Ostra kazen vohunom

Angleško sodišče je obsodilo sovjetske vohune na najvišje zaporne kazni.

LONDON, Vel. Brit. — Soda razprava pred visokim angleškim sodiščem proti članom vohunske skupine, ki je skušala krasti angleške vojaške skrivnosti in jih pošiljati Sovjetiji preko radija, je končana. Porota je vohune spoznala krvink, sodišče pa jim je načelo celo višje kazni, kot jih zakon predvideva.

Vedja vohunske skupine je bil 37 let stari Rus Gordon Arnold Lonsdale, ki se izdaja za kanadskoga poslovnega človeka, svojima sobotičencema pa se je predstavil kot "pomočnik ameriškega pomorskega atašeja." Z njim in tesni zvezi sta bila Peter John Kroger, 50 let, in njegova žena Helen, dejansko ameriška državljanina Morris in Lorna Kohn, ki sta bila povezana s komunisti še od časa španske državljanke vojne Lonsdale je dobil 25 let zapora, Krogerjeva pa vsak po 20 let.

Vojaške skrivnosti sta tem prinašala 56 let stari Henry Houghton in njegova 47 let starata zaročenka Ethel E. Gee, ki sta bila zaposlena v pomorskem oporišču Portland. Dobila sta vsak po 15 let zapora.

Glavni sodnik je označil ta vohunski slučaj za "enega najsrmatnejših v mirni dobi" in je zato segel po mero kazni nazaj v splošni zakonik, ki ne pozna maje kazni. Po sedanjih zakonskih predpisih bi mogli dobiti člani vohunske skupine največ do 14 let zapora.

Število smrtnih na cestah Clevelandu — pol manjše!

CLEVELAND, O. — Lani je bilo do tega datuma na cestah Clevelandu v prometnih nesrečah mrtvih 25 oseb, letos je bilo takih smrtnih nesreč 12; število se je zmanjšalo več kot za polovico.

Lani je bilo v celiem letu 89 smrtnih slučajev v prometnih nesrečah, najmanj v 11 letih. Letošnje število utegne biti še manjše, če bodo vozači previdni, kot so bili doslej.

Uvoz rakov iz Sovjetije
WASHINGTON, D.C. — Činarske oblasti so ukinile prepoved uvoza rakov iz Sovjetske zveze. Uvoz je doslej bil prepovedan po zakonu, ki prepoveduje uvažati kakršno koli blago, ki se proizvede s prisilnim ali kazenškim delom.

O tem vprašanju sta razpravljala Hruščev in ameriški poslanik Thompson, ko sta se sestala v Novosibirsku. Hruščev je zatrjeval, da rakov meso ne konzervirajo več kaznjenci. Ameriške oblasti so se dale o tem prepričati in prepoved uvoza ukinile.

Nasprotniki Castra so se končno le zedinili

NEW YORK, N.Y. — Begunci s Kube so se zedinili in izvolili prejšnjega predsednika republike dr. Jose Miro Cardona za predsednika vseh protikastrovskih begunških skupin. Pod njegovim vodstvom hočejo nadaljevati borbo za ukinitev Castrove rdeče diktature na Kubi.

Cardona je začetkom Castra podpiral, bil predsednik države in nato Castr poslanik v Španiji. Kasneje se je uprl, nastopal proti Castru in njegovim komunističnim politikam in se pridružil upornikom.

J. F. KENNEDY: V LAOSU HOČEMO MIR, NE VOJNO!

Predsednik Združenih držav je sinoč izjavil na tiskovni konferenci, ki sta jo prenašala televizija in radio, da hoče njegova vlada v Laosu mir, ne vojno. Poudaril je, da bo Amerika skušala za konferenčno mizo zagotoviti pravo neutralnost in neodvisnost Laos in se ne bo pustila zapeljati k nobeni prenagljenosti. Povedal pa je istočasno tudi, da bodo Združene države izpolnile svoje obveznosti glede Laos, če ne bo tam prišlo do premirja.

WASHINGTON, D. C. — Predsednik Kennedy je sinoč povedal deželi in vsemu svetu jasno in odločno, da je vse, kar hočejo Združene države v Laosu, mir, ne vojna. Pristem ni pustil nobenega dvoma, da ne misli pri tem na mir za vsako ceno. Poudaril je namreč: "Vsak Amerikanec hoče, da njegova domovina izpolni svoje obveznosti, da bosta svoboda in varnost sveta in nas samih dosežena!" Njegove besede so bile pretehtane, izrazi ne preostri, pa vendar jasni. Deželi je povedal, da skušajo komunisti z vojaško silo zavzeti državo Laos v Zadnji Indiji in spraviti s tem v nevarnost celotno jugovzhodno Azijo. Združene države so v okviru Jugovzhodno-azijske obrambne zveze (SEATO) dolžne braniti svobodo in neodvisnost tega področja. To svojo načelo bodo v slučaju potrebe izpolnile v sodelovanju in sporazumu s svojimi zavezniki.

