Dvanajst večjih točk je na programu. Nastopili bodo najboljši slovenski, hrvatski in rokoborci drugih narodnosti. ZNIŽANJE PLAČ PRI VELEKIH INDUSTRIJAH

New York, N. Y., 25. septembra.—Vsele velike depresije v industriji, je več družb in korporacij sklenilo v kratkem času zniziti plača svojim uslužbenec in sicer od 10-20 odstotkov. Ta določba stopi v veljavje že dne 1. oktobra pri U. S. ječlarski korporaciji, Bethlehem, ječlarni v Youngstownu, O., in pri drugih manjih industrijskih. Samo pri prvih dveh označenih bo prizadetih nad pol milijona delavcev.

Dalej bo 10 odstotkov plače utrgala znan General Motors korporacija in sicer boljše plačam uradnikom in klerkom. Ravno tako znižanje stopi v veljavje s prvim oktobrom za vse uslužbence U. S. Rubber korporacije, ki ima svoje tovarne v Akronu, O.

Velika Colorado Fuel in Iron kompanija je že nedavno delavcem skrila plačo za 25 odstotkov; 10 odstotkov znižanje stopi tudi v veljavje v bakrenih rudnikih v Arizoni in Montani, in menda tudi v železnih rudnikih v Minnesota?

Pittsburgh Coal kompanija je te dni znižala svojim uradnikom plačo za 10 odstotkov. Mnogo izmed označenih družb bo uvedlo tudi samo petekdnevni delavnik na teden.

Iz Washingtona prihaja poročilo, da je vsed tega predsednik Hoover zelo nevoljen, ker se ni vpoštevalo njegovega zadnjega nasvetu in priporočila, da naj velike družbe nikar ne krajšajo plač.

Zgodovinska Kolumbova ladja zopet na potu v Ameriko

Madrid, Španija.—Kakor znaša, je dala Španija zgraditi povsem podobno in slično ladjo "Santa Maria," na kateri je Krištof Kolumb leta 1492 prvič dosegel v Ameriko. Ta zgodovinska ladja bo sedaj zopet preplula atlantski ocean, ker je španska vlada dovolila, da se ustavi zopet v Ameriki.

Dalje je bilo na tej konvenciji sklenjeno z 902 proti 507 glasovi, da Ameriška legija ne bo zahtevala od vlade izplačila bonus certifikatov v gotovini, ker vlada nima denarja na razpolago; pri tem so delegatje vpraševali željo in priporočilo predsednika Hooverja, ki je dne 21. septembra priporočal, da naj bivši vojaki ne zahtevajo preveč od vlade.

Pred zaključkom zborovanja je bilo določeno mesto Portland, Ore., za prihodnjo konvencijo in je bil za glavnega narodnega poveljnika označene legije izvoljen 35-letni odvetnik Henry L. Stevens Jr., iz Warsaw, N. C. Tako mladega poveljnika ni Ameriška legija še nikdar imela.

AMERIŠKA LEGIJA ZA ODPRAVO PROHIBICIJE

Detroit, Mich., 24. septembra.—Na tu se vršči letni konvenčiji Ameriške legije je bila danes odglasovana važna točka, da naj se ali preklic ali ublaži 18. amendment. To točko naj bi se dalo vsaki posamezni državi na splošno glasovanje, da jo ali sprejme ali pa zavrže. Za tozadnevo resolucijo je bilo oddanih 1,008 glasov, proti pa 394. Debatiranje pred volitvijo je trajalo samo pol ure; volilo se je poimensko po državah.

Ko je predsednik legije navedel izid volitev, je nastalo v dvorani velikansko veselje in vpitje, trajajoče več minut.

Po številu so bili najbolj močni delegatje z države Illinois, 93; vsi ti so glasovali za sprejem resolucije; zastopniki iz držav New York, 92 po številu so pa vse potovne skupine KSKJ žogarjev v države Illinois in Minnesota tudi letosno sezono marljivo hale, in zdaj bo treba pokazati, kdo izmed najboljših je najboljši? Katera skupina bo dobita častno nagrado? To se bo video in dognalo dne 3. in 4. oktobra v prijazni slovenski rudoarski naselbini Eveleth, Minn., ko se bodo sponzori žogarji društva sv. Jožeta, št. 53, Waukegan, Ill., z žogarji društva sv. Cirila in Metoda, št. 59, Eveleth, Minn. Tekmovalna igra se vrši v City Athletic parku na Evelethu in sicer bo treba v treh igrah našteti.

Priči nastopijo naši najboljši jednotni žogarji v označenem parku v soboto, dne 3. oktobra dopoldne ob 10. uri, dve nadaljnji in končni igri se pa vršijo v nedeljo, dne 4. oktobra popoldne tudi v City Athletic parku.

Resolucijo je predložil konvenciji Dr. Neal Williams iz države Missouri, tekom debate je pa najbolj zagovarjal delegat Scott W. Lucas iz Havana, Ill. Med drugim je naveden po vodjarjal tile: "18. amendment se je sprva smatralo kot nekak plemenit poskusni čin, vendar je sedaj spoznalo že na tisoče in tisoče Američanov vseh stanov, da je ta amendment obžalovanja vreden in pravo breme za naš narod. Autor te postave je hotel z isto povečati moralno našega ljudstva, da bi se odpravilo gostilne; vendar tekom zadnjih 13 let označeno postavo krški ameriško ljudstvo, bodisi staro ali mlado, če že ne bistveno, pa saj v duhu, ker s prohibicijo ni zadovoljno. In 18. amendment je spravil na dnevnini red kotičke, samokrese, zastavljen alkohol, strojnice, pojede, umore, polne ječe, bolezni in druga zla, ki niso bila svoječasno tako v navadi."

