

# Finančno poročilo S. D. Z. ZA LETO 1937

## Pojasnilo članstvu S. D. Zveze k letnemu računu

Na podlagi sklepa seje gl. odbora z dne 27. februarja in postave države Ohio za bratske podporne organizacije, katera določuje, da se pošlje po pošti vsakemu članu in članici odraslega oddelka finančno poročilo ali letne račune organizacije, to tudi storimo.

Da bo članstvu bolj jasno in razumljivo, je v naslednjem kratkem pregled finančnega poročila S. D. Zveze za leto 1937. Glavni odbor toplo priporoča vsemu članstvu, da pazno prečita račune, iz katerih so razvidni v detajlih dohodki, stroški, kakor tudi čisti preostanek pretečenega leta. Priobčen je tudi izkaz premoženja S. D. Zveze, razdeljen po skladih, kakor tudi pregled krajevnih društev S. D. Zveze, koliko so plačala in koliko prejela od 1. januarja do 31. decembra 1937.

Takoj v začetku preteklega leta je naročil oziroma ukazal državni zavarovalniški oddelček preveriti vsa Zvezina posvetstva kakor tudi posvetstva, na katerih ima Zveza posojen denar na prve vknjižbe. Postava države Ohio ne dovoljuje vključitev v Zvezino imetje prve vknjižbe, kar je nad 50% cenilne vrednosti. Za leto 1936 so bile one svote, ki presegajo 50% cenilne vrednosti odračunane pod točko "Odbitje premoženja mogoče izgube." Za leto 1937 nam je bilo pa ukazano ustanoviti rezervni sklad za mogočo izgubo. Po tem naročilu smo se ravnali in ustanovili rezervni sklad v svoti \$200,000.00 za odrasli oddelček in \$7,551.94 za mladinski oddelček.

Finančni odbor smatra, da so zgoraj navedene svote več kot dovolj za vse mogoče izgube na Zvezine investicije. Kakor je razvidno pod točko "Obveznosti" je ta rezerva od vzeta od prebitka. Kadar bodo prve vknjižbe, na katerih ima Zveza posojila več kot 50% cenilne vrednosti, znižane, in kadar bodo posvetstva prodana, katere Zveza sedaj lastuje in na katerih se sedaj smatra da bo mogoče izguba pri prodaji istih, potem se bo tam rezerva zmanjšala sorazmerno, tako se bo v do glednem času celotna rezerva izbrpala. Omenjeno sicer ne pomeni, da bo Zveza trpela izgubo \$207,551.94, kajti če se Zvezina posvetstva prodajo za svote, katere so sedaj vknjižene, in če bodo dolžniki odpla-

čevali točno svoje obveznosti po naročilu finančnega odbora, ne bo Zveza trpela nobene izgube, ter bo celotna rezerva za mogočo izgubo prišla nazaj k prebitku.

### Posmrtninski sklad

V posmrtninskem skladu kaže knjižni napredek za \$74,940.82, ko se pa prišteje še pripadajoč denar, ne še vplačanih iz odšteje premoženje mogoče izgube ter rezerva, kaže aktualni napredek za \$102,387.90. Zasluzene obresti na investicije vključivši one, ki so še vplačljive, je skupni znesek \$45,248.23. Kakor znano, je Zveza izgubila v pretečenem letu \$23,251.80 pri prodaji posestev in vzdrževanju istih. Čisti preostanek na investicijah je \$21,996.43 ali zasluzek 2.18%. Ker je gl. odbor uvidel potrebo prodati posvetstva iz razloga, ker ne pri najašo dovoljnih donosov za kritje stroškov, je določil, da trpi ali odpiše izgube; sedaj je bolje kot pozneje. To je sicer tisti razlog, da je procentualni dobiček tako majhen. Zadnja konvencija je stavila v pravila, da gl. odbor mora imeti deset odstotkov Zvezinega imetja investiranega v bonde, jamčenih od vlade Združenih držav, kateri pa donasajo samo od 1 1/2% do 2 1/2%. Dosedaj ima Zveza v posmrtninskem skladu vladnih bondov za \$66,000.00, kar je drugi vzrok, da je obrestni zasluzek tako nizek. Priporočljivo je delegaciji prihodnje konvencije, da se pravila glede investacij izpremene ter da gl.

finančnemu odboru moč in pravico investirati denar na način, kateri bo donasal najmanj 4% obrestne mere, kar zahteva American Experience tabela za bratske organizacije.

