

Severni Vietnam začel menjavati strategijo?

V Hanoi so začeli polagati večjo važnost na mine in rakete kot na moštvo. Število tega v Južnem Vietnamu omejujejo.

PARIZ, Fr. — Hanoi je menda že poleti namigaval, da bo v službi, da pride do razgovorov o premirju, omejil število vojaštva v Južnem Vietnamu. Tega niso še opazile razne obveščevalne službe. Dognale so le, da Hanoi pošilja nove čete proti jugu, toda ne v Južni Vietnam, ampak v sosednji Laos in Kambodžo, najbrže "za vsak slučaj". Zato se pa zalaga z novim orožjem, posebno mu dišita artilerija in rakete na kratke daljave.

Francoski oficirji, ki so svoj čas služili v Vietnamu, so kaj takega pričakovali. Svoje pričakovanje utemeljujejo takole: General Giap še zmeraj odreja taktiko in strategijo vojskovanja v Južnem Vietnamu. Pri tem se drži istih metod kot v vojni proti Franciji, pa ne podrobnosti.

Menja jih tam, kjer dobi več modernega orožja. Sedaj recimo polaga važnost na artilerijo in rakete, ni mu pa toliko za moštvo. Zakaj? Ker misli, da bo po tej poti dosegel, kar hoče: z obsestreljevanjem in raketami proti ameriškim postojankam v goratem goratem delu Južnega Vietnamu hoče privežati čim več ameriških vojakov na te postojanke. Drugi cilj njegove taktike je v tem, da išče vsako priliko, da s topovi in raketami obkroži in v Južnem Vietnamu streljuje v prometna križišča. Tako sili ameriške poveljnike, da morajo držati okoli teh vojaških točk močne vojaške oddelke. Saj so samo v bližnji in daljni okolici Saigona razmeščene tri ameriške divizije. Tako trdijo francoski vojaški strokovnjaki, ki so se svoj čas vojskovali v Vietnamu.

Da je nekaj resnice na tem stališču, potrjuje vneto iskanje Hočiminhove vlade topništva in raket v komunističnih državah. Do sedaj ga je Hanoi dobil največ iz Moskve in Peipinga, nekaj tudi iz Prage. Praga bo sedaj odpadla, tako vsi mislijo, na Kitajskem je pa kaos zmeraj večji in to vpliva tudi na dobavo vojaškega materiala Hanoi. Ostanke torej le še Moskva. Ali bo pa ta vir še tako radodaren kot je bil?

Vse skupaj je le nov dokaz, da Ho Chi Minh hoče uskladiti diplomatsko vojno v Parizu z vojskovanjem v Južnem Vietnamu. Žal ga ne posnema saigonska vlada in s tem hromi tudi vse ameriške vojaške operacije in diplomatske igre.

Clevelandska občina zgubila proste roke pri določanju plač!

CLEVELAND, O. — Bistvo vsake samouprave je njena pravica, da je popolnoma svobodna pri določanju svojih prejemkov in izdatkov. To svobodo so clevelandski volivci napravili pri zadnjem majskem plebiscitu. Izglasovali so namreč v majskem referendumu spremembo mestnega statuta. Sprememba odreja, da morata policija in požarna bramba imeti za 3% večje dohodke kot v katerikoli ohaškem mestu, ki ima več kot 50,000 prebivalcev.

Kaj to pomeni, bomo videli 1. januarja. Takrat bosta namreč policija in požarna bramba v Toledu dobili povišanje prejemkov za 3%, prejemki pa znašajo že sedaj 3% več kot v Clevelandu. To pomeni, da bo morala clevelandska mestna uprava povišati plače policiji in požarni brambi za dobrih 6% ali povprečno \$600 na leto. Tega seveda ne bo prezrlo ostalo mestno uradništvo in zahtevalo podobno povišanje prejemkov. Mestna uprava bo pa morala povišati občinsko dohodnino, ki sedaj znaša le 1% osebnih dohodkov, drugače bo mestni proračun zašel v primanjkljaj.

Volivci se bodo jezili, to pa so sami krivi, zakaj so pa glasovali za spremembo. Odgovorna sta deloma pa tudi župan Stokes in mestni svet, ki ne bi smela tako na lahko roko obesiti proračunsko samostojnost na tuje občinske proračune. Zanimivo bo, ali bodo mestni republikanci znali glodati to kost?

Čas za razorožilvene razgovore ni primeren

Združene države, ki so v preteklem juliju izjavile svojo pripravljenost za take razgovore, te sedaj odklanjajo zaradi zasedbe ČSR.

ZDRUŽENI NARODI, N.Y. — V političnem odboru Združenih narodov je več držav predložilo tekom razprave o razorožitvi, naj bi Združene države in Sovjetska zveza začeli čim preje razgovore za omejitev atomskega in raketnega oboroževanja. Sovjetski zastopnik je izjavil, da je Moskva pripravljena začeti razgovore takoj. Zastopnik ZDA William C. Foster je v tem odboru v svojem govoru izjavil, da čas za take razgovore ni primeren zaradi sovjetske zasedbe Češkoslovaške republike.

"Vi se zavedate, da so se dogodile stvari, ki so prisilile odložitve teh razgovorov," je dejal ameriški zastopnik W.C. Foster. Kasneje je sen. J.S. Cooper, republikanec iz Kentuckija, kritiziral "brutalni" napad na Češko-slovaško pred pravnim odborom glavne skupščine, ki razpravlja o definiciji napada. Ugotovil je, da je Sovjetska zveza s svojim napadom na ČSR kršila načela listine ZN in mednarodnega prava.

Zastopnik ZDA je po Fosterjevem govoru v političnem odboru izjavil, da bodo ZDA rade vodile razgovore s Sovjetsko zvezo o omejitvi medcelinskih raket, toda šele tedaj, ko bo čas za to primeren.

Enako stališče sta zastopala ameriška senatorja A. Gore in C. Pell, člana zunanje-političnega odbora, ko sta bila v terek pri predsedniku vlade ZSSR A. Kosyginu v Moskvi. Istočasno sta ga svarila pred vsakim novim "dogodkom", podobnim onemu v ČSR, ker bi to položaj le še močnejše poslabšalo.

Kraljica Elizabeta II. se vrnila iz Juž. Amerike

LONDON, Vel. Brit. — Kraljica Elizabeta in njen soprog princ Filip sta se v terek zvečer vrnila z več kot dvotedenskega uradnega obiska v Braziliji in v Čilu v Južni Ameriki.

NOVA EKSPLOZIJA UNICILA UP NA REŠITEV RUDARJEV

Danes zjutraj je bilo slišati v Mountaineer Coal Company No. 9 novo eksplozijo in upanje na rešitev 78 rudarjev, ki so od srede zjutraj ujeti kakih 600 čevljev globoko v premogovniku, je skoraj izginilo.

MANNINGTON, W. Va. — Družine in sorodniki 78 rudarjev, ki so ujeti od srede zjutraj v rovu št. 9 Mountaineer Coal Company, še vedno upajo na rešitev, toda stvarna presoja položaja kaže, da upanja skoraj ni več, odkar je danes zgodaj zjutraj prišlo v premogovniku do nove eksplozije. Prevladuje mnenje, da so vsi v rudniku ujeti rudarji že mrtvi. Ker divja v rudniku ogenj, ni mogoče na noben način iti ujetim rudarjem na pomoč. Poskusi za udušitev požara so ostali brez uspeha in vse kaže, da bodo morali rovi zapreti, ker le na ta način morejo požar končati. V takem položaju je treba računati, da bo minilo vsaj tri mesece, verjetno pa še veliko več, predno bo mogoče rudnik zopet odpreti.

