FOUR GOLD-LETTER DAYS
By Munn. — My experience as a delegate was educational, and I made many new friends.
Two girls about my age that I met were Marie Vranichar of Joliet, Ill., and Dorothy Marsich of Chisholm, Minn. I was with my sister Florence most of the time, and met many older girls we had loads of fun, enjoyed the meetings, picnic, but most of all the boat ride.

Those four happy "Gold Letter Days" were full of excitement and fun, and they shall be marked that way in my memories which will stay with me forever. The souvenirs I received are my most cherished possessions.

I met all the supreme officers, and I think they are swell sociable men.

I am very thankful and proud that I belong to the American Fraternal Union and made it possible for me to attend their convention. Besides, we advertised to the world that we are alive and going places.

Being in the spotlight, the rest of the world looks up at us, and everyone admires us; we have some mighty fine leaders.

VACATIONED IN CLEVELAND

Strabane, Pa. — It's been such a long time since I have written I don't know where to begin. But I'll try my best to make it newsy and short.

During the latter part of my summer vacation I spent a month in Cleveland home of my Aunt and Cousin Mary. While I was there I renewed my acquaintances with Little Stan and Mr. Terbowec. I also spent a weekend with Hale Desmond's which I enjoyed to the utmost. I visited so many places and met so many new people that if I were to tell you everything it would take too much space, so I'll make it just say that I had a wonderful time.

Recently "Big Stan" Progar was appointed sports editor of the local paper, "Daily Notes." Stan, I and the other writers, wish you all the luck in the world. Success is yours!

During the last month so many have been telling us their hobby is post collecting. My hobby is also collecting cards. But besides this I also pins, souvenirs, certain magazines and I correspond with people in different states.

I better leave you now, and it's getting late I better finish up my shorthand assignment.

SUMMER VACATION

Cleveland, O. — September hath almost turned around the October! Most are glad, aren't we juveniles (?)? School started. At Collinwood the students began Monday, Sept. 8. It will be nice getting back after a three months rest—rest? No, I had a very nice summer, taking care of my dear mother who was ill and taking care of the house. Then attending all our AFU school games was quite a thrill. I'm happy that our Lodge No. 71, AFU team won the championship for Cleveland. Hope they win the state grand too. Having a good time and seeing so many people . . . It was another summer full of fun with my very good friends, Dorothy and Rose Rossa and Albina Gruden. Then too I felt like causing another very good friend of mine, Alice Laurich was laid up at home with a foot ailment, but now that she is well, I sincerely hope to have more good times with her and even family. Right? All?

Rose Kuznik, this being the closest to water she had ever been, was always at the edge of the boat. Once when another boat went past us it caused a big wave and when our boat hit it, did Rose and I get wet, being at the edge of the boat. I thought that this would scare her a little but—oh me—she came back for more, thinking that was loads of fun.

Some of the little things observed on the boat—Agnes Segota's camera had a certain fascination to Frank Shepel—he was always wanting to use it. Gilbert Zbasnik away on the top of the boat with his arm around Mary Smith of Butte, Montana—Pretty Mrs. Vranichar making paper boats for her daughter Marie a lot of delegates thought Mrs. Vranichar was Marie's sister)—my sister Marge with an "I should know—I'm from Minnesota" air explaining to Rose Kuznik the purpose of water buoys and other things along the way.

I heard many delegates remark on the beauty of the many picturesque islands dotting the lake. I'm sure this trip on Lake Vermilion is an experience they will never forget.

There was so much merry making on the way back. There was another paper fight on the way back. Joe Omera, Louis Golenko and Joseph Kamnikar each took a part of Dorothy Jergel's bracelet as a souvenir (without her permission, took Rose Ann Majerle's shoe and were sailing it out the window. They couldn't sit still.)

When the trip was ended and we were back in Ely I heard someone remark, "Bus driver, let's turn around and go back—this was so much fun!" Well, like all things, they are perfect or not must end. I heard many people say that the only reason they'd like to go home is because they were so hungry themselves.

I'LL NEVER FORGET

(Continuation)

Mr. Rogejl, our Supreme President opened the session with an address and Ely's Mayor John Kapsch welcomed the delegates to the city of Ely. Following this the nomination slate for officers was presented and the following were elected: Robert Zbasnik, convention chairman; Mary Smith, Rose Kuznik, Edward Hrvatin and Lawrence Golenko, vice-chairmen; Robert Champa, secretary; Angela Laurich, Dorothy Jergel, Leonard Perushek and Rudolph Okoren, recording secretaries; Anthony Glavan, sergeant-at-arms.

Many fine resolutions were presented by the resolution committee and were adopted. I hope that these resolutions and the convention as a whole will be beneficial to our AFU, and in order to make it so let us all remember what we were taught and told during the convention and live up to those things.

It was voted on that Mr. Zbasnik retain his title as "Father of the Juvenile Convention." Mr. Zbasnik thanked all the delegates and said he appreciated this honor bestowed upon him and that he would do everything to his utmost to live up to this title.

There is no doubt that he will, seeing how masterfully he carried it in the past. You would have to look far and wide to find a man who could step into his shoes and carry on his work so splendidly as Mr. Zbasnik. A loud ring of applause was Mr. Zbasnik's reward for his fine speech.

And remember, juveniles, the nice speech our editor, Little Stan gave. Remember that he stressed to all of us that he is very proud of the juvenile writers, that they are all doing fine. He said he didn't want to dishonor anybody—that every juvenile writer was worthy of mention. His only hope was that in the future we would continue to contribute to the juvenile page. So let's not disappoint him, juveniles.

Robert Zbasnik makes a perfect convention chairman. I'm sure all the delegates agree with me on that. When he was called to his chair, only for a second he hesitated but he wasn't there more than a few minutes when he felt perfectly at ease. During the entire meeting he wore that pleasing smile of his. After the meeting I saw many people go up and congratulate Bobby on the way he handled the presidency.

The meeting was adjourned at ten-thirty—earlier than expected, so it gave the delegates plenty of time to get ready for the afternoon's fun—the sightseeing trip on Lake Vermilion.

Twelve-thirty found the delegates at the Home Office where busses and cars were waiting to transport the delegates from Ely to Tower to the Aronson Boat Livery. Before we started some of the delegates got a lot of extra souvenir Nova Dobs from the Home Office and on the way to Tower you should have seen the paper fight that was going on in our bus. The bus driver must have had some job cleaning up the bus after. Every time Rose Kuznik and I would get hit with paper we'd throw it out the window so souvenir Nova Dobs were "spread" all the way from Ely to Tower.

