Apel predsednika K. S. K. Jednote

Naša kampanja mladinskega oddelka se bliža svojemu koncu; še dobra dva tedna, pa bo zaključena.

Članstvo s svojimi agilnimi odborniki in odbornicami, ki so se odzvali klicu gl. odbora, bodo z zadovoljstvom gledali na svoje dosedanje delo in v zavesti, da je v mladini bodočnost njih društev in naše Jednote. Zato jim gre vsa čast in priznanje.

Kaj pa ona društva, ki se dosedaj še niso odzvala klicu gl. odbora? Tudi teh je dolžnost, da nekaj store za svojo Jednoto, kajti pri naši podporni organizaciji imamo vsi enake pravice in dolžnosti.

Ni še prepozno! V dveh tednih se lahko še veliko stori. S tem torej tudi jaz apeliram na ona društva, njih odbornike in odbornice, ki se dosedaj še niso odzvali klicu te kampanje, da gredo na delo in pridobijo kar največ mogoče novega članstva za naš mladinski oddelk.

Delujmo skupno, delujmo složno! Naše geslo naj bo: "Vsi za enega, eden za vse!" Kot Slovenci in katoličani moramo delati za našo Jednoto in storiti vse, da pripeljemo naše sinove in hčere pod njeno okrilje.

S sobrskimi pozdravi,

Frank Opeka, gl. predsednik K. S. K. J.

KAMPANJSKA BRZOJAVKA

JOLIET, ILL.—Bolj ko se bliža zaključek naše velike kampanje, tem večje zanimanje postaja med kapitani in njih osebjem. Poročila, ki jih prejemamo od raznih naših kapitanov so nadvse zanimiva in razveseljujoča. Navdušeno nam pišejo, da so njih Zeppelinji v redu in njih osebje stalno na delu. Veselimo se takih poročil, ki je znamenje, da se naši kapitani in njih osebje še niso utrudili, ampak gredo neprestano na polet za dosego zaželenega cilja. Da je v resnici zanimanje, naj bo dokaz lepo število novih članov in članic ki smo jih prejeli v pretečenem tednu; 137 novih članov in članic je pristopilo. Vsem, ki so delovali za dsegovanje označenega števila, naj bo na tem mestu izrečena najprijetnejša zahvala in priznanje. Le tako naprej! Za dosego tega števila so tekmovali sledeči Zeppelinji:

"California," "Illinois," "Indiana," "Minnesota," "Missouri," "Ohio," "Pennsylvania" in "Wisconsin."

Vsem kapitanom in osebju imenovanih Zeppelinov želimo zdravje in srečen nadaljni polet.

Nekateri kapitani gotovih postojank so že skoraj dosegli določeno število, kar pomeni, da se da veliko doseči, če je le nekoliko dobre volje. So pa še nekateri, ki so zelo zaostali. Še je čas, dasi ga je zelo malo, da se zamujeno popravi. Zato reji oni, ki še niste v tem velikem storili ali celo nič, potrudite se. Ko bo kampanja zaključena in število novega naraščaja proglašeno, boste tudi vi lahko z največjim veseljem rekli: "To je naše delo, naša zasluga!"

Sledeče brzojavke smo prejeli v minulem tednu:

Zeppelin "California": Frank Govednik, član društva sv. Frančiška št. 236, San Francisco, upravičen do vozička št. 69. Frankie je sinček sobrata Martin Govednika, tajnika označenega društva. Dobil je 12 novih članov.

Zeppelin "Illinois": Joseph Jakša, član društva sv. Treh Kraljev št. 98, Rockdale, je upravičen do vozička 70. Dobil je 10 novih članov in članic. Shirley Jackson, članica istega društva, je upravičena do "dolloce" št. 27. Ona je dobila 14 novih članov in članic. Rose Mary Jacksa, tudi imenovanega društva članica, je pridobila 17 novih, zato bo dobila "dolloco" št. 28. Joseph Jagodnik, član istega društva, želi voziček za 10 novih članov, zato ga bo tudi dobil pod št. 71. John Richard Pirc, tudi član tega društva, ki je dobil 10 novih članov in je upravičen do vozička št. 72. Vsi skupaj so dobili 61 novih članov in članic. James Kocka, član društva sv. Neže št. 206, South Chicago, je dobil 10 novih članov in članic, zato je tudi upravičen do nagrade. On želi "dolloco". Ker tako želi, zato jo bo dobil pod št. 29.

Zeppelin "Indiana": Mary Louise Dugar, članica društva sv. Ane št. 134, Indianapolis, je dobila 12 novih članov in članic in želi voziček za nagrado, zato ga tudi dobi pod št. 73.

Zeppelin "Ohio": James Mally, član društva Marije Magdalene št. 162, Cleveland, je dobil določeno število in prosi "dolloco". On je torej upravičen do "dolloce" št. 30.

Vsem skupaj naše čestitke na njih uspehu.

Še dobrih 14 dni in kampanja bo končana. Potrudimo se in porabimo te dni samo za kampanjo mladinskega oddelka. Društva, ki še nimate mladinskega oddelka, ustanovite ga. Za ustanovitev mladinskega oddelka zadostuje vsako število. Pišite za pojasnila ako tako želite! Tudi od Vas, ki dosedaj še

KAMPANJSKO POROČILO

Za zadnji teden ne moremo o prvih treh naših Zeppelinovih poročati nič posebnega, ker so ostali na svojih starih mestih; naravno, "Colorado" je še vedno v ospredju. Iz običajne tabele je razvidno, da so si vsi v bližini. Najbližje skupaj se nahajata "Montana" in "Oregon," ker je samo za 4 milje razlike med njima.

