CLEVELAND, O., 28. APRILA (APRIL), 1943

VOLUME XXIX. — LETO XXIX

TRETJE KAMPANJSKO Poročilo

V tednu od 16. do 22. aprila je bilo vpisane nadaljne nove zavarovalnine v znesku \$16,500. Skupna zavarovalnina tridesetki kampanje znaša \$49,000. To je dokaz, da kampanja povoljno napreduje.

V Glasilu minulega tedna je bilo poročano, da drugi armadi preti nevarnost od strani prve armade. Tekom pretečenega tedna pa se je položaj druge armade precej poslabšal in armadi generala Zefran preti precejska nevarnost in to ne samo od strani prve armade, pač pa tudi od tretje in četrte armade. General Math Pavlakovich, ki poveljuje tretji armadi, je pričel z močno ofenzivo. Enako je storil tudi general Lekšan, ki načeljuje četrti armadi. Tudi poveljniki ostalih armad hitijo s pripravami, da udarijo po drugi armadi. Kako bo "foxy" general Zefran rešil svojo armado iz nevarnosti, v kateri se sedaj nahaja, bomo videli prihodnji teden.

Armade so sedaj razpostavljene na sledeči način: 2, 1, 3, 4, 6, 7 in 5

Kakor razvidno, je druga armada še vedno na prvem mestu. Koliko časa bo mogoče drugi armadi to pozicijo obdržati, je ovisno od strategike poveljnika. Generali, kaj mislite, katera armada bo na prvem mestu prihodnjem teden?

Silen tornado v državi Ohio

Cleveland, O., 28. aprila.—Sinoci od 8:30 do 9. ure je silen tornado, ali vihar z bliskom in gromom obiskal severozahodni del države Ohio, ki je bil eden najhujših za grozni tornadom v Lorainu pred 19 leti (28. junija, 1924). Več sto oseb je bilo ranjenih, dve pa ubiti, to sta bila dva dečka na farmi H. Poe v bližini Medina, O., 12-letni Richard Paternoster in devetletni Tony Fernbach, na katera se je zrušil hlev, kjer sta spala.

V Clevelandu je bilo ranjenih najmanj 50 oseb, ki so dobile prvo pomoč v bolnišnicah. Tornado je bil tako hud, da je prestavljaj cele hiše z njih temeljev in dvigal v zrak garaže, podiral telefonske droge in raval drevesa. Do danes še ni mogoče ugotoviti vsaj približno materialno škodo povzročeno vsled tvenemske katastrofe na poslopijih.

Prizadeto je bilo tudi mesto Akron, kjer je bilo ranjenih okrog 100 oseb in mnogo hiš poškodovanih. Najhujše je bilo razsajal blizu mesta Medina in Fremonta.

V Clevelandu (Newburgu), je bila močno prizadeta tovarna American Steel & Wire Co., 1,200 delavcev je moralno prenehati z delom; ranjenih je bilo devet oseb. Poškodovane so tudi tovarne Cleveland Pneumatic Tool Co. in Amalgamated Steel Co. Tornado je bil najhujši v okolici 91. ceste in Harvard Ave. in 131st St. ter Miles Ave. Ondi je ostala malokatera garaža na svojem mestu.

V Collinwoodu, Euclidu in na St. Clairju, kjer stanujejo naši rojaki, ni tornado prizadjal nobene škode.

RAZNO IZ JUGOSLAVIJE

Cleveland, O., 28. aprila.—Angleška časniška agentura Reuter prinaša vest madžarske brzopojne poročevalne službe, da je padel dne 23. marca v boji proti partizanom vodja "hrvaške dijaške mladine" (Pavličevska organizacija), Josip Blažek.

Ista vest zatrjuje tudi, da je

bilo mesto Imotski in njega o k o l i c a "očiščena" gerilskih skupin.

Švicarski listi poročajo, da so nemške rádio postaje naznani, da je v Srbiji mobilizirano za službo delo v Nemčiji vse moško prebivalstvo od 18 do 35 leta, a žene od 21. do 35. leta.

"France," list borbenih Francuzov, poroča v svoji rubriki "Novi red in odporn proti njeumu," vest iz Pavličeve Hrvaške, gerilsko vojno preko stare laške meje, globoko v notranjost kraškega ozemlja.

V bližini Postojne so gerilci uničili dva potniška in en tovorni vlak.

Slovenec piše dne 16. marca: "Visoki komisar Ljubljanske pokrajine je odredil konfiskacijo vsega premičnega in nepremičnega imetja, pripadajočega upornikom."

Paveličev časopis v Osjeku, "Hrvatski List," prinaša v svoji izdaji od 13. marca naslednjo vest, ki nedvomno pomeni nova proganjana pravoslavne vere na Hrvaškem:

"Hrvaška vojna oblast v Osjeku pozivlja vse osebe 'hrvaške, pravoslavne vere' (!), ki dozdaj še niso prestopili v katoliško vero ali kakšno drugo priznano veroizpoved, rojene v letih 1890 do 1921, da se takoj p r i j a v i v hrvaškemu vojnemu uradu v Osjeku. Poziv velja vsakomur, ki živi na ozemlju mesta Osjek, ne glede na to, ali je sposoben za vojaško službo ali ima domovinsko pravico v drugih občinah."

Beograjsko "Novo Vreme" prinaša v svoji izdaji od 2. marca izvlečke iz govora Nedićevega ministra pravde, Bogoljuba Kujundžića. Govornik je v Kragujevcu pozival ljudstvo, naj ostane mirno, ter grozeče opozarjal "na primer Požarevca," kjer je bilo glasom njegove izjave "ustreljenih pred krami 400 oseb, a 300 jih je bilo odvedenih na prisilno delo, neznano kam."

