## NAZNAKNIK

Društvo sv. Stefana, št. 1,  
Chicago, Ill.

Cenjeno članstvo vabim, da se v soboto, 5. novembra, zvezčer udeležiti redne seje našega društva, ki se bo vrnila v našavnih prostorih.

Med drugimi točkami, ki prijejo na dnevni red, bo tudi razmotrivanje o plesni zabavi, ki jo bo priredilo naše društvo na predvečer zahvalnega dne, torej 23. novembra. V teh časih naše društvo ne prireja pogostih zabav, ker se zaveda, da bi se ljudstvu ne bilo mogoče da bi se jih udeleževalo. Samo eno prireditev na leto imamo, toda za to edino prireditev se upada bo vsak član in članica zastavil svoje moći za njo in pripravil do nje popolnega uspeha. Pridite na sejo, da se o tem podrobnejše razgovorimo in da podaste svoje nasvete in priporočila.

Na sejo se vabi vse članstvo brez razlike. Dostikrat slišim od nekaterih, da bi šli na sejo, pa nimajo denarja. To vendar ni nikak vzrok, da bi izostali od seje. Saj se od nikogar ne zahaja vstopnina in nikomur tudi ni na čelu zapisano, je-l placač svoj asesment ali ne. Zeleti je sicer, da bi vsakdo, ki mu je le mogoče, poravnal svoj asesment na seji, vendar pa, ako kdo nima ravno tedaj denarja, naj na sejo klubu temu pride; saj lahko potem kak torek zvezčer ali kak petek popoldne pride k meni na dom in tam plača. Glavno je, da je plačano redno. A tudi tisti, ki točasno sploh ne morejo plačati in so dolžni bodisi Jednoti ali pa društvo, se največkrat pokažejo na društvenih sejah. Nič kaj lepo ni, ako jih mora društvo čakati za večje svote, oni sami pa ne pokažejo za društvo niti za nikel zanimanja. Pokažite se, da ste dobri člani, četudi začasno ne morete izvršiti denarnih dolžnosti našega društva.

Tekom tega meseca nam je smrt ugrabil zopet enega člana, že četrtega to leto, namreč Alojzija Stritarja, 2018 W. 21st Place, ki je trpel že dalje časa na srčni bolezni. Umrl je 6. oktobra. Večni pokoj njemu, iskreno sožalje njegovim domaćim.

Imamo tudi precejšnje število bolnikov tekom tega meseca. Na bolniški listi so sledile: Louis Zefran, Anna Madic, Frank Chernich, Louis Gorjanc, Frank Kukman, Frank Koporc, Henry Baskovec, John Terselich in Anton Banich.

Bratski pozdrav,  
P. Vidmar, tajnik.

Društvo sv. Jožefa, št. 2,  
Joliet, Ill.

S tem naznanjam onim člonom, ki dolgujejo društvo na asesmentu, da je imel naš društveni odbor svojo sejo dne 19. oktobra v namenu, da se pronađe pot, po katerih bo društvo poslovalo ali postopalo v bodoče. V zadevi neplačanega asesmenta od strani članstva je odbor sklenil na omenjeni seji, da bodo vse tozadne točke in priporočila predložena članstvu na prihodnji redni mesečni seji v odobritev. Zaradi tega pozivljam člane, da se gotovo udeležijo prihodnje seje prvo nedeljo v novemburu; posebno naj veljavijo te besede onim, katerih se to tiče; ti bi morali priti na sejo, da spoznajo, kaj vse društvo storiti ter hoče storiti, da se jih obdrži pri društву in Jednoti.

Ob enem se članstvu naznana, da naše društvo priredi plesno veselico dne 23. novembra; to bo večer pred Zahvalnim dnevom. Vstopnice se že sedaj dobijejo pri tajniku in pri nekaterih drugih uradnikih društva; vsled tega toplo priporočam članom, da si iste vsak preskrbi in jih skuša prodati kar največ mogoče, stanejo 25 centov vsaka.

Končno prosim cenjeno članstvo za boljše sodelovanje z

društvenim tajnikom kar kar pa zadnje čase. Razvidno je, da nekateri našč omalujujojo tajnikova navodila, posebno kar se tiče za napravo ali prednjo gledo posojila na Jednoto za kritje njih asesmentov. Torej prosim, da kadar kak član nobi kakovškoli navodilo, da se tu di po istem ravna, kar bo edino v njegovo korist.

S pozdravom,  
Louis Kosmeri, tajnik.

Društvo sv. Ane, št. 127, Waukegan, Ill.

Že zopet se oglašamo v našem listu, pa nimamo nič kaj veselega poročila.

Minuli so komaj trije meseci, kar smo poročali o smrti naše sestreste Miss Rose Sveti, pa že zopet je nam smrt ugrabila eno izmed naših članic, in sicer sestro Mrs. Mary Gregorka v njeni najlepši ženski dobi. Pač hud udarec za nesrečnega moža, ker mu je zapustila še ne dve leti staro hčerko, ki bo sedaj brez matere. Naše društvo izreka prizadetim najiskrenje sožalje, pokojo Mary pa priporočamo v molitev in blagospomin.

Pri tej priliki se članicam našega društva zahvaljujemo za njih pomoč, kjer je bilo treba, ko so čule ob krsti pokojne sestre, ker ste se udeležile v takoj lepem številu molitve sv. Rožnega venca in ob času pogreba. Zahvalo izrekamo tudi društvi Marije Pomagaj, št. 79 in društvi sv. Jožefa, št. 53 KSKJ za udeležbo pri pogrebu. Nadalje se zahvalimo lastnikom avtomobilov, kar smo jih med sledi ples in druga prostazabava. Vstopnina na to prireditve je mala: za odrasle 35 centov, za otroke pa 10 centov.