Arriving at the Aronson Boat Livery in Tower, Skipper Aronson had his boat the "Maryland" ready to take the delegates on the sightseeing trip on beautiful Lake Vermilion. On the side of the boat there was a sort of raffia the length of the boat. On this there was more room to "move about" so my friend Rose Kuznik and I were on that for the entire trip. The jolly Cleveland group, Dorothy Rossa, Stanley Zagor, Frank Znidar, to mention a few—started the fun off by entertaining us with Slovenian songs—and were they ever good!

Rose Kuznik, this being the closest to water she had ever been, was always at the edge of the boat. Once when another boat went past us it caused a big wave and when our boat hit it, did Rose and I get wet, being at the edge of the boat. MY FIRST SHOPPING TRIP

(Continuation)

Homer City, Pa. — I was sitting here with a pencil in my mouth trying to think of something to write. All at once it occurred to me that I ought to write about my first shopping trip.

It was the first time I went shopping in another city by myself. Usually someone else accompanied me. This time I was to go alone, and I was very happy. I needed some new clothes, and my dad decided that I was old enough to take care of myself. So, next day I hopped on a bus bound for Indiana, Pa.

On the bus I met another girl from my hometown who was also going up town. When we got to Indiana, we decided to have the time of our lives, seeing everything there was to see.

We went to the airport—and it being the only time I'd ever seen one—I made certain it wouldn't be the last either. All in all, we spent a wonderful day.

My uncle from Canada came to see us on Labor Day. They wanted to take me back with them, but I had to go to school. Boy! Was I angry because I couldn't go! So long!

PUBLICATIONS AT KENT

(Continuation)

Many prominent speakers come to the convention. Some are well known. Featured lecturers included such writers as: Fred Kelly, author; Louis Seltzer, editor-in-chief of the Cleveland Press and of all Ohio Scripps-Howard newspapers; Louis Bromfield, author of many well read novels; Henry Alsberg, foreign news writers; Roger Starr, news commentator for Columbia Broadcasting Company and other editors of well known local papers.

Immediately following the college convention a Northeastern Ohio Newspaper Clinic for the newspaper men of the small city daily and weekly newspapers was formed. It includes editors' meetings and meetings for various branches of a newspaper.

In May the high school students of Ohio are invited to the University for a one-day conference, the Northeastern Ohio Scholastic Press. One of the highlights is the dramatized news event. The students are given prizes for the best story of the event. Last year a murder of a Chemistry professor was staged; this year the escape and capture of two convicts was presented. This is all just of course to test the ability of the writers.

Another big occasion for newspapermen is the Annual Short Course in News Photography. It is considered one of the most successfully streamlined courses of its kind in the country. Many outstanding men in the photographic world attend. Some well-known ones were: Kip Ross, editor of the "National Geographic" magazine; Harry Bager, manager of "PM"; Wallace Kirkland, "Life" photographer; Dick Sarno, staff photographer of New York "Daily Mirror"; George Gred, color photographer for Chicago "Tribune"; Ralph Peters, Detroit "News," rotogravure editor and others. Hundreds of pictures from all parts of the country are sent to Kent for display and judgment for prizes. They are on exhibit to the general public.

The Duchess

The Duchess is the campus humor magazine. It is issued eight times during the college year, each edition has a different theme. The writers attempt to give the funny side of college life in literary form. The Duchess first began in 1936 and has made rapid progress in popularity, size and circulation.

This magazine has sponsored a date bureau. It honors outstanding men and women of the month. It is chuck full of jokes and funny stories.

The Chestnut Burr

The Chestnut Burr is the school's yearbook. It is both artistic and well written. Into this book go thousands of pictures and writeups of the year's outstanding events. It takes hours, days, weeks and months of work to complete it. The finished product is a prized possession of every student. In its pages are hidden college memories. Into the books goes a lot of time, energy and worry—and a lot of fun.

A college yearbook well deserves the name year; for it takes a complete year to present the finished product. Photographers and writers must be on hand to record the first event of the year. Freshman week and every event after that. The book usually consists of about 300 pages with pictures of buildings, student organizations, sport events, social activities. Pictures of the president and other college professors are also included.

The cover is of leather with embossed letters. Every Kent State student looks forward to the appearance of the yearbook each May. I wish you juveniles could see these books some time, then you'd know really how good they are.

Kent State has really a little writer's paradise of its own. Every student who likes to do any type of writing can find a place for it in the paper, the magazine or the yearbook.

ACTIVITIES IN RAINY SEPTEMBER

Ely, Minn. — Back to school September second—the day was bright and sunny—but it was one of only four days we had without rain this month!

I am a Junior in High School. My subjects are: English, U. S. History, Geometry, Typing, Shorthand, and Physical Education. I have quite a few outside activities, belonging to the Girl Scouts, Church Choir, take piano lessons, and am on the staff of our High School paper, the Ely High Lights.

This Saturday, regardless of the rain, seven girls in our Scout troop went on a sightseeing outing in the woods and were shown many interesting places by a local forest ranger.

We ate our lunch in a cabin. The woods around it were just beautiful—even in the rain. We found some blankets and it being chilly we wrapped them around ourselves.

Looking at one another we had a laugh as we resembled a tribe of Indians. Finally we started an Indian pow-wow and this jumping around kept us warm before the fire started. On the way back we stopped at a CCC camp and were shown around by one of the officers. We stopped and admired many different lakes. Because the lakes are so numerous, we give them names such as Lake No. 1, Lake No. 2, This Man, That Man, etc. Because it was cold, a heavy mist hung over many of the lakes, the water being warmer than the air. Naturally it would be a handicap to a canoeist but it was a beautiful sight to an onlooker.

In spite of the rain we all agreed that it had been an enjoyable day.

Congratulations Mr. and Mrs. Little Stan and I wish you all the happiness in the world!

Defense Bond

QUIZ

Q. Has the Government set a quota to be raised through the sales of Defense Savings Bonds?

A. No; there is no quota and no time limit. The Defense Savings Program is to be a continuing effort, and both Defense Bonds and Stamps should be purchased steadily and regularly.

Q. Why were the Nation's retail stores asked to sell Defense Savings Stamps?

A. American retailers were not asked—they volunteered through their national organizations to undertake the sale of Defense Savings Stamps on a vast scale.

Note: To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also Stamps now are on sale at most retail stores.

Pedestrians Warned

Thousands of persons of all ages, youngsters and elderly men and women are walking and running to meet death or injury on city streets. Over half of the national traffic toll were pedestrians, 97 of Cleveland's 120 traffic dead last year met death on foot. Comparatively few of these accidents were caused by vehicles mounting the sidewalks or disputing the right of way on country roads. The greatest number happened as pedestrians were hurrying across city streets.

Life is closer together is a good description.

You take a fellow from any of these smaller cities and suddenly throw him into the middle of a fast moving metropolitan city. What have you? — You've got a bewildered looking gent who is afraid to take a step in any direction for fear of getting lost; afraid to cross the street for fear of being run down by heavy flowing traffic. But this is merely the first step.

