

Socialist Wehner gradi slike med Nemčijama

Minister za "vsenemška" vprašanja v Bonnu, socialist Wehner je predložil "razgovor" v Vzhodno Nemčijo.

BONN, Nem. — Obe nemški vladi, v Bonnu in Pankowu, se uradno ne poznata in ne priznata. Ker sta sosedji, se morata prenašati in zato prepuščata urejanje obmejnih zadev uradnim pravim uradnikom. Nemškimi socialistom pa to stanje ni bilo dolgo po volji. Zato so hoteli na svojo roko priti v zvezo v vzhodnonemški komunisti, ki so bili v opoziciji. Poskus je v začetku kazal na dobro, pa so se komunisti skujali, niso hoteli s socialisti javno debatirati.

Med tem so socialisti postali vladna stranka in prinesli idejo o potrebi po stikih med obema Nemčijama v vladno koalicijo. Zanj se posebno žene sodrug Wehner, ki je v Nemčiji mogel politiki. Je podpredsednik so- sežne zaloge neprodanega blaga. Šele, ko bodo te do neke mere porabljene, je mogoče računati z novimi naročili.

Zanimivo je poročilo avtomobilne industrije, da je prodaja avtomobilov v prvih 10 dneh aprila presegla po številu prodanih voz on v istem času lani. To se je zgodilo prvič v letošnjem letu.

Letošnji pridelek pšenice bo slabši

WASHINGTON, D.C. — Tako trdijo poročila, ki jih dobiva federalno tajništvo za kmetijstvo iz držav, kjer pridelujejo pšenico. Preveč je bilo tam mraza, da tudi slabega vremena. Upajo, pa se bo položaj še popravil, toda rekordnega pridelka ne bo. Pridelke cenijo sedaj le na 1,162 milijonov mernikov, torej za 9% manj, kot se je glasila ocena v lanskem decembru.

To je slaba novica za našo deželo. Zaloge pšenice so namreč padle na 400 milijonov mernikov, torej kar za 200 milijonov manj kot je treba imeti na zalozah za letošnje prehrano. Prva posledica bo omejitve izvoza pšenice. Da bi pa cena za pšenico bistveno poskočila, s tem pa Čikaška borza ne računa.

Prazno upanje Hanoia

CLEVELAND, O. — Ko je guverner Romney razlagal konec tedna svoje stališče o vojni v Vietnamu, je med drugim dejal tudi, da je slišal, da upa Hanoi, da bi republikanski predsednik ZDA končal vojno pod ugodnejšimi pogoji za rdeče. Poudaril je, da on lahko govori le za "enega republikanca", ki pa ne bo pod nobenim pogojem sklepal dogovora s Hanoiem na temelju njegovih pogojev.

Vremenski prerok pravi:

Narodno gospodarstvo v letošnjih prvih treh mesecih ni nič poraslo

WASHINGTON, D.C. — Trgovinsko tajništvo je objavilo cennitev celotnega narodnega dohodka v prvem četrtletju letošnjega leta. Pri tem je prišlo do zaključka, da je ta ostal približno tam, kjer je bil v zadnjem četrtletju lani. Po številkah se je po tej cennitvi narodni dohodek sicer dvignil za 5 milijonov na 764,3 milijone letno, toda teh pet milijonov je treba odšteti na račun porasta cen.

Poročilo trgovinskega tajništva ni nikogar veliko presenetilo, ker so v to kazali razni znaki in statistike, objavljene v zadnjih mesecih. Tudi sami vladni gospodarski strokovnjaki so napovedali že vnaprej, da je treba računati za prvo polovico letošnjega leta z zastojem v gospodarstvu, ki pa ga ne nekje sredi leta konec, nakar se bo gospodarstvo zopet pognalo dalje v rast.

Glavno težavo povzročajo obsežne zaloge neprodanega blaga. Šele, ko bodo te do neke mere porabljene, je mogoče računati z novimi naročili.

Zanimivo je poročilo avtomobilne industrije, da je prodaja avtomobilov v prvih 10 dneh aprila presegla po številu prodanih voz on v istem času lani. To se je zgodilo prvič v letošnjem letu.

Boj proti revščini nima dosti simpatij v Kongresu

WASHINGTON, D.C. — Predsednik Johnson ni imel lani preveč sreče s svojim bojem proti revščini, ko je hotel pridobiti Kongres za svoje ideje. Je sicer zmagoval v posameznih bitkah, kadar sta senat ali predstavniški dom glasovala, toda večine pri glasovanjih niso bile ravno presenetljivo velike. Letos bodo še manjše, ker so pri lanskih volitvah republikanski kandidati za kongresnike zmagali v 59 volivnih okrajih, ki so bili preje v demokratiških rokah. Ogromna večina novih republikanskih kongresnikov se pa ne vnema za boj proti revščini. So seveda zanj, toda v drugi obliki in na drug način, kot si to zamišlja predsednik Johnson.

V lanski glavni bitki za in proti boju proti revščini so republikanci propadli v predstavnikiškem domu s 115 proti 143 glasovom. Če bi letos glasovali v enakih razmerah, bi

Gospodarski bojkot je začel Rodezijo tiščati

Predsednik vlade J. Smith je opozoril prebivalstvo nekdanje britanske kolonije na bodoče težave.

SALISBURY, Rod. — Bojkot, ki ga je nad Rodezijo proglasil Varnostni svet Združenih narodov, je začel počasi le tiščati na gospodarstvo dežele, čeprav je bila ta na to že do neke mere navajena. Dosljed gospodarskega bojkota, ki ga izvaja okoli 70 držav, prebivalstvo še ne čuti posebno. Trgovine so še polne blaga, četudi so nekateri tuji izdelki postali redkejši in dražji.

Gasolina in drugih petrolejskih izdelkov je dovolj, dežela razpolaga z zalogami in rezervi za nekako eno leto, medtem pa gasolin redno prihaja v deželo. Težje je z nekaterimi industrijskimi izdelki, ki morajo v Rodezijo po ovinkih, ki njihovo ceno nujno povišajo. Uvoz raznega blaga je postal nepotreben, ker se je domače gospodarstvo že močno prilagodilo potrebam. To velja tako za kmetijstvo, ki se je posvetilo pridelavi žita in soje, kot za industrijo, ki izdeluje za potrebe vsakdanje potrošnje.

Težava je nastopila za sedaj še najbolj na področju izvoza. Rodezija pridelava velike količine tobaka, ki ga je normalno prodajala največ v Veliko Britanijo, pa tudi drugam. Odkar je v sporu z Veliko Britanijo, skuša svoj tobak spraviti v denar drugod, pa v tem le delno uspeva. Nihče nima točne slike, kako bo s prodajo letošnjega pridelka, ko je še del lanskega v vladnih skladiščih. Komaj kaj boljše je z izvozom rud, ki predstavlja drugi glavni dohodek dežele v mednarodni trgovini.

Rodezija se za enkrat še otepa gospodarske blokade, v glavnem po zaslugi Južne Afrike, portugalske Angole in Mozambika. Naravno, da postaja Rodezija zato posebno od Južne Afrike vedno bolj odvisna. Ta je v zadnjem času začela v Londonu tipati, če le ne bi bilo mogoče obnoviti razgovorov med Veliko Britanijo in Rodezijo tam, kjer so bili zadnjič prekinjeni. Če bo London na to pristal, ne bo Salisburju ostalo drugega kot mirno sprejeti predlog Južne Afrike.