Na tem mestu se prav prijazno vabi vse člane našega društva, da se prav gotovo udeleži imenovane prireditve, za mani denar se boste ves večer prav dobro zabavali, poleg tega pa tudi nekoliko pomogli društveni blagajni, katera je neobhodno pomoći potrebna v teh slabih časih, zakaj ako ne bi imeli društvene blagajne in ako ne bomo skrbeli za njo, bi morali eno tretjino članov suspendirati; zaradi tega upam, da vsak član, kateri ima kolikaj zavednosti, da ga ne bo manjkalo na prihodnji prireditvi; pomni naj vsak, da mogoče ravno iz preostanka te prireditve se bo ravno tebi ali meni pomagalo na eden ali drugi način. Pridite tudi oddaljeni člani, iz Rittmania, Kenmora, Akrona in Shermanna. Jaz vem, da v teh slabih časih vsak težko kam gre, ampak ako imamo nekoliko dobre volje, se pa že marsikaj naredi in pa nekoliko razvedrila ne bo škodovalo na enemu ne drugemu, zaradi tega pridite vse, da se bo moj saj trenutno nekoliko razvedrili in pozabili vsakdanje skrb.

Obračamo se torej vse skupaj z najiskrenje prošnjo na vodstvo tega sklada v nadaljevanju, da nam predoči iz skupnega vpogleda splošen odgovor pribljivo tak-le: Zato, ker smo naše smernice napeljali tako, da staro in mlado članstvo deluje po možnosti v skupni hrabali. Kaj bi to pomenilo za naše društvo in Jednoto v Clevelandu, vemo prav dobro iz preteklih izkušenj. Oživelj bi se s tem splošno pridobivanje novega, mladega članstva, kajti polja pot je že veliko med našimi neobdelanega. Ker želimo izvesti začrtani program, kolikor mogoče popolno in uspešno, smo takoj preračunali najbolj potreben, začetne izdatke v ta namen ter smo pronašli, da potrebujemo okrog \$200, in sicer čim preje tem bo.

Odlöčili smo se, da polovico tega vzamemo na svoje rame, za drugo polovico pa se obrnemo na vodstvo naše Jednote. Če vzamemo v poštev delo, kar so ga "St. Joseph Sports" že naredili za Jednoto, so prejeli iz društva vrednost, ki je zelo velika med našim narodom kot okrajni zastopnik. Kot tajnik kluba in kot okrajni zastopnik nima več prilnosti in več vpliva napristojnem mestu, da lahko marsikaj izposluje za enerži ali drugega. Tako je na primer zadnje čase po njegovem pripravljanju dobio veliko Slovenske premog brezplačno, samo voznika je bilo treba plačati. Na ta način so nekateri naši rojaki glede kurjave s premogom prekrbljeni za celo zimo z malimi strščki; ravno tako se je tudi dobilo več vozov na njegovem začugu; že s tega stališča je naši pletični klub potreben.

Za razvedrilo, zabavo ter kratkočesje v tej hudi depresiji skrbljijo tukajna društva, ker prirejajo razne veselice, Card parate, plese in druge prireditve; iste so zelo pogosto na dnevnem redu. Zadnjo plesno zabavo pred adventom priredi društvo sv. Jožefa št. 2 K. S. K. J. v sredo, dne 23. novembra zvezčer v Slovenija dvorani. Za isto se članstvo že sedaj zelo ženima. Ker to zadnja zvezčava pred adventom, je pričakovati velike udeležbe.

S posredovanjem tukajnjega Steel Works kluba in našega angleškega lokalnega lista so se zadruge tukajnjih mlekarjev in farmarjev sporazumele, da dajejo brezplačno mleko vsem javnim šolam in tudi katoliškim; mleko je za one otroke, ki so slabno hranjeni, ali pod normalno težo. Na ta način dobiva tudi okrog 200 otrok naše slovenske šole sv. Jožefa brezplačno mleko.

Tukajni lokalni list apelira na javnost, da kdor more kaj darovati v ta namen, naj prispeva. Za začetek je del list Joliet Herald News \$600, Steel Works klub pa \$250. Gotovo bo narod tega mesta pripoznal, da je ta ideja za prehranjevanje otrok zelo važna za bodočo federacijo.

Priporočljivo je, da bi se tudi med nemi, Slovenci obudili simpatijo do te akcije, saj so ti otroci naša bodočnost, so člani naših društev in naših Jednot.

## O NAŠEM POŠKODNINSKEM IN OPERACIJSKEM SKLADU

Znani hrvaški pregorov, "Malo novaca, malo muzike," se lahko navaja v raznih slučajih. Lahko se pa istega v gotovih slučajih tudi premeni rekoč: "Malo novaca, dosti ali veliko muzike." Baš ta pregorov naj bi veljal v nastopnem članku glede poškodninskega in operacijskega skladu naše Jednote, ki se vedno krči ter manjša, in sicer v toliki meri, da bo treba zopet poseči v naše žepe in primanjkljaj nadomestiti, to pa zato, ker se za malo asesmenta plačuje preveč podporo. To, gotovo neprijetno novico, ste gotovo že slišali in čitali iz zapisnika zadnje polletne seje glavnega odbora. O tem skladu je brat glavni tajnik v svojem finančnem poročilu omenil sledče:

"Preostanek poškodninskega skala znaša koncem junija samo \$93.43. Istočasno pa je bilo neplačane poškodnine v znesku \$1,500.

"Da bo mogoče plačati poškodninsko in operacijsko podporo, se bo moral za nekaj časa izposoditi gotovo sveto iz skala za izredne podpore. V bližnji bodočnosti pa se bo moral razpisati poseben asesment 50 centov na člana in članico."

