ST. MARY'S NEWS

WE SHOULD BE PREPARED

Death can strike any one of us in the flash of an eye. God has often called people all of a sudden. When our time comes, will we need "time out" to set our house in order? It should be found swept and clean and built upon a rock. "Watch and pray, lest death come as a thief in the night."

But who of us would find a few days too short to prepare for eternity? If we have faults, even habits of sin that cut us out of the friendship of God, we need time. If death strikes us unprepared, still not His friends, we shall not see God. Never, not for a single split second of all eternity. And, NOT SEEING GOD IS ESSENTIALLY HELL. Unquenchable fire is secondary.

What say, we keep ourselves in line with the Lord?

MILKMAN GIVES

Through Bernice Pizmoth the Meglich family, proprietors of the Clover Dairy, sent us \$5.00 for our baseball account. Indeed, it was a surprise to us but we are grateful to you for your charitable hearts. God bless you.

The Meglichs have four sons in the service and they know the importance of sportsmanship in our youths.

an added attraction, when Tommy brings her prized possessions to the club. On the face of the envelopes is depicted in pencil drawing a scene of the day's work by Tommy's friend, who by the way is in Uncle Sam's Army. The crowd that gathered Tuesday, was due to Tommy's clever correspondent. No doubt even the postman enjoys his route to her home. The lassies themselves suggested she make an art gallery of her collection. Until then we would like to see more, how's about next Tuesday, Tommy?

Birthday greeting were sung for our Prexy Anny Pernach, at our last rehearsal, and because she is as wonderful a proxy as could be we also dedicated another number to her and that was "With Someone Like You." to Lieutenant (junior grade). At the present time he is attending a special school at the Scripps Institution of Oceanography at La Jolla, California. This is the only school of its kind in the United States.

Bill is the son of Mr. Nick Tome, 5815 Bonita Ave. His wife was the former Mary Modic of Norwood Rd. Three-year-old Jerome, and six-month Richard, are his pride. All these have reasons to be proud of him. Outstanding in his studies, citizenship and Catholicity, Bill was always a leader. While in St. Vitus parish he was very active in the Servers Club, the Dramatic Guild and the Holy Name Society. Being the president of H. N. S. his term had proved to be very successful.

We hope you will be fortunate enough to obtain your wish of becoming a Doctor in Chemistry in the near future. Bill, May God hear our prayer for you!

from Cleveland. However I was quite surprised when I ran into Sgt. Fred "Bam" Orehek and Pfc. John Prijatel, formerly of Conneaut, aboard ship. After a fast gab-fest about old times on St. Clair we chimed in on a few verses of "Moja Dekla Je Se Mlada" and other Slovenian songs.

On another cruise I met Jacob Pierman of 71 St. who served in the South Pacific with Seabees for two years and is now on leave in Cleveland.

After taking part in the Okinawa campaign, I hope to be in on the last show when it comes off and I hope that'll be the last one for all the boys; then we can come home for some action at the National Home to the tune of polkas instead of guns.

Hoping to hear from others back home and in the service.

Yours truly,

NEWS FROM OUR BOYS IN THE ARMY

Fleet Post Office
San Francisco, Calif.
July 22, 1945.

I would appreciate it very much if you would kindly renew my subscription to the Ameriška Domovina and continue sending it to me. I enjoy reading about the activities around home and to see how my old school chums are doing.

Hoping to continue receiving it, I remain,

An ardent reader,
JOHN C. SEIFERT, HA 1/C.USS Waukesha,
In Port,
July 30, 1945.

Dear Editor:
How are you? Things with me are still the same. Am in good health and hope everyone at home is the same.

I received a few letters from the folks with a few articles of what's going on. I haven't received the Ameriška Domovina for about two months. One article was about Governor Lausche, "Strong Man of Columbus," printed in the Post—a very good story and I believe every word was true. In regard to the article about Yugoslavia by Father Baznik—I think it's very mean what's happening to the old country where my parents come from.

Yugoslavia won't be the same as it was before the war. I was hoping some day to take a trip and see what it looks like—I was pretty close to it one time when I was in Italy—but it's changed my plans.

I haven't seen my brother Tony yet, but I was hoping I would as he said he was here and I've been here about two weeks. I've been practically following my brother Tony, but I haven't seen him for over two years.

My best regards to Mr. Jadrich and the gang at the Print Shop and to Dorsett, the mailer for Glaslito, and to the folks around the neighborhood.

Yours always,
JOZE GRDINA.
(J. J. Grdina, Cox.)

July 28, 1945.

Dear Editor:

Since a lot of my former buddies have come across with interesting bits of war news from all the world's fronts, I think I'll add to the scoop, too—particularly because I've been meeting several Slovene boys from the neighborhood during my tour of Pacific duty.

Taking a tip from Eddie Simms, who will soon be honorably discharged from the Navy at San Diego, I was on the lookout for a couple of Marines

Slovenian War Casualties

The War Department has informed Mrs. Mary Kofol of 1553 E. 41 St., that her son, Pfc. Jack Kofol, 23, died July 12 in Austria. No further details were given in the telegram.

A graduate of East High School, Pfc. Kofol was employed by the Federal Reserve Bank here before his induction in July 1942. He went overseas in July 1944, and served with an airborne field artillery unit.