Amerika ne bo pošiljala orožja Indiji in Pakistanu

WASHINGTON, D.C. — Državno tajništvo je objavilo, da ne bo več Amerika pošiljala Indiji in Pakistanu orožja ne za plačilo in ne zastoj, prodajala jima bo le še nadomestne dele za že dobavljeno orožje. Prav tako bodo Združene države odpo- kliale iz obeh držav svoje vojne misije. V Pakistanu je 17-članska misija za nasvete pri rabi vojaške pomoči, ker je Pakistan z Združenimi državami uradno še vedno povezan v obrambnih zvezah CENTO in SEATO. V Indiji je 15-članska vojaška misija, ki je pomagala Indiji kre- piti njene obrambne sile od kitajskega vpada v Indijo jeseni 1962.

Združene države so ukinile vsako vojaško pomoč Pakistanu in Indiji, ko sta se spopadla po- leti 1965 zaradi Kašmirja. Pa- kistan je imel dotlej skoraj iz- ključno le ameriško orožje, In- dija pa le delno. Kljub pritisku vlad obeh držav za obnovo do- bav orožja se Washington ni mo- gel odločiti za to, ker bi tak ko- rak pospešil oboroževalno tek- mo med obema državama.

Zdravniki se izogibljejo sitnostim zdravstvenega zavarovanja

NEW YORK, N.Y. — Poleg znanega federalnega zdravstve- nega zavarovanja, ki pokojenice ima naša dežela še celo vrsto po- dobnih zavarovanj, ki so jih or- ganizirale državne in mestne u- prave. Imajo pa vsa ta zavaro- vanja skupno potozo: obračun zdravniških honorarjev je zelo zamotan in dolgotrajen. Zdrav- niki niso samo prisiljeni, da se pečajo z izpolnjevanjem formu- larjev, morajo tudi dolgo čaka- ti na plačilo svojih računov. Za- to se je na primer v New Yorku vključilo v to vrsto zavarovanja komaj 5,500 zdravnikov med 15,000, pa še ti se sedaj odpove- dujejo sodelovanju. Mnogi m- zdravniki ne gre namreč v rač- un, da bi morali čakati na pla- čilo svojih računov nad 60 dni.

Podobne pritožbe prihajajo na dan tudi pri federalnem zavarovanju, vendar pa do sedaj še ni- so sprožile med zdravniki giba- nja, da bi se odtegnili sodelova- nju v federalnem zdravstvenem zavarovanju.

KONFERENCA NA VRHU V URUGVAJU JE KONČANA

Konferenca vodnikov držav Organizacije ameri- škikh držav v Punta del Este je bila sinoči za- ključena s podpisom pripravljenih sklepov. Predsednik ZDA L. B. Johnson je obljubil vso podporo pri izvajanju načrta o skupnem trgu za Latinsko Ameriko in pri naporih za napre- dek posameznih držav članic OAD.

PUNTA DEL ESTE, Urug. — Konferenca vodnikov držav, članic Organizacije ameriških držav je bila sinoči končana, predsednik L. B. Johnson je danes zjutraj že ode- letel proti domu, prav tako tudi ostali udeleženci konfe- rence. Udeleženci konference in njeni opazovalci pre- udarjajo njene uspehe in morebitne posledice. Udeleženci konference so podpisali vrsto sklepov, med katerimi je naj- važnejši oni o ustvaritvi skupnega trga za države Latinske Amerike. Predsednik ZDA je obljubil vso pomoč pri izva- janju tega načrta. Ves čas je poudarjal, da se morajo drža- ve Latinske Amerike same potruditi za svoj napredek in izboljšanje socialno gospodarskih razmer in ne le čaka- ti na darove iz Združenih držav, za kar se je posebno gnal predsednik Ekvadorja Arosema.

Dejansko sta bili v Punta del Esto dve konferenci istočasno: konferenca predsednika Zdru- ženih držav s posameznimi pre- sedniki republik Latinske Ame- rike in konferenca, oziroma po- sveti in razgovori vseh predse- dnikov skupaj. Prva konferenca je bila važnejša od druge, ker je dala tako predsedniku John- sonu kot predsednikom posa- meznih republik možnost nepo- srednih razgovorov o posebnih potrebah posameznih držav, medtem ko je uradna konfe- renca le dokončala in potrdila sklepe, ki so jih za njo pripra- villi zunanji ministri.

Predsednik L. B. Johnson je obljubil, da bo predložil Kon- gresu vrsto olajšav za trgovino z državami Latinske Amerike, povečanje gospodarske pomoči v okviru Zveze za napredek, zlasti pri naporih za uvedbo raz- novrstnosti v poljedelstvu. Te- žava večine držav Latinske Amerike je v tem, da je njho- vo poljedelstvo usmerjeno v glavnem v en sam pridelek, kot na primer v Braziliji na kavo, drugod na banane in sladkorni trs, republika Bolivija zavisí v pogledu zunanje trgovine naj- več na kositr, Čile na solitr, kositr in gvanu. Tako enostran- sko gospodarstvo je skrajno ob- čutljivo za vsako spremembo na svetovnem trgu in onemogoča ustaljenost domačih razmer.

Odnos katoličanov do nevernih

Cerkev se želi razgovarjati z vsemi ljudmi dobre volje. Zato se je odločila, da naveže razgovor tudi z nevernimi. Zanje je ustanovila celo posebno tajništvo. Tajništvo za neverne, ki ga vodi dunajski nadškof kardinal Koenig, njegov član je pa tudi slovenski škof, administrator za Slovensko Primorje dr. Janez Jenko.

Omenjeno tajništvo si je zastavilo nalogo, proučevati vprašanje, kako priti v razgovor s tistimi, ki trdijo o sebi, da so brez vere. Predvsem pa je treba ugotovljati, kako se nevernost javlja v posameznih pokrajinah, na kakšen način nastopa (blago ali nasilno, zasebno ali skupno, organizirano ali posamezno) in kateri so razlogi, ki ljudi tirajo v nevero. Naloga Tajništva za neverne je sedaj ta, da zbira obvestila iz vsega sveta, beleži razgovore z nevernimi, vzporeja moči in vzpodbuja k delu.

Na zadnji seji tega tajništva v Rimu konec januarja, ki se je udeležilo 18 škofov članov, kot opazovalec pa zastopnik svetovne zveze Cerkva iz Ženeve prof. Widmer, je bilo ugotovljeno, da ateizem nikakor ni v zatonu in da se pojavlja v mnogih oblikah. Najbolj izrazite so tri: marsikem, eksistencializem in agnosticizem. Škofje iz drugih celin (4 iz Azije, 3 iz Afrike, 3 iz Amerike in 1 iz Avstralije) so ugotovili, da je ateizem evropski proizvod in da ga od tu "izvažajo" drugam. V dežele v razvoju ga prinašajo največ študentje, ki hodijo na evropske univerze.

KORISTI OD STIKOV Z NEVERNIMI

Prva korist, ki jo pričakuje Cerkev od razgovorov z ateisti, je medsebojno poznanje, razumevanje ter obzirnost.

Vzemimo samo primer, ki že ni tako redek, zlasti v državah s socialističnimi režimi, da ima verna žena nevernega moža ali veren mož neverno ženo. Onadva morata med seboj govoriti, saj drugače je medsebojno razumevanje in življenje v zakonski skupnosti nemogoče.