Dalje je bilo na tej konvenciji sklenjeno z 902 proti 507 glasovi, da Ameriška legija ne bo zahtevala od vlade izplačila bonus certifikatov v gotovini, ker vlada nima denarja na razpolago; pri tem so delegatje vpraševali željo in priporočilo predsednika Hooverja, ki je dne 21. septembra priporočal, da naj bivši vojaki ne zahtevajo preveč od vlade.

Pred zaključkom zborovanja je bilo določeno mesto Portland, Ore., za prihodnjo konvencijo in je bil za glavnega narodnega poveljnika označene legije izvoljen 35-letni odvetnik Henry L. Stevens Jr., iz Warsaw, N. C. Tako mladega poveljnika ni Ameriška legija še nikdar imela.

TEKMOVALNA IGRA K. S. K. J. ŽOGARJEV

Ob koncu sezone vsake športne igre je navada, da najboljše skupine ali najboljše moči še enkrat nastopijo, kjer se temu ali onemu priznava preventivo ali zmago. Naravno, da so te takozvane "championship" igre zanimive in privlačne.

Pri naši K. S. K. J. Jednoti se goji že tekmo zadnjih šest let žogometno igro (baseball). Zaradi je med našo skupino za councilmane imamo tudi šest Slovencev in sicer tri: tretjem distriktu, tri pa v četrtem; iz tretjega distrikta so: Joseph Fabian, 6116 Glass Ave.; William J. Kennick (odvetnik), 982 E. 63d St. in Frank M. Surtz (odvetnik), 852 Paxton Rd. V četrtem distriktu: Frank Marvar, 7801 Wade Park Ave. (čistilec oblike); Joseph A. Siskovich, 1009 E. 74th St., in Anton Vehovec, 19100 Keeween Ave. Po naši sodbi se nam zdi število naših kandidatov malo preveliko; eden iz vsega distrikta bi popolnoma zadostoval.

Ker je dne 21. septembra do sedanji večerni councilman tretjega distrikta John L. Mihelich resigniral, ker je kandidat za mestnega sodnika namesto sodnika Staceina, namesto sedaj Slovenci v mestni zbornici nobenega svojega moža. Povodom resignacije Mr. Mihelicha je te dni naš lokalni dnevnik "Plain Dealer" obelodanil tako laskav uvodnik z opombo, da bodo Clevelandčani tako vrlega councilmana kot je bil Mr. Mihelich, pogrešali v mestni zbornici.

Nekateri clevelandski gospodarji prodajajo letosnji krompir iz države Maine 10 funtov za 15 centov, kar znaša 90 centov buselj; tako poceni ni bil krompir že dolgo časa na trgu.

Dne 24. septembra je vdrl v neko kino gledališče v Baltimore, Md., 45 policajev in aretiralo okrog 1,000 moških, ki so sledili pojavljajujočemu kineški.

Največji vodilni balon na svetu "U. S. S. Akron" je dne 23. septembra popoldne naredil svoj prvi poskusni polet iz Akrona, O., proti Clevelandu. Poskusni polet se je dobro obnenel. Na "Akronu" se je pri tej vožnji nahajalo 113 oseb včasih stalno moštvo in čašnike. Vsi so imeli med vožnjo izbrano večerje (pečene piške), kar se je pripravilo v zrakoplovu.

Združena dobrodelna društva v Clevelandu pobirajo te dni staro in obnovoble obliko ter obivalo za brezposelne delavce. V svrhu nabiranja so na razpolago vse mestne policijske postaje in ognjegasne postaje.

V Sunnyvalley, Cal., bo dana voda Združenih držav zgraditi velik hangar za vodilne zrakoplove mornarice, ki bo veljal okrog \$5,000,000. Hangar bo dolg 1,138 čevljev, širok 310 in 198 čevljev visok.

Narodna Zenska Zveza za reformo prohibicije v Združenih državah šteje sedaj 350,000 članov; v zadnjih štirih mesecih je število narastlo za 50,000. Predsednica te organizacije je Mrs. Charles Bain in New York.

Mati znanega osemletnega kino igralca Jackie Cooper je naredila te dni z neko družbo pogodbo, ki garantira njenemu sinkotu \$1,300 tedensko za dobo 40 tednov. V tem času bo torej ta mladi umetnik zaslužil nad pol milijona dolarjev. Srečna mati in srčen deček!

Največjo štruco kruha je dala speci leta 1925 neka parominska družba v Minneapolisu, Minn. Dotična stručna je bila dolga 60 čevljev in se je za isto rabilo 400 funtov mokre.

ZANIMANJE ZA MESTNE VOLITVE V CLEVELANDU

Dne 24. septembra je bil zadnji dan za vložitev naznanih kandidatov, ki hočejo kandidirati za councilmane in sodnike pri letosnih volitvah našega mesta dne 3. novembra. Za councilmanske kandidate se je prijavilo v vseh štirih distriktilih 166 kandidatov, za sodnike pa 29. Med prijavljenimi kandidati za councilmane imamo tudi šest Slovencev in sicer tri: tretjem distriktu, tri pa v četrtem; iz tretjega distrikta so: Joseph Fabian, 6116 Glass Ave.; William J. V SVRHO ZAŠCITE CENTRALNEGA BOLNIŠKEGA SKLADA

V današnji izdaji Glasila prinašamo na peti strani ponovno uradno naznanih glede splošnega glasovanja za članstvo centralnega bolniškega oddelka.