Ameriki preti nevarnost vsej vojni. Vsak državljan je dolžan, da po svoji zmožnosti kupi obrambne bonde in znake (Defense Bonds and Stamps).

TEDEN BRATSKIH PODPORNIH ORGANIZACIJ

Norton J. Williams, predsednik Narodnega bratskega konгрesa v Ameriki (National Fraternal Congress of America), katerega članica je že več let tudi naša K. S. K. Jednota, je izdal nedavno svojo proklamacijo, v kateri je določil teden od 3. do 8. maja kot Teden bratskih podpornih organizacij, ali teden zavarovanja pri teh organizacijah. Mr. Williams prosi in apeleira na vse take organizacije, naj bi iste prosile svoja krajevna društva, da bi se navedeni teden na primeren način obhajalo ali praznovalo.

"Vsako organizacijo in društvo prosim, da izdelava načrt, da bili njeni in njegovi agitatorji povedzli nove korake v Tednu bratskih podpornih organizacij, za pridobivanje novih članov, pri starih članih pa, da bi isti svojo zavarovalnino zvišali.

"S skupnim delovanjem bomo zainteresirali več ljudi za naše veliko in plenitno delo pri naših podpornih organizacijah. Na ta način bo mogoče pridobiti še več mož, žena in otrok za njih varno zaščito, katero nudi legalna rezerva bratskih podpornih organizacij."

Načelnik tega nameravnega tedna je Mr. John E. Little, glavni uradnik Zveze Macabevcev, 5057 Woodward Ave., Detroit, Mich. Navedene daje z veseljem navodila in bo rad kooperiral z vsemi podpornimi organizacijami, da bi se prirejalo v ta način javna zborovanja ali shode.

Naj omenimo pri tem, da spada k Narodnemu bratskemu kongresu v Ameriki nekaj nad osem milijonov članstva raznih podpornih organizacij; to je gotovo največja narodna organizacija, oziroma kongres v tej deželi!

Bratje in sestre! Pri naši Jednoti se vrši baš sedaj "V" kampanja mladinskega oddelka. Kakor nalašč! Za praznovanje določen teden od 3. do 8. maja lahko uporabite brez kakih javnih shodov na ta način, da boste skušali vpisati vse svoje drage malčke v naš mladinski oddelek, zaeno pa za to nagovorite še svoje sorodnike, sosedje in prijatelje. Naj bo prihodnji Teden bratskih podpornih organizacij tudi za našo Jednoto teden največjega uspeha! Ta apel naj ve velja osobito kampanjskim voditeljem (generalom), ki so še bolj daleč zadej.

V KUPUJTE VOJNE BONDE!

Naša nova domovina, Amerika se nahaja že drugo leto v vojni, kakoršne ni še nikdar prestajala ali doživel.

Naravno je, da vsaka, posebno moderna vojna zahteva veliko žrtvovanja, bodisi v vojaštvu, v blagu ter v denarju, stroški iste segajo kar v milijarde ali bilijone! Pri vsem tem je pa treba še vpoštovati, da naše Združene države z municipio in živežem pomagajo tudi svojim zaveznikom na podlagi posojilnega zakona.

Koliko stané samo vzdrževanje naše lastne vojne sile! Dne 14. aprila t. l. je bilo v zvezinem satu poveleno, da ima Amerika dandanes 2,100,000 svojih vojakov v inozemstvu, 4,500,000 pa doma, torej vseh skupaj 6,600,000; to število se pa od dneva do dneva množi.

Namen in cilj naše vojne je, da zavezniki zmagajo in osvobodijo vse zaslužnjene narode, med katerimi se žal nahajajo tudi naši rodni bratje in sestre onstran oceana. Saj smo že večkrat čuli, da edino upanje Slovenije je—zmagá in pomoč od strani Amerike.

Vlada Združenih držav je pred nekaj dnevi razpisala kampanjo glede drugega vojnega posojila v ogromnem znesku 13 milijard dolarjev. To bo menda zadnje vojno posojilo—posojilo zmage; zmage, na katero vse računamo in isto že težko pričakujemo. Za doseg tega načrta moramo VSI pomagati in sodelovati, prvič z delom v raznih tovarnah, na polju in domu pri družini, da živimo skromno in previdno. Na ta način nam bo mogoče kupiti še kaj več vojnih bondov in pomagati s tem našemu Stricu Samu.

Vojna zahteva še druge žrtve! Na tisoče in tisoče naših sinov, bratov in mladih očetov tudi iz vrste slovenskih Američanov se nahaja na raznih bojnih poljih širok sveta, ki se borijo pod našo zvezdnato zastavo za ohranitev svobode, demokracije in za doseg svetovnega miru. Tudi tem se lahko indirektno pomaga z nakupovanjem novih bondov, da bodo imeli zadost hranje, obleke in municije, dokler ne nastopi že težko pričakovani dan zmage.

Sobratje in sestre! Kdorkoli le zmori, naj kipi še kaj vojnih bondov, saj to ni nikar dar naši vlad, ampak samo posojilo, ki vam bo svoječasno z obrestmi vred vrnjeno! Pomislite si veliko žrtvovanje in neprestano nevarnost naših bojevnikov širok sveta. Koliko tisoč je dalo že svoje življenje in težko pričakovani dan zmage?

KUPUJMO VOJNE BONDE IN VARČEVALNE ZNAMKE!

delo.

Predsednik Roosevelt je nedavno imenoval bivšega guvernerja države New York Lehmana, za ravnatelja inozemske odpomočki in rehabilitacije. Mr. Lehman, priseljenčev sin, ima za seboj sijajno kariero v bankarstvu in vladni upravi. Njegovo znano človekoljubje, praktičnost in izkušenost ga sijajno vspodbujajo za tako nalogo in ljudje vseh strank so navdušeno pozdravili in imenovali.