### Bolniška in pokojninska podpora

V knjigah gl. urada vodena rubrika kaže dohodke in izplačila oddelkov D, C, in B. V oddelku D, kar pomeni \$5.00 tedenske bolniške podpore, smo prejeli asesmenta \$3,206.50, izplačali iz tega oddelka pa \$3,814.50, kar kaže \$608.00 več stroškov kot dohodkov. Oddelku C, ali \$7.00 tedenske bolniške podpore prejeli \$44,487.50, izplačali \$43,928.84, preostanek \$558.66. Oddelku B, ali \$14.00 tedensko, dohodki \$21,310.50, izplačila pa \$22,353.41, kar znači za \$1,042.91 več stroškov kot dohodkov. Kakor je razvidno iz navedenih števil, ki se vzdržuje sam, ostala dva pa kažeta vsako leto izgubo. Delegacija prihodnje konvencije bo lahko o tem ukrepala in določila bolj enakopravno za vse članstvo.

V letu 1937 je Zveza izplačala iz bolniškega sklada za razne bolezni \$54,686.75, za operacije \$11,255.00, porodne nagrade \$1,890.00 ter za odškodnino pa \$2,400.00. Pokojninski sklad skupnih dohodkov \$9,748.95, izplačila pa v svoti \$6,380.00, čisti preostanek pokojninskega sklada \$3,368.95. V zgoraj označenih števil preostanka ni všteti preostanek od investicij. V letu 1937 je postalo sedem članov in članic starih 70 let, kateri

so po pravilih upravičeni prejemati mesečno \$20.00 pokojnine. Koncem leta 1937 je imela Zveza 27 članov in članic, kateri so upravičeni prejemati pokojnino in če ne bo smrtna nesreča, pride v tekočem letu na pokojninsko listino nadaljnjih sedem novih penzionistov. Članstvo Zveze je lahko pomembno na svoj pokojninski sklad, kateri v tako visoki svoti podpira mesečno svoje starčke in med njimi tudi siromake, ki še niso stari 70 let. Pomniti je pa, da bo morala delegacija prihodnje konvencije vzeti v skrb in trezen premislek ter odglasovati v prilog finančnega stanja pokojninskega sklada, akoravno je sedaj nad 96 tisoč dolarjev v temu skladu rezerve.

## Dodatna zahvala

V zadnjem poročilu od društva Ribnica št. 12 SDZ sem pomotoma izpustil več imen. Prosim, naj mi oprostite. Zahvalo naj prejme soproga našega predsednika nadzornega odbora, Mrs. Frank Zagar, ki je vestno izvršila svoje delo s pomočjo brata Joseph Centa, sestre Genevieve Blazich, Mrs. Anton Tanko ter Mrs. Kobe. Spravili ste skupaj 415 dolarjev. Posebno hvalo pa Mrs. Zagar, ki je imela vse to v svoji oskrbi, kar se tiče pivskih tiketov. Posebna hvala Mrs. Tony Tanko, ki je ob enem pomagala streči gostom. Ni še dolgo, kar sta Mr. in Mrs. Tanko prevzela trgovino na Glass Ave. Člani društva ter cenjeno občinstvo, oglasite se pri njih ter postanite njih odjemalcev. Postreženi boste prvovrstno. V zalogi imata meso vse vrste, kakor tudi grocerijo, vedno sveže.

## Razgovor z našimi trgovci Piše A. Grdina

Ustavimo se nedaleč od Urbasove prodajalne pri Oswaldovih za razgovor. Imajo prav lepo urejeno grocerijo in mesnico na 17205 Grovewood Ave. Bralci se še spominjajo Oswaldovih od lanskega leta, ko sta popisovala potovanje v staro domovino. Tudi zdaj smo se začeli najprej pogovarjati o naši stari domovini. Pokazali so mi razne lepe slike, ki so jih vzeli na potovanju. Povedali so mi mnogo zanimivosti, posebno še, kako sta sin in hčerka, ki sta starše spremljala na tem potovanju, spravevala o zanimivostih v stari domovini, ki je, razumljivo, vsa drugačna kot je Amerika. Malo Vilmo in Valterja so zlasti zanimivi ribniški izdelki, produkti Ribniške doline. Valter je bil star sedem let, Vilma pa nekoliko starejša, torej oba v onih letih, ko se otroci zanimajo za vsako stvar.