V svrhu podkrepitve razlogov in resolucije, ki bo na splošnem glasovanju od 15. oktobra do 15. decembra t. l. za spremembo točke 16 in 29 pravil centralnega bolniškega oddelka, prinašamo tukaj kako obširno in lepo pojasnilo in poročilo brata vrhovnega zdravnika Dr. M. F. Omara posneto iz zapisnika zadnjega zborovanja glavnega odbora kakor sledi:

"Na zadnji konvenciji v Waukeganu, Ill., avgusta, 1930 je bila odobrena sledeča točka pravil centralnega bolniškega oddelka:

29. Vse bolniške liste in nakaznice se mora takoj po obdržani seji društva poslati glavnemu tajniku v pregled in odobritev. Listine, ki ne bi bile vposlane glavnemu tajniku 30 dni po ozdravljenju ali okrejanju člana, se ne smatra več veljavnim. V slučaju, kadar se glavnemu tajniku zdi potrebno, naj predloži bolniške listine vrhovnemu zdravniku v pregled in vpraša za pojasnila, predno izplača podporo.

Vrhovnemu zdravniku se plača za pregled vsake bolniške listine 25 centov iz centralnega bolniškega sklada.

Prepričan sem, da se veliko delegatov navzočih pri omenjeni konvenciji ni zavedalo pomembnosti te kratke točke. Slučaj je nanesel, da je bila ta točka odobrena med časom, ko so bili zdravniki-delegati zaposleni pri izvanrednem odboru. Gotovo je, ako bi bili takrat delegati vedeli kakšne posledice bodo izvirale iz te točke, bi bila ista soglasno porušena.

Ta točka je bila stavljena v pravila navidezno z namenom, da bi se izplačevanje podpor boličnim članom pospešilo, ob enem pa tudi prihranilo 25 centov za pregled vsake listine.

Po preteklu samo pet mesecev, odkar je bil ta sistem vpletan, se je pokazalo, da je popolnoma napačen. Izdatki iz bolniškega sklada so takoj začeli naraščati tako, da se sedaj izplačuje okrog \$15,000 na mesec in to navzdic temu, da je bilo to zimo veliko manj bolezni med ljudstvom kot pa druga leta kakor je v zdravniških krogih splošno znano. Poleg tega se je tudi pokazalo, da se pod tem sistemom rekordi bolniških podpor nikakor ne morejo držati v popolnem redu. Kot posledica temu so razne zapletki, katerih bi ne bilo, če bi šele vse bolniške nakaznice skozi roke vrhovnega zdravnika.

Naj omenim tukaj, da to ni krivda glavnega tajnika. On stori, kar se more od njega pričakovati v tej zadevi vestno in po svoji moći. Tega sem prepričan. Krivda temu je nedosednost pravil, po katerih je tajniku vsljeno delo vrhovnega zdravnika, ne da bi bil istočasno čudežnim potom obdarjen z zdravniško diplomo in najmanj petletno zdravniško prakso, kar ustava Jednote od svojega vrhovnega zdravnika zahteva.

Pravila dolajajo, da naj glavni tajnik takozvane sumljive slučaje izroči vrhovnemu zdravniku v pregled. Kdo je pa zmožen soditi, kateri slučaji so sumljivi? Glavni tajnik pripozna, da se ta zmožnost ne sme pričakovati od njega, za kar mu gre čast.

Vrhovni zdravnik bi moral imeti rekord od vsake bolniške nakaznice, oziroma od vsakega dolarja bolniške podpore, komu je bila ista dovoljena, kdaj in zakaj? Zdaj je to nemogoče, ker on sploh samo del teh listin dobi v roke. V gotovih slučajih je izplačana članu podpora za en mesec, tudi dva in več mesecev, predno ima vrhovni zdravnik prvič priliko soditi ali je ista plačljiva po pravilih ali ne; zaradi tega je potem že njemu težko izreči pravilno sodbo, ker ni zasedoval slučaja že od začetka.

Kar se tiče zamude ali zadrževanja bolniških listin, se je dokazalo, da vzame kvečjem 24 ur več za te, ki so poslane na vrhovnega zdravnika kakor pa te, ki gredo naravnost na glavni urad. Večina članstva živi na vzhodu; za te je razlika že manj kot en dan, drugače rečeno: neznatna! Glavni tajnik lahko do kaže, da so listine, katere gredo sedaj do vrhovnega zdravnika že drugi dan v glavnem uradu v Jolietu! Izjemne so seveda listine glede katerih je treba delati natančnejše preiskave pisemnim potom in tiste bi bile rešene hitreje, če bi bile poslane naravnost od društvenih tajnikov vrhovnemu zdravniku.

Končno je zadeva ta-le: Jednota prihrani od \$20 do \$30 na mesec na pregledovanju bolniških listin, odkar je bilo to važno in odgovorno delo načrtoano na urad glavnega tajnika, če se ne računa, da je tudi tam treba plačati ustanovitve. Pri tem pa je trpela v teku snega samega meseca več kot pa se bo pri pregledovanju listin prihranilo od sedaj pa do prihodnje konvencije. Jaz mislim, da je pri tem vsak komentar nepotreben."