Mr. Lehman je tozadnevno rekel tako:

"Naša svrha je pomagati osvobojenim narodom, da si sami pomorejo... Seveda prva naloga bo začeti osvobojeno prebivalstvo z najnujnejšimi potrebsčinami — z živežem, da se ustavi stradanje, s stanovanji za silo, da ne bodo več izpostavljeni vremenom, z oblekami, da se namesti, kar so osiščene vojske pokradle, z zdravstvenimi mermi, da se prepričajo kuge..."

"Ko bodo osvobojena prebivalstva osvobojena od strahu stradanja... ko bo trgovina zopet začela delovati, bodo ona v stanu napraviti svoje lastne načrte za popravljanje in rekonstrukcijo..."

"Mi verujemo, da je potrebno v interesu zopetne ustanovitve stalne sigurne ekonomije, da se narodom sveta pomorce postaviti se zopet na samo-ohranevanje bazu. Le tako more biti svet organiziran na stabilni podlagi, kjer se četvorica svobodnih vremenskih sirovina in agresija morebiti za vedno odpravljena s sveta."

"S tem, da bomo pomagali drugim narodom, da se zopet spravijo na noge, jim bomo pomagali, da producirajo one stvari, ki mi jih potrebujemo, in istočasno si ustvarimo mogoče odjemalce za stvari, ki jih mi produciram. Tako pomagajočim bomo pomagali samim sebi."

Tudi predsednik Roosevelt je nedavno obljubil pomoč ljudem, ki trpijo v osiščih deželah, čim vojna konča. Namen te izjave je bil izpodkopavati tla njihovim tiranskim voditeljem, Hitlerju in Mussolini.

Nova agencija za inozemske pomoči in rehabilitacijo bo funkcionala pod državnim tajnikom Hull-om. Bo pri tudi sodelovala z vojsko, mornarico in z department in zakladnicu in poletjelstvo, War Production Board-om, z Board of Economic Warfare in drugimi agencijami, ki jih je vojna napravila potrebne. Do sedaj predsednikov načrta je, da Mr. Lehman najde, kaj vsaka dežela potrebuje, od krije razpoložljive zaloge in prouči, kako naj se postopa.

Ceni se, da ta čas je v skladničih Združenih Držav in Kanado na razpolago prebekte pčenice za en bilijon bušljiev, kar je zadost, da se prehrani vsa Evropa za leto dni. V Kubi so velike zaloge sladkorja, kave v Brazilu in Kolombiji in koruze v Argentini. Za te zaloge, kakor tudi za rezervne zaloge bombaža v tej deželi je problem za enkrat le, kar se tiče prevoza. Za povojno pomoč bo seveda treba znatno povisiti produkcijo mnogih drugih potrebsčin. Nova industrija dehidracije (osuševanja) bo igrala veliko vlogo v tem pogledu. Mnogo lažje je seveda prevažati osušeni živež mestu svežega ali konserviranega.

Edward B. Hitchcock, načelnik Foreign Origin Section Federalne zakladnice, rekel je, da vlagajo veliko vlogo v tem pogledu. Mnogo lažje je seveda prevažati osušeni živež mestu svežega ali konserviranega.

Odbor Združenih Narodov za preiskovanje bodočih potreb zasedenih dežel je že v obstoju in vlade v pregnanstu so že predložile liste živežnih potrebsčin, zdravniških zalog in surovin za prvič osmennajst mesecov po vojni. Podobnori proučujejo probleme transportacije v notranjosti Evrope. Isto bo veljalo tudi za Kitajsko, Burmo, Malajo in Nizozemske Indije.

stvo same Evrope je približno za deset odstotkov večje kot temu zadnje svetovne vojne. K temu treba dodati ogromnost Kitajske in mnogo pokrajini, ki se jih pravi dolgo trpečega prebivalstva je na svetovna vojna ni dotaknila. Problem orjaškega obsega, ki se vsi merodajni krogci so mnenja, ima izvršiti po vojni. Prebival-

"Naša svrha je pomagati osvobojenim narodom, da si sami pomorejo...

Seveda prva naloga bo začeti osvobojeno prebivalstvo z najnujnejšimi potrebsčinami — z živežem, da se ustavi stradanje, s stanovanji za silo, da ne bodo več izpostavljeni vremenom, z oblekami, da se namesti,

Vsa pisma in denarne zadave, tikajoče se Jednote, naj se pošljajo na glavnega tajnika JOSIPA ZALARJA, 351 N. Chicago St., Joliet, Ill.; dopise, društvene vesti, razna naznanila, oglase in naročnine pa na GLASILLO K. S. K. JEDNOTE, 6117 St. Clair Ave., Cleveland, Ohio.

IZ GLAVNEGA URADA K. S. K. JEDNOTE

Pri društvenem poslovanju igrata točnost in pravilnost zelo važno vlogo. Če je društveni tajnik točen in v poslovanju natančen in pravilen, se vrši delo med društvom in glavnim uradom neovirano in hitro. Kjer pa ni točnosti in pravilnosti, je pa poslovanje neprjetno in počasno.

Ko društveniki tajnika izvolijo, ni izvoljen samo zaradi časti, ki je z uradom spojena, pač pa je izvoljen zato, da v imenu članstva opravlja tajniške posle, kot jih pravila določujejo. Članstvo pričakuje, da bo tajnik vršil društvene posle točno, natančno in pravilno. Če pa hoče tajnik društvene posle točno in pravilno vršiti, je neobhodno potrebno, da pozna pravila in da ve, kaj so dolžnosti njegovega urada. Vsak tajnik, ko preuzeže odgovornost svojega urada, bi se moral v prvi vrsti seznaniti z društvenimi in Jednotinimi pravili.

