VOLUME XXIX. — LETO XXIX

26. KAMPANJSKO POROČILO

Sedma armada, kateri poveljuje general George Pavlakovich, je vpisala \$103,500 zavarovalnine. To je tretja armada, ki se ponaša s svoto nad \$100,000 vpisane zavarovalnine. Naše iskrene čestitke!

Prva armada, ki je dosegla lepo vsoto \$100,000 je bila tretja armada. Tej armadi je sledila prva armada in sedaj se s to častjo ponaša tudi sedma armada.

Iz glavnega stana druge armade se poroča, da je general Zefran pridno na delu in da bo v kratkem času tudi njegova armada dosegla \$100,000 zavarovalnine. In ne samo to, general Zefran zatrjuje, da bo njegova armada nadkrilila vse druge.

Iz zanesljivih poročil je razvidno, da se vršijo velike priprave tudi pri četrti, peti in šesti armadi. Poveljniki teh armad pripravljajo nove načrte in pričakuje se velikih dogodkov, ki jih bodo divizije teh armad doprinesle.

Ob času, ko to pišemo, je tretja armada še vedno na prvem mestu. Vsakdanji dogodki se pa s tako naglico preminjavajo, da je nemogoče povedati, koliko časa bo zastava zmage še vihrala nad tretjo armado.

Sedaj so armade razpostavljene kakor sledi:

Senat odobril moskovski program

Washington. — Po večnem debatiranju je senatna zbornica 5. novembra z veliko večino (85 proti 5 glasovi) odobrila resolucijo nanašajočo se na znani moskovski program. Ta resolucija določa, da naj se v najkrajšem času ustanovi mednarodno organizacijo po načinu bivše Lige narodov v svrhu ohranitve svetovnega miru. Moskovski pakt so kakor znano odobrile Anglija, Rusija, Kitajska in naše Združene države.

Resolucija našega senata se glasi sledeče:

"Bodi sklenjeno, da naj se vojna proti vsem našim sovražnikom nadaljuje toliko časa, da ne dosežemo popolne zmage."

"Da Združene države ameriške s svojimi oboroženimi tovariši ali zaveznički sodelujejo za doseglo pravičnega in častnega miru."

"Da se Združene države po ustavnem načinu pridružijo svobodnim in suverenim narodom za vstopavo in vzdrževanje mednarodne oblasti, da se s silo ali močjo ohrani svetovni mir. (Naveden tri točke resolucije so bile tudi v originalu resolucije tozadnjega senatnega odseka).

"Da se priporočava potrebno ustanovite take splošne mednarodne organizacije, slovene na principih suverene enakopravnosti vseh svetovnih držav, ki ljubijo mir. V to organizacijo lahko pristopijo vse svetovne države, bodisi velike ali male v svrhu zaščite svetovnega miru. (Ta točka je označena tudi v moskovski izjavi).

"Vsako pogodbivo v zvezi s to resolucijo mora na podlagi ustave Združenih držav senatna zbornica odobriti z dvetretjinsko večino." (To je bil amendment republikanskega kongresnika Willisa iz Indiane).

Nemška policija drži Avstrijo za vrat, da ne bo revoltirala

Stockholm. — Ko je prišel glas iz Moskve, da so zaveznički obljubili samostojnost Avstriji, je nemška policija takoj odredila potrebne korake, da prepreči eventuelno revolto Avstrijev.

Načelnik Gestapa, Heinrich Himmler, je sklical posebno sejjo, ki naj prouči položaj, ker se je vest o zaključku v Moskvi razširila kot blisk po vsej Avstriji. Himmler je ukazal poslati v Avstrijo močne policijske oddelke.

Da pa v Avstriji vre, je do kaz to, da je bilo v prvih dveh tednih v oktobru arretiranih na Dunaju več kot 400 oseb.

Vsaka oseba je dolžna \$1,203.71

Washington. — Narodni dolg Zed. držav znaša danes toliko, da pride na vsako osebo \$1,203.71. To je \$47.60 več kot pred enim mesecem in \$517.35 več kot pred enim letom in \$953.53 več kot ob času prve svetovne vojne.

To so po ameriškem načinu trenirani kitajski vojaki, ki si na hiter način grade splave, ki jih bodo ponesli preko široke reke na bojišče v Burma okrožju, kjer se bodo spoprijeli z Japonci. Na tisoče kitajskih vojakov je bilo treniranih pod nadzorstvom generala Josepha W. Stilwella.

Obletnica prihoda ameriške armade v Afriku

Rose Suhadolc

V sredo, 3. novembra je umrla po dolgi bolezni na svojem domu, 1086 E. 71st St., Rose Suhadolc, rojena Setina, starca 59 let. Doma je bila iz Straže pri Novem mestu, odkoder je prišla v Ameriko pred 40 leti. Tukaj zapušča žaluočega soprog Mike, sina Michaela, hčerja Julia Shustar in Theresa Gibben, pet vnukov, brata Johna in Florijana, sestro Mary, v starem kraju pa sestro Marijo.

Glavni zavezniški stan v Afriki. — Ob prvi obletnici vpada ameriške armade v Severno Afriko, je 7. novembra poveljnički zavezniški armade ameriški general Dwight D. Eisenhower izdal na svoje čete slednje proklamacijo:

"Naši zaveznički korakajo z nam. Bog pravice se bori poleg nas. Dajmo se torej obrabiti, da dosežemo naš cilj — ali zmago!"

Bila je članica društva sv. Marije Magdalene, št. 162, Oltenevra društva fare sv. Vida in še dveh drugih društev.

Josephine Savodnik

Dne 3. novembra zgodaj zjutraj je na svojem domu, 652 E. 108th St. naglooma preminula naša sestra Josipina Savodnik, rojena Hegler v starosti 63 let. Doma je bila nekje iz kočevskega okraja. Spadala je k društvu sv. Marije Magdalene, št. 162. Tukaj zapušča slednje otroke: Joseph, Ann, Rudolph, Mrs. Agnes Kleinhenz, Florence, Robert, Virginia in vnukove; dalje zapušča tukaj dve sestri: Mrs. Mary Saletel in Mrs. Frances Surtz. Njen soprog je umrl 7. decembra, 1941, tako je tudi umrl sin Victor.

Naj vsi ti pokojniki počivajo v miru božjem, preostalom izrazamo naše sožalje.