Pred novimi eksplozijami so mislili začeti vrtati od vrha rova do dela premogovnika, kjer so rudarji ujeti. Nove eksplozije so pokazale, da je ogenj segel v ta del rudnika in da reševanje trenutno ni mogoče. Če se ne posreči na kak način ognja v tem delu rudnika omejiti, je vsak poskus prodreti do ujetih rudarjev nemogoč. Uprava rudnika se pripravlja na zaprtje vseh dohodov in jaškov kot edinega uspešnega sredstva za zadušitev požara. To utegne storiti še danes.

Premogovnik je znan po stalno prežeti nevarnosti. V njem je prišlo do zadnje večje nesreče leta 1954, ko je bilo mrtvih 16 rudarjev. Na celotnem področju rudnika se nahajajo v zemlji male količine naravnega plina. Ta prodira v rudniške rove in povzroča nevarnost eksplozij in požarov, kakor hitro se dovolj zgosti. To preprečujejo z dovajanjem zraka, vendar pa ta način ni posebno učinkovit, kot dokazujejo nesreče. Zveze in državne oblasti so zato ta rudnik stalno nadzirale in skoraj redno ugotovile nevarnost nesreč. Rudniška uprava je vedno znova po vsakem pregledu varnostnih naprav in stanja v rudniku spravila te v red, pa nato največkrat zopet popustila v svoji pazljivosti.

Notranji tajnik Udall je večeraj priznal, da so tako državne kot tudi zvezne oblasti premalo pazljivo nadzirale varnost v tem rudniku. Napovedal je stro-

ge ukrepe in proučevanje novih načinov skrbi za večjo varnost, da se v bodoče preprečijo tragedije, kot je sedanja.

Zadnje vesti

PARIZ, Fr. — Danes praznuje predsednik republike De Gaulle svoj 78. rojstni dan. Praznovanje ni veselo, ker pričakujejo, da bo vlada danes objavila znižanje vrednosti franka, ki je zaradi majskojunijskih štrajkov prišel v stisko. Ti štrajki in vse, kar je bilo v zvezi z njimi so stali francosko gospodarstvo okoli 2 milijona dolarjev, pa sprožili tudi val višjih plač in cen.

CLEVELAND, O. — Dva bolnika v naši deželi sta dobila že tretje srce. V Stanford Medical Center so v sredo dali 56 let staremu letalcu D. Ham-mrleyju drugo srce, ko pa to ni v redu delovalo, so mu ga zamenjali z tretjim, ki je nato delovalo v redu. V Houstonu, Tex., je dobil svoje tretje srce 47 let stari E. Thomas. Drugo srce je dobil 3. maja letos in je najdalj živel človek v naši deželi s tujim srcem.

Francija sodeluje z NATO

NAPOLI, It. — Kljub uradnemu odstopu Francije iz vojaškega dela NATO pogodbe je pretekli teden francoska vojna mornarica sodelovala z vojnim ladjevjem članic NATO v Sredozemskem morju in francosko vojaško letalstvo, ki nadzira Sredozemsko morje, poroča o svojih ugotovitvah poveljstvu NATO za Sredozemlje.

Francosko sodelovanje z NATO na vojaškem področju v zadnjih tednih je po sodbi poučenih na eni strani posledica položaja v Srednji Evropi, nastalega z vdorom sovjetskih čet v ČSR, ki je De Gaulle izredno prizadel, na drugi pa utrjevanje sovjetskega vpliva v Alžiriji. Ta je iz dneva v dan večji in v Parizu sodijo, da je v Alžiriji že več tisoč Rusov, ki dobivajo postopno pod nadzor njene oborožene sile, pa tudi vse drugo. Rusi so si ogledali bivša francoska vojaška letališča v Alžiriji in se vgnezdili tudi v pomorskem oporišču Mers-el-Kebir, največjem in najmodernejšem v vsem Sredozemlju.

ne v prihodnjem decembru s stališča znanosti ni mogoče dobro utemeljiti. Vse podatke, ki jih bodo astronomi zbrali na tem poletu, bi lahko zbrali tudi avtomati.

Vodnik NASA dr. G.E. Mueller je na to odgovoril v Huntsvillu, Ala., da nihče ne skuša poleta utemeljevati s čisto znanstvenih razlogov. Gre dejansko v prvi vrsti za razvoj in preskušanje možnosti človekovega poleta na Luno, pristanek na njej in povratek z nje na Zemljo. Mueller je poudaril, da NASA ne mara nobenih nepotrebnih tveganj pri pripravah poleta na Luno.

“Moskovska doktrina” in NATO

Ko so sovjetske in satelitske čete začele 20. avgusta letos od vseh strani dreti na Češkoslovaško in so sovjetski padalski oddelki zasledili Prago, je Moskva izjavila, da so te čete na poti v ČSR na prošnjo vladnih in partijskih vodnikov ČSR, ker da je bila republika v nevarnosti pred protirevolucijo. Uradni vodniki ČSR so to odločno zanimali, poslanik ČSR pri ZN in sam zunanji minister ČSR, ki je bil v času zasedbe ČSR v Jugoslaviji, je v Varnostnem svetu ZN postavil Sovjetsko zvezo javno na laž.

Pri takem položaju je Moskva to trditev opustila in po nekaj dneh začela izjavljati, da ima pravico in dolžnost poseči v vsako socialistično državo, kjer “pride socializem v nevarnost”, z oboroženo silo, da ga zavaruje. To stališče je sedaj znano pod imenom “moskovska” ali “Brenžjeva doktrina”. Leonid Brežnjev sam jo je pretekli teden ponovil na kongresu poljske Komunistične partije in jo ponovno postavil kot osnovno vodilo za “socialistično skupnost”. Ta doktrina je vznemirila svobodni svet, posebno Evropo, precej bolj kot sama zasedba Češkoslovaške.

Češkoslovaško je smatral svobodni svet za poseben slučaj in je skušal Moskvo “razumeti”, čeprav jo je obsojal. Zasedbo ČSR je gledal predvsem z vojaško-obrambnega stališča, da bi odpad ČSR od Varšavske zveze in njena morebitna naslonitev na Zahod odprla vrata z Zahoda do same Ukrajine in v globino Rusije.

Ko je Moskva začela izjavljati, da ima pravico z vojaško silo iti varovat socialistični red v vsako “socialistično državo”, je bilo to nekaj čisto drugega. Niso se ustrašili samo v Bukarešti, ampak tudi v Beogradu in Albaniji, nerazumni so postali v Avstriji in na Finskem. Nihče ni čisto gotov, če ne smatra Moskva za države “socialistične skupnosti” tudi Sirijo, Egipt in Alžirijo, in če ne bo vključila vanjo vsako državo, kjer bi se na kak način posrečilo vzpostaviti levičarsko vladno, pa bi ta bila v nevarnosti, da zopet zleti.

