

Zadnje vesti

TEHERAN, Iran. — Vlada je proglasila izredno stanje v glavnem in še v nekaterih drugih mestih, ko je prišlo do demonstracij in izredov. Nastopila je trdo in varnostne sile so ponekod uporabljale strelno orožje proti demonstrantom, ki so zahtevali odstop šaha. Več oseb je bilo mrtvih in ranjenih. Položaj je napet, ko vodniki konservativnega vodstva islama vstrajajo v svojem boju proti modernizaciji in uvajanju novosti, ki so v nasprotju s starimi običaji in predpisi islama.

MOSKVA, ZSSR. — F. J. Crawford je bil včeraj obsojen zaradi nezakonite menjave dolarjev v rublje, kar pa je sam odločno zanimal, na pogojno pet let zapora, pa bo še danes odletel iz Sovjetske zveze domov. Mila sodba naj bi bila znak, da želi Moskva popraviti svoje zategnjene odnose z Washingtonom.

NEW YORK, N.Y. — Zdravstvene oblasti so ugotovile vrsto novih obolenj na "legionarski boleznini", vendar ni bilo novih smrti.

MOSKVA, ZSSR. — Kozmonavta Vladimir Kovalenok in Aleksander Ivančikov sta včeraj prešla iz Saljuta 6 v Sojuz 31, se ločila od Saljuta, zaplula okoli njega, predno sta se z njim znova povezala na drugem koncu. To naj bi bil preskus opreme in možnosti sprejema nove oskrbe.

LONDON, Vel. Brit. — Predsednik vlade James Callaghan je včeraj izjavil v kratkem nastopu na televiziji, da ne bo razpustil parlamenta in objavil novih volitev, ki so jih vsi pričakovali in napovedovali za 5. oktober letos. Trdijo, da je to največje politično preseženje v Veliki Britaniji po drugi svetovni vojni. Volitve kljub temu niso izključene letos, bolj verjetno pa bodo prihodnje pomlad. V dobri meri zavisi od tega, če bo vladi uspelo izogniti se nezaupnici v parlamentu, kjer nima večine.

THURMONT, Md. — Včeraj so bili razgovori Carterja s Sadatom in Beginom pospešeni in obsežnejši kot v sredo. Trdijo, da je razpoloženje dobro, o samem poteku razgovorov pa ni nobenega poročila. Danes, jutri in v nedeljo bodo razgovori omejeni zaradi verskega praznovanja. Muslimani praznujejo petek, judje soboto, kristjani nedeljo.

V Pentagonu mislijo na nejdredneje podmornice

WASHINGTON, D.C. — ZDA so v zadnjih dveh desetletjih gradile izključno jedrske podmornice. Sedaj so začeli razmišljati, če le ne bi bile za določene naloge boljše nejdredne, ki so dosti tišje od jedrskih.

Običajne podmornice so od druge svetovne vojne tehnično izpopolnjene in izboljšane v taki meri, da bi mogle uspešno vršiti predvidene naloge. Te vrste podmornice so veliko cenejše od jedrskih.

Plin ob vzhodni obali

Po več brezuspešnih vrtnanjih drugih družb je Texaco odkrila v Baltimorskem kanjonu naravni plin.

HOUSTON, Tex. — Dosedanja vrtnanja na kontinentalni plošči ob vzhodni obali niso našla ne olja in ne naravnega plina. Šele Texaco je pri vrtnanju v Baltimorskem kanjonu odkrila naravni plin, kot je objavila nedavno. Uspeh tega vrtnanja je "opogumljajoč", pravi družba, pa dodaja, da bo treba še novih preskusov, predno bo mogoče dognati obseg nahajališča.

Geološka raziskavanja so dognala, da so možna večja nahajališča naravnega plina in olja na podaljšku kontinentalne plošče, ki se spušča v Atlantski ocean. Oljne družbe so odkupile pravico iskanja na področjih ob obali New Jerseyja, med tem ko področja dalje na jugu še niso bila ponudena za nakup raziskovalnih pravic.

Uspeh vrtnanja Texaco bo dal ostalim družbam, ki pri prvih poskusnih vrtnanjih niso našle olja in plina, novega poguma za nadaljevanje, ZDA uvažajo velike količine olja in naravnega plina, zato je za nje vsako odkritje novih nahajališč teh izrednega pomena, saj zmanjšuje odvisnost naše dežele pri oskrbi teh dveh osnovnih virov energije od tujine.

Torrijos bo odstopil

PANAMA CITY, Pan. — Gen. Omar Torrijos je objavil, da bo odstopil kot vodnik republike, da pa bo obdržal poveljstvo nad Narodno gardo, oboroženo silo Panama.

Izredna polnomočja, na temelju katerih je Torrijos vladal Panamo, 11. oktobra letos prenehajo in Torrijos bi mogel ostati na oblasti le, če bi prevzel mesto predsednika republike. To je odklonil in priporočil za to sedanjega prosvetnega ministra Aristidesa Royo, enega od vodnikov panamskega zastopstva pri pogajanjih z ZDA o novih pogodbah za Panamski prekop.

Islandija, otok z 220.000 prebivalci daleč v Severnem Atlantiku med Evropo in Grenlandijo, je članica Severnoatlantske obrambne zveze vse od njenega nastanka pred več kot dvema desetletji. Njen prispevek tej obrambni skupnosti je letalsko oporišče Keflavik, od koder je mogoče nadzirati letalski in pomorski promet med Severnim morjem in Severnim Atlantikom. To letališče so zgradile in uporabljale ZDA že v drugi svetovni vojni in dejansko tam ostale vse odtlej.

Ko so pred leti postali levičarji na Islandiji močnejši, so vodili kampanjo za ukinitve oporišča Keflavik in za proglasitev nevtralnosti. Islandija naj bi nehala biti članica NATO. K širitvi te zahteve je v precejšnji meri pripomogel spor Islandije z Veliko Britanijo o ribolovu. Islandija je namreč hotela raztegniti svoje obalne vode na 20 in nato na 50 milj od obale, ko je obilen ribolov privedel do upadanja števila rib, od katerih Islandija je v dobri meri živi. Velika Britanija se je omeje-

Avstralske oblasti zasegle taborišče hrvaških nacionalistov

CANBERRA, Avstral. — Varnostne sile so odkrile in zasedle taborišča hrvaških nacionalistov in zasegle precej orožja in streliva. Sodiijo, da je to taborišče, ki je bilo na precej samotnem kraju, služilo za vžbanje teroristov.

vanju ribolova upirala in nekajkrat je prišlo naravnost do sovražnosti, ko je Velika Britanija poslala v zaščito ribiških ladij svoje vojne ladje. Ti spori so ustvarjali hudo nejevoljo ne le do Velike Britanije, ampak tudi do vseh ostalih članic NATO, zlasti še do ZDA, ker te niso hotele javno podpreti stališča Islandije.

Ti spori so prešli, ko so bila sprejeta nova določila o obalnih vodah. Ozračje se je pomirilo, nejevolja je izginila. Med tem je v zadnjih letih začela naglo rasti pomorska moč Sovjetske zveze, ki postaja iz dneva v dan bolj vidna tudi v Severnem Atlantiku in zlasti v neposredni bližini same Islandije. Islandci so pri takem položaju prišli do spoznanja, da je njihovo članstvo v Severnoatlantski zvezi za nje le važnejše, kot so do nedavnega mislili.

Ko je bila zadnji dan preteklega meseca sestavljena nova vlada v Rejkjaviku, v kateri je tudi komunistična Ljudska zveza, je ta odobrila nadaljnje članstvo v NATO

Vedno več splavov

V District of Columbia na povprečno vsakih 1,000 rojstev 2,328 splavov, v W. Virginiji pa na 1,000 rojstev le 3 splavi.

WASHINGTON, D.C. — Odkar je dovoljena prekinitve nosečnosti na temelju odločitve Vrhovnega sodišča ZDA, se zdi, da sega ta širše in širše zlasti na vzhodu in zahodu dežele. Leta 1975, zadnje leto, za katero so na razpolago uradni podatki, je bilo v vseh ZDA 854,853 splavov, od tega v New Yorku 147,229, v Ohiju 36,675 in v West Virginiji le 96.

V New Yorku je prišlo na 1,000 rojstev 624 splavov, v Kaliforniji 448, v Massachusettsu 428, v Washingtonu 412, v Marylandu 358, v Illinoisu 347 in v Ohiju 231. Povprečje za vse ZDA je bilo 272, največ splavov je bilo v District of Columbia z glavnim mestom ZDA Washingtonom, 2,328 na 1,000 rojstev, najmanj v West Virginiji, na 1,000 rojstev 3 splavi.

Devet od 10 prekinitev nosečnosti je bilo izvršenih v prvih 12 tednih nosečnosti, 73% vseh je bilo izvršenih na neporočenih, ločenih ali ovdovelih ženskah. Kljub strahotno velikemu številu prekinitev nosečnosti je narastlo število nezakonskih otrok. Leta 1975 je bilo skupno rojenih 448,000, nad polovico mater teh otrok je bilo starih izpod 20 let.

Ob teh podatkih se mora vsak človek, ki mu je blaginja in bodočnost naše dežele pri srcu, globoko zamisliti. V samo uživanje usmerjena ljudstva in dežele ne morejo pričakovati kake lepe in velike bodočnosti!

