De Gaulle v Nemčiji

Novi grobovi

Alex Szabo

Predsednik francoske republike je prišel danes v Bonn na 30-urni obisk in razgovore z vodniki Zahodne Nemčije v okviru pogodbe o sodelovanju.

BONN, Z. Nem. — Kancler dr. L. Erhard se je komaj dobro spočil od svoje poti v Združene države, ko je danes sprejel v goste predsednika Francije De Gaulle in njegovo spremstvo, da se z njim v okviru pogodbe o sodelovanju med Francijo in Nemčijo pomenita o vseh vprašanjih, ki zadevajo obe državi. V okviru pogodbe so taki se stanki predvideni vsakih 6 mesecov. V preteklem januarju je bil Erhard v Parizu, sedaj je prišel De Gaulle v Bonn.

Kljub tem medsebojnem obiskom odnos med Francijo in Nemčijo niso tako tesni, kot so bili pod kanclerjem Adenauerjem. De Gaulle je videl v Adenauerju državnika in politika velega formata, v Erhardu glede bolj poslovnega človeka, kakršnih ni nikdar posebno spozval. Ta osebni odnos ne bi prihajal toliko do izraza, ko bi bila De Gaulle in Erhard na istih stališčih v pogledu mednarodne politike, NATO in želje po združenju Nemčije. De Gaulle zahteva v vseh teh vprašanjih od Nemcev njihovo mnenje, hodi pa svoja lastna pota.

De Gaulle je v pogledu obrambe napada od vzhoda še vedno na stališču, da je treba odgovoriti nanj takoj z vso razpoložljivo silo, vključno atomsko, med tem ko je Zahodna Nemčija bliža stališču Združenih držav, da se je takemu napadu najprej upreti z našnim orožjem in s tem dati napadalcu le še možnost preudarka in umika, predno bi bil ves svet pognan v strahote atomske vojne. De Gaulle ni za NATO v sedanjih oblikah, med tem ko ga Nemčija trdno podpira. Francoz bi rad potisnil Združene države iz Evrope, Nemec jih hoče imeti tam zaradi svoje varnosti in je pripravljen v ta namen sprejeti tudi kako žrtve.

Dr. L. Erhard je koncem preteklega tedna, ko je bil v Washingtonu, dobil od Johnsona vsa zadevna zagotovila in tudi obljubo, da bodo Združene države poskušale pridobiti ostale štiri velike sile, ki so odgovorne za združitev Nemčije, za razgovore o tem vprašanju. Vse izgleda, da je Zahodna Nemčija v sedanjem trenutku mednarodne politike bližje Združenim državam kot Franciji, čeprav je zadnjo neposredno soseda in povezana s pogodbo ozrega sodelovanja.

Rusi bodo pomagali obnavljati Sev. Vietnam

MOSKVA, ZSSR. — Od preteklega petka se pogaja posebna vladna delegacija Severnega Vietnama z vlogo Sovjetske zvezde z pomoči, ki bi jo Sovjetska zveza bila voljna nuditi pri obnovi Severnega Vietnama. Ta bi rad popravil škodo, ki so jo povzročili in jo še povzročajo naši ameriških letal v južno-vietnamskih letal na njegove vojaške in vojaško važne postojanke.

Prihodnjo nedeljo odleti Tito iz Berlinja kar naravnost v Moskvo.

Novi kitajski begunski val v Hong Kong in Macao

HONG KONG. — Ko je leta 1962 prebegnilo v Hong Kong v enem samem mesecu 80,000 ljudi, med tem ko so jih oblasti 60,000 zavrnile, je postal številu begunciv iz rdeče Kitajske sem in v portugalski Macao sorazmerno neznatno. V Hong Kong jih naj bi prihajalo kvečjeno do 100 na mesec. Sedaj je nenadno prišlo do novega begunskega vala, o katerem pa sodijo, da ne bo dosegel obsegata o nega iz leta 1962.

V aprilu in maju je val begunec v Hong Kong nenadno postal na okoli tisoč ali morda celo več, ker je prihajanje beguncev težko nadzirati. V Macao je pribelalo v aprilu preko 300 ljudi iz rdeče Kitajske, v maju pa preko 400.

Večinoma prihajajo mladi ljudje, ki nočejo v vojsko, delno pa tudi taki, ki ne morejo prenesti novega poglobljenega prisiska k "socialistični vzgoji", kot imenujejo Kitajci komunistično propagando. Nekateri od beguncev se pritožujejo, da so moralni ves svoj dela prosti čas vežbati z orožjem v okviru milice.

Leta 1962 so ljudje bežali največ zaradi pomanjkanja hrane, tokrat trdijo, da je prehrana v rdeči Kitajski še kar "primerena", čeprav jo ni mogoče primerjati z ono v Hong Kongu.

Tito gost pri Ulbrichtu

BERLIN, Vzhod. Nem. — Skoraj cel teden se je Tito mudil v Berlinu pri tovaršu Ulbrichtu, ki ga pa, mimogrede povedano, ne mara. Oba komunisti sta imela dosti časa, da se pogovorita o težavah komunističnega sveta. Že prvi dan sta povedala, da sta dosledna nasprotinja ameriške politike v Vietnamu in Dominikanski republiki. Radi bi pripravili predsednika Branca do sklepa, naj bi bil pripravljen "za vse slučaje".

Ti krogim imajo seveda tudi svoje zveze s konservativnimi urugvajskimi oficirji, ki bi tudi radi prišli na oblast.

Ameriška diplomacija skuša pomiriti razgrete duhove v Braziliji in Urugvaju. Je prepričana, da Urugvaju grozijo gospodarske težave in politična kriza, da pa to še ne pomeni nobene "komunistične nevarnosti".

Rusi bodo pomagali obnavljati Sev. Vietnam

MOSKVA, ZSSR. — Od preteklega petka se pogaja posebna vladna delegacija Severnega Vietnama z vlogo Sovjetske zvezde z pomoči, ki bi jo Sovjetska zveza bila voljna nuditi pri obnovi Severnega Vietnama. Ta bi rad popravil škodo, ki so jo povzročili in jo še povzročajo naši ameriških letal v južno-vietnamskih letal na njegove vojaške in vojaško važne postojanke.