Med vsemi drugimi skladi uveljavljenimi pri naši Jednoti imamo že od nekdaj baš s poškodninskim skladom neprileg. Kakor znano, je s tem skladom, tako tudi s tozadavnim asesmentom spojen tudi operacijski sklad. Vprašanje, čemu se mora ravno za ta sklad razpisovati poseben asesment, je lahko rešiti: Zato, ker je poškodninski asesment prenizki, ker je preveč slučajev poškodninski ter operacijski končno, ker so te podpore preveč. Le preudarite, da za borih 13 (trinajst) centov mesečno, na more glavni odbor delati čudežev, da bi za toliko vrst poškodnini ter operacij, ki so vedno na dnevnem redu še koncem polletja izkazal kak morebitni preostanek.

Na podlagi Jednotnih pravil se plačuje poškodninsko podporo v sledenih trinajstih slučajih:

1. Za popolno izgubo vida na enem očesu \$250.
2. Za popolno izgubo vida na obeh očesih \$500.
3. Za izgubo ene roke, katera je odrezana nad zapetjem \$250.
4. Za izgubo obeh rok, kateri sta odrezani nad zapetjem \$500.

5. Za izgubo ene noge, odrezane nad členkom \$150.
6. Za izgubo obeh nog, kateri sta odrezani nad členkom \$500.

7. Za eno roko, ki je popolnoma onemogla in nerabljiva, toda ni odrezana, se plača \$125. Ako pa bi bilo treba roko pozneje odrezati, se doplača še nadaljnih \$125.

8. Za obe roki, ki sta popolnoma onemogli in nerabljivi, toda nista odrezani, se plača \$250. Ako pa bi bilo pozneje treba roki odrezati, se doplača še nadaljnih \$250.

9. Za popolnoma onemoglo in nerablivo nogo, ki ni odrezana, se plača \$75. Ako pa bi bilo treba nogo pozneje odrezati, se doplača še nadaljnih \$75.

10. Za popolnoma onemogli in nerablivi nogi, ki nista odrezani, se plača \$250. Ako bi bilo pa pozneje treba nogi odrezati, se plača nadaljnih \$250.

11. Za zgubo prstov na nogi za vsakega \$25, kateri je odrezan pri zadnjem členku.

12. Za zgubo prstov na roki, za vsakega, kateri je odrezan pri drugem členku \$50.

13. Za zgubo palca, kateri je odrezan pri prvem členu \$50.

### Operacijske podpore:

1. Vse operacije v črepinski, prsn ali trebušni vratili \$100.
2. Operacija na črepini sami (na vdrti črepini) \$50.
3. Izrezanje reber \$50.
4. Izrezanje jezika \$100.

5. Operacija za izrezanje krofa (Thyroidectomy), \$100.
6. Odrezanje ženskih prsi \$100.

7. Operacija za kilo (Ventral, Inguinal or femoral hernia), \$100.

8. Za operacijo na vratu, maternici in nosnice skupno (Tracheorrhaphy and perineorrhaphy), \$75

9. Izrezanje kožnega raka \$50.

10. Operacija (odprtta) za zlomljene dolgih kosti \$100.

11. Izrezanje velikih žil (Varicose veins), ako operirano v bolnišnici, \$50.

12. Izrezanje potom operacije vsled vodenice v mošnjici (Hydrocele), \$50.

13. Operacija na velikih žilah v mošnjici \$50.

14. Operacija za izrezanje piles ali hemorrhoids, ako izvršena v bolnišnici, \$50.

Naj bo k temu še označeno, da se iz tega sklada plačuje tudi odpravljeno.

Da bo deficit v tem skladu koncem tekočega leta večji kot je bil dne 30. junija t. l., je pribita stvar. Zato vzemimo samo nekaj uradnih številk, ki gotovo ne lažejo. Meseca julija se je izplačalo za poškodninske in operacijske podpore \$3,625, meseca avgusta \$4,775, meseca septembra pa \$2,350, torej vsega skupaj v teh treh mesecih \$10,750.

Koliko asesmenta se je v ta sklad plačalo v tem času, ne moremo povedati; to bo označeno v polletnem računu brata glavnega tajnika. Lahko bi pa naredili povprečen obris kakor sledi: Vzemimo, da plača 22,500 članov in članic aktivnega oddelka na mesec v ta sklad vsak po 13 centov, kar znaša \$2,925, ali v treh mesecih \$8,775. Torej dobimo pri tem \$1,975 primanjkljaja ali deficit. Tako se je na primer v avgustu prejelo \$2,925 asesmen-

ta za poškodninski sklad, tozadavno podpora se je pa izplačalo v osmedenem mesecu \$4,775; samo v avgustu je bilo za \$1,850.

Bratu glavnemu tajniku bo gotovo hudo, ko bo meseca decembra prišli raspisati poseben asesment za poškodninski sklad; hudo in teško bo tudi to za uradnike društva in za vse članstvo; toda po naši sodbi ni pri tem nobene druge odpomoci. Denar, katerega se izposojuje za ta sklad je kakega drugega sklada, mora biti vrnjen, ker to zahteva državni zavarovalniški zakon; vsak se mora sam od sebe vzdrževati.

Kaker gotovo je dvakrat dve štiri, tako bomo imeli v tem skledu še v bodoče vedni deficit; glavni vzroki so že gori navedeni. Iz te neprilike in zagate bi si lahko nekoliko za silo odpomogli s tem, da bi morda za 50% snizili poškodninske ter operacijske podpore. Skoro vse dranske podporne organizacije so že znižale tozadavno podporo in to moramo izvršiti tudi mi; čim preje, tem bolje.