Kolikokrat se tudi znajdejo v istem podjetju, v isti pisarni ali delavnici, na isti šoli ljudje, ki so različnega svetovnega nazora. Če hočejo na strokovnem področju kot inženirji, tehniki, zdravniki in vzgojitelji sodelovati v skupno korist, je nujno potrebno, da spoštujejo versko prepričanje drug drugega.

Če so sogovorniki primerno razpoloženi, morejo biti tudi razgovori o svetovno-nazorskih razlikah včasih koristni. Seveda morajo biti pri tem uresničeni nekateri pogoji. Ozračje mora biti čisto, mirno in strasti morajo mirovati. Družbeno morajo biti partnerji enakopravni in ne smejo imeti drug pred drugim strahu. Pripravljeni morajo biti drug drugega poslušati, se medsebojno spoštovati ter resnico sprejeti. Že narodni pregovor pravi: Kolikor glav, toliko misli. Noben človek ne more biti v posesti vsega spoznanja ali imeti v zakupu vse resnice. V vsaki zmoti in pri vsakem človeku je mogoče najti tudi zrno resnice.

Seveda, te vrste razgovori so skoro vedno nekam tvegani, a kdor ima čiste namene, se more vedno opirati na besede sv. apostola Pavla: "Tistim, ki Boga ljubijo, vse pripomore k dobremu" (Rimlj 8, 28).

KRISTJANOV VEDENJE V STIKU Z NEVERNIMI

Tudi neverni človek je naš bližnji. Vsakega moramo ljubiti, vsakomur pomagati, vsakomur pokazati plemenito krščansko srce. Kristus nas poziva, naj bomo luč, ki s svojim zgledom razsvetljuje okolico, naj bomo kvas, ki premesi vse testo družbe, v kateri živimo.

Preprosto, naravno in neprislusno se vedimo med nevernimi! Naravnost nikogar nikoli ne skušajmo spreobratiti. Spoštujmo dostojanstvo človeške osebe in njegovo svobodo, ki jo je tudi zadnji človek tako naglašal.

Vsak človek mora najvažnejšo odločitev v življenju, ali hoče priznati Boga in mu služiti, sprejeti sam. Vedno bo ostalo v veljavi staro načelo: nikogar ni mogoče prisiliti, da veruje. Vera je najbolj notranja, celostna, svobodna odločitev za Boga. Prav zato je vera tudi zaslužna.

Isto velja tudi za ateiste: nihče od njih ne more vernega človeka prisiliti, da se odpove svojemu verskemu prepričanju ali zavrne Boga. Prav zato, ker se ta načela niso vedno in povsod spoštovala, je bilo v človeški zgodovini že storjeno silno veliko zla in narejenih hudih krivic. V koncilski izjavi o verski svobodi je bilo to izrečeno z obžalovanjem. Če bo sodobni svet sprejel to izjavo kot vodilo v odnosih do vere, bodo brez dvoma tako za posameznike kot za cele narode in vse človeštvo nastopili lepši časi.

Svobodo vere in prepričanja, ki jo zahtevamo za sebe, moramo priznavati v enaki meri bližnjemu. Kot ne maramo, da bi se kdo zaradi tega obregoval v nas, se ne obregujemo mi v druge, pa ne bomo nikoli zašli v zadrego. Strpnost v vseh ozirih je nujna v vsaki družbi in sredini, ki hoče živeti v miru.

BESEDA IZ NARODA

Ljubljanski Grad v ameriški umetnosti

MANITOWOC, Wis. — Od srede novembra do srede decembra 1966 je bila v muzeju v Manitowocu razstava sodobne ameriške grafike (Contemporary American Prints), ki je prikazovala dela najbolj znanih ameriških umetnikov na področju grafičnih tehnik, kot so ujedanke, litografije, lesorezi, serigrafije, kolagrafi in razne druge moderne vrste tega umetniškega izraza. Zastopana so bila taka imena, kot so Baskin, Bowmanova, Hnizdowsky, Marisolova, Meeker, Myasaki, Peterdi, Pozzatti, Summersova, Vicente in drugi. Eden izmed listov na razstavi je reproduciran tukaj in kaže Ljubljanski Grad, izdelala ga je mlada umetnica Clare Romano, v tehniki collagraph. List je signiran od umetnice in označen kot umetniški odtis (Artist's Proof), kar pomeni, da je teh listov le omejeno število. Naslov je Ljubljana Hill, po naše Ljubljanski Grad.

Osebnost opomba je v tem primeru na mestu. Ko sem jemal te grafike iz zaboja, mi je oko nenadno obtičalo na besedi Vrt. Vrt? Kaj naj to pomeni? Slovensko? Od te besede sem potem potoval proti vrhu in opazil karakteristično silhueto gradu in stolpa, potem polagoma reko, ki teče poševno čez podobo, ja, saj to je Ljubljanka, pa dva cerkvena stolpa. Šele po vsem tem sem, kot je običajno, kadar jemljem umetnine iz zabojev, prišel do naslova in signature. Ni nobenega dvoma: to je Ljubljanski Grad. Zaključek je bil logičen: list sem kupil za svojo zbirko.

Kdo je Clare Romano? Umetnica, ki je poročena z John Rossom, enako umetnikom, živi v Englewood, New Jersey, in se je šolala v New Yorku, v Parizu ter v Florenci. Po zaključenih študijah je učila slikarstvo, grafiko in risanje med drugim v Tenafly, N.J., in na Manhattanville College, N.Y., in od leta 1964 do danes poučuje lesorez in serigraf na Pratt Institute, Brooklyn, N.Y. V letih 1965 in 1966 je pa na stipendijo od United States Information Agency spremljala razstavo "Graphic Arts USA", ko je ta cirkulirala v okviru kulturnega izmenjalnega programa v mestih Ljubljana,

Zagreb in Beograd ter je bila tzv. Artist in Residence. Kot taka je preživela štiri mesece v Jugoslaviji, njena naloga je bila demonstrirati grafične tehnike na razstavi, predavati, samostojno ustvarjati svoje delo, obiskovati umetniške ateljeje, muzeje in galerije.

V tej dobi je umetnica ne samo vzbujala našo ožjo in širšo domovino, temveč je tudi pridno skicirala povsod, kamor je prišla in po teh skicah je potem napravljala svoje tiske. V svojih pismih meni ne najde izraza, kako bi najbolj primerno opisala lepote naše domovine in gostoljubnost ljudi. Razen tiska Ljubljanski Grad je meni iz produkcije znana grafika "Ljubljana ponoči", ki je dobila kupno nagrado od Library of Congress l. 1966 in nagrado Audubon Artists v New Yorku istega leta; en odtisk tega lista je darovala Moderni Galeriji v Ljubljani. Potem poznam tisk "Kmetija", ki prikazuje slovensko kmečko domačijo in iz katologov vidim, da ima še več motivov iz Slovenije. Delala je tudi v Dalmaciji, na Hrvaškem in v Srbiji in od teh tiskov moram posebej omeniti tiste, ki upodabljajo srednjeveške in bizantinske zgradbe in cerkve (na pr. Obzidje Dubrovnika, Posvetilo Bizancu in podobne).

O njenem umetniškem delu je reči to, da umetnica hodi nova pota in stalno išče novih tehnik in izraznih rešitev. Najbolj priljubljena tehnika je collagraph, ki pomeni odtis s plošče, na kateri so nalepljeni razni predmeti, kosi, tkanine, kosi papirja, najdeni objekti, koto so novci in vsi drugi tradicionalni no jedkane kovinske plošče, ki jih prilepi na kartonsko podlago. Barve so večinoma moderne sintetične barve, kot so akrilik, in te ji dajejo veliko možnost izraza in bogastvo teksture pri odtiskovanju.