Na treh zemljevidih je predsednik pokazal, kako so komunistični uporniki od lanskega avgusta dalje zasedali vedno večja področja, posebno pa od lanskega 20. decembra dalje. Z zemljevidov je bilo razvidno, da pritisajo komunistične čete, ki jim sovjetska letala davačajo vojne potrebuščine in orožje neprestano od lanskega avgusta, v smeri proti kraljevi prestolnici Luang Prabang in v smeri sedeža vlade Vientiane.

Casnikarji so predsednika vprašali, če je omejil čas, v katerem zahteva končanje sovražnosti v Laosu. Ta je odvrnil, da sicer tega ni zahteval, da pa je kljub temu važen vsak dan. Predsednik tudi ni maral povedati nič o ukrepnih oboroženih silah za slučaj potrebe oborožene akcije v Laosu.

Iz drugih virov je znano, da je odpulta proti ogroženemu področju letalonosilka Midway s spremstvom rušilev, da je priletel v dalek helikoptrov marinskega kora v sosedno Tайландsko in da je del padalske divizije na Okinavi v pripravljenosti na upornikom.

Preči več nobene potrebe po posredovanju Združenih narodov. Politični voditelji dežele so sklenili sporazum in določili načrt, kako bodo razmre uredili, posredovanje kakršega bi ta pravilan razvoj samo motilo in oviral. Ileo je dejal, da je v stalnih stikih z zastopniki komunistične stranke A. Gizinge, ki se ni hotel pridružiti sklepom drugih pokrajinskih voditeljev.

Ileo misli, da se bo končno našel način, da bo tudi Gizinge sodeloval v obnovi reda in miru. Doslej še ni mogoče dobiti k razgovoru njega samega, vendorči so stali stik z zastopniki njegove vlade in njegove politične skupine.

Predsednik Ileo je naglasil, da bi sedaj posredovanje Združenih narodov škodovalo. Ludstvo hoče imeti mir pred tujimi posredovanji in se bo upiral, če ga tuji ne bodo pustili, da samo odloča o svojih stvareh. Napolj je zastopnika glavnega tajnika Združenih narodov Indija Dayala češ, da je neuvideven in netaktičen. Namestnik iz Suda, ki zastopa Dayala, ki je sedaj v New Yorku, je veliko primer-

Kubanski diktator izvaja čistko prestolniške policije.

HAVANA, Kuba. — Kubanski policista, ki sta stražila urugvajsko poslanstvo, sta vstopila v poslopje poslanstva in zaprosila za politično zavetje. Poslanik je zastopnik skusal pregovoriti, da bo poslanstvo ostalo tako brez varstva.

Ta je poslala dva nova policista stražit pred poslanstvom. Komaj sta bila na mestu, že sta po zgledu svojih tovarišev zaprosila tudi načela na politično zatočišče.

Vesti o fežavah Hruščeva s stalinisti izmišljene?

Strokovnjak za sovjetska vprašanja trdi, da rdeči diplomičarji širijo vesti o borbi med stalinisti in Hruščevim, ki da naj ga Zahod podpre, če bo dobiti v Kremelu še hujšega protivnika.

NEW YORK, N.Y. — Precej zanimanja je vzbudil članek dr. Mosley-a v reviji "Foreign Affairs" o sedanjih razmerah med sovjetsko vlado in komunistično skupino. Pisec, ki je znan kot strokovnjak in poznavalec razmer med komunističnimi strankami po svetu, zatrjuje, da nič res, da bi bila priljubljenost Hruščeva kakorkoli prizadeta vsled nekih notranjih sporov v sovjetski ali boljševiški komunistični stranki ali pa morda vsled neuspehov v ogromnih državnih kmetijskih načrtih ali pa vsled sporov s komunističnimi Kitajci. Vse take trditve so plod pobožnih želja, pravi pisec.

Hruščev je postal močen, ker se je življenje pod njegovo vladom v Sovjetski zvezzi izboljšalo in ker so metode njegovega vladanja vendar bolj človeške, kot so bile Stalinove. Hruščev je sedaj gospodar v stranki, Sovjetski zvezzi in v komunistični svetovni organizaciji.