Mr. Oswald je doma iz Jurjevice pri Ribnici, po domače Peretov. Devet je bilo bratov in sester in še vsi žive in tudi starši so še živi. Ena njegovih sester se nahaja v Biwabick, Minn., poročena Zalar. Ko je bil Lojze star 18 let, so mu dali dovoljenje za v Ameriko in sicer za tri leta. Dospel je k sestri v McKinley, Minn. leta 1920. Doma je bil Lojze navajen nositi krošnjo s suho robo in jo je zadel na rame že s trinajstim letom, kot so to delali njegovi predniki. Za časa svetovne vojne se je nahajal naš Lojze s suho robo na Ogrskem, kjer je nameraval iti v šoli. Toda po svetovni vojni so morali vsi tujcemci iz dežele in tako je tudi naš "krošnjar" prišel domov in potem dalje v Ameriko.

Iz Minnesote je prišel v Cleveland, kjer je delal najprej pri Kramarju, potem pa pri stricu Škerlu v zadrugi. Za ženo si je izbral Blaževko Malčič iz Begunj pri Cerknici. Starša od Mrs. Oswald sta bila tudi v Ameriki in je očeta ubila.

# The Younger Set and SDZ

by F. M. Surtz

The idea of losing my identity as a Slovenian is repugnant to me as unnatural and the result of an inferiority complex. It is unnatural, because it is a desertion from the group to which I by nature and birth belong and is the result of an inferiority complex, because it is founded upon an imagined inferiority of our race. To every student and historian the racial, cultural and intellectual history of the Slovenian race is rich, fine and admirable. Although being one of the smaller minority groups, we have attained through solidarity of purpose and action to universal recognition on a parity with all other groups and to success in all fields of endeavor. In order to maintain and preserve this high standard it is essential to our future success as a group and as individuals to continue the policies and undertakings of our parents. Only by combined and concerted action can we maintain our present position as a group and react to higher places as a group and individuals. When one of our race emerges to a high recognition and success, he not only adorns the race but undoubtedly assists others of the group to higher positions in life. Through organization the individual is as strong as the group. It appears that of all Slovenian institutions and organizations, the fraternal serves best the purpose of unity. They are corporations with a heart, lasting, alert, progressive and modern.

Such a fraternal is SDZ. It offers not only modern and sound insurance protection, but offers to the younger set the opportunity of maintaining social, business and intellectual contacts not only so desirable but necessary to render it as attractive as possible to the younger set. The executive committee in conjunction with the SDZ Junior League is ever planning undertakings, which give to the younger set a variety of social, athletic and mental recreation. They feel that it should be more than merely an insurance company and that it should offer to the younger set opportunities for desired recreation and it accordingly offers recreational features surely not offered by regular insurance companies. As a consequence its younger set is active and alert not only seeking new recreation but developing into a progressive body working towards our success as a group and individuals.

From the foregoing it is apparent that every thinking Slovenian should belong to a Slovenian fraternal for the continued progress of our group but also for individual betterment. SDZ not only has such purposes but also offers to you a true sense of security with its modern and sound low-cost insurance protection together with opportunities for social, athletic and intellectual pursuits. Belong to SDZ and strive toward group and individual success with a proper modicum of wholesome recreation.

## Crusaders Edge Stars For Third Straight Win

In a fast and thrilling juvenile basketball encounter the Modern Crusaders defeated the newly organized Eastern Star quintet in a thrilling finish that found the Modern Crusaders leading by one point.

The powerful Eastern Star cage team, coached by Tony Kastelic, led throughout the first three quarters of the game. When in the final canto Moze swished one through the net it brought the score to 10 for the Stars and 7 for the Crusaders.

The Crusaders, with a possible first defeat before them, worked the ball nicely down the Collinwood High School court and at the end of this march O'Hara poked in a bucket, and then just before the final whistle Opalich dropped in the last and deciding goal. The final count was: Crusaders 11, Stars 10.

Opalich was again high scorer for the Modern Crusaders.

ers, while Spiller was the mainstay of the Eastern Star offense. The Modern Crusaders now boast three consecutive wins and no losses.

Officials for this game were Bertha Somrack, scorer; Stan Robinhood, time keeper, and Joe Strazisar, referee.

## Second Juvenile Dance Session Monday, March 7

The first juvenile dance session held at the Slovenian Home on Monday, Feb. 21, got off to a flying start, with many juveniles in attendance getting their first lessons in the art of ballroom dancing.

Under the direction of Tony Kastelic and the helping group consisting of Sophie Kozely, Frank Kapel, "Doc" Gregoric and Frankie Yankovic, the juveniles were shown the first few steps that one needs to be able to step on a dance floor without any fear of making mistakes. Frankie Yankovic furnished the dance numbers.