Priznati moram, da je lepo število tajnikov in tajnic krajinskih društev naše Jednote, ki so v poslovanju točni in pravilni, za kar jim gre čast in priznanje. Da so ti tajniki in tajnice v poslovanju točni, natančni in pravilni, je vzrok v tem, ker poznajo pravila. Imamo pa še nekaj takih društvenih tajnikov in tajnic, ki se dosedaj s pravili že niso seznanili, to pa seveda ovira točno poslovanje.

Zato je zelo priporočljivo, da se tajniki in tajnice docela seznanijo z Jednotinimi pravili člen 17, 19, 19-A, 20, 21, 22, 23, 24, 29 in 30. Ravnato je priporočljivo, da se tajniki in tajnice docela pouče o pravilih "Mladinskega oddelka," člen 35. Tajniki in tajnice centralnih bolniških društev naj pa tudi zelo pazno prečitajo pravila tikajoče se centralnega bolniškega oddelka.

Važno in potrebno za tajnike in tajnice je tudi, da vpoštujajo uradna naznanila, ki so priobčena v Glasilu, ali ki so od časa do časa društvetom iz glavnega urada poslana.

Ako se boemo tega držali in po tem navodilu ravnali, bomo lahko rekli, da spolnjujemo uradniške dolžnosti in poslovanje se bo vršilo pravilno, nemoteno in hitro. Storimo to!

JOSIP ZALAR, glavni tajnik.

PETER PAVEL GLAVAR

LANŠPREŠKI GOSPOD

ZGODOVINSKA POVEST
Spiral dr. Ivan Prugelj

V zadnjih letih svojega življenja je doživel nepričakovano presenečenje.

Nekoga jesenskega večera ob novini je prihrumel že pozno debel in glasen človek v njegovo sobo, ne da bi bil potrkal. Peter Pavel Glavar je planil od mize, kjer je urejal svoj rokopis o "čebelnih rojih" in zastrelil jezno v prisileca. Ta se je

ZAPISNIK

Odborova seja SANS-a

(Nadaljevanje z strani) priprave za zgradbo organizacije in v kratkem dobe naša društva in ustanove vabila in navodila za snovanje krajevnih organizacij, brez katerih ni mogoče pričakovati uspeha. Izvrševalni odbor apelira tudi tem potom na vse, kateri je rešitev in boljša bodočnost naroda pri srcu, da se odzovejo temu vabilu — nekatere so to že storile in dale hvale vreden zgled — in pomagajo zgraditi organizacijo, ki bo dovolj močna, odbiti napade vseh sovražnikov slovenskega naroda in svobode.

Mišljeno je, da ta izjava ni danes toliko važna kot je bila včeraj. Ce pa je dosežen sporazum med jugoslovansko vlado in sovjetsko Rusijo in Mihajlović proglašen samo za voditelja vojne, tedaj bo veliko doseženo. Nadalje domovini, o potežkočah in problemih, ki so valed tega nastali. Možnost je, da se je nesporazum zanesel med ljudi na umeten način, da se jih zbega in razvojni, nato pa izkoristi po izreku "Divide et impera." Zatem prečita izjavo "SANS in odpor v stari domovini":

Izvrševalni odbor SANSA globoko obžaluje razne poizkuse, da bi se razvneli skrajno nevarni spori zaradi oblik odpora v stari domovini, ker se s tem postavlja vsa bodočnost slovenskega naroda na kocko.

Ce so med posameznimi bojni skupinami v Sloveniji nasprotja, je to pač obžalovanja vredno, toda naša naloga ni, da bi se postavljali za sodnike, se gel. Neskončno hrepnenje po manj pa, da bi prilivali olja ognju s hujšanjem zoper skupino, do katere ima kdo manj simpatij kot do kakšne druge, z razdražljivimi poročili, o katerih nihče natančno ne ve, koliko imajo stvarne podlage in koliko jih je diktirala mržnja in z drugimi načini razdora.

V celi Jugoslaviji je nedvomno konfuzija in blago bi prečudno, ce se ne bi dotaknila tudi Slovenije. Toda že nekaj časa odmevajo glasovi tako kot da je to zopet "balkanska specijalista," medtem ko je v resnicu ves svet v zmedu in so tisti, ki bi bili najbolj poklicani, doslej prav malo storili, da bi dali zbeganim, a hrepenečim ljudstvom jasnosti.

Iz Slovenije, iz Jugoslavije, z Balkanom sploh prihajajo poročila ena sveta, druga mračna, treta skrajno porazna in obupna. Kdo naj v daljavi presodi, katera so resnična, katera na pol resnična in katera povsem zlagana, kajti v položaju, kakršen je sedaj v domovini se ljudje pogostoma zlažejo, trdno prepricani, da govore samo sveto resnico. Odmev na to pa je često tak kot da bi bilo najbolje, če bi prenehali vsak odpor proti sovražniku.

(Konec prihodnjic)

spod Peter Pavel, senjski Odi-

nelj, ali me še posnete?"

"Ana Marija, moja Navalka-

ja!" je zakljal župnik in stegnil roke po svoje mladosti kraljici, ki je plavala vse više nadenj in vabila za seboj ...

Tedaj se je župnik zbudil in odpril oči. Težko, kakor kamen mu je ležalo v prsih. Vstal je, da bi zadidel iz polnih pljuč, a se je sesedel na klop in zastonal: "Jezus, moj Bog!"

"Ali sem gobav?" se je zasmehal debeli general.

"Debel si ko prasič, general Jernej Basaj, baron spada del prete," se je tedaj zasmehal župnik in gospod lanšpreški.