V Beli hiši spoznavajo odločilni pomen boja proti inflaciji

WASHINGTON, D.C. — Pri tožbe proti inflaciji se množe iz dneva v dan v taki meri, da prihajajo v Beli hiši do zaključka, da mora predsednik Carter z odločilnimi ukrepi inflacijo zavreti in omejiti, če hoče računati leta 1980 na podporo volivcev.

in nadaljno prisotnost ameriških letalskih sil na letališču Keflavik. Zunanji minister v novi vladi, socialni demokrat Benedikt Groendal je odločen podpornik NATO, prav tako tudi predsednik vlade Olafur Johannesson, načelnik progresivne stranke.

Na oporišču Keflavik je blizu 5,000 Amerikancev, katerih naloga je skrbno paziti na pomorski in letalski promet, v prvi vrsti vojaški, iz sovjetskih pristanišč in oporišč na polotoku Kola v Severni Atlantik v smeri proti Ameriki in v smeri skozi Norveško morje v Severno morje med Veliko Britanijo in evropsko celino.

Sovjetska zveza ima v Murmanskem domačem pristanišču za kakih 55% vsega svojega podmorniškega brodogoja in za okoli tri četrtine jedrskih podmornic. Tam je tudi domača luka celotnega sovjetskega atlantskega brodogoja. Vse te ladje morajo skozi "Islandsko vrata", če hočejo v Atlantik, prav tako morajo skozi ta vrata v to smer tudi sovjetska letala z oporišč na

CARTERJEV VETO OBSTAL

Predstaviški dom je včeraj odklonil preglasovanje predsednikovega veta zakonskega predloga za narodno obrambo, v katerem je Kongres odločil 2 milijona dolarjev za jedrsko letalonosilko, o kateri sodi Carter, da ni potrebna. Izenadila je velika podpora Carterjevemu vetu.

WASHINGTON, D.C. — Ko je predsednikov ugled v javnosti zelo nizko in je večina javnosti prepričana, da njegovo vodstvo ZDA ni uspešno, je podpora, ki jo je predsednik Carter dobil včeraj v Predstaviškem domu za svoj veto gradnje pete jedrske letalonosilke, zelo pomembna. Dom je odklonil preglasovanje veta z 206:191, ko je za preglasovanje potrebna dvotretjinska večina. Predsednikov veto je obveljal in Kongres bo zakonski predlog v skladu s tem dopolnil. Uspeh v Kongresu je okrepil tudi Carterjevo stališče pri razgovorih v Camp David s predsednikom Egipta Sadatom in s predsednikom izraelske vlade Beginom.

Demokrati v Predstaviškem domu so glasovali v podporo Carterja več kot 2:1, med tem ko so republikanci bili proti njemu v razmerju 5:1. Predsednikovi nasprotniki so mnenja, da ZDA potrebujejo še peto jedrsko letalonosilko, med tem ko je predsednik Carter prepričan, da ta ni nujno potrebna in da je mogoče sredstva, ki bi bila potrebna za njeno gradnjo uspešneje porabiti na drug način. Kong. John Brademas, demokrat iz Indiane, je dejal, da pomeni glasovanje odločitev za "racionalnejšo obrambno politiko". Očitno potreba po novi jedrski letalonosilki ni bila dovolj utemeljena in podprta v očeh večine članov Doma.

Bela hiša je po glasovanju v Domu objavila, Carter dejal, da je "zelo zadovoljen" in dodal: "Jaz zdaj pričakujem tesnejše sodelovanje s Kongresom v sprejemu novega zakona, ki bo poskrbel za 'najmočnejšo možno narodno obrambo'."

K o je predsednik Carter pred tremi tedni vetiral v Kongresu izglasovan zakonski predlog,

polotoku Koli in južno ter vzhodno od tega.

Kakor hitro se pojavijo v bližini tuja letala ali ladje, se dvignejo ameriška letala z oporišča Keflavik in si gredo tujce pogledat od bližje. V prvi polovici letošnjega leta so v 104 slučajih ameriška letala prestregla sovjetska letala v bližini Islandije in jih "spremila" iz islandskega obrambnega področja. Prav tako skrbno sledijo ameriška letala plovbi sovjetskih podmornic, pa tudi površinskih ladij.

Keflavik je bistvene važnosti za NATO, njegov izpad bi bilo komaj mogoče uspešno nadomestiti. To vedo v Bruxellesu in v Washingtonu, zato pazijo, da bi obdržali Rejkjavik pri dobri volji.

Islandija ima od Amerikancev na oporišču Keflavik ne le obrambno, ampak tudi gospodarsko korist. ZDA skrbijo za letališče, katerega del uporablja Islandska potniška letalska družba, največji poslodajalec Islandije, poleg tega pa zaposlujejo na tem oporišču tudi precejšnje število domačinov.

ki je določal 37 milijonov dolarjev za potrebe narodne obrambe, so prenekateri videli v tem boju med Belo hišo in Kongresom o tem, kdo naj vodi in nadzira obrambno politiko. Kongres ali Bela hiša. Pri tem ne gre le za novo jedrsko letalonosilko, ampak tudi za letala, tanke in drugo težko orožje ter vojno opremo.

Člani Domovega odbora za oborožene sile so Carterja obdolžili, da hoče vse odločitve o narodni obrambi pridržati Beli hiši, Kongres naj bi jih le potrdil. Kong. Samuel S. Stratton iz New Yorka, eden od vodilnih demokratičnih članov v Domovem odboru za oborožene sile, je napovedal, da bo včerajšnje glasovanje privedlo do zastoja v izglasovanju sredstev za narodno obrambo, ker je večina omenjenega odbora za gradnjo pete jedrske letalonosilke.

Kong. Les Aspin, demokrat iz Wisconsin, ki je podpiral predsednikov veto, je dejal, da je bilo včerajšnje glasovanje "zadnji spopad v boju za nadzor nad vojno mornarico". "Oseba, ki bo nadzirala prihodnji proračun, bo odločala o tem, v katero smer bo vojna mornarica plula in jaz sem vesel, da hoče predsednik Carter manjše ladje."

Tekom razprave v Predstaviškem domu sta obe strani skušali svoja stališča čim boljše podpreti, obe sta poudarjali potrebo po močni vojni mornarici, ki je nujna ne le za ZDA, ampak za ves svobodni svet in njegovo varnost. Brez obvladovanja svetovnih morij ni varnosti za svobodni svet!

Poleta vesoljskega čolnika ne bo pred decembrom 1979?

CAPE CANAVERAL, Fla. — Polet prvega vesoljskega čolnika s Kennedy Space Centra bo moral biti ponovno odložen, tretjič v zadnjih petih mesecih, pravi poročilo NASA. Spremembe in dopolnila, ki so postala potrebna tekom razvoja vesoljskega čolnika, bodo zakasnila prvi polet vsaj do decembra prihodnjega leta.

S tem se je povečala skrb za vesoljski laboratorij, o katerem se boje, da bo morda že prihodnje pomlad zašel v zgornjo plast ozračja in padel na Zemljo.

Nekdo je predložil, da bi se naj dogovorili s Sovjetsko zvezo, ki ima v pripravljenosti vesoljska vozila, da bi poslala eno potegniti ameriški vesoljski laboratorij dalje proč od Zemlje.

Norveška odklonila sovjetsko prošnjo

OSLO, Nor. — Sovjetska vlada je zaprosila norveško za pravico pomoči pri odstranjevanju ruševin sovjetskega izvidniškega letala, ki je pretekli teden treščilo na norveški otok Hopen, 300 milj dalje severno od Norveške v Severnem Lednem morju.

Norveška vlada je izjavila, da je sovjetsko sodelovanje nepotrebno, ker je vseh 7 članov posadke letala mrtvih.

Nizozemska ustavila pomoč Kubi

HAAG, Niz. — Minister za razvoj Jan de Koning je povedal parlamentu, da je Nizozemska ustavila vso pomoč Kubi zaradi njenega vojaškega poseganja v Afriko.

Vlada je napovedala v preteklem februarju, da bo pomoč Kubi, ki jo je začela leta 1975, ponovno pretehtala in se je odločila za njeno ustavitev, ko Kuba ni "spremenila ne načina in ne obsega svoje dejavnosti v Afriki".

Nizozemska je dala Kubi skupno pomoč v vrednosti okoli 26 milijonov dolarjev, v glavnem v zdravniški opremi in zdravstvenih potrebščinah.

Aleksander Solženicin:

DUH IN VOLJA

Znani ruski oporečnik Aleksander Solženicin, ki živi sedaj v ZDA, je imel na harvardski univerzi predavanje, v katerem je opozoril na vzroke sedanjih razmer v komunističnih deželah na eni strani in na drugi na skoraj kaotično stanje, v kakršno je zabredel sodobni kapitalistični Zahod kljub svojemu gospodarskemu in potrošniškemu potencialu, ali nemara prav zaradi tega. V obeh primerih reducira Solženicin gibal takega razvoja na materialistično osnovo obeh sistemov ter na odsotnost volje in duhovnosti. Slednjo ima za edino silo, ki bi mogla znova osvoboditi človeštvo. Njegova pogumna in ostra, a zelo jasna in stvarna analiza položaja je izzvala na Zahodu odobravanje, pa tudi nejevoljo in očitke, da Solženicin ne pozna še dosti Zahoda. Zato naj bi bili nekateri njegovi zaključki nepravilni in netočni. Zaradi njegovih jasnih in živo zadetih motrenj, prinašamo Solženicinov govor v prevodu.

II.