Prihodnjo nedeljo odleti Tito iz Berlinja kar naravnost v Moskvo.

HUDA BITKA Z RDEČIMI V VIETNAMU ŠE V TEKU

Rdeči so včeraj z močnimi silami napadli glavno mesto okrožja Don Xoai 60 milj severno od Sajgona in ga po hudem boju skoraj zavzeli. Bataljon vladnih čet, ki je hitel mestu na pomoc, so razbili in skoraj uničili. Šele bataljonu vladnih rangerjev je uspel del mesta rdečim iztrgati in rešiti ostanke njegovih branilcev.

SAJGON, J. Viet. — Južnovietnamska Osvobodilna vojska napada vladne postojanke z močnimi enotami v skrbno pripravljenih operacijah. Tako je rdečim uspelo včeraj z naglim in trdim napadom zavzeti okrožno glavno mesto Dong Xoai komaj 60 milj severno od tod. Zavzeli so središče mesta z vladnimi poslopji, pa tudi njegovo okolico. V bojih je bil en Amerikanec mrtev, 13 ranjenih, 17 pa jih pogrešajo. Koliko izgub imajo vladne čete, še ni bilo mogoče ugotoviti, vsekakor morajo biti velike. Rdeči so mesto zavzeli kljub podpori letalstva 400 prvotnim branilcem in bataljonu vladnih čet, ki jim je hitel na pomoc. Ta bataljon je bil v zasedi skoraj uničen. Šele bataljon rangerjev, ki jih je poslat branilcem na pomoč gen. Coa Van Vien, poveljnik 3. armadnega zbora, s helikopterji, je uspel iztrgati rdečim osrednji del mesta, med tem ko sta bila ostanek mesta in njegova okolica danes zjutraj še v rokah rdečih. Ti so tudi v neposredni bližini letališča in ga obvladujo s svojim orožjem.

Rdeči so imeli sredino mesta v oblasti skoraj 24 ur. Vladna in ameriška letala so bombardirala in obstrelevala položaje rdečih napadalec, toda ni bilo mogoče dognati, kasen je bil uspeh te akcije. Bataljonu vladnih rangerjev, ki je iztrgal rdečim središče mesta z glavnim stanom, je uspelo rešiti tudi dve 150-milimetrski havbici, ki sta preje padli rdečim v roke, in večje količine drugega orožja. Svoj uspeh so plačali z najmanj 30 mrtvimi in 15 ranjenimi.

Koliko prvotnih 400 branilcev Dong Hoai je ostalo živih in koliko od bataljona, ki je hitel napadenim prvi na pomoč, še ni znano. Sodijo, da so izgube velike. Medtem držijo močne rdeče enote še vedno večji del mesta, gverilci pa obvladujejo njegovo okolico z letališčem vred. Boj je še v polnem teku. Rdeči so brez divoma pokazali, kaj zmorejo in bodo nemara izginili v džungli, da pripravijo vladnim četam nov udarec na drugem mestu.

Gagarin čestital McDivittu in Whitu

HOUSTON, Tex. — Ruski kozmonaut Jurij Gagarin, ki je 12. aprila 1961 kot prvi človek poletel v vesolje in enkrat obkrožil Zemljo, je poslal J. McDivittu in Whitu čestitke k njunemu uspešnemu poletu v ves-

olje v Gemini 4. V svoji čestitki je izrazil upanje, da bodo vesoljski poleti služili svetu in na preduž človeštva.

Katoliški škofje ne morejo posredovati v dominikanski revoluciji

SANTO DOMINGO, Dom. rep. — Dominikanska republika ima nadškofijo in 5 škofij. Pod vplivom španske preteklosti se ni mogla nikoli hitro razmerno spremembu razmer. Zato so škofje lahko shajali v mirnem sožitju s Trujillovo diktaturo. Otresti so se skušali stikov z njim še takrat, ko je bilo prepozno. Niso tudi o pravem času vsploševali revolucionarne vlade dr. Boscha. So še celo protestirali proti ustavi iz l. 1963, ker jim je pobrala nekaj privilegijev iz preteklosti. Znaši se niso tudi v sedanjih revolucijah; še pred par tedni so pozvali vernike, naj se zavzamejo za konec državljanške vojne. Poziv ni dosti zaledel.

Zato pa raste kredit papeškega nuncijskega Clarizija, ki dominikanska javnost da nanj več kot na domače škofe. Njegovo mnenje vpošteva tako vojaška junta kot uporniki polkovnika Camanu.

DETROIT, Mich. — V stanovanje upravitelja Slov. domo Andrewa V. Gruma in njegove žene sta 31. maja okoli polnoči udrla dva roparja. Premetala sta vse stanovanje in odnesla \$1,300. Med tem 'trdim' jedrom rdečih oddelkov naj bi bile cele enote rednih oboroženih sil Severnega Vietnama.

Bodimo pričevalci

"Ko so jih pripeljali, so jih postavili pred zbor in rekel jim je veliki duhovnik: "Strogo smo vam zabičali, da ne učite v tem imenu, in glejte, napolnili ste Jeruzalem s svojim naukom in hočete na nas spraviti kri tega človeka!" Peter in apostoli pa so odgovorili: "...In mi smo za te stvari priče..." (Ap. d. 5, 28, 32)"

Krvavi zločini, ki jih je komunistična partija z vso premljenostjo zagrešila pred dvajsetimi leti nad slovenskim ljudstvom, so bili s povelj iste partije-zločinka zadelani v molk. Še danes ne more zaslužen narod doma verjeti resnice o pobojsih, ki so se izvrševali v letu 1945. A v svobodni tujini žive žrtve, živimo mi, ki smo bili rešeni, da smo za "te stvari priče".