Pozna počitna ura je ločila prijatelja in brata po materialnem mleku. Tri dni sta pripovedovala drug drugemu svoje doživljaje in Jernejevi niso bili mikavnejši od Petrovih.

"No," je menil Peter Pavel Glavar, "to si torej doživel. General si v Karlovcu, sitno ženo imaš in sina vojaka. Saj ti ne zavidam."

"Ampak jaz sem hud nate. Sestro Manico si mi prevzel."

"Sama je tako hotela," je vedro odvrnil Peter.

"Zenske!" je menil pikro Jernej.

Po enem letu je Jernej ponovil svoj obisk. Zdaj je bil prišel s sinom. Kakor prvič ga je sprejel Glavar. Jernej je bil veder in je pil veselo. Najboljše volje so si vožčili prijatelji lahko noč. Komaj pa je bil župnik legel, ga je prišel klicat Jernejev sin. Oču je bilo prišlo slabo. Zadela ga je bila kap. Polbrat župnik ga je še za silo previdel. Zjutraj je bil general mrtev ... Lanšpreški gospod ga je dal pokopati v svoji grobnici pri svetem Martinu.

Med Komendo, Marijo na Smarni gori in pozabljeni kapelico Matere Snežnice na Svetem Joštu leži ravan, bogata, lepa. Tam so setve med črnnimi jasami pašnikov in gozdov. Tam so sela, živa vedrih delav-

MIDWEST BOWLING MEET IS ON NEXT WEEK

FOUR DAYS SET ASIDE TO PROVIDE FOR MIDWEST PINSTERS, BOOSTERS

Chicago, Ill.—The big event of the year, the annual Midwest KSKJ Bowling tournament is close at hand, and before the ink dries on the next issue of the Glasilo, the tourney will be in full swing.

The annual get-together, the 16th meet, this year is billed for May 6, 7, 8, 9, according to the Chicago Committee on Arrangements. The pin-fest which will recall memories of the first tournament held here, will be held in the Southwest Recreation, 1659 Blue Island Ave., and Bill Arbanas, genial proprietor and member of the Chi Steves, will be on hand to welcome all.

JOHN "MAC" TERSELICH
"Mac," a supreme officer and big sports booster scored again, for he did the heavy work in signing up 40 Chicago teams for the Midwest bowling meet.

The usual formality of rolling the first ball by noted K. S. K. J. and local officials is billed for 7 p. m., Thursday, May 6.

The Chicago committee asks all KSKJ members to drop and sister Kay Jays.

PATRIOTIC BILL, DRAMATIC FARE AWAITS FIRST CURTAIN IN JOLIET

Joliet, Ill.—May 2, 1943, is the day when the Patriotic Program of the Blessed Virgin Mary Sodality will be presented in St. Joseph's Parish Hall. There will be a matinee in the afternoon at 2:30 and the evening program starts at 8. As had been previously announced, there will be two parts to the program—a Patriotic play "Cockroaches in the Basement" by Z. Hartman, and an arousing war time Minstrel, "Laugh, Soldier, Laugh."

The play brings home the fact that unawares we may be playing into the hands of the enemy. All those opposing the war effort are our enemies and some of them are definitely agents of the axis. The play reveals such an axis agent, who is just an ordinary boarder in the home of Mrs. Riddell. Her daughter, Gail, is not as easily duped as the mother. After her suspicions are aroused, she contacts Miss Vrooman, of the Government Secret Service. The Nazi spy is eventually captured and her schemes to obtain information, especially from Gail's unsuspecting friend Irene, is halted. Gail's mother's eyes are opened and she, too, joins wholeheartedly in doing her part for the war.

The Minstrel includes the

OFFICIAL NOTICE

The State of Colorado was the only State whose laws prohibited fraternal organizations to enroll children under one year of age.

The laws of the State of Colorado were recently amended and now permit the fraternal organizations to enroll children immediately after birth. The law also specifies that no medical examination for children prior to admittance is needed.

The membership of Colorado is reminded to take note of the new ruling. Officials of societies should welcome this change, inasmuch as it should enlarge their field of prospects in the current membership campaign.

Members of the KSKJ are reminded that children may be admitted into the KSKJ immediately after birth without medical examination.

A MESSAGE FROM OWEN D. YOUNG

From the desk of
OWEN D. YOUNG

We do not produce goods in large volume by individual action. We do it by individual organization. So let us organize War Bond purchases under the Pay Roll Savings Plan.

For the worker it makes the saving of 10% of earnings easy.

For the Government it creates a conveyor belt to assemble funds and guns. After 10 years the belt will bring \$4 for every \$3 put on.

So we can daily win the war and daily save for the time after the war.

Owen D. Young,

Owen D. Young, noted industrialist, affirms in the above statement his belief in united support for the War Bond program.

BROOKLYN JOSEPHS PLAN AMATEUR HOUR, SOCIAL DANCE SUNDAY

Brooklyn, N. Y.—All members and friends are invited to attend the Annual Dance and Amateur Hour, which will be given by St. Joseph's Society, No. 57, of Brooklyn, Sunday, May 2, in the American Slovenian Auditorium, 253 Irving Ave., Brooklyn, N. Y. Music will be supplied by brother member Jerry Koprivsek. The affair will start promptly at 6 p. m.

The entertainment committee promises to have a very enjoyable program and all you have to do is to be present, and I am sure that you will have a real good time. An additional attraction, Jerry Koprivsek, promises that he will try to have the well-known St. Bridg's Singing Society appear on the stage at this time.

All our members are reminded not to forget the regular monthly meeting on Saturday, May 1 and then the Dance on Sunday, May 2.

Word was received that our member, Pvt. Joseph Zagar, expects to be home on furlough in time to attend our meeting and Annual Dance. Here's luck, Joe, that we will be able to be together at the meeting

and the affair.