Surviving besides his mother are three brothers, Pfc. August in Austria, Edward, and Dr. John, and a sister, Mrs. Rose Hoffert. A solemn high Mass was offered for him Tuesday at Immaculate Conception Church, 4129 Superior Ave.

May the young Slovenian hero rest peacefully in foreign land and our sincere sympathy to the survivors.

Previously reported as missing in action in Belgium since December 18, 1944, Mr. and Mrs. Joe Modic of 840 E. 236 St., have been notified by the War Department that their son, Pfc. Rudolph M. Modic, was killed on that date.

Mr. Ash had a weakness for meek, mousy women. The first Mrs. Ash was a mild little creature, and when she died her grieving mate left one of her hats hanging on the hat-rack in the hall to remind him of her tender, yielding nature.

The second Mrs. Ash was likewise a quiet, meekly accommodating woman, and she showed her meekness by permitting the hat of the first Mrs. Ash to remain on the hat-rack.

When Mrs. Ash No. 2 gave up the ghost, Mr. Ash found another apparently indulgent and tolerant wife in the person of a certain friend and neighbor.

As he carried his third mate over the threshold, Mr. Ash nodded toward the two hats hanging side by side on the hat-rack and requested that they be permitted to remain.

"I will not disturb them," said the new Mrs. Ash. "But," she added, as she disengaged herself from her new mate and stood firmly upon her own two capable feet, "the next hat that hangs there will be a man's."

And it was.

"Did Alice make John a good wife?" asked Mrs. Busby.

"No," replied a neighbor who knew, "but she's making him a good husband."

A certain prominent Roman, according to Plutarch, was harshly censured by friends for divorcing his wife.

"Was she not fair, was she not chaste?" they inquired.

Holding out his shoe, the Roman asked them whether it was not new and well made.

After examining it, they replied that it was.

"Yet," observed he, "none of you can tell me where it pinches me!"

Our Boys Win Citations

T-4 Louis V. Kovacic of the Glider Field Artillery, son of Mrs. Anton Milavec of 1243 E. 61 St., has received the Bronze Star Medal. His citation reads: "While serving with the Army of the United States, distinguished himself by meritorious service in connection with military operations against the enemy of the United States from June 6, 1944 to January 24, 1945. Throughout the Normandy Campaign, operation in Holland and defense of Bastogne, Belgium, he rendered outstanding service as a radio operator. His actions were in accordance with the highest standards of the military service."

S/Sgt. Frank A. Primoznik, formerly of Euclid, Ohio, who is now stationed in Bad Ischl, Austria, with the 11th Armored Division, was awarded the Bronze Star on May 28, 1945, for meritorious service in connection with military operations against an enemy of the United States during the period of August 2, 1944 to May 9, 1945.

Awarded the Silver Star Medal was Pfc. Stanley Hribar of 1253 E. 60 St., whose citation reads: "Pfc. Stanley R. Hribar, 117th Inf. Regt. is awarded the Silver Star for gallantry in action on November 17, 1944 in Germany. A medical aid man crawling forward to assist an injured man was wounded by enemy fire. Private Hribar, despite heavy enemy mortar and machine gun fire, heroically advanced to both wounded men and carried them, one at a time, to the safety of a nearby shell crater. He then crawled back under fire and returned with litter bearers to evacuate the wounded men. Private Hribar's gallant action reflects high credit on himself and the Armed Forces."

While at Latin, Bill was an honor student for four years. Numerous times he had the "top average" over the whole student body. Not satisfied to be leader in his work only, Bill devoted much time to the organized Social group of the school. A good citizen necessarily must be a good Christian was the uppermost thought in his mind. His past shows that he lived up to his ideas.

Completing his four years at Latin, the honor student was awarded a gold medal for his excellence in his studies. Besides this distinction, Bill also received a medal for perfect attendance for four years. Perfection seems to begin with small matters as punctuality. Already in his days of serving Mass this was well impressed on his mind.

Even in the production of the Schools Annual, he found time to put in his share of energy. Always sports as well as studies were his greatest interests. Intramural sports and the reserve football team took up part of his leisure time.

Unable to go to college immediately after graduation, Bill worked for two years saving his income to enter John Carroll University in 1936. As a lab assistant during his days at Carroll, he helped himself financially through his course. Being active in the Scientific Academy, he was given the honor of officer over the group for two years. Although he majored

in chemistry, he received a large extent on the erratic performance of his reports and was not able to receive a scholarship at the Naval Air Station in Florida where a hurried officer when a hurried officer was sent to him.

DEADLINE FOR ALL WEDNESDAY

RECEIVES MASTER DEGREE IN NAMK

Seldom do we hear of our Slovene youth Master degree in studies. Many years of profound sacrifice of much pleasure time is required to obtain distinction. Nevertheless, where there is a will, the Lt. (jg) William M. Tomic proved this to be a fact.

Beginning his schooling in 1922, at St. Vitus School, Bill seemed to be destined to build a career for himself. Since he excelled in all his subjects, the pastor presented him with a medal of honor on the occasion of his graduation from the Eighth grade. That was back in 1930. Then, Cathedral Latin High School was chosen to be the school of his higher learning.