Tudi tisk uživa največjo svobodo. A kako jo uporablja? Tisk prav tako lahko odraža javno mnenje, kakor ga maliči. Tako vidimo, kako se ustvarjajo junaki terorizma in se javno izdaja tajne zadeve državne varnosti. Prisostvujemo tudi vdoru v privatno življenje znanih osebnosti z izgovorom, da "imajo vsi pravico vedeti".

To pa je slabo opravičilo, svojsko goljufivi dobi. Ljudje imajo tudi pravico ne vedeti, kar je celo vrednejša pravica. Pravica, da se mu ne polni duše s čenčami, neumnostmi in prostaščinami. Človek, ki živi smiselno bogato življenje, ne potrebuje teh odvsih informacij.

Kakršen je, se je tisk ljub temu na Zahodu spremenil v najmočnejšo silo, mogočnejšo kot so parlament, izvršna in sodna oblast. A komu je odgovoren? Na komunističnem Vzhodu je časnikar brez prikrivanja imenovan za državnega uradnika. Kdo pa je zahodnim časnikarjem podelil njih oblast, za koliko časa in s kakšnimi posebnimi pravicami?

Če bi me kdo vprašal, ali bi navedel Zahod, tak kakršen je danes, kot vzor za moje domovino, bi v odgovor to iskreno zanikal.

Skozi silno trpljenje je naša dežela dosegla tako intenziven duhovni razvoj, da se nam zahodni sistem v svojem sedanjem stanju izčrpanosti duhovnih vrednot že ne zdi več privlačen. Šest desetletij za naše ljudstvo in tri desetletja za ljudstva vzhodne Evrope... V tem času smo se duhovno kalili skozi skušnje, ki daleč presegajo one na Zahodu.

Mnogovrstna teža lebdenja smrt je spočela močnejšo, globljo miselnost, zanimivejšo od one, ki jo plodi splošno blagostanje na Zahodu.

Če bi tedaj morala biti naša družba spremenjena v vašo, bi to prineslo v nekem pogledu napredek, a tudi spremembe, ki bi poslabšale druge pomembne dejavnike.

Navadno nudi zgodovina ogroženosti družbi, ali če je na tem, da propade, jasna opozorila. Taka opozorila so npr. dekadentna umetnost ali pomanjkanje potrebnih močnih osebnosti. So pa še druga očitna znamenja. Samo nekaj ur je ostalo središče vaše demokracije in vaše civilizacije brez električnega toka, in na mah se je množica severnoameriških državljanov predala plenjenju in ustvarila kaos. Zunanja skorja je zelo tanka in socialni sistem preveč negotov in ranljiv.

A borba za naš planet tako v fizičnem kot duhovnem pogledu, borba kozmičnih obsežij, ni kaka nejasna zadeva bodočnosti. Boj se je že začel. Sile zla so sprožile odločujoči napad; lahko je opaziti njegov pritisk. In vendar so vaši ekrani in vaši časopisi polni predpisanih smehljajev in dvignjenih naočnikov. Kaj je tu smešnega?

Odlični predstavniki vaše družbe, kot npr. George Keenan, pravijo: "Za politiko ne moremo uporabljati moralnega merila." Tako mešamo dobro z zlom; pravično z nepravilnim in tako dajemo prosto pot popolni zmagi popolnega zla v svetu.

V nasprotju s tem pa samo moralno merilo more pomagati Zahodu proti dobro zamišljeni komunistični strategiji. Drugega merila ni. Praktične ali slučajnostne razmere kakršnegakoli značaja bo strategija neizbežno odpihnila.

BESEDA IZ NARODA

Romanje Zveze oltarnih društev lepo uspelo

CLEVELAND, O. — Letno romanje Zveze oltarnih društev v Lemont je prav dobro uspelo. Odbornice so s sodelovanjem prav pohvalno izvršile svoje delo, za kar vam izrekam prisrčno zahvalo. Žal se zaradi nekega virusa, katerega sem dobila nekaj dni pred romanjem, nisem mogla romanja udeležiti. Zelo sem pogrešala meni zelo ljubo romanje, pač pa sem bila v mislih in molitvah tesno povezana z vami. Še prav posebno sem z vso materinsko ljubeznijo sledila procesiji, ki se je pomikala proti Fatimski Gospe v roženvenko dolino h kronanju. Z vami sem se veselila, ko je predsednica Oltarnega društva sv. Vida v imenu članic kronala Fatimsko Gospo. Bog je še prav posebno blagoslovil te dni z lepim vremenom, da so bile vse zunanje pobožnosti z lahkoto opravljene.

Dobila sem zelo pohvalna sporočila od vseh strani, da je bilo vse dobro izpeljano, dobra postrežba, dobra hrana, lepo vodstvo pri vseh pobožnostih in dobra vožnja.

Dasiravno mi je bila udeležba onemogočena, sem hvaležna Bogu za vso pomoč, za vse vaše molitve, ki so veliko pripomogle k mojemu zdravlju. Bog plačaj vsem in vsakemu posebej z željo, da se drugo leto skupno snidemo pri Mariji Pomagaj v Lemontu.

Naj omenim še to: Članice Oltarnega društva sv. Vida se z vso vnemo pripravljajo na kosilo, katero bodo servirale v avditoriju v nedeljo, 17. septembra. Postregle bodo z govejo pečenko ali s piščancem, z vso prikuho in kompotom.

Imele bodo tudi stojnico za domače pecivo. Po kosilu bodo razdeljena lepa darila, katera so darovale članice.

Listki za kosilo bodo naprodaj pri vratih. Tiste, katere jih že imate, jih plačajte tudi tam. Zabeležite si datum 17. septembra, da ne boste pozabili. Pridite od blizu in daleč, da se skupno pri dobrem kosilu povešimo in s tem pomagamo vzdrževanju cerkve in šole.

Sestra M. Lavoslava je že dalj časa težko bolna

CLEVELAND, O. — Slovenci, ki živimo v Ameriki, že dalj časa poznamo sestro Lavoslavo iz Lemonta. Že v rani mladosti ji je vzkalila ljubezen do redovniškega življenja, v njem je našla svoj smoter. Bila je vedno zavedna Slovenka in je kot učiteljica pravilno vzgajala našo mladino. V njenem življenju so jo pogostoma spremljale razne nezaželenosti, bolezni, ki so ji pustile težavne posledice. Sestra Lavoslava je z velikim zaupanjem v božjo pomoč in v pomoč božje matere Marije vztrajno prenašala vse nadloge. Bila je zvesta svojim samostanskim obljubam in je z veliko ljubeznijo še nadalje delovala za dobrobit slovenskega naroda v ljubezni bližnjega.

Sestra Lavoslavo sem spoznal pred več leti. Ko sem spoznaval v svoji bližini težke bolnike, sem večkrat o tem pisмено sporočil sestri Lavoslavi, ki je za nje molila in jim pisala lepa pisma. Tako si je pridobila nove prijatelje. Sestra Lavoslava naj bi bila nam za vzgled, da bi nam to pomagalo do bolj polnega življenja. Prepričan sem, da sestra Lavoslava ni osamljena, ko je težko bolna. Mnogo jih je med nami, ki se jo na lep način spominjajo, ker sestra Lavoslava ni nas prezrla, ko je zvedela, da smo bolni.

Ko čitamo Ameriško Domovino, se ponovno spominjamo našo sestro Lavoslavo, ki nam je toliko lepega napisala z "Lemontskega grička". Vsi Slovenci želimo, da bi sestra Lavoslava kmalu ozdravela in bi se ponovno z njo srečali.

Hodil po koroški sem deželi

CLEVELAND, O. — Pri vsej revščini, strahu in negotovosti je bilo tudi v mojem prvem bivanju na Koroškem po svoje prijetno. Če bi bile takrat razmere, kot so nastale deset let pozneje, — možnost stalnega služka, npr. v tovarni — ne bi Janez v Ameriko rinil.

Koroški gospodar mi je takoj prve dni rekel: "Govori s Francijem po slovensko, da se bo fant dobro slovensko navadil." Meni pa je to dobro delo, ker drugega kot slovensko tako nisem znal. Ko pa so leta odbrenkala in sem se podal preko luže, takrat sem se šele "zrajtal", da bi bilo pametno, če bi se bil malo več za nemščino zanimal.

Plače takrat gospodar ni mogel kaj prida dati — celih 60 šiligov sem zaslužil na mesec, — toliko, da sem imel za vožnjo, ko sem vsake kvatre obiskal taborišče Spittal ob Dravi, kamor sem uradno tudi jaz pripadal. Hrana pri kmetu je bila obilna, mošta včasih še preko mere, k delu pa nihče ni priganjal. Gospodarjev edini sin je bil na najini strani, — večkrat je rekel: "Fanta, le počasi, gospodar slabo plača." Ničkolikokrat nas je pri največjem delu prijelo, da smo stopili skupaj v trikoti in "kakšno lušno vrezali". Nekateri naše pesmi so bile še posebej zaželenje in gospodarjev sin je naprej pel, midva pa za njim. Za primer bom sedajle čisto na tiho vam zapel eno izmed mnogih priljubljenih.

Pod rožnato planino
grabila je seno,
od veselja in radosti
si je pela pesmico.

S planine dol privriskal
sosedov mlajši sin,
šopek cvetja je njej prinesel,
cvetja z rožnatih planin.

Si cvetje ogleduje,
nabrano prav skrbno,
zdaj ne vriska, nič več ne poje
in ne grabi več seno.