STALINOVA IZJAVA

London. — Iz Moskve se semkaj poroča, da je 7. novembra po celi Rusiji na primeren način proslavilo povodom 26-letnice znane revolucije. V ta namen je premijer Stalin po radio govoril ruskim delavcem in jih navduševal k vztrajnosti, dalje je hvalil vso rdečo armado, ker je letos dosegla tako velike uspehe.

"Delujmo vsi skupaj kot eden! S pomočjo hrabre ruske armade bomo prav gotovo zmagali."

Eisenhower se je zaeno izrazil, da je uverjen ali gotov tudi zmage na Pacifiku.

Letos je ruska rdeča armada osvobodila dve tretjini okupirane ozemlja iz nemških rok. Rusi so napredovali na jugu že 375 milj, na severu pa 185. Tekom leta so Nemci in tej borbi izgubili najmanj 1,800,000 mož (ubitih), potem' okrog 25,000 tankov in 40,000 topov. Stalin je zaeno omenil, da namenava Finska obrniti svoj hrbet Hitlerju.

USPEH ŽAVEZNIKOV NA PACIFIKU

Južni Pacific. — Zaveznički so potopili Japoncem dve križarki; sedem križark, dva rušilca in dve veliki tovorni ladji so pa poškodovali, ki so hitele na pomoci garniziji v Rabaulu, najmočnejši japonski postojanki na Novi Britaniji.

Zaveznički letalci so v petek napadli japonsko flotilo, ki hiti proti Rabaulu. Obenem so pa zaveznički bombe sklitali 26 japonskih letal, ki so krila brodovje.

Bombniki strmoglavniki so spustili v sovražne križarke torpede, ki je najhujše orožje proti bojnim ladjam. Torpedi so zadeli pet japonskih križark, dočim so eno porušile bombe.

Pomorska in zračna bitka za končno oblast nad Solomonskim otočjem je v polnem teku. General MacArthur je izjavil še 11. oktobra, da bo uničil Rabaul, ki je največja japonska baza v južnem Pacifiku.

General Eisenhower je ta svoj razglas razpolatal vsem

Vse naše članstvo se prosi, da se udeležite prihodnje redne seje v nedeljo, 14. novembra ob 2. uri popoldne. Ta seja ima za naše članstvo dvojni pomen, prvo, da se na seji predstavi točke društvenih pravil, katere so morebiti potrebne za premembo na glavni letni seji, drugo pa je to zadnja seja pred proslavo 50-letnice našega društva.

Na svidenje torej 14. in 21. novembra!

S pozdravom.

Frances Lokar, predsednica.

DRUŠTVO SV. ANE, ŠT. 105,

NEW YORK, N.Y.

Cenjene sestreste! Prihodnja seje se vrši 14. novembra ob 3. uri popoldne. Imamo se več stvari za pogovoriti, zatoj želim, da se vse udeležite.

Katere ste zaostale z asesmentom, prosim poravnajte svoj dolg.

Kampanja se bliža h koncu. Drage sestreste! Poskusimo in pridobimo vsaka vsaj enega člana in članico za mladinski oddelek, da bo tudi naše društvo v minulih 50 letih, kar tudi želimo, da se bo v bodočnosti nadaljevalo. V sedanjih razmerah se ni moglo prirediti proslave kakršno smo si želeli, radi tega je bil del proslave izvršen na ustanovni dan s sv. mašo 15. avgusta t. l., od tega dne so bile tudi slike posnete, katere bodo predstavljene na banketu, kateri se bo vršil 24. novembra zvečer.

Zatorej se tem potom prosi vse članstvo, da si vstopnice za banket preskrpite pravočasno na prihodnji seji ali pa najpozneje do 18. novembra, ker toliko časa je nujno potrebljeno, da se bo znalo nabaviti jedila za toliko, kolikor jih bo do tega časa naznanjenih. Pripravljalni odbor je pridno na delu, da bo vsakemu udobno postreženo, program bo tudi izvrsten, da bo vsakega zadovoljilo. Cena vstopnic je \$1.25, kar ni pretirano za cene v sedanjem času.

Vstopnice se dobijo pri vseh društvenih uradnikih tako tudi pri sobratu Math Rogina v Slovenskem domu in sobratu Frank Cadoniču v klubu Slovenskega Orla.

Zatorej še ponavljam in pravim vse članstvo v prijatelje društva, da si vstopnice preskrpite do omenjenega časa, kateremu ne bo mogoče priti na sejo, pa naročite onim, kateri prineseo vaš asesment, da vam tudi nabavijo vstopnico, žal bo samo onemu, kateri si je ne bo preskrbel.

Bratje in sestre! Ne pozabite, da samo še sedem tednov in "V" kampanja bo zaključena. Pri našem društvu je že dozdaj tako malo narejeno, res sem pričakoval več sodelovanja od strani članstva, toda še ni prepozno! Torej prosim, da vsi skupaj malo poagitiramo in bomo rešili čast društva.

Pričakujem uspeha, vas bratsko pozdravljam,

RUSIJI JE POREBEN MIR
(Nadaljevanje z 2 strani)
hegemonijo na evropskem kontinentu. Kajti Sovjetski Uniji bi bilo mogoče, ako bi hotela, da Nemčija sama premaga in potem Evropi vsili svojo voljo.

Ta pesimistična sonda je v Moskvi propadla. Rusija nima namena razvijati se na imperialistični način. To je najbrže manj radi tega, ker je komunistična, kot radi njenih posebnih nalog in razvojnih ciljev, kateri si je Sovjetska država stavila sama sebi. Vladarji v Kremelinu so blagoslovjeni, kajti nahajajo se v takem položaju, da jim izkorisčanje domačih ruskih naravnih zakladov nudi večje možnosti nego plenitev tujih ozemelj. Tako, da je za Ruso zadava politike preprosto vprašanje, kakor zavarovati proti grožnjam od zunanjih notranjih razvoj Rusije.

Ta program notranjega razvoja in napredka Rusije je že zdaj precej jasen. Med vojno samo so napravili iz Sibirije največji industrijski kompleks vse Azije. Sibirsko industrijo je zdaj tako obsežna kot kitajska in japonska skupaj, in polnoma upravičeno je danes trditi, da bo imela Sibirija v Aziji nekoč isto vlogo, katero imajo zdaj v industrijskem pогledu Zdržene države v zahodnih hemisferi.