Zrakoplov "Connecticut" se je moral zadnje dni pomakniti s 4. mesta na 5. Temu sledi ponovna nevarnost, da ga ne dohiti naš Zeppelin "Ohio," ker: samo 12 milj mu manjka pa bosta skupaj. Ako se "Pennsylvania" malo požuri, tudi lahko svojega istočnega tekmeča doseže, ker mu je slednji le še za 22 milj v ozadju. Razlika med Zeppelinom "Ohio" in "Pennsylvania" je pa sedaj samo še 10 milj.

Jako lep uspeh je zadnji teden dosegel glavni Jednotin Zeppelin "Illinois," ker je preletel 114 milj in se vsled tega pomaknil s 7. mesta na četrto. To je lep napredek. Kakor znano, ima ta zračni orjak 40 motorjev, največ izmed vseh drugih. Iz njegovega dosedanjega gibanja razvidimo, da je bil svoječasno kar štiri tedne vedno na enem in istem (6.) mestu. Kapitani in inženirji "Illinois" imajo tajne načrte, da bodo spravili vseh 40 motorjev v akcijo. Kaj bo potem, si lahko mislimo; čast imena države, v kateri naša Jednota posluje že 40 let, bo s tem rešena in povišana.

Med vsemi našimi Zeppelinji se je zadnji teden Zeppelin "Indiana" najbolj obnesel, z rekordom 200 nadaljnjih milj; zdaj se dviga na 8. mestu; če se bo takega rekorda držal še prihodnje tedne, bosta kmalu skupaj z zrakoplovom "Colorado." "Indiana" je postala zadnji čas vsled tega tako agilna, ker se bo v tej državi prihodnjega avgusta vršila Jednotina jubilejna konvencija.

"California" je napredovala za 60 milj, "Minnesota" za 47, "Missouri" za 40, "Wisconsin" pa za 4, "Ohio" 18, "Pennsylvania" 10 milj. Osem izmed označenih skupaj se je od zadnjic pomaknilo za 493 milj. Prihodnje, oziroma zadnje tedne naše velike kampanje, še do 31. decembra, bo tekma med mnogimi našimi Zeppelinji živahna in zanimiva. Zasedujte jo!

LEPA PRILIKA ZA NEKATERA DRUŠTVA

V naši kampanjski Zlati knjigi imamo dosedaj označenih 61 društev; to so ona, ki so v tej kampanji pridobila že 10 in več novih članov mladinskega oddelka. V tem pogledu ničesar storili, pričakujemo vašega sodelovanja. Ako bomo vsi, ali vsak nekoliko storili, potem bo dosežen rekord vseh rekordov.

Pozdravljeni kapitani in osebje Zeppelinov do prihodnjega tedna.

Za glavni urad K. S. K. Jednote:

JOSIP ZALAR, gl. tajnik.

ŠE JE ČAS!

Sedanja naša kampanja mladinskega oddelka traja samo še do konca tekočega leta; trdno upamo, da bo ista uspešna.

Dosedaj se je klicu glavnega odbora glede te kampanje odzvalo že lepo število krajevnih društev; vendar jih je še dosti mlačnih, oziroma takih, ki do danes niso pridobila v tej kampanji niti enega novega člana. Pravega vzroka za to si ne moremo tolmčiti.

Tako smo se odločili dobri stvari na ljubo, ali kampanji v prid tudi številke teh društev od tedna do tedna na tem mestu do konca leta priobčevati; morda bo to kaj pomagalo?

Društva, katera imajo še vedno čas stopiti v vrsto drugih kampanjskih delavcev in nadomestiti zamujeno so:

Št. 10, 11, 13, 20, 23, 24, 39, 40, 43, 44, 45, 51, 60, 61, 69, 73, 74, 77, 83, 84, 85, 88, 90, 92, 93, 94, 97, 105, 118, 119, 121, 122, 124, 126, 128, 130, 133, 146, 47, 154, 158, 172, 178, 179, 182, 183, 184, 186, 189, 196, 197, 198, 202, 207, 214, 216, 217, 221, 222, 228, 232, 237, 238, 247.

Ali bomo lahko črtali številko vsakega društva v prihodnji izdaji iz tega seznama?

delka. Društva, ki dosedaj v tem oziru niso še ničesar storila, so označena posebej.

Kampanjski voditelji bi radi število v Zlati knjigi označenih društev pomnožili. Do te časti na lahek način dospo sledečih 12 društev, katerim manjka še toliko novih članov do predpisane kvote 10:

Društvo št. 21 — naj dobi še 3 nove; št. 32 — 2, št. 72 — 1, št. 81 — 1, št. 139 — 1, št. 164 — 2, št. 170 — 1, št. 174 — 3, št. 176 — 3, št. 195 — 1, št. 220 — 3 in društvo št. 241 — 1 novega člana. Skušajte to število kmalu doseči, da bo vsled tega tudi vaše društvo označeno med drugimi v naši Zlati knjigi.