Nič ni res, da bi mu bil kdo ukazoval, kako naj bi nastopil

Olds Jr., ki je bil doslej 13 let član bančne pravnega oddelka, imenovan za namestnika skrbniškega oddelka banke. Na novem mestu se bo specializiral v skrbništvo in skladih korporacij. Olds je študiral pravo na Western Reserve v Clevelandu, pa se izpolnjeval tudi drugod. Živi z ženo in tremi otroki v Chagrin Falls.

Romunija je preuredila vodstvo državne uprave po - titovskem vzorcu

BEOGRAD, FLRJ. — Rumunška komunistična partija je končala svoje zborovanje in izvedla preureritev vlade, po vzoru jugoslovanskega komunističnega vladnega sistema.

Dosedanji predsednik vlade Gheorghiu Dey je postal predsednik države in glavni tajnik komunistične stranke, kar so se ta industrij likvidira, gotovo nič drugega kot posledica sovjetske politike, ki hoče imeti letalsko kot vso drugo vojaško važno industrijo polnoma v svojih rokah.

Predsednik nadzorstvene komisije za nadziranje proizvodnje je tudi priznal, da Vzhodna Nemčija ni sposobna prehiteti Zapadne v proizvodnji in porabi dnevnih življenjskih potreb-ščin v letu 1961.

Komunisti so doslej trdili, da bodo letos Zapadno Nemčijo prehiteli in ustvarili višjo raven življenja, kot je imajo v Zapadni Nemčiji. Predsednik nadzorne komisije je dejal, da bo delavstvo, ki je bilo doslej zaposleno v letalski industriji, premičeno v industrijo vožil, težjega avtomatičnega orodja, strojev in gradbene opreme, orodja in pomožnih strojev za

Občinske volitve dale vladu Frondizija v Argentini novo upanje

BUENOS AIRES, Arg. — Občinske volitve v provinci Santa Fe, ki je ena najmočnejših v državi, so prinesle neprizakovano močno zmago stranki sedanega predsednika republike Frondizija. Presenečenje je toliko večje, ker se je stranka pri zadnjih nadomestnih volitvah tako slabo odrezala in so njeni kandidati propadli.

Vsi so pokazale padec peronističnih glasov in padec števila komunistov, vendar sta obe skupini še upoštevanja vredni. Nastopilo je 14 političnih strank. Vladna stranka je zmaga, tako sodijo, ker je prav v

Tudi Francozi že v vesolje

WASHINGTON, D. C. — Trije francoski znanstveniki se razgovarjajo s predstavniki vlade o posiljatvi francoske umetne lune na pot okoli Zemlje z ameriško raketo. Če pride do dogovora, bo brez dvoma izvedenih več preskusov, kajti tudi Francozi se že udejstvovati pri preiskavi vesolja.

Združene države so se že dogovorile s Kanado in Anglijo, da bodo s svojimi raketami poslale njihove umetne lune v vesolje.

Karel Mauser:

LJUDJE POD BIČEM

I. del

"Mogoče, to sramote ne spremeni."

"Pred ljudmi ne. To vem. In na ljudi se po tvojem naziranju ne oziram."

Blaž čuti, da ga je nalač spet ošvarknila.

"Ne bova se borila, Silva. Kaj misliš, ali je sramota danes imeti otroka s tujcem, ki toči slovensko kri?"

"Blaž, morda ne boš obsojal, toda povem, kakor čutim. Mislim, da ljubezen ne moreš ometi - ne misli, da sem Bissantija ljubila - na neko določeno narodnost. Vem, da sovražnika kot sovražnika ne morem sploštovati, še manj ljubiti, toda lahko ljubim sovražnika kot človeka. Zame je ta ločitev mogiča. In človek človeka ljubi. Ljubezen ne pozna mej, ne carinskih pregraj, ne uniform, ne jezikov. Ne moreš reči, da nimam prav. Priznam pa, da so današnje razmere take, da se je ustvarilo razpoloženje, ki je ljubezen spremenilo v sovražstvo. Toda to je spet samo zunanja okoliščina. Nihče se ni spotikal v miru nad žensko, ki je poročila tuja."

Silvi je skoraj nerodno. Mrazi jo. Kakor da se je umazala tudi pred temi očmi, ki življenje pojmujejo tako naravno.

Popoldne je spet prišel Blaž. Skoraj plašno je vstopil. Prinesel ji je zopet vina.

Dolgo sta se izmikala pogovoru, ki sta ga načela prejšnji dan. Kakor da se bojita eden drugega.

Blaž je Blaž le stisnil iz sebe.