Naravne razvojne možnosti za Sibirijo so danes ravno take, kot so bile za Ameriko pred sto leti. Največje vprašanje za oba kontinenta—kajti Sibirija je po svojem obsegu in svojih naravnih zakladih ogromen kontinent—je bil isti, namreč pomirjanje delavskih sil. Od začetka vojne do sedaj, je Sovjetska Unija naselila v Sibiriji 15,000,000 do 20,000,000 ljudi in večina teh beguncev iz Evrope se ne bo nikdar več vrnila nazaj v evropsko Rusijo. Ostali bodo kamor jih je zaneslo in bodo tako postali ključ, ki bo odpril ogromna bogastva te dežele.

Sibirsko industrijo se seveda za prva tri ali štiri leta po vojni ni pojavila na inozemskih tržiščih. To dobo bo posvečala rekonstrukcija evropske Rusije, tako da bo šlo vse, kar bo producirala nazaj v evropsko Rusijo. Zdaj že splošno prevlade mnenje, da bo dirigirana ruska industrija zmožna popraviti opustošeno gospodarstvo zahodno-ruskih pokrajin, v katerih je razsajala vojna, v teku tega izrednega kratkega roka. Ko bo ta prehodna doba končana, Rusija ne bo le zadobila nazaj zopet svoje prejšnje sile, temveč bo za prirastek sibirske industrije še celo močnejša kot pred vojno. Svoje izgube ljudi bo nadomestila s tem, da bo anektirala ona ozemlja v zahodni Evropi, katera bodo tvorila za sovjetska ozemlja nekakšen pas obrambe in sigurnosti.

Po tej periodi rekonstrukcije, bodisi od tri do pet let, bo seveda vse odvisno od vpraševanja, ali se bo moralna Sovjetska Unija pripravljati na nove vojne, ali pa se bo mogla z vsemi svojimi silami posvetiti še za dobe ene dodatne generacije izkoriščanju svojih bogastev.

"Vam
"Mr. A. J. LeBreton."
To pismo priča, da so Avstralci prijazni in gostoljubni do naših fantov in jim skušajo nadomestiti dom, kar je gotovo zelo lepo od njih.

Tony tudi piše večkrat. Pravilno, naj mu ne pošiljamo nobenih jestvin, ker dobijo dosti jadi tam. Tudi cigaret naj mu ne pošiljamo, ker jih tudi lahko dobijo kopalik hoče Pač pa želi filme za fotografski aparat, ker jih tam sploh ni mogoče dobiti, fantje bi pa radi prisneli domov svoje sličice krajev, kjer zdaj prebivajo.

"Pravi tudi, da jih tam včasih silno nadlegujejo komarji, proti katerim se skušajo zavarovati z mrežno tančico, kar pa vse ne pomaga veliko. Tudi je tam vse polno nekakih kuščarjev ali martinčkov (lizards), ki jih tekajo po posteljah, jih žvečijo ušesa itd."

Vodilna misel Molotova na moskovski konferenci je bila torej ta, da doseže za Sovjetsko Unijo čim več mogoče in čim

trdnejše garancije za dobrobit svoje dežele, ne da bi pri tem pognal britanske in ameriške velesile v novo skupno defenzivno fronto, ki bi brez pogojno nastala, ako bi bile ruske zahote nezgodne—a to bi onemočilo ureditev trajnega miru in s tem tudi omejitev mednarodnega oboroževanja. To pa je eden od ciljev sovjetske politike in videti je, da je konferenca izdatno približala uresničenje tozadavnega sporazuma z Anglo-Saškimi velesilami.

Pismo iz Avstralije

Waukegan, Ill.—Kajti je bilo že poročano, se nahaja sedaj moj sin, korporal Tony Keber v Avstraliji. Pred kratkim smo prejeli od nekega moža iz Avstralije pismo, ki nas je veselo iznenadilo. Gotovo bo tudi drugo čitatelje zanimalo, posebno starše, ki imajo sami svoje sinove v Avstraliji. Tony se je zglašil na domu omenjenega moža in tako sta se spoznala. Pismo je pisano v izbrani angleščini in se takole glasi v prevodu:

"Avstralija, 10. avgusta, 1943.
"Dragi Mr. Keber!

"Spoznam sem se z Vašim sinom Tonyjem in pišem Vam, da Vam povem, kako izredno krepak je in kako zdrav izgleda.

"Zadnjo nedeljo sem povabil njega in tri njegove tovariše na svoj dom, da jim priredim malo kratkočasja. Zdeleno mu je prav imenitno, da je zopet lahko sedel na udobnem divanu ob ognju in poslušal radio, ki je mimogrede povedano—prinašal program iz Amerike. Tony je fin deček in je v kredit svoji rodbini in veliki deželi, ki je poslala svoje fante semkaj. Ker sem bil v zadnjem vojni sam vojak, etudi komaj fantiček, lahko razumem, kako se malo domačega udobja prileže fantom več tisoč milj od doma.

"Vendar, fantom se ne toži po domu čezmerno, ker so zares fina gruča ter uživajo vsako minutno svojega dopusta. Moje hčerke so spremljale fante na sprehod in majhen izlet v čolnih in vsi skupaj so imeli imenit dan. Dobro se jim je zdelo, ko so si sami kuhalo svoje jedi v gozd. Toda ob šestih popoldne so bili že doma, se umili in preoblekli ter prebili večer v gledališču. Za konec prihodnjega tedna pripravljajo deklamacijo izlet v ... (cenzor izrezal), čudovito lep kraj, če bodo fante mogli dobiti dopust.

"Obenem pa Vam naj ponovno zatrdim, da se Tony vsestransko dobro počuti in težko pričakuje poletja, ko se bodo lahko hodili kopat v eno ali drugo naših prelepih obrežnih kopalnic.

"Sedaj pa moram zaključiti to pripravovanje. Prijazne pozdrave Vam pošilja vdan

"Vam

"Mr. A. J. LeBreton."

To pismo priča, da so Avstralci prijazni in gostoljubni do naših fantov in jim skušajo nadomestiti dom, kar je gotovo zelo lepo od njih.

Tony tudi piše večkrat. Pravilno, naj mu ne pošiljamo nobenih jestvin, ker dobijo dosti jadi tam. Tudi cigaret naj mu ne pošiljamo, ker jih tudi lahko dobijo kopalik hoče Pač pa želi filme za fotografski aparat, ker jih tam sploh ni mogoče dobiti, fantje bi pa radi prisneli domov svoje sličice krajev, kjer zdaj prebivajo.

"Pravi tudi, da jih tam včasih silno nadlegujejo komarji, proti katerim se skušajo zavarovati z mrežno tančico, kar pa vse ne pomaga veliko. Tudi je tam vse polno nekakih kuščarjev ali martinčkov (lizards), ki jih tekajo po posteljah, jih žvečijo ušesa itd."