Nihče izmed nas se ne more odtegniti pričevanja. Zaznamovali smo bili zanj v trenutku, ko smo stopili v borbo proti komunizmu. Niti naši otroci, ki so rojeni v tujini, ne bodo mogli preko odločitve staršev, ne da bi zatajili resnice. Starši so se namreč odločevali zase in za svoj rod. Prav tako je slovenski človek v tistih letih groze umiral za svobodo in vero vsega naroda, ne samo za potrjenje samega sebe v dobrem.

Kot pričevalci ne moremo spraševati po okoliščinah, če so prilične ali neprilične — dolžnost in poklic ne prenesta izgovorov. Resnica mora na dan in gorje nam, ako ne bi prišla preko nas, temveč po "kamenju", ki naj bi mesto nas vpilo. Ako je bila božja volja, da je bilo prelito toliko krvi; ako je bila in je sveta Njegova volja, da moramo živeti za narod v tujini; ako je dan osvoboditve še daleč; ako nam je do konca použiti trpkost izgnanstva — potem je tudi božja volja, da ima to izgnanstvo tudi pomen, smisel in cilj. Kakor ima vse stvarstvo namen, razovedati Božga, tako je tudi naše pričevanje o komunizmu in njegovih zločinov v svojih zadnjih posledicah slava Njegovih ukrepov. Za naše mrtve je bila naloga končana z njihovo junško smrtno, mi živi pa nimamo pravice le hraniti njih na slove, temveč dovršiti Voljo, ki nam je podaljšala življenje.

Naša država mora biti danes prav tako odločna, kot je bila pred dvajset leti v leti. Ponos nas mora preverati, da smo bili zmožni odločiti se za boj proti komunističnemu zлу, ne meneč se za nevarnosti in kljub groženjem posledicam. Ta ponos moramo z največjim navdušenjem prekriti v mlada srca naših otrok. Ne pretresajmo ali so naši otroci zaradi naše velike odločitve tvarno na boljšem ali na slabšem — tudi ako bi morali prenašati največje pomanjkanje nikdar ne moremo omahovati in stopati nazaj, ker se zavedamo, da smo delali prav, da smo se borili po glasu svoje vesti. Prav v tem je namreč naša veličina, prav v tem smo različni od komunističnih zločincov: da poslušamo svojo krščansko vest in božji nauk. Kdo kakor Bog? Kdo je večji kot tisti, ki posluša Njegov glas? V onem času je bila okrožnica "Divini Redemptoris" beseda božja in četudi bi jo danes papež preklical od prve do zadnje črke, se ne bi prav ničesar spremenilo na pravilnosti našega dejanja. Dejanski poraz, najsibo na političnem ali vojaškem poprišču, ne doda niti pičje resnice komunistični zmoti. Skozi vso zgodovino je zmota zdaj pa zdaj obvladovala človeštvo, pa je vedno ostala zmota.

V službi pričevanja o komunizmu bodimo vedri. Kakor smo znali pred leti sprejemati udarec z udarcem, prenesti bolečino za bolečino, grozo za grozo; kakor smo skoz dva set let ohranili vero v Previdnost in Njene namene, tako se zadržimo danes. Dogodki, ki so nam kazali na katastrofo, so bili bogati na dobrem. Ob razvalinah so se ponudile tudi nove možnosti, nova obzorja. Narod je bil zagnan čez meje, zdi se, da z velikimi poslanstvi. Tehtamo božje načrte, a nikdar ne pridevemo do natančne teže. Ako smo vzdržali takrat, ko je bilo najhujše, nam ni omagati sedaj, ko smo utrjeni na skušnjah in preizkušnjah.

Pričujmo trezno! Razlikujmo in ne dajmo se mešati od protikomunizmov raznih vrst, od človečanskih do socialističnih in demokratskih progastov pobavanih. Naša borba proti komunizmu nima samo človečanskih osnov, temveč predvsem krščanske. V imenu človečanstva so v zgodovini nastopali največji zločinci in protibozci. Krščanski nauk ima v vsaki dobi svojega nasprotnika, danes ga ima v komunizmu. Le krščanski protikomunizem je resničen in ploden v posledicah.

Pričujmo nesobično! Čeprav ne bomo mogli nikdar nehati žalovati nad žrtvami svojih dragih, nad cvetom slovenske mladine pomorjene v tistih velikih mesecih slovenske zgodovine, mora biti naše srce tako velikodušno, da mu ne bo nikdar ta bol zakrila nesreča, v kateri se nahaja danes ves slovenski narod. Darujmo Bogu naše žrtve, a nikoli brez prošnje za domovino, za slovensko mladino, ki ji dušijo zagon: Veliko daritev je Oče zahteval od nas, zato ga prosimo za veliko. Ne ostanimo le pri lastnih tegobah,

zglejmo se tudi v dobro svojega naroda. Grobovi leže ob naših sklenjenih rokah in ne more se ozreti nanje božja Usmiljenost, ne da bi videla tudi prošnjo mrtvih. Morda nikoli v slovenski zgodovini ni bil naš narod tako dobro in številčno zastopan v onostranstvu kot v zadnjih dvajsetih letih. Energijo imamo nakopičeno v nebesih, potegnimo vode in zaženimo v pogon motorje slovenske svobode.

V dveh desetletjih se še ni izčrpala naša vera. Gledamo pa, kako se v temeljih maje komunistična. Graditi so hoteli na krv, a kri je živa, ki stanovitno spodkopava njihovo bogato zgradbo. Samega sebe prepričujejo in samim ne verjamejo. Jeruzalem — slovenski narod — je vsak dan bolj poln upanja in v tujini pričujejo o krv, o kateri imajo doma strogo zabičano molčati. A iz daljšega in večjega molka bo planila večja in svetlejša resnica.