Ko so se pretekli teden zbrali ministri NATO držav na svoj polletni posvet v Bruxellesu, je bila nova moskovska doktrina središče razpravljanja. Bilo je očitno potrebno nekaj skleniti in sklepe podpreti tudi z dejanji, ki naj pokažejo Evropi in ostalemu svobodnemu svetu, da NATO ne bo mirno gledal izvajanja nove moskovske doktrine v Evropi in seveda še manj kod drugod po svetu.

V zaključni izjavi posvetovanj ministrov držav članic NATO je Brežnjeva doktrina obsojena in zavrnjena, označena za nasprotno osnovnim načelom listine Združenih narodov in nevarno svetovnemu miru. NATO je povedal jasno, da bo vsak nov poskus izvajanja Brežnjeve doktrine povzročil težko mednarodno krizo. Izjava NATO ne omenja nobene države, govori na splošno. Druga poročila povedo med tem, da je vrhovno poveljstvo vojaških sil NATO izdelalo načrte za vsak posamezen slučaj, da bo pripravljeno za vsak nov sovjetsko-satelitski sunek v katerokoli državo v zvezi z novim moskovskim stališčem.

Očitno je, da je NATO pogodbeno obvezan braniti le ozemlja svojih članic, za kar velja načelo, da je vsak napad na katerokoli izmed njih napad na vse in bodo zato tudi vse skupno na tak napad odgovorile. V koliko bodo NATO oborožene sile pomagale braniti ali branile ozemlja držav, ki jih smatrajo za “važne za svojo lastno varnost”, je skrivnost njihovih vojaških in političnih načrtov. Ti bodo veljavni in obvezni šele, ko jih bodo vse članice NATO odobrile, če bodo seveda to smatrale za nujno.

Vsekakor so na svojem posvetovanju pretekli teden sklenili ministri držav članic, da je treba vojaške sile NATO modernizirati, povečati njihovo vojaško sposobnost, izvežbanost in pripravljenost za takojšen nastop, nje same povečati in jim dati novo, moderno opremo.

Združene države so v okviru tega sklepa obljubile vrniti v Evropo “na vojaške vaje” dve brigadi pehote in štiri eskadrile taktičnega letalstva, ki so jih lani umaknile iz Evrope. Napovedale so, da bodo zamenjale v bližnji prihodnosti 80 F-102 lovskih letal z modernimi Phantom jet lovskimi in borbenimi letali, ki so se dobro izkazala v Vietnamu. Za ta letala bodo zgradile zaklonska in oporiščih v Zahodni Nemčiji in na Nizozemskem.

Ostale članice NATO z izjemo Francije in Islandije so vse obljubile izvesti svoj del. Vsaka od njih bo povečala svoj obrambno-vojaški napor in določila zanj dodatna denarna sredstva. Skupno je predvideno, da bodo vse skupaj določile v ta namen 450 milijonov dolarjev novih sredstev.

Učinek teh ukrepov naj bi bil odgovor novi sovjetski politiki, kot je dejal ameriški državni tajnik Dean Rusk, “dovolj skromen, da bi pokazal zadržanost, pa vendar dovolj močan, da bi bil učinkovit”.

Zavezniki so ustanovili tudi novo skupno pomorsko poveljstvo za nadziranje sovjetskega vojnega ladjstva v

Sredozemskem morju. Čeprav to ni tako veliko, da bi moglo biti nevarno ameriški šesti floti, saj ga ni vsega skupaj niti toliko kot italijanske vojne mornarice, je vendar važen faktor. Moskva svoje vojno brodovje v Sredozemskem morju lahko uporabi za pritisk na Albanijo in Jugoslavijo, pa tudi na Izrael. Čemu skušati zasesti Albanijo preko Jugoslavije, če je to možno storiti z morske strani?

Doktrina Brežnjeva je vznemirila Evropo, ki je še poleti navdušeno govorila o pomiritvi Zahoda in Vzhoda, o nepotrebnosti NATO, o končanju njegovega vojaškega dela v taki meri, da je znova strnila svoje vrste in sklenila v zavesti nevarnosti storiti to, kar je sicer obljubila storiti za okrepitev svoje obrambe že pred leti. Istočasno se je znova jasno zavedla, kako nujno potrebuje vojaško varstvo ZDA. V tem pogledu tudi DeGaullova Francija ni izjema.

BESEDA IZ NARODA

Kdo tega ne bi bil vesel?

NEW YORK, N.Y. — Že dokaj časa Ameriška Domovina povzema, oziroma ji g. J.S. pošilja zanimivosti, ki jih objavlja slovenski verski list v Ljubljani “Družina”. Na ta list sem osebnostno naročen. Čeprav list zmeraj od prve do zadnje besede preberem, sem dokaj vesel, ko zagledam kak sestavek objavljen še v Ameriški Domovini. V tem je pač nekaj razveseljivega, kar mi govori o duhovni povezavi našega naroda doma in v zdomstvu.

“Družina” št. 21, ki je nosila dan 3. nov. 1968, sem prejel že 31. oktobra. Kmalu nato sem bral v Ameriški Domovini že prve članke iz te številke “Družine”. Do prejšnje nedelje nisem ugledal v Ameriški Domovini članka, katerega sem bil najbolj vesel, in katerega so pri ljubljanskem verskem listu objavili na prvi strani.

Po vsej resnici povedano, prejšnjo nedeljo na deževno popoldne mi je misel spet skočila k temu članku, in v nemali žalosti ter kar v nerazumljivi jezici sem se vsedel k pisalnemu stroju in začel pretipkavati članek s prve strani “Družine”. Se svoje razmišljanje sem mu dodal. Vse skupaj položil v pisemsko ovojnico in poslal svojemu staremu znancu, ki je že nad 18 let urednik slovenskega dnevnika Ameriške Domovine, Cenetu Lipovcu.

V sredo, 13. nov., pride ponekdjokva številka Ameriške Domovine, in ko jo odprem, takoj zgledam na drugi strani sestavek “Zgodovinski dan v Beogradu”. Kako bi moglo biti, da tega ne bi bil vesel, čeprav sem bil takoj gotov, da ne more biti tisto, kar sem oddal v nedeljo zvečer v poštni nabiralnik na vogalu moje ceste.

Zares bil sem vesel in prav v tej radosti spet pišem nekaj o tem članku. Upam, da so ga vsi naročniki in bralci Ameriške Domovine z radostjo prebrali. Kolikim se je ob koncu branja zljala solza radosti iz oči po licu, tega ne vem. Meni se je in še nekomu v njujorški srenji!

Kdo ne bi bil tega vesel, kar razodevajo že prve misli poročevalca “Družine”, ko pravi: “Letošnji 25. oktober bo ostal gotovo zapisan z velikimi črkami v analih našega ekumenizma. Ta dan je ljubljanski nadškof — v d. predsednika škofovske konference v Jugoslaviji obiskal patriarha Srbske pravoslavne Cerkve Germana.

Bil je sončen dan... Zares, bil je sončen dan v zgodovini krščanske ljubezni in prekrasem dan bratstva med jugoslovanskimi narodi, ker to bratstvo prihaja iz duhovnih globin, ki vro spet na dan in teko med skalnimi čerami materializma in iz njega nastajajočega sovraštva.

Tisti prvotni vir resnične ljubezni ne more jeziku narekovati drugih in drugačnih besedi, kot jih iz srca in duše prenaša nam krščanska ljubezen sama, ki se za čuda ujema tudi s tisto težnjo, ki so jo naši narodi tako močno gojili ob začetku tega stoletja in jo s trdno vero ter upanjem preoblikovali v dejanja,

ki so narod odrešili v svobodi. Danes pa nam je treba še ene odrešitve!