The next session is scheduled for Monday, March 7, in the Slovenian Home on Holmes Ave. A special invitation is extended to all SDZ juveniles to attend the next dance session, but you must be at least 14 years old. Remember the time is 6:30 p. m. and be early, so that you will not miss any valuable pointers.

## 1938 BOWLING TOURNNEY DEADLINE SET FOR APRIL 2; ENTER NOW!

By Bill Vicio

During the past three years well-known bowling officials revealed that more people are participating and gaining recreational indoor enjoyment through the medium of bowling than ever before. SDZ recognized this fact and is on the alert to be in step with the

changing of times, ways and varied sports enjoyments of the eight thousand or more members that reside in the Buckeye State.

That is why our organization can rightfully tell the world that "It's Modern." When again this year, as in the past, the SDZ will sponsor an SDZ Bowling Tourney, at the Clair-Doan Recreation, 10322 St. Clair Ave., on Saturday and Sunday, April 9 and 10. Incidentally, the alleys are owned by one of our own brother members, none other than Joe Pozelnik, a member of Lodge France Prešeren for many years.

An important statement was omitted in last week's article

concerning the cash awards for the 1938 bowling events. The prizes are all tentative and in all probability will be increased in the actual cash awards and the number of prize winning places. The bowling committee regrets this error and will in the near future publish the definite amounts. Please watch the SDZ News for more detailed announcements in regard to the 1938 Bowling Tournament.

The committee has laid some very good plans and has systematized this coming tourney, and all rules and regulations must be abided by. There shall be no exceptions. The rest is entirely up to you. If you care to have a real tournament, organize your teams and doubles partners now so that in the last-minute rush your teams or bowlers will not be forgotten. Take it upon yourself to see to it that your lodge is represented. This is an opportunity for you to bowl in a real tourney and the committee assures you that you will never regret joining in the fun and actual competitive participation with and against other SDZ lodges and members. The tourney is only 37 days away and the deadline for entering is Saturday, April 2, at midnight.

## CLAIRWOOD BULLETIN

NEXT SUNDAY EVE AT 7:30

### Say, Editor Lokar!

Since when is Clairwood's lodge number "45"? It you say you are sorry the typographical error occurred last week, we'll forgive you, won't we, members? But, don't let it happen again, 'cause we're proud of the number "40" and wouldn't change it if we could. (Of course, I know it's not your fault, Editor Lokar, but I just had to get it out of my system.)

### A Little Birdie Told Me

That Frank "Mac" Macerol, Clairwood's recording secretary, is engaged to Jean Hlad, 1024 E. 64th St. Congratulations, Mac!

That Val Ferluga entertained a number of Clairwoodites last Sunday evening with a chop suey supper.

That Joseph Sanders, Clairwood's president, fell asleep with a lighted cigarette in his hand. Result—one damaged davenport. Mrs. Sanders played heroine and saved his life.

That Frank Purebar is fast becoming a 200 bowler. He has averaged over 600 the last few weeks.

That Larry Shuster, the practical joker, was offering "cigarettes" to his friends at the alleys last Sunday evening. Since when does Larry smoke?

### The Call to Arms

It's about time something has been done about it! I mean developing the Slovenian National Home into a real Community Center. And now that "Heinie" Martin Antoncic, a director of the Home, has called a meeting of all the young folk in the neighborhood in regard to this problem, let's turn out in full force. I'm sure that from time to time you have had ideas, suggestions or criticisms that would make for a better National Home, and the meeting Monday evening, March 7th, Room No. 2, will be the place to bring them up. Everybody is invited!

### Bowling News

Clairwoods won the bowling match against the SS. C. and M., KSKJ No. 191 last Sunday by only 64 pins. The doubles honors, however, went to the visitors. May this column

congratulate Anthony Skufca of KSKJ on his remarkable 288 game. Skufca started out with 10 strikes in a row, working the sizeable audience into quite a state of nervous prostration. However, a split ruined his chances of getting that game of 300. Incidentally, this chap is the same A. Skufca who demonstrated his sportsmanship by forfeiting his chances of winning the Press Headpin (Class C) Tournament, because he considers himself a 200 bowler instead of the 157 which happens to be his average this year.

Next Sunday evening at 7:30 Clairwood's A team will try their luck with the St. Joseph's bowlers on our home alleys.

Clairwood's Bowling League will begin at 1:00 Sunday afternoon, bowling two shifts, thereby hurrying the season a little in order to make way for the SDZ tournament when it comes along.