At our last meeting on April 3, brother members Joseph Zupancic and John Zagar, celebrated their birthday; Joe furnished the barrel of beer that was promised in Our Page, and John took care of the hard stuff. All in all, we certainly did have a wonderful time and wished our brothers many happy returns.

Brother Koprivsek just made three more Slovenian records, which will be heard for the first time over radio station WBNX Saturday, May 1, between 10:45 and 11 p. m. In addition Jerry will have some more important news, so tune in on WBNX, 1380 kilocycles, and from what we learned, you will be able to purchase these records within a few weeks.

MORTICIAN

Mrs. Marie Henninger

Pittsburgh, Pa.—Mrs. Marie Henninger member of Mother of Seven Sorrows Society, No. 81, a graduate mortician, received her Pennsylvania State Board of Undertakers License Feb. 1. She attended the School of Embalming, Inc., a Grade A school, and holds a Conference Certificate. She has the right, therefore, to practice embalming and plastic surgery, cosmetics, hair dressing, and funeral directing.

Mrs. Henninger is the only woman mortician in Pittsburgh who is a member of the KSKJ, at least she is the only one in Pittsburgh to have completed these studies.

Mr. Albert Henninger, husband of Mrs. Henninger, is a well-known mortician in Lawrenceville, and has a modern and beautiful funeral home in Pittsburgh. Together with his wife now being able to assist him, we know that he will continue in his good practice and we wish them both much success, and to Mrs. Henninger, our sincere congratulations!

Bowling Tournament are urged to attend an important meeting to be held May 1, in the church basement. Important information will be revealed and plans will be made at this special confab, so all bowlers and bowlerets are urged to attend.

This meeting will close a successful season of bowling. No doubt, the same co-operation as has been extended by the bowlers during the season will also be displayed at this confab. A 100 per cent attendance is expected!

KAY JAY SPIRIT HIGH AS CHICAGO IS READY TO GREET 80 TEAMS

Chicago, Ill.—KSKJ spirit goes largely to the big booster of KSKJ activities, John "Mac" Terselich, the go-getter when it's for getting things done! Nice work, John!

All bowling is to be at the Southwest Recreation, 1659 Blue Island Ave. The same alleys used for the 1941 tournament! The 1943 tournament will get under way with its schedule Thursday evening, May 6th and continue on thru the 7th and 8th, and close on Sunday the 9th. Every endeavor is being made to get away from early morning and late in the evening schedule. The Chicago teams are rolling off on the Thursday and Friday squads, thus leaving the entire week-end bowling to the out-of-towners.

The social "hi-lite" of the meet will be the tourney dance in St. Stephen's Hall, Cermak Road at Wolcott Avenue, on Saturday evening, May 8th. A little push is necessary! Credit for the Chicago filings together!

BLATNIK TAVERNS PRESS HARD TO HOLD LEAD IN PUEBLO WHEEL

Pueblo, Colo.—The Blatnik Taverns had their hands full in winning two games from the lead over the second-place Culigmen. Rumor has it that all guns are pointed at Captain Matty Novak and his mates, and an attempt will be made by our hard hitting coach "Big" Nick Mihaleo to shipwreck his crew and anchor them to the bottom rating. Take care of that, Coach "Timber."

No games are scheduled for Easter Sunday and what a nice break for Matty and "His Gang." They tell me that the boys need this well-earned rest for the Culig-Blatnik battle Sunday, May 2. The ensuing matches should be interesting, so says Stanley Culig.

The powerful Culig Grocers continued their winning habit by getting Germ's Liquors in two out of three tries. Captain Frank Zupancic had games of 209, 213, and 194, for the losers to no avail, while Frank "Cracker" Krasovec's 579 and Logie "Timber" Kastelic's 565 played a vital part in the Culig wins.

The Blatnik Tavernmen at this writing enjoy a two-game

JOLIET MEN'S LEAGUE LEAD IN BALANCE; "OLD 679" BLUTH IS ON

Joliet, Ill.—With the bowling season rushing on to a fast and furious finish with the continued heavy assault on the maples by the Joliet KSKJ Men's Bowling League bowlers, it is impossible to predict who will finish on top, either the Eagle store team or the powerhouse White Front Liquors.

With only two more bowling sessions left so that the finish comes on the Thursday before the Midwest KSKJ bowling meet, the boys are really polishing up on their strike and spare balls so that they will make a creditable showing in Chicago and try again to bring home some championships.

"Old 679" Bluth is still mauling the pins around, for he came up with another good series, totaling 610 pins, on games of 170, 218, and 222, and if he keeps up that hot streak in Chicago, he will be

Avsec Printers Take Two From Tezak Florists

The Avsec Printers flashing the bowling form of early season, came up with games of 778, 897, and 912 to win two games from the Tezak Florists, who had games of 889, 772, and 759. John Kren's 210 game was mainly responsible for the Tezak win in the first game. Rudy Ramuta's and Ed Carpenter's fine finish won the second game for the Avsecs while Bill Speckman's strong finish helped in the third game. Rudy Ramuta's 535 and Ed Carpenter's 538 series topped the Avsec scores, and John Kren's 526 series topped the Tezak scores.

AN ENGLISH VOICE ON THE MARTYRDOM OF THE SLOVENE

The "Contemporary Review," one of England's most distinguished periodicals, published Feb. 1943 (No. 926) an article describing the sufferings of Slovenia—the Northern section of Yugoslavia—which was divided by the Axis invaders into three parts and annexed by Germany, Italy, Hungary.