Brat Zalar omenja, da je naš vrhovni zdravnik jako strogo in natančen v vseh zadevah. Ako hočemo varčevati v bolniškem skladu, moramo dati vso zadevo vrhovnemu zdravniku v reševanje. Na podlagi sedanjega sistema se plačuje veliko bolniške podpore po nepotrebni, ker ni prave kontrole pri pregledovanju bolniških listin. Ce bi imel vse bolniške listine za pregled v ozkrbi samo vrhovni zdravnik, bi bilo mnogo boljše za centralni bolniški sklad."

MODERNISTOM

Mnogo znanih modernistov, naprednjakov, antikristov dolgo gloda že vprašanje, važno osobito zanje.

Točka ta je obče znana, a do danes nedognana: da s simpanzijo smo v sorodu To bi bilo jim po godu!

Enkrat takemu možaku, modernistu, učenaku kar naravnost v brk zabrusi: da je "opica." — Poskus!

V opicah nam išče para, njih imena pa ne mara; se razjezil ves bo ljuto in prisolil ti — klofuto.

Lojje je spravil denar zelo voljno, a od tedaj je vseka vaska njegova misel samo na igri, nobene oblasti ni imel ved tam ned se boj. In tedaj je začel zahajati k Birku kar javno. In čudno, le malokateremu Crnjanu se je zdaj zdelelo napačno, da zahaja tja. Ne dolgo potem je že sedelo ž njim tamkaj nekaj drugih fantov iz Crne, ki jih je bil povabil s seboj Lojze. In tem je bil led prebit. Stari so sicer zabavljali in se jezili nad mlajšimi, a ni dosti pomagalo.

"Saj vam delamo dan in noč kakor črna živila, pa bi se ne smeli tu in tam nekoliko povezeti," so vedeli na enkrat odgovoriti.

"A mi smo se tudi v delu po starali in nismo videli krème," so ugovarjali stari.

"Drugačni časi, drugačni ljudje in potrebe," so se odrvali zopet mlađi.

Prvo nedeljo potem je bil po litanijsah že ves pevski zbor pri Birku razen učitelja. V krém se lahko pojte brez pevovodijo, so si mialili fantje in so šli, ne da bi ga bili povabili s seboj, zakaj bali so se mu povedati, da ne bi slišali njegove pridige. Bili so prepričani, da bi jim pridigoval. Nekdo je bil zinil sedo "pridiga" in vsi so jo ponavljali za njim. Pridigovali so jim od tistikrat starši, pridigovala sta jim župnik in učitelji. Vsako najmanjšo svarilo od kogarkoli jim je bila "pridiga" in kot taka nepotrebna.

Tisto nedeljo so torej peli prvič v Birkovi gostilni in Birk ni bil umazan. Izkazal se je, da se je cedilo od mize in so se fantje zvečer kar objemali. In kakor so bili z Birkom prejšnje čase redkobesedni, tako jim sedaj ni zmanjkal besedi, da so se mu laskali. Toda Birk jih je znal gladiti še bolj in še uspešne.

"Boljših fantov ni, kakor so Crnjanji," je govoril tisti dan venomer. "Junaki so od glave do pet, junaki, kakršnih ne najdeš inšpe, ako jih iščeš čez dan z lučjo. In pod palcem imajo vsi, da se jim ni treba batiti prestopiti gostilne."

To je fantom ugajalo in posredovali so doma svojim očetom, kako Birk Crnjane spoštuje in hvali. Ugajalo je to tudi očetom in Gabrovec je dejal:

"No, pa pojedemo vseeno enkrat tja pogledat."

Tako se je zgodilo, da je nekega dne prestoplil Birkov prag prvi sam župan Gabrovec. In ako je župan posabil neprilike in sitnosti, ki jih je imel z Birkom od začetka, zakaj bi jih ne posabili drugi. Tako je od sedaj tudi marsikdo izmed starejših stopil k Birku in ni se poskeljal, zakaj zapustil je goatinlo zarečega obraza in svetih oči.

To je župnika bolelo in nekega nedelje je pridigoval v cerkvi samo o tem, kakšna izpremenba se je izvrnila na Crni. Mož se je bil razvzel in s tresotim glasom je pozival Crnjane, naj se vrnejo nazaj v svojo domovo, kjer je edino doma sreča in zadovoljnost. Besede, govorjenje in dne velike duše in ljubečega srca, bi bile morale ganiti vsekoga in gotovo je sklenil tudi marsikdo izmed njih, da se vrne. Toda popoldine so vendar naprej zavili k Birku fantje in se njimi so pricincali ne dolgo potem tudi stari. Samo za hipek, ker je tako dolgočasno, so si govorili, da bi se opravili sami pred seboj. Birk pa je vsekoga sprejel veselo in dejal:

"Danes vas je pa župnik okračil kakor solarček. Da se le upa spraviti nad takšne možnosti."

Oni pa so se prisiljeno smejali, a njih samoljubnost je bila z temi besedami zničena v živo. Iz jese so začeli poštene piti.

"Kaj se bo resenil na pri-

šči, kjer smo dovolj, da vemo, kaj delamo," so zadele, ko so bili že nekoliko gorki. "Ali smo mu žejali dolini? Ali mu ne damo dovolj, da živi lahko in brez skrbil kar pitč v meji in si redi trbušček? Moži naj in naj nas pusti na miru ali pa naj gre z nami, saj mu ne pade krova z glave, ko je nima."