Kampanjsko poročilo in klic iz države Colorado

Pueblo, Colo.—Kampanja mladinskega oddelka se bliža svojemu koncu; še dobrih par tednov in naša velika, nepozabna kampanja l. 1933 bo prešla v anale zgodovine.

Ravno, ko to pišem se nahaja naš Zeppelin "Colorado" že v ospredju, torej je dosedaj prvi v tej tekmi. Da je bilo mogoče to doseči, je dalo dosti dela in truda. Res, vsega priznanja so deležni uradniki in

uradnice onih krajevnih društev naše solnčnate države, ki so pripomogli, da se je Zeppelin "Colorado" pospel na prvo mesto. V tem oziru zaslužijo vse pripoznanje uradniki in uradnice sledečih društev, št. 113 in št. 190 v Denverju, št. 104 v Pueblo, št. 180 v Canon City, št. 55 v Crested Butte, št. 56 v Leadville in še nekatera druga.

Marsikdo je morda že vprašal: Kaj pa društvo sv. Jožefa št. 7 v Pueblo dela, ki je največje v tej državi? Dosedaj nismo poslali na fronto niti 10 rekrutov. Naj glede tega omenim, da je prvi in največji vzrok temu, ta salamanska depresija, ker nima nikdo toliko, da bi plačeval asement. Čakali in čakali smo, da se delavske razmere zboljšajo; pa vse zaman! Namesto da bi se zboljšale, se še slabšajo, kajti ljudje v Pueblo v resnici čedalje manj delajo. Zdaj vse čaka na delo od C. W. Dal Bog, da bi bilo res že kaj kmalu boljše!

Kampanja mladinskega oddelka bo pa že kmalu zaključena. Kakor že povedano, stoji naš Zeppelin "Colorado" sedaj v ospredju. Zaradi tega je dolžnost tudi članstva našega društva sv. Jožefa št. 7, da ga obdrži v ospredju. V ta namen prosim vse članstvo našega društva, da kdor ima kakega otroka, ki še ni zavarovan pri naši KSKJ., da istega tekom te kampanje zavaruje. Jaz bom te dni do konca decembra z drugimi društvenimi uradniki vred obiskal vse one hiše, kjer vem da imajo male otroke in da se niso zavarovali pri nas. Članstvo pa lepo prosim, da nam gre na roke, da bomo na ta način lahko obdržali naš Zeppelin "Colorado" v ospredju in potem morda odnesli v tej kampanji prvo nagrado.

Časa za to imamo še dobra dva tedna; torej vsi na delo, prosim vas.

Vsem uradnikom in uradnicam vseh naših coloradskih društev, ki so se tako marljivo potrudili za pridobivanje novega članstva v označeni oddelek, pa izrekam najpripršnejšo zahvalo

naša agilna društva društvom, ki agilno delujejo v naši sedanji kampanji mladinskega oddelka, smo se odločili njih številke po državah od tedna do tedna na tem mestu priobčevati in sicer do konca kampanje; to so namreč društva, ki so dosedaj pridobila že 10 ali več novih članov.

Dosedaj imamo v naši Zlati knjigi navedenih trinajst držav z več ali manj krajevnimi društvi, kakor sledi:

California: društvo št. 236.
Connecticut: št. 148.
Colorado: št. 104, 190, 55, 56, 180, 113.
Illinois: št. 2, 29, 108, 206, 127, 53, 175, 225, 79, 166, 98.
Indiana: št. 52, 134.
Kansas: št. 115, 160.
Michigan: št. 30.
Minnesota: št. 4, 131, 156.
Missouri: št. 70.
Montana: št. 208, 14.
Ohio: št. 191, 111, 150, 226, 169, 63, 162, 224, 219, 25, 193.

Oregon: št. 235.
Pennsylvania: št. 153, 41, 50, 181, 187, 185, 42, 91, 168, 194, 188, 64, 120.

Wisconsin: št. 103, 165, 173, 157, 65, 136.

Skupaj 61 agilnih in odlikovanih društev, ki so v tej kampanji že pridobila 10 ali več novih članov. Čast jim!

Katero društvo bomo lahko že prihodnji teden h gori označenim dodali? Morda še vaje?

in priznanje. Da, z veseljem, lahko trdite, da ste sijajno vršili svojo nalogo za procvit in povzdigo naše dične Jednote. Hvala Vam zato stotera!

S sobrskimi pozdravi,
John Germ,
I. podpredsednik KSKJ. in tajnik društva št. 7.

Društvo sv. Frančiška Sal.
št. 29, Joliet, Ill.

Še je čas, požurimo se proti koncu, in zmaga bo naša! — V Glasilu št. 41 v kampanjskih paberkih sem čital, kako srečo ima Mr. Anton Kordan, tajnik društva št. 63 v Newburgu pri pridobivanju otrok v društvo; namreč ko zagleda pred hišo kopico otrok, jim začne kot sv. Miklavž cukrčke deliti. Gola resnica, da je sladka reč pri otrocih najbolj privlačna.

Moj namen je bil tudi, da poskusim agitacijsko srečo s cuso kopico in to ravno na sv. Miklavža dan mi je uspela sreča prav dobro. Navedeni dan okrog 4. ure popoldne sem se nalašč oblekel kakor da predstavljam sv. Miklavža; šel sem k Dr. Ivecu in mu velim, naj vzame seboj stetoskop, ali srčni radio aparat, da greva otroke pregledovat za naše društvo. Cukrčkov sem imel polno torbo in nalašč izdelane za Miklavžev dan. Da so bili bolj privlačni, je bila na vsakem številka 45; za toliko smo bili namreč še prekratki do 100. Tako sem imel

tudi jaz na svojem hrbtu napis "45 jih manjka do 100."