BESEDA IZ NARODA

Ob življenskem Jubileju Miloša Stareja

Cleveland, O. — Morda ne bo odveč in škoditi — se mi zdi — brez nadaljnega nemogoče in izključeno, vsem tem je veljal le ne more, če letos, ko sovpadata 20-letnica naše politične emigracije in 60-letnica življenga izdajatelja Svobodne Slovenije in Zbornika, tajnika Narodnega Odbora za Slovenijo, podpredsednika Slovenske Ljudske Stranke v zamejstvu in prejšnjega slovenskega narodnega poslanca, odvetnika Miloša Stareta, ob omenjenih dveh spominskih nekaj napisem o Miloševem delu med vojno in okupacijo. Dasi je Miloš Stare eden tistih 20-letnic, ki so po vojni, in težesnečni emigraciji razvili, razširili, izpopolnili svojo podobno javnega delavca ter postal znani in cenjeni bolj na splošno in široko kot poprej doma, se mi zdi, da mu je spomin na trude in napore med vojno in največje zadoščenje, vsem njegovim prijateljem in sodelavcem, ki so ga spremajali in poznali, pa vzbujata v tedanju njegova pojava največje spoštovanje. Prav radi grozljivih razmer, ko so sovražne sile lomile hrbitenico slovenske in vsake druge narodne demokracije in, žal, polomile in razrušile mnoge dele naše družbenje zgradbe, vzbudili toliko močnejšo pozornost lika Miloša kot javnega delavca, ki vsem viharjem in sovragom navkljub vztraja in neumorno brani, kar ceni in smatra za narodovo dobro in last. Naj je bilo že uspešno ali ne, prav gotovo je bilo tisto njegovo delo vzorno, idealno, požrtvovalno prizadevanje za rešitev naroda iz stisk vojne, okupacije in revolucije.

Mnogi naši javni delavci so takrat, ko so se nacistične in fašistične horde vsule po slovenski zemlji, zgledno postavili "moža na mestu". Krivičen in neutemeljen je ocítel, da so se tedaj slovenski politiki iz strahu pred pretežkimi nalogami razbežali v skrivališča in se o-tresali odgovornosti. Res je le, da v nasilno spremenjenih razmerah, pod sovražno okupacijo noben slovenski javni delavec — po splošnem pojmovanju slovenske državljanke časti in narodne dolžnosti — ni smel in ne morel prevzemati služb in dolžnosti ali ostajati v njih, če so ga pred vsem udinjale okupatorskemu režimu in mu šele kot slugi nacizma ali fašizma morda obetača kakšno možnost.

Pod sovražno okupacijo je zveza s tujino, ki okupatorju nasprotuje, na in nevarnejši opravek.

Miloš Stare je neumorno in neustrašeno skrbel in delal,

da je bila zveza med srednjem njegeva omrežja in slovenskim zastopstvom v tujini stalna in kar moč živa. Še danes se čudim,

kako je to zmogel v toliki meri.

Dejstvo pač je, da smo vzpostavili zvezo par mesecov potem,

ko sva z dr. Kuharjem prispevala v London, in jo vzdrževali po angleških in naših lastnih slovenskih središčih in ljudeh redno, dokler sem bil član vlade v izgnanstvu, potem pa tudi še skoraj do konca leta 1944. Ta zveza je omogočala: a) da so šla v Slovenijo poročila o stanju in razvoju vojnih in političnih zadev med velikimi zavezničkimi jugoslovansko vlado v begunstvu; b) da smo iz Slovenije imeli poročila o nastopanju načistov in fašistov ter preganjanju, zatiranju in ubijanju Slovencev; c) da smo mogli zaveznikom po tej zvezi dobiti marsikako koristno informacijo, ki jim je prišla prav v vojnih akcijah.

V njegovem programu med vojno ni bilo ne oddiha, ne počinka, ne varnosti, ne miru. Vsa so sodelovanje z rjavim, črnim ali rdečim sovražnikom je bilo izključeno, vsa k popuščanje

ske vojaške in polvojaške edinece, ki so se borile proti komunističnemu terorju in nasilju. Kako, da nam o tem ni bilo nič sporočano, če je bila zveza med Londonom in Ljubljano?

Naj ob tej priliki ugotovim samo tole:

1. Od začetka do kraja svojega bivanja med vojno in inozemstvu sem ponavljal prošnjo: NOBENEGA VOJAŠKEGA ALI POLITIČNEGA SODELOVANJA Z OKUPATORJEM ALI DRUGIMI SILAMI "OSI". Za nobeno ceno ne. Tudi NIKEGA VIDEZA TAKEGA SODELOVANJA NE, SICER BO MO IZGUBILI NAKLONJENOST ZAVEZNIKOV — ZAPADNIH VELESIL — PO NASI LASTNI KRIVIDI. Ko so nastale vaške straže proti temu navodilu in pršnjem, sem sporočil, kako težko je merodajnik v Londonu dopovedati, da je bila ta samoobramba neizgibna. Ko je v naše presečenje in razočaranje nastalo domobranstvo, sem poročal, da nam preti poguba, ker Angleži opravčila naše ravnanje ne sprejemajo in poslušajo komuniste vedno bolj. Miloš mi je popisoval svoje vtise in težave, ki je nanje naletel, ko je hodil po Ljubljani in drugod s takimi poročili v žepih.

2. Koncem leta 1944 sem takoj, ko sem zvedel iz Rima posebni, tajni poti sporočil V LJUBLJANO, DA JE RESNA NEVARNOST, DA BODO DOMOBORANCI IN VSI DRUGI, ki so ČLANI SLIČNIH VOJAŠKIH FORMACIJ, IZROČENI KOMUNISTIČNU PARTIZANSKEMU POVELJSTVU, ČE BODO V TEH FORMACIJAH IN UNIFORMAH PRISLI ZAVEZNIKOM V ROKE, ker JE POSTAL TITO PRIZNAN ZAVEZNISKI KOMANDANT NA OZEMLJU JUGOSLAVIJE, PROSIL SEM, naj TO SVARILO RESNO UPOŠTEVAJO IN PREKO ZIME NAPRAVILJO UKREPE, ki bi tako zanesljiv, da sestankov po 60 do 80 mož niti okupatorski niti komunistični špijoni niso odkrili in se iz dosedanjih komunističnih publikacij vidi, da zanje niso vedeli. Dostavljalci so bili tako spretni in pridni, da so preko noči po vseh krajih tedenje ljubljanske pokrajine in še čez raznesli tiskovin in vsako poročilo. Milošovo srednje je sprejemalo redna obvestila iz celega področja; ob vsaki važni spremembi in dogodku pa so zupniki še posebej poročali. Ustvaritev te mreže in ohranjanje njenega delovanja je zahvaljujejoča njegova pojavnost, ne skrivljena in zanesljiva, da je zvezna zadržala vse možnosti zvezne vsem imel.