In takšnih besedi nam je treba! Zategadelj — poslušajmo jih ker spet nam morajo postati ‘meso in kri’ naših hotenj in dejanj, če hočemo sebi in svojemu narodu pripraviti odrešenje.

“Živimo v skupni domovini, srečujemo se vsakodnevno z istimi problemi v teh nemirnih in usodnih časih, zato je nujno potrebno, da se čimbolj spoznamo in da med seboj delujemo.

Med tem, ko narode razdvajajo nezaupanja in različni spori, že skupna dolžnost nas, ki o znanjamo Kristusovo večno resnico in ljubezen, da vsakdo po svojih močeh stori vse, da se ljudje zblizajo, da se odstranijo vzroki novih potokov krvi in solz.”

S temi globokimi in preprostim besedami je ljubljanski nadškof dr. Pogačnik lepo podal sliko svetovnega in jugoslovanskega položaja. V širšo plat pogledano, se pokaže današnje stanje v svetu, ožje vzeto pa zajame tisto prikrito stanje jugoslovanskih narodov doma ter hkrati — in to še vprav točno — stanje jugoslovanskih emigracij v zdomstvu.

Nato nam nadškof lepo govori o pomenu ekumenskih srečavanj med papežem in carigradskim patrijarhom in pove, da imajo katoliški škofi vprav dolžnost in izrecno naročilo in o tem tako prisrčno govori:

“...in v imenu katoličanov naše skupne domovine pridem semkaj, da se osebno sestanemo in bratsko objamemo, da tako javno izpovemo naše želje po medsebojnem spoznavanju po izmenjavi misli, po sodelovanju v skupnih vprašanjih... Moramo pozabiti vse, kar nas je ločilo in začeti plodno sodelovati v vseh vprašanjih, ki so za nas vse enako važna — ne da bi se spuščali v polemiko spornih vprašanj. (Podčrtal T.O. z namenom, da bi se v to zamislili tudi emigrantski politiki in politikantje.) Podajmo si roke v bratskem razumevanju ter pojdemo naprej k lepši in srečnejši prihodnosti naših Cerkva in narodov...”

Nadškof je govoril o versko-cerkvenih vprašanjih, ki se postavljajo Cerkvam — kot ustanovam za dvigovanje človekovega duha in verovanja v duhovni svet — v materialističnem okolju, ki vpliva na vsa področja človekovega udejstvovanja in življenja. Kako lepo nam je v teh besedah pokazan ves kompleks položaja, v katerem se je znašel človek, ki še veruje v Boga in po tej veri v globlje materialistične odnose, ki naj oblikujejo dobrega in vprav zato pravičnejšega in srečnejšega človeka in vsega njegovega rodu.

To srečanje nadškofa dr. Pogačnika s patrijarhom Germanom, ki mu je v odgovoru dejal: “Drugim moramo pokazati skupno pot, saj nas družijo veliko več stvari, ko pa je razlik med nami,” mora biti nova pobuda tudi za dejanja nas vseh, ki smo člani in potomci rodu iz skupne slovenske in jugoslovanske domovine.

Tone Osovnik

Treba je delati, ne le tarnati

PATERSON, N.J. — Huntsville News je za veteranski dan prinesel uvodnik pod naslovom “Amerika ne dela vtisa, da je ponosna”, v katerem piše: “Na današnji dan pred 50 leti so se Amerikanci vsuli na ulice vzklikat svojim zmagovitim vojakom. Amerika je bila ponosna država in Amerikanci ponosni na svoje čete.

Kako se je v 50 letih ta slika spremenila! Amerika ni več ponosna in Amerikanci svojih vojakov nimajo več radi. Zdaj je v modi opravičevanje. Opravičujemo se pred ostalim svetom, da smo najmočnejša in pajbolj bogata država na svetu. Opravičujemo se pred drugimi, ker jim ne dajemo, kolikor bi oni želeli, in na kolenih jih prosimo, naj se ne jezijo na nas.

Narodni ponos izpred 50 let je izginil v nič. Pogled na našega vojaka nam vzbuja le pomilovanje. Pred 50 leti so naši možje in fantje šli prostovoljno v vojaško službo, danes naborne pozive sežigajo in bežijo v Kanado. Nekoč se je svet tresel pred močjo Združenih držav, danes dijaki po vsem svetu naše zastave sežigajo, naše državljane zapirajo in naša poslaništva napadajo in mi se opravičujemo in jim dajemo še več denarja. Nekdaj smo grozili z vojsko, če so kje zaprli ameriškega civilista, danes imamo 82 naših v ječah na Koreji, 11 v Kambodži in na stotine po drugih državah in mi se pred tujimi vladami opravičujemo zaradi obnašanja naših državljanov.

Leta 1918 je svet želel miru in mi smo poskrbeli, da je prišlo do njega. Danes svet tudi hoče mir in mi pred sovražnikom klonimo. Koliko nas je še, ki nam solza sili v oko, ko slišimo našo narodno himno in vidimo našo zastavo? Molimo, naj bi naši otroci spremenili smer, v katero smo mi krenili.”

Vse gornje je res. Ni pa dosti samo moliti, tudi delati je treba. “Pomagaj si sam in Bog ti bo pomagal.” Vsak na svojem mestu moramo okolico opozarjati na vdor komunističnega vpliva v ameriško miselnost in zlobne namene komunistov razkrivati. Če prepuštimo oblikovanje bodočnosti le “našim otrokom”, bo prepozno.

IZ NAŠIH VRST

Harrisburg, Pa. — Spoštovano ovestništvo! Prav lepa hvala za uvestilo, da mi bo naročnina zapadla. Prilagam ček za celoletno naročnino.

List mi zelo ugaja. V njem je mnogo iz novega in starega kraja ter iz prelepega slovenskega Clevelanda, kot tudi iz ostalih krajev širne Amerike.

Ameriško Domovino toplo priporočam vsem tistim, ki še niso na njo naročeni in jo morda priložnostno dobe v roke. Listu pa želim veliko nadaljnega uspeha in ostajam zvesta naročnica

Mary Matkovic

Toronto, Ont. — Spoštovani! Tukaj Vam prilagam denarno nakaznico za Ameriško Domovino. Sicer sem dva dni pozen, pa smo mi starejši ljudje malo bolj pozabljivi.

Z Domovino sem zadovoljen. To leto je bilo res z dostavo malo bolj težko, ker smo v Kanadi imeli poštni strajk. Sicer pa me Ameriška Domovina vedno razveseli z novicami in če bi je ne imel, bi mi bilo res dolgčas. Prilagam nakaznico v znesku \$18, v upanju, da boste naročnino v redu prejeli.

S spoštovanjem

Hvala Ti, Gospod

“Zahvalni dan” je najstarejši ameriški praznik. Nastal je na zelo skromen način pred 346 leti v plymouthski koloniji v Massachusettsu, ko so se angleški “romarji”, ki so prijadrali z ladjo Mayflower, zahvalili Bogu za svojo prvo žetev v Ameriki.

Lep je ta praznik, lepa je navada, lepa hvaležnost, ki jo Amerika skozi stoletja izkazuje Bogu za neštete darove, za ogromna prirodna bogastva, za radodarnost, za uspehe na vseh poljih svojega gospodarstva in napredka.