Z gospodom doktorjem se odpeljeva gori po Broadway cesti naravnost v Homewood, blizu naše jolietke Jugoslavije. Ko prideva pred hišo našega sobrata Joe Kure, se ustaviva. Jaz sem imel malo piščalko, na katero sem nekoliko zapiskal. V par minutah je bila že kopa otrok pri nama, vsi radovedni kaj pomeni to piskanje sv. Miklavža s števil. 45 na hrbtu? Pojasnil sem jim, da je to tajnost. V času ko sem jaz mladini cukrčke in rožiče delil, je pa Dr. Ivec hitro začel delati s svojim slušalnim aparatom. Od tamkaj nazaj sva se ustavila v Jolietu na Dearborn in Nicholson St., Burry Ave., Center in Summit St., nazadnje pa še na Broadwayu. Na vseh teh postajah je bilo najuno delo uspešno, povsod so bili Miklavževi čarovi dobro došli, nama pa še bolj mladi Miklavžki in Miklavžke Jednoti za Miklavža v dar.

V poldrugi uri sva dobila namreč 18 novih članov, naslednji dan pa še 2; tako nam jih manjka sedaj samo še 25. Za toliko novih kandidatov sem jaz sedaj izbral ofenzivni dan 28. decembra, to bo na dan Nedolžnih otročičev, ali po starokrajsko rečeno "Tepežni dan." Za isti dan bomo zopet delili nalašč za to pripravljena darila in jaz trdno upam, da zmaga bo naša.

Ako pa dobimo 27 novih, potem bom jaz dal prestopni list svojim dvojčkom Jean in Joan Gregorich, da prestopita v urednikov zrakoplov "Glasilo"; slika teh dveh se nahaja tukaj.

Zadnjič mi je stavil urednik vprašanje, če bi zamogel dogrnati koliko dečkov in deklic je meseca oktobra pristopilo k naši Jednoti v obče. Deklice so odnesle prvenstvo in sicer jih je bilo za 28 več kot pa fantkov.

Želim vsem skupaj veliko uspeha. Pridno in korajžno naprej — do zmage dokler je še čas!

John Gregorich, tajnik.

KAMPANJSKI PABERKI

(Piše urednik)

Da so naši zapadni Jednotarji s svojim mogočnim Zeppelinom "Colorado" še vedno na prvem mestu, je pripisovati izredno ugodnemu vremenu za zračni polet. Zadnje dni je namreč okrog Rocky gorovja v Colorado pihal precej močan veter, kar je pospešilo naglico tega zrakoplova. Pihal je namreč od prave (zadnje) strani in ne nasprotno. Ja, ja, ugoden veter igra važno vlogo pri zračni igri (Dajle na 6. strani)

EDUCATION

Catholic Higher Education—what a train of thoughts these words suggest! Salvation—social work—better citizens—duty—prosperity, and an untold myriad of influence that can never be accounted for. These are only a few of the advantages Catholic higher education offers. Indeed, it would be good if every child could continue school beyond the elementary and obtain the advantages Catholic higher education offers. For some the portals to Catholic higher learning are open because their parents are so situated in life that they can easily provide for the advancement of their children; but for others higher Catholic education is not so safely guaranteed. Each, however, the rich as well as the poor student receives advantages in a valuable way. But the application of each will decide which shall reap the greater harvest.

The school period for the Catholic child is the seeding time of his sanctity where he learns the great lesson of his relationship with God and his responsibility for every thought, word and deed. Catholic higher education fosters all that anyone would wish education to promote. It first of all makes us better Catholics and next better citizens. It trains and educates its students to prepare them practically for the roles they are to play in life. It fits for the world we live in. The public higher training also endeavors to fit her students to be better members of their community but it lacks the finer and purer background—religion. We know that if a person is a loyal member of the Catholic Church he produces an influence among his fellow-beings that is always agreeable. And the higher the education of the Catholic, the more good he accomplishes by means of his better training in a Catholic high school or even college he learns to know himself better, his fellows and the world about him and the more useful and happy he becomes.

More than all this, virtue is instilled into the student by a Catholic higher education. He becomes trustworthy and honest, not because he will get along with greater ease in his own circle but because it is his duty to respond to what is true in order to do what is right. He knows also that unless he is honest he cannot have self-respect, which, of course, is praiseworthy in all.

Catholic higher education develops good citizens because an education that unites intellectual, moral, and religious elements is the best training for citizenship. It develops a sense of responsibility, a respect for authority and a consideration for the rights of others which are the necessary foundations of civic virtue. Besides, in Catholic schools, obedience to the law and loyalty to the Constitution are taught as a religious even more than a civic duty, and the best and highest ideals of American patriotism and citizenship are exalted. Catholic higher education designs to plant in the heart of school children a deeper and holier appreciation of the privileges and dignity of American citizenship. A student thus trained

does all in his power to preserve honesty with the ballot and to promote reverence and respect for law and order. Our country has prospered, our government is secure, but that prosperity flows from school and church.