Breme strankinega dela zmagajo demokratičnih sil je med vojno in domovini bilo na ramah Miloša Stareja in njegovih sodelavcev. Miloš Stare je med okupacijo zastopal krščanske demokrate v skupnih, medpolitičnih narodnih odborih in bil v komisijah, ki so delale načrte za osvobojenja ter osnutke zavesti, boljši javni red po vojni.

Klub vsej zgledni lojalnosti, zanesljivosti in disciplini med njegovimi, so nekatere stvari izvohovali okupatorjevi in komunistični vuhni. Izdajanje Svobodne Slovenije ni moglo ostati povsem skrito. Stare se je dolge mesece spretno skrival in deloval, da nekateri domači prigrajanči, je moral "izginuti". Umaknil se je v Trst in tam po vojni odšel v politično izgnanstvo.

Med vojno je Miloš Stare dal svoje moči in sposobnosti, tvegal življenje in svobodo, da je kralj v zadrževal narodno politično pot slovenske krščanske demokracije, kot so jo določili narodni shodi, zbor zaupnikov in kot je izdelal dr. Anton Korošec, vsaj dve desetletji ne-sporni voditelj Slovencov. Ko se bodo umirili valovi povojske zmedenosti in strastnega zanesljivosti in se bodo razčistile kalne vode posledic vojne in revolucije, sem prepričan, da bodo njegova dela in dela vseh tisočerih, ki so bili z njim, svetili.

Navodilo za pot romarjem: Prtljaga (kovčki) bodo spravljeni v spodnjih prostorih avtobusa. Kar potrebujete čez dan med vožnjo, imejte posebej s seboj (na polici nad sedeži). Računajmo v vročim vremenom, le na Smoky Mountains bomo nekaj ur nad 6,000 čevljev visoko in jopicu bo prav prišla.

T. Šubelj je umrl,
svetilnik je ugasnil

Cleveland, O. — Zadnja čast, ki jo je naš list izkalil pokojnemu prijatelju, je bila prima s svetilnikom ob priliki poročila o zadnjem Matičnem koncertu. Bil je vesel, toda stvarnost ga je gonia na misel, da bo svetilnik ugasnil, morda pa se prej postal navadna lesčerba. Ko smo ga namreč srečali kmalu po banketu, ki so mu ga pridelili njegov prijatelji v SND, smo mu v šali rekli, da taki banketi utegnijo biti tudi del pogrebnih svečanosti pri ljudeh njegovih let, se je v njegovih očeh zablisko veselje nad ne-spodobno šalo, obenem pa je tuš padla pripomba, da je to običajno tudi brida resnica.

Stvarnosti na ljubo smo priocenili njegovih koncertov dali premoč pohvali in zamislili, kadar bi bile kritične pripombe dovoljene. Subelj je to razumel. Ni smatral tega za kadilnico njegovim sposobnostim. Hvaležen nam je bil, ker smo mu vsaj po tej stezici pomagali držati njegove zbole na tisti visoki ravni požrtvovalnosti pri pevcih, ki je bila osnova za njegove koncertne uspehe.

Subelj je mrtev, svetilnik je ugasnil. Vsi tisti, ki jim je sladil življenje s svojimi koncertnimi prireditvami, naj mu izkažejo še zadnjo hvaležnost. Naj najdejo z zdravimi možnostmi pri pevskih zmogljivostih koncertnih zborov in pevskih željah koncertnega občinstva. Dasiravno je po svoji pevski izobrazbi spadal med zastopnike vrhunske kulture, je ni hotel nikoli prodajati v Clevelandu, skušal je dati pevcem, kar je njihovega, in koncertnemu občinstvu, kar je njegovega. Društvo Najsv. Imena pri Mariji Vnebovzeli

Cleveland, O. — V nedeljo, 13. junija, bo naše društvo imelo skupno sv. obhajilo pri sv. maši ob osmih. Zberemo se ob 7:45 v zbirnili dvorani pod cerkvijo, odkoder odidemo skupno v cerkev. Po maši bo zajtrk ter kratka seja v šolski dvorani.

Šmarnice v čast Marije so bile skozi ves mesec maj vsak dan, žal je bila udeležba pri tej Marijini pobožnosti tako skromna, kar je tudi č. g. župnik Jager z obžalovanjem ožigosal kot nemarnost vernikov do Marije. Cerkev imajo prav blizu, pa ne pridejo k šmarnicam! Res je, da so nekateri zadrgani iz raznih razlogov, že, že, ampak kje so bili starši in njihovi otroci? Kako moremo pričakovati milosti od Marije za našo srečo, za naše zdravje, ako se bomo Mariji odtegovali! Šmarnice so se zaključile s petimi litanijami, ko je vsa cerkev grmela od krasnih Marijinih odgovov, ki jih je vodil organist g. Rakar na koru pred oltarjem pa so peli litani, je naši odlični pevci gg. Modic, Rigler, Knez ter č. g. župnik Jager.