Po kaj si fantič prišel,
da zmešal si mi glavo,
ko jaz tebe ne bi poznala,
srce bi pač mirno b'lo.

Tisti, ki niso skupaj s Korošci živeli, ne vedo, da so že po naravi blage duše, — tega prepričanja sva midva z Jožetom, ki sva tri leta živela skupaj z njimi.

Gospodar, pri katerem sva z Jožetom takrat služila, je sedaj v grobu, — posestvo pa dobro vodi sin France. Ko sva letos julija s kolegom prišla v Celovec, je France vse delo na posestvu pustil in prišel naju pozdravit v Mohorjevo in vabiti, naj bova pri njih v gosteh. Solzni od vselega ganotja smo bili vsi, ko smo si po tridesetih letih podali roke.

Zadnje štiri dni pred odhodom nazaj v Ameriko sva preživela pri njih. Kot sem zadnjič omenil, časi se spreminjajo in tudi ljudje, — tako se je spreminilo tudi na Kočmarjevem posestvu. Ni več hlapcev, ni več delu, — sama, mož in žena obdelujeta precej veliko posestvo. Ne jedo več doma pečenega kruha in prejšnji zaželjeni sadni most nima več prejšnje časti. Edina otroka, dve doraščajoči hčerki hodita v Slovensko gimnazijo in sta med šolskim letom

v Slomškovem Mohorjevem zavodu.

Zakaj in kako moreš študirati obe dekleti?

"Hočem, da se bo otrokom bolje godilo, kot se godi meni. Če bi se jaz naslanjal samo na to, kar na posestvu pri živinoreji pridela, bi deklet šolati ne zmozel. Kakor vidva vesta, imam lepo zaraščen smrekov gozd in tam imam kapital, ki bo zadostoval, sem prepričan, za vsa leta. Hočem pa, da dekleti študirata in da imata oskrbo v Mohorjevi hiši," mladi gospodar pojasnjuje.

Za poskus sem rekel: "Pa je nekje v Celovcu zavod (ordinarij), ki nudi zavetišče študentom pod cenejšimi pogoji."

"Morda, jaz tega ne vem! Dekleti sta v Slomškovem zavodu zadovoljni — jaz pa tudi. Želim, da imata dekleti slovensko in katoliško vzgojo, — to pa je vse, kar jaz otrokoma moram in hočem dati. Veš, kako je danes, še ko jih lepo učiš, ti podivjajo."

"France, vesel sem, da to slišim od tebe!"

"Veš, Janez," je še potožil, "na Koroškem se borimo za osnovne človekove pravice. Ni med nami v vasi več tistega priateljstva, kot je bilo, ko sta bila vidva prvič tukaj." Povedal je dve imeni hiš, (prej verni Slovenci), ki so danes zagrizeni nemčurji in hrbet imajo obrnjen proti Cerkvi.

Do točke, ki se nanaša na študente slovenske gimnazije in bivanje študentov v Slomškovi Mohorjevi hiši, sem prišel. Nekateri, dobro misleči, so mi še posebej naročili, naj se pozanimam, v koliko je podpiranje teh študentov vredno in potrebno. Pozanimal sem se in drugič bom povedal, kako jaz na to gledam in kaj o tem misli moja glava.

Še o slovenski gimnaziji v Celovcu

CLEVELAND, O. — V juliju se je mudil na Koroškem g. Janez Prosen, ki se vneta trudi za Družbo sv. Mohorja in podpira njeno delo kot poverjenik za Mohorjeve knjige in pomaga pri nabiranju darov za revne slovenske koroške študente. Ob tej priliki je izročil zanje dr. Hornboecku \$705, ki so jih darovali že objavljeni dobrotniki. Nazaj s Koroškega pa je poleg pozdravov prinesel tudi nekaj letnih poročil gimnazije in naslednjo zahvalo!

Spoštovani, dragi dobrotniki! Podprli ste s svojimi darovi delo Družbe sv. Mohorja. Omočili ste, da je Družba mogla sprejeti v svoje Dijaške domove vse dijake in dijakinje, ki so se javili. Mohorjev koleđar za leto 1979 bo prinesel seznam darov in dobrotnikov. Vaši darovi so pripomogli, da je na Slovenski gimnaziji naraslo število študentov prvič nad 500 fantov in deklet.

V imenu Mohorjeve, v imenu študentov in njihovih staršev se lepo zahvaljujem za vse manjše in večje darove. Bog plačaj! Najlepše koroške pozdrave!

Msgr. dr. Janez Hornboeck,
ravnatelj DsM.

Iz letnega poročila pa razvidimo, da je letos obiskovalo slovensko gimnazijo 508 učencev in da je od teh bilo 97 oddienjakov. Maturiralo pa je letos 39 osmošolcev in osmošolk, od teh 4 z odliko. Z letošnjim zrelostnim izpitom je zapustila slovensko gimnazijo petstota maturantka. Od prejšnjih maturantov pa jih je letos 19 končalo univerzitetni študij.

Vsi ti razveseljivi podatki prav razločno dokazujejo, da s svojimi darovi podpiramo veliko, resno in slovenskim Korošcem potrebno stvar. Naš krog se širi, na pomoč so priskočili tudi rojaki v Montrealu v Kanadi s farnim piknikom v korist podobne akcije revnim študentom.

Zrno do zrna — pogača, kamen do kamna — palača!

Z veliko hvaležnostjo objavljam darovalce od 17. avgusta do danes:

Društvo Triglav, Milwaukee, \$200; N.N., Wisconsin, \$100; nabirka g. Milice Ovnčič v spomin č. g. Romana Malavašiča (imena posameznih darovalcev so bila že objavljena v A.D., razen Jožice in Mici Starič \$20 in Janke Smolej \$10) \$97.50; Vinko Vrhovnik \$25, in sicer v spomin p. Konstantina Urnkar \$15 in v spomin č. g. Malavašiča \$10; N. N., Willoughby Hills, O., \$16 in Mary Sekne \$5, v skupnem znesku \$453.50.

Z Vašo dobrohotno pomočjo bo Mohorjeva prav gotovo tudi v šolskem letu 1978/79 sprejela vse prošilce v dijaške domove in nudila možnost, da bodo dosegli tako zelo potrebno višjo izobrazbo in utrdili slovensko in krščansko zavednost. Stojmo jim na strani tudi v bodoče!

Nekaj besed od staršev koroških tečajnikov

BOWLING GREEN, O. — Msgr. dr. Janez Hornboeck, ravnatelj Družbe sv. Mohorja, je v programu za tečaj med drugim napisal: "Ko pridete, si podamo roke in pri nas boste kakor doma." Ko sva nekje sredi tečaja govorila z g. Klaužem, Liginem koordinatorem, po telefonu, mi je dejal: "Se bom prav oddahnil, ko se bo skupina vrnila; za vsakega posebej imam skrb."

Starši tečajnikov se zavedajo, koliko dela, skrbi in ljubezni je bilo vložene v pripravo tako v New Yorku kakor v Celovcu. Od vsega začetka sem imela občutek, da je bil ta tečaj na Koroškem eden najbolj potrebnih in vrednih projektov, ki jih je Liga s pomočjo Mohorjeve podvzela in, hvala Bogu, uspešno izpeljala.

Starši, učitelji in drugi, ki vzgajajo mlade ljudi, vedo, da se samo s pripovedovanjem in prepričevanjem vsega ne doseže, se pravzaprav le malo doseže. To posebno drži pri poučevanju slovensčine in slovenske kulture. Poleg spoznanja z razumom mora mlad človek resnico tudi s srcem začutiti, se mu mora vtisniti v dušo. Le tako mu postane resnica del njega samega in ga tako obogati za vse življenje.

Zdi se mi, da je tečaj na Koroškem za udeležence ravno to dosegel. Po vsem, kar berem in slišim, se je tem mladim ljudem lepota slovenske zemlje in zgodba njenih ljudi tako vtisnila v dušo, da je ne bodo pozabili in da bodo ponosni, da so del slovenskega sveta.

Ko nam je fant ob vrnitvi pokazal slovensko pesmarico, v kateri ima zaznamovane pesmi, ki se jih je tam učil, in je pripomnil: "To sem kupil v spomin na Mohorjevo," sva z mojem ugotovila, da je bivanje na Koroškem nanj naredilo močan vtis.

Ko je pripovedoval o igri "Miklova Zala" in pripomnil, da je bilo najlepše to, ker so jo gledali v St. Jakobu, kjer se je zgodba pred leti odigravala, sva ugotovila, da je tudi ta del šole napravil nanj močan vtis.

Ko je poročal o izletu v Vetrinje in vetrinjsko cerkev in pripomnil: "Sem si vedno želel videti čisto polje..." sem posebnost čutila veliko zadoščenje, zaradi močnih vtisov, ki jih je prinesel s seboj.

Pa še nekaj. Kadar fant kaj razlaga, končava stavke z nekim posebnim privzokom, ki ga prej ni imel in ki ga ni v Ribnici dobil. Zdi se mi, da je to pobral po požrtvovalnem učitelju Ludviku Karničarju. Če ni bil Ludvik, je bil to Karel, organizator izletov, ali kdo njegovih prijateljev. In vsak način bo treba to ugotoviti, "a ne"?

In še to. Prvo jutro doma nekdo pokliče: "Čas za sveže žemlje!" In tistih več kot dvajset

različnih juh, ki so jih sestre pripravljale. Le zakaj jim niso dale receptov s seboj? Domača hrana in skrb, s katero je bilo vse pripravljeno za tečajnike, je naredila nanje zelo prijeten vtis.