Gradually as he becomes more accustomed to the city he begins to take note of his surroundings. And some of the things he sees are just as unusual and as funny, if not funnier than the sight of a city feller looking at his first cow and wondering what kind of an animal it was!

To see a wild deer or a bear running across your front lawn is not a rare sight, though it doesn't happen every day. But to the city person who thrives only on the news sent him by

Collisions between autos have decreased as much as thirty percent over the past seven years because motorists have realized the need for caution but pedestrian accidents are still increasing because of failure to keep pace with the accelerated traffic tempo.

Pedestrians sometimes forget that though they have the right of way while on the sidewalks, the moment they enter the street they are just as much responsible for avoiding accidents as the drivers. While this does not in any way lessen the motorist's responsibility it does give the man on foot his share. Modern traffic demands alert attention and care from both walker and driver.

Collisions between autos have decreased as much as thirty percent over the past seven years because motorists have realized the need for caution but pedestrian accidents are still increasing because of failure to keep pace with the accelerated traffic tempo.

The McChord Field recruit, in the big town of Seattle, Washington, for the first time, attempted to pass through the revolving doors of a department store. Never having met one of the things before, he made a complete revolution and ended up on the sidewalk again.

He sat down on the curb to study it out.

A moment later a young man walked into the store. The door went around and a woman came out. The recruit put his chin in both hands and thought hard.

"What gets me," he muttered at last, "is what the devil he did with his clothes."

Ilirsk Villa Lodge No. 173, Cleveland, O., will commemorate its 15th anniversary with an appropriate program scheduled November 8th.

Our Editorial Policy

Responsibilities of tremendous importance fall on the shoulders of the editor of any newspaper. In addition to literally being a "Human Encyclopedia" he must scan every contribution with deadly accuracy to be certain everything intended for publication is in accordance with the policy of the publisher, be he partisan or independent. Many examples can be cited where carelessness resulted in damaging libel suits.

Publisher of Nova Doba is the American Fraternal Union, representing over 25,000 members in 23 states. Policy of the paper is outlined in the by-laws (Page 31) and upon the shoulders of the editor falls the responsibility to carry out in precise accuracy every rule set forth.

These rules have been adopted by the 16th Convention—where delegates representing every member cast a majority vote in favor of them.

In many instances, articles have been submitted that could not be published because they did not coincide with the rules in the by-laws.

Inasmuch as the editorial staff is beginning a series of articles, clarifying and emphasizing important sections of our by-laws, it is with good thought that the first section deals with rules and regulations governing the editorial policy of your official organ. It is your paper, intended for your education and enjoyment, and members of the American Fraternal Union must know how to be an accurate and active part of it.

The by-laws state: "The editor shall edit the official organ in conformity with the by-laws of our Union and along the lines of fraternal and progressive principles... that it serve the membership as a medium of information in respect to general condition of the Union and subordinate lodges... that it will be a source of education and diversion to the members... and THAT IT WILL SAFEGUARD THE GOOD NAME OF THE UNION." This latter sentence is great in scope and demands unerring accuracy!

Napredek's Important Session Friday

Euclid, O.—An important meeting is slated by Napredek Lodge No. 132, AFU, Friday evening, Oct. 10, at 7:30 p. m.

MEMBERS ARE URGED TO TURN OUT IN FULL NUMBERS AS MANY IMPORTANT MATTERS WILL BE TRANSACTED.

Besides the regular three-month financial audit, several other important reports will be given.

At the last meeting, a discussion was held regarding advisability to sponsor a Fall festival. Some members felt an affair like that was timely and it was decided that the secretary write in Nova Doba inviting and urging all members to attend the meeting Oct. 10, where the idea can be more thoroughly discussed.

Therefore, members, I urge you all to attend the meeting; matters to be transacted are important. Rightly, every member should be familiar with the lodge in every respect and know whether it is progressing or retarding. To some this does not matter.

ATTEND MEETINGS AND READ THE OFFICIAL ORGAN.

After a meeting, members ask the secretary what has been accomplished. If they attended the session and read the official organ, they would be well informed.

MAINTAINING AN ACTIVE INTEREST IN THE LODGE IS A DUTY FOR ALL MEMBERS.

There are a large number of members who work hard for the lodge, and these must be given full credit and recognition. It is too bad, all aren't like that.

But we all could improve in that direction if we wanted to.

Don't forget to attend the meeting, Friday, Oct. 10 at 7:30 p. m. Fraternal regards.

ILIRSKA VILA NO. 2; NAPREDEK'S BUMS; BETSY ROSS WIN 3 GAMES

By Joe Kozar,
Sec'y Cleveland AFU Bowling League

Stan. F. Smrtnik with 476 was high for the Cavaliers.

Cleveland, O.—Entering their second week of bowling with all eight teams appearing on the slides the AFU keglers are now organized for the season. Judging from all indications of Friday night the bowlers are in for a treat of some real bowling competition.

Though the bombardment on the maples was not quite as heavy as the previous week three

teams gave their opponents a three game reversal; Ilirska Vila No. II set back the Napredek's Cavaliers; Napredek's Bums set back the St. John's Johnnies and Betsy Ross did likewise to the St. John's Saints.

The Collinwood Booster and Ilirska Vila No. I encounter turned out to be quite a tussle with the Boosters emerging with the two game win.

The three game reversal of Napredek's Cavaliers at the hands of Ilirska Vila No. 2 team was largely due to Little Stan's 545 series which was

high three for the night. Little Stan included a 236 game in his series which incidentally was

the first game he bowled this season. It certainly is a nice way to start off the season,

487 tried desperately to give the Saints at least a one game victory.

With Ludie Laurich again

leading the way for the Collinwood Boosters with a 524 series

they were able to continue their winning form by nosing out a

two game win from the Ilirska

Vila No. 1.

OUR EDITORIAL POLICY

(Continued from page 5)

of the AFU in good standing—nothing can be printed of that nature. Likewise, political rally announcements are taboo. Only newsy item, and this providing the candidate is a member, is that he or she is a candidate; or that he or she has been elected to certain office. Nothing else will be printed. Religious meetings of any kind cannot be advertised in accordance with the "hands-off" policy.

Should there be any doubt on the Editor's mind over questionable articles, he is authorized to submit the article in question, to the Supreme Board, whose final disposition will be binding.

Controversies between members are strictly prohibited as the by-laws point out: "The Editor shall publish any communication submitted by a member of the Union, provided: If the contents thereof are proper; if it is devoid of any ill-feeling against a co-member of the Union; if it is free of provocation, insult, or unjustifiable assault, and he shall refuse the publication of any communication if the contentions are not true, or if it is apparent the writer intends to injure the good name of a member, or his family." This is of grave importance.