Ker se v rabi prihodnja redna konvencija šele leta 1934, bi bilo na to tedaj treba predolgo čakati. Znižanje naj bi se uveljavilo že z Novim letom, ali pa kmalu potem, in sicer na podlagi Jednotnih pravil. Glavni odbor menda nima te pravice, pač pa lahko kako društvo stavi iniciativno, da naj se to točko reši potom splošnega glasovanja.

Ker je pa točka nujna in važna, pričakujemo kaj odmeva od strani članstva. Pišite o tem v Glasilu.

### Problemi priseljenca

#### Prekinjenje stalnega bivanja

Vprašanje: Lani sem odšel v staro domovino z dovoljenjem za povratki (permit) in ostal tam deset mesecev. Moj prvi papir je od leta 1925 in bi rad zaprosil za državljanstvo. Ali bo moja odstotnost v inozemstvu otežila moja naturalizacija?

Odgovor: Zakon zahteva ne-prekinjeno bivanje (uninterrupted residence) tekom petih let pred vložitvijo naturalizacijske prošnje. Odstotnost odstotnost manj kot šest mesecev, se ne smatra kot pretrganje bivanja. Ako je bil kdo odšoten več kot šest mesecev, ali manj kot leto dni, ta odstotnost se ne bo smatrala kot pretrganje bivanja le tedaj, ko prosile more dokazati, da je ostal v inozemstvu več kot šest mesecev radi tehnih razlogov, ki so sili v to. Da li je tak razlog tehten ali ne, je odvisno od sodnika in pri mnogih sodiščih se takoreč vsaka odstotnost preko šest mesecev smatra kot pretrganje bivanja.

Odgovor: Zagubil sem državljanski papir, ki mi je bil ukraden skupaj z drugim in stvarmi. Kako naj dobim duplikat?

Odgovor: V naturalizacijskem uradu dobite tiskovino Form 260, ki jo je treba izpolniti.

Treba je priložiti dve fotografiji in money order za \$10. Prošnja mora biti podpisana pred notarjem.

#### Plemiški naslovi

Vprašanje: Ali more človek, ki nosi dedni plemiški naslov, rabiti ta naslov, ko postane ameriški državljan?

Odgovor: Nikakor ne. Inozemski plemiči morajo ob naturalizaciji izrecno odpovedati se plemstvu in kakršnimsibodi plemiški naslovom. Imamo slučaje, ko je bil državljanski papir razveljavljen, ker je dotični državljan še nadalje rabil naslov grofa, barona ali slično. Sodišča so bila mnenja, da je to dokaz, da dotičnik ni imel poslednjega namena postati državljan in da je dobil državljanstvo vsled prevar.

Odgovor: Urad cenzusa ceni število ameriških državljanov, ki bodo v volilni starosti dne 8. novembra, na 70 milijonov. Sveda je treba vzeti v poštev tudi regulacije glede bivanja v državi in okraju, ki precej znižajo to število. Nadalje so zahite glede pismenosti. Volilci se morajo tudi registrirati pred volitvami in le tisti smojo glasovati. Največ ljudi je šlo na volišče leta 1928, namreč skoraj 37,000,000.

#### CASNIKAR V NEBESIH

Tri duše mrtvih prav lahno na rajska vrata trkajo, naj sveti Peter jim odpre, v nebesa ker bi rade šle.

Med temi eden bil berač, v življenju sreča slab kovač; napravo je vse prodal in za pijačo birtu dal.

Nebeški drugi kandidat na zemlji bil je advokat, tožaril se je, bil vesel, za dušo pa ni nič skrbel.

Odgovor: Popolen dokaz državljanstva ob volitvi

Vprašanje: Ali morajo izbiranjci državljan pokazati svoje državljansko spričevalo vsak čas, ko gre na volišče?

Odgovor: Popolen dokaz državljanstva se navadno zahteva od novih volilcev, in to le, ko se registrirajo kot volilci.

Cim je njihovo ime vpisano v seznam opravljencih volilcev, ni treba nadaljnih dokazov državljanstva.

Ali celo starci volilci inozemskega rojstva morajo označiti dan naturalizacije, ko se registrirajo za bodoče volilce.

"In ti, pregrešni advokat, hudočev bodič zdaj sobrat, se v paklu boč na veča žgal, za dušo ker si malo dai."

Ponično Peter zdaj Boga vprašuje gledo tretjega, ali je urednik naj storil, ki zapisuje te stvari?

Ta mož, ponični urednik, na zemlji bil je mučenik, prestal je dosti kritike resnico ker le pisal je.

Tolažil, ljudstvo je učil in s članki vedno ga bodril; ustreči skušal je ljudem, po volji to ni bilo vsem.

Pričazno mu veli Sodnik: "Pri nas ostal bo urednik, nebeški list bo urejeval, plačilo to sem zanj izbral.

"Ustreči vedno vsem ljudem mogoče ni, to dobro vem, to jaz še sam težko vršim, zato pa plačo tem delim."

Ves srečen, blažen in vesel je časnikar takoj začel nebeški članek pisati, in pisal ga bo večne dni —

## CATHOLIC WOMEN IN CHURCH

If you want to know what Catholic girls and women can do to honor the Blessed Sacrament best in these days, just pause for a moment. Without wasting precious time to discuss the open immorality and evil consequences of many girls and women's attire these days on the streets and in public places, we cannot understand how any half-decent, self-respecting Catholic girl or woman, young and old can dare to enter the House of God at any time, even for Mass, the Home of the Blessed Sacrament, for Confession; nay, to go to the very Communion rail for the Body and Blood of Jesus Christ, in the most flimsy attire, sleeveless dresses, bare backs and exceedingly low-cut fronts. Where is Catholic reverence for the ever sacredness of God's temple; where the respect for the very person of Jesus Christ—truly personally present; where dignity for womanhood, when she herself becomes the tool of Satan to distract adorers, to disedit and seduce others, whether she knows or intends it or not?