Kaj bi starši želeli od bodočih programov? Da bi bili tako urejeni, da bi študentje govorili med seboj samo slovensko. Vem, to bi ne bila lahka zadeva, nemogoča pa tudi ne. Pa o tem več na drugem mestu.

Ligi in Mohorjevi prisrčna hvala za vse. Vaše delo, skrb in ljubezen je vtisnil v srca "vaših" študentov, kar smo si vsi želeli: poglobljeno slovensko zvestost. Sedaj je na nas starih, da te vtise poglobljamo. Da bi le uspeli pri tem prizadevanju.

Slovenije Kitajcu niso pokazali

TRST, It. — Devet dni, od 21. do 29. avgusta, se je mudil v Jugoslaviji kitajski državni in partijski voditelj Hua Kuofeng. S tem je vrnil obisk Titu, ki se je prav pred letom dni mudil v Peking in drugih kitajskih mestih.

V Beogradu so kitajskega gosta zelo slovesno sprejeli. Vzdrž vse poti od letališča do Dedinja se je zbrala množica ljudi, ki je seveda vneto pozdravljala Hua Kuofenga in njegovo spremstvo. Povsod, kjer je bilo mogoče, so nastopale folklorne skupine s plesi. Pred "Belim dvorom" na Dedinju je Kitajce sprejel sam Tito. Že prvi dn je prišlo nato do razgovorov.

Hua Kuofeng je ostal v Beogradu do srede zvečer. V sredo čez dan si je ogledal živinorejsko kmetijsko gospodarstvo "Lepušnica" v Banatu. Naslednji dan pa je odpotoval v Skopje, kjer je ostal do petka opoldne. Z letalom se je nato odpeljal v Zagreb. Tam je obiskal tovarno "Rade Končar" in imel pogovore z najvišjimi republikimi predstavniki. Proti večeru je nadaljeval pot na Brione, kjer je preživel konec tedna. Tu se je ponovno sestal s Titom in se z njim razgovarjal. Najdaljši pogovor, ki je trajal tri ure, sta imela v nedeljo, 27. avgusta. Tito je govoril kar dve uri. Hua Kuofengu je opisal jugoslovansko pot v komunizem, kako je prišlo do preloma s Stalinom, vlogo neuvrščenih držav, razložil svoje stališče do položaja na Afriškem Rogu in Bliznjem vzhodu ter do evrokomunizma. Tito je tudi povabil kitajskega gosta na vožnjo z "Galebom" ob istrski obali od Pulja do Poreča. V torek, 29. avgusta, je kitajska delegacija s posebnim letalom odpotovala v Iran, kjer je ostala pet dni.

Spet je vzbudilo pozornost, da Hua Kuofeng ni obiskal Slovenije, čeprav je najbolj razvita jugoslovanska republika. Isto se je zgodilo, ko je Jugoslavijo obiskal Nixon, isto ko so prišli drugi pomembni državniki. Makedonija, Bosna, Hrvaška, to da, Slovenija pa ne. Od kod ta stalna diskriminacija? Je posledica stališča partijskega vodstva ali ljubosumnost Beograda?

Kot je bilo pričakovati, se je ob kitajski obisk v Jugoslaviji obregnila Sovjetska zveza. Tiskovna agencija Tass je obtožila Hua Kuofenga, da izkoristi vsako priložnost za napad na Sovjetsko zvezo, jugoslovanska sredstva javnega obveščanja pa je obtožila, da ne čutijo potrebe po tem, da bi se od takih stališč odmaknili. Na te obtožbe je odgovorila jugoslovanska tiskovna agencija Tanjug, da Jugoslavija ne bo nikdar dovolila, da bi trenja in slabi odnosi med nekaterimi državami bremenili njene odnose z le-temi.

Misijonska srečanja in pomenki

411. Evangelizacija sveta (Sestra M.-A. Šubelj).

"Božja Previdnost čudovito vodi svet in življenje sv. Cerkev. Janez XXIII je stopil v večnost, ko je svet premišljeval zadnjo poslanico "Mir na svetu," Pavla VI nazivljejo tudi "Papež mira". Zaspal je neslišno in za vedno ostane njegova skrb — EVANGELIZACIJA SODOBNEGA SVETA.

Današnji svet obožuje samega sebe, uživanje, tehniko, denar, imetje, itd. A vez dobrobit samo širi prepada med "bogatinom" in "ubogim Lazarjem". Tisti, ki imajo, so pogosto brezčutni za BRATA, ki stoji molčeče pred vrati hiš, mest, dežel. Manjka SRCE in zavest, da je samo EDEN GOSPODAR — "OČE NAS". Vsi smo samo oskrbniki, bodisi osebnih talentov ali svetnih dobrin.

"Kdaj in kje se bo posameznik in človeštvo srečalo s KRISTUSOM? Kaj storiti, kdo in kako?" To in še mnogo drugega nam je zapustil sv. Oče v zadnjem dokumentu o Evangelizaciji sveta. Kar je pisal z vsakdanjim življenjem, je ostalo na papirju. Svet potrebuje — ZGLEDE, ki priča,

— BESEDO, ki oznanja in — MOLITEV, ki se dviga k Bogu.

Pavel VI se je daroval za sv. Cerkev brez prestanka. Ljubil jo je z besedo in v dejanju. Žrtvoval se je v neumornem delu in prizadevanju, kljub boleznim; bil je čudovito dober do trpečih.

Ko je sv. Cerkev premišljevala spremenjen Jezusov, se je za večno SREČAL z Bogom. Jezus ga je vzel s seboj. Naj vzame tudi naša srca za SPREOBURNJENJE." (Concepcion, Chile, 10. avgusta 1978).

Provincialni lazarištev Franc Rode.

se je oglasil 22. avgusta iz Buenos Airesa, kjer je na vizitaciji med slovenskimi sobratmi. Prošnjo pošilja, ki jo objavljamo misijonskim prijateljem v razmišljanje. "Veste, da sem bil lani na Madagaskarju. Videl sem delo in ogromne potrebe naših misijonarjev. To tudi opisujem sedaj v KM. Nekaj dni preden sem odšel iz Slovenije, pa mi je pisal Janez Puhan in me prosil, če bi mogel kje podrezati, da bi misijonarji prišli do novega avtomobila. Stari poltovorni Peugeot je pretrpel svoje in ne vzdrži več nobene vožnje na tistih cestah.

Spomnil sem se na dolgoletno in uspešno misijonsko sodelovanje MZA za naše misijonarje. Ali bi mogli kje dobiti vsoto, da bi naši misijonarji na Madagaskarju prišli do potrebnega vozila? Verjemi mi, da ga potrebujemo. Vsi bi bili za to hvaležni. Hvala za vse, kar bi mogli storiti in prisrčen pozdrav F. Rode."

Morda bi bil kdo pripravljen prisločiti na pomoč našim misijonarjem na otoku Madagaskarju za nakup novega trpežnega avtomobila? MZA bi dala svoj delež lahko v določeni vsoti, ki bo šla za tekoče leto vsem skupaj kot redna pomoč.

Sedaj, ko so počitnice za nami za Labor Day, pa je morda sem in tja kdo hvaležen za mnoge poletne dobrote, ali za zdravje, kot sodelavec Jože Kastelic iz Toronta, na 71 Simpson Ave., ki 14. avgusta piše: "Tukaj Vam priložim ček za \$30,00, če Vam je mogoče poslati na Madagaskar. Sem opazil v AD, da nekdo prosi za pomoč in da bi tudi dolar prav prišel. Kdor malo prosi, je velikega vreden.

"Katoliški misijoni" V Argentini bodo izvedli čistko med neplačujočimi naročniki po svetu, tudi v Združenih Državah Amerike (ZD). G. Lenček piše 13. avgusta, med drugim:

"Ker med naročniki v USA še nisem napravil čistke" in jo nameravam v najkrajšem času, zato Vas lepo prosim, da mi skušate sporočiti vplačila letošnjega leta, da ne bom navajal napočnih podatkov glede neplačane naročnine.

Morda ste brali v KM našo stisko radi čudnih ekonomskih razmer v Argentini; dejstvo je, da bomo imeli z letošnjim letnikom več kot 100% izgube. Zato bi mi zelo prav prišlo, če bi nam Vi v najkrajšem času poslali, ako se je pri Vas kaj nabralo. Ljudje o se tako navadili na pošiljanje /am, da kljub sporočilu, da morajo pošiljati tudi naravnost v naš konec, ne plačujejo nam, pač pa verjetno Vam. Lepo se priporočam. Upam, da bi kdo, zlasti dosmrtni naročniki, tudi kaj vplačal v tiskovni sklad, kakor smo prosili.

Te dni razpošljemo septembersko številko, nato izide skupna za oktober — november. Naročnino bomo morali za prihodnji letnik bistveno dvigniti, ker dolar se je zelo razvednotil, pri nas pa je postal tisk drag, ne več kot še pred dvema letoma. Verjetno bomo nastavili v dolarški valuti 8 dolarjev za cel letnik. Lepo pozdravljam! Vdani Lenček."

Zvišanje naročnine KM

bo najbolj prizadelo starejši rod zvestih naročnikov KM, ki imajo običajno najnižje dohodke kot upokojeanci. Tisti, ki imajo dosmrtno naročnino že leta plačano, nimajo novih obveznosti do mesečnika. Seveda je zelo lepo in prav, če prostovoljno pomagajo v tiskovni sklad, ako zmorejo.