Most common error thus far has been forgetfulness of contributors to sign their name in ink at the end of each article. Our by-laws state: The Editor shall not publish any contribution unless the same has been personally signed by the writer. No matter how important your article may be—it cannot be printed unless your name is signed in ink.

In every case where the Editor declines to publish any article, he so notifies the contributor, also giving reasons why the article was not published. If the member in question feels that an injustice has been done him because of such refusal, he may take an appeal to the Supreme Judiciary Committee which, after proper investigation, shall decide whether the article shall be published or not.

Another job on the Editor's shoulders is to keep a list of addresses of all adult members of the Union as reported to him, and shall see to it that each member receives his copy of the official organ each week, provided that he shall have received due notice of any new or changed addresses of members from the Supreme Office, secretaries of subordinate lodges, or members.

Names and addresses of all members who have passed away, been expelled or dropped the society, should be submitted to the Editor by lodge secretaries so that the paper can be suspended. If such members are still getting the paper, it is not the fault of the editorial staff, as this office has not been advised.

Members must keep in mind that the Editor never "butts" into the affairs of other fraternal societies. Most fraternal organizations have their own official organ for their own purpose. We cannot advertise anything but our own affairs in our paper. Only one instance is pointed out. And that where our lodges participate with lodges of other fraternals in a combined effort. Otherwise we do not interfere in any manner.

Start Sooner

Cleveland, O.—Start sooner—is the keynote of the Nationwide Emergency Safety Campaign starting October 6, 1941. Increased traffic congestion due to the defense program, expanded employment and all around increases in business activities, causes greater delay in travel. The trip from home to office or factory which used to take 30 minutes now takes 40 minutes, with a proportionate increase in time for all journeys.

Too many drivers do not allow for these new conditions, probably from force of habit

they start out at a certain time, not allowing for the extra delay, they are forced to take chances in traffic to complete the trip on time.

The Cleveland Police Department asks for the cooperation of all persons using the streets of the city to start sooner, drive and walk carefully and arrive safely. By starting sooner you can allow a little extra time for the delay encountered on the trip. The dividends returned in savings on gasoline, tires, brakes and the avoiding of "traffic nerves" will well repay the person who starts sooner!

Fine Entertainment Featured

During the banquet Mr. Guichik and his two daughters of Anaconda, Mont., and Mr. A. Leskovar played several musical selections which were well received.

The Benchich sisters rendered several vocal selections.

Former Delegates Are Waitresses

Waitresses at the banquet were Irene Spear, Mary Petritz, Dorothy Predovich, Dorothy Ponack, Tillie Roncevich, and Anna Gornik, all delegates to the Third Juvenile Convention in 1939.

The banquet was delicious. When it was over, a dance concluded festivities. Music by an accordion player who delivered excellent polkas until the wee hours of the morning.

Many Guests Attended

A large delegation of officers and members of Lodge 43, East Helena, Mont., attended the banquet. Delegation consisted of Mr. and Mrs. Louis Smith, Miss Jennie Smith, Miss Mary Ann Smith, Mrs. Russ, her daughter, and son-in-law, Mrs. Kovacich, Mrs. Mary Langenfus, Mrs. Strojan, Mrs. Rupar, and Mrs. Gladisher.

Next morning, Bro. Rogelj left to participate in the national convention of the National Fraternal Congress. The visit was short, but I hope he enjoyed it as much as we enjoyed having him with us.

Umbrella Tent to Teach Children Lessons in real Self-Dependence

Cleveland, O.—The boys and girls at Children's Aid Society, 11427 Detroit Avenue, never have had a chance to camp out, and never have had the chance to be really self-dependent. Too young to cook their own meals, or to do work that would earn them money, they now have their opportunity, since the men's committee of the Home gave them an umbrella-style tent.

Eager to camp out in it, they could not wait for the date set for their camping trip in Hinckley Reservation, and they set it up in their front yard. After that they went in relays to Hinckley Reservation, 20 miles south of Public Square, about six boys at a time under the care of instructors provided for them by Community Fund givers.

"This is their first chance to feel they are able to take care of themselves," said Meyer Schwartz, their instructor. "They make up their bunks, plan their own activities, and they learn the responsibilities that go with this sort of independence."

Children's Aid Society is only one of the many character building agencies for which the Community Fund will ask gifts from October 20th to 30th.

Though the Navy can not accept them until they are 17, and requires a birth verification, young men frequently try to enlist before their 17th birthdays.

This week a young man wrote the Cleveland Navy Recruiting asking if he could be enlisted on his 16th birthday, which would fall during September. Among the reasons he gave as to why he thought he should be accepted regardless of the fact that he was underage was this: "I'm 15 now and look like 16. So when I'm 16 I will look like I am 17."

Betsy Ross Writes to Soldier Krall

Cleveland, Ohio Oct. 2, 1941

Pvt. Patsy Krall:
Recruiting Detachment
Charlotte Air Base
Charlotte, N. C.

Dear Patsy:

Hi, soldier! I'll bet you think I've forgotten you and the rest of the boys who are out there helping Uncle Sam. But I sure haven't! No kidding, Pat, we certainly do miss you. Whenever the gang get together, someone or other mentions you. And if you could hear the orchids they hand you, you'd need a new hat. Just last Thursday, when we were all at the E. 152nd Street Recreation—playing the first games in the AFU Bowling League, we met a Geo. Washington member (Frank "Samson" Drobnik) and he started to tell us how you were our Goodwill ambassador years ago at the National Bowling tournament in Illinois. He said you were the only B. R. who could make it to the tournament and you came late and all alone but you got there in time to represent good old BR.

Incidentally, you should have been there last Friday to see the grand turn-out of AFU bowlers. The Boosters, Napredek's, St. John's, Ilirska Vila, and of course, our Flagmakers, were all there. Joe Kozar was the head-chief in charge of the affair and he did a grand job of lining up those teams. Dot Rossa officially opened the League bowling by throwing the first ball; and Stan Zagore, the new United Lodges AFU proxy, did some swell substituting for the AFU Athletic Commissioner who wasn't able to attend. We were scheduled to play the Boosters; and they took two of the three games. But it's no wonder—you should see those guys play. Why—we watched Joe Struna alone make one strike right after another. But we had some pretty good players on our team, too. Your brother, Blackie, took the lead right away at the start and he sure went to town. Willie Quinn took the first prize though with his score of 244. Looks like we've got some blue-ribbon material there.

The instructor has just completed his Masters Degree at Columbia University where he majored in this type of training. He has sample examinations for Postal Positions, Customs Inspectors, Filing Clerks, Policemen, Firemen, Immigration Inspectors, and others.