Poglavitna vrednost njenega dela je v tem, da je moderno likovno gledanje in doživljanje prilagodila oz. izrabila za upodabljanje take predmetnosti, katere večina slovenskih in jugoslovanskih umetnikov ne vidi, namreč za tisto neizčrpno bogastvo arhitekturnih in zgodovinskih lepote naše domovine. V njih je odkrila zakladnico oblikovnih in motivnih elementov, za katere je ta moderni stil kot ustvarjen. Pred nami je podoba Ljubljanskega Gradu v vsej njegovi srednjeveški tipičnosti in vendar je ta blok gore in gradu konec koncev iz družine tistih sur-realističnih blokov kot so Reneja Magrittea Grad v Pirenejih ali "Stekleni ključ". Ko upodablja bizantinske stavbe in ozidja mest, nam kliče v spomin arhitekturna ozadja starobizantinskih slonokoščnih diphtihov ali kamnitih reliefov, in vendar so ti liki otroci najmodernejših stilov: medtem ko na pr. Francoz Pierre Courtin stremlji za abstraktno, skoro ascetično formo, je Clare Romano vplivala v te like življenje tradicije bogatih stavb, mest, ozidij, cerkva in gradov Slovenije in Jugoslavije. Slovenska kmetija še nikoli v zgodovini ni bila podana tako, kot jo je podala Clare Romano, ki jo je doživela v vsej lepoti in estetski edinstvenosti njene stavbe in ločrtne osnove, obogatene z detajli dela v lesu in kamnu. In vendar v tem ni nič poceni folklorne, to je vse sodobna, naša moderna umetnost. Zdi se, da je vse to čakalo umetnika, da pride in odkrije našim očem to lepoto in dobro je, da je prišel, preden ta izgine in da je Amerikanec. V tem primeru tudi nimamo opravka s popotnikom, ki potuje skozi Beljak v Trst skozi dolino Bele, pa prišedši sem piše, da je vlak vozil skozi Dolomite. Pri Clare Romano je Ljubljana res Ljubljana in Dubrovnik res Dubrovnik.

Od 10. do 22. aprila t.l. razstavlja umetnica 17 svojih tiskov v galeriji Associated American Artists, 605 Fifth Avenue, New York, N.Y. Z izjemo dveh so vsi iz Slovenije in Jugoslavije. To je lepa prilika za Slovence v New Yorku, da si njeno delo ogledajo in tudi nabavijo za okras svojih domov. Nekoliko interesa za kulturo Slovincem v Ameriki ne bo škodilo.

V Slomškove kraje

CLEVELAND, O. — V nedeljo, 16. aprila, popoldne ob 3. uri bo vicepostulator Father Varga v šolski dvorani pri Mariji Vnebovzeti kazal barvaste skioptične slike krajev, kjer je živel in deloval božji služabnik škof

Anton Martin Slomšek.

Slomšek je naš najresnejši svetniški kandidat, ki bo verjetno prvi slovenski svetnik. Ves proces za beatifikacijo je sedaj v Rimu. Naša dolžnost je, da ga čim bolj poznamo.

Zato ste vsi, mladi in stari, vabljeni k temu predavanju. Ob gledanju krasnih barvstih slik iz Slovenije združenim z razlagami Slomškovega življenja in dela, se boste najlepše seznanili z njim.

Videli boste tudi slike od lanskega "Slomškovega dneva" v Lemontu.

Vstopnine ni.

Rezervirajte si tudi nedeljo popoldne, 30. aprila. Tudi ta bo v zvezi s Slomškom. "Mladi harmonikarji" pod vodstvom g. R. Kneza bodo priredili koncert v šolski dvorani pri Sv. Vidu. Čisti dobiček koncerta bo za kritje Slomškovega beatifikacijskega procesa.

Lepa proslava 50-letnice Slov. nar. doma v Girardu

GIRARD, O. — Slovenski narodni dom v Girardu je praznoval letos 1. aprila 50-letnico ustanovitve. Slavnostni banket s plesom in zabavo je bil izredno lepo obiskan. Po banketu je bil program s pevskimi točkami in drugimi nastopi.

Slovenski pevski zbor je zapel slovensko himno, nato pa še nekaj znanih slovenskih narodnih. Nastopili so otroci raznih slovenskih društev. V imenu Ameriške Dobrodelne Zveze so nastopila dekleta Mr. in Mrs. Frank Kregar. Zaigrale in zapele so nekaj slovenskih pesmi.

Dom so slovenski pionirji zamislili in zgradili pred pol stoletja, da bi se v njem zbirali Slovenci, se tam pogovarjali o svojih potrebah, vprašanjih in težavah, pa se v njem tudi veselili ob slovenski besedi in pesmi. Skozi 50 let je Dom to nalogo vršil, vrši jo še danes.

V imenu celega odbora Doma se kot njegov tajnik vsem, ki so pri proslavi pomagali in omogočili njen tako lep uspeh, pa tudi vsem, ki so se jo udeležili, prav prisrčno zahvaljujem.

Obvestilo podobnih za finance pri Slovenski pristavi

CLEVELAND, O. — Ko se je pred leti vršila nabiralna akcija za zgraditev plavalnega bazena na Slovenski pristavi, je prenekateri rojak segel v žep in z veseljem daroval za to koristno nalogo. Vsem, ki so darovali \$100, se je pozneje za to izdala delnica Slovenske pristave. Onim pa, ki so darovali manj kot \$100, je podpodbor za finance in članstvo po sklepu upravnega odbora Slovenske pristave na seji 21. avgusta 1966 poslal obvestilo.

Nikoli si ne smemo pariti umazanega obraza, ker bi se tedaj nesnaga še globlje zajedla v kožo. Zdaj sklonimo glavo nad lonec in si jo pokrijmo z brisašo. Paziti moramo, da nam para ne pokvari pričeke. Prav tako ne smemo dopustiti, da bi nas para žgala v obraz.

Kako pa si pripravimo parno kopel?

V lonec damo prgišče kamilic in čeznje vlijemo vrele vode. Že prej pa si očistimo obraz s kakšno čistilno vodo, če te nimamo, pa z milom in toplo vodo. Nikoli si ne smemo pariti umazanega obraza, ker bi se tedaj nesnaga še globlje zajedla v kožo. Zdaj sklonimo glavo nad lonec in si jo pokrijmo z brisašo. Paziti moramo, da nam para ne pokvari pričeke. Prav tako ne smemo dopustiti, da bi nas para žgala v obraz.

Ko smo tako pet minut držale obraz nad paro, snemimo brisačo in se umijmo s toplo vodo, ki bo odplavila vso nesnago iz znojnic in lojnic. Zdaj si prav na tanko namažemo na obraz nekaj hranljive kreme in šele zdaj si umijmo obraz v mrzli vodi, ali pa si ga obložimo z mrzlimi, ožetimi obkladki.

Mrzli obkladki ne smejo biti ledeni, da ne poškodujejo kože. Priporočljivo je, da si pripravimo parno kopel zvečer, ko ostane doma.