Ravno dve leti je minilo, kar je pisec teh člankov bil predstavljen službeno v Scarborough kot župnik. Marsikdo še semkaj pošilja naročnino KM, ker ima pač dolgoletne stike in jih ne želi pretrgati. Ima pa vsak svobodo plačati, komur želi, če je njegovo ime med poverjeniki lista za ZD ali Kanado. Pred leti so mnogi istočasno, ko so poravnali letno naročnino KM, darovali kak dar za naše misijonarje. Rajna Manca Preša je v Clevelandu, posebej zadnja leta svojega življenja, veliko dobrega storila med zvestimi naročniki v farnem področju sv. Vida. Takrat še ni MZA razvila sodelovanja, ki je zadnja leta vedno bolj napredovalo. Njeno vlogo je prevzela zadnja leta gđ. Ivanka Pograjec. 17. septembra bo 15 let, kar je MZA začela in začela ustanavljati odseke v večjih slovenskih naselbinah ZDA in pritegovati posamezne sodelavce tudi izven znanih naselbin rojakov ZDA ter v Kanadi.

V KM je na platnicah natiskan vedno tudi naslov Uprave v Argentini in vsak lahko pošlje naročnino naravnost sam na Rev. Ladislav Lenček, če tako želi. Varno je v čeku in priporočeno, kar je danes po zvišanju poštne pristojbine, vedno bolj drago.

Sestra Lidia Krek ima sedaj naslov: Pfarramt, 9614 Vorderberg in Gailtal, Karnten, Avstrija. Zelimo ji na novem mestu veliko božjega blagoslova.

Gospa Anica Tusharjeva je bila nedavno v Denver, Colorado, za Konvencijo KSKJ. Leta 1952 smo poleti razglabljali o misijonskem sodelovanju. Vsa leta je zvesto gradila s KM, potem z MZA gibanjem, ki mu je že več let predsednica. Bog nam jo ohrani na mnoga leta!

BREZ DOMA

Hektor Malot

A kakor je že rekel magister, zdaj to ni bilo več važno. Če nas ne bodo mogli še tako kmalu rešiti po glavnem rovu, bo rešitev prišla skozi zasilni rov, ki so ga pravkar kopali s tako vnemo.

Kriki so postali že tako razločni, da je bilo videti, da bomo kmalu mogli razumeti, kaj nam kličejo.

In res ni trajalo dolgo, ko smo zaslišali tri besede:

"Koliko vas je?"

Stric Gaspard je imel najbolj močen in najbolj jasen glas. Za to je odgovoril on: "Šest."

Nekaj trenutkov je bilo vse tiho.

Nedvomno so se nadejali zunaj večjega števila.

"Hitite," je zaklical Gaspard. "Na koncu svojih moči smo."

"Povejte svoja imena."

Imenoval nas je po vrsti:

"Bergounhoux, Pages, magister, Carrory, Remigij, Gaspard."

Za tiste, ki so bili zunaj, je bil ta trenutek najbolj pretresljiv.

Ko se je razvedelo, da bo mogoče kmalu govoriti z nami, so prihiteli vsi sorodniki in prijatelji ponesrečencev in vojaštvo jih je le s težavo zadrževalo. Ko je inženir povedal, na nas je samo šest, so bili močno razočarani, a vendar je še ostalo upanje, da je med temi šestimi tisti, ki ga pričakujejo.

Inženir je čez nekaj časa povedal naša imena. Izmed teh sto dvajsetih žena in mater, so se samo štirinajst izpolnili njihovi upi. Koliko trpljenja in solz! Tudi mi smo mislili na ostale ponesrečence.

"Koliko rudarjev se je rešilo?" je vprašal stric Gaspard. Nič nam niso odgovorili.

"Vprašaj, kje je Marijan," je dejal Pages. Stric je vprašal, a tudi to vprašanje je ostalo brez odgovora.

"Niso me slišali."

"Reci rajši, da nočejo odgovoriti."

Tudi mene je mučilo neko vprašanje.

"Vprašajte, koliko časa smo že tukaj."

"Štirinajst dni."

Štirinajst dni! Tisti izmed nas, ki je zamišljal najdaljši čas, je domneval, da bomo morali čakati šest dni.

"Ne bo vam treba čakati več dolgo. Pogum! Ne govorimo več, ker s tem zastaja delo. Potrpite še nekaj ur."

Zdi se mi, da so te ure bile najdaljše, kolikor smo jih preživeli pod zemljo. Na vsak način pa so bile najhujše. Vsak udarec s krampom se nam je zdel, da mora biti zadnji. Toda za tem je sledil drugi in za njim še nešteti.

Zdaj pa zdaj smo se še razgovarjali.

"Ste lačni?"

"Da, pa še hudo."

"Ali morete počakati? Če ste preveč slabotni, bomo naredili zasilno luknjo in vam po njej poslali juhe. A to bo zavleklo vašo osvoboditev. Če morete še vzdržati, boste prej prosti."

"Počakali bomo. Pohitite!"

Tudi črpanje ni prenehalo in voda je vedno bolj upadala.

"Povej, da voda upada," je dejal magister.

"Vemo že. Bodisi skozi zasilni rov, bodisi skozi glavni vhod bomo prav kmalu dospeli do vas."

Krampi niso udarjali več tako močno. Jasnje je bilo, da so reševalci domnevali, da bodo prav kmalu dospeli do nas. Ker pa smo jim povedali, kakšen je naš položaj, so se najbrž bali, da bi se rov zrušil in nas pokopal ali pa da bi nas ruševine potegnile za seboj v vodo.

Magister nam je tudi pojasnil, da je nevarnost, da zrak prehitro vdere skozi odprtino in vse prvine. Morali smo torej biti čuječi, kakor so bili čuječi in previdni rešitelji. Zaradi udarcev s

krampi so se v našem rovu krusili majhni kosci premoga in padali v vodo.

Kako čudno je bilo to, da smo postajali vedno bolj slabotni, čim bolj se nam je bližala rešitev.

Občutil sem se že tako slabega, da se nisem mogel več dvigniti. Ležal sem v drobnem premogu in nisem imel niti toliko moči več, da bi se oprl na komolce.

Ves sem trepetal, čeprav me ni več zeblo.

Končno pa se je od stene odkrulo nekaj večjih kosov premoga in padlo med nas. Nastala je odprtina na vrhu rova. Blesk svetilk nam je vzel vid.

Nenadoma pa je zopet nastala popolna tema. Svetilke je ugasil močan zračni tok, ki je bil tako silovit, da je odtrgal tudi cele kose premoga.

"Nikar se ne bojte. Preprih je ugasil svetilke. Počakajte trenutek, kmalu jih bomo spet prižgali." Čakati! Vedno spet samo čakati!

Tedaj smo zaslišali na spodnjem koncu rova nek šum po vodi. Okrenil sem se in zagledal močno svetlobo.

"Pogum, pogum!" so nam klicali reševalci.

Medtem ko so reševalci skozi zasilni rov dospeli do ponesrečencev na zgornji polici, so rešitelji, ki so prišli po glavnem rovu, dospeli do nas. Inženir je došel prvi. Prvi se je povzpел do nas in, preden sem mogel reči kako besedo, sem se znašel v njegovem naročju. Skrajni čas je bil. Sreč mi je skoraj zastalo.

Komaj sem se še zavedel, da so me odnesli po glavnem hodniku. Čutil sem, da so me zavili v odejo. Zaprl sem oči. Kmalu pa sem začutil neko močno svetlobo, ki me je prisilila, da sem jih spet odprl. Bila je dnevna svetloba. Dospeli smo na prosto!

V tem trenutku se je nekaj belega vrglo name. Bil je Kapi, ki je skočil inženirju v naročje in me začel lizati po obrazu.

Nekdo me je prijel za roko in me poljubil na lice. "Remigij!" me je poklical nek slaboten glas. Spoznal sem glas prijatelja Matije. Pogledal sem okrog sebe in zagledal velikansko množico ljudi, ki se je razdelila na dvoje in pustila inženirju prost prehod.

Vsi so molčali, kajti naročeno jim je bilo, naj nas ne razburjajo s kričanjem. A njihovi obrazi, predvsem pa njihove oči, so povedale več kakor usta.

V prvi vrsti se mi je zdelo, da sem opazil ljudi v belih, z zlatom okrašenih oblečilih, ki so se lesketala v soncu. Bila je duhovščina, ki je prišla semkaj molit za našo rešitev. Ko so nas rešitelji privedli iz rudnika, so duhovniki poklenili v prah.

Dvajset rok se je stegnilo, da bi me odvezlo inženirju; ta pa me ni hotel izpustiti. Ponosen in srečen me je nesel do pisarne, kjer so bile pripravljene postelje za nas.

Dva dni pozneje sem se sprehajal po mestu z Matijem, Aleksejem in Kapijem in vsi ljudje so se ustavljali ter me gledali. Nekateri so se mi približali in mi stiskali roko s solzami v očeh. Nekateri pa so pogledali stran. Ti so žalovali in v svoji zgrebenosti so se vpraševali, zakaj je bil resen deček, ki ni imel nikogar na svetu, medtem ko so očete in ljubljene sinove ostali v rudniku, kjer je vдовje premetavalo njihova že na pol razpadla trupla.

Izmed teh, ki so me ustavljali, pa so mi nekateri bili zelo neprijetli. Vabili so me h kosilu ali v kavarno in mi dejali:

"Povej mi, kaj si občutil tam spodaj."