“Zahvalni dan” je naš narodni praznik, je pa tudi dan naše osebne zahvale Bogu za številne milosti in dobrote, za vsakdanji kruh, za zdravje, za toplo stanovanje in obleko, za dobrega prijatelja in tolažnika, za milost vere. Prav za prav bi se morali Bogu zahvaljevati vsaki dan, saj nas tudi On dan za dnem obspava z dobrotami za dušo in telo.

Pokažimo, da ni res, da hvaležnosti v današnjem svetu manjka, na “Zahvalni dan” poizkusno vzdihnimo:

Zahvalimo Te, Gospod
za vse Tvoje dari,
ki jih po Tvoji dobroti
prejemamo!

Pranje in sušenje volnenih pletenin

Ker je volna občutljiv material, peremo jopice in puloverje le, če je to res potrebno. Pri pranju moramo biti previdne, ker volnene pletenine ne prenesejo drgnjenja, mencanja, gnetenja in ožemanja. Občutljive so tudi za višjo temperaturo in za močnejša pralna sredstva.

Pletenine med pranjem samo rahlo stiskamo. Temperatura milnice in vode, v kateri pletenine izplakujemo, naj bo vedno enaka. Pletenine peremo v mlahnati ali mrzli vodi, v raztopini milnatih luskin ali s posebnim praškom za mrzlo vodo, v čimkrajšem času. Pletenine občutljivih krojev ali plisirana krila, odnesemo raje v čistilnico.

Pred pranjem si pripravimo pralna sredstva, posodo in meh-

ke čiste brisače ali krpe za iztisiranje vode ter prostor za sušenje oprane pletenine. Posoda za pranje mora biti gladka, da se volnene nitke ne zatikajo. Primerne so plastične ali emajlirane posode.

CAMELOT

Ni nepoznan, predsednik moj,
obraz mladeniški mi tvoj.

A danes prvikrat
sem v lice gledal ti,
kot v soncu ti žari,
ki ustvarja večna ga pomlad.
Kje boš postavil svojim sanjam
grad?

Na gori mar, da zadovoljen
na domovino gledal boš
in v njej usodo vseh žena in moč,
mladenk in mladcev upolnih,
ki zro na svet iz novega zdaj
kota,
kjer naj ljubezen vlada le in
z njo dobrota?

Teh, ki ne sprašujejo se, kaj jim
dom bo dal,
pač pa skrbe, kako bi kdo
za dom se žrtvoval?

Kje boš postavil svojim sanjam
grad,
kje tvoj ti stal bo Camelot?

V vsemirju, kjer naš dom
boš zrl,
ga verno opazoval, ko boš umrl
in videl vse, kot bi na dlani
imel ta revni naš planet,
tako, kot jaz držim v tej roki
nepoznani
poslednji nagljen cvet?

Bog ve, če bi me razumel,
ko bi o domu svojem ti zapel?
Veš, rad bi kdaj se pogovoril
s teboj na samem in ti uprizoril
dom, ki rodil me je. Njega
lepote,

kreposti vse in zle navade,
opisal verno bi. Planine smeje,
gore in gričke, cerkvice njih
bele,

ki v istem soncu zdaj žare,
kot greje mlado ti srce.

Predsednik moj, kako zelo so
daleč!
Oj, daleč, daleč proč,
pa v mojem srcu skrite
tako, kot tvoj skrivnostni grad,
ki ti tako pri srcu je,
čarobni CAMELOT..

Jerzy Zulawski:

NA SREBRNI OBLI

ROMAN

Dan se že nagiba h koncu. V kratkem, čez štirinajst ur in pol, zaide sonce, ki stoji zdaj na daljnih oblilih gorovjih na zahodu komaj nekaj stopinj nad obzorjem. Vsaka skala, vsaka majhna vzpetina, vse meče dolge nepremične sence, ki v eni sami smeri sekajo to ogromno ravnino. Kamor seže oko — nič, le brezbrezna puščava, smrtonosna, zorana v dolge kamnite brazde od juga proti severu, po katerih se povprek črni senčne proge.

Kakor se oddaljujejo od ekvatorja, tako se steklena Zemlja nad nami nagiblje od zenita proti jugu. Raste do prvega kraja in v sveti jasno kakor sedem polnih lun. Tam, kamor poje-majoci lesk sonca ne prihaja, se srebri njena pošastna svetloba. A nad dvobarvno puščavo vedno to nebo iz črnega žameta, polno raznobarnih dragocenih kamnov, prekrito z bajno meglo drobnega zlatega peska.

Noč se bliža. Poslala je že svojega oznanjevalca, edinega, ki ji je še ostal na tem svetu, oropane mraka in večerne zarje... Hlad gre pred njo po puščavi, seda v sleherno razpoko, v sleherno senco in potrpežljivo čaka, da bo počasno sonce zdrknilo z neba in izginilo iz puščave, prepuščajoč njemu in noči samovladno kraljevanje.

V našem zaprtem vozu ni več tako soparno in vsi smo nekako bolj živahni in veseli. Varadol upapolno snuje načrte ali pa se igra s psico in ščenetoma. Woodbell je že precej okreval — zdaj se stoječ pri krmilu razgovarja z Marto. Vidim ju, če malce dvignem glavo. Posebno Marto vidim dobro. Vidim jo od strani, kako se smeje. Čudovito se sme-

je... kakor da bi njena usta poljubovala zrak. Tega smeja ima polne oči in polne prsi, ki ji poljejo hitro, pretrgano. Ob pripeki je imela prsi razgaljene; prevroče je bilo celo zanjo, ki jo je ožgalo indijsko sonce. Zdaj se je ogrnila do vratu. Ne vem zakaj venomer iščem z očmi te prelepe, drobne, tople prsi. Nečesa mi manjka, ko jih ne vidim. Po nepotrebnem mislim toliko na to žensko, toda nje je tukaj zares vse polno, odkar se je smrt nekoliko oddaljila od našega voza. Celo Varadol se dela, kakor da bi se igral s psi, a vem, da jo skrivaj opazuje. To me jezi. Čemu se Tomaž ne briga za to? Sicer pa — kaj mi to mar...

Ze nad šestdeset ur smo na potu. Voz se nenehoma pomika dalje. Spimo izmenoma in sedaj pišem med vožnjo. Ustavili smo se le toliko, da smo znova napolnili akumulatorje našega elektromotorja. Da si prihranimo kurivo, ki ga bomo potrebovali v nočnem mrazu, nam žene stroj zgoščen zrak. Akumulatorje moramo polniti, ker same baterije pri hitri vožnji ne zadoščajo.