Parjenje obraza je priporočljivo tudi zato, ker je eden izmed najučinkovitejših, pa tudi najcenejših kozmetičnih sredstev, ki jih lahko pripravimo same doma.

denarja nikjer. V par letih obstoja je Slovenska pristava s prostovoljnimi delom in poštvovalnostjo članstva ter pametnim in skrbnim gospodarstvom upravnega odbora tako napredovala, da je lahko vsem Slovincem v ponos. Z vašim deležem pa bomo načrte, ki smo jih napravili za v bodoče, lahko hitreje izvršili tako, da bo Slovenska pristava postala res prijeten kraj razvedrila in odihla.

Ker je 1. junij že blizu, pričakujem, da se boste takoj odločili in postali delničar Slovenske pristave. Za vse podrobnosti se obrnite na podpisane.

Pozdravljam vse člane in prijatelje Slovenske pristave, Bog Vas živi in kmalu na svidenje!

Vpliv pare na polt

Jutranje umivanje obraza izmenično s toplo in mrzlo vodo osveži kožno tkivo in je hkrati izvrstna masaža. Vendar vse to za dosego lepe, napete polti ni dovolj. Vsakih deset dni si moramo pošteno okopati obraz v pari, da se lahko prav vsaka znojnica odpre in zaduha. S potom pa izloča koža tudi vso nesnago, ki bi se sicer nabrala v nji.

Aka bomo pretiravale, nam utegne postati para tudi škodljiva. Če jo uporabljamo zmerno, nam bo posvežila obraz, če pa si prevečkrat parimo obraz, nam bo postala koža zgubana in bo izgubila svojo naravno lepo barvo.

Vpliv pare na kožo je različen. Predvsem je para važen čistilec za čiščenje polti, požene pa tudi kri hitreje po žilah na obrazu, kar hkrati osveži ves živčni sistem in vse žleze v koži. Če dodamo vreli vodi še kakšno zdravilno rastlino — na primer kamilice — bo učinek še boljši.

Para prijetno in koristno vpliva na polt tudi zato, ker jo ovlaži. To daje polti svežino. Največkrat postane polt suha, nagubana in brezbarvna, ker izgubi svojo naravno vlago.

Kako pa si pripravimo parno kopel?

V lonec damo prgišče kamilic in čeznje vlijemo vrele vode. Že prej pa si očistimo obraz s kakšno čistilno vodo, če te nimamo, pa z milom in toplo vodo. MLADA BREDA

IVAN PREGELJ

"Gospod sodnik. Nikdar se ne bo več zgodilo, mila sem!"

"Koliko? Ste bili ometeni? Kaj ste pili?"

Anici je bilo skoprneti od sramote.

Sodnik je mirno pisal. In zopet nadaljnje spraševanje, brez konca. Sodnik jo je opozoril, naj sede. Ni hotela. Sedaj je skoraj omahnila na stol.

Poldrugo uro zatem je bila zopet v svoji celici. Istega dne proti poldnevju jo je obiskala Marjanica. Plakajoč se ji je vrгла Anica v naročje. Ko sta se ženi nekoliko umirili, sta se pogovorili o onem, ki je zanimalo obe. Predvsem je povedala Marjanica Anici, da so zaslišali vse na Peči in da je ona pravkar prišla od sodnika. Nadalje je zvedela Anica od Marjanice, da sodišče povprašuje po Luki, ki je kar izginil s Peči in šel najbrže za Jerico. Tudi Anže, ki je bil šel za deklico in se vrnil vesel, da je Jerica pri dobrih ljudeh, ni ve o Luki ničesar.

Tedaj se je Anica začudila, kajti prav nič ji ni bilo znano, da je odšla Jerica s Peči, niti zakaj. Tudi ni vedela, da je bil Anže našel Jerico in se nato vrnil zvečer proti Peči, kamor je bil prišel okoli polnoči v oni usodni noči. Ko je sedaj slišala, da je Luka zginil, se ni mogla otresti nekake slutnje.

"In še nekaj se je zgodilo, Anica," je dejala Marjanica, "Ali veš, da imamo na Peči novega hlapca? In veš koga?"

Anica ni vedela in ni kazala niti posebne radovednosti.

"Lipe je na Peči!" je dejala Marjanica.

Tedaj je Anica pogledala neverjetno na Marjanico.

"Res," je dejala Marjanica, "tisti večer ga je pripeljala. Za tri leta se je udinjal. Seveda ne veš, kaj se bo, ko pride novi gospodar."

"Kaj pravi Lipe? je vprašala hlastno Anica.

"Kaj pravi! Žalosten je. Pa kaj naj rečem, saj je grozno na Peči. Sam Bog je poslal tega fanta. Vse drži kvišku, da se ne utopimo. Pa žal mu je."

"Ali misli, da sem res taščo?"

"Tega ne misli nihče. Anica," je zastokala Marjanica. "Kdo ve, kdo ji je to naredil. Pa ne

da domaći ne dvomijo o njej. In ko je gledala na jedi s Peči, jo je nehote premagala rahla domotožnost. Vzela je, jedla in pila. In ko se je okrepcala in začutila novo moč, je prišlo tudi nekako pokojno stanje nad njo. Tisto noč je Anica dobro spala. Stari paznik je kimal zadovoljno z glavo in, ko mu je ponudila kozareček vina, ga je izpil, sedel in pripovedoval Anici, da je imel tri sine, pa da so mu vsi pomrli...

"Tudi tu so ljudje, prav taki ljudje so zunaj," je mislila sama pri sebi Anica in nič več ji ni bilo tako strašno pusto. Pa se je zgodilo, da so jo začasno vendar prijele prve tlačeče jo misli, ko se ji je zdelo, da se mora zadušiti v temle zamreženem prostoru. Zlasti zvečer, ko se je zmračilo, je bilo Anici skrajno neugodno in neprijetno in polasčal se je je strah.

Pri motni luči, katero ji je bil paznik postavil v celico, je sedela in mislila in potem čutila, ko da je že vsa trda, in hodila po sobi gor in dol. In venomer ji je prihajalo v misel, da je slišala nekoč, kako na vislice obsojeni tisto noč pred smrtjo hodijo vso noč po ječi. Trudila se je, da bi se zamislila v položaj takega človeka, dasi jo je obhajala groza.

Nekega večera pa je našla majhno, zamazano knjigo pod posteljo in je čitala. To, kar je čitala, je bilo tako čudno skrivnostno in samo na pol je umela. Nekatera mesta pa so napravila na njo silen vtis. Tako je čitala:

"Vem tvojo bridkost in tvoje uboštvo, ali bogat si..."

"Nič se ne boj tega, kar boš trpel. Glej, hudič bo ene izmed vas v ječo poslal, da boste skušani in boste imeli bridkost deset dni..."

"Svetujem ti, kupiti od mene v ognju skušenega zlata, da obogatiš, in belih oblačil, da se oblečeš, da se ne bo videla sramota tvoje nagote; in z očesnim mazilom pomazili svoje oči, da spregledaš. Katere jaz ljubim, tiste svarim in pokorim. Vnemi se, tedaj in stori pokoro! Glej, stojim pri vratih in trkam; ako

kdo moj glas posluša in mi vrata odpre, pojdem noter k njemu in bom z njim večerjal in on z menoj. Kdor premaga, mu bom dal sedeti z menoj na mojem sedežu, kakor sem tudi jaz premagal in sedel s svojim Očetom na njegov sedež..."

Anica je dvignila oči in iskala znane ji slike, trikotnega očesa vsevidnega, v se poznavaajočega, vsevečnega in neumrjočega.