Fante imajo pogosto priliko, da vidijo "movies," kjer jim med drugim kažejo tudi slike, ki so jih mnogi že prej videli

cij, v katerih je "šlo vse zares sijajno, z edino težko povzročeno z izbruhom malarije na ravnini pred Katanio."

Povedal je, da je v tistem delu bojev zahtevala malarija več žrtv kot vojaške operacije.

Ko je general opisoval izkrcavanja na italijanski celini, je dejal, da so bila tista izkrcavanja nekaj "čisto drugega kot prihod na Sicilijo."

"Pri Salernu je šlo res za las. Peta armada se je morala obupno boriti, predno si je moga ustvariti potrebna mostišča. Takrat je prišel k osmi armadi klic, naj poseže vmes in dramatični skok preko razdalje od 200 milij, ko je osma armada hitela, da pade Nemcem v boka. To je bila ena od najlepših stvari, kar jih je osma armada dozdaj sploh napravila."

Glede italijanskih sobojevniških sil je izjavil Montgomery, da bodo uporabljene vdolž prometnih linij in v nekaterih pristaniščih pri proti-avionskih topovih.

Razkol med četniki in med partizani

Poročevalka Sonja Tomara je dne poslala iz Kaire naslednje poročilo, ki je izšlo v čicaškem dnevniku "The Chicago Sun":

Protest proti jugoslovanski vladni

London.—(ONA).—Štiri vodilne jugoslovanske organizacije na Angleškem obtožujejo vlado v izgnanstvu, da "zanejamajo svoje najbolj elementarne dolžnosti."

Partizanska vlada je bila ustanovljena decembra, 1942 v Bihaču v severni Bosni. Poročila trde, da se nahajajo v tej vladi vse politične stranke in da se nahajajo v njej predstavniki duhovništva, profesorji in kmetje. Predsednik je baje dr. Ivan Ribar, b. v. s predsednik jugoslovanske narodne skupščine.

Poročila trde, da se nahajajo v tej vladi vse politične stranke in da se nahajajo v njej predstavniki duhovništva, profesorji in kmetje. Predsednik je baje dr. Ivan Ribar, b. v. s predsednik jugoslovanske narodne skupščine.

Partizanska vlada je bila ustanovljena decembra, 1942 v Bihaču v severni Bosni. Poročila trde, da se nahajajo v tej vladi vse politične stranke in da se nahajajo v njej predstavniki duhovništva, profesorji in kmetje. Predsednik je baje dr. Ivan Ribar, b. v. s predsednik jugoslovanske narodne skupščine.

Medgovorniki so se nahajali nekateri Jugoslovani, katerim se je pred kratkim posrečilo pobegniti iz Jugoslavije in so napadali vladu, da ni hotela posiliti hrane, zdravilnih potrebskih in oružja v predele, v katerih so se nahajali partizani;

da nočje uradno priznati ljudske osvobodilne vojske, pod potvrditvom generala Tito, ter da je jugoslovanska vlada v teku zadnjih dveh let garala za zavezniško stvar, da je zvesto izvrševal dela sabotaže in tudi vse druge naredbe in to za ceno strahovitih izgub človeških življenj in strašnega pregajanja tisoči svojih sodeželanov.

Danes, trdijo ti krogi, Mihajlovič še vedno izvršuje svoje operacije proti osišču na širokih predelih ozemlja, zakar pa se njemu ne daje in ne priznava nobene zasluge, ker nima sredstev, da bi povedal svetu, kaj se godi, dočim imajo partizani na razpolago radio Svobodna Jugoslavija, in so tako mogli pripisati sebi vse, kar se je zgodilo.

Zadnje tri tedne pa se poslužuje Mihajlovič radio aparatom, katere je najbrže zaplenil od Nemcev ali Italijanov in zavojil v vseh delih Evrope, tako da bi se zavezniški poleti na krati oddajati na kratko valovni postaji i "kot Demokratična Agentura v gozdovih in planinah Jugoslavije," ki pošilja svoje oddaje tudi v Ameriko. Tako Mihajlovič preko tega radija, kot jugoslovanska vlada tukaj, obtožuje partizane, da na podlagi svojega radija pripisujejo sebi čisto izključno Mihajlovičev zmag.

V mnogih predelih dežele operirajo partizani in Mihajlovič v istih krajih, tako da se je nemogoče pobroti na podlagi teritorialne opredelitev. Različne skupine, ki so le posredno odgovorne Mihajloviču, ker se nahajajo med članji odbora naravnega upora, ki priznava Mihajlovič za svojega vrhovnega poveljnika, se tudi nahajajo na istem ozemlju kot partizani.

Poučeni tukajšnji krogi trdijo, da je mogoče edino le ena rešitev tega problema in sicer sporazum, v bistvenih vprašanjih, ki bi odstranil ideologična nasprotja med temi strankami.

Govoreč o zadnjih vojaških kampanjah, je dejal general Montgomery, da je bil pohod na Sicilijo vzgled vojaških opera-

Ko sta se Mihajlovič in Brozovič sporazumela, je pa neki Kosta Pečanac, star in bradat četnik iz prve svetovne vojne, šel h generalu Nediću, Nemcem na klonjenemu kvizlingu, in je dal povlej njegovim četam, naj se borijo proti "rdečim."

Kakor trdi omenjeni četnik, so ravnogorški sporazum prekršili Brozovičevi možje, ki so kar naprej preganjali vse premožnejše in izobražene, katere so zvali za peto kolumniste. Brozovičevi čete so zapustile Mihajlovičev skupino v najhujši sili, ko je bilo oblegano Kraljevo v oktobru 1941. Razkol med levicariji in vojskimi možmi je postal javen v jesen 1941 in ni bil nikoli premosten.

Mihajlovičev glavni stan je bil vpustavljen v Črni gori, Brozovičevi čete pa so se nahajale v Hercegovini. V Brozovičevih četah so bili največ Hrvati, vendar pa je bilo med poveljniki nekaj Srbov. Sovraščo med patrioti in partizani je slonelo torej na razrednem bojevanju, pri čemer na nekaj mestih je bil Hrvat in Srbo v eni skupini med Hrvati in Srbi.

