for the losers with 545.

With the fine bowling of Capt. Louie Zulich the Perko Inn team won two games from the Kosmach Boosters. Capt. Zulich rolled 537 to keep his team in fifth place. John Prah led the Kosmach Boosters.

John Kochevar, boss of his Monarch Beers, made two changes on his team last Tuesday. One was that he made his son, Raymond, captain of his team. The other was the juggling of his line-up. As a result of his new office, Raymond beat his dad by 29 pins. John Korenchan was again on hand to see his team stay in the fight for first place. Willie Necker was back after being sick a few weeks. Eddie Pekol rolled his second 215 game last Tuesday. Ed has bettered his average 24 points since the start of the season.

**JOLIET JAY PINSTERS TURN ON HEAT;
DOC ZALAR HITS NEW SERIES HIGH**

Joliet, Ill. — The good old "do or die" spirit of keen competition was the key-note of last week's bowling in the local KSKJ loop. The weather was ideal, the alleys were red hot, and the bowlers were on the rebound from the epidemic of low scores turned in at the previous session. When the boys gathered in the locker room for the regular weekly post mortems, the results showed that the Gorsich's whipped the Tezaks two games while the Kuhar Grocers and the Hickory Meats were taking a pair from the Slovenic Coals and the Bluth's Markets, respectively. In taking their two games the one-time lowly Gorsich's proved conclusively that they will back down for no one, even though their competition happens to be holding down first place. Their record of six out of the last nine shows they are not to be counted out so easily.

In the first of their victories the Hickory Markets ran into a riot of strikes and wound up with a new high game total of 955, and then breezed along on games of 886 and 831 to set a new high three game mark of 2672. Doc Zalar was the stand-out bowler of the team and of the league with a three-game total of 667 on games of 237, 217 and 213. Doc's beautiful series put him on top of the heap in the high three-game class, just three pins over Lud Kuhar's 664 shot earlier in the season.

Other high scores were: J. Horvath 245, M. Slana 223, Dr. Zelko 221, A. Golobitsch 213, M. Gorsich Jr. 205, and A. Rozman 204.

SPARES: Picture of complete and unadulterated happiness . . . Tony Rozman registering his 204 game . . . the first time in his life he climbed over the 200 mark . . . he's hoping all his Cleveland friends see this write-up . . . The Hickory Markets won their first game by a margin of

333 pins . . . and then lost the finale by 34 pins . . . ho hum, such is bowling . . . The Slovenic Coals did turn on the heat in their last game and chalked up a 949 total for second place in the high three-game class . . . The Supreme Office force had a lot of fun with Matt Slana over that 104 of last week, but Matt says "I'll show 'em" and bounces back with 223 . . . nice going.

ANGRY WORDS

Angry words, though lightly spoken,
In a rash and thoughtless hour,
Brightest links of life are broken
By their fell, insidious power.
Hearts inspired by warmest feeling,
Ne'er before by anger stirred,
Oft. are rent, past human healing,
By a single angry word.

Poison drops of care and sorrow,
Bitter poison drops are they,
Weaving for the coming morrow,
Saddest memories of today.
Angry words! Oh, let them never
From the tongue unguarded slip;
May the heart's best impulse ever
Check them ere they pass the lip.

Love is much too pure and holy,
Friendship is too sacred far,
For a moment's reckless folly
Thus to desolate and mar.
Angry words are lightly spoken,
Bitterest thoughts are rashly stirred,
Brightest links of life are broken
By a single angry word.

Love is much too pure and holy,
Friendship is too sacred far,
For a moment's reckless folly
Thus to desolate and mar.
Angry words are lightly spoken,
Bitterest thoughts are rashly stirred,
Brightest links of life are broken
By a single angry word.

Coconut Fruit Cake

1/2 cup shortening, 1 cup sugar, 2/3 cup grated coconut, 2/3 cup chopped almonds or walnuts, 1/4 cup candied orange peel, 1/4 teaspoon vanilla, 1 1/2 cups flour, 1/4 teaspoon salt, 2 teaspoons baking powder, 1/2 cup milk, 3 egg whites.

Cream the shortening, adding the sugar gradually. Then add the coconut, almonds or walnuts, orange peel and vanilla. Next add the flour with the salt and baking powder alternately with the milk. Lastly fold in the stiffly beaten egg whites and bake in a greased cake pan in a moderate oven about 30 minutes.

Chinese Chews

1 cup ground dates, 1 cup sugar, 1 cup English walnuts, cut, 3/4 cup cake flour, 1 teaspoon baking powder, 1/4 teaspoon salt.

Mix together the dry ingredients. Put in nuts and dates and well beaten eggs last. Bake in a sheet thin as possible 15 to 20 minutes. Cut in small squares and roll. Then dip in powdered sugar.

Caramel Cookies

4 cups brown sugar, 1 cup nut meats, 1 cup lard or butter, 4 eggs, 5 cups cake flour, 1 teaspoon soda dissolved in a little water, 1 teaspoon cream of tartar.

Knead as you would bread. Mold in 2 or 3 loaves. Let stand over night. Slice 1/4 inch thick and bake on greased cookie sheet.

Pfeffernusse

2 cups brown sugar, 4 slightly beaten eggs, 5 cups flour, 1/2 teaspoon soda, 1 teaspoon cloves, 1 teaspoon nutmeg, 1 teaspoon cinnamon.

Stir brown sugar slowly into slightly beaten eggs; add flour, soda and spices, mixed and sifted together. Roll 1/2 inch thick and cut with small round cutter. Let stand over night on oiled baking sheet to ripen. In the morning, bake in moderately hot oven for 15 minutes. When cool frost with white frosting.

Caramel Fudge

1/2 cup sugar, 1/2 cup thin cream, 1 1/2 cups sugar, 1/2 tablespoon butter, 1 teaspoon vanilla, 1/2 cup chopped walnut meats.

Put the 1/2 cup of sugar in a heavy skillet or saucepan and heat over slow fire. Stir constantly and cook until it melts. Gradually add the cream, which has been heated, stirring constantly. Add the 1 1/2 cups of sugar and the butter. Put over a medium hot fire and cook until a little of the mixture dropped into cold water forms a soft ball. Stir frequently. As soon as the fudge reaches the soft ball stage, remove from the stove at once and set in a pan of cold water. Cool before beating. Beat vigorously and add the vanilla and nut meats. Continue beating until creamy. Turn into a buttered pan and mark into squares.