Tako so izdajali župnika dru-

gi za drugim in Birk jim je po-

magal, da jih je še bolj podku-

ri.

"Premalo mu boste dali, se

mu zdi, ako boste malo bolj

skrbeli zase in si ga privoščili

včasih poliček, zato je hud."

"Kaj premalo? Kdaj smo pa

še dali komu manj kot da imel

dobiti? Vedno se več kakor je

zgostil, zato smo pa Crnjan-

ni. In tako damo tudi njemu,

damo mu, kolikor hoče, saj ima-

mo, samo da bo tiho," so ugo-

varjali.

"Res je, imate pa, imate. In

lahko mu zamašite usta z vsem,

kar mu poželi srce," je dejal

Birk.

"Pa mu ne bomo dali, če ne

bo tiho, če nas ne pusti na mi-

ru," so se hudovali in sami sebi

ugovarjali.

"Pa še tisti revček, tisti uči-

telj, ki ga tudi mi sami redimo

z našimi žulji, se je nekaj usa-

jal in nas hoče strahovati," je

pričaval nekdo. "Naj si za-

pomni, ako ne bo z nami, je

proti nam."

Tako so izdali tisti dan žup-

nika in v eni sapi tudi učitelja.

Birk pa se je smejal in jih na-

peljeval, da so bili vedno bolj v

ognju. Sedaj je bil brez skrb,

njegovo žito je zorelo in obeta-

bogato letino.

Tedaj sem se jaz odločil in

sklenil poročiti Poljančeve Ivan-

ko, da bo še oče videl najno-

rečo. Obhajali smo poročilo

kmalu po Sv. treh kraljih in

Anica je šla z menoj v mojo hi-

šo pod gozdni rob. To veliko

srečo je na spomlad motila samo

smrt Poljančeva. Izdhnil

je bil lahko in brez bolečin in

Crna je izgubila z njim, to lah-

ko rečem, zadnjega značajnega

in neupogljivega moža.

Gospode Depauli, Klari in

drugi so tedaj hipome postali

akor stalni gostje na Crni.

Vsako nedeljo je pridržala

njih kočja v vas in ostajali so

tam kar po več dni. Ali so bili

prijazni ti gospodje. Kadar so

bili pri Birku, je ta vselej spravil

z njimi v dotiku tudi Crnjane,

ki so bili sčasoma kar oča-

rani po njih ljubežnjivosti. Če-

stokrat so pa ostajali zvečer ti

gospodje v gornjih Birkovih

prostorih in igrali. Pri njih je

sedel Gabrovčev Lojze in še ne-

kaj boljših vaških fantov, ki so

imeli postati v kratkem gospo-

darji na Crni. Igralo se je pre-

cej visoko, zakaj gospodom ni

bilo mnogo do denarja in smeje

se, so izgubljali. Zlasti kadar je

igral Gabrovčev Lojze ali

zlasti župnik.

BOOSTERS PLAY TO FULL HOUSE IN FIRST SHOW

Supreme Officers Gorishek, Lokar and Rudman Add to Enthusiasm

Pittsburgh, Pa.: Playing to a record-breaking audience, the Pittsburgh KSKJ Boosters drew the curtain for their minstrel show Sunday, Sept. 20, and started successfully their program of events that promises to place the newly organized club in the KSKJ limelight.

The performance, under the direction of Frank J. Lokar, supreme trustee KSKJ, and Francis J. O'Donnell, met with such approval that the audience disregarded the discomfiture of the weather and applauded heartily. After two hours of entertainment the audience was disappointed that the final curtain was dropped so soon.

The initial curtain went up with the accompaniment of the Tamburitz Orchestra, and was followed by the introductory address delivered by Frank J. Lokar. Then followed one specialty after the other, each being a feature to the delight of the audience.

Rudolph G. Rudman, member of the Supreme Finance Board of the KSKJ and a member of the Booster Club, in the closing address thanked all who were responsible or in any way aided to the success of the production. He introduced Mrs. Gorishek, who addressed the audience in a short talk. Mr. Rudman also introduced Edward F. Kompare of South Chicago, Ill., and Stanley P. Zupan of Cleveland, who came to Pittsburgh purposely to witness the minstrels. In short talks they extended their greetings and commented on the enthusiastic spirit of the KSKJ Boosters.

The production had all the earmarks of skillful direction and management, followed by talented members of the cast. The audience was appreciative and so generous with applause that the Boosters are anticipating another record attendance.

CO-OPERATION

ENTHUSIASM

If you can't get enthusiastic about your work, it's time to get alarmed. Something is wrong.

Compete with yourself; set your teeth and dive into the job of breaking your own record. No man keeps up enthusiasm automatically.

Enthusiasm must be nourished with new actions, new aspirations, new efforts, new vision.

It is a man's own fault if his enthusiasm is gone; he has failed to feed it.

And right here is the big reason why thousands of men hit high-water marks at 35 and then recede.

They can "do their work with their eyes shut," and that is the way they do it.

They have lost the driving power of enthusiasm.

They sleep at the switch. All they see in life is the face of the time clock. All they hear is the quitting whistle.

If you want to turn hours into minutes, renew your enthusiasm.—Papyrus.

Vaudeville Night

On Oct. 4 the United SSPZ Lodges will hold a vaudeville show and dance at the Slovenian Workingmen's Home on Waterloo Rd., Cleveland, O. The show will start promptly at 7 p. m.; and dancing will follow in the lower hall, with the Simeic Orchestra playing.