Of all places in the world the holiest of all, the sacred Communion rail—the Table of the Lord, is not the place to display feminine charms, to make it a beauty forum or create it as a market-place for the inspection and approval of shoulders, hams and hides.

The Gospel's lesson of the Proud Pharisee is tame in comparison to the vanity, pride, haughtiness and boldness of such Catholic (sic) damsels, who, added to the above, expect the priest to desecrate the consecrated species of the precious Body and Blood of Jesus Christ by passing them over scarlet painted lips. Most women's faces look enough as though the undertaker's apprentice had been practicing on them, but when the very lips in Holy Communion must be used to defy the humility of Christ, we cannot help think of the traitorous lips of Judas, who gave Jesus the hypocritical kiss.

How glad we are that in some Catholic Churches such public insults to Jesus in the Blessed Sacrament never occur. In others they have been eliminated by proper instruction urging women to wear dignified dress, or lightweight coats and jackets, when they come to pray; so that God may not turn them a deaf ear as He did to the Proud Pharisee; but that far rather they may go home "justified" as did the Poor Publician.

The excuse that nothing is said in some quarters is no excuse. Common sense, ordinary decency, Christian modesty, regard for womanly dignity, should more than suffice to cause even the most vain and proud of our Catholic girls and women to draw some kind of distinction between the street, a bathing beach, swimming pool and the House of God, the Sanctuary of the Blessed Sacrament. No one could dare to approach the Holy Father thus—after all only a man; but his most sacred and authoritative utterances as Christ's representative, on Christian modesty and womanly decency, are not scoffed at and defied by Catholic girls and women in ordinary life; they even dare to

Draga mi:

Spet bo ta biggest show of the year, tisti election. Jaz sem have-ov moje candidates all picked out, amak zdaj tako talkajo po radio da so me en mal mix-al up.

Ta promisa this, tagun promisa that. Thinkam da jaz bi ne make-ov en good politikar, ker promisam nothing. Jaz ne bi mogu standat na tisti "planks," ker have-am en mal stage-fright.

Nikar ne thinkaj da jaz sem disgustan in da ne bom vote-ov, kakor lotsa ljudje bodo protestal. Jaz thinkam da everybody naj cast-a svoj vote, potlej pa naj sam se blame-a ce ni ta prav winow. Tisti ljudje ki ne votajo pa naj keepajo still.

Pet-deset million-ov votes bodo castal. To bo lotsa bal-lots, pa lotsa paper. Nekateri bodo glad, ta drugi bodo pa sad. Politica ni en "tie" game; ti win-as ali pa lose-as. Ce win-as se na horse, ce lose-av morev pa biti satisfied iz bicycle ali pa roller skates. Eden mi je sendov en letter da naj vote-am za enega, pa bi knal boil-ov up, ker thinkam da everybody naj svoj mind make-a up.

enter the sacred Confessional, approach the Communion rail, and in marriage go to the very Tabernacle door, in garbs that insult God and degrade womanhood. Catholic women and girls examine your consciences!

The trend of the age for Catholic girls and women to follow every such practice without regard for the traditions of the Church and the most explicit pronouncements of the Holy Father, cannot but augur a weakening of faith and morals. Against these Catholic organizations, such as Sodalities, Christian Mothers, members of the Council of Catholic Women, Catholic Women's Union, and all societies of Catholic girls and women, whatever their aim and purpose, should unite their efforts, but not so much in words of mouth as by personal example in themselves and their children.

Let us not be misunderstood. We still have modest girls and women, of whom the Church is rigidly proud; but the pity of it all is that we have so many who under the name of Christians—Catholics—join the ranks of heathens and pagans. Pray for them that they may learn to know better.

### 25 EXHIBITS IN ALL-NATIONS EXPOSITION

Plans for exhibits of the 25 nationality groups participating in the Cleveland International Exposition are rapidly taking form, it has been announced by John H. Gourley, former recreation commissioner of Cleveland and now the head of Civic Exposition Association, the organization sponsoring the nine-day "world fair," which will be held in the Public Auditorium Nov. 19 to 27.

"We are practically bringing the world to Ohio's door step," Mr. Gourley said in commenting upon the show. I am confident that the International Exposition will be the most interesting, colorful and educational event ever held in the state. A visit to the Public Auditorium between Nov. 19 and 27 will be almost as valuable as a trip around the world."

### USE WELL THE INTERVAL

There are certain intervals in life that are very important. The most important interval in your spiritual life is the interval after you have received Holy Communion when the Sacred Host rests in your heart. Use well that interval.

### AN EXCELLENT DEFINITION OF YOUTH

The following was released recently by Grove Patterson, syndicate writer, to whom it was sent by a person who elected to remain unknown:

"Youth is not a time of life," the definition reads. "It is a state of mind. It is not matter of ripe cheeks, red lips, and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions; it is a freshness of the deep springs of life. Youth means a temperamental predominance of courage over timidity, of the appetite of adventure over love of ease. This often exists in a man of 50 more than in a boy of 20. Nobody grows old only by deserting his ideals. Years wrinkle the skin, but to give up enthusiasm wrinkles the soul. Worry, doubt, self-distrust, fear and despair—these are the long, long years that bow the head and turn the growing spirit back to dust. Whether 70 or 17, there is in every being's heart the love of wonder, the sweet amazement at the stars and the starlike things and thoughts, the undaunted challenge of events, the unfailing child-like appetite for what is next, and the joy and game of life."

"You are as young as your faith, as old as your doubts; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair. In the central place of your heart there is a wireless station; so long as it receives messages of beauty, hope, cheer, courage, grandeur, and power from earth, from men, and from the Infinite, so long are you young. When the wires are all down and all the central place of your heart is covered with the snows of pessimism and the ice of cynicism, then are you grown old indeed, and may God have mercy on your soul."—The Artisan.