"Si že kaj premislila, Silva? Jaz vso noč nisem spal."

"Tudi jaz ne. Nisem mogla priti do jasnosti."

Lagala je sama sebi. Prvi hip, ko je Blaž sprožil misel, se je znašla. Vendar je skušala še najti pot, ki bi oba zadovoljila.

Sram jo je bilo priznati. Bala se je bodočnosti, kako naj preživi otroka in sebe? Ponocji je prišlo na misel, da bi v skrajnosti mogla prodati knjige in ročno uro. Toliko, da bi bilo za podne stroške in za prve mesece. Potlej bi se nemara kje odprlo. Sivala bi.

Misel se ji je zdela šibka. Ali ni preveč vse skrbi zvaliti na bodočnost? Računati mora na najslabše. In če ne bo zasluga?

Ni znala naprej.

"Odločiti se boš morala kmalu. Sama veš. Zdaj bi bil najboljši čas. En teden ostane doma in nihče ne bo vedel, da si prav za prav znova stopila v življenje."

Blaž je govoril mirno, skoraj plašno. Kakor da so ga včerajšnje Silvine besede vendarle pripelje.

"Nihče ne bi vedel, Blaž!"

Silva se je grenko nasmejnila.

"Sam si rekel včeraj, da ne poznaš obzira do ljudi. Kaj ljudje. Pred seboj bom umazan."

"Spet si taka kot včeraj. Ne daš si bližu."

"Blaž, tebi je lažje kot meni. V življenju okoliščino lahko spremeniš, življenja ne moreš. Življenje se ne da ogoljufati. Samo človek se da."

"Nikogar ne boš ogoljufala."

"Bom. Svoje materinstvo, Blaž."

"Menda ne misliš, da ti je v čast. Ne enkrat si obsodila pred menoj dekleta, ki so se spozačila s tujcem."

"Vem, in tudi sebe obsojam. Greh sem sama napravila. Toda okoliščine si ti zagrešil. Materinstvo, ki je žensko bistvo, pa ne more biti nikdar sramotno. Otrok materinstva ne more umazati. Materinstvo menda ni odvisno od narodnosti."

Iz Silve besede kar vro.

"In vendar je med materinstvom in materinstvom razlika."

Blaž riše s prstom po mizi.

"Tega ne moreš trditi. Materinstvo je vendar žensko bistvo. Okoliščine sicer morejo dati težke časti videz greha, toda samo videz. Ti videz spreminjaš v dejstvo."

"Vé, da s prstom kažejo za ženskami, ki so se spozabile s tujci? Kaj praviš na to?"

"Prav imajo, toda ti prsti ne sežejo do materinstva. Prsti zavajajo greh."

Silva se z vso voljo oklepala resilne nit.

"Odloči se. Sreča obeh je na tebi."

In je vstopil v tramvaj.

Silva je čutila, da je Žalar v njej zmagal. Prav zato se je bala novega razkola v sebi.

Greh, ki ga storijo po pameti in po premisleku, je težji in bolj odgovoren kakor padec, ki je narejen v naglici in brez pravega premisleka. Če se zdaj vda Blaž, bo prelom hujši, kot je bil prvič.

Z vso ihti se je znova oklepila Žalarjevih zapiskov. Skupščila se je poglobiti v del, kjer je razpredel svoje misli v času, ko je spoznal Marijo.

Silvi so se meglike oči. Tako majhen je bil Blaž poleg teh besed, da ga ni mogla več videti.

"Nocoj sva govorila z Marijo, da bi šla v zdravilišče. Dolgo se je upirala. Boji se, da bi spoznala nemoč v borbi z bolezni. Toda jaz sem prepričan, da vse še ni izgubljeno."

Gоворila sva o tem in onem. Marija si tako želi otroka. Čudim se, da more v tako šibkem telesu goreti tolik ogenj."

Silva s sklenjenimi rokami

strmi predse. Marija je bila močnejša od nje.

Potlej spet bere.

"Posvečujem se po njej in bojim se, da bi mi nekoč ugashnila kot luč. Kako bi prenesel njeni izgubo, sam ne vem. In vendar se mi včasih zdi, da ji nikoli ne bom mogel reči žena. To me je vse dni."

Kakor da ne upa več po tej poti, zapre dnevnik. V sobi ji ni moči vzdržati. Ogrne se in odide na cesto. Sama ne ve, kam bi šla.

Potlej gre počasi proti Šentvidu. Vsaj oči se ji morajo spomeniti.

Na desno in levo gore. Jesen bo skoraj v zimi. Kakor sveder se spet zasukala misel.