In kar drugačno je postalo njeno mišljenje. Bil je to dogodek, izreden zanj — prav tako ko meni sedaj, ko plačem ob svojem mrtvem detetu — in zdelo se ji je, da je človeško življenje vse kaj drugega, kar je mislila do sedaj. Čudovito je bilo čitati v knjigi razodetja, z nekako grozo je pomislila Anica, da je živela toliko let in ni vedela tega in ni mislila, kako ozka gaz je med dobrim in slabim.

Saj bomo vsi pogubljeni, je mislila, v naslednjem hipu je zopet vedela, da ni bolečine ne bridkosti, ki bi ne bila kažipot na poslednji dan —, dan sodbe, ko bo tehtana in preskušana slednja stvar in ga ne bo madoža, ki bi se ne zvedelo zanj...

Prišel je paznik in, ko je videl Anico za knjigo, je prikimal z

glavo in pripovedoval:

"Tri mesece je čakal na porotnike. Pa miren je bil, zelo miren. Pa so ga zaprli za sedem let. Pa se je izkazalo pozneje, da je bil nedolžen. Pa je prišel siv iz ječe. Tisti je pozabil to knjigo tu. Preprost kmetič je bil, pa je trpel lahko, ko da se ženi."

"Po nedolžnem je bil zaprt?"

"Bil," je odvrnil mož in odšel.

Anico je spreletela groza, venomer je mislila le eno: Po nedolžnem je bil zaprt!

Kakor v tolažbo je čitala na odprti strani knjige:

"Nič se ne boj tega, kar boš trpel! Glej, hudič bo ene izmed vas v ječo vrgel, da boste skušani in boste imeli bridkost deset dni..."

Druga dne je Anica zvedela, da pride pred porotnike. Kmalu zatem so jo odpeljali v mesto pred sodišče.

St. Mary Magdalene Society No. 162 KSKJ Is Celebrating Its Golden Jubilee On Sunday, April 16, 1967

Cleveland, O. — St. Mary Magdalene Society No. 162 was organized on March 5, 1917. Mr. John Zulich president of St. Vitus Soc. No. 25 was interested in organizing a ladies lodge in the community, to be affiliated with K.S.K.J., so he asked Mr. Paul Schneller, the supreme president of K.S.K.J., then living in Cleveland, to help, and together they persuaded a well known and beloved Slovenian lady, Mrs. Mary Kausek, to start work for a new society. Mrs. Kausek, with the help of a few other active women, went all out to achieve the goal and did. On Feb. 12th a get-together was held to talk over the plans. Forty-four ladies were present at this conclave and all forty-four made known they would like their own society, and if organized, they were willing to join. On March 5th, 1917, the first meeting was held, at which 60 new members were received into the lodge and 4 came with transfer papers from St. Vitus Soc. No. 25 K.S.K.J. The name "St. Mary Magdalene" was given to the newly organized society and it received the number 162 from K.S.K.J. headquarters.

The following were charter members: Mary Kovac, Antonia Pecak, Mary Macerol, Mary Umek, Julianna Novak, Theresa Ogrinc, Anna Petrovic, Mary Krnc, Mary Modic, Angela Perko, Catherine Skufca, Angela Virant, Mary Kausek, Rose Marn, Agnes Dragolic, Angela Mostar, Josephine Bradac, Mary Otonicar, Johanna Kosmerl, Caroline Krnc, Anna Pecjak, Rose Cerkvenik, Agnes Matjasic, Angela Steblaj, Josephine Pecjak, Louise Piks, Julia Gorjup, Ursula Sustarsic, Frances Sipan, Johanna Arko, Frances Pavli, Mary Prijatelj, Mary Koprice, Mary Cesnovar, Ursula Birk, Agnes Palcic, Mary Auscek, Frances Kasunic, Theresa Menart, Anna Kramar, Mary Lukanc, Mary Burgar, Frances Cimprman, Anna Blatnik, Theresa Petkovsek, Frances Leustig, Mary Slapnicar, Mary Mihelcic, Theresa Basca, Theresa Lustig, Mary Krajc, Mary Verhovec, Mary Zupancic, Rose Zupancic, Frances Knaus, Caroline Vouk, Theresa Dulc, Catherine Perme, Theresa Kuznik and Mary Mervar. The transfers were Helen Mally, Johanna Pelan, Caroline Modic and Mary Znidarsic.

Rev. B. J. Ponikvar, Paul Schneller, Anton Grdina Sr., Anton Strnisa and John Zulich were writing out the applications.

The first officers of St. Mary Magdalene Society were: Spiritual Director, Rev. B. J. Ponikvar — later made a Monsignor; President, Mary Kausek; Vice President, Mary Mihelcic; Secretary, Mary Macerol; Treasurer, Anna Blatnik; Representative, Frances Knaus; Recording Secretary, Angela Perko; Auditors, Agnes Palcic, Johanna Pelan and Anna Kramar; Sergeant-at-arms, Frances Kasunic; Examining Physician, Dr. James Seliskar. Meetings were to be held first Monday of each month in St. Vitus School.

Through all the years we abided by the K.S.K.J. Motto "All For Faith, Home and Nation." Our group was ever ready to do its share when it was for a good cause. In later years, not only ladies but also young men joined our ranks.

Now we came with the help of the Good Lord, through the intercession of Blessed Mother and our patron St. Mary Magdalene, to our Golden Jubilee. Fifty years of hard work in the field of fraternalism are behind us. We now start a new era. May we have God's blessings and the help of Blessed Mother and St. Mary Magdalene, also in the future.

At this 50th anniversary there are ten charter members still with the society, namely: Mary Kovac-Korosec, Mary Macerol-Hochevar, Theresa Ogrinc, Anna Petrovic-Svigel, Mary Modic, Catherine Skufca, Mary Otonicar, Caroline Krnc, Agnes Matjasic, Ursula Birk-Peters. Out of the five men that were writing out the applications in 1917, only one, Anton Strnisa, is still with us; the other four are already enjoying the fruits of their labor in heavenly bliss.

The present officers are: Spiritual Director, Rt. Rev. Msgr. Louis B. Baznik; President, Marion Kuhar Sr.; Vice President, Frances Nemanich; Secretary, Mary Hochevar; Treasurer, Frances Macerol; Recording Secretary, Pauline Stampfel; Auditors, Frances Novak, Josephine Ambrosic and Dorothy Strnisa; Sergeant-at-arms, Jennie Femc. Our meetings are still held the first Monday of the month in St. Vitus School.

In the 50 years, we have had 335 adult and 15 juvenile deaths. For these, mortuary benefit in the amount of \$254,622.00 was paid to the beneficiaries. All payments for sick benefit, operation benefit, mortuary benefit etc. came to well over \$600,000.

The Golden Jubilee Celebration is taking place on Sunday, April 16, 1967. A Solemn High Mass of Thanksgiving in St. Vitus Church at 11:45 a.m. After Mass, a banquet will follow in the St. Vitus Auditorium. After the banquet, a program will be presented for the enjoyment of all those present. Honored guests will be with us: singer Miss Marion Kuhar, the American Slovenian Octet will sing for us, and our juvenile members, sisters Kathleen and Carol Cooke will perform a Baton Twirling Act for us.

Hoping to see many, many of you at the Solemn High Mass, at the banquet, and at the program, is the sincere wish of St. Mary Magdalene Society.

Sandy Warming Up

— But Just for TV

Sandy Koufax rejoined the Dodgers the other day. Koufax, the NBC sportscaster, who held a summer job with the Dodgers for a number of years, flew in from L.A. to look at some of the players he'll be interviewing on television this season.