V soboto, 22. maja, je bil sklep Slovenske šole. Ob tej priliki je Slovenska šola priredila svojemu voditelju č. g. J. Godini formalno proslavo njenovega 40-letnega mašniškega jubileja. Father bo dejansko obhajal svojo 40-letno posvečenje v nedeljo, 20. junija, pri Sv. Avguštinu v Floridi, na zgodovinskem oltarju, kjer je pred 400 leti španski misijonar Lopez zapel prvo mašo v Združenih državah. Zbrali so se tedaj slovenski učenci v dvorani pod cerkvijo z učiteljstvom na celu, prisostvovali so poleg tudi številni starši ter prijatelji šole. Gdč. Josipina Pavli, madzornica Slovenske šole, je naslovila na č. g. jubilanta krasen nagovor in dve učenki sta mu poklonili v imenu šole krasen šopek cvetlic.

Društvo Najsv. Imena je predilo v nedeljo, 23. maja, romanje k Žalostni Materi Božji v Frank, O. Romanje je spremiljal duhovni vodja č. g. Raymond Hobart, ki ni vodil samo vse petje in molitve, marveč tudi skrbel za kratkočasje. Kljub hladnemu vremenu, ki je vladalo tisti dan, je vodil celo procesijo skozi gozd ter moli slovenski križev pot. Kadar Father Hobart moli ali poj, so njegove molitve ter vse njegovo petje v "maestoso", kar se je v gozdu slišalo posebno veličastno. Vse druge pobožnosti so se vrstile v svetišču. Po blagoslovu smo

Kongres ni naklonjen podporam za najemnino

WASHINGTON, D.C. — Predsednik L. B. Johnson je Kongresu poslal pred časom predlog za izboljšanje stanovanja družin z manjšimi in srednjimi dohodki in v njem predvidel podporo za dražja stanovanja za družine, ki si same kaj takega ne morejo privoščiti. Po tem načrtu bi na primer zvezna vlada pomagala plačati družini, ki ima le okoli \$250 dohodkov na mesec, stanovanje, ki stane redno okoli \$100 na mesec. Družina sama bi plačala \$62.50, ostanek pa bi prispevala zvezna blagajna.

Kongres za te vrste podpira družin z manjšimi dohodki ne kaže dosti smisla. Vse kaže, da bo predlog obtičal v kakem kongresnem odboru klubu vsemu pritiskanju predsednika Johnsona in njegovih sodelavcev. Predlogu nasprotujejo republikanci, pa tudi precej močna skupina konservativnih demokratov.

Podpiranje take vrste bi bilo razumljivo le v posebnih slučajih, ko se je na primer kaki družini redni dohodek zmanjšal brez njene lastne krivde, in tam, kjer cenejših stanovanj ni mogoče dobiti.

Papež začel z reformami vatikanske administracije

VATIKAN. — Govorice, da hoče sedanj papež preurediti vatikansko administracijo, nočejo ponehati. Te dni so dobile novo oporo v sklepku sv. očeta, da vzame iz pristojnosti Svetega urada, ki mu je na čelu znani kardinal Otaviani, nekaj pristojnosti o zadevah, ki se tičajo upravljanja, kateri zakon je veljavlen v kateri ne. Te pristojnosti se sedaj prešle deloma na najvišje vatikansko cerkveno sodišče deloma na Kongregacijo sv. zakramentov.

Predvidena je pa je cela vrsta drugih reform. Papež je že pred meseci imenoval posebno komisijo pod vodstvom kardinala Robertija, ki naj mu pripravi načrt zanje. Komisija je baje svoje delo v bistvu končala, toda sv. oče ne bo predlaganih reform uveljavil pred koncem koncila.

Japonska pred senatnimi volitvami

TOKIO, Jap. — Dne 4. julija bodo na Japonskem volili polovico senata. Za 125 senatnih mest se naravno potegujejo vse stranke. Zmagala bo pa sedanja vladna stranka, to misijo vsi politični opozovalci. Ministrski predsednik Sato je dal prista-

šem svoje stranke navodila za agitacijo, pri tem je tudi razložil sedanjo vladno politiko.

Glede zunanje japonske politike misli predsednik Sato, da mora biti verna zavezništvu z Ameriko. Zato mora odobravati načela ameriške mednarodne politike tudi takrat, kadar je na prvi pogled težko, na primer glede rabe atomskega orožja. Sato je dalje izjavil, da se Japonska ne sme prehiteti pri obnovi rednih stikov z rdečo Kitajsko, s hladno pametjo mora tudi presojati državljanško vojno v Vietnamu.

Japonske levičarske stranke so seveda proti tej vladni taktiki.

Volvivi bo se bo uradno začel prihodnji četrtek.

si se ti, star mož, sin barbarške sužnje najinega očeta, razuzdan kraljič, drznil prosi za čisto roko egipčanske kraljice, ti, njen stric, ki bi ji prav tako lahko bil ded?

Ali moram tudi poslušati, kako s svojimi umazanimi ustmi sliniš njeno kraljevsko rojstvo in čast njene kraljevske matere, kako posmehljivo pljuješ na Amena, očeta bogov?

Amen naj to opravi s teboj,

ko stopiš pred vrata večne hiše, toda tukaj na zemlji sem jaz njegov sin in služabnik.

Mermes, poklici mojo stražo

in primi tega moža ter ga

spravi na varno. V Thebah,

kamor odidemo jutri, bo sojen

po našem zakonu.

Tedaj je Mermes zapiskal

na srebrno piščalko, ki mu je

visela okrog vrata, skočil naprej in pograbil princa za roko.

Abi je izdril meč, da ga

prebode, navzoči pa so, ko so

videli orožje v njegovi roki,

udrli proti vratom, da uidejo;

predvsem so bežale faraonove

dvorjanke in med njimi nje-

gova strežnica Meritra. Toda

preden so mogli priti skozi

vrata, so prihiteli stražniki, ki

so bili slišali Mermesov žvižg,

z dvignjenimi kopji v dvor-

no ter so jih pognali nazaj.

Planili so na Abijo, mu izdrli

meč iz roke in ga vrgli na tla,

ostale pa so segnali v gručo,

kakor preplašene ovce.

"Zvezite izdajalca in ga

spravite na varno, jutri pa

nas bo spremljal v Thebe," je

rekel faraon.