(Continuation)

At long last the course of the Slovenes seemed set fair. Unfortunately they had still to reckon with the peculiar reasonings and unwise promises of peace-treaty makers. The "Julian March" and other districts, together with nearly half a million Slovenes, were taken over by Italy. The provinces of Carinthia and Northern Styria, with about 114,000 Slovenes, were given back to Austria. Hungary was allowed to retain land on which approximately 6,000 were living. Thus well over more than half a million Slovenes—nearly a third of the whole nation—saw their hopes of independence perish, and felt once more the bonds of servitude. This particularly applied to those thrust under Italian rule. These unhappy folk, from as early back as 1919, have been subjected to a brutal and complete system of Italianization which forbade the Slovene language in any degree or form whatsoever. No mother dared let her child speak its native tongue in public, no printed word of Slovene was ever seen, and even the tombstones had to have the family names Italianized. Some slight lessening of their burden took place after the deceptive Pact of Friendship between Italy and Yugoslavia was signed in 1938, but it is not with these Slovenes that our article is chiefly concerned. Sad though the years since 1919 have been for them, their suffering is as nothing to that now borne by the remainder of their race, who for 24 years, had tasted the sweets of freedom.

Even before the Napoleonic era the Slovene Renaissance was past its adolescent stage, and from then on, despite foreign suppression, their cultural aspirations and achievements never diminished. With independence, and the establishment of their own universities, aided by the expansion of their school institutions—already in an advanced state—the rapidly growing Slovene intelligentsia became a recognized feature of contemporary Europe. Illiteracy in Slovenia, for instance, was only 0.3 per cent, as compared with 25 per cent in Italy. The number of books published per capita was far in excess of those published in either Italy or Germany, the former particularly. The peasants are hard working and honest. The townsfolk have long had western standards of living. One and all are passionately devoted to the lovely land which has been their home for thirteen centuries. Practically all are devout Roman Catholics. In the latter two facts it is possible to discern the hate motive which is behind the German share of joint criminality.

With no space for a fuller, more appreciative characterization of the Slovenes, sufficient has been outlined to indicate that they are one of the most intelligent and cultured minorities in Europe, that they are the least belligerent, and that they have an undeniably historic right to the land on which they live. "Lived," perhaps, would be a more tragically apposite word, for here, briefly, are the N.Y.

facts concerning them as they are today. The first section deals with data known to be absolutely true. The second is comprised of reports compiled by the International Red Cross, and consequently have an almost unquestionable basis of reliability. The third covers details gathered from individual reportings, witnesses, etc., but which have not yet been authenticated.

In German occupied Slovenia (1941 annexation): population, 1,012,000 Slovenes.

FRATERNAL LIFE INSURANCE WEEK

There is more than life insurance in fraternal operation. While life insurance is the foundation of security of the home and family, there are other things just as important. For fraternal benefit societies are a movement of the people, an institution expressing the freedom and dignity of a liberty-loving people.

Fraternal Life Insurance Week will be May 3rd to 8th. There will be meetings all over the land. Most of these will be community meetings, gatherings of people from the same section. The music, the pageantry and the speeches will express fraternity and patriotism. They also will emphasize liberty, co-operative endeavor, self-government thru representative forms aid to each other and the unfortunate.

Since Pearl Harbor the fraternal benefit societies have demonstrated that they are completely loyal. Their patriotism has led them to promote every kind of civilian war effort. Their financial support of the war has been tremendous. Their official publications have had a major part in maintaining home morale.

The chief role of the societies during this war, however, is maintaining the home front. The efficiency of the boys who go out from fraternal homes will depend on what they hear from home. Are the homes protected? Are the families guaranteed from distress? Is the social life of those at home satisfactory? Bad news from home would destroy a fighter's morale. Good and pleasant news would make him a better fighter.

Field representatives are urged to participate in Fraternal Life Insurance Week by engaging in campaigns to write more life insurance. That is proper. Let them do it with the background of thought that they are promoting home morale and, at the same time, the efficiency of the boys at the four corners of the earth. — The Fraternal Age.

PITT LODGE SETS MOTHER'S DAY AS TIME FOR CORPORATE COMMUNION

Pittsburgh, Pa.—At the regular monthly meeting in April, members of Mother of Seven Sorrows Society, No. 81, decided that we would receive Holy Communion in a body on Mothers Day, May 9, at the 8 o'clock Mass in St. Mary's Assumption Church.

The Mass will be offered for the living and deceased mothers of our society, and we hope that the members will attend in as large a number as possible. We were very proud of the large number who received Holy Communion with the society for Easter. Mrs. Necimer from North Side and Mrs. Pragnar from Arnold, Pa., deserve mention, because it was necessary for them to travel quite a distance to receive Holy Communion in a body with their society members, but they did so without any hesitation. We hope that quite a few of the members who live outside of the city proper will make an effort to attend the Mother's Day Mass with the society members.

At this meeting Mrs. Constance Decman resigned as vice president, and Mrs. Anna Becki of North Side, Pittsburgh, was

PEERLESS PRINTS "SCOOP" JOLET LEAGUE, WIN CHAMPIONSHIP HONORS

Joliet, Ill.—Although the Peerless Printers lost twice to the Schlitz Beers last Thursday they ended up the season by leading the league with 48 wins and 36 losses. The runners-up were the second place Verbsicer Press with 47 wins, and the third place is occupied by Schlitz Beers with 46 wins.

The Tezak Florists defeated the Joliet Engineers twice, thus giving the Tezak possession of fourth place.

The Engineers ended up in sixth place. Ann Papesh led the winners with a 464 series. Betty Martinech was right behind her with a 451. Dot Zlogar's bowling increased 8 points in her average over last year. She finished the season with a 141 average. Jean Tezak's "wander" ball has lost some of its magic here of late. Barb Buchar was tops for the losers with a 408 series. Chris Azman with her nice hook ball ended the season with a 127 average. Joan Sealey had tough luck all season.