Ko sem vprašala omenjenega četnika, če je resica, da je Mihajlovič sodeloval z Italijani, je to odločno zanikal, vendar pa je priznal, da je bilo videti nekaj italijanskih oficirjev v Črni gori. Rekel je, da so se Italijani bili prihajati v Mihajlovičev ozemlje in da se jih je Mihajlovič ne meračal odkritati, ker hitro bi bilo mogoče.

Nemci pa so sovražili Mihajloviča, pa tudi njegovega načinov Pavleta Djurejčića, ki je boril proti njim kjer koli je bilo mogoče, in ko so prišli v njegovo utrdbo v mestecu Kolašin maja meseca tega leta, so Djurejčića zgrabil in poslali v Berlin v ječo.

Glavna Mihajlovičeva sila je še vedno v Črni gori, kakor pravilno navedeni četnik, ima pa tudi čete v Hercegovini, kjer se borijo proti obojim, partizanom in Nemcem.

"Mi smo v neprestani nevarnosti, da nas obkrožijo in napadejo od vseh strani," je rekel. "Nimamo nobenega sredstva za poročevalno zvezo z zunanjim svetom. Nimamo nobenega radija, medtem ko imajo partizani postajo, ki se imenuje Prosta Jugoslavija. Zavezniški, kakor izgleda, nameravajo pomagati partizanom, toda mi bomo čakali na trenutek, ko se lahko zakadimo na Nemcev.

Stiri ure sem govorila z imenovanim četnikom — njegova imena ne smem razoteti — in zvedela sem njegovo povesti, vendar, to je še vedno le polovica cele povesti, le desničarski del. Druga polovica je brez dvoma drugačna.

Četnik je prišel k Mihajloviču v juliju 1941, dva meseca po polom Jugoslavije. Mihajlovič je zbiral pripadnike vseh struj, ki so bili pripravljeni boriti se proti Nemcem, in je hotel uvesti med njimi vojaško disciplino. Upal je celo, da bo pridobil Hrvate, da bi spremnili svojo takto in se obrnili proti nemškim in italijanskim sovražnikom.

Medtem so Nemci napadli Rušijo, in med Slovani se je zbudila slepa vera, da bodo Rusi zmagali. Mnogo levicaških skupin, ki so jih vodili komunistični džaki, se je osamosvojilo. Pritožbe vsled napadov na samostane in starejši po mestih in vaseh so začele vedno bolj pogosto prihajati v Mihajlovičev glavni stan.

Vodja, ki je ostal v jugoslovanski armadi, je hotel zaustaviti tako samovoljno početje in se osredotočiti na napad proti sovražniku. Hotel se je sestati z Brozovičem, ki je postajal pomemben. Tedaj je bilo še malo znanega o njem. Doma je bil iz Slavonije, in ko sta se v septembru 1941 sestala z Mihajlovičem v Ravnih gori, je samo omenil, da je prišel od "daleč tam gori," kar je pomenilo Moskvo. Brozovič

Nezgoda v gledališču

Nekega odličnega večera je sedel nič manj odlični davčni eksekutor Ivan Dimitri Černjakov na sedežu v drugi vrsti in je gledal skozi svoje kukalo "Zvonove korneviljske." Gledal je nizdol in se je počutil kakor petelin na gnoju. Toda nenadoma — v povestit se večkrat pripeti kaj "nenadoma" in pisanjeti imajo prav, življenje je zvrhano domislek! — a nenadoma se mu je obraz namrgol je sapo ... , dal je kuka proč z oči, sklonil se je in hačili! Kihnil je, kakor vidite. Kihanja ne moreš nikomur in nikjer prepovedati. Kihajo kmetij in tudi policijski upravniki v vseh celo tajni svetniki. Vsi kihajo. Černjakov se torej ni prav nič vzburlil zato. Obriral se je z robcem, in kot človek, ki ve, kaj se spodobi, se je tudi ozrl okrog sebe, ali ni mogoče s svojim kihanjem koga motil. In že je bil tu vzrok, ki se je človek zaradi njega lahko vznemiril. Videl je, da se je stari gospod, ki je sedel pred njim v prvi vrsti, z rokavico skrbno obriral plešasto glavo in vrat in je nekaj zamrmral. V tem starcu pa je Černjakov spoznal civilnega generala v prometni upravi, Brišalova.

"Kihnil sem vanj," je pomislil Černjakov. "Saj on prav za prav ni moj predstojnik, vendar mi je sitno. Oprostiti se me bom moral."

Černjakov je malo pokašljil in je generalu zašepetal na uho: "Oprostite, ekscelenca, poškropil sem vas ... nehote sem ..."

"Nič, nič ..."

"Za božjo voljo, oprostite mi ... ! Jaz sem vendar ... saj ni sem hotel!"

"Oh, prosim, sedite no! Poslušajte dalje!"

Černjakov se je ves zmedel; bedasto se je režal in se je spet ozrl na oder. Gledal je nazdol, a prav nič več mu ni bilo dobro. V odmoru je pristopil k Brišalovu. Nekoliko je šel včrtic njega in je zamrmral, komaj skrivajoč svojo plahost: "Kihnil sem v vas, ekscelenca, oprostite mi! ... Saj nisem ... saj ne, da bi bil mogoče"

"Oh, je že dobro! Že zdavnaj sem pozabil, vi mi pa spet govoričete o tem!" je dejal general in je nejevoljno potegnil spodnjo ustnico na znotraj.

"Pozabil!" je pomisil Černjakov, "pa se mu kar zloba bliska iz oči!" Nezaupljivo je pogledoval generala. "Pa kratko in malo noče nič govoriti o tem. Pojasniti mu bom moral, da zares in na noben način nisem hotel! Da se je to zgodilo po prirodnom zakonu; sicer si bo še mislil, da sem ga hotel opljuvati! Zdaj si mogoče te-

ga še ne misli, a kasneje si bo mislil."

Doma je Černjakov povedal svoj ženi, kakšno traparijo da je napravil. Kakor se mu je dozdevalo, se je ona premalo zmnila za ta dogodek. Najprej se je pač malce ustrašila, a ko je zvedela, da Brišalov ni njegov predstojnik, se je pomirila.

"Pa le pojdi tja in se mu opraviči," je rekla, "sicer si bo mislil, da se ne znaš dostojno vesti med ljudmi."

"Saj, saj! Pa saj sem se mu oprostil, a on je bil tako čuden, nobene pametne ni zinil. In pa, saj tudi časa ni bilo za daljši razgovor."