And do the Catholic schools do nothing for the prosperity of the individual? The door of opportunity is opened for him. They give him a chance to study for professions as law, medicines, engineering and the like. By taking time to learn a skilled trade he is able to earn more money and get ahead further than those who did not study to be skilled workers. But Catholic higher education does not mean only the power to earn a living, it also means the power to enjoy life. It gains better friends for him, helps him to live a fuller and happier life, by broadening his views on art, literature, music and much more!

It is absurd to expect great things of students unless they are prepared for life. High school graduation means opportunity—success, but college graduation means far more besides success. It means leadership. Then why stop the education of a child after high school if more study does more good? Our Catholic high schools and colleges open the portals of success in the home circle, in the social and civic circles. They blend all that is noble and elevating with our holy Faith and thus they bind into a unit the church, the home, and the country, leaving all the rich advantages of this union to each student of Catholic higher learning.

WHAT'S YOUR SCORE?

Did you ever take a walk down to the bowling alleys on a winter evening, and just sit along the sidelines and watch others bowl?

Mostly every night during the winter months you can see good bowlers down there getting strikes and picking up their spares—you can see fair bowlers picking "cherries" and getting unlucky splits—you can see poor bowlers—starting their ball from the Jersey side, and after a pretzel-like curve and a Ty Cobb slide, getting a strike on the Brooklyn side. You can always find someone who can top your score and you can always find someone you can trounce.

But whether you roll 90 or 200, you'll find that you have a mighty chesty feeling when you "turkey out" at the end of a bad game. You'll feel sorry for the next fellow who has been rolling in hard luck, just as you'll get your share of pity when they won't fall for you. You'll get kidded when you get a lucky break. You'll enjoy yourself and the sport and you'll find a lot of good fellowship—good exercise and laughs mixed up with your efforts to save the morals of those big round balls, by keeping them out of the gutter.

When you leave the place, after having bowled one game, you'll have to admit to yourself that it is a great little game at that.

La Sallita.

VISIT CHICAGO

La Salle, Ill.—Miss Frances Jancer spent the Thanksgiving holidays in South Chicago, where she visited with Miss Ann Encimer of Ave. J, who is convalescing from an appendicitis operation. She also attended the "Schooldays Revue" presented by the St. Florian Booster Club on Thanksgiving Eve.

Mr. and Mrs. John Pelko and daughter Ann and Miss Josephine Gergovich spent a few days visiting with friends in Detroit, Mich.

The absent-minded biology prof was speaking. "I have here some very fine specimens of frogs, which I will show you." Unwrapping the parcel, he revealed some sandwiches, fruit and hard-boiled eggs.

"Good heavens!" he gasped. "And I thought I ate my lunch!"

Haste makes waste.

TO THE POINT

SPORTS — During the past few years lodges have sponsored teams in various fields of sport as a means of representing the group in competition. Naturally, only the versatile athletes received uniforms and were sent out on the field of battle to uphold the colors of the respective lodges. There is nothing wrong with the latter policy, save that it does not give many the opportunity to participate. The lodges, however, are not to discard the policy, merely because it doesn't give everybody a chance to participate.

Lodges having a large membership should, if the law of averages is correct, have a large squad of men and women from which to select an all-star team. In such cases the lodge would do well to sponsor an additional intra-lodge program, thereby giving every member an opportunity to participate in sports. Bowling and kindred sports have the advantage. Baseball and softball also permit intra-lodge competition. An intra-lodge policy for basketball depends on the capability of a lodge to rent a gym.

Giving all the members a chance to play adds to the success of a lodge, and at the same time helps members develop a proficiency, possibly to the extent that former novitiates may even be considered for the lodge's "varsity" team.

"Athletics for all" is a good motto for every lodge.

A NEW DEAL — Last week it was pointed out that only one-fifth of the members attend meetings. The apparent lack of interest is due to the members or to the lodge itself. In all probability the lodge is to blame for its method of conducting cut-and-dried meetings, enlivened only by a controversy over some trivial or personal matter.

The business of the lodge can be transacted in short order, and should be followed by a social activity of some sort if the lodge expects its members to attend. The assumption is not theory, for lodges over the country have demonstrated that a large lodge attendance is just as possible as it was in the days when an entire Sunday afternoon was spent by members in the meeting chamber.

As long as members send others to pay their dues, as long as officers are content in administering affairs in the "same old way," as long as meetings will be considered as bores, so long will the members shun the company of their fellow-members at meetings.

Members, if you learn that the only worthwhile thing you have accomplished while sitting in on a two or three-hour meeting is the payment of your dues, speak up at the meeting and ask for the new deal. Propose short, complete and efficient business meetings to be followed by entertainment. Give your lodge a new deal by asking for the appointment of dramatic, singing and entertainment committees. Make your lodge meeting and the incidental entertainment something to be looked forward to. Make your lodge meetings a pleasure, not a bore, and your lodge will become the talk of the membership and the neighborhood. When members will disregard other engagements to attend a lodge meeting, then the KSKJ will have no trouble in augmenting its membership, for non-members will say of their own accord, "How can I join?"

FROM A FENCE POST

Pretty nearly any sunny morning from 8 on, as you round the corner, you'll see from three to five men sitting on the fence, catching the view three ways.

Bathing in the sun and air, smoking, discussing the passers-by as the gossip permits, they are enjoying life.

The affairs which come within their mental range are discussed.

But they are never settled. Why? Because it takes action to settle affairs, and sitting on the fence isn't conducive to action.