The Joliet Office Supplies took three games from the Hickory Markets to hold seventh place position and give the Hickory Markets possession of last place. Mayme Umek paced the winners with a 488 series. Dorothy Dolinshek hit a couple of nice games to mark up a 434 series. Donna Wilhelmi's bowling wasn't up to par last Thursday. The breaks were all against her. Marion Steed had a tough time trying to get the pins to fall for her. Terese Juricic was down on her scoring again, but she led the losers with a 341 series. Kate Przybylski was in the "doghouse" all night. Isabelle Grgorich's usual smooth rolling ball was off range and just would not pile up any wood.

The Schlitz Beers put on the steam in the first two games to defeat the Peerless Printers two games. Florence Benedict took high honors for the winners by marking up a 461 series and hitting high game of the night with a 187 in her second game. After two good games Mary Salesnik dropped considerably in her final game to total her up for a 450 series. Mary Culik the southpaw, finished the season with a 134 average. Billie Tezak has been consistent in hitting her aver-

age each week. Agnes Govednik, the usual high bowler for the Peerless, clipped off a 467 series. Jule Camp increased in her average six points from last year. She finished the season with a 131. Marge Dolinshek's hook ball did a lot of good for her average this year. Lillian Grayhack was consistent last Thursday but didn't pile up very much wood.

The Verbsicer Press smeared the Allen's Orange Crush two games to hold second place and drop the Allen's to fifth. After two very nice games Gen Laurich dropped in her final game to score a 423 series, which was high for the winners. Mayme Kren climbed nicely in her average this year to finish with a 129. Bernadine Mutz's absence in the first game gave her the jinx to mark up only a 395 series. Mae Mutz finished seventh in individual averages with a 145. Dot Gallagher who has been improving in her bowling the last few weeks hit high for the losers with a 420 series. Vida Zalar's usual "500" series slipped to only a 415 last Thursday. Ann Vertin and Janet O'Connor did not have very much luck this season.

SPARES: Barb Buchar 5-10; Chris Azman picked up the baby split three times.

HIGH GAMES: Jule Camp 164, Agnes Govednik 171, Florence Benedict 187, Mary Salesnik 165, Gen Laurich 160, Ann Papesh 182, Mayme Umek 178, 183.

The team high three series was won by the Verbsicer Press with an 1850; team high single series was won by the Tezak Florists with a 654. The individual high game was hit by Betty Martinech with a 236, and the individual high three game series was scored by Vida Zalar with a 588. Jo Stephen finished in first place in individual averages with a 157.6. Agnes Govednik came in second with 155.27 and Mary Salesnik was third with 154.59.

Thursday, April 29, is the Sweepstakes which will be run on a handicap basis and the following Thursday, May 6, is our bowling dinner party at the Louis Joliet Hotel at 6:45 p.m. So long for now, until next season.

DEAR DIARY

Dear Diary:

So sorry that I didn't write you sooner, but "Little Sammy" was very busy. So if you will forgive me this one time, why we will settle back and talk about the coming KSKJ bowling tourney which will be held in Chicago. The latest reports tell me that the tournament will be well attended.

On April 19, Lawrence Gasper, a member of our juvenile department, died suddenly after a brief illness. He was the son of Stephen and Elizabeth (Balkovec) Gasper. Our sincerest sympathy to the parents and family.

URGE ALL TO BUY BONDS, AID HUMANITARIAN PROJECTS

At the Slovenian National Congress in Cleveland last December the American Slovenes beautiful Slovenia. For two years it is being exploited, plunders and destroyed. Poor in an effort to unite all parts of people are tortured, persecuted and annihilated. The peace-loving nation is bleeding to death, yet resisting the enemy, sabotaging its war efforts and hoping that some day help will arrive. . . . Their eyes are turned westward—toward America.

Americans of Slovene descent should be particularly grateful that in this global crisis they enjoy the protection of the Star Spangled Banner. What a trial our brothers across the Atlantic have to endure!

We can show our appreciation best by investing in the U.S. war bonds and thus enable Uncle Sam to arm himself to his teeth and with the help of our Allies deal the enemy the final death blow. Nazis and Fascist, arch-enemies of all democratic countries, are the enemies of the Slovenian nation. When we buy war bonds, we not only aid our own country and its allies, but also tender our help towards the liberation of Slovenia. We should buy all the war bonds we can afford.

White Front Liquors Put Out Slovenic Coals Fire

The Slovenic Coals were stopped cold by the White Front Liquors superb bowling and consequently dropped all three games. The White Fronts picked up games of 849, 894, and 920 to the Slovenics' scores of 840, 841, and 850. The Slovenics were handicapped by the absence of their two star bowlers, Al Juricic and John Mutz, who had to work. John Bluth's 610 and John Azman's 535 series topped the White Front scores while Tony Buchar's 520 series was tops for the Slovenics. This triple win helped the White Fronts to draw up to the first place tie with the Eagle team.

ELICH GROCERS HOLD TIGHT TO PUEBLO LEAD

Pueblo, Colo.—The Elich Grocers have proven themselves to be the undisputed leaders in the Ladies' League by virtue of a clean sweep over the Culig Tavern maids. Holding up the fort for the losers was Frances Krall (one of Coach Mihalco's pupils), as Ann Kocman of the Grocers captained her team in true fashion.

On alleys 7 and 8 Anzick's Restaurant and the Gorsich Grocers were battling it out with the former team winning all three by the tremendous margin of 200 pins. Rose Stupnik of Anzick's came through with the highest series of the contest.

As the season comes to a close we find the standings to read as follows: Elich Grocers on top, and in order: Anzicks, Culigs, and Gorsich's. Our next games will be bowled on Sunday after Easter, so until then this is Station K-A-Y signing off.