Statistics of the Catholic elementary schools also bear out this prediction. In the years from 1920 to 1928, the average increase in enrollment in the Catholic elementary schools was 4 per cent. In the two years from 1928 to 1930, it dropped to less than 2 per cent.

#### Decay of Teeth

Decay of teeth is brought about by the formation of a certain acid in the mouth. This acid is the result of fermentation of certain food substance.

This acid when formed by the process of fermentation gradually dissolves the cement substance that holds together the enamel prisms. When the enamel has been washed away the softer inner portion, called dentine, is reached.

Dentine is rapidly affected, and a large cavity is soon formed.

The causes of tooth decay may be summarized in short as follows: The presence of sticky sugary and starchy food in the mouth for any length of time brings about a bacterial action, causing them to ferment and form an acid which attacks the tooth. Perfectly formed teeth, and teeth scrupulously kept clean do not afford much of a foothold for these acid forming bacteria, hence decay does not occur as frequently in such cases. Where teeth have been weakened by improper or poor formation, decay will soon take place.

During certain periods of our lives the teeth are more susceptible to decay. Proper diet along with proper care will greatly help in cutting down the tooth decay to a minimum.

If you are one of the unfortunate whose teeth decay quite readily, consult your dentist about it. He will undoubtedly suggest a remedy.

### HIGH SCHOOL ATTENDANCE GAINS

Washington, D. C.—Enrollment in Catholic high schools and academies in the United States increased from 129,858 in 1920 to 241,869 in 1930, or 86.3 per cent, according to statistics released by the Department of Education of the National Catholic Welfare Conference. The figures in the Catholic high schools, in most of which tuition is charged, compare with an increase of 99.9 per cent in the public high schools of the country, in which there is no tuition charge.

Coincidentally, the Federal Office of Education released a bulletin on statistics of state public school systems which shows that the increase in enrollment in the first grade was only 3.9 per cent. "The decrease in the birthrate," the federal bulletin said, "means that the decade 1930 to 1940 will probably find the elementary school enrollment stationary or decreasing. The nation as a whole apparently will not have to build more and more elementary school buildings to house an ever-increasing demand, but will need only to finance replacements of old buildings."

Statistics of the Catholic elementary schools also bear out this prediction. In the years from 1920 to 1928, the average increase in enrollment in the Catholic elementary schools was 4 per cent. In the two years from 1928 to 1930, it dropped to less than 2 per cent.

### 'SKY RIDE' FEATURE OF WORLD'S FAIR

A "Sky Ride" which will combine lofty observation towers and rocket cars traveling on suspended cable tracks will be one of the features of Chicago's 1933 World's Fair—A Century of Progress Exposition.

Two towers 625 feet high—taller than the Washington Monument or the highest Chicago skyscraper—will be erected on the fair grounds and connected by cables carrying cars at the 200-foot level.

One tower will be on the mainland near 16th St. The other will be 2,000 feet distant across the lagoon on Northerly Island. High speed elevators will carry passengers 50 stories aloft to observation platforms at the tops of the towers. From this height, under proper atmospheric conditions, visitors will be able to see three states—Indiana, Michigan and Illinois. Spread out beneath them like an animated map will be the city of Chicago and the fair grounds.

The towers will be connected by two tracks, comprising four cables each at the 200-foot level. On these tracks 10 rocket cars will be operated. The cars will be 33 feet long, of glass and aluminum and double-decked. Each passenger will occupy an individual seat and have an excellent opportunity to view the exposition and surrounding Chicago from this suspended position in mid-air. Colored vapor will be discharged in the wake of the cars to give them the appearance of rockets.

At night the towers and rocket cars will be illuminated in brilliant lighting effects. Flood lights attached to the bottom of the elevators will transform them into rising and falling pillars of colored light. Powerful beacons will be trained on the rocket cars in their passage through the air.

### COOKING SCHOOL

By Frances Jancer

#### MAPLE WALNUT CREAMS

1 egg white.  
1 pound confectioner's sugar  
2 teaspoons cold water  
1 teaspoon maple extract

Beat the egg white until stiff; stir in sugar, water and flavoring. Use enough sugar to make a stiff paste and that can be shaped into balls. Press between halved walnut meats. Can also be used to fill date.

#### CREAM CARAMELS

2 cups of sugar  
1 cup corn syrup  
1 cup condensed milk  
1/2 cup of thick cream  
1 cup bottled milk  
1/4 cup of butter  
2 teaspoons vanilla  
1 cup nutmeats

Mix the sugar, syrup, condensed milk, cream and bottled milk, and cook over a low blaze, stirring from time to time, until it forms a hard ball when tested in cold water. The mixture will demand long cooking, about 1 1/2 hours. If it seems to curdle slightly during the cooking period beat with a rotary egg beater until smooth. Remove from the fire and add the butter, flavoring and nutmeats. Pour into a buttered pan, and when cool cut into squares.

### THE CLOCK'S STORY

"Tick, tick, tick, tock," said the clock as I sat alone in the college library. All about me was peace and quiet.

As I listened to the ticking of the clock, my thoughts turned back to a day in high school, when I was making a retreat. Then, too, all was quiet, as the brown-clad Franciscan priest ascended the platform. Not a sound was heard as he glanced over his audience, except the steady "tick, tick, tick, tock" of the clock. He stood silent for a moment. Then he said, "Every time the clock ticks, a soul passes into eternity. Some day the clock will tick and you shall have gone to your Judge. Some day the clock will tick and I shall be no longer. Think of all the souls that go to purgatory every day and pray that they may be delivered from purgatory's cleansing fire."

And as I opened a book which lay on my desk I read, "May they rest in peace. Amen."