Harvest Dance

A grand party and dance to the tune of "Harvest Moon" will be given in the Catholic Hall for the people of Willard, Wis. Peppy music has been engaged and tasty refreshments will be served. The whole town will turn out for the affair.

Believe It?

Edward Coghe, 8-year-old member of the Pitt minstrels, is an uncle of Frank Lokar Jr., 9, and Robert Lokar, 7, also members of the cast. The youthful stars entertained as the Three Little Blackbirds. Your attention is directed to the ages and the fact that Ripley sometimes misses a few things.

Mr. and Mrs. Rogina of Carnegie St. last week were pleasantly surprised

when friends and relatives tendered them a party at their home. The occasion was the 15th wedding anniversary of the couple. They were the recipients of many lovely gifts.

Mr. and Mrs. Opeka

As to another issue before the readers, we are not so sure that La Salita's plan of divulging names would win popular favor. Often an individual will speak his or her mind with greater frankness when there is no danger of disclosure. And this is not cowardice. What difference does it make to us whether La Salita is Jane Smith or Mae Brown? Most of us know her only through her writings, and in all probability, will never meet her personally. The pseudonym, in fact, seems to attract, but a candid statement from Miss X, no matter how desirable and admirable, may cause misunderstanding in her own circle. Human nature is very peculiar and sometimes extremely sensitive.

So let us build up rather than tear down. If you have something to comment or offer, do so, but then there are ways in which opinions can be written.

WAUKEGAN, EVELETH IN CHAMPIONSHIP TILT

TITLE PLAY FADES FOR COLLINWOODS

KSKJ Team Eliminated in Cleveland Amateur League

By Jay Jinx

St. Josephs, No. 169 KSKJ, Class D baseball nine was eliminated from further titular play Sunday, Sept. 13, when they dropped the second game of a double bill to the Woznicki Better Foods, 6 to 4, after having eliminated the strong Brazi Bros. aggregation, last year's Class E monarch, in the first game, by trimming the Clothiers, 9 to 4, in the Cleveland league.

The feature of the day, however, was the iron-man exhibition of hurling staged by Lefty Tomsic, star southpaw of the KSKJ sports. Lefty pitched both ends of a double-header in an attempt to keep his nine in the running for the title, but to no avail.

In the first fray Tomsic was nicked for nine hits by the Brazi nine, but as these were scattered they netted only four runs, while Lefty and his mates were battering Fertel and Paszkovic, the opposing hurlers, for an equal number of safeties, which they converted into a like number of runs. Novinc, St. Joe's first baseman, starred at bat, getting three safe binges out of four times at bat. Joe Oros, protector of the hot corner, in addition to some fine fielding, contributed two hits. Tomsic smashed one of the opposing hurler's slants for a four-bagger.

In the other game of the double bill, the KSKJ hurler was battered for 12 hits and 6 runs. Some fine pitching on his part drew him out of tight pinches several times; but weak and ragged fielding plus lack of timely hitting spelled defeat for the Saints. Dolenc Mramor and Urbancic each smashed out a triple to lead the hitters, and Marzlikar was robbed of his when his hard smash to left was declared foul after he had already reached the hot corner.

This was the first defeat in weeks for the Sports, and the first since they dropped their first game of the elimination series to the Merle Owens nine, which is at present considered a hot favorite for the Class D title.

For the remainder of the season the Saints will book exhibition games with some of the stronger Class D teams which have already been eliminated.

Today's Letter

Draga mi:

Zaden keden sem biv mal razburjen in sem ti good bye reku. Zdaj sem pa moj mind čenčov. Zakaj pa čem reči, da white je black ker vem da je white? Dost ljudi trouble tako startajo. Konc besedi je, da jaz te lajkam. Da te en mal jealous naredim, ti povem, za me je on pitaburžank vprašal. Nikar ne misli da me imas okol tvoj finger. Ce mi bodo druge Slovence še naprej takine swell pisme vratjale, pa če me boš kar forgetala, bom jaz moje dreams hitchov na druge zvezde. Vsegih če bomo breakal up, daj breakat pred Christmas da ti ne bom zastonj present kupu.

Piš mi če imaste kaj board-erjov v basement, pa če je že tvoy ata house poslov. Košta fixat, ampak je potem house več vreden. Kadar bo finish, pa ti naredi house warming party, pa bom jaz prišel čeprav ne morem affordat railroad fare. Vidis, kako te lajkam! Ampak mislim da je vse zastonj present kupu.

DON'T YOU THINK—

That this is the time of the year to start talking basketball? That you have young people in your lodge who are potential star performers? That basketball equipment is not so expensive, and that it is an exciting game and appeals to senior members as well as to the lively youngsters?

That the bowling balls are itching for someone to use them? That it is a lot of fun as well as good exercise? That bowling will take that kink out of your back? That it is time to get started?

OPEN LETTER

(Continued from Page 7) form. It was all done in a blaze of glory! Nowhere have I seen such an enthusiastic Slovenian group put more zip and pep into a performance. It was an amateur production presented in professional style.

We arrived a bit late and did not see the opening of the show, but what we saw surely impressed us a great deal! We heard the "The Three Little Blackbirds" sing their songs and strut their stuff. They were tiny fellows, but, boy, how they could put it on! We also heard another little songbird, Violet Stokan, give her interpretation of several blue songs. Miss Helen Berkopek, an acrobatic dancer, performed several difficult feats in esthetic dancing.