Moram se odločiti.

Potlej se ji ni dalo več naprej.

Obrnila se je in se vrnila domov.

Zvečer je prišel Blaž. Kakor da so v njej popustile vse opomin.

re, se je sesedla vase.

Preden je legla, je vzela aspirin. Glava jo jebolela. Čutila se je bolno.

Blaž je prišel koj po kosilu. Silva je bila bleda s črnimi kolobarji pod očmi.

Tudi Blaž ni bil pravega govorjenja. Silva je bila že opravljena.

Vroče ji je, da vrže odejo raz dekliske oči opazujejo.

Saj se vendar še ni nič spremeni. Ali pa je materinstvo nekaj kakor poveličanje, kar ožari obraz in celo misli.

Skrivnosti nihče ne izkoplje, če je sam ne izdaš.

In vendar bi ostala senca, nekaj neizgovorjenega med momem in ženo. Skrivnost, ki bi jo nekoč moral razdeti.

V sanjah je pljunila v Blažev obraz.

In pljunek je pal nanjo.

Vedela je, da se je umazala že s samo mislio.

Zjutraj je bila zmedena. Zdele se ji je, da se je Blaž vendar v nečem vdala. Vsač v tem, da je priznala, da se boji živeti. To jo je jedlo.

V šoli se je vsaj malo raztrešla. Prvič se ji je zazdelo, da jo

"Pred ljudmi ne. To vem. In na ljudi se po tvojem naziranju ne oziram."

Blaž čuti, da ga je nalač spet ošvarknila.

"Ne bova se borila, Silva. Kaj misliš, ali je sramota danes imeti otroka s tujcem, ki toči slovensko kri?"

"Blaž, morda ne boš obsojal, toda povem, kakor čutim. Mislim, da ljubezen ne moreš ometi - ne misli, da sem Bissantija ljubila - na neko določeno narodnost. Vem, da sovražnika kot sovražnika ne morem sploštovati, še manj ljubiti, toda lahko ljubim sovražnika kot človeka. Zame je ta ločitev mogiča. In človek človeka ljubi. Ljubezen ne pozna mej, ne carinskih pregraj, ne uniform, ne jezikov. Ne moreš reči, da nimam prav. Priznam pa, da so današnje razmere take, da se je ustvarilo razpoloženje, ki je ljubezen spremenilo v sovražstvo. Toda to je spet samo zunanja okoliščina. Nihče se ni spotikal v miru nad žensko, ki je poročila tuja."

Silvi je skoraj nerodno. Mrazi jo. Kakor da se je umazala tudi pred temi očmi, ki življenje pojmujejo tako naravno.

Popoldne je spet prišel Blaž. Skoraj plašno je vstopil. Prinesel ji je zopet vina.

Dolgo sta se izmikala pogovoru, ki sta ga načela prejšnji dan. Kakor da se bojita eden drugega.

Blaž je Blaž le stisnil iz sebe.

"Si že kaj premislila, Silva? Jaz vso noč nisem spal."

"Tudi jaz ne. Nisem mogla priti do jasnosti."

Lagala je sama sebi. Prvi hip, ko je Blaž sprožil misel, se je znašla. Vendar je skušala še najti pot, ki bi oba zadovoljila.

Sram jo je bilo priznati. Bala se je bodočnosti, kako naj preživi otroka in sebe? Ponocji je prišlo na misel, da bi v skrajnosti mogla prodati knjige in ročno uro. Toliko, da bi bilo za podne stroške in za prve mesece. Potlej bi se nemara kje odprlo. Sivala bi.

Misel se ji je zdela šibka. Ali ni preveč vse skrbi zvaliti na bodočnost? Računati mora na najslabše. In če ne bo zasluga?

Ni znala naprej.

"Odločiti se boš morala kmalu. Rekla sem, da ni vezana na meje. In ne pozabi: domovina je v srcu. Tudi Cankar je živel na tujem, pa je ljubil domovino bolj kot kdo drugi."

Zdaj je Blaž zaprla besedo.

"Žalar te je zmedel, Silva."

Na cesti, ko mu je segla v roko, je dejal:

"Nihče ne bi vedel, Blaž!"

Silva se je grenko nasmejnila.

"Sam si rekel včeraj, da ne poznaš obzira do ljudi. Kaj ljudje. Pred seboj bom umazan."

"Spet si taka kot včeraj. Ne daš si bližu."

"Blaž, tebi je lažje kot meni. V življenju okoliščino lahko spremeniš, življenja ne moreš. Življenje se ne da ogoljufati. Samo človek se da."