There are two different ways of sitting on a fence. There is the mental way and the physical way.

Many people are always sitting on the fence mentally.

They are sitting on the fence mentally when they are thinking about everything but the results they are supposed to accomplish; when they are not planning their work; when they are not trying to find better ways to do things and to do more; when they are wasting their own time and others' in gossip.

Let's not sit on the fence as far as the K. S. K. J. is con-

"KSKJ ILLINOIS" MOVES INTO FOURTH PLACE

DOLENC SHINES AS SPORTS RALLY TO DEFEAT PIONEERS

Cleveland, O.—Paced by the scoring of Dolenc, the St. Joseph Sports again applied their comeback tactics and outpointed the Pioneers, 25 to 19, in a regular Interlodge game last Wednesday.

The victory is the third consecutive for the Jays and the second converted to their advantage after trailing in the score. The Pioneers held a 11 to 8 advantage at the half, but the KSKJ spurt in usual whirlwind fashion caught the opponents off guard, and the Jay team overcame the lead to find itself holder of the generous portion of the 25 to 19 final count.

Dolenc of the Sports, high-point man of the tilt, continued to win the favor of the fans with his exhibition "acrobatics" which had him flying through the air and sliding over the floor no less than ten times during the fray. Debenak and Glavic added to the Jay score with four points apiece. Sprenak, with six points, and Strainic, with four, scored high for the Pioneers.

Following the defeat of the Loyalites, last year's champs, by the Sports, dopesters were fast in proclaiming the caliber of the Jay team, and agreed that the KSKJ banner holders would at least provide a surprise. Continuing with their last year's display of dynamic force, the Sports are now in first place with three wins and no defeats to their credit.

In the bill for Wednesday, Dec. 13, the Sports will meet the Serbians, a potent aggregation that progressed from last year's cellar place to a tie for first place with the Joes. The KSKJ team, however, edges the Serbs by virtue of a bye, giving the Sports an additional win. The game is scheduled for 7:45 p. m. in the St. Clair Bathhouse.

Results of last week's games: Loyalites 58, Brooklyn Slovenians 14.

Eastern Stars 24, Soča 14.
Spartans 24, Comrades 23.

BARAGAS NOTE!

The election of officers and such other proper business will be in order; also plans will be made for the 1934 program.

Every member must be present at this meeting.

Announce Plans for Bill Commemorating Jubilee

La Salle, Ill.—Plans are being launched for the observance of the 23d anniversary of the founding of St. Ann's Society, No. 139 KSKJ, which is to take place Sunday, Jan. 28.

The program will include a two-act farce-comedy, entitled "The Laughing Cure." A regular old-time and modern dancing party, in upper and lower halls, will follow the presentation.

The committee is working hard to make this an outstanding success, for it is the first venture into an entertainment of this kind for this society.

Several new members were enrolled into St. Ann's Society, namely, Miss Ann Oklesen, Mrs. Frank Oklesen and Mrs. Louise Schumacher.

FLORIANS TO MEET ST. MARYS IN TWIN BASKETBALL BILL

Coincident with the Midwest KSKJ basketball confab, which is scheduled to take place in Waukegan this coming Sunday, the St. Florian Boosters of South Chicago will open their cage season by encountering St. Mary's Lodge teams on the Mother of God Court. It will be a twin bill, with junior and senior teams of the KSKJ lodges aiming for their first seasonal victory. The first game will probably start at 3:30 p. m.

This year the St. Florians will come finely groomed in brand-new uniforms of blue and white, and with more than a month of diligent practice to get them into shape for an arduous schedule. Last year, it will be remembered, the Florians organized late in the season, and in spite of their tardiness they hung up an enviable Kay Jay record of wins.

The pace they will set from now on will be really tough, for, according to their manager, Ed Kompare, negotiations have been opened that will carry them to various parts of the Midwest and East. Interlodge games with Slovenian teams of other unions are culminating. On Jan. 7 the Florians will meet the Jolly Allis Lodge team of West Allis, Wis., in South Chicago. Later in the season a game with the SNPJ Pioneers of Chicago will be scheduled. A midseason affair with the St. Joseph's team of Cleveland is also pending.

The St. Florian Booster squads are governed strictly according to the membership and eligibility rulings of the KSKJ Athletic Board. They expect to be ardent contenders for the KSKJ basketball tournament title, which no doubt will be decided sometime in February.

The St. Florian athletes who represent the club this year are: Alex Hurysz, Capt. Eddie Kucic, Johnny Franko, Frank Zupancic, Joe Bugos, Tony Lowery, Frank Strubel, Tony Franko, Frank Benkovich, Johnny Benkovich, George Blasic, Fred Marko and J. Zupancic. Johnny Jurkas will assume the duties of a trainer in order to keep the boys in trim.

TO ELECT OFFICERS

Joliet, Ill.—The Joliet KSKJ boosters are requested to please attend the meeting Dec. 18, 7:30 p. m., in the KSKJ Hall. Election of officers for the ensuing year will be in order.

Plans for a New Year party will also be discussed.

GOING—GOING—

And still they go!

Once again the camp of the non-participating societies takes it on the chin! Desertions have followed desertions, until now but a comparative handful remains of the once powerful organization of non-workers. And even these, too, are weakening before the constant hammering of KSKJ National Air Race officials and are wavering in their determination to follow the policy of "Let the other fellow do it."