### Alumni Dance a Success

Waukegan, Ill.—The annual Mother of God School Alumni's harvest dance was very well attended and proved to be a huge success. It looked like the Kay Jay tourney was being held here again. The alumni is thankful to South Chicago, Joliet and Chicago for attending the Slovenia Hall, Joliet, on Sunday, Nov. 13, where we'll have a jolly time fishing.

Even if any of you hunters are unable to "catch" any game, you are welcome to attend our fishing party. No one is exempted from this party. The Joliet sodalists assure you of a wonderful time.

### YOUR FRIEND AND MINE

The light of life in the death chamber is burning low. A priest enters carrying the Holy Eucharist. However, he no longer calls it the Holy Eucharist, but he calls it "The Viaticum." Why? Viaticum is taken from two Latin words—"via" meaning "way" and "tecum" meaning "with you." The priest, is, therefore, giving you someone to take with you on the way. What way? That long and uncertain way which every man must travel alone. Only his Judge can come with him. How fortunate are the souls who take our Lord with them into eternity! Receive, therefore, the Holy Eucharist often in life so that in death it may be the pledge of your eternal life.

### PLEASE UNDERSTAND

Again I overheard that my article in last week's issue of Our Page was vague, so I'll come down to earth.

You can stir a town and give it a good shaking without using an axe, shovel or any other implement. That's what I think the St. Joseph Sports intend to do—big things, in a big way, by a club reorganized.

No Hallowe'en party ever lasted a year. But I have heard of Jay clubs making plans at a meeting, and then carrying them out so that it virtually was the result of one meeting, one spirit of co-operation—in all, one party.

I am acquainted with some members of the Sports, capable young men and women, and have confidence in their ability

Cleveland, O.—Mr. and Mrs. Anton Strnisa were pleasantly surprised in their home last Saturday when friends and relatives gave a party in their honor, commemorating their 25th wedding anniversary. Mrs. Strnisa is a member of Mary Magdalene Lodge, while Mr. Strnisa, vice president of St. Vitus' Lodge, has been for years a delegate of that lodge to KSJK conventions.

Sheboygan, Wis.—Dr. Louis F. Kompare of Waukegan, together with Ed Kompare, Joe Perko and Michael Perko of South Chicago were guests of John Stubler at a reception held here Oct. 22 and 23.

Cleveland, O.—An autumn engagement is that of Miss Albina C. Gabrenya of 22010 Ivan Ave. to Mr. George D. Hoernig of Willoughby, O. The wedding date has not as yet been set.

to enliven the largest lodge in the KSJK and in Cleveland.

Cleveland and St. Joseph's Lodge, No. 196, will from now on be synonymous. So, quadрат demonstrated, giving St. Joseph's Lodge a stir means giving Cleveland a shakeup.

## FLASHES ACQUIRE KUSHLAN

Former Sokol Star to Aid Jays in Class A Muny Race

Vera Kushlan, one of the outstanding forwards of the three-time Interfrat championship Sokol team, will play with the KSKJ Flashes this year, is the encouraging announcement issued from the Flash camp.

With the addition of Vera, the Flash Coaches Dehler and Grdina feel confident that they have found a running mate for "Jo" Laurich. Vera is a consistent scorer and is sure to give the Flashes that added offensive punch with her versatile floor work.

The former Sokol star pivots like a flash, passes with a snap, and covers every inch of floor when her team starts for the basket. She can toss the ball from any angle, and can be counted on when extra points are needed.

Vera figured countless times in leading comeback attacks, and was instrumental in helping the Sokols to three successive championships.

With the acquirement of Vera, and the Flash veterans on deck, the Jay squad is still incomplete. Any girl wishing to try out for the team is asked to report to the coaches, 8 p.m. Wednesday in the St. Clair Bathhouse.

The Jay team will play in the Class A, Cleveland Municipal League, since the Interfrat wheel is not scheduled to turn this year.

## Francis Jays Welcome Out Town Guests

The St. Francis Boosters hope to see all their friends from Chicago, Waukegan, Ottawa, La Salle and other neighboring cities at their big dance to be held on Thursday evening, Nov. 3, at Slovenia Hall, N. Chicago St.

Dancing from 8:30 to ? ? ? Chuck Formento, Joliet's most popular dance orchestra, will furnish the music for this gala event. Admission: Ladies 25 cents, gentlemen 35 cents. A good time is in store for all.

The St. Francis Booster Club will hold its monthly meeting on Sunday, Nov. 6, at 1 p.m. at the usual place. All members are asked to be on time at this meeting. All dance tickets and money must be returned to John Torkar at this meeting and not at the dance. Don't forget the dates.

### VISIT SHEBOYGAN

A group of women comprising the S. Z. Z. (Slovenian Ladies' Union) of Milwaukee and West Allis were guests of the Sheboygan branch S. Z. Z. at its fall dance given Oct. 22. An enjoyable time was reported by all. Mrs. John Prisland of Sheboygan is president of the national organization.

### More Thrift

A New Yorker met a Scotchman, just back from the Florida golf courses, struggling up Broadway dragging an alligator.

"What are you doing with that alligator?" he asked.

"The son-of-a-gun has got my ball," replied the Scotchman.

### Baseball Managers

The questionnaires submitted to managers of Jay baseball teams are being returned with promptness.

Since the Our Page is desirous of compiling a composite report as soon as possible, so that it can concentrate publicity on the current fall and winter sports, it kindly requests the few managers who have not as yet returned the questionnaires to do so at their earliest convenience.

The Page is confident that all managers will extend their co-operation by returning the questionnaires and aiding in the compilation.

## JOES PREP NET PLAY

The St. Joseph Sports baseteers are prepping with strenuous practice sessions, and hope the opening basketball whistle will find them answering with a bang.