Pomikamo se naglo naprej, če nam le svet dopušča. Pod 12° zah. dolžine smo naleteli na eno izmed svetlih prog, ki se širijo kakor žarki od gore Kopernika na sto kilometrov naokoli. To so, kakor smo se sami prepričali, nekaj kilometrov široki pasovi v steklo stopljene skale. Ne znam si razložiti postanka teh čudnih tvorb. Če bi jih hoteli razumeti, se zdi, da bi se morali povrniti v mislih v pradavne dobe, ko je bila Luna še tekoča, razbeljena

krogla, ki se je ohladila v mrzlem medvezdnem vsemirju. Tedaj so ogromni človeško domišljijo presegaajoči plinski vzbuhi, ki jih je plavajoča gmota bila sprejela vase, a jih je v dobi ohlajevanja izločala, napihivali Lunino še upogljivo površino in tvorili nekakšne ogromne mehurje in mehurčke. Mehurji so se med pokanjem ohlajali, preden so se popolnoma razlili čez obdajajočo jih ravnino. Sonce je potlej razgrizlo njihove vrhove, jih skrhalo in raztrgalo; vulkanske sile so napravile v notranjosti nekaterih obrocev stožčasta žrela, ki se do danes niso spremenila, ker jih ni uničila voda, ki na Zemlji vse zravna. Ustvarjalni sili vsemirja so planetne kepe in ognjene krogle sonce le poslušna tvarina v ogromnem loncu večnosti...

Tako živo mi o vsem tem govorijo velike in drobne gore, da se mi včasih ob pogledu na pokrajino dozdeva, da so te od sonca žarkoželte skale še vedno žareče in skoraj živa gmota; dozdeva se mi, da bo zdaj zdaj vsa ravnina začela kakor morje valovati, se upogibati, rasti, pokati in brizgati lavo pod pritiskom notranjih plinov.

Toda sto in tisoč vekov je minilo od onih časov. Lunina skorja se je strdila, razpokala je in se še venomer gubanči. Nekakšne tajne ognjene sile so podpalile v njej ogromne žareče brazde osteklenelega kamenja. Tu, kjer so nekaj divjale razbrzdane, rastoče, ustvarjajoče sile, sta zdaj tišina in mrtvilo

tako strašna in dokončna, da se čudimo in nas je sram lastnega življenja.

Do tega trenutka se premikamo kar naprej po svetli črti, ki jo dela steklena žila. Upamo, da se skupini žrel pred Arhimedom izognemo še pred zahodom sonca. Potem pa proti severu, vedno proti severu, da le pridemo iz tega strašnega pasu, kjer se poleg zlovesčega srpa Zemlje spenja v zenitu nad našimi glavami smrtonosno sonce kakor zbesnel ognjevit žrebec. Saj to

ni naše zemeljsko vse oživlja-joče sonce, ta lena bela in brezžarka krogla! To je pohlepen in porogljiv Bog — Bog uničevalec in požiralec. Mi štirje smo edine žive žrtve, ki jih je uzrl na tej smrtni ravnini. Moramo mu uiti, preden drugič ne vzide na črni, z zlatom izvezeni mrtvaški prt neba.

Prenehati moram s pisanjem. Varadol, ki je zamenjal Tomaža, kliče od motorja, da moram zdaj jaz h krmilu. Onadva že spita Marta, kakor navadno nagnjena

Dvakrat toliko stane ogrevanje doma na levi v mesecu januarju, kot onega na desni. Kako to?

Oba domova sta bila zgrajena v približno istem času. Oba sta skoro enako velika. Oba sta ogrevana po sončnem ... naravnem plinu. Pa vendar stane ogrevanje doma na levi dvakrat toliko, kot onega na desni. Zakaj?

Zato, ker je dom na desni boljše opremljen, da zadržuje mraz zunaj in drži toploto znotraj. Ne zavravlja toplote, kot jo zavravlja njegov so-sed. Spodaj navajamo štiri važna mesta, kjer nastaja ta velika razlika.

OKNA: Mesečna izguba toplote skozi špranje pri oknih, katerih prostornina znese samo 4 inč, bi grela celoten dom celih 17 ur. Toplota, zgubljena skozi eno samo slabo pritrjeno okno v teku enega meseca, bi grela vaš celoten dom več kot 3 in pol ure. Eno samo ohlapno okno brez vetrnega okvira zavravi v enem mesecu toliko toplote, da bi grela vaš celoten dom 6 in pol ur.

VRATA: Mesečna izguba toplote skozi ena sama vrata brez vremenske obloge ali brez vetrnih vrat je tolikšna, da bi grela vaš celoten dom 14 ur.

IZOLACIJA: Če vaše podstrešje ni izolirano, zgubite s tem v enem mesecu toliko toplote, da bi grela vaš celoten dom 87 ur — skoraj štiri cele dni!

TERMOSTAT: Mesečna izguba toplote pri vsaki stopinji termostata, naravnane nad normalnim udobjem je tolikšna, da bi grela vaš celoten dom približno 21 ur.

MORNING NEWSPAPER

Filled Bran Crepes With Cranberry Sauce

"Come for Sunday Brunch" is a frequent invitation extended during the holiday season. To serve an elegant main dish that requires little last minute preparation, consider these Bran Crepes with Cranberry Sauce. Bran flakes increase the nutrition of the pancakes, giving them a delicate pleasing flavor. Each thin, lightly rolled cake encases a rich orange flavored cheese mixture. The crepes may be made ahead and reheated in a lightly buttered chafing dish at serving time, topped with cranberry sauce.

Filled Bran Crepes With Cranberry Sauce

2 cups cream style cottage cheese
2 packages (3 ounces each) soft cream cheese
1 1/2 cups sugar
1/2 cup finely chopped pecans
2 1/2 teaspoons grated orange rind
3/4 cup prepared pancake mix
1 3/4 cups milk

3 eggs
1 1/2 cups bran flakes, crushed to make 1 cup crumbs
Melted shortening or salad oil
1 tablespoon cornstarch
Dash of salt
1 cup water
2 cups fresh cranberries, washed
1/2 cup diced orange

Combine cheeses, 2 tablespoons sugar, nuts, and 2 teaspoons orange rind; mix well. Set aside. Beat pancake mix, milk and eggs until smooth. Stir in cereal. To cook each crepe, brush a 6 or 7-inch skillet with oil. Pour 2 tablespoons batter into pan. Brown first side; turn and brown second side. Repeat process. Spread each crepe with 2 tablespoons of cheese filling; roll up. Keep warm in chafing dish or shallow pan in slow oven (300°F). Combine remaining sugar, cornstarch, salt, and remaining orange rind in saucepan. Add water; bring to a boil. Add berries; cook until skins pop. Stir in orange pieces. Serve with crepes. Yield: 24 crepes, 8 servings.

Christmas Lighting Hints For Stunning Effect

Want to make your Christmas lighting easier to install, and at the same time more effective? Then follow this suggestion from The Illuminating Company:

Consider all your indoor decorations which are visible from the street as part of your outdoor decorating scheme. This way, indoor decorations will serve a double purpose by adding to your outdoor design.

For instance, place your Christmas tree in the center of a front window. That's the start of a picture. Run some colored light bulbs around the window on the outside, and you have a "frame" for your picture.

Your front door is also important in your lighting display. A cheerful, illuminated doorway extends a holiday greeting to all who pass or approach your home.

Perhaps you want to hang a Christmas wreath on your door, and flank the doorway with a pair of Santas or snowmen.

You can cover your door with crinkled aluminum foil and shine a pink or amber spotlight from each side. This will reflect a thousand colored sparkling highlights from the crinkled foil.

Whatever your front door design, if lights are not a basic part of it, floodlighting will make sure it can be seen after dark.

If this is your first year for Christmas lighting, you may find that door and window lighting are enough for a basic, satisfactory display. But if you are an old hand at this, you may want to go further, outlining the front of your home in lights.