Dayton Historian Links Saint With Pioneer Bishops

(The following article was prepared for NC News by Marianist Father Gabriel J. Rus of the University of Dayton.)

Had it not been for the apostolic zeal of Bishop Edward Fenwick of Cincinnati, along with that of his missionary helper, Father Frederic Baraga, St. John Neumann might not have become America's first male saint. At the 110th anniversary of Bishop Baraga's death on Jan. 19, 1886, it was of interest to point out the chain of events which tied these three great apostles together.

The diocese of Cincinnati had been established in 1821, and Dominican Father Edward Fenwick consecrated its first bishop. In a report on this new diocese for the period 1823-1826, the Sacred Congregation for the Propagation of the Faith referred to it as "the poorest diocese in the Catholic world, without buildings, without churches, without seminary or income... it has only one chapel, 25 feet long and 15 wide, built in the center of the city, on land that has not yet been paid for. This is the Bishop's cathedral."

Since help was desperately needed, Bishop Fenwick decided to seek it in Rome, taking along Father Frederic Rese, an alumnus of the Propaganda College. While there, Father Rese was appointed Bishop Fenwick's vicar general, but other help of a practical nature was minimal.

In 1827 Msgr. Rese returned to Europe alone. In Rome he received permission to establish a German organization similar to the French Society for the Propagation of the Faith and was given letters of introduction to the nuncios of Vienna and Munich. The idea was favorably received by the primate of Austria. In fact he helped establish the Leopoldine Foundation for the support of American missions. Moreover, he wrote to all his suffragan bishops asking for their cooperation.

Response

The primate's letter, which incorporated the needs of the Cincinnati diocese, came into the hands of a young curate in what is now Yugoslavia, Father Frederic Baraga, in August, 1829. He immediately sought his bishop's permission to respond to Bishop Fenwick's appeal for personnel. Permission granted, Father Baraga wrote to Cincinnati to offer his services. A second and a third letter were written but no reply came.

Finally, on Sept. 22, 1830, a warm welcoming letter arrived from the bishop, with the explanation that he had been making his missionary rounds of the large diocese. Dismissal letters were immediately granted and early in October, 1830, Father Baraga bade farewell to his pastor and parishioners.

On his way to La Havre, France, Father Baraga stopped in Vienna, specifically to visit the Leopoldine headquarters since he himself had no funds for the trip to America. They agreed to defray his travel expenses to Cincinnati with the understanding that he would send them regular reports in German for their bulletin. It was these reports that a young seminarian in Budejovice in what is now Czechoslovakia, was to read later on, leading to his decision to become a missionary in America after ordination. The seminarian's name was John Nepomucene Neumann.

Hospitality

Father Baraga arrived in New York on New Year's Eve, 1830, where he had to wait four days before he had his baggage cleared through customs. This gave him time to pay his respects to the

vicar general, in the absence of the bishop, and to visit the four Catholic churches in the city.

On Jan. 4, 1831, he left for Philadelphia, staying there all of five days since the pastor of the German church received him so hospitably. In fact, the pastor invited him to preach to his congregation on the following Sunday, and Father Baraga welcomed the opportunity.

The following Monday, Father Baraga went on to Baltimore, arriving that same evening. He met the governor and visited the future Archbishop James Whitfield. Early on the morning of the 12th, Father Baraga took the stagecoach bound for Columbus, Ohio, where he transferred to another one bound for Cincinnati. He arrived at his destination on Jan. 18, 1831.

The missionary didn't seek out the bishop immediately, deciding instead to rest up at an inn overnight. Promptly at ten the next morning, he presented himself to Bishop Edward Fenwick. The bishop welcomed him warmly and was particularly pleased that his new helper wished to work among the Indians. He asked Father Baraga, however, to spend the winter in Cincinnati and to help serve the spiritual needs of the German immigrants. With the arrival of spring, he would then take him along on his next visitation of the northern part of his diocese and would personally introduce him to the Indians among whom he would work.

Bishop Fenwick's household at that time consisted of five priests and four seminarians. One of these seminarians was a chieftain's son who spoke both Ottawa and English. He tutored Father Baraga in his native Indian language and found him a quick learner.

As Easter approached, the bishop sent Father Baraga north to Miamisburg and Dayton in order to provide the German immigrants with an opportunity to make their Easter duties, planning to catch up with Father Baraga in Dayton. From there they were to proceed north to Michigan.

The first Mass ever to be offered in Dayton, Ohio, was celebrated by Father Baraga early in May, 1831 at the home of Robert Conway. Since the Lutherans had no church or resident pastor at the time, they invited the missionary to hold a service for them as well, which he did. This was probably the first ecumenical service ever to be held in Dayton.

In mid-May, Bishop Fenwick arrived and together they set out on horseback for Detroit and Arbor Croche (now Harbor Springs), arriving at the latter village on May 21, 1831. Thus began the missionary career of Father Frederic Baraga among the Indians, whose chronicles were later to inspire St. John Neumann.

My Gosh, Look At All Those Bees

YELLOW JACKET

By JIM DEBEVEC

Where did all those bees come from?

This summer we noticed a tremendous number of yellow jacket bees flying around the northern Ohio area.

There seems to be 10 times the normal amount of swarms hovering about.

We first noticed them two weeks ago at a country farm set in the woods in Madison, Ohio.

Then we discovered hundreds of bees buzzing near the side of our home. They were making a bee line for a hole in the ground.

Sunday, Sept. 3 we ventured into the crowd during Oktoberfest at the Berea Fairgrounds. Throughout the area were lemons stands. Each stand had its own occupancy of hundreds of bees either flying about or sitting around. It was difficult getting a lemonade with all the yellow jackets in line ahead of us.

After we purchased the citrus drink, some of the more bold insects followed us, hoping for a gulp of the Vitamin C enriched beverage.

"I don't like all those bees," Jimmy said.

"Don't worry," I replied, "If you ignore them, they'll go away."

"I don't trust them," Madeline said. "One time I got into my car to drive to the lab and a bee came into the car with me and stung me. The doctors had a heck of a time trying to get the stinger out."

"How can I drink out of the cup with two bees sitting on the edge?" Jimmy asked.

"Don't worry, they'll go away," I said.

"Those stingers really hurt," said Madeline.

"Relax," I said, "they'll soon leave us alone."

Jimmy pitched his half finished lemonade into the container labeled, "Pitch In". A hundred and fifty bees followed the cup into the receptacle.

Madeline remarked, "Yes, that bee stinger in me broke in half, the doctor had to use surgical knives to dig the broken shaft out."

"Why don't we leave," I suggested.

We did and took the Ohio Turnpike out to Milan, Ohio (near Sandusky), where the famous Melon Festival was in progress. The folks there celebrate the harvest of watermelons, cantaloupes and their specialty, muskmelons. We enjoyed our annual consumption of cantaloupe ice cream.

Jimmy said, "I sure can go for some nice fresh lemonade to wash down the ice cream."

We went over to the refreshment stand and discovered hundreds of yellow jackets buzzing around.

Wednesday morning my brother Ed and I arrived at the American Home at 5:30 a.m. to get the KSKJ newspaper ready for printing. When we turned on the neon light, a swarm of bees made a dash for the artificial lights and began circling.

We figured it was two hours before sunup and it was most unusual for yellow jackets to be awake.

The bees then began flying onto the printing equipment, and a number of them landed on our main printing press and then promptly fell asleep.

The bees were so drowsy that when the publishing machine began printing the Glasilo at 7 a.m., the insects stayed on the paper and were smashed between the ink rollers and type. Some committed sepuke by rolling into the folder, to be created along with the paper.

An hour later, those still able to, left the premises.

The experience with bees is not normal. The creatures were nervous and uptight, and did not follow their usual mode of living routine.

"They are not properly bee-hiving," Jimmy says.

POL-KATS SUMMER FESTIVAL

By EDDIE ANDRES

Cleveland, Ohio — It's a beautiful Sunday afternoon and you are looking for a place to go for

(A)—the very best in polkas featuring top notch musicians; (B)—a good clean grove with convenient parking area; (C)—plenty of excellent food and cold beverages; if these and more were on your agenda of things to seek on Sunday, August 13, 1978, then you were one

of the 1,000 happy throng that made their way to the German Central Farm at 7863 York Road in Parma, Ohio to attend the Pol-Kats 15th Annual Summer Festival featuring Pol-Kats Bands which included Markic-Zagger; Richie Vadnal; Al Nowak; Eddy Stampfl; Dick Koss; Eddie Buehner; Jack Flaishman and Eddie Rodick.

The Pol-Kats are an organization comprised of approximately 40 members of primarily Cleveland musicians. The club has been in existence for some more than thirty years and boasts pride of its present roll call and its alumni.

The event got under way at 1:00 PM, and at 6:00 pm on the outdoor stage, put on a musical show featuring all its members.

The star guest, who came in for the festival with a bus load of happy travelers, was accordionist Roman Possedi from Chicago, Illinois. Roman entertained with his button box, and let it be noted, that Roman attends this great function every summer.

The present officers of the Pol-Kats are, George Wilson, President; Dennis Bucar, Vice-President; Dave Skrajner, Secretary; and Tim Sniik, Treasurer. Coincidentally all are bass players. Accordionist Al Nowak is the Chairman.

Musicians also toured the grounds throughout the day, playing to the delight of all, worked in the parking lot assisting the incoming drivers, in the various booths, and generally mingled and made everyone welcome when they weren't on one of the two stages playing upstairs or downstairs.