"Nikogar ne boš ogoljufala."

"Bom. Svoje materinstvo, Blaž."

"Menda ne misliš, da ti je v čast. Ne enkrat si obsodila pred menoj dekleta, ki so se spozačila s tujcem."

Observance of Good Friday

The Diocesan Holy Name Society of Cleveland in cooperation with all christians are beginning their 6th campaign to bring about a more spiritual observance of Good Friday. The over 90,000 members in northeast Ohio are taking an active part in this campaign. The recognition of Good Friday has been on the upturn every year.

INDUSTRY — Over 65 companies in greater Cleveland have declared Good Friday a holiday.

BUSINESS — Over 12,000 establisments closed all or part of the day on Good Friday.

GOVERNMENT — There are 13 states that recognize Good Friday as a holiday and as a result, the federal government in 1960 postponed the payment of the income tax deadline, due to the fact that Good Friday fell on April 15th.

The Ohio State Senate in 1959 voted to ban horse racing on Good Friday.

Narragansett Bay, R. I. Rhode Island sportsmen have begun shipping ducks south by Railay Express to spend a winter vacation at a Florida game refuge. The ducks had got entangled with spilled oil from a tanker in the bay. The sportsmen washed the oil off with detergent but found the ducks still couldn't swim, and decided to send them south to recuperate.

Many cities and townships have declared Good Friday as a holiday. The Cleveland School Board for the 1961-62 semester has declared it a paid holiday for its employees.

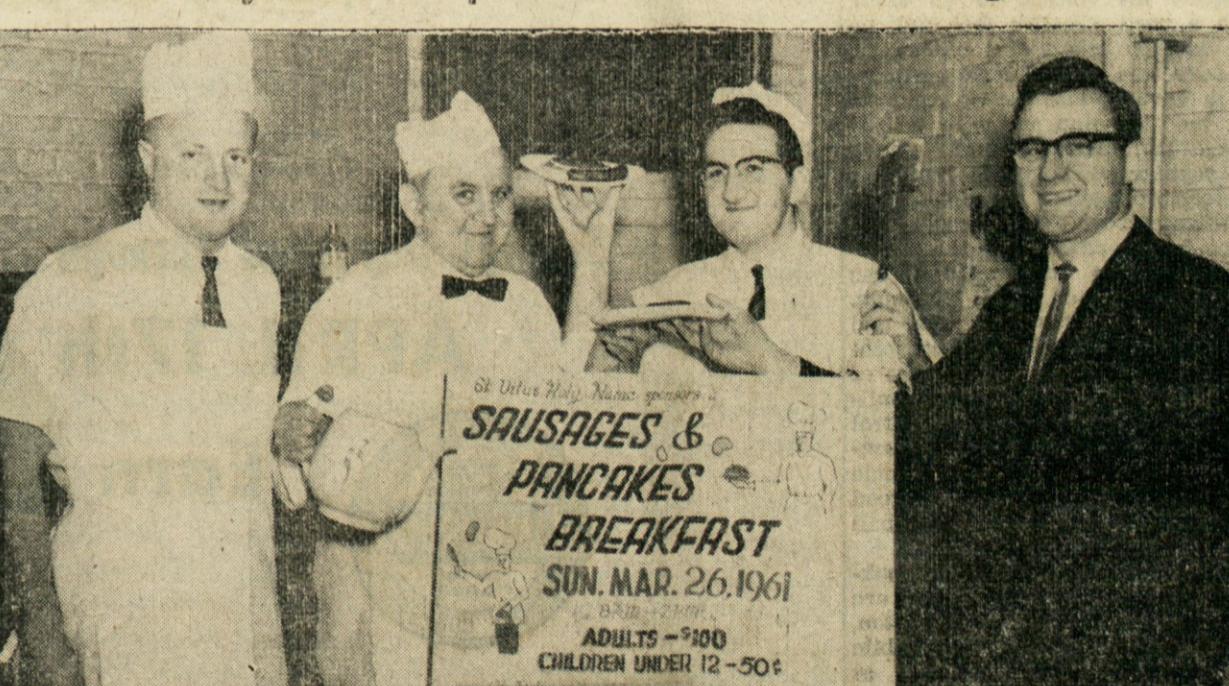

Michael M. Shemo of 7103 Alber Ave., Parma, is again chairing this campaign for the 3rd consecutive year.

The ultimate goal is to have Good Friday recognized by the government as a legal holiday.

NEWSPAPER ADVERTISING MOVES GOODS

Editor & Publisher quotes the head of a large retailing organization, which has 36 stores around the country, as saying that it "couldn't do business today without the 84 papers in which we advertise."