For the first 15 years of printing there were no title pages. The scribes had not used title pages in the handwritten books, but had devoted three or four lines at the beginning of the text to the title and authorship of the text to follow. The early printers followed this practice.

Nothing happens to you that hasn't happened to someone else.

proved to be an event that will long be remembered by their Pittsburgh friends.

Before closing, I can't refrain from telling you about the supreme board members who were our genial hosts during our short stay in their city.

Of course, you know Rudy Rudman, our congenial and loquacious member of the Finance Board. You also know Frank Lokar of the Board of Trustees, he is placid and pleasant as ever, even after being the musical director of the minstrel show. Mrs. Agnes Gorishek of the Board of Jurors proved to be a very charming hostess and was quite concerned about our welfare. We want to take this opportunity to thank them and also our various acquaintances, for their sincere expression of Pittsburgh hospitality. We can assure them that our recent visit will ever be emblazoned in our book of pleasant memories.

Listen, Gee, I think that I'll have to close this extensive missive, but before I do, let me counsel you. The next time you go to the railroad station, think of the fellow who was left waiting at the church! Better yet, just think of "Draga Mi" ...

The whole letter which you have just read is summarized in your own pet Anglo-Slovenian phraseology: Fine time smo mi imeli v Pittsburgh!

Fraternally yours,

St. Florian Booster.

WAUKEGAN JAYS IN LAKE COUNTY GOLF TOURNEY

Frank "Hogan" Ogrin, a prominent member of the Waukegan KSKJ, was eliminated from the Lake County golf tournament in a heartbreaking match, in which he lost out after 23 holes of splendid playing. Joseph Drobnić, another member of the KSKJ, is qualifying for the tourney and to date has defeated all opponents.

BOOSTERS' PLAY

(Continued from Page 7) when they will stage their Haloween dance next month.

The Pittsburgh Boosters have caught the Kay Jay spirit and intend to execute their program like a "house on fire." "After all," they say, "since Pittsburgh is known as the Smoky City, it's our move to show the rest of the KSKJ where the fire is."

You also know Frank Lokar of the Board of Trustees, he is placid and pleasant as ever, even after being the musical director of the minstrel show. Mrs. Agnes Gorishek of the Board of Jurors proved to be a very charming hostess and was quite concerned about our welfare. We want to take this opportunity to thank them and also our various acquaintances, for their sincere expression of Pittsburgh hospitality. We can assure them that our recent visit will ever be emblazoned in our book of pleasant memories.

Listen, Gee, I think that I'll have to close this extensive missive, but before I do, let me counsel you. The next time you go to the railroad station, think of the fellow who was left waiting at the church! Better yet, just think of "Draga Mi" ...

The whole letter which you have just read is summarized in your own pet Anglo-Slovenian phraseology: Fine time smo mi imeli v Pittsburgh!

Fraternally yours,

St. Florian Booster.

KSKJ TEAMS WILL CROSS BATS FOR NATIONAL HONORS

Waukegan Will Travel by Bus to Meet Eveleth in Three Games

FIRST GAME SATURDAY

Series Will Be Minnesota's First Try at KSKJ National Baseball Honors

Minnesota will have its first try at KSKJ baseball honors when Eveleth meets Waukegan, Ill., in a three-game national playoff to be staged Oct. 3 and 4 at the City Athletic Park of Eveleth, Minn.

The playoff has been definitely set following the announcement of John A. Churnovich, chairman KSKJ Athletic Board, after J. J. Kordish, athletic commissioner in Minnesota, investigated a temporary controversy involving ineligibility.

The Waukegan team, representatives of St. Joseph's Lodge No. 53, are veterans in the line of national KSKJ competition. The KSKJ Midwest champs will leave Waukegan Friday, Oct. 2, by bus and will tangle with the Eveleth team, representatives of SS. Cyril and Methodius Lodge, at 10 a. m. Oct. 3. A double-header has been scheduled for the following day, Sunday, Oct. 4. Both teams are formidable and promise KSKJ fans an interesting series.

The official announcement of the series is as follows:

Joliet, Ill., Sept. 23, 1931.—At last we received the finals from Minnesota, as to who was the legal champion baseball team. It is no other than Eveleth. Our athletic commissioner in Minnesota, J. J. Kordish, had some experience investigating the real champions and I am satisfied that he found who was illegal and who was legal. Therefore, I am safe in writing you that Eveleth is the champion of Minnesota for the year 1931.

Saturday, Oct. 3, and Sunday, Oct. 4, are the days set for the national playoff between St. Josephs of Waukegan, Ill., and SS. Cyril and Methodius of Eveleth, Minn., at the City Athletic Park in Eveleth. The first game will be played Saturday, Oct. 3, at 10 a. m. and a double feature has been set for Sunday, Oct. 4.

Members of the Waukegan team will leave Friday, Oct. 2. The trip will be made by bus, and I hope their journey will be a pleasure. I do hope that there will be no misunderstanding or hard feelings caused by either team.

The following is the list of names of those eligible to participate in the series:

EVELETH, MINN.: J. Kotnik, L. Podstudenek, F. Rokinakas, R. Peterlin, L. Perushek, F. W. Shukle, M. P. Shukle, F. Drobnić, A. Kvaternik, D. Jerome, F. Pogorelc, J. Klun, C. Gornik, F. Miroslavich, J. Kaushek and F. Kaushek.