Much attention will be given

to a thorough review of Arithmetic, Spelling, Geography, American Government, tests, etc.

Government service is now in great demand. At the Adult Education Foundation, Inc., where individual attention is given all students, one can prepare quickly to meet these demands. The course will train students to take one or more of these examinations.

Classes will begin Tuesday, Oct. 7th, 1941, at 6:30 p. m.

Those interested may call at the office or telephone MAIn 9603 for further information.

Betsy Ross Lodge 186, AFU, will sponsor a dance November 22.

All-Slav Congress representing over 10 million Americans-Slavs, will be held in Pittsburgh in December.

at 7:15 p. m., ready to start bowling at 7:30. Many of our bowlers must be at work by 10 p. m. and that is why everyone should be prompt!

Federation Events

I would like to notify that the Illinois, Wisconsin, and Indiana Federations have listed two big events for next year.

First is a fine program of entertainment scheduled Jan. 1942 in the Slovenian School hall on Cermak Road and Wells Ave.

Second Sunday in July a picnic will be held at Kegel's Gardens, Willow Springs, Ill.

Slovene Lodges and clubs in this vicinity are asked to take note of these dates, and avoid conflicting events in these days.

Fighting 71st Johnnies

By Elsie M. Desmond

Cleveland, O.—Through rain and more rain our small group led by Dorothy Rossa finally (yes, after three hours of driving) got to the Croatian hall in Struthers where the Cardinals' dance was being held. (Numerous stops were made at gas stations, no beer parlors either, only a stop at Girard at the Slovenian Home.)

Rain and more rain, but inside the hall, which was very crowded we were met by many of the popular Cardinals who ushered us right down the steps—to the bar—for pop?

There was our good friend, Eddie Glavic working enthusiastically behind the bar as was Pete DeLost . . . Finally met that man by the name of Gus Olsonovich or somethin' like that whose g. f. is our popular Molly Slabe. By the way, Molly, we noticed that ring on the third finger, left hand . . . Gigolo with that so-called wild shirt assisting in the work . . . Sorry, but got jittery so I didn't go to talk with Miss Mary Penich, although someone pointed out a very pretty young Miss . . . Mr. and Mrs. Zlogar working at the refreshment stand and enjoying a chat with them . . . Eddie's other sister, Mrs. Cikulin also there . . . Stan Pogacnik "wolfing again" . . . Dedication of

35th Anniversary of Lodge 66 Commemorated Nov. 9

Joliet, Ill.—Thirty-five years of progress will be commemorated by Lodge 66, AFU, of Joliet, Ill., with an impressive program and dance scheduled Sunday, Nov. 9th. Program begins at 2 p. m., and the eventful day will be concluded with a dance and party.

Headlining the program of entertainment will be a group of Chicago AFU members headed by Bro. Anton Krapenc, who is also fourth supreme vice-president of our Union. Our own Singing Club under the direction of Prof. Rozman, will be another excellent feature.

Admission tickets are now on sale at 50-cents each and can be obtained from any of the lodge officers.

At our last meeting, members passed a motion requiring every member to purchase at least one ticket. All profits derived from

AFU'ers Roll Before Enormous Crowds

By Little Stan

Cleveland, O.—East 152nd street Recreation was jammed to near capacity Friday as the Cleveland AFU bowling league rolled into the second week of active league play. This time there were no eight teams shooting down the hardwoods. Ilirska Vila's Team 2 succeeded where others had failed.

* * *
Little Stan came on time—for change—and didn't have to leave immediately as a couple of good-natured fellows questioned him. He filled in as the fifth captain in Ilirska Vila's No. 2 team composed of Laddie Debevec, and F. Ulyan, calling against Napredok's the last swept a 3-game series.

* * *
Certainly was a great gang many rooters on hand. Mrs. Skoko of Euclid was on hand watching her son roll for Napredok's, and he did well, but Foul fine cut his score down. That Napredok gang did well and showed up to be swell. Led by Joey Korenec, they held their own. It happened in the first game, Little Stan hit a 236 which even swerved his timbers.

Collinwood Boosters, the members of 71, Betsy Ross, Ilirska Vila's all combined to make

were Joe Krall and Sophie Poconik.

About 10:30 p. m. another carload of Clevelanders arrived. They were Blackie Krall, Ivan Rozance, Eugene and Marie, Joe Kozar, and Kocin boys. (All seemed to be making a hit with the girls, what is it boys?)

Others from Cleveland were Alice and Ham Laurich; Vickie Smuk; Edith Kovach, Dorothy Takavetz.

The Yankovich orchestra had the honor of playing for the dance. On the way home Steve Millison of Struthers, Ohio, came back to Cleveland. He stayed at Frank Znidar's house. Don't forget to come to our great dance which is going to be held on November 8th.

St. John's Bowling League has two teams. One is called the "Johnnies" the other the "Saints." They both are very good. In the fourth frame the "Saints" all got a strike. (Can't say we haven't got a good team.) Some of the spectators were Johnny Kogoy who is a member of St. John's. (Holding out on us eh, Johnny.)

Fighting 71st Johnnies

Frank Znidar with B. R. member, Tony Malovasic. Well, Frank I didn't forget that it is Burnett... We missed Phil and Windy of the Cardinals and they invited us to the dance... Music by Yankovich was fine, although the heat was terrific, but yet everyone seemed to be having a wonderful time.

All grand events must come to some end, thus did the Cardinals' dance which was very successful due to such a fine committee from Struthers and due to the fact that such a nice representation of AFU'ers came from all over. Fine spirit for the Union.

Although stillness was observed in the car going home in those wee hours of the morn, Stan Zagore did have to speak his "be quiet." And coming home we made room for another passenger who we were to leave off at the outskirts of Struthers in order to get a bus home; but as busses weren't running Steve Millison had to spend the day in Cleveland, which I'm sure he didn't regret.

Got home safely for your concern and had a perfect time... Come on Cardinals—when is your next affair? Hope you make it soon. We'll be seeing you there but in the meanwhile don't forget our dance, November 8th.

AFU Bowling League began its second Friday in bowling at the East 152nd Recreation with another team started by Ilirska Vila—team No. 2 instead of G. W.'s.

Our St. John's Saints did some more good bowling as proved in the fourth frame when each player had a strike. Wonderful, I think.

Tony Baraga is really thriving for a perfect bowler. He did get five strikes in a row. But more detailed reports of bowling will be written by Joe Kozar, secretary. Again, bowlers, Friday evening at 9:00 a. m. to bowl and spectators cordially invited to attend.

Meanwhile be giving a deep thought to our dance Saturday, November 8th at the Slovenian Workmen's Home, Waterloo Road. St. John's Victory and 40th Anniversary dance with music to Tony Malovasic's Orchestra. Sold twenty-five more tickets so hurry and get yours.