Drugi dan se je Černjakov oblekel v novo uniformo, obril se je in je odšel k Brišalovu, da bi mu to zadevo razložil. Ko je vstopil v generalovo predsto, je zagledal ondi mnoge prisilcev, in celo generala samega, ki je že poslušal prošnje. Potem, ko je že več prisilcev vprašal to in ono, je obrnil svoj pogled na Černjakova.

"Včeraj v Arkadiji, če se ekselenca spominjajo," je začel eksekutor, "jaz sem kihnil in zdaj sem vas zmočil ... oprostite"

"Kakšna traparija, Bog pomagaj! General se je okrenil k drugemu prisilcu: "Kaj želite vi?"

"Noč govoriti o tem," je pomislil Černjakov in je preblel. "To se torej pravi, da se jezi. Nak, to ne more ostati kar tako ... Razložil mu bom"

Ko se je general nehal pogovarjati s poslednjim prisilcem in je spet hotel oditi v notranje prostore, te stopil Černjakov za njim in je reklo tiho in brez sape:

"Ekselenca! Če se drznam nadlegovati vašo ekselenco, teďaj samo zato ... lahko bi dejal — ker se kesam ... Ni bilo nalač, kakor že sami vedo!"

Generalov obraz se je skremžil kakor za jok in dvignil je roko:

"Pa se res precej upate, dragi moj!" je reklo, ko je izginil skozi druga vrata.

"Misli, da se norčujem?" je preudaril Černjakov; "Bog mi je priča, da se ne! General, pa tega ne razume! Če je stvar takaka, se ne bom nič več oproščal temu ošabnežu. Vrag naj ga vzame! Pismo mu bom pisal, a k njemu ne bom nič več šel."

"Oh, je že dobro! Že zdavnaj sem pozabil, vi mi pa spet govoričete o tem!" je dejal general in je nejevoljno potegnil spodnjo ustnico na znotraj.

"Pozabil!" je pomisil Černjakov, "pa se mu kar zloba bliska iz oči!" Nezaupljivo je pogledoval generala. "Pa kratko in malo noče nič govoriti o tem. Pojasniti mu bom moral, da zares in na noben način nisem hotel! Da se je to zgodilo po prirodnom zakonu; sicer si bo še mislil, da sem ga hotel opljuvati! Zdaj si mogoče te-

Bog mi je priča, da ne!" Tako je Černjakov mislil, ko je šel domov.

Pisma generalu ni napisal. Preudarjal je sem in tja, pa mu ni nič pametnega stopilo v glavo. Torej je moral drug domit, nicesar slišal, odmikal se je k vratom, odšel na cesto in opotekaje vračal domov.

"Včeraj sem vašo ekselenco nadlegoval," je zajecjal, ko ga je general vprašajoč pogledal, "pa ne, kakor da bi se norčeval, kot ste se izvolili izraziti. Jaz sem se le oprostil, ker sem vas pri kihanju poškropil ... a jaz se niti od daleč nisem mislil norčevati. Ali bi smel biti tako nesramen, da bi se norčeval?

Če bi se ljude norčevali, potem nima to niti najmanjšega posmena, in spoštovanje do oseb ... bi izginilo ..."

"Ven!" je general ves modričast in zaripel v obraz trepetajoč zakričal.

"Kaj?" je Černjakov šepeta-

je vprašal in se je od strahu kar pogrezal v zemljo.

"Včen!" je general še enkrat zavplil in udaril z nogo ob tla. Černjakovu se je v telesu nekaj pretrgalo. Ničesar ni videl, nicesar slišal, odmikal se je k vratom, odšel na cesto in opotekaje vračal domov.

Podzavestno je prišel do hiše. Ne da bi slekel uniformo, se je zieknil na divan in je ... umrl.

BLATNIK TAVERNS, STEVE GROCERS HAVE HECTIC DAY IN PUEBLO LOOP

Pueblo, Colo. — Wednesday, Nov. 3 was a hectic day for the Blatnik's Tavern five. They blasted Germ's Liquors crew from the alley to the gutter by a clean sweep of the entire series. Captain Cracker Krasic's 579, Tony Wodishiek's 542, and Tony Kochevar's 499 series were too much for the tired Liquormen to cope with. Captain Matty Novak with a 555 series, F. Zupanic with 520, and Joe Prelesnik with 489 tried vainly to pull out one game for Brother Germ but fell short by a meager 9 pins.

On the adjoining alley the Steve Grocers were on the rampage again, outscoring the powerful Culig Grocers. It was "Kocman" Day for the moving Steves as Captain "Moon" and Ed garnered 599 and 560, respectively among themselves. J. Krall, yours truly, and Captain F. Krall with scores of 537, 528, and 498, failed completely to dislodge the league-

leading lads from the coveted top spot.

Women's Division

There was gloom in the Elich Grocers camp as K. Mikatich's forces were trampled over 3 times by the Gorsich Grocers. A. Predolich and A. Kocman shelled 465 and 429 respectively. The Elich girls found themselves on the short end with the Gorsich Grocers even though A. Jakovich blasted 430 and K. Mikatich a 419.

Bill Culig's Tavern pulled one of the season's biggest upsets by taking all three games from Joe Anzick's Restaurant five, despite the fact that R. Stupnik uncorked a 436 series for the humbled losers. D. Jesik's 432 and Jo Petros' 427 paved the way for the important victories.

Next week's pairings:

- Germs vs. Culig Grocers.
- Blatniks vs. Steves.
- Gorsich vs. Anzick.
- Elich vs. Bill Culigs.

COMPETITION KEEN AS JOLIET LASS LEAGUE GOES INTO SIXTH WEEK

Joliet, Ill. — As we move on into the sixth week of bowling this season we find the teams piling up a lot of tough competition. The standings are running neck and neck and high game and series records are being broken weekly.

Barb Buchar really had the winning streak in her last week. She hit games of 149, 212 and 194 for a total series of 555, which breaks the individual series record of the league. In spite of Barb's good bowling she got jipped out of the 50 cent prize for high game of the night. Jo Ramuta got back in her old stride in the final game to tally a 235 game. Her first two games were a little low to mark her up for a series of only 511.

The Schuster Plumbers defeated Allen's Orange Crush two games dropping the Allens to second place. Mary Salesnik with her usual good bowling scored a nice 490 series, which was high for the winners. Mayme Kren improved last week to total a 427 series. For the losers, Mayme Umek was high with a series of 449. Mary Zuidarsich toppled over a 151 in her second game.