Last week no less than eight left these hapless ranks to take their place beside those societies who are doing their best to bring this campaign to a most successful conclusion. Today we find that two more quitted the camp and have pledged their allegiance to the KSKJ banner.

One of the pair, Society No. 98 of the KSKJ Illinois, did so complete an about-face that Air Race sponsors were obliged to place the society in one of the coveted positions on the Honor Roll.

The other society to show a change of heart was No. 214 of the KSKJ Ohio. In reporting their new members this group expressed its confidence in attaining the Honor Roll before the campaign is brought to a close on Dec. 31.

The week's activities bring the number of non-participating societies to 63, only two more than the Honor Roll total.

The complete list of non-participating societies:

Nos. 10, 11, 13, 20, 23, 24, 39, 40, 43, 44, 48, 51, 60, 61, 69, 73, 74, 77, 83, 84, 85, 88, 90, 92, 93, 94, 97, 105, 118, 119, 121, 122, 124, 126, 128, 130, 133, 146, 147, 154, 158, 172, 178, 179, 182, 183, 184, 186, 189, 196, 197, 198, 202, 207, 216, 217, 221, 222, 228, 232, 237, 238, 247.

LETTER TO THE EDITOR.

Editor Our Page:

The Aurora Kay Jays are wondering what has become of the Minnesota athletic representative, John J. Kordish.

What? Is there not going to be a Kay Jay basketball league in our Gopher State this year? Oh, yes, there is. All we have to do is to step out and work. Aurorians are all set to race for the big title.

Let's hear from the committee as soon as possible so that a schedule may be drawn for the 1933-34 season.

Kay Jay, Aurora, Minn.

Dear Editor:

Every week I read something about a basketball tournament which Waukegan would like to sponsor. This is a very nice thing, something that would attract KSKJ members from the various parts of the country.

In this week's paper I have read that you have not as yet heard from Minnesota. Maybe before this letter reaches you, you will have heard from our ever-working John Kordish. I am reminded that due to the fact that Mr. Kordish is working so hard, he has failed to call a meeting to make up the Minnesota KSKJ basketball schedule.

Waukegan, go to it! I know that you are capable of sponsoring a real basketball tournament. I see no reason why the Athletic Board should not pass on it in favor of you.

A Real Booster, Soudan, Minn.

REVUE IS ANOTHER FLORIAN SUCCESS

The St. Florian Boosters in South Chicago have not only achieved athletic recognition in their locality, but they have also gained the respect of everyone for their social and histrionic talents. The past minstrel productions have borne justifiable evidences that, contained within this KSKJ booster organization, there is a wealth of ability. However, it took the recent School Day presentation to vouchsafe the fact that the members are really versatile.

Further, we may add that versatility is hardly the word. There is need for an encomium that is far beyond our scope. Nevertheless, the best we can do is tell you what great social success was scored by the St. Florians on Nov. 29.

The "School Day Revue" was an ambitious production that was centered around the old-fashioned school room. It revealed mischievous pupils in various rib-tickling roles. For instance, Ed Kompare was Professor Throttlebottom, a hard-boiled schoolmaster who put his class through the paces. The class was composed of more than thirty boosters.

Leading the pranksters were Frank Zierler, as Izzie Finkelstein; Ed Skalla, as Tony Spaggoni; Jack Smrekar, in the role of Puddin'-head Jones; Frank Link, as Sambo, and John Jurkas, as Mike Mump, a tough mug. Girls who took important parts were Mary Smrekar, Edna Triller and Catherine Price. This coterie, together with the supporting cast, kept the audience in the throes of laughter.

Aside from the pranks and jokes, perhaps the most outstanding feature of the show was the choral singing of the group. The boosters have become accomplished as a glee club, and the way they supported the various incidental numbers on the program was quite commendable. Perhaps the number that should receive special mention was the splendid rendition of the "Beautiful Blue Danube," a four-part song.

Mary Smrekar and Jean Franko scored a tremendous success in rendering a duet of a Topsy and Eva number. Marie Triller, our Booster Club prodigy, received a great ovation with her Hot-cha interpretations of "Lazy Bones" and "Harlem Moon." Cecelia Kucic offered a pretty popular ballad; Eddie Skalla and Jack Smrekar scored hits with character songs and impersonations. A romantic duet number was offered by Mary Smrekar and Ed Kompare. Frank Link deserves mention for his novelty offering of "Let Me Call You Sweetheart." When it comes to humorous oratory, Frank Gorenc in the role of Peter Blowhard, an egotistical politician, certainly takes the cake.

Need we tell you that another large audience saw the third successful show offered by the St. Florian Boosters this year. Need we also tell you that the presentation was directed and produced by Ed Kompare and his able assistant, Ronald McGrea. The fact that it was the night before Thanksgiving meant that the keynote of the affair should be jubilation. And that, my dear readers, was exactly what transpired after the performance. Dancing to the tunes of Joe Franko's Booster Club Orchestra, and a happy reunion with Kay Jay friends.

St. Florian Booster.

HONOR ROLL

The flying of the past two weeks brought about a big addition to the list of KSKJ Honor Roll Societies. Last week two societies, No. 70 of the KSKJ Missouri and No. 136 of the KSKJ Wisconsin, were able to add their names to this ever-growing roll.