Traffic Safety

There are many different opinions about traffic laws and whether they are necessary or not. Many believe that there are too many laws for driving, that they are too strictly enforced and that traffic would move along just as well without most of the restrictions. One motorist, who has a record for safe and skillful driving, had a different view. Traffic laws, in his opinion, are only written rules for courtesy in the use of our streets and highways. That this manner of encouraging good driving manner must be backed up by a system of fines and other penalties is proof of their necessity.

Another serious problem in modern traffic is to develop a sense of responsibility for safety in the pedestrian and some consideration for the limitations and rights of the motorist. Everyone knows how the man on foot will foolishly endanger his life and depend upon the motorist to avoid an accident. It is hoped that enforcement of the jaywalking laws will develop better walking manners and urge the man on foot to use reasonable care for his life and limb when he steps into the street.

Notice To Uncle Sam's Recruits

All lodge members in the American Fraternal Union are notified to send in addresses of those members who have been recruited in Uncle Sam's Selective Service Army. Immediately after address of enrollee is submitted, the Nova Doba will be sent each week — anywhere in the country. Send in his address today.

Meeting of Ohio Federation
of AFU Lodges will be held Sunday, Nov. 2, at 9 a. m. in the Slovene National Home on Waterloo Road.

More Idle Chatter!

Enumclaw, Wash.—How do you do, dear readers. Once again you are dialed to station E-N-U-M-C-L-A-W, located in the "Evergreen" state of Washington.

So sit back in your easy chair, relax and make yourselves comfortable while we bring you interesting tid-bits from this distant city.

Slav Mass Meeting

One of the most colorful and eventful gatherings ever held in the history of the Slav people of this state was brought about very recently when the Ukrainian Club of Seattle called a mass meeting of all Slavic organizations and people in Seattle and vicinity. The Slavic Victory mass meeting held at the Polish hall in Seattle was called for the purpose of uniting all Slavs against Nazi aggression and to aid the millions of Slavic peoples in Europe who have suffered so greatly under the heel of the Nazi.

Jugoslavs, Czechs, Slovaks, Poles, Ukrainians and Russians all came in great numbers. Definite plans for united action were formulated.

Urging immediate opening of the western front to bring about the speedy military defeat of Hitler fascism was urged on Prime Minister Winston Churchill in a cablegram sent by representatives of the 100,000 persons of Slavic descent who attended the meeting. The cablegram which was introduced by Dr. Ivar Spector, of the Department of Oriental Languages of the University of Washington, was adopted with a roar of assent.

The rally also voted to set up a Pan-Slavic committee. The committee will meet in the very near future to elect its officers and to launch its campaign for united action of all Slavic groups.

National Fraternal Congress

Following the National Fraternal Congress convention held in San Francisco recently, the newly-elected national president, the Honorable Thomas R. Heany was honored at a banquet sponsored by the Washington State Fraternal Congress in Seattle. Invited among the many dignitaries was also the supreme president of our AFU, Bro. Janko Rogelj. The many friends of Bro. Rogelj had looked forward eagerly to a visit from him to the coast and so were keenly disappointed because of his absence at the Congress banquet. Perhaps sometime soon Bro. Rogelj will honor his many AFU friends in Wash., by visiting here. An invitation is always standing so we hope you will keep it in mind Mr. Rogelj.

Many fine speakers appeared on the program. Mayors from Seattle and Tacoma addressed the group. Sharing honors with the guests were also members of the executive committee of the state congress who were introduced to the audience. The speaking was interspersed with excellent musical entertainment. The hall was filled to capacity. The banquet was very successful and one of the very outstanding social functions of the Congress.

Sports Flashes

Turning for a moment to sports we find that Darwin Bainton, popular Slovene lad, by the way a grandson of Mr. and Mrs. Rudolph Petchnick, active AFU'ers, will pass up his sophomore year at Washington University and so has signed up to play on the Silver Barons football squad. Young Bainton played brilliant football on the University team last fall and is really slated to go places.

Imprisonment and Inhuman Treatment of Slovenes by Nazis in Jugoslavia

(Continued)

Among the prisoners were put thieves and criminals. The imprisoned women were accompanied to the toilet by the soldiers.

The prisoners were driven with shouts and blows to the toilets in groups of 5.

All the time there was a terrible shouting in the barracks in order to strain the nerves of the prisoners.

It may be noticed, that the members of the Gestapo and other German organs took away from the imprisoned families what they still possessed: gold, money, coffee, sugar, soap etc. In spite of all this the prisoners kept an admirable self-control.

The prisoners were crowded together in the autobusses and barracks. For instance, in autobusses for 30 there were put 50; in barrack-rooms 50-60 people instead of 20-25. Laying on the thinly spread straw or on the bare floor they could scarcely turn on the other side.

In the barracks of Maribor a special sadistic behaviour was shown by the sergeant Rozman.

Five to six times a day he inspected every room, shouted at his victims, upbraided them in a most vulgar way and derided the Slovene language. He boxed without reason some of the prisoners and beat them so that the blood came. In a like manner behaved "oberwachtmeister Bovha".

In the night of the 6th and 7th of May four drunken Germans from Celje (Konig, Skoberne, Perisich, Lazic) came to the court-prison where Slovenes were imprisoned together with 3 members of the Gestapo and beat 17 Slovenes with the "boxers" and iron rods so that almost all fainted with broken ribs and wounded heads. A Slovene girl had to look at all these cruelties because once she was not willing to gratify the lust of Fritz Skoberne. The girl fainted and is still suffering with her nerves.

On the 12th of May the aforementioned Rozman beat in the prison a barber. The latter got a big wound on his face. In such a state he was led in the courtyard, where he was put through gymnastic exercises in rain and mud; they threw him in the cellar.

At the same time major Ljubis, the commander, forced the prisoners to sing whilst they were filmed for propaganda purposes.

In the castle Borl near Ptuj several hundred intellectuals especially teachers were imprisoned; members of Gestapo came also there and beat them.

In Carinthia too, as the war between Germany and Yugoslavia broke out, they began to persecute the Slovenes, especially leading persons are imprisoned in Klagenfurt; they must sleep on a concrete floor, at night they are beaten, their food is very bad.

In Slovenia gradec, on the 17th of April, all outstanding Slovenes were arrested, judges, physicians, school-inspectors, also the priests and owners of factories and merchants. The members of the Gestapo behaved towards them very rudely. The school-inspectors had to gather before the railway station with bare hands straw and horse-dung. They scared them in many ways, saying that they will break their Slovene spirit.

Two rich timber merchants were driven round a stack, perhaps 60 times. Further, they had to fall down and to rise repeatedly. They were also forced to carry for the Gestapo the furniture out of their own houses into other houses.