Although the Avsec Printers were handicapped with the absence of two bowlers they clean-swept the Peerless Printers three games and joined the tie for second place in the team standings. Barb Buchar with her wonderful scoring led the winners with her 555 series. Leona Simec has been hitting some good games with the circuit. Last week she hit a 437 series. Vida Zalar tallied three nice games for a total series of 527 which was high for the losers.

After dropping to second place two weeks ago, the Joliet Engineers were determined to get back in the lead and last Thursday they blasted off three wins over the Joliet Office Supply to gain possession of first place in the league standings. Julie Camp, who has really been holding up a high average this season kept up her good work to top the winners with a 463 series. The Joliet Office Supply team just couldn't get going. Doris Fahey hit high series with a 402.

For the cold winter months to come, try some of the following meat recipes. Meat is a protein provider, and when meat is not available a good substitute should be used.

Frankfurter Casserole

8 frankfurters, 1 minced onion, $\frac{1}{4}$ cup butter, $\frac{1}{3}$ cup flour, 3 cups canned tomatoes, 3 cups diced, cooked carrots, 3 tablespoons ketchup, salt and pepper.

Split frankfurters and arrange, split side down, in a greased casserole. Saute onion in butter until slightly browned, stir in flour; gradually stir in tomatoes and cook until thickened. Add carrots and ketchup, and season to taste with salt and pepper; pour over frankfurters and bake in moderate oven about $\frac{1}{2}$ hour. Makes 6 portions.

Pork Chops Casserole

6 pork chops, $\frac{1}{2}$ inch thick, 1 teaspoon salt, $\frac{1}{2}$ teaspoon pepper, 4 medium sour apples, peeled and sliced, 1 cup water, 4 medium sweet potatoes, peeled and sliced, 1 teaspoon Worcestershire sauce, few drops of tabasco sauce, 4 strips of bacon, 1 medium onion, chopped.

Wipe chops and brown in hot frying pan; place in casserole, sprinkle with half the salt and pepper, and place apples and potatoes in layers on chops. Sprinkle with remaining salt and pepper, and add water mixed with Worcestershire sauce and tabasco. Fry bacon, remove, and brown onion in bacon fat. Spread onions over mixture in casserole and arrange bacon strips on top; cover and bake in moderately hot oven about $\frac{1}{2}$ hours. Makes 6 portions.

Swiss Steak

2 lbs. beef one inch thick, $\frac{1}{3}$ cup flour, 1 teaspoon salt, $\frac{1}{2}$ teaspoon pepper, 2 tablespoons fat, 3 slices onion, $\frac{1}{2}$ cup water, 1 cup tomato juice.

Use round, chuck or shoulder or beef; dredge with mixture of flour, salt and pepper, and pound into steak with wooden potato masher or meat pounder. Brown in hot fat in heavy frying pan or Dutch oven, add onion, water and tomato juice, cover and simmer 1 hour, or until meat is very tender, turning occasionally. For oven-cooking, place seared meat, vegetables and liquid in casserole, and bake, covered, about 1 hour.

Salmon Pickle Loaf

1 can salmon, $\frac{1}{2}$ cup bread crumbs, $\frac{3}{4}$ cup milk, $\frac{1}{2}$ cup coarsely chopped sweet gherkins, 2 eggs, $\frac{1}{2}$ teaspoons salt, $\frac{1}{2}$ tablespoons melted butter, 1 teaspoon minced onion, $\frac{1}{2}$ cup white sauce, 2 hard-cooked eggs, sliced, 6 stuffed olives, sliced.

Flake salmon, add crumbs, milk, gherkins, eggs, salt and melted butter; mix well. Pack into greased loaf pan, set in a shallow pan of hot water and bake in a moderate oven about 30 minutes, or until loaf becomes firm. Turn out on hot platter, add onion to white sauce and pour over loaf. Arrange egg slices on top with olive slice on top of each. Serve

EASE PIN BLASTING

Joliet, Ill.—The bowlers of the Girl's Activity Club dropped a little in their scoring last Thursday night.

Clare Carpenter's team won three games from Helen Metesh's team. Dolores Klobuchar of the winning team hit a nice 142 in her second game and ended up with a 362 series. Dolores Chanoski hit a little lower than usual last week, marking up a 343 series. Irene Felix scored a couple of nice games. Clare Carpenter's first and final games were average, but her second game dropped her series to a 332.

Helen Metesh pitched low in her marking for a total series of 287. Theresa Ambrose ran into a little tough luck and also scored a 287 series. Mary Butthala can't seem to get out of the slumps.

Considering the girls are just beginners in bowling, they've been hitting some fairly good scores.

10 RULES FOR WARTIME EATING

1. Keep a list of the seven basic food groups in your kitchen and your purse. Follow it when you plan and when you buy. Substitute within groups.

2. Don't plan to serve meat, fish or poultry — eggs and cheese all the same day.

3. Start the day off right with a breakfast that counts as a real meal. Make cereal with milk the "main dish."

4. Make a hearty soup, or cereal with fruit and milk, your main dish at lunch or supper at least twice a week.

A SCHOOL FOR PARENTS

By Rev. Dr. E. Schmiedeler

A normal-sized family is an informal and effective school of character formation for the parents. It is a school of experiences wherein man and wife grow and mature, learn sacrifice and selflessness and achieve happiness and social unselfishness.

Msgr. John M. Cooper has well expressed the thought in the following words: "The rearing of a good-sized family of children entails two or three decades of unselfish care and active responsibility, of curtailment of liberty and renunciation of pleasure, of ready sacrifices and self-denials of the most altruistic kind. It means hardships courageously faced and borne, moral effort consistently and persistently put forth, responsibilities unflinchingly shouldered, sacrifices unselfishly made. Fathers and mothers are trained not by the feeble words of human exhortation, but by the living experience of their very parenthood."

"Human beings do not normally grow and develop in soul entirely from within. Our moral discipline and development is usually dependent on some situation in which we place ourselves voluntarily. Only by reason of this stimulus from without do we ordinarily do anything worthwhile or give of the best that is in us. Lacking this stimulus, we drift, we dwindle, we atrophy. It is in rising to an occasion, in meeting a crisis, in responding under some form of instructive interest or moral impulse to a situation and a responsibility in which we are placed or in which we place ourselves that we grow and develop morally.

And for the great masses of humanity, it is the rearing of a normally large family of children that morally disciplines and morally develops adult character."

It is well to note, however, that only the good-sized family does this. Only the good-sized family imposes upon parents

the sacrifices which are the soul of moral growth and Christian living.