If your home is attractively designed, outline the whole thing—sides, roof gables, etc. But not all homes are architecturally perfect. It's home, and you love it, of course, but if some feature, such as a dormer, is not too attractive, "eliminate" the flaw by not lighting that part.

Whatever you do, remember that the specialists say, "Keep your display uncluttered and in good taste." Don't go overboard. A bog, old-fashioned Colonial house with a large yard has lots of room for lights and displays. But if you happen to have a small bungalow, on perhaps a 50-foot lot, don't "overpower" it with a riot of lights, colors and cutouts.

For persons who want to put up holiday lighting early, before blustery winter weather arrives, The Illuminating Company offers a free booklet of Christmas lighting suggestions. Just send a postcard request to The Illuminating Company, P. O. Box 5000, Cleveland, O. 44101.

Rozelle Hopes To Add Mondays To The Football TV Plan

New York, N.Y. — If Pete Rozelle has his way, football fans will be watching pro games on 14 Monday nights next season.

The commissioner of the pro grid-ders has encountered some opposition to his plan, but he also has come up with some excellent ammunition, like the ratings for the recent Green Bay-Dallas encounter.

The Packer-Cowboy contest, televised by the Columbia Broadcasting System, had a rating of 25.1 and a 44 percent share of the home audience. In the parlance of sports, this is annihilating the opposition.

On NBC at the same time, the movie "Exodus" was showing and the "Outcasts" and "Big Valley" were on ABC. "Exodus" had a 16.1 rating and a 30 percent share of the audience and the two ABC shows were in the 11.5 and 21 percent class.

Network officials have been hesitant on Monday night games because of fear of opposition from housewives, who tend to think the week nights belong to them and the Sundays to their husbands. The ratings for the Packer-Cowboy game may change all this, however.

One Ump Staff Is Enough

The case for central control of umpires received new impetus in the recent hassle over the dismissal of two A. L. arbiters. The dispute brought to light rather wide discrepancies in ump pay scales and pension benefits, with N. L. men in blue enjoying much the better of it.

To the surprise of no one, A. L. umpers voted to seek equality by joining the N. L. arbiters' union.

That may dissolve pay and pension inequities, but it will not eradicate variations in policy and methods of operation and suspected disparities in interpreting the strike zone.

Cards Lead MVP Race With 11 Stars Honored

New York, N.Y. — By winning the National League Most Valuable Player award, Bob Gibson continued the Cardinals' domination of baseball's most coveted award. In the 38 years the Baseball Writers' Association has been voting on the award, St. Louis players have won it 11 times—more than any other club.

Oddly enough, the runner-up club to the Cardinals no longer is in existence—at least not at the same old stand. The Dodgers, when they were still in Brooklyn, won six MVP awards. Since moving to Los Angeles, they have added two more.

The Cubs, with five MVPs, are in third place in the team race. The Cardinals also won it three years in a row in 1942, '43 and '44 when Mort Cooper, Stan Musial and Marty Marion won in that order. No other club has ever won three MVPs consecutively.

St. Christines Sponsors Turkey Festival

St. Christine's Parish once again invites all its parishioners and friends to an annual fall festival which ushers in the happy Thanksgiving Day holiday.

The Committee in charge decided to sponsor a two-day event to give everybody an opportunity to come and enjoy a few hours of good, wholesome entertainment, and to mingle with the crowds that will come to see if they can take home a luscious big turkey and other goodies to grace their dinner table on Thanksgiving Day.

Doors of St. Christine's School on E. 222nd St. will open at 7:00 p.m. on Saturday, Nov. 23rd. All evening long the committee will cater to their visitors with various "specials of the evening." There will be turkeys, hams, and refreshments.

A special children's festival is planned for Sunday from 3:00 to 6:00 p.m. Again, this will be designed with the anticipation of fun and laughter for the little fry. So, don't fail to send them along to St. Christine's on Sunday, Nov. 24.

After the kids get home, tired but happy, and ready to retire for the day — papa and mama can take the night off and come join in the festivities before they conclude another year. Sunday evening's event will feature the big one thousand dollars being given away.

Proceeds of this annual Pre-Thanksgiving Day Turkey Festival are designated for the promotion of our Youth Programs at Christine's.

Tag Team Match Featured On Arena Card

Some of the most exciting personalities in professional wrestling—including six outstanding tag teams have been assembled by promoter Pedro Martinez and matchmaker Bobby Bruns for the upcoming holiday program at the Arena, Thursday, Nov. 28, at 8 p.m.

Main event on the Thanksgiving Night card will pair rugged Hans Schmidt and Canadian champion Johnny Powers in an attempt to dethrone world champions Mike and Doc Gallagher. Schmidt and Powers have a grudge to settle following a TV show altercation, and the rowdy Irishmen from Bayonne, N.J. always manage to have their foes and fans everywhere in an uproar.

Another Thanksgiving Night tag team special will bring the two Masked Destroyers (No. 1 and No. 2) against the handsome Jewish star, Donn Lewin, of Buffalo, N.Y., and Larry Moquin, 237 pound favorite from Paris, France.

The sensational tag team from Australia — The Boomerangs — will make their Cleveland debut in a third feature. The "Aussies" will oppose Pierre La Salle, from Montreal, and "Li'l Abner" Osborne, a great favorite with young fans everywhere he has appeared.

A special holiday "bonus" for youngsters — there's no school the next day — will be autographed pictures of "Li'l Abner" Osborne to be given to the first 250 youngsters to enter the Arena.

A special singles attraction which should provide constant action will send Argentina Rocca, the South American champion with the educated feet, against Chin Lee, of China, who is a karate expert and claimant of the Oriental title.

Ringside and reserved seats — at \$4.00, \$3.00 and \$2.50 — and general admission tickets at \$1.50 — are on sale at the Arena, 3717 Euclid Ave., and Richman's downtown, 736 Euclid Avenue.

St. Mary Magdalene Meet

Members of St. Mary Magdalene Society No. 162 K.S.K.J. are hereby informed that the collection of dues will take place on Monday, the 25th between 5:30 and 8 p.m. in the Panel Room of St. Vitus School. All those that have not as yet taken care of their obligation are kindly asked for co-operation and do so on the 25th.

CHRISTMAS PARTY: A Christmas Party for members of our juvenile division will be on Monday, Dec. 2nd in the Social Room of the New St. Vitus Hall, beginning at 6 p.m. The Annual meeting of the society will take place right after the Christmas Party at 7:15 p.m.

Also wish to announce that our long-time member Josephine Meserko left this vale of tears and went to her permanent home to reap her just rewards. Our prayers go to the throne of the Almighty in petition that He grants her eternal rest and peace. To the bereaved family — St. Mary Magdalene Society extends heartfelt sympathy.

Mary Hochevar, sec'y.

Real Value! U. S. BONDS!

A DAY OF THANKSGIVING

Thanksgiving is the oldest observance, unique to the United States, which we now commemorate as a national holiday. It began with the pilgrims at Plymouth after their first harvest in 1621. From their tenuous foothold on the edge of an unknown continent, whose limits they were never to know, grew the English colonies, the conviction that government derived its powers from the people, the American Revolution and finally the United States of America.