"Kaj naj storimo z njegovi-

mi sinovi in spremstvom, veli-

čanstvo?" je vprašal častnik

straže.

"Naj odidejo," je odgovoril

faraon trudo, "ker oni niso

grešili proti nam. Naj odidejo

in usoda njihovega gospoda

naj jim bo v svarilo."

V zmedri so Meritro slučajno

potisnili h Kakuju.

"Čuj," je zašepetal zvezdol-

šlovec ženski v uho. "Stori, kak-

kor sem ti snoči všeč, in vse

bo še dobro. Stori tako, ali

umri! Aii me slišiš?"

"Slišim te in bom ubogala," je

odgovorila Meritra prav tako tiho.

Nato sta se ločila, zakaj

straža je prijela Kakuja za

roko in ga porinila iz templja

skupaj z Abijevimi sinovi.

Uro pozneje sta Mermes in

Asti stala pred faraonom in

ga prosila, naj bi odšel iz

Memfida še isto noč, češ da

mu tako svetuje tudi kraljica

in častništvo. Toda faraon je

bil utrujen in ni hotel poslu-

šati.

"Tudi jutri bo še dovolj ča-

sa, ko se naspim," je odgovoril.

"Ali naj bežim kakor tat

iz svojega lastnega mesta? In

potovanje tudi ni pripravljeno.

Zakaj me silita k temu

strahopetnemu dejanju?" je

prišaval zlovilno.

"Dovolj imava vzroka, veli-

čanstvo," je odgovoril Mer-

mes. "Prepričana sva, da so se

zarotili, da te obdržijo tukaj.

Danes popoldne bi ne bil mo-

gel oditi, če bi bil poskusil,

toda nočoj je Abi v ječi, nje-

govo ljudstvo je preplašeno,

nima poveljnika in bo odprlo

vrata. Do jutra pa že dobijo

drugega in vrata bodo dva-

krat zapahnjena in zastraže-

na."

"Kaj?" je rekel kralj zani-

čljivo. "Ali meniš, da sem tudi

jaz ujet, ujet v Egiptu, kjer

vladam? Ne, prijatelja moja,

na faraonovo besedo se bodo

vrata odprla. Če se pa ne od-

pro, bom Memfido razdejal

kamen za kamenom in razg-

nal nje prebivalce, da si poi-

ščajo strehe v votlinah pri ša-

kalih. Ali menijo, če sem do-

ber in prijazen, da ne znam

potegniti meča, kadar je treba?

Aii so pozabili, kako sem

pobil upornike v svoji mlado-

sti, kako sem požgal njihova mesta in podjarmil Sirijo, ki jim je pomagala? Jutri odkorakamo in nič prej. Govoril sem."

Tedaj se je Mermes priklopil in se obrnil, da odide, ker ni bilo dovoljeno odgovarjati na to faraonovo besedo. Toda Asti se je vendar drznila ustavljati.

"O faraon," je rekla, "ne huj se na svojo služabnico! Kakor veš, faraon, imam nekaj proroške spremstvo, duhovni umrlji mi včasi šepečajo o stvareh, ki se bodo zgode. Ravnikar se mi je zdelo, ko sem odšla od kraljice, svoje rejenke, in sem stala trenutek, da se stopilo božansko veličanstvo velike gospe kraljevske žene Ahure,

ki je bila moja gospa in pri-

streljica, k meni in mi reklo:

"Pojdi, Asti, k faraonu in mu povej, da velike nevarnosti grozijo njemu in naši kraljevski hčeri. Reci mu: Beži iz Memfida, če ne, bo to tvoja smrt in Amenovo zvezdo bo zakril oblak sramote. Reci mu, naj se varuje ženske, ki stoji ob njegovem prestolu, in tistega huda grodnega čarownika, s katerim je sklenila zvezo preteklo noč."

"Kaj!" je vzkliknil faraon in se zasmjal. "Ta dolgoraki stari zvezdoznanec s pisano

kapo, ki je tako hitro bežal,

ko so njegovega gospoda pri-

jeli? On ni nič drugega nego

vohun, ki je že mnogo let v

Traveler's Tip

Immunization is as important as a transportation ticket or a passport to hundreds of thousands of Americans going abroad during the approaching vacation season, says the United Nations World Organization (WHO).

Normally, U.S. health regulations require only a valid smallpox vaccination certificate from returning Americans. But to protect himself and his community, WHO emphasizes, a traveler often needs other inoculations. Depending on the overseas area to be visited, these include shots for tetanus, typhoid, plague, yellow fever and cholera.

While WHO's worldwide epidemic warning network and national health checks at frontiers

spot and isolate disease victims, some infected travelers inevitably go undetected. Thus, plague strikes in California, New Mexico and Arizona... an American traveling via Okinawa arrives in Japan with cholera... tourists from Jamaica and Puerto Rico bring dengue fever to Minnesota, New York and Michigan.

"Substandard health in any part of the world is a threat to people everywhere, including advanced countries," WHO warns. "With modern jet travel, disease germs and viruses can travel with the speed of sound. The Asian flu epidemic a few years ago and the introduction of smallpox into North America are cases in point."

★ London. — The British Medical journal told here of a parson whose breath caught fire every time he blew out the altar candles. Dr. Stephen Power of the royal homeopathic hospital in London wrote in the journal that the breath came from a buildup of gas from a duodenal ulcer. After surgery, Power wrote, the parson "was able to carry out his duties in a more decorous fashion."

Mathon Kyritsis has been communing with the fish for more than 25 years. He said he must know their whereabouts because his livelihood depends on catching them. He observes that the smelt schooled earlier than usual this year in preparation for their yearly swim to shallow waters to spawn. Mathon sees perch in the fall as a guide to predictions of winter weather.

FOREIGN ASSISTANCE ACT OF 1965. H. R. 7750, the Foreign Assistance Act of 1965, caused a great furor of debate last week, but as predicted, it emerged with few changes as reported from the Committee. It now goes to the Senate where another fight is expected.