Today no less than five societies, representing five different zeppelins, are accorded their honorary wings by KSKJ National Air Race officials. The addition of these seven raises the total of Honor Roll Societies for the membership drive to 61.

This week's newcomers are Society No. 98 of the KSKJ Illinois, Society No. 134 of the KSKJ Indiana, Society No. 156 of the KSKJ Minnesota, Society No. 193 of the KSKJ Ohio and Society No. 120 of the KSKJ Pennsylvania.

The complete Honor Roll includes:

KSKJ California: Society No. 236.

KSKJ Colorado: Societies Nos. 55, 56, 104, 113, 180 and 190.

KSKJ Connecticut: Society No. 148.

KSKJ Illinois: Societies Nos. 2, 29, 53, 79, 98, 108, 127, 166, 175, 206 and 225.

KSKJ Indiana: Societies Nos. 52 and 134.

KSKJ Kansas: Societies Nos. 115 and 160.

KSKJ Michigan: Society No. 30.

KSKJ Minnesota: Societies Nos. 4, 131 and 156.

KSKJ Wisconsin: Societies Nos. 65, 103, 136, 157, 165 and 173.

Societies will be accorded a place on this Roll of Honor when they have secured a number of new members equal to their share of their state's quota.

Joseph Zalar, Supreme Secretary.

GIGANTIC ZEPPELIN CLOSES IN AS LEADERS IN KSKJ NATIONAL AIR RACE ARE IDLE FOR WEEK

Headquarters State Dirigible Jumps From Seventh Place With Spirited Advance of 114 Miles; KSKJ Indiana Gains 200 Miles in Big Drive

K. S. K. J. National Air Race Bulletin

Joliet, Ill., Dec. 9.—With all leaders suspiciously quiet as the KSKJ National Air Race went into the home stretch this week the KSKJ Illinois took advantage of the situation to jump from seventh in the contest to a strong fourth, assuming a threatening position less than 100 miles out of first place.

The KSKJ Colorado, by virtue of the inactivity of its competitors, was able to hold first place despite its failure to report any advance. The Colorado is credited with a total of 753 miles.

Both the KSKJ Montana and the KSKJ Colorado likewise failed to report any forward movement, and though they

maintained their second and third places in this gigantic air struggle, their lead was considerably cut down by the rest of the field. The Montana has traveled 729 miles, while the Cowboy Cruiser is but four miles behind.

KSKJ Connecticut Drops

The KSKJ Connecticut, holder of fourth place last week, was another of the pace setters failing to report. She, however, was not so fortunate as her sister ships, as her total of 629 miles was not sufficient to keep her ahead of the onrushing Illinois craft. As a result, the Yankee Clipper today is in fifth place and in serious danger of being overtaken by both the KSKJ Ohio and the KSKJ Pennsylvania.

The furious drive of the KSKJ Illinois over the seven-day heat netted that ship an advance of 114 miles, raising her total to 655 and putting her in an excellent position to grab the KSKJ air championship. In her flight, the Headquarters State ship passed up the KSKJ Ohio and the KSKJ Pennsylvania as well as the Connecticut craft.

Entering the week's fray with but a slim two-mile margin over the Pennsylvania, the KSKJ Ohio was able to increase that to ten miles by the time the latest radio reports were tabulated. The Buckeye dirigible has traveled 608 miles. The Pennsylvania has chalked up 598 miles.

Indiana Gains 200 Miles

All the flying honors for the week did not go to the KSKJ Illinois alone, however, for the KSKJ Indiana gave the entire field a big thrill when she blistered the air waves with a 200-mile gain. The big push sent the Hoosier aviators past the inactive KSKJ Kansas and the faltering KSKJ Wisconsin into eighth place with a total of 554 miles. The Kansas has a total of 494 miles, while that of the Wisconsin is 475.

Minnesota, California Gain
Snapping out of her lethargy of the past month, the KSKJ California hung up a gain of 60 miles to pass the tied KSKJ West Virginia and KSKJ Arkansas to take over 11th place in the race. The California total is 320 miles. That of the Arkansas and West Virginia is 267.

Fourteenth place in the standings continued to be held by the KSKJ Missouri only after that ship was able to report a gain of 40 miles to stave off the advance of the enlivened KSKJ Minnesota. The Minnesota did, however, pass up the KSKJ Michigan to take 15th place. Latest totals are: KSKJ Missouri 260, KSKJ Minnesota 230 and KSKJ Michigan 210.

Air race experts saw a sinister significance in the failure of the leaders to report this week and believe all of them are quietly scheming a tremendous last-minute drive which will put them over the 1,000-mile line.

Slam Victories Featured in Baraga Bowling Loop

Milwaukee, Wis.—Triple wins by the fast-stepping La Pointe and Little Traverse keggers enabled these contenders for Baraga Bowling League honors to retain their holds on first and second places in the standings as of Dec. 3.

Little Traverse, in winning, set a new high three-game mark with 1413 pins, to which Al Jeray Sr. contributed 565, also a high three-game individual total.

A Verbiec of the pace-setting La Pointes spilled 545 pins, 215 coming in the final game, giving him high single total.

Individual averages still show John Jenich leading with 174.4. Jeray and Verbiec are battling for the runner-up spot with 167.10 and 167.4, respectively, both passing the idle Ed Mutz, who now rests in fourth place with 164.

Any lodge members desiring to bowl are invited to join in the regular Sunday afternoon bowling sessions at the Studio Alleys.