The Clevelander have no tentative lineup as yet, but they have promising squad, including Henry Urbancic, Matty Kastelic, Joe Debenic, John Kummel, "Curly" Jeran, William Struna and "Boogy" Dolen.

The 1932-33 season will be the Sports' first venture in basketball, and may attract the loyal senior roosters who gave the Sports moral support in baseball tilts.

The Jays will form one of the cogs in the Cleveland Inter-lodge League, a circuit consisting of Yugoslav fraternal teams.

### Minstrel Show Is Talk of Sheboygan

What is this talk going on about the minstrel show? Just wait and see!

The minstrel show, namely "The Metropolitan Minstrels," will be presented by the young people of the SS. Cyril and Methodius Parish of Sheboygan, Wis., Monday evening, Nov. 14, in the Van der Vaart Theater.

Rehearsals are in progress, and each individual taking part is working diligently to put on one of the best performances given by the group. About fifty voices will comprise the chorus group, and a pickanniny chorus will consist of 20 girls.

Soloists from the choir who have attained much popularity through their appearances in public performances will appear in the show. The SS. Cyril and Methodius choir will present a number of folk songs. Slovenian and American numbers will feature in the program.

Mrs. Helen Nehrlin Finst has charge of the dancing numbers, which she so kindly consented to instruct.

Stanza Skok, organist at the church, is the musical instructor accompanying the singing numbers. The tickets will be 25 cents for adults. The cast is co-operating in selling the tickets in advance and promises a large turnout at the performance.

Sheboygan invites out-of-town visitors to come and witness the minstrels. Come on, Chicago, South Chicago, Waukegan, Joliet and Milwaukee, for a night of minstrel entertainment.

John Stubler, member of the younger set, promises to present an act which will exceed any ever put on in South Chicago or Waukegan.

## JAY CLUB ASSURES NET TEAM

Chisholm to Place Team in Range Basketball League

### TO FORMULATE SPORTS PROGRAM

### Club Will Make Important Announcement Soon

The Chisholm Kay Jays will again place a basketball team in the Range KSKJ circuit, following the decision of the club at its first fall meeting, held Oct. 25.

The large group in attendance at the confab centered discussion on basketball. The Jays, however, intend to formulate an attractive program for the winter season that should keep them occupied in athletic and social events.

The Chisholmites are set for the coming basketball season with a squad that promises to supersede last year's team.

The Range circuit is scheduled to get under way following a meeting to be held in Ely shortly. The league will consist of Aurora, Chisholm, Eveleth, Soudan and the new entrant, Ely.

The Chisholmites also announce that a big event will be heralded soon. It will be of interest to all and will be announced in the Our Page.

### Joliet Jays Crowd Hall for Dance

### 200 Couples Dance to Tunes of Johnny Ziegler

The Joliet Boosters' first fall social proved to be a huge success. Just as in the days before T. D. (the depression), the Slovenia Hall was crowded to capacity, with over 200 couples gliding to the strains of Johnny Ziegler's melodious music.

The memory of this gala affair, which was held Oct. 20, will long remain in the hearts of the boosters as one of the gayest and most enthusiastic Kay Jay parties on record.

And why shouldn't it, with such a lavish display of pep, good-fellowship, and a real friendly atmosphere reigning supreme! The Joliet Jays wish to thank all those present for their wonderful co-operation, and particularly the entertainment committee for its untiring efforts in making this event a great success.

## TO START THIRD NET SCHEDULE

St. Mary's No. 79 Will Again Place Team; Plan Junior Quint

St. Mary's Lodge, No. 79, of Waukegan, Ill., will for the third successive season carry its fall and winter activities to the basketball floor.

For the past two seasons the lodge placed fast teams on the hardwood, and this year is hopeful of making a stand that will keep the lodge colors flying.

Plans to organize a junior team have also been made, states a report from lodge headquarters.

The lodge anticipates participation in all lines of sport, and asks all members interested in any phase of athletic activity to report to any of the following: Pauline Treven, J. Gercar, J. Trever or J. Cankar.

In order that the lodge program may be formulated and launched, the committee invites all members of St. Mary's Lodge who are interested in sports to attend the meeting scheduled for Nov. 4, 7 p.m., in the home of J. Cankar. Another meeting will be held Nov. 9 in the same place and at the same time.

### "CLIMBING ROSES" IN JOLIET

Hearty laughter has echoed through the hall again and again, at every rehearsal of "Climbing Roses," the three-act comedy to be presented by St. Ann's Drill Team of Joliet, Ill., Sunday and Wednesday evenings, Nov. 6 and 9, at 8 o'clock, and on Sunday afternoon at 3 o'clock in the Slovenia Hall.

The dance, incidentally, will be staged several days prior to the national election, hence it is named "Pre-election Dance."

The committee of St. John's Lodge invites Chicago, South Chicago, Milwaukee and La Salle to attend this gala time before the election.

The good time resolution for that time is bound to be carried by a unanimous vote, for the committee is preparing everything that will guarantee a good time.

### MOTHERS' SOCIETY WILL SPONSOR BENEFIT DANCE FOR CHURCH

The Christian Mothers' Society of the SS. Cyril and Methodius Church of Sheboygan, Wis., will sponsor a dance and social at Standard Hall, Saturday, Nov. 5.

The various committees are working diligently to make the affair a success. Good music has been arranged for the occasion.

The following are the officers of the club: Mrs. Anton Ribich, president; Mrs. George Erzen, vice president; Mrs. Frances Melavz, secretary; Mrs. Mary Zore, treasurer. The officers and members

have done a great deal for the welfare of the church and deserve much credit. At the present time they are earnestly soliciting funds for the redecoration of the church interior.

Price of admission will be 25 cents.