They are to be commended for another successful picnic. The next time you visit one of your favorite night spots or picnic grounds, when you look up at the pandstand, chances are one or more of the musicians are Pol-Kats.

FANTJE NA VASI CONCERT OCT. 7

Taking a look at our modern world, it's a little difficult to imagine what people did for entertainment before the onslaught of modern technology. Just think — a world without discos, quad-systems, television, movies, or Monday Night Football. What did they do? Perhaps they did pretty much the same things we do during a power failure.

But young Slovenian men passed their leisure time another way. They got together on the Village green and sang, beautifully and with love for the songs of the Slovenian people. This practice was known as fantje na vasi.

What seems quite interesting, though, is that this same practice has found its way across the Atlantic, right into Cleveland. At Slovenian weddings, dances, or shows, young American-born Slovenians would get together and sing the songs their parents had taught them. Soon they were getting together at each other's houses just for the pure pleasure of joining their voices in Slovenian song. You would think they might have forgotten their Slovenian heritage in a

maze of modern entertainment. But no. They had not only remembered it; they enjoyed keeping it alive.

Their enjoyment had so overtaken them, that they decided to make it formal and organized their own singing group. When the time came to choose a title for the group, they reached back to the land of their roots and named themselves for other Slovenian men who had gotten together to sing. The seventeen singers are called "Fantje Na Vasi" and are under the direction of John Srsen.

The first full-length concert by this group will be given on October 7, at the Slovenian National Home, 6409 St. Clair Ave. It starts early, at 7:00 p.m. Tickets are \$3.50 and are available at Tony's Polka Village, James Slapnik Florist, Baragov Dom, and all members.

For these young men, the concert is not so much a performance as it is a display of their enjoyment of singing. If you enjoy Slovenian song (and what Slovenian doesn't?) join them as they get together to sing the songs that echoed through the villages of Slovenia.

United Conservatives of Ohio Give High Rating to McCormack

State Senator Tim McCormack (D-31) of Euclid has been rated one of the most conservative Democratic members of the Ohio Senate by the United Conservatives of Ohio for his voting Ohio record on key spending and consumer issues.

The legislative ratings, printed in the "Buckeye Battleground," the United Conservatives of Ohio publication, were based on several key votes cast during the 1977 session of the 121st General Assembly. Senator McCormack attained his high rating among Democrats for his votes against a major unprecedented spending

proposal which would have allowed hundreds of millions of dollars of debt without the vote of the people, mandatory state automobile inspection and federal regulation of airlines.

DANIEL J. POSTOTNIK

DAN'S DIARY

There are so many news items to report. I trust that our Editor, Jim Debevec, will find space for this article.

First of all, congratulations and best wishes to REV. MATTHEW JAGER, former Ass't Pastor at St. Vitus, former Pastor of Sacred Heart Church, Barberton, and St. Mary's Church, Collinwood, O., who observed his 85th BIRTHDAY on Sept. 4th. Father Jager has been spending his retirement years in the Far West, due to health reasons, and his address is: 4337 E. Whitman St., Tucson, Arizona 85711.

I remember Father Jager, not only as a devoted priest, but a man who possessed many talents. He was the one, along with his Pastor, Msgr. B. J. Ponikvar, who provided us so many cultural activities at St. Vitus beginning with the year 1927. Those of us old enough to remember, will never forget the "ORELS" Gymnastic and Social Club, the St. Vitus Theater Guild (Svetovidski Odr), the St. Vitus Slovenian School, the Tamburitza Orchestra, and last but not least that memorable 65 member Girl's Chorus, called the BARAGA GLEE CLUB. Father Jager was the instigator of all these organizations, and although he was a strict disciplinarian, all of us teenagers were like a big happy family. We who grew up in that era will never forget those wonderful days.

Our celebrant has no inkling about this tribute to him for his 85th. Why don't we all deluge his retirement residence with congratulatory messages. I am sure he will be most happy to hear from his former parishioners on this memorable occasion.

We at St. Vitus especially thank you, Father Jager, for all of the energetic work you did in our behalf, and may the Lord bestow upon you his richest blessings in the twilight of your life!

Belated congratulations to SISTER MARY PHILOMENA, S.N.D., on the Golden Anniversary of her Sisterhood, July 23, 1978. She is our own Mary Malovrh, who attended St. Vitus School, entered the Notre Dame Order, and taught many of our Slovenian children for some 8 years. Sister is still teaching at St. Mary's School, in Chardon, Ohio. It is unfortunate that I never had you as a teacher at St. Vitus, as I probably could have gained some fine points in Slovenian — my favorite foreign language!

In line with the above, here is some real good news! "FANTJE NA VASI" (The Village Lads), a newly formed young men's group, all of whom also sing with the mixed chorus "KOROTAN", will present their 1st Concert at the Slovenian National Home on St. Clair, Sat. Oct. 7, 1978 at 7:00 P.M. Tickets are general admission and may be secured at the door.

They will sing some 20 Slovenian songs. I am familiar with the quality of their voices, and am sure you will enjoy their renditions thoroughly. After the Concert, the Alpine Sextet, will make you feel like dancing if you are disposed or not. The "FANTJE" are inviting everyone from near and far. We hope their first Concert will be very successful, and that they will continue to entertain us with our beautiful Slovenian songs for many years to come!

The ST. VITUS ALTAR SOCIETY is inviting all present, former parishioners and friends to their Annual Chicken and Roast Beef Dinner, which will be held at the St. Vitus Auditorium on Sunday, Sept. 17th from 11:30 A.M. to 2:00 P.M. You just can't

go wrong in attending. The admission price for this delectable dinner is only \$3.50 for adults, and \$2.00 for children under 12. The ladies will also hold a Bake Sale in conjunction with this affair, featuring our delicious Slovenian pastries.

On Aug. 31st, our lovely lass, MISS MARTINA KOSNIK, of 1026 E. 61st St. received her Bachelor of Science degree in Family and Human Relations at Ohio State University, and will be involved in Pre-School Child Development. She is the youngest daughter of Mr. and Mrs. Martin Kosnik. Her Dad is the longtime organist and "LIRA" Choir Director at St. Vitus Church.

Miss Kosnik is also endowed with a beautiful soprano voice, and was a featured soloist in the Villa Angela Glee Club. She also sang with the Ohio State U. Glee Club. Music and singing are an important part in Tina's family life, as her father, mother, Amalija, and sister Mrs. Vida Oblak are all good singers.

To Martina we wish the best in her full endeavors and we hope she will always continue to contribute her God given talent at our 10:30 A.M. Slovenian Masses.

DR. DAN SIEWIOREK, of Pittsburgh, Pa., son of Frank and Lena Siewiorek, 1185 E. 60th St., will again travel to Europe, this time to London, England, from Oct. 2 to 6, 1978, where he will lecture with other professors from France, England and the U.S., at the Polytechnic Institute of Central London, England on Multi-Microprocessor Systems. Dr. Siewiorek is an Associate Professor of electrical engineering and computer science, at Carnegie Mellon University, Pittsburgh, Pa., and was featured in the July 1978 issue of Computer Magazine. Bon voyage to you, Dr. Dan Siewiorek!

WATERLOO NOTES

Another beautiful summer is fast drawing to a close and the fall season is just around the corner.

The Directors of Slovenian Workmen's Home haven't had much of a vacation but have been working diligently making needed repairs and have started renovating the lower hall.

Inflation has increased the cost of building materials and labor along with every other commodity. Even with the Directors doing most of the work, the reserve in the Building Fund is dwindling.

To bolster that fund, the Directors have decided to sponsor an affair of some kind on any open week-end date.

To start, they are sponsoring a Dinner-Dance on Saturday, Sept. 23, 1978. The Ladies Auxiliary will serve a delicious Slovenian-style dinner which will be followed by dancing to the tunes of the excellent Novak-Srnick Orchestra.

Donation will be \$5.00 per person and may be obtained from any Director of SWH, Tony's Polka Village, or come and say "Hello" to Sophie Podboy, our Bar Manager. Tickets may be reserved also by phoning 261-0436.

Come join us for a very enjoyable evening!

This newly published book recalls the actual experiences of Slovenian immigrants prior to their departure from Slovenia, as well as their emigration to the United States during the early 1900's. These stories will make you smile perhaps shed a tear, but especially, they will help you remember "the good old days."

This book makes a lovely gift for second and third generation American-Slovenes.

Some research "experts" say you can't taste the difference between beers ... blindfolded.

CCC Offers English as a Second Language

Courses to help individuals improve their ability to speak, understand, read and write English will be offered through the English as a Second Language Program at Cuyahoga Community College.

Interested students are encouraged to make an appointment with a member of the ESL faculty prior to registration on September 19-21 to receive information on testing, placement and registration procedures.

Classes begin Sept. 27. For further information, phone Thomas Nobbe, ESL coordinator at the Metro Campus, at 241-5966, ext. 365, or Dr. Charles Morrow, acting academic unit leader, Language Arts, at the Western Campus, 845-4000, ext. 301.

The program is for anyone whose native language is not English. Students need not be high school graduates.

At the Metropolitan Campus in downtown Cleveland, classes are available both day and evening in pronunciation, reading, writing and speaking. In addition, the Cleveland Board of Education Basic Class is offered on the campus.

The Western Campus in Par-

ma offers reading, writing and speech courses in the daytime and a writing course in the evening.