SINGLE MEN ARE RATED FOR FALL IN BALL TOURNEY

By Correspondent

The annual married-single men's baseball tourney is scheduled for the next three weeks at Waukegan-North Chicago. This annual baseball fray draws a large crowd of spectators as they watch the combined efforts of the ball and chain gang to put it over on the single men. To date the married men have proved that married life must be a hard job, for they can't match the pace of the free men and have not been able to win a game. This year may prove a win for the married gentlemen and, wow! watch the marriage records be swamped after the game.

WORTH THE PRICE
By Brooklyn Knight

Recently the KSKJ excursionists returned to the dear old U. S. after a joyful and thrilling voyage to their birthplace. They were also accompanied by a number of American-born youngsters who never before laid their eyes on "stari kraj."

What have they profited by this expensive experience? Plenty, my dear readers. They now have memories that will never die as long their heart beats. I will now step supposedly into the shoes of one of the excursionists, and try to visualize for you what I have experienced throughout the journey.

First of all, the kick of ocean travel was well worth the expense I had suffered. To be sailing on foam and water, with nothing about and above but sky and sea, not a speck of dry land to be seen for several days; the thrill of seeing the ship roll from side to side is a spectacle that you can witness only when fortune permits.

After setting foot on foreign soil, which as a matter of fact was the soil of birth to most of our party, I saw things that thrilled me to the ins and outs of my profile. For several days we were feted as if President Hoover was paying them a visit. Following numerous demonstrations of welcome by officials, clergy and societies we dispersed to travel onward to our different destinations.

At last I arrived at the locality of my parents' birth. How strange and different everything seemed. Because of fatigue that I could have accounted for very easily, I retired early.

There was no cotton mattress on the bed in which I slept. There was a mattress, yes, but a home-made one that consisted of straw. Every time I decided to make a turn, it made plenty of noise. The beds were located in the same room where we dined. It was a very large room, of course. On the north side of the room to the left was a massive table, with no chairs, but handsome benches built along the walls on two sides of the table. To the right was a bed. On the south side of the room, to the left, was another bed and to the right was the furnace that looks like nothing but a room decoration. It is made of cement, covered with tile on the whole outside. The furnace has but two sides, because it is built into the corner. The height is about six feet, and above five feet in width. That heats the room in the winter.

The mouth of that furnace is in the kitchen. The folks do their baking also in this furnace. When I awoke in the morning, I first opened the windows, I don't like to be reminded of it

MITTS WILL FLY

In two weeks, Oct. 8, to be exact, the spacious Slovenian Auditorium on St. Clair Ave., Cleveland, O., will again take on a frantic atmosphere for the second benefit boxing show to be staged by the Orels. Proceeds will go to the St. Vitus' Church.

Twelve bouts have been scheduled by the Orelmen, and include such mitt artists as Phillips, Gardner, Woods, Birch, Mesnick and Burns. Local talent will be represented by Komar, Brule, Anzich and Persin.

The usual entertainment between bouts will be an added feature. Tickets for the fight are now on sale and retail at 50 cents to \$1.50.

St. Ann's No. 139 to Hold Card Party

The members of St. Ann's Society No. 139, La Salle, Ill., are planning to hold a card and bunco party on Oct. 15 in the upper school hall. The affair is to be sponsored for the benefit of their treasury.

Members have begun to sell tickets, and those who have not received any as yet may get them from the secretary of their lodge, Mrs. Christine Gervovic, 133 First St.

which do not work on the sash weight system either, but by means of push and pull. Then I stepped out on the threshold of the house to breathe in some of that "domovinski zrak" I heard so much about.

Then my attention was attracted to the ways and customs of the men and women of my people's home town. I saw men on their way to the fields with scythes on their shoulders, and women right behind with rakes and pitchforks, also on their shoulders. Men wore peculiar hats with ornaments pinned on the back of them that looked like shaving brushes.

Their baggy trousers were tucked into knee high leather boots, that had large round tacks or nails driven into the soles, and iron what-you-call-'ems nailed onto their heels that looked like horseshoes.

It would be an easy job for American sleuths to track down their man here, for the boots with their tacks and what's-'ems left deep imprints in the soft ground behind their owners. Women wore "robčke" on their heads that were tied either at the back of their heads or under the chin. They also wore something that looked like a shirt with embroidered vestees over it. Also skirts that were very flare, with aprons that had all the colors of the rainbow over them. I certainly was thrilled to see each man and woman, when passing a huge cross along the road, make the sign of the cross and also make sort of a semi-genuflection.

I saw women carry wooden buckets full of water on their heads. Everything that possibly could be carried by women was done by means of head. I saw young boys taking cattle and sheep out to the pastures for the day. I still have the sound of the cow bells ringing in my ears. There are numerous things I've seen that I could mention, but space will not permit.

(To be continued)

"How'd you get out to night?"

"I told my grandmother the boss died."

Even when we know we're making fools of ourselves we don't like to be reminded of it

Police Chief: What! You mean to say this fellow choked a woman to death in a cabaret in front of two hundred people and nobody interfered?

Cop: Yes, chief. Everybody thought they were dancing.

EVELETH NAMED NORTHERN CHAMP

The announcement of a Minnesota championship team to represent that territory in a national KSKJ playoff with Waukegan, Ill., Midwest champions, has been settled according to a communication from John J. Kordish, KSKJ athletic commissioner for the state of Minnesota.