Sandy, as you may have heard, gave up his seasonal job with the Dodgers to sign a ten-year, \$1 million contract with NBC. He has to work every Saturday with only six days' rest.

Sandy's primary assignment will be to conduct a 15-minute pre-game show which the network, in a dazzling play on words, is calling "The Sandy Koufax Show." Sandy also will act as commentator on the game telecasts.

Perry Cooking Up Another

Surprise for N. L. Rivals

Gaylord Perry, who surprised the experts by winning 21 games for the Giants last season, expects to spring another pitch on National League hitters this year.

"I began working on it in the bull pen late last season and will start throwing it again in about ten days," he said. "I don't want to say what it is yet."

During the 1966 season, the right-hander unveiled a "hard slider" and used it to become the first major league pitcher to reach the 20-victory circle.

"Spitter!" his N. L. rivals said. "Uh-uh," Perry maintained. "Hard slider which I learned from coach Larry Jensen."

Gateway Job Will Shorten Mickey's Career, Says Rig

Angel Manager Bill Rigney suggests that the Yankees are abbreviating Mickey Mantle's career by moving him to first base.

"Mickey will find first base much tougher on his legs than the outfield," said Rigney. "There are constant steps and starts involved at the position."

"Every club in the league will hurt on him. He's a great athlete, but I don't see how his legs can hold up under that stress."

"I suspect that the Yankees are simply trying to save Mickey a lot of embarrassment. It was heart-breaking to watch fly balls get by him for extra bases."

DO-IT-YOURSELF SAVINGS

The Sevierville, Tennessee, Tri-County News, called the attention of its readers to a publication of the Colorado Farm Bureau which recently reprinted an article from the Denver Post by columnist Monk Tyson suggesting ways for housewives to trim their grocery bill by buying direct from the farmer. Mr. Tyson decided to pursue his own producer-consumer campaign: "... I found a farmer who sold me 100 pounds of potatoes for \$2. That's less than half of the store price. Of course, Mamma's going to have to peel that sack of spuds I brought home. She'll have to boil them and mash them—when we want them mashed. She won't be able to dump a container of powdered spuds into the utensil, bring it to a boil, then serve."

Next he bought a couple of chickens: "Place chickens, an ax, and carving knife in Mamma's well-manicured hands. Mamma will behead the chickens, pluck them, and carve them. She'll be delighted when she learns you save five, maybe ten cents a pound by buying the poultry on the farm."

The same money-saving strategy, he reports, can be applied to other items — corn, for example. You can buy an antique grinder so that "Mamma" can shuck the corn, shell it and grind it into meal. If the grinder is adjustable, you can grind some wheat into flour.

If we are serious about beating the costs of inflation, this is one way to do it. We could also take up weaving and the other arts and crafts that made the early American families virtually self-sufficient. Chances are, it would not be long before we looked on today's miracle of mass production and mass distribution with new respect and appreciation.

Korotan Sings Again This Saturday

One of the distinguishing characteristics of a Slovenian is his love of song. He appreciates music, and even more so, participates in it. Be there just two or two hundred, the song will ring harmoniously. There is hardly a get-together, where communication does not change to song.

The Slovenian community in Cleveland has a rich supply of organized singing groups. Among them is Korotan, the chorus which in its 15-year lifetime has survived departure, illness and death.

This Saturday, April 15, Korotan sings again. Through one and many voices it shall tell stories of love, sing praises to God and country, describe the beauties of nature, lament in the sorrows of war and death. Reaching beyond the bounds of nationality, it shall render a selection of songs from Rodgers and Hammerstein's "The Sound of Music." This will indeed be a unique presentation, for the Slovenian lyrics and musical adaptation were done by Korotan's director, Franček Gorenšek.

Tickets for the 7:30 performance in The Slovenian National Home on St. Clair are available from any member of Korotan. They can also be obtained at the door.

Korotan sings again. We hope it sings to you.

★ Batavia, Ill. — Who filled the crooked robins? That was what Mrs. Al Sager wanted to know after she looked out her back yard window and saw 18 drunk birds. They wobbled, she said. They stumbled. They were fighting in the bird bath. "And they kept flying against my window. Six are already injured," said Mrs. Sager. The two-leggers' bootlegger was finally discovered. It was Mrs. Sager herself, who had placed several dozen apples in her backyard for the squirrels. When the apples fermented, the squirrels turned up their noses, but the robins started nibbling. One shot of fermented apple, plus one shot of water from the bird bath equalled cider—and a flock of stewed birds.

An Internal Revenue Service spokesman said the action was taken for the theatre's failure to pay \$31,000 in employee withholding taxes.

Reporting from Washington

THOMAS P. DOLAN • Congress, 2nd Dist., 6th
ON THE EAST SIDE, WASHINGTON, D.C.

CONGRESS RETURNS. Congress returned this week following the traditional Easter recess. This gives an opportunity to evaluate the legislative work of the first three months of this session. Some have called this 90th Congress a "stop, look and listen" Congress. It is operating in the shadow of the Vietnam war which is costing approximately \$2 billion a month. Although the Congress will not stop responding to the needs of the country, the people expect it to look carefully at the many legislative requests and do a diligent job of assessment and appraisal.

As of the Easter recess, only one of the regular Departmental appropriation bills (for the Treasury and Post Office Departments) and one supplemental appropriation bill (providing \$12.2 billion in supplemental funds for operations in Southeast Asia) had cleared the House. Other major bills passed by the House are these: increase in the debt limit; restoration of the 7 percent investment tax credit for business and industry; and extension of wartime veterans benefits to ex-servicemen of the Vietnam war and a cost of living pension increase for veterans, widows and orphans of World War I, World War II and the Korean War.

Most of the work of Congress is still before the Committees. Hearings are presently under way on Social Security increases, elementary education, anti-crime laws and firearms control. My Committee, Foreign Affairs, began hearings this week on the annual foreign aid authorization.

Still to be acted upon are the President's proposals on college aid, poverty, civil rights, air pollution and the tax increase. With this legislative schedule pending, most Members discounted the Majority Leader's talk of an August first adjournment date. Taking past performance into consideration, the snow may fly again before the final gavel sounds on the first session of the 90th Congress.

SOCIAL SECURITY TAX FOR MAIDS. According to officials of the Social Security Administration, a continuing trouble spot in the program is failure of many people to pay taxes on wages of maids and other household employees. More than 15,000 taxpayers a year have to pay up back Social Security taxes on former household employees — and in many cases the amounts are substantial.

Social Security officials say the greatest problem is in the case of what they term "day workers" — such as a maid who works only a day or two a week for each of several employers. Many people are unaware that the wages they pay to a part-time worker are sufficient to require payment of Social Security taxes. But taxes are due if wages total \$50 in a calendar quarter — as January through March — and only \$4 a week adds up to

more than that. Payment of Social Security taxes on a maid's wages gives protection other than mere credit toward a future old-age pension. If she should die, benefits would go to her dependent children — and to a dependent parent if she had one. If she should become disabled at any age, she would qualify for Social Security benefits and for payments to her dependents.

The Social Security tax on wages of a household employee is 4.4 percent each for you and the employee. But you are responsible for paying the total of 8.8 percent whether or not you withhold the employee's half. A detailed guide, "Social Security and Your Household Employee" can be obtained from any local Social Security office.