The magazine adds: "Other retailing establishments are paying the same tribute to newspapers every day in the year through their advertising dollars. They know which advertising medium sells goods with speed and economy. . . . Newspaper advertising moves goods off the retailers' shelves into the hands of consumers regardless of whether the sales effort is made by the manufacturer or the retailer."

Nothing replaces the printed word — and most particularly, from an advertiser's standpoint, the printed word which the thousands of daily and weekly newspapers of this country bring to their tens of millions of readers.

Reporting from Washington

FRANCES P. BOLTON • Congressman, 22nd District, Ohio

PEACE CORPS. So many inquiries have come to me about the proposed Peace Corps, that I am setting forth the program as it has been outlined by the Administration. On March 1st the President issued an Executive Order which established the Peace Corps on a temporary pilot basis. This temporary Peace Corps was set up under existing authority to the Mutual Security Act, and initial expenses will be paid from appropriations currently available for the Mutual Security Program. Mr. R. Sargent Shriver, former president of the Chicago Board of Education and brother-in-law of the President, has been appointed Director of the program. Simultaneously with his issuance of the Executive Order, the President sent a special message to the Congress in which he recommended the establishment of a permanent Peace Corps. This was described as "an organization which will recruit and train American volunteers, sending them abroad to work with the people of other nations as they may be requested." Volunteers would be expected to serve from two to three years with no salary, but would receive a living allowance sufficient to maintain health and meet other basic needs. Specific programs to which Peace Corps members are to be assigned include: teaching in primary and secondary schools, especially as part of national English language teaching programs; participation in the worldwide program of malaria-eradication instruction and operation of public health and sanitation projects; aiding in village development through school construction and other programs; and increasing rural agricultural productivity by assisting local farmers to use modern implements and techniques. The initial emphasis of these programs is to be placed on teaching. Training programs from six weeks to six months in length will be given members of the Peace Corps, with particular emphasis on language instruction and preparation for the work to be assigned. Membership will be open to everybody, with young people expected to comprise the greater part of the Corps. The President has stated that he hopes to have "500 or more" people in the field by the end of this year.

and "several thousand" in a few years.

While the Peace Corps represents a challenging idea, many questions remain to be answered and doubts to be resolved. Some clarification may come when actual legislation is introduced, and hearings held by the Committee on Foreign Affairs to which it should be assigned.

TOURIST VISA APPLICATION SHORTENED

The State Department has issued an order to all its consulates which directs the use of a shortened application form for tourist visas to the United States. Under the new procedure, a visa applicant will have to fill out only a 3" x 5" form stating his name, address, place and date of birth, complexion, height, weight, nationality, sex, race, marital status, identifying marks, ethnic class, color of hair and eyes, and length and purpose of his stay in this country. The simplified form represents an attempt to increase foreign tourism to the United States, thereby helping to correct the present imbalance of payments situation. Responsibility for ascertaining the eligibility of tourist visa applicants will still remain with local consular officers, who may deny an application where the purpose appears to be immigration.

AID TO DEPENDENT CHILDREN

The second anti-recession measure was brought up and passed by the House last week. It provides an estimated \$350 million in Federal grants to aid dependent children of unemployed parents under State public assistance programs. Under this emergency program which is to continue for fifteen months—between April 1, 1961 and June 30, 1962, the Federal Government would pay \$14 monthly per child and the State \$5. A state could pay up to \$13 more and have the Federal Government pay about 50 percent of the additional amount. A provision was included in the bill that payments would stop if an unemployed parent refused "without good cause" to accept a State employment office offer of any job he could suitably fill.

From the Indian Teepee

Tucson, Arizona. — While many matters keep Manager Jimmie Dykes of the Cleveland Indians well occupied here, a major share of his attention is being given to the formation of his pitching corps upon whom will rest much of the responsibility for the Tribe's possible success in 1961.

Dykes and pitching coach Mel Harder believe that their group of young hurlers can develop into one of the American League's best this summer. "We have a lot of youngsters with good, strong arms," says Dykes. "If we can develop in them the poise and confidence so necessary for success, then we will be a rough club in 1961."

The major question to be resolved here this spring is whether or not Gary Bell is ready to rejoin Jim Perry as the Indians' one-two pitching punch this summer. It is no secret that the handsome young Texan holds the answer to Cleveland's pennant chances.

After winning 16 games for the Tribe in 1959 in his first complete major league season, Bell was regarded as one of the brightest pitching prospects in the majors at the youthful age of 23. When he opened the 1960 season by winning five of his first six decisions in the initial month of the campaign, he loomed as a possible 20-game winner.