The small or arrested type of family, on the contrary, ministers to selfishness. It is commonly a pleasure-seeking family. The meager sacrifices which the rearing of one or two children entail are more than offset by the satisfactions which the father and mother expect in return. Selfish pleasure and satisfaction, rather than a sacrificial altruism, are to the fore. The result is selfish, rather than social, parents. And this selfishness will naturally show itself in all the wider social relations of life.

How correctly the great scholar, Leclercq, has said: "The grandeur of the family in the children — in the offspring who are as healthy and numerous as circumstances permit and reared until they are able to face life by themselves."

How correctly he adds: "The beauty of such a mark is worth some sacrifices; it is worth the hard life which it calls for. The man who in the evening of his life sees himself surrounded by numerous children and grandchildren can rightly feel that he has achieved the essential task of man in the natural order."

A MOTHER'S PRAYER

Sweet Virgin Mary,
So Meek and Mild,
Mother of Jesus,
Watch over my child.
I sent them to war
Under thy care,
Watch over them, Mary,
When they're over there,
Protect them and guard them,
Queen of the Sea,
Bring all our boys back
To the land of the free.
O spread out thy mantle,
Sweet Mother of Peace,
And ask thy Son Jesus
This conflict to cease
I pray thee, O Mary,
Sweet Mother of mine,
And ask thee to send back
Those dear sons of mine.

—Mrs. John Martin.

PRAY FOR ME

We got a letter from our son,
"Our work is good, but not yet
done,

So pray for me."

"Pray for me," Lord, how we
pray
From our hearts, both night
and day,
Beseaching Thee.

Beseaching Thee to guard him
well,
In that seething, scorching hell
Of war.

Keep his body and his mind,
For loved ones he has left be-
hind,
Clean and free.

Free from thoughts of bitter
hate
As his comrades meet their
fate
On distant shores.

We ask Thee his life to spare.
Let him all his sorrows share
With Thee.

So when he returns again
He will not have asked in vain
"Pray for me."
—Florence L. Van Dorpe.

Buy War Bonds and Stamps

THEY SAID LAST WEEK . . .

President Roosevelt:

"Nations like individuals make mistakes. We must be big enough to acknowledge our mistakes of the past and to correct them. By the repeal of the Chinese exclusion laws we can correct a historic mistake and silence the distorted Japanese propaganda. The enactment of legislation now pending before the Congress would put Chinese immigrants on a parity with those from other countries. The Chinese quota would, therefore, be only about 100 immigrants a year. There can be no reasonable apprehension that any such number of immigrants will cause unemployment or provide competition in the search for jobs. The extensions of the privileges of citizenship to the relatively few Chinese residents in our country would operate as another meaningful display of friendship. It would be additional proof that we regard China not only as a partner in waging war but that we shall regard her as a partner in days of peace."

Frederick E. Hasler,
President of the New York State Chamber of Commerce:

"Regardless of whether they are members of the United States Senate or the head of one of the Government agencies vitally concerned in the war effort, or merely private citizens, persons who publicly attack the conduct of our allies and arouse suspicion as to the honesty of their economic motives, are playing into the hands of Hitler's strategy to 'divide and conquer.' The American people expect those whom they elect to the highest legislative office in the land to be men of calm, sober judgment who can be relied on to be certain of their facts before making statements on an issue so vital as the necessity for the closest cooperation between the United States and Great Britain. They have every right to rebuke those who betray this confidence by making sensational, unauthenticated utterances which can undermine our war effort and whose apparent objective appears to be more to disturb confidence than to serve any constructive purpose."

James Marshal, of the New York City Board of Education:

"The unrest and anxieties of the world do not arise from hunger, joblessness, economic exploitation, illness, terrorism or discrimination alone. These are contributing causes, and are not to be minimized, because they give rise to anxieties which are in turn the parents of aggression. We must not forget that people also have fears because they are different from others. . . . This fear of differences is one of the basic causes of religious discrimination, of strife, of race hatred, of international distrust. These attitudes cannot be corrected through economics or through voting machines. You can cure them only through man, by arousing in man a consciousness of his problems and the means by which he can help himself. The best large scale technique developed to affect the growth of man and the modification of his attitudes is the schools. So, again, if the problem of anxieties and fears due to religious, economic, racial and cultural differences are to be treated internationally, this requires the instrument of an international education office with powers of initiative, with powers to experiment with education and to train teachers to understand and to treat these fears and differences."

Adolf A. Berle, Assistant Secretary of State:

"Many sincere anti-Fascists have differed with the Marshal (Badoglio) during his long career. But their best thinking was summed up by Count Sforza, who promptly and forthrightly declared that so long as Badoglio was fighting the common enemy, it would be criminal for any Italian to weaken his hand; politics and constitutional questions should be adjourned to be dealt with after the liberation; all hands now must join the common front against the common enemy."

Representative James W. Fulbright, of Arkansas:

"Our whole-hearted participation in the peace and the post-war world, far from being a sacrifice of sovereignty, is an extension or increase of our sovereignty. We are not giving up anything when we make a contribution toward the prevention of war, when we acquire the means to preserve order, to control or defend our affairs."

Captain Eddie Rickenbacker:

"I have seen the rapid rate of attrition of our supplies, munitions and weapons, yet we, as a nation, have only begun to feel the price that must be paid in men and weapons for total victory. On my return from the various fronts I have always been shocked by the optimism, complacency and indifference toward our war effort and our men overseas, to say nothing of the utter contempt on the part of many who fail to realize that we are in a life and death struggle. I have been shocked by the selfishness and greed on the part of many at the expense of injury, suffering and the death of our own."

Vice President Henry A. Wallace:

"A clean-cut declaration of legislative policy must insure to the newer forms of transportation an opportunity to develop without suppression. Competition must be restored. This does not mean chaotic competition as some would have you believe. These are regulated industries and the Interstate Commerce Commission should protect the public interest in transportation in accordance with the direction of Congress. We can cry out against the existing evils in transportation, but this is futile unless we do something about it. The industry has failed to offer anything constructive and, therefore, the people must look to their duly elected representatives in Congress. Our greatest need is to recast our transportation laws to insure the utmost development of each form of transportation. Thereby present and prospective monopolistic controls will be broken; regional rate discriminations will disappear and transportation will then truly serve the public interest. In this struggle for economic freedom Congress will not fail the people. If and when Congress does its duty, the people of the West and the South will have more industry. Their children will find opportunity at home. The output of the entire nation will increase as the surplus labor of the South and West becomes more skilled in the full utilization of southern and western natural resources for the benefit of the entire nation."