What happened then through the years of our national history and what we have the opportunity of carrying forward today should be remembered with humility and thanksgiving on the 28th of November, 1968. We defend again the principles of human freedom on the battlefield. We should be thankful that we have the strength to do so. Our harvests were never more abundant, and our material wealth never greater. Our original dedication to the worth of the individual is intact, and our institutions in these fast-changing times are proving equal to the task of living up to this dedication. The faith of our forefathers was strong, and it built the land that we live in today. Let us give thanks that we have been able to fulfill that faith to this point in our history and continue in our common purpose to pass it onward with courage and with wisdom for generations yet to come.

St. Vitus Turkey Festival Saturday and Sunday

The St. Vitus parish Turkey Festival will be held this Saturday and Sunday in the auditorium. It will open on Saturday at 7:00 p.m. On Sunday it will open with a children's matinee. A specialty this year will be a Bake Sale in connection with the Festival. Baked goods will be on sale on Saturday from 2:00 p.m. On Sunday the Sale will start at 10:00 a.m. A roast beef dinner will be served from noon on.

Thanksgiving poultry will be given away at the festival as will Christmas toys and gifts.

On Sunday evening the main awards will be given. A turkey will be given away every half hour free to someone present. The proceeds will go to the parish for everyday expenses. This year no Summer Festival was held, so a bigger crowd is expected at our Turkey Festival. So come one and all parishioners and former parishioners are invited.

Bake Sale At St. Vitus Turkey Festival

St. Vitus Fall Festival starts on Sat., Nov. 23 at 2:00 p.m., and closes Sunday evening, Nov. 24.

NOW, FLY CTS!

MODERN "AIRPORTER" rapid transit cars, specially designed for the comfort and convenience of the air traveler will whisk passengers from downtown Cleveland to the Cleveland Hopkins Airport in just 20 minutes! These cars are air-conditioned, have stainless steel exteriors, wider seats, special luggage racks, tinted windows, and are capable of speeds to 60 mph.

"I spent more time getting to the airport than in flight!" As of Nov. 15th, that universal complaint of the jet-age traveler became ancient history in Cleveland. On that day, the Cleveland Transit System inaugurated this country's first direct rail connection between a downtown business section and its major airport.

The Hon. Alan S. Boyd, United States Secretary of Transportation, was the featured speaker at a civic luncheon on Nov. 15th, marking the opening and official dedication of the CTS' rapid transit extension to Cleveland Hopkins International Airport.

Federal, state, county and city officials joined in a ceremony at the airport and then joined civic leaders on the first train out of the airport to downtown Cleveland.

Transit executives throughout the nation and Washington officials, along with Gov. James A. Rhodes and Mayor Carl B. Stokes and area congressmen and officials participated in both the airport dedication ceremony and the luncheon.

The four-mile extension from West Park Station to the Airport is being accomplished primarily with federal funds under the Mass Transportation Act of 1964.

Cleveland was the first city to apply for a grant to extend its rapid

transit. The application was submitted April 14, 1965 and approved by HHFA on June 9, 1965.

\$12,334,472 is being provided by federal money and the remaining portion is being paid for by the City of Cleveland and Cuyahoga County.

The City of Cleveland has committed \$1,250,000 for parking lots at two new rapid transit stations and for an additional roadway into one of the parking lots. The stations will have major facilities for the System's very successful "park-n-ride" service and loading platforms to accommodate feeder bus lines as well as the thousands of "kiss-n-ride" passengers. There will be parking at the two stations for a total of 2,400 cars.

Cuyahoga County is spending \$5,041,738 on the project by providing five bridges along the rapid transit extension.

Passengers will travel in comfortable, modern 70-foot air-conditioned cars. The 20 new cars which were built by Pullman-Standard at a cost of about \$175,000 each, were delivered to Cleveland last Oct.

Each car is equipped with two luggage racks to accommodate the airport traveler.

The original rapid transit system opened in 1955 and was extended

Important Notice To All Lodges and Clubs

Many local and out of town clubs and lodges run a regular monthly ad in our newspaper containing all such information as: Names of officers, time and place of meetings, etc. This lodge roster is published once or twice a month. The price is \$12 per year, which is low considering the service it renders your group.

Lodges which run such ads usually get free publicity announcing their meetings and other similar short notices.

Yearly meetings are usually held during December. We suggest that all lodges and clubs vote for this monthly ad.

H. S. Writers Given Chance to Save Lives

High school writers will be given an opportunity to save the lives of their classmates in an "anti-smoking" contest sponsored by the Heart Association of Northeastern Ohio.

"Studies of American smoking habits indicate that more than one million American teenagers living today will die before they are 65 due to the effects of cigarette smoking, unless the present trend is reversed," said Ray W. Gifford, Jr., M.D., President of the Heart Association of Northeastern Ohio.

"The seriousness of the smoking habit is evident in a recently published medical study which shows that death rates from heart attacks, regardless of sex, range from 50 to 200 percent higher among cigarette smokers than among non-smokers, depending on the amount smoked," Dr. Gifford noted.

In announcing the contest, Dr. Gifford explained, "We want to give the high school writers an opportunity to match their skill with words against the multi-million dollar advertising budget of the cigarette manufacturers."

The contest, to be conducted thru-out the eight-county area served by the Heart Association of Northeastern Ohio, is for the most effective article, editorial, or editorial cartoon on the relationship between smoking and health which is published in a high school newspaper. First prize is a scholarship to the publications workshop sponsored by the Ohio University School of Journalism during the summer of 1969.

"Winners from the eight chapters of the Ohio State Heart Association will then compete for an award to be given at the annual meeting of the State group in Columbus in May of 1969," Dr. Gifford said.

"We think the teenagers can be an important force in decreasing smoking not only in young adults but also in the more mature smokers. Through their articles, they can show the relationship between smoking and premature death and disability. Perhaps they can point out that the best way to stop smoking is not to start at all," Dr. Gifford noted.

Any freshman, sophomore or junior student enrolled in any one of the 235 high schools and junior high schools in the eight-county area served by the Heart Association of Northeastern Ohio is eligible to compete for the chapter award. If your school does not have an entry blank for the contest, write to the Heart Association of Northeastern Ohio, 1969 East 115th St., Cleveland, Ohio 44108.

Counties served by the Heart Association of Northeastern Ohio include Ashtabula, Cuyahoga, Erie, Geauga, Huron, Lake, Lorain, and Medina counties.

From the Indian Tepees

A 31-game spring exhibition schedule, including 12 games in Tucson, has been announced by the Cleveland Indians.

The third-place Tribe will officially open its Tucson base February 25 and play the first spring game against the Seattle Pilots at Tempe, Ariz. on Friday, March 7.

Opening Day at Tucson is Saturday, March 8, when the Indians host long-time spring foe, San Francisco at Hi Corbett Field.

The approaching training season in Tucson will mark the 23rd consecutive year that the Indians have headquartered in the Arizona city.

New opponents on the Tucson schedule this season include the Pilots, the Oakland Athletics, and the San Diego Padres, all of whom will make various cities in Arizona training bases.

Regular spring-time opponents include the Chicago Cubs, the Giants and the California Angels.

Additionally, Indian officials announced that the Tribe would end its exhibition schedule with a six-game tour against San Francisco and Montreal. This trip has the Indians meeting the Giants in Albuquerque, New Mexico on March 31, and at Amarillo, Texas on April 1, at Shreveport on April 2 and at Memphis, Tenn. on April 3.

The Indians then travel to Omaha, Nebraska to meet the Montreal Expos on Saturday, April 5 and end the spring season against the Expos at Milwaukee on Sunday, April 6.