FLIGHT COMPLAINTS. Are you one of those people who have experienced what appears to be unreasonable delay in air travel or a luggage mix-up? If so, the Bureau of Enforcement, Civil Aeronautics Board (1825 Connecticut Avenue, N.W., Washington, D.C. 20428) would like to receive your complaint in writing, with the date of the incident and details. A study is being conducted by the CAB to determine whether airline procedures and facilities are keeping pace with the expansion of air travel. Comments from passengers are invited!

Pro Wrestling Returns To Cleveland Arena

Bobo Brazil, giant Negro champion, and Dr. Jerry Graham, blonde 300-pound mat villain from Phoenix, Arizona, are expected to be matched in one of the bouts on the next all-star professional wrestling program at the Arena, Thursday, April 20th.

The clash is a "natural," following the riotous finish to the Brazil-"Big Boy" Miller main event at the Arena on Thursday, April 6th. On that occasion, Graham entered the ring to issue a challenge, but lost little time in joining forces with Miller to hand the outnumbered Brazil a rugged pounding.

Graham had challenged the winner — and Brazil was awarded the decision — so Bobo, popular exponent of the famed "Koko Butt," is in a perfect position to settle his differences with Graham where they should be settled — in the ring!

Arena Wrestling, Inc., a group of area businessmen and wrestling fans who are promoting the current "pro wrestling comeback," are going all out in an effort to line up a top card for the April 20th date. Heartened by the enthusiasm of ringersiders at their first offering, such members of the sponsoring group as attorney Rocco Russo and restaurateur Phil Plater are feverishly contacting the biggest names in the mat sport for future Arena appearances.

Such headliners as The Shiek, Lord Layton, and Ernie Ladd (6 ft., 1 inch football giant of Houston and San Diego Chargers fame), are among those being contacted to appear here in the near future.

Local fans also will be pleased to learn that there is a strong possibility that Julius Elek, Hungarian favorite, will appear on the next card.

Reserved seat tickets for the upcoming April 20th program will be on sale at the Arena, 3717 Euclid Avenue, and Richman's, 736 Euclid Avenue — priced at \$3.50, \$3.00 and \$2.50 — PLUS — 5,000 General Admission seats at \$1.00, making it "The Biggest Buck's Worth of Entertainment in Cleveland!"

Peace Corps To Test On April 15

Cleveland area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, April 15, at the Main Post Office, W. 3rd and Prospect Avenue.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicate a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.) The Placement Test requires no preparation and is non-competitive — an applicant can neither pass nor fail.

The application form, not the Placement Test, is the most important factor in the selection of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D.C. 20525.

The Placement Test takes about an hour and a half.

Cape Hyraxes Exhibited At Zoological Park

There is, too, something new at the Cleveland Zoo, a pair of Cape Hyraxes, or if you're scientifically minded, Procavia capensis.

These unusual animals, about the size of a large rabbit, are distant "cousins" of elephants, and have never before been exhibited at the Cleveland Zoo. Inasmuch as they are related to elephants they are being exhibited in a special display case in the west lobby of the Pachyderm Building.

Cape Hyraxes (or Hyraxes) are found in the wild only in Africa and live in and around outcroppings of rocks and stones. They are both shy and inquisitive animals, quickly disappearing into niches among their rock homes at the first hint of danger, but after a few minutes, they usually pop back out to see if the danger is still imminent.

The Cape Hyrax has an Asiatic relative, the Syrian Hyrax, which was the "coney" of Biblical times. Besides hyrax and coney, this small animal is also called a "dassie".

The hyrax diet is nearly all vegetarian, but locusts are occasionally consumed. The vocal call is a sharp hiss and is usually made when the animal is threatened.

One to six, but usually three, young are born after a gestation period of 7½ months. The young are born fully furred and with both eyes open, and are able to get about soon after their birth.

Longevity is up to 7 years.

The public may view Cape Hyraxes and the other 1154 animals at the Cleveland Zoo everyday between the hours of 10:00 A.M. and 5:00 P.M.

SKE'S WHAT'S HAPPENING

THIS NUN'S STORY is wild and wonderful. Sister Mary Corita not only stages happenings, but she illustrates ads and has paintings hanging in New York and Paris museums, as well as teaching art at the Immaculate Heart College in Los Angeles.

It's what's happening when Sister Mary Corita I.H.M. is involved. Staging happenings, illustrating ads and doing paintings for museums in New York and Paris are just a few activities of this lively nun.

The three hundred broadcasters who met for the Group W Public Service Conference on urban America in Philadelphia could tell you what she's all about. As each one of them entered the auditorium to begin the conference, they received a small paper sack which contained a whistle, a paper with words, a pin, a popper or a balloon filled with confetti.

It was all part of Sister Corita's plan to inspire the delegates with her own personal philosophy — "Be Aware, Be Curious, Be Joyous" — and her instructions to the three hundred adults set the scene for a wild excursion into the heart

of pop. "Blow loudly on your whistle when the lights flash off and on. Introduce yourself to the person directly behind you and read to him loudly whatever is printed on the paper in your sack. If you have a balloon blow it up — very quickly and very large. Tie a knot in it and throw it in the air. Pop it when it comes down. If you have a popper, read your paper to the person nearest you who is blowing up his balloon. When the balloons start popping, pop your popper."

With that, the broadcaster from Cedar Rapids met the broadcaster from New York, Miami Beach met Seattle and Chicago met Atlanta as the Beatles sang "Yellow Submarine" while three hundred various voices intoned phrases like "Join the unswitchables," "Nothing is better for" and "2¢ off."

IT'S WHAT'S HAPPENING when Sister Mary Corita is involved. Latest project of this lively nun is the happening staged in Philadelphia for the Group W Public Service Conference on Urban America.

Sister Mary Corita's ability to stimulate and motivate people is fast becoming a legend. As an art teacher at the Immaculate Heart College in Los Angeles, she inspires her pupils to create joyously. Her own creations have gained for her more than 50 awards in national and international art shows.

Culled from every day objects around her — like advertisements, billboards and works from magazines — Sister Corita's work is currently being shown in the Metropolitan Museum of Art and the Museum of Modern Art in New York, the Los Angeles County Museum and the Bibliotheque Nationale in Paris. In addition, she has had 200 one man shows in galleries, muse-

ums and universities in the United States, Canada and Spain.

Her unusual talents have also inspired a new idea in communications. Sister Corita is now interpreting in art form a group of advertisements in national magazines for Group W (Westinghouse Broadcasting Company). In the advertising series, she creates art to express the thoughts of Goethe, Thoreau and other literary greats.

For example, one ad quotes Goethe's "It is the property of true genius to disturb all settled ideas," while an abstract art design by Sister Corita is featured on the right hand page of the ad. Each of the advertisements is so designed that Sister Corita's art may be

framed because the words are separated from it — and her work speaks for itself.

Sister Corita's conviction that the art market place can be the arena for God's grace as well as any other earthly environment has brought her not only into the field of art, business and education but into government as well. In recognition of her outstanding capabilities, President Johnson invited her to serve as a panelist at the recent White House Conference on Education.

With her many activities and interests, Sister Corita — especially in her "happenings" — follows the Biblical instructions to "make a joyful noise." And her artistic dialogue with people all over the world has resulted in a wider appreciation of art as a communication medium.

GETTING INTO THE SPIRIT OF THINGS, this broadcaster at the Group W conference blows up his sack. It was all part of the happening designed by Sister Mary Corita to introduce the broadcasters to each other and to motivate them.