The hearings often were brusque and immoral. A woman teacher was asked: have you any children? Upon her negative answer, that she was not married, the Gestapo replied: This does not matter, our Fuhrer says, that every girl must have a child, legitimate or illegitimate.

Again and again are reported violences done by members of the Gestapo or other German organs to girls. From Upper Carniola there are reports that in some places they brand girls of 18-20 years with the sign MM (Militärmaedchen); these girls are then sent into barracks.

Even the eldest priests, as for instance the retired F. Flavtizar of Ratece, over 90 years old, were forcibly taken to the concentration camp. F. Jeme, over 80 years old and helplessly ill, was brought from the mountains and died two days later in the concentration camp at Menges.

H. Transports to Serbia

Every week beginning from June 13th two trains for transport left Styria. Up to June 25th seven transports arrived at Arandjevac, south of Belgrade. The people transported settled in various Serbian regions:

	People
Jagodina	430
Paracin	233
Cuprija	305
Krusevac	309
Zemis	310
Djurinac	380
Ralja	389
Milanovac	350
Crak	350
Krusevac	350
Kragujevac	350
Lazarevac	350
Obrnenac	350

Eight further transports, each about 350-540 people.

In the month of July there was a transport every day.

The deported beckon from the train with pocket-handkerchiefs, but are not allowed to cry or sing.

In the station Zidani most good people brought food to the first transports. Now this is forbidden.

The Germans, viz. the Gestapo, pick up the families and supply out of the villages. From Upper Carniola they carried away the first transport in 28 autobusses in the night of the 5th to the 6th of July, the second transport in the night of the 6th to the 7th, and the third in the night of the 7th to the 8th of July, there have been led away from Jesenice 70 families, from Radovljica 22, from Lesce 10, from Trzic, Naklo 8, several families from Menges, Slomac and Radomilje, from Gorje 7 families, from Sv. Kriz 3; from Kranj some lawyers, professors and merchants with their families, from Skofja Loka 30 families, etc. etc.

At first they brought all priests and the entire Slovenian intelligentsia to the penitentiary at Begunje, where there were gathered about 1000, and others to the episcopal college at St. Vid near Ljubljana, about 800 people.

In the first days of July they took the families of the interned people out of their homes and yesterday and today led them together away towards the South.

To be continued

Masquerade Dance will be sponsored by Lodge 75, AFU in Meadowlands, Pa., Saturday, Oct. 18. The dance will take place in Bear's Hall, and prizes will be awarded for costumes.

zastopniki naših podpornih organizacij, katere poznamo in jim zaupamo. Prepričani smo, da se pošiljanje denarja ne bo skušalo aranžirati preko Rima, kakor bi želeli neki laški agenti. Rim še ni nikdar nič dobrega storil za Slovene. To vedo posebno povedati primorski Sloveni, katere že nad dve desetletji osrečuje Rim. Mi Rimu prav toliko zaupamo kot Berlinu, to je ničesar. Odbor Slovenske sekcije Jugoslovenskega pomožnega odbora naj bo torej v tem oziru kar najbolj previden.

Nato je bilo sklenjeno, da se kupijo potrebne knjige za knjigovodstvo. Denar za te knjige sta darovala Joe Garm in Mike Gorenc. Predsednik Kramar vpraša, kako dačel naj sega poslovica našega lokalnega pomožnega odbora. Stavljen in sprejet je bil predlog, da se skuša nabaviti poslovničko za ves okraj Mercer, kjer sta mesti Farrell in Sharon največji slovenski naselbini v okrožju.

Sprejet je bil predlog, da se za enkrat še neloči dneva za redne seje, ampak, da naj predsednik sklice sejo, kadar vidi, da je potrebno. Predsednik apelira na zastopnike, da naj pri vsaki primerni priliki skušajo dobiti kake prispevke v pomožni sklad; v vsaki veseli družbi naj bi se pobirali prostovoljni prispevki v ta namen. Dalje je bil sprejet predlog, da naj se izvoljeni odbor potrdi, da se dobi poslovnicu takoj. S tem je bil dnevni red izčrpan in predsednik je zaključil prvo sejo naše pomožne akcije.

Frank Kramar, predsednik; Frances Gorenc, tajnica.

Cleveland, O. — K dvajsetletnici društva Jutranja zvezda, št. 137 Ameriške bratske zvezde.

Na seji meseca decembra 1940 smo razpravljale o kakšni predmeti za priliko 20-letnice našega društva, in soglasno je bilo sklenjeno prirediti veselico, ki naj proslavi ta naš jubilej. Obljubili smo, da bomo zaviale rokave in delale, da bo naša prireditev uspešna. To naj bi pomagalo napredku društva, obenem pa naj bi nekoliko pripomoglo k boljšemu zdravju naši društveni blagajni, ki vedno nekoliko pokašljuje zaradi velikih izdatkov.

Kakor je naša pridna tajnica že obvestila javnost s svojimi dopisi, bomo našo dvajsetletnico proslavile z veselico v soboto 25. oktobra v dvorani Twilight oziroma v bivši Grdinovi dvorani. Na našem glasilu pogosto čitamo, kako obhajajo razna društva naše Zvezze različne jubileje in s tem oglašajo svoje bratsko delovanje v javnosti. Tudi me nečemo v tem zaostati. Saj imamo agilne članice, ki so že mnogo storile za naše društvo in ki so se dosti trudile, da je društvo brez večjih izgub prestalo veliko depresijo. Naša večletna predsednica Julija Erezovar in večletna tajnica Mary Bradač sta se večkrat posvetovali, kako in kaj ukreniti, da se društvo obdrži v pričnjem dobrem stanju, in njima gre dosti zasluge za obstoj in napredek našega društva. Seveda sta imeli tudi pomoč od drugih agilnih članic.

Večina ustanovnic našega društva je še med nami, nekatere pa že krije hladna gomila. Kot sedanja predsednica društva želim v imenu vseh izraziti javno zahvalo za dobro delo za društvo vsem, ki so še med nami, o nim pa, ki so že odšle v kraje, odkoder ni vrnitve, pa naj bo obhranjen med nami lep in hvalen spomin.

Zdaj pa nekaj podatkov iz zgodovine našega društva. Organizator društva je bil brat Frank Zorič, ki je nabral lepo število mladih žensk in deklet ter jih je 29. novembra 1921 ob soncu dober dan, "kakor je rekel pečnik." Zdaj pa jaz rečem: "Dober dan, brat urednik, pa se mučite z mojo zmešano slovenco, zakaj ste mi pa korajoči dali?" Morda je prav to vzrok, da se je ta moj dopis tako na dolgo razvlekel. Pa sestrski pozdrav in na svidenje na naši veselicu v soboto 25. oktobra!

Za društvo Jutranja zvezda, št. 137 ABZ:

Genovefa Zupan, predsednica.