As I pointed out in my speech on the Floor, those of us who over the years have been in the battle for foreign aid are suffering from combat fatigue — not because we weary of a long fight but because the program has grown confused and disordered. First things seem to come first except in foreign aid, where first things come second or third — or not at all. For example, through the sale of our surplus commodities we help the underdeveloped feed their ever-growing populations today, but little has been done to help them establish their own agriculture economy to cope with tomorrow's needs. Instead we disperse our manpower and money in fields of industry, transportation, and multitudes of very costly projects. The result is we contribute to the growing gap between the agricultural sector and the urban sector of those countries.

After participating in the hearings and studying the testimony before the Committee, I was disappointed that the reductions made were so small — just \$12.7 million out of the request for \$2,004,195,000 of new money. Only two items were cut — one for administrative expenses, which could well be cut, and the other for programs in the field of international organization. In the latter instance, the Administration reported that it could not use the money it had originally requested.

In view of these circumstances I voted for the motion to recommit designed to reduce the Development Loan Fund authorization by \$131 million. Unfortunately, this failed by a vote of 178 to 219 nays. On final passage (249-148) I voted for H. R. 7750 but with more than usual reluctance. Our country has undertaken grave responsibilities and I felt compelled to support our

The 5:00 p.m. program will feature the Scots. The Cleveland Kiltie Band and Dancers will be under the leadership of Miss Margaret Callander. Alexander Hain is Pipe Major for the Kiltie Band. The MacGregors and MacTavishes will delight to the sight of dancers and pipers dressed in full Highland uniform. Among the notable Scottish dances are 'The Sword Dance,' the 'Highland Fling' and the 'Black Watch Broadsword.' The Sword Dance requires unusual dexterity as the dancers dance over full-bladed swords. In competitive Scottish dancing, a dancer who touches a sword during the dance is disqualified. Bagpipers will play familiar Scottish Airs and a few American melodies while the dancers catch their breaths.

"Nationality Folk Festival Days are a notable first at the Cleveland Zoo," says Dr. Leonard J. Goss, Zoo Director; "the color, music, gaiety, and motion of the musical groups will add another facet to the overall cultural image of the Zoo. The various nationality segments represented will attract many of their own people to see not only the performers of their ancestral homelands, but also to enjoy the Cleveland Zoological Park as a total family entertainment center."

The Cleveland Zoo is open daily from 10:00 a.m. to 5:00 p.m.; summer Sundays and Holidays from 10:00 a.m. to 7:00 p.m.

Boating Tips...

LAUNCHING STEPS

Two of the most embarrassing things that can happen to a boater are forgetting to replace the drain plug before launching and forgetting to attach a bow line to the boat before it's pushed off the trailer. The first goof permits water to rush into the boat through the open drain, the second one makes it necessary for you to wade or swim for your drifting boat. Both can be avoided by getting into the habit of following these five launching steps recommended by the Mercury outboards people: first, back the trailer down the ramp, stop a few feet from the water's edge and set the car brakes; second, release all the tie downs, tilt the motor up and connect fuel and electrical lines; third, put in the drain plug; fourth, back the trailer into position for launching; fifth, attach a line to the boat's bow and hold it to prevent the boat from drifting away once it is afloat. Unlock the bow winch and push the boat down the trailer into the water.

Pilgrimage To St. Anne De Beaupre in Quebec

The Social Club of Baraga Dom Inc., 6304 St. Clair Ave., is organizing a pilgrimage to St. Anne in Quebec, Canada. Although the distance may seem far for some, but according to the assertions of those who have made this pilgrimage, the beauty and importance of the Shrine, country and other sightseings is well worth the minor inconveniences in traveling. Accept these in a spirit of faith and penance!

The beginning of this Shrine is related as follows. The first chapel at Beaupre, according to tradition, was built in 1658, by a few French sailors, who landed here after being miraculously saved from shipwreck by St. Anne. The first miracle was worked also in 1658, when Louis Giumont, a crippled farmer, placed three small stones in the foundation of the sailors' chapel, through devotion and was suddenly cured.

For almost three hundred years this shrine was favored by miracles and reliefs through intercession of St.

Anne, the mother of Mary, and is now the most known pilgrimage center in North America, the Lourdes of the new world. In recent years close to 2,000,000 people visited the Shrine and about 600 organized pilgrimages are registered annually. They say that Beaupre enjoys a heavenly atmosphere which is hardly paralleled by any other on earth. The present beautiful shrine was built in 1926, but more than the splendor of the architecture and the wealth of the donations, is the outstanding display of crutches, sticks, shoes and other instruments of human infirmities laid there at the feet of the great healer.

Better than splendid ceremonies and eloquent sermons, there are tangible evidences of St. Anne's power and goodness. It is undeniable that these miraculous cures attract a great number of pilgrims to the Shrine. The Shrine of Beaupre possesses eight relics of St. Anne.

There are many other points of interest, for instance: the Holy Stairs. The Holy Stairs are a replica of the original now kept in Rome, ascended by Our Lord during his passion. These 28 steps must be ascended only on knees. Further there is the miraculous St. Anne's Holy Fountain whose water is endowed with wonderful healing powers and is carried by pilgrims to all corners of America. Another attraction is the Cyclorama. The death of Christ and the face which the city of Jerusalem took on that day are depicted on a wall in a circular painting. It is the greatest panoramic painting in the world. Cyclorama creates such an illusion of life that the spectators get the impression they are part of the crowd walking along with Roman soldiers.

At 4:00 p.m. the Hungarian Grape Harvest Festival Group and United Hungarian Societies Group will dance a series of czardes which are almost a way of life in Hungary. The teen-age girls comprising the United Hungarian Societies have a special double - tempo czardas dance which is their specialty number. Additional interesting dances are an "Umbrella Dance" by a women's group, a "Mother-Daughter Dance," an outstanding solo choreographic number performed to Brahms' "Hungarian Dance No. 5," a series of instrumental melodies and chorals by the Frank Borissz Hungarian Orchestra, and a surprise "Stork Dance" in which audience participation is invited.