But something went wrong in June and Bell never regained his early season form. A sore shoulder handicapped him most of the mid-summer months and finally in late August he was sent home and advised to rest for the remainder of the season.

If he can display his 1959 form, then the Indians will have in him and Perry two potential 20-game winners which are necessary for any pennant contender. Perry won 18 games last summer to tie Baltimore's Chuck Estrada for most victories in the American League's 1960 season.

The other Indian starters will be selected by Dykes from a group that includes John Antonelli, Jim Grant, Barry Latman, Wynn Hawkins and Bobby Locke. Antonelli has been a very serious worker here and seems bent on having another successful season such as he enjoyed in 1959 when he won 19 games and almost hurled the San Francisco Giants to the National League pennant. If Antonelli can win 12 to 15 games, he will be a most valuable addition to the Indians.

John can also aid the Tribe cause in another direction since he has the stuff to beat two of the Indians' toughest foes—the New York Yankees and Chicago White Sox. These are the teams the Indians must handle better in 1961 than they did in the past two years if they are to entertain pennant hopes.

Grant, Latman, Hawkins and Locke will be striving to gain the other two starting berths behind Perry, Bell and Antonelli. Latman and Locke each hurled very well in late season when Dykes installed them as starters after coming to Cleveland in August. Latman won six games in a row and if he can improve his control to go along with a very effective fast ball, he can develop into a fine pitcher.

Locke was a hard luck performer in several late season contests but he did wind up with a 3.37 earned run mark, lowest among the regular pitchers. He hurled a masterpiece against the Yankees in mid-September even though the Tribe lost in extra innings.

For bullpen duty, Dykes has Frank Funk and Dick Stigman. Funk won four games in relief and lost two for Cleveland after joining the club for the final weeks of 1960. He enjoys being in the bullpen and has the poise and control for relief. Stigman, used as a starter and reliever, needs to come up with better control to be a good pitcher. Dick has a good fast ball and excellent curve.

The smallest of these are called the "bisernica" (bisernica) and "konstrasica" (konstrashitsa) or, more recently, simply prim I, prim II, and prim III. These instruments are high pitched and usually do the high obligato work in the orchestra along with doubling on the melody and harmony lines.

Next in size is the "brac" (brach) which is sorted as to brac I, brac II, and brac III. They usually play the lead melodies and harmony parts in the orchestral complement.

The "celo" is comparable to the cello of a symphonic orchestra, playing a very similar role in adding depth and body to the entire ensemble. The "bugarija" (bugarija) is similar to a tenor guitar in that it is utilized to play accompaniment and rhythm with various chord progressions.

The largest of the tamburitzans family is the "bas" or "berde," which is most like the well-known bass-viol. All of the tamburitzans instruments are strung with steel or wire

If he can display his 1959 form, then the Indians will have in him and Perry two potential 20-game winners which are necessary for any pennant contender. Perry won 18 games last summer to tie Baltimore's Chuck Estrada for most victories in the American League's 1960 season.

The other Indian starters will be selected by Dykes from a group that includes John Antonelli, Jim Grant, Barry Latman, Wynn Hawkins and Bobby Locke. Antonelli has been a very serious worker here and seems bent on having another successful season such as he enjoyed in 1959 when he won 19 games and almost hurled the San Francisco Giants to the National League pennant. If Antonelli can win 12 to 15 games, he will be a most valuable addition to the Indians.

John can also aid the Tribe cause in another direction since he has the stuff to beat two of the Indians' toughest foes—the New York Yankees and Chicago White Sox. These are the teams the Indians must handle better in 1961 than they did in the past two years if they are to entertain pennant hopes.

Grant, Latman, Hawkins and Locke will be striving to gain the other two starting berths behind Perry, Bell and Antonelli. Latman and Locke each hurled very well in late season when Dykes installed them as starters after coming to Cleveland in August. Latman won six games in a row and if he can improve his control to go along with a very effective fast ball, he can develop into a fine pitcher.

Locke was a hard luck performer in several late season contests but he did wind up with a 3.37 earned run mark, lowest among the regular pitchers. He hurled a masterpiece against the Yankees in mid-September even though the Tribe lost in extra innings.

For bullpen duty, Dykes has Frank Funk and Dick Stigman. Funk won four games in relief and lost two for Cleveland after joining the club for the final weeks of 1960. He enjoys being in the bullpen and has the poise and control for relief. Stigman, used as a starter and reliever, needs to come up with better control to be a good pitcher. Dick has a good fast ball and excellent curve.