Boncarbo, Colo. — Društva št. 84, 118 in 233 Ameriške bratske zvezde bodo priredila skupno veselico v soboto 18. oktobra zvečer. Prostor veselice: 85 Club Ludlow. Pričetek ob pol devetih (8:30) zvečer. Vstopnina za moške 50 centov, vstopnina za ženske prosta. Vsi člani in članice omenjenih društev so vabljeni, da se veselice udeleže, ker čisti dobiček prireditve je namenjen društvenim blagajnam, torej vsem v korist. Seveda je na prireditev vljudno vabljeno tudi ostalo občinstvo. Bratski pozdrav in na svidenje v soboto 18. oktobra! — Za društvo št. 118 ABZ:

John Lipec, zapisnikar.

Midvale, Utah. — V naši naselbini je dne 16. septembra preminila Angela Mlakar, članica društva Sv. Jožefa, št. 86 ABZ. Bolehala je skoro tri leta. Pokojnica je bila rojena 17. junija 1884 v vasi Zamostec pri Ribnici na Dolenjskem. K zadnjem počitku smo jo po cerkvenih obredih spremili dne 19. septembra na pokopališče Mount Calvary, Salt Lake City.

Tajniške posle pa je leta 1925 prevzela vsem dobro znana, vedno vesela sestra Mary Bradač, ki je vrsto let vodila težavni tajniški urad in mnogo pripomogla k napredku društva. Članice se bomo vedno s hvaležnostjo spominjale njunega dobra dela za društvo.

Odbor, izvoljen za leto 1941, je sledič: Genovefa Zupan, predsednica; Frances Brancel, podpredsednica; Dorothy Sterniša, tajnica; Julia Brezovar, zapisnikarica; Josephine Živoder, blagajničarka; Pauline Žigman, rediteljica; Rose Levstik, Pauline Durjava in Mary Bradač, nadzornice. Žal, da smo v tem letu izgubile eno teh društvenih uradnic. Dne 7. septembra je namreč preminila naša priljubljena blagajničarka Josephine Živoder, ki je bila tako delavnica društva. Naj ji bo obhranjen blag in sestrski spomin, njene soprogri in sinčku pa bodi izraženo iskreno sožalje.

Peter Blatnick, tajnik.

Euclid, O. — Člane in članice društva Napredek, št. 132 ABZ, vabim, da se polnoštivilno udeležijo prihodnje seje, ki se bo vršila v petek 10. oktobra in se bo pričela ob pol osmih (7:30) zvečer. Na tej seji bodo prečitana trimesečna poročila in podana bodo druga poročila. Na zadnji seji je bilo nekaj govorjenja, če bi priredili kakšno veselico ali ne. Nekateri člani so sodili, da bi bilo to umestno, zato je bilo sklenjeno, da tajnik potom Nove Dobe povabi članstvo na sejo 10. oktobra, da se o tem bolj natančno pogovorimo.

Torej, člani in članice, pridite na prihodnjo sejo vsi, katerih ne zadržuje kak izredno važen vzrok. Prav za prav bi se moral vsak član zanimati, kako njegovo društvo obstaja, ali napreduje ali nazaduje. Toda nekaterim to nič ne kaže. Ne prihajajo na seje in ne čitajo našega glasila. Potem pa tajnika povprašujejo, kako je to in ono, ko bi lahko vse tisto vedeli, če bi prihajali na seje in čitali naše glasilo Nove Dobe. Nekoliko več zanimanja za društvo bi bilo vsem v konstitu. Saj je precej članov, ki se zanimajo za svoje društvo in tem je treba dati priznanje. Škoda je le, da niso vsi taki. Pa bi se lahko poboljšali, če bi le hoteli. Bratski pozdrav! — Za društvo Napredek, št. 132 ABZ:

John Tanko, tajnik.

White Valley, Pa. — Na redni seji društva št. 116 ABZ, ki se je vršila 17. avgusta, je bilo sklepjeno naložiti društveno naklado za meseca oktober in november. In sicer plača vsak enako

pravni član ali članica odraselga oddelka 50 centov društvene naklade v oktobru in 50 centov v novembру. Člani in članice, ki so zavarovani samo za smrtnino, pa plačajo po 25 centov naklade v oktobru in po 25 centov v novemburu.

Društvo nima nikakih drugih dohodkov, zato smo morali naložiti to društveno naklado, da bomo mogli koncem leta pokriti drštvene stroške.

Prihodnja seja našega društva se vrši v nedeljo 19. oktobra in članstvo je vabljeno, da se iste polnoštivilno udeleži. — Za društvo št. 116 ABZ:

Jurij Previc, tajnik.

Chicago, Ill. — Moški oddelek kegljaške lige ABZ v Chicagu je otvoril drugo (1941-1942) sezono v petek 26. septembra. Prvogrolo je vrgel naš gl. podpredsednik Anton Krapenc, inče verjamete ali ne, bil je "a perfect strike." Ali je to dobro znamenje za vso liko ali samo za njega, bomo videli ob koncu sezone.

Ker smo prva dva tedna kegljaške lige ABZ v Chicagu je vabljeno samo za poskušajo, se bo kegljaška sezona lige oficielno otvorila v petek 10. oktobra. Važno je, da so vsi kegljači pravočasno na mestu, in sicer četrtek, čez sedmo uro zvečer (7:15), ker moramo pričeti točno ob pol osmi uri (7:30), kati nekateri morajo na delo ob 10. uri. Torej, boste točni, prosim!

Slovenska društva in klubi v Chicagu se že zdaj opozarjajo na navedena dva datuma, da ne bi prirejali večjih prireditve takrat. Bratski pozdrav!

John Gottlieb.

Pripeljite svoje prijatelje s seboj, da se bodo tudi oni z vami veselili. Za federacijo:

Priporočljivo je, da bi se člani in članice našega društva povoljno odzvali vabbi društva št. 66, kajti tudi člani društva št. 66 radi posečajo naše prireditve. Isti dan bo v Jolietu zborovala federacija društev ABZ za Illinois, Wisconsin in Indiana. Kogar zanimalo take seje, se lahko pelje v Joliet z busom, ki ga bodo imela chicaska društva na razpolago. Člane našega društva, ki zastajajo z asesmenti, prosim, naj skušajo biti bolj točni v bodoče. Denar mora vsak mesec biti pravočasno poslan na glav-

nega blagajnika, in suspendiran nihče ni rad.

K sklepnu, člani in članice, ne pozabite priti na prihodnjo sejo v sredo 15. oktobra zvečer, kajti se bo važna.

Pozdrav vsemu glavnemu odboru in vsemu članstvu Ameriške bratske zvezde! — Za društvo Zvezda, št. 170 ABZ:
